There is NO Nibiru and more topics.

Boy I am tired of doing all this educating on this topic and nobody listens here and there is a plethora of threads now and again as there is now, a few anyway.

Nibiru is a PLANET. It is NOT a 2nd Sun. Nibiru used to go around a former Sun in Sirius. When that sun was exploded in warfare between two planets that encircled it, Nibiru survived because people lived under the surface and were self sustaining and it was given a new orbit, which is some 3600 years long and takes it around both our Sun and a another sun in Sirius. The other planet experienced total destruction of life on it. And it was Nibiru's fault, as they tried to kill the other planet by bouncing energy waves off the sun and instead they destroyed their sun. This is TRUTH and not fiction. And Nibiru and the Anunnaki have long been trouble makers here and are behind Maldek being up in the asteroid belt.

Now Nibiru was last here 2000 years ago. thus it is not due yet for another 1600 years and in fact, it will never be here again, they are in some big do do. That lovely Star on Christmas cards, is of Nibiru because it was here during the time of Christ and in fact, that is a major reason for the timing of the incarnation by Christ. A lot of lies going on by your beloved Catholic Church buddies here.

Now Planet X that scientists ARE seeing, and don't know what it does, never does come thru the solar system. It is a dark body that balances our sun, and it also serves as the tool by which our solar system is dragged around Alcyone, our Central sun every 26000 years or so. All solar systems have a Planet X, which our scientists are labeling a "dark dwarf" and similarly. This planet X IS what pulls solar systems around their larger Central Stars such as Alcyone. Our Sun is a part of Pleiades and NOT sirius as some like to suggest. There are about 500 Suns which journey around Alcyone and not just the 7 sisters.

Nibiru did NOT cause a pole reversal or axis shift when it was here 2000 years ago. Our being

here in great numbers with this technology now is proof of that.

Now I welcome posts here but I will remove crap. I will post more of the same stuff I keep posting elsewhere in threads, so it's together in one source.

God is terribly misunderstood and as Christmas approaches, the God statements are getting pretty bad too, from the misunderstanding.

viva argentina!

ok...heres what I think, for what its worth...

It sounds to me like the OP hasnt read the 'nibiru bible' - the 'Earth chronicles" by the late Zechariah Sitchin.

I know there are a lot of haters on ol Zech...but when I ask questions it usually becomes clear that they have not read him. He is a calm rational man who researches the subject of the 12th planet from sumerian stories written 3000 years before the bible. He's not a UFO nut...he just believes what he reads from these ancient people.

These people state that they got their culture and wisdom from Gods who came to earth. Its interesting when one looks into sumeria and how it had the first everything...from money to running water when the rest of the world was hardly out of the hunting/gathering stage.

no matter what anyone thinks about the truth or falseness of this subject, it still begs the question 'why did these people write down these tales of Gods coming down and changing mankind?' ...and why does the same story appear all over the world in every culture or religion in some way or form.

Its a great eye opening series that explains the gaps in our knowledge and history...I think its worth reading.

Now this is my post from a thread on whether evolution should be taught in schools. [[link to www.godlikeproductions.com](http://www.godlikeproductions.com)] might wish to visit that thread. You will see the WHY of my answer. People, we are such a messed up planet regards TRUE knowledge, in all ways, including god and evolution. The truth IS going to presented by the heavenly hosts (ETS) and we must then continue with it.

In the schools created after stasis, we will simply teach the TRUTH. This will be given accurately to the planet. Yes there is evolution, but it is not spontaneous as taught here. Planets ARE seeded with life and it does GROW and EVOLVE, until there is eventually GOD MIND produced out of the

-- AH- Candace GLP #3 -- page. 3

process.

It is both more and less than "survival" of the fittest. There are scientists of God who undertake the seeding of planets with life. Life is also transported to planets from other planets, that is where the Pouch animals like the kangaroo came from, brought here by colonists from other worlds. Evolution theories fail to take into context, colonization. We even got some of our viruses here from meteors that carried them from blown up worlds.

We are currently NOW in the Milky way Ecliptic, which we are in every 57 million years or so. Evolution will take a GIANT LEAP during this time. Many animals will stand up to walk in fact. Then also take into account what man himself contributes with his own selective breeding and then genetically modified stuff. Remember the disasters of Atlantis on that one.

My source of when Nibiru was last here is the HOSTS of Heaven with whom I work, and this was also given by others to the planets. Nibiru 2000 years ago is what became the story of the Star of Bethlehem that is on all your Christmas cards each year.

Why do all U.S. Presidents suddenly get gray hair? From title of a thread. This is my answer below in blue. Obama was killed and cloned before he was introduced in 2004 as being the next president of this country, at the DNC that year.

because they are killed and cloned before they run anymore, like Obama was and the clones undergo much more rapid aging than folks that are not cloned.

Some more from that thread:

Check them all out. Bush 41, 43, Carter, Regan, Clinton, Now Obama. When they start office after election, they have their natural hair color. After the first few years, boom, gray spots right on que. At the end of the term their heads look like a q-tip.

Is it b/c they show them all the ET / time travel / space alien / weather controlling machine / cancer cures / evil secrets and it melts their mind under the immense pressure to keep quiet about it?

Just soemthing weird i noticed.

ME: these ones were ALL CLONED. There were a whole bunch of Jimmy carter clones, because the process was not very perfect at the time. Look at the current Jimmy, he has a long face that does NOT match his little round face when he first ran. Jimmy had cancer bad and it was a great time to experiment with clones, actually russia did the early ones to our presidents. Do you remember Jimmy carter and the big attack rabbit story? that is WHY, he was cloned and the programming wasn't too good yet, he made a lot of silly statements.

Ok, NOBODY wants to quote my post and discuss it? where are thy minds today? This should be discussed because you have all seen several OBAMA's alone now, plus several of all the others. Since cloning is now banned by fleet, you are seeing also lots of lookalikes, which can be created by surgery, and use of genetics other than cloning to create look alikes.

So, please post some notes on those look alikes you have seen, I have a lot of trouble keeping a

his point is that since you claim the planet is from Sirius. If this planet had an orbit velocity high enough to escape sirus but low enough to get caught be stable in our system then due to the fucking long distance it would have to have traveled, then it must have escaped sirius before sirius actually existed.

Nibiru is partially self propellred, in part, and it does not move close to either sun. There are CRAFT in this solar system several times the size of earth, and this is not an issue for them. Gravity fields are NOT what they are thought to be on this planet. One does not need velocity to escape the gravity field. Gravity is the PUSH of cold hard space on a planet, or sun etc. Antigravity stuff doesn't work on velocity, it works on an apposing force that is sometimes as simple as generating heat. That is why hot air rises. Start there.

Quoting: **Nobody in Particular**

Air is a fluid... denser fluids sink to the bottom of fluid columns because they exert more force per volume into the gravity well, displacing the less dense fluids that do not have the same force pulling them... hot air is less dense than cold air...

You don't need anti-gravity to explain fluid dynamics... let me guess "there's something I'm missing..."

the interdimensional parasites will be handled BY the magnetic Pole Reversal, during the time of stillness, everything of NOT of GOD "flies" off the planet, and is destroyed. Ditto the souless ones.

Keep your own negative emotions out of the picture and you won't be farmed for them.

No, this is bad teaching. Because the satanists have put out "no control" which was a game of Lucifer, I might add originally, this allows the dark controllers to stay in power.

Since Trinity has made it possible for those with paid membership to delete unwanted posts, this actually produces the potential of GOOD control, and the ability of people to actually work more successfully here. I am not required by God or anybody else to put up with SHIT. God is pretty tired of the shit too, I might add. Off it all goes by the magnetic Reversal when that happens during stasis. this is the method by which interdimensional dark ones are removed. Quickly and permanently.

If we are to have any HOPE, we must begin to not allow the Dark Control over us, and that takes using control which in this case here, means the "remove post" button.

Post transfer from another thread. [[link to www.godlikeproductions.com](http://www.godlikeproductions.com)]

30 November 2009

What we see are many signs to prove Planet X or Nibiru is nearer than most seem to understand.

We have seen the solar flares to be on the other side of the Sun when Planet X or Nibiru passed by for a time. Then it stopped on that other side to then swing around to approach this near side of the Sun, and so Planet X or Nibiru began to pass in front of the Sun for a season of time. Then it stopped and the Earth began to wobble as written in Isaiah 24:1 as Planet X or Nibiru pulls upon the Earth to one day where Planet X or Nibiru will once again stop in front of the Sun and cause a three-day eclipse of the Sun.

So this will fulfill Joel 2:31 and Acts 2:20 as written in Almighty God's Word. It will be like it is written during the time when Almighty God had three days of darkness all over Egypt and the entire Earth. This will happen again soon.

In this total darkness it is possible that the Lord will come as a thief in the night to call His very elect chosen and faithful few away at the end of this Gentile period of being saved by His grace,

Are you kidding me, do your research and get your face out of the crap you call the bible. Have you read project blue beam yet?

***** other posters above. *****

God is not the author of confusion. Many have read the holy bible and have done their research and know God has authored it just as He is the Author of life.

Evil men are said to be planning Project Bluebeam and I listened for hours the tapes put out by Canadian Serge Monaste who gave us much information on that subject. He stepped outside his home one evening when he heard the noise of a helicopter and he got zapped with a blue beam and he had a fatal heart attack.

Holograms are part of this deception. It's interesting that the future Anti-Christ Prince Charles appeared on stage as a hologram as he gave a speech to a real audience.

.
Quoting: Scribe to Elijah 1148459

MY REPLY:

Project blue Beam will not be allowed, God is in Control on that one. As to holograms yes, they exist and have good and bad use depending on their purpose, it goes to intent. Prince Charles is not the antichrist. He is an antichrist by his fruits apparently, I don't know him personally but I have heard stuff. The antichrist, if you mean a big bad boy coming back to the planet, was born in the Middle EAst and is about 40 now. AntiChrist is also a word for anybody not a bit interested in being Christ Like.

Prince charles did not appear as a hologram, somebody used technology to make a hologram of him. A hologram is basically a 3 d movie and there are multiple technologies for creating such. It also occurred with President Bush, when he visited New Orleans after katrina. There were even the blue lights used that are part of the process. A friend and I watched a very bad malfunctioning "eye" as part of the Hologram. It was disgusting yet few seemed to notice that watched that night, and wonder why the whole thing was so odd.

I have read the Holy Bible, and it is a whole bunch of confusion, thus God did not write it. How ever he did write much of the PHoenix Journals. Google them. Read #2 and #3 first. Also, visit www.urantia.org, to read for free, the whole thing was given by various hosts of heaven for these times. God did again, most Christians at least agree, give the word again, during the end times of this current civilization. And so he did thru the above sources and thru my team and website now.

Man wrote and continues to re write the Holy bible, and a little research on your part can prove that. The KJV was heavily changed out in the late 1800's to begin to add the deception of Israel, so Christians would support antichrist plans. And speaking of that, Israel is in the Middle East, is it not. Born moor than 40 years ago, but nevertheless, the Khazar Zionists are the biggy antichrists

on this planet, a group of galactic thugs that were place here long along to work out their karma and there was a lot of failure in that. Every Christian that believes in the modern day Israel, is assisting the Antichrist in his work.

To the previous posters above, Nibiru did exactly none of the above. It did not stop behind the sun or go in front of it. The sun customarily has solar flares on the other side. And what is the "back" of the sun anyway. the back constantly changes as does the front based on it's rotation and our journey around it.

Nibiru is not here, but even if it was, it would not stop in front of the sun for a 3 day eclipse. This is really a less than brilliant comment. Nibiru is not large enough to eclipse the sun. And of course that would depend on where it stopped also for an eclipse.

the story of 3 days of darkness has nothing to do with Nibiru. It has to do with the upcoming magnetic Pole Reversal. During the time earth does not rotate, and as it of course slows and then begins to turn in the opposite direction, some portions of earth are in darkness, and some are in excessive light too I would assume, since it's not possible to have the entire surface of the planet not facing the sun.

When Nibiru is here, (and it's NOT planet X), it is "here" for around 200 years, it doesn't just run thru and disappear as nancy has seemed to say.

God's announcement plan is not their announcement plan. My organization IS the 2nd Coming organization. They are not. There's are plans of manipulating money by the dark side who wants the money which is not for the benefit of mankind at all but themselves. They are in some cases squabbling over the funds of the Foundation Divine, which they so not get.

The first of OUR announcements is over the end of wars and Fleets bringing home the combat troops, not just to the US of A but other countries that are sharing the load also. This is a biggy Christmas present if you will. Then there will be a mini stasis to remove the thugs from the planet and finish up others things on our to do list out of site of the public. Then we will return and have a

week to 10 days or more if necessary of announcements and intense teaching about God plus the exposure of the thugs.

Casper et al are involved in exactly NONE of this. There will be NO NESARA announcements as part of this. We may or may not explain how and why that was lost. But the main purpose of NESARA was not MONEY, it was about the creation of the republic this country was meant to be. Since the days of signing on all those papers from back then, this country has remained a colony of Britain and is ruled by the Monarchy which is ruled by Rome. And in ROME here, I do not mean the city, or even the Vatican, although the Vatican is part of it. ROME is the headquarters, a corporation that runs this world, except it's not have much success with China and Russia, thank god for that one.

From Russ recent thread. [[link to www.godlikeproductions.com](http://www.godlikeproductions.com)]

i]Russ, these are NOT Christian.me NIP

What Holy Book, calendar, holidays and Messiah do you say defines Christianity for the Millennium?

I have the King James Bible, New Jerusalem calendar and holiday list and Jesus as the Messiah.

Sat Nov 9/23/10

Quoting: New Jerusalem Russ

Russ, the KJV is not a holy book and was not written by God at all. It is the stories man has written and no holy spirit assisted in writing it. Not how it works. While it has some truth, and some history, a lot of it has been changed by the antichrist folks and is not accurate at all. Example is the changing that occurred in the late 1800's so that Christians would support Israel.

My Messiah is Christ Mlichael the Creator Son of Nebadon, who is the creator of my soul, and

who was here 2000 years ago as Jesus, and returned as he promised, back in 1954. he also brought a fresh copy of the WORD as he suggested he would, which is the Phoenix Journals, (he is Aton/Hatonn in them). Also there is the Urantia Book. Google these. Read PJ #2 and 3 first.

This world ENDS with the stasis which is upcoming. The calendar starts over then as the New WORLD is built. There will be tremendous earth changes due to a Magnetic Pole Reversal and major axis shift during this time. About 1 Billion folks who have made the grade of being at last 51% of their karma cleared will return and rebuild. They "won" their judgment, but are far less than perfect and get some chances to grow their souls.

We will start time over, with a new calendar, which currently will be 360 days as the earth's orbit has changed some. I may change some more during stasis. This new calendar will start at 0, and will not include any of the Kharar jew holidays, or any other non godly holidays.

Now my organization, AbundantHope, IS the Second Coming organization and it is a partnership between Christ Michael and several of his servants, including Esu Immanuel who was also here 2000 years ago, and is a temporary "God" or administrator of heaven for this planet. He plans to stay around 1000 years or whatever it takes. I have also taken on the obligation of heading AH ground crew portion, for 1000 years or whatever it takes.

Man will make new holidays and if he wants Christmas it will be on August 21, or whatever is appropriate as to the new calendar that expresses that birthday of over 2000 years ago, which was in 7 BC. We will have 12 months of 30 days, at this point in time. Again the "new age" starts with the return from stasis, so this will be the year 0 at that time and counting forward.

Let me inform you once again, JESUS is returned and would never support your Calendar because it supports the Antichrist of this planet, in the keep ing of "jewish" holidays.

From the Jesus is coming and he is fucking pissed thread.

He is tired of your shit.

No Jew will save you. At most he will continue to enslave you with more lies and dogma...

Jesus never accepted the religion of those times and there were NO "jews" then, so he wasn't one. The word JEW was created by the Khazars for themselves in the 1700's, and then added to the bible in printings after that time.

that khazar bs is so played out.. get a life. do your homework.. God gave the land to the jews in judah and jerusalem in Genesis in an everlasting covenant.

Quoting: Anonymous Coward 1188685

No the people from Thiaoouba gave the HEBREWS a hand and not the land. Not God. There were NO JEWS then. the bible was rewritten many times. The nice folks from thiaoouba, which goes around Alcyone, help to return back to that land, but it was never given to them. In fact the Hebrews were from another planet, and their ship experiences problems and had to land here. they could not repair it, and so migrated to a warmed area, as the ship came down in Western russia, and it was a bit on the cold side. that is part of the Adam and Eve story in that area, there are many Adam and Eve stories. Most of the people on the craft died, and and 3 migrated to what is now the area of Palestine. A man and 2 women, who were his wives and they started the Hebrew Race on this planet. And the old testament is more or less their story.

saving another teaching post, from this thread: [[link to www.godlikeproductions.com](http://www.godlikeproductions.com)]

ACTually this is true, to a degree. the giant Black hole of the Milky Way is NOT a Black hole as man understands them, (or doesntl understand them). HEAVEN for our Superuniverse is surround by large dark bodies of matter, not black holes. This region is named Uversa. The Milky way is the main structure of Orvonton, our Superuniverse, but not the total off it.

There is special energies that radiate out of this large "black area" not hole, in the form of a cross. Our area including our Sun, travels around the Milky way about every 225 million years. This is called a great cycle. Now, once every 1.4 of this cycle, we are in one of these "rays" of energy. Each time we experience massive evolution. We are in one of those NOW in fact, since 3 or 4 years ago, this current fall season on this planet.

there is especially huge changes when a solar system is starting a new 225 million year journey, and we are at that NOW. That is behind the AScension of Gaia. She has over this last journey become self conscious and a person herself. She is no longer to be a prison ward for the galactic thugs, which she has been for 200,000 years now.

The special energies, which includes gamma rays we have never experienced before, and also a big arrival of God Particles, will fully renew this solar system. That is WHY star fleet is here, because Man did not name the expected ascension as a species 25 ,000 years ago and now there is a huge effort because this is his last chance. This is behind the final battle between Good and Evil story of the various "holy books" on this planet. EVil is going. These energies remove it, plus there will be a magnetic pole reversal that will assist that process. Earth is really wanting one.

I am? Scientists have discovered the "planet X" I describe above, and call it a dark body, a twin sun, a brown dwarf, and related terms. It is KNOWN.

Nibiru is coming, your dates are wrong Candace; the government has been tracking it for quite some time. You keep saying Nibiru will never be back over and over like its a mantra. The global warming that the gov has "explained" to the sheeple, is actually Nibiru's effects as it approaches, including the orbiting planets odd behavior and the sun. It DOES approach. It's gravitational effects are being felt on every level.

It is NOT a dwarf nor a second sun. It is an externally cold planet in the infrared spectrum that is internally inhabited as a spaceship, and it can be "where it wants to be".

Anu inhabits Nibiru and is coming here to judge those that "he" left behind LONG ago to teach the humans and take care of this beautiful planet; they (TPTB) decided to be selfish and keep the planet for themselves and wreak havoc on "our" history/evolvment. They are terrified and know he comes.... They are trying to utilize cern to create a portal..... well I could go on, but my story is just as good as yours.

I am sorry, but I do TRUST my sources on this one. And they are well capable, even it was of diverting it. It is an Anunnaki "vehicle" and they do not operate HERE anymore. Anu capitulated quite some years ago to the Pleiadians and is not in the picture at all. Nibiru WAS here 2000 years ago and it is not here now.

The global warming is Earth running a Fever, from being in the photon belt, and on her own, as a natural defense mechanism against man. It's gravitational effects IF it were coming is less than Jupiters when it's close to earth. It is a planet has no ability, magnetically to affect our poles, anymore than any other large planet in the solar system. it is much smaller than Jupiter and Saturn.

I have never said Nibiru is a dwarf or 2nd Sun. It is not a Sun at all. Period. I have likened "Planet X" as we chose to do that to what is being labeled the brown dwarf, as scientists HAVE discovered it. And it does NOT move into the solar system and cause axis shifts or reversals. It is a fulcrum, upon which carries this solar system around Alcyone and that is basically all it does, in terms of practical understanding at this time. It does have other effects.

It IS being "Tugged" which is a lousy word, but for uneducated man, it is what works good enough, to move our entire solar system to the new energy stream, that will review the solar system as part of the ascension process, in which this solar system becomes an eternal creation. Making Jupiter a Sun which has been accomplished, and later at the proper time, making Saturn the 3rd sun, is part of the energy replenishing system for this system to be eternal, plus it raises the vibration higher, so that unwelcome visitors cannot incarnate here, and it keeps life also stable, as it continues to evolve, there will be far fewer genetic defects etc. The increased "radiation" from these two, plus the energy stream are in fact necessary to higher vibrating forms we will all be using on this world and throughout the solar system as it is populated, and in the case of Mars, repopulated. Take it or leave it, this is the truth.

No at best this is the moon, which at first I thought not, until I was informed that SDO, is in earth orbit rather than sun orbit. It is roughly 22,300 miles out if I memorized that correctly. I have not tried to slow down the video, almost looks like two objects went by, two "bites" if you will, but I am not sure on that. If it's two "bites" as it looks then this is equipment error of some sort and nothing else.

For sure the object whatever it is, is much closer to the satellite than it is the sun. so you nibiru folks fail on that one. It could also be craft and it could also be something with the equipment itself. The mirrors on SOHO and Stereo often when in the wrong place produce strange images.

The Magnetic Pole Reversal will happen during the period of stasis so man does not have to experience it awake. Hmm, how to explain now to those that haven't followed my stuff. There is a period where the planets LIFE will be put to "sleep", or "paused" as to their matter. Does not pause the soul This is actually expected to last at least 4 years, because the reversal and the axis shifts will cause substantial problems and polluted air from vulcanization. During this time, souls that are going to other places leave. We have covered this a LOT on my website.

We will be giving a period of teaching publicly on this sometime this month, by publicly I mean in international live television.

To the AC who keeps telling me what is going to happen, and argues Jupiter, you can do that until you are exhausted, it does not change the facts. I am not the only one on my team, and there is plenty confirmation from others that participate also. Christ Michael is in charge, he is the Creator Son and what the Creator WANTS the CREATOR Son GETS.

Then why does that push get harder when one is close to a massive object? It seems to have more to do with the massive object than the cold hard space around it, in agreement with mankind's conventional theory of gravity.

Ok here's a thread of interest that is pinned today.

[\[link to www.godlikeproductions.com\]](http://www.godlikeproductions.com) It's about some headstart school that has canceled Santa Claus, ie satan claws.

I have made several posts in pages 4-5. Here are some of them. Please ponder them and also check out the pinned thread.

People, if your children are to grow up with reasoning minds, we must stop Satan Claws in his tracks, along with Rudolph the Red nosed Reindeer. Santa Claus is not a derivative of St. Nicolas. It is an outright LIE and children grow up not discerning so well. Santa Claus is SATAN CLAWS along with the whole merchandise selling season which has nothing to do with Christ. In fact this shopping holiday season is completely of the lie and ungodly.

Ditto the Easter Bunny, Halloween and the rest of the satanic "holidays" of this world by various names, religions and the like. Stop the tooth fairy crap with your kids too, raise them with that which is HONEST. You all KNOW these things are NOT HONest, but your children expect the truth and even when they do figure it out, they think it's all cute OR SOCIETY PRESSURE forces it. And the lie and manipulation continues.

I have no problem with celebrating the birthday of Christmas, but Satan claws does not belong there. You were all warned LONG AGO about satan's games and this one that should be really obvious. Muslims have their own stupid traditions too. So don't take this as support for them. I

don't support any corporate religions. They are all wrong. Social clubs doing stuff against God, not with him. god is very misunderstood on this planet because of all the false stories.

There are a fair number of christians who subscribe to the idea Jesus is going to actually ride a White Horse through the sky, and take them to heaven with him, all the while leaving their clothes neatly folded and left behind. This is of the same ilk is Satan Claus delivering all the "good kids" toys in a few hours over Christmas Eve across the planet. do not do this to your kids, they will pass it on.

I made an attempt to not do this with mine and I caught so much hell from school, and family over it, I reneged and I have regretted it every Christmas season since. IT IS WRONG.

Santa is NOT a religious Icon to the one above. It is a creation deliberately of Satan, hence the name. Satan Claws. It HOOKS YOU into the antichrist ideology.

[Santa and Christmas meaning has lost his way. Strayed far from original meaning. Probably, a good thing. Keep Santa in the home delivering good cheer for Christmas morning with family. Quoting: Anonymous Coward 1200303](#)

yep and keep up the Satan Claws LIE in the process and keep believing in the Rapture lie too. And keep passing the lie on to your kids and thus violating their trust. When you do tell the real truth later, they will not believe you. I know this one rather personally.

[Sure we gotta give em' a friggen mosque at ground zero, but now we cant have friggen santa clause? I swear sometimes we are just stupid as fuck. We have got to stop bowing down. No one else does it for us in their country.](#)

[Quoting: Anonymous Coward 966567](#)

The "Friggen mosque" was NOT at Ground Zero. It was 2 blocks away. And besides the Satan Claws lie and manipulation, that lie and manipulation that was 911 is still not acknowledge by the same people who foisted Satan Claws, the Easter bunny, tooth fairy etc on their kids. And we have the all time lie of the rapture, and so many other misunderstood topics of God. The mind control on this planet done thru such as the above, is astounding at how successful it has been. When kids are raised with lies, they learn not to know the truth. Plain and simple.

[Why is it muslims are the only group offended by Christmas? If they don't like our traditions then they can get the fuck out of our country. Fuck them.](#)

[Quoting: MikeinLA 1191146](#)

I am not a Muslim, I don't do any religion. My communication with God is my business, which is what all the avatars taught. All religion is of satan folks. ALL OF IT. There is not one that has not been infested by the black ops folks. And that you all can accept Satan Claws and all the rest, proves you do not think well. Thinking well IS of God. This is not a Muslim issue, it is a spiritual issue, irregardless of the purpose of this thread.

Man on this planet is stupid. End of story. Very few are HUman (Higher Universal (Cosmic Knowing) Man)

Lies are NOT good traditions to follow. I support beautiful traditions that support God and LIFE and TRUTH. I support welcoming a new soul to this world, or an old soul who comes in by birth. I support a wonderful ceremony when life ends to send that soul on it's way to it's next hopefully wondrous journey. Man doesn't comprehend "heaven" and it's purpose or the evolution of his soul. thus our funeral services suck big time and I don't participate in them, after a few I went to in this life. They stink with lack of knowledge. Death is but a continuance of the grand journey. I do know of what I speak on that one too.

I support TRUE ceremonies of Marriage, of graduations from true educational accomplishments and other reasons to celebrate life. But any traditions around this MUST be based on TRUTH to be right, and meaningful. I support house warmings for new homes people have worked to obtain. Life IS to be fully celebrated but our methods support our materialism and a lot of LIES about the nature of God, and Life. We are the people of the LIE so badly we can't even do the "2nd coming" at this point as was hoped back in the 1960's, when they killed Kennedy who was going to announce our visitors from HEAVEN ON THE DAY HE WAS KILLED. Christ as returned and man has no eyes to see, including many of you posting here on GLP. The hosts of heaven travel in STAR SHIPS people and your skies at night are full of them and you see it not and state they are stars and planets instead.

Starship VENUS and STAR SHIP Jupiter are CRAFT as is Star ship Sirius which is viewable at this time also, rising after the Belt of Orion. YEa ones are so blind, and that blindness starts with the LIES taught from birth forward. Such as Satan Claws.

Well this concludes my time in that thread. When you raise your kids with lies, they continue the lies and that's some karma that will bite YOU in the butt at some point, as it has me, for fostering it on my own children because I didn't have the courage to tell other family members and the schools to fuck off, who did not want my kids to tell they truth they learned at home. Ponder what you are all doing, regardless of your religion, in continuing traditions that were created by the very satanic ones you have been advised by your religions, or your common sense, or your god within, to avoid in the first place. -C

My post from a chem trail thread:

There is no smoking gun proof needed, look at the sky. Get some binoculars and look at the various types of tanker planes being used. I fail to understand why anybody who can actually THINK could not SEE the evidence and watch them turning into strange cloud formations. That said, there is a "good purpose" in them, that serves star fleet although they did not give any such technology. The reason some of the trails move fast besides the wind, is they suck the barium and other particulates up into the very high atmosphere, I forget the level right now, but they are using the particles to hold moisture to help re establish the firmament that used to be high above earth in 2 layers. This shields from the radiation and IS mentioned in the bible, about how man didn't see the stars etc until it was TAKEN DOWN as an act of war, and it's taking down was the cause of the great 40 days rains and floods.

Just adding this post here for recording purposes from the Elijah thread.

I hate to inform you dear Scribe to Elijah, but Elijah WAS Jesus (Sananda Esu Immanuel Kumara), in a prior incarnation. Now he could be using that old name to communicate but I can tell by the nature of the material that it's not him and I have verified its not him you are communicating with, as star fleet does follow all of this stuff, including your yahoo group. And yes he does put out about the Khazars etc. But there is a lot of bible stuff that is likely YOURS in these and with whom you are working. It is NOT Elijah. It is someone else, whom you have perhaps thought was Elijah or who has purposely misidentified themselves to you.

There were NO JEWS at the time of Christ. The Khazars created the word and put it in the bible, in the 1700's. They have corrupted much of the bible sadly. They are the antichrist, if one has to have an antichrist. There were however obviously nasty people back then who were amongst those imprisoned on this world. The bible should speak of the semites or hebrews, not of JEWS.

For readers here, the term Israel is a STATE of BEING and not a country. Israelites are those how have obtained this state of being. IS=Mother RA=Father EL=God so the meaning is understanding the nature of Mother Father God within.

The term Israel is Hebrew in nature. the Hebrews are a race founded by exactly 3 people who are from the planet Hebra, (I think it is called, I could have the spelling wrong today). 12,000 years ago their craft crashed here, killing most, but 3 survived and this formed an incorrect Adam and Eve story in the bible.

The 3 some was a man and two women, who founded thus the Hebrew Race on this planet. The crash occurred in what is now western russia, but it was cold and they gathered their things and

weapons and migrated south to the area of Palestine and started a new civilization.

Now that said on Adam and Eve, There was also an Adam and Eve commission to this planet about 40,000 years ago. You can read that story yourself in the Urantia Book, at www.urantia.org.

Another from the Elijah thread. You can guess that the poster was posting comments around Eve disobeying God and eating that apple. IT DID NOT HAPPEN. The eating of forbidden fruit is about SIN, not apples.

THERE WAS NO EATING of APPLE as a sin people. the ANTICHRIST thugs put that into the BIBLE on purpose, just like the SATAN CLAWS they created for Christmas, and the EASTER BUNNY et all. PLEASE USE the mind god gave to you. You have been brainwashed on that bible and it is killing this world, these silly things you accept as truth from it. You should ot be making these statements, you should be rolling on the floor laughing about the destruction of the bible and these silly things in it. There is nice truth yes, but there is so much crap about God as to astound. If it sounds like a Satan claws or easter bunny, it is.

Jesus isn't going to ride a white horse across the sky to pick up the Christians, all the while leaving their clothes neatly folded and left behind either. Same deal, STUPID,. God does NOT do stupid things like this.

The so call rapture is the evacuation of the planet should it had been needed. Those of the light, (not any religion type light, behavior type light) are taken first, then the children, and then if time allows anyone else. They do not place criminals if they are picked up on godly worlds. The purpose of evacuation is nuclear war, or a sudden axis shift, or going into a magnetic pole reversal.

Sadly because of satan's crap, most people would not board craft in this case and would be left behind to the ravages of the event causing evacuation. People there are 20 million craft here for the evacuation if it would become necessary. You would be taken to other planets or live aboard craft for the duration of your life in this case. Some of the evacuation mother ships are 8000 MILES long. OK.

These do not come down low, they are too big, so the evacuations are done to smaller craft with levitation beams, just like all those little icons you see used of such right here. The reason it says in the bible about the light in the east at this time, is that it is standard to have the large fleets come from the EAST, that is a clue.

I am sorry but I have impecable references on this one. It was here at the time of Christ and the satanists made that into the Star of Bethlehem on your christmas cards and stories.

People going to 5d are going build 5d on this planet after the upcoming cleansing. Not 1000 years from now. Our sun INDEED does orbit Alcyone every almost 26000 years and we are indeed in that photon belt now. The sky changes over those 26000 years not from the magnetic axis but from the journey itself. I KNOW THIS TO BE TRUE.

ALL solar systems orbit a Central Star of some sort. As above, so below right down to the atom. Alcyone has 500 suns and other bodies that orbit it. Not just the Seven sisters.

Alcyone drags all her suns around the Milky Way. More less, because even she belongs to another group of suns like herself. The significance of this time, is not just being in that photon belt, but also we entered the Milky Way Ecliptic a few years ago which we are in 4 times as we go around it, via Alcyone. Notice the significance of the Christic Circle, which is a circle with a balanced cross inside of it. See the Milkway Way as that circle, and the 4 parts of the cross as the times when we (and in fact everything circles in the Milky Way), are in the ecliptic. The energies from that are already noticed by the way and we must be about the Father's business.

A teaching post I would like to archive here from a thread where it was asked are our souls trapped on earth.

No you are not trapped, but to generally move UPWARDS you must grow spiritually enough to leave if you are an earth soul. Lucifer did trap people here when they incarnated, as he wanted his own "universe." When Christ Michael came 2000 years ago, he ended Lucifers rule here, (Lucifer

-- AH- Candace GLP #3 -- page. 30

went to the Father's Jail on a sphere in "heaven") and reinstated the normal process.

IF you as an evolving earth soul (not a star seed), have reached 3rd circle lessons by your death, you go to the mansion worlds, which are the first worlds of heaven after the evolutionary planets. If you have not reached 3rd circle most of the time you will be reincarnated, but if not, do not enter the mansion worlds until a general resurrection at the end of an age or for other reasons. These are often done at each millenium for example.

There is population control on these mansion worlds, that is why the wait if you have not reached 3rd circle. You are placed on them on a space available basis. You do not take these bodies, Christians, you were lied too, you are given a new body when your soul arrives. One that does not require birth. And these worlds don't need toilets, the bodies absorb all the nutrients without waste.

As to star seeds we leave when our work is done.

Ok in I assume my first post in this thread I covered Planet X, that dark body scientists are calling a brown dwarf. I was given teaching by Christ Michael on that body, and it's purpose is to provide support to this solar system in some way and it is what drags our solar system around Alcyone, our Central Sun for Pleiades. Well I was reading in the Urantia Book just now, for a piece I am working on, for my website, and here is an interesting quote, which before I would have not understood so well. A lot of "black holes" are also Dark Islands of Space, I am told. Anyway, here's the quote from www.urantia.org

The Dark Islands of Space. These are the dead suns and other large aggregations of matter devoid of light and heat. The dark islands are sometimes enormous in mass and exert a powerful influence in universe equilibrium and energy manipulation. The density of some of these large masses is well-nigh unbelievable. And this great concentration of mass enables these dark islands to function as powerful balance wheels, holding large neighboring systems in effective leash. They hold the gravity balance of power in many constellations; **many physical systems** which would

otherwise speedily dive to destruction in near-by suns are held securely in the gravity grasp of these guardian dark islands. It is because of this function that we can locate them accurately. We have measured the gravity pull of the luminous bodies, and we can therefore calculate the exact size and location of the dark islands of space **which so effectively function to hold a given system steady in its course.**

The Physical systems I bolded above, means solar systems. The quoted mater is from paper 15, The Seven superuniverses, page 173, (in part 6.

All solar systems have planet x's per the teaching early in this thread.

I am archiving this post I made here. It's from :

//www.godlikeproductions.com/forum1/message1306495/pg11

Here are some of the Things that we have been told:

1. There are many different species of aliens. Some have been here, are already here or are coming here. This is true

2. Some of these alien species want to kill us, eat us, or turn us into slaves. Those wanting to enslave us have been here for 4 million years now, in one way or the other. The reptilians occupied this planet that long ago and consider it their stolen home. They do not eat us. The reference to "eating" by dark aliens means the "eating" of the fear energy we put out. Like attracts like, that is physical law, and thus they need dark energies of fear and bad sex and the like to feed on. Many do not eat food, some do. There are ON this planet, they are not aliens.

3. Some of these alien species created us. Partly true. Life was implanted on this planet normally, via the Life Carriers from Neadon headquarters. All planets are seeded with life by these ones, ALL of them. however, as people migrate around the universe, they bring life forms from other planets, and that is the source of the kangaroo and related species on this planet. Colonizers 1.3 million years ago brought them. two races from one planet in fact, blacks and yellows, who later intermingled on this planet to form the Arab race. Now the Anunnaki played in the genetics here too, they needed to upgrade ones in Africa to mine for them, and they then a few thousand years ago, downgraded the DNA on this planet of man generally. About 5000 years ago. Mostly robots on this planet since, which cannot be used as Soul Carriers.

4. Some of these alien species altered our DNA and turned us from primitive creatures into the humans we are now. See above

5. Some of these alien species altered our DNA and changed it from being 12 strand DNA to 2 strands, and essentially interfered with our progress. see above. However heaven has been working on that, so that the star seeds could get in here. And once in here, we carry this further, before we reproduce to uplift the DNA. I have now actually 24 strands myself. I am past reproductive age however, so these won't get passed on by this body. but it surely helps with my communications with those above. These are reconnected by two processes, in those that possess what science called the "junk DNA". both their minds and the incoming energies assist the process. This process does not occur in the Robot people, because they don't have the junk DNA to start with.

6. Some of these aliens fight with each other over who will control us. That fight is no longer going on. All the negative aliens on this planet, and those in our solar system are no longer here to argue. They have been removed. The only arguing is amongst those still incarnate on this world in what you all call human type bodies.

7. Some of these aliens say they want to save us. The "aliens" here are part of the ascension process are from Heaven, plus there are folks from more advanced planets than earth who are helping or just studying here. These ETS are saving the planet itself first and foremost, as it is HER ascension and HER BODY that is being terribly abused. This must stop and HER Body must be made new, cleansed and remodeled. The land masses have to become balanced for the state of Monopolarity, when the planet no long has any tilt. Some of the tilt is related direction to the mis balance of the land masses. Those children of GAIA, who are at least 51% service to others regards cleared karma will be given further opportunity to grow here, which is a desire by GAIA herself and which will be honored.

So, let us get on with some questions now.

How am I suppose to Know which of these alien species truly care about humans? What evidence do you have to support your claim? How can I validate that evidence? In your heart and mind. Listening to the Thought adjuster within, which is of God the Father. Trying just using REASON, that would help. You are being inundated with CIA bullshit in the new age movement and within all religions. The evidence is going to become very in your face pretty soon, in a wondrous way, I might add. you can view also the FACT that Jupiter was made into a sun, regards our work thru me. That is provable. [[link to sohowww.nascom.nasa.gov](http://sohowww.nascom.nasa.gov)]

What am I being Saved from? The Sun exploding? The Earth Changes? Radiation? Humanity gone mad? Other aliens? Beings from other realities? See above, I have covered this except humanity gone mad, that is a consideration. You are also to be saved from any lack of misunderstanding about God during the 3 month announcement process.

How do I Know that these things are not lies to get me to leave the Earth? Who says YOU are going to leave, maybe you are one who is staying????? You will know, but the earth has to be cleared of human bodies during the coming changes. REGARDLESS of whether people are staying or moving.

How do I Know that some alien race has created the scenario so that I will leave the Earth? You can try your mind WITH your heart and watch the public teaching process.

Is there such a thing as Ascension? Is the Earth alive? Is the Earth and the beings on it suppose to ascend together? Is this a lie? If there is no Ascension, how am I to Know? I will answer these together. Ascension is individual. For ascending sons (animal origin souls), it is the fusion with the thought Adjustor, a fragment of the Universal FATHER's mind. Earth is alive and has a mind, yes, and this is the time of HER ascension as an individual daughter of God. We do not ascend together, that is the lie put about thru the CIA new age sites. Many perhaps even yourself are already "ascended". That has sadly been the success of the CIA thugs. They have advanced beings believing this is their first life. The ascension of Mother GAIA will not be complete fully, until man himself creates in partnership with Her, a great civilization of God knowing people, and also we must have the land masses rebalanced, because to enter Light and Life, the planet MUST be straight up and down, thus we will have no season changes. That said, there is always "ascension" of any soul wanting to to learn and grow. Even the Creator Son is learning in his mission here, that never stops. But there are MILESTONES in the ascension progress. the first is getting that thought adjuster and when new souls get one they don't even know it. Then after a long journey, during which one decides if they want eternal life or not, they choose uncreation, or they choose eternal life and fuse with their father fragment,. Then there is arriving on all sorts of heaven planets, specially built worlds. In Neadon and this sector that earth belongs to, these milestones are earning the right to live first on Jerusem, then on the constellation headquarters, then on the worlds around Salvington, and then on Salvington itself. That is the end of the journey thru Neadon schools. Then you are a spirit being, and you move to the super universe schools, and work you way thru the minor section, then the major sector, until you earn and reach Uversa, the capital world of Orvonton. After that you go to the Central Universe and work thru it's 1 billion worlds, until you arrive on paradise. Then your real life really gettings going, as you go forth and serve the creation. I am from paradise, I earned it, I am a mighty messenger and you can use the search function on www.urantia.org if you wish to read about my group I belong to. I am in service to the Ancients of Days of Orvonton on this planet. My soul is huge, it cannot be in this body. I USE THIS BODY. it is temporary. I am not in it, I surround it. Thats the short story of ascension. I am on a journey now to become a full 7th stage spirit, to work eventually in the newly forming universes in outer space. You do choose careers in heaven. Your goal in eternal life is to become LIKE GOD the FATHER, That IS his Will. And a lesson almost nobody understands on this planet.

The way I see it.

If I choose to stay because I Believe that there is an Ascension, and we will move with the Earth to a better situation, and this is a Lie, then I am screwed.

If I choose to leave with some alien species because I Believe that they will save humanity from something, and the Ascension is Truth, then I am screwed.

What kind of sick joke is this?

So, unless you can provide facts. I see your lips moving. Only you can decide, that is the nature of your mind. You will have your proof when we go live.

Ok I replied above. I also suggest checking out links here, and viewing Gary tonge video's about the ascension process which are on his Vision Afar website that is linked in this place. You should be helped by those teachings coming thru the Urantia Book, the Phoenix Journals, and my site, but if you are not, there is nothing I can do for you. Use your heart as you view all this stuff.

Hi all, Jess recently discovered an amazing art site that has many artists on it, including a fellow from Britain that did some committed work in 2002 for the Urantia Foundation. The main website for the various artists is www.deviantart.com You can find just about everything there in the way of art.

The artist commissioned for the work is named Gary Tonge. His art is at the following link. He calls himself "Antifan-real." [\[link to antifan-real.deviantart.com\]](http://antifan-real.deviantart.com) Gary has since I started working on this developed his own website. [\[link to www.visionafar.com\]](http://www.visionafar.com) He has a couple NICE video's there about the creation. Well worth you effort. I am continuing to use the links in this article from deviantart, because he has some descriptions with them. I have some saved to my computer to use as wallpaper.

This is link to 4 pages of gallery. Now when you click on a picture in the gallery, it takes you to a small enlarged version. Then click on that image for a much larger image. To appreciate this man's work, you need to see the larger images and he has some commentary with each one. [\[link to antifan-real.deviantart.com\]](http://antifan-real.deviantart.com)

Now, this person obviously remembers something of from whence he came and for some of you, reviewing his artwork is going to make you awfully homesick! Now first the links which are all on page 3 of the gallery, to the 4 images commissioned by the Urantia Foundation. This is the link to page 3 of the gallery where these are archived. [\[link to antifan-real.deviantart.com\]](http://antifan-real.deviantart.com)

[\[link to antifan-real.deviantart.com\]](http://antifan-real.deviantart.com) Paradise is the center of the Creation, and it's start also, the

Alpha, if you will. The Beginning. Every ascending human has the goal of reaching Paradise. Many angelics have a similar goal also. My own guardian angel Andrea, has also obtained Paradise with me, as has my soul mate Tom. Tom and I are Mighty Messengers. Paradise is the only place totally free of "time" of some sort, because the Paradise Isle does NOT rotate or travel around anything else. The huge bright area at the center is the Paradise Isle. I will leave you to read about its size and structure in the UB. It has a top and bottom, and this man KNOWS what it looks like. This pic nearly brought tears to my eyes, as this is so similar to MY memory.

Around it are 3 groups of 7 orbs belonging to the Paraise Dieties. The first group swing closest to the Paradise Isle, and are the worlds of the Father. Next out are the worlds of the Eternal Son, which are uninhabited, spirit worlds totally apparently. Next after that swing the 7 worlds of the Infinite Spirit and these worlds are the homes of the Seven Master Spirits, of the Seven Superuniverses. In fact these are the Paradise headquarters of the Seven Super Universes, the executive worlds for them Now I am going to paste in a quote from the UB about these 7 worlds of the Infinite Spirit from the UB. Page 151.

They are not so exclusive as the spheres of the Father or those of the Son, and though residential status is limited to native beings and those who work thereon, these seven administrative planets are always open to all beings who desire to visit them, and who can command the necessary means of transit.

To me, these executive worlds are the most interesting and intriguing spots outside of Paradise. In no other place in the wide universe can one observe such varied activities, involving so many different orders of living beings, having to do with operations on so many diverse levels, occupations at once material, intellectual, and spiritual. When I am accorded a period of release from assignment, if I chance to be on Paradise or in Havona, I usually proceed to one of these busy worlds of the Seven Master Spirits, there to inspire my mind with such spectacles of enterprise, devotion, loyalty, wisdom, and effectiveness. Nowhere else can I observe such an amazing interassociation of personality performances on all seven levels of universe reality. And I am always stimulated by the activities of those who well know how to do their work, and who so thoroughly enjoy doing it. (Presented by a Perfector of Wisdom commissioned thus to function by the Ancients of Days on Uversa-Capital World of Orvonton.)

What! Work? in heaven? Yes indeed. Why people of earth want to live in nothingness bliss is beyond me! -C

[\[link to antifan-real.deviantart.com\]](http://link.to.antifan-real.deviantart.com) Havona is The Central Universe. It is a perfect universe of 1 BILLION Spheres that surrounds and includes Paradise. Like all these "seven" numbers, there are 7 circuits in Havona. These do show as Seven "rings" of spheres (planets), in the drawing. You arrive in Havona after your graduation from the Superuniverse of your Origin. In this case, the Superuniverse that earth is in, is named Orvonton. It is the "youngest" of the 7 superuniverses. Now, out here on evolutionary worlds like Earth, there are 100 natural elements. On Havona, there are 1000 natural elements! But yet these have an atmosphere, lakes and streams on them. Heaven is very misunderstood!

I had a big laugh once, because somebody on a forum posted that heaven was not planets! Well, YES IT IS PLANETS. Just handcrafted planets, that's why they are called architectural worlds, and more on that in one of the other paintings by this artist.

This are very advanced worlds. There is never an oportunity of boredom on them! AFter you work you way through these incredibly huge worlds, you arrive on Paradise, and towards your time as

you approach paradise, your form become capable of traveling space, minus a ship. The Central Universe if not in view of Earth. Besides the distance, it is also bounded by dark gravity bodies.

[\[link to antifan-real.deviantart.com\]](http://link.to.antifan-real.deviantart.com) The Grand Universe is the current Creation. It includes The CEntral universe of Havona, and the Seven Superuniverses, none of which are complete yet. Orvonton is our Superuniverse. There are 100,000 porjected universes within each Superuniverse. So there is the potential of 700,000 universes, and most are formed. Some in orvonton on still in very early formation. Our Universe is Nebadon. It is universe # 611,121.

[\[link to antifan-real.deviantart.com\]](http://link.to.antifan-real.deviantart.com)

Some of My favorites,

Spirit Rising, [\[link to antifan-real.deviantart.com\]](http://link.to.antifan-real.deviantart.com)

This link below shows the construction of "sphere" world. People these are the worlds that are built as described as "architectural worlds" in the Urantia Book. over your long eternity you could visit or live on Billions of these. When all 7 superuniverses are complete (700,000 local universes), there will be nearly 500,000,000,000 (billion) of these. The creation is HUGE. Humans also build craft spheres that travel the creation. These can be as much as 2-3 times the size of earth for various reasons. Some of you have seen large craft near the sun on SOHO in recent times. This is "God" works, through his Sons and Daughters. These huge craft can control suns like they are doing now. These are amongst your own options for carreers over your long eternal life of trillions of years.

This below is my post from this current thread today.

[\[link to www.godlikeproductions.com\]](http://link.to/www.godlikeproductions.com)

Ok does this person think the bright object is the dark star, and the dark spot the moon?????? the bright object is STAR SHIP Venus. The dark object is not a moon of Venus, but it could be Planet X, which again is NOT nibiru, but the old dark sun that drags us around Alcyone.

I am going to paste a piece of information I just came across in the Urantia book a few days ago. I have a thread here also where I discuss Planet X and Nibiru some. [\[link to www.godlikeproductions.com\]](http://link.to/www.godlikeproductions.com)

From the UB:

(173.1) 15:6.11 The Dark Islands of Space. These are the dead suns and other large aggregations of matter devoid of light and heat. The dark islands are sometimes enormous in mass and exert a powerful influence in universe equilibrium and energy manipulation. The density of some of these large masses is well-nigh unbelievable. And this great concentration of mass enables these dark islands to function as powerful balance wheels, holding large neighboring systems in effective leash. They hold the gravity balance of power in many constellations; many physical systems (solar systems, NIP) which would otherwise speedily dive to destruction in near-by suns are held securely in the gravity grasp of these guardian dark islands. It is because of this function that we can locate them accurately. We have measured the gravity pull of the luminous bodies, and we can therefore calculate the exact size and location of the dark islands of space which so effectively function to hold a given system steady in its course.

Planet X is OUR dark Island of space that keeps our solar system steady on it's course.

Now why I was reading at the Urantia site, www.urantia.org to copy and paste the section above, here is this one which follows and also interesting, as I have stated here the REAL Venus has been terraformed and pulled into OUR orbit, and balanced opposite the sun to us. And occasionally seen for short periods, as is Jupiter Sun, in it's orbit always opposite us right now on purpose.

Here is the next UB comment.

(173.5) 15:6.15 In your superuniverse not one cool planet in forty is habitable by beings of your order. And, of course, the superheated suns and the frigid outlying worlds are unfit to harbor higher life. In your solar system only three planets are at present suited to harbor life. Urantia, in size, density, and location, is in many respects ideal for human habitation.

NOTICE it says **3** planets. Mars is also being RE terraformed for human life and the process is well established with at atmosphere with some oxygen now, and able to handle the planting of trees, which have been shown in photographs. There is a large underground civilization there. Now Mars lost its atmosphere and life because of MAN on there playing weather war by heating the ionosphere of that planet too much, and they set if on fire and rapidly became crispy critters. Their souls were raptured off to earth, and here they are playing the game once again. Some folks never learn.

Fresh Revelation for this age.

It will happen while we are in STASIS. I must provide a piece for new readers to my website on Stasis, if I have not done so, I can't remember. We are soon to have an announcement by the President of the US of A, which will precede a hoped for 3 months revelation on global TV about this world and its corruption, star fleet, the Second Coming etc. After that, we will enter Stasis, and then the massive earth changes will manifest, as fleet will then carry the planet thru the magnetic Pole Reversal, and axis shifting necessary. The magnetic reversal will happen first, for the cleansing that is necessary. All those who have anything of God in them will be evacuated from the planet during the teaching (as volunteers or during some earth changes) and then the rest as the magnetic reversal starts, as we enter stasis.

To readers of this thread today, I have placed some other new posts as I update the thread.

When one is close to a massive object, this is another force, not gravity. Man has labeled all sorts of stuff gravity, that is not. Electrical magnetic interchange might be a better term. I don't think we have enough terms to use. It would not be centrifugal force either, but centrifugal force better explains than gravity our rotation around the sun, moons rotations too, but even that is not accurate. Just picking from terms I am familiar with from my own programmed knowledge I got fed in school long ago.

NOP,

I lie out in my backyard at night with binocs as often as weather permits.

For years I have been observing two "stars" that most obviously blink bright red and blue. Now when I mention this to people they say that it is normal for stars to blink red and blue....

I just do not buy that because they look like LIGHTS big, bright red and blue...

what is it?

My teaching From a hellfire get saved now by Jesus thread by Watcher today.

your god ask you for mercy?

what happens if you don't?

!!!YOU WILL BURN IN HELL IN A FIREY PIT FOR ETERNITY!!!

Because....He Loves You! (Thanks George Carlin)

***** somebody else above.

Satan has done a GREAT job making you focus on HIS eternal destination (hell was created for HIM and all he can convince to follow him) rather than on Jesus who died to SAVE you from hell!! He DOES love you that much! What do you think we mean when we say you can be "saved" by belief in Jesus? What did you think He died to save you FROM?!

If you are getting your view of Christianity from George Carlin, you are following the theories of a blind man right into the ditch! Seek Jesus...He is coming back soon for those who love Him! That can also include you if you humble yourself, repent of your sins and ask Jesus to save you! All "because...He loves you!" (Thanks for the above reminder!)

Quoting: ^Watcher^

ME BELOW.

Dear WAtcher, Satan is NO longer here, he went to prison. Lucifer was uncreated. The reptilians were removed. some of them were really nice, they weren't all bad, just like the people on the surface are not all bad.

There is NO HELLFIRE dear, the thugs MADE that up. HELLFIRE is an acronym for HavingEverLastingLife Firey Intelligence Resonating Eternally. Didn't the Bible say something about the lies? And MAN, satanic MAN really mucked up the bible!!!! But therein was a bit of truth. Also God promised FRESH revelation in the ends times and the BIBLE is NOT fresh revelation. The sources actually by God and his hosts, are the Urantia Book, the Phoenix Journals and the info on my website, which is extremely current. There is the word also repeated thru other sources more modern also.

DEAR ONES you actually WANT HELLFIRE, that is eternal LIFE> Such a brilliant lie by Satan in your holy books, Islamic ones too. There is only life on miserable planets, this has been a hell planet, if you wish to use that term. It is going to become Heaven sphere, that is what the NEW EARTH of revelations means.

George Carlin was an advanced soul from God who tried to wake up the bible thumpers to the shit in the bible. While there is some truth, it is mostly a history story of passed down stuff by a very small group of people. The whole world was populated in the time of Christ you know and even in the times of Abraham there was nuclear war on this planet, which scientists are starting to discover evidence of. We were NOT exactly cave men 2000 years ago.

Your cannot be saved by shallow "belief" in Jesus. You an be saved by your loving being and your growth of spirit, you must make you soul heavy with knowledge. People do not live only one life on this planet and the thugs removed THAT truth from the bible on purpose. But it is the final judgement for some souls, and it's an interim judgement for others. There are many not yet ready to be on the new earth, they are not mature enough and they will go to other places and there are MANY for their continuance.

GAIA is a PERSON. This planet is her body. She is ascending, and wishes to take as many of her children as she can. But many are not ready. There will be approximately 1 billion souls IN BODY continuing here after the stasis period of earth changes, who have completely at least 51% of their karma. This basically means they are 51% service to OTHERS, rather than to self. This for most is a time of sorting.

We are the end of the long trip around the Milky Way, the end of a long age, and there is the dividing and sorting. People need not have even heard the name of Jesus to stay with this planet on the journey into heaven of herself, it is where they are in their god knowing that matters. it matters not their religion they got raised in or sucked into. I have NO religion on this planet.

My relationship with God and Jesus is personal. That is how it is supposed to be. You are your savior. It is you who earns your way into heaven and it is not done any other way.

Lets just do a little math. Okay, Jesus was without sin. Jesus was not married. Fornication is a sin. So Jesus was never married and without sin, how could he have had sex? Answer: He never had sex, which in my estimation makes him a virgin.

"Jesus" returned in 1954. I know him very personally being that he and I have an organization called AbundantHope which IS the 2nd coming.

There is another book, which covers Mary M going to France, I think by dolores Cannon. It is long known in Europe she was there. She arrive with the little girl in her arms, born at sea.

Jesus (and that was NEVER his name), was two individuals on a joint mission sharing a body. One was the Creator Son, of Nebadon, of whom there are quotes in this thread. The other was Esu Kumara, long ago Son of Sanat Kumara, and A Nah. (some say Anna, but it's a nah), who played the role of Mother Mary back then.

There were 6 children brought into this plane, helped to restore a bit of Holy DNA which is what Dan Browns' book is around, I believe, been awhile since I wrote it. The Holy Grails is her blood line that has always been attempted to be destroyed by others. Mary M and Esu were separated after the crucifixion which he SURVIVED. Esu fled first to Damascus where he encountered Saul/Paul.

He moved on to the region of India, Kashmir is where he put down roots, and married a local woman and had 5 children.

Mary M never had any more children but SaRa did, putting some holy DNA into Europe.

Esu lived to over 100 years, about 115 actually. And to top this story off, if you go read Phoenix Journal #2 you will learn that Judas was his best friend and no betrayer. The thugs of the world did that on purpose. The betrayer was another with a somewhat similar name. But not one of his friends the apostles. YES THEY WERE HIS FRIENDS.

Esu's son of those times, named Joseph, I think, brought records kept by Judas who also went with Esu to India, and some of his own back and buried them in that old grave of long ago, and a Catholic Priest was led to find them, and they were translated into German from the Aramaic and then into English as the Talmud of Immanuel (may be spelled Emmanuel) which you can google.

Phoenix Journal #2 is the translation by Judas himself from the Aramaic. Some of the records were destroyed during the period of translation, thus the Talmud of Immanuel was not complete. The Catholic Priest and all of his family were murdered for this. Yea ones so stuck on the bible

have been pilfered of the truth by the satanic ones themselves, which includes that the "jews" are the chosen people.

they are not. The word wasn't in use back then. The Khazars who were never semites, created it for themselves and changed your bible so you would support them stealing Israel. That IS truth.

When one is close to a massive object, this is another force, not gravity. Man has labeled all sorts of stuff gravity, that is not. Electrical magnetic interchange might be a better term. I don't think we have enough terms to use. It would not be centrifugal force either, but centrifugal force better explains than gravity our rotation around the sun, moons rotations too, but even that is not accurate. Just picking from terms I am familiar with from my own programmed knowledge I got fed in school long ago.

And the proof of this mysterious force is where?

quote:Lester]

Shakespeare portrayed Julius Caesar as aware, "The fault dear Brutus, lies not in our stars, but in ourselves; that we are underlings".

Christianity is The Way, Ordained by God The Father and Secured by Christ Jesus. It is The Way to Abide With and Know God The Father, Son, and Holy Spirit.

Have to be Born-Again to Know God Personally and Directly, to have HIM Give you "A New Heart Of HIS Flesh". Come Unto The Father in humble and sincere submission and completely surrender all aspects of your life into HIS Control and you will Know and experience Christianity.

No two Born-Again Christians are alike. Yet all are alike in that we Trust God Fully and live IN and Through HIS Will. The Born-Again Life is Witnessed in Ezekiel 36, First John Epistle, and John ch 17 to specify three references.

All comes down to your heart:

-Do you Know WHO Christ Jesus IS?

-Can you Trust Father-God Fully with every aspect of your life?

-Are you willing to open up your heart Unto The Father and tell HIM so?

A "real Christian" is Guided through life By God The Holy Spirit and lives In-Service to The Father.

The pity of modern Christian religion is that none are willing to Trust God To Guide HIS People, so they develop dogma, doctrine, and other ritual that by their very nature are alien from Trusting HIM. Very few in life able to manifest their hearts completely Unto HIM, so few actually Know or have Partaken Of The Fruit.

Most here seek comfort and support from others who also could not Trust God Fully with their lives... Few ever witness of their Relationship With God, even though that is exactly what Jesus Gave HIS Life To Enable. The reason for lack of witness is absence of Relationship or Knowledge Of-HIM.

Lester, what you say is true. For those stuck in organized Christianity ANSWER THIS ONE, how do billions who never heard the Name JESUS become BORN AGAIN. Can a muslim become born again, a buddhist, aaaaaa whatever? YES. One becomes BORN AGAIN IN SPIRIT and it matters NOT the religion or culture one was raised in. It means coming out of ungodly behaviors and walking a lighted path, and it can happen to anyone, anywhere. What is wrong with Christianity, as

believed, is that you all think YOU are the only ones who can do this, be born again, and then many (not all) of you walk all over others your whole rest of your live, and are NOT thus born again of the Spirit you don't understand.

This false christian belief system, is currently used to cause "Christians" to support Israel, and these terrible wars by Israel controlling the United States, in the Middle East. Does not the bible suggest the antichrist comes out of the middle east, it is ISRAEL and the Khazar thugs that run this world, from there, Rome and London.

I have witnessed enough ugly "born again" shit on this planet, to have my fill long ago. Yea ones think you can go to church, believe ON Jesus, and you have yet to figure out that GOD (or JESUS, Christ Michael, and the Father) is within YOU. And you are to grow your soul in goodness. Your SOUL is YOUR MIND, and so many when they become Christians, as in the corporate structures forget all about their MIND and growing it knowledge and goodness.

There is that misunderstood story of Adam and Eve eating of the Tree of Knowledge and I guess they went to hell for it. YOU ARE TO EAT of that Tree, and grow your MIND and for many, it seems mind growth just stops when they start going to church.

I am not putting down real christians here, which can come from any faith, and may not have ever heard the Name Jesus. They have heard the name GOD however. That we are still in this horrid wars in the Middle East, and have killed over 20 million people now in Iraq and Afghanistan alone, is proof positive that most who claim in this country alone to be Christians, have failed, utterly failed, in being that Light of God. You will not come into joint sovereignty and kick the beast out of our government. You are so believing in Jesus the WRONG way you do not see your light. It remains hidden.

I just recently witnessed such a perfect example of what I have seen over and over and over.

A really Godly person started a little coffee Knitting group where I live, out of her sincere inner desire to serve during her last days of life. She passed recently, and many of these attending this group are "born again" Christians. And UGLY as shit. Now this lady that passed was wondrous, a very OLD soul and mature. I watched her in amazement each week how she went about being the God Within. But she did not like organized religion and neither did her best friend. Well after she passed we were together on the usual day, and the discussion turned to DID SHE GET SAVED? Yes about a million years ago probably.

Well knowing this ones thinking themselves "saved" I made a simple eulogy to this marvelous woman and her light. (who spent also a good part of her life singing great music such as that by Handel) Well, one of these "righteous ones" attending, said it mattered not how brilliant the light shown, if she didn't accept Jesus as her Lord and Savior, she was thus in HELL. You cannot not believe the affect this statement had on that little group. Especially the good friend. her face, oh my. This less than enlightened soul, is a Baptist. And when she utters these words, I have seen similar in her before, her eyes get small, beady and dark. It's as if "satan" just moved into her for the occasion. The window to the soul is in the eyes, and there was never better proof of this than the light in the eyes of this lovely person that passed, and the darkness in the eyes in this small "Christian" soul.

This is so typical of so many "pious" Christians. I have been sent to HELL by them my whole life and I cannot long stand to be in these churches. As part of my research into religion on this world, I was going to lots of various local churches and even seeing the mainstream ones going the way of this horrid evangelical movement of the THUGS. I continue to get sent to Hell by them here too. HELL is HavingEverLastingLife, Fire is Firey Intelligence Reverberating Eternally. Yes that

beloved lady of LIGHT is in "hell fire" and my friends, the satanic folks changed "hellfire" into something of the devil, when it's something you should ATTAIN. By your works given with LOVE from the heart. Didn't the bible say someplace correctly, that Satan is the master of LIES. YOU WANT HELLFIRE for yourselves!!!!!!!!!!!!!! It is not a ugly place.

HELLFIRE is HOT, because the more love and growth, the higher the vibration of soul (and matter), "heaven" gets hotter and hotter in fact as the vibrations increased. A being from the Central Universe is incredibly "hot".

COLD is the symptom of Darkness, not HEAT. This Baptist lady showed her COLD and then some.

PONDER the ABOVE.

Ok, lets look at this in terms of what we know for sure:

1. 2012 Winter Solstic will bring about a planetary alignment, the likes of which HUMAN's have never witnessed.
THIS IS A FACT.

2. Planetary alignments CAN throw off gravitational forces, and wreak havoc on a planet and/or solar system.
THIS IS A FACT.

3. There are, right now, very unusual planetary anomolies, extreme weather, animal deaths and earth quakes as well as volcanoe's.
THIS IS A FACT.

So, with these 3 facts alone, what can we surmise from them. Well, I think it is safe to say that we WILL see some sort of problems related to a Total Solar Alignment, I think we are already seeing some effects of it as things begin to align. We just had a Lunar Eclips on the Winter Sulstic which is something we will never see again, not in our life times.

It is safe to say that at the very least, people should plan for the worst and hope for the best. That is just common sense. Does the Government know more than they are letting on, FOR SURE they

do. Absolutely.

Quoting: 0311INFANTRYSIR 760857

Excuse me OP please explain the fact of 2012 at winter solstice? What planetary alignment are you speaking of then? We have repeated all the same planetary alignments over and over and over, over time and none of them has destroyed this world. What planet is going to do this? Answer this question and you are going to toss postulate #2 right out the door. Your only fact here is #3 in that these things are increasing. But we have always had them too.

What is this TOTAL SOLAR ALIGNMENT of which you speak???? What is going to be aligned then that will cause whatever you are expecting? And that lunar eclipse on winter solstice did exactly WHAT? NOTHING, so what if you won't see another on in your lifetime? How is this going to affect the world?

Sure the government knows more, you are correct, and they KNOW there is NO Nibiru. Is Nibiru your "planetary alignment?"

Come of person, put on thy thinking cap, meaning your GOD thinking cap here.

If your "planetary alignment" is the galactic alignment spoken of in literature, that is not a planetary alignment. It is this solar system being in the Milky way Ecliptic, which is galactic, and I have news, we have been in it for over 4 years now. Our calendar is at least 7 years OFF, as Christ was born in 7 BC, for starters, and how can you know if the powers accurately aligned the calendar used with that of another ancient race which lived across the oceans far from ROME?

People you must consider these things in your thinking, and not just copy and paste false stuff into your minds.

Ok does this person think the bright object is the dark star, and the dark spot the moon?????? the bright object is STAR SHIP Venus. The dark object is not a moon of Venus, but it could be Planet X, which again is NOT nibiru, but the old dark sun that drags us around Alcyone.

Alcyone is star that is 370 light years away. Not only that, it is part of the Pleiades cluster and only about 50 million years old compared to the ~4 billion years for the Sun. The Sun does not orbit Alcyone.

Quoting: **Commutator**

Alcyone is MUCH older than our sun. Scientists misunderstand the blue colors. The suns are blue because they are ascended not because they are young. The planets around those suns are very advanced too. Alcyone is the CENTRAL sun around which approximately 500 other suns rotate besides the 7 sisters. It is quite large also. Our sun does indeed orbit it, which is the why behind the 12 periods of the zodiac.

Our scientists are not dependable on their information.

the fact that we are in the Photon Belt of Alcyone twice in every nearly 26,000 years IS PROOF we orbit it. And also PROOF it is a central sun and much older than we are.

Quoting: **Nobody in Particular**

None of that is true. There is no "Photon Belt of Alcyone". We do not orbit it every 26,000 years. Alcyone is part of a young cluster called the Pleiades. Those stars are much younger than the Sun.

[\[link to www.naic.edu\]](http://www.naic.edu)

We can also show that the Sun cannot orbit Alcyone by use of Kepler's law in general form tells us that the period (P) of such an orbit of radius a should be

$$P=2 \pi \sqrt{a^3/G(M1+M2)}$$

Where G is the gravitational constant and M1 is the mass of the Sun and M2 is the mass of Alcyone. With the mass of Alcyone being 10 solar masses and its distance being 370 light years and G being 0.0000000000667 m³/kg/sec we can plug the values into the formula to find P, the period, with a few conversions. One light year is 9,454,254,955,500,000 meters and the mass of the Sun is 1,990,000,000,000,000,000,000,000 kg

a = 1,749,000,000,000,000 meters
(this is a highly elliptical orbit)

Gives a period of 380,000,000,000,000,000 seconds and with 31,536,000 seconds per year gives a period of 12.6 billion years, the age of the universe for one orbit. Nowhere close to 26,000 years

you claim. Gravitational influences from other stars would have knocked the Sun out of such an orbit anyway. So the Sun does not orbit Alcyone.

Memory is directly related to the physical brain, that is why doctors could lobotomize people to erase their memories. So if you die, and somehow your spirit or soul lives on, how the heck would you even have an identity...it would give me great comfort to believe i will be re-united with my family in a Christian type idea of heaven when I die, but it doesnt seem feasible.

Quoting: Anonymous Coward 1231298

Your memory is stored on electrons used b your non physical mind, not your brain. If your brain is mucked up, then it can't serve as the tool of your mind. Your soul IS your mind in fact. And your mind survives death. It is the YOU. Not the brain or body.

The Christian type heaven is NOT understood. It is earned before you can go there, but nevertheless your mind survives you. Heaven is a series of specially constructed spheres (BUILT) not evolutionary like this sphere. YYou cannot go the the lowest of those until you have reached a certain level of spiritual attainment, generally speaking. Although some are taken to the lower ones on a space available basis at interims. You are given a new body there.

In fact when you pass this plain you look like you did during this life, because your mind includes that part of your mind that runs your body, and thus a spiritual form made out of electrons will look like you for this reason.

Your mind is non physical completely, but you store your knowledge, as an animal being on electrons, and each electron can hold 3 gigs of information. YYou eventually as you clear karma build a light body of photons, and photons store much more than the electron does.

I have read much of Sitchin, god rest his BRAVE Soul. He KNEW these cycles of 3600 years and he knew also if I recall correctly that we are NOT due for one now. My source of when Nibiru was last here is the HOSTS of Heaven with whom I work, and this was also given by others to the planets. Nibiru 2000 years ago is what became the story of the Star of Bethlehem that is on all your Christmas cards each year.

Quoting: **Nobody in Particular**

No such discovery has been made. There is evidence supporting the possibility of a large planet in the Oort cloud but that is some 10,000 AU away. There is no evidence that it is in an elliptical orbit and there is no way it is going to be anywhere near Earth in the next 50 years. Some 10,000 AU away would, if coming toward the inner solar system, would take a million years to get here.

from a thread about honoring our King.

I am a child of God, through Yeshua the Messiah.

Quoting: **Anonymous Coward 1113553**

No, you are a child of God because you have a reasoning mind. GOD IS MIND. You are a part of that mind. Therefore a child of God.

The one you label Yeshua, his birth name was Joshua Ben Joseph, which was the name for that lifetime as son of Joseph. Now there are TWO who were here together 2000 years, using the same body. One was Esu Sananda Immanuel Kumara, a very highly advanced christed being, who then afterwards earned the higher title of Sananda, meaning One with God, because he graduated from paradise, the highest heaven, and the center of the creation.

The other was Christ Michael, who is the Creator Son of our universe. He made his final bestowal on this planet at that time and bestowed also on Pentacost, the Spirit of Truth (not the Holy Spirit, but we allow that term because it is not understood anyway). He is also returned, separately so to speak. He of course is a spirit being, (as is Esu as is myself also), He if the Creator of our Universe, (there are 700,000 universes folks and more coming into being), and His "parents" are the Universal Father and the Eternal Son. All universes have a Creator Son who is Father of his particular universe. Now he is returned also USING A BODY so he can be visible, just as Esu is here again using a body, (handsome he is too, ladies), just as I am here using a body. There are many high spirit beings "incarnate" using a body on this planet right now, because it's such a backward world and needs a lot of help. there are many invisible beings here too.

I have personally met Esu and Christ Michael, in his body he is using. They are aboard craft. I have met quite a few others also here.

Now on this planet "God" means two things to people, one being the living force within everything, and the other a "leader" or King. Will their is hierarchy and Christ Michael could certainly be labeled "King" of Nebadon, but that's really not an appropriate label because he is creator of Nebadon and much more than a King.

Esu is temporary visible KING of Earth. For about 1000 years or whatever is required and Christ Michael will be here personally also as long as required. Christ Michael is both "king", of Nebadon and of course as creator of Nebadon is everywhere present in Nebadon as his energy is in all things of Nebadon.

He and Nebadonia,, (Mother spirit, daughter of the Infinite spirit and you can call here the Holy spirit of Nebadon if you wish, since you don't have other terms available) are actually the creator pair of our universe and they create all the angelic orders of Nebadon together, except Nebadonia, creates by herself a number of the somewhat lower servant angels including the guardian angels. Lower if quantitative because guardian angels ascend to paradise generally with the ones they guard and are very high angels at that point. I am from Paradise having taken also the ascension

journey to that point and Andrea my guardian angel also made paradise and she is here also with me, we are eternal friends. She is also of course a high spirit being and is here also using a body, as her work requires one. Not to so hard to understand I hope.

The creation is HUGE and most of it isn't even visible to us because of the both the distance, and also because the Central Universe is in the way, just as we can't see planets when they are behind our sun. the Central Universe is huge.

your goal in life is to GROW you mind in godly ways. Period. In a nutshell. If you desire eternal life, you must earn it. believing ON jesus doesn't cut the mustard. Striving to be Like God the Father or Like Jesus (christ Michael) of Nebadon, is your goal. Those seeking to Become Like the Father (of the creation), must work at it. There is no magic. You are given guardian angels and others to assist you along the way, help provide the experiences you need and the like. it is your angels that often have helped you and you call them "God" did this for me. Your angels did it for you.

You also have a Father Fragment, every "new soul" with NORMAL Mind get's one on this planet when they make their first moral decision. Usually around the age of 5 on this planet. Can be earlier or much, much later.

That is the "holy spirit" most of you do not understand that you are being helped by. It is not 3rd person trinity, but first person trinity, it is a piece of MIND from the FAther that comes to assist the growth of YOUR MIND. This makes YOU a "faith son of God". After many lives, and lessons given from the mansion worlds, if you are successful and make the final choice to take the ascension journey to Paradise, you will "FUSE" your mind with This piece of God the Father's mind, and at that time you are then a REAL SON of GOD.

Prior fusion your thought adjuster is on loan to you. If you reject eternal life, it leaves and will be assigned to another.

YOU MUST CHOOSE ETERNAL LIFE. And it has to be earned. If you want to live in the higher realms. Now those higher realms ARE HIGHER PLANETS. They are custom built by very advanced folks. Before you reach paradise you will have lived on many of them along the journey.

After your life on earth, if you made at least 3rd circle spirituality, you will go to the mansion worlds, the first level worlds of 'heaven'. Actually they are not heaven in the fullest sense but they are beyond this world and similar worlds. There are 7 of them in our "district" so to speak, and when you graduate those worlds, you then live on the district headquarters, called Jerusem. There are many more past this. You will then live on constellation worlds, then on the surrounding worlds of Salvington, our universe of nebadon headquarters. The Salvington itself. when you graduate Salvington, you are a spirit being. Then you go thru a lot of schools/custom planets, to make Uversa the headquarters of our superuniverse, orvonton, of which the Milky Way is the core galaxy. When you graduate Uversa you go to Havona the Central Universe which has 1 billions highly custom worlds you traverse. Then you graduate those and obtain paradise and the Father. At that point YOU ARE THEN a SON of GOD sitting at the Right Hand of the Father. OK. That IS your goal, but not the last one, for eternity is a long time and you continue to learn and grow and serve.

Currently, as a citizen of Paradise, I am on duty to the Ancients of Days of Uversa, to this planet. I have returned also to serve with Christ Michael uplifting this world. I chose to walk the planet, so I am incarnate here. This means I USE a Body I created by birth thru my parents. I am NOT IN this body.

that said not one of you is in your body either actually. YOU ARE NOT YOUR BODY!!!!!! You are your MIND. IT IS YOUR MIND THAT SURVIVES DEATH of your body.

IF YOU DESIRE ETERNAL LIFE, YOUR GOAL IS TO BECOME LIKE THE FATHER. The Father's WILL is that YOU BECOME LIKE HIM and he provides for a masterful education towards that purpose. Getting baptized, going to church, believing ON jesus by whatever name you call him, does not cut the mustard. Your actions cut the mustard. That is how it is. People never need hear the name of Jesus to serve him. And he name was never Jesus anyway, Paul made that one up.

Those who practice ISIAM have exactly the same choices as do you. Ditto any other dimwitted religion on this planet. And by the way, there are in existence now about 5.6 TRILLION evolutionary planets like this one. And there are about 3.8 MILLION evolutionary planets in NEBADON at this time.

Earth is NOT the only planet with man upon it. And "man" comes in many forms besides this form you are using. Depending on the nature of the evolutionary planet and the life that is seeded on it by God's scientists, the Life Carriers, many forms are possible. There are horse people, dog people, cat people, insect people, elephant people, bird people, and even PLANT PEOPLE. OK. In fact, in that story of a craft shot down in Roswell, those were PLANT people in it. One survived for a few years, he was labeled EBE. These plant people had come to earth to offer help with our increasing problems of carbon dioxide. And if we failed as a civilization, because of our not getting the carbon dioxide under control, they could have used the planet themselves. Ponder that.

Now hopefully you know something more about God and the eternal journey. The creation is trillions of years old. Eternal life is trillions of years long. Ponder that one. You do not go to some fluffy heaven to party with "jesus" for eternity. You are educated, changed into a spirit being over a long process, and attain God the Father on Paradise and it's not done then, as you continue in service all over the place. Service is WORK people. REad the Urantia Book, it will greatly enlighten you. Thank you.

A Brown Dwarf Star Explains So Many Unanswered Questions

LUCUS 2/8/11 4:35AM CST

[\[link to rabbithole2.com\]](#)

Have you ever asked yourself how scientists can know the composition of a planet that's orbiting a star light years away, but yet, they can not come to agreement as to what causes ice ages right here on our own planet Earth?

Yes there are various theories, but there is by far no type of "The World is Round" kind of consensus about why Earth goes through cyclical warming and cooling periods like clockwork.

How about the fact that modern science can actually take an image of an atom but can't seem to figure out how the ancient people of the world built such monuments as the Great Pyramid or Tiwanaku.

We can go to the moon, but we don't understand gravity. Humans can bring living things back from the dead, fondle an organism's DNA, and grow internal organs in a dish, but yet, we don't know what caused the fall of all civilizations worldwide 3,600 years ago.

Have you ever pondered such questions? If you have, maybe you have come to the same conclusion I have, that we are being taught NOT to learn such things.

In this article I am going to try my best to add the missing link to the equation that causes so many unanswered questions. It all fits together nicely.

Continues

Quoting: **Floyd Anderson**

it is not the brown dwarf that causes the cycles. It is the trip around Alcyone the central star of which our sun is a member. Takes nearly 26000 years, and twice we are in it's photon Belt, LIKE NOW. nearly every 13,000 years.

this particular trip thru the photon Belt is auspicious because it is also the trip the GOD ENERGIES emitted by the Center of the Milky Way. It is the end of the Great Cycle of Alcyone and thus our sun system, around the Milky Way.

there are a host of new energies coming in from that, (over 4 years now), that WILL cause GREAT CHANGE in evolution in this area at this time. We are in a blast of God Particles, (100 of them make up the electron, all sorts of rays such as new gamma rays man has not seen before, and more, plus those photons of the photon belt. The God Particle is within everything, and it's going to be heavily within EARTH now, including all matter. It will raise up this place.

The Brown Dwarf has nothing to do with this, with the exception it is the fulcrum of this solar system, all solar systems have a brown dwarf (Planet X), that drags the whole solar system around whatever it's central star is. it is NOT the destroyer of mythology on this planet. the destroyer does come thru here periodically but it's not here now either, nor expected.

The destroyer is not Nibiru either. Nibiru was last here 2000 years ago and is on your Christmas cards as the star of bethlehem. YES IT IS.

Nibiru is not here at this time, and will in fact NEVER be here again, because our Planet X, the Brown Dwarf is being used to move our whole solar system into a new energy stream, as part of the process of making this solar system and our planet, an eternal creation, as part of the ascension PROCESS, which is NOT any magic wand but a gradual process. Soon those energies from the Milky Way, those God particles will take hold within the matter of this planet, including all the life upon it. It will be thus born into the eternal cycles.

Creator will have joined with this local creation.

Excuse me, I do happen to KNOW what Nibiru is. And it's NOT here. It is also confused with the REAL VENUS, which occasionally is seen, plus our new Jupiter Sun now, also occasionally barely seen, peeking out in the corona from time to time. I have not checked for that of late. IT is MY purpose to get the real truth out there, in this time of confusion. I am an incarnate member of "star fleet", which ARE the HOSTS FROM HEAVEN here at this time.

the Real Venus is IN OUR ORBIT and as part of orbital balance when two planets are in an orbit, this is always to us on the other side of the sun. At some point in the future, mars might even be added to this orbit, it's a possibility, as it is being Terraformed also, actually RE terraformed, since it once bore an advanced civilization that destroyed the atmosphere playing weather war games, same group of dummies trying to destroy this planet the same way too, that is why all the Haarps are carefully babysat.

Sun Jupiter is kept also opposite us, in it's normal orbit, but obviously its transit is greatly speeded up so it stays opposite the sun also. Everytime fleet brings it out into even the corona of the sun, it's energies are too heavy yet, and it must stay behind the sun until its about time to undergo the magnetic reversal, because it's presence otherwise will cause the magnetic reversal, before the forces of God are ready for it.

Ye ones are seeing star ships showing holograms for "Venus and Jupiter"

I have seen ONE referenced somewhere in all the books I have or have read in bookstores and left there. Not sure which one and don't want to dig thru my collection. My knowledge is more from those I work with.

I made this thread to archive some of my long posts I write. There was simply a completely normal solar system, like ours around a Sirian sun. and battles between a couple of planets in that system. When the sun was destroyed in that battle, the various planets drifted away. the surviving planet, Nibiru was highly developed technically, and life on the inside of it survived. It was capable to a degree of self propulsion and they were given a new circuit which goes around the remainder of Sirius and our sun. By galactic law they must STAY in it, otherwise risk destruction. It is thus a PLANET and not any 2nd sun. It's atmosphere/propulsion system does require gold which is a huge reason they mine earth when here. Their technology is huge and they are thus in that sense a "battle star" not unlike I think in a way the story in Star wars. But they have a fixed route, unlike the star war story, and they are not an artificially built sphere, as is the one in star wars.

another to archive from the comet Elinin thread, and as I was posting in it, I thought I was IN this thread, so here it is to archive.

Personally, I'm more worried about the degrading of the magnetosphere just in time for the solar max. That's doomy enough for me.

Any skills, or experts want to clear that up for me?

Quoting: Thelemic Messiah quote from comet Elinin thread.

Again, I am the expert. I am star fleet ground crew and my organization is a partnership with those on high. Mods here have made a mess of my profile etc, so google as suggested in my signature file.

The magnetosphere will go down as part of the magnetic reversal temporarily. It is not bad that it is degrading anyway, as it thus lets in the new energies that remodel this plane. it is not necessary at all in fact. It is a prison fence that keeps lower life spirit forms ON the planet, and also the heliosphere is a prison fence for the solar system, same idea. it will come down too in time as the ascension proceeds

It is the firmament that came down during some galactic war that is protective to the planet, regards the radiation. It is being rebuilt and fleet is using some of that shit in the chemtrails to help the process, drawing it into the very high atmosphere to hold the water vapor. If they were NOT

using some of that shit in the chemtrails, we would always be in a visible layer of dust. The taking down of the firmament, caused those 40 days of rain and our oceans got bigger. Putting it back up will uncover some land also.

It is also not the ozone that we need either, that is the result of the industrial age. the firmament will protect us. Solar max is NOT here yet, because star fleet has not allowed it. The sun as it responds and must release to the energies coming in, is "vented" to the back side not to earth. Actually it is responding, in a sense the increase is vented so it does not hit us, except as we need protons. If the protons are falling low we are allowed some coronal holes and CME's.

God is giving the last available time in this regard to the people of this planet to come back into the light. it cannot go much longer. They have some a few short periods of stasis of a day or so to cleanse here some and work on cleansing of pollutants out of site at night too.

There is absolutely are marvelous plan so there is minimal suffering as the earth must go thru this, and the thugs will not release the plan, they keep up the fear No comet is going to cause a FLIP in march. If that is even possible it will be deterred. A flip is NOT what we need. Too drastic! The forces from Heaven are here, have been heavily since 1954, but a few craft were sent before then to prevent the 18 degree impending axis shift at the time. An axis shift caused a new equator, and is pretty drastic. Man has been thus "saved" in that regard to be here NOW. They wanted this internet up, it IS the gift of Christ Michael to this world.

here's another, boy the confused God stuff today being posted.

quote:A Voice In The Wilderness]

Jesus spoke of the resurrection during the 1,000 years to give everyone a second chance, but he didn't speak of a third, fourth, fifth, chance.

Quoting: **DGN**

As much as you want to believe it, there is no resurrection DURING the 1,000 years. Revelation 20:1-5 talks about the Second Coming and the beginning of the 1,000 years. It is clear in those verses that the resurrection of the righteous happens at Jesus' Second Coming and the Word calls this the 'First Resurrection'.

"For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:" 1 Thessalonians 4:16

"Marvel not at this: for the hour is coming, in the which all that are in the graves shall hear his voice, And shall come forth; they that have done good, unto the resurrection of life; and they that have done evil, unto the resurrection of damnation." John 5:28,29

It is clear that the first resurrection takes place at the Second Coming, and is for those who have already been found righteous, while Revelation 20:5 shows us that the second resurrection takes place AFTER the 1,000 years.

quote feature didn't copy right.

***** my answer below. NIP

There are general resurrections roughly every millenium on earth. There was one in 1000AD too. There were none during Lucifers reigh, as he allowed no one to leave the planet to go to heaven! that is one reason there is so much reincarnation here.

Any soul that reaches 3rd circle mastery is allowed to go to the mansion worlds since the time of Christ, thus if you are at least that level of spiritual development, you arrive on the mansion world #1 within 3 days of your death. Anyone less than 3rd circle has to wait for a general resurrection, which can occur anytime there is space on the mansion worlds for new comers.

Chirstians, if you claim your god is the source of morality, and you god supposedly has perfect morals that we cannot possibly adhere to, why are we being judged based on it?

It would be like holding someone who is mentally retarded responsible for something that they do not have the capacity to understand, and punishing them accordingly.

Why is your god so cruel as to play fucked up games like this?

quoted from another thread

the problem here is man is not ready YET for the teachings brought 2000 years ago. And by the question "your god" my guess is you don't either.

man is generally retarded still, as a group. that is why some come to teach morals, but the teaching of morals was mostly meant for the galactic thugs that were incarcerated on this prison world.

Man learns by his experience. Morals are inborn in NORMAL genetics but some men here which people think are aliens but resident on the planet created men without morals built in and then so these ones don't go apeshit have to create churches to control them. Just a portion of the many situations on this world.

At the same time these very churches gather mindless members and program them with alternate personalities to use against this world on command. Doesn't seem to make much sense but that is how it works. Beware anyone, men in particular who meet once a week for some sort of bible study in the evangelical churches and catholic churches. They may have alternate personalities.

God is two things to people on this planet big Boss of some sort, and that life which pervades everything. They get it all mixed up.

There is hierarchy, composed of HUmans and angels. That is the big boss part I guess to them, which they do not understand and after all it's not really been taught, except wait, it HAS. In the Urantia Book! but this ones who do not think well and are lead by the blind, and those blind have been mind controlled too, have been taught the Urantia Book was written by Satan! You would not believe, well yes, some of you would, the looks of horror on their faces if it is mentioned or showed to them I had a person run out of my house once in horror!

Get the thing, you might learn a thing or two about the hierarchy, "heaven" and The Father. Christians don't even understand the Father in Heaven of Jesus AT ALL. PERIOD

well I don't know which ones you are looking at, but these are always craft, many servings as place mats because our solar system is being moved, and the sky doesn't match the sky of many

years ago. Others just putting on a show to cause people to ponder. since Stars are suns, it is not normal for them to blink red and blue! Always craft. You will probably get wierd looks, but I have found this successful with some, to start those from the heavens are always observing earth, and to some it will be fine to state these are craft associated with the 2nd coming. there are some people you cannot get past their programing, or their narrow minds, or their plain and simple, simple minds, because they are very young souls Others are the robots who can not think outside their programming at all.

I have found people in the summer when the weather is nice here out looking at the sky sometimes and I ask, and they are noticing and if they are actually noticing those blinking stars, paying attention, they are usually open to discussing it But if you ask someone to LOOK up there, you will get denial most of the time, so let your efforts mainly be spent with those who can look and talk about it.

These twinklers also cause some to remember from whence they came. The programming of the little mind (ego) that comes with the body is so huge here, the higher mind has a lot of trouble getting through, and even twinkling craft don't cut thru it sometimes.

I hope fleet will carry out more showings like the one in jerusalem where there are great numbers of tourists. That one was much better than just lights in the sky that move abnormally. That was a small craft delivering folks to the underground there, it was not over the Temple Mount. It has a type of propulsion system using photons, which is the bright blast that was seen just a sec before it blasted back up the waiting larger craft with red lights above. it was that blast off that really got attention.

I know plenty for sure. If I am not sure on something I will make a statement to that. Besides my own knowing, I have counsel above I can query to make sure I understand something correctly. My main purpose in a nutshell right now, is getting correct information out there. Man is entering 4d, which is good, but he is not in a way ready for it yet, because the black operatives have been so good at what they do.

this is supposed to be a dimension of arguing, but the blind are arguing with the blind. Which doesn't work so well.

over 2.41 for short periods.

When we do enter 5d, written as 2.5 the planet will have NO tilt. It will be straight up and down, and we can't just magically waltz up there. WE have to create the BALANCE so the earth will be straight up and down year around. Talk about some nice climate control from that! BUT also we have to develop photon energy systems, because you see, our electron energy systems, will NOT work. If we magically "ascended" right now, we would have NO LIGHT, and NO anything else that runs on electricity. Throwing us back in to cave man days really quick. Which would create terrible chaos, and there would go our 5d! Back to tilt again really quick.

the lower the dimensional consciousness, more tilt in general on evolutionary spheres . Now tilt has nada to do with 3rd Density worlds on up.

Technology and mind reign there! Plus all those somewhat different elements added in.

EArth during the ascension process and forever afterwards will be having more experiences of higher and higher dimensions, which are experiences essentially coupled with spiritual balance. We get to have greater space travel, new technologies new healing etc etc etc etc. Got it?????? This should help, maybe anyway.....

OP, have you ever seen the movie "Multiplicity" ([\[link to www.imdb.com\]](http://www.imdb.com)) The real world doesn't work like that. You don't just add some ooze to a human mold and out pops a real-live walking, talking human, ok? Cloning works in the exact way producing real life works, in an egg or womb. The way you think it works is like these clones have plastic bones, cherry-extract blood, cool-whip cartilage, gummy-bear fat tissue, and chocolate poo poo.

At BEST your theory of Obama may make him an identical, like perhaps the current Paul McCartney is (or may be), but there certainly is not a Star Wars cloning factory out there.. Not to suggest cloning isn't happening, of all sorts of crazy experiments, but it's impossible, you see, to make a human out of a physical human mold.

archiving. from solar flare thread.

Imagine being caught driving when one of these large CME erupt. Vehicles would shut right off. Not power steering and no power brakes. Would be disastrous. Or planes flying in the sky. Would they just drop out of the sky? Think of all electrical equipment being knocked off by Extreme CME eruption. This is the scenario they expect.

Quoting: El Quisqueyano

PLEASE, CME'S TAKE A FEW DAYS TO SHOW UP. THEY DO NOT CAUSE PROBLEMS WHEN THEY ERUPT AND HOW THEY ARE WHEN THEY DO ARRIVE DEPENDS ON THE SPACE CONDITIONS AND IF EARTH'S MAGNETOSPHERE WARDS THEM OFF OR NOT. SO FAR THE CURRENT ONE HAS BEEN MOSTLY HELD AT BAY, AS PROOF BY THE AE INDICES. WHY WOULD YOUR POWER BRAKES GO, HAVE THEY YET???? EVEN, EVEN DURING THE LAST SOLAR MAX. MINE NEVER DID. THEY ONLY EVER WENT OUT WHEN THE MASTER CYLINDER WENT OUT. NO THE PLANES WILL NOT DROP OUT OF THE SKY EITHER, HAVE THEY YET???????????? DURING THE LAST SOLAR MAX.

PEOPLE WE HAVE A MASSIVE CASE OF THE BLIND LEADING THE BLIND AND THEN THE BLIND STUDENTS FURTHER LEAD THE BLIND, CREATING MMORE BLING. AND THE PROCESS IS SNOWBALLING. WEREN'T YEA ONES ALL WARNED ABOUT THIS ISSUE IN YOUR BIBLE AND THE QURAN IN THE END TIMES? SO BE IT, YOU ARE PROVING IT RIGHT. (BLING WAS A TYPO, I DECIDED I LIKED IT.)

IT IS THE X FLARES THAT CAN DO SOME OF THIS, AND THEY ARE PRETTY BRIEF. X FLARES AND CMES ARE NOT THE SAME. X FLARES CAN AND DO MOSTLY OCCUR WITHOUT A CME IN FACT. DITTO M FLARES, THEY USUALLY BUT NOT ALWAYS COME FROM SUN SPOTS, OTHERWISE MAGNETIC FILAMENTS. THEY ARRIVE WITHIN MINUTES AND BY THE TIME THEY SHOW ON THE CHARTS WHATEVER THEY ARE GOING TO DO IS DONE, OR NEARLY SO. THERE HAVE IN FACT SINCE 0 UTC BEEN ONE M FLARE AND AT LEAST 9 C FLARES AND YOU ARE ALL STILL FINE, ARE YOU NOT, NOT CRASHING PLANES.

YOU ALL NICELY SURVIVED THE LAST SOLAR MAX AND WE ARE NOT IN SOLAR MAX AT ALL. IT IS X FLARES OF A VERY HIGH NATURE THAT CAN FRY STUFF, BUT AT THIS POINT, NO FRYING. AND YOU WON'T GET MUCH NOTICE ON THAT ANYWAY, BECAUSE THE ARRIVE SO SOON. THEY COULD SERIOUSLY MESS WITH SATELLITES AND MUCK UP YOUR GPS SYSTEMS, TV ETC. THE HUGE ONE IN THE 1800'S DID LITERALLY FRY SOME TELEGRAPH LINES.

If the Fallen Angels Sinned by mating with the Daughters of man.....did Gabriel have GOD's Blessing to seed Mary? 🤔🙄

Quoting: **AIANA**

Where did you read that Gabriel seeded Mary???

The Fallen Angels are with the Annunaki not the true God.

The daughters of man did not know it was not their husbands, they used technology to disguise themselves.

Probably what happened when Cain and Abel were born of Eve. The Jealous "god" disguised himself with tech to look like Adam.

Nephilim walk this world today, most don't know it.

Quoting: **Anonymous Coward 1261460**

It's basically an interpretation of scripture...some believe

it was by The Holy Spirit, and some believe it was by Gabriel sent by GOD. There are certainly different views on the matter. But Gabriel came to both Elizabeth and Mary.

Another text claims it was Gabriel and that he was a distant

descendant of the Angel of Secret...Rasiel. Now, if this is true....what do we know about Rasiel? Who was he...was he an Elect or Fallen? Good seed or Bad seed?

Now, is there a pure bloodline (human) that still exist today? Was it grafted back in? Lets just say if it was, I think it would be Jesus siblings. Mary was chosen for her purity and Joseph was of the Royal House (as well as kin). The blood of Mary and Joseph begot James, Jude and at least one sister...wouldn't they be of pure human DNA? Well, then we would have to pose another question. Was Mary's DNA pure?

That's a good question, especially when one wonders too about the Mother of Mary....some believe she too was visited by an Angel before conceiving.

Quoting: **Anonymous Coward 1248324**

People almost no one understands what the "holy spirit" is. First it means the thought adjuster or Father MIND Fragment within your mind. It doesn't have a penis or DNA. so it could not father Jesus.

2nd meaning, is the bestowal of SPIRIT OF TRUTH on this planet at Pentecost, which is the comforter, and it is a bestowal of photons loaded up with information for man to be able to access. All information in life is stored in electrons or photons. Your own mind, while non physical, stores all it knows on photons and electrons. Therefore the Spirit of Truth does not have DNA or a penis either.

3rd meaning is Infinite Spirit, 3rd person of Trinity which is the source of evolutionary Mind thru the Mother Spirits of each evolutionary universe. Mother Spirit of Nebadon doesn't have a penis either. Nor DNA.

Gabriel, the chief executive does have DNA, spirit DNA as he is a being, and he donated it by laboratory technique. The body of Jesus was created in a test tube using DNA from Gabriel as father and an egg from Mary. The DNA of earth human could not bear the Soul of Jesus into this world. OK. That's the whole story about the Conception of Jesus. Mary was a virgin at the time.

Angels of all sorts, meaning Spirit Beings created by the misunderstood God, do not have physical

forms of the nature of ours. There are seraphim and related groups which do have bodies, but of a different type than here and these are not reproducing bodies, no sex organs, no penis.

Anybody that came and looked upon the women of earth and mated with them were physical beings, otherwise except to use laboratory methods they needed a penis of some sort. do we got that now? Both male and Female DNA was needed to create the body that Jesus incarnated into.

And Jesus did indeed leave children on this plane. Christ Michael left at the crucifixion, (Creator of Nebadon who shared the body with Esu, an advanced soul), The body survived the crucifixion, and continued to be used by Esu. Esu Immanuel and Mary Magdalene had one child together. They were separated at the time of the Crucifixion, mary was pregnant. She and others were put on a board with out oars into the mediterranean, hoping that these ones would perish as sea. They did not, the hosts of heaven saw to it, that they made it to France, where Mary M walked ashore with SaRa who was born at sea, in her arms, and thus all the legends in France and Europe and some of the story by Dan Brown.

Esu Immanuel eventually made his way to Kashmir India and put down roots there, and married a local woman, after all he and Mary M had become separated, and they had 5 kids. The oldest was male and his name Joseph. Joseph, after the death of Immanuel at around 115 years of age, returned to the former grave and buried the writings by Judas who was Immanuel's best friend and not the betrayer, and these were recovered in the 1960's. A priest was lead to the site, he translated a lot of them that were still readable into the Talmud of Immanuel, published in German. Also translated by another into English. the priest and all his family were murdered but the writings were taken into the hands of the hosts who have returned with Jesus, and some of it translated by Judas himself, who is part of the return, into English from the Aramaic he once wrote them in. You can read that translation in Phoenix Journal #2, "And they called his name immanuel". Jesus was never known as Jesus, Paul made that one up later. His friends the "apostles" called him Immanuel. And that name has been left to some degree in the bible.

As I have said the incarnation into the specially created body, was of two folks. And actually they were not IN the body, as spirit beings cannot be IN a body, the photon form would "evaporated" the physical body. Christ Michael the creator Son left, and returned to sit temporarily at the right hand of the father and make plans for his return he promised. Esu continued on as above.

BOTH are returned by Craft, I have met them ON CRAFT and IN my home. I know of what I speak. So be it.

Re: I'm considering becoming a vegetarian..should I? Quote [+] #

there is plenty of b 12 in any cultured vegetarian food. By vegetarian, do you mean "vegan" or do you intend to eat eggs and dairy. You will get more than enough from that. as to b12, if one is going to get it from animal food, one serving of meat a MONTH is enough. if you aren't going to eat a lot of cultured foods, you can take it your vitamins.

The pros are it's much healthier for you body, and for most, vegan is best but some people need some cholesterol due to their genetics as they may need some to make their cortisones especially in times of stress and you can get that from organic free range eggs.

Dairy in fact is not healthy for most, due to the phosphates in it. excess phosphates in the diet are the leading cause of ordinary arthritis. I am a picture book case of that. READ labels and don't buy foods with phosphates added to them and keep your dairy, if you use it, low. and only from nicely raised animals.

By becoming as close to vegan as you can get, sometimes in restaurants it's hard, or if you need an egg now and then, does a great deal for your health and the health of the planet. Food animals are raised in horrid conditions of enslavement and care. The food animals eat far more per pound in their lives as humans do, and this is a terrible waste of resources on this planet. You would not believe the water alone required to bring you a hamburger. This planet is designed for only some many physical beings that shit and pee on it, and even the plants can overdo it actually, if not kept in balance.

Please become vegan if you can, and if not be very careful of which dairy and eggs you use and how much.

Anybody with heart or vascular disease, or cancer etc, should immediately go on the RAVE diet. it is completely vegan and you cannot consume junk foods on it, only whole foods with a huge quantity of quality colored planet foods. If you have clogged vessels, you must not use any oils on it and keep the nuts and oily foods low, so you burn the shit out of your arteries. People going on this diet have gotten over all sorts of cancers, from the improved circulation and immune system function.

Please see the movie EATING. Some PBS channels show it and it's available to purchase. It will be one of the most important investments in time and money you can make.

Candace - what or who caused the firmament to go down causing the great flood? Was it induced by Nubiru-Anunnaki? By an asteroid e.g. The one that hit Greenland some 13,000 years ago?

Also UB states we need a thin ozone layer, that if any thicker would be harmful to humans. Your insight and continued contribution is very much appreciated, especially the guest appearance of late.

I understand that part, no concern about Nibiru coming, I read your explanation(s). I seek to understand:

1. The asteroid that hit Greenland, natural or directed would have caused such a flood. The firmament take down however feels more like it was forced out by some galactic battle. This corresponds to final takedown of Atlantis as well.
2. I can see how the Magnetosphere would be our veil and once Monopolar if it goes away then my guess is we would need our firmament back in place.
3. Ozone reference to UB - does it go completely away or does it get rightsized?

Thanks for any of your fine clarity you are able to provide at this time. I have worked a lot to be a coming resource to helping people understand our history and what to expect.

I have read and understand and appreciate what AH has provided. You set such a good example for many.

We have hugely destroyed our world and she IS fighting back. If our stupid governments had agreed to open contact with Star fleet (the hosts of heaven lead by JESUS), we would be solving these problems long ago. But they did not cooperate and man has not cooperated it. Open Contact would have started with President Kennedy who had been taken to personally meet JESUS. Imagine that, a Catholic man probably long misinformed by his own church, having that experience. when the man got into office he SAW all the corruption he did not know about prior to then. And he worked to clear it, which included getting rid of the Federal Reserve and getting back on Treasury created money backed by silver. Remember those paper money bills, that said, SILVER CERTIFICATES on them. Mine were stolen long ago during a burglary of my home, wish I still had them.

The day Kennedy was murdered he was going to tell the world about our visitors from God. Well, we suffer to this day for the decisions made on our behalf by the thugs that run this world. so be it, it's going to get worse in fact.

I do not understand why people do not see the pollution. Christians see it sometimes but they don't care you see, because after all, God is going to destroy this world anyway, so why should they care? The fail to see, they are God incarnate on this plane, and have they themselves assisted the destruction of this world, go figure on that one.

we enough lecture, surmise to say our core is heating from the Photon belt and certain earth activities, and so it goes. and man, even here fails to give a shit about it.

Ok, I haven't visited here on this thread for a bit, I will answer the questions within the two quotes above.

The firmament was taken down by the anunnaki, basically war against God for this planet, also their method of controlling population, which they have also done by disease at various times in our history. Such as when 1/3 of the population in Europe by, shoot, headache, etc in the way this morning, the disease then carried by rodents, best I can do. There was an effort to destroy a lot of life forms on purpose. mess up the chain of evolutionary mind growth. There are now lots of missing steps. Which will be corrected by a massive effort by geneticists here to do that. WE have a lot of out of balance life forms which will also be removed, probably many have already.

On the Greenland asteroid, that is a story I have not heard! I have heard on the two moons we used to have brought down intentionally.

We have needed the ozone without the firmament, but it's not so good. The UB also had to keep in step with some beliefs on this planet, too much information overwhelms (well it does some people who try to read it), and also there is a need to get it published which means it has to agree with existing beliefs in certain areas. We will not need the ozone at any rate when the firmament is up and the elite WANT it, because it blocks energies coming in we really need now, but perhaps were not ready for at the time of the UB. It is blocking the good stuff, the new stuff. Those living where it is thin are not having problems of any sort from excess radiation of the wrong kind. This is because with the sun changes as part of all of this, it's radiation is changed. Our atmosphere offers actually more protection than does the ozone layer. That great flood story does suggest just how much water WAS up there, and as it is replaced, we will have more land space actually and a less ocean.

Do you have a link about the Greenland asteroid?

As to the final takedown of Atlantis, or at least a lot of the takedown, as it went down in stages over a long period of normal earth changes too, it was pretty old, the thugs were attempting to bring a moon down on eastern Asia, China in essence, there was war between the two, and they either miscalculated, or some one above changed the direction, and it came down on the very folks trying to bring it down on China. The earlier of the two moons was brought down on Lemuria by Atlantis, so I guess they got their karma.

The UB leaves out all this history, on purpose, it's already too large, and man was not necessarily ready yet to understand this planet has long been colonized by others, besides the natural evolution. UB covers the natural evolution, not that from colonization. The animals with pouches in Australia like the kangaroo, were brought here by the yellow and black people from another planet, which was over crowded and had space travel so they moved and brought some of their animals and plants with them. These yellow people set up in south eastern Asia as it existed at that time, (

well over 1 million years ago) and the blacks in Australia, again, as it existed way back then. They eventually blended, along with some other developing peoples to become the Arab race now.

Plus I imagine the arab peoples also have some genetics from the Hebrew people, who colonized also from another planet, called Hibri or something like that, I can't remember. Actually that race was started by only 3 survivors of a crash in western russia about 14,000 years ago and they migrated south, a man and two women, who refused to inbred with the local folks who were inferior in evolution at that time. so there you see some of the stories in the bible a bit.

Our magnetosphere is essentially a fence to keep lifeforms not embodied on the planet. And the heliosphere also is a fence. Both coming down because we are at the end of a Great Cycle, around the milky way. Actually yesterday I made a post to the UB thread around that, a question asked by someone who was curious if the UB statement on when life implanted here was correct. This is the link to the UB thread.

[\[link to www.godlikeproductions.com\]](http://www.godlikeproductions.com) The conversation would be likely on page 8 from yesterday, I haven't check there yet today to see what has gone on.

Thankyou so very much for your supportive comments. And by the way, there will be another UB, part 2 which will cover what man needs to know a bit later, including all that galactic war history of this planet. We will tell it all in the future. At least a decent summary of it all.

I have read most of Sitchin, I have no problem with it, but the timing on Nibiru is WRONG and I don't remember, because it was years ago I read his books and I don't own them about what he suggested as to any times. His research was excellent, being that he knew the language.

It WAS here 2000 years ago. christians call it the Star of Bethlehem. The return of Nibiru at that time, was one of the reasons for the timing of the Christ Michaels bestowal in fact. The Nibiruans, anunnaki were going to restart time on their doing at that time, because they planned the final ownership of not only earth, but the solar system.

Until 2005, there were cloning factories on this earth, reptilian run initially, nothing new, but then man of the surface obtained the ability. initially the russians were way ahead of the US of A. There were at least 27 Jimmy carters, the result of US of A experimenting, they had a lot of trouble getting it "right."

Cloning is common in "heaven." that is how you get a body when you arrive there, or return to there. These ones don't work on the higher custom built spheres at all. The current Paul McCarney is a look alike that underwent surgery to help make him look more that the original and he is I believe quite a bit shorter, or maybe it's taller, I don't remember. Lots of games can be played.

When people are "resurrected" to the mansion worlds, it is the soul that is resurrected and the soul provides a pattern (hologram) for the new body which is made in about 36 hours. These bodies you are given on those worlds are not reproducing bodies. There is no womb thusly. You are not born into "heaven'.

RE: Do you have a link about the Greenland asteroid?

Thank you the reply. A former ASU Astronomer-turned-Astrologer associate of mine told me about the Greenland research based on the fact that they found both a large amount of nanodiamonds and Iridium - both supporting evidence of an asteroid impact around 12,900 years ago. The timeframe caught my attention as possible overlay material to support timeframes of the aforementioned events.

The research data on the Greenland asteroid theory remains contested however, the presence of nanodiamonds that require very high heat/compression along with deposits of Iridium together form very good evidence to support the claim.

Other research points to an possible impact that may have occurred off the Carolina coastline. To Quote "The theory is that either an asteroid or a comet entered Earth's atmosphere at an oblique angle from the northwest, exploded into three large fragments from atmospheric friction (smaller pieces of all sizes also raining down), finally striking the waters of the North Atlantic and the Caribbean, creating three gigantic craters in the ocean floor. The two largest impacts would have occurred just to the west of Atlantis."

Thus, I turn to you as one who has "better batphone" confirmation resources, that you might be able to help verify these findings upside the dates around the AnuNNaki attack resulting in the takedown flood of the firmament.

In the schools created after stasis, we will simply teach the TRUTH. This will be given accurately to the planet. Yes there is evolution, but it is not spontaneous as taught here. Planets ARE seeded with life and it does GROW and EVOLVE, until there is eventually GOD MIND produced out of the process.

It is both more and less than "survival" of the fittest. There are scientists of God who undertake the seeding of planets with life. Life is also transported to planets from other planets, that is where the Pouch animals like the kangaroo came from, brought here by colonists from other worlds. Evolution theories fail to take into context, colonization. We even got some of our viruses here from meteors that carried them from blown up worlds.

We are currently NOW in the Milky way Ecliptic, which we are in every 57 million years or so. **Evolution will take a GIANT LEAP during this time. Many animals will stand up to walk in fact.** Then also take into account what man himself contributes with his own selective breeding and then genetically modified stuff. Remember the disasters of Atlantis on that one.

Now Planet X that scientists ARE seeing, and don't know what it does, never does come thru the solar system. It is a dark body that balances our sun, and it also serves as the tool by which our solar system is dragged around Alcyone, our Central sun every 26000 years or so. **All solar systems have a Planet X, which our scientists are labeling a "dark dwarf" and similarly. This planet X IS what pulls solar systems around their larger Central Stars such as Alcyone.** Our Sun is a part of Pleiades and NOT sirius as some like to suggest. There are about 500 Suns which journey around Alcyone and not just the 7 sisters.

Nibiru did NOT cause a pole reversal or axis shift when it was here 2000 years ago. Our being here in great numbers with this technology now is proof of that.

ME: Actually, only a small number of people evolved on this planet, and from a race that split from the ape/monkey family.

however, most of our forms are from colonization from other planets, there were humans here in the time of the dinosaurs. The black and yellow races, came from a single overpopulated planet over 1 million years ago, the yellows settled in what is now south eastern Asia, the Blacks in what is now australia and these two races brought the kangaroo type animals with them. They later

intermingled along with earth races which created the modern Arab.

If we came from the BABOON or MONkeys, OR great apes of any sort, then why are THEY still baboons, monkeys and great apes? Ponder this one carefully. OK.

***** Post below by OP of thread.

1st - I was just trying to make a joke about people who wear baggy/saggy jeans, they look like idiots.

2nd - We didn't come from Monkeys, but evolved from a species that split, which is why we still have Monkeys/Apes. We are "cousin" species. Ponder this carefully, why does the Rat, Squirrel, and Beaver all belong to the Rodent order? They are "cousin" species as well.

ME again: thankyou, since I did NOT review your links, I didn't get this was a JOKE. Maybe I should return to your post, but nevertheless, YOU ARE CORRECT regards the split. But still many also came from the process of migration from other worlds.

The split is nicely covered in the Urantia Book, paper 62 section 3, The mid Mammals. Pages 703-704

A superior set of twins was born, over 1 million years ago, and also an inferior set. The superior set, set the stage for the development of man. The inferior twins set the stage for the currently inferior strains of apes and monkeys etc.

Interested folks can find the Urantia Book Online at www.urantia.org.

You will also thus enjoy the first human family, Paper 63 but first read paper 62 above, the final section of it leads to the story in paper 63

Another poster: With all due respect, there is no proof of any of this. All species DO evolve, but not in the way we are taught. The fact of the matter is, the theory of evolution is just that, a theory. We do not have a CLUE as to how life occurs and forms. We do not know where it begins or how it evolves. We do not know how it started. We do not even know how the universe began and where it all came from. We think we have a good idea, but we don't.

Quoting: Anonymous Coward 1258659

ME: With all due respect, some of this information HAS been gifted to earth. Planets when ready to host life are SEEDED with life by scientists from the misunderstood HEAVEN. The basic understanding and journey of life development on earth has been given in the Urantia Book. OP's comment, bolded above by me is quite correct.

We are currently in those predicted energies coming from the Center of the Milky Way. These energies include several types of gamma rays plus the God particle, that will greatly JUMP evolution on this planet. This planet was seeded roughly 550 million years ago and given 2 trips of roughly 225 million years around the Milky Way for life to mature to a certain level on this planet.

We are currently now at the END of those two trips. During a trip around the Milky Way, we

receive these energies 4 times. So it's 8 times now, and that is WHY some scientists are observing massive jumps in evolution periodically in the earth records. GAIA, our planet mother is as part of this, now a fully self conscious individual in her own right, and the ascension that is being covered is HER own ascension into the light. Man is invited to partake with her, but sadly only about 1 billion will continue on the planet, having fulfilled at least 51% repayment of karmic debt. Man who is staying will experience massive growth, as will all of life and matter upon this world, because there is a unusually large component of God particles coming in. Shortly because of this, Creator is actually entering THIS creation, our whole solar system in fact, thus the "ascension." It's a very special time.

btw, your comment about the baggy jeans was a good laugh, I agree.

I imagine the WAVE will come as some sort of alignment of forces, Photon belt, Milky way center rays, and now that central sun frequency fences are coming down, perhaps we are now in clear shot position for that great God breath. Perhaps even our binary dark body has some keylineup in there as well. When it is all in alignment, wave happens.

Then, interval of non-time and all that it brings.

Is that how you see it too?

Someone recently asked me this question.

"May I ask whom do you say that Jesus of Nazareth is?"

Quoting: Anonymous Coward 1012325

This was my reply:

Hi Friend, To me, Jesus, or Yeshua Bar Yosef, was a Great Gnostic Teacher and Rabbi , A married man to Mary Magdalene, and a Wonderful Father, He broke the rules to the establishment and pointed out the hypocrisy of the High Priests who were allowing Prostitutes on Temple grounds and greedy dove sellers who jacked up prices. The High Priests made sure he didnt teach any more Inner Esoteric Mysteries nor get away with pointing out their corruption so they crucified him.

He was chosen by God for this Mission.

A Masonic Secret was recently revealed publicly that he was born in August in 8 BC as a Leo.

888 is Messiah in Gematria. He was the Messiah of that time to refine Gods Physical Temple.

Quoting: PHOENIX CODE. (ALPHA OMEGA)

Well they were not married for long. After the Crucifixion, (he did NOT die), he walked out of the grave and made his way over some time to Kashmir. On the way, in syria he put a stop to saul's antics of chasing him by blowing up fireworks that blinded him temporarily. He was separated from Mary M for her safety, and shortly anyway, she and others were put on a boar minus oars and set out to see to perish, but those ones survived and Esu's and Mary's child was born at sea, and carried safely ashore in France, a little divine help got them there. The daughter was named SaRa, (saw raw).

He married a local woman in Kashmir, put down his roots there, traveled and taught the region extending into central Asia etc, had 5 kids and died at about 115 years of age. His best friend JUDAS who was no the betrayer at all, accompanied him along with his Mother and others. Judas kept records, some of which were lost, some recovered. Esu (Jesus)'s son Joseph placed the records after Esu's death back in that old grave and they were recovered I think in 1961, maybe 1965. Some were translated into German, as the Talmud of Immanuel. And from German into English. You might be able to find a version someplace, its out of print though, as far as I know anyway.

Otherwise, the translation is much better and made by Judas himself from the Aramaic to English, in Phoenix Journal #2, And the Called His Name Immanuel, I am Sananda. It's on www.fourwinds10.com, and on my site, abund@nthope.net Do change that @ to an "a: when you type it into the address bar.

And by the way, he was born Aug 21 as reported in the Urantia Book. Teh PJ's said August 20, and it was decided over one day to accept the UB version as more accurate.

He was and is a good buddy of "God", Christ Michael and part of the Kumara family who has long been trying to save this solar system. Sanat is Esu's "real father" from Lyra. Mother Mary was played 2000 years ago by ANNA his Wife.

And that crappy TV movie "V" used the name Anna for the bitch from anunnaki hell, for exactly that reason.

By the way, Anna is pronounced Ah Nah.

You are the first person to account for this idea which has consumed me for the past year.

I witnessed a Saturn-like craft move into position and stop in a linear decelerating fashion. The date was 4-20-2010 at approx 7:30PM CST. The object was observed locked in position with the stars for the following months. Object was as Saturn would look edge-on with the rings, or, a sphere with a bar thru the center. The object was viewed in my spotting scope and looked very "holographic". Never was it observed to twinkle or flicker or have any discernible atmospheric distortion. The object was viewed thru my scope by my family and friends, including a licensed pilot, an engineer, and a lab microbiologist (people who know what things look like thru optics). None of us could fool ourselves enough to accept it as Saturn, even if I had not observed it moving into position.

I contacted the local astronomy teacher who was participating in the NASA (THEMIS) Mission. Disappointingly but expected, after weeks of correspondence, I couldn't even get her to look at it in the sky.

Funny thing is that it showed up in the sky just about where Saturn was to be. Funnier yet, that was also the day of the "BP event", made the connection weeks later.

So, "Nobody in Particular", you have my attention. Now tell me more!

Quoting: Anonymous Coward 1297870

Well all I know, is, but not when, Saturn is next. If they are working on it, it would also be set at a speed to keep it behind the sun, because something like that should not occur otherwise. Jupiter was also locked behind the sun sometime before the work to make it a sun, just in case. Still there too, as I said. I have not asked on the timing of Saturn at this point, I will now. Glad YOU NOTICED This. I am booking this thread, this page, just just for your post.

thankyou. Sadly, when I went to watch the video, it no longer runs, except the 20 second commercial!

I wonder if raccoons since they can stand and run on their hind legs and have hands will be amongst those that walk more too. I saw a cute film, on TV, it was on that show, shoot, can't remember the name, but people submit funny films etc, where a raccoon got into a picnic basket and stole something and ran off on it's hind legs. Until that, I didn't realize they could run on their hind legs. we have them where I live, and I see them stand, but not run that way. Same coon was also on the back of the family dog, scratching it's ears! cute anyway.

On many planets, whoever wins the evolutionary race, walks. This planet was seeded to produce this body type, but we also had huge colonization.

There are many types of bodies that "win". that is why there are insectoids, horse people, (I know in my head from memory someplace, what these ones look like_, reptoids, even an "onion" looking people with several legs, elephant people, PLANT people. Etc. It was "planet people" that were taking down at Roswell, you know the one that survived called EBE. These would evolve on planets with high CO2 content etc. What is seeded and what develops is based on the atmosphere, gravity and other features of planets.

Anyone interested can go to www.urantia.org and read paper 49 for a basic summary.

ARCHIVING THIS FROM ANOTHER THREAD, THIS IS MY POST.

I have never understood how people put themselves thru this ritual at all. The church stuff on sunday. I was drug thru it as a kid, I spent summers in bibles schools all over the town I grew up in, and always I could not stand this stuff. this is not of God, this religious stuff, ever, on any planet, it's is always the work of the antichrists.

I understand social needs and in my small town, most of it was social, but I have never ever sat thru a single decent sermon in my life. Quite a number of years ago, for purposes of study, I visited a lot of churches around me and pretended to be a member of a smaller congregation which was one of the newer evangelical groups and I was absolutely appalled. For 5 months. I was trying to understand what draws people to this and at this point I still have NO IDEA WHY. Except the mind control by the antichrist in all of them is well polished.

Where are your minds dear ones that god gave to you? This stuff is not of God. God did promise to return at the end of this cycle we are now in, and he promised the WORD once again, those words in books you know and still you ones go on with the most silly of stuff and then you all think I a stilly and possessed and all the rest and continue to tell ME I am going to burn in hell.

Dear ones, there is NO HELL as you believe it. Creator CREATES he does not destroy. Man always brings that on himself on all planets in these galactic underworlds. And you will stay on these galactic underworlds until you grown up and many of you will not be staying on this galactic underworld, because it is going to become a "heaven world." Nobody moves to the next grade in god's schools, until you pass the current grade and so many have not passed.

It is about your SERVICE to OTHERS, willfully given out of love. it is about growing your mind in knowledge. It is about leaning from your mistakes and thus growing in wisdom from your experience. It is not about believing ON a man, no matter how advanced a soul he was.

So many of you have done so much damage in pushing your hatefull vengeful hell fire stuff. What is CREATIVE about that? I just spent time posting in another thread where one was told he was mocking god, when there was truth told.

Do you realize that your belief systems MOCK GOD? You are still lacking the idea that God is WITHIN YOU! YOU ONES ARE GOD! So when you take yourselves into the gutter, guess who goes with you? When you serve others with heart in good ways, there also you take god. YOU.

EVERytime some country or peoples or cultures gets into some trouble, you are the first ones that

point out that God is punishing them in some way. I have seen enough of that with Japan already here.

GOD IS WITHIN YOU. GOD IS MIND. YOU ARE OF GODS MIND, AS HIS CHILDREN AND YOU SEE IT NOT. YOU GO SO FAR, SOME MANY OF YOU, TO PUT ISRAEL ABOVE YOURSELVES, ALL THE WHILE CALLING YOURSELVES GOD'S CHOSEN BY USING THE TERM CHRISTIAN, AFTER CHRIST. WHERE IS THE LOGIC IN THAT.

YOU MUST KNOW PEOPLE BY THEIR FRUITS. THE PEOPLE THAT ESTABLISHED ISRAEL STOLE IT FROM THE PEOPLE THERE. THERE WERE NEVER FROM ISRAEL TO RETURN TO ISRAEL. THEY MADE ALIE AND YOU BELIEVE IT AND PUT THEM ABOVE YOU AS MAKING THEM GOD'S CHOSEN PEOPLE.

THE WORD JEW WAS CREATED IN THE 1700'S BY THE KHAZARS WHO CHOSE TO ADOPT WHATEVER RELIGION IT WAS FROM PALESTINE IN 700+AD. THESE KHAZARS ORIGINATED IN MONGOLIA, NOT THIS AREA OF THE SEMITES AND HEBREWS. THEY STOLE A CULTURE AND BELEIF SYSTEM AND THEN THEY WHO WERE NEVER FROM THERE, STOLE IT ANYWAY FROM THOSE THAT WERE THERE!

YOU ONES ARE SO MUCH PEOPLE OF THE LIE. NOT ALL OF YOU, BUT SO MANY OF YOU AND YOU HAVE NO GOD POWER BECAUSE OF THE LIES.

YOU MAKE GOD SOME PERSON WITH A LONG BEARD UP IN THE SKY SOMEWHERE. I KNOW, I WENT TO THAT CHURCH FOR 5 MONTHS AND WATCH EVERYONE LOOK SKYWARD WHILE THEY PRAISED THE LORD IN THE NEWEST CHRISTIAN MUSIC. YOU ARE GOD!

YES THERE IS A HIERARCHY. THERE IS A HEAVEN, BUT YEA ONES DO NOT UNDERSTAND, FOR IT IS NOT IN THE SKY. IT IS ALSO WITHIN YOU. BUT THERE ARE MORE ADVANCED WORLDS OF GREAT LOVE AND GREAT TECHNOLOGY THAT COULD BE LABELED HEAVEN I GUESS. YOU CANNOT LIVE ON THEM UNTIL YOU EARN IT. YOU WILL HAVE YOUR ETERNAL LIFE ON LOW GRADE PLANETS UNTIL YOU ARE PREPARED TO MOVE UPWARD.

WE ARE GOING TO MAKE HEAVEN ON EARTH. A STATE OF PEACE AND GOODWILL TOWARDS MAN. THE EARTH, MOTHER, GAIA, CAN NOT LONGER HANDLE BEING YOUR PRISON WORLD TO BE ABUSED. AND YOU CHRISTIAN ABUSE THIS WORLD AS MUCH AS ANYBODY ELSE.

LOOK UP YOUR HISTORY, HOW MANY PEOPLE HAVE YOU KILLED OVER TIME, BELIEVING YOU WERE KILLING FOR GOD? I LIVE IN A REA FULL OF EVANGELICAL CHRISTIANS, AND BAPTISTS, SAME THING. THEY ARE FULLY IN SUPPORT OF BOMBING IRAN TO SHIT BECAUSE GOD WANTS THEM TOO. WELL YOU ARE THE GODS THAT WANT IT. YOU ARE THE GODS BRINGING DOWN THIS WORLD. YOU ARE THE GODS EXPERIENCING YOUR OWN KARMA.

IN THE UNITED STATES AT LEAST ANYWAY, I DON'T KNOW ONES FROM OTHER PLACES. YOU ARE THE ONES WHO KEEP THE KHAZARS IN OUR GOVERNMENT. YOU ARE THE ONES WHO HAVE ALLOWED THE WARS IN THE MIDDLE EAST SINCE 911. YOU HAVE DONE NOTHING TO SOLVE 911, NOR ANYTHING TO STOP YOUR GOVERNMENT FROM CARRYING ON THOSE WARS.

DO YOU HAVE ANY IDEA HOW MANY OVER THERE HAVE SUFFERED AND DIED FOR

YOUR WARS? YES YOUR WARS. ABOUT 20 MILLION ALREADY SINCE 911. PEOPLE WHO HAVE DIED FROM YOUR BOMBS. PEOPLE WHO HAVE STARVED TO DEATH. CHILDREN WHO HAVE BEEN MAIMED, IN YOUR GOD'S NAME. WHICH IS YOU, BECAUSE YOU SEE, GOD IS WITHIN YOU.

HOW MANY OF YOU HERE FUZZ ABOUT ISLAM WORSHIPPING A FALSE GOD? YOU ONES WORSHIP A FALSE GOD. YOU WORSHIP SOMEBODY OUTSIDE YOUR HOLY SELVES. TO DO THAT IS TO TAKE GOD'S NAME IN VAIN. YOU COMPLAIN ABOUT ISLAM SUPPORTING HOLY WAR AGAINST YOU! YOU STARTED IT PEOPLE, ON THEIR PART IT IS CALLED SELF DEFENSE. PONDER IT.

YOU HAVE BOUGHT INTO EVERY LIE THE BOSHEVIKS WHO RUN THIS COUNTRY HAVE FED YOU. YOU HAVE ACTUALLY SEPARATED YOUR MINDS (WHICH ARE YOUR SOULS) FROM THE ONE MIND OF GOD WHO IS YOUR FATHER.

SOME OF YOU HERE ARE WORRIED ABOUT THE NUCLEAR RADIATION. WHAT HAVE YOU DONE TO STOP THE DEVELOPMENT OF NUCLEAR PLANTS IN THE US OF A? WHAT HAVE YOU DONE TO PROTECT YOURSELF FROM RADIATION FALL OUT? FROM THE US OF A'S NUCLEAR BOMBS OR ANYBODY ELSE'S NUCLEAR BOMBS? YOU CLAIM YOU ARE FORM THE FREE COUNTRY IN THE WORLD, BUT YEA ONES ARE TOTALLY ENSLAVED ALREADY LONG AGO BY THE BEAST. ITS YOUR TAXATION AND ITS YOUR SOCIAL SECURITY NUMBER. YOU ALREADY CARRY THE MARK OF THE BEAST FROM THAT LITTLE NUMBER ON THAT LITTLE CARD. EVERY PIECE OF FAKE MONEY YOU SPEND YOU SUPPORT THE ANTICHRIST.

SO WHY DO YOU GO TO CHURCH EVERY SUNDAY. GOD DOES NOT REQUEST THAT. THOSE ALIGNED WITH GOD NEVER START ORGANIZED RELIGION, THE ANTICHRIST DOES. WHERE IS YOUR SERVICE? THE ANTICHRIST IS BOBBLING UP YOUR TITHING ON SUNDAY. HOW MUCH FURTHER COULD YOUR TITHING GO IS YOU GOT TOGETHER IN SMALL GROUPS AND DID GOOD WORKS, RATHER THAN SUPPORTING LARGE BUILDINGS OF STONE. GOD IS NOT IN THOSE BUILDINGS OF STONE. HE IS WITHIN YOU. HE IS WITHIN YOUR ANIMALS, HE IS WITHIN THE TREES, HE IS WITHIN ALL LIFE, FOR GOD IS LIFE.

YOU ENCOURAGE AND ALLOW WARS THAT DESTROY THE SURFACE OF THIS PLANET, LET ALONE THE FAMILIES OF THIS WORLD. THE CHILDREN OF THOSE WHO PRACTICE ISLAM ARE JUST AS DEAR TO THEIR PARENTS AS YOUR CHILDREN ARE TO YOU.

BUT ARE YOUR CHILDREN DEAR TO YOU WHEN YOU SEND THEM OFF TO FIGHT THE WARS OF THE BOLSHEVICS THAT CAME OT THIS COUNTRY FROM THE SOVIET UNION?

YOU SHOULD BE GATHERING IN PLACES LESS EXPENSIVE AND POOLING YOUR MONEY AND ENERGIES WORSHIPPING THE FATHER BY BEING THE FATHER TO OTHERS. IF YOU ARE GOING TO CONGREGATE IN THESE LARGE BUILDINGS, AT LEAST YOUR MINISTERS COULD BE SHOWING ALL THE EXCELLENT DOCUMENTARYS ABOUT 911, ABOUT THE FEDERAL RESERVE, ABOUT HOW THIS COUNTRY WAS TAKEN OVER ETC. ETC., DOES YOUR MINSITER DO THIS ON SUNDAYS, DO YOU THEN SIT DOWN IN GROUPS IN THOSE EXPENSIVE BUILDINGS OF STONE, AND FIGURE OUT WHAT TO DO ABOUT IT? OH I SEE YOU CAN'T BECAUSE YOUR PRECIOUS 501C3 DOESN'T ALLOW YOU TAKE POLITICAL ACTIONS. YOU MUST HAVE YOUR NICE TAX DEDUCTION IN STEAD.?

DID YOU KNOW YOU CAN ACTUALLY POOL THAT MONEY INTO GOOD WORKS BY NOT FORMING OFFICIAL ORGANIZATIONS WHO HAVE TO WORK UNDER THE RULES OF THE

ANTICHRIST?

YOU ONES DON'T DO JACK SHIT AS WORSHIP ON SUNDAYS. YOU WORSHIP GOD WITH IN YOU AND OTHERS BY YOUR SERVICE. JESUS NOT ONLY CARES NOT ONE WHIT ABOUT THOSE SERVICES, HE IS APPALLED BY THEM.

HIS TEACHING OF WHAT YOU DO TO OTHERS, YOU ALSO DO TO HIM HAS FALLEN ON DEAF EARS. PONDER IT THIS COMING SUNDAY, WHILE YOU PARTICIPATE IN EMPTY CEREMONIES AND LISTEN TO EMPTY SERMONS, AND THEN GO AWAY AND DO NOTHING AS GOD ALL THE REST OF THE WEEK.

THOSE WHO PERFORM HEART FELT SERVICE TO OTHERS ARE THE ONES THAT GET TO MOVE TO THE HEAVEN WORLDS, AND THEY ARE THE ONES WHO WILL BRING HEAVEN TO EARTH. PONDER THAT. PONDER THY WORKS, FOR IN MANY OF YOU THEY FALL SORT.

I HAVE NO EXPERIENCE WITH ISLAM. I HAVE NOT LIVED IN COMMUNITIES WHERE THERE ARE MANY MUSLIMS. I HAVE ONLY MET SOME HERE AND THERE AS I JOURNEY THIS LIFE, AND I HAVE NOT HOWEVER, HEARD ANY OF THE UGLY WORDS OUT OF THEM I HAVE ENDURED FROM CHRISTIANS MY WHOLE LIFE. NOW I HAVE RUN INTO SMALL GROUPS OF CHRISTIANS WHO DO MANAGE TO UNITE IN SERVICE, BUT THEY ARE SO RARE. IF I WAS SOMEHOW FORCED, TO JOIN A CHURCH IT WOULD BE WITH THE QUAKERS, WHO DO KNOW MUCH MORE ABOUT GOD, AND WHO DO ORGANIZE POLITICAL WORKS AND EDUCATION AND AWARENESS.

YOU ARE NOT SAVED BY SOME SILLY BAPTISM. MOST OF YOU ARE REINCARNATING SOULS AND GOT SAVED IN SOME PREVIOUS LIFE. OTHERWISE YOU WOULD NOT BE REINCARNATING HERE. FOR THOSE TRULY HAVE THEIR FIRST LIFE, SINCE THE BESTOWAL OF MICHAEL OF NEBADON 2000 YEARS AGO, EVERYONE WHO HAS NORMAL MIND, RECEIVES THE BESTOWAL OF THE FATHER FRAGMENT WHEN THEY PERFORM THEIR FIRST MORAL CHOICE AND ON THIS PLANET, THAT IS AROUND AGE 5. AND I HAD A CAT RECEIVED HER FATHER FRAGMENT FOR BEING ABLE TO THINK, AND PERFORM MORAL CHOICE AND HAVE DESIRE TO BECOME A PERSON, AT THE RIP OLD AGE OF 2. PONDER THAT ONE.

YOU ARE BORN AGAIN BY YOUR ACTIONS AND YOUR GIFTS OF THIS WORLD, AND BY THE ACT OF SEARCHING FOR WISDOM OUT OF YOUR ERRORS. YOU ARE BORN AGAIN BY BECOMING LIKE CURIOUS LITTLE CHILDREN. YOU ARE BORN AGAIN ABOUT GIVING A SHIT ABOUT THIS PLANET YOUR HOME. HOW MANY OF YOU ARE STILL SUPPORTING THE DESTRUCTION OF THIS PLANET, AGAIN BY NOT CARING BECAUSE GOD IS GOING TO DESTROY IT ANYWAY? YOU WOULD NOT BELIEVE THE NUMBER OF TIMES I HEAR THIS ONE REGULARLY WHEN I CHOSE TO DO SOMETHING LIKE TAKE MY OWN CUP TO COFFEE, RATHER THAN USING A THROW AWAY PLASTIC CUP THAT IS HARMFUL TO DRINK HOT LIQUIDS FROM?????? IT'S ALL OK, GOD IS GOING TO DESTROY THE WORLD, AND ONE IS GOING TO HEAVEN BECAUSE THEY BELIEVE ON THE BLOOD OF JESUS, SO HOW ONE TREATS THEIR BODY TEMPLE DOESN'T MATTER EITHER.

I AM TIRED OF THIS. WHEN ARE YOU ONES GOING TO ALSO GET TIRED OF IT? AND STOP DOING IT?

NOTICE THE TEACHING ON THE FATHER FRAGMENT ABOVE. THOSE IN ISLAM GET THEM TOO. SO DO THOSE BORN AND RAISED IN BUDDHISM. SO ALSO THOSE BORN AND

RAISED IN THE SO CALLED JEWISH RELIGION, SO DO THOSE RAISED IN NO RELIGION. AND THE LIST GOES ON. YOU GET YOUR ETERNAL PROMISE FROM RECEIVING THE FATHER FRAGMENT, IT IS WHAT CAUSES YOU TO BECOME ETERNAL ON A TIRAL BASIS. THE PROCESS DOESN'T COMPLETE UNTIL YOU BECOME ONE WITH IT. AFTER MANY LIVES AND THE GAINING OF MUCH WISDOM AND THE FINAL DECISION THAT YOU WILL SERVE GOD, BECOME LIKE THE FATHER, KNOWING ALL THINGS. ETERNITY IS A LONG TIME DEAR ONES, THE CREATION IS TRILLIONS OF YEARS OLD AT LEAST. EVEN YOUR LOCAL UNIVERSE OF NEBADON, HAD ITS BEGINNINGS NEARLY 1 TRILLION YEARS AGO. AND WE ARE A YOUNGER UNIVERSE!

YOU LIVE MANY LIVES BEFORE YOU ARRIVE ON THE SHORES OF "HEAVEN" WHICH WOULD BE THE PLANET JERUSEM. (NOT JERUSALEM, AND NOT THE NEW JERUSALEM THE STAR SHIP) YOU ARE GOING TO HAVE TO READ THE URANTIA BOOK ON THAT ONE, IT'S NOT A STORY FOR THIS LECTURE.

YES IT'S ALL IN BOLD AND CPAS. NOT I AM NOT YELLING AT YOU, I AM TRYING TO GET YOUR ATTENTION. THAT IS ALL. SO IT'S ALSO GOING TO BE IN BOLD, CAPS AND DARK BLUE. OK. NOW GO FORTH AND BE CHRIST BY YOUR ACTIONS. ALL THE OTHER PEOPLE ON THIS PLANET, REGARDLESS OF RELIGION, RACE, COLOR, CREEDS ARE ALSO GODS SONS AND DAUGHTERS AND THUS YOUR BROTHERS AND SISTERS. GO FORHT AND SERVE THE ANIMALS TOO, BECAUSE YOU SEE, THEY ARE MERELY YOUR YOUNGER BROTHERS AND SISTERS AND ONE DAY, THEY GET TO TRY ON ONE OF THESE BODY TYPES TOO, AND TAKE AIM FOR ETERNITY.

GO FORTH AND BE GOD AND HEAVEN WILL SURELY ARRIVE ON THIS PLANET.

Archiving from a thread about christianity. Postings are against ET's in some cases in the thread.

OUR "ET'S" DEAR ONE ARE YOUR VERY CHRISTS THAT ARE RETURNED, MICHAEL OF NEBADON HIMSELF WHO WAS HERE AS THE SON OF THE FATHER 2000 YEARS AGO, IS RETURNED AND YOU ONES HAVE DONE NOTHING BUT ACCCEPT THE PROGRAMMING THAT HAS COME THRU YOUR RELIGION TO REJECT THEM AND THE PROCESSES INITIATED ON THIS PLANET. WE TRY AND WE TRY AND WE TRY, AND YOU WHO WILL NOT THINK KEEP RIGHT ON TAKING YOUR BLUE PILLS. THIS IS THE TIME OF THE RETURN. IT IS THE TIME WHEN FATHER CREATOR WILL SLIP INTO THIS PLANET. IF YOU ARE HAVING VIBRATING IN YOUR BODY WHEN YOU ARE LYING QUIETLY YOU ARE FEELING THE FATHER CREATOR SLIP INTO THIS CREATION. THIS IS A HOLY TIME AND YOU DON'T KNOW IT AT ALL, EXCEPT SOME OF YOU. YOU WOULDN'T KNOW A CHRIST IF THEY STOOD ON YOUR HEAD BECAUSE IT'S A STATE OF ACCOMPLISHMENT, AND THOSE OF YOU THAT THROW AROUND THE HELLFIRE PUT IN YOUR BIBLE BY THE ANTICHRISTS HAVE BECOME PART OF THE GREAT DIFFICULTY IN GETTING GODLIKE BEHAVIOR ON THIS MOST HOLY OF PLANETS.

IT IS A MOST HOLY OF PLANETS BECAUSE IT IS THE PLANET OF MICHAEL OF NEBADONS BESTOWAL TOOK PLACE. CURRENTLY THERE ARE 3.8 MILLION INHABITED EVOLUTIONARY PLANETS IN HIS REALM. THERE WILL BE EVENTUALLY UP TO 10 MILLION AND THIS IS THE ONLY PLANET HE DIRECTLY GRACED HIMSELF UPON AND HE DID NOT EVER PREACH HELLFIRE WHEN HE WAS HERE. AND HE DOES NOT NOW. BECAUSE IT DOESN'T EXIST.

THE GOOD NEWS HE TAUGHT THAT WAS LIFE WAS ETERNAL. IN THE STORY OF THE PRODIGAL SON HE TOLD HOW MANY OF HIS SONS AND DAUGHTERS HAVE LEFT HIS SIDE AND WERE PLACED HERE ON THIS PLANET TO GROW UP. CALLED THE LUCIFER REBELLION BY THE WAY.

THIS IS THEIR REDEMPTION. EVERYBODY ELSE THAT IS A NORMAL SOUL DOESNT EVEN NEED THIS REDEMPTION. NOW WHEN YOU GET TO HEAVEN, WHETHER YOU ARE A REDEEMED FALLEN ANGEL OR A SIMPLY A YOUNGER ASCENDING SOUL, YOU ARE GOING TO DISCOVER WHAT YOU DO IN HEAVEN AND YOU ONES ONLY THINK YOU ARE GOING TO PICNIC WITH JESUS WHEN YOU GET THERE.

PLEASE GROW YOURSELF INTO SOMETHING MORE. WHEN MICHAEL OF NEBADON GRACED THISI PLANET, HIS REDEMPTION PLANET, HE TAUGHT ABOUT THE BROTHERHOOD OF MAN, THRU THE FATHERHOOD OF GOD. SO MANY OF YOU HAVEN'T EVEN GOT A CLUE ABOUT THE BROTHERHOOD OF MAN. IT SHOWS ALL OVER GLP AND I HAVE WITNESSED THAT ALL MY LIFE.

CHRISTIANS HAVE BEEN AMONGST THE MOST OFFENSIVE PEOPLE I HAVE EVER BEEN AROUND. I FIND ONLY A SMALL NUMBER WHO BELIEVE IN THE BROTHERHOOD OF MAN.

THOSE I HAVE COME IN CONTACT WITH THE BEST KNOWLEDGE OF ALL OF THIS IS THE QUAKERS AND THEY ARE GETTING INFILTRATED A BIT TOO I SEE ON THEIR WEBSITES NOW.

IF YOU UNDERSTOOD THE BROTHERHOOD OF MAN, WE WOULD NOT BE ALLOWING THE SLAUGHTERING OF MUZZIES IN LIBYA RIGHT NOW. YOU WOULD NOT ALLOW IT.

YOU WOULD NOT HAVE ALLOWED IRAQ, AND AFGHANISTAN WHERE ACTU ALLY 20 MILLION CHILDREN OF GOD, YOUR BROTHERS AND SISTERS IN GOD, TO HAVE LOST THEIR LIVES FOR GOLD, AND RICHES AND ARTIFACTS FROM THE TIME OF MICHAEL OF NEBADON WHICH CONTINUE TO BE STOLEN.

YOUR EARTH MOTHER'S BODY CONTINUES TO BE DESTROYED BY BOMBS, AND BY POLLUTION. I HAVE LISTENED TO SO MANY OF YOU, ITS REALLY COMMON PARTICULARLY IN THE EVANGELICAL MOVEMENT, THAT IT DOESN'T MATTER ABOUT THE POLLUTION, ABOUT THE OIL DRILLING ETC. ITS OK SEE, BECAUSE GOD IS GOING OT DESTROY THE PLANET AND TAKE YOU ALL TO HEAVEN. NO HE IS NOT. HE IS NOT GOING TO DESTROY THIS PLANET. THE WAVE IS GOD COMING INTO THE PLANET. HE IS GOING TO BUILD UP THE PLANET.

YOU ARE THE GODS THAT ARE DESTROYING THIS PLANET. YOU SERVE THE ANTICHRIST WHO CREATED YOUR RELIGION AND CHANGED THE BIBLE. HELLFIRE IS NUCLEAR WARFARE WHICH DAMAGES THE SOUL, YET SO MANY OF YOU HAVE SAID, BRING IT ON, BRING ON NUCLEAR WAR SO THAT YOU CAN HAVE YOUR RAPTURE WHICH WILL BRING BACK JESUS????? HOW DOES THAT MAKE ANY SENSE, BUT I HEAR IT ALL THE TIME.

I SOUND ANGRY, YEP I AM A BIT, BECAUSE I DON'T STAND FOR THIS. AND I DON'T STAND EITHER, FOR THE VERY FATHER OF NEBADON THAT WAS HERE 2000 YEARS AGO AND HAS RETURNED IN A BODY TO SERVE HERE WITH US, IS CALLED SOME SORT OF STINKING DEMONIC ET BY YOU ONES. OK, GET IT NOW????? YOU ONES WALK ALL OVER THE VERY ONES THAT CAME HERE TO SAVE THIS PLANET. YOU HAVE NO IDEA, THE ONES THAT SUPPORT ISRAEL, AND THESE WARS, DO NOT KNOW WHAT YOU EVEN DO AND WILL NOT LOOK. PLEASE PUT ON THE MIND OF GOD. AND GET OUT OF YOUR LITTLE MINDS.

THERE ARE 10 MILLION MOTHER CRAFT UP THERE. THE PEOPLES ARE A MIX OF THOSE FROM HEAVEN, AND FROM PLANETS ADVANCED ENOUGH TO FLY THE FRIENDLY UNIVERSE. THEY CAME TO LIFT YOU OFF IN CASE THE ANTICHRIST DID CREATE A RUNAWAY NUCLEAR EVENT, A REAL HELLFIRE LET ME TELL YOU, THAT CAN DESTROY SOUL MATRIX AND YOU DON'T GIVE A FAT FUCK ABOUT IT. WHY THEN SHOULD THEY GIFT YOU WITH A RIDE OFF THIS PLACE IF THINGS GET THAT BAD?

MOST OF YOU WOULD REFUSE TO BOARD SHIP, BECAUSE YOU ARE WAITING FOR THE REAL JESUS TO RIDE ACROSS THE SKY ON HIS WHITE HORSE AND TAKE YOU NAKED TO HEAVEN, LEAVING YOUR CLOTHES FOLDED NEATLY IN BED, JUST LIKE IN THAT NOVEL SERIES, "LEFT BEHIND" THAT MANY OF YOU THINK IS HOLY WRITING. I HAVE ACTUALLY HEARD PEOPLE SAY THE HOLY SPIRIT WAS BEHIND THE WRITING OF THE BOOKS. NO, THE ANTICHRIST WAS.

IF THOSE CRAFT COME DOWN TO RESCUE YOU IN THE EVENT OF IMPENDING DESTRUCTION LIKE JUST HAPPENED IN JAPAN, (THEY DID PICK A WHOLE BUNCH OF PEOPLE WHICH IS WHY THERE ARE NOT SO MANY BODIES THERE,) I SUGGEST YOU

BOARD IT, BECAUSE JESUS RIDES CRAFT AND NOT HORSES.

I AM NOT PERSECUTING YOU. I AM TELLING YOU THE TRUTH. YOU ARE PERSECUTING, JUST AS THE BIBLE SAID YOU WOULD, THOSE OF US WHO HAVE COME TO IN FACT SERVE YOU. PONDER THAT ONE.

The "Audacity", you nailed it! That is what bothers me about *Nobody in particular* The way she states things that are so fucking over the top and ridiculous as ABSOLUTE TRUTH. Everyone else is mistaken and confused about every fucking possible topic but NIP knows EVERYTHING!!?? NIP you get your info from the Urantia book... you don't know shit! You're not partners with Jesus in some fucking 'save the world project'... get a clue!! Get a friggin grip on reality!!

Here is the beginning of a statement that NIP wrote in response to a question about the magnetic field of Earth...

"Again, I am the expert. I am star fleet ground crew and my organization is a partnership with those on high. Mods here have made a mess of my profile etc, so google as suggested in my signature file."

Are you fucking kidding me????!!! "Again, I am the expert."

Archiving here from another thread today.

God (Christ Michael) was one of two who visited together 2000 years ago as Jesus. He is not the creator of the entire cosmos. He is the creator of our LOCAL universe. There are 700,000 universes projected, most started. Ours called Nabadon is #611121.

The oldest actually being the Central Universe called Havona.

Christ Michael and others like him are called Creator Sons. Their Father and "Mother" are the Universal Father and the Eternal Son. The Eternal Son was the "First Son" and He and Father collaborate to create many other other sons, the Creator Sons being the highest. Since He is the First Son, and then helps create other Sons, with Father, he is often elsewhere called the Mother Son.

The Creator Sons are called Michaels. There are currently over 800,000 of them, and we have one of them in training incarnate on this planet in fact at this time. Their training period is long.

Christians falsely believe that Jesus was the "only son" of God. No he was an only begotten son of God of which **you** are also. only begotten means all sons of God are different, no two match.

The other who came with Christ Michael and the one who actually walked the planet was Esu Sananda Immanuel and his friends the apostles called him Immanuel. His name was never Jesus, Paul made that one up. Paul was in fact a great enemy in a sense, because he did not fully understand the teachings he was given, he was initially SAUL, remember? While he was in service, he did not understand the laws very well.

Now for you ones, AGAIN as I keep posting here ad nauseum, Jesus (ESU) did NOT die on the cross, he was in a comma and that is why they got him off so fast so they could treat him. He walked out of the grave, and went by Damascus to India and lived and taught until about 115 years of age. The resurrection story is false. These bodies do NOT go to heaven folks and you ones don't even have a clue of what heaven is.

A another biggy, he was not betrayed by Judas. Judas was his scribe who kept the records. he was his best friend out of the apostles who were NOT apostles at all. They mucked up a lot of the teachings. they did not understand either. And you ones today do not understand either, because it has always been mucked up by 'accident" and on purpose by the very antichrist you ones can't see right in front of you, because you are always expecting the Antichrist. The Antichrist are the Talmudists who are from MONGOLIA. Ponder that one. They adopted the Talmud in the 700's and

then created the name JEW in the 1700's for themselves. They are not semites, so the term "anti semite" does not apply to them. If you are anti semite, at this point you would be anti palestinian, and a lot of christians are that too, believing falsely that god wants all of them killed!!!!!! I have heard this many times and seen it written also on forums.

You ones who label yourselves Christians are mightily deceived.

Jupiter is behind the sun at all times right now, so is Venus, so is Saturn. There are craft much larger than earth that may be in these, and there is also another inner planet between the sun and mercury. Take your pick.

GLP let me back. So there. Jupiter is still behind the sun otherwise you would be watching it. You look at many fleet craft in the sky. I get some information from the UB yes, and I know shit because I have lived what the UB describes and since I downloaded my monad around 2002 I think it was, I have many returned memories now. I have never claimed to know everything. But when I post I will claim I am sure of what I am posting about. Otherwise I will say so. I am partnered with jesus and THEY are my best friends in fact. Since you do not walk in my shoes you

-- AH- Candace GLP #3 -- page. 95

cannot claim otherwise. If you have not been on craft with me, you would not know. Any more than I know anything about YOU. Ponder it.

Archiving a post I made today.

I would like to know how anyone can ever consider any such thing as a curse of Ham to cause skin color change. Where is "mind" in this? Thinking? this is still a planet with a lot of strange beliefs about God.

There are 7 basic colors of skin, matching the rainbow, that appear in man throughout the cosmos. The black man is INDIGO.

Now 6 colors arose on this planet naturally, The 7th color, violet NEVER shows up on the evolutionary planets, until 'adam and eve" come. Except there have been some by migration in

-- AH- Candace GLP #3 -- page. 96

South America from another world of violet folks.

Not all colors survived on earth that arose naturally. The orange man has green hair, the green man has orange hair. These became extinct long ago. Blue man has white hair and you see evidence of the blue man in Indian (from India) lore. Krishna was blue. As far as I know, there are no blues left walking this world.

Adam and Ever were violet and with the loss of their mission, there has not been much benefit to man of their superior DNA. Adams and Eves are from heaven, and come to worlds when natural evolution has maxed out. They carry the Godly DNA, for lack of a better word this morning. They glowed. Their man purpose is to mate until amongst themselves within their kin until there are about 1/2 million (suggested for earth at that time), and then they mate with selected ones of the superior races of man.

Eve broke the rules and mated outside her marriage and Adam in his distress and not wishing to become separated from her, did the same thing. Cain was the product of Eve's little romance. Cain's father was of the superior race near there at that time, and not of Satan, so don't pull that crap. The one that was Satan, is of a group of "angels" that do NOT reproduce.

The Adams and Eves also attempt to gradually set up REAL world government (by and for the people) and institute advanced colleges. We will do this again after stasis on this world., Pick up the Adam and Eve mission in that regard, but the DNA is being improved on this world by creating special embryos. My own embryo I grew from was such and there are well over 200,000,000 million of us by this method now walking this planet.

The black and yellow man otherwise arrived over 1 million years ago, migration from another planet which was getting over crowded and they had space travel so they moved. they brought the kangaroo type animals, these are not naturally from earth evolution. Black man settled where australia now is, and the yellow man in south east asia. Some have always survived the earth changes here.

Eventually there in was inter-mating that produced the ARAB. Blacks migrated across southern asia to Africa. Yellows spread more over Asia.

Those of you who are interested (please get interested!), can read the Adam and Eve story in the Urantia Book. www.urantia.org. search Adam and Eve, I don't have mine next to me this morning. You might also be interested in the Lucifer rebellion story. And by the way, Adam and Eve arrived about 38,000 years ago which shoots all to hell, the story of earth being around only 6000 years.

[Maybe we created god in our image?](#)
Quoting: Anonymous Coward 1277891

Sadly that is what happened on Earth with all the religions.

We are created in the image of God because we have GOD THINKING MIND. Well some don't seem to yet, but perhaps in time.....

and by the way that male and female thing, and the alpha omega thing, are the elements. Alpha is first element, Omega the last. God is IN all things.

And the elements of the periodic table are male and female and I bet they didn' teach YOU that in school! + elements are male, (starting with hydrogen), and - elements are female and when they combine, you get a baby! Did they tell you that!

Water beloveds is one of those BABIES, made of 2 hydrogens and one oxygen. Ponder that one.

And new souls are made the same way. Sperm plus egg in animals = a baby, right? Same in plants.

Archiving from another thread.

First I would say that all bibles have been corrupted both by poor translations and concepts of God plus deliberately corrupted. Those of you chasing Israel are doing so because the Khazar Zionists corrupted the bible. I suggest your consider the Urantia Book. God promised new teaching in the End times. There is a list of new teaching in my signature file.

Second, if your were born with a NORMAL mind and are a New soul, when you made your first moral choice, a Fragment of the Father came to indwell your mind. It is not called the Holy spirit. Although it is most HOLY. See my last post. On earth that is around age 5 on average. The "holy spirit" is MOTHER GOD. And what was bestowed on Earth around Pentecost was the SPIRIT OF TRUTH which is not the same as your Father Fragment. The Spirit of Truth term IS in the KJV and I have no idea if the other really bad versions since then, have preserved that or not. the Spirit of Truth most simply understood is a library of advanced information installed in GAIA's Mind that

contains great truths, and also advanced concepts of technologies etc. It must be accessed by those knowing how to do so, by meditation.

Your FATHER FRAGMENT (called the Thought adjuster in the urantia book, I do not like that term personally), is a portion of FATHER's mind that lives in your mind. It can teach you all you need to know, but most people don't have a clue how to listen to it. Christ was Michael of Nebadon, the Creator Son of our LOCAL universe. You should indeed also stay close to him. Since he is God of Nebadon, any word you use to mean GOD is fine. You need never have ever heard the name Jesus.

The Father Fragment indwells ALL normal minds on earth, not just christian babies dear ones. ALL, no matter what religion, or not religion or atheist or agnostic, it does not matter. That is the BIGGY failing of Stuck up Christians.

You cannot get the Father Fragment thru baptism. You have no choice in the matter when it comes. There is NO ritual. It comes automatically to you at the right time for you. Some never get one, their mind is not normal and their behavior terrible. Others get one and loose it for their choices, it leaves them. IT IS YOUR SALVATION. You do not get the opportunity for eternal life any other way. All these silly rituals have nothing to do with it.

Now a whole lot of folks on earth are advancing beings and got their Father Fragement many lifetimes ago, they do not need 'saving". it is wrong to keep pushing that on them. It is wrong to say people have to know Jesus. There are people born here who get a Father Fragment who never heard of Jesus, and Jesus was not his name anyway. NEVER. Paul made that.

Eskimos get one, tribal people living in the amazon rain forests get them. I got mine a million years or so ago. So please don't try to keep saving me and other like me. This thing that the evangelicals in particular, and Baptists also, saying you have to accept Jesus as your savior is nothing but propaganda.

What is going on, is that many on earth are the fallen angels and galactic thugs. They are the ones that are doing penance here and if they want to return to their higher estates, since they are the creations of Michael of Nebadon, then they have to choose to return to his realms. They have been given a lot of time to reincarnate here many times to LEARN that the ideas of Lucifer cannot work. That is why they are here, to understand that.

Lucifer wanted his own heaven. He wanted to be a Creator Son. And no matter how hard he tried, he could NOT ensoul a single being on this earth, because he was not created a creator in the first place. That is WHY we have so much re incarnation here, because he could NOT ensoul new souls. Thus he and others created living ROBOTS. And we have a world of them right now. But they are no ensouled by GOD. Lucifer wanted to be a God, and he could never be one, it was a painful lesson for him. So painful rather than choosing life again, as he was created, he chose uncreation. so stuck up because he could not become a creator being, he could not ensoul life. So be it. That is the story.

And many of you who are fallen followed him and have hopefully learned a serious lesson. When you have cleared your karma, you can return to your former estate. THAT IS BEHIND THE TEACHING OF ACCEPTING Michael of Nebadon. As your CREATOR, not your savior. There is a huge difference.

YOU have been given a long time to make that choice. Some of you are being given some more opportunity, if you have satisfied 51% at least of our karma to continue with earth for a bit more, so that you can return to your former estate. There were 10 billion fallen angels and a bunch other

galactic thugs placed here to learn the WHY's and HOW's of your ideas that did not work. So be it.

New souls and the ones incarnate from higher realms trying to lift this place up, DO NOT NEED TO GO AND GET BAPTIZED AND ACCEPT JESUS AS OUR SAVIORS. AND NEITHER does anyone else on this planet. Complete atheists get saved, if they are decent folks. Because they have normal minds and make moral choices.

All of you, even those of you truly "new souls" will have incarnations at various times in your ascending journey when you are not in residence on the architectural worlds, to gain experience, or bring teaching and assistance to some world in need of it. Heaven is not a fluffy place up in the clouds somewhere. IT IS REAL WORLDS OF HIGHER VIBRATION than Earth, Worlds CUSTOM built, not evolutionary like this one. You advance from one world to the next, gaining experience, until eventually you arrive in Havona, the Central Universe. And guess what, there are 1 billion worlds you will journey on there in your search for the Father.

The Father's Will is for you to become like him, unless you are a creation of Michael of Nebadon and doing your penance here. but even then, he is so merciful that if you don't want to return to your former estate, you can take the ascending journey of human. But because many of you were created differently, many of you have little success at that. If you are an angel, you are not Father indwelt, you are Michael indwelt. And most of you will return once you give it up, to your former estate. If you are one of those that entered into the Lucifer Rebellion.

If you are one of the other types of galactic thugs, if you didn't cut the mustard here, you are moving someplace else, as this planet is moving UP, and you cannot live here in the higher energies, because like attracts like. Ponder that.

There are many younger souls here now, since Lucifer was deposed, and many of them are not ready to stay with earth. they will go likely to the mansion worlds, or await a future general resurrection. Some of you are here from various heaven worlds and simply in study, or teaching and some of you also get to return to those architectural worlds, and usually have moved up from your previous one to a higher one. There are many sorts of "souls" here and many outcomes possible. that is simply how it is.

we are the end of an age, and its judgement time. GAIA has climbed a ladder of her own, and is making HER OWN ASCENSION. Some will continue with her, some will not. Some of the worst thugs here will face the universal or superuniversal tribunals. Some of these may indeed choose uncreation, or will spend time on a special prison world to further assist their growing up.

You do not go to heaven to have barbecues with Jesus for trillions of years. The creation is very old. Those of you on the ascending journey will continue to move up. Some of you are leaving because you have graduated and moving up a grade.

There is so much mercy that even the people who are automatons and do not have Father Fragments will be given additional opportunity to grow, in hopes they can be ensouled by perhaps Michael of Nebadon. About 10% of the automatons do undergo enough stress to cause them to learn to think and they do receive Father Fragments, the other 90% are going to need special experiences.

And its not even 90%, so many of these ones are used and abused so terribly they become terrible and evil and are uncreated within 40 days of their deaths. There is no God within them at all. SAD world is this.

OP if nibiru is not coming what do you see for 2012?

i still see worldwide destruction and we have planned for it since we knew about it 70 odd years ago, check the underground bases.

i believe the annunaki are constantly changing their methods as they advance, much like us, and now they know that the best way to progress is with our help, hence they will help us in 2012, regardless if nibiru is here or not.

it is also y we are still standing right now.

what are your thoughts on my prediction?
