Quoting: **jingo 1154368**

Hi jingo, did you intend to re register at the forum? I have been totally forgetting to duplicate posts here, which is what I created it for.

"All knowledge existeth.

All knowledge cometh to man in its season.

Cosmic messengers periodically give to man

such knowledge of My cosmos as man is able to comprehend,

but that which he can bear is like unto a thimbleful

out of mighty ocean, for man is but beginning to comprehend.

"When man knoweth Light then he will know no limitations,

*But man must know the Light for himself and none there
Can be who can make words of it, for Light knoweth Light
And there need be no words.” Walter Russell, Divine Illiad*

*NIP: The ONLY thing that matters in a nutshell is that you develop IDEALS set ahead of you and
strive to develop your soul/mind and Heart. Always then will soul progress be made. Just believing
on Jesus does not cut the mustard. What cuts the mustard is your efforts at knowledge.*

*AbundantHope is THE 2nd Coming organization, and a ground/heaven partnership with Jesus
himself. [[link to www.abundanthope.net](http://www.abundanthope.net)]*

should give it a try, how about yourself? You did not successfully slam dunk me with your
comment. The truth goes forth. Take it or leave. So be it. Your choice. God does not force.

From one of Apollos latest threads. Will come back and add it. [Thread: BORN on the FOURTH OF JULY. . The Eagle and the Phallus of Aton in the Washington Monument. By Apollo \(Page 10\)](#)

thanks but no thanks to the person who left this red thumb, I assume for my comment in this thread. **Fuck you, get off of apollos back you piece of shit**

Don't think this was desired for my comment that being a Spirit Being, Aton doesn't have a phallus.

Oh and this post, which is true also. *Apollo, who the fuck cares? Has NO relevance to growth of the soul or God. NONE This is distraction.*

All the astrology stuff IS distraction. Concentrate on your growth into wisdom, HEART and you shall know God. Its just that 'easy'. All the astrology and this other stuff has exactly no validity.

Quoting: **Nobody in Particular**

i agree with what you say about distraction but what he says is relevance if your sailing on the sea or crossing the desert at night and you dont want the unlearned pirates and bandits knowing where the meetings are or drop zones of the elders...

Quoting: **T Ceti H.C. Radnarg**

You mean the one was not found under the Star of Bethlehem in a manger by 3 wise men who came from the east?

Quoting: **KnightsTemplar.TV**

one of the gospels says jesus was almost 2 years old when they found him and living in a house...the 3 wise men were not there at the birth ..read the 4 accounts of the birth...and the 3 wise men are the belt stars of orion in the other layers of the word...

Quoting: **T Ceti H.C. Radnarg**

Now drop your malformed bible and go read the TRUTH. READ THESE, actually download them both and READ THEM. They are some surviving records kept by JUDAS who was his best friend and not the Betrayer. I post these until I am blue in the face. I KNOW "Jesus" personally who has returned. We formed a partnetship that is AbundantHope and the 2nd Coming organization.

This shit needs to STOP. The truth was presented, and it is ignored. The thugs do just about everything they can to derail the project.

NOW download these pdf files and do something **worthy** of your time, READ THEM. The

nonsense about "god" is going to end on this planet. You are the people of the Lie. You are going to learn truth, or not, your choice always. God forces no one.

This is the returned IMMANUEL, as he WAS CALLED ALWAYS by his mixed up apostles. first is black and white taken 1961. 2nd is a not so good colorization but its what's available. We cannot put updated pics if we wish to LIVE.

NOW I KNOW THIS MAN PERSONALLY. I TALK TO HIM EVERY SINGLE DAY. I KNOW OF WHAT I SPEAK. Enough with miles and miles of this shit brought to you that has NO MERIT. ALL OF IT that has NO MERIT. The only thing that has merit is growing your wisdom and developing your heart which will lead to the connection of your JUNK DNA (the real spirit dna), and the rising of your kundalini. You are to become 12 stranded DNA people. And the only way to that is GROWTH AND HEART. And not any other way. The Father is not up the sky someplace, he RESIDES WITHIN YOU. What is that so damned hard to understand? Its the most important lesson he ever taught. And you don't know it yet. Your knowing it, will change everything and all the earth bullshit religions and astrologies and new age CIA crap will STOP, FOR YOU ONCE YOU KNOW.

drop the YAH shit. Yah is not creator. Yah was a big boss who ruled earth with an iron hand from Pleiades. Mother and Father God live within you YES. NOT YAH. you do not get filled with the Holy Spirit by smoking weed. You got a Father Fragment when you did your first moral deed, IF you are a new soul in this life. Otherwise you got it a long time ago. The Holy spirit you ones believe in is NOT 3rd person Trinity. Michael of Nebadon kicked Lucifer out of heaven 200,000 years ago, NOT on your birthday. Lucifer was removed from earth 2000 years ago by Michael and faced his trial and was uncreated prior to Harmonic Convergence. On Harmonic Convergence, time started over for earth, as the circuits were reopened.

Your presence does not such thing to others. People with Father Fragments cannot house demons. Where is this throne room? That is christian nonsense.

Why on earth do some people think that they are God? I chuckle at the kind of people who say that they are God themselves. I mean the Devil wanted to be God himself but was cast out from heaven.

Quoting: **Anonymous Coward 18339432**

Lucifer was cast out of heaven, not the "devil". Do you mean CREATOR or big boss as to the word god. Now everyone of you reading this thread get your shit together and actually THINK on this one.

The Creator is not your BIG BOSS. The Creator is the entire creational consciousness of the Creation and every one of you is part of that. The Trinity is the creational Consciousness and not this thing you call "god". Earth ahs had many big bosses playing here and most have not been good big bosses.

The planet is now back under the control of Michael of Nebadon (Jesus) and its time for you ones to make some sort of cheezy effort to understand who and waht Jesus is and was and what god is and was and what the CREATION IS, that is over the whole thing. You best begin to learn that the Creation IS guided, is governed by the hierarchy and no 'god'.

This planetary civilization is utterly pitiful in terms of the understanding of cosmology and this person you call "god" Gods are the hierarchy. The Creation IS, and you are all parts of the consciousness that is behind the creation. ALL OF YOU CO CREATE, but most of you on this planet do a miserable job of it. You are also the captain of your own ship, your own "god" so to speak and you CREATE your own experiences over your eternal life.

From [Thread: Evidence that Haarp was used to cause the Japan tsunami/earthquake.](#)

(NaturalNews) Recent data released by Dimitar Ouzounov and colleagues from the NASA Goddard Space Flight Center in Maryland highlights some strange atmospheric anomalies over Japan just days before the massive earthquake and tsunami struck on March 11. Seemingly inexplicable and rapid heating of the ionosphere directly above the epicenter reached a maximum only three days prior to the quake, according to satellite observations, suggesting that directed energy emitted from transmitters used in the High Frequency Active Auroral Research Program (HAARP) may have been responsible for inducing the quake.

HAARP connection in Japan earthquake, tsunami -- Recent data released by Dimitar Ouzounov and colleagues from the NASA Goddard Space Flight Center in Maryland highlights some strange atmospheric anomalies over Japan just days before the massive earthquake and tsunami struck on March 11. Seemingly inexplicable and rapid heating of the ionosphere directly above the epicenter reached a maximum only three days prior to the quake, according to satellite observations, suggesting that directed energy emitted from transmitters used in the High Frequency Active Auroral Research Program (HAARP) may have been responsible for inducing the quake. -- Another explanation for this strange heating -- and one that, upon analysis, seems much more likely -- is that it was an indication that concentrated energy was used to induce the earthquake, and not the other way around.

well its sad to see natural news who tries to be a bastion of truth make such a statement. quakes are NOT and cannot be caused by ionosphere heaters. If that were possible, man would have already done to himself what he did on mars, using them, set his atmosphere on fire.

There are ALWAYS "strange atmospheric anomalies " over areas where massive quakes occurs. There were in the China quake and others. This is the quake making a statement that its about to happen. One day man will be able to observe these enough time before the happen and help those who would be affected take cover. In fact since NASA is making such statements, you can be pretty sure they know and they did NOTHING ON PURPOSE or if they did, JAPAN did nothing on purpose, or IF THEY DID< they DID NOT PUT IT OUT ON THE NET so Japanese citizens, even if their government did not, might have been given time to make it inland. PONDER THIS.

The video says Ron Paul delegates not being allowed into the convention in Tampa because they didn't sign an affidavit pledging their support for Romney. This has never been required before.

Isn't that illegal? Isn't that denying the due process of the election to Ron Paul delegates?

I would like to see the people who deny entrance to be put in jail. Of course it won't happen.

Of course it is... And because we are being denied representation every damn person should stop paying any federal taxes.

I am totally fucking sick and tired of the corruption in this country.

I actually HOPE 2012 is the galactic center and this fucking planet gets totally fired. This planet needs a huge reset. Maybe the next species will be more worthy of life.

Quoting: **Anonymous Coward 18570593**

None of you are represented by the delegate system either. I spent one year observing that process, had to register to the democratic party to watch it the games played in it. You ones do not choose your president. They are picked and you are manipulated to vote certain ways and if that doesn't work well enough they change the votes. If you have no choice in who runs and you do not, your "Party" pics them at the behest of the secret global government, then you have no representation anyway. Our republic lasted about 10 minutes if we ever had it free of England and we are still a British colony anyway.

as to taxes, your income is your personal trade of your labor for money, thus making IT your personal property which cannot be taxed morally, so you shouldn't pay income taxes anyway.
