This thread is for discussion of topics brought up in this thread or related genuine discussions about the process of upliftment going on this planet. I saw a post directed to me there shortly ago and that motivated me to go ahead and open this thread. [[link to www.godlikeproductions.com](http://www.godlikeproductions.com)]

I will no longer work in that thread, there are at least 4 very nasty folks bent on destroying my reputation by lies and inuendo. I did a lot of teaching based on what they were putting up, but they are not going to stop their game, so it's time to move on.

Since this is MY thread and I AM a gold star member, I do have "god like powers" to remove nasty innuendo and lies and it will. They will NOT be posting in it. Two are already banned from my threads so they cannot post in this one.

That thread was about the Urantia Book, started by another. I don't know if that person ever came back to it to post after a few pages but I hope he/she continued to read. Some lovely folks came into the thread and likewise were bashed, one of them considered somehow to be my "sock puppet", OBE. OBE is **not** the sock puppet type at all, he has a free mind and is a very advanced soul. He has made about the same number of posts, since I returned as NIP as I have.

The UB and PJ are very valid material. I may or may not move some of the posts I made to here, or some of you might wish too. The entire thread is archived anyway by one on my team, so nothing can be lost. It is being used for teaching.

This is the time of Planetary spiritual Transformation of GAIA. There are well more than 200 million starseeds here for the lifting up of the people. Michael of Nebadon set up the 4th dimension, or rather the process leading to it 2000 years ago.

4d is not a happy dimension, it is the dimension of huge arguments in fact, but that is its magic. People begin to transform from followers sovereign beings who become to begin to consciously choose to become LIKE the Father, to listen to the leading of the Father Fragment within them. They begin to make their decisions in alignment with the Will of the Father. They begin to come together Two or More in HIS NAME. Those that don't wish this, lead a mighty fight to suppress that, and many of you who are well aware of being on the receiving end of that suppression, which is why I left the above thread last night, my efforts can be better used.

so lets talk individual and planetary Transformation here, and how you ones are participating in that! The 4d process always leads to 5d, which IS a state where a majority of people have become God Conscious, aware of their divinity and beginning to act divine!

*Moral acts are those human performances which are characterized by the highest intelligence, directed by selective discrimination in the choice of superior ends as well as in the selection of moral means to attain these ends. Such conduct is virtuous. Supreme virtue, then, is wholeheartedly to choose to do the will of the Father in heaven. UB*

*We must build a new SANE world, ONE THAT DOES NOT USE MONEY, for the reason money is the root of all evil, is that it Enslaves the SOUL. Be about watching Aaron Russo's From Freedom to Fascism.*

*Seeking Visionaries,who can and will create the many messianic missions needed to heal Earth and her peoples, and bring balance. Seeking those who Know their truth, ( as they listen to Their Father Fragment) and will strive earnestly to stand in that truth 100% of the time, making every moment of everyday, a Holy Event. TWO OR MORE IN MY NAME. There is no special Day for God. Forget your Sabbath Days. Every Day is the Lord's Day.*

Yes it was a very interesting thread with stuff I haven't seen before. I haven't read much of the UB, just a few snippets online, but I have read the Ra material and some other things. Here is the post I made in the prior thread, I think it was the only one:

I certainly don't get that NIP is trying to cause fear. No, the tone is very plain, actually loving, and the information is consistent with a few experiences I've had. I have had nowhere near the number of consciously remembered experiences she has, but it could be right according to what I do remember.

NIP, do you know of a place "beyond time", where one can see events going in loops, and everything sort of going on at once?

Your description of the "thugs" having the opportunity to continue to 4d if they behave themselves 51% of the time (more or less) is like the Ra Material scenario -- so then is that text for the thugs? Are there lots of higher level people aspiring to go to 4d (actually a step or more down for them) because of it?

How do you get a figure of 10 billion thugs on earth. There aren't even 10 billion people, quite. I guess you mean some non-hominid types are included. What percentage of hominid people are thugs?

Ok, thankyou for the supportive comments there. That is part of the reason I started the thread, or

rather the timing, because I was considering this already, but you posted motivated me to take action when I read yours. 

As to a place "beyond time" that is right inside of you. it would depend on your own skills, which parts of your body are working and what your guardians would currently allow you to see. The comment on your body would refer to your psychic glands working, how much of your "junk DNA" has linked up in response to both the incoming energies, and what is being done to your form aboard craft. I have no way to know those details about you, but your own experiences might provide clues.

As to the 10 billion "thugs" that is a number provided personally to me and is also reflected in other sources I have read in the past. One of those in memory is one of the books by Sylvia Brown, another in a past message thru a wonderful channel of Esu who has passed this plane, and maybe in Dolores Cannon's works, that come to mind.

We are actually already in the bottom of 4d. Of these 10 billion who are clearing karma here, the ones that get to continue with the Ascension of Gaia, must have cleared 51% of their karma. These ones are in fact sorted now as they pass this plane, as to stay or move. It's a sorting process.

Many others of normal ascending souls of the earth evolution are also sorted based on where they are at this time also. Because of a planet killed in a galactic war in the Sirius system, Gaia agreed to adopt souls from that planet as her own, so they could continue their evolution. So these are considered earth origin souls now.

There is no hell fire which many know, so these ones who cannot continue for whatever reasons are simply moved to where they should be to pick up their journeys where they left off here.

I have never read the RA material, so I can't comment but many have written me or posted over the years that there is a lot of consistent material in these.

Souls rarely "step down" but it happens. We do have a lot of star seeds on the planet from very much higher dimensional consciousness. Other than the memory loss and what they are not yet allowed to do here, there is no step down. if I failed to understand that question, please elaborate!

Now as to part of the purpose of this thread, which I engaged in the title many of you are here to help transform the planet. Others are doing a lot of growing up right now and coming into true service.

So I would love to have some of you post what your service is about. But please, because of some dark energies abounding, don't provide details personal enough where you could be on the receiving end of trouble. Several on my team have been experiencing negative events, such a loose lug nuts on their tires, so don't stick your neck out too far. We need you alive and not martyred.

Ideas of what the planet needs for her transformation are also welcome for discussion here. The 4d process is a process of discomfort, it's the sorting dimension of experience which is why many of you are waking up and growing in strength and purpose of doing the Will of the Father, and others are committing themselves fully to serving the dark.

It's a great dimensional time of serious introspection. People who are entering 4d consciousness, are becoming aware of their inner power. Of the FAther Within Them, as to the normal souls

growing up on a planet. 3d souls have no yet figured out they are fragments of God, essentially. Those in 4d are discovering that process, and by 5d level of individual God consciousness, they are truly awake to new possibilities and growth potential, as they realize they are Fragments of the Father and the Father is not outside of them, but within them. That remains the missing teaching of probably most religions, but certainly Christianity. In my rather brief encounters of studying Islam, I didn't pick up on that either, but the Islam for Dummies type books are probably not the best,, but that is what I have on hand, plus some other texts too.

So for those who are star seeds in particular, and know you are awake, you are at this level or more.

For those that do not understand AH (and you are going to have to visit this link to get the link to my website if you are not visiting yet [[link to groups.yahoo.com](http://link.to/groups.yahoo.com)] this IS the 2nd Coming organization that is about the transformation of the planet. We encourage people to form what I have labeled "messianic missions" because this planet is beyond the return of a walking messiah at this point. so the idea is for MANY to created conscious missions of service, and the size of such is not the importance. Everyone has different skills, gifts, abilities, and understandings and resources.

The project will not fully manifest as to mission support until after the stasis, during which the planet will undergo a magnetic reversal and axis shift to help the preparations necessary to getting this planet into light and life. which is basically a civilization of at least average 5d consciousness.

At some point in the future, the land masses have to become balanced again about the planet, because it must stand up without a tilt. This will not fully occur during the stasis period, but it will be started. That is a huge portion of the purpose of the earth changes. That state where the planet no longer tilts is necessary to the energy manifestations of what is called monopolarity. The planet will not have opposite poles then. She will still turn on an axis, but the magnetism will change as people build a balance God knowing society. There will not be + and -, and how the elements function will modify somewhat too there being a higher frequency and a bit of change in physics. This is still not in the immediate future.

What is going on first as to ascension/resurrection, is that of the Mother GAIA and she desires as many as possible to share the journey, but that does not appear possible at this point. Basically those souls who cannot remain here will be adopted by other Mothers of other planets. Just as GAIA adopted so many herself. And ONE DAY some of these will possibly return for an experience here, maybe a graduation of sorts.

You who are UB readers know about the Father Fragment, called Thought adjuster there. I am no so crazy about that term, but there were reasons for its use. It's advisory to you, and it doesn't adjust your thoughts without your permission sort of thing, and that term could imply some that to some.

Well GAIA doesn't have exactly a FAther Fragment. She was gifted with the Spirit of Truth to her mind and is the time when she is seeking FUSION with the Father in the way natural to Mother Planets. GAIA (called the Planetary Supreme in the UB), is as fully conscious are you. SHE IS A PERSON and this is HER ascension to become an Eternal Daughter of the Father. This planet, which is HER body must become balanced out as part of that process.

This planet is thus along with the Mother, becoming an eternal being. The solar system is moving up as part of the process. Just as some of you are forming light bodies, she is forming her light body. If you are starseeds here you should have a light body someplace already. Mine is in "storage" right now.

There is new age material saying their will be time with this magic ascension. That is not so. As long as this planet goes around the sun, and as long as she revolves on an axis there will be time. All the creation has time of some sort. Except paradise, which does not revolve. However, they still have an time they use there to keep track of events.

The ascension process means this planet will never DIE, it moves into the annals of eternity is all, but time still goes on. We will have calendars for as long as we need them, and we will be starting or fixing the calendar in due time, because our year has changed a bit and is no longer 365-1/4 days long. Which is one reason the seasons seem a bit off.

When her axis becomes straight up and down, when we begin monopolarity, we will not have seasons as we do now which result from the tilt and there will be an greater abundance of crop bearing land, much as the ones on the equator enjoy now, as to continuous seasons.

Well enough. I want to go get to my email which got behind again, for various reasons, including all the time I put into the UB thread.

Please do post some of your mission or transformation ideas and how you are manifesting any of this now.

They will be MOVED via CRAFT to other various worlds. There is a bit of new age nonsense going around about being moved to another dimension. Many are being moved as they pass, and see below where I written some other details.

They are sorted out by their guardians angels and in some cases the COURTS of Nebadon and Orvonton. Some will chose uncreation who do not wish to grow ever spiritually, eternal life IS A CHOICE. A few are going to a special prison world of a sort very different from this one. Its a last chance sort of world. They cannot reproduce there (thank goodness), have little technologies, are not attended b guardian angels and guides and don't get off until they do "repent" of their ways. They get one chance after that, if they are released and the agreement signed includes un creation if they have lief and blow it.

There are a lot of damages souls of this earth, who carry horrors, and these ones will undergo a cleansing of their soul memories so get a better start. Some are very immature in experience and will go to very simple worlds after they cleansing of painful memories. Often they will be more or less cave men on simply worlds or in simple agrarian societies where they can grow as was intended in the first place.

Some who are strong and capable and are not criminals get to move to Venus, which has been terraformed and already more than 200,000 earth folks are there, which is why some folks have disappeared. There are not ready made cities and technologies, they will be building a civilization there. There will be an abundance of support that normal planets have, that do no enter Lucifer type rebellions. The Kumara's are based there, but mostly under the surface on craft as they are etheric beings.

Mars will be occupied more in the distant future, it is being re terraformed and some folks here will get to choose to be part of that process. Many people will leave this planet IN BODY. Others will be dropping their bodies and incarnating elsewhere.

Many are returning to the Mansion worlds also, they have completed some required schooling here. Some of the long term light workers get to go home. many have moved up a grade in fact and will find themselves on a more advanced architectural sphere than the one they left.

I know of one lady, who gets to make her appearance on the receiving world of the worlds around Salvington in fact. Moving up from the Constellation world she left.

Hope this helps answer some questions. OK, I said I had to go do email and I was cleaning out the bullshit flags here and answered this.

No portals do not open in this way. That is a new age blunder. Portals of this sort, will exist that can be used by more and more as their bodies transform to enough DNA threads to travel thru them.

There are going to serious earth changes, much of what will occur during stasis, but depending on the mother , as in happened to Japan there could be more. Many folks that were chipped to the New jerusalem computers were picked up and moved out of harms way. Departing ones, had their souls picked up for moving to where they go also.

It is the choice of ones guardians as to who gets to ascend with GAIA, it is not an individual's choice and there are not any schools you can pay for that guarantee you will ascend. This is handled at a soul level by those that supervise these things.

There are many FREE beings here and it is personal choice in that case to stay or leave.

Now I do have to get to my other priority, see you later. I ask you ones not to QUOTE any BS or shill signs. If you want to quote a post with one of this in it, before you hit the send button, erase it

Regards the topic of WHAT YOU HAVE to OFFER, I just found this one on my forum from CM (christ Michael, Jesus, Aton) that I posted to my site and it belongs here too. this is thru Johan.

### **WHAT DO YOU WANT TO BE, TO DO, TO ACCOMPLISH?**

Re: Discussion regarding our weekly AH Group Meditation

" We talked about my Divine Promise, we talked about the changes inside yourself, your lifestyle, your dropping of habits or drives that seem ending somehow and more Higher Energy coming in. This all connects to YOURSELF. With the principle of ONENESS in mind, with the understanding that there is no separation between Celestial Ones, Divinity and yourself, now comes the question: What about you? What do you want to be, to do, to accomplish?

Remember I asked you to clean out your closets, to forgive, to let go, well here we are. I hope you are still standing! And standing in truth! Like mentioned that in the equation of Love your neighbor like yourself, it starts with yourself, do you have any idea where you want to go next? Ever stood still and asked yourself, your Higher Self? Since free will means exactly that nobody makes you do things, that you can choose between options, these options come from your previous souls evolution but soon also from YOUR CREATIVITY, YOUR DREAMS, YOUR VISUALISATIONS ETC.

Some may have rusted their minds in only what they could see or smell, or touch or rationalise. That is old stuff in a new environment of Higher Consciousness. Only desires that are of that nature your heart would do anything to get there, call it passionate, can be taken serious for hearts desires and only these are motioned into existence. The red carpet will always be Service to others, but its important for you to start thinking what it is you seriously want to accomplish. Some of you have made mission statements in order to enter into the AH membership but are these mission statements still standing, still accurate, or have things changed?

Have you given more thought what your heart desires towards Serving really are? In what fields you see yourself operational? Call all of this food for thought, since EVERYTHING IS CHANGING RAPIDLY NOW, and we like to help you being prepared as good as possible. If this is much to digest, then apparently you did not THINK about that enough and have little luxury of time left. Important to know is that you will always have options to chose from, but start your options to work for you, by widen your horizon, by thinking outside of the box, by reaching higher then you even dared or dreamed of, its all your choice.

I have to repeat that in a new environment of Higher Consciousness, the rules change, and you will be instructed and Guided, but with Higher Energy available, START NOW and take a good look at yourself and where you see yourself in the future, STARTING NOW... "

Johan: As time seem to be flying by so fast, I consider this indeed a very important task at hand and I thanked CMAton for the Inspiration on the go ....

What am I doing here? I'll try to introduce myself, with appropriate ambiguity: it seems I'm a sort of a Mr. Spock. (The Star Trek character, not the baby doctor.) I'm well educated technically and able to express the academic view about a variety of those subjects, so I am pretty reliable in detecting the boundary between accepted science and fringe stuff. I've experienced where the technical stuff feels like it has some magic parts and one gets about 10 profound questions along with every answer. And the only time I used an online site to tell me about my past lives, it said my previous life was as a magician in a pre-technical society. As such I am useful sometimes as a BS detector / explainer in several areas.

I'm also pretty reliable in some more spiritual aspects. I guess I know what is good and what is evil and some of the "tricks" associated with each.

I had an interesting experience one day during college. I suddenly realized that I could figure things out for myself. This was a single moment, and I remember exactly where I was walking outdoors when this amazing realization dawned on me. I didn't have to follow the thought patterns of the news shows or politics, or of my high school, or of my parents. Seems so obvious now but given that I was not such a routine thinker (relatively) before that, I conclude that many people go even more years than I did without starting to do the thinking, and the work, for themselves. I believe I was fortunate that I was studying engineering, because that's a field where one usually has to get the answer by suitable application of basic principles. Political correctness won't get you anywhere. I was taught to be self-reliant that way.

I try to stick little verbal needles into people to move them toward simple logical thought, to help them have a similar experience as I had, but it is not obvious that it is very successful, and it probably makes some trouble and enemies for me. My innocent comments tend to provoke hostile reaction!

I have some ability to influence events, sometimes, but I don't seem to control when that exists (or, to put it another way, exercising that control usually seems like a questionable idea.) Once when I lived near a dangerous stretch of road in the hills, there were fairly frequent car accidents just below my house, as there always were at that place before and after I lived there too. But while I lived there there were no injuries. For example, one guy's car flipped completely over, and he got out and started directing traffic around his wrecked car. But other than wishing the participants in the accidents well (I could tell one was in progress by the screeching of tires often followed by the crunching of metal, then I would go out to the porch and have a look at the results) I did nothing consciously.

I tend to have a research orientation toward life, and the constellation of ideas that we're discussing here is a major topic of serious research. Maybe it always has been. Isaac Newton was interested in this sort of stuff. I've been given a number of clues and experiences about what's "out there", or equivalently "in there" in dimensions beyond mundane 3d experience.

In the material world I've been allowed to become reasonably comfortable -- though suffering in the current recession like many others -- but prevented from becoming economically too comfortable. That's actually pretty clear. If I manage to make some money or save too much, something happens to take some money away. My wife and I can see the hand of control so clearly sometimes, that there is no doubt if we're being honest that things are not under only the mundane rules. And if I've ever had the desire to run to the hills and live off the grid, I've never had the opportunity. I am chained into society.

Sometimes I can go a fair while "in the flow" feeling external guidance as to my actions. This can be much more or less, depending on what I am doing.

I'm blessed with good health and a working body, not terrible looking, not great looking. My mission isn't to suffer physically, but I don't get any great advantages there either. I'm naturally a patient individual, but I've found that being patient and kind in most public settings and even some private ones doesn't work very well, so I've worked mitigate that tendency and act more strategically and less nicely. I'm fortunate to have a beautiful wife who tells me that my mind is deteriorating (and she definitely didn't marry me for my physique), and some interesting and exhausting kids.

He is Michael of Nebadon and Esu, the returned ones I yak about all the time! As to who Naughty's HE is, I have NO idea, but I figured out Naughty recently and his HE is not the HE we would want. Naughty APOLLO is illuminati, which he used to hide. I asked him if his HE was RA EL the false messiah the Catholic church and Jesuits have introduced, and Naughty didn't answer that, at least I didn't find it.

The harassment is over new internet service and also both my phones being attacked. Nw ISP and phones are not related. One would think however, that business would develop PRIDE and do stuff RIGHT the first time. And then there is the recorded messages to deal with where it seems impossible to deal with a real human. I am replacing ISP because of the lack of even a human to figure out the issue when I got one.

I thought perhaps you were referring to Apollo Naughty but I was not sure.

I strongly believe in a Divine Plan that is on the move here on Earth. This Plan is managed and executed by our Galactic Brothers, whoever they are.

So, why worry? I'm confident that the Divine Flame inside us has already took its decisions regarding our future! So, why worry?

There's no point in imagining if we are going to stay on Earth, or if we're going to planet A or B. And if we die in the process? It doesn't matter at all!

We must keep in mind that we are not our bodies, we are eternal souls inhabiting physical bodies and nothing less. So if we die, we are sent to somewhere else, there's nothing to worry about.

I say to myself everyday, every hour: be patient and be confident.

Yep the decisions and preparations are pretty much done. But some of you if you ponder carefully

should have an idea if you are going home, moving, staying etc. I don't post these to cause worry, I post to alleviate worry. I am involved in the plans. And its all good and there is always great mercy. I do want folks really stuck in religion and some versions to new age, to understand how it works, and this is the end of the age and the beginning of a new one. And as part of it, the time of sorting as Momma is making HER ascension, it's HER resurrection at hand and thus plans and decisions.

The end of a great cycle around the Milky Way is always important, and this one particularly so, because its a huge time of sorting and involved in GAIAS consciousness for herself. There is the moving up and some are not ready yet, its not a mean statement, a fact of life. All souls make their own individual progress and some are much older and some much younger here and these things are reflected in the next step for each individual. Discovery never stops in the seeking individual .

How do you SERVE while you are being patient and confident?

Dear Nobody in Particular,  
this is a tough question to answer, I keep putting it to myself also.  
Presently I serve my family: wife, sons and grandsons.  
But I would like to know what else could I do in face of the changes our planet will go through.  
I read some postings in Facebook where we can perceive everybody's anxiety about Disclosure, First Contact and so on.  
All the people want a date, they want to shake hands with Galactic people, they want to walk in the streets with them.  
This is not important, we need to know for sure how we can help in this process, what we can do.  
I'm confident that our role in all this process will be made clear in the proper moment.

Hi Ozark,, just letting you know I have your communication and will address it. I might ask for some more detail, some things of intense personal interest in it. yes I have the new system going and found out already I am banned from here! On my old backup computer! They must have a wide banning policy. It said I must be signed in to not be banned on that IP, yet provide no place for me to sign in! Go figure. The ban accused me (or whoever they were banning of using multiple log ins! yet I have not ever used that computer before last night on my new internet service. Since

I never log out, I didn't have any problem with this one.

Dear Nobody in Particular,

this is a tough question to answer, I keep putting it to myself also.

I read some postings in Facebook where we can perceive everybody's anxiety about Disclosure, First Contact and so on.

This is not important, we need to know for sure how we can help in this process, what we can do.

I'm confident that our role in all this process will be made clear in the proper moment. (I made this blue incase the quote feature doesn't work, belongs to Tiago 63)

Quoting: **Tiago63**

Well I love to see that you keep putting it to yourself also! No matter what you do, your service can always be 24/7. I say that because lots of you work at night too! Or attend classes etc.

Well nice to see many there want contact and it is our intention before stasis, for them to walk the streets et all here after they are introduced. I can't disclose yet all that is planned, but there is a plan, which can only materialize when very thing is in place, after the plan that the dark over reacted too, last December and January.

We come here to set an example. To show the way to those less mature. Always be thinking about your presence in front on others and your reactions. The point for the star seeds and older souls first and foremost is to LIVE their truth, to stand IN YOUR SHOES all the time, to be conscious of your effects on others. If you work, demonstrate how to work well within the situations. Demonstrate thought and consideration in all decisions. Most people are lead by the nose so to speak. Show them how you LEAD yourself. If you make some sort of decision that others notice, explain where possible WHY you are doing this.

If you are confused over something, say that you need to go be alone for a few minutes to consult with your Father in Heaven, if possible, or in some way comfortable for all parties, so that you are

separated from the situation and can ponder.

That is all "Jesus" ever was doing when he went to talk with his Father In Heaven, and folks here, and you see it right on this forum constantly in god discussions, believe that God is someplace else than inside of them. When he went to talk to his Father in Heaven, he went to meditate. People NEED to SEE they have the SAME FATHER As JESUS. for folks into new age, maybe the expression SOURCE is good. Or First Source.

I use to when my grown kids were living with me, go outside to walk to commune, to separate from some hot situations now and then. If people don't want to understand you are communing with God inside of you and you would get bashed, just say you need to be alone a pray a bit, or ponder with higher source or whatever works, for you and them. If you gradually can show them you leave to have this mental talk, maybe it will begin to settle in to them.

People need to grow into the idea that they should run their lives consciously. I run into so many who don't so much at all. We must get people into the idea of quiet meditation. Meditation does not require a lot of fancy training. Everyone who has ever gotten away from a mess to be alone and PONDER, is meditating. As long as they can response to the "light bulb" moments that might show up. As one learns to connect WITHIN, in fact many will do it more and more and more, until they are on Their Fathers' "Internet" all the time. That is my own custom, and its a HABIT now. The best habit in fact that cane be formed.

We need to demonstrate everywhere we can, that inner contact that the people of this world must learn to do. GOD IS INSIDE OF THEM, not up there is the sky someplace. Heaven IS inside of them too. I know this is repetitive, but repetitive is what drives it home.

Just look at your EVERYDAY situations and SHOW THE WAY. NOT RELIGION, THE WAY, YOU do that by BEING THE WAY. By your examples.

Now, as to the PJ recommended by OBE, PHone Home ET, I would if I could suggest that Chapter one be read and pondered, in a quiet place alone with the God Within you, because it is written by dearest Friend Esu, who walked that role of Jesus so long ago, and you will hopefully feel the "magic" of this wondrous man and his purpose in his return. Here's his pic.

Its about 14 pages or so. But I think it will give some flavor for some the work in the PJ's, in their purpose, were there is spiritual teaching in them. They also have a great deal of in your face political teachings about how this world IS. Ove 100 made it into print.

It is my understanding that we must not worry about our final destiny. The Internet is full of messages about EARTH CHANGES, so we have to read carefully and do some filtering. I strongly believe in a Divine Plan that is on the move here on Earth. This Plan is managed and executed by our Galactic Brothers, whoever they are.

So, why worry? I'm confident that the Divine Flame inside us has already took its decisions regarding our future! So, why worry?

There's no point in imagining if we are going to stay on Earth, or if we're going to planet A or B. And if we die in the process? It doesn't matter at all!

We must keep in mind that we are not our bodies, we are eternal souls inhabiting physical bodies and nothing less. So if we die, we are sent to somewhere else, there's nothing to worry about.

I say to myself everyday, every hour: be patient and be confident.

That's all.

Here's a tidbit by Esu from Phone Home Et, in the first chapter. Perhaps this is useful. All yea star

seeds come and go mightily. Always engage yourself with that idea perhaps.

\*\*\*\*\*

*Esu: I say, beloved one, we still have a mighty work to do, and we do it unto the glory of the Creator. I say we have a breach to heal, and we heal it sweetly by performing in excellence that which we have been sent and come willingly to do.*

*We come and go mightily upon the stairways of Cosmos, looking neither to the right nor to the left, but always directly as our mission has called to us. Thus have the Speakings come to you, to avow our origin, to give you attestment that God does His wonders regardless of an age or the witcheries of an instant. Think not in poverty, dear ones, raise your humble (not foolishly self-discounting) heads for WE ARE MIGHTY MEN, MARCHING DOWN THE STAIRS CONNECTING THE VERY STARS. We have our ways set for us. There are none to transcend us. We go and come that our purposes be manifest.*

So in short, the first priority in the transformation of this planet, is to LIVE in Integrity and stay connected to OUR Light Within, Our experience as old souls, and SHOW ALWAYS the WAY, in everything we undertake.

This Logo of AH is the Christic Sacred Circle, The circle of ONENESS. The 3 smaller circles represent the divine Trinity, And that BIG BRIGHT 8 Point Star, is all of you shining your light in everything you do. The background slightly dark violet color is seen as the color of completion by many. I like violet though, which is the real reason for it!

New age says to "be", but most make it a word on inaction. Make if ACTIVE. To BE, you must SHOW the WAY, by your LIFE LIVED. LIVE IT WELL. Demonstrate GOD.

I think here perhaps we could discuss ways to quietly BE in tricky situations and perhaps

successes with those hell fire bent people. (ok you see something that has always bothered me, I have been sent straight to hell to burn so often in this life.)

I like these words from chapter 1:

*So, what is our first task if we are to accomplish enlightenment? It is to teach you HOW to transform your thinking so that the wondrous genius within you will appear and intensify to that high state which transforms and transmutes you into the next stage of spiritual unfoldment.*

And will add, that enlightenment happens one at a time, and a planet is always transformed or not, by the number of people who reach this stage. There is no one church, and not even this organization that can accomplish the individual enlightenment that man must seek. We can only

demonstrate the way, but it the others that must also partake. By our demonstration of the way, so we encourage their possible interest and questioning that leads them into truth and away from the religious and other propaganda out there. Those throwing others into hellfire are not yet enlightened.

Here is something I have liked to play with regards hellfire. It goes along with the idea of Satan Claws that was created in a way, a hidden lie.

HELL FIRE actually a WONDROUS THING. And it was corrupted into an evil idea.

HELL FIRE is an acronym for **H**aving**E**ver**L**asting**L**ife **F**iery**I**ntelligence**R**easonating**E**ternally. Yes Reasonating, that was a type I made some time ago and liked it. the process of reasoning.

If any of you want to suggest some other ideas for FIRE, I would welcome them.

Candace, I have been searching for something for years. I went to mexico about 8 years ago and visited many mayan sites, and each time I felt this energy that made me better , happier, can't really describe it. Three years ago I somehow fell into the mayan calendar, pleiadian workshop ,ashayanne deane sermon all at once. It felt like i had found myself all at once, followed project camelot religiously for awhile. These beliefs felt "almost" right, by the way was raised very catholic. Six months ago I started following alot of your threads and listened to your viewpoints on other threads, and these seem like home to me. I am very confused about alot, but feel like I am way better spiritually than ever. I am not afraid of the future,in reality i feel blessed to be alive at this time. I meditate, and actually look forward to it now, didn't have alot of patience before. I love Quantum K healing, and recently which I posted on a thread have been waking up in the early morning with some kind of vibrational energy that feels draining and uplifting at the same time, almost electric. I have always been one that needs to act, so how can I better my DNA, increase vibration, and help others best. love to you and mother earth !

well the one thing I wished in this life would have been travel. The only out of the US of A I have been is Toronto nearly 2 years ago now, and mexican border towns a long long time ago. Last time in 1971.

I am curious how many people are now vibrating in the mornings or when they are quiet, becoming suddenly more common, and there is a reason for that. Electric it is, depending. I have been told my method of healing is Quantum something. I looked it up once.

The DNA betters itself all by it itself and if you are vibrating you can be sure it going just fine. It's a mix of incoming cosmic energies, your own spirituality and work done aboard craft while you sleep. Just keep being your Good self as much as possible and work out any issues you have, different strands of DNA represent different stuff. Recoding is nearly automatic in folks who are seriously fixing their issues if they aren't so balanced already etc. the rest is natural essentially. Where necessary you are put in special energies on craft, because it's important to get the strands hooked up so you body can channel the paradise energies in. the younger folks are coming in now with a lot more strands than in my day. I carry 24 strands now. Many are being born with 6 and then build from there once they are here.

Things useful to help is setting boundaries, staying in the now, love, sex balance, a big issue on this planet right now, that's getting so out of balance even more than the past, focusing, courage, building ones own truth instead of copying others, all the stuff of becoming SOVEREIGN. While 12 strands, 2 full double helixes is necessary for be a "physical angel" as is used in new age, 24, 12 helixes will be necessary at some point for portal travel minus a craft. And on up. While I have 24 now in this body, my real me is way past that and I can and have consciously traveled cold space in this solar system, not the body, but the real me which I feed back to this body. Which is how it works anyway at this point on this world. It will be while before the morontial soul actually inhabits the body here. And for spirit beings, they never inhabit the body, not at the level of these bodies anyway.

The point in the DNA connections for most star seeds who are on the upper scale of maturity, is channeling energy into this planet and the necessary psychic stuff to function, plus in younger ones, passing it to their offspring.

Folks are still having to often come in via specially created embryos, just like Jesus did. I am one of those. I have no idea what DNA strand level back then, but more than the 2 or I could not be as sensitive as I am, or have these skills, I was born with the telepathy.

In terms of acting, during these last times before stasis, as above. Show the Way all that you can by demonstrating. And share the whys where folks will listen. Even just little seeds planted can have great effect as they accumulate. But during these get off the fence times, people totally under

the control of religion, who are not sovereign hardly at all, maybe don't bother, with ones around you anyway, they get nastier. Watch the eyes, big clue. If they get dark, you are going to get the hellfire thing, or if you don't go to church, or accept Jesus as your savior you get to rot in hell stuff. These ones are very ego ridden, very in connection with 3d life and are not moving up at all. But plant a seed if you can, sometimes they will think a bit.

I am blatant, Hell does not exist and I walk off if they go there. I did some seed planting I hope down the street recently and suddenly the eyes.... followed by an attack, and I left. I will not try with that one again. I was not preaching my stuff at all, we were having a decent conversation about weather changes, trees turning early this year, and she started with NWO, and it seemed OK, but then it fell suddenly apart, when she said Jesus had to come soon and I nicely agreed. She bit my butt after that for whatever reason. She is a Khazar Israel supporter, we went there in discussion a few months ago and she remembered even though I did not bring it up, and the attack was on. So spent your effort where fruit might grow. That day there was a garage sale and I bought something from her, (nice rug for \$1), and she invited me to chat on her nice covered porch a bit.

The biggest waking that needs to happen is the star seeds, it has been slow and limited on this world and I think one thing that has depressed it, at least in the developed countries is the ease of life. I run into so many who think because we have the internet and nice music and the like, the planet is fine, it is not. That's an illusion.

If you are waking with really intense vibrating, it may be from returning from craft. Milder stuff is often DNA moving upward, and some people are sensitive to all sorts of sun stuff etc. When I am coming back from craft, I have intense heat in my hands and feet alone with the vibrating. The feel almost on fire. The best way to alleviate these more intense ones is to get up and walk but I don't like disturbing my sleep further if I am coming back are 1 or 2 in the morning, so unless I have to make a bathroom run (common from the beaming procedure), I just ignore it or move my arms and legs in bed. If I get too awake, I will be sitting out here typing a couple hours.

JUST DO YOUR BEST. And of course continue introspection. I never went on a search much. I didn't like new age, I didn't like TM meditation when it was big, a fancy "secret" word is not necessary, that was a money maker.

My search started more after I chose to stay on this planet when I had an opportunity to leave in 1998. So I had to find some reason for my staying, I called it finding my unfinished business. I have that little story on my site, under THE Miracle that is ME section, a story I have not finished, it was to be autobiographical. maybe later. It was suggested to me to write a book long ago but now is just not the time. the miracle is probably still in progress.

The only reason I got into the UB is I was kept being advised to get it, and I was still in a state of issues with the hell fire christians that were always sending me there and I didn't want to read any more about Jesus. But it got me eventually and then I fell in love for weeks afterwards and did the same with the PJ's when they were introduced to me. My main guide is my soul mate who often sent me off to bookstores, and video places etc and pointed out suggested material to me after I decided to stay and figure out my unfinished business and this is where it lead.

We are heading into strong changes and I think what every one needs to LIVE fully IN THE NOW, as best as possible, because we will need a LOT of ROCKS. The teaching period planned is going to be harsh on a lot of people.

Those of you wanting to stay after the Stasis period should be pondering what your skills are, what you LIKE to DO, what YOU KNOW BEST.

Well I love to see that you keep putting it to yourself also! No matter what you do, your service can always be 24/7. I say that because lots of you work at night too! Or attend classes etc.

Well nice to see many there want contact and it is our intention before stasis, for them to walk the streets et all here after they are introduced. I can't disclose yet all that is planned, but there is a plan, which can only materialize when very thing is in place, after the plan that the dark over reacted too, last December and January.

We come here to set an example. To show the way to those less mature. Always be thinking about your presence in front on others and your reactions. The point for the star seeds and older souls first and foremost is to LIVE their truth, to stand IN YOUR SHOES all the time, to be conscious of your effects on others. If you work, demonstrate how to work well within the situations. Demonstrate thought and consideration in all decisions. Most people are lead by the nose so to speak. Show them how you LEAD yourself. If you make some sort of decision that others notice, explain where possible WHY you are doing this.

This was difficult for me and sometimes it still is. Not because I think I acted badly, but because I didn't want other people to see how I acted, especially if I was in a difficult situation. It was none of

their business.

But now I've just developed a thick skin, somehow I don't care about it any more. At least not as often. But I still believe it should be a choice, whether to be "on display" or not. I don't know how one could implement that though.

Sometimes it's not possible to get away, things are happening in real time. And sometimes then, it helps just to go with the flow and let Father act. Then he's on display not me, right?

Nice statement from a PJ posted on my site today: Live the NOW! make every minute of every day, God's Day. Live it with INTENT, rather than letting it lead you. -ME

\*\*\*\*\*

*THOUGHT TO BEGIN WITH: A NEW DAY  
Dharma, let us make it worthy!*

*This is the beginning of a new day. God has given me this day to use as I will. I can waste it or grow in its light and be a service to others. But what I do with this day is important because I have exchanged a day of my life for it. When tomorrow comes, today will be gone forever. I hope I will not regret the price I paid for it.*

Hi NIP! been a while, was banned for days but now back for some more good stuff. Your work in that ugly UB thread was fantastic, you seem to just get better and better. For me, I have read the PJs and UB more than most, and re-read over and over, each time learning to connect the really

great information they contain. It gets easier and easier to sift the crap from the truth, the more you know.

For me, the act and process of meditation did not have much real meaning until I sought and tried something anew, to see what all the chakra energy center stuff was about. I was shown and physically experienced, the act of opening up chakra (e.g., heart) center, reaching stillness while gathering my own, personal source energy. Then, by intent, to send that "gathered energy" into the earth (grounding) and efforting to then open the crown (*hint: ask your guide to help you*) to reach a clear mind state, I experienced a new level of awareness, it was awesome! I was in fact, grounding to the energy of GAIA as means to help me open up and experience this new state of awareness, or perhaps one might say, oneness.

Then, I needed to know more! what this thing I had experienced?, this so-called source energy thingy?. what was this so-called source energy? I was also noticing stars that moved, I see these moving orbs moving every night and shared that experience in several NIP threads. After looking up one night to ask why and for what reason was I seeing these moving thingies more than do others, the next day I was led to a couple web sites, including NIP's AH site. From there I started to read the PJs and the UB since I discovered I already had a copy of it on my shelf. Oh, My, God,,, I never knew. I read so much in the last year, it has been amazing to learn the truth. I come here today as witness as one who dug deep to find answers and I am finding them more and more with each day. NIP helps to point the way, you HAVE to do the learning yourself!

Lately I am digging deeper into appreciation for the history of the Red Man, their culture and their staying the course over time. It came first by contributing to collect and post that written by Silverhawk, even making his acquaintance and lending him a hand in his effort. His material really hit home for me (see PJ 57 and 59 compiled here: [\[link to www.godlikeproductions.com\]](http://www.godlikeproductions.com))

UB states the red man came to America by way of Asia, 85,000 years ago. Cayce on the other hand in his book "The Origin and Destiny of Man" walks through the Atlantean period, 200,000 BC to about 10,700 BC, and states the red man came to America during the first catastrophe, around 50,700 BC. Both are valid sources of info, yet there is a 30,000 plus discrepancy there, on red man history.

I find it interesting that the beginning of the Atlantis era coincides with the Lucifer Rebellion, 200,000 years ago. The red man comes from Atlantis (Cayce) but also from Asia (UB). I was hoping you could shed light on this.

Thanks again for your good work, I really appreciate the learning and contributing.

People often ask what it is. Enlightenment to me, is when a person gives up the following and material things of earth once so desired and starts listening the Father Fragment within which connects to the Spirit of Truth bestowed 2000 years ago. Its when you KNOW enough to become more sovereign and stop all the copy cat stuff of religion and all the other controlling propaganda. It when a person begins to drive their own life because they realize God is indeed within them.

for star seeds incarnate its simply when they awaken to their incarnation and role they came to play. That's a different concept though. and that veil is starting to give way.

I know someone who works part time as a teacher in a private school here, where the kids KNOW they are incarnate and from elsewhere, they KNOW WHY they came and what their intent IS, and that they chose their parents etc.

I've noticed for the last year or two, I have no anger.

It shocks me that this can actually cause anger in others.

My husband can't stand that I don't get mad about the stuff he does, but it all seems so petty to me

these days.

I just told him the other day if he wants to get a rise out of me he's going to have to give me something to work with.

It just seems that I've realized that so much of what angers people is really no big deal.

I don't really know how to explain it--it's not like I don't care--I just am not able to understand other's reactions to things any more. I don't understand all the worry about money, bills, time, schedules, calendars, keeping up with the Joneses, etc, that so many others are obsessed with. I don't worry about money even though I guess I'd be classified as broke or at least tightly budgeted, but I don't consider myself "poor".

Everything is just sort of what it is.

Can you understand what I'm trying to say?

Is this a positive?

Quoting: **oniongrass**

Yes when you can go with the flow in that way, you let the father do the magic thru you. We all

have to make some choices in our approaches with others. I made a choice to participate in the UB thread to the extent I did, opportunity to teach and opportunity to show that I cannot be intimidated by certain ones there. I went with the flow to the right point in which to leave the thread. Yah in particular was out for the kill and also to take me away from what I need to be spending time. I sure wish I could get by on about 4 hours a night, but this body won't do it. But I defended myself enough I think to make the point and do some teaching also.

You have to listen within to know when to go for the kill so to speak, (and I don't mean to kill by that, just an expression), or when to back off. As you find the ability to stay in meditation nearly 24/7 this gets easier and easier to do, always seeking the alignment with the Father within. To do HIS will in all things.

And per the UB at any rate, that doesn't come generally until the graduation from the superuniverse of origin. To do his will in all things. People run around waiting for father to give them purpose in life, and they just need to have as purpose, decent living as much as one can demonstrate in all things, whatever your interest and life has lead you at the moment.

Thick skins are necessary, that is a badge of courage, don't ever knock it. I have a perfect thick skin on Jupiter ignition. But I was having some troubles before I got that thick skin with nasty mail and all sorts of stuff. I PROVED IT TO ME, by traveling in my higher self out to look. And it was proved by NASA with the Stereo video and the comments, which took some arm twisting by Aton/CM's team. Because without even that, we are the laughing stock of whatever on that topic, my team. But I still was having problems with finding that thick skin that allowed me to always stay true and NOT get discouraged, the Jupiter "trip" was long and hard on me. And I truly asked for help, and so it came. I was called out one evening summer 2009, and the folks on starship Jupiter, turned off all the lights. NOTHING there suddenly. Turned them on again, dimmed and brightened, moved the craft around etc. When they turned the lights back on, they did it with such "force,". Well that was impressive, almost like a small fireworks. You see folks like to say NASA lies. And people can just consider my going out to look as some silly sci fi story. BUT I SAW the Lights being turned off, et all, and my thick skin took hold. There is nobody that can talk me down on that one. but there are some who are not ready, so I don't pursue it with them.

We have to live our knowing. Not our beliefs, our knowing. beliefs are ideas, they are NOT knowing. But there are times when it is NOT the right decision to show the thick skin or whatever. Especially if it would be dangerous to do so. I cannot fully tell people where I live what I do, I would have a long list of enemies, and folks wanting all my time for personal counseling and teaching, which does not work at this time. I would loose my privacy completely and that is necessary at this time. So you have to go with the flow.

I was tempted to do a teaching recently based on a piece by Hazel she wrote with those above for her sisters wedding, coupled with something Johan put out. I would have called it "Two Beautiful People who should NOT have married." I did not, because with the Yah's and others of this world.... I would risk some lack of privacy at the least, and much more at the most. Especially with the breakins to my home recently in which my personal papers were gone thru. I have NOTHING TO HIDE, but I do not need to supply them with something they can attempt to ruin with life with. So I am not doing the thick skin on that one. I cannot afford to give thugs "ammunition."

So in your various situations you have to be flexible and decidedly go with the flow of how something feels, and where needed separate enough to go listen within IF possible. Mastership which everyone is always seeking no matter how old the soul and experience, makes it necessary to see EVERY SITUATION as it presents itself, and not let other prior "stuff" get into it. BEcause what has worked before may not this time. Humans are volatile. And when it's over, review it as to how it went, that is called introspection. The huge problem with the societies of this world, they are

running on old bullshit, enhanced by religion. Passed unto the 7th generation. A lie gets started and repeated. Ways of living that don't work get carried forth anyway. This world is moving on fast forward right now, and all of you need to live on that as best as you can, you must be the stability to those around you. that is quite a mission in and of itself.

Michael of Nebadon (Aton) is treading some new waters with the rebellions and earth and what we are going to try here. Ever does the universe and knowledge keep growing. And so does yours in your experiences. I long to see on earth where people WILL always use introspection, and truly learn to make every event a holy event. There is so little responsibility here and in that UB thread, you saw some folks NOT taking responsibility. Dark people seem to loath that idea!

I would like to have your opinion in an important subject for all of us in the wait for Earth Changes:

What can a person possibly do to help in this process? I keep asking me this question and all that I can hear in response is: "Wait and you'll see...".

In the past I have participated in groups studying Cosmology, we had classes, courses, practices and so on.

I don't see myself doing this anymore, I can't envision the correct attitude in these end times. Could you help?

for those here interested I posted my new work with CM here on glp here.

[\[link to www.godlikeproductions.com\]](http://www.godlikeproductions.com) In fact don't get it from my website yet, I went thru website hell getting it up, required the use of a different computer, and then the links didn't post live and the mouse on that computer came down with wierd stuff so I couldn't highlight them to make it live. It's an issue we had troubles with just with ME on my website software. We have never been able to solve it.

TRINITY started a great thread yesterday. I posted a lot in it before i went to bed and starting again now, they thread is more than twice as long over night and full of mostly stuff by people who are not yet god conscious. I am going to archive my posts in here, mostly when there are quotes in blue so it can be seen what some are writing. the thread link is [\[link to www.godlikeproductions.com\]](http://www.godlikeproductions.com)

if you have not participated please do so and conteract those who have not found the Father within them. who still want some magic jesus to come remake their world.

including a post i just made this morning here:

...

I have very few Christians who LIVE THE WAY as CHRIST DEMONSTRATED and always going aside to talk to YOUR FATHER INSIDE OF YOU LIKE HE DEMONSTRATED. YOU ONES FAIL to REALIZE YOU ARE THE ONE! As I said, if you drag yourself into the gutter, there god goes with you.

**An Example AGAIN. GodLIKE PRODUCTIONS is only as God Like as are the sum total of its members. This WORLD IS NOT YET GOD LIKE because the SUM TOTAL OF THE PEOPLE OF THIS WORLD HAVE NOT LEARNED THAT THEY ARE THE FATHER MADE MANIFEST. AND SO THE FATHER HAS NOT YET MANIFESTED ON THIS WORLD.**

You are teaching that we are all gods are you not? That is the message of the serpent. The serpent is a liar. Why do you promote his message?

Quoting: **Needles Eye**

What is this then?

**Psalm 82:6 "I have said, Ye are gods; and all of you are children of the most High." KJV**

Quoting: **Reble**

THANKYOU. That is ONE truth in the bible. IT means you have independent thinking minds with a deep sense of responsibility. At least that is the way it is supposed to be. But it's not. NEEDLES EYE, you are in error.

IF PEOPLE WOULD FIND THEIR GOD WITHIN THEM, THIS WORLD COULD BE REMADE very rapidly. YOU could move mountains. Most people don't truly even realize how enslaved they are and they want MORE GOVERNMENT CONTROL OVER THEIR LIVES. Makes it really easy for the NWO Zionists, doesn't it?

WAIT, the Zionists have just lost their monetary control to the Chinese Dragons. The chinese got on top. They OWN the Federal Reserve. Did you ones know, I don't care where you live in the world, that the Federal Reserve is a GLOBAL organization? It is not the US of A central bank only. It is the world central bank. A khazar Zionist, forget which one, said he who controls the money controls the world.

And you ones **want** those with money to control this world. Did you know you don't even need money? Advancing worlds give it up. When you give up money and you have God KNOWING PEOPLE, who know how to live in balance on their planet, that everyone is wealthy? And on those the work week drops to a little at 10 hours a week as we figure time? eventually with automation, less than that.

Now think a bit of what you all could do with that time!!!!

Could some of you drop this shit, because you don't know what it means and it has been contorted.

Trinity started a thread about in only ONE LIGHT WOULD SHINE. This means that all of you must become that ONE LIGHT TOGETHER. YOU are killing the earth and you care not because you believe if you believe any of many certain ways you get to leave this world that "God" is going to destroy and go off to some heaven you don't even know what it is.

The HOLY SPIRIT of THIS WORLD beloveds, IS THIS WORLD. IT IS THE MIND OF GAIA. SHE IS A REAL THINKING BEING. AS THINKING AS YOU ARE BUT MUCH MORE BECAUSE OF HER VAST AGE. YOU ARE DESTROYING HER. SHE IS DEPRESSED, BECAUSE OF WHAT YOU HAVE DONE TO EACH OTHER AND HER BODY, THIS PLANET.

YOU HAVE POLLUTED HER WATERS, HER AIR, HER LIFE IS DISAPPEARING. YOU WILL DISSAPPEAR TO YOU KNOW BECAUSE OF THAT. YOU HAVE DEFILED YOUR MOTHER, THE HOLY SPIRIT OF THIS WORLD. IF YOU ARE ABLE TO PONDER, PLEASE PONDER THAT ONE. YOU HAVE NO IDEA WHAT THE HOLY SPIRIT IS.

THE HOLY SPIRIT IS THE MOTHER MIND OF THE CREATION. EACH PLANET IS A NODE OF THAT MOTHER MIND. THE PLANET HAS MIND. SHE IS YOUR MOTHER AND YOU SPIT IN HER FACE. PONDER IT.

YOU WANTED A BIGGER BETTER MOST GAS GUZZLING CAR? YOU SPIT IN HER FACE. AND SO ON AND SO FORTH. BE PONDERING.

'Nobody'....Our Freedom of choice IS a God given gift ! DO you have a choice if you fly somewhere, not to take your shoes off to be checked ???? Or go through an xray machine, or to have a pat-down ?...NO you don't..you either do it or you are then questioned ( against your freedom) or your right to fly is taken away from you !

Quoting: **Cat black**

well said, don't know if it was meant to this Nobody or not. But you ones have NO freedom and the above is an example. and the reason you have to be patted down, or take of your shoes, is because of a fiction that was created with 911. yes 911 happened, but the how and why is the fiction. those people elsewhere in the world have no more to mind to do shit like put bombs in their shoes than you do. a fantasy story, a tale just like the tale of Satan Claws was created to control people and most are quite happy to examined for shoe bombs!

\*\*\*\*\*

It's sad seeing what organized religion does to us. It pits us against each other, claiming our unseen force is right and yours is not. Tell me, what differentiates Christianity from any other religion with faith as a prerequisite? Nothing. All it does is cause fighting amongst us. It makes me feel sick to my stomach. I didn't want to say anything bad about religion while I was in here but I feel as if I need to. It's truly humanities greatest ailment.

Quoting: **Anonymous Coward 1437036**

YES...you are correct...BUT only a few have the courage to be an atheist and to face their own mortality without the false illusion of religion. It is just something you gotta deal with.

Quoting: **Anonymous Coward 478522**

Courage to become an atheist? gimme a break here. You are to become GOD KNOWING. Not atheists. Atheism is the absence of God, not the absence of religion. Religion by the definition of Jesus, is your personal relationship with the Father Fragment within YOU. It is not organized shit on God's supposed holy day. Every Day is God's Holy day and you ones don't see that either.

Atheism is NOT the answer beloveds, YOU ARE THE ANSWER and still you see it not.

FIND THE COURAGE to BE GOD, not an atheist. There is a whole world of difference. You must come to revere life, and life IS GOD. And it is within you.

Reflected light can indeed be dangerous.

Do you not wonder why lucifer was ever created to begin with? Is lucifer perhaps, a manifestation of a internal struggle between good and evil that is taking place "within" God ?

That which is created is in fact an expression of some aspect of the creator.

Quoting: **wretchedfool**

What if God created evil in order to make His wrath and power known in His judgement evil? Evil also serves to make manifest His perfect mercy in His forgiveness of evil men by paying for the penalty of their evil at Calvary.

Quoting: **Needles Eye**

EVIL EXISTS BECAUSE MAN MANIFESTS HIMSELF AS OTHER THAN SOURCE ENERGY regards his "belief systems. Man is in fact always "evil" meaning unknowing until he know his MIND IS SOURCE ENERGY.

Gnostic luciferianism. You are listening to the devil. He loves to masquerade as an angel of light. Your message is that "Man is God." That is the lie of the serpent.

Quoting: **Needles Eye**

Needles eye, I can say conclusively here, by your postings here that you have not yet figured out that GOD IS WITHIN YOU and you are thus posting yourself, the ideas of the "devil." You are the one posting "gnostic luciferiansim." I never even heard that term, just tossing your words back at you. Lucifer was removed from this world 2000 years ago when Michael of Nebadon was done with his journey as Jesus. he had his TRIAL (well folks how does "god" judge you except in the courts of the universe?), and chose his uncreation. Uncreated means he is not longer existing, except in the minds of ones who still use his shit. It was lucifer that taught non responsibility for actions. It was he who tried to do away with Karma, which cannot be done away with, its written in each person's akashic record, until of course the person learns the truth and unwrites the lie..

And the "devil" wasn't Lucifer, it was Caligastia, the former prince of this world, who is also not here anymore and facing his trial, which cannot go forth yet, because his personality as so fragmented, he cannot be tried. MAN IS GOD MANIFEST and HE HAS NOT YET MANIFESTED a high version of GOD on this planet. HE HAS NOT YET MANIFESTED in his some total of knowledge, the FATHER on this Planet. I will keep saying this sort of material until ones begin to actually THINK about it.

As the light reflected is the same as the light within I know that I have found the true source.

As all things are but an adaptation of this one thing.

Quoting: **Weeping Alchemist 1204287**

The light within mankind is but a corruption. Only the Creator is the true light, and there is no shadow of turning within Him.

Reflected light is distorted with the sin of a darkened heart. Turn to the perfect light of the Creator, and rest not on the idols of the human heart.

We cannot save ourselves. If we could God would not have had to send His only begotten Son to redeem us.

Quoting: **Needles Eye**

really???? really????? really?????? YOU ONES ARE CREATOR! When are you going to see that Creator can only manifest on this world according to YOUR WORKS?

CREATOR IS SOURCE ENERGY. YOU ONES ARE SOURCE ENERGY and you keep putting Source Energy (God) Outside of yourselves!!!!

THIS WORLD MUST BECOME ONE LIGHT. IT IS NOT GOING WELL.

God SENT HIMSELF. THERE IS NOT ONLY ONE SON. EACH OF YOU IS AN ONLY BEGOTTEN SON OF GOD. Where are your God given minds people, in storage some place? Get the cobwebs off. When you take yourself into the gutter, you take God into the gutter with you, because he is you and you are him.

This one teaching you expound above, that earth could not save himself, is the MOST DESTRUCTIVE TEACHING EVER ON THIS EARTH.

When you accept that falisie as truth, you have placed yourself fully into the advesary's hands. YOu have given away your power unto the dark.

**The River of Jordan.** [[link to www.youtube.com](http://www.youtube.com)]

I traveled the banks of the River of Jordan  
To find where it flows to the sea.  
I looked in the eyes of the cold and the hungry  
And I saw I was looking at me.  
I wanted to know if life had a purpose  
And what it all means in the end.  
In the silence I listened to voices inside me  
And they told me again and again.

There is only one river. There is only one sea.  
And it flows through you, and it flows through me.  
There is only one people. We are one and the same.  
We are all one spirit. We are all one name.  
We are the father, mother, daughter and son.  
From the dawn of creation, we are one.  
We are one.

Every blade of grass on the mountain

Every drop in the sea  
Every cry of a newborn baby  
Every prayer to be free  
Every hope at the end of a rainbow  
Every song ever sung  
Is a part of the family of woman and man  
And that means everyone.

We are only one river. We are only one sea.  
And it flows through you, and it flows through me.  
We are only one people. We are one and the same.  
We are all one spirit. We are all one name.  
We are the father, mother, daughter and son  
From the dawn of creation, we are one.

well this was actually my last post, i made a few more which are amongst the first I copied above. Somebody took some interest and asked about meditation, but I was falling over and needed to go to bed.

I AM TEACHING YOU THAT SOURCE SOURCE FATHER GOD ENERGY IS IN YOU AS YOUR MINDS and YOU ARE SONS OF GOD, and YET YOU WILL NOT UNDERSTAND THAT and THUS YOU HAVE NOT MANIFESTED SOURCE ENERGY ON THIS WORLD. YOU ARE NOT ONE LIGHT. YOU HAVE THE SAME FATHER AS JESUS HAD! HE TAUGHT THAT and YET IT WAS REMOVED BY YOUR SERPENT FROM HIS MOST VALUABLE TEACHING.

Quoting: **Nobody in Particular**

"Your sepent"? Really? You are the one saying the words of the serpent.

Quoting: **Needles Eye**

NO dear one, it is YOU. YOU HAVE PLACED THE FATHER OUTSIDE OF YOU. YOU ARE the ONE IN ERROR HERE. AND UNTIL YOU ONES FIGURE THAT OUT< YOU WILL CONTINUE ON WORLDS YOU DESERVE. This planet herself, GAIA is returning to the bosom of the FATHER HERSELF. AND YOU CANNOT JOURNEY WITH HER UNLESS YOU TO FIND THE FATHER IS INSIDE OF YOU. HE HAS GFITED YOU WITH A PIECE OF HIS MIIND, and IT IS MEDITATION ONLY THAT YOU CAN ACCESS YOUR FATHER FRAGMENT. STILL YOU ONES DON"T KNOW THAT and make GOD YOUR FATHER SOMEPLACE ELSE OTHER THAN YOU

AGAIN GODLIKE PRODUCTIONS IS ONLY AS GODLIKE AS THE SUM TOTAL OF ITS MEMBERS. A FAMILY IS ONLY AS GOD LIKE, A CITY IS ONLY AS GOD LIKE, A COUNTRY IS ONLY AS GOD LIKE, A WORLD IS ONLY AS GODLIKE..... AS THE PEOPLE LIVING ON ITS SURFACE. YOU ARE ONE. AND KNOW IT NOT. AND UNTIL YOU KNOW THAT THIS WORLD WILL LANGUISH. It will not manifest the FATHER. It Will not be ONE LIGHT. Why is this so hard?

Good Night.

SO NOW THIS MORNING I am scanning for what happened that the thread doubled over night. Good place to "people watch" a favorite activity of my whole life.

Dear Nobody in Particular:

I can't understand why you waste your time answering the absurds that people post here.

In the bottom of the "editing area" there is this message:

"This thread is for discussion of topics brought up in this thread or related GENUINE DISCUSSIONS about the PROCESS OF UPLIFTMENT going on this planet."

You mentioned several times that you have "godlike powers" to select which posts you let go. So I suggest that you put this in practice because I don't see the purpose of maintaining a forum with such high objectives and accepting so much trash.

I don't see as a positive and fruitful attitude the abusive use of certain expressions like for instance the title of one of your GLP PDFs that contain the words "Biggest Crock of Bullshit". God, what does that mean? I'm a guy living in Brasil, South America, so my English is not so good and I have some difficulties in understanding this kind of thing!

In a forum dedicated to serious matters like the end times, forming new messiahs, stasis, and the Urantia Books I would expect a higher level in the posts.

There are several guys disguised under the "AnonymousCoward" pseudonym that say barbarities. No one knows who is who! There are some from the US, one from Ireland and one from Spain, all of them saying nonsense. Why don't you cut these posts out?

SO NOW THIS MORNING I am scanning for what happened that the thread doubled over night.

Good place to "people watch" a favorite activity of my whole life.

Quoting: **Nobody in Particular**

Dear Nobody in Particular:

I can't understand why you waste your time answering the absurds that people post here.

In the bottom of the "editing area" there is this message:

"This thread is for discussion of topics brought up in this thread or related GENUINE DISCUSSIONS about the PROCESS OF UPLIFTMENT going on this planet."

You mentioned several times that you have "godlike powers" to select which posts you let go. So I suggest that you put this in practice because I don't see the purpose of maintaining a forum with such high objectives and accepting so much trash.

I don't see as a positive and fruitful attitude the abusive use of certain expressions like for instance the title of one of your GLP PDFs that contain the words "Biggest Crock of Bullshit". God, what does that mean? I'm a guy living in Brasil, South America, so my English is not so good and I have some difficulties in understanding this kind of thing!

In a forum dedicated to serious matters like the end times, forming new messiahs, stasis, and the Urantia Books I would expect a higher level in the posts.

There are several guys disguised under the "AnonymousCoward" pseudonym that say barbarities. No one knows who is who! There are some from the US, one from Ireland and one from Spain, all of them saying nonsense. Why don't you cut these posts out?

Quoting: **Tiago63**

I don't have "god like " powers to remove posts from threads that I did not start. Those with paid accounts, (the gold star members) can only moderate their personal threads. The Biggest Crock thread was not mine. I did ask the mods to remove some truly nasty posts but apparently they did bother.

And the one that makes the PDF files for me for my website, I leave it to him to decided which posts he places in those files. He usually choses to leave at least some of the dark posts, so the readers can observe how people respond. I have not actually downloaded the pdf files he made of that thread, 4 I think, to my computer yet, so I don't know what he did with them. Some of those terrible posts do provide a "case study" of people and their responses. Many of my readers won't even read on GLP at all because they can't stand the negative posts.

TheBiggest Crock of Bullshit thread, was the actual title of that thread, and I did post the link to that thread on my website for people that wanted to watch or add to it. Most of my readers are still not ready to take on the Urantia book so they get some insight on that thread, and my own UB thread.

I asked the one that makes the pdf files of the PHoenix Journals, which IS a very time consuming project if he had time to do anything with my posts here, as archiving them myself to post later is really time consuming too. So he choose to do them after he gathered the works of the other telepaths on my site into pdf files for those that wanted them on their computers. He does have a small team of people to help him.

I wish myself Trinity would require everyone who wishes to post to at least have a free account, but he still prefers to have the AC.

OH, I didn't see you are portuguese, BIGGEST CROCK OF BULLSHIT, A CROCK is a word for a ceramic jar or jug used in certain food preparations, so the term Biggest Crock, means there is a large amount of Bullshit. From reading here on GLP I have to assume you have figured out "bullshit." Bullshit is a favorite word of Christ Michael too! The word generally means well, Not Lies, but made up misunderstood stuff, it is a colorful word that has many meanings in it. SHIT is also Crap, which means literally that which comes out of the body from the bowel, but is used a slang to mean "Junk", or silly beliefs, outright lies in some cases, etc.

Crock of bullshit is a common slang term in my country. I assume other languages and cultures must have similar such slang. In fact I have had Eve explain to me german slang and it seems far wittier and interesting than our slang here. I love slang actually, because it tends to be a more fully honest way to stating something, its loaded with emotion.

I think the OP of the Biggest Crock of Bullshit thread, used the WRONG terminology, he used it because he does NOT understand it which made it bullshit to him. The meaning of bullshit is more refined than to mean one can't understand what they are reading, but that was more his intent. He has trouble understanding the book, it is "deep" but truly its' NOT deep, it is that the people of this planet are severely lacking in knowledge about the creation, so it gets called bullshit. Real bullshit, means a mess of lies, made up inunendo, and mistaken "beliefs" Religion is thus full of bullshit, for example, all sorts of really stupid belief systems. But true bullshit is even more than that, in the proper use of the word. The SHILLS here OFTEN ON PURPOSE place "bullshit."

The Urantia Book is not bullshit. However, the posts by 4 people in particular, YAH, ETemissary, Herchel (spelled wrong) and one other in that thread against ME were indeed the perfect use of the word "bullshit." Hope that helps.

AND I "WASTE" my time, because the bullshit posters and those just lacking truth provide opportunity for me to TEACH. In the case of the really nasty stuff by YAH, who came on this forum on purpose to chase ME around, she wrote me to that effect right after she joined, she is posting lies, really big lies, and I must defend myself at least for a time, because people have NOT met me and some are unsure, as they have read false material about me, and it's important to stand up against such as YAH and those games. There were some people here who were sort of believing the lies about me, who changed their minds after that.

I did stop posting there when I KNEW it had reached the point of being fruitless. There is always a cut off point that I recognize naturally to not spend any more time. I had said enough of what I needed to say in that. It was time to leave.

Hey NIP. Saw you asked EI Q for info.

Here is the search page for the seismographs from the US ARRAY.

I look at the seismographs to SEE what is happening IF the data is not removed. There is alot of missing data in our region, New Madrid area,by CERl and USGS.

This US Array is all over the country now, almost all.

There is a global one. I'll find that link.

I am sorry, excuse me, I used the word Portuguese, meaning that is a common language there!  
That was my intent. I wrote that post while making coffee and coming and going from the

I myself use the slang because it's more accurate in meaning than regular english.

Since 1975 I hear about the end of a planetary cycle, but the details are emerging just now. And  
what details!

In the afore mentioned text one phrase got me:

"And man and woman of this planet will be in mourning when it this period starts because of the  
many removals and the shocks of it all."

Thank you. I have noticed on Ceri which I do check once in a while, that they often delete hours of information sometimes, on purpose.

I also watch some drums in california and when I was checking one on the north edge of LA a couple weeks ago or so, there were several quakes that HAD to be well more than large enough to be 2.5+ for USGS and were not reported at all.

Same happens where I am. They always put the epicenter 30-40 miles away from here,around Guy, AR, yet our seismograph always registers the same and more events with greater activity. They totally ignore many events near us, never give it a mag, nothing.

There is also an unbelievable amount of missing data, hours, days, etc. Meanwhile, I feel it all.

Going to archive just a few of my last posts from Trinities ONE thread above. I am done there, no more opportunity.

You all talk about "light" and how others "don't get it" like you're all some sort of enlightened ones. Well, what i want to know is, what are YOU doing individually to help the people in Africa who are starving? If you're all "light". What do any of you do to actually help other people on a day to day basis? And i don't mean donating money, anyone can do that. So prey tell oh "enlightend" ones or are you all just full of shit?

Quoting: **Anonymous Coward 1488286**

The Light Within STarts at HOME. I would suggest each ones who are of the light, start putting their antichrist corporate governments out of business, and these governments will not be able to act in Africa. A lot of governments are in Africa, wanting a piece of their resources there. I suggest the people of every country who sent military to Iraq, and Afganistan, get their governments the hell out of there, because at least a year ago the GENOCIDE TOLL in just those 2 countries since 911 was over 20 million people. Ponder that one. PLEASE PONDER THAT ONE!

IT STARTS AT HOME. Some day soon those in my country are going to weep great tears about what they have allowed since that false flag attack.

is it the body that needs saving or the soul? Feed a continent there will be another continent in hunger. Nurture a soul and it goes on to nurture other souls.

This isn't to say it isn't righteous to feed the hungry, but how you feed them determines survival.

Its like when people say how could a loving God allow this to happen and yet the body is born to die, the soul was meant to live on since the blessing of life is the manifestation of the soul in the flesh.

To those who want to deny the soul even exists (denying God) you live a shallow existence that won't grow into fruition and that fruition is what this thread is all about.

Well SAID. Your Spirit is YOU, your life. And there will be no manifesting of the Father on this world, until ones BECOME LIKE the FATHER. And he is YOUR FATHER and that is still NOT SEEN. You ones have the same FATHER as Jesus and he told you so, but it seems to be missing from the teachings in every church I have sat in. EVeryone looks to the sky when they worship the Father. He is not seen as being inside of them. But every individual who is a new soul, not incarnating here, receives a fragment of the Fathers Mind when he/she carries out the first moral decision, around age 5, but I suggest that is getting later the way people raise their children, so that is the time one is "saved" as long as one does not go so downhill over life that the Father Fragment leaves one. There is no joining of any religion or any ceremony that can bring the Father Fragment or can "save" anyone. You must save of yoursel and grow your soul which IS your MIND people. It is your MIND that survives the death of the body. YOUR MIIND IS YOU.

Trinity started a thread about in only ONE LIGHT WOULD SHINE. This means that all of you must become that ONE LIGHT TOGETHER. YOU are killing the earth and you care not because you believe if you believe any of many certain ways you get to leave this world that "God" is going to destroy and go off to some heaven you don't even know what it is.

The HOLY SPIRIT of THIS WORLD beloveds, IS THIS WORLD. IT IS THE MIND OF GAIA. SHE IS A REAL THINKING BEING. AS THINKING AS YOU ARE BUT MUCH MORE BECAUSE OF HER VAST AGE. YOU ARE DESTROYING HER. SHE IS DEPRESSED, BECAUSE OF WHAT YOU HAVE DONE TO EACH OTHER AND HER BODY, THIS PLANET.

well timex you completely did not even GET what I posted. the LOVE of the WORLD is the love of greed and such stuff. YOU MUST LOVE YOUR PLANETARY MOTHER and NOT DESPOIL HER MIND OR HER BODY. (Candace: for you ones reading this NOW in the Transformation thread, this is because somebody posted about the gravest sin is mocking the Holy Spirit or HOLY Ghost, so I am explaining that concept to christians, what it means, they have MOCKED GAIA. As I read this, I should have also said that since some confuse the Holy Spirit also with the Father Fragment within, that one is not supposed to MOCK ones HOLY SELF either. ) THAT IS NOT THE SAME as love of money and power that destroys the Mother. The HOLY SPIRIT IS THE MOTHER of THIS WORLD, and also The MOTHER of the CREATION'S MIND. GAIA is a NODE of the CREATIONS (actually a node of Nebadonia, Nebadon's holy spirit) HOLY SPIRIT.

YOU ones confuse the SPIRIT OF TRUTH with the HOLY SPIRIT and YOU ALSO CONFUSE THE FATHER FRAGMENT within YOU, with the HOLY SPIRIT.

YOU ARE NOT ALLOWED UNDER THE LAWS of "GOD", to DEFILE and DESTROY YOUR MOTHER SPIRIT< YOUR MOTHER PLANET.

\*\*\*\*\*

my gawd, you have no understanding of what the Spirit of Truth is , do you Russ. It's part of the genetic mind of earth, a special gift. It can only be accessed by those who have a Father Fragment and are able to hear the Father Within.

Quoting: Nobody in Particular

Nobody in Particular I am afraid that the spirit of truth is not in you since you can't recognize the New Jerusalem as truth. That is an easy way to see if you have the spirit of truth in you. Whether you agree with the New Jerusalem or not.

Sun Jul 5/13/11

Quoting: new JERuSalem rUSs

I am sorry YOU don't realize WHERE the SPIRIT OF TRUTH IS. IT WAS BESTOWED by Michael of Nebadon 2000 Years ago and ITS NOT IN ANYBODY, except the MIND OF GAIA. IT was a COPY of HIS knowledge on PHOTONS, that he provided this world. It cannot therefore be IN ANY BODY OR ANY ORGANIZATION.

While MIND is non physical, something has to store the information, something has to be a hard drive of sorts, to use computer analogy. In the person who has not yet become a spirit being, mind is stored on electrons, and electrons can hold lies and misconceptions. A spirit being's MIND is composed on only photons after the clearing of karma, but that's another story to teach.

Now being that MIND's information can be stored on electrons or photons, just accept that for the time being, this should suggest that What is Stored on these could be COPIED to other photons and electrons, just as you can copy your files on your computer to a back up drive, or even copy your entire harddrive to another harddrive. OK, follow me so far?

The Spirit of Truth is a LIBRARY. IT is a COPY OF INFORMATION Stored in MICHAEL of Nebadon's MIND. That is why it's called his spirit bestowed to this world. All evolutionary words eventually receive the bestowal of a Spirit of Truth.

That is the "why" in the bible which mentions the intense brightness when it was bestowed, because after all PHOTONS ARE LIGHT.

So this Spirit of Truth, a COPY OF MICHAEL'S KNOWLEDGE that this world was allowed at that time, is part now of GAIA's MIND. IT was FILES OF TRUTH added to the HARDDRIVE OF HER MIND. Do you ones follow the comparison to computers now? Most of GAIA's mind, the Genetic Mind of earth is mostly electrons. These store all the records of earth as the akashic records.

Now the Spirit of Truth cannot be accessed unless ONE has a FATHER FRAGMENT as part of their mind. The FATHER FRAGMENT is also composed of stuff on photons. It contains no lies, as only truth can be stored on a library of Photons.

There must thus be the Photons and other factors of the Father Fragment present to interact with the PHOTONS that carry the Truth. Did you ones know that an electron can hold 3G's of information????? Yes, I said 3 G's. The photon can hold a great deal more.

FOLKS I just added this in another post to Russ a few minutes ago, for the benefit of some readers there.

\*\*\*\*\*

The NEW Jerusalem Russ, as I have explained to you ad nauseum in your threads, Is a CRAFT. it is the command craft of Ashtar command and has the soul records in it's huge computer of every ensouled being on this planet. In case of Nuclear destruction of soul. And also Russ, just because YOU are making Nigara Falls your headquarters and invited the Pope, doesn't mean it's a good idea, as to location. I suggest you check the buoy site out and see that "they" are worried about the great lakes area now.

Also every ensouled person on this planet is chipped and the chip attaches them to that computer, so that if there are any emergencies and any one danger, the computer always knows where they are and can send a craft to lift them off. This occurs in many major quakes and the like. IT occurred with the Japan Tsunami recently, that is why some many little craft were seen as it came in. These ones this time were probably kept aboard and not returned, but many are often returned and find themselves in some place other than where they were and out of harms way. Usually they have no memory of how they are found 3 miles away or whatever, in a safe place. Some are put back right where they were and are dumbfounded as to how they survived in fact under the conditions and assume God saved them.

In case any of you have missed this information in the past, I am placing it here. you UB readers might have an interest. Now all this stuff I archived here from Trinities thread, perhaps if it

resonates with you, you can use some of that in YOUR OWN WORDS with christians and others around you, in discussions on other boards or whatever . This is the last posting I am archiving here from that thread.

NIP I've had the Urantia book for sometime and bite off pieces here and there. Could you tell me what you know of its origins? I havent been able to find much.

Quoting: **Sneaux**

It was given thru a sleepy prophet, exactly the same idea as Edgar Cayce. Cayce went into hypnosis and vacated his body so others could come thru him. Exactly the same with the UB, except the sleeping prophet was very wisely never identified.

If you have explored Dolores Cannon, beings come thru her subjects in the same manner also once they are under hypnosis.

The material as the sleeping channel spoke was written down by shorthand, and then handwritten from that. I appeared thus handwritten on papers left in a specific location. Many entities from came thru to give the information.

Quoting: **Nobody in Particular**

Quoting: **Sneaux**

I added a tiny bit more to my post above, during an edit and fixed the "sleepy" prophet. Also Monjoronson, as I added while you were replying to me, instigated the UB project, but he did not provide any of the information.

Just a few years ago, there was great information on the UB site, about the work of the foundation, and it did talk about the sleeping prophet and the folks who met regularly and submitted the questions, the answers to which became the UB. Also the details about the lawsuit to take away the copyrights etc.

I had all that stuff on my old desktop and when I was looking on the UB site maybe a year ago to FIND where the info was so I could direct people to it, it seems all gone and then I discovered it was also all gone off that computer!

There is something not right going on regards the Urantia Foundation I think right now. A posted in another thread posted some of that of sorts, a guy that doesn't like at all what I am doing. I may review more that in fact from that person who posted, in an effort to understand and also discuss it further with Michael of Nebadon or Monjoronson perhaps. Since it was his part of his teaching mission projects on this world.

How many of you folks drink Celestial Seasonings Tea? Mo Siegal, the founder of that company is now president of the Urantia Foundation. He founded the company in Boulder and has thus been on Colorado news over many years sometimes.

They will be MOVED via CRAFT to other various worlds. There is a bit of new age nonsense going around about being moved to another dimension. Many are being moved as they pass, and see below where I written some other details.

They are sorted out by their guardians angels and in some cases the COURTS of Nebadon and Orvonton. Some will chose uncreation who do not wish to grow ever spiritually, eternal life IS A CHOICE. A few are going to a special prison world of a sort very different from this one. Its a last chance sort of world. They cannot reproduce there (thank goodness), have little technologies, are not attended b guardian angels and guides and don't get off until they do "repent" of their ways. They get one chance after that, if they are released and the agreement signed includes un creation if they have lief and blow it.

There are a lot of damages souls of this earth, who carry horrors, and these ones will undergo a cleansing of their soul memories so get a better start. Some are very immature in experience and will go to very simple worlds after they cleansing of painful memories. Often they will be more or less cave men on simply worlds or in simple agrarian societies where they can grow as was intended in the first place.

Some who are strong and capable and are not criminals get to move to Venus, which has been terraformed and already more than 200,000 earth folks are there, which is why some folks have disappeared. There are not ready made cities and technologies, they will be building a civilization there. There will be an abundance of support that normal planets have, that do no enter Lucifer type rebellions. The Kumara's are based there, but mostly under the surface on craft as they are etheric beings.

Mars will be occupied more in the distant future, it is being re terraformed and some folks here will get to choose to be part of that process. Many people will leave this planet IN BODY. Others will be dropping their bodies and incarnating elsewhere.

Many are returning to the Mansion worlds also, they have completed some required schooling here. Some of the long term light workers get to go home. many have moved up a grade in fact and will find themselves on a more advanced architectural sphere than the one they left.

I know of one lady, who gets to make her appearance on the receiving world of the worlds around Salvington in fact. Moving up from the Constellation world she left.

Hope this helps answer some questions. OK, I said I had to go do email and I was cleaning out the bullshit flags here and answered this.

Quoting: **Nobody in Particular**

To me usage of CRAFT as you state represents lower technological levels and below the potential of what we are capable of when truly awakened. In other words it sounds like a trap and giving away our power outside of ourselves to be "saved".

For the rest of the statements, it sounds like typical channeled info from certain groups with an agenda so I ask you why is it that you are so sure that this is the truth, do you use discernment upon all information you receive and what is it that truly drives you to spread your message; is it your heart or is it your ego?

Btw, I am not a skill, I have ran across your posts in the past and though there is some stuff you say that I agree with, some of your statements seem to resonate with ego as you seem so sure with your conclusions yet I am not so sure you are, would you care to comment?

MY team IS the 2nd Coming team. We are IN contact for real and I go to CRAFT often. Craft are necessary when you are dealing with physical beings and spirit beings as not all spirit beings can negotiate cold space. in fact MOST cannot. There are different types of craft, some very physical as again, earth people ARE physical and there is evacuation and you can't evacuate physical forms to LIVING Craft. Physical craft very greatly in technology. Depending on the technology they can change vibrations and thus "cloak" and the like. Or move to higher vibration to use a universe energy highway or to change dimensions to use a different set of energy highway.

12/2/92 SANANDA

Blessings, unto you this day, Blessed Child. It is I, Master Jesus. We shall begin today to speak on THE SEEDS OF DESTRUCTION. You know we would be getting around to these items very soon, as we have been discussing the same with you on the inner.

THE SEEDS OF DESTRUCTION, ONCE PLANTED, GROW AS HORRIBLE WEEDS WITHIN THE SPIRITUAL MAKEUP OF ANYONE WHO PLANTS THEM. THEY FORM LARGE VACANT DARK SPOTS WITHIN THE SOUL, PUSHING OUT ALL LIGHT. THESE ARE TOOLS OF THE ADVERSARY. YOU MUST REALIZE THAT ONCE THESE SEEDS ARE PLANTED, YOU FAST BECOME ABSOLUTELY POWERLESS OVER THE GROWTH OF THE SAME. YOU, PRECIOUS CHILDREN, CAN CONQUER THE GROWTH OF THE SEEDS OF DESTRUCTION ONLY BY RECOGNIZING YOUR OWN INABILITY TO CONTROL THE GROWTH OF THEM. INSTEAD OF ACTIVELY TRYING TO CONTROL THEIR GROWTH, YOU MUST HUMBLE YOURSELVES TO ADMIT YOUR OWN POWERLESSNESS OVER THE GROWTH OF THESE WEEDS, AND COME HUMBLY UNTO CREATOR ASKING FOR HELP IN REMOVING THE SAME.

Let us list herein, these CANCERS OF THE SOUL. THEY ARE: SLOTH, JEALOUSY; MALICE (INCLUDES GOSSIPING, LYING, FAULT-FINDING, HYPOCRISY, SLANDER); ANGER/RAGE, (HOSTILITY); GREED (INCLUDES GLUTTONY, LUST, EXTREME JEALOUSY); MAGICAL THINKING; PRIDE (INCLUDES PREJUDICE/ARROGANCE); FEAR, GUILT. THESE CANCEROUS BEHAVIORS, IF FED OVER TIME, GROW CANCEROUS OBSESSIONS.

Precious Ones, you are POWERLESS OVER OBSESSIONS.

Now, let us continue. Beloved Children, you who GROW THESE SEEDS OF DESTRUCTION will frequently be the last ones to admit that you have grown them. To those around you, THESE DARK CANCEROUS GROWTHS will be quite obvious, unless those around you are afflicted with the same kinds of growths. AS THESE CANCEROUS GROWTHS BUILD ON THEMSELVES, YOUR VERY BEING BECOMES DARKENED. Once your being is darkened with the plants of these seeds, you will need help to remove them. You, alone, CANNOT REMOVE THEM. It is when you humbly seek to be filled with the LIGHT of CREATOR, that you can ALLOW these DARK, cancerous weeds to be dissolved by the LIGHT OF GOD. THESE CANCEROUS GROWTHS WILL BE DISSOLVED SLOWLY (USUALLY), AND WILL EVENTUALLY

DISAPPEAR, AS YOU CALL UPON THE LIGHT OF CREATOR TO "DO FOR YOURSELF THAT WHICH YOU CANNOT DO." AT SOME POINT YOU WILL BE VERY SURPRISED TO NOTE THAT YOU HAVE NONE OF THE CANCEROUS WEEDS REMAINING.

Precious Ones, recognizing your POWERLESSNESS is but one step of THE TWELVE STEP PROGRAM used by Alcoholics Anonymous AND MANY OTHER PROGRAMS associated with THE HEALING OF OBSESSIONS of COMPULSIONS. THE TWELVE STEP PROGRAM IS A DIVINELY INSPIRED PROGRAM WHICH HEALS THE SOUL.

The more you focus upon the cancer, the more it grows. LITTLE ONES, IT IS JUST AS THE GARDEN WHICH IS FERTILIZED. THE MORE IT IS TENDED, THE MORE IT GROWS. YOU WILL NOT CLEAN OUT THE CANCEROUS WEEDS THROUGH HUMAN WILL, ALONE. FOR YOU ARE INDEED POWERLESS TO DO SO. IF YOU ALL COULD CLEAN OUT THE CANCEROUS WEEDS, YOU CERTAINLY WOULD. MANY OF YOU CERTAINLY HAVE STRONG DESIRES TO DO THE SAME. YET, DESIRE, ALONE, WILL NOT DO IT.

Your main problem in all cases is a HUMAN WILL GONE AWRY. Precious Children, YOU WILL NEVER EVOLVE IN THE KINGDOM OF CREATOR UNLESS YOU WILL SUBMIT UNTO THE WILL OF HOLY CREATOR AND LIVE THE LAWS. For as long as you submit to your own willfulness, you are placing yourself, the creation, before (ahead of) the Creator. You make of yourself God, Creator. You cut yourself off from the LIGHT of God and fall squarely into the camp of the adversary. You become powerless over the growth of these weeds, which will devour you, in time. YOU WILL NOT BE EVOLVING SPIRITUALLY AS LONG AS YOU ARE SOAKED WITH THE DARKNESS OF THE GROWTH OF THESE WEEDS. FOR THOSE FILLED WITH DARKNESS BECOME LOST IN THE ANTICHRIST WAR OF DARKNESS.

You, sheep, who know these seeds to be destructive, but none-the-less sow the same, are most often HOUNDED BY GUILT. For, GUILT IS A POISONOUS BY-PRODUCT OF THE GROWTH OF MOST ALL SEEDS OF DESTRUCTION. (Behold, sheep!) EXCESSIVE HUMAN WILLFULNESS produces excessive GUILT which produces GREATER SPREAD OF CANCEROUS WEEDS. ALL OF YOU WHO GROW THESE WEEDS CONSTANTLY FIGHT A DARKNESS OF SPIRIT. You live a roller-coaster-existence, as you fight to push away from consciousness the ugliness of the cancers which grow within you. Most of you appear to be PHONEY and SHALLOW on the outer, depending upon the pervasiveness of the growth of the weed and your degree of suppression. ANY DISCUSSION OF THE ABOVE MAKES YOU VERY UNCOMFORTABLE AS YOU ARE AFRAID THAT OTHERS MIGHT SEE YOUR LIE. Others of you TALK, TALK, TALK about what is going on inside of you, but you refuse to come in humility and admit your own WILLFULNESS and powerlessness. YOU ARE RELYING ON "MAGICAL THINKING" TO GET YOU CURED. NAY! IT SHALL NOT BE SO! IT IS YOUR WORK. YOU HAVE GROWN THE CANCEROUS WEED. DO NOT EXPECT A MAGICAL CURE. THERE IS NO "MAGIC" FROM THIS SIDE. THE RATE OF YOUR CURE = THE DEGREE OF YOUR SINCERE DESIRE TO BE HEALED + YOUR SINCERE WILLINGNESS TO DO YOUR WORK NEEDED FOR THE HEALING.

Precious Children, the healing means you must unload your own garbage from the inner. Write it down so that you do not overlook any "slight" to another human being. MAKE A SOLID AND TRUE LIST OF THOSE YOU HAVE HARMED, SEEK FORGIVENESS, AND MAKE AMENDS TO ALL INVOLVED. If you are an atheist, forget the healing. THE HEALING LIGHT OF GOD DOES NOT GO WHERE THE SAME IS DENIED ENTRANCE. For the effectiveness of the TWELVE-STEP Program depends upon your belief in a HIGHER POWER doing for you that which you cannot do for self. For the same to take place, you must let go of ALL PERSONAL WILLFULNESS, placing instead of your own will, the WILL OF CREATOR. Precious Children, the will of God is that each of you be WHOLE, not darkened or fragmented. FOR YOU ARE EACH DIVINE CREATIONS. AS YOU LET GO OF YOUR OWN WILLFULNESS, YOU WILL OPEN YOURSELF UP TO SPIRITUAL EVOLUTION.

The process is a simple one, indeed, but think not that you can cut it short. For it demands a TOTAL HONESTY. I did say, "TOTAL HONESTY". FOR THE PRINCIPLES OF CREATOR OPERATE ON TRUTH, NOT HALF-TRUTH. Make a list of all you have offended and make

amends where possible. When you start to make a list of your offenses toward yourself, your brethren and Creator, do not expect to recall all at once. The big offenses will stand out like a bandaged thumb. In time, however, you will recall most, if not all, and you will be well on the way to cleaning out the inner. FOR WHEN YOU HAVE DONE AS MUCH, YOU WILL BE JOYOUS, INDEED, FOR YOUR BOAT WILL BE LIGHTER AND THE SAILING WILL BE SMOOTHER. The problem many of you have is that you allow yourselves to be pulled back into the same kinds of thinking and acting. For this reason, the programs such as ALCOHOLICS ANONYMOUS and other TWELVE-STEP Programs offer the group encouragement you need to help strengthen yourself against attacks from the Adversary. FOR IT IS THE DESIRE OF SATAN AND HIS FOLLOWERS TO DRIVE YOU BACK INTO THE PLANTING OF THE SEEDS. It is here that you must use your own willfulness to say "NO" to the planting of the seeds. Call upon the armor of God and ask for help from these realms. CLEAN YOUR GARDEN ON A MINUTE-TO-MINUTE BASIS. THE GROWTH OF ANY OF THE ABOVE CANCEROUS WEEDS CAN LEAD ANY OF YOU INTO ALCOHOLISM OR DRUG ADDICTION, PERVERSIONS OF THE FLESH, MURDER, THIEVERY AND SO ON.

Which was first, the SEED or the WEED? Answer if you will. FOR IT IS INDEED, TRUTH THAT ONE SEED WILL MAKE A WEED WHICH GROWS MANY, MANY SEEDS. You might not know about the presence of the seed but look, Precious Children, and you will note the growth of the weed. The growth of the weed manifests on the outer through overt behaviors. FOR THE NATURE OF THE MIND IS TO BRING MANIFEST IN THE MATERIAL THAT WHICH IS ON THE INNER.

PRECIOUS CHILDREN, YOU NEED ONLY ONE SEED. THUS IS THE NATURE OF GROWING YOUR WEEDS OF DESTRUCTION. IN THIS WAY YOU GO ABOUT PLANTING AND CULTIVATING YOUR OWN INNER SANCTUARY. THE SAME IS PLANTED AND CULTIVATED UNTO FREEDOM, WHICH IS OF CREATOR, OR, UNTO SLAVERY, WHICH IS OF THE ANTICHRIST. THUS IT IS. I AM, AS YOU KNOW ME, MASTER JESUS, THE CHRISTED ONE.

12/11/92 MOSES

Blessings unto you this morning, Rosah. It is I, Moses. Now, Precious child, let us continue with the DIVINE PLAN, SECTION TWO. Herein, Little Ones, we are about to discuss THE SEEDS OF DESTRUCTION. THESE SEEDS, WHICH HAVE BEEN OUTLINED IN A PREVIOUS DICTATION, ARE PLANTED BY YOU AND OFTEN FED BY THE WORKERS OF DARKNESS. BUT REMEMBER, IT IS YOU WHO GIVES ACCEPTANCE FOR THE SAME TO TAKE PLACE AND TO GROW. Remember, no matter the external forces upon you, it is you who GIVES (ALLOWS) space for these seeds to grow. THESE SEEDS ALWAYS TAKE AWAY THE LIGHT OF GOD, THEREBY GIVING PLACE FOR THE ADVERSARY TO TAKE HOLD. THIS, PRECIOUS CHILD, IS MOST OFTEN BY VERY SMALL DEGREES, WITHOUT YOUR OWN CONSCIOUS NOTICE.

As you know, Rosah, the drug-addicted, who prays to be released of the OBSESSION to "drug", awakens one day to find the OBSESSION no more. Well, the case is REVERSED with the GROWTH of the SEEDS OF DESTRUCTION. Once allowed place to GROW, the one who has given place to these seeds awakens one day to find a consumption with the WEEDS produced by the SEEDS. Then, Precious Children, it is your work to EXTRACT the weed. Do you think your work to be any EASIER than that of the ALCOHOLIC or DRUG ADDICTED in getting rid of the OBSESSION to drink or "drug"? No, indeed! FOR THE RUN-AWAY WEED WILL GROW BEYOND YOUR OWN CONTROL. You must remember that the TWELVE STEP PROGRAM "WORKS" because those therein ADMIT their own POWERLESSNESS and come unto Creator with a PENITENT heart asking that God do for them that which they can no longer do for themselves...MAKE THEM WHOLE, HEAL THEM.

Children, you must remember that the growth of these WEEDS is FREQUENTLY fed by the workers of darkness. These invisible dark spirit forms will speak to your mind in the spirit through THOUGHT transfer and will aid in the GROWTH of such WEEDS within you to the point of your

own DESTRUCTION. These wish to estrange you from all support systems, such that you no longer wish to LIVE. They will often stalk you in numbers, pushing to displace your soul and POSSESS your body. They wish to drive out ALL LIGHT within your being, causing darkness, confusion and destruction. They wish to have none of you in the Earth sphere.

Many of you are calling this a bunch of "HOGWASH". Such is your own right to the same. For you are led erroneously to believe that these so-called POSSESSIONS are FROTHING AT THE MOUTH and FLYING AROUND THE ROOM. Little ones, this is RARELY, RARELY the case, whatsoever. You have been deliberately DECEIVED, again, by the ZIONIST ELITE (SATAN'S SELECT), who own and control your media and your very country, and your very world. REMEMBER, "BY THEIR WORKS YOU SHALL KNOW THEM". IN THESE LATTER DAYS, THESE HAVE MADE CERTAIN TO PLACE THEMSELVES IN GREAT POSITIONS OF POWER. THESE "KNOW" ONE ANOTHER AND HAVE BANDED TOGETHER WHILE YOU, THE IGNORANT MASSES, HAVE BEEN WITHOUT DIRECT COMMUNION WITH THE HIGHER REALMS. THEY ARE CRAFTY AND CUNNING. They know what they are all about, for they have memories of many, many thousands of years INTACT. You, on the other hand, have crossed over into the VEIL of FORGETFULNESS and have returned to work out your DEBTS TO SELF AND OTHERS.

THESE REBELLIOUS SPIRITS DO NOT BOW TO ADMIT THERE IS A GOD, AS THEY PLACE SELVES IN THE STEAD OF GOD. THEY ARE ATHEIST. THEY REFUSE TO COME UNTO GOD TO BE ACCOUNTABLE FOR THEIR WRONGS. THEY WILL TELL YOU WHAT YOU WISH TO HEAR, AND MOST OF YOU BELIEVE WHAT THEY TELL YOU AS YOU DO NOT KNOW OF THEIR HISTORY. THEY HAVE REMOVED ALL "TRUTHS" about themselves from the history books. This includes your most-prized history book, THE BIBLE. Thus, you have no way of "KNOWING" about them and the history of their works.

Precious children, it is time to awaken to the "TRUTHS" of your predicament. You are in the very latter days and it is time that the TRUTHS were given unto you that you might know of them and what you have been up against all along. They have known you from the time of your very births and far beyond and, for those of you who have been returned to do a SPIRITUAL WORK, it is you these have ATTACKED the greatest.

That which they dared to show of themselves on your television sets regarding the movie, ETERNAL EVIL, was presented by them about their very selves, such that you would accept the same to be in the class of "Dracula", for much fantasy was given therein. You must remember that within the LIES, they give unto you SOME TRUTHS. To the UNKNOWING, you accept all as LIE. This same tool they used with your so-called HOLY BIBLE so that you have bought the whole as a TOTAL TRUTH.

Precious Children, these who changed your BIBLE and other scriptures around the world have been the PHARISEES continuing by another face, another culture, another tongue. They are warring mongrels who continue down through history with their motto of "Divide and Conquer", "Divide and Conquer". THEY KNOW THAT IF THEY DIVIDE YOU ONE AGAINST THE OTHER THROUGH WARS AND MORE WARS, AND SEPARATE YOU FROM THE TRUTH OF GOD, YOU WILL SURELY FALL. This has been their modus operandi since the beginning and they are much experienced in the same. It is you, Precious Children, who must begin to know whom you are facing and just how they operate. For once you can grasp the same, YOU WILL BE ALL THE WISER IN YOUR FIGHT AGAINST THEIR BID FOR TOTAL WORLD DOMINION.

Many in your midst who commit murders and other heinous acts, and SWEAR that a VOICE told them to do the same are OFTEN telling the TRUTH. Others of these who tell the same are PSYCHOPATHS. THE TRUTH IS NOT IN THEM AS THE SAME ARE ONE OF "THEM". Now, do you suppose that it does you a bit of good to send some of these hardened criminals to the electric chair or to otherwise take of their lives? Look at the above scenario. Many of these will only remain in your sphere where they will continue with their evil work in spirit. Just as I communicate these writings to Rosah through electric impulses, these same ones communicate the SEEDS OF DESTRUCTION to many of you. These workers of darkness exist in spirit form all around you, yet operate at a level beyond the frequency of normal vision, just as we do. Just as you cannot see us

with the physical eyes, you cannot see them with the physical eyes, unless, of course, they are in possession of a body, physical. Then, these would appear as any of the rest of you.

But, Precious Children, you have been warned many times over to observe their behaviors. BY THEIR FRUITS, YOU SHALL KNOW THEM. IN THIS MANNER, YOU SHALL NOT BE DECEIVED FOR LONG. For their spiritual makeup will be fast in the showing. You are not told to JUDGE THE PERSON--FOR YOU ARE FORBIDDEN TO DO THE SAME. YOU ARE TOLD TO JUDGE THE BEHAVIORS. THIS IS IMPORTANT, IMPORTANT, IMPORTANT, AND CANNOT BE OVERSTRESSED. How do you all suppose that you came to TRAIL THE WOLVES? You have continued to trail the wolves regardless of their behaviors. Now, the same are firmly entrenched among your leadership, running your country, and you shall all have the "Piper to Pay".

BEWARE, AND DOUBLE BEWARE, YOU WHO CONJURE UP THE SAME THROUGH OUIJA BOARDS AND THE LIKE. YOU ARE WORKING TOWARD YOUR OWN DESTRUCTION. ANYONE ON THE RECEIVING END OF THESE TRANSMISSIONS FOR PURPOSES OF TEACHING OTHERS WITHIN YOUR SPHERE IS GIVEN GRAND TRAINING IN THE FIGHTING OF EVIL ENTITIES BEFORE BEING ALLOWED TO RECEIVE. FOR SUCH A ONE IS MOST CERTAINLY BOMBARDED, AND MUST CERTAINLY HAVE THE GIFTS OF DISCERNING AND KNOWING, AS WELL AS MUCH PRACTICE IN SPIRITUAL WARFARE.

Remember, Precious Children, that some of those you might condemn to the electric chair might open up to higher teachings and truths in time. You cannot predict the direction of the heart. Would you deny another human being the right to spiritual evolvment? None of you have any reason to be within your sphere, save it be to evolve spiritually. YOU, WHO WOULD DENY ONE SUCH AN OPPORTUNITY TO EVOLVE SPIRITUALLY, ARE PLACING YOURSELVES IN THE STEAD OF GOD. DO YOU NOT KNOW THAT YOU ARE ACCOUNTABLE AND THUS JUDGED?

REMEMBER: MANY OF YOU ACCEPT THESE DESTRUCTIVE SEEDS AS YOUR OWN AND YOU GIVE PLACE FOR THEM TO GROW. REMEMBER: ONLY YOU CAN GIVE THEM A PLACE TO GROW.

Little Ones, remember that these evil spirit forms will frequently STALK the same person en masse, seeking to displace the soul and possess the body. IF FILLED OF GREAT DARKNESS, SUCH AN INDIVIDUAL WILL NO LONGER KNOW WHICH THOUGHTS ARE FROM SELF AND WHICH ARE NOT FROM SELF. THE POINT IS TO RECOGNIZE THAT CERTAIN THOUGHTS DO OR DO NOT COME FROM YOURSELF and QUICKLY DISMISS THOSE WHICH ARE NOT YOUR VERY OWN. GIVE THE NEGATIVE NO PLACE TO GROW WITHIN YOU. If you do find them growing, DO AS YOU HAVE BEEN TOLD TO CLEAN YOURSELF FROM THE SAME.

You all must remember that once these have their sights set on you for POSSESSION, they will "DOG" you. Be sure to start each day with prayer and meditation. DEDICATE EACH DAY TO THE WORKS OF CREATOR, ASKING FOR PROTECTION THROUGH THE ARMOR OF GOD AND LIGHT ENTITIES (ANGELS), AND THAT DIVINE WILL BE DONE IN ALL YOUR AFFAIRS. LIVE THE LAWS. Precious Children, continually seek to be an OPEN and CLEAN vessel that the LIGHT OF GOD might SHINE WITHIN AND WITHOUT YOU. DAILY, MAKE AMENDS TO ANYONE YOU HAVE OFFENDED. TELL NO LIES. LIVE TRUTH. Clean your vessel on a DAILY BASIS that these SEEDS OF DESTRUCTION have NO PLACE TO GROW within you. LIGHT FEEDS UPON LIGHT. DARKNESS UPON DARKNESS--IF TENDED.

PRECIOUS CHILDREN, YOU MUST KNOW HOW THE ENEMY OPERATES, OR YOU WILL NOT KNOW HOW TO PROTECT YOURSELF. AT THIS TIME THERE ARE EVEN GREATER NUMBERS OF THESE "EVIL" ENTITIES WITHIN YOUR SPHERE. YOU MUST REMEMBER AT ALL TIMES THAT THE BATTLE IS "A BATTLE FOR YOUR VERY SOUL." It is extremely important that you be AWARE of what is happening and that you protect your PRECIOUS CHILDREN. Allow them to be NO audience to the HORROR, BLOOD and SEX, and DRUGS they are FEEDING you on your PROGRAMMED TELEVISION SETS. BELOVED CHILDREN, CEASE TO PAY HOMAGE TO THEIR WORKS. DO NOT PAY VISIT TO THEIR PICTURE SHOWS. MAKE SURE THAT YOUR CHILDREN KNOW THEIR MODUS OPERANDI. HUGE NUMBERS

OF THEM ARE ABOUT POSSESSING AS MANY BODIES AS POSSIBLE. THIS IS A "WAR". WAKE UP! WAKE UP! THEY ARE OUT TO TOTALLY PREVENT THE SPIRITUAL EVOLUTION OF EACH OF YOU, EVEN UNTO THE VERY DESTRUCTION OF YOUR SOULS.

No longer give homage to their form of slavery. Learn to RECOGNIZE, TO KNOW which THOUGHTS are YOURS and which are not. PEOPLE, THE REAL WORLD IS THE WORLD OF SPIRIT. YOU ARE ENERGY BEINGS VISITING PHYSICAL FORMS. THE PHYSICAL IS HERE TODAY AND GONE TOMORROW.

Call upon us often for there are many, many of us here in these FINAL DAYS who have come to GIVE AID unto you, GOD'S SHEEP, LOST UNTO THE WHIRLWINDS OF SATAN. You must ask. We are forbidden by LAW to intervene without your EXPRESS PERMISSION. STUDY THIS CAREFULLY, FOR THERE IS MUCH TRUTH, HEREIN. IT IS FOR THE WISDOM, THE UNDERSTANDING, THE IN-LIGHT-ENMENT....THE SPIRITUAL EVOLUTION OF EACH OF YOU. FOR IF YOU ARE IN THE "KNOW", YOU CANNOT BE SO EASILY "DECEIVED". I AM MOSES.

Just a final note on THE EXPLOSIONS BENEATH LITTLE ROCK AND SURROUNDING AREA. Did you have any doubts as to what is really going on therein? Large numbers of troops are building up in expansive underground bases. PRECIOUS CHILDREN, THESE ARE NOT YOUR OWN AMERICAN TROOPS. You already have massive underground bases as large cities, yet they continue with the expanding. These intend to remain therein despite the re-structuring of the Earth LAND MASSES and the upcoming POLAR SHIFT. It matters not to these that they are at the very edges of the New Madrid Fault. It is their thinking that the whole fault will BLOW sooner rather than later. They work to do all they can to help the same along. And how was your day?

Ok another idea to use with people regards transformation of this planet, is show them WHAT THERE IS OUT THERE FOR US TO GROW INTO HERE. Here's a new collection of posts I made today, because some folks have troubles, even UB readers with the concept of architectural spheres. Here's a lovely example of a custom built sphere with an technology sun in the middle.

I posted this in my UB thread here also, the idea with the first one to help people visualize the idea of building massive custom worlds. This one shows an internal technology based sun. Perhaps these give a little view into "heaven." Man has such a poor idea of what it is. It really IS the cosmos itself, but there are these specially built worlds. Some well more than 100 times the size of earth. these worlds don't have a lot of oceans, so there is more space for folks, and having the best of technologies.....

I have posted Gary tonge's image of architectural world building previously. here is one by another artist. [[link to phoenix-06.deviantart.com](http://link.to.phoenix-06.deviantart.com)] This shows in internal heating system. Enlarge it. I have it as wall paper right now. this states the surface is cold, but many have warm surfaces with atmospheres too. Some of those BIG craft we see out by the sun, might look something like this on the inside. They proton blasts they give us sometimes, and I sense maybe another coming, the magnetosphere may need protons again, come from massive craft Esu and CM just label proton shooters..... You can image what sort of technology is in those!

Phoenix 6's Gallery. LOTS OF STUFF [[link to phoenix-06.deviantart.com](http://link.to.phoenix-06.deviantart.com)]

[[link to phoenix-06.deviantart.com](http://link.to.phoenix-06.deviantart.com)] This talk about a race traveling in "stasis" for a long period of time. The reason I bring this up, is that this world is going into a stasis, which is a suspension of life during which many things will occur. In this image, this is about some people putting them selves into stasis for some very long travel. I think the concept regards as space travel has been suggested in various sci fi movies.

[[link to phoenix-06.deviantart.com](http://link.to.phoenix-06.deviantart.com)] Shows how systems can be created also, and provided energy. Folks show your friends these things, because we need to people to look upward towards the possibilities.

Clicking on this link will bring up several artists. Click on the pics to take youself to their websites. That is how I found the Phoenix-06 above. [[link to creativefan.com](http://link.to.creativefan.com)]

that is excellent. Pass this one on your email lists! So many on earth have exactly no concept of GAIA as a living being just like them. Yet she is. Just a different body type. It does not dawn on them, and if approached by that idea, especially if "Christian" they say since God is going to destroy the world anyway, why bother. They know they are going to some fluffy heaven to party on with Jesus for eternity. I should restart a what do you do for trillions of years in heaven thread again.

if anybody has an you tube links for the abuse of animals, particularly food animals, (I used to, every time I get a killed computer, there they go), post the basic ones here. The abuse of animals in the food industry is appalling. I had to walk out on one I attended here in Denver once, what I was watching and the cries of the animals overwhelmed me. In particular the way KOSHER slaughter is carried out, not only will li not eat meat again, but even especially KOSHER "meat." since they have the belief you should not touch the meat during the process of killing it , they have disgusting automated systems that terrify the animals terribly.

The process is a simple one, indeed, but think not that you can cut it short. For it demands a TOTAL HONESTY. I did say, "TOTAL HONESTY". FOR THE PRINCIPLES OF CREATOR OPERATE ON TRUTH, NOT HALF-TRUTH. Make a list of all you have offended and make amends where possible. When you start to make a list of your offenses toward yourself, your brethren and Creator, do not expect to recall all at once. The big offenses will stand out like a bandaged thumb. In time, however, you will recall most, if not all, and you will be well on the way to cleaning out the inner. FOR WHEN YOU HAVE DONE AS MUCH, YOU WILL BE JOYOUS, INDEED, FOR YOUR BOAT WILL BE LIGHTER AND THE SAILING WILL BE SMOOTHER. The problem many of you have is that you allow yourselves to be pulled back into the same kinds of thinking and acting. For this reason, the programs such as ALCOHOLICS ANONYMOUS and other TWELVE-STEP Programs offer the group encouragement you need to help strengthen yourself against attacks from the Adversary. FOR IT IS THE DESIRE OF SATAN AND HIS FOLLOWERS TO DRIVE YOU BACK INTO THE PLANTING OF THE SEEDS. It is here that you must use your own willfulness to say "NO" to the planting of the seeds. Call upon the armor of God and ask for help from these realms. CLEAN YOUR GARDEN ON A MINUTE-TO-MINUTE BASIS. THE GROWTH OF ANY OF THE ABOVE CANCEROUS WEEDS CAN LEAD ANY OF YOU INTO ALCOHOLISM OR DRUG ADDICTION, PERVERSIONS OF THE FLESH, MURDER, THIEVERY AND SO ON.

Which was first, the SEED or the WEED? Answer if you will. FOR IT IS INDEED, TRUTH THAT ONE SEED WILL MAKE A WEED WHICH GROWS MANY, MANY SEEDS. You might not know about the presence of the seed but look, Precious Children, and you will note the growth of the weed. The growth of the weed manifests on the outer through overt behaviors. FOR THE NATURE OF THE MIND IS TO BRING MANIFEST IN THE MATERIAL THAT WHICH IS ON THE INNER.

PRECIOUS CHILDREN, YOU NEED ONLY ONE SEED. THUS IS THE NATURE OF GROWING YOUR WEEDS OF DESTRUCTION. IN THIS WAY YOU GO ABOUT PLANTING AND CULTIVATING YOUR OWN INNER SANCTUARY. THE SAME IS PLANTED AND CULTIVATED UNTO FREEDOM, WHICH IS OF CREATOR, OR, UNTO SLAVERY, WHICH IS OF THE ANTICHRIST. THUS IT IS. I AM, AS YOU KNOW ME, MASTER JESUS, THE CHRISTED ONE.

\*\*\*

12/11/92 MOSES

Blessings unto you this morning, Rosah. It is I, Moses. Now, Precious child, let us continue with the DIVINE PLAN, SECTION TWO. Herein, Little Ones, we are about to discuss THE SEEDS OF DESTRUCTION. THESE SEEDS, WHICH HAVE BEEN OUTLINED IN A PREVIOUS DICTATION, ARE PLANTED BY YOU AND OFTEN FED BY THE WORKERS OF DARKNESS. BUT REMEMBER, IT IS YOU WHO GIVES ACCEPTANCE FOR THE SAME TO TAKE PLACE AND TO GROW. Remember, no matter the external forces upon you, it is you who GIVES (ALLOWS) space for these seeds to grow. THESE SEEDS ALWAYS TAKE AWAY THE LIGHT OF GOD, THEREBY GIVING PLACE FOR THE ADVERSARY TO TAKE HOLD. THIS, PRECIOUS CHILD, IS MOST OFTEN BY VERY SMALL DEGREES, WITHOUT YOUR OWN CONSCIOUS NOTICE.

As you know, Rosah, the drug-addicted, who prays to be released of the OBSESSION to "drug", awakens one day to find the OBSESSION no more. Well, the case is REVERSED with the GROWTH of the SEEDS OF DESTRUCTION. Once allowed place to GROW, the one who has given place to these seeds awakens one day to find a consumption with the WEEDS produced by the SEEDS. Then, Precious Children, it is your work to EXTRACT the weed. Do you think your work to be any EASIER than that of the ALCOHOLIC or DRUG ADDICTED in getting rid of the OBSESSION to drink or "drug"? No, indeed! FOR THE RUN-AWAY WEED WILL GROW BEYOND YOUR OWN CONTROL. You must remember that the TWELVE STEP PROGRAM "WORKS" because those therein ADMIT their own POWERLESSNESS and come unto Creator with a PENITENT heart asking that God do for them that which they can no longer do for

themselves...MAKE THEM WHOLE, HEAL THEM.

Children, you must remember that the growth of these WEEDS is FREQUENTLY fed by the workers of darkness. These invisible dark spirit forms will speak to your mind in the spirit through THOUGHT transfer and will aid in the GROWTH of such WEEDS within you to the point of your own DESTRUCTION. These wish to estrange you from all support systems, such that you no longer wish to LIVE. They will often stalk you in numbers, pushing to displace your soul and POSSESS your body. They wish to drive out ALL LIGHT within your being, causing darkness, confusion and destruction. They wish to have none of you in the Earth sphere.

Many of you are calling this a bunch of "HOGWASH". Such is your own right to the same. For you are led erroneously to believe that these so-called POSSESSIONS are FROTHING AT THE MOUTH and FLYING AROUND THE ROOM. Little ones, this is RARELY, RARELY the case, whatsoever. You have been deliberately DECEIVED, again, by the ZIONIST ELITE (SATAN'S SELECT), who own and control your media and your very country, and your very world. REMEMBER, "BY THEIR WORKS YOU SHALL KNOW THEM". IN THESE LATTER DAYS, THESE HAVE MADE CERTAIN TO PLACE THEMSELVES IN GREAT POSITIONS OF POWER. THESE "KNOW" ONE ANOTHER AND HAVE BANDED TOGETHER WHILE YOU, THE IGNORANT MASSES, HAVE BEEN WITHOUT DIRECT COMMUNION WITH THE HIGHER REALMS. THEY ARE CRAFTY AND CUNNING. They know what they are all about, for they have memories of many, many thousands of years INTACT. You, on the other hand, have crossed over into the VEIL of FORGETFULNESS and have returned to work out your DEBTS TO SELF AND OTHERS.

THESE REBELLIOUS SPIRITS DO NOT BOW TO ADMIT THERE IS A GOD, AS THEY PLACE SELVES IN THE STEAD OF GOD. THEY ARE ATHEIST. THEY REFUSE TO COME UNTO GOD TO BE ACCOUNTABLE FOR THEIR WRONGS. THEY WILL TELL YOU WHAT YOU WISH TO HEAR, AND MOST OF YOU BELIEVE WHAT THEY TELL YOU AS YOU DO NOT KNOW OF THEIR HISTORY. THEY HAVE REMOVED ALL "TRUTHS" about themselves from the history books. This includes your most-prized history book, THE BIBLE. Thus, you have no way of "KNOWING" about them and the history of their works.

Precious children, it is time to awaken to the "TRUTHS" of your predicament. You are in the very latter days and it is time that the TRUTHS were given unto you that you might know of them and what you have been up against all along. They have known you from the time of your very births and far beyond and, for those of you who have been returned to do a SPIRITUAL WORK, it is you these have ATTACKED the greatest.

That which they dared to show of themselves on your television sets regarding the movie, ETERNAL EVIL, was presented by them about their very selves, such that you would accept the same to be in the class of "Dracula", for much fantasy was given therein. You must remember that within the LIES, they give unto you SOME TRUTHS. To the UNKNOWING, you accept all as LIE. This same tool they used with your so-called HOLY BIBLE so that you have bought the whole as a TOTAL TRUTH.

Precious Children, these who changed your BIBLE and other scriptures around the world have been the PHARISEES continuing by another face, another culture, another tongue. They are warring mongrels who continue down through history with their motto of "Divide and Conquer", "Divide and Conquer". THEY KNOW THAT IF THEY DIVIDE YOU ONE AGAINST THE OTHER THROUGH WARS AND MORE WARS, AND SEPARATE YOU FROM THE TRUTH OF GOD, YOU WILL SURELY FALL. This has been their modus operandi since the beginning and they are much experienced in the same. It is you, Precious Children, who must begin to know whom you are facing and just how they operate. For once you can grasp the same, YOU WILL BE ALL THE WISER IN YOUR FIGHT AGAINST THEIR BID FOR TOTAL WORLD DOMINION.

Many in your midst who commit murders and other heinous acts, and SWEAR that a VOICE told them to do the same are OFTEN telling the TRUTH. Others of these who tell the same are PSYCHOPATHS. THE TRUTH IS NOT IN THEM AS THE SAME ARE ONE OF "THEM". Now, do you suppose that it does you a bit of good to send some of these hardened criminals to the electric chair or to otherwise take of their lives? Look at the above scenario. Many of these will only remain

in your sphere where they will continue with their evil work in spirit. Just as I communicate these writings to Rosah through electric impulses, these same ones communicate the SEEDS OF DESTRUCTION to many of you. These workers of darkness exist in spirit form all around you, yet operate at a level beyond the frequency of normal vision, just as we do. Just as you cannot see us with the physical eyes, you cannot see them with the physical eyes, unless, of course, they are in possession of a body, physical. Then, these would appear as any of the rest of you.

But, Precious Children, you have been warned many times over to observe their behaviors. BY THEIR FRUITS, YOU SHALL KNOW THEM. IN THIS MANNER, YOU SHALL NOT BE DECEIVED FOR LONG. For their spiritual makeup will be fast in the showing. You are not told to JUDGE THE PERSON--FOR YOU ARE FORBIDDEN TO DO THE SAME. YOU ARE TOLD TO JUDGE THE BEHAVIORS. THIS IS IMPORTANT, IMPORTANT, IMPORTANT, AND CANNOT BE OVERSTRESSED. How do you all suppose that you came to TRAIL THE WOLVES? You have continued to trail the wolves regardless of their behaviors. Now, the same are firmly entrenched among your leadership, running your country, and you shall all have the "Piper to Pay".

BEWARE, AND DOUBLE BEWARE, YOU WHO CONJURE UP THE SAME THROUGH OUIJA BOARDS AND THE LIKE. YOU ARE WORKING TOWARD YOUR OWN DESTRUCTION. ANYONE ON THE RECEIVING END OF THESE TRANSMISSIONS FOR PURPOSES OF TEACHING OTHERS WITHIN YOUR SPHERE IS GIVEN GRAND TRAINING IN THE FIGHTING OF EVIL ENTITIES BEFORE BEING ALLOWED TO RECEIVE. FOR SUCH A ONE IS MOST CERTAINLY BOMBARDED, AND MUST CERTAINLY HAVE THE GIFTS OF DISCERNING AND KNOWING, AS WELL AS MUCH PRACTICE IN SPIRITUAL WARFARE.

Remember, Precious Children, that some of those you might condemn to the electric chair might open up to higher teachings and truths in time. You cannot predict the direction of the heart. Would you deny another human being the right to spiritual evolvment? None of you have any reason to be within your sphere, save it be to evolve spiritually. YOU, WHO WOULD DENY ONE SUCH AN OPPORTUNITY TO EVOLVE SPIRITUALLY, ARE PLACING YOURSELVES IN THE STEAD OF GOD. DO YOU NOT KNOW THAT YOU ARE ACCOUNTABLE AND THUS JUDGED?

REMEMBER: MANY OF YOU ACCEPT THESE DESTRUCTIVE SEEDS AS YOUR OWN AND YOU GIVE PLACE FOR THEM TO GROW. REMEMBER: ONLY YOU CAN GIVE THEM A PLACE TO GROW.

Little Ones, remember that these evil spirit forms will frequently STALK the same person en masse, seeking to displace the soul and possess the body. IF FILLED OF GREAT DARKNESS, SUCH AN INDIVIDUAL WILL NO LONGER KNOW WHICH THOUGHTS ARE FROM SELF AND WHICH ARE NOT FROM SELF. THE POINT IS TO RECOGNIZE THAT CERTAIN THOUGHTS DO OR DO NOT COME FROM YOURSELF and QUICKLY DISMISS THOSE WHICH ARE NOT YOUR VERY OWN. GIVE THE NEGATIVE NO PLACE TO GROW WITHIN YOU. If you do find them growing, DO AS YOU HAVE BEEN TOLD TO CLEAN YOURSELF FROM THE SAME.

You all must remember that once these have their sights set on you for POSSESSION, they will "DOG" you. Be sure to start each day with prayer and meditation. DEDICATE EACH DAY TO THE WORKS OF CREATOR, ASKING FOR PROTECTION THROUGH THE ARMOR OF GOD AND LIGHT ENTITIES (ANGELS), AND THAT DIVINE WILL BE DONE IN ALL YOUR AFFAIRS. LIVE THE LAWS. Precious Children, continually seek to be an OPEN and CLEAN vessel that the LIGHT OF GOD might SHINE WITHIN AND WITHOUT YOU. DAILY, MAKE AMENDS TO ANYONE YOU HAVE OFFENDED. TELL NO LIES. LIVE TRUTH. Clean your vessel on a DAILY BASIS that these SEEDS OF DESTRUCTION have NO PLACE TO GROW within you. LIGHT FEEDS UPON LIGHT. DARKNESS UPON DARKNESS--IF TENDED.

PRECIOUS CHILDREN, YOU MUST KNOW HOW THE ENEMY OPERATES, OR YOU WILL NOT KNOW HOW TO PROTECT YOURSELF. AT THIS TIME THERE ARE EVEN GREATER NUMBERS OF THESE "EVIL" ENTITIES WITHIN YOUR SPHERE. YOU MUST REMEMBER AT ALL TIMES THAT THE BATTLE IS "A BATTLE FOR YOUR VERY SOUL." It is extremely important that you be AWARE of what is happening and that you protect your PRECIOUS

CHILDREN. Allow them to be NO audience to the HORROR, BLOOD and SEX, and DRUGS they are FEEDING you on your PROGRAMMED TELEVISION SETS. BELOVED CHILDREN, CEASE TO PAY HOMAGE TO THEIR WORKS. DO NOT PAY VISIT TO THEIR PICTURE SHOWS. MAKE SURE THAT YOUR CHILDREN KNOW THEIR MODUS OPERANDI. HUGE NUMBERS OF THEM ARE ABOUT POSSESSING AS MANY BODIES AS POSSIBLE. THIS IS A "WAR". WAKE UP! WAKE UP! THEY ARE OUT TO TOTALLY PREVENT THE SPIRITUAL EVOLUTION OF EACH OF YOU, EVEN UNTO THE VERY DESTRUCTION OF YOUR SOULS.

No longer give homage to their form of slavery. Learn to RECOGNIZE, TO KNOW which THOUGHTS are YOURS and which are not. PEOPLE, THE REAL WORLD IS THE WORLD OF SPIRIT. YOU ARE ENERGY BEINGS VISITING PHYSICAL FORMS. THE PHYSICAL IS HERE TODAY AND GONE TOMORROW.

Call upon us often for there are many, many of us here in these FINAL DAYS who have come to GIVE AID unto you, GOD'S SHEEP, LOST UNTO THE WHIRLWINDS OF SATAN. You must ask. We are forbidden by LAW to intervene without your EXPRESS PERMISSION. STUDY THIS CAREFULLY, FOR THERE IS MUCH TRUTH, HEREIN. IT IS FOR THE WISDOM, THE UNDERSTANDING, THE IN-LIGHT-ENMENT....THE SPIRITUAL EVOLUTION OF EACH OF YOU. FOR IF YOU ARE IN THE "KNOW", YOU CANNOT BE SO EASILY "DECEIVED". I AM MOSES.

Just a final note on THE EXPLOSIONS BENEATH LITTLE ROCK AND SURROUNDING AREA. Did you have any doubts as to what is really going on therein? Large numbers of troops are building up in expansive underground bases. PRECIOUS CHILDREN, THESE ARE NOT YOUR OWN AMERICAN TROOPS. You already have massive underground bases as large cities, yet they continue with the expanding. These intend to remain therein despite the re-structuring of the Earth LAND MASSES and the upcoming POLAR SHIFT. It matters not to these that they are at the very edges of the New Madrid Fault. It is their thinking that the whole fault will BLOW sooner rather than later. They work to do all they can to help the same along. And how was your day?

Her is AA Michael's latest, we are On the verge of some "transformation" that is not going be "comfortable."

### **Be prepared- Midnight approaches-AA Michael**

The capillaries of time are unravelling for the flaccid structures in your earthly world as perturbances tear asunder that which is already bent and breaking under the weight of corruption and greed. The cannibals who are your worldly elite are biting the dust as they quiver now in the knowing of what transpires before them. Full awareness is now being brought to those who must make the final choices as the helm is primed to collapse. The bitter end for many is close at hand now and the raging tempest of their own virulent deeds will parade before them as they descend. For theirs is a descent by choice. Do not allow the eyes of fear to stare at you beloveds for only if you are one of them will you be consumed by the void that awaits.

The call from Source has been given and all hands are moving now behind the curtains of your mortal world in final preparation for the unveiling. O yes beloveds an unveiling is taking place at many different levels now and soon man will come face to face with his Creator. Many of you have the tendency to feel that dynamic changes will not occur in your lifetime. This is indeed not the case; for unless you are close to mortal transition you will experience the global changes that are evolving into a predicament of universal proportions. This is ordained to be and not in the least unexpected. Though your mortal understanding may be poor, the spirits of those ensouled are aware at the essential level. Many will be shocked into their spirit; meaning, that as the events unfold the awe of the effects will actually jar into awakening many souls. Yet the strident nature of the revelations will leave many without their bodies. Yes beloveds a time of great fear is at hand but only for those who have shunned the understanding shared by we your celestial friends for many generations.

I do not wish you to say that Michael is the bearer of doom and gloom or that this scribe has contrived this information. These revelations have been given before but as the sequence of time unravels and the moments creep to the glory of change, a reminder becomes necessary. FOR AS THE STROKE OF FINALITY breaches the quietude of your accepted existence you must know that your world will never be the same again. Start becoming comfortable with change. Train yourself to adapt and adjust for there will be a period of time within which you will be living in uncertainty as the bowels of the earth cleanses itself and as the stormy structures in place regurgitate that which has choked the very life of balance. I refer to the dark brotherhood and their insidious games. Be prepared to see new faces and to tune your recognition to the lighted beings who will offer their helping hands to pull you ones on earth out of the tempestuous circumstances which currently shroud your world. Be assured that during these times you are not alone. We are keeping check and know each and every one of you for each soul's imprint is recorded in the book of life.

Open your hearts and minds now for truly this is a time which requires you to exercise your God

given intelligence to make choices that will be of benefit to you. For the choices you make will determine how you deal with the onslaught of changes imminently poised on the steps of your world.

Believe when I say that the changes that are occurring and will occur are necessary to lead you into the land of the living for surely you who are knowing of God must recognise that your world is dying. Man has assigned his very world to death. It is the mercy of the Father which speaks now in the intervention that will lead to the survival of the earth and those in readiness for ascension. Let there be no doubt that what is occurring and what is to occur is caused by the hand of man. The very one you call God is intervening at the call and cry of his children, foremost the earth herself. Call it a divine rescue. Make no mistake however, these changes will manifest as part of the cosmic order which is also eminently occurring on other planets as part of a universal ascension process.

Beloveds a gentler tone will I take that you may know that what is to transpire culls that which has so many of you suffering and ill at ease in this your world. The events are necessary for you ones to see who you have allowed to rule you. After you have come into the shocking awareness you will begin to feel the gentle and loving breath of your Creator manifest in your world. He has always been with you but you have not acknowledged Him. No more. Eternity is calling and you must answer now or once again postpone the claiming of your heritage which will lead inevitably to a long and winding path back home. I ask at this time that you think with your higher mind and relinquish the thoughts of the ego which will seek to keep you sedated in the false belief that all is well and all shall be well. Indeed all shall end well!!

Beloved children the Angelic realm is closer than you think and we are waiting upon many to answer the nudges we give so that we can pull you truly into the light and assist you on your journey.

Know that regardless of your choices we shall continue to shower you with our love BUT we cannot choose your salvation for you. Only you can make that choice.

Michael come in the Light to bid you take care during the tumultuous times ahead and to prepare for the great rising.

No I don't think so, just a bunch of earth based starseeds painting away. There are some there that ring some bells with me, on the landscapes. I wasn't any to crazy about the "alien pics" from I think an earth sci fi movie as I looked more and more of the link.

In the landscapes section there was a gorgeous building placed over a falls similar looking to Niagara falls which apparently was powered by the water falls itself. Having finally visited Niagara Falls a couple years ago, that caught my attention.

**Let the Christ Within be Risen-Nebadonia**

Each spirit is endowed with the character of God. It abides in its inherent energy being the Christ energy. It markets itself through the human body. It offers its wares through the human mind. It is a dormant energy until ignited by man's desire to know himself and discover his roots.

The pattern of your life bears the blueprint of the Father's presence; for all His creation is mirrored in Him. He resides through your very body and sits in the energetic centres of your physical form. He is the host of your spirit and the seat of your soul. He kindles the light of Himself with the hope that you will seize the opportunity to ignite the flame of God within and carry His torch on your journey through transitory territory to learn and 'become'. He remains always your inner mentor and guide. He desires to be alive truly in the midst of your evolution that through every moment of your unfolding He can hold your hands and keep you steadfast and sure on your path towards Godhood. He is the living example that you are required to follow; yet His lead is never without, only within.

The Christ is registered within your form and it is your desire to know Him and be like Him that awakens greater dimensions of Him within you. The delights of the Christ within await you that you may partake of His sovereign flavours and begin to accept Him as yourself. His energy, being the energy of spirit subordinates the flesh and unless you are attuned physically through your energetic centres you will experience Him through the mind. God is all Mind and it is at this level that you must endeavour to connect with Him before His essence is translated into governance of your emotional and mental perspectives.

He enjoins with your mind offering you His thoughts that you may think with Him and that your thoughts and His become one, without differentiation. Do you not see dearly beloved children that you must reunite with your God mind, being the very Mind of God which finds a repository within you and you must become one with that Mind. It is then that you will truly comprehend what it means to be one with God. Creation started at the level of Mind and as a co-creator you must return to that Mind to experience God. I trust this makes sense to you.

When you can think as the Christ does and these thoughts reflect themselves in your outward conduct and creations only then can you truly measure the extent of your appreciation of Oneness. Nurturing the presence of the inner Christ is imperative for ascension. You cannot do this without Him. You are not independent of God. The Christ you knew on the cross rose to reunite with His Father in Oneness after He completed his bestowal. The Christ within you must also rise if you intend to continue your journey through flesh into the purity of your very being to become One with God.

Christ is Light and light must always be your choice. The tendency to look at events on the outer plane as if darkness prevails there alone must be discarded. Perceptions of darkness initiates from within. Go within first and foremost and through alignment with the inner Christ cleanse the dark structures which create inner disharmony and impedes inner peace. How can you feel the living Christ working within you if you entertain dark thoughts, feelings and agendas? The journey into the deepest life of your soul may be a gradual one, but you are required to act with honesty in assessing where you are spiritually. Your spirit will never lie. Words are meaningless and intent must find its conduit through positive actions, reflections and creations.

This is a call to all- that the Christ within each of you must be risen that you can dwell in absolute truth. The Christ is the candle in your heart and will burn eternally if you allow Him to. He will indeed be your vision for He is your light. He will be your knowing for He is your mind. Yet He desires you to be the heart of God in this your lonely world; that if each desire, choose and work towards being the heart of God, the tune of unconditional love shall become the foundation for the rhythm of life. Call for the Christ within to enfold you in His consciousness and dwell in the stillness of his core to be refreshed, enthused and enlightened. Then give Him permission to be the life within you and allow him to live through you and surely then the Christ within shall arise.

O immaculate children of God why do I use this word for thee? Simply that is who you are. You have sullied the image of yourself through your own perceptions and in so doing you live in accordance with what you perceive; not the knowledge of God that you are One with Him and perfect as He is. If only you can fathom and hold this knowledge as your own, you will move mountains to accord with the truth. Be ye like unto Him for He is the cloth from which you were made.

Blessings  
Nebadonia

Keep reminding folks to look INSIDE for God and not "up there." -C

Lovely piece with Rosie and seraphim. The earth cannot be transformed until one by one, people let themselves out of their preconceived prisons. This project would not have been possible if our members chose to stay in their prisons! how many do YOU KNOW around you who are living in the prisons of their own making? I would suggest that projects with those around you might be interesting, if you took to suggesting they have created or allowed the conditions under which they live, which is sometimes physical, but more, of the soul. Religion imprisons these ones. it is so mediocre and that is WHY of course the religions were created, to keep people prisoners of their own minds. Also look into your own experiences and see honestly where you imprison your self and demonstrate to those around you the way out!

**Message 67: VOLUNTARY PRISONS AND INFINITE SPACE**

Seraphin through Rosie, 8th August 2011

\*

R: Dearest Seraphin: I feel you wish to make some comments on proximity and space in the present context of our planet's history. Regarding proximity, compassion is a way to approach a person, trying to feel what they are feeling, trying to enter their shoes. During my meditations, this has gone one step further, BEING a person or a country which is suffering, feeling and investigating the pain and working on that. Another method I have used has been describing and painting the transformation of "global villagers" who represent the global population. Perhaps these villagers are me, or were me in past life-times. What effect does this sort of work have? What are the boundaries?

\*

S: Boundaries, Dearest, are a product of minds which – out of fear or ignorance or complacency – have put themselves in a VOLUNTARY PRISON. The shape and size and conditions of the prison are ENTIRELY OF YOUR OWN CHOOSING AND CAN BE CHANGED OR EXTENDED OR ERRADICATED WHENEVER YOU DETERMINE TO DO SO.

\*

We are sometimes amazed to see you little ones "caught" in prison-like situations, running hither and thither, worrying about all outcomes and effects and possibilities, when all it takes is a clear head and ONE CLEAR CONCRETE DECISION TO CHANGE DIRECTION. And when you have done that, you look back in retrospect and wonder WHY YOU DID NOT DO THAT EARLIER, FOR THAT WHICH SEEMED TO BE AN INSURMOUNTABLE MOUNTAIN NOW SEEMS TO BE A

VERY SMALL HILL INDEED.

\*

Looking up in awe at such mountains, at the sheer rock face, fully visualising the difficulty of the climb, the footholds which could so easily crumble, and the heights from which you could so easily fall, blinds you to the fact that there may well be an easy gentle path to the top, just round the corner, if only you will look.

\*

Moving into a different SPACE, a different perspective, talking to a different person, creatively selecting a different route, all these may help you to MOVE instead of being stuck, of being rooted to the spot, preferring to stagnate rather than take the decision to go on. And at this time, the majority of the population on this planet are in FULL MENTAL STAGNATION, thus finding themselves imprisoned by those with EXTREME MENTAL AGILITY, those who are also extremely well-versed in methods of instilling fear to their advantage.

\*

The unpleasant boundaries you anticipate – including the most feared of all called DEATH – DO NOT EXIST OTHER THAN IN YOUR MINDS. STRIVE FOR ABSOLUTE CLARITY IN THIS: IF EVERYONE TOOK BUT ONE STEP FORWARD TO FREEING THEMSELVES OF THE SHACKLES IMPOSED UPON THEM (AND WILLINGLY ACCEPTED), THE PLANET WOULD BE BETTER ABLE TO BREAK OUT OF HER PRESENT DESECRATION, FOR YOU ARE LINKED.

\*

Because the planet has suffered for so long, without breaking out, it is now her turn to move through the door, which is always open.

\*

You ask: What are the boundaries? You are all an inextricable part of the earth: you share the same breath and heartbeat. Similarly you are all part of everyone else, in all space and time. Your inability to address problems of all natures translates into problems on other planes. It diffuses into other dimensions, filtering down into the past and polluting the future. NOTHING REMAINS UNAFFECTED. YOU ARE CONSTANTLY CARRYING YOUR EXPERIENCE INTO OTHER SPACES, DEMONSTRATING AND PROMULGATING YOUR MODE OF BEHAVIOUR, WHAT EVER YOU MAY CHOOSE THAT BEHAVIOUR MAY BE.

\*

And we say: BE CONSTANTLY AWARE THAT YOU HAVE THAT CHOICE, THAT YOUR EVERY THOUGHT WILL HOVER – LIKE A BUTTERFLY, A BAT OR A MOSQUITO – UNTIL IT FINDS ITS MANY MULTI-DIMENSIONAL LANDING PLACES. The only question remaining, then, is whether your thoughts bear the intention to beautify like the butterfly, to instil fear like a vampire bat, or sting like a mosquito. Do you bear the intention to destroy and humiliate, or to support and enhance? Are your thoughts sent with a kiss or a curse? In accordance with your intention, they will inevitably colour your world for better or worse.

\*

In this sense, SPACE DOES NOT EXIST, and all there is for anyone and anything is the verb TO BE, for all are one and there are no spaces in between. And we say EXPERIMENT with this. BE another person, country or planet and sense which part of your new body now requires healing, requires loving attention, requires a second look, requires closure, and know that the changes you initiate will affect another plane. BE a new and different version of you, trying on the clothes or skin or planetary crust of another. Extend your awareness and heal a part of yourself by healing a part of another.

\*

Do you see where this is heading? You are the drop of water in a polluted ocean. You are a genetically manipulated seed planted in a field doused with artificial fertiliser. You are a small tender plant strangled by rampant weeds. You are a million stars in a far-flung galaxy. If you can take on these roles, you will ask WHY and search for solutions. If you are in polluted water, you will seek METHODS OF PURIFICATION, if you are a genetically manipulated seed, you will seek METHODS TO REVERSE ADVERSE PROGRAMING, if you are planted in contaminated soil, you

will seek METHODS TO REGNERATE NATURALLY, and if strangled by weeds you will seek METHODS OF CLEARING THE MENTAL JUNGLE. And if you are a million stars, you will be encouraged to LIVE YOUR INFINITE POTENTIAL AND SPREAD ETHEREAL LIGHT.

\*

We want to tell you that there is so much more than the little worlds in which you proudly wander, worlds which you have constructed so carefully for yourselves, worlds in which you have severely limited yourselves for fear of failing. But these small rooms in which you stride so confidently are nothing compared with the boundless expanses of the universe. Of these you are largely ignorant. EXPAND YOURSELVES, little ones, and harbour the knowledge that you are much much more than what you presently perceive. Then you will gradually be able to realise that there is NO SPACE between you and the furthestmost star, no pain which is not your pain, no joy which is not your joy, and no DIVINITY which is not yourself.

An example of WHAT IS NOT about the transformation of GAIA, borrow off Jerusalem Russ' thread.

Nope not Catholic. Do not recognize Pope.

So why do you recognize the Pope's calendar system and use it every day? I saw the Pope's date in your last post.

Just admit it, you are part Catholic

Sun Jul 5/27/11

Nope, today is the 7th day of the week - God's Sabbath. On this day we commemorate creation and the Creator.

For everything else the govt is ran by Rome, not Christians. It will be this way until the Second Coming when Jesus establishes His kingdom. There is no kingdom of God until then. We cannot setup a kingdom of god.

Quoting: **hanso low 1497668**

God has NO sabbath day requirement, it is MAN that created that. God does suggest a day of rest from work etc, which can be any day of the week. Every Day is GODS DAY beloveds.

God never takes a break from the creation. Do the cows stop making milk on the sabbath? do the Chickens stop laying eggs? do people get well and vacate hospitals or refuse to need their appendix removed on the Sabbath. This is NOT a rule of God, but a rule of man to rip you ones off when you attend your religious house of "worship."

And we CAN set up a Kingdom of God, we have miserably FAILED TO DO SO. NORMAL PLANETS DO. this is a whacked out planet, which doesn't recognize God in any way shape or form, hence this silly sabbath. Jesus cannot set it up either, it is false teaching. Man has to do it. He has not, and this is his last chance and it's not going to happen. 5 times prior to this, the same souls reincarnating here have gone under the seas, for failure to establish a kingdom of heaven on earth. They have failed again, despite all the help given.

And Russ, Calendars do not make men Godly. It must come within, regardless of WHO created the calendar currently in use, and that one is majorly OFF because Jesus was born aug 21, 7 BC.

A member of my team, Johan, guides people supporting AH in a series of meditations, for each Sunday. You are Invited if you wish to participate, at 7 PM Sunday, your time. If you want to participate, but can't make 7 PM, just pick on the hour any other time, because there are 24 7 PM's around the clock!

This is for tomorrow. People are generally mentally coming together, and working these topics for 1/2 hour or so, according to the individual. On my forum several are engaging in this twice a day, at 7 and 7 and then they write up what they see. I need to collect some more of Rosie's reports from these, I placed some, some place here on GLP.

Sunday Meditation focus for August 14  
By Johan and CM

Aug 14, 2011 - 11:13:07 PM

Some weeks ago we focused with our AH Groups Meditations on Hollywood, LA and we kept seeing and hearing in our meditation reports about the hidden vaults, tunnels, underground activities. Well here is one of these many type of hidden underground stories coming to the surface.

With more suggestions from AH members about other cities with similar problems mainly pivoting around drugs, childabuse, prostitution etc. I asked CMAton, since we had only been focusing on Mother Earth and her Needs lately, if we could not return to focusing on specific areas, cities, human drama's etc.

Here is his answer : " It saddens us greatly to see what is going on in some places, AND WE SEE AND KNOW ALOT MORE THEN YOU DO, and we appreciate your concern and readiness to go back into the field, but I must tell you, with pain in my heart for those innocent children and poor people, of which some have choosen their roles aswell, the time is too short and the most important field FOR ALL OF US NOW IS MOTHER EARTH. Urgency and our extreme vigilance does not allow us to deviate from the unforeseen consequences of some possible earth changes that would cause untold misery, what we try to avoid since we still work around the principle of benefit and Highest Purpose of ALL, or as many as possible, involved. Some areas you know of are of great concern and intervention will be needed in moments notice so we have to concentrate on this now.

We have specialised teams at work to monitor, intensify, who work behind the scenes, and can ill afford having a group of Lightworkers run away with their own projects that may cause extra havoc by not knowing how and what and unavoidable extra correction from our part.

Stay the course, even for your Sunday AH Groups Meditation, Connect with Us Celestial Ones and All Parties involved, from Agartha Inner Earth People, Surface Light workers and meditators like yourselves, starfleet, focus on your own AH Group and bring all of that JOINED GROUPS ENERGY towards the crystal core of Mother Earth. There follow your Inner and Higher Guidance what needs to be done, but especially focus on the Needs from Mother Earth.

As mentioned twice already, try to help in mother Earth making the link with her Solar System Sisters, the other Planets and brother, the Sun to be Lifted, to be Informed, to be Strengthened, to be Supported as you from AH already do.

Where your focus and attention is, there is our Joint Energy at work, what can bring the much needed Earth changes to a serious start, where otherwise other measures will have to be taken. Go forth in your work as such, Light Workers and know we all long for that finish line crossing one way or another, as Cosmic pressing matters are arriving so thank you all for standing by with your Sincere Desire to go unto Others, Mother Earth entirely in the first place. ### **Corey Feldman: Pedophilia Is Hollywood's Biggest Problem (VIDEO)**

Former child-star Corey Feldman is making some shocking claims in a new interview with ABC's Nightline.

The 40-year-old actor, who starred in hit films in the 1980s like "The Goonies" and "Stand By Me," told Nightline that the biggest threat to children in show business is something that just isn't talked about -- pedophilia.

"I can tell you that the number one problem in Hollywood was, and is, and always will be pedophilia. That's the biggest problem for children in this industry... it's all done under the radar. It's the big secret," he said.

Feldman said he was surrounded by pedophiles when he was 14-years-old and didn't realize until he was older just what these "vultures" were and what they wanted. Feldman says it was these people who abused both him and close friend and troubled teen actor Corey Haim, who died last year at the age of 38.

"There is one person to blame in the death of Corey Haim, and that person happens to be a Hollywood mogul -- and that person needs to be exposed but unfortunately I can't be the one to do it," he said.

Both Feldman and Haim have talked about their abuse before, even confronting one another about it on their 2008 reality series "Two Coreys," revealing that they were both being molested by different people at the same time.

Feldman told Nightline, "There are so many people in this industry who have gotten away with it for so long that they feel they're above the law. And that's got to change, that's got to stop."

There still seems to be a rift between Feldman and Haim's family. When Haim died in 2010, Feldman was not invited to the funeral and when Nightline reached out to Haim's mother for comment, she told them she wasn't going to respond to anything Feldman had to say, and wishes he would only talk about himself.
