...there is not just one son of God. If you are father indwelt, you CAN access the Spirit of Truth to obtain, well TRUTH.

Quoting: **Nobody in Particular**

i have done this. by accident tho, so it took me quite by surprise.

i am confident that this (my) 'experience' occurred as the (unintended and incomplete, i feel) result of many years (im 44) of mental, physical, and mystical study.

and when She rang so very deeply in me, i was fortunate to have already built a GAIA context for the experience to fit right into.

lucky. others go mad when they realize all that they have pursued was meaningless.

i can tell you that the physical sensation is beyond orgasm, but without the 'little death' that happens normally. and that without proper preparation (which i realized i did not have) this experience can 'burn' u to a cinder. Accessing Her flow is not to be taken lightly.

it took the combined effort of twice daily yoga, my tattoo artist (grounding pain) and my healer (grounding needles) and two weeks to set my 'feet' back onto 'earth' again.

much training left, have i, b4 i go there again.

still the truth of the experience is undeniable and explains much.

and thank you Nobody (i always think of 'dead man' when i see your posts) for your insight- tho i could debate a few fine points.... :D

Time for Passage- The Creator Source

Time for Passage- The Creator Source

The Earth's clock has slowed down and the ticking sound of those hands becomes feint. Prepare you ones who are in the knowing as night falls to herald an imposed period of slumber. It has become necessary to execute with fervour the saving grace; that which will rescue the planet herself from the doldrums of darkness which has infiltrated her body and awareness and created torpor destined to keep her numb. Gaia's body has become for the most part comatose through eons of abuse. Her spirit is most willing to abide by her Creator's will but her body cannot respond as required. She has become powerless and there is now need for higher intervention.

The prophesy of 2000 thousand and more years ago in your counting must be fulfilled, for this is the very promise made by MY SON. HIS word shall be fulfilled. However HIS return will not be in the likeness of that which most believers expect. Many will be gravely disappointed, should they know, that their perceptions of his return scantily resembles their expectations. In fact they will not know until it is too late. It has become necessary for major action to be taken not in accordance with the original plan. Yet as you ones know plans have had to be amended to take into consideration the needs of the earth and the people and to protect for the greatest good all from the incipient chaos that the dark brothers have planned.

You cannot even begin to imagine the fierceness of their plans for you ones. For this has turned into a raging battle between Evil and God. Yes you heard ME. The evil that scars your earth plane uses man in their battle against God and by this I mean MY very SON who gave most of them life. Sons against Father; sons and daughters who have disowned their very Source. They care not about you ones who they have infected with their poisonous ways. They seek to attack the Father through you. This they do in myriad ways. Of late however grave diabolism marks their intent.

They will stop at nothing now to have their way for they intend to have the last say. There is an unbridled power emanating from within them now that is at its fiercest as they face the final countdown. They know that it is time. They have for aeons hidden behind man and earth to wreak their havoc. Now they will face Michael MY very Son and HIS host. This is the time of true and deliberate reckoning. They know beloved and they fight now with every ounce of strength left.

They have been deluded into believing that the victories that they have achieved over the earth and her inhabitants can endure. They fight with all that is physical- they have not one iota of cosmic or spiritual strength. They are going to be nipped. They will simply and easily be removed. MY SON has effected to bring them home using various means and tactics, but they have rejected HIS welcoming love and now they must face the fire of their own choosing.

There will be no war, no Armageddon as was and is expected by some. Man cannot fight with God. It just isn't possible. God has no intention of reducing Himself to mans' level of expectation or perception. God does not indulge in these nursery games. HE efforts to bring ones out of the nursery as graduates in spirit. There will be peace in the movement that will be initiated without acceptance. Man will not now be given a choice for he has long been given the choice. Many have shunned the offering, few have accepted it whole heartedly and others have tasted and remain undecided.

For those of you who know what is at this very moment eventualising in another dimension, you will know what must follow. The inevitable is being executed now and time is to pause. The Father knows what is best and for those who have made their commitments knowingly, I ask that you place your whole hearted trust in the Father's will and way. The intricacies of execution should not be your concern. You are not in a position to understand how it will all unfold. Just trust. Readiness of your spirit is all that is necessary. I want you to remember that I AM not moved by words that you utter through your lips; I AM moved by what is in your heart as aligned with your spirit.

You cannot want things of the earth and also desire to be with ME. This simply means that you must let go now of your desires and wants and preferences and join with MY SON. Let go and Let God be the ONE who guides you from within. Empty yourself that I may fill you; that you may be in no doubt where your allegiance lies. Disown these feelings of attachment to earthly things. True Love is imperishable and cannot be lost through death or separation.

Focus now on your spiritual enhancement for wherever you may find your self, God will not do it for you. You will not just find yourself with wings through the manifested changes. You will earn your wings. Let this time be spent in reverence with the Holy one who abides in the soul's precinct. Allow the feeling of Oneness born from the love of your creation to be your inner field. Effort in the moments of your life now, to consciously join with ME from within and intend to hear ME.

You are not conscious of the hour of change; you will not know when it happens BUT you can transit into it with a supreme knowing and confidence. Know that indeed Michael's will shall be done for HIS will is always in accord and synchronicity with MINE OWN. Trust that your loved ones will be where they must and do not spend your time worrying about this or that. I ask you- what matters now? Think on that.

Michael needs totally committed co creators; ones who will stand with HIM through thick and thin; ones who will not whimper at the slightest inconvenience; ones with initiative, drive and openness, who stands ready to effect HIS plans for the planet. I will remind you again that though major changes will be effected, each will continue to have responsibility for his/her spirit's evolution.

God does not discount the human feeling or emotion; but does expect that those who have evolved in spirit's way shall make all choices amenable to spirit and the infinite 'spirit being'- God.

These are most precarious times on your earth plane and I issue a caution to you of the Light to be vigilant and remain in alignment every moment. The darkened brothers know that they are living and ruling on borrowed time and that MY SON is here now to reclaim what is HIS. The process will be executed with great finesses, sureness and certitude.

Blessed be these word for they are given and received in Holy truth. Abide by them. Time is now of the essence.

I AM YOUR SOURCE AND ULTIMATE CREATOR

A Father's Plea- The Creator

I come in this solitary moment to introduce MYSELF to those who do not know ME; to those who know of ME; to those who view me in a religious context; and to reinforce MY presence within those who do know ME.

Times of great change loom auspiciously upon your earth plane and you of the human civilisation must come into the knowing of MY presence; hastily I might add.

I AM the ONE you call GOD, Creator, Source, Universal Deity, Foremost intelligence, Ultimate determiner, Final Judge and Adjudicator. It matters not the variation in title for I AM ONE and the same. I will simply refer to MYSELF as the Universal Father of ALL creation.

Titles and names create distinctions and causes separation in one's understanding as one seeks a God of his/her culture. Know that God is One and All is One and ONE is ALL. It is when you come to understand this simple truth that profound awareness will dawn.

I come to affirm your status as sons and daughters of the light; for it is imperative at this juncture that you perceive yourself in light. Light is the quintessential you. That which darkens your world does not define you. Your body does not define you. Your earthly status does not define you. It is I the Creator of All, that defines you.

I cannot be seen but that does not mean that I do not exist. I can be known and experienced from within; and that is more credible than seeing. Knowing is your proof; feeling is your rule of measure. The nature of ME is the nature of you and you must therefore call upon your understanding of ME to know yourself.

I have many times brought the same message in different ways through different ones and I shall continue to do this until your immortal soul, which you are is allowed entrance into your physical mind to minister truth. Why do I endeavour with constancy and consistency to bring you truth? Simply my beloveds because you are MINE and I desire you to return home to ME. The route your take is of course your choice but I desire to see you placed on the path of knowing.

Which father will leave his children unattended, without care or supreme love? I cannot see you continuously suffering and not endeavour to lead you out of turmoil. It is love which engenders MY effort. I can see what beholds your world presently. I know what is transpiring and what will fall upon thee. I come to assist the confused, to bring clarity that those who may doubt will accept ME once and for all; not blindly or because I say you should, but because you know you must.

I am the living essence of truth within you. You can only find your truth there. I issue an invitation to you at this twelfth hour that has come upon the earth plane. Turn to ME; even if you never have before; turn to ME, call upon ME; not in challenge, but in need and love. I shall respond.

What other choice do you have dear ones? This is my final bid to draw you into the fold using only truth and a promise of a brighter future. The purpose of your life at this very moment should be to discover ME with haste as the winds of change carry yet another cycle to completion; that the new and exciting tomorrow may be yielded for your earth.

Many are now walking a tightrope with little balance left; so what say you? Will you not join the bandwagon of lighted beings and begin the most wondrous exploration of a new plane filled with knowledge and excitement for grander and purposeful living?

The canopy of change has now descended. You need only look around your world to witness the great confusion and collapse materialising. Will you continue to deny what you face or what it portends for your world? Who is your likely salvation now? When all is crumbling around you, who will you call upon? Can you save yourselves? From my vantage point I will offer a negative response.

That which you face on your earth is beyond your control and that which is fortuitously taking place cosmically is also beyond your control. I wish to tell you MY plans for you but how many will hear and believe? How many of MY ones have you castigated and deemed mental? Well it is those very ones who are sane my beloved children. The 'mental' ones are the knowing ones; the ones who know MY truth and serve it. It would serve you well to rethink what you have heard from the voices of God. For these ones who bring truth are MY voice.

I will not come again to you in this way. I take the bolder approach that you may hear without fear. Can you not hear the appeal through these MY words. Do not say after the event that the Father has deserted you or cast you aside. For the Father comes here and now to woo you back home. Will you hear and answer?

For generations I have sent MY beloved sons to effort with you of earth plane. Now I come MYSELF. Will you still reject the ONE you say you love? Must I descend from the clouds for you to believe? I do not live up to false conceptions or beliefs; for I serve Truth, which I AM. I can only urge you to seek truth by listening to the voice within. You will not see ME my little ones, but you will know ME if you know truth for I am already here.

I come not to create fear or feed your doubts. I come in truth only to tell you that your time on the earth has all but ended. Night is upon you now and some will never awaken to a blooming tomorrow. Take MY hand now for this is the final offer before the curtain falls.

I AM THE CREATOR OF ALL THAT IS- MY SON WHO YOU KNOW AS THE CHRIST IS ONE WITH ME AND THERE IS NO DISTINCTION. YOU ARE ONE WITH ME FOR I CREATED YOU. I PROCLAIM THE VICTORY OF THE LIGHT. THE TIME FOR SEPARATION HAS COME.

well Lisa Lisa banned me from her threads, for telling the TRUTH once again that Jesus was NOT the only son of God, and in fact GOD sent himself here to tell everyone that his Father is Also Their Father. So many Christians are just so mind controlled they cannot envision themselves in THE LIKENESS of the FATHER, that Are the FACE of the FATHER ON THIS WORLD. This world society cannot raise itself up UNTIL this is UNDERSTOOD , for when it is understood, people will

-- AH- Candace GLP #13-3 -- page. 8

place their best foot forward.

Most of my being banned from Christian members is for this ONE teaching they cannot comprehend.

Lisa Lisa posted this: John 3:16 "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life."

I objected PLEASANTLY, and gave the real teaching. The most left out teaching of Jesus. John did not write that gospel. and it has been "edited" many times to bring untruth to this world.

Hey Candace, we talked on another thread last night about what is in store for all of us and what will happen.

I told you that I was very tired in spirit and felt very unwanted and or needed by the people on this planet. I can't find a job since i was laid off in July of this yr and There seems to be a blacklisting of sorts going on that if you are unemployed or laid off due to no fault of your own, which was the truth in my case, then the employer will not consider you for a job even after you have applied and are quite possibly capable of doing said task. I cannot help others if I cannot help myself. I need to work just to feel useful again but, if not in this world, then maybe the next will be better.

Nobody comes to see me, or bother me, which I prefer. But I am tired and If things happen as you say they will, then I will be ,more than glad to go because i am no longer needed here.

Having been emotionally abused and verbally abused, I learned to live alone and these folks cannot understand why a woman like myself doesn't have a man to look out for her. I don't like drunks or druggies or wife beaters. I went through all that and will never do so again. Therefore the decision was taken out of my hands to place me by myself and to make me realize that i was to live alone and to work and to earn a living like everyone else if I could.

It has been 15 yrs since all that and I have been looked after and taken care of by not just my guardian angel but, by the Father, I believe, because He wanted me to learn to be stronger so that I could do things for myself.

I am stronger but I am very tired of this dreary day to day existence. I cannot move away, financially that's not an option, so I go out, try to find work and just wait. Hoping something good will finally break through and what happens, happens.

Tell CM I said hello and I am ready to go home to something different if the time is right.

Thanks.

They will be MOVED via CRAFT to other various worlds.

Quoting: **Tiago63**

It is my understanding that we must not worry about our final destiny. The Internet is full of messages about EARTH CHANGES, so we have to read carefully and do some filtering. I strongly believe in a Divine Plan that is on the move here on Earth. This Plan is managed and executed by our Galactic Brothers, whoever they are.

So, why worry? I'm confident that the Divine Flame inside us has already took its decisions regarding our future! So, why worry?

There's no point in imagining if we are going to stay on Earth, or if we're going to planet A or B. And if we die in the process? It doesn't matter at all!

We must keep in mind that we are not our bodies, we are eternal souls inhabiting physical bodies and nothing less. So if we die, we are sent to somewhere else, there's nothing to worry about.

I say to myself everyday, every hour: be patient and be confident.

That's all.

Wow man thats exactly what i have been feeling lately, im stoked someone else feels the same as i do!

Love and light to you brother!

This thread is for discussion of topics brought up in this thread or related genuine discussions about the process of upliftment going on this planet. I saw a post directed to me there shortly ago and that motivated me to go ahead and open this thread. [Thread: The Book of Urantia = Biggest Crock of Bullshit I've Ever Read \(Page 22\)](#)

I will no longer work in that thread, there are at least 4 very nasty folks bent on destroying my reputation by lies and inuendo. I did a lot of teaching based on what they were putting up, but they are not going to stop their game, so it's time to move on.

Since this is MY thread and I AM a gold star member, I do have "god like powers" to remove nasty innuendo and lies and it will. They will NOT be posting in it. Two are already banned from my threads so they cannot post in this one.

That thread was about the Urantia Book, started by another. I don't know of that person ever came back to it to post after a few pages but I hope he/she continued to read. Some lovely folks came into the thread and likewise were bashed, one of them considered somehow to be my "sock puppet", OBE. OBE is **not** the sock puppet type at all, he has a free mind and is a very advanced soul. He has made about the same number of posts, since I returned as NIP as I have.

The UB and PJ are very valid material. I may or may not move some of the posts i made to here, or some of you might wish too. The entire thread is archived anyway by one on my team, so nothing can be lost. It is being used for teaching.

This is the time of Planetary spiritual Transformation of GAIA. There are well more than 200 million starseeds her for the lifting up of the people. Michael of Nebadon set up the 4th dimension, or rather the process leading to it 2000 years ago.

4d is not a happy dimension, it is the dimension of huge arguments in fact, but that is it's magic. People begin to transform from followers sovereign beings who become to begin to consciously choose to become LIKE the Father, to listen to the leading of the Father Fragment within them. They begin to make their decisions in alignment with the Will of the Father. They begin to come together Two or More in HIS NAME. Those that don't wish this, lead a mighty fight to suppress that, and many of you who are well aware of being on the receiving end of that suppression, which is why I left the above thread last night, my efforts can be better used.

so lets talk individual and planetary Transformation here, and how you ones are participating in that! The 4d process always leads to 5d, which IS a state where a majority of people have become God Conscious, aware of their divinity and beginning to act divine!

Ok I'll play :) While I've suspected for a while now that my source is off-world I have only recently come to terms with it. I believe that this is my first time through, and that my humble purpose here is to act as a kind of spiritual forward patrol for the main column, boots on the ground, scouting the path ahead. It has recently been suggested to me that I come from the sister star Sirius and that feels right.

I have always stood in a class of my own, refusing or unable to conform. My eyes are of interesting color and I developed quickly as a child, teaching myself to read and write, skills I surprised my parents with on my 4th birthday. Early testing labeled me in the 99.9% percentile and I continued to outperform other kids to such a degree that the school system basically had to stop

trying to cope and just write me off and let me do my own thing. I would frequently be found drawing entire murals on the desks, in direct and unflinching opposition to the insistence of the teachers that I not do this. I would happily erase them during my punishment and draw a new one the next day. I am the guy who goes to the wrong room, writes the wrong final exam, for a course he didn't take, and still gets the highest score. Despite all my natural talent I have never had any interest in becoming rich, or even successful. I spent most of high school ditching class to smoke pot and play videogames. In my early twenties I dropped out of university for a few years to work a series of blue collar jobs, literally moving boxes. Largely this decision was predicated on my disappointment in what they were teaching me at school, and because I was looking for some inner knowledge or experience or confidence that was not being nurtured in the formal education system. I was raised a scientific atheist and people would have probably assumed that I was a strongly left brained individual if they had never seen my art. Most never did, as I keep my art largely private and have no interest in sharing it even to this day. It is for me.

When I first realized that the facts of 9/11 could not be as they were claimed to be I had something between an epiphany and a mental breakdown. I was also becoming a full fledged psychonaut at this time, experimenting with psychedelics, and I had a near death experience too, surviving a coma brought on by alcohol poisoning. I became obsessive and spent a period of years tracing the tangled threads of conspiracy theories past and present.

I ended up returning to university when I was ready and finishing my degree, but it was often secondary to my real studies. Eventually I joined the graduate student system and began publishing papers, which supplied another epiphany. The most respected scientists in their fields were often fools, clinging to easily disproven ideas, and the peer review system that protects the status quo was a joke. My statistically insignificant respect for authority dropped from 1% to a flat Zero. My conviction deepened, that if I wanted to know anything at all, I would have to throw every assumption away, ignoring the credentials of every expert and instead meditating on the consistency of their message until I could figure out the truth for myself. Behind the tangled veil of politics, I began to see a collision between my concepts of things like quantum physics and the god I could no longer actively deny. Having been forced to abandon much already, I left the safety of my materialist indoctrination too, beginning a process of spiritual development that honestly challenged me for the first time in my life.

These events strung together trace the arc of a great (over?)correction from left brained to right brained thought, rooted in the pure love and compassion that I have for all life. My journey is not complete but when it is it will be a microcosm of the journey that man has had to make on this planet over a larger period of time. By tracing these steps with love I can only hope that my progress cuts the path slightly deeper, leaving behind me a karmic trail to help others along.

Meanwhile I don't get terribly involved in human affairs and live humbly with no ambitions outside of my own self education. This may be an unconscious attempt to avoid collecting any karmic imbalance of my own, but I also learned a long time ago that trying to help people directly is often counter productive. Sometimes I have noticed, while attempting to engage in a kind effort, that the display of my own sometimes imposing ability has actually been a discouraging influence on those people I had intended to assist. Better I have learned to be patient, making yourself available, so that people can use your resources to help themselves when they are ready. Lately I have been feeling like maybe the time for some kind of direct action is nearing, but for now I am still listening, waiting. When my moment arrives I will be ready for it.

My journey is not complete but when it is it will be a microcosm of the journey that man has had to make on this planet over a larger period of time. By tracing these steps with love I can only hope that my progress cuts the path slightly deeper, leaving behind me a karmic trail to help others along.

Meanwhile I don't get terribly involved in human affairs and live humbly with no ambitions outside of my own self education. This may be an unconscious attempt to avoid collecting any karmic imbalance of my own, but I also learned a long time ago that trying to help people directly is often counter productive. Sometimes I have noticed, while attempting to engage in a kind effort, that the display of my own sometimes imposing ability has actually been a discouraging influence on those people I had intended to assist. Better I have learned to be patient, making yourself available, so that people can use your resources to help themselves when they are ready. Lately I have been feeling like maybe the time for some kind of direct action is nearing, but for now I am still listening, waiting. When my moment arrives I will be ready for it.

That is certainly interesting to hear! Perhaps I will read some of your other postings.

My left brain insists that the archetype of the smart kid who chooses not to apply himself in school is quite common. I expect that our (shared?) experiences will probably resonate with many of the souls who are here now for this purpose.

On the other hand I am pleasantly surprised and happy to acknowledge the presence of somebody who identifies with my story so strongly! As you will probably understand, being set apart can make for a lonely existence, even if we do have people that love us. It is good to remember that we are part of something bigger, a brotherhood whose members are spread thinly and work alone, but nonetheless can find strength in common purpose.

I also have a unique name and for the first time in my life recently I met another person with this name. I suppose I could take that as a foreshadowing of this lesson,.. that none of us are ever truly alone...

Yes, being handed a silver platter regarding matters of brain, looks and presence has been both a curse and a blessing. I can relate to most everything, even the NDE.

I love being alone and I'm never bored with my own companionship. The journey, the quest, the instinctive drive for freedom and non-conformity in this rat race of robots has uprooted many "conventional" wishes for my well being.

Always being "aware" of something mysterious and hovering spiritually. As a child, I grew up in

Southern CA on 40 acres of avocado's trees...., that is where my adventures began. The only thing that I find different is that I do not have an uncommon name. It's not common like Jane or Mary or Linda but it isn't "uncommon."

Nice to know your out there as well! ❤️🌸

It is my understanding that we must not worry about our final destiny. The Internet is full of messages about EARTH CHANGES, so we have to read carefully and do some filtering. I strongly believe in a Divine Plan that is on the move here on Earth. This Plan is managed and executed by our Galactic Brothers, whoever they are.

So, why worry? I'm confident that the Divine Flame inside us has already took its decisions regarding our future! So, why worry?

There's no point in imagining if we are going to stay on Earth, or if we're going to planet A or B. And if we die in the process? It doesn't matter at all!

We must keep in mind that we are not our bodies, we are eternal souls inhabiting physical bodies and nothing less. So if we die, we are sent to somewhere else, there's nothing to worry about.

I say to myself everyday, every hour: be patient and be confident.
That's all.

The reason I posted that, is because the person sent it Mentally to me, and I don't get that very often, although I have before, so I just thought I'd let them know I got it! I was so surprised, I didn't have time to get the "signature" so I didn't know who did it. I love it personally when 2 minds succeed on this earth in sending or receiving a personal messages. Sadly some who don't like me here have sent pretty awful mind messages too.

Someday, this will become more and more a normal way to communicate. and even the "AC" can send messages this way, no account needed. I do send these myself here sometimes, when I am posting but I don't know if they get "heard" or not.

the message was simple, I "heard" "I love you NIP" and my little avatar showed up on that "screen" I see when my eyes are shut. I thought it would just make a fund discussion here to demonstrate this stuff does indeed work.

Christmas- The Celestial Truth- Christ Michael Aton

Christmas is a cultural experience when viewed across the chasm of religious divide. It is no longer confined within the Christian context where it serves as a religious reminder of the birth of the Christ and a basis for specific celebration.

What could have been a celebration in remembrance with reverent tones have become a festival of excess, extravagance and external revelry where even those who have no belief or knowledge of the Christ become embroiled in activities centered around Christmas which hold no depth of meaning.

There is no truth for them in the celebration as they brazenly follow a standard imposed upon them. They make themselves willing puppets to the dark masters and mistresses who dangle before them embellishments to appeal to their mortal senses. Their immortal senses or ability to know is disabled by the 'perfection' of the 'riches' used to mesmerise them. The holiness meant to be associated with Christmas absconds as the followers obey the subtle and bold commands issued to them. They have become programmed slaves to the dark who woo them with the ephemeral light bulb symbolism and glorious tales of caricatures created for fictional purposes to degrade the status of GOD.

For you see dear ones there are even those who are 'Christians' who celebrate Christmas not with intent of holiness but for the spirit of grand revelry and notoriety associated with its practices. It is just something that is done at that time of year. For those true Christians believing with intent, the significance is truly degraded; for that which started of for the Christ has in fact evolved into the anti Christ. The practices are Pagan in nature. Man has a need to culminate his year with a celebration so what an opportune time Christmas has become.

The true spirit of Christmas is that of illumination; meaning enlightenment within through the inner celebration of the Christ light. For the Christ is birthed in each soul incarnate. So if this is so, and it is so, then your Christmas should be a celebration of the inner Christ. Christmas or Christ mass- is the union or communion with the Christ. Where is the Christ? Did I not come to tell you that the Kingdom of God lies within you? Did I not promise upon my departure that MY FATHER and I would pour the spirit of God onto the flesh of man? Why do you celebrate MY birth as if I reside outside of you? In truth God is everywhere; but for the purposes of your soul's evolution God is within you.

The Christ my children, is within you and any communion or union in celebration of the Christ should take place within. I am not averse to an outward recognition or celebration. In fact the celebration can be used as a welcoming time for each to embrace another and all as brothers and sisters within the One Kingdom. Yet should this not be a daily aim and achievement?

You cannot compartmentalise ME to times of the year. I AM whole and I AM within you eternally.

So I say to you out of love that you should celebrate Christmas every day of your mortal life; for it is within your ability and certainly your divine entitlement to sit with the Christ within and commune in reverence and in so doing embrace and celebrate the holiness and wholeness of you.

MY very birth was uneventful, not dramatic as you ones display it. I came as man to walk and live as man in humble attire. For those who care, review MY life on your earth and ponder upon how I lived and worked and what I taught. This is the Christ within you. Not one who sits as a king upon a throne requiring unending praise. Is not your communion with the inner Christ, a praise in itself? There is no real need to celebrate MY birth as much as there is a need to celebrate MY ongoing presence within you. I do not wish you to forever dwell in the stories of old but to progress through knowing that I have glorified you with MY presence and I AM glorified when you can recognise this and allow ME to work through you in the interest of your soul's progress.

I want you to think on this. If every day could be a fulfilling day as you allow your communion with the inner Christ to direct your life, will not each day be a celebration of joy and oneness? What need then will you have to celebrate an event at one time of the year that holds no significance to the majority who indulge and participate.

Dear ones, Christ Michael is not hear to spoil your joy but rather to direct you to the essence of that which will yield perfect joy to you. What you experience during your Xmas celebrations is not joy but pyrrhic in nature. Most of you cannot even remember the celebrations as you drown yourself in practices which render forgetfulness.

It is time beloveds for man on earth to grow up and seek the truth of that which is real. You can build a life around that truth that will enable you to have a joyful existence.

To start you off on the path of truth I will say to you that what you celebrate is not Christmas. It is a cultural extravaganza drawing from myth, embellished with artistic displays of colour and indulgences far beyond your needs. It focuses on beauty and bounty unrelated to that which is divine. It is indeed by your reckoning the time when families reunite and the spirit of togetherness prevails. This is the distinct benefit that you ones who cannot relate to the true meaning draws from the event.

Dearly beloveds as you prepare to celebrate Christmas, think about what I have said and also think about celebrating the Christ within each other.

I must, as it is MY filial duty, offer a warning. I say to you that your world, meaning your beloved earth (who too, bears MY Presence within her) as well as your civilisation, is being prepared for momentary changes; and it is imperative that these moments be spent in a purposeful communion with the Father within. All transitory concerns should be set aside and you should enable ME from within for these are indeed moments of miracles as I respond in harmony to those of you who would call upon me in truth.

I AM THE CHRIST. YES I WAS KNOWN AS JESUS CHRIST BUT I AM TRULY FROM THE ORDER OF MICHAEL SONS, FROM THE SUPREME CREATOR OF ALL. I HAVE COME TO REMIND YOU OF TRUTH THAT YOU MAY ACCEPT AND GROW IN TRUTH FROM HERE

ONWARDS AS THE TIME OF GREAT REVELATION SITS UPON YOU. TRUTH IS INDIGNOUS TO YOU- IT IS YOUR NATIVE COSMIC LANGUAGE WHICH YOU HAVE FORGOTTEN. THOSE AEONS AGO MY BIRTH WAS KNOWN BY THE STAR THAT APPEARED IN THE NIGHT SKY. LOOK AT YOUR SKIES AGAIN WHAT DO YOU SEE?

Christ Michael.

Esu Comments on Stasis

By Jess Anthony

Dec 26, 2011 - 8:02:35 AM

12-24-11

Esu, comments?

Jess, let's talk. Now is the time. We have begun the preparations to start stasis, but it is not ready to activate yet. That moment has not been determined precisely, but everything is in position and can move into action when required. There is a rest mode before the action starts in earnest.

We can speak about the logistics, because I know you are curious. Perhaps others are too. The ships are moving into place to cover an arc of 180 degrees. This allows the ships to move in parallel and work their way around the complete circle of the Earth. The width of the beam they will use is about a degree of longitude. This focus is not a problem, because they can change positions quickly. It only takes a few minutes to trigger a stasis condition in one place. As was said in other situations, the frequency of the beamed energy causes the vibration that activates the cell to be transformed into a frequency that matches the one being beamed. This new frequency is not compatible with the range of frequencies that make up the structure of your physical existence

currently. Once this frequency changes, your individual energy frequency moves into a place that has no interaction with where it came from.

This disconnect from current existence frequencies creates the illusion of you being paused. Once you are paused, so to speak, we can maneuver your energy with our range of energy frequencies. We can move you around easily and quickly, if we need to. Energy is fast moving, as you know. We can disassemble and reassemble you with no difficulties.

The notion that you will be beamed up to the ship is more an energy exchange than physical lifting, as you probably imagine it to be. Remember your physical body here is just energy at a specific range of frequencies. You have the belief that it is solid, but it actually is just energy moving. Energy carries information archives and these are used to create your individual definition of identity. You have a template that you build to experience various interactions with other energy patterns. This appears as if you are physically in contact with another person.

We can control the frequencies of your energy packets, so your perception of yourself is the result of what you agree to work within. You also have input into the ongoing shape of your embodiment, and the experiences you undertake influence the body you imagine you inhabit. Your surroundings are determined by you and your perceptions of what you think you should experience. Your reality is what you determine it to be, based on an unlimited number of paths you can take. In the larger sense, reality is all of those options. Once you make a choice, the other options remain options, although you have not followed that path. In your individual situation, no other options exist once you have made a choice. The range of options exists for your next choice, however.

The timeframe is difficult to describe. Once a segment of the globe goes into stasis, time stops at that point. Midnight, for instance, is always midnight because there is no later time to measure it against. In that way, stasis can be imposed in a way that seems almost instantaneous. The explanation doesn't seem logical, I realize, but remember that "time" is an artificial measurement you have constructed to gauge your existence linearly.

Esu, let's go back to the timing. How long will it take in terms of our time measurements? We were told it would be 24 hours, starting in the Far East. Is this still valid?

The time frame is different now. We have more precisely focused beams that can move more quickly than what we told you earlier. We expect to move through the transition in a matter of your minutes. That doesn't seem possible you argue. We can stop your time even before it registers on your perception. The passage of time is flexible and is dependent on the energy involved with the frequency.

I don't have much more to say. This transition will be very quick when it happens. You won't know it is happening until you wake up. We promise you that. There is no way to prepare for it beyond being accepting and at rest.

Once you wake up, you will find many things have changed. You will be changed, as well, and many of your global problems will be alleviated. There is no way that man alone could tackle some of the critical issues that are facing the planet. We don't want these to reach the point they could. It would be very difficult to resolve the crises that would then result.

This stasis is an intervention of sorts to allow Gaia to prepare for the configuration that is necessary. As part of that, many of the toxic situations will be removed by us. This will entail physical changes and destruction of much that man has constructed. That is unavoidable because many of the templates used cannot be acclimated to a higher energy frequency. Stable structures in the third dimension are not so reliable in the fourth or higher. We have to set everything up

properly for your true ascension.

I say "we" but man is also a part of this restructuring. Just as the initial creation was coordinated by those with understanding of human DNA and the physical structures that would be needed to activate this range of energy, so can this re-configuring be started by galactic brothers with the intention of allowing man to continue with what has been started. There should be no feeling of condescension in acknowledging that knowledge and expertise is specialized in different areas. Experts coordinate and lead others to follow in sure pathways. Education and experience are constant, and new information is always being discovered.

I would read other posts and messages and plan accordingly. Adequate information has been provided and Christ Michael Aton's intentions are clear. A galactic timetable is working, and the process for stasis could begin at any moment. There is not more that I can tell you now. You will know when the time is called.

Given Christmas Day, 2011

The Present- Mother nebadonia Thru Hazel

I am Mother Nebadonia, the Mother Spirit or Universal Mother in union with Michael of Nebadon. I come at this most promising time to bestow a divine gift to you; an offering. It is an unlikely gift and one that you will never expect or perhaps willingly ask for. So that there be no doubt, this offering is for those who live behind the curtain of untruth and dismal reality. It is time however to render again that which has been offered many times before. I am uncertain as to the numbers who will accept it for want of belief BUT I offer it anyway. It is of no material substance and cannot be bargained for or exchanged. Once you receive it you will assume responsibility for it. There is no return element; but I assure you that once you accept it willingly you will never part from it because you will become one with it.

Have I piqued your mortal interest? What indeed can the Mother offer you at this momentous time in your earth's evolutionary cycle? Ponder upon the ailing world you live in where the fabric of all that is elementary is in upheaval. The hope that you ones hold in your hearts for change in the physical world that you created remains very dim as your confidence in the powers to be have been severely eroded.

However, there are ones who in their eternal optimism cannot face truth of the revolting destruction that is a certainty should current dynamics be allowed to continue.

So what is this gift that I offer you? It is the timeless gift -FREEDOM. This gift is offered to those who remain in bondage; who have been blinded by the clever ones without heart. MY children; yes you are also MY children. WE your celestial custodians do weep for you as WE see you chained and burdened by the lies of the deceivers.

This which I offer, you all crave but cannot yet comprehend. For you, freedom means freedom from worries in the physical world. What WE offer is Freedom of your soul for it is only then that the worries that assail you in your dimension can be mitigated. WE are not bargaining with you beloveds. You have all but sold your souls to the dark forces who prey upon you. WE ask for nothing in return; for when you are free in truth, you will in any event find your truth and return to your light.

You dwell under heavy darkness now. It may appear that you have no control over this BUT you do. You may not individually change the dynamics of what is materialising before and around you but you could assume responsibility for your own freedom by resolving to be free and acting on that consensus.

What is this freedom you may ask? It is the liberation of your mind from the control of the master manipulators. If you don't feel free in your mind it is because you are being controlled or influenced by forces against you. You see dear ones the dark ones know who you truly are but most of you don't know who you are. They know that you bear the fragment of the divine and should the divine in you be free to work, there will only be heaven on earth.

So what they have done is to assert power over your senses that you have come to depend on,

and sway you into things and thoughts to make you forget your true selves. Your earth is in bondage because you are in bondage. Do not delude yourselves into believing that you are making the decisions. Many of the decisions being made are foisted upon you and your programming has allowed a willing acceptance. Even those who are seeing truth feel powerless and those who have the courage to act are cut down before their voices can be truly heard. There is no denying however that a fraction of the world's population have seen behind the curtain of lies and are motivated to act. They are to be honoured for their attempts but will be unable to effect any material change for they will not be allowed to.

So you might ask what is the benefit of this gift? Ah, if only the majority will understand the nature of the times they will rise up to accept it. The gift of Freedom if accepted determines your next placement. As free will is your god given choice you are free to say no to this gift. However, I would think carefully about refusing it. Now this is not a gift you can accept for curiosity sake. It is a gift of vast proportion as it impacts upon your soul. Even if you decide to accept it for the sake of it, it will bear no fruit for you. Ponder about this in light of your times and be truthful with yourselves. The fragrance of time is now sorely dimmed. Can you feel the stench of the old leaving?

You who desire to be free will experience this feeling at the heart level and this must be actively followed by a decision at the mind level. When this alignment occurs you will willingly accept this gift and your guides will sweep down and open that cage and thus begins a union of divine proportions which will guide you to a level beyond your current manifestation.

I now come as a dutiful Mother. I come now, for your earth place is to be imminently transformed and those ready for transformation will benefit. A mother never leaves her children unguided but will never resort to force. I will weep for those who reject this offering but will triumph with those who accept it.

You cannot forever live in the realm of the physical; that which you need to be free of is mind control so that your own divine mind can function as it was meant to. Only then will you be free of what you perceive as physical limitations and issues that appear insurmountable.

I offer you this present boldly and bid you with love to accept it. The circle of the cycle bonds now and the linear facility of time is being caged to allow for graduation. Where will you be?

Mother Nebadonia

Candace: I did not read this until today. But last evening I posted something in my GLP post that relates to it. [What other people think of ME is None of MY Business. What is MY business, is what I think of MYSELF.](#) It is about standing in sovereignty. For until you DO that, you remain enslaved to the mind control of the dark. You remain in the control of the manipulation of others.

**Forthcoming End

Forthcoming End

This is your beloved Aton, Sovereign Creator of Nebadon

I have come to you to let you know that the bell rang and the well-anticipated push of the button is upon you, meaning that I am to push it shortly, yes the famous shortly in your time frame means exactly that, shortly.

It is with pleasure that I am announcing the close of the first major period of my correcting time and as you have heard from Uriel the time is upon you. I am most pleased with those who stood steadfastly in the face of enormous challenges and never gave up. Your just reward awaits you and you so deserve it. To those who have not paid attention to the innumerable attempts made to steer them in the right direction, time is up and you too shall reap your just reward , except that it is of a nature different from what you have expected. I am pleased that we have no regret as to what was accomplished and all has been utterly done and nothing else remains.

I will be waiting with open arms for many of you who are true valiant and worthy warriors. A celebration awaits you and you will be pleasantly surprised.

This is the moment that you have waited for and nothing shall change that from this day forth. I am going to bid farewell to many of you for that is what shall be staring you in the face for where you are going will not be anything that you have ever imagined yourselves to be faced with for you are so inebriated with your malice, stubbornness and a truly false sense of importance that is the least that you deserve.

Many times, have I come to you in earnest to see if your heart would mend and see that you change your ways in service to your brethren but, you never saw it differently and you adamantly refused to bend to my will which should also be yours. The sense of power has driven you mad

beyond belief that you thought that you could actually govern this world as you see it fit. Poor delusional ones ; with lightning speed will come your just reward and judgement. Enough with you malevolent ones.

My brethren and children, come home so we can celebrate this long journey and then rest before you re-enter in service.

Many thanks and see you soon

Your Sovereign Creator Son, Aton.

The joys and the sorrows of tomorrow

By Uriel thru Hazel

Dec 28, 2011 - 2:34:16 AM

The joys and the sorrows of tomorrow- Uriel

The day of graduation is soon upon you of earth. The mother has notably succeeded and is ready for her ascension. I am sent to herald the news of the coming event that you may ready your hearts to receive your due. Priceless shall be this deliverance and tremors shall ensue to revoke the outdated and corrupt. This event is due to coincide with a magnanimous burst of supreme

energy that shall catalyse a capitulation of the brotherhood of darkness to the forces of light. The surge of divine authority shall cull resistance and render corpses of the dark; and the battlefield shall be closed once and for all upon this plane. Spiritual dignity is to be returned to this planet.

The chill should be felt soon in anticipation of the impending scheme that shall collar the fringes of time and bring this cycle to a close. There is great joy to result from this in the earth's favour as she will finally take the podium of freedom. She will be renewed and polished off in preparation for the home coming of those to return. She will bear the eternal torch once again and create a wholesome field for growth. To those of you who have heard the inner call and answered and have focused your life in service; and to those who have awakened to their divinity and shown readiness to ascend in frequency, you shall reap of the blooming fruit assuring freedom and higher growth. They will be the ones to be rewarded with a return to earth. For she shall be as you never knew her, pristine and re created. What rampant joy is to soon fill the hearts of the faithful for indeed the cries of many have been heard and the Creator has answered. Know ye ones that the time upon thee is now and the earth's travail is to come to a quick yet subtle end.

The sadness that shall follow will be for those who could not comprehend their finer frequency or find themselves in the jungle of earthly living. The chances given have elapsed for you ones not prepared to take on a lighter form. Elsewhere you shall find your homes to continue your lessons. Many of you will be left without the familiar and will be required to accustom yourselves to new temperatures. Your lives will not be easier as you must earn your graduation; but many of you shall come to know and accept truth. For those who bear the insignia of the anti Christ, you will find yourselves pleading for your lives before councils too high for your understanding and many shall be relegated to an indefinite period of retreat.

I have before this time cautioned you but you heeded not in your arrogance. Now you shall experience the effects for Michael has spoken. HE who is the very Christ – the unlimited ONE. Remember these words for you are now limited through your earnings. The limited can never survive within the unlimited; but so you have chosen and thus so shall you receive. Rest assured that the honour of the earth shall be restored as she is purged of you. Compassion has no way forward when it is spent through the continuum of facile rejection. So you have chosen and so you shall receive.

Say your goodbyes little leaders for grandeur has no place in your coming places of existence. We your higher brethren did not want it this way for it is not God's way to punish but to forgive those who seek it. You have punished yourselves through your rejection; so allow clarity now to flow you victims of dark consciousness. You should know our dears that the realm of Angels stand in Oneness and solidarity with the Creator Son and you who distinctly disobeyed through your tantrums against HIS Sovereignty have not prevailed; for OUR strength outweighs yours. You rely on diminutive power bearing no capacity to effect hindrance against the forces of God. The power you wield can only affect the earth and humanity. Fear is not the way of the Creator for fear has no light and God is all light. So know without doubt that these words are not to create fear but simply told in the light of truth of your impending retreat. WE of the host shall bear you to your new place with gladness; that the earth shall find her release from the stringent hold of evil. You shall account for your transgressions. You are to be pilfered from the earth by the host who will come as thieves in the night and once you are eradicated the light will once again dawn on this brilliant creation of Michael.

Lucifer your very comrade and leader who contaminated that which was created in purity is NO MORE. Do you hear? He cannot help you now. He has returned to places unknown for he chose the penalty of un creation. Think about that. Will you follow him into non existence?

Prepare for we are poised and ready to stop the clocks.

I was considering starting a new thread with this, but decided not, because my purpose would have fallen on deaf ears of my intended audience. So it is here. I have been very busy with stuff I may or may not bitch about in the money thread. I am finished with all of that now. Please let ME post it around here, as it didn't copy well into this and I had redo the bolding and my comments in italic.

Those making it a mission to collect clusters of 3 green thumbs, these works from my website are approved by SHR of GLP for publishing of FULL content. CM and Kibo, Jan. 1

By CM thru Kibo

Jan 4, 2012 - 8:21:07 PM

Well, Kibo's usual INTENSE discussion during tough times wiith CM. Lots of teaching and things to ponder. NOW BELOVEDS, PLEASE UNDERSTAND ONCE AGAIN, THAT some of the "YOU's" in several places in the piece, REFERS TO THE PLANETARY CIVIIZATION in general, Some took it apparently a little to personally. But some of the "yous" also refer to those who have followed this work, please DISCERN as to what applies TO YOU. I bolded some remarks and added some bits of commentary para's and italics. It is time to continue to ask what you can do for God, not what God can do for you. There are many folks of our very readers who are just wanting off this world, its a fun and easy way. Only you know which ones you are. -CANDACE

K: Methinks there is a.....situation. Undeniably, things have not gone as we were told or hoped for. Boss, I get everything that you've given me for the past few days...but...really...this is a time of ultimate decision. I don't mind being painted into a corner so much as not knowing how long the paint will take to dry so that we can finally finish the job and walk out of here into the next room...so to speak.

The question comes down to whether or not these messages are accurate. We've taken blows before, but this is it in more ways than one. It makes no sense to keep doing this on this level if it all is just going to continue until whenever irregardless of the messages that are given. I find that I have to concentrate on other things that are pressing to the point of oppression. I AM willing to take my place and grow into it, if You will only show me where it is and what to do.

CM: You fully understand what has been given to you and yet, feel a need to clarify for the sake of others the reasons behind the apparent delays from Christmas up to this point. We have stated that the operation is ongoing and still going on and there is no way to prove that until it happens. The Earth Allies have made tremendous strides due to the pressure to get it done before We step in to do it Ourselves.

These new developments have given us constant pause and the need to reassess matters on a moment to moment basis. Arrests are being made daily and this is no mean feat. Some of these people are very well protected by armed forces and they, as well as We, have been forced to find measures that are effective without the loss of life, as far as possible. Where that has been impossible, We have proven our willingness to engage in such actions and our superiority in sheer numbers, weapons and tactics. This has given a few of the last cabal holdouts food for thought and reasons to pause in their resistance to Divine Overcontrol. THIS THING IS GETTING DONE!

K: I'm with You. You know that. But.....well hey...screw the naysayers. I don't see many options, if any, to Your Plan, that will work. Still, You've left us little if anything to go on. I get it and all but...is it that important that human paperwork be signed? Even if for cosmic purposes, it could all be done in the interim. *(Candace: to refresh memories, there are a targeted piece posted maybe a couple weeks ago, on the signing of papers. It is under "announcements" because the telepath was not given.)*

CM: Things must be transparent on all levels if the whole and total truth is to be revealed. Some of these papers are as signed confessions meant to make judgment on the guilty parties lighter than the results that would've been had without them. Mercy must ever be extended, even unto the

worst.

K: Don't You think that they count on that? How much will it take until it is finally enough?

CM: It is already more than enough. This is why there is the last...court press. WE win. We've won. Nothing changes that as a fact of life and being. Everything must be done to insure that everything has been done. You people have been slow to respond to the facts of your reality. That there are so many naysayers to what is provable in your oppression and slavery and the solutions to it, is more than enough evidence to prove that, should We do less than what We are doing, hardly any of you will fully understand the true measure of what has been done and what has been given to you. Many of you feel that you do not need the help. Many of you don't want it. Many of you don't believe that Our help is available or that We are Who and What We say We are.

K: Can You blame them? God says a thing is and will be....and it never happens. The fragments of thought (*souls/people-C*) are overwhelming...and vicious...always attacking, never coming up with possible solutions of their own that might help in any way. People are what they are and do what they do...I'm tired of delivering messages for events that never happen as stated. They don't care anymore. I don't care anymore. Just show up, for PAPA's sake, or Yours, or ours, or for all of our sakes. Not that everyone will believe even then, but this is the only way to prove the objective reality of Divinity at work in human lives on Urantia. It is not something that I am willing to discount. But if there's no chance of that happening then tell me now and help me find the truth of the matter.

CM: The truth of the matter is that this is a multilevel event and all levels have to be finished, accurate and correct. Consider that all involved are checking their work. There are specific ways to arrive at the answer, which has been arrived at. Your system is being towed to its new spot. (*we have covered this before in the past which is one reason their as "placemat craft" where stars are expected.-C*) Actually, consider that it is being parked and put into place. That takes time. Also consider that negative elements are not allowed to continue in this new place and they needs must be removed. (*kibo has a typo in this previous sentence. I forgot to ask on it, I can change it when he gives me a correction-C*) This has to be as much of an inside job as an outside one.

Consider that the inside, due to certain, manifest limitations in a material realm, will necessarily and unnecessarily experience delays towards completion. That the remaining adversaries are devious and far thinking, there is no doubt. Things must constantly be changed in order to reflect upon actions that are taken and based upon actions that result in an ever tightening spiral of almost forced ascendancy without being forced. We could swoop in and get the job done in an instant, but what would that say about Us, or you, for that matter?

You people have yet to wake up, smell the coffee and see what's happening, not to mention actually doing something about it on your own. Very few of you presently have the wherewithal to deal with the reality of your situation and you would surely fail in freeing yourselves if We left you to your own devices. Surely you will oblige us in obliging you in doing as much as humanly possible before We call it a day and do what is, for you, considered to be superhumanly possible? (*folks, a littel god helps those who help themselves is necessary and it seems religion has placed it all on "god."-C*)

K: I AM with You. You know that and what You showed me earlier seems to make it even more imperative. But am I right in reckoning that the point of resolution comes with or without either Your efforts or ours. Call it the Wave or whatever, but when it hits, all bets are off and the whole production gets shut down anyway?

CM: That would be the best way to put it for the sake of demonstration and example. I don't want

to place undue pressure on the situation or people involved in exacting the fullest measure of freedom that is due you through your own efforts. We are here to make sure that it gets done no matter what. That there have been delays is a problem only in that We have taken it upon Ourselves to do our best to inform you of the situation on a moment to moment basis. As things change, We tell you. That you are disappointed to the point of exasperation and even anger, in some cases, is understood and excusable. That the many naysayers that discount the Urantia Book, the Phoenix Journals or this, My Second Coming Organization, have nothing better to throw into the pot than their utter contempt for anything to do with Me, or for Candace and the Abundanthope members, is expected.

I regret that you had to have the experience of constantly giving messages that, for you, haven't panned out the way that they were given to you, but We do have to plan for the possibilities that such things may just come out as hoped for or expected. That We have been disappointed many times in your inability to realize the truth of your reality and do something about it on a mass scale has all but made you the laughingstock of the universe, MY UNIVERSE, speaks only to the love and planning that has gone into this effort to restore, release and rehabilitate this planet and her peoples.

Whatever they may think of you in the greater universe, they all agree that the horrendous and oppressive conditions of your system of things requires that only the best and the brightest of the universe be the ones to inhabit it and be tested by it. That so many have failed this testing speaks to just how bad the conditions truly are. No where else in creation has there been a situation like this. The final resolution of this situation and the resulting values will supply the whole of creation with a model and examples of what and what not to do for the rest of infinity and eternity, time and space.

I fully understand your feeling that you've been let down once too often and all I can tell you is to suck it up and keep going. Learn, evolve, keep moving forward. This is an endurance test, not a race. Those that are standing in their faith when the day finally comes, will be rewarded for their works and their faith. That is the way of things. Everything, indeed, is its own reward and that is just as true for the defiers as well as the naysayers. In the end, all will know the truth of the matter and no room will have been left at all for doubt of words or actions.

Our Earth Allies have made fantastic headway and have gained ground at a quickening pace. That this surge of success is last minute still speaks well to the strength of their resolve and the lessening of the dark's resolve to continue under such a relentless hammering from every, any and all sides. THE WILL OF SOURCE IN THIS MATTER, WHICH IS ONE WITH MY WILL, IS ABSOLUTE. YOU WILL BE FREE BY THE HELP OF YOUR OWN EFFORTS, ALLIED WITH OUR OWN EFFORTS ON YOUR BEHALF AND FOR THE SAKE OF ALL INVOLVED IN THIS UNIVERSE AND BEYOND.

You cannot even begin to comprehend the measure of this and I can only smile at those that say that it will never happen and that I don't exist and that I am not the God of the universe of My creation and that those that have chosen Me in choosing them for their parts in this, are deluded, crazy and should just shut up and go away. If We were to shut up about the matter and had never spoken of it for lo, these many years, none of you would even be [b]here now. *(boy do I get all of this on glp, and did, in a now deleted thread on New Years Day, the "roasting" was intense, but I got loving support to. I did a lot of sucking up. -C)*

This planet was given up on and slated for destruction by manmade and natural events. Together, heaven and earth was moved to help you survive, to continue, to struggle and

fight for your freedom and salvation and only God can give salvation and it is only given to those who have earned it. So you are earning this and you should rejoice in that fact. Even though the population of your planet is overwhelmingly ignorant and/or defiant of divine, celestial, galactic, cosmic ways, there have evolved more than enough of you to justify this new beginning. That in and of itself has been quite the battle and chore, but it is done and We praise SOURCE for it.

So it is delayed, again...and what of it? Not any one of you has anything better to offer other than a false NESARA to be handled, ultimately, by the Chinese and Asian factions of your ongoing cabal inner struggle for total control. The elders of Asia will be seen again and the peoples will be free, all of the peoples. **There is no more room or place in the evolved human consciousness for division and maneuvering for position in order to control the world. The peoples will govern as one people to achieve the best possible outcome for the sake of all involved on planetary and universal scales.**

WE will advise and counsel but WE will not do it for you. WE will help, but you are entering unfamiliar territory. You are slaves that suddenly find themselves free in a fair and just system of absolute, divine rule. Make no mistake in the matter. **GOD IS, ALWAYS HAS BEEN AND ALWAYS WILL BE, IN CONTROL OF ALL AND EVERYTHING.** *(remember beloveds, of the GOD WITHIN which you MUST MANIFEST for that is how God gets things done in these worlds, and its not being manifested well on this planet, even star seeds buried within the mess have forgotten that as well as those "fallen angels, doing their learning here, of WHY Lucifers ideas did NOT work.-C)*

How many prayers have you received on the website for the ascension of this world and its peoples? How many have seen and agreed with the proclamation/petition? Do you think that humanity is ready for this? This is it. Ready or not, here it comes and when it comes.....**all naysayers and abusers will have no choice but to experience the reality of their situation and do their best to suck it up.** *(Kibo put up a petition, and has a website for prayers, which we have posted the links to.-C)*

Until then...suck it up. Deal with it. It's too close to come up with any more predictions and raising of hopes. If your hopes are not raised by now, they never will be. If your hopes have been raised, then decide if you will keep upholding them in good faith, or cast them aside in disgust. I will understand either way. I AM WHAT I AM and it's no problem for me one way or the other.

The problem, if there is one, will be yours and you'll just have to deal with it. Everything is it's own reward and it's up to each and everyone of you as individuals to decide what you will be rewarded for. Just remember, you may not be so happy with your reward when you see what others are getting and that will all be sorted out when the time comes, as it is surely coming and you have done as you have done and others have done as they have done and, either way...you can say that it's a crapshoot if you like, all analogies are valid as a means of the finite striving to understand the infinite...so roll.

Roll the dice of your faiths and beliefs and trusts and the actions thereof, for that is what your lives are. You are all gambling that you are right and they are wrong. Everybody wants to be right and God only knows for sure. So until God comes to set the record straight [wink and a nod] throw yourselves down on the great table of life and see how you come up. Can you even see the dice? These are not your dice. Your clouded and befuddled minds make them appear to be the dice that you are used to.

But these are dice you know not and yet you throw them with impunity without even knowing how

to read them. You go by the rewards that you receive with each little roll and try to learn from that. But the bar is closed, the party is over and there is just this table left for the final roll and everybody gets to throw out at once and the house will let you know what's what and who won what and how much. That's how WE roll and very few of you know how to play the game. But you will learn. There will be those who win or lose, by however much or little, and there are those that will break even. There are those that will win big time and those that will find themselves absolutely broke and owing on credit that they cannot pay. There are rewards for that, as well.

So do what you have to do to figure it out. Stand your ground wherever you are, on whatever foundation you have made for yourself. By whatever style or flick of the wrist you use to throw down, consider it done. All dice have been cast. When the last one hits the table and settles.....you'll know.

Results will follow.

That is all.

I AM Christ Michael Aton of Nebadon in Orvonton and the moment comes when you will find out exactly what that means.

HEAVEN #4088 A Whole World Full of Light , February 3, 2012

God said:

The world, as you know it, is changing, for you are growing. And so, the world as you know it, changes before your very eyes. The world is a reflection of you. As you change and grow, so goes the world. The world is of your making, and the world is of your perception of it.

As you see a beautiful world, the world becomes more beautiful. And so do you. You become more beautiful to yourself and to others. You have always been beautiful to Me. My perception doesn't change. My perception has ever been true. I see. I have never not seen. Wherever I look, I see beauty. I have heard that beauty is in the Beholder. That saying holds Great Truth.

It is also true that how the Beholder sees rubs off on the Beheld. The more beauty you see in others, the more beautiful they will actually become.

You have seen this. When people feel loved or are in love, they light up, and they are beautiful. It is beautiful to see, and you have seen it. Be beautiful, and you will have a glow. See beauty, and what you see will have a glow about it. This is how you light up the world!

What is glow but light? And what are you but light? Light is spreading across the land. Beauty is becoming more beautiful. Beauty is infinite, and infinite means always more. There is no going back, beloveds. You can no longer hide your light in corners. No longer can you be shy or reticent to shine your light. You came here to Earth to shine your light, and shine your light you will. It is ordained, beloveds, it is ordained that you will come out of the shadows of your own perception. How about now? What is there to wait for? What are you waiting for? Come out from the shadows now.

Simply step out from the shadows of your past thinking. You, yes, you. You are a most beautiful being. Any lack you may have is lack of true perception of yourself, life, and others. You notice I say that it is your perception that is lacking. That is all that can be lacking. I created you as beauty. My perception is accurate. You are the non-believer. You are a non-believer in yourself.

You can't make yourself believe. You believe what you believe. Yet what you believe can be changed. You can raise a lesser belief to a higher belief. You do this by noticing. Any little bit of beauty you notice anywhere becomes you, and it becomes part of you. Start noticing beauty in yourself and others, and pat yourself on the back. Be pleased. You saw beauty. You noticed it. You became it. This is worth celebrating. Celebrate now. It's fine to celebrate even ahead of time.

Once you make the decision to see beauty, you will see it. You will notice it even in dark places. Even in the dark, there is some light. See the beauty in yourself. See the beauty in others. The truth is that all beauty is yours. It is all yours.

In this moment, the supposed you and the supposed I, are beautiful together. We make beautiful music, for you see, We love, and what is love but seeing the beautiful wherever it is, however it is housed. Every single person has a spark of light, and now We are going to make this spark become a huge bonfire of light, a mountain of light, a whole world full of light, thanks to you.
