Spiritual Marksmanship

By First Source (PaPa) thru Hazel

Jun 15, 2011 - 5:34:00

Spiritual Marksmanship -The Source

In your world the achievement of mastery becomes a goal governed by societal structures. There are limits imposed to the definition and understanding of success. You, God's children are moulded by the context that others have created for you. Class division maps out abilities and opportunities for success. You are told what makes you a success and are given little opportunity to discover its truth.

The mundane practices prevail in favour of the esoteric. True vision which evidences itself through creative measures is seldom honoured- for prestige seems to be lacking in such. Very few are able to bring their vision to the light of understanding of other. The joy in creativity has dwindled and the essence of the soul given short shrift. Men are admired less for their creative talents and more for their status of manufactured celebrities in a world oriented by material goals. Power becomes synonymous with success and the dollar sign becomes the template within which man measures his achievement.

Man marches to the beat of the temporal drum which imposes a framework within which achievement must occur. Imposed upon man are milestones which should be completed by given times in his mortal life. The inability of some to achieve these milestones often leads to depressive states of mind and inferior thinking.

In the majority man has become bonded to others and by the will, demands and expectations foisted upon him. His life becomes a physical one blended with emotional tyranny which plagues him as his brother or neighbour is able to 'acquire' physical and material mastery.

Yet amongst the majority are pockets of people who persevere with the higher vision awakened within them through their ability to connect with their Source. These ones are the protagonist of higher thinking. They are the ones who see beyond the linear table and know that life is eternal

and that every experience is meant to be a spiritual one. They come to recognise that their mortal journey affords them the opportunity to fine tune their spiritual skills in a worldly environmental and this becomes the goal.

The efficacy of spiritual living is honoured by these ones who never lose sight of their purpose. They know that through their sojourn on earth they are provided with renewed opportunities to scale mortal limitations and find their prowess through spirit. They learn to overcome the distractions of the world and remain focussed on their mission; for they are the ones who understand that this plane is a transition to higher grounds upon spiritual achievement.

The protocols that these ones create for themselves are for the mastery of the soul. Like an archer who primes his bow and measures his aim these ones remain focussed on the 'I AM' for it is the 'I AM' that they must achieve through the conquering of the 'I'. The archer does not succumb to self pity but through the resilient spirit that he is he refocuses if he misses the mark. Missing the mark tells him that he is not yet quite ready and must of necessity continue to persevere in the honing of his skills whatever aspect that may be.

In the process of preparing for success and victory, discomfort, doubt and pain may be necessary attendants. Yet the spiritual one shall not wane in his efforts and belief for he knows that what he must achieve is freedom of his authentic self from mortal figure.

Each of you owes a responsibility to yourself to achieve your fullest God potential. You are present to serve the God incarnate. You will be free when you so desire to be free for freedom is an inner state of being. Only an enlightened man can be free. If you do not feel free then you are not yet enlightened. That simply means that you must increase your efforts. Excuses and blame are derivatives of lower thinking. Higher thinkers take responsibility and action.

The acquisition of material wealth is peripheral to the acquisition of spiritual prowess. Create your own template for success, assume control over your choices, set the pace for your achievement, bind yourself to spirit not the desires of others; set your aim; maintain your focus; re-evaluate your skills and take steps to enhance them; be honest with yourself; be proactive and attune your talents to a cause worthy of achievement. When the road seems long or perplexity overcomes inject fresh energy; seek a new perspective and become that spiritual marksman who stands in his spiritual shoes and courageously takes responsibility for his success.

The joys and the sorrows of tomorrow

By Uriel thru Hazel

Dec 28, 2011 - 2:34:16 AM

The joys and the sorrows of tomorrow- Uriel

The day of graduation is soon upon you of earth. The mother has notably succeeded and is ready for her ascension. I am sent to herald the news of the coming event that you may ready your hearts to receive your due. Priceless shall be this deliverance and tremors shall ensue to revoke the outdated and corrupt. This event is due to coincide with a magnanimous burst of supreme energy that shall catalyse a capitulation of the brotherhood of darkness to the forces of light. The surge of divine authority shall cull resistance and render corpses of the dark; and the battlefield shall be closed once and for all upon this plane. Spiritual dignity is to be returned to this planet.

The chill should be felt soon in anticipation of the impending scheme that shall collar the fringes of time and bring this cycle to a close. There is great joy to result from this in the earth's favour as she will finally take the podium of freedom. She will be renewed and polished off in preparation for the home coming of those to return. She will bear the eternal torch once again and create a wholesome field for growth. To those of you who have heard the inner call and answered and have focused your life in service; and to those who have awakened to their divinity and shown readiness to ascend in frequency, you shall reap of the blooming fruit assuring freedom and higher growth. They will be the ones to be rewarded with a return to earth. For she shall be as you never knew her, pristine and re created. What rampant joy is to soon fill the hearts of the faithful for indeed the cries of many have been heard and the Creator has answered. Know ye ones that the time upon thee is now and the earth's travail is to come to a quick yet subtle end.

The sadness that shall follow will be for those who could not comprehend their finer frequency or find themselves in the jungle of earthly living. The chances given have elapsed for you ones not prepared to take on a lighter form. Elsewhere you shall find your homes to continue your lessons. Many of you will be left without the familiar and will be required to accustom yourselves to new temperatures. Your lives will not be easier as you must earn your graduation; but many of you shall come to know and accept truth. For those who bear the insignia of the anti Christ, you will find yourselves pleading for your lives before councils too high for your understanding and many shall be relegated to an indefinite period of retreat.

I have before this time cautioned you but you heeded not in your arrogance. Now you shall experience the effects for Michael has spoken. HE who is the very Christ – the unlimited ONE. Remember these words for you are now limited through your earnings. The limited can never survive within the unlimited; but so you have chosen and thus so shall you receive. Rest assured that the honour of the earth shall be restored as she is purged of you. Compassion has no way forward when it is spent through the continuum of facile rejection. So you have chosen and so you shall receive.

Say your goodbyes little leaders for grandeur has no place in your coming places of existence. We your higher brethren did not want it this way for it is not God's way to punish but to forgive those who seek it. You have punished yourselves through your rejection; so allow clarity now to flow you victims of dark consciousness. You should know our dears that the realm of Angels stand in Oneness and solidarity with the Creator Son and you who distinctly disobeyed through your tantrums against HIS Sovereignty have not prevailed; for OUR strength outweighs yours. You rely

on diminutive power bearing no capacity to effect hindrance against the forces of God. The power you wield can only affect the earth and humanity. Fear is not the way of the Creator for fear has no light and God is all light. So know without doubt that these words are not to create fear but simply told in the light of truth of your impending retreat. WE of the host shall bear you to your new place with gladness; that the earth shall find her release from the stringent hold of evil. You shall account for your transgressions. You are to be pilfered from the earth by the host who will come as thieves in the night and once you are eradicated the light will once again dawn on this brilliant creation of Michael.

Lucifer your very comrade and leader who contaminated that which was created in purity is NO MORE. Do you hear? He cannot help you now. He has returned to places unknown for he chose the penalty of un creation. Think about that. Will you follow him into non existence?

Prepare for we are poised and ready to stop the clocks.

The Present- Mother Neadonia

By Neadonia thru Hazel

Dec 28, 2011 - 10:03:29 AM

Given Christmas Day, 2011

The Present- Mother nebadonia

I am Mother Neadonia, the Mother Spirit or Universal Mother in union with Michael of Neadon. I come at this most promising time to bestow a divine gift to you; an offering. It is an unlikely gift and

one that you will never expect or perhaps willingly ask for. So that there be no doubt, this offering is for those who live behind the curtain of untruth and dismal reality. It is time however to render again that which has been offered many times before. I am uncertain as to the numbers who will accept it for want of belief BUT I offer it anyway. It is of no material substance and cannot be bargained for or exchanged. Once you receive it you will assume responsibility for it. There is no return element; but I assure you that once you accept it willingly you will never part from it because you will become one with it.

Have I piqued your mortal interest? What indeed can the Mother offer you at this momentous time in your earth's evolutionary cycle? Ponder upon the ailing world you live in where the fabric of all that is elementary is in upheaval. The hope that you ones hold in your hearts for change in the physical world that you created remains very dim as your confidence in the powers to be have been severely eroded.

However, there are ones who in their eternal optimism cannot face truth of the revolting destruction that is a certainty should current dynamics be allowed to continue.

So what is this gift that I offer you? It is the timeless gift -FREEDOM. This gift is offered to those who remain in bondage; who have been blinded by the clever ones without heart. MY children; yes you are also MY children. WE your celestial custodians do weep for you as WE see you chained and burdened by the lies of the deceivers.

This which I offer, you all crave but cannot yet comprehend. For you, freedom means freedom from worries in the physical world. What WE offer is Freedom of your soul for it is only then that the worries that assail you in your dimension can be mitigated. WE are not bargaining with you beloveds. You have all but sold your souls to the dark forces who prey upon you. WE ask for nothing in return; for when you are free in truth, you will in any event find your truth and return to your light.

You dwell under heavy darkness now. It may appear that you have no control over this BUT you do. You may not individually change the dynamics of what is materialising before and around you but you could assume responsibility for your own freedom by resolving to be free and acting on that consensus.

What is this freedom you may ask? It is the liberation of your mind from the control of the master manipulators. If you don't feel free in your mind it is because you are being controlled or influenced by forces against you. You see dear ones the dark ones know who you truly are but most of you don't know who you are. They know that you bear the fragment of the divine and should the divine in you be free to work, there will only be heaven on earth.

So what they have done is to assert power over your senses that you have come to depend on, and sway you into things and thoughts to make you forget your true selves. Your earth is in bondage because you are in bondage. Do not delude yourselves into believing that you are making the decisions. Many of the decisions being made are foisted upon you and your programming has allowed a willing acceptance. Even those who are seeing truth feel powerless and those who have the courage to act are cut down before their voices can be truly heard. There is no denying however that a fraction of the world's population have seen behind the curtain of lies and are motivated to act. They are to be honoured for their attempts but will be unable to effect any material change for they will not be allowed to.

So you might ask what is the benefit of this gift? Ah, if only the majority will understand the nature of the times they will rise up to accept it. The gift of Freedom if accepted determines your next

placement. As free will is your god given choice you are free to say no to this gift. However, I would think carefully about refusing it. Now this is not a gift you can accept for curiosity sake. It is a gift of vast proportion as it impacts upon your soul. Even if you decide to accept it for the sake of it, it will bear no fruit for you. Ponder about this in light of your times and be truthful with yourselves. The fragrance of time is now sorely dimmed. Can you feel the stench of the old leaving?

You who desire to be free will experience this feeling at the heart level and this must be actively followed by a decision at the mind level. When this alignment occurs you will willingly accept this gift and your guides will sweep down and open that cage and thus begins a union of divine proportions which will guide you to a level beyond your current manifestation.

I now come as a dutiful Mother. I come now, for your earth place is to be imminently transformed and those ready for transformation will benefit. A mother never leaves her children unguided but will never resort to force. I will weep for those who reject this offering but will triumph with those who accept it.

You cannot forever live in the realm of the physical; that which you need to be free of is mind control so that your own divine mind can function as it was meant to. Only then will you be free of what you perceive as physical limitations and issues that appear insurmountable.

I offer you this present boldly and bid you with love to accept it. The circle of the cycle bonds now and the linear facility of time is being caged to allow for graduation. Where will you be?

Mother Nebadonia

Candace: I did not read this until today. But last evening I posted something in my GLP post that relates to it. What other people think of ME is None of MY Business. What is MY business, is what I think of MYSELF. It is about standing in sovereignty. For until you DO that, you remain enslaved to the mind control of the dark. You remain in the control of the manipulation of others.

Forthcoming End

Forthcoming End

This is your beloved Aton, Sovereign Creator of Nebadon

I have come to you to let you know that the bell rang and the well-anticipated push of the button is upon you, meaning that I am to push it shortly, yes the famous shortly in your time frame means exactly that, shortly.

It is with pleasure that I am announcing the close of the first major period of my correcting time and as you have heard from Uriel the time is upon you. I am most pleased with those who stood steadfastly in the face of enormous challenges and never gave up. Your just reward awaits you and you so deserve it. To those who have not paid attention to the innumerable attempts made to steer them in the right direction, time is up and you too shall reap your just reward , except that it is of a nature different from what you have expected. I am pleased that we have no regret as to what was accomplished and all has been utterly done and nothing else remains.

I will be waiting with open arms for many of you who are true valiant and worthy warriors. A celebration awaits you and you will be pleasantly surprised.

This is the moment that you have waited for and nothing shall change that from this day forth. I am going to bid farewell to many of you for that is what shall be staring you in the face for where you are going will not be anything that you have ever imagined yourselves to be faced with for you are so inebriated with your malice, stubbornness and a truly false sense of importance that is the least that you deserve.

Many times, have I come to you in earnest to see if your heart would mend and see that you change your ways in service to your brethren but, you never saw it differently and you adamantly refused to bend to my will which should also be yours. The sense of power has driven you mad beyond belief that you thought that you could actually govern this world as you see it fit. Poor delusional ones ; with lightning speed will come your just reward and judgement. Enough with you malevolent ones.

My brethren and children, come home so we can celebrate this long journey and then rest before you re-enter in service.

Many thanks and see you soon

Your Sovereign Creator Son, Aton.

MY CONGRATULATIONS TO CHRIST MICHAEL OF NEBADON VIA AH

By Siraya thru Johan

Dec 28, 2011 - 4:28:09 PM

SIRAYA: MY CONGRATULATIONS TO CHRIST MICHAEL OF NEBADON VIA AH

Some time ago,I brought some 'final news' through your Beloved Leadership of AH, Candace.

We had expressed the notion this to be her last message, and so you can still view it, yet more water has been running under the bridge.

Good water or good news with some of the dark indeed realising they are fighting a lost cause, a lost battle since their ammunition and fuel is been taken away or blocked. No evil plans will be allowed from now on. And that is final indeed! There is enough clean up and restructuring to carry out on this planet without further destruction, depletion and suffering.

Your Sovereign, Christ Michael of Nebadon and I have finished a number of meetings where His wishes and desires for the general wellbeing of his Creation of Nebadon under His Leadership, especially for his Beloved Bestowal Planet Urantia, have been studied and approved.

It is therefor with the Utmost Respect that I want to express my congratulations towards Him, a Creator Son of His Stature, Courage and Determination. One day sooner than later, also many of you will understand in full. I choose AH, Your Sovereigns Second Coming Organisation, near and dear to many of you, to be the place to let my appreciation and admiration for His accomplishment be known.

Expect Christ Michael to inform you further shortly. I also know of the specific news AAUriel brought to all of you earlier. Yes, we have discussed and both agreed and approved THE NEED TO ACT NOW. So Be It. Stand tall in WHO YOU ARE in as much as you know and don't look back. Up and Onwards is the only direction from now on; for your mother spirit of Urantia AND for those who earned their return, also for those who deserve to go Home.

My Blessings to All, I Am Siraya.

Love and Light, Johan

Custodians of MY Light.

By Source thru Hazel
Dec 31, 2011 - 2:10:49 PM

Custodians of MY Light.

The Source.

I AM and therefore you are. You cannot be without ME. You are not without ME or apart from ME save in your perception. I AM not the hidden part of you. I AM simply the invisible part, that which holds the seed of your power. I AM that which gives you Light and creates light through you. You are therefore all light. The light which I speak of bears no resemblance to the light created in your outer world through mechanics. I cannot be switched on or off. I AM forever Light. I do not malfunction or become defective. MY radiance is everlasting. There is nothing that can dim ME. I resonate at the highest frequency.

I bestowed MYSELF to you through your creation. I AM within you. The light of life is within you; not mortal life, for that is all transient in effect. I speak of the light of the soul; that which you are; which bears the emblem of your Creator. The Creator marks HIS creation just as you may mark your possessions so that you may know what belongs to you. You belong to ME as I created you and therefore you bear MY signature, being the Light of Creation. I know you by your light, which is MY own.

Light is the Life of your immortal soul. You are not disconnected from your soul. You are the soul. The body is simply a mass of energy used by the soul to chart experiences so that it can assert its mastery and innate power through the human form as it remembers who it is through a mortal experience. Yet the soul power is not dominant unless the human trajectory allows for and accommodates that higher association. You need only experience an offering of the soul to make your decision.

Many who wholeheartedly embrace the offerings of the soul as an instinctive knowing are drawn to the higher rays; yet there are many who cannot comprehend that which is not visual and therefore rejects its existence and presence. There are those who become afraid of their own soul power as it would redefine their thinking and demand changes to their comportment. This inherent fear has become a widespread malady.

You see dear ones, what you need to understand is that you who do not know your soul are motored by the lower mind which we shall call the ego mind. This is the distinct portion of you responsible for your thoughts, reactions and creations. Once you are in the harness of this mind this becomes your realm of comfort, and at all cost the ego will seek to protect itself. It is for you not your ego to make the decision and come into higher understanding of who you are. You are not your ego. Its life is short lived as is your mortal life. If you allow it to make your decisions, it will serve only your physical dynamic in your physical world. If you can but for a moment set aside the ego you may benefit from the revelations of your soul. Comfort and reassurance will replace the bridge between you and your soul, for these are the resulting effects of the soul's interaction.

Fear does not exist in the soul, only light and love and higher knowledge. Should you allow the soul entrance, you will quickly discern the difference between the soul mind and the ego mind. Allowing your soul entrance allows MY light to work within you and through you. It will be a gradual exercise in measure of your willingness to transform yourself through remembrance; that your mortal life may reflect only that which you truly are and render a life that is fulfilling in every way. Light transmutes and transforms all that is dark if only it is allowed entrance. You will come to know the power of your light when you acknowledge it within yourself and allow its expression through you. It is then that you will assume control of and over you life.

When you come into your light you have in fact come into MY light and with effort and time investment you will begin to know ME as yourself. Illumination is a gradual process; so until you can think, know, feel and behave in ONENESS, we will work in partnership so that MY light within you is allowed more and more expression as you graduate in frequency. As your light quotient increases, there will in time be no need for the vehicle of the physical body for you to continue your journey.

You are custodians of MY light. How you treat that light is really your choice. Some ignore it totally; others pay it short shrift, whilst few fully embrace it and work in harmony with it for their highest good. These are the ones who use MY light in service to others. They know that light is never to be hidden but to be shared. They recognise the Oneness in all things and seek to help others find their inner light and shine it forth in the world. Dear ones you must comprehend that your outer world is a reflection of your inner world. If your inner world is dark then your outer world shall also be dark.

Seek always to keep your inner world in light which spells harmony, and your outer world will be so mirrored. Your light is the precious jewel gifted to you upon your birth. You were meant to keep that jewel shining in its original incandescence and wear it as a powerful garment. It was never meant to be buried under worldly things and be forgotten. You children seek always grand jewels to wear on your body and wealth that will provide extravagant living. You proudly display outer remnants of wealth which shines without any significance or value. It is temporal and banal. It cannot empower YOU, only your ego that simply cannot be satiated. These outer effects will earn you no spiritual glory or everlasting joy. It retards your growth as you become more and more consumed by your need for material effects. These things do not in truth exist. They are things that will be cast aside when you leave this dimension of experience. I AM not saying that you should not create abundance in your life but be wary that you know the difference between abundance and avarice.

To those of you who have courageously chosen the light you must be steadily vigilant lest you become distracted by the world around you and allow infiltration. As custodian of MY Light you must make the decisions that are in the highest interest of that Light; for it is only then that MY light can work for you. Should you lose your footing and fall apart then who is to tend to the light? It is your divine responsibility to tend that light until you become one with that Light and know yourself only as LIGHT.

Beloveds, I know only too well how easy it is to fall prey to a diseased world where the malaise spreads and creates a disconnect between you and that Light. It is for you see this and know it and take every step possible to preserve the Light; for it is truly this Light that will become your vehicle for escape from the outer world where unreality, suffering and grief abounds.

If you tend to this Light, this Light will tend to you. This Light will preserve your sanity and enable you to transcend the lower vibrations as it powers you to higher understanding and frequency. This Light will resurrect you time and time again if needs be. As you come to know this Light you will know its transformative value and will learn to use it for your highest good. Every choice will then be engendered by this Light. It does not mean that the world around you ceases to exist or that the problems go away. It simply means that you are able to see it all through the magnifying Light which shows truth and purpose in the experience.

I AM THE LIGHT WITHIN YOU AND I AM THE LIGHT IN YOUR WORLD. I ADMONISH THAT THIS LIGHT IS TO BE REVERED THROUGH ACKNOWLEDGEMENT FOLLOWED BY WILLING APPLICATION. HOW WILL YOU CARE FOR THIS LIGHT? THE EFFORT OF PRESERVING AND PROTECTING THIS LIGHT CANNOT BE MEASURED. THE CHOICE YOU MAKE WILL IMPACT THE WORLD YOU CREATE. WHAT IS YOUR VISION FOR YOUR WORLD?

This is Christ Michael of Nebadon, Your Sovereign

(received Friday, December 30th, 16:27)

It is my Greatest Pleasure to announce through several scribes that my final decision for this time of Correction, especially on Urantia, will go into effect.

By the time, according to your earthly calender, that a new page will have to be turned, a New Dawn and a whole New Chapter and a New Cycle will have commenced.

Still, it is not within my desire to announce the exact hour, as all will and must be found ready or not.

It is my Greatest Pleasure however to inform you in advance : THE STASIS IS HERE.

No more delay, no more impatience, no more suffering, as We have heard your cries and felt your pain. This most enthusiastic and eager scribe already stated days ago : " This is it. ", well, let Me, as Your Sovereign and God Aton CONFIRM THIS : " THIS IS IT INDEED. "

In hours time, that is as close I can go, will our Federatioin of Light Fleet commence its

procedures to induce STASIS globally. All will be found in the exact ' hearts and souls - condition ' of that moment, SO BE IT.

I welcome you Home anytime now, and please expect and anticipate the sweetest of rejoicing you have EVER known. Salu. I AM Christ Michael of Nebadon.

Each of you CAN communicate with personalities in the higher realms

By by an Arch Angel by direction of Gabriel thru Brad

Jul 16, 2010 - 9:10:12 AM

Received by Brad on July 7, 2010

There is grand and good reason for the warnings and updates given by others that have been posted for the community. It is not so much that the prophecies or forecasts precisely unfolded that is significant. It is significant that some are regularly communicating with the personalities of higher dimensions. It is that they are teaching a pattern of being that will be of EXTREME VALUE to each of you as the days unfold within your dimension.

EACH OF YOU HAS THE ABILITY TO COMMUNICATE WITH THE PERSONALITIES OF THE HIGHER REALMS. When you read another's words that were given by a one of higher order it is much like you watching one of your national or international news broadcasts. You may find items of interest but, in reality, you truly cannot do much to impact what transpires in another part of the world. It piques your curiosity but rarely stirs you to action.

HOW MUCH BETTER FOR YOU WOULD IT BE IF YOU TUNED IN AND RECEIVED YOUR PERSONAL DAILY UPDATES AND COUNSEL DIRECTLY?

The reality of life is that you should be in tune and pay grand attention to that which impacts your space, your immediate locality. The posted warnings and updates were, in part, given to bring you to the conscious awareness that some are receiving directly from higher dimensional personalities. This gives you a pattern to follow. Certainly it is of natural curiosity to want to know if and when a great tsunami may happen upon the shores of Thailand but how much better for you to know of something that will transpire that has the potential of significantly impacting you within your space?

Human language is not adequate to allow me to emphasize strongly enough just how crucial it is for you to begin and to consistently communicate with personalities of higher dimension ON A PERSONAL BASIS as you move through time! In so many cases your continued physical existence will come to depend on just such communications.

I heartily encourage you not to be a one that loses your life or misses some grand opportunity because you had not yet awakened to the reality that there are beings of tremendous wisdom always available to commune with you and to provide wise personal counsel far beyond any you might read on your internet or view on your earthly news broadcast.

Possessing love for you so beyond human understanding, the Hosts of Heaven are available in

countless numbers to always assist you. They are here to provide counsel and promptings so this wonderful plan of God's may roll forth. Your direct and immediate participation is critical to this unfolding work.

Each of you personally knows how to go about this communication. Take a time or more each day. Declare it in advance and make note on your personal calendars of these appointments. Put on your "spiritual" hat. Ask for divine communication and open to receive. You can discern the difference between our communicating with you and the personal voice inside your head just as you can discern the difference between the personal voice inside your head and the voices on one of your radios. It is not magic. It is reality. And it is a crucial step in your co-creating ventures. Human procrastination is not divine. You will be best served to begin your personal communications as soon as circumstances allow though certainly before this day is concluded. Make them an important and integral part of each new day. Herein you will discover rewards exceeding your grandest expectations.

There is no question about the ability to hear from these beings. The problem is that one's beliefs can influence what is heard. That is why it is so important to give the ego a back seat and make your expectations a blank slate. I get frequent messages from a group I'm a part of within Christ Michael's Teaching Mission. Candace says the CIA has infiltrated this mission (which is laughable), and from our perspective she is the untrustworthy one. I haven't seen a midwayer agree with her teachings once, and everything she talks about *does* get pushed back a lot. If Candace is indeed the confused one here, I have multiple theories about why this could be. If she ends up being right, it frankly wouldn't make any sense, but I would eventually sort everything out.

Now here is a big problematic "what if" scenario that I have thought about time and again. What if Candace is not a trustworthy source? She often teaches Urantia Book material, which is a wonderful book, but what she says gets connected to what is actually in the book. An outsider could easily get confused, and this is problematic because the Urantia Book gets discredited big time on a giant forum such as this. The other possible problem is that if people such as yourself find out that these messages were bad apples, you may find yourself not trusting the real messages from these beings. This could be problematic for you guys in the coming year.

My only goal here is to spread truth and eliminate confusion. As I have said before, if Candace is right about the coming earth changes, then I will apologize somehow. But if stasis never comes, all of her followers will have some serious thinking to do and I want to minimize the potential damage. Eventually everyone will know what is real and what isn't, so although this issue is very important, it only exists in the short-run.

I think this stasis thing is a very good idea and I would love to see it happen. Candance even put out her photo, which in itself proves how sincere she is.

Personally I can feel lots of good energies from the air around myself. So it does seem like new energies are coming in on us. Under normal circumstances I should not be happy because my

personal affairs are a very tragic chapter. But nothing seem to break me down. I'm in hell but I feel great. I must be mad.

I get the feeling that nothing is quite what it seems. The stasis thing seems pretty straightforward to me. But the funny thing is that time just keep moving on with seemingly nothing happening. So I am sure there is something missing to make a complete picture out of this. It may be that our mind are not capable of understanding these matters the way they really are.

I do feel sure that everything will turn out alright. I believe the AH messages are true. But I will not deny that those messages has also been a great struggle. The truth can often hit you in the face, and even if it may seem safe to just continue under the illusions, there are a great deal of conspiracy going on in this world.

I have had to cut off many things in my own life to keep myself spiritually open and sane. I have no TV and no Internet at my home (so obviously I'm not home right now).

As for stasis, last message was that it was held back because people were drunk from new years eve parties. I would think those people would be sober by now. I fear another excuse for delaying stasis. But it is such a great hope that I feel unable to let it go.

But I do feel some pieces of this puzzle are missing. There is something more to it. I can't help thinking that it will turn out just perfectly. Still, I'm somewhere beyond tired. I've been everywhere and done everything. But I got a very good feeling about these AH messages.

I did see a lot of cloudships today. I'm not sure if they really are ships or not, but there were a lot of these "ufo" shaped clouds in the sky today. I felt quite certain today that this would be it, that today was the day. Well today has ended where I am now. Maybe tonight or tomorrow.

The fact is that the planet is going through positive changes, though it is hard to see when watching TV. We are being introduced to higher vibrations and greater forms of light energy. The system (although mostly economic) is going to collapse over a few months sometime this year, and people have to be ready to calm everyone else down. Now will we be in suspended animation for a year? I doubt it. That would ignore our freewill, and this is something that is very protected since it is a gift from our Creator Father. The plan for this earth is underway, the problem is that from our perspective, it is challenging to separate fact from fiction concerning future events. Truth can't contradict truth, and there are many contradictions within the multiple beliefs we all possess about the near-future. The best way through it is to play the waiting game, and don't get disappointed when your beliefs need some editing.

the message is what is important not the messenger, I'm just the "poster" of the message given. If time frame is "overdue" than there are reasons for it which I do not know of simply because i did not ask.

Don't put yourself in the "waiting position", go on with your life try the best you can to stay connected...once it happens we all will know.

This is not a time for fear and tension this is a time for joy, a time to reunite with our creator and creation.

If I could only find a way to make you see how much positive energy is coming in right now as I type...it was felt all day...your heart would be jumping for joy.

This is the best I can give you.

Dearly beloveds, you must understand there is a reason for everything. The intense pressure we have put on the dark thru our messages and other means appears to have born some fruit. We must test the fruit. If the tree bears the good fruit, this is going to allow a short time to prepare people for the eventuality of the closure of the planet. That is all for now. Hi AC,no harm meant but

if you would have read all the messages properly you would have seen that there is **no reason to fear anything at all!!!**

NONE of the messages talk about distruction but of renewal.

All is perfect in the Higher Realms yes, but not here on Earth!

If it was like you say it would mean the Creator is playing games with us which he is NOT.

Hi firmament, I have read over much of the abundant hope website. Very little of it rings true to me, and I deal regularly with the spirit realm through deep meditation. I've experienced superconscious mind after sitting with an enlightened teacher for hours with a still mind. Once you do that for a while, huge downloads of info from the spirit world come and all becomes clear. Then one is taught how to do this on their own, which and I was. That is why it is clear to me that it is not Christed Beings giving you guys this information.

That said, I have also channeled beings in the past that don't have the highest intentions. That is O<, as we all have to learn how to weed dishonesty out of ourselves so that it is not attracted to us in the spirit realm. The Law of Attraction is always in effect and is bringing to us that which we have within our own vibrational field.

I don't mean harm with my post, but as a psychic intuitive healer who meditates daily and who has studied with enlightened teachers, I find many of the claims made here and on that website to be very damaging.

If I told you I was **Rum Tum** from a near by galaxy, and that planet Earth will not be

destroyed by apocolypse, terriformed, or have its populstion taken 'off planet', for at least another 20 years. Would you believe me?

That the world is as screwed up as you know it to be, if you look very hard. And all this 'hurry up and wait, for the impending disaster/solution' is part of the dark plot to get us to sit on our butts and do nothing usefull to see the true problem, and to try and correct it?

There certainly are some 'unexplained phenomina' going on. These fantastic stories you hear to explain them, are just a distraction. So you dont begin to find out their true cause, and begin to understand them.

It is not the result of bodyless Gods or Spirits.

It is not the result of alien interference from space ships, or another dimension.

And it will not be solved by prayers and meditation.

if you have been stood up by the same date, 10 times in a row, begin to expect that that trend will continue, and your date is not sincere.

Aliens will not solve all of earths problems while you sit back and dream. Not even God can save the world without your help.

I AM not waiting. Christ did not tell anybody to sit on their butt and wait or to forget about their "earthly duties".

I don't know who is twisting everything around to their needs all the time, but I do know who I AM and with who I stand and thats ALL I need to know.

So if you have different opinions....fine with me...go ahead and do your thing. I'm not holding you nor anyone else back from doing so.

Go in Peace and GOD BLESS 🍷🌸

This is absolutely INSANE. Whatever entity you guys are channeling does NOT have your best intentions. Obviously none of you have ever channeled a true Christed Being. Christ Consciousness/I AM/LIGHT **DOES NOT SPREAD FEARFUL LIES LIKE THIS.** In that realm, all is already known, all is done, the outcome is completed, and all is perfect and as it should be. They don't go around frightening people and posting such nonsense.

Hi again AC,

funny I'm a Naturopath.

I was taught the same thing...this is why I always tell people to learn how to go within so they can get connected, that way they would not need any second or third party telling them anything...this is part of the main teachings of AH.

It confuses me always how come people don't get this??

Sadly...I have also noticed that only a few are willing to get in touch with the Higher Realm...most People tell me: It takes to long to learn....

But I'm not giving up, I love my brethren way to much to give up.

Don't get me wrong, I respect you for what you stand for and I thank you for your honest comment. I think we have the same intension...just different ways.

I feel energy every day, this day doesn't seem special. Nothing out of the ordinary over here. I don't see these higher energies as coming in short powerful bursts, they're more constant and gradual. I don't think it's in waves either because Candace's idea (at least originally) was that these "waves" were emanating from Paradise to embrace absolutely everything in the cosmos so that God could take a peek at what is going on in time/space (which shouldn't be necessary). But our planet, as well as the other planets that were in isolation in this galaxy, are getting special attention. A wave doesn't really make sense when you need to adjust the energy for every individual planet. Metatron has stated he is dealing with this process, though there are so many opinions about who Metatron is that such info isn't as helpful as it should be. I think the beings Candace is actually transmitting are stalling so they (or Candace herself) can take the credit from the real guys who are doing the dirty work, increasing the confusion during a time when all should be clear.

Hi overmind,

at least now I know where you are coming from, thank you for your honesty...I can understand you much better now.

I know the Material given by Metatron but it does not resonate with me, no harm meant.

To me things are clear. It is clear that I have to do my share of "cleaning up" as well as everybody else....the "Savior" resides within me/us to make use of it is always up to the individual.

It is just sad that the majority of People don't want to think on their own, it seems they always need someone to blame....when it is clear to see that the error lies within themselves.

WELL, Kibo's usual INTENSE discussion during tough times wiith CM. Lots of teaching and things to ponder. NOW BELOVEDS, PLEASE UNDERSTAND ONCE AGAIN, THAT some of the "YOU's" in several places in the piece, REFERS TO THE PLANETARY CIVIIZATION in general, Some took it apparently a little to personally. But some of the "yous" also refer to those who have followed this work, please DISCERN as to what applies TO YOU. I bolded some remarks and added some bits of commentary para's and italics. It is time to continue to ask what you can do for God, not what God can do for you. There are many folks of our very readers who are just wanting off this world, its a fun and easy way. Only you know which ones you are. -CANDACE

K: Methinks there is a.....situation. Undeniably, things have not gone as we were told or hoped for. Boss, I get everything that you've given me for the past few days...but...really...this is a time of ultimate decision. I don't mind being painted into a corner so much as not knowing how long the paint will take to dry so that we can finally finish the job and walk out of here into the next room...so to speak.

The question comes down to whether or not these messages are accurate. We've taken blows before, but this is it in more ways than one. It makes no sense to keep doing this on this level if it all is just going to continue until whenever irregardless of the messages that are given. I find that I have to concentrate on other things that are pressing to the point of oppression. I AM willing to take my place and grow into it, if You will only show me where it is and what to do.

CM: You fully understand what has been given to you and yet, feel a need to clarify for the sake of others the reasons behind the apparent delays from Christmas up to this point. We have stated that the operation is ongoing and still going on and there is no way to prove that until it happens. The Earth Allies have made tremendous strides due to the pressure to get it done before We step in to do it Ourselves.

These new developments have given us constant pause and the need to reassess matters on a moment to moment basis. Arrests are being made daily and this is no mean feat. Some of these people are very well protected by armed forces and they, as well as We, have been forced to find measures that are effective without the loss of life, as far as possible. Where that has been impossible, We have proven our willingness to engage in such actions and our superiority in sheer numbers, weapons and tactics. This has given a few of the last cabal holdouts food for thought and reasons to pause in their resistance to Divine Overcontrol. THIS THING IS GETTING DONE!

K: I'm with You. You know that. But.....well hey...screw the naysayers. I don't see many options,

if any, to Your Plan, that will work. Still, You've left us little if anything to go on. I get it and all but...is it that important that human paperwork be signed? Even if for cosmic purposes, it could all be done in the interim. (Candace: to refresh memories, there are a targeted piece posted maybe a couple weeks ago, on the signing of papers. It is under "announcements" because the telepath was not given.)

CM: Things must be transparent on all levels if the whole and total truth is to be revealed. Some of these papers are as signed confessions meant to make judgment on the guilty parties lighter than the results that would've been had without them. Mercy must ever be extended, even unto the worst.

K: Don't You think that they count on that? How much will it take until it is finally enough?

CM: It is already more than enough. This is why there is the last...court press. WE win. We've won. Nothing changes that as a fact of life and being. Everything must be done to insure that everything has been done. You people have been slow to respond to the facts of your reality. That there are so many naysayers to what is provable in your oppression and slavery and the solutions to it, is more than enough evidence to prove that, should We do less than what We are doing, hardly any of you will fully understand the true measure of what has been done and what has been given to you. Many of you feel that you do not need the help. Many of you don't want it. Many of you don't believe that Our help is available or that We are Who and What We say We are.

K: Can You blame them? God says a thing is and will be....and it never happens. The fragments of thought (souls/people-C) are overwhelming...and vicious...always attacking, never coming up with possible solutions of their own that might help in any way. People are what they are and do what they do...I'm tired of delivering messages for events that never happen as stated. They don't care anymore. I don't care anymore. Just show up, for PAPA's sake, or Yours, or ours, or for all of our sakes. Not that everyone will believe even then, but this is the only way to prove the objective reality of Divinity at work in human lives on Urantia. It is not something that I am willing to discount. But if there's no chance of that happening then tell me now and help me find the truth of the matter.

CM: The truth of the matter is that this is a multilevel event and all levels have to be finished, accurate and correct. Consider that all involved are checking their work. There are specific ways to arrive at the answer, which has been arrived at. Your system is being towed to its new spot. (we have covered this before in the past which is one reason their as "placemat craft" where stars are expected.-C) Actually, consider that it is being parked and put into place. That takes time. Also consider that negative elements are not allowed to continue in this new place and they needs must be removed. (kibo has a typo in this previous sentence. I forgot to ask on it, I can change it when he gives me a correction-C) This has to be as much of an inside job as an outside one. Consider that the inside, due to certain, manifest limitations in a material realm, will necessarily and unnecessarily experience delays towards completion. That the remaining adversaries are devious and far thinking, there is no doubt. Things must constantly be changed in order to reflect upon actions that are taken and based upon actions that result in an ever tightening spiral of almost forced ascendancy without being forced. We could swoop in and get the job done in an instant, but what would that say about Us, or you, for that matter?

You people have yet to wake up, smell the coffee and see what's happening, not to mention actually doing something about it on your own. Very few of you presently have the wherewithal to deal with the reality of your situation and you would surely fail in freeing yourselves if We left you to your own devices. Surely you will oblige us in obliging you in doing as much as humanly possible before We call it a day and do what is, for you, considered to be superhumanly possible?

(folks, a littel god helps those who help themselves is necessary and it seems religion has placed it all on "god."-C)

K: I AM with You. You know that and what You showed me earlier seems to make it even more imperative. But am I right in reckoning that the point of resolution comes with or without either Your efforts or ours. Call it the Wave or whatever, but when it hits, all bets are off and the whole production gets shut down anyway?

CM: That would be the best way to put it for the sake of demonstration and example. I don't want to place undue pressure on the situation or people involved in exacting the fullest measure of freedom that is due you through your own efforts. We are here to make sure that it gets done no matter what. That there have been delays is a problem only in that We have taken it upon Ourselves to do our best to inform you of the situation on a moment to moment basis. As things change, We tell you. That you are dissappointed to the point of exasperation and even anger, in some cases, is understood and excusable. That the many naysayers that discount the Urantia Book, the Phoenix Journals or this, My Second Coming Organization, have nothing better to throw into the pot than their utter contempt for anything to do with Me, or for Candace and the Abundanthope members, is expected.

I regret that you had to have the experience of constantly giving messages that, for you, haven't panned out the way that they were given to you, but We do have to plan for the possibilities that such things may just come out as hoped for or expected. That We have been disappointed many times in your inability to realize the truth of your reality and do something about it on a mass scale has all but made you the laughingstock of the universe, MY UNIVERSE, speaks only to the love and planning that has gone into this effort to restore, release and rehabilitate this planet and her peoples. Whatever they may think of you in the greater universe, they all agree that the horrendous and oppressive conditions of your system of things requires that only the best and the brightest of the universe be the ones to inhabit it and be tested by it. That so many have failed this testing speaks to just how bad the conditions truly are. No where else in creation has there been a situation like this. The final resolution of this situation and the resulting values will supply the whole of creation with a model and examples of what and what not to do for the rest of infinity and eternity, time and space.

I fully understand your feeling that you've been let down once too often and all I can tell you is to suck it up and keep going. Learn, evolve, keep moving forward. This is an endurance test, not a race. Those that are standing in their faith when the day finally comes, will be rewarded for their works and their faith. That is the way of things. Everything, indeed, is its own reward and that is just as true for the defiers as well as the naysayers. In the end, all will know the truth of the matter and no room will have been left at all for doubt of words or actions.

Our Earth Allies have made fantastic headway and have gained ground at a quickening pace. That this surge of success is last minute still speaks well to the strength of their resolve and the lessening of the dark's resolve to continue under such a relentless hammering from every, any and all sides. THE WILL OF SOURCE IN THIS MATTER, WHICH IS ONE WITH MY WILL, IS ABSOLUTE. YOU WILL BE FREE BY THE HELP OF YOUR OWN EFFORTS, ALLIED WITH OUR OWN EFFORTS ON YOUR BEHALF AND FOR THE SAKE OF ALL INVOLVED IN THIS UNIVERSE AND BEYOND.

You cannot even begin to comprehend the measure of this and I can only smile at those that say that it will never happen and that I don't exist and that I am not the God of the universe of My creation and that those that have chosen Me in choosing them for their parts in this, are deluded, crazy and should just shut up and go away. If We were to shut up about the matter and had never spoken of it for lo, these many years, none of you would even be here now. (boy do I get all of this

on glp, and did, in a now deleted thread on New Years Day, the "roasting" was intense, but I got loving support to. I did a lot of sucking up. -C)

This planet was given up on and slated for destruction by manmade and natural events. Together, heaven and earth was moved to help you survive, to continue, to struggle and fight for your freedom and salvation and only God can give salvation and it is only given to those who have earned it. So you are earning this and you should rejoice in that fact. Even though the population of your planet is overwhelmingly ignorant and/or defiant of divine, celestial, galactic, cosmic ways, there have evolved more than enough of you to justify this new beginning. That in and of itself has been quite the battle and chore, but it is done and We praise SOURCE for it.

So it is delayed, again...and what of it? Not any one of you has anything better to offer other than a false NESARA to be handled, ultimately, by the Chinese and Asian factions of your ongoing cabal inner struggle for total control. The elders of Asia will be seen again and the peoples will be free, all of the peoples. There is no more room or place in the evolved human consciousness for division and maneuvering for position in order to control the world. The peoples will govern as one people to achieve the best possible outcome for the sake of all involved on planetary and universal scales.

WE will advise and counsel but WE will not do it for you. WE will help, but you are entering unfamiliar territory. You are slaves that suddenly find themselves free in a fair and just system of absolute, divine rule. Make no mistake in the matter. GOD IS, ALWAYS HAS BEEN AND ALWAYS WILL BE, IN CONTROL OF ALL AND EVERYTHING. (remember beloveds, of the GOD WITHIN which you MUST MANIFEST for that is how God gets things done in these worlds, and its not being manifested well on this planet, even star seeds buried within the mess have forgotten that as well as those "fallen angels, doing their learning here, of WHY Lucifers ideas did NOT work.-C)

How many prayers have you received on the website for the ascension of this world and its peoples? How many have seen and agreed with the proclamation/petition? Do you think that humanity is ready for this? This is it. Ready or not, here it comes and when it comes.....all naysayers and abusers will have no choice but to experience the reality of their situation and do their best to suck it up. (Kibo put up a petition, and has a website for prayers, which we have posted the links to.-C)

Until then...suck it up. Deal with it. It's too close to come up with any more predictions and raising of hopes. If your hopes are not raised by now, they never will be. If your hopes have been raised, then decide if you will keep upholding them in good faith, or cast them aside in disgust. I will understand either way. I AM WHAT I AM and it's no problem for me one way or the other. The problem, if there is one, will be yours and you'll just have to deal with it. Everything is it's own reward and it's up to each and everyone of you as individuals to decide what you will be rewarded for. Just remember, you may not be so happy with your reward when you see what others are getting and that will all be sorted out when the time comes, as it is surely coming and you have done as you have done and others have done as they have done and, either way...you can say that it's a crapshoot if you like, all analogies are valid as a means of the finite striving to understand the infinite...so roll.

Roll the dice of your faiths and beliefs and trusts and the actions thereof, for that is what your lives are. You are all gambling that you are right and they are wrong. Everybody wants to be right and God only knows for sure. So until God comes to set the record straight [wink and a nod] throw yourselves down on the great table of life and see how you come up. Can you even see the dice? These are not your dice. Your clouded and befuddled minds make them appear to be the dice that you are used to.

But these are dice you know not and yet you throw them with impunity without even knowing how to read them. You go by the rewards that you receive with each little roll and try to learn from that. But the bar is closed, the party is over and there is just this table left for the final roll and everybody gets to throw out at once and the house will let you know what's what and who won what and how much. That's how WE roll and very few of you know how to play the game. But you will learn. There will be those who win or lose, by however much or little, and there are those that will break even. There are those that will win big time and those that will find themselves absolutely broke and owing on credit that they cannot pay. There are rewards for that, as well.

So do what you have to do to figure it out. Stand your ground wherever you are, on whatever foundation you have made for yourself. By whatever style or flick of the wrist you use to throw down, consider it done. All dice have been cast. When the last one hits the table and settles.....you'll know.

Results will follow.

That is all.

(mainly because they have heavily invested their ego into it, because if they were truly honest/spiritual with themselves they would have already come to the clear conclusion that those messages are not coming from any high source or benevolent ETs)

no problem

they will have to learn that those entities are not who they say they are through first hand experience...

sure.. now they may be thinking: 'i know who CM is & i will never be disloyal or question the messages'

but once that moment of truth arrives when they can finally meet these entities aboard their reptilian starships, they will change their minds in a hurry! lol

i wish them the best of luck
(they are going to need it)

Thank you for wishing me/us luck....although my world is not based on the principles of luck.

If there should be "reptilians" on the starship well...I'm going to say hello and hopefully have a good conversation with some of them!

I'm dealing with the real "reptilians" which is our "Government" every day, so don't worry about me.

Hi overmind,

at least now I know where you are coming from, thank you for your honesty...I can understand you

much better now.

I know the Material given by Metatron but it does not resonate with me, no harm meant.

To me things are clear. It is clear that I have to do my share of "cleaning up" as well as everybody else....the "Savior" resides within me/us to make use of it is always up to the individual.

It is just sad that the majority of People don't want to think on their own, it seems they always need someone to blame....when it is clear to see that the error lies within themselves.

GOD BLESS

I don't read a lot from Metatron because there are disagreements about who he is. Some view him as a power director, others a simple title designating a conglomerate form of consciousness. Plus you have to consider the integrity of individual T/R's, which can take a long time to judge. I've only recently read messages concerning him. There are some correlations though between the different sources. The messages I personally stick to are usually from the midwayers as well as a group of teachers from the Mansion Worlds. Stasis is only a matter that is discussed within Candace's field of influence. I've never read of a primary or secondary midwayer discussing this. However, they don't always talk about world events either, they usually stick to the theme of developing the soul.

SYNERGY AND ECSTASY (Part 1)

By Thoth thru Leonette

Jun 24, 2010 - 4:01:37 PM

Thoth thru Leonette

June 24 2010.

SYNERGY AND ECSTASY

Me: Hello Thoth, I feel at ease and I am able to connect with you today. How goes it?

Thoth: I know that you want to know about everything that is happening around you, but this you can see for yourself, for as I said before It is Here and Now. The precision of effects has to be measured to ensure success. How it works is similar to how you effect anything of importance. You initiate action then you stop and measure the response to the action and decide if to maintain the pressure of the current action or to decrease or increase accordingly. All to ensure the finality of what you are trying to achieve is NOT compromised to the point of INVALIDITY.

Me: for the last few months I seemed unable to 'tap into your consciousness' and I felt frustrated by this inability...I felt cut off.....

Thoth: I was able to 'tap into yours' and I know that you are aware of such. your feeling of alienation was just that...your feeling...and that came about because you were clouding your space with the 'What, How and When' of your expectations and you were seeking to foist that on my awareness. This of course contaminated your field and colored your emotions which in effect prevented you from 'reading me' clearly as I tried to adjust your 'frames of reference' to help you perceive what was happening around you.

So not only did you 'feel' alienated from me but you also 'felt' alienated from everything that was and is occurring around you. I hope you realize that your perceived alienation is very much a figment of your imagination, as is your perception that everything is 'hunky-dory' in your world.

THOTH GOES ON

Your curiosity about the role that I play in all of this is prominent in your mind, Suffice it to say that as part of the Hierarchy with a focus on liberation of these realms, WE all play our varied roles in this 'mission' as you would think it to be.

Our efforts appear individuated, yet a better description would be that each focus is a small part of the Collective foci and the Collective foci is about bringing these 'out of sync' realms into the bosom of Prime Creator. Now achieving that eventuality is beyond your current ability to perceive in terms of the time-span for such an endeavor and the various steps to achieve such. However part of the initial steps to such an objective begins with the bringing of these realms into alignment with the ATON consciousness paradigm.

Therefore, as a consequence, Aton is the prime co-coordinator and evaluator of what is to be done to achieve such a feat. After all, these realms are HIS manifestations. He has divested of Himself in different forms and as such HE 'EXPERIENCES' the discordance of lesser energies gone awry within His overall consciousness. By the same token though, His consciousness has the ability to 'measure' accordance in the energetic structures that make up his consciousness template.

Hence the reason He is the ONE who guides the process as he sees fit because ultimately he experiences the energetic surges, be it of malfeasance or bliss within the essence of WHO HE IS. HE bears full responsibility, not only, for these creations of His but also for the returning of these creations to their Original blueprints that are the overall patterning of the Grand Cosmic Design emanating from Prime Creator.

The other 'aspects' of the Grand Cosmic Design" patterning, such as the essence that you refer

to, as Thoth and many others are part of the support mechanism in place to assist in this undertaking. Similarly, you and many others, whether they are aware or not, are part of this same support mechanism.

We are aspects of Prime Creator, operating as Group Collectives at a higher frequency, closer to Source.

You all are splintered aspects of US, downloaded behind the 'veiled enclosure' of what you would describe as your MATRIX consciousness, as vibrationally, stepped-down versions of the many varieties that make up our whole.

In other words, we have 'pitched' or rather 'pulsed' aspects of ourselves behind the 'Veils of Forgetfulness', to further this mission of support.

As connections to you all who are positioned behind 'the veil', we provide vibrational support to you and it delights us, when we recognize that, you, in your amnesiac condition, become aware of this vibrational support.

We also orchestrate particular energetic influences at this level that filter through 'bands of energetic layers' to permeate and transform the energetic matrices of those discordant realms. We also 'pulse' those energetic influences to you and through you via your individuated energetic systems that surround your physical beingness.

When you come into awareness of this process, you take a vibrational leap forward. The support that I provide as part of the Collective Consciousness to which I belong is multi-faceted. What I convey is primarily in the domain of cosmic truth, which includes scientific and esoteric wisdom. I am also involved in the art of cosmic civilization building, from the very primary, for example in the case of basic consciousness, the activating of the awareness of the importance of co-operation and structural organizing to the more advanced cosmic systems of inter and overlapping influences, connections and assimilation processes in facilitating merged thought and group consciousness.

I am also part of the Council that deals with Cosmic Systems planning, development, restructuring and adjudication processes. My other foci, I will deal with at another time when it will be best understood.

I relay this information to try to help many to understand that this process of 'liberation' is actually the 'coming together' of many inputs from many quarters and many levels of consciousness participating in this mission.

It is NOT one solitary effort but a collection of MANY towards an ULTIMATE.

The Supervising Coordinator is Aton in whose essence all of this is transpiring. HE is in charge of the orchestra. He hummed the etude into existence, selected the rhythms and he developed the stanzas. More than that though, he conducts the orchestra and he also performs within it.

He internalizes the melodic highs and lows in a piece that is melancholy at best, when it need not be so. You all are parts of this very ATONIC expression and even though you may NOT be in TOTAL awareness of EVERYTHING, as is ATON, you are possessed of the same qualities of forbearance and determination that are some of the attributes of Creatorship,

Perceived lulls in activity are just momentary pauses in the orchestrated piece so that other parts can emerge at the coordinated and appointed times.

When ALL the parts are 'tuned to perfection' and the various chords harmonize to sound the Grand Crescendo, the playing of the piece achieves a rising resonance, which elevates the particulates of your world from the mundane to the sublime.

I have tried to describe this current scenario using terms of sound and energy in the form of music. I believe it is easier for most to appreciate what is happening and how your own roles impact the WHOLE, from the vantage point of orchestrated music.

If all the parts to this orchestrated piece are in the process of tuning to perfection so that the sound that is projected is in harmony with other sounds in the creation of the Grand Crescendo, then the question that must be asked is if each and everyone is diligently 'tuning' their instruments to ensure such 'near perfection' is achieved.

I will advise that in order to achieve that 'near perfection' that attention must be paid to:

1. The Objective (The grand crescendo)
2. The enhancing of your Be-ing (tuning to perfection)
3. the elimination of that which distorts the clarity of your sound.
4. Identifying that which is NOT in your best interest and 'pulling the plug' on it.
5. Remaining focused in spite of what you see or rather what you don't see.
6. Keeping aligned to your Atonic consciousness that contains attributes of forbearance and determination, which are attributes that will get you over the 'hump' of your disappointments.

Remember, you are embodied in vessels that have been created out of Atonic consciousness and encoded in the blueprint are those attributes so they are not foreign to your level of consciousness.

Me: Thank You Thoth

Thoth: The pleasure is mine, however we will follow up on this discourse at another time.

Me: I look forward to that time and thank you!

SYNERGY AND ECTASY - THE UNITY OF EFFORT (Part 2)

SYNERGY AND ECTASY - THE UNITY OF EFFORT

Me Hello Thoth, we are continuing this dialogue.

Thoth Yes, are you comfortable?

Me As best as can be.

Thoth Well, let us proceed then,

Me By all means please go ahead.

Thoth

In the previous discourse, I attempted to provide to you imagery to help you to sense your roles here and in this time. I attempted to show you that in the grand scheme of things each has a role to play and each role is interconnected and valid towards the outcome that is envisaged for these worlds. Worlds that are locked in to a vise or a grip that require effort, both on the parts of those who orchestrate the event and by those who manipulate the physical domains in pursuit of those goals.

Now many of you are unable to picture 'the goals' of this Herculean effort, for you are by and large in amnesia. There are a few who have been given a 'glimpse' of this goal but even they cannot visualize the magnitude of such an event. Some receive a small part of the picture from one direction whilst others receive another part from yet a different direction. All these images are based on how 'tuned up' the receivers are. So from this statement one can realize that the more 'tuned up' one is the better one is able to comprehend the 'vision' at the end of the tunnel so to speak.

Now, to get 'tuned up' requires effort on the part of the one who wishes to be able to come into comprehension about the nature of things. Even for those who may have certain 'faculties' on line or better said those who may have some 'gifts' available, gifts such as clairaudience, clairsentience, clairvoyance etc., 'Tuning up' is an absolute requirement.

What do I mean by 'tuning up,' simple, the practice, whether consciously or subconsciously of perfecting your thinking patterns, in other words bringing your thinking patterns on line with your Atonic consciousness.

Now whether your 'gifts' are turned on or whether you are clueless where these things are concerned, matters not, this is a journey for each individual who is yearning to be aligned to supreme consciousness which manifests in these dimensions as the Atonic consciousness so named after Aton who breathed life into the worlds.

Each journey is as varied as the individuals who travel that path and no one way IS the right way, however at a certain point one comes into recognition that alignment occurs at the juncture where falsehoods based on matrix socialization patterns, begin to disintegrate. Most Humans identify this point when the various stimuli in their worlds no longer fascinate or seduce them and for many, especially those who are unaware of what is happening, this is a time of extreme upheaval that manifests as depression and self-degenerative behaviors.

When a Human decides to 'take the path' and it may be accurate to state that when the Human's consciousness has been activated to fulfill its potential in service within these realms a number of situational triggers occur. Many would attest to personal and emotional crises that forced them to come to crossroads in their lives. If the incorrect decision was made at that particular crossroad, then more challenges followed until the Human chose the paths more conducive to arriving at their intended destinations.

Some may think that these personal and emotional crises are crude and uncaring machinations of an unjust God. I assure you that God has nothing to do with that! The best way to describe such is to point out that built into the 'blueprint back-pack' of each individual on the journey here, are a series of 'check and balance' switches that become activated under circumstances when energy fields become 'out of sync' with the individual's energetic blueprint..

When those 'check and balance' switches are activated., the individual's energetic blueprint starts to realign the energetic components surrounding the Human Body, as such, the characteristics of energetic patterning start to align differently.

As you know the energy that you radiate outwardly from your fields of cognizance, configures the energies of situations that surround your perceived reality. However once the characteristics of the energetic patterns start to re align in a differing pattern based on the 'check and balance' activations, then you will experience changes in the situations that surround you in your Life experiences, because the energetic patterns are different from the patterns that sustained those experiential perceptions before..

So you may find that you can no longer tolerate certain situations that before posed no significant problem, or you may start having health problems or worsened health issues. Or that the institutional supports that nurtured and sustained you, begin to fall away or deteriorate. Such institutional supports include your career, your religion, your family and your educational systems.

Now these 'bad things' happen because the activated 'check and balance' systems which are built into your energetic blueprints, (and let me remind you for you have forgotten, THESE CHECK AND BALANCE SYSTEMS WERE INSTALLED WITH YOUR FULL APPROVAL), have this essential responsibility of 'stripping' your Essence of contamination as you sojourn here.

If you review your own lives, each and every one of you who read this, you would recognize that your perspectives started changing exponentially, once seemingly insurmountable challenges were placed on your paths. You would have been forced to cling to any modicum of assistance to help you to deal with any given traumatic situation. This process allowed you to forego that which was not helpful and forced you to pursue other avenues for assistance, avenues you would have never considered if your blueprints had not realigned because of the energetic activations.

You would have continued using this methodology of trial, selection and elimination as you continued to deal with the issues that were placed before you. You would have also discovered that what might have worked for a particular situation at a particular time, was no longer applicable if a similar situation challenged you again.

You would have found that whatever your religion taught you, what your family values might be, how your professional life may have shaped your outlook, what your education system supplanted in your mind, how your society socialized you, how your politics controlled you, how your desires jailed you, all these things and more you would have found created challenges in your life for you to explore the truths and untruths of the nature of life as you know it.

I have said all these things to give you an example of how the process of 'tuning up' works. This 'tuning up' process is a built in mechanism as stated before and is a part of your 'back pack' that accompanies your energetic blue prints to these realms...You are largely unaware of this as it should be, because your responses to what your 'back pack' has in store for you, is what determines whether your 'tune up' will facilitate your alignment to your 'Atonic Consciousness.'

You may think, well I can condition my response to fast track my alignment. Well that may be your theory but in actuality it does not work quite that way... the conditions that present themselves in these realms continually prod you to experience your 'base' selves. Your 'base' self is tied to your emotional self but acts instinctively and at times, remote from your emotional self.

Your 'base' self is self-explanatory. It is the self that is least pretentious but it is the self that most Humans mask. The 'base' self is what forms a repository for Atonic consciousness. Once the 'base' self acclimatizes to the conditions under which the 'tune-ups' are warranted, then everything else is as you would say 'icing on the cake'. Put another way if your 'base' self, the least pretentious of all the selves, is conditioned by the consciousness of Aton, then the foundation is laid for the honing of the process towards alignment with the Supreme consciousness, which Aton represents in these realms.

The reactions to the activations of the 'energetic blue print back-packs', are 'hard-wired' into your 'base' selves. It is not lodged in the Ego self, however the Ego self: the self that masks, can and oftentimes determine the responses and if the 'base' self is not on the road to alignment with the Atonic consciousness, then Ego directed responses to the 'back-pack' activations can be looped into acts of degradation which make alignment more elusive.

The 'emotional' self, while connected to the 'base' self and also connected to the Higher Self, tends to be conditioned by the Ego Self and also by conditioning brought about by societal value systems. So, for example, let's say that an appropriate Atonic response to a situation might be to 'Not turn the other cheek and to stand in one's shoes and stand against a particular situation. " if the 'emotional self' is conditioned by religious fervor that says to 'turn the other cheek,' the 'base' self, might be inclined to recoil and become retrograde in its ability to respond appropriately.

Similarly, if the Ego Self influenced the 'emotional' self, the 'base' self may respond in a manner that will bring nothing of consequence to any of the parties involved in that particular situation.

One can only understand the merits and demerits of any approach by application and diligent learning from the outcomes.

The 'base' self is where the upgrades are done and that sets the tone for the willingness of the various energetic selves to merge in consciousness as attempts are made to align to the God

consciousness.

Now you may ask how do I get my 'base' self to respond in the appropriate manner, well all things considered...the 'base' self is where you practice and test a number of responses to varied reactions until you find the one which leaves you in a state of balance. Although as you progress in the refining of your responses you will become aware that what may have left you in a state of balance at one time, may not do so at a later time. This is because your changing awareness elevates your consciousness and this in turn changes or rather resets your perceptive fields. You spiral in growth in these realms and you would be constantly challenged to hone your ability to maintain your centre so that you will effect the best judgment, at any given time, in any situation that confronts you!

Be not afraid of this!

This forever-changing paradigm of what you consider truth will be just that in these realms because of the nature of the forces that operate here. By engaging the process of learning what is appropriate and supportive of your alignment, automatically jump-starts your alignment process and once you have resolve and determination you will KNOW, when you are in alignment and when you are not.

Now I tie all of this back to what I mentioned in the previous discourse. Remember when I indicated that you all are 'pulsed' aspects of ourselves, 'pitched' behind the 'Veils of Forgetfulness' to further the mission of support to reclaim these 'out of sync' realms? To use an analogy let us say, you were the owner of a small fish aquarium in your home. One day you noticed that something appeared to be wrong in the fish tank. Maybe a couple of the fishes died, maybe the water appeared somewhat cloudy and you figured that something was wrong with the supply of oxygen within the tank.

At this point, you don't want to empty the aquarium completely because you figure that you can adjust the problem but you will need to remove the dead fishes and after you will need to locate the source of the problem. So you gingerly put your glove protected hand in the water, while you try to recover the oxygen hose at the bottom of the tank and at the same time not disturb the decorative stones and other elements in the aquarium.

Wearing gloves makes the task somewhat cumbersome because you don't have the feel of your fingertips and you are hampered by the need to be careful with the fishes and other elements within the aquarium. Your hand being in an awkward position becomes uncomfortable and cramped. Your fingers appear to want to do its own thing to relieve the discomfort but you know that to do so will make matters worse and force you to have to empty the aquarium completely which you are trying to avoid.

Well, I use this little story above to describe the relationship between You within the 'Veils of forgetfulness' and US above and beyond ' the Veils of Forgetfulness'.

You as our hands in the Fish Aquarium and we as You standing looking down at the aquarium with our hands in the water of the aquarium. We are trying our best to save the aquarium and the contents but because the tank is so small we can only place our hands within the aquarium in this uncomfortable position, to force our entire arm in will cause the aquarium to shatter and everything to be ruined so we are using our hands to try and fix the problem. Due to the nature of the situation though our hands are hurting due to discomfort and cramps, wearing gloves in water takes the discomfort to another level and soon enough some of the water gets into the gloves...

This causes the fingers to cramp even more and a decision has to be taken whether to take the

hand out of the water and empty the aquarium or to stay the course.

For the time though, you decide to stay the course because you feel confident that you can fix the problem but the fingers are unresponsive because they are uncomfortable and cramped plus the gloves are proving counter-productive but it's necessary to wear them to prevent the fish from nipping at your hands. You are thinking that you need to let your fingers know how crucial they are to saving this entire aquarium, so you try to communicate with the muscles in your arms to relax... And so starts the process of communicating with your fingers...

If you can understand the roles that are being played by this little story, then you are well on your way to understanding your roles here and how you need to align with your God consciousness to facilitate that which you came here to accomplish.

Me: Whew...this has been long.

Toth: Yes and I know that you are tired but we cleared your desk to facilitate this. (Sensing a smile) This is important!

Me: Well I figured that much...

Toth: It is important because while we appear to have some 'time', every available opportunity will be utilized to 'pull many up,' to have them raise their vibrations, to stretch their minds, to plant the seeds, so that it becomes easier the next time around when they encounter elements of what we are discussing, whether in word or in actual form.

Me Thank you for the opportunity to assist in this regard.

Toth: Thank you for availing of yourself in this mighty effort.

Hello firmament!

I don't know who you are, if you are male or female, if you really live in Germany.

This anonymity that the forums offer to us is often disturbing, you never talk with a real person, we always talk with a pseudonym!

This is a lie, we are not going towards truth this way!

It annoys me to a great extent the quantity of "Anonymous Cowards" that pop up on this forum!

Why, are these people afraid of what?
Is there any channel we can talk straightforward, person to person?
Is there any personal safety issue involved?

If you want to contact me through e-mail, it is:

Hello firmament!

I don't know who you are, if you are male or female, if you really live in Germany. This anonymity that the forums offer to us is often disturbing, you never talk with a real person, we always talk with a pseudonym!

This is a lie, we are not going towards truth this way!

It annoys me to a great extent the quantity of "Anonymous Cowards" that pop up on this forum!

Why, are these people afraid of what?

Is there any channel we can talk straightforward, person to person?

Is there any personal safety issue involved?

If you want to contact me through e-mail, it is:
alpheratz63@gmail.com

Have a good day!

Message 86: RETURN FROM ICE TO SUN

By Rosie

Jan 8, 2012 - 5:28:58 AM

Message 86: RETURN FROM ICE TO SUN

Seraphin through Rosie, 7th January 2012

R: Dearest Seraphin: what can you tell me about the present global situation?

(At this point I connected up to Source in meditation and received the following images in my mind's eye). I saw myself as a young woman going through an initial cleansing process. Buckets of black water were being thrown onto me from above. It cleared out pieces of grit from my hair, clothes and skin until they were a pure glistening white. In the end my hair was very long and thick and almost transparent.

I stood with a number of other meditators on a cliff top surveying the sea. This ocean was actually enclosed by other countries also, but these were very distant and only sensed, not seen. I also sensed that other people were watching the scene from these far away places. A battle was going on. Planes shot beams of light into the ocean where dark submarines were lurking. This went on for a very very long time, and the onlookers became despondent.

A new strategy was introduced by those of the light who were directing the planes. They caused it to snow below them so that a thick white blizzard raged over the sea. This confused the submarines as they could not longer perceive or pin-point their "enemy". The people watching, myself included, were immobilized by the cold and turned into statues of ice.

Having lost their "enemies" above, the submarines started to fight among themselves instead, and their black debris pervaded the seas so that the planes stopped the storm and threw the same black buckets of water from the heavens in order to cleanse the waters and purge it of black memories. The skies cleared and the ice figures were melted by the sun, and celebrations were underway.

I was given to understand that we are presently at the stage of the blizzard where conflict rages but is not concretely recognized or perceived by those "on land" who are not directly involved,

whose view is impaired, who find themselves on a different plane or mode or state of immobilization (ice) or mental stagnation.

S: Yes, Dearest, the absolute nature of present proceedings has been preceded by so many warnings. We plead with you to **TURN BACK, REVERSE YOUR DECISIONS TO DISTRACT, MAIM AND COMPROMISE YOURSELVES AND YOUR FELLOWS. REJECT EVERY FACET OF EVERY SITUATION OR ENCOUNTER OR OBJECT WHICH CONTRADICTS PEACEFUL LIVING. REMOVE EVERYTHING HARMFUL AND DESTRUCTIVE AND UGLY. POUR WATER OVER YOUR SOULS AND YOUR CONSCIENCES SO THAT THEY BECOME PURE.**

FOR WHAT YOU DO NOT REMOVE WILL BE REMOVED FOR YOU. WHAT YOU DO NOT ADDRESS WILL BE CLARIFIED FOR YOU. WHAT YOU DO NOT RELEASE WILL BE SEPARATED FROM YOU BY FORCE IF IT IS NOT IN KEEPING WITH THE LAWS AND POLICIES OF THE NEW EARTH.

Those who insist on continuing their comfortable lives of pomp and circumstance, taking up positions of lords and ladies to whom others must fawn and bow, **WILL BECOME THEIR OWN SERVANTS. Those who rob or inflict pain WILL BECOME THEIR OWN VICTIMS. And those who shed the blood of others WILL BE INJURED BY THEIR OWN SWORDS.**

Such are the laws of balance, Beloveds, so assess your behavior and identify your misalignments as the curtains of this performance, this last "sea battle" draws to a final close. We love you, Seraphin

Siraya Speaks on Man's Role in the Universe

By Jess Anthony

Jan 16, 2012 - 5:11:04 AM

1-12-12

Siraya, I would like some additional comments from you. Please explain to me the lines of authority and the extent that universal decisions can be modified. I have an understanding of the enormity of the process going on, and realize it is more complicated than just pausing existence. Speak to that, if you will. Speak to our involvement and our achievements at whatever level Orvonton perceives them to be.

Jess, I'm speaking to you from far away, to your way of thinking on Earth, yet we are as close as your thoughts. We are intimately involved with what you do on Earth because we have determined the template of your DNA and your human attributes as they are manifested in your universe and on your planet Urantia. You are an extension of us. Your physical frame is a reflection of the concept we gave you. The concept of fully Trinitized form represented in this superuniverse is passed from us to you as your embodiment.

How can you say we are not intimately involved? You are using the guise that is necessary for existence on your planet in your universe. Your choice to experience these parameters dictated the manifestation your energy would take. We selected the spirits that would make the attempt to exist on your planet. Christ Michael Aton created the forms that became your bodies, but we passed the spark of life to you from Creator Source through Christ Michael's spiritual counterpart Nebadonia. We are linked to each of you and know intimately how you live our lives here.

The Creator Source has decided Earth will ascend to a higher level of energy and spiritual alignment. This is definite and the process whereby this is obtained is the only variable. In the case of Urantia, the paradigm for existence is so threadbare and toxic that assistance is necessary to allow this planet to meet the natural evolution taking place in other planets in your immediate solar system. An unimaginable process of growth and perfecting is at work currently in all the planets-not just Urantia. This is necessary to set up the frequency of formal energy that will be able to meet and incorporate the so-called Wave of creative transformation that Creator Source has authorized for this sector of creation. The immense wave of energy is moving into place. In order to accommodate this energy fully, galactic forces have been moving your solar system into a better position. This was a calculated move to have fullest healing energy connect with your ailing planet.

These decisions were made on a higher level than Nebadon, although Christ Michael Aton was always present at these discussions. He was given the assignment, as it were, of implementing

Creator Source's choice. Since he is linked to Creator Source as his embodiment in Christ Michael Aton's own created Universe of Nebadon, the decision can be said also to be Christ Michael Aton's. Within his Universe, Christ Michael Aton has free range to select how this process will take place. However, we are not separated from you, and we are similarly experiencing the discoveries that are taking place as situations are explored and then improved. We observe, but also participate. It is an aspect of creation.

The process of ascension is vast and all-encompassing for everything that is part of the created form. The scope of what is proceeding is beyond your imagining at this time. Earth's transformation is only one part of the complex picture. Given the complexity shown in the process on Earth, you can sense in a way the immensity of what is occurring in this part of your universe. This is all being monitored and coordinated by Christ Michael Aton and his galactic forces. Your involvement is just as significant for the final result, but it is not the only set of actions that must be carried through.

You asked about your role in this ascension. Man's role is crucial at this point because Creator Source and Christ Michael have determined that some inhabitants of Urantia will stay and continue working to find greater spiritual truth in their form of incarnation. As has been said before, cleaning a planet typically involves allowing it to collapse in on itself and rebuild in a slow, coordinated process. Because Urantia was a bestowal planet for your Michael, and because it can restore its function as an experimental laboratory for its inhabitants, an exception was made. There was enough cry for change-however uninformed-after the events you call 9/11. Enough people were of like mind globally to cause a re-thinking of the previous plans to evacuate and let the planet restore itself.

Words and commentaries have been transmitted through various means, but their direct effect was not substantial enough to cause a change in man's thinking. The unimaginable act that brought down the twin towers became a trigger to shift the thinking and resolve of enough inhabitants. Man called for change in one voice. The energy of the immediate reaction was sufficient to cause a shift in the attention paid to man as a spiritual being. The possibility of having man be part of the ascension process was broached, and the decision was made to change the parameters of the reconfiguration of Urantia to include the participation of man.

Man's awareness has grown, and his understanding of the complexity of the ascension process has been nurtured through a range of messengers and by examples of cultural assumptions falling apart. The underpinnings of current lifestyles are being shown to be pointless and not in accord with the universal spiritual truths that have formed the templates and building blocks of your planet and its solar system.

Man-at least a satisfactory majority of Urantia's inhabitants-has begun searching for a way out. Established educational and religious preconceptions color the types of salvation inhabitants are searching for, but they are looking, nonetheless. This is the corps of Urantia's population that will be returning to rebuild their global civilization once she is ready to receive them again.

Man will remember the past when he returns, but he will also realize he must change his thinking to align his ideas and activities to the fundamentally different spiritual path that will be introduced. The role of teacher and the task of providing visible examples of spiritual integrity and responsibility will be the function of the so-called lightworkers who have returned. Those with a greater understanding and sense of spiritual alignment with Creator Source and Christ Michael will lead others to the point of view they have developed. The teaching will be enlightening, and the end result will be the beginning of the sort of spiritually unified civilization that Urantia must have to continue her ascent.

This will be new but also remembered. Urantia's inhabitants have experienced these type of cultural situations before, but their immediate memory has been blocked to allow them as volunteers to explore and create from their discoveries. Much has gone awry from the blue print Christ Michael Aton developed for his Universe of Nebadon. His seventh bestowal planet has become so toxic it is almost too damaged to save. Certainly not with the experimental process that is ongoing now. The long checklist Christ Michael Aton is working from has many unknowns and unpredictable results because of the uniqueness of what he is undertaking. There is a correlation to man's concept of time, so that man is able to make his behaviors correspond to what is in process. Christ Michael Aton is working within the parameters Urantia's inhabitants have developed to measure their existence. But the process remains in flux, even so, always being reshaped to accommodate man's efforts or challenges. The schedule of events is not written down; the only constant is the fact that Creator Source has determined ascension will take place on Urantia with man as part of its game plan.

As so it is near. Most of the checklist items have been resolved or implemented. Much is going on behind the public façade broadcast by the news agencies. Man should be preparing for this amazing change as best he can--resolving personal issues that block spiritual alignment and providing living examples of the type of compassion and responsibility that will make up new ascension communities.

The process of change is already ongoing, and the final moments of your old style of existence are here. Look for this to be resolved at any moment.

Siraya

So no more negotiations with the "bad guys". What were the negotiations about anyway?

A guess: they were to be allowed to keep some of their leadership role and now they will keep less of it?

It doesn't sound like things are really over for them though. They will have more time to plan behind closed doors, more time to choose love, or not.

So what is it, that is over?

Hi AC...6203,

my opinion about this:

They had the opportunity to "change side" so to speak. To come into the Light and change their course...I guess they didn't.

Think about how many more people would have awakened by finally knowing who misled them, how and why.

I don't think it was meant for them to keep any of their powers, rather to reverse and start all over again (some place else?) to do better, to come into the knowing of the Light within.

I think the Game playing is over.

All of Creation is ready...for me it sounds like: stand in your shoes, know who you are and...don't miss this train at your station...

ALL AT DUE SEASON AND DUE TIME

By Johan/CM

Jan 16, 2012 - 4:51:33 AM

This morning upon opening my eyes I communicated with CMAton to find out WHATZ UP ... and ever since I stayed in His energy wake most likely as everything so far this morning has been GUIDED, INSPIRED...

The talk I had with somebody earlier, the text I prepared for The Truth Shall Set You Free Indeed Thread, even what just came out of my early morning meditation I just finished, ALL WAS GUIDED AND INSPIRED IN THE SAME DIRECTION :

I felt the urge/inspiration/guidance (last time I repeat those words ...) to simply start by sending Love and Light and Reiki to the three major focus points of our Triangle, suggested by CMAton before, the Fleet and His Commander or Chief, mother Earth and AH meditators and members. After this section, I asked CMAton for His Will upon this morning session and He said: " My son, what can I ask you to do differently from what you just did? You see how ONENESS works, My being IN you and you allowing Myself to work through you, TRUSTING and going with that Inner flow of Light and Love and Divine Energy at work ? Just focus on what I would like you to share at the forum this morning, what you clearly picked up already. " So I did. And the following was put upon my heart :

Many of us Lightworkers, Star seeds have reached a dead end street. At crossroads where we do not want to walk the same roads we have walked before, Yet do not see the new road instead. Not realising we are MAKING that road step by step by walking on the Invisible, Inner Road. We see everything collapsing since we are in the knowing of a thing or two, yet not seeing the total picture by far. We question ourselves if we did enough, if we should not be doing more of this and

that ... Now being stagnant is deadly indeed, so moving ever forward is KEY, but we ask ourselves ... how many more seeds do we have to sow still in order to see a harvest ??? We come with the impression most of our seeds have fallen on rocks, instead of good fertile soil, or our words have fallen on deaf ears, or closed ears ...

That was the entire mornings theme with me ... CMAton came to clarify : " There comes a time where the farmer who worked the soil feverishly and sowed many seeds, has to sit down and take a rest and allow the elements and mother earth to take over. A time where things are out of your hands. There is also a time, a NEED to appreciate what you have done or what you have, without further looking at what still could have been done. Yes, STO's never stops, always continues, everyday is a Divine Holy Day I heard or read Candace say or mention, but when you do not stop to appreciate the work you have done, the soil you tilled or worked, the seeds you sowed, YOU WILL BREAK YOURSELF.

You must know that seeds have that Divine Supreme Intelligent Power, Life force within them, to sprout and grow when all the circumstances are ready, are perfect. That might not be when you expect or hope it, and some might just not have that germinating power in them anymore, but you did your work, your best, and that needs to be taken into consideration, by resting, ENJOYING LOOKING BACK UPON WHAT YOU KNOW YOU HAVE DONE, no matter the outcome.

The more you will appreciate and enjoy what you know you have done out of Service To Others, in the light of your membership and participation in AH, no matter the outcome, the more you will find fertile ground to continue, after you wisely took a break, a rest, a moment to enjoy. Results are always good results and only come FROM DOING THINGS ... and only you know what you have done, or not done ... A rest, a nap, a moment of balance, will do you good in between following the Inner Indicators, Signs of where to go next, what to do next ... And that is where many of us have come and need to respect and appreciate that in ourselves. Then joy and happiness will strenghten us to go on.

A mothers work at home, at the family, even her love and caring when everybody is out of the house, never stops. But a mother needs a break as well, and looking back upon the good moments especially, all the rest pales in comparison. A lost son coming home makes all the hardship and pain forget. So does a moment of appreciation and enjoyment and rest ... Learn to relax a times, enjoy more and only then keep moving on , one step at a time with renew vigor and purpose and zeal and zest and enthousiasm ... YOU WILL BE AMAZED TO SEE THE HARVEST, THE GOOD RESULTS THAT CAME OUT OF YOUR MANY SEEDS YOU SOWED, ALL AT DUE SEASON AND DUE TIME, and then much more joy and happiness will be yours ... I dare you to do the same ... at your risk of more joy and happiness "

I thanked CMAton and welcome you to walk that road together by the same directive but with this above Divine Advise in mind.

Love and Light,

Johan

Ron: A transcription of part of the text:

The goal of any esoteric work must be that of objectivity, first in our understanding of ourselves, and then, as our filters and programs are dislodged, of the world. A true esoteric teaching will, therefore, not only focus on "Know Thyself", but will also provide knowledge about the reality of our reality. If one or the other of these aspects are missing from a teaching, then you can be certain that it is incomplete, and an incomplete teaching, even if through ignorance of the teacher, even if unconscious, is dangerous. – Henry See, "Spiritual Predator: Prem Rawat AKA Maharaji" (7' mark)

There is no coming to consciousness without pain.

People will do anything, no matter how absurd, in order to avoid facing their own soul. One does not become enlightened by imagining figures of light, but by making the darkness conscious. – Carl Gustav Jung (8' 35' mark)

Humanity seems to be in the grip of a global Stockholm Syndrome.

Ultimately, change happens only if we change, separate lies from truth within AND without. Only then will we be able to see the world as it is. Without filters of denial, wishful thinking, false hopes and misperceptions because of our corrupted state of being. In order to see the truth in the world we need to see the truth in ourselves and stop lying to ourselves. Only then will we be able to know what to do and act upon it. (10' 20" mark)

"What will bring peace is inward transformation, which will lead to outward action, inward

transformation is not isolation, is not withdrawal from outward action. On the contrary, there can be right action only when there is right thinking and there is no right thinking when there is no self-knowledge. Without knowing yourself there is no peace.

An ideal is merely an escape, an avoidance of what is, a contradiction of what is. An ideal prevents direct action upon what is.

To have peace, we will have to love; we will have to begin not to live an ideal life but to see things as they are and act upon them, transform them, As long as each one of us is seeking psychological security, the physiological security we need; food; food, clothing and shelter, is destroyed.

Some of you will nod your heads and say: "I agree", and go outside and do exactly the same as you have been doing for the last ten or twenty years. Your agreement is merely verbal and has no significance, for the world's miseries and wars are not going to be stopped by your casual assent. They will be only stopped when you realize the danger, when you realize your responsibility, when you do not leave it to somebody else.

If you realize the suffering, if you see the urgency of immediate action and do not postpone, then you will transform yourself. – Jiddu Krishnamurti (11' mark)

You are- Abundant

By Hazel's Higher Self

Jan 22, 2012 - 8:02:16 AM

You are- Abundant- Higherself

Abundance is your natural state. It is the rhythm allocated to you through the birth of your soul. You need simply to know this and seek within yourself the wealth of you. This wealth is your governance.

Yet in human format the ability to conceive this truth is elusive as it has become natural for you to seek that which is external to yourself in the form of acquisitions which you project as 'abundance'. What you know as abundance is typically what you can see and own.

You cannot comprehend the subtle truth that you are All and in that All-ness there is no vestige of paucity or lack.

As you gently meander through the soul's evolutionary cycle, you will gradually come into remembrance and acceptance of your natural form. It is the indigenous part of you that has no ending. During the course of your myriad journeys through the evolutionary worlds of time and space, you will at some point achieve the alchemy of wholeness. It takes men many many lifetimes to realise and know that they are ALL, and experience the All-ness beyond an intellectual comprehension through mergence with the Divine mind. In that state they simply 'are' and in need of nothing.

Until such time, it is advocated that you re-programme your thinking of dearth into one of abundance by initiating within yourself the knowledge that you cannot be anything but abundant through the presence of the divine within you. Your soul was created in perfection and it is through this perfection that you derive the abundance of your CREATOR.

If you are able to accept this rationale and begin to know that it is who you are then your vision will be inspired by this knowing. In other words you will begin to see through the eyes of abundance and think without limitation; as that which is abundant has not limit.

The use of the term abundance in your realm tends to have a material or possessory connotation. Yet this is invariably a very limited view point. Creation itself is abundant in divine energy and your planet in herself has much natural abundance birthed through the Creator's mind. Yet rarely in your world is the panoramic view taken of abundance beyond a personal agenda. You cannot know what abundance is unless you come to know yourself and experience every facet of you as a divine entity.

You hold the power within you as abundant beings to create abundance in your outer world. You can also create whatever abundance you desire in your personal world. What you create should inevitably reflect you. Through life's experiences abundant lessons can be learnt from the soul's perspective through what you may term unpleasant or painful circumstances. Many of these adverse circumstances are meant to yield lessons that will enable the participant/s in the experience to find or gravitate closer to the God within. This is a step which harmonises their thinking with one that is closer to their true nature. It is from this point that an understanding of God and themselves will be birthed.

Need is an indicator of lack and lack is an indicator of perceived un wholeness. It is therefore a change in perception which is mandatory, for you to begin to manifest abundance in all areas of your life. All power lies within you and it for you to utilise and direct that power in a way that creates abundance. The power of you lies in your mind; and therefore the re programming of the mind is necessary so that you begin to project thoughts of abundance because it is who you are. Should you be lacking in confidence, self esteem, self belief or faith, then your creations cannot yield abundance and neither will you attract abundance.

You need also to rid yourselves of the programming of poverty consciousness and become more aligned with the abilities, qualities and essence of Christ consciousness. In a state of Christ consciousness you will only know abundance.

The reality of your 3rd dimensional world is that abundance has been associated with financial gains or what you tem money. Indeed as a 'thing' it can provide material wealth and trappings related thereto. Yet not everyone has abundance YET everyone is abundant. True abundance does not know lack because it is balanced on that fulcrum of equality. True abundance does not exist in your physical world.

Is there any ill or evil in having or wanting to have money? The answer is simply NO? It is the use of that money and the means used to acquire it that matters. If money is a staple in your structures and is necessary for living, then to shun it in its entirety would not be wise. In fact you cannot currently survive without it. Most activities revolve around it. How much you desire depends on your personal needs and wants. It is a means to an end not an end in itself. It is a mechanism for physical survival; and for the soul to have its journey and experience in your world, money is a necessity at this time.

Many do not appreciate that in past lives and through genetic coding they have brought the id of poverty consciousness with them into this incarnation. Many have taken vows of poverty in various life times and made unsavoury oaths that have affected their journey, choices and abilities to create and attract abundance in this life time. Opportunities that will lead to abundance in various avenues or their lives cannot manifest due to these energetic blockages.

You are not POOR beings. You are spiritually wealthy divine souls who lack nothing and embody everything. As such you must exude the energy of abundance through the knowing of this and manifest it in your thinking. You often blame others or circumstances for holding you back. No one is responsible for you but you. It is your inability to see abundance on your path that keeps you stuck in a mire of lack and need.

It is indeed not easy to de-programme eons of false programming. Yet if you are committed to working on yourselves you will each be able to source the root of your beliefs and begin the process of healing and re-programming,

Money is not necessarily evil; it is used for evil devices and acquired often through evil means. It does not carry a high vibration but serves a purpose. Man in his infancy is not yet ready to part with it; for he in general lacks a higher understanding and vision beyond the physical dimension. If you seek abundance in money then you can attract it or manifest it to serve your physical needs BUT always remember that there must be balance in all things.

Abundance does not mean excess- it means fullness and All-ness. It is all encompassing. In your abundance always must you seek to share and that includes, of yourself through service.

Abundance must breed humility in being and humility in sharing. It is not ornate in outlook. It is simply radiant.

When spirituality underpins your life and higher thinking is your level of intelligence, you will embrace your abundant nature without embarrassment and will be able to attract in abundance all you seek in your physical world; for what you seek shall always be in balance and for the sharing or giving.

Message 87: LEAVE EVERYTHING BEHIND

By Rosie

Message 87: LEAVE EVERYTHING BEHIND SO THAT YOU MAY GAIN EVERYTHING:

THE VALUE OF SACRED SIMPLICITY

Seraphin through Rosie, 23rd January 2012

R: Dearest Seraphin: for some time now I have sensed you wish to say something about SIMPLICITY. This is something we seem to have forgotten

S: Indeed, Dearest. In the final analysis, things are so simple, irrespective of whether we perceive a situation to be complicated, whether it lacks transparency, or whether it appears to cause pain for you or others. Would it not be wonderful, Beloved, if everyone could see this? That it is possible to change everything in the twinkling of an eye? From one breath to the next? From the crest of a wave, to its fall, and to the new wave rising? Let us examine some of the obstacles which hinder simple thinking, simple living, simple evolving, simple communication, simple decision-making, and simple dying.

There is a wonderful word you use which is called "dithering". This involves copious amounts of mental energy whereby the advantages and disadvantages are weighed up again and again in tortuous repetition. Why do you repeat them? Is once not enough to learn? This can be COMPLETELY AVOIDED if you are secure in the knowledge of your steps, your path, your desires, your destination. (And if you are mistaken in your destination, KNOW THAT THERE WILL BE OBSTACLES TO SHOW YOU JUST THAT).

BE ABSOLUTELY SURE OF YOUR GUIDING STAR, then dithering will not be an option. Then it will be immediately obvious whether the opportunities presented to you are actually opportunities, spuring you on the way to this star, or whether they are merely distractions or signposts

momentarily dissuading you from your stated goal. ABSOLUTE CLARITY OF PURPOSE MAKES CHOOSING A SIMPLE PROCESS.

SIMPLE EVOLVING and FLUID PROGRESS occurs when every experience is processed, looked at briefly, appreciated for its lesson and then RELEASED. If every incident or encounter was immediately processed in this way every day, before the fall of night, the heavy traces of resentful memories would no longer take their toll on your skin. Instead of worn and weary faces, you would eternally wear the expression of youth.

SIMPLE LIVING can give great joy. You have less to wash, clean, care for, organise, replace, repair, conserve, renovate, renew, rearrange, reconstruct, dust, protect, insure or throw out. This means you have more time for health, service, the joy of being in nature, shared companionship and creativity. Those with huge amounts of possessions will find that they themselves are possessed with thoughts which preoccupy them, worry them and burden them. LET IT ALL GO. Ensure constant flow of energy as opposed to energy swallowed by material things.

SIMPLE COMMUNICATION can be reduced to just three words: I LOVE YOU. Eradicate all fear. Do not try and imagine what the other person might think or say. Do not torment yourselves with phantoms of rejection or shock or surprise or anger on the part of the listener, for it is enough for you to feel the joy of love flowing through you, so you can say it anyway. Dance along the street at the same time, singing your happiness, your peace, your confidence, your love.

SIMPLE DYING is presently prevented by a huge variety of obstacles. There are so many traditions and superstitions surrounding this process that it is difficult for you earth children to conceive of the SIMPLICITY of this. You move from one existence to the next, like you move from one classroom to the next, like you move from one second to the next. It is just the next step on the path. Your beliefs, your sadness, your fears, your expensive traditions make this a VERY DIFFICULT PASSAGE whereas, if looked upon as simply another experience towards more joy and knowing, it is as simple as a kiss and goodbye, followed almost immediately by a kiss and hallo.

We urge you to pare away ALL UNNECESSARY RITUALS AND LINGERING HEAVY-HEARTEDNESS IN THIS PROGRESSION AS IN ALL PROGRESSIONS. RELEASE YOUR OBSESSION WITH HOLDING ON, FOR HOLDING ON WITH ALL YOUR MIGHT MEANS NOTHING MORE THAN DRAGGING YOUR FEET ON A PATH WHICH (However long it takes you to travel) CAN ONLY LEAD TO YOUR ULTIMATE HAPPINESS AND FULFILLMENT.

And we say LEAVE EVERYTHING BEHIND SO THAT YOU MAY GAIN EVERYTHING. Release after learning, and move on into a future which will be beautiful and luminous beyond compare in its SACRED SIMPLICITY. We love you, Seraphin.

Message 89: REMOVING THE SUGAR COATING

By Rosie

Feb 7, 2012 - 12:42:00 AM

Message 89: REMOVING THE SUGAR COATING

Seraphin through Rosie, 6th February 2012

R: Dearest Seraphin: while I was under the shower – where thought always seem to FLOW well – I understood that you wish to convey something to me about REMOVING SUGAR COATINGS, as in sugar-coated words, as in removing the veneer of empty pleasantries, as in seeing beyond the tit-bits thrown to us deliberately to distract us from what is really going on behind the scenes ...

S: Indeed, Dearest: and what is going on behind the scenes is anything but sweet, but as you have been provided with so many “artificial sweeteners” over a long period of time, it is initially difficult for you to perforate the surface. Like the spoonful of sugar which you collectively add to your tea or coffee without thinking every morning, you unthinkingly imbibe EVERYTHING – if we are to look at this symbolically – and this EVERYTHING is made palatable by a sweet additive (DULCE ET DECORUM EST PRO PATRIA MORI*, meaning it is sweet and proper to die for your country).

This poses the question: what are you adding to your lives, to your behaviours, to your words (words sweet as honey?) to MAKE THE MEDICINE GO DOWN as in the song of Mary Poppins which you know so well. JUST A SPOONFUL OF SUGAR MAKES THE MEDICINE GO DOWN IN THE MOST DELIGHTFUL WAY.**

WHAT MEDICINE HAS BEEN PREPARED FOR YOU SO METICULOUSLY, OVER A LONG PERIOD OF TIME, AND WHO HAS PREPARED IT? AND WHY ARE YOU PREPARED TO SWALLOW POISON FOR THE SHORT SWEET “HIGH” WHICH THE SUGAR WILL PROVIDE? WILL THIS BRING LASTING HAPPINESS, HEALTH AND FULFILLMENT FOR ALL? IF NOT, WHAT WILL BRING LASTING HAPPINESS, HEALTH AND FULFILLMENT FOR ALL?

Viewing the present condition of your earth and the very serious problems facing you, it is easy to switch off and reach for that injection of soothing “sugar”, be it in the form of food, “entertainment” of self-imposed isolation from the “poison” or the problems. None of this will reduce the problems in hand, or make them go away. On the contrary: they are allowed to grow and grow, and so you find – over the years – that EVEN MORE SUGAR is needed to cover INCREASING FEAR that one day the wars or the nuclear plant explosions or the manipulated food chain or the pollution or the corruption or the deceit will one day AFFECT YOU PERSONALLY, as indeed it will, as indeed it does – a fact which dispensing with “sugar” and launching into intensive investigation instead

will show.

We ask you to conduct a personal experiment: HOW OFTEN DO YOU HEAR WHAT YOU WANT TO HEAR? HOW OFTEN DO YOU QUESTION WHAT YOU ARE FED BY THE MEDIA? HOW OFTEN DO YOU FOLLOW UP INCONGRUITIES? Or do you just dismiss them as a mistake, a fluke or a freak of nature? KNOW THAT THERE ARE NO MISTAKES IN THIS UNIVERSE WHICH IS UNDER THE CELESTIAL EYE AND PERFECTLY ORDERED.

Your planet is a prison of rebellion, a speck or irritating dust in a vast and regulated ocean of sand. Your unhappiness lies in your lack of awareness that this is so: that you, however small, are an integral part of that great ocean, that nothing happens by chance under the eternal law of cause and effect, that you are linked to all creation, that you are INSEPARABLY LINKED TO YOUR CREATOR. When you are truly prepared to enter into this relationship, to look within in moments of silence to find the God in yourself and in every living thing, THEN YOU WILL NO LONGER NEED ANY SUGAR IN YOUR BOWL*** and the roots of the great, imposing, critical and seemingly insurmountable problems of today will be revealed in all CLARITY so that you can TRANSCEND them permanently instead of implementing cosmetic solutions and plastering them with sugar coatings.

In these times of great change and danger, we plead with you to open your eyes, recognise the crutches you use personally and as a society which are so convenient for avoiding COMPLETE RESPONSIBILITY. Act as if there were no health system, and take on complete responsibility for your health. Act as if there were no policing or school system and take on complete responsibility for the integrity of your actions and the quality of your education. Act as if there were no judicial system and take on complete responsibility for the fairness of your behaviour. Act as if every animal, person, rock, blade of grass were a CELL IN YOUR OWN BODY, and take on COMPLETE RESPONSIBILITY FOR THAT BODY. For we are literally ALL ONE, and when we recognise this and use this as a focal point of our conscious day-to-day living, we will automatically extend LOVE, GRATITUDE AND APPRECIATION to all, and will extend genuine protection to all, INSTEAD OF SPRINKLING A BIT OF SUGAR HERE AND THERE TO KEEP THINGS RUNNING SUPERFICIALLY, TO KEEP THINGS LOOKING NICE ON THE SURFACE. FOR THE SUPPRESSED TRUTH HAS BEEN KEPT UNDERGROUND FOR TOO LONG AND IS ABOUT TO SURFACE AND SHOW ITS FACE, IRRESPECTIVE OF THE MOUNTAINS OF SUGAR WHICH HAVE BEEN HEAPED UPON ITS FACE THROUGHOUT THE CENTURIES.

The urgency of this cannot be underestimated. The truth will rear its head, and you will be forced to identify your own particular role, the way you have contributed to its suppression. We urge you to search your memories in deep contemplation and to find that level of honesty which will guarantee a stable foundation for the building of a new world.

We thank you, Seraphin.

* From the poem DULCE ET DECORUM EST PRO PATRIA MORI by Wilfred Owen, written during the first world war (Translation: it is sweet and honourable to die for your country). Here is an extract:

If you could hear, at every jolt, the blood come gargling from the froth-corrupted lungs, obscene as cancer, bitter as the cud, of vile, incurable sores on innocent tongues, my friend, you would not tell with such high zest to children ardent for some desperate glory, The old Lie; Dulce et Decorum est Pro patria mori.

Esu Says Thankyou For Our 7th Anniversary

By Esu

Feb 9, 2012 - 11:57:19 PM

Esu Says Thankyou for our 7th Anniversary

Thru Candace

February 8, 2012

Dearly Beloveds, at the time of Candace's and My Anniversary from when we produced our first joint piece, January 31 this year, 7 years already, I have meant to do a small piece to express my sincere appreciation for all these years you have supported our work.

When she and I started this, Christ Michael was only luke warm to the idea and at the time, Candace was struggling with who he was! She knew something was "up" but at the time we were not ready to reveal.

We did not even know if anyone would pick up the work and it was my personal goal to have the material on [www.fourwinds10.com](#) and accepted thus by Patrick Bellringer, who could then assist us because of his readership and the Phoenix Journals that he been able to get onto the Internet.

And so the first pieces were specifically written to appeal to him and I waited with "baited breathe" to see how he would respond.

Well he did. He was already somewhat aware of her and had posted some of her material written for Lewis News and Rense prior to our choosing this role. Her work on the internet , at the invitation of the gentlemen who ran Lewis News had gone well, and she was being tested a bit before we started this project to see if her writing would gain attention and she could keep on with that project.

Candace had her first murder attempt against her in late November of 2004. This was MOST worrisome to myself. I nearly backed off the project but after her miserable recovery for which AA Raphael gave assistance to in the hospital, she was determined anyway to go ahead and so we did.

We published our first piece as above, On January 31, 2005 and thankfully, Patrick Bellringer posted the first six all at once in mid February and I was in great joy. So we continued. It became evident with the reader support that our own website would be needed, and one came forth in a few months with an offer to assist that and Mark remains dedicated to that project today and is held in great admiration by myself and the rest of us.

So the website opened up on December 6, of 2005, with the use of free software and we were in business on our own! Shortly afterwards some other early members experienced some harm to their children and one of those children required emergency intervention for a head injury caused by "invisible" thugs who pushed the child out of a window. She was soon fine from that episode.

There was however reconsideration of perhaps maybe we should back off, but the people who were already dedicated to this project, even at the risk of this issues wanted to go forth and so we did.

And here we are now, and this is by far the most successful of our various projects since the return of ourselves. Christ Michael was thrilled at the early progress and commitment and so he endorsed it as Hatonn, and began doing messages. When Candace finally, after all the hints understood WHO he was, she was "flabbergasted" and in almost a state of shock but recovered that fine too. So then it was decided for Message #25 to be released on April 25, of 2006 which explained who he was and our relationship. It took Candace many hours to get that one "done", as she was so "floored" still, and took many breaks to go out and walk and clear herself, the emotional energy was great. She fully had a far better understanding of this new game and felt a bit overwhelmed.

[\[link to abundanthope.net\]](http://link.to.abundanthope.net)

So, it has been a wondrous experience over the years, exciting and tough for all involved, but beloveds, the whole plans for earth have been rewritten and we all are overjoyed, despite the continued issues with the dark. You have all been on our roller coaster and while I supposed I might "apologize" I will not, as without that roller coaster we would not be where we are at.

This has been, with the generous support in every way of all of you, the most successful project we all have undertaken together. The Phoenix Journal project was just a teaching project, with no further goals than to give man some information in hopes he would awaken and have tools and of course not enough of earth' population woke up "in time" for us to bring real assistance, as those books were prevented their proper distribution.

Now we are here, working to do something so totally different. We did NOT plan on any 2nd

Coming organization. We did not plan on a group who would supervise the changes in cooperation with the people of earth, NOT an earth created group. We of course had some ideas if there was an awaking and many folks walking in here to assist, both born of woman, and not born of woman. S333 is an example of one NOT born of woman, you were introduced too, who walks this world, has a wife and a little daughter now

I am telling you beloveds, this organization, AbundantHope is the AWE of those above working in this large endeavor. WE did NOT expect this and I figured and so did Christ Michael, this would just be a teaching project, just channelings given. But you came, and many of you have publicly acknowledged roles but there are quite a few we have NOT yet made public, simply because of the issues of safely and nothing else.

YOU ARE THE HOPE OF THIS WORLD BELOVEDS. YOU HAVE GIVEN OF YOURSELVES IN A WAY WE NEVER DREAMED OF. THIS IS "NEW." OF COURSE ITS NOT "NEW" TO YOU WHO HAVE FOLLOWED ALL THESE YEARS, BUT WE HAD NO PLANS EVER THAT SOMETHING LIKE THIS COULD HAPPEN. YOU HAVE CHANGED EVERY PLAN EVER CONSIDERED FOR THIS WORLD. WE WILL NOW HAVE AN ADVISORY TEAM ON THE GROUND, PEOPLE BORN OF THIS WORLD IN SERVICE TO THIS WORLD, AS A COORDINATED GROUP.

WE ARE, DESPITE THE PROBLEMS STILL FACED, IN DIVINE ECSTASY.

I AM SANANDA IMMANUEL ESU KUMARA. NAMASTE.

These were a few days ago, I did not collect the actual dates.-C

Good morning folks ... we seems to be honored with alot of " announcement - looking/smelling/explaining " material, shared by Candace, right? Well, things will have to break the surface at one time or the other, so lets hope it's ASAP ...

It also proves the vast knowledge Candace has, and what an honor it is to be part of her AH family. That also proves how important it is to stay Connected, to tap into the ONE MIND for more knowledge so we can THINK more clearly by knowing more and staying balanced no matter what

we see happening around us. Speaking about THINKING :

I have been THINKING about my thread on the Science of being Great, by Wallace D. Wattles ... apparently not to much of an attention drawer ... but I feel Inspired, Guided to keep sharing what I need to know, learn myself ... So last night I was asked/Guided to be in bed before a certain hour, which I did and I remember the following stuff I was instructed or remember as good as possible :

([[link to www.successmanual.com](http://www.successmanual.com)])

Life is like working for a giant corporation/organisation, but of Divine Origin and with Divine Goals and Knowledge, whether we understand or know or not. I saw or remember myself sitting at a small desk with a paper to file suggestions, ideas, thoughts and I had to place that paper into a basket that would be checked later by ' superiors ', seeing if any of my ideas were valid new plans, were valuable to put Divine Life Force behind and make it happen or manifest. I saw myself going back to my small desk and THINK and write down some more thoughts, ideas, plans ...

There were many people doing this, but it showed me that clearly far more others did not even bother taking part of this proces. The rather stayed outside of this creative - thinking - process and rolled with the masses.

It came to mind that I did not hear from the ' superiors ' so I had no idea if some of my thoughts, ideas, plans were accepted, but somehow there came a feeling of more and more joy and satisfaction upon me. So I asked about those two thoughts. It was put upon my heart that we would not always know what good ideas or thoughts or plans would be taken into THE GREAT PRODUCTION called life, HOW MANY SEEDS WE SOWED WOULD GERMINATE, but if and when they did, since we are all part of the ONE DIVINE MIND, those new or extra LIFE results, LIFE advancements, LIFE enhancements that came from our ideas, thinking, planning, were traced back to us, and were added to our CREATIVITY ACCOUNT OF LIGHT that shines brighter and brighter each time one of our ideas, thoughts, seeds made it through to manifestation, realisation by no matter who, at what planet, at what incarnation. But each time some results came forth from our work, or THINKING, a good feeling of joy and satisfaction was bestowed upon us.

Now this only seemed the THINK part of what I was doing. There was also the DOING part of my being alive and that brought the same joy and satisfaction, according to the succes in doing things towards the BENEFIT AND HIGHEST PURPOSE OF ALL INVOLVED. It was never about oneself, always about team work, and Service to Others.

That is in short what I remember and I was asked to share that here.

May I invite you to join in this mornings meditation, staying with the same directive :

CMAton again mentioned that the same directive is still standing, going Within to Connect with your Inner and Higher Guidance to see what is important for yourself AND to add our focus, our energy, our Love and Light, next to Mother Earth also to the Fleet, who are doing amazing work to be ready for and accomodate us all, even in a moments notice IF necessary.

Love an Light,

Johan

During the throne occupying session this morning, I asked CMAton for His Will upon my session. This included the suggested directive and sending Reiki towards AH again. The Reiki felt the same strength like last night as the fingers and hands and arms felt a surge of energy flowing through after Connecting with the Master of Reiki, Papa Source.

CMAton had suggested to check back in for the following visual :

A oriental man was playing mouth harmonica and the music caused like waves to go out from the instrument to very far in the distance. Even if the sound could not be picked up anymore, it appeared like the wave of that sound, the energy of that sound went very far out and had its effect on other live forms.

That brought me back, what CMAton confirmed was His Intention, to what He shared with me yesterday lunch time, after that prolonged morning meditation session ... , what I had forgotten to share yesterday : What ever good intention, whatever good deed, whatever sharing of truth, whatever practice of making and appreciating beauty sends out waves over the matrix of creation, in our case, mother Earth within Neadon, WITHIN and OVER the MIND of its creator, CMAton.

Yesterday I was shown that my Good Intentions and everybodys Good Intentions had its effect on the other side of the globe. This was exemplified by a man from India (hence the oriental man again) who looked at his humble abode, his very humble house and he compared that with what he had seen on the TV in the community house of his village where once a week, on Saturday evening, people come together to watch the only TV in the village. There he saw advertisements for american products, supporting an american type of life style, and the man, influence by other positive thoughts and intentions from others around the world, thought very positively : how crazy are people in the west, hiding behind huge walls with barbed wire and camera and huge dogs. They live in prisons they created themselves. All to protect their material stuff. To prevents those who have not to take from those who have everything.

When the man looked at his home, there was nothing precious to steal, only the bare necessities to live. He had the freedom of walking into the valley, leaving his house open, and enjoying a landscape, the size of the valley, full of flowers that were greeting him wherever he walked, the animals coming close without fear, the bird singing their melodies out of joy, like a private concert to his ears. It was put upon my heart that because of peoples Good intentions, making everything work under Truth, Goodness and Beauty, others around the world could see straight, could see the merit of their circumstances, could understand the real values of life, vs what western society had become and what they were trying to corrupt the rest of the world with, out of greed and profit only ...

It better take out my mouth harmonica out of my carry on at the end of the bed, ready to travel Air Galacticus, and play some tunes, so that the surrounding might enjoy my Good Intentions, perhaps a person in India. I will start in the garden this morning ... perhaps by joining the birds with my whistling first since I will need my two hands to weed and maintain the happy garden ...

Love and Light, and thanks once more CMAton.

Johan

Good morning to my AH Family.

Early this morning, upon Connecting with CMAton to know His Will for this mornings meditation, He asked me to come back to Him in about one hour, which I just did. All I remember from most

likely being on board during the night is that serious decision time is here, especially with the whole Syria - Middle East situation that will need intervention to prevent a bigger world wide catastrophe and destabilisation from happening. I only remember being asked if I had the minutes, the report or summary from the meeting with me, and I said Yes, I do.

CMAton asked me to continue our daily meditation but stated clearly : " If we ever told you that it should not be business as usuall anymore in your daily lives, then we repeat it and mean it with the **UTMOST VIGOR**. Where your attention goes, that is where you energy goes and it can only connect with our Light-energy if **YOU** make/want it so. I would suggest you do the extra effort to make your Connection with your Higher Self and Us, Celestial Ones a priority and habbit that will help you greatly in the times we are **IN NOW**.

It is your choice but accept my extended hand and you will safely arrive where you deserve to be with the least amount of inconveniences. I can only offer. Only when you proof your hunger for a better and pure Spiritual Alignment, will it manifest that way, but it must come from your will and choice. As we have recently given all of you Light workers and Star seeds the chance to better Connect and be in the knowing at the right time, it is up to you to make it happen to the best of your abilities. Things can change quickly now, in a twinkling of an eye and the preparation is and has always been in your hands, that is all I can say. "

Thanks for joining me in the upcoming 7 am and 7 pm meditations, and please take CMAton's advise **SERIOUSLY**. It is only given through the Highest Love and to our advantage.

Love and Light,
Johan

Sunday meditation Feb. 12th 2012

SUNDAY MEDITATION FEBRUARY 12th, 2012

Dear AH Readers,

Upon Connecting with CMAton this evening, asking him for any suggestions with regards to a possible AH Sundays Meditation/Inner Reflection/Pondering/Thinking, He brought my attention to another part from the PJ 36, INCONSISTENCIES OF NON-THINKING PEOPLE , to share with you all so you could read that carefully and take your time to digest the Inner Reflections, Meditation, Guidance that comes to your mind, during another moment of Silence and Balance. Enjoy.

Love and Light,

Johan.

INCONSISTENCIES OF NON-THINKING PEOPLE

Many who believe in healing by prayer alone without working with God through intelligent action vehemently condemn calling in a doctor or surgeon in cases where a purely mechanical action is needed to save a life, for instance, in childbirth where both child and mother die because of lack of a purely mechanical change of position of the birthing child which otherwise could not be birthed.

Refusal to make use of the knowledge of one to whom God has given such knowledge is as much a commission of murder by the one who refuses as though he killed the mother and child with a revolver.

The same with seatbelts which go unworn. If you do not use the IDEAS God gives for your security--then why blame God if your car crashes and you are maimed? There are some things which can only come from higher resource but mostly humans simply ignore those things which are made available through their refusal to act WITH God.

If you encounter ones who refuse surgery and transfusions because God will heal or take according to His choice--I have a question for you to ask. recommend that a hundred surgeons and doctors be withdrawn from the battle fields and replaced with men of your belief to save the lives of men whose legs have been shot off, skulls crushed and bones exposed to view, men who are bleeding to death from terrible wounds or burns where flesh is half gone from the body? (Preferably ask one who is ON HIS WAY TO THE BATTLEFIELD!) Why would you not utilize the wondrous KNOWLEDGE which God has shared with the human to gain skills in medical treatment? It is as much as with Ascension instead of working and acting to change the path of destruction--HOW MANY PEOPLE HAVE YOU SEEN ASCEND????

If you feel everything should be ignored and left to some God somewhere out there--then you know nothing of the very basic principle of Creation and have no idea who and what is God.

GOD MAKES ALL THINGS PURPOSEFULLY. THEY MUST FULFILL THEIR PURPOSE. WHEN THEY HAVE FULFILLED IT, OR HAVE RENDERED THEIR BODIES INCAPABLE OF FULFILLING IT, GOD'S LAW RETURNS THE BODY TO THE STILLNESS FROM WHICH IT CAME.

THOSE WHO AFFIRM THAT GOD MADE MAN PERFECT--MEANING THE BODY OF MAN--DO NOT REALIZE THAT THE MAKING OF THE BODY OF MAN COVERS A PERIOD OF MILLIONS

OF YEARS.

The man of the jungle, of the Stone Age, the Neanderthal man, or the man of the Carboniferous Age, is as unlike as the forest of today. At which one of these many stages was man perfect?

If God made man of today perfect, could we not also say that the Neanderthal man was perfect-- or that the cosmic-illuminated man of the future is also perfect--when neither one resembles the other either mentally or physically?

Happy Love Day

A short Update from Michael of Nebadon

February 14, 2012

Thru Candace

Good evening beloveds, just doing a short but desired by you ones, an update. We are continuing the process of preparations for the short and changed announcement period. We have little time left.

Now, some of you have been noticing the ear tones of the wave and our energies to the mother's body to enhance her ability to receive them. We are not mitigating this lap, but there had not been enough response to it, so we are assisting.

Candace is now joyfully hearing what she remembers as the Music of the Spheres. Beloveds, when matter is not so compressed, it sings! This is your proof of some response to the WAVE. On all better worlds everybody heres the local creation sing. There is constant quiet soft loving music that comes quite naturally. It is your compression that has prevented this.

As to the sounds being heard world wide, your trumpets sounding as being reported, that is also related to the Wave and the heating of the core. Some of these are volcanic movement, others have other origins. These will get much louder and more frequent and will frighten people who currently ignore them, when they become louder. Some cannot hear them at all even when right over head, YET. Their ears are not attuned. It is much like the dog that hears sounds man cannot hear. They will hear eventually.

The arrests continue. I will not cover them, but some will leak out. Some may leak out as resignations. There is one great one you all know who is affected, not one of you unless you live in a very backward place has not heard of this one. We are still working out how to throw some advanced hints, but soon enough it will not be coverable. I will not risk placing the name until its in the media to protect my ones.

Now you who read this material, as often suggested must be the rocks as these energies continue, and guide those around you out of fear if you can. The quakes are steadily increasing, many not reported, that are "out of sight" and we have given some encouragement to more accurate coverage, so people begin to realize times about up.

We wish to have enough earth changes if the Mother will do it, before the short announcement period so the people of earth are wishing for some help. This will help the acceptance. You ones who live anywhere near quake areas or in places where weather is unpredictable MUST remain

prepared. For it rains and shines on all.

Please keep small bills and coins at home, no matter which country because there may still be bank holidays. We are not wishing this personally, but we will allow it, as part of the wake up call. Man must be uncomfortable to accept our presence and the announcement process.

This is enough for now. Further details are not necessary and will not be given to protect our ones on the ground, until that is not needed. I again, say Happy LOVE Day, beloveds, for Valentines, as commercially given, does not mean just the love of a man and a woman anymore, but is for all and rightfully so. I AM That I AM, Michael of Nebadon.

PS: Candace just reminded me, we were interrupted as I was about to mention the beautiful Whitney Houston, whose time had come to leave. She was not murdered beloveds, and while they will find drugs, it was her way at the end to leave the planet. It was TIME. She was one of my glorious ones who came to serve this world, and she did it well, despite the horrible issues she faced as so many do, that are controlled by the Elite. Remember her with true Love, for she endured much to serve ME here. She is personally one of MINE OWN, an Arch Angel incarnate. Tough road she endured while here and I am in joy to have this one back in mine own realms.

PSS: Beloveds, I wanted to add another comment. The announcement period should last about 2 weeks, and it will be global. We have a special plan to early to give, but man is going to have plenty of time to watch.

Candace: Only a short comment on that music. RELAX yourself, if you do not hear it, maybe with head against a pillow in a QUIET Place. The tones are changing from the sounds I used to hear. It is gently melodious and has no particular rhythm. It changes as it goes but retains a crystalline sound, that is markedly different from the sound of the Wave itself. I am indeed overjoyed to listen. IT IS PROOF TO ME of the effects taking hold.

Today, they pumped the energies up again. Perhaps last week some of you were aware of similar being done for around 3 days. Some did post on the net about the huge changes in what their ears were picking up. Some seemed a bit worried in fact. I had an "ear block" where the ear feels sort of plugged, that lasted over 1/2 hour, and the first day I heard a large GONG sound too. More sounds than usual in the left ear, that was really noticeable to me.

The first energy burst today caused me to become profoundly sleepy, very suddenly. So I did go back to bed, the yawns were intense, with tearing eyes, and laid on my right side to listen to the music while I rested. I cannot lie on my left side, so I don't know if I would hear it as well in my left ear. There was a 2nd which also produced the sleepies but I didn't want to crash, so I did coffee instead and waited it out. Right now I have my earphones on my head, not connected to the computer, which allow me to "hear" the music of the spheres by blocking some of the sounds in the room.

Brief Update from Christ Michael

By Jess Anthony

Feb 16, 2012 - 6:20:41 PM

Christ Michael, I would like a brief update and specific clues about what to expect. I ask for more strength and awareness, and clarity to see what I can best do.

Jess, I can speak to you now. Once you have cleared away the debris, we can speak more clearly and cleanly. Much is happening. You know the immense scenario that is being undertaken. This is a new adventure, and we are learning as we are acting. There are no past examples to draw upon really, for much of what is happening here, so we are careful to examine everything in minute detail before we move ahead with an action that will inevitably have major impact on your frame of existence.

The schedule at this point is this: we plan to have some announcements about those that are controlling the streams of influence that determine what governments and countries choose to follow. The government's decisions are not reasoned or discerning. They follow others' dictates for fear of losing their position-which is a very real possibility and they know it-or because they are not aware sufficiently to see the flaws in the game plan they are told to take. There is a group of elite overseers who determine what all the political policy is and plan what economic directions the financial sector takes. This is not a free market, nor is it purely based on success and failure. The group manipulates levels of economy and governmental decisions to create a global existence that is controlled by them. They have been trained to believe that no other alternative is workable, and they pull the strings to cause nations to do their wishes.

The announcement will be soon. We want the political system in America to collapse around Obama's attempts at pre-emptive legislation. Obama is, of course, not the one making the decisions or calling the shots. He is essentially a mindless puppet that is used in various

environmental situations to paint a picture of stability and control. Nothing could be further from the truth, but this doesn't stop Obama's group from pursuing continued development even though they are using their power without a sense of perspective or bigger picture.

The instability in Europe will trigger several things that will cause the American economic to appear as the sham it is. Germany is trying to manipulate events in other countries to take away the public's attention on what is actually happening there. Any news scoop will dominate the airways and prevent any sort of genuine discussion about political actions in the mainstream media and effectively continue the destruction of the American founding father's Bill of Rights.

This is sufficient for tonight.

Message 91: THE INCREASING INTENSITY OF LIGHT

By Rosie

Feb 22, 2012 - 10:46:08 AM

Message 91, 21st February 2012

THE INCREASING INTENSITY OF LIGHT

R: Dearest Seraphin: I am just pondering the influence of light, and the influence of lack of light. Where the hedge throws a shadow, the snow seems dark in colour. Where there is no light or warmth, bottles of water will freeze and – if we look closer – the glass of the bottle is broken but it still has the form of a bottle because everything is still frozen together. When the sun thaws the ice, the bottle falls apart. Nothing remains except pieces of broken glass sitting in a puddle....

S: Yes Dearest: this whole situation is symptomatic of our present times. You are sitting in the

sun, attempting to relax, attempting to get away from “news” of a more upsetting nature, trying to soak up the beauty of the day. You are making your DIVINE CONNECTIONS and trying to understand DIVINE INFLUENCES.

Many people seek to distract themselves from pressing global issues by returning into private spheres. But despite this, they can never completely eradicate the disturbing background rumble, well on its way to becoming an all-encompassing roar of the kind that cannot be overheard.

You have noticed that where there is direct vision, when your face is lifted towards the light, the rays land more intensely on your skin. If your head hangs in submission, resignation or prolonged sadness, the rays have much less opportunity for endowing you with the benefit of recharging your divinely coded batteries. Always remember to recharge those batteries at regular intervals so that you are uplifted to a higher vibration inbetween. It is tiring to continue without this in low vibration situations for a long time, since then you will feel a sense of heaviness, of dragging your feet, of not wishing to continue at the same pace, of wanting to slow the momentum, or even to stand completely still. STANDING STILL IS NOT AN OPTION IN THIS REALM OF CONSTANT CHANGE AND MOTION.

The degree to which you genuinely welcome the light is directly related to your spiritual progress. Without it, you will freeze like the water bottles AND FAIL TO NOTICE THE CRACKS IN YOUR BEHAVIOURS, RELATIONSHIPS, SOCIETIES, POLICIES, DECISIONS, POSTULATIONS, ASSURANCES, TREATIES AND ALLIANCES. You will not have to address the cracks, even if you have already noticed them, until the “light” becomes more intense and melts the ice. And as you know, the increased activity of the sun, as well as increased energy vibrations, is now IN MELTING MODE ON A HUGE SCALE meaning that HUGE SCALE CRACKS WILL NOW BECOME VISIBLE, CAUSING “BOTTLES” BIG AND SMALL TO COLLAPSE ON A SCALE WHICH IS NOT ONLY BIG BUT UNPRECEDENTED.

It is no longer possible to treat all these “bottles” or “problematic issues” with a gentle overhaul, or to treat them by a slow method of cleaning or recall or replacement. Your “ice-age” was extreme, violating all divine rules, shattering all chances of slow evolution towards a golden age. The violence and extreme nature of these negative processes must now necessarily be corrected by equally severe corrective measures. These are the inescapable laws of balance. When the sun starts to shine with all its strength, it will melt ALL the snow and ice until it is no more.

As you write this you can hear the CONSTANT SOUND OF DROPS OF WATER, INDICATING THE CONSTANT MELTING OF SNOW AND ICE ON YOUR ROOF AND ON THE TREES. YOU CANNOT SEE EVERY DROP FALL, YOU CANNOT OBSERVE THE WAY EVERY ICE CRYSTAL MELTS INTO WATER. BUT YOU CAN HEAR AND SEE THE EFFECT OF THE LIGHT IF YOU ATTUNE YOUR SENSES TO YOUR SURROUNDINGS.

And we say to you that this process – the uncovering of secrets and faults in your society – is ongoing and unstoppable. The only remaining question being: how are you going to use the time given to you – the time while the water is still dripping? We love you, Seraphin
