Message 103: RISING AS A BIRD: BECOMING THE CREATOR

By Rosie

Jul 3, 2012 - 10:22:50 PM

Message 103, Seraphin through Rosie, 4th July 2012

RISING AS A BIRD: BECOMING THE CREATOR

Dear Children of Light who rejoice in the comfort of FAMILIARITY,

You gain a certain degree of confidence and joy through planting certain seeds or going through a series of actions, knowing that there will be a corresponding positive outcome. You know this because in these areas in which you are “professional” you have a wealth of experience under your belts. You are FAMILIAR with the structures in place, you are FAMILIAR with your roles within those structures, and you are FAMILIAR with the outcomes of your actions within these settings.

If this has been the case for a long time, as in a job, in a relationship, or in a neighbourhood or community, a certain stability is afforded. A certain complacency may also set in, leading to passivity and lethargy. Thus a situation may be stable, but also POISONED. Look upon your world. What has happened there?

REFLECT UPON THIS: WHAT QUALITIES ARE NECESSARY TO INCREASE THE QUALITY OF LIFE FOR ALL? IMAGINE YOU ARE A BIRD TRAVELLING THE WORLD, CAPABLE OF SEEING EVERYTHING IN EVERY COUNTRY FROM A BIRD'S EYE VIEW, CONSCIOUS OF EVERY JOY, EVERY TEAR, EVERY ACT OF KINDNESS, EVERY ACT OF DESPAIR, AND EVERY ACT OF VIOLENCE WORLDWIDE.

If you could do so, you would realise the intensity of STAGNATION, the high degree of attachment to that which is FAMILIAR, the great inability to look beyond your present local experiences, your failure to grasp the acuteness of your global situation in its entirety. You may sip your tea on a pristine lawn, sitting in a teak chair, while forest is being decimated on the other side of the earth. You may sail along beautiful coastlines and rivers, while the oceans on the other side of the earth (OR EVEN MUCH CLOSER) are polluted with islands of plastic. You may celebrate birthdays, weddings, special occasions and deaths, while children on the other side of the earth are chained to the machines they work on, not knowing their date of birth, not knowing that dates come and go because every day is hallmarked by drudgery and exploitation. And when they die, no-one will notice.

So be a bird: see all this and understand that your complacency in so many areas great and small contributes to the continuation of exploitation and manipulation worldwide. RISE ABOVE YOUR PRESENT SLOT IN SOCIETY, WITH WHICH YOU ARE SO FAMILIAR. DARE TO BREAK NEW

GROUND. DARE TO ENTERTAIN NEW POSSIBILITIES. DARE TO FOLLOW NEW IDEALS AND STANDARDS WHICH WILL BENEFIT EVERYONE.

For as you rise above the countryside and seas and towns and cities as a bird, you will see everyone and everything AS PART OF YOUR EXPERIENCE AND AS PART OF YOURSELF AND AS PART OF YOUR RESPONSIBILITY. It is in this way that your loving Father and Creator looks upon this planet, HIS CREATION AND SIMULTANEOUSLY YOUR CREATION, AS YOU ARE AN EXTENSION OF THE CREATOR.

Grant that this new perspective, as an agent and descendent of GOD, will enter fully into your mental landscape, and grant that it will provide you with a new base from which you can initiate valuable, pertinent and relevant action. And we entreat you to get used to your new role as a bird, constantly surveying, taking ever longer flights from your own cosy nests to explore THE REST OF YOUR WORLD AND THE REST OF YOURSELF.

We love you as a member and representative and agent of all humanity,

Seraphin.

WHAT HAPPENS NOW IS ABOUT YOUR FUTURE CREATIONS.

By Siraya thru Johan

Jul 14, 2012 - 12:13:36 PM

SIRAYA : WHAT HAPPENS NOW IS ABOUT YOUR FUTURE CREATIONS.

I AM Siraya,

Representative of Creator Source to Orvonton.

With the Most Esteemed Greetings from Creator Source, The Ancient of Days of Orvonton and Your Sovereign of Nebadon, Christ Michael, I greet you and bless you all.

Just some time ago, I came to inform you of the last consultation that took place and that you had very little to loose, but your patience.

We can see your patience growing thin, as can be understood.

Even with the final date set, and alot more accomplished by now, Your Sovereign is incessantly at work to make sure the new foundations arising out of the ashes of the old, will be stronger and vaster than even We could imagine. We could have stopped Him, but it is my pleasure to inform you there is absolutely no reason to, as He will all of the sudden do these honours Himself.

Every single extra attempt from His part, represents an extra opportunity for one of you, for some of you, on your narrow future paths. By then, you will fully understand the basis or foundation He has layed out now for future worlds under your care. It would otherwise have taken alot longer to reach some of your goals. What Your Sovereign acts on now, is based on his future vision for all of you who have stepped forward sincerely. Who stood their grounds, who sailed their ships towards the Inner and Higher Guidance and Navigation, who diligently Connected and Honored the Truth.

Our advise: even as sudden as Christ Michael may call it a day, still occupy yourselves wisely and constantly. Your most precious discovery might be: yourself ! Inner reflection and future planning and sorting out of your dreams and desires need to be finished ASAP for all have the chance to choose, one way or another. It is Your Souls Path and Evolution however that is at stake. So focus on that while you still can, for once the rollercoaster starts slowing down at the top, at the end,when Your Sovereign calls it a day, you will have little time to think while plunging down. And it will be a rollercoaster ride for sure, no matter your past experience. Even Creator Source looks forward to the thrill, through all of you who made the trip.

Greeting you warmly and sincere, I AM Siraya, in Service of Creator Source.

Love and Light,
Johan

Candace: I would like you dear readers to remember this is a planet for those in training to begin the watch care of the new creations forming in right now, the first out space ring of the Master Universe. MANY here are preparing to assume many new and expanded opportunities for Ascended Sons to enter management and there are also a number of young Michael Sons here in the learning also for their own future situations. While there are 700,000 Michael Sons for the 700,000 already created or in the creative process, there are over 800,000 created that I am aware of.

Then there are also Mighty Messengers like myself who are in training also to become like the Michael Sons. We bring with us already a vast experience from out personal learnings along he ascension journey. That is why the title of this piece, because this earth is not just a seed planet, and prison ward, it is a experience all the shit on the inside training sphere. Many of us have thus bestowed ourselves on this planet, in some ways much as Michael did 2000 years ago but we don't have quite his knowledge yet. But we have bestowed ourselves never the less.

So what this piece is saying is this experience to come will greatly EXPAND on our abilities. I was not a bit happy with the idea myself of going into the LONG stasis at the end of 2011. It shut the door to other possible experiences and was not a happy camper about giving up the teaching period that I see as essential for all involved. Those MOVING need some of this information they have not obtained from the rather poor "schooling" and use of religion and bad science on this world. Those returning here should have an advanced look as to why they are returning, amongst other needs.

I was so unhappy, I was depressed a great deal with that decision and was not so upset as many of the rest of you at all to see the big stasis delayed. And it can be delayed MORE if we can have a proper teaching experience and give those that will be on the planet after the 3 dark days, options they could not have dreamed about otherwise. Do not LOOSE your patience, just because you are sick of the planet and your life, for there is so much more possible this route to explore. If you want OUT, ask your guides to terminate your contract, otherwise stay the course. It would behoove you to do so, for the learning to be had and for the opportunity to further gift this world.

A Small Update on Pre 3DD Activities

Esu

Thru Candace

July 14, 2012

Beloveds, stand in your patience. I know this is tiring, but put yourself in our shoes, or mine at the moment. I am in charge of a very large military operation that is most necessary at this time. You may see some odd quakes around as we are taking out more alien bases and it is useful for us to finish that task, if possible pre the The Three Days of Darkness. (3DD)

There are energies in them that need neutralized so as to not effect damage during the mini stasis period that we do not wish. These underground bases are powered by mostly nuclear energies and need tactful handling. I am only reporting this to give you some detail. We are puling out the reactors and removing them. Some of these bases are even "normal" under ground installations that run on nuclear, and they will likely blow during the mini stasis. There is more to occur during the mini stasis than simple removal of the dark, and on the details I cannot give you at this time. Lets just say that the removal process includes removing more than people and let it go at that.

There is reason that this cannot wait until the large stasis. As you were informed with the Siraya message thru Johan, this plan is related to activities that will affect your future careers, experience wise, and also affect the people that will remain during the teaching period and the length and outcome OF the teaching period. I will say the teaching period will be longer than we have suggested before and therefore to provide special opportunities for all, we must have a "cleaner" format.

Keep your lives going and stop living in the future that is not here yet! And always have preparations no matter where you live, for temporary discomforts, as there is still to come the likelihood of much extreme weather and perhaps some extreme quakes.

Sunday July 15 Meditation

By Johan/CM

Jul 15, 2012 - 4:09:41 PM

Upon Connecting with CMAton in order to know IF He would like me to organise the AH frontpage Sunday Meditation this week, He responded with the following :

" Yes, it is a good idea to ask those readers who take it to heart to sharpen their Telepathic Abilities, Going Within, Connecting With and Within the One Mind, Creating a Moment of Silence and Balance, Pondering and Wondering, Meditation to follow this Guided Path, besides Connecting with their Higher Selves TO KNOW WHAT IT IS THEY NEED TO KNOW: Ask your Higher Self to help manifest your Desire to have the entire banking and military industrie come clean on what it is they are doing. As alot has already surfaced, not nearly enough has been released to reach the general public so it affects them in ways that not asking questions, not wanting to know the truth, becomes impossible.

If we are to evolve towards Gaia, after the three dark days and the announcements and teachings, then TRUTH will be a LIGHTTOWER for all to see, to know, to handle, to respect etc. Especially the wealings and dealings from those two groups, banks (financial traders) and the military industrial complex, interwoven into the elite, politicians, governments, who are now fighting tooth and nail to survive in their obscurity , but to no avail, needs to surface completely.

Not that you will make ALL the difference in the world, but its MOST IMPORTANT that you DO. It can start by INTENTION, and the INTENTION to have the TRUTH in those particular areas to come to the surface at once. We from the Divine Fleet are already behind the scenes, doing what is possible to make such happen already. You can help from your side with Good and Pure Intentions to be manifested through the Light of your dedicated Mind. "

That would be great way to Connect as Purpose for your meditation.

Love and Light,
Johan

PS : Candace: beloveds, "going within" does not require a special ritual. Any time you have been alone in good and rational thought and solutions came, you have "gone within." It is that process which should be NATURAL, when you have something you need to PONDER.

Its the purposeful effort to THINK in isolation away from distractions so that you can solve something. Your higher mind is not separate from you. But you must tune out the distractions and

you must set aside so many preconceived notions of how things "are" that you have absorbed over this life. If you keep that churning, the answers do not come so easily.

There is a higher meditation process, again no ritual. except if you need one to set up the state of mind, which can be simply a ritual of relaxing the body, where you are between two worlds so to speak, and that is the place where the universe enters into your mind and many of you have been there! Its almost like that place of being between sleep and being awake. Do not make it so HARD, for it is the expectation of "hard" that gets in your way.

Think of those instances of lightbulb type moments you have had, for they come when you ARE connected. Even those times when the kids drove you up the wall on something and all of a sudden you have an "idea" of how to resolve whatever it was. IDEAS ARE ALWAYS FROM THE HIGHER MIND, by whatever you wish to label it. It is "going within" that produces them!

Many of you as parents have experienced this, as but one example. Ditto at work and other situations. There has been too much new age goo about the magic rituals to contact your higher self. All it takes to contact the mind of God by whatever name, is to be out of the clutter of life and even then, it can enter thru the clutter, so take note of light bulb moments and don't let them be forgotten when they show up.

Message 104: DRUNKEN WITH THE DIVINE

By Rosie

Jul 19, 2012 - 10:56:58 PM

Message 104: DRUNKEN WITH THE DIVINE

Seraphin through Rosie, 19th July 2012

DEAR CHILDREN OF LIGHT WHO MOVE FORWARD IN PAIN AT DIFFERENT PACES:

To you who blunder through the darkness, in despair of finding your way, in despair of being blessed with abundance, in despair of experiencing the lasting closeness and support called LOVE – a word screamed on your earth from many corners but barely encountered in its entirety – we say OPEN YOUR EYES TOWARDS THE LIGHT WHICH IS YOUR GOAL. TAKE THE DIVINE HAND, LOOK INTO THE DIVINE EYES, DRINK THE WORDS FROM DIVINE LIPS AND HEAR THE WORDS OF DIVINE COMFORT.

Some will continue to blunder helplessly. They will ask WHERE IS THIS DIVINE BEING WHO CAN GUIDE ME ON MY PATH? And the answer will be EVERYWHERE and INSIDE YOURSELF. Attune your ears, dear children on earth, to the divine whisperings which sound when you go into stillness, shutting out exterior noises and distractions. Sharpen your eyes, for you shall see signs of divinity in every hint, every chance occurrence, every freak storm, every breath of intuition, every surge of gratitude and joyfulness.

To you who walk the darkness in suspicion and critical stance, pausing at every possible juncture

to voice displeasure and accusation, we ask you to pause your judgement also, and to ponder your contribution to the smooth transition to peaceful living. Do you wish to live in a society comprising of many individuals like yourself, pacing to and fro in anger, raising a pointed finger? While a critical stance is essential to perceiving the roots of imbalance and mismanagement and corruption, do not forget to respect that everyone is on their very own personal journey.

To those who make a great show of walking through the darkness with large impressive steps saying THIS IS THE WAY, holding huge lamps and asking for donations for fuel along the way, we would ask you to examine your motives, reduce your egos and tend to the welfare of your fellow travelers instead of lining your pockets, for the true light cannot be reached BUT THROUGH YOUR OWN MERIT.

To those who take tiny steps, or who rest immobilized, paralyzed by fear, we ask you to take courage, to take your lives into your own hands, to determine your own destinies and free yourselves from the fetters of those who have intentionally incarcerated you for their own pleasure in prisons made to YOUR OWN SPECIFICATIONS. A world of wonder awaits you, if you can but conceive that this life you lead is a life in which YOU HAVE BEEN LED. REDEFINE YOUR DEFINITION OF FREEDOM, which means limitless abundance, limitless love for others, limitless potential, limitless exploration and experimentation, IF IN ALIGNMENT WITH DIVINE STATUTES – IF FOR THE BENEFIT OF HUMANITY – IF FOR A PURPOSE GREATER THAN YOURSELVES.

To those in fear: step into your own lives and put yourselves first IN ORDER TO ENJOY THE HAPPINESS OF SERVING OTHERS AND PUTTING THEM FIRST.

To those who sail blissfully, in full awareness of the light, in full knowledge of the prevailing darkness at this time, we say YOU WILL HAVE A LIGHT PASSAGE in comparison with those who still carry their pain before them. To the already lighted ones we say REMEMBER YOUR MISSION. EXTEND YOUR ASSISTANCE TO THE TRAVELERS YOU MEET ON YOUR PATH. FOR YOUR PATH IS ALSO THEIR PATH, THOUGH YOU MAY MOVE AT DIFFERENT PACES, AND YOUR GOAL WILL ALWAYS BE THE SAME: TO EXIT THE NIGHT, FORMED BY YOUR OWN DARKNESS, AND TO ENTER LOVING FULFILLMENT AND ETERNAL DAY.

This journey is always divine, however long it takes. You ALWAYS have the potential to complete it, depending on how long it takes TO RECOGNIZE YOU HAVE THAT POTENTIAL AND TO ACT UPON IT. You may break the journey, you may take detours, in this life or the next, but as you have eternity at your disposal, THERE IS NO WAY OF NOT ARRIVING. SO WHY NOT DO IT IN STYLE? QUIT THE COMPROMISING, THINK BIG, THROW OUT EVERYTHING WHICH DOES NOT COMPLY WITH YOUR GREATEST VISION FOR YOUR EARTH, INVITE YOUR FRIENDS, AND DANCE DRUNKEN WITH THE DIVINE TO THE FINISHING LINE.

I AM TODAY'S MESSENGER OF GREAT NEWS

By Siraya thru Johan

Jul 24, 2012 - 11:57:43 PM

SIRAYA : I AM TODAY'S MESSENGER OF GREAT NEWS. Monday July 23d, 2012

I AM SIRAYA,

Representative of Creator Source To Orvonton.

Again with the most Esteemed Greetings from Creator Source, The Ancient of Days of Orvonton and your Sovereign of Nebadon, Christ Michael and Monjoronson, I Greet and Bless you ALL.

It brings great joy to be the messenger of Great News. Your Sovereign preferred me to handle this one, while He continues to oversee the helter-skelter in the so called Middle East - sector of your planet. Also the commando centers who frantically send out orders but see nor hear of little good results in return, are key interest points at this moment.

All of those continued evil and backward activities were the reason for us coming together to support your Sovereign in His strategical decisions who already fit into the finalisation of this chapter on your ' mother Earth. '

The Great News was seeing a Great Moment of Light that culminated in all eyes and minds focused at the Vatican yesterday, according to your earth calender, the so called religious City State within the city of Rome. Yes, My Dearly Beloveds and Warriors of Light, THAT Vatican you all send your Love and Light towards and that will NEVER be the same again, after such an infusion of Divine Light. It is our Great Weapon that we jointly aimed in a truly Sacret Event, that paves the way for an equally important Great Weapon : THE TRUTH.

On behalf of Your Beloved and Well Respected Sovereign of Nebadon, Christ Michael and all of Us, I congratulate ALL OF YOU, True Warriors of The Light for THIS and all previous sincere

efforts. Efforts to stand tall and Divinely Visualise and thus Co-create The Furthering Victory of The Light.

Please read again the advice I brought forward through this scribe the previous time as it again stands that much closer to its manifestation in full. You are made aware of the plans ahead and I point out the importance of a daily good rest and Inner and Higher Connection that will see you through the somewhat turbulent period we are about to commence. All your good and best preparations will not fully take away the element of surprise. So be at your best and I repeat : respect a daily good rest.

Greeting you warmly and sincere, I AM SIRAYA, in Service of Creator Source.

Love and Light,
Johan

I know that you people love to read channeled messages and you may make of this what you will. But I have been given authority to speak as I AM, being WHAT I AM IN I AM WHAT I AM, and you will have to figure out what to do with that in your own sweet time.....for now....

it is what it is in I AM WHAT I AM and if you realized the true meaning of this, you would be unconcerned for anything.....FOR IT IS TIME.....

Global Meditation Sunday July 29, 2012

By Johan/CM

Jul 29, 2012 - 7:52:07 AM

When I Connected with CMAton, asking Him for his decision for this Sundays AH Meditation Invitation, He explained :

" It is difficult to ignore the Olympic Games in London. No, we do not like the commercial aspect of it all, **AND THAT IS WHAT WE WANT THE BILLION SPECTATORS WORLDWIDE TO SEE AND UNDERSTAND.** It is easy to visualize the central stadium and all other facilities and venues where thousands of people will attend. Ask your Higher Self Guidance towards the **INTENTION** to allow the Spirit of Truth to enter all in attendance and watching all over the world to **SEE WHAT THIS IS ALL ABOUT.**

The pure spirit of the original Olympic Games has been tainted with greed for money, a reflection of what your society has become. Yes, athletes were competing also, and for the honor of their masters or those that provided them with the means to focus on that aspect of life but it did not have the greed for money aspect it has now. It surely was not driven by an global dark elite's agenda. Those who will experience the games directly or via TV will be our Focus with the above mentioned Intention. If they only **SEE** and **UNDERSTAND** that if there was no money to be made, there would be no games organized. If there were no companies or sponsors trying to make more money by openly advertising their products and services, there would be no games. If the bankers involved would not see great opportunities to loan vast amounts of money to the organizing, constructing, security, food and beverage and so many other companies, there would be no games. So let us use this dark organized mass event to focus on the minds and hearts and souls of those viewing and spectating the events **TO WAKE UP, TO SEE WHAT IS BEHIND IT ALL** and to **THINK** about what else could be working or existing in society for exactly the same reasons.

The whole militarized enterprise might be an excellent occasion for the dark to make people used to military or militarized groups presences at all time. Lets send our Light and Love and Intention that they also **SEE** that and understand what this is all a part of or where the elite in power might want to lead it towards. Any questions through thinking might lead to a minimal awakening what can help toward the 3 DD's. Also the incoming Higher Energy Impact from the Divine Light and Wave will help in that direction.

Let us visualize that the groups watching and experiencing the games together might find unity of any kind amongst the deliberate but usual setup ' separation ' of athletes, their home countries, their home national songs and flags, what leads to more separation overall.

Consider those things well before you do your meditation - visualization and go with your Inner and Higher Guidance that knows what best to do, **AS A GROUP OF LIGHT WORKERS.** We from Fleet will watch over the many dark plans made and stop what needs to be stopped and allow what needs to be allowed. "

That, our Dear AH front readers and meditators is the extensive Invitation for Sunday July 29th. 2012. Now, if you want to participate in a Global Groups Effort, then you are most welcome, next to many other meditators and Lightworkers around the world already, to join at exactly 21:00 UTC as is their scheduled time. Global Sunday Meditation Aug 5 2012

By Johan and CM

Aug 5, 2012 - 8:16:49 PM

AH SUNDAYS GLOBAL GROUPS MEDITATION, AUGUST 5TH, 2012, SAME 21:00 UTC, if possible.

When I Connected with CMAton to ask about the possible prospect of our AH Sunday Meditation, He suggested to remain focused on the following points and do that in a global groups meditation as much as possible.

Add our prayers, Love and Light towards the most vulnerable ones, women and children in those war torn countries like Syria especially. Don't go IN there, only send LOVE AND LIGHT and upliftment and support through PURE intention, coming from your heart.

Some good progress is being made in both the financial and military departments, as MORE FIND THEIR WAY TO THE LIGHT, whether that is under pressure what FLEET has been applying lately, or whether that is due to their CONSCIOUS kicking in. It seems some military plans have been canceled because of that. Also some more CRAZY decisions have been made, what will be met with the appropriate actions IF and WHEN they would be called into action.

Some BIG WIGS from the financial sector are to step forward what may cause a lot of mayhem first in the financial sector and then fanning out as a result. The Light is on a roll, He said and many are seeing the LIGHT as their ONLY WAY OUT what is encouraged above all else. .

Lets re-establish full focus on the BANKING AND MILITARY sector in global perspective. THAT SOME OF ITS MEMBERS MAY REALIZE AND RECOGNIZE THE TRUTH and bring forward THE TRUTH BIG TIME. We already work behind the scenes to help this to manifest, and the inner cracks and breaks are showing. So we appreciate your help AS VISUALIZING YOURSELVES AS ONE GROUP, STANDING TOGETHER AND BEAMING YOUR MIND GUIDED LIGHT AND LOVE TOWARDS THE BANKING AND MILITARY SECTOR GLOBALLY. With PURE INTEND, your minds are capable of co-creating MIGHTY things, and therefore we automatically stand side by side in doing so. Involve your Higher Selves, let them Connect with Me and see or hear or observe WHAT is happening , ESPECIALLY TOWARDS SOLUTIONS AND POSITIVE OUTCOME ALREADY.

Love and Light,
Johan

To Those Who Dare to Dream and Desire and Purely Intend Beyond Your Horizon. Saturday Aug. 4th, 2012

This is Monjorson.

Hello Beloveds, as the offer still stands to bring forth a message to you all, I gladly take the opportunity.

Together with our Sovereign, Christ Michael, we ran many options against their possible outcomes in a very fluctuating landscape as is your society. But only for now anymore. You could call this ' The Bigger Picture ' including many other places that also are in Transition, before making the final call.

As this scribe is later going to confirm, that is a very common way of assuring that all possible grounds are covered as good as possible in the practical running of a Planet, a System, a Constellation and so forth.

Many Minds come together and look at any given problem or situation via the many results possible. Why am I explaining this to you ? Because some of you will be meeting me and become part of such teams, councils and decision making processes. Doing all of that in Divine Service and to the benefit and Highest Purpose of All involved, creates a wonderful satisfaction after all involved did their best to use their Divine given and empowered Minds Within the One Mind.

This My Beloveds is organization at its best, necessary to keep any group, community or organization Divinely running. All of that has been kept from you, but not for long anymore. The Abundance of ways to Serve will enthuse even the dullest amongst you, If and When that road will be chosen by you.

.....I am aware of the fact that you are Guided in sharpen your telepathic abilities already, but let me suggest also to Connect in what you call ' meditative ' state to learn more about those organisations skills if interested. Or some might remember stuff from your ' Night Shifts '. It will give you an advantage when those opportunities present themselves.

All I am further allowed to say in conclusion is that those amongst you who are hungry to know and thus best prepared, will enjoy the imminent and most significant Correction Time most intensive. We realize that you are limited to comprehend in full, but those who dare to dream and desire and purely intend beyond your horizon, will arrive just there with greater speed and ease. What might start as ' a rollercoaster ' can soon become a thrill for more. If you can see yourself in the new, then it is high time to leave the old ways behind.

I hope my humble message may open a window in that direction in your heart.

I AM THAT I AM, Monjoronson, the Son from Paradise, at your Service.

Love and Light,
Johan

Monjoronson Speaks about his Mission Post Stasis

By Jess Anthony

Aug 7, 2012 - 12:58:57 PM

8-5-12

Jess, this is Monjoronson... I feel it is time to speak more specifically about what has happened to my magisterial mission.

I have spoken to you before. It has been a few years now, but I am aware of the direction Christ Michael Aton is taking his creation. You and your group have been very involved in shaping the direction this is going. You are working on the preliminary steps, while I am preparing the second phase that will involve sorting out claims and making judgments on past actions. My role is one of evaluating and guiding the direction your rebuilding will follow. My organization will oversee what is being planned and facilitated.

We already are doing preliminary work to establish parameters Earth will be measured by. This involves a clear interpretation of Christ Michael's intentions for Earth. The planet's role has been derailed and bastardized by those who sought to reject the Creator's mandate for his creation. Your role has been to help reorient the direction this evolution is taking. You lightworkers have been guiding those unaware though example and by teaching, in whatever form that takes. My task here has not been connected to what you have been working with. Only a few of you have focused on where my mission is taking me. This will be a more business-like activity than one of re-creating the ascended Earth. We will be determining how this past era of Earth's life fits into the standards that were laid down before the inhabitants begin trying to fulfill them. Most will fall short of the ideals possible, and my job is to judge those missteps accurately.

to be continued....

.....My role doesn't involve much of what Christ Michael is currently involved with. He is finding closure for this phase of his planet's life, and assisting Gaia to find her own ascension. The notion that the change will take place without a traditional sweeping house to remove all vestiges of the past is radical and untested. He is finding his way through a compromise situation and determining the absolute best course he can pursue. As you understand, this determination is complex and novel. Christ Michael changes his parameters constantly on a global and universal scale.

Your frustration with delays as you perceive them is an ingrained emotional response you have developed to allow you to inhabit this lower frequency existence. It feels that something is wrong because the sequence of events has upset your mental understanding of what makes rational sense to you. As lightworkers you must learn how to be balanced and flexible within this spiritual flux and find ways to express this fluidity to others who have a more focused, sequential perception.

I will be involved in your teaching later on, as well as helping Machiventa and Esu coordinate the progress of awakening that will occur after the stasis reconstruction is completed. I am here to coordinate the ascension, which means finding closure for the past and outlining the path for the future.

I am seeking new voices as I return to the Abundant Hope network. I have comments that compliment what Christ Michael Aton is doing, and it will be more productive to coordinate our messages on a more systematic basis. That is not to say I won't develop my own network and organization, but it will be useful to me to connect with your group.

Christ Michael has his plan well formulated, and most elements are prepared, or about to be reached. I ask you to listen and work as you are guided. There will be more coming from me to you and to others.

With that I leave you today.

Monjoronson.

Message 105: CONSTANT UNIVERSAL VIGILANCE

By Rosie

Aug 9, 2012 - 6:50:42 AM

Message 105, 9th August 2012

CONSTANT UNIVERSAL VIGILANCE

Dear Children on Earth who learn through DESTRUCTION,

Why is it that you jerk forward in painful episodes which take you from one unpleasant experience to the next? Your abdication from responsibility allows you to be propelled forcefully along your journey whenever the tension has accumulated to bursting point, requiring immediate and explosive release.

Is this the way you wish to live, Beloved Children, helplessly riding on the crest and then in the trough of a relentless wave?

Know that the learning process on other more spiritually advanced planets does not involve these constant leaps, these painful recognitions, these tortuous dead ends, these sudden separations. The learning curve is constant, gentle and consistent. Awareness is so great that the smallest irregularities or inconsistencies or untruths or bumps on the road of experience lead to IMMEDIATE REASSESSMENT AND REAJUSTMENT AND CORRECTION of behaviour, of method employed, of attitude or approach.

Thus, difficulties are „nipped in the bud“ before they can reach proportions which cause anxiety or chaos. UNIVERSAL VIGILANCE AT ALL TIMES IS A PRE-REQUISITE OF HARMONIOUS LIVING.

We would like to expand on the „bud“ metaphor. We would ask you to treat life as a path through a bed of roses which needs constant attention. When pests appear, or when a leaf becomes diseased it is best to remove the cause lest it spread to the whole bush and threaten its life-sap. RECOGNISING THAT WHICH DESTROYS IS PARAMOUNT, AND NURTURING BUDS WITH THE POTENTIAL OF METAMORPHOSING INTO BEAUTIFUL BLOOMS IS THE WAY TO PROSPERITY, PEACE AND ABUNDANCE.

The essence of this is to DO BOTH AT THE SAME TIME: THE ERRADICATION OF ALL WHICH HARMS, SIMULTANEOUS WITH THE ENCOURAGEMENT OF ALL WHICH BENEFITS HUMANKIND.

We ask you to be watchful, ever watchful, keeping yourself in a state of constant reassessment of your behaviour, your often self-imposed boundaries, your often acceptance of limits imposed by outside sources. Thus you will learn to trust THE INSIDE SOURCE which is ever searching to improve self and improve the surroundings for self and for others.

This is the adventure, Beloved Children, to move ever forward and onward, exploring and searching, with love in your hearts, to inspire and contribute in ever increasing numbers of ways and dimensions, until your experience incorporates more and more perspectives until YOU BECOME ONE WITH ALL AND UNTIL YOU CONTAIN ALL PERSPECTIVES WITHIN YOURSELF.

This is what we call SPIRITUAL GROWTH: progressing from one concept of yourself to another with ever increasing speed and with ever increasing devotion to the Divine, accompanied by the desire to serve and uplift externally.

The time to come will lift you from one paradigm to another. The effect of this may plunge you into the trough of dismay, as you may indeed realise that you have failed a very significant awareness test, and the pain of falling into the trough of the wave may be great.

Know, however, that the exhilaration of rising to the crest of the wave together with the extreme and joyful anticipation of new beginnings will override that initial despair. Know that there is huge potential for upward movement in all aspects should you be able to reassess the past, release it and look to the new opportunities presented to you.

Indeed, these will be PRESENTED. You will have time to ponder, to reassess and to choose. And indeed these opportunities are PRESENTS – gifts of progression and increased opportunities from your Creator for your personal use, should you be AWARE and MAKE CONSCIOUS CHOICES to accept.

We hope this will be an inspiration to DREAM YOUR DREAMS and DREAM THE IMPOSSIBLE, for all this can move into the range of PROBABILITY and MANIFESTATION.

Some may be completely overwhelmed by such possibilities. Some may choose to play with one or two possibilities, and they will find themselves in an environment where these one or two possibilities can evolve without pressure, at the pace of one's own choosing.

But whatever the pace, hints of blockages in the form of obstacles, misunderstandings or ruts in the road MUST BE ADDRESSED AT ALL TIMES TO ASSURE THE SMOOTH PASSAGE AND TRANSITION OF YOURSELVES AND YOUR EATH.

We love you, Seraphin.

This Great Transition is no written recipe in stone

By CM thru Johan

Aug 18, 2012 - 11:34:49 PM

This is CMAton of Nebadon, Your Sovereign.

It has clearly come to our attention how many of you, Our Dearly Beloved Light Workers, are thinking and feeling about the present situation on Mother Earth.

We do care a very great deal about your well being as well as your brothers and sisters who are presently missing out on what you know or who are still walking the opposite path of Love and Light.

As your Sovereign, and directly linked with and through Our Mind, I ask you to Go Within and ask Me anything. According to your experience and ability to comprehend, you WILL receive My answer. I AM nearer to you than your breath and your heart beat which are merely physical.

Please waste no time in assumptions and opinions BEFORE Connecting with Me or Your Higher and REAL Self. There is too much work to be done and going on and We want all of this to be finished just as soon as you do. After all, this is a Great Correction, a Great Transition and we aim for Great Results on the other side of this finish line, even with alot of work still, once we pass through the darkness.

I have asked for your Trust before but many sought refuge in 3D thinking what did not cover the understanding of our Divine Plan at work. You are still sharpening your telepathic abilities, the only way to find and grow Trust, during day (meditations – visualisations) and night, all meant to help your forward, help you understand, help you to hear and see what others don't and can't hear and see. They are not exercising their Divine Tools available to all.

I see and know the content of your heart before you speak one word.
I hear and understand your cries for this to be over already.

I promise you that not one page of all scenarios is left unread or unconsidered. That not one minute is wasted and that great counselling with many great minds is ongoing while countless actions and projects in and outside of your Solar System are undertaken. That to guarantee the best and most swift outcome to the benefit and highest purpose of All involved. You would be amazed to see the list of ALL, as the variety of participants and situations in this final act is staggering. Then we have the onset of teachings and mother Earth to do her work or not.

Only after stirring in the pot can a Chef taste and know what needs to be added. Taking away a certain overwhelming herb or spice is very difficult to do. So are flavours added with care and in small additions at a time while tasting continuously.

We are discovering many flavours coming together so the end result guarantees a satisfying pallet for all involved.

This Great Transition is no written recipe in stone, but a delicate measuring and handling with a desired, but not experienced outcome in mind. Forgive Me for not rushing through, but to finish in perfection as everything is falling into place bit by bit. I am sure you'll forgive Me then and for that you won't have to wait much longer.

No delays, no hesitations, no withdrawals but an ongoing process so far of additions, of delicate cooking that is showing great signs of a unique new combination of flavours never tried before, but very much to the taste of the willing involved. The unwilling will taste another set of bitters instead.

What we Guide you to do, Our Dearly Beloved Light Warriors is all part of that delicate process at work and you KNOW if your practise is improving your pallet or not, if your experiences are growing in depth, if your clarity in apprehension and comprehension is increasing or not. Remember the four D's and Delight will be yours and Ours. We advise you to check your progress in every possible way as also We do along the road that is reaching the end of the old and the beginning of the new.

As Lighthouses you stood tall for all to see, including us. The influx of Light is doing its work and showing truth and reality that was not visible before. All of that is going and growing into the mix now as this cycle draws to its close. It took longer but none of your patient and steady ones will complain when you will be presented with the many new options that this process has provided.

Stand tall and hold on tight, My Dearly Beloveds. I see and hear all of you as I AM preparing only the Best of Results to make it worth your while and efforts. That I want you to KNOW through the ONENESS WE ARE as the days of the old are numbered and those of the new are coming steady and will even surprise most of you, even if you were told. Salu.

Love and Light,

Johan.

That Which You Long For, Is Upon You Again

By Thoth thru Leonette

Aug 18, 2012 - 11:50:30 PM

16th August 2012

THOTH thru Leonette

I am come today to speak,
To the weary and forlorn,
What you perceive to be is not,
What your eyes alight upon..

I will not speak of that to come,
It is for you as Masters in know,
To act upon that which avails
Your knowing to bestow,

Travails are aplenty,
But none that you can't bear,
For rising within your purpose,
Glow's your essence pure and clear.

For this you came forward,
For this you toiled and strained,
To make manifest the righteous truth,
Of what stokes suffering and pain...

As the storms rage on and on
As the pressure takes its toll,
You are reminded of those follies,
For which a cleansing must unfurl..

You witnessed the resetting.
Of the Divine plan many a while,
Manifesting as destruction,
Of the gross and of the vile.

From each attempt you grew,
From each attempt you rose,
Stronger in your yearning,
To Master the light-less you oppose.

Now comes the time of reckoning,

Now comes the time once more,
To shine the light of wisdom,
Amidst the turmoil that's in store..

Prepared are you in earnest,
Prepared are you in wait,
Tired though you are,
Of destiny and of fate.

Just a while in perfect timing
Just a while, not when or then,
To ensure the need for order,
Should there be a need to rend.

So to you, stand in your glory,
With your eyes cast here and there,
At ready to move in motion,
Once the awaited moments appear..

For you will know that which to do,
In the moments that are come,
Prepared for long have you been,
In past times that have gone.

As I now take my leave,
For you to ponder and reflect
Upon the roles that you have chosen
Despite memory loss and regret..

For these roles are in service,
To the order that is Divine,
And propels you forward.
As you awaken on time.

To your call to duty,
To the vow that you made
To reclaim that which had fallen
Into entrapment that was laid.

So fret not in anger,
So worry not in vain,
For that which you long for,
Is upon you again.

AH SUNDAY MOTHER EARTH GLOBAL MEDITATION

By Johan and CM

Aug 19, 2012 - 8:45:35 AM

AH SUNDAY MOTHER EARTH AWARENESS GLOBAL GROUPS MEDITATION, AUGUST 19TH, 21:00 UTC

During morning meditation, CMAton answered my burning question to know if we are up for another Sundays AH Global Groups Meditation - Visualization. He explained what He thought would better be our urgent focus : Mother Earth and not just by saying : " Hi. "

We can Connect with the Higher Self, the Spirit, the Divine Immortal Invisible Soul of Mother Earth, who has nurtured us for a very long time, even during multiple incarnations, while we gradually woke up to WHO WE ARE, unless it only happened recently. We have many reasons to be GRATEFUL to Mother Earth and it suits us, AH Light Warriors, to express that most clearly through our personal Connections we are asked to establish on Sunday.

Any way of showing and pledging support directly to Mother Earth, if not done before, will also establish an eternal bond and lead to being called ' Welcome Back ' , if we we' re to move on to other places after our agreed souls purposes are fulfilled.Support will make it easier for Mother Earth to go through some rough earth changes coming up and will go hand in hand with work Fleet is doing as we speak.

Visualizing us a ONE GROUP, ONE CIRCLE around Mother Earth and allowing our Higher Selves to direct us what to do, and reporting what was observed, will make Sunday not just a most useful and practical AH Global Groups Meditation - Visualisation, but also help you to turn it into a AH MOTHER EARTH AWARENESS DAY.

Any action you can think about of doing something you know is helping, or is in support or blessing or strengthening or healing of Mother Earth by you and yours, would be most welcomed as well. Whether you clean up some dirt or plastic or feed mother Earth with organic matter or spent time in Nature, Blessing and talking, perhaps during your Global Groups Meditation, ALL would be most welcome.

Something tells me this will be a fun Sunday for those who take this most serious and to heart ... and somebody will be HAPPIER in the process ... , whether things work smooth, rough or not at all. We are helping Mother Earth to prepare for any eventuality.

Love and Light,
Johan.

Update on the Three Days of Darkness (3DD)

By CM thru Candace

Aug 22, 2012 - 3:09:21 PM

Update on the Three Days of Darkness (3DD)

Aug. 20, 2012

Christ Michael thru Candace

Dearly Beloveds, this is Christ Michael and an update is due.

The time is close. We give no dates but I am here to update today about a small change of plans that will affect you. The craft to eclipse the sun has been behind the sun and ready for some time, close and easy. We have begun to move it more "forward".

Now, because folks are NOT aware of what is planned, and most are NOT listening within, the 3DD will start with a partial eclipse of the sun. This will last for about 24 hours so that everyone can prepare for something coming. It gives "notice". There are many countries in which the news will cooperate during this time, but some don't plan on it. I think the pressure will require it, when the whole world notices an unexpected partial eclipse and wonders WHY.

The eclipse will look somewhat different than a partial eclipse by the moon. You will NOT see a huge round dark disk as the method is different but it will be obvious and certainly much more obvious that this is not NIBIRU or any such other thing, in the method we will use. You will not see

a gradual eclipse forming. Due to the method used, it will be sudden.

At the end of the 3DD there will be another 24 hours of similar events. The electricity will be turned off shortly after the total eclipse is manifest but not before. And hopefully most news stations around the world will be making that statement about the electricity, so people can prepare some sort of lighting in their homes. People will be advised to GO HOME. For those traveling, home would be of course the hotel or whatever other temporary arrangements are being used. ALL aircraft will be landed during these first 24 hours, we will see to that.

Countries are being encouraged to bring ships into port, and this has been out for a time to leadership, but not much seriousness has been taken by some players on the world stage. Generally however, the big boats make their own electricity and will be fine and smaller ones, if the people are so dumb to not come in to port, and have no way to generate heat or light, it is their problem.

Hospitals of course will make scarce use of electric generators and hopefully during the initial 24 hours will send stable patients home. Ditto other circumstances. Since most businesses require electricity, everyone is going home, there is no need to run any services except for emergency needs.

This is WELL planned beloveds. Do not fear. But we will not be dropping flashlights to people. They will be challenged to manage. Of course native types will get thru it fine. There is still the mini stasis during this. All intelligent animals will be in stasis, those requiring human care. We do not let cows go un-milked, they go to sleep too. This is but one simple example.

The mini-stasis will last at least one week and likely more. Those of you coming aboard during the mini-stasis will be lifted on our schedules devised. Generally shortly after the electricity goes off, but will fluctuate according to local circumstances.

We need those of course in the know, to be working with those who are going to be afraid. If you can have some sort of extra candles, flashlights and batteries that might be useful to share. MANY are NOT needed, one per house is enough, as to flashlights, you chose on candles. It is not hard to get thru 3 days without electricity and in the dark, but it is made easier if the house has some sort of lighting to find the way to bathrooms and the like. It will NOT be pitch black in the day time. The sun's corona extends a fair distance from the sun and the corona will not be completely blocked, so it will not be pitch black in the daytime, but more like a heavy dusk.

You can assure people that its fine to go outside and look out windows. It is the thugs who put out that one needs holy candles and must stay inside flat on the floor in prayer. People will be in

prayer though, I assure you.

Where media will cooperate, this will be told in fact. People will be given some time to get small amounts of lighting to find their way in the dark. That is truly all that will be needed anyway, except in hospitals, and nursing homes and most all of them do have generators.

Anything to make light will work as long as its not on the grid. Most people with solar electricity and battery storage may have some light and it will be friendly of these who do, anyone with generators also, to invite neighbors in. There will be NO removals during the darkness. That occurs ONLY during the mini-stasis which is scheduled in the middle of the period of darkness.

The 24 hours of fading eclipse afterwards, allows the grid to be gradually brought back on line and the increase in natural light then will encourage those "left behind" to begin gathering and dealing with what has happened.

Many of our team are to be lifted, including those not known to AH who have roles in this. These ones will all help during that 24 hours of "half light" after the 3 days are over, and many of them will be triggered into action in the preliminary 24 hours. Most of the ones brought up shortly after the darkness starts, will be returned a few hours before the end of the darkness.

Now, during the mini-stasis, the plant and animal life NEEDS the sun and the planet cannot be allowed to cool to much, so of course the eclipsing craft will be moved so the sun can shine. And then the craft moved back when the mini-stasis is over. With the two "half light" days, this makes a total of 5 days plus the mini-stasis.

As soon as it is visually obvious the sun is partly occluded, you in the know, go to work. Some of you may awaken even to news in the morning if this starts during your individual sleep cycles. This 1/2 "light" initial day also provides a powerful motive to some of the dark to clean up their act, but it mostly so ones can prepare as best they can. It will make the shock and awe LESS.

Plan now accordingly and simply LIVE until the time happens. These 3 days are generally done on any planet where possible in the seasons of fall and spring, or the approaching of those times, so the planetary people do not have to deal with so much cold of winter months. Your southern hemisphere is beginning to warm, generally speaking. And the food is near harvest, in the north. Man will be busy with harvest as appropriate after this is over.

This is more than enough and should probably be the last update that will be needed. In great

love of you ones who serve AbundantHope, my 2nd Coming Organization, Christ Michael.

Message 106: BEYOND UNIFORMITY: THE LANDMARKS OF PURITY

By Rosie

Message 106: 18th August 2012

BEYOND UNIFORMITY: THE LANDMARKS OF PURITY

Dear Children on Earth who avoid the divine path through UNIFORM THINKING,

Have you ever contemplated the degree to which your thoughts are original or divinely inspired, with yourself as the acting channel for information triggered by sacred catalyst? Are the words "DIVINE" or "SACRED" even part of your vocabulary? Does your chosen mode of expression reflect a culture which has been rationalised, levelled off, sexualised and reduced to the mundane, or does it reflect the aspirations of a spiritually awakening society searching for ways to increase the positive vibrations for humankind?

Are you aware that your choice of words and concepts influence the path taken by your planet? Are you aware that the soul of your planet PERSONALLY FEELS every nuance you lend to your chosen expressions, defamations, curses, explosions of anger? Are you aware that she is soothed by every loving word, every gentle act of consideration, gratitude or love?

Know that you are JOINTLY influencing the collective mind and the collective path AND YOUR COLLECTIVE FATE. It is of utmost importance that you fully understand YOUR ROLE, however

small that may be in your eyes, however insignificant that may appear in comparison with the Earth, with your solar system or the universes which lie beyond.

When you look at the star-studded sky in wonder, sending benevolent thoughts into the GREAT BEYOND, as you like to call it, you are personally connecting with all you can see AND WITH ALL YOU CANNOT SEE, for it is there anyway, even though beyond your physical viewing capabilities. Similarly, there are other areas in which the limitations of your senses and perception prevent you from having a comprehensive overview of THE WHOLE PICTURE. With sincere desire to connect with the cosmic mind, and with concentrated effort and insight, you may perceive more.

As your life evolves, you will notice that it runs in seemingly unrelated episodes and stages, but if you take time to reflect upon these windings and reversals and upheavals which appear to contradict each other, you will find the THIN GOLDEN THREAD WHICH CONNECTS THEM ALL TOGETHER, and thus they will not be a haphazard series of disparate acts but a STRING OF GLEAMING PEARLS FORMING THE PERFECT NECKLACE. We ask you: WHAT IS THE NEXT PEARL ON THE STRING (and what is the next “pearl” you will utter), for although the next phase in this physical environment will seem preposterous and momentous and tragic for some, IT WILL ALSO FIT PERFECTLY INTO YOUR LIFE STORY.

UNIFORM THINKING leads to a dull, regulated, uninspired, monotonous daily life. Many of you like to “fit in” or be “accepted”, and thus you conform to “fashion”, to expectations, to peer or group pressure. Much of this is done due to fear of being criticised as someone who is different, and someone who begs ridicule. Introducing certain uniform ways of thinking allows power over the mind for purposes of control. CARRIED OUT OVER CENTURIES, this can reduce a body of great, inspired, creative and enthusiastic thinkers to an ARMY OF AUTOMATONS.

This is what many strata of society –whether privileged or underprivileged – HAVE ALREADY BECOME. You have become well behaved and have followed the leaders who have appeared so conveniently in front of your noses. You wear the fashions designed for you, and propaganda via the media has ensured that you THINK THE THOUGHTS WHICH HAVE BEEN CREATED FOR YOU TO THINK, and you act in ways WHICH HAVE BEEN INVENTED SPECIFICALLY TO KEEP YOU UNDER CONTROL. Your politics, your reporters and many of your religious rules have provided a strong framework for the exercise of this control.

And we say FREE YOURSELVES OF THIS UNIFORMITY WHICH HAS BEEN IMPOSED UPON YOU AND WHICH YOU HAVE ACCEPTED LIKE CATTLE AWAITING SLAUGHTER. CEASE UTTERANCE OF CURSES AND FALSE HELLS AND RETURN TO A LANGUAGE OF SACREDNESS, PLACING YOUR HANDS ON YOUR HEARTS AS YOU DO SO, SIMULTANEOUSLY SENDING LOVE INTO THE WORLD. DISCOVER THE GOLDEN THREAD IN ALL THINGS AND PREPARE YOURSELVES FOR THE NEXT GREAT EVOLUTIONARY PHASE ON THIS EARTHLY JOURNEY, WHICH ITSELF IS ONE OF MANY PEARLS ON THE NECKLACE OF YOUR SPIRITUAL JOURNEY.

We ask again: how many of you use the words “divine” or “sacred” or “love” in your daily vocabulary? How often are they part of your personal experience? Overcome your embarrassment. Increase your sensitivity. Make these qualities LANDMARKS of your day.

We love you, Seraphin.

ACCOUNTABILITY

By Hathor Consciousness thru Shellee-Kim Gold

Hathor Consciousness via Shellee-Kim Gold (Eskay)

ACCOUNTABILITY

We are the consciousness known as the Hathors. As we come to you this day we wish you greetings and good tidings upon all.

How is it that so many humans are able to live with themselves? There is such destruction of so much that lives in your realm. Much of that which has been seeded in service to humanity is constantly abused, corrupted, maimed or worse. We look upon this with great sorrow. Yet there is a profound teaching here for you ones upon earth.

And that is that looking the other way while others are involved in such atrocities does not mean you bear no responsibility for all that has occurred.

There are two important aspects to functioning and progressing within earth's duality. The actions and reactions of the individual. And the actions and reactions of the collective.

Now being part of the collective means everyone gets to both enjoy the fruits of their labour and bear the burdens collectively. To explain this more simply here's one typical example of many in your recent history. The reaction to the American 9-11 attacks were a collective test for humanity, but in particular, for the people of the United States.

The choices collectively for the majority in that country were either to believe the lies put out by the media about the 'terror attacks' or rise questioningly beyond this in a revolt, of sorts, against the controlling elite, which would create a wave of awakening amongst the masses. And subsequently a unified force field amongst humanity. Allowing the plan for Light to flow earlier and easier.

Although a minority did see through this event and acknowledged the truth of such, collectively the choice was made by the majority of humanity to passively accept the lies posing as truth.

This was another measure by the dark elite to counter incoming light and set the US citizens, and indeed the rest of the world into that selfsame state of terror and fear.

The collective reaction to these attacks brought about a different timeline. One that would delay the Light's arrival further. And so this has since allowed for further manipulations of nations, economies, politics and greater control of the peoples of the world (even if these are cloaked in apparent freedoms). This has been the choice of the collective. And the lessons in collectively empowering a people have continued. For, unpleasant though it may be, this is how you learn.

Now, on a personal level. While there may be some amongst you who do rise to the challenge, who bear responsibility for their lives and question how they can expand themselves further, these ones are still in the minority. Even amongst those who call themselves Lightworkers.

It is heartening to see the diligence with which these ones apply themselves to the task at hand. They are indeed a light unto the world and are the teachers of your realm. For individually these ones have chosen to react to their lives in the manner most sought-after by their higher selves.

This is the individual reaction that allows for the ultimate forgiveness of that which occurs in the life and ultimately, the love and acceptance of the self. When coupled with a desire to be of service to others, this reaction can only be one that allows for and opens the choice (or lifeline/timeline) to reach and live the soul's highest potential.

This is indeed beauty for us to behold, seen from our perspective. And it is our great privilege and grandest desire to see as many as is possible choosing this path.

There is an enormous amount of energetic turmoil at this time. Necessarily so. For it is forcing ones to consciously decide their own fates as never before on earth. Even in these last and final moments of the dying old earth.

Impetus is required to keep things going in all areas of existence at all times. There must be reasons for an occurrence of both a problem and a solution. Nothing occurs randomly. And there is always a push and a pull to allow for such.

We see there are many amongst you who feel let down at this time. Looking for someone or something to blame will be to no avail, beloved people, for are not all things of our own creation for our learning and advancement?

And while some of you may believe you are victims to 'bad luck' or 'misfortune' or the global recession, these are, in fact your own creations. Whether at the collective or personal level of

creation.

Accountability is a great teaching for those in duality. And we are here to help with the recognition of such. But we cannot do for you, choose for you or 'see' for you.

Remember, there are none so blind as those who cannot (or will not) see.

May you be inspired to make choices that are of the way of the highest light. We are ever on standby for your call for help with this.

In service to the One and All
The Hathor consciousness

Ascending Into a Regenerative Biological System

Ascending Into a Regenerative Biological System

The Tao and Earth Mother through Karen Danrich "Mila"

March 26, 2002

Dear Beloved Ascending Human,

Much has been written of the emotional process of ascension. Little on the other hand has been written about the biological alterations that accompany the emotional changes. Why? Well for one, Mila and Oa do not relate so heavily to biological changes as much as the emotional responses to their world. They have no background as a doctor or in medical studies, and therefore transcribing detailed biological information is not their forte. There is another reason however, and this involves the desire of the earth mother to protect the ascension knowledge so that it is not misused by science at this time in history.

Science has misused ascension knowledge before, and this is how a manufactured slave race came to be. Earth hopes rather that humanity will ascend beyond the need to manipulate her or

any species upon earth, and move back to the state of full consciousness that was once the ancestral inheritance of the original red seeded race. Therefore the focus upon the biological alterations will always be minimal in Mila and Oa's materials. However, as one tunes into one's own form, and the body angels that govern the process of genetic encoding, one may receive a detailed account of the current process of ascension down to the physicality of the form. As humans awaken to their own ability to tune inward to the inner planes of reality, there is no need for another to explain anything. All knowledge will flow, as one needs to know it from within.

Today however we would like to explain the changes to the cells that are within the human form known as viruses, and several emerging hormonal systems and transport systems that support a regenerative crystalline structure. This will be an overview, and understand that all ascending forms will develop each system to the degree that there is room inside of the physical structure. Room? Is there not enough room in the inn, one may wonder? In reality, one's ancient ancestors not only had a 10 foot height in structure, but an enlarged cranial cavity roughly 8 times larger than the present day human skull. To fit all glands, some of which were the size of a banana, into the space of a peanut is not possible.

At best ascension can bring forth a semblance of the original biochemical system, and grow the glands to the degree that there is space. Some glands have had to be forfeited altogether until the alterations coming forth through newborn children allow for a larger head. Into the future, delivering a child via the current process of birth may become increasingly difficult with such large heads. What then? There will be alterations to the pelvic cavity and cervix to accommodate the increased requirement to "stretch" to give birth.

There are new glands that accompany almost every organ within an ascending system. We will define these new systems and initiates can cross check their own biology for a complete formation of each to assure that one is not having a physical problem with one's ascent. The lack of formation of one gland or organ can lead to disease in such a region, or the malfunction of a particular set of hormones that throws the entire system of regeneration out of balance leading to cancer or other complications. We bring this to consciousness now so that ascending map carvers will avoid this pitfall through self-monitoring of one's own ascent. A blockage in any given area is related to a particular thought-form that one is wishing to avoid, or in other terms, has schismed over in one's ascent. As one understands that a portion of the biology is not ascending, one can redirect one's attention to searching out the underlying cause.

Aug 28, 2012 - To our Dark Brothers AGAIN

Beloved Dark Brothers, give me ONE GOOD reason to LOVE YOU! By stopping the CARNAGE right now in Syria. What is coming is coming, regardless of your efforts to refuse to acknowledge it and you by yourselves as you well know, cannot roll over this planet and end it all. I have the best of the best here to prevent that game. Its becoming very hard for God to love you anymore. Ponder that while you watch the Eclipsing Craft peek about on the solar images. EVENTS TO COME

By Metatron thru Shellee-Kim

Aug 29, 2012 - 2:49:10 PM

EVENTS TO COME

Tele-chat with Metatron through Shellee-Kim [[link to www.goldsalchemistry.blogspot.com](http://www.goldsalchemistry.blogspot.com)]

I AM Metatron come to you this evening. We feel you are ready to start taking messages again to be shared. Are you prepared to take one now?

[There was a bunch of personal stuff first for me, then comments about many now who are to have transformations and awakenings...to themselves, their lives and/or their missions.]

As you know, you are about to have the three upcoming Days of Darkness. During this time, many of you, particularly of AH, will be taken to ship for instruction and training. This will be followed by

a debriefing. Once you have understood your roles, there will be a splitting off into groups. There is to be very much a hierarchical structure in place for ease of operation during this period. And we will be with you every step of the way – both Celestials and Star fleet crews. No one will feel out of his/her depth.

When everyone has organized themselves into the group they will be reporting to, we will have a series of special events occurring. These will constitute some flyover and public announcements, after which there will be more direct introductions to the people of earth. At the same time as the re-education begins, there will be the distribution of foodstuffs, adjustments made to certain of the manufacturing sectors on your world (the ones that are necessary to have functioning during this period) and there will be many amongst you prepared ones, who will come forward now into the general public with their own stories to share for the easing of tensions amongst your people. In many respects this period will be a turning point in the history of your world. It is a time that will be seen as a lifeline for many. And many will make their crucial decision as regards their future, at the last minute in this period, in fact.

A portion of those here beyond the 3DD, it is seen, will begin an uprising, in order to try and topple this operation – what they believe and see to be an invasion. And they will organize themselves. But they will soon be seen for what they are. Amongst these will be those who's dogmatic beliefs will be more powerful than their abilities to change or open their mind sufficiently to look at alternatives.

SK: Why will they remain then?

Because they must be given an opportunity to express themselves. And we see only perhaps a third or a little more of the post-3DD folks will be returning to earth after the major stasis. Now, there are other tasks you ones will be performing, in addition to sharing your personal stories with the public. Many of you will be escorting people on to craft, where you will be showing them our wondrous technologies, living quarters and our customs/ways of doing things. All this is designed to ease the people's spirits, relax them and help to promote a relationship of trust between us. As escorts, much trust and faith will be placed in you initially, by the people.

It is imperative, therefore, that you keep and maintain your inner balance at all times. And listen to your guidance within at every juncture and you will know just how to handle a person or situation.

Now the fun part. There will be some of you, quite a few, who will enjoy staying on craft during this period. This will be the 'cherry on the cake' for you ones. And we will delight in watching your delight at all you are to discover. The idea of this gift and privilege is that you then return to your people, reporting on the experiences had, adding further to the peace of mind of the populace.

We think this is enough for tonight. We know how hard this has been for you and we thank you. It is encouraging to see this shift. And we hope there will be many more messages taken again by you now.

I AM Metatron and I bid you Adieu this evening.

To Be In Service Part 1 and 2
By Monjoronson thru Shellee-Kim

To Be In Service Part 1
by Monjoronson

Through Shellee-Kim [[link to www.goldsalchemistry.blogspot.com](http://www.goldsalchemistry.blogspot.com)]

15.8.12

Good evening beloved friend. It is I, Monjoronson, come to you this evening.

Let us begin with an understanding. There are many amongst you who have been given opportunities to be of greater service to your fellow man. Some have grasped these with open arms and an open heart; many others have struggled to do so. Not because you haven't wished to do so, but for reasons related to your own sense of self. And your own judgements of what you believe to be 'acceptable' or 'unacceptable' service to others.

Service to others is nothing more or less than service to the self: when you are at a place of deep compassion for your own self first (that is born of a love for self) you are in a place where your service to others becomes that much more profound.

Now, let us look at one of the many examples of this. We see a young boy who has just learned how to cross the road. He is most proud of his ability and proceeds, putting all the road rules he has learned at the forefront of his mind that he might act upon them. What he doesn't know or realize is that behind him and quite accidentally, is someone pushing him at just the wrong moment.

Quickly, all he's been taught go out the window, so to speak. He is now in self-preservation mode to protect himself from oncoming traffic. The next step now is to extricate himself from potential danger as quickly as possible. Once this is achieved, he is able to return to perfecting his practice of crossing that big, busy road. This time with extra awareness and added lightning-fast reflexes.

Many of you are at the point of learning how to cross the road in an entirely new manner. One, where you both have all your wits about you, can plan 'on your feet' so to speak for an emergency, and at the same time are able to offer assistance to others crossing also. While it might appear as something of a balancing act and somewhat precarious even, this also

becomes a personal initiation of sorts for those choosing this.

The time you are all to enter now is much like this road crossing experience for the little boy. Much that is unexpected and could be perceived as hazardous is to come to the fore. Your role will be to roll with what presents.

Always remembering to respond to everything from a state of balance within. You have long been taught the 'hows' of this. Now is the time for theories to be put to the test.

Many of you have no or little idea of who you really are. This has been for very good reason. You are about to be revealed to yourselves now. What you are to discover will leave some in awe and may take a little time to digest of the truth of this. This part of your unfoldment process has been well planned and perfectly timed. All set to coincide with the timing of the larger global and cosmic events.

For many of you that are choosing and have chosen roles at this important juncture in humanity's future, it is to be a time of great fulfillment. And we cannot emphasise and stress enough that composure is key to the success of this next phase.

It is for you ones to be a joyful time in the realization of dreams, visions and that which you call fantasies. But it will also be a time of extremely hard work and much will be required of you in this final initiation and phase. Support will come in many forms, so the tasks to hand will feel far less daunting.

We believe this channel has exhausted her concentration and focus for this evening. And we would like to expand further on these thoughts at another time.

It is indeed a pleasure to have spoken with you once more and I look forward to more regular interaction with you.

I AM Monjoronson, blessing you all with my love this evening.

Part 2

25.8.2012

I AM Monjoronson come to you this evening, once more. And I am of the Light. I wish to speak to you this evening further of the coming times.

There are those now who are being activated, as we speak. These are ones who have been preparing themselves unconsciously on your surface. And in alignment with their contracts made so long ago. Some will wake up smoothly and easily, while others will be subject to a spell of confusion and disorientation. When these ones seek you out, please do remember how rocky was the road for you when you first stepped on to it. For some it may take a little longer than others to 'get with the programme'. Show these ones patience and understanding. They too have jobs to

accomplish, when they have returned fully to themselves.

Now, the new order of things to manifest is to follow strictly to a programme of events. You have already read about some of this through Candace. What we are chiefly concerned with is finding ways to secure peoples' attention. Here, we mean specifically beyond the 3DD and into the teaching period.

SK: But won't Starfleet under CM's command have taken over global media?

M: Oh yes, but that's not all we need to have in place for the full focus of the people. This is to be their (either longer or shorter) moment of choice and decision-making. In order to have maximum impact, there needs to be further measures in place. And once you are all fully activated to who you are and why you are here on earth at this time, things are to be far clearer in all of your minds. Including the newly-awakened - who you shall nurture to the same state as yourselves.

Some of what you will be doing will involve group work. But this will be no ordinary group work. And many from other civilizations will be present at meetings that will be held continuously throughout the teaching time. Their input, you will find, will be highly valuable. It will serve, in many ways, as what you have already intuited – presenting ways forward that you as a valued member of your society can share with the many on your surface. Not to mention begin in implementing, where possible.

Some of these beings you personally shall recognize, while others you may not. These sessions will be very powerful as it is the coming together of those from numerous civilizations who – in various instances - have already gone through what you are to be going through on your world. High councils pertaining to these cultures will be on hand at all times to trouble shoot with you, should it be needed.

Now, the next thing to note is the importance of the acts of discipline that each of you are expected to pay heed to each day. This will take the form of communing with the Divine within each of you and certain rituals we will ask you to observe.

Those that have been working with the AH meditation directives, will of course have a great foundation from which to continue on with this. But many from elsewhere would not have had this opportunity or support. And again, your initial energies will be much needed in bringing those under contract into fully awakened states, to the point where they are comfortable with operations and all that is required of them. Of course, this is over and above your work with the general population.

Then, there is also the question of money.

While many of you will be reliant on us for an income, there will still remain a small portion of people that will continue to earn an income in the previously-known manner. But everyone will be given duties to do – services rendered in exchange for the provisions we are to make available. There will be no 'lounge lizards'. Unproductivity produces laziness which, in turn produces sluggishness of mind and spirit. And this is the last thing we want after all we are setting up for this period.

It will be the first time in a very long time that people will work - contributing to the benefit of all - and without the anxiety that the potential lack of resources or bill-paying produces.

We feel this is adequate for this evening.

This is Monjoranson wishing you every blessing on the road ahead. Our love and support are ever with you.

When in Need, We are on Standby for You

By AA Michael thru Johan

Aug 31, 2012 - 11:03:58 PM

This is Arch Angel Michael, Arch Angel of the Resurrection on your planet, in Service to CMAton of Nebadon.

Beloved Masters,

A while ago, this Beloved Scribe called upon me to help out with a particular Reiki matter, as CMAton had referred him to me. Hence the reason I knocked on his door with the Secure Circuit still open to address myself to all of you, My Dear AH - , CMAton of Nebadon's Second Coming Organisation, family.

As last warnings have been published and delivered in alignment with Cosmic Law, we are ready to proceed in a ' as controled as possible ' manner. This is not me standing in CMAton's shoes to announce when we start the ' end of the old and the beginning of the new ' , but rather me drawing your attention to the approaching dark hours in which many of your earthly Brothers and Sisters will ofcourse question what is going on. Especially coming out of that period will be quite mindboggling to some.

Besides the many explanations and updates you have received most recently, I prefer to let you know that also some of the most ardent Light Workers and Star seeds will have questions as to

what or certain things going on. The barrage of powerful events might throw some of you for a loop and leave you fairly breathless, even if you thought of yourself as ' well - prepared ' . Not too much time or earthly cycles captured in your calendars might have passed, before you reach another milestone in your unremembered kind of life - experience, or another finishline, but each of complete different nature.

As a good preparation is half of the result already, so do I come to advise you to make DAILY CONNECTIONS with your Higher Self or Going Within or Meditating an absolute MUST in your schedule. Enough tools have been advised to help you in this.

As living as an example is highly recommended, please make an example of such activity, that has brought You balance and knowledge, Truth and understanding A PRIORITY. Your Self or Divine Immortal and Invisible Soul knows what needs to be done so use this as a means to show others who come to you for answers, that they too can find those Within, even in critical times.

Then also You shall fully understand the magnitude of KNOWING WHO YOU ARE and very little will move you away from your center. Going With The Flow is one way of seeing the River of Life More Abundant once this raft is water-born, but also the rapids along the way will have to be dealt with, with equal great strive.

This is my reason to address you : that when you find yourself in need of help while passing the water rapids in the upcoming decent, before we can ascend through other means, CALL UPON US, CALL UPON ME. Enough instruction will be shared, enough help will be available, but it is important to know that WE and the entire Fleet take your call for help not lightly. Due to the fact that others may call upon you while you yourself might not feel too strong or too sure, YOU HAVE TO KNOW WE WILL BE ON STANDBY FOR ALL OF YOU.

Everybody involved in the period after the 3 DD's will quickly feel the Instructions Guiding you very well, but as you on the ground deal with life situations, as they usually come like rapids = strong and unexpected, we will throw you a lifeline if you request. This CMAton operation embraces the cooperation of so many beings involved and ALL do account for being supported when in need. Service to Others = Service to Somebody their needs, including yours.

Now, since we are at work with great anticipation of what is to come, let us assure you that many of you are not called Masters for no apparent reason. Many of you have been through all of this before. This should take away anxiety as you can Trust in the painstakingly preparations and revisions under the auspices of our Christ Michael of Nebadon. As some further pockets of high resistance are being dealt with forthright, ' the moment of Truth ' is on the table. The dark are seeing this as a chopping block, We see this as a breeding ground for a society that will not be going in that direction again. The well known saying : " The Truth shall set you free. " has never been more fitting then NOW, and NOW in this regard will only be defined by the moment ' the sun

went dark ' , as alternative or last resort.

Stand tall, Our Light Warriors, even when you find yourself in different and difficult circumstances as Your Light will always show you the way or show us how to be best of help. We stand by you.

I AM Arch Angel Michael.

Love and Light,

Johan

Message 107: THE DIVINE MAKEOVER KNOCKS AT YOUR DOOR

Seraphin through Rosie, 4th September 2012

Dearest Children of Light in Earth who are unaware of the DIVINE MAKEOVER:

You have been asked and prodded on many occasions to look at yourselves in a critical manner and regard your behaviour FROM A LARGER PERSPECTIVE in order to gain knowledge about WHERE YOU HAVE COLLECTIVELY GONE WRONG. We know that there are those among you with more than high tolerance levels who will immediately pounce on the word WRONG and pronounce that there are no wrongs and rights. In a way, you are correct, as there is ONLY PROGRESS AND LEARNING whether the steps you actually take move you forwards or backwards.

In another sense, those with EYES WIDE OPEN can see that the way you conduct yourselves on this planet is wrong in the sense of NOT WORKING. THE PLANET CANNOT SUPPORT EVER-INCREASING NUMBERS OF PEOPLE WHOSE GREATEST DESIRE IS SELF-GRATIFICATION, ENTERTAINMENT AND ACQUISITION OF PROPERTY AND WEALTH AT THE EXPENSE OF EVERYONE ELSE AND AT THE EXPENSE OF GAIA HERSELF.

The debris you leave behind – mental, physical, verbal, emotional – LITTERS EVERY FACET OF YOUR ENVIRONMENT. To sit safely in small clean homes serving only self or restricted to family, ignoring events outside your local, national and global doors is no longer an option. Putting up a shield of defence in face of all the negative self-produced energy is no longer an option. And because of this lack of sensitivity and responsibility has been continuing for millennia, the heaps of debris are rising and CANNOT BE OVERLOOKED.

It will not be possible, dark brothers, to cordon yourselves off. It will not be possible, innocent bystanders, to declare that you have no part in this matter. It will not be possible, secret-keepers, to hold the lid on your secrets any longer. The time of ULTIMATE EXPOSURE AND ULTIMATE LIGHT IS NEARLY UPON YOU. This will be a time of major recognition FOR ALL ON EARTH, and also a major learning process for all observers. You will learn to celebrate the RETURN OF SACREDNESS into your lives.

It will no longer be possible for your magazines to report upon the excesses and hedonistic lifestyles of the celebrities selected to enthrall you and KEEP YOU SMALL. YOU ARE THE CELEBRITIES NOW, THE ONES WHO WILL RECOGNISE THEIR PART AND CRY AND MOVE ON TO GREATER THINGS. You will learn that you were prisoners. You will learn that you were content to be prisoners, swallowing the entertainment and propaganda presented, obeying the rules concocted.

This will cause great pain, but it will also SHARPEN YOUR MINDS AS NEVER BEFORE. YOU WILL CUT THROUGH DISHONESTY. YOU WILL QUESTION TIRELESSLY UNTIL ALL IS EXPOSED. This will involve GREAT DISCOVERY and GREAT ADVENTURE. Never before will your lives have been so intense, so searching, so devastating, and so JOYFUL. You will REJOICE UNENDINGLY THAT THE SPIRITUAL HIERACHY YOU REFER TO AS GOD AND HEAVEN HAVE REVEALED THEMSELVES AT LAST TO YOU. You will fall on your knees in gratitude that the dark days are over. You will reconcile yourselves to present losses (for many will depart for their next life experience elsewhere) and see new opportunities and contacts wherever you look. Instead of living in a mundane and stressful manner, you will discover the joy of LIVING

FOR A PURPOSE, in discovering your divine vocation. The bell is ringing and it is up to you whether you choose to open the door and WELCOME THE NEW, plying your role in the DIVINE MAKEOVER.

Sunday Global Meditation, you are welcome to participate.

Sunday Global Directive Sept 9
By Johan and CM
Sep 9, 2012 - 11:47:20 PM

This morning CMAton advised me on the directive for Sundays Meditation for our Readers. Meditation / Visualization / Co-Creation as He calls it, September 9th, 2012. As the time to move on is around the corner, He asks us to focus on something in the very near future already :

That as Meditators, Light Workers, Star Seeds, Caring People, we send all our Divine Love and Light towards those who are staying with Mother Earth after the 3 DD's, so they may accept THE TRUTH and THE LIGHT for what it is : THE TRUTH. That they may invite, accept and embrace CMAton's Spirit of Truth to dwell in their Hearts and Minds by simple HUNGER TO KNOW THE TRUTH.

CMAton considers this now a very important POINT OF FOCUS for us LIGHT WARRIORS / LIGHT WORKERS / STAR SEEDS / FAMILY OF THE LIGHT. Although TEACHINGS are planned, the degree of ACCEPTING AND DIGESTING things completely opposite of what they knew or have been given so far or shocking to most, might find resistance and disbelief at first.

To soften their hearts and minds and see the NEW FUTURE this beautiful Planet has chosen and NEEDS to go now inevitably, with all inconveniences included, WE are asked to see us UNITED, accepting the Divine Light from Papa/Creator Source through CMAton and our Higher Selves and sending this like WAVE after WAVE to ALL THOSE WHO ARE STILL ON EARTH AFTER THE 3 DD'S.

I hope you enjoy the Silent and Reflective Time.

PS: by Candace, spend all the time you can not only on the above and not only on Sunday. It is going to be TOUGH after the 3DD's, and you need to work on the inner alignment. It will be necessary. It does not take deep meditation for inner alignment with the Father, it takes listening to the intuitions most of you have always had. You will NOT have time to go meditate in many situations, you will need to act immediately and thus you must be willing to sense your intuition. Intuition IS messaging from your Higher Self.

Love and Light,
Johan

Message 108: **RENOVATION OF YOUR WORLD AND YOURSELF: YOUR CHOSEN DEGREE OF CHANGE AGAINST THE DIVINE BACKDROP**
By Rosie

Sep 8, 2012 - 9:50:31 PM

Message 108: RENOVATION OF YOUR WORLD AND YOURSELF: YOUR CHOSEN DEGREE OF CHANGE AGAINST THE DIVINE BACKDROP

Seraphin through Rosie, 8th September 2012

Rosie: Dearest Seraphin; I have spent the last month renovating an old house, in the course of which I collected these questions, all of which have been very relevant to the process. Here they are:

Whether renovating a house (OR YOURSELF, OR THE PLANET) what is your priority?

Beauty, efficiency, functionality, quality, service, or a mixture of these?

THE CHOSEN DEGREE AND PACE OF CHANGE

Are the changes you make cosmetic or radical?

What do you chose to modify or destroy?

How much of the old do you cover up, leave standing, or leave visible?

How quickly do you throw something away?

How often does indecision hamper progress?

Do you retain an overall perspective or lose yourself in detail?

DEALING WITH PROBLEMS

What do you do with the discoveries you make in the course of chipping at an old wall?

Do you say "Oh that hole must be the old chimney" (OR "OH, THAT WOUND MUST BE FROM MY CHILDHOOD) and cement it up again, or do you have an idea to transform it?

Do you restyle the hole to make an alcove or altar (OR A VALUED LEARNING PROCESS) or do you fill it up without thinking?

If you discover mice in the walls (OR GNAWING PAINS IN THE SUBCONSCIOUS), do you address the problem?

Do you consciously preserve that which you perceive to be strong, solid and supportive?

Do you hold on to flimsy whimsical structures (OR FLIMSY RELATIONSHIPS), despite your knowledge that they are soon destined to crumble?

WORKING TOGETHER

Are you doing this for yourself or others?

Is this a co-creative effort or one person's project carried out by minions?

How easily are you guided by the opinions of another?

How often do you allow experts in their field to state their view?

How quickly do you recognise your own limits and ask for help?

How often do you follow your intuition or vision implicitly?

How quickly do you back down from your ideals?

Is this due to practical common sense or desire to please another?

How often do you abdicate responsibility to others and return to find that mistakes have been made which could have been avoided if you had shown more active participation?

Do you work with nature, respecting natural forms or rhythms?

Do you respect harmony with the location or surroundings?

ATTITUDE TO THE PAST

How much of the old do you leave to document "history"?

What do you choose to repair or replace?

Do you keep the form and change the colour?

Do you change the form and keep the colour?

Do you throw away the rot or retain it because it is a piece of history?

Do you move something from its traditional position for better effect?

Do you remove things which look impressively authentic but which – if you look more closely – are actually a fake?

Do you replace lost pieces with new ones which harmonise or which break with tradition?

Have you anything to say to this, Seraphin?

Seraphin: Yes. It is all very well to renovate, but if the finished product does not have some definite purpose or application, it may be wasted time. OR NOT, IF THIS EPISODE HAS SERVED TO SHOW THE PERSON RENOVATING THAT THEY HAVE BEEN WASTING TIME. THIS MEANS THAT THEY WILL FROM THAT TIME ON PROCEED WITH MORE AWARENESS AND MORE PURPOSE. So in fact all steps serve the purpose of forward progress.

Another question is: WHY ARE RENOVATIONS NECESSARY? Often enough, this is due to a lack of quality - to material suffering over the years. In a relationship, this may be deteriorating quality due to lack of consistent effort in the long-term. Then an ELEMENT OF NEWNESS can be very beneficial: re-examining the cracks in communication, for example, before the building collapses. Wall repairs and structural repairs take priority over smaller issues, so the lesson in that is TACKLE THE BIG ISSUES FIRST.

You know yourself, from designing your paintings, that you have to decide the colour of the BIGGEST PIECE OF SURFACE AREA FIRST, and decide on the overall division of the canvas FIRST, before delving into detail, IF YOU DO NOT WANT TO LOSE SIGHT OF THE OVERALL IMPRESSION YOU WISH TO CONVEY. To do so would be LOSING THE POSSIBILITY OF GREAT CONTRAST. ALWAYS BE AWARE OF THE INTENSE COLOUR OF THE BACKDROP, just as always be aware of the DIVINE BACKDROP, which is the framework within which you are working, which is the framework in which you work on your relationships. NEVER LET THE DIVINE BACKDROP OUT OF YOUR SIGHT, IRRESPECTIVE OF YOUR ACTIVITIES, for it is always there and it has always been there, despite the inability of your particular civilisation to recognise it in its entirety.

Little by little, this backdrop (an organised cosmos under a spiritual hierarchy) has been coming to the foreground. Just like the realisation that the earth revolves round the sun, which encountered great resistance in its day, a further greater realisation is already at hand. As in previous times, it is greeted with ridicule. Allowing new concepts into your mind for CAREFUL AND WEIGHED PERUSAL IS OF PARAMOUNT IMPORTANCE in this entirely new segment of your history.

This “renovating” of thoughts will be a radical procedure, like walking through the ruins of an old building which was not renovated in time, which has been neglected for years so that it is unrecognisable due to rampant undergrowth which has taken root in every crack. In some cases, the foundations may be sound and usable. In others, the only way may be complete DESTRUCTION.

This will be different for every person, but everyone will have to make choices and decisions about how to rebuild their lives. We plead with you to start this NOW. Direct your lives COMPASSED BY THE DIVINE, which means – as we said in a previous message already – to BRING SACREDNESS AND RESPECT FOR ALL BACK INTO YOUR LIVES. We love you all, Seraphin.

Tolerance

By Jiddu Krishnamurti thru Shellee-Kim

Sep 10, 2012 - 5:40:48 AM

A few years ago I had Krishnamurti knock on my inner door. I was thrilled as I had always admired him as one of the greatest teachers of consciousness on this planet (and still do), and have been an avid fan of his work. Will find and post the older one I did by him also.

7.09.12

Tolerance by Jiddu Krishnamurti

through Shellee-Kim

SK: Krishnamurti, are you available to chat?

K: It is I, yes Jiddu Krishnamurti, come to you after this very long absence. I am most delighted that you have called upon me. And I am most honoured to be able to bring forward a topic for contemplation once again.

I ask him to ID himself.

K: It is I, Krishnamurti, the 'guru' who likes no followers *laughs*. And I most certainly am from the Light.

SK: I've always known and felt you as very serious and intense, so I'm kind of happily surprised to hear you joke.

K: Do not underestimate the power of humour in both our realm and yours. And I have grown myself further since we last communicated and passed through some obstacles in my own expression.

Now, what is most pertinent to speak about this day? I feel it to be the subject of 'tolerance'. When we speak of tolerance, what comes to mind? Tolerance is not something that can be pushed or forced into existence. It is something that either lives within you or it doesn't. How is it then that we become intolerant, in the first place? Many influences in the life make this so. Perhaps the most important being a conditioned, non-acceptance of our own behaviour.

In this non-acceptance of ourselves, we tend to then project all of our own unhealed thoughts and patterns onto those around us. Your psychologists call this 'projection'. And intolerance is just one quality of our own creations as human beings that we do not take ownership of.

Living a responsible life requires living a responsible inner life first. And there is much to be said for becoming comfortable with the mind, its workings and the impact it has on us first.

Like many states, tolerance is not something you can retrain or reprogramme your mind with. Because, firstly, the mind thinks. And being intolerant has everything to do with how you feel. It lives within the core of your ego-identified self. And, if left to its own devices, it has no intention of departing from that comfort zone.

Now let us give you an example of this. Say an elderly gentleman is walking on a crowded sidewalk. Being elderly, he is walking at a slow pace. Also to carefully avoid the dips or rises on the sidewalk that might put him off balance and cause a fall. But many walking towards him or behind him are much younger and sure-footed. They have no time nor inclination to slow their walking speed down. They 'tsk' impatiently or mutter their distaste under their breath to express their intolerance at perhaps being forced to slow down or walk around the elderly gentleman on approaching him.

But he is of no mind to deal with this and rightly perceives these reactions as the problems of others. Yet, in the minds and actions of those passer-bys, the elderly gentleman is most certainly the one they blame for momentarily slowing down their pace. This is a case of classic intolerance.

And what does it show or tell us in the human experience? Merely that we have not evolved beyond the ability to perceive our responses to life/others as our own creations.

Of course there are many times where we do and must set boundaries within our living conditions with others. Here I mean that boundary-setting in interaction with others is a necessary form of healthy self-protection which many neglect to do due to their own bad feelings about themselves.

And while tolerance for others and boundary-setting with others might appear differently, they are both rooted in a sense of unworthiness and unacceptance within. Although seemingly different in their manifestations.

In fact, your world has become so intolerant toward others in so very many ways that it has conditioned you to the point where you have pre-conceived (mostly negative) notions about anything or anyone that you perceive to be a 'minority' expression.

And while the elderly gentleman in the above example might not be part of a minority group at all, some of your mostly-western societies perceive it this way. Mostly because your programmed intolerance has made sure these elderly ones are seen and heard very little of.

To make it easier on yourselves, you shut them away indoors or in homes for the aged like some disease that is too painful to confront. Yet this doesn't alter the general intolerance toward this sector of your population.

How did intolerance grow to such strength in your society? Largely by encouraging the 'me' factor in the living. When you live in conditions which accept selfishness and self-centredness as almost a virtue in certain societies, anything and everything outside of this model becomes something to be rejected.

And a place where people feel justified in feeling their feelings of intolerance. Towards others, at situations which arise in the life, but mostly toward our own selves. Tolerance, as we first said, is primarily a state of non-acceptance of the self. How do we set about changing this, should we desire to do so?

Everything meaningful in the life requires work and effort to change. In addition to the tactics of the ego which would encourage this state of intolerance if it is to the benefit of the personality to do so, you are also given the knowledge to rise above this, bringing yourselves back into balance.

Begin with awareness of yourself in action. Watch the way you respond to situations and people. Become familiar with the patterns you see emerging regularly from within. Note the ones amongst these that are destructive in nature; those ones that trigger negative emotional states.

Whatever you seek to bring more of into the life and expression, dwelling on its opposite will serve well as an awareness exercise. Then you are in a position to own your creations more fully and release that (intolerance) which no longer serves. These are some small steps to becoming comfortable and recognizing your particular dance with yourself.

I do hope you will not leave it too long again until our next communiqué. I have so enjoyed this time together and hope it has been fruitful. Thank you for your service.

With love and in honour
Jiddu Krishnamurti

PS. Here's one of a bunch of his quotes I just found somewhere.

“Find out for yourself what are the possessions and ideals that you do not desire. By knowing what you do not want, by elimination, you will unburden the mind, and only then will it understand the essential which is ever there.”

A WORLD WITHIN A WORLD

By Tara and Shellee-Kim

Sep 10, 2012 - 5:44:57 AM

16 June 2011

A WORLD WITHIN A WORLD

by Tara through Shellee-Kim

I've been wondering about material practicalities and what to take with me when the time comes to make a quick escape by car from my valley on the coast or am guided to one of Star Fleet's beams. Then I started thinking about what they have on board...

This is what I heard from someone by the name of Tara of the New Jerusalem ship. We have not (consciously) chatted before, but she says we have in other/dreamtime. She refers to herself only as an 'on-board facilitator'.

TARA: You will be permitted to take one item of luggage or bag. If it goes through the beam, good and well. If not, you will have to leave it behind.

Although, once on board, none of your material possessions will be necessary as we have the technology to recreate your own homes and the things that gave you the illusion of comfort and security. We do this for your own well-being and for your initial adaptation to our surrounds.

SK: What about our own personal clothing?

T: You may bring your own clothing, but you will far prefer to wear our own, which we will provide for you. Each will be provided a garment/s that will fit and reflect his/her station. This means according to what you have accomplished spiritually thus far in your lives, so you are given the appropriate garb to wear which reflects these accomplishments. This then informs others and helps them to more easily identify you and your place, so to speak.

The garments feel alive on the skin and radiate Light and Love, meaning your entire being will feel resonant in them, providing a sense of comfort and well-being, as with all else you experience here.

Please understand this is not a question of judgement of you by us in any way, nonetheless there is a hierarchy and protocols that are most definitely observed here also, as on your world.

Remember, many of the mother ships are absolutely enormous and are worlds in themselves. As is ours.

SK: Talk to me please about our domestic pets.

T: Do not fear or have worries about your four cats. As has been mentioned many times to you previously by numerous beings, they will be safe. And you have been told specifically how you and they will assisted.

Pets will be taken to a specific place on board where they will be cared for. You are free to visit

them anytime you like, and to spend as much time with them as you deem fit.

SK: Can we take them around with us and have them close to us, as in our surface homes?

T: It is preferred that the different species (pets and humans) stay separately so that a co-dependant relationship cannot develop. We see this as unhealthy in the development of both. But in emergency situations we do and will make such interaction available for mutual benefit.

There are beings who's choice of service and work is to interact with the animals constantly, and that is different. Of course, we know this is very different than the approach you take with your animals on your world.

SK: Because of what I've been experiencing since the end of May (will elaborate on this in an upcoming personal piece in 'Diary of A Crazy Ascensionist' category), I recently asked someone from the Inner Earth I was chatting to about celebrating through dancing and music-making. Can you elaborate on the type of music you listen and dance to, and is it that different from the IE?

T: Our music is composed and selected, as you were told by your IE contact, especially for the purpose of feeding the body and soul a particular frequency. In accordance with our objective and the mood we are trying to achieve on a musical occasion, so we employ different focuses musically to enhance the experience. Through dancing, we then ground this into our physical bodies, whether its a light and elevated, earthy or energized mood we're celebrating.

We utilize the power of sound in its entirety to unite with our God Selves and each other. Creating and experiencing this is vastly different from how you enjoy music on the surface of Earth. We have room only for the harmonious tones, rather than any inharmonious ones, as these are not beneficial.

The Inner Earth have based their music largely on our models. With a little modification here and there to suit their specific circumstances, but essentially it is the same.

Everything we have and do is designed to raise our frequencies and vibration. This way we are

constantly enhancing our harmony within, in order to perform that much greater a service to our brethren. In whichever capacity we so choose to do it.

SK: Anything else you'd like to add?

T: Those of your loved ones that will be accompanying you on the journey going forward with the Earth Mother will be quickly and easily able to be located in your new environments. We would like to put your hearts and minds at rest on this one. As we see this as a chief source of concern for those who are taking this route.

SK: I have a lot more questions in mind(I'm often teased about being the Interrogator), but will give you a break for now. ;-)

T: Certainly, 'O Questioning One' *grins*. I will be available anytime to answer any further questions you have about life on board.

It's been a pleasure speaking with you.

Tara

Short UPdate from Siraya

By Siraya thru Johan

Sep 10, 2012 - 6:13:03 AM

I AM Siraya,

Representative of Creator Source To Orvonton.

With the most Esteemed Greetings from Creator Source, The Ancient of Days of Orvonton and your Sovereign of Nebadon, Christ Michael and Monjoronson, I Greet and Bless you ALL once again.

Another important meeting has just resulted in outlining and finetuning the vast project that will be undertaken shortly during this northern hemispherical harvest time on your planet after more has been accomplished in the month that just passed you by. It was thought THIS WAS IT, but due to persistent but failing dark actions AND grand decisions and considerations from your Sovereign to have better options available after and during the 3 DD' , in which alot of work to your Mother Planet will be undertaken, it has brought us to this new month of your earthly calender still.

When I brought you great news about the results of your jointly work towards the Vatican, We thoughts this to be the beginning of revelations that would shock your world, but the dark were keeping their cloth of lies and deception really intact and tight. More and continuous work from Christ Michael and his most loyal staff has brought even more evidence to the surface in the mean time what will enhance the explanations and teachings that will follow their removal and handling your Mother Earth with delicate care. So have you received extra opportunities to sharpen your telepathic abilities even more, getting to know yourself better and preparing in greater depth for the cleansing coming.

With this in Mind, We like to thank you once again, Our Dearly Beloved Light Warriors and Star Seeds to have stood your ground sofar in sturdy patience that will be well rewarded as your Sovereign will not forget who stood by His side through Heart, Soul and Oneness of Mind.

Greeting you warmly and sincere, I AM SIRAYA, in Service of Creator Source.

Love and Light,

Johan

Siraya Update on 3DD

By Siraya thru Shellee-Kim

Sep 11, 2012 - 10:35:58 PM

Through Shellee-Kim

9.9.2012

It is I, Siraya, wishing for you to take a message if you are in agreement.

Time draws very, very near now to the D Day. Please be in position, ready for the events to occur. We know you have many times previously being given warnings and asked to make necessary preparations. Perhaps some of you, as with this channel, will see this as another 'boy who cries wolf' scenario, as she fondly refers to these.

However, now it really is TIME. There are no further hindrances in our path, although conditions are not as perfect as we wish them to be. Yet we are choosing to proceed at this time, nonetheless.

We wish you all to know there are major flyovers to take place globally. We will create something of a show for the people of earth. It is important that Starfleet be perceived as playful and accessible, rather than the invasive, controlling dark forces your media and entertainment industries have painted us to be.

Also now there will be many Starfleet members ready to join with you. You have already been told somewhat about this. They will be on standby and available in an advisory capacity.

Please be warned of that element in your various societies whose fear will drive them to lead an attempted revolution against us. They will not succeed in overturning our operation but they will certainly make big efforts in trying.

You ones who are to be the wayshowers now will be specially equipped with the activation of yourselves and, in addition, gifts that will be entrusted to you. These will serve to assist on your earth in numerous ways during this teaching period and beyond. The ones in receipt of these will have been specially selected for their integrity, level of commitment and therefore ability to use these most responsibly and for the benefit of the whole. This channel has already made mention of this gifting some time ago in a previous channeled message.

In the ensuing chaos of the first week or two after 3DD we will make food available for people. This will be distributed from various depots to supermarket outlets, which will temporarily be run by us. Thereafter and once things have settled down, a new system will be in place with coupons/vouchers being used to exchange for food.

One of the first things to be addressed will be an alternative to the harmful fossil fuels your multinationals have so encouraged for profit. And it will no longer be necessary to use this type of fuel for the running of your vehicles, as we will be introducing one of our technologies. This will mean your cars will largely be running on a form of hydro electricity/water. Thus eliminating all the harm fossil fuels have brought to your beloved planet. There have already been past efforts to bring forth this alternative to your people, but once again this was either met with dismissal or suppression, by all except a tiny portion of the population.

Forewarned is forearmed, as they say on your planet. There is more which will follow in the days ahead, if you would be so gracious as to co-operate.

As you go forth with cheer in your hearts

I AM Siraya.

Candace: as to the hydro electricity/Water, I have seen you tubes of people developing this in their own vehicles as an experiment.

Rubens: I am all ears dear brother

Aton: I am here to make a public announcement and not to say hello as I have in the past few days

Rubens: All right, I am ready

Aton: This is CM, Sovereign Creator Son of Nebadon; I have chosen to come to this scribe to announce officially that the wait is over. Yes, dear ones, as you were told by Siraya and Esu, 3DD is upon you, that is to say that it can transpire within moments of your time; I am not by any means telling you the exact time that it will occur but, I want it known that I have PRESSED THE BUTTON, to use one of your phrases.

Manifestation will take shape in your realm shortly. Watch the sky and you will know unequivocally that it is so. I know that we have told you that on my instances and that, in a way, is a hindrance because many of you do not know whether or not this a message addressed to the dark ones or to you, my children per say; I want this information to be known around the world and there are many around the globe who will receive this information and pass it on to the populace. THIS IS SERIOUS folks. Belief is a choice that you will not have in this very instance for it will impact you no matter where you are.

Prepare yourselves as we have told you many times and remain CALM.

This is CM, Sovereign Creator Son of Nebadon and I have given my seal of approval upon this message

Rubens: Thank you dear

Aton: Salu

I wish you readers would just go and take this message to heart. Do not argue about it, just prepare, to be prepared won't do you no harm. This world as well as humanity, is about to receive

a great Blessing!

I will post here should I receive further notice.

Special Notice on the 3DD
By Johan and CM
Sep 15, 2012 - 11:15:52 PM

Candace: Johan was given this yesterday and after my panic attack was over because of a time and date given, I let him post it on the forum, for I had similar information and others on the team have been given similar time frames, but a tad later. Esu and CM both contacted me a bit ago and suggested adding up to 24 hours to this, as the unfinished business mentioned is not operating "on time."

Please pay attention to the 2200UTC time, For those of you doing the global meditations it is 1 hour later from your 21 utc time. If this was to start today, it would be in an hour from when I post this. 4 pm in the afternoon for me. So I don't expect to notice until 4 pm tomorrow or so essentially.

They began aligning the ship into place for the partial eclipse a couple days ago now. It remains unmanifested and the manifestation will be gradual, over quite a few hours once it starts. So there will not be an "instant dark spot" for the partial eclipse. Once someone on my team has noticed, we will post here that it has started.

But you might want to be sure you have you batteries or candles etc, before it becomes OBVIOUS so you don't have to stand in a line to get them, only to find out they are all off the shelves. When it IS obvious and we have posted to that, be sure to email or call everyone you know, and post to any forums and blogs you belong too, because there IS resistance to explaining WHAT it is in some countries. You might want to bookmark the teaching we have posted here for easy posting.

CMAton addressed me in His familiar way and asked me to take the following message to share with you all :

More scribes will be informed and asked to share but without further ado, I give you at AH notice that you will see the sun going gradually darker from your earthly perspective, starting before the end of the next 24 earthly hours have passed. Noting it is 6 pm EST now or 22:00 UTC when this message has been given. (Know that mentioning something as delicate as dates, days, let alone HOURS, makes me very jittery ... just so you know, YET I trust my messages AND CMAton even more)

You know we normally never speak out dates, days nor hours, but as you all have been mentioned that the Button Has Been Pushed, No more Delays and Rehearsals and your anticipation has grown considerable, I want to give you this small deserved notice as your

patience has been pushed to the limits. The 3 DD's need to start now since new developments need to be nipped in the bud and earth changes needs addressing to.

Rest up as much as possible and early bedtime will do you wonders, IF you have the interest to ask your Higher Selves to be Informed, Instructed and Inspired. Your preparations should have ended long time ago, but check again if needed, YET your best preparation comes from calm and balanced Mind and Soul - Inspirations in the first place.

Salu, My Beloved Light Warriors and Star Seeds, as I Love All of you Dearly. CMAton of Nebadon.

Love and Light,
Johan.

Imprint of the Wave

By hazel and Source

Imprint of the Wave

Hazel with Source September 15, 2012

How often do we observe nature to discover what may appear to be hidden messages from the Creator? Nature too is a mirror of the Creator's thinking which holds a wealth of knowledge reflecting the dynamics of the creative process.

My awareness was taken to the ocean's waves and I began to think of our Electric wave universe- a universe created by light waves of motion. The ocean in itself is an illusion like all matter, simply 'appearing to be' as light waves of motion multiplies itself into infinite wave units of pressure. All light waves are mirrors which reflect each other's condition.

The waves in the ocean also originate from a point of stillness which is unseen to the physical eye; but it is some motion (current) from the point of stillness which generates the ocean's waves. The ocean is always in a state of motion and each physical wave seems to be a mirror of the preceding one reflecting its condition. This is more apparent when the sun's light reflects upon the waters.

I was then asked by the Father to enter into the ocean to observe the waves from that perspective. I noticed that the water comprised only of waves (within waves) variegated in length and intensity. As I observed a cross section of the ocean I could see 'light waves of motion' as the waves in constant motion reflected light. It dawned upon me that very much like the our Father's thinking, the ocean never stops thinking. Just as our Father thinks through light waves of motion so too does the ocean appears to think. As I moved towards the shore I saw wave after wave multiplying into myriad waves just as each light wave from the Creator multiplies itself into infinite wave units of pressure. This is how matter is created.

So I wondered what the ocean was creating. As I walked along the shore I saw very bold imprints of the wave on the sand, a phenomena which I have never witnessed before. Throughout the length of the shore line were symmetrical imprints of the waves resting side by side. Each pattern, a mirror of the one next to it; thick rhythmic strands intertwined with each other spiralling upwards and peaking. It was shaped like a flame within which individual strands were identifiable, weaved through each other to peak at the top. There was a synchronicity in the pattern. Never before had I witness such a display of beauty, balance and elegance along the sea shore.

I meditated on the imprint of the waves and three insights were given to me. Firstly 'though we (waves) may appear to be many and varied, our pattern and blueprint is the same for we emerge from the same point of stillness. We are a reflection of each other. We stand in unity'. Secondly the waves' imprint of flames was bringing a message to the people that the time of purification is here. Thirdly, being within the pacific ring of fire, the waves were simply expressing the identity of the region.

Always will the wave leave its mark; its effect or impact will differ depending on the awareness of each. I took pictures of the imprints and showed it to one of the persons I was teaching. He has been working in the resort at that very beach for many years but told me that he never noticed the imprints before.

The Father then asked me to close my eyes and listen to the sound of the waves. The sound cycled from light, medium to heavy. I asked HIM about the significance of the sound. HE said it mirrored the Divine wave which has been emanating from the universe. HE said that the light sounding waves were symbolic of the effect which the 'light' Divine wave intended; which was simply to cause a stirring and awakening. The medium sounding waves were symbolic of the effect which the 'medium' Divine wave intended; which was a movement towards cleansing and purification in preparation for the final wave of unification.

HE said to me that just as the ocean's waves left its imprint on the shore so too shall the Divine wave leave its imprint on the hearts and minds of those in readiness. And so HE taught, those chosen to hear this message through me. They were wide eyed with new awareness.

I came to see that the wealth of the ocean lay not in its resources- corals, marine life, oil etc but in its inner knowledge and wisdom reposed in its core; and its ability to simulate the Divine creative process. This was my lesson.

When we ask the Father day after day to see through HIS impersonal eyes there will come a point when you will see all things through HIS vision.

Blessed be in love and purest light

Hazel

A Message to Remember

By Hazel and the Divine Consciousness

Sep 17, 2012 - 9:08:47 PM

A Message to Remember

Hazel and The Divine Consciousness. September 14, 2012

HE has spoken. The light in your consciousness will abate the fear generated by the event to transpire in the shortness of time. Why do we bring this message? It is not with intent to alert for this has already been done consistently. This is a 'message of remembrance' so that those who read it will know when the time arrives the truth given. This is intended to assure you that trepidation is a hindrance to understanding. You will remember what we say and you will find your centre. Human reason without a trace of God knowledge will not suit you here, for you will not be able to comprehend using your human mind. You are to call upon US for higher guidance 'now'. We speak in the future 'now' for it is then that you shall need us.

What comes is notice to your world of transforming events to succeed the initial 'event'. It is part of the Master plan for the evolution of all. This is an inevitable outcome, one which many will fear due to lack of understanding and knowledge, but must necessarily embrace. Heed our words that

you may not feel abandoned during these times for as darkness blends into your atmosphere and the light recedes you will stand in wonderment at an unexplained phenomena.

This is your signal that a new beginning is inescapable. The darkness will precede the light in all its magnanimity, for first you must lose the darkness within your sight that you may see the light again with and in clarity. You must first see the darkness, recognise and acknowledge it and then transmute it. Too many of you are oblivious to the darkness which shrouds your world. See this event within the context of a transmutation for indeed the darkness that will bear upon your lands will be for the purpose of transmuting the dark forces dwelling inland so that lighted glory can be hailed.

And so it shall be; for we desire you to learn the lesson of this movement; for as this occurs for many a new vision will dawn.

You are not alone. Call in despair or call in joy- it matters not for WE shall hear you and answer. Reject the fear that will initiate in your heart and do not place crude thoughts of 'ending' in your mind. Your world is not to end, simply to be transformed and so are you.

The corrupted elements of your world shall be removed and the 'event' is a mechanism designed to carry this out. DO NOT FEAR; for that which is being done is to remove your reason for living in fear. That which currently underpins your world must be pulled out and replaced for it cannot sustain you on your evolution. Take comfort in this and know that the Divine hand is involved and working. For those who cannot see or hear or know because of non existent belief in the Divine, you will either reject this or out of fear find God. Know that the weeding is current and we continue to sift through the 'human' fields and time will tell your fate.

But for now know us as the Divine Consciousness and remember our promise to you.

Pax Vobiscum

Peace be with you

IT IS IN SESSION

By Source and Hazel

Sep 17, 2012 - 11:29:50 PM

IT IS IN SESSION

Source and Hazel, Sept 16, 2012

Hazel:

Father, not my will but THINE will be done. I live to serve YOUR will in the totality of spirit and truth. I come to YOU not with an expectation but for an explanation.

I serve the real truth and knowledge. I seek only the highest truth being YOURS and relinquish any hold on the vagaries of the lower mind. I cannot function without YOUR truth. If I cannot receive in truth and know YOUR truth then I cannot serve YOUR will and life for me will be futile.

If I have not received in honesty then I ask for correction. If I have not heard the truth then I ask for correction. For it is YOUR presence in my soul that is my truth and I ask that as YOU are within me that YOU overcome me that all of me shall sing YOUR truth. I will stand by YOU and with YOU whatever YOUR will may be in this situation and I will serve until the last breath in this body is drawn but I cannot breathe without YOUR truth and I must have it. I cannot survive without it. I must have it. There is no right and wrong Father, there is only TRUTH. I have nothing to prove Father only TRUTH to share.

What will it take for me to receive the truth of all that I need to know to serve YOUR will? What vibration can I become to have YOUR truth and live in it and stand in it no matter what? Anything and everything standing in the way of this I un create delete, de-story across all time dimensions space and realities. Unite YOUR GOD mind with my mind and shine out my ego. I relinquish it in totality to the light of my spirit. Release your strength and truth into me that I may receive.

Creator of ALL That IS it is commanded that I receive the truth of this' for it is my intention to be of the highest service. Thank you. It is done It is done It is done. Speak to me please.

CREATOR: Blessed and beloved child of MINE- I AM present. Attend your ears to ME that you may hear ME in TRUTH for I shall not repeat this again. Know ye that I AM your God and Father and I will give to you the truth – for the longing and desire of your heart is immeasurable and you reaped the right to know the truth in all honesty.

Bear my words in closeness to your heart for you shall live in the remembrance of this for as long as you shall breathe. This is the moment of truth, when all will come into the knowing of MY presence. Tardiness is not of God but of man.

What you seek you already know for I have released the truth to you and even in your doubting you know. Patience do I have with you for you have proved your will to be MY OWN. Know ye that the time is here. Reflection is upon you. Turn back not now your thoughts to doubt, but to belief, for I can only give you in truth; I cannot believe for you. The master plan of the universe is at work now. It cannot be repealed. It is in session. You cannot measure progress in time but by occurrences and events.

You seek to know the intricacies, but if I were to tell you, you will not believe nor would you be able to comprehend, So WE give you the broad scene.

You can expect EXACTLY THAT WHICH HAS BEEN REVEALED. IT IS IN SESSION. Stand in your belief, dwell in it and remain with ME. You have come too far to lose that which I prize in you most- your faith. Yes I say your faith, for it is undying.

O beloved you have received in truth and you know the truth; do not bend. Stand straight and tall in that truth and do not conjure meaningless thoughts that betray the very truth I have given to thee. Let the course run and you shall then in the plainness of time see. It is in session.

Michael's word is my law. It will behove you to hear HIM. This is to be DONE. It is time for completion. Your world can not withstand anymore; the price of freedom is too great were it to be left to man to free himself. It is now or never.

Mark MY words IT IS IN SESSION. The process has begun. For those who will laugh and jeer, let them; for compassion is the Creator's way and so too must it be yours. You are in training for GOD HOOD. Let not the wills of others detract you. STAND IN YOUR KNOWING. The lifeblood in your world is draining quickly and the world of tomorrow must intervene. Take from that which you wish. IT IS IN SESSION.

Hazel- Can you give me specifics?

CREATOR:

I am not here to allay your curiosity but to abate your misery and quench your longing. You must learn to trust unequivocally. You have now asked myriad of times and you have received the answer. What do you wish ME to say? I cannot do your work for you. Go and learn to trust.

Hazel: Forgive me MY Father

CREATOR:

Calm your senses? I speak not only to you but to all;.
The process is in session. Disentangle the light of your awareness from the creeping doubts and then you will follow the process with ME.
I say to you again. It is DONE.

Go tell it on the mountain
Over the hills and everywhere
Go tell it on the mountain
That the FATHER'S WILL IS Done.

Out OF Love For You

By Rubens

Sep 18, 2012 - 6:45:38 AM

Out OF Love For You

For quite a while my dear brother/sister, you have asked many disparaging questions and made many unkind remarks in an attempt to diminish me and/or my words because, for some reasons unknown to you, I have become a thorn on your side that you feel needs to be removed. The following are a few of those insults in the form of questions and affirmations you have thrown in my face condescendingly over the years:

Who are you?

Why God would choose you to receive messages?

If that was God for real, why did those things not come to past?

Did you study for this anywhere?

Why not me?

Are you OK?

Are you crazy?

Why is it that the church knows nothing about that?

Do you think that you are that special?

You suffer from schizophrenia

You need to see a shrink

You can write science fiction to make a lot of money

You have a very fertile imagination...and so on so forth

I could give you a myriad of answers to your questions and affirmations but to put it simply, OUT OF LOVE for you my brother/sister, I took it upon me to inform you of impending events that you yourselves have caused to materialize so you could reverse the process and attenuate the blows that must come to you. I take your discouraging remarks with dignity because I do understand that you do not know what you are doing; you and those similar to you have no clue as to what and who you are so, as a loving brother/sister, I have come to this world to help you save yourselves

from the hell that YOU HAVE CREATED. Out of LOVE for you, I have agreed to take your scorns and teach you how to become loving, graceful children of God.

No matter how many times you call me crazy, I will continue to work with you, so that in the end, when all is said and done, I can happily cry with you when you suddenly realize how much of a fool you have been to those who wanted nothing else from you but an acceptance of their LOVE for you.

God works through and with me so that I can bring my sisters and brothers who have lost their way; I am here to help re-assemble the lost flock; I am here because I know there is no separation between me and you and your suffering does affect all of us, children of the Light, despite your ignorance.

OUT OF LOVE for you, I keep tending my hands to you to help you climb out of the precipice where you so selfishly and obstinately plunged head in through your self-deluded creations. No matter what, I will love you despite yourself because I am your brother/sister. It is the Will of Our Father that I bring assistance to those who need it the most and my dear brother/sister, you are among those in need.

Stop wasting your time telling me that I am crazy because I will continue to lend a hand to you until it is so completely clear that you are beyond reach and that all my efforts are of no use to you since you chose REMOVAL and/or UNCREATION.

I AM HERE OUT OF LOVE FOR YOU MY BROTHER/SISTER

3DD update

September 21, 2012

CM thru Candace

Beloveds, now is the time to draw close to me. We are "remodeling" the energy system of earth, to use simple terminology, I can't be more specific. Your sun continues to dim, in final preparation for the 3 days of darkness. Man is not listening, we do not now for sure if we will be on television, so these changes will alert all to what is going on, it cannot be ignored. The energy bursts will come forth every few hours, based on observation of effects. We will continue to dim the sun at regular intervals, with the gradual manifestation of the craft.

Everyone on the planet will feel something and people will intuitively know something is impending. As this intensifies, the fear and dread is going to increase in people not connected to creator and even some who are but don't know what is going on. Continue to stand ready to serve. We have give so very much teaching ow on this and it is the end of this particular path and this is the Judgment event of the Lord. These energy changes may cause some to leave the planet before the partial eclipse fully manifests, that is still on the to do list before the full eclipse.

Many of you who are sensitive will feel these changes, with perhaps heart rate changes, sweating, cold, vibrations, nausea, poor sleep, headaches. You must simply relax and let these energies flow and stay in service. WE have give much, and during this final situation, we expect much in return. Namaste, I AM THAT I AM, Michael of Nebadon.

Candace: People around you may become very touchy and perhaps frightened. I cannot give you advice on how to handle this, make it specific to those around you AS NECESSARY. I am also including Johan's recent piece on the Forum that was not yet time to post here. I was out shopping this morning for last minute food I was low on, and something was very odd at the store, everyone was a mess, apparently large numbers of people did not show up early to stock. A friend who shared my transportation home said she had arrived at her usual 6 am time, and the store was a complete disaster.

When I went to get in line, only one checker other than the check yourself out booths, and the lines were long, as all the check yourself out booths were also full, and the scanners were running terribly. All the time I scanned, it said put in bagging area and then would call the attendant

because it said I had not . I had. I took time to even start the scanning when I finally got a booth. A mans dog food broke all over, coupons were not reading, a general check out mess.

I was awakened twice by the incoming energies last night. The first was terribly intense and the 2nd less so. Another as I was getting back home, maybe that was the problem with the scanners. Who knows, but that was about the strangest checkout situation I have experienced. Glad to be home.

OK here's Johan's piece from earlier on September 18, 2012

A Time -Out before THE NOW-MOMENT

My Dearly Beloved Light Workers and Warriors, Star Seeds and Awakened Ones and Meditators in particular.

I sometimes feel like still calling you my Children, yet brothers and sisters and co-workers from all places also fits perfectly well since ALL of you are near and dear to my Heart. We shared many messages through different scribes and we talked about the finish line and the curtain is about to fall, about Glorious Times ahead, teachings and removals, stasis and serious earth changes necessary to cleanse and rebuild.

And then comes that NOW-MOMENT, THE MOMENT IN TIME THAT YOU ARE REALLY THERE. No more side roads or side tracks or diversions or distractions, but THE MANIFESTATION OF ALL WE TALKED ABOUT. Although CHANGE is the only constant there is, when THAT NOW-MOMENT has arrived, then there is no more need for talk, BUT FOR ACTION. That brings along a complete different dynamic.

I therefore wished to address you NOW, since our NOW-MOMENT is ARRIVING QUICKLY NOW ... and I want you to take some of your precious time out, a TIME - OUT, to sit in contemplation with your knowledge and your Higher Self to link you forward in time, when that NOW-MOMENT will knock on YOUR DOOR OF YOUR LIFE.

Many words might have been exchanged, but ACTION WILL ROLL with or without you. When that ' rollercoaster ' starts, there is no turning back and it will not be an omnibus, stopping at every possible station in between. When ACTION ROLLS, IT ROLLS ... So I want you to THINK WITH YOUR HIGHER SELF how that might feel for you, how that might change scenery for you, how

that might catapult you into unexpected directions, with landing pretty much YOUR OWN CHOICE OR CONCERN ... No doubt, We from Fleet and Crew are on standby already, and will help where needed, but at some situations, you might find yourself ON YOUR OWN, if not CONNECTED OR INSPIRED AT THAT MOMENT.

Therefore I come to ask you, like the many Guided Meditations we have undertaken together, TO TAKE THIS TASK OF CONTEMPLATION SERIOUS and see what advise or information you can share with those near and dear to you when the Lights are going out, as has started already. Not much earthly time left anymore before ACTION ROLLS, so I suggest your tomorrow mornings and upcoming (Wednesday) evenings meditation to be devoted to my simple but Loving Request. It will help you greatly, as Is My Wish for you. I will be seeing you soon now. "

Incoming Energy Waves

Nebadonia thru Rubens Sept 21, 2012

Hello Rubens; this is your sister Nebadonia, yes, the same one, consort of your brother CM. I am here to announce the arrival of waves of energy and the ensuing precipitation of series of events that must occur on your beloved planet Gaia. What such arrival does is to allow all elements to align themselves properly as if by divine hands so that the manifestation of the 3DD that you are so expecting on Earth can take place in the fashion that it ought to without creating havoc on your ground; that is not to say that there will not be any catastrophes occurring during and after such event but , there is sort of a cushioning of multiple blows (as conceived from your point of view) so that we do not provoke a lot more than needed in terms of geological events and their consequential departures of ones on the ground.

This is a much needed happening for it as has been forecast some time ago and it is a divine occurrence that must take place in order to create the atmosphere needed to have an adequate terrain that will see the beginning of a long process of entering into Light and Life. Yes, dear, as you will know it that is the aim of all that is to occur. I, Nebadonia, Creative Spirit of Nebadon am joyous at the prospect of that which will become soon your long awaited turn of events.

I am Nebadonia and greet all of you good bye in the hope that we shall see one another soon.
Adieu my children

Candace: several of our other telepaths have also received notice of serious change and have posted small notes on the forum.

Message 111, THE GLOBAL EXAMINATION ENDS

Seraphin through Rosie, 23rd September 2012

R: Dearest Seraphin: what do you have to tell me at this critical time where everything is intensifying on all levels? I feel a bell is ringing in a classroom, to signify the end of an examination ...

S: Yes, Dearest, it is like sitting in a classroom, doing your final exams, and the final bell has rung. The teacher is saying PLEASE PUT DOWN YOUR PENCILS. YOUR PAPERS WILL NOW BE COLLECTED. There has been much preparation by some of you – hard preparation, like chopping wood on a metaphysical level; sorting out the old, planting the new. You have been learning through experiences so appropriately put in front of you by your guides and angels. You have listened to inspiration or advice from your fellow travellers on this plane – your parents and friends, your teachers.

Some of you have even examined the teachings of the opposing “dark side” which has only reinforced your precipitation towards the truth. Some have continued learning when lessons were over, outside of the classroom, even when confronted by strong opposition or by overwhelmingly detrimental circumstances. You have continued learning and adapting your knowledge, ever more aligned with DIVINE TRUTH, despite everything going on around you, despite all distractions.

Some of you have not looked ahead towards the examination. It fell out of your focus. While it is necessary to relax and enjoy and appreciate, it is not your life purpose to languish and amuse yourselves with pointless or even harmful distractions. Nor is it your destiny to fall into lethargy, completing only those tasks which are absolutely necessary, responding only to outward pressures of force, doing the minimum instead of creating new exciting perspectives and engaging your boundless energy simultaneously. Your goal is not to play eternally, but to build and assist others on their journey, WHICH IS ALSO YOUR JOURNEY, AS YOU ARE ALL PART OF EACH OTHER.

So now, THE GLOBAL EXAMINATION FOR ENTRY INTO REALMS OF HIGHER LOVE VIBRATION AND POTENTIAL IS AT HAND.

Some of you are physically prepared. Your pencils are sharpened. Your watches are set. You are ready to give your all. Others have been so distracted - having forgotten the importance of this occasion - that they have forgotten essentials in their rush to get here on time. Yet others do not arrive, as they have long since lost the piece of paper which states WHERE AND WHEN THE EXAMINATION WILL TAKE PLACE. There are those who know the time, having heeded the 2000 year-old warning of ancient prophets, or the more recent warnings and announcements of more recent and even contemporary messengers. There are others who have received letters but never

opened them. For those ones, the sudden revelation that the GLOBAL EXAMINATION has taken place without their prior knowledge and without their conscious participation will lead to disbelief and shock.

Those who have learnt their lessons, driven by an ever-increasing and constant desire to deepen knowledge of themselves and the workings of the DIVINE in all our lives, on the path to harmony and peace, will pass the examination with flying colours. Such is their disposition that they will qualify to take on new positions of responsibility in the NEW EARTH which follows on from the GLOBAL EXAMINATION.

Those whose learning capacity is slower will enter other schools where the pace of teaching is also slower. The lessons will be repeated, in the hope of better assimilation this time around. For some, this may be the third or fourth time around, or more. And there are even those who opt out of LIFE SCHOOL permanently, or whose task here is complete.

Whatever happens in the near future, Beloved Children, know that you are all – whether you stay here or not – loved by our DIVINE CREATOR. He/She wishes nothing more than the most suitable environment for your future learning – somewhere where you feel AT HOME and progress IN WONDER at the workings of the DIVINE MIND WE ALL BELONG TO, AND WHICH IS THE SUM OF ALL PARTS.

In this sense, those who are gone ARE NOT GONE. THOSE WHO SEEMINGLY DEPART HAVE NOT DEPARTED. While this may have the semblance of a GREAT IRREVOCABLE SEPARATION, it is MERELY EXPLORATION OF ALTERNATIVE ROUTES TO THE SAME DESTINATION. We ask you all for your courage and compassion towards your sisters and brethren in the days ahead. Love Seraphin.

The Changing and Correcting Time is Upon You

By Siraya thru Johan

Sep 24, 2012 - 11:30:09 PM

I AM Siraya,

Representative of Creator Source To Orvonton.

It is my honour and pleasure to bring greetings from the Almighty One I represent and announce that you on Earth are now entering upon the intensifying events, ushering in the 3 Dark Days and all else following, that you have been foretold. As decided by many, it is time for your Mother Earth to turn the corner and start her recovering road to Ascension, to Light and Live.

You received the updates, the info about the incoming energies that are INTENSE and serve to cleanse, to distinguish what and who can join this planet on her path to Galactic Union as Is her Birthright, and what or who is not ready to do so at all.

Also your elements will INTENSIFY, all life forms will intensify without exception. That means, after many warnings and advise to take care of yourself in optimum way, you surely have to be reasonable and kind to your own body that will tell you it is under serious influence of those energies. Listen to your body and communicate with it, it is no stranger to you. Your Lower Self and your Higher Self are connected and while you walk your Mother Earth, learn to balance the two since Unity and Balance and Harmony are most important for you and all now.

Your Sovereign, Christ Michael of Neadon will now see come into fruition the results of his Unique approach in an Epic Battle that will position those who stood with Him for future progression, the like you have not seen. All have been given the same chances, Few have accepted, and although some are to change their minds due to this Intensifying Display of Divine Energies and Events you entered upon, they will be given opportunity to prove they mean their change of heart and will equally land where they deserve, so will you.

Your road to Divine Service is just opening up, after many blockades and diversions of those who thought they controled the way. They did not understand YOU ARE THE WAY, THE TRUTH AND THE ETERNAL LIVE, if Connected with the Divine. It was a very important advise that sounded : " Seek yeah first the Kingdom of Heaven, and all those things needed for your Eternal Survival shall be added unto you. " , and NOW THAT THE CLEANSING IS UPON YOU, it will become crystal clear what the difference will bring or result into.

Many tears will flow, some of sorrow and some of joy. For those whose hearts will rejoice a time of prosperity in Love and Compagnionship and Knowledge and Divine Union is starting. It will take work and joint efforts, but the heart will never ache again, like you suffered the oppression of darkness too long. That is mainly the work of Your Sovereign who Skillfully and Masterly out-manoeuvered the adversery by never giving up and giving in to their relentless barrages of attacks and dirty tricks, Yet still showing Divine Mercy at all time. For eons of time to come, will this Epic Battle that started with rebellion but was ended by Your Creator Son Christ Michael, be the topic of many discussions as few had the vision and courage He displayed so wonderfully well.

Time is of great concern to you, since ' time is money and money is god ' in your society, but time means nothing where not having things done as fast as possible but as Good and Perfect as Possible and toward the benefit and Highest Divine Purpose of ALL involved, is the standard. That is the vista you are entering upon, and remembering THIS EXPERIENCE YOU ARE PART OF NOW, will give you much headway in your own Creations one day.

Rejoice, Rejoice my Beloveds, for this Changing and Correcting time IS UPON YOU.

Greeting You Warmly and Sincerely, I AM SIRAYA, In Divine Service to Creator Source.

Love and Light,
Johan

Message 112: VOCATIONS AND BUILDING THE COLLECTIVE FUTURE

By Rosie

Sep 30, 2012 - 8:26:17 AM

Message 112: VOCATIONS AND BUILDING THE COLLECTIVE FUTURE

Seraphin through Rosie, 30th September 2012

Dear Children of Light who seek comfort in the dark hours:

It seems to you that everyone is looking downwards (away from the light on the horizon), turning their attention to peccadillos, to fleeting physical pleasures, to debates on petty issues, to keeping up with "news", to gazing at celebrities, to reading the papers in moments of peace. There may be those who pause for a moment of reflection, but this does not penetrate to the shadows, for they are subconsciously afraid of what they might find lurking there. When all is said and done, the small hiatus of calm and contemplation has brought little new insight, just a short period of non-action and rest which bolsters up the strength to continue the "normal" routine, with your focus on

the next break.

This is what you call a “holiday”. But let it be known that all days are HOLY. They are not separated – as by the mortal mind - into work and leisure, as employers and providers of entertainment would have you believe. We are talking here about VOCATION AND CALLING: feeling a strong and irresistible desire to go in a certain direction and GIVE YOUR ALL, following the divine thread of intuition, utilizing all your imagination and creativity, evolving deep levels of dedication, and in constant desire to develop and improve and learn. The high level of expertise you therefore achieve and the RADIANCE which emanates from you continuously will then ATTRACT OTHERS WITH SIMILAR ASPIRATIONS AND THUS YOU TURN AUTOMATICALLY INTO A TEACHER.

This transference of energy, enthusiasm and shared interests and co-creation can be one of the most satisfying experiences on this earth plane. It is visible proof. It manifests results. And so we ask you in these times of complacency, lethargy, compromise and disinterest: WHAT IS YOUR REAL VOCATION? WHAT OR WHO INSPIRES YOU SO MUCH THAT YOU WOULD DROP EVERYTHING (AND BELIEVE ME THERE IS MUCH WHICH YOU WILL HAVE TO DROP) TO FOLLOW THAT PATH. SEARCH DEEPLY INSIDE YOU AND CONSIDER WHAT IT IS THAT YOU REALLY WANT TO DO. SOMETHING WHICH IS HIGHLY RELEVANT TO THE DEVELOPMENT OR BEAUTIFICATION OR HEALTH OR INCREASE IN QUALITY FOR THE PEOPLE LEFT ON YOUR EARTH. HOW CAN YOU BE A HERO FOR THEM? HOW CAN YOU UPLIFT AND INSPIRE THEM?

Do not look around sadly for ways to cheer yourselves up in situations you are caught up in, but ask HOW YOU CAN CONTRIBUTE. LEAVE NO STONE UNTURNED IN YOUR CONSIDERATIONS. AIM FOR PERFECTION IN ALL THINGS. In this way, we encourage you to look forward with hopeful anticipation and with plans in mind to BUILD YOUR COLLECTIVE FUTURE. We love you, Seraphin.

Clarification of Energy process.

By CM thru Adam

Adam: Is there a message?

CM Aton: Yes. Good evening, Adam.

Light workers are clamoring for an "update." I am here to tell you that the new phase of The Project, as you think of it, is already underway. There is a lack of understanding about what is happening and that is regrettable.

The energy bombarding your world has changed permanently and that is an important step. This energy will clear the way for important and dramatic changes that must occur. There will soon be a tipping point that will allow physical manifestations that will be recognizable and unmistakable.

This process has begun. We are not waiting for concessions or any sort of actions from the dark ones. We are moving over them. They have ceased to matter.

Let it be known that we are in the beginning of The Harvest phase right now. The true natures of all people will be revealed to themselves and to Us and The Sorting will begin. Each will know instinctively his or her place and path and will move in that direction without fail. It cannot be otherwise.

Some of you have begun to notice the beginnings of this. Continue to watch and clarity will follow.

That is all for now.

Let my Son Christ Michael now call forth the hour for all to see and know

By Papa Source thru Johan

Oct 9, 2012

My Dearly Beloved Children of the Light,

I AM Papa Source as you like to call me.

It pleases me greatly to address you so close to the unification of your Beloved Planet whom you and My Creator Son Michael of Nebadon call Mother Earth, to the rest of the Galaxy. What was not possible before, much to our regret, is changing as we speak. Powerful lessons have been learned by THOSE WHO KNOW and a basis for much stronger and efficient leadership in the cycles ahead have been accomplished. In perfect cooperation and union with Me, Your Sovereign has taken his daring plan and allowed it to unfold against all odds.

If He has taught you anything, it is not to look at the odds, but to stay the course in rock solid knowledge and trust that Light will never be overcome due to its Essence, being the Building Stones of Everything. Appearances otherwise are but that, illusions and appearances and My Creator Son Christ Michael of Nebadon understood that perfectly well, and never waived nor stepped back.

The results already show, even though you are still " waiting " , I have no idea why, as Life must be LIVED and LIVING through the Supreme Intelligent Power is experiencing everything to the fullest, in alignment with THE WAY, THE TRUTH AND THE ETERNAL LIFE, remember ?

Be overjoyed you who are reading this text, what means you are in the knowing and on the path up and onwards, unless you are only reading to find holes in what I say and use it to your own advantage. To you I say : To no avail, My Child, have you tried all this time. To you I say again : To no avail, My Child, will you succeed ever again in finding fault in what is the Way, The Truth and Eternal Life.

So why keep running uphill, and fighting against My Creator Son when you already know, YOU ARE GOING NOWHERE, EXCEPT WHERE HE ALLOWS YOU TO GO. The dice have been rolled in vain, since Light does not work by chance. We gamble not, My Child. We Create and allow to Co-Create those who choose freely to work with Us, as they look forward and keep in mind it is not just about themselves, but about the Well Being of others, what keeps everything going and growing. Not the selfish way you walked.

Elas, WE CARRY ON, WE SAIL INTO THE SUNSET, AND SETTING THE SUN SHALL DO IN A MOST PECULIAR WAY, so that ALL can see and know, not your path but OUR WAY IT WILL BE.

Many messengers have explained, time after time, what plans are unfolding, what decisions have been made, what our Love and Light is doing to make work again, what you prevented by all means, but no means strong enough to change what is ETERNAL AND INFINITE.

These I would like to be the very last of my thoughts before all TRANSFORMS and turns for the Better, for the Light, for the Love, for the Truth, for the many New Universes that are awaiting to be CO-CREATED AND LIVED AND ENJOYED :

I LOVE YOU ALL, SO DOES MY SON CHRIST MICHAEL OF NEBADON THROUGH ME AND THROUGH YOU, COME REST AT MY BOSOM WHEN YOU MAKE YOUR WAY UP AND ONWARDS. I CARE TO SEE YOU FROM HENCE YOU WENT FORTH, AS I WELCOME YOU BACK HOME. NOTHING PLEASES ME MORE. THE HOUR HAS PASSED, SO YOU ARE ON BORROWED TIME. NEVER TOO LATE, BUT WHAT MUST BE, MUST BE NOW AND ON THE EVE OF HIS SECOND COMING BEWARE AND BE SURE WHERE YOU STAND. THERE IS NO ESCAPE, NO PLACE TO HIDE NOR RUN FOR THE HEAVENLY REALM KNOWS ALL INSIDE OUT AS WE ARE ALL INSIDE OUT, BUT THROUGH LOVE AND LIGHT AND TRUTH.

Let my Son Christ Michael now call forth the hour for all to see and know. May you find Many

Blessings on your journey in accordance with what you rightfully deserve as We Love you Above and Beyond. So Be It.

Papa Source, I AM.

Love and Light,
Johan

Message 113: THE BIRTH OF THE DIAMOND

By Rosie

Oct 7, 2012 - 11:27:12 PM

Message 113: THE BIRTH OF THE DIAMOND

Seraphin through Rosie, 7th October 2012

R: Dear Seraphin: in the course of a recent discussion I suggested the following: "It looks like we might be the diamond cutters, having been given a stone of very high quality (our divine selves and our divine potential), and that it lies in our own hands how we approach BRINGING OUT (i.e. polishing) the best in ourselves in order to SHINE and SERVE, and that this is not something to be accomplished overnight (quick sporadic unconsidered polishing) but something accomplished after much consideration and dedicated work due to the wish to travel towards perfection". I feel that you have something to add to this

S: Yes. In the beginning, the diamond is not a diamond. It is a substance crushed inside the CORE of the earth. It is dense, it is immensely hard and pure, just as YOU have your source in the very CORE OF THE CREATOR, just as the diamond born to the outside world is born from the core of the earth. There is no room for manoeuvre or change when the material is in the earth. It is solidly packed. It is part of other rock, surrounded on all sides, totally enclosed, part of ALL WHICH SURROUNDS IT.

When the material is loosened BY HUMAN HAND AND THROUGH HUMAN CHOICE, it first

appears to be rough, unhewn, opaque. You ask ourselves questions like WHAT IS THIS? Could this be material for MY CREATIONS? What can I do to penetrate beyond the exterior?

Those who have never seen a diamond before (who have never seen or experienced themselves before) and who are young souls in the early stages of their spiritual journey) may play with the diamond, as if it is a ball. They may lose it through carelessness, or because they are momentarily distracted by another toy.

Some, who are very well aware of the diamond's worth, will sell it immediately for cash, selling their soul also.

Yet others will assign artists or jewellers to cutting or setting the diamond in ostentatious bracelets to wear and thus prove their own worth in the eyes of others.

Some will sit with the diamond, contemplate it, wonder at it in its original state, and they will know from hearsay that diamonds are supposed to SHINE. But this one does not. So they ask themselves WHAT CAN I DO TO BRING OUT THE BEST IN THIS DIAMOND AND – AS I AM PART OF EVERYTHING – IN MYSELF. Understanding the true nature of the diamond (and oneself) and its origins and qualities and potential is imperative for causing it to shine. It must be regarded very carefully. One must scrutinise it for flaws, WHICH MUST BE CAREFULLY REMOVED so as not to destroy the whole. The best form or shape must be decided upon, and when all PRELIMINARY PROCEDURES ARE COMPLETED (WHEN AWARENESS IN ALL AREAS OF THE HEART AND MIND HAVE BEEN ACTIVATED) ONLY THEN CAN THE POLISHING BEGIN. This is the final process, the final veneer, the move towards COMPLETE TRANSPARENCY.

When this has been accomplished, the diamond/soul will SHINE TO THE BEST OF ITS ABILITY AND SERVE AS INSPIRATION. THIS IS THE JOURNEY FROM DARKNESS – FROM THE WOMB OF THE EARTH TO THE LIGHT OF BIRTH.

Message 114: THE CALL OF THE UNSEEN GUIDES

By Rosie

Oct 14, 2012 - 9:43:30 PM

Message 114: THE CALL OF THE UNSEEN GUIDES
Seraphin through Rosie, 14th October 2012

Dear Children of Light who are trying to unravel the cosmic mysteries:

We, of the spiritual hierarchy who exist beyond your present range of comprehension and perspective and who remain ALL BUT A MYSTERY to most of those residing in your physical dimension, are in great praise of those who show determination to enter a sphere which others may condemn as “illusion” or “ridiculous” or “illogical” or “insane”.

But in fact all these are expressions which show their fear and hence their VERY GREAT EMOTIONAL AND MENTAL DISTANCE FROM REALMS WHICH DESIRE THE EXACT OPPOSITE OF DISTANCE. WE DESIRE YOUR CLOSEST PROXIMITY. In fact, proximity is not enough. What we wish is to be ONE with you: INSIDE and AROUND you, and PERMEATING YOU WITH OUR PRESENCE AND INSPIRATION AND LOVE.

For anyone who finds themselves in a difficult or painful or desperate situation, we say CALL ON US, for we are guides to the GLORIOUS UNKNOWN and the FANTASTIC UNSEEN. We can show you truths which will astound you, which will blast you on a wave of ecstasy into the future, who will help you realise your potential, who will show you how much more there is to this incarnation than the purely physical plane of existence, who will transform your lives into an endless path of adventure.

CALL ON US when you are uncertain, afraid, or not able to move forward in the direction you envisage. For it may well be that what you envisage is LIMITING YOURSELF. Let us be your guide, your light towards a greatly increased version of yourself which SURPASSES ALL LIMITATIONS.

If you thirst for more, we can point you in the direction which will quench your thirst, and we can present you also with situations which stop the flow, so that you thirst again. Thus we propel your forward momentum, as unseen but helpful guides, following your steps and providing your stepping stones, offering new directions and blocking those which take you to a DEAD END.

On planet earth, there have been so many DEAD ENDS during this last phase. Our work has been greatly burdened and progress has been very limited in some cases. This fills us with great regret, for it means that many have not fulfilled their destiny to enlighten others, as stated in their soul contract for this incarnation.

We understand that this period has been a very turgid one in which journeys on an emotional and spiritual level have been hampered, encountering many delays, whereas physical journeys have been – for some – on the increase. The great spiritual DIRT on this planet astounds us. Some of us have never had such a difficult task, or encountered such opposition. It has been a truly unique experience and one which will be used to teach in the next planetary epoch, and in other parts of the cosmos, once this experiment has drawn to its final close.

So, to those who apply themselves diligently to unravelling the mysteries, we congratulate you for following your course, and it has been our honour and pleasure to be of assistance. To those whose curiosity or awareness has not encouraged them to look beyond the superficial veneer of life on earth, who do not perceive the exploitation of others, who do not feel compassion for others, who put all their efforts into accumulation of wealth on the physical plane, we say to you: YOU HAVE LOST OUT ON HALF YOUR LIFE. THERE IS SO MUCH MORE STILL TO BE DISCOVERED. YOUR CHANCES ARE ALWAYS PRESENT, WAITING FOR YOU TO TAKE

THE PLUNGE, IRRESPECTIVE OF WHAT OTHERS MAY MAKE OF YOUR DECISIONS, IRRESPECTIVE OF WHETHER THEY CRITICISE, APPLAUD OR FOLLOW. FOR THIS IS YOUR JOURNEY AND NOBODY ELSE'S JOURNEY. RECOGNISE YOURSELF AS A UNIQUE AND PRECIOUS INDIVIDUAL INDWELT WITH A SPARK OF DIVINITY. HOLD THIS VIEW OF YOURSELF CLOSE TO YOUR HEART IN EVERY SECOND OF THE DAY AND NIGHT, FOR THIS IS YOUR BIRTHRIGHT, YOUR ELIXIR, YOUR ENTRANCE TICKET TO THE SOLVING OF ALL MYSTERIES ON EARTH AND BEYOND.

We are at your service and we are on call. Seraphin.

Mama Maria Speaks to T.....

By Mama Maria thru T

Oct 18, 2012 - 8:40:41 PM

Hi folks,

I know its been a while since I last posted anything anywhere, especially any meditation reports. There is a good reason for that; the need for me to work out some very heavily unresolved emotional issues from my past -

As my guide Laoshi put it: "You cant seriously expect to convince anyone to have a bath when you yourself stink like a Tibetan yak, can you?!"

He has a lovely way with words, my Laoshi does.....Good point he's got there! Anyway, all is a lot better now, and so Im back.

I had asked Mama Maria a couple of weeks ago, due to one of my many pangs of impatience, about the 3DD. She had told me this:

"Do not ask IF its going to happen. Ask what YOU will do WHEN it happens. Are YOU ready for it? If you say you are, then you certainly are NOT. Ask yourself: when you are about to sit for an exam, can you truly say that you are perfectly ready for it? No. One can only keep on maintaining

the process of readiness as much as possible until the event occurs.

Realise this. The event is occurring as we speak; and when it does happen, even the most knowledgeable of the so-called "Lightworkers" will not know how to act IF they have not worked out their spiritual and other issues from this present lifetime. Many people will have to assess if they have been just idling time away waiting for events to occur - yes, one MAY look at this as an indirect form of service to self - or if they have been helping others in some manner to alleviate suffering and pain; being of service to others in some way or form. You will see when the time comes, that quite a few of the former will have to face a judgement of their own making - of their errant thoughts and actions, against themselves, by themselves - and they will also have to account for having misled many who should have been rightly guided by them."

At that time, when I asked if I should put this on the site, she told me not to do this. She said that this was because those who were going to listen were already hooked up to their Higher selves and were busy preparing themselves by assisting those who came their way in whatever capacity was needed of them. Others, who were not going to listen, would not bother with the material anyway, and carry on doing as they have been doing. These would be awakened by their own Higher Selves, guides and angelic guardians when the time was right.

I am assured by her today that it is the right time to put that message up. So, I am including it here.

OK. This morning, I was just finishing my meditation as per CM's latest directive, when Mama Maria came to speak to me. When we had finished talking - and most of it was either personal stuff or that to do with my spiritual path - I told her my intention of resuming my postings on the AH forum website. I asked her if there was anything wanted me to put there. She affirmed that there was. Please - like I usually say - use your spiritual discernment. Take what resonates, leave what does not. Anyway, this is what was said to me:

"My dearest children, I have warned many on this planet, for many years, about this time of darkness. Yet, many have refused to listen. Some have listened, but not heard. Only a very handful have truly believed. Now, I say to you: Be aware, now. Be vigilant, now. Now is the time to assume responsibility; to be an anchor for the passengers on a ship in the middle of this awaited maelstrom. The storm will be felt to be terrible, even though it will rage on in both darkness and light; for the predicted three days and longer. In this darkness, it will seem as if there is no horizon on which to fix one's gaze.

In this darkness, too, one will not be able to make out who is friend nor who is foe, who is family and who is stranger. For many, it will be a testing "night of the Soul"; a time when they are being forced to evaluate the validity of all that they have held dear for such a long time. It has already started, my children. This is why all around you many are unable to function as they once used to and are acting irrationally and totally "out of character". I say to you all: Look inwards. Look deeply. Be at one with your I AM. Attune to He who you call Christ Michael, the One who is as your Father. You will be guided at this time by Him, by your spiritual guides and your guardians.

Less words. More action. That is what is needed. That is what is been commanded by the Father Creator, the Source of All. That is what is being done by your beloved Christ Michael.

So, my dearest children, lift your spirits. Let happiness shine out of your souls in this coming darkness. Be the beacon of Divine Light that you are. Let your smiles decorate the unveiling of the "New" Earth with Divine Love and Light! We will all meet again, aboard our vehicle, which you should know quite well by now - even if you do not consciously remember it. My Love will remain with you all no matter where you decide to go after this event is through."

Well, as for the meditation report: I received no visuals. Just a sense of unbounded happiness, overwhelming love and joy emanating from Mama Gaia. Apart from this, there is currently nothing more to report.

See you all soon.

Love and Light,

T

Candace: Beloveds, just to update a bit, those watching the sun should be noticing something. Some of us here have friends noticing the sun but with no clue as to why its not so bright. I can now gaze it for a short time at high noon without any pain or eye protection, its dulled that much but I still don't want to gaze for a long period. Takes about only 5 seconds for me to discern the disk (not the craft) now. We have completely clear sky above right now, no chemtrails, no haze, and its NOT as bright and sunny as it should be, the feel is sort of like the sun being behind thin clouds. It is as I post this, 1 hour or less from solar noon.

WE

were going to say

please

but now ask you to remember what

YOU

mean

when

YOU

say

'please'

and saying that WE strongly suggest....

doesn't seem to matter to you

so

let US put this

in more colloquial terms.....

SIGN THE FUCKING PAPERS!!!!

IT'S NOT LIKE WE'RE TELLING YOU TO SIGN IN BLOOD

THOUGH YOU SEEM TO BE USED TO THAT

AND ACTUALLY LIKE DOING IT

WHEN IT COMES TO

OTHER THINGS

SO

SIGN

NOW

IF YOU DO NOT SIGN

WE WILL BLOODLESSLY TAKE YOU

AND DEAL WITH YOU THAT MUCH SOONER

AND HARSHER

WE MIGHT ADD

AND FIND SOMEONE WHO WILL SIGN

AND IF NONE OF YOU ASSHOLES ARE WILLING

BE ADVISED

WE REALLY DON'T NEED YOU TO SIGN ANYTHING

TO GET THE JOB DONE

AND WOULD ACTUALLY LIKE

TO SKIP THIS PART

AND GET RIGHT TO IT.....

THIS WAS FOR YOUR SAKE

NOT OURS
IF YOU CANNOT APPRECIATE THAT
THEN GET OUT OF THE WAY
OF YOUR OWN FREEWILL AND ACCORD
OR LOSE BOTH
AND BE REMOVED FROM THE PICTURE AND PLAY
OR THE BOARD
OR THE ROOM
OR THE PLANET
OR THE UNIVERSE
WE WILL STAY ON OUR SCHEDULE
NO MATTER WHAT YOU DO
OR HOW YOU TRY TO STALL
WITH THIS ENDLESS BALLYHOO
OF WORDS IN CONJECTURE
AND CROCODILE TEARS.....

you do understand

don't you

that it is no longer up to you anymore

even in perception

the choice is no longer yours to make

only the act to do

which is for your benefit....

in the words of our friend.....

YOU HAVE UNTIL YESTERDAY TO COMPLY.

Everyone is welcome to join the Sunday Global Meditation at 21:00 UTC.

Global 21 Utc meditation Oct 21, 2012

By CM and Johan

Oct 21, 2012 - 1:31:35 PM

When I Connected with CMAton earlier to know His Will/Guidance upon our Sunday / Weekend AH Global Group Meditation, Sunday October 21th, 2012, 21:00 UTC, He asked me, in the Light of what is happening and shortly expected, to go with this latest directive :

He confirmed that the previous directives (Mother Earth, People in danger zones, People staying with Gaia after the 3 DD's) ALWAYS HAVE A PLACE AND OUR HIGHER SELVES WILL GUIDE US AND BRING US BACK TO THEM IF NEED BE, FOR OUR PERSONAL ATTENTION AND FOCUS.

HOWEVER : HE STATED, AND I QUOTE :

" Since we are working our way straight unto the 3 DD's now, with lots of extra work accomplished, it might be good to focus on something else unavoidable. The very moment the darkness will be unavoidable and impossible to ignore, people should normally know this is not man's work, and at least bring the souled ones to THINK : " What on earth is going on " In that moment, or those many moments, their THINKING brings them in contact with MY MIND, and with MY SPIRIT OF TRUTH, and as much as you receive higher clarity and answers now, so will they get easier access to SOME DIVINITY OR HIGHER POWER, in no matter what tradition they have been raised.

A good Light Service through your MEDITATING GROUP, would be TO SEND YOUR LOVING ATTENTION, YOUR LIGHT AND LOVE AND BLESSINGS TO THOSE WHO DO THINK AND CONNECT AND MAY HEAR OR FIND OR DISCOVER SOME ANSWER - EXPLANATION WITHIN, NO MATTER IF THEY PRACTICED IT BEFORE OR NOT. WITH YOUR UNITED PURE

INTENTION, THAT FIRST ENLIGHTENMENT MIGHT BRING THEM PEACE AND CALM AND EVEN THE STRENGTH AND COURAGE TO CALM OTHERS IN THE PROCESS. "

VOILA, My Dear Meditating Family, ONE TEAM - ONE SPECIAL FAMILY, as you know by now ...

Love and Light,
Johan

I AM THAT I AM and so are YOU

LOVE does conquer all!

Christ is not a Name, it is a state of being!

"Take thou man's death away from him in this new day of man. Give him eternal Life in Me by knowing Me in him."

It might clarify God's meaning in His Word if the above were paraphrased as follows: "Take thou man's ignorance and fear of death away from him and give him knowledge of eternal life in him. Make him to know that he lives in Me and never dies, for I am he. In Me there is no death."
