Re: NIP's personal political news CRAP thread.

I just listened to some dork announce on CNN that we went into AFghanistan to get bin Ladin and we got him!

OK we destroyed a whole country and its people to do that? And then of course we have the LIE that they got him in PAKISTAN all these years later.

And awhile back Newt said we would build a base on the MOON and it would be an American base. Well we shall have to see what the residents of the moon have to say about that one. We are not very welcome there. They took out that silly thing we sent there a couple years or so ago to prove there is "water" on it. Well there is water, there are in fact man made lakes and trees on the surface of the moon and enough air that we only need a little more from an oxygen tank to breathe on the surface. The folks living under the surface all the oxygen and water and plants they need.

feel free to post any other stupid statement uttered on CNN et all here. Not really a discussion thread, its that I have longed though I should write down some of this shit, so here's the place.

and now Obama is talking about his christian path he walks, really?

*The most important teaching of Jesus left out of your bible:
His Father is also YOUR Father, thus you are a Son of God. Your Father is WITHIN YOU.
The worse teaching is "hell" Here is the correct version: "Hell" is prison wards like this planet and times up for the prisoners. Truly here is what HELLFIRE is supposed to mean, which shows the corruption by the "devils" occupying this world. **HavingEverLastingLife**
FieryIntelligenceReasonatingForever. HELL FIRE dear ones is eternal life in glory, not dungeons. Remember, your devils will always LIE. And give you **beliefs** that are not so. Beliefs are not facts. However, do seriously work in that **FIERY Intelligence**, for being fools will not serve you or God very well. Well, have you seen Osama since his "death"?

A: Guns have only two enemies rust and politicians.

B: Its always better to be judged by 12 than carried by 6.

C: Cops carry guns to protect themselves, not you.

D: Never let someone or something that threatens you get inside arms length.

E: Never say "Ive got a gun." If you need to use deadly force, the first sound they hear should be the safety clicking off.

F: The average response time of a 911 call is 23 minutes, the response time of a .357 is 1400 feet per second.

G: The most important rule in a gunfight is: Always win - cheat if necessary.

H: Make your attacker advance through a wall of bullets . . . You may get killed with your own gun, but he'll have to beat you to death with it, cause it'll be empty.

I: If you're in a gun fight:

1/ If you're not shooting, you should be loading.

2/ If you're not loading, you should be movin,

3/ If you're not movin', you're dead.

J: In a life and death situation, do something . . . It may be wrong, but do something!

K: If you carry a gun, people call you paranoid. Nonsense! If you have a gun, what do you have to

be paranoid about?

L: You can say 'stop' or 'alto' or any other word, but a large bore muzzle pointed at someone's head is pretty much a universal language.

M: You cannot save the planet, but you may be able to save yourself and your family.

Oh boy sometime this spring the Israelis will attack Iran this spring says Panetta. Before Iran can protect themselves. Oh holy shit, so watch the game, no wonder the Obami must look like a good christian. for christian support of genocide, will it happen again, I suspect so, for our christians continue to support genocide . We are after all still committing such all over the middle east. Syria is big today, for, well I didn't get that story written yet, I wasn't close to here, and can't fully remember, but it will come. oh it premature for the poor ole US of A to attack yet. Premature for what? for april may or june for the Israel attack.

Oh now I remember a small tidbit on Syria, they were discussing that our point there must not be oil, they don't have any. Well they do have land that the Khazar Zionists want to complete what is see is the real "Israel" of olden times, but these ones were never from there is the first place, they started in MONGOLIA which is long way from this little area of today and of 2000 years ago. But Syria must have something more they want too.

This is a series of posts I archived recently in one of my threads.

[\[link to www.gilad.co.uk\]](http://www.gilad.co.uk) Christians who support Israel, read and weep. I own a copy of this film and it's pretty good. You were hoodwinked by this man, Scofield. get your history right and you won't be such stooges for "Israel."

Quoting: **Nobody in Particular**

This is a post I just made in this thread: [Thread: OMG!! Horrifying video of what a nuclear attack on Israel may look like \(Page 6\)](#)

Quoting: ***Gaia***

So now you know what its like to live in Palestine.

Personally I have no feelings for Israel if this is what becomes of them. They have NEVER tried to co-exist in the middle east, so what goes around comes around.

Quoting: **Anonymous Coward 8539444**

They will never "try" that. Their goal is to occupy a large area of the middle east . I was given the borders they want and then later I came across a map that matched pretty well, but I lost the linky on a murdered computer.

well, Just did a google search, this image is close but not complete. [[link to www.google.com](http://www.google.com)]

the line across saudi arabia starts with kuwait included and it also includes cyprus and a chunk of turkey, from north of cyprus going up thru Arapkir and Mount Dag then down to the headwaters of the tigris.

The western border within egypt is Alexandria, they want that too. now look back at the arab spring in Egypt last year, I think that was the area they want and part of the reason to expel the leader.

[[link to britam.org](http://britam.org)] Ok this map includes cyprus, but not alexandria and while it includes a lot of Turkey, what they want is less than that, and the eastern border does not go all the way to the Tigris. but the southern border is pretty right on. So watch your political scenes and review what you have seen as to the territorial conquests going on. Mind you, these borders date back to biblical days but those occupying "Israel" right now, were never ever from there. The khazars had their initial origins in MONGOLIA people, then they were forced west to western russia, eastern Europe etc. these were never the hebrews, semites, or judeans, EVER. The khazars adopted the belief system of the talmud, a very nasty book and set of beliefs, in 700+ AD and then created the name "jewish" for themselves in 1700+ AD and then they went and changed the bible so all of you Christian Zionists could be motivated to accept them as the people of thousand on years ago in the middle east. It has worked well, hasn't it?????? Now you better go study Scofield, and his bible, because he was the antichrist plant into christianity to get YOU to buy into the story as presented now.

read about him here, although there are better resource, but the truth is in the box on that page. [[link to www.jesus-is-savior.com](http://www.jesus-is-savior.com)]

Scofield was setting this up in the late 1880's on into the his death around 1920. You Christian Zionists have been screwed into supporting the Antichrist you keep expecting to return, and he has been already on this earth for a very long time, thru those from heaven who fell and the galactic thugs, 10 billion imprisoned on this world and continuously recycling here.

I don't know who it was, but CNN had a guy on with a rather direct statement to Syria, basically saying you will stand aside so we can have our way there. Perhaps all this Iran attack stuff is covering up what we are helping Israel do in Syria. Syria IS on the list of ancients lands to be supposedly "reclaimed" for Israel, but these one reclaiming ancient "israel" were never ever from their to be able to reclaim it , in the first place.

[\[link to britam.org\]](http://link.to.britam.org) scroll down to map. Very accurate, except a bit much of Turkey is on it, they just want the southwest corner, and they want the ground all the way to the Tigris. Now compare this to the war activities in the region, going back to the quest for the Sinai, and the recent efforts in Egypt again. OH, the want Alexandria in Egypt.

I have the desired borders traced as given to me by Michael of Nebadon a few years ago. This is currently the closest map I can find on the net. I had a closer one once, but I have lost the linky.

Quoting: **BRIEF**

None of them are propaganda free that I see. You have to often read between the lines. The propaganda coming up is that others not the US of A are involved in Syria, my above link justifies my opinion, I think anyway! We do not have a free press and while there are good alternatives on the net, often they too see thru the eyes of inexperience and some are out and out fraudulent.

Just read and ponder. The Khazars want syria. They are setting up a conflagration with Russia and China. Russia is more an angel than China, but China is being slowly taken over by the really old Asian ancestor race (here for over 1 million years now) and will hopefully do good, as that old knowledge and old souls make their return.

Cayce was right, Russia would come out of the Khazar doldrums, and regain her light and then some. This I know within too. I know some folks that are very good at what they do, and who have met Putin and find him a highly advanced old crafty soul that knows his shit and is setting things right, as best as possible. He is outthinking a lot of the world elite.

Tis a wondrous time though to grow the mind thru the observation of the games.

ponder what is on the news in a state of peace and quiet and the Father Within will help you out in the perception.

well the staged passing of destroyer war ships and an aircraft carrier thru Hormuz today, with reporters on board, and a terrible piece in my email from Stratfor which is not yet on Stratfor full of Al Cia Duh propaganda. Thus I cannot post a link yet to that one.

The coverage I watched on the Hormuz passing was on ABC evening news. I forgot to check CNN. They are dead set on setting up the propaganda for their war on Iran though. Why don't you Christians discuss this stuff on Sundays in your services, or maybe just before you sing your worship to the Lord? Or perhaps afterwards to bring you back down to REALITY.

You are saved by your own desire to have eternal life and grow in the ways of God and not any other way. God gives you a lot of time to acquire wisdom before you make your final decision and fuse/merge with the Father Fragment within your mind/soul. Jesus taught the reincarnation of the soul to grow in wisdom and grace. It was left out of your bible on purpose. Where is your WISDOM? Your GRACE? Your respect for LIFE? Not much present yet anyway on this world. Where is your love of LIFE? Missing, if it's OK to have the genocide going on in the Middle East.

Being written in the Book of LIFE means making the final decision to Serve the Will of the Father and Become LIKE him. The process of Fusion/merger with the Father Fragment makes you an actual Son of the Father, where by before then, over the ages of wisdom attainment you were a FAITH SON. The harvest of REAL SONS from this world is rather small, and most will be moving on to try again elsewhere. You are not ready to graduate to the higher ways. This graduation is EARNED.

well Stratfor finally has the piece I mentioned that came in my mail yesterday up. Great place to watch the propaganda.

[\[link to www.stratfor.com\]](http://www.stratfor.com)

One paragraph within the article:

Al Qaeda's long-term goal has been to oust Arab governments to facilitate the return of a transnational caliphate. Its tactics have involved mainly terrorism intended to cause U.S. intervention in the region. Al Qaeda has hoped such interventions would in turn incite popular uprisings that would bring down the Arab regimes, opening the way for the jihadists to eventually take power. But the jihadist network's efforts have failed and they have remained a marginal player in the Arab world. By addressing Syria, al Qaeda hopes to tap into the past year of Arab unrest, a movement in which it played little to no part.

no star gate there. It WAS the base the NWO intended to rule the world from during the earth changes though. Britain et all had been building hugely in colorado over that idea. Its no longer available to the for that purpose. There are not yet truly open star gates/portals on this world to other dimensions or other planets for that matter, our DNA is not where it could use them anyway. the rest of the local creations do not want man of earth yet to have gates or portals to their places. The magnetosphere is a fence, as well as the heliosphere, to energy travel at this time. This does not prevent others from coming, it prevents man from leaving. Lets say they exist, with one way

doors except to those who can travel them. The denver underground was built with carrots offered to accomplish that, because this area will survive the earth changes, but of course the winds of such are going to damage the surface structures a great deal.

These underground areas are to be used by Man and God in the coming times. Planet still has to be evacuated at this point however. They decided to get a lot of change over with quickly, and even the inner earth, including Nebadon's base under Nepal in the Himalayas, has been evacuated. These ones depend,, still on oxygen which is going to be in very short supply for a time.

ok on Santorum, or whatever the spelling is, he was not alienate the male voter over PORN control? Also some preacher on, related somehow to Santorum, said we do not worship allah, nor mohammed, nor buddha et all, we worship god and we worship his son Jesus. Jesus never requested worship, he said it went to the creation and the Father, NOT HIM. Even Michael of Nebadon, and he who has seen the Creator Son has seen the Father, does not demand this sort of worship.

Religion is your personal relation ship with the Father WITHIN your MINDS, and ones see that NOT yet at all. Most of the "god worship " in Christianity, is worship of the darkness actually. Jesus never created such a religion as this supposedly founded in his name. And this religion is probably more destructive to progress on this world than the ones listed by the cleric above. I have heard many who have spent time in the middle east or amongst muslims in Europe, say they are much closer to the ideas of cosmic man than Christians, who yet have no concept of the cosmic mind.

I was saddened by the brief bit I heard on CNN above, both the minister and the person talking about santorum and how he must not go after Porn, out of alienation of male porn lovers. How sick is that?

Re: NIP's personal political news thread.

CNN showed video today, and I did not take notes but I know I have seen that video in the distant past, being used over again. I just want to note it here, it was from syria or something, but this was OLD afghanistan video. some ones with good memory should watch for re used footage to create more dissent with.

You are saved by your own desire to have eternal life and grow in the ways of God and not any other way. God gives you a lot of time to acquire wisdom before you make your final decision and fuse/merge with the Father Fragment within your mind/soul. Jesus taught the reincarnation of the soul to grow in wisdom and grace. It was left out of your bible on purpose. Where is your WISDOM? Your GRACE? Your respect for LIFE? Not much present yet anyway on this world. Where is your love of LIFE? Missing, if its OK to have the genocide going on in the Middle East.

Being written in the Book of LIFE means making the final decision to Serve the Will of the Father and Become LIKE him. The process of Fusion/merger with the Father Fragment makes you an actual Son of the Father, where by before then, over the ages of wisdom attainment you were a FAITH SON. The harvest of REAL SONS from this world is rather small, and most will be moving on to try again elsewhere. You are not ready to graduate to the higher ways. This graduation is EARNED.

I am listening to this you tube posted on my website today. It was asked if this is a prelude to announcements, well if so, only for this country. However, 17 minutes so far, and its providing a nice education about freedom at any rate. I have no idea if there is any "power" in this and would not make a statement anyway to protect folks. I have a large list of to do's today, and will listen to it off and on when I need to sit down. Your opinions on it are welcome here after you watch it, but please don't watch it for 5 minutes and the provide an opiinion or send me red thumbs. I didn't make it. Thanks!

well on the sunday morning abc chat show, medicare, entitlements of all sorts cannot be "afforded" and must go, arithmetic says so. to much and not enough "money". On a world NOT USING "MONEY", all are then entitled and all contribute according to their abilities, there is no retirement, there is great health and well being, life is longer and fuller and everything worthy can be afforded, as its all shared. I am so tired of the bullshit on TV. When are Americans going to wake up. Friends I have around the world in the "better western" countries report people are not waking up either. You will never have full FREE WILL to grow as long as money is used on this planet. NEVER.

Forgive me NIP but hitting the big red abort button on humanity seems like an intellectually lazy answer to all this.

Why not force the truth to be broadcast at least for a short while so they have at least a chance to get with the program?

On CNN they just said Russia was our biggest geopolitical foe and Romney needed to be reminded the cold war ended 2 decades ago. What caused this statement I do not know, have seen no news for several days now. But we never were in a cold war with Russia, that was all a lie. Russia is however, extremely resistant to the NWO.

Since prior to the DNC 2004, the american public has not seen the real Obami, and I am not yet allowed to say who and what, the real Obami was, but he was never intended as a good guy by his controllers.

well this thread is for "telling stuff" or silly stuff. Here is a telling stuff, a guy named Robbins I think, on Piers show on CNN, talking about US and money and where he places it, as a person concerned with the US of A and then mentions spending money on WARS to PROTECT OUR OIL.

Well Some of us have always known that the wars are about removing people and cultures in the middle east who are living on top of 'OUR" oil. Wonder WHY they are so openly admitting it now.

How dare the natives of the Middle east sit on top of OUR OIL. Just amazing they are getting so frank about it.

OK we destroyed a whole country and its people to do that? And then of course we have the LIE that they got him in PAKISTAN all these years later.

And awhile back Newt said we would build a base on the MOON and it would be an American base. Well we shall have to see what the residents of the moon have to say about that one. We are not very welcome there. They took out that silly thing we sent there a couple years or so ago to prove there is "water" on it. Most people don't remember (how can we with all the stuff going on) but he PLAGIARIZED his thesis or whatever it is that he was required to do for his degree. It's out there somewhere. It came out when he was a Senator, and the reaction was basically "Hrumph hrumph, well, he was qualified for the degree, he just didn't have time to do his own work for submission" etc. A slap in the face for all of the REST of the Americans who did their own research and processing in order to earn their degrees!

[Report Abusive Post](#)

[Report Copyright Violation](#) **Re: NIP's personal political news thread.**

My Dearly Beloved Children of the Light,

I AM Papa Source as you like to call me.

It pleases me greatly to address you so close to the unification of your Beloved Planet whom you and My Creator Son Michael of Nebadon call Mother Earth, to the rest of the Galaxy. What was not possible before, much to our regret, is changing as we speak. Powerful lessons have been

learned by THOSE WHO KNOW and a basis for much stronger and efficient leadership in the cycles ahead have been accomplished. In perfect cooperation and union with Me, Your Sovereign has taken his daring plan and allowed it to unfold against all odds.

If He has taught you anything, it is not to look at the odds, but to stay the course in rock solid knowledge and trust that Light will never be overcome due to its Essence, being the Building Stones of Everything. Appearances otherwise are but that, illusions and appearances and My Creator Son Christ Michael of Nebadon understood that perfectly well, and never waived nor stepped back.

The results already show, even though you are still " waiting " , I have no idea why, as Life must be LIVED and LIVING through the Supreme Intelligent Power is experiencing everything to the fullest, in alignment with THE WAY, THE TRUTH AND THE ETERNAL LIFE, remember ?

Be overjoyed you who are reading this text, what means you are in the knowing and on the path up and onwards, unless you are only reading to find holes in what I say and use it to your own advantage. To you I say : To no avail, My Child, have you tried all this time. To you I say again : To no avail, My Child, will you succeed ever again in finding fault in what is the Way, The Truth and Eternal Life.

So why keep running uphill, and fighting against My Creator Son when you already know, YOU ARE GOING NOWHERE, EXCEPT WHERE HE ALLOWS YOU TO GO. The dice have been rolled in vain, since Light does not work by chance. We gamble not, My Child. We Create and allow to Co-Create those who choose freely to work with Us, as they look forward and keep in mind it is not just about themselves, but about the Well Being of others, what keeps everything going and growing. Not the selfish way you walked.

Elas, WE CARRY ON, WE SAIL INTO THE SUNSET, AND SETTING THE SUN SHALL DO IN A MOST PECULIAR WAY, so that ALL can see and know, not your path but OUR WAY IT WILL BE.

Many messengers have explained, time after time, what plans are unfolding, what decisions have been made, what our Love and Light is doing to make work again, what you prevented by all means, but no means strong enough to change what is ETERNAL AND INFINITE.

These I would like to be the very last of my thoughts before all TRANSFORMS and turns for the Better, for the Light, for the Love, for the Truth, for the many New Universes that are awaiting to be CO-CREATED AND LIVED AND ENJOYED :

I LOVE YOU ALL, SO DOES MY SON CHRIST MICHAEL OF NEBADON THROUGH ME AND THROUGH YOU, COME REST AT MY BOSOM WHEN YOU MAKE YOUR WAY UP AND ONWARDS. I CARE TO SEE YOU FROM HENCE YOU WENT FORTH, AS I WELCOME YOU BACK HOME. NOTHING PLEASES ME MORE. THE HOUR HAS PASSED, SO YOU ARE ON BORROWED TIME. NEVER TOO LATE, BUT WHAT MUST BE, MUST BE NOW AND ON THE EVE OF HIS SECOND COMING BEWARE AND BE SURE WHERE YOU STAND. THERE IS NO ESCAPE, NO PLACE TO HIDE NOR RUN FOR THE HEAVENLY REALM KNOWS ALL INSIDE OUT AS WE ARE ALL INSIDE OUT, BUT THROUGH LOVE AND LIGHT AND TRUTH.

Let my Son Christ Michael now call forth the hour for all to see and know. May you find Many Blessings on your journey in accordance with what you rightfully deserve as We Love you Above and Beyond. So Be It.

Papa Source, I AM.
Love and Light,

Hi folks,

I know its been a while since I last posted anything anywhere, especially any meditation reports. There is a good reason for that; the need for me to work out some very heavily unresolved emotional issues from my past -

As my guide Laoshi put it: "You cant seriously expect to convince anyone to have a bath when you yourself stink like a Tibetan yak, can you?!"

He has a lovely way with words, my Laoshi does.....Good point he's got there! Anyway, all is a lot better now, and so Im back.

I had asked Mama Maria a couple of weeks ago, due to one of my many pangs of impatience, about the 3DD. She had told me this:

"Do not ask IF its going to happen. Ask what YOU will do WHEN it happens. Are YOU ready for it? If you say you are, then you certainly are NOT. Ask yourself: when you are about to sit for an exam, can you truly say that you are perfectly ready for it? No. One can only keep on maintaining the process of readiness as much as possible until the event occurs.

Realise this. The event is occurring as we speak; and when it does happen, even the most knowledgeable of the so-called "Lightworkers" will not know how to act IF they have not worked out their spiritual and other issues from this present lifetime. Many people will have to assess if they have been just idling time away waiting for events to occur - yes, one MAY look at this as an indirect form of service to self - or if they have been helping others in some manner to alleviate suffering and pain; being of service to others in some way or form. You will see when the time comes, that quite a few of the former will have to face a judgement of their own making - of their errant thoughts and actions, against themselves, by themselves - and they will also have to account for having mislead many who should have been rightly guided by them."

At that time, when I asked if I should put this on the site, she told me not to do this. She said that this was because those who were going to listen were already hooked up to their Higher selves and were busy preparing themselves by assisting those who came their way in whatever capacity was needed of them. Others, who were not going to listen, would not bother with the material anyway, and carry on doing as they have been doing. These would to be awakened by their own Higher Selves, guides and angelic guardians when the time was right.

I am assured by her today that it is the right time to put that message up. So, I am including it here.

OK. This morning, I was just finishing my meditation as per CM's latest directive, when Mama

Maria came to speak to me. When we had finished talking - and most of it was either personal stuff or that to do with my spiritual path - I told her my intention of resuming my postings on the AH forum website. I asked her if there was anything wanted me to put there. She affirmed that there was. Please - like I usually say - use your spiritual discernment. Take what resonates, leave what does not. Anyway, this is what was said to me:

"My dearest children, I have warned many on this planet, for many years, about this time of darkness. Yet, many have refused to listen. Some have listened, but not heard. Only a very handful have truly believed. Now, I say to you: Be aware, now. Be vigilant, now. Now is the time to assume responsibility; to be an anchor for the passengers on a ship in the middle of this awaited maelstrom. The storm will be felt to be terrible, even though it will rage on in both darkness and light; for the predicted three days and longer. In this darkness, it will seem as if there is no horizon on which to fix one's gaze.

In this darkness, too, one will not be able to make out who is friend nor who is foe, who is family and who is stranger. For many, it will be a testing "night of the Soul"; a time when they are being forced to evaluate the validity of all that they have held dear for such a long time. It has already started, my children. This is why all around you many are unable to function as they once used to and are acting irrationally and totally "out of character". I say to you all: Look inwards. Look deeply. Be at one with your I AM. Attune to He who you call Christ Michael, the One who is as your Father. You will be guided at this time by Him, by your spiritual guides and your guardians.

Less words. More action. That is what is needed. That is what is being commanded by the Father Creator, the Source of All. That is what is being done by your beloved Christ Michael.

So, my dearest children, lift your spirits. Let happiness shine out of your souls in this coming darkness. Be the beacon of Divine Light that you are. Let your smiles decorate the unveiling of the "New" Earth with Divine Love and Light! We will all meet again, aboard our vehicle, which you should know quite well by now - even if you do not consciously remember it. My Love will remain with you all no matter where you decide to go after this event is through."

Well, as for the meditation report: I received no visuals. Just a sense of unbounded happiness, overwhelming love and joy emanating from Mama Gaia. Apart from this, there is currently nothing more to report.

See you all soon.

Love and Light,

T

Candace: Beloveds, just to update a bit, those watching the sun should be noticing something. Some of us here have friends noticing the sun but with no clue as to why its not so bright. I can now gaze it for a short time at high noon without any pain or eye protection, its dulled that much but I still don't want to gaze for a long period. Takes about only 5 seconds for me to discern the disk (not the craft) now. We have completely clear sky above right now, no chemtrails, no haze, and its NOT as bright and sunny as it should be, the feel is sort of like the sun being behind thin clouds. It is as I post this, 1 hour or less from solar noon.

AND WOULD ACTUALLY LIKE

TO SKIP THIS PART

AND GET RIGHT TO IT.....

THIS WAS FOR YOUR SAKE

NOT OURS

IF YOU CANNOT APPRECIATE THAT

THEN GET OUT OF THE WAY

OF YOUR OWN FREEWILL AND ACCORD

OR LOSE BOTH

AND BE REMOVED FROM THE PICTURE AND PLAY

OR THE BOARD

OR THE ROOM

OR THE PLANET
OR THE UNIVERSE
WE WILL STAY ON OUR SCHEDULE
NO MATTER WHAT YOU DO
OR HOW YOU TRY TO STALL
WITH THIS ENDLESS BALLYHOO
OF WORDS IN CONJECTURE
AND CROCODILE TEARS.....

you do understand

don't you

that it is no longer up to you anymore

even in perception

the choice is no longer yours to make

only the act to do

which is for your benefit....

in the words of our friend.....

YOU HAVE UNTIL YESTERDAY TO COMPLY.

PREPARE FOR DIVINE IGNITION
Seraphin through Rosie, 22nd October 2012

Dearest Children of Light: HOW ARE YOU GOING TO ADJUST TO THE GREATEST LIGHT OF ALL, WHICH IS THE DIVINE SPARK IN YOURSELVES?

We wonder whether you are ready for the DIVINE IGNITION, for the rapid take-off into new realms, locations and responsibilities, liasing with strangers and beings you have never seen before, discussing concepts beyond your wildest dreams and imagination. How ready are you to LEAVE EVERYTHING BEHIND (SO THAT YOU CAN GAIN ALL), to clear your minds of all rubble, of past hurts and of misconceptions, of supposed injuries and of lost opportunities, for you will see that they have all led perfectly to this moment.

How ready are you to expand your perspectives, to see each other AND YOURSELVES as perfect vessels for the conveyance of the perfect message, which is YOUR GOD IS HERE WITHIN YOU AND WITHOUT YOU. How prepared are you to act as an inspiration to multitudes? How quickly can you react to address a problem, or redirect a situation so that it is IN DIVINE ALIGNMENT?

As warriors of light your shields must be strong. Your swords are your strength and determination, tempered by the compassion of your heart. Is your WISDOM ready to shine? Are you KING over your emotions? Do you rest in a place of calm and confident stillness?

We will support you, but you must enter the fray alone, armed with your devotion, your concern, your love for your fellow man. Do not linger or hesitate due to thoughts of unworthiness or how you may appear to others, but LIVE YOUR TRUTH. ACT IN A WAY WHICH EVOKES RESPECT. WALK IN LOVE.

For the path which YOU, inhabitants of beloved planet earth, are about to embark upon AND INDEED INITIATE, is not easy. You will require courage and determination. You will have to deal with losses and focus your gaze on the horizon, knowing that your contribution is significant for the birth of a new genre of life here on earth, and knowing that you have chosen this path FOR THE GLORY OF THIS PATH.

We say PREPARE IN ALL SERIOUSNESS, for today and every day, so that you can better serve and better enjoy the sweetness of serving.

Again we say PREPARE,
We love you, Seraphin.

SELF-RELIANCE

Tonight there are several things to discuss. The first I would like to address is the question of self-reliance. This is the state of relying upon one's inner Self and compass for guidance. In the coming days, working with self-reliance will be crucial and is most definitely a prerequisite to your success.

How do you know when you are in a state of self-reliance? The voices, thoughts, opinions and even objections of others are all filtered through your own inner self first. And before you formulate your response and your own opinion on a matter or situation. Then you will know exactly what feels right to you and be able to accurately express this. Once you are able to do this, you will be in a greatly clarified position. And one which is easily able to detect manipulations – the subtle and overt varieties – in your world. It is up to each one of you reading these words to work on achieving this very important state of being. It is a passport, if you like, to raising your consciousness. For your world has been so shrouded for so long in mire and darkness that the truth of all things, including yourselves, is that far removed from you.

ENERGETIC STABILITY WITHIN

Now, I would like to move on to the issue of energetic stability within. What do I mean when I say this? Energetic stability is the manner and means in which you are able to access higher dimensions, yourselves and be in a position to properly discern the world around you. And yes, it is much interlinked with the above on self-reliance.

Everything is connected with everything else – this you know. But if we, for the sake of this writing, look at energetic stability separately, we would see it as a means of achieving through being anchored in your own personal field. And how do you achieve such?

One of the ways to do this is by becoming increasingly aware of the emanations of others, your world and mostly, yourselves. By emanations, I mean the emotional and psychic frequency of others. The idea being that you will then learn to separate yourselves from their emanations. For many find themselves unknowingly succumbing to that which does not belong to them. Thus leading to all sorts of jarring in the field. In turn, this becomes a major cause of energetic instability in you ones. And, it is spread, like some contagion, with great consistency.

Being energetically stable is being properly and truly anchored to your own bodies and the earth. Many try to achieve this by the external practice of a ritual, expecting this alone will produce the same results. It will not, as energetic stability cannot be got under control by the discipline of the mind and will alone, but by a process of engaging all of yourself and your awareness in the task.

SCRUTINY

Next I wish to address the question of scrutiny. Let us look at this topic now. Scrutiny is not something many on your surface world desire. It is perceived often as being something one should turn away from. As if the very results it brings may frighten the enquirer into a stupefaction. Or worse. Force the enquirer into a new state of awareness from which there may be no return. Therefore, to the average person on your planet, holding anything (subject or issue) up to the light of scrutiny is not a comfortable concept.

Yet, in order for the soul to progress and development within the form to be made, scrutiny of both one's external world and one's interior one are essential to this kind of development. How are we then to break through such barriers and make the subject of scrutiny one which is more palatable to ourselves and the masses?

Indeed. What those who are desirous of progress ought to do is to first get to a comfortable level with the very things that bring you some level of discomfort. As soon as you feel the discomfort, the alarm bells that will ring as a defence mechanism will be an indication you are travelling on the right road. Getting comfortable and relaxed around scrutinizing subjects or issues, or indeed oneself, is a process – not any kind of overnight success story. As with the growing of all aspects of consciousness.

Once you have broken the barrier of making the first tentative steps towards familiarity with scrutinizing something and exercising your mind muscle, as it were, you will have cracked through an important aspect of the Self; welcomed in a portion of it. And in so doing, invite more opportunities in for further scrutiny. You will have succeeded in breaking through the fear that has locked the ability to scrutinize away from yourselves.

HIGHER SELF NON-COMPLIANCE/ALIGNMENT

Next I would like to address the issue of non-compliance with the Higher Self. Now, here we have a dichotomy. On the one hand, the state of non-compliance is one which results in being out of alignment with your Higher Selves wishes for the life. On the other, we have very much the universal law of free will allowing exactly such on this free will planet, which is respected and honoured at all times. The dichotomy rests in the fact that while you are here to enjoy a free will experience, your objective is to also do the will of your Higher Self in order for the progress of yourselves at the eternal level.

So this is something of a conundrum and the reason why so many wished for the earth experience in the first place. There is no greater school in the universe. This is known far and wide.

In order to obtain the maximum out of both in the most constructive manner, it is necessary to constantly be evaluating where you are and who you are. Neither of which most of your population are inspired to do. In fact, this couldn't be further from the minds of most. So what is the solution to providing this balance for yourselves?

You could start by testing yourselves daily to see if you are on the 'right' path. But being on the 'right' path first denotes that there is more than one path possibility in your internal and external lives and that you do have a choice as to which road you go down. Not unlike choosing which ice cream flavours at a parlour you may wish to taste. Each has its own unique flavour, but perhaps certain ingredients or flavours in some will agree more or less with your physiology than others.

The easiest way, then, to discern and find balance in this conundrum is to ask for guidance from your Higher Self and then to LISTEN and take ACTION when the opportunities subsequently presents. This is the difficult part for most that eludes many. This could be anything from a simple (or not so simple) changing of a mental attitude and making a new inner choice to a decision that is more obvious as a change in the life. The subtlety of the workings of all this in a very base world like yours is an enormous challenge.

You can muscle test these for answers, work with a pendulum or other secure means if you feel less assured of your ability to discern within and hear your inner voice clearly on such matters.

I AM Monjoronson wishing you well in your preparations and regarding you all most highly.

UNIFIED GROUP MESSAGE FROM FLEET

This is a message from the whole fleet as one.

The time is arriving that the dark has dreaded and that you and we, together, have not just hoped for, but have worked long and hard to achieve. During the course of time between what was and what will be, will be given to you three days of an opportunity to come to the final decision's of your lives.

To serve the will of The One, alone and as it is manifest in His Michael Sons and the Lords of the superuniverses, is the worthiest endeavor that any faith child of Creator Source can undertake.

The path to perfection is fraught with delights and terrors that all together, in the end=moment that you stand on the verge of fulfilling your goal, gains you the ultimate and supreme appreciation of the mind of the Paradise Father in the preparation that He has so meticulously laid out for each and every individual free-will, ascending, intelligent faith child of the realm of time and space. We all have our own unique paths to perfection that is just as different as our personalities are from each other, yet we learn to come together as one in the cause of supreme family to aid and assist each other for the sake of each in love and devotion to the One that created and creates all things through Himself and shares of His Self with all that all may return to Him in perfection as creatures of eternal and infinite light, life and love.

The discipline of true liberty is the freedom that we all seek that must be earned in order to fully comprehend and agree with and in The Fathers Will, is not always easy nor so full of hardship that it becomes unendurable. The fear of God is the beginning of wisdom, but the love of God is the active wisdom that evolves from knowledgeable use. That knowledge can only come from knowing one's self and knowing God and find them both in each other. It is in the actualization of the inherent values found in that, which automatically binds and bonds all things together as one in The One so that we may not only truthfully say, but truthfully live in being each other, with each other, for the sake of each other.

You have a saying...all for one and one for all, and this is truly our way of life in the Father and Source of all things as He is The One, as He is One, so say we all: All for One and One for All!

It is in this spirit of shared love and devotion that we prepare to meet and be reunited with all of you, that we may reconnect and share the God in all of us as one. We ask that you look forward to meeting us with the same love, peace and joy that we have as we look forward to meeting you.

Much is about to change on your world. Your freedom and abundance and true knowledge are at hand. Give thanks and praise to Creator Source, The Paradise Trinity, Lord Siraya, and Christ Michael Aton for all that has been done and is being done and will be done; and for all that has been given, is being given and will be given, in experience.it is all God. IT IS GOD! There is no other thing existing and IT is what we are and we are all part of What IT Is.

Behold! A new and greater life of understanding is upon you! Be in Joy and be one in joy!

We are you family in the great adventure of Life in God.....and soon, we shall embrace each other, face to face, in love and light, as together, we shall now journey forward and upwards to our promised perfection!

INVITATION TO THE GRAND FINALE

My Dearly Beloved Children of the Light,

I AM Papa Source.

I will keep this short and sweet My Beloveds.

A while ago I left you the news that My Son Christ Michael of Nebadon could call forth the hour for all to see. I come to confirm and announce THAT HAS BEEN CALLED FORTH NOW.

As you read through another already, WE DO WELCOME YOU PER NOTICE AND INVITATION TO THE GRAND FINALE. As My Creator Son, Christ Michael already told this scribe this morning that all orders had gone out to curfew and curtail those who thought to harm others upon the first sign of a darkening Sun, now I come to confirm that and further insist : YOUR HOMECOMING IS BEEN PREPARED, READIED AT FULL AND AWAITING YOU. It might not be palaces yet, but you sure will know the difference with your present situations when all comes to pass.

Enjoy the sun in its full glory as you will wish you did, when it is not the case for a very short while. Make sure your Inner Battery is full of Divine Light, so you can shine in the darkness since although only for a short while, but Light Houses will be in great demand. May all Blessings be upon you as you deserve and be happy to know, WE ARE GOING DARK SHORTLY, when the notice has served its purpose in full.

Again, I love you ALL, as does my Son, Your Sovereign and may our Blessings Be Upon You All as much as you can take by your own merit.

Papa Source, I AM.

Love and Light,
Johan
