I 'know' that God IS love - unconditional love. I 'know' that when the whole world is against someone for something they did wrong, God is with them, crying empathetically, and feels their pain. God is the sacrificial, unconditional love, we have in our hearts for our children. He is the One that put that love there. That sacrificial love is what He is all about. Hate is totally the opposite of what He is, but being that He is 'all in all' His Word says that He does hate. If you choose to believe that the Bible is not His Word, that is a personal issue between you and God.

When I used the word 'hate' it came from Proverbs 6.

These six things the Lord hates,
Yes, seven are an abomination to Him:
17 A proud look,
A lying tongue,
Hands that shed innocent blood,
18 A heart that devises wicked plans,
Feet that are swift in running to evil,
19 A false witness who speaks lies,
And one who sows discord among brethren.

If you have a problem with the wording, then you need to take it up with Him.

As for the original issue in this thread, I do believe that a person can dream or see visions. It happens to 'Christians' and 'non-Christians' alike all of the time, especially in these last days.

I am not God and therefore will NOT judge whether this dream is about an angel or devil. Only God can judge that. We all need to stop putting ourselves higher than someone else and elevate others ABOVE ourselves.

When we judge this man for what he dreamed, how is that walking in love or elevating anything but ourselves, thinking that WE know it all?

I wish this thread was dropped. It has only caused strife and discourse amongst us. That was not it's intention...

Quoting: **DaddysGirl**

Only other believers are your "brethren", everyone else is your "neighbor". You need to understand the difference.

Many work for the dark side.....they are not your brothers. Candace is one of them. I love her, but I will speak out against her lies, and she knows it.

I have no hostility towards her personally, in fact I hope that someday she will join the winning team.

Quoting: **Lisa*Lisa**

Lisa, I KNOW you mean well. You STRIVE to be 'right'. You feed on it when it comes to these threads. You feel that it is your duty to get people saved and to know the truth.

However, look back at the replies on this thread and possibly others. Look at the 'ripple' effect it is having on those who read it. Are your words drawing people 'TO' God and Christ or 'AWAY' from Him?

When you are His child, His love abounds in your heart and you see things from His point of view. You then STRIVE for peace amongst everyone. Jesus died for ALL mankind, not just certain ones, so I don't look at anyone but as my brother because Jesus died for everyone, not just Christians.

All I'm asking is to take a break and pray and ask God if this is what He wants for you. Is this the way He wants you to handle this? Ask Him if you are drawing people 'to' Him or 'away' from Him?

Walk in love Lisa and put down your ego and who 'Lisa' is. It's not about us...it's about Him and

His love for EVERYONE....

I have read only some of the replies.

First of all, my heart felt 'thank you' for posting this message. You did what you were told to do and hopefully the message will be received from the people who are supposed to hear it.

Secondly, anytime you have a dream or vision, and you have any doubt about it, take the matter to your Father/Creator yourself and ask Him if the message was from Him.

Never ask another person that is here on the earth, because none of us know much of anything really. We all grow spiritually at different rates just as we grow from an infant to a senior citizen. Everyone is at different levels of growth and therefore not everyone will understand. Therefore, when you are attacked for a message you post, remember to give those people 'grace' and love them from our Father's point of view - unconditionally.

I hope you won't be discouraged from posting anything else you might see or hear. But just don't forget to ask our Father, who will lead you into all truth....His Spirit is within you and that is what

He is here to do... 

Quoting: **DaddysGirl**

Just curious, if you talk of spiritual grace and love etc., yet you choose an avatar that is using the hush symbolism of the dark ones, it even sports the black sun in the background.

People are either confused, wolves in sheep's clothing or totally bipolar.

People cannot hide who they are by the imagery they choose to represent themselves!!!

Quoting: **Anonymous Coward 6446749**

Since my 'avatar' is bothered by some of you, let me explain why I chose it...

In 1998 and 1999 I had two separate dreams.

In one dream, there was a wedding taking place in a sanctuary. Everyone was wearing maroon/purple colored dress/attire. They were all seated and ready for a very special wedding to take place. I was behind the sanctuary, in the forum, where someone was behind me and placed on me a white garment (as like being knitted with holes) over the maroon garment I also was wearing like everyone in the sanctuary.

This person also put white shoes on my feet and instructed me to go down the aisle. I went down the aisle to the front of the sanctuary. At the front, where the choir is usually seated, were people sitting there in plain clothing, facing the people in maroon, also waiting for the wedding to take place. But the wedding didn't happen because the bride wasn't ready.

I went back up the other aisle of the sanctuary to the bridal chamber (behind the sanctuary) where the bride was getting ready. I came up to her from behind and zipped up her dress and left the room.

I went back into the forum (the bridal chamber had a door on both sides) where, through a glass wall, there were people, in a separate part of the building, were buying and selling items on tables that were old and worthless. The items had sale tags on them and these people were giving great value to these items and couldn't see that they were worth nothing.

They had no idea, even though they could see through the glass, that a wedding was about to take place, or else they knew and didn't care. They were too caught up in buying and selling of these worthless items on the tables.

In another dream, I stood out on my backyard porch at night and looked into the eastern sky.

There was a huge round object that looked like a sun or a moon. It was HUGE! Then, from a more eastern direction, there came another round object, of equal size, that moved toward the first round object until it totally covered it, like an eclipse. At the moment they overlapped one another, something happened that frightened me to the very core of my being, but I don't know what it was, I only felt the fear. I thought at the time it was a worldwide earthquake. I immediately looked at my hands and knew that my body was changing. Before I had time to do anything else, my body was being lifted up off the ground.

So hopefully now people will understand why I picked both of these pictures as they depict my dreams - not because I am obsessed with Illuminati murals.

I hope this issue can rest now.... 

Quoting: **DaddysGirl**

I too was at the wedding feast in a magnificent more than real dream.

The 2nd is Eternity past and Eternity future consuming time and space at Christs' return.

This thread should not be dropped, its a 4d thread. We are in 4 d where people must voice their opinions, the good the bad the ugly and both the ugly and the good raised their heads here. I need to review the rest of it since I went to bed early, I was called to my night job up there.

This is AA Uriel in this thread, who is heavily involved with Michael of Nebadon on this world. Michael incarnated at Jesus 2000 years ago and is returned. HE IS FATHER GOD OF NEBADON and the only Creator Son to ever return personally to a world after a bestowal to help assist it out of darkness. Creator sons don't even come to Worlds this DARK, so be went against the customs of his order.

There are many of us from Paradise and other high places on my global team. We have other Michael Sons working on becoming Creator Sons here, we have mighty messengers working on becoming Creator Sons, (ME), we have Daynals, We have ones not id'd as to order yet, We have Melchizedeks like the wondrous Hazel whose work with Uriel I have posted in this thread, and many many more. YOu have NO Idea who walks this world in MEAT SUITS amongst you and OUR love of you to cause us to come and walk in these uncomfortable body forms on this uncomfortable world. And most of you could care less.

The thread needs to cause strife and discord, for that is how truth manifest. This is 4d and if you don't strife you will not find the truth that leads to 5d, which is when the Father has manifested on the world. It is NECESSARY to get thru it. It is good for you. For many, it will cause their hundalini rise, which is the baptism of the Holy Spirit. You ones are supposed to rise up for goodness and that process is not going well because people are either lazy, don't care, or don't know what to stand up for.

Look at the mess of this world just since 911 and every body old enough to post here does remember 911. The last I was updated a couple years ago, as to exact numbers, you have all allowed the genocide of 20 million in the Middle east and that was before Egypt, Libya and teh current Syria and now todays new war. When are you american citizens going to stop YOUR GOVERNMENT from Genocide by WAR and the destruction of the Holy Mother Planet? this is your HOME. And you allow its destruction by war and pollution because I guess you are either don't give a shits, or don't know.

You will stand up in your godhood or you won't. And its your decision. Because of the extensive propaganda by the extra dark expert thugs on this world, you will be given quite a grace period to learn WHAT IS RIGHT. You are enslaved terribly and go around pronouncing you are free. WHAT THE FUCK on that one, FREE??????????????????

Now, you are enslaved by the money system hugely. Worlds in which the Father has manifested don't use MONEY. They just all pitch in. I have not been able to run a successful NO MONEY thread anywhere on the net, which includes even my own forum. I would ask all of you reading this to note what you never had because there was no money. God knowing worlds have all they need. and they work together to that purpose.

How many of you are employed by the government or defense industry because you need money to buy food? Since when should MONEY be needed to EAT?

The Lord wants His Truth to be told, for His light to be shone on the darkness. That is what He wants.

This is not about me, or my ego. Don't make assumptions when you truly don't know my intentions, my heart, or my personal relationship with the Father.

Walking in real Love is sharing truth with others that are falling into the pit. Real love tells them the truth so that they are made aware of it. Real love doesn't tell everyone that satan's lies are ok. No way.

Love the person, but hate the sin and deceptions. Ask the Lord about this yourself, He will tell you.

Lisa if it was offered to YOU to board a craft, it would be because of the world shifting and should that happen no one would live but the plants thru it, so I would suggest boarding ship unless you prefer death to your body by volcanism and then it will be too late to even take you soul off the planet, they will be gone. Ponder that one.

You are aiding your devils lisa. Grow up into knowledge of how the cosmos works or stay stupid, its your choice. There have been many of this world giving the truth the last 130 or so years. Shame you don't wish to partake of that and prefer the outdated and deliberately mucked up bible to the truth. The bible has tiny bits of truth in it, and you don't even understand those, like the one where Jesus says Heaven and God are WITHIN YOU.

If you cannot quickly grow up you are in for a lot of incarnations on other planets for the stupid until you do grow up. Imagine many more lies in bodies like these meat suits before you come into god knowledge. God will give you as long, even all of eternity to get there.

Jesus beloved, left Israel by craft after he survived the crucifixion. He was dropped on in Damascus. His body is buried in Srinagar Kashmir. Now if you had read PJ #2 you would "know" that, but I guess you would reject even those words, you are so un open to your personal growth. You posted in another thread the last day or two how much you have been self studying, but we sure don't see the evidence of that here .

Here is the translation of the notes Judas Kept who was not the betrayer, Juda Iharioth was the betrayer not Judas. Jesus speaks also in this book. you have not read it YET beloved, why not take the day off and do so. It could change everything for you. [[link to www.freewebs.com](http://www.freewebs.com)]

Siempre hemos estado entre vosotros, pues sois nuestros Hijo/Hermanos. En estos difíciles momentos, que se remontan a varias décadas, nuestra asistencia ha sido mayor. Es tiempo de recoger la cosecha, pues en breve, de no hacerlo, no quedará un justo sobre este planeta. No os preocupéis sobre la forma en que se actuará, pues son muchas y acordes a cada uno de vosotros si ha de ser. Profundizar en vuestro trabajo, que no es otro que el de conoceros a vosotros mismos y establecer un nexo de comunión con vuestro real ser, pues no debéis olvidar que "vosotros sois dioses". Esa esencia divina os hace inmortales si trabajáis para hacerla resplandecer. El Amor hacia vuestros semejantes os hará grandes y aptos para ser parte de la cosecha. Aún en los momentos mas duros permanecer serenos y dispuestos a que vuestro Padre os guíe, aún más allá de la muerte, que En Verdad no existe, pues es solo un tránsito. Aunque el cielo se abra o rompa como un pergamino, la luna se torne roja como señal de sangrienta guerra y sucesos apocalípticos, y el sol se oscurezca por tres o más días, mantener la calma pues estaremos con vosotros. Vuestro pasaporte para ascender es el Amor al Padre y a vuestros semejantes, así como la serenidad en los momentos más difíciles. Practicar el Perdón hacia los demás y mantener la humildad, sencillez, paciencia y perseverancia en vuestros actos. Vuestra perfección radica en vuestra esencia, la cual es divina, refugiaros en ella a través de la meditación y la oración. Prepararos y llegaréis a buen puerto. Ámen. AMEN

This is what I saw. But no rainbow. His right hand raised. No book but a sword. And the feet the left over the sea

Excerpt. Rest at link

SAW another strong Angel coming down out of Heaven, clothed with a cloud; and the rainbow was upon his head, and his face was like the Sun, and his feet like pillars of fire;

2 and he had in his hand a Little Book which was open. He placed his right foot on the sea and his left on the land;

3 and he cried out with a loud voice, as when a lion roars; and when he had cried out, the Seven Peals of Thunder uttered their voices.

4 When the Seven Peals of Thunder had spoken, I was about to write; and I heard a voice from

Heaven saying, "Seal up the things which the Seven Peals of Thunder have spoken and do not write them."

5 Then the Angel whom I saw standing on the sea and on the land lifted up his right hand to Heaven,

6 and swore by Him who lives forever and ever, WHO CREATED HEAVEN AND THE THINGS IN IT, AND THE EARTH AND THE THINGS IN IT, AND THE SEA AND THE THINGS IN IT, that there will be delay no longer,

7 but in the days of the voice of the seventh angel, when he is about to sound, then the Mystery of God is finished, as He preached to His servants the prophets

Lisa, this is the bible quote I asked you to respond to here: [Thread: Questions I Wish to Ask of Christians \(Page 3\)](#)

This is all about the kundalini that must be risen for the holy spirit to manifest within you. Since you "believe" Kundalini is "demons" I guess you don't wish to have the Holy Spirit, to do the work it takes to manifest it.

1 "At that time the kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. 2 Five of the virgins were foolish, and five were wise. 3 When the foolish ones took their lamps, they did not take extra olive oil with them. 4 But the wise ones took flasks of olive oil with their lamps. 5 When the bridegroom was delayed a long time, they all became drowsy and fell asleep. 6 But at midnight there was a shout, 'Look, the bridegroom is here! Come out to meet him.' 7 Then all the virgins woke up and trimmed their lamps. 8 The foolish ones said to the wise, 'Give us some of your oil, because our lamps are going out.' 9 'No,' they replied. 'There won't be enough for you and for us. Go instead to those who sell oil and buy some for yourselves.' 10 But while they had gone to buy it, the bridegroom arrived, and those who were ready went inside with him to the wedding banquet. Then the door was shut. 11 Later, the other virgins came too, saying, 'Lord, lord! Let us in!' 12 But he replied, 'I tell you the truth, I do not know you!' 13 Therefore stay alert, because you do not know the day or the hour"

So did you actually read the whole thing? Be truthful here.

Even the Quran is better as to the nature of God teaching in it, than the Bible. The eastern esoteric teachings and the Hindu teachings are far better than the Bible. And what is really far better than them all is the teaching given in this end of the age that was promised and which you ones will not even look at because of your fear of "hell fire". You want hellfire Lisa, that's the biggest lie of Satan. HELL FIRE IN an ACRONYM for

They said that they are here to help bring peace and stop any wars. They are here to save and free the planet. They said they speak with the authority of God. And that we must not be afraid and to believe this.

Quoting: **Anonymous Coward 27875016**

Quoting: **Neim-Ya'shar**

I agree no Angel of God would promote their name, you usually have to ask them for it. Also if the message is prophetic it should expound on Bible prophecy and never contradict it. OP said Uriel repeated his name several times this seems to be promoting himself over the message, and what he said about not letting wars happen directly contradicts the end time prophecies of the Bible.

Therefore I feel that the one who appeared to the OP was most likely a fallen Angel.

It's really saddening to see how blinded some are, that dare to call themselves christian, yet they spit their hatred here, proclaiming that war is inevitable or rather necessary. What a sick mindset. If you could see yourself clearly in the mirror and brush that fanatic nebula away from your view, you would be sick to the stomach.

I see no christianity in the likes of you.

Didn't Jesus say love your nearest and even love your enemies. I just see blind bigotry and demonization here.

If you're such christians why don't you practice what you preach. I don't know if you even recognize how blatantly you're disguising yourselves here in front of all.

I sense some stone cold hearts, when I read some of the input. You're on a very wrong road here.

The way you're answering to some makes it even more valid to me, to what OP says and the feeling I have about this dream.

Funny you did exactly, what OP quoted one of the angels said: That you would proclaim war as necessary.

Don't you people see, when it's right in front of your eyes?

Even if OP wasn't right, you have shown to us the intentions of yours. There's a message of freedom within this and all you see is war and demons. Well, that speaks for itself I'd say. Seems like the crusades aren't over yet.

Siempre hemos estado entre vosotros, pues sois nuestros Hijo/a/Hermanos. En estos difíciles momentos, que se remontan a varias décadas, nuestra asistencia ha sido mayor. Es tiempo de recoger la cosecha, pues en breve, de no hacerlo, no quedará un justo sobre este planeta. No os preocupéis sobre la forma en que se actuará, pues son muchas y acordes a cada uno de vosotros si ha de ser. Profundizar en vuestro trabajo, que no es otro que el de conoceros a vosotros mismos y establecer un nexo de comunión con vuestro real ser, pues no debéis olvidar que "vosotros sois dioses". Esa esencia divina os hace inmortales si trabajáis para hacerla resplandecer. El Amor hacia vuestros semejantes os hará grandes y aptos para ser parte de la cosecha. Aún en los momentos mas duros permanecer serenos y dispuestos a que vuestro Padre os guíe, aún más allá de la muerte, que En Verdad no existe, pues es solo un tránsito. Aunque el cielo se abra o rompa como un pergamino, la luna se torne roja como señal de sangrienta guerra y sucesos apocalípticos, y el sol se oscurezca por tres o más días, mantener la calma pues estaremos con vosotros. Vuestro pasaporte para ascender es el Amor al Padre y a vuestros semejantes, así como la serenidad en los momentos más difíciles. Practicar el Perdón hacia los demás y mantener la humildad, sencillez, paciencia y perseverancia en vuestros actos. Vuestra perfección radica en vuestra esencia, la cual es divina, refugiarnos en ella a través de la meditación y la oración. Prepararos y llegaréis a buen puerto. Ámen. AMEN

We are getting ready to undergo much very soon.

PLEASE, everyone who is arguing:

The fig tree is sprouting and the time is ripe. The signs of the end of this age are here.

We are already in God's Kingdom and satan is an enemy in our Father's house.
All is well for we who have our HOPE in HIS Son, Jesus Christ. But we do have many brothers and sisters who need assistance and help in understanding who Christ is. With open hearts let us love one another and not allow pride and arrogance dictate our motives, undoing much of what Christ is doing through LOVE.
Love is the rule, period.

Jesus is the true Word of God

So go in your heart and ask if you should get on the space ship. Put your ego aside and just ask. So many want to help you to find the truth, yet you keep going with your ego.

I only recently found the picture that I am using for my avatar. I chose it because it was a child in a purple dress with a white garment on top that was depicted in a dream I had back in 1999. It also shows an eclipse which was also in a dream I had. I have wondered about the girl putting her hand over her mouth as if to say 'don't speak' and I didn't understand that until this thread.

She's saying, 'don't speak' unless you can speak in love. Be quiet amongst the wars in the last days on this earth. I only wish everyone could 'understand' the importance of this in these very last days and hours on this earth...

Maybe if we all 'changed' and chose to 'love' we could prevent what is coming upon us in the days

to come... 🍷 🌸

Do not quote it, use your MIND to reason at what is here NOW. He comes on CLOUD SHIPS not the CLOUDS, that is purposeful interference by the thugs in revelations. Stop of it. STOP STOP STOP. Every eye is going to see him but not on the clouds. Every eye was going to see him long ago if Kennedy had not been murdered, long ago.

At at the time of Revelations the world was fully populated then, and Christians still can't see that. Please look at your world as it is today and stop the rapture shit. You do not understand GOD yourself in the statement you made. The rules are made by the Hierarchy, by the SONS OF GOD who administer/govern the whole creation. do not mix up the Father Within YOU with the Hierarchy administration. I agree no Angel of God would promote their name, you usually have to ask them for it. Also if the message is prophetic it should expound on Bible prophecy and never contradict it. OP said Uriel repeated his name several times this seems to be promoting himself over the message, and what he said about not letting wars happen directly contradicts the end time prophecies of the Bible. Therefore I feel that the one who appeared to the OP was most likely a fallen Angel.

The Churches are not of god at all so don't go there with that one , but obviously it speaks of the current global civilization that is killing itself, bring on its own oblivion. Do not quote it, use your MIND to reason at what is here NOW. He comes on CLOUD SHIPS not the CLOUDS, that is purposeful interference by the thugs in revelations. Stop of it. STOP STOP STOP. Every eye is going to see him but not on the clouds. Every eye was going to see him long ago if Kennedy had not been murdered, long ago.

Revelation does just what it is supposed to do, fill in a few blanks in some OT prophecy and add more detail into the iron/clay kingdom of Da:2. If you know there is some 'mucked out' then what does it say?

Let's see how good you are in putting 1 and 1 together. Is the area (of the planet) the same in the bolded parts

Re:6:8:

And I looked,
and behold a pale horse:
and his name that sat on him was Death,
and Hell followed with him.

And power was given unto them over the fourth part of the earth,
to kill with sword,
and with hunger,
and with death,
and with the beasts of the earth.

Jer:25:26:

And all the kings of the north,
far and near,
one with another,
and **all the kingdoms of the world,**
which are upon the face of the earth:
and the king of Sheshach shall drink after them.

At at the time of Revelations the world was fully populated then, and Christians still can't see that. Please look at your world as it is today and stop the rapture shit. You do not understand GOD yourself in the statement you made. The rules are made by the Hierarchy, by the SONS OF GOD who administer/govern the whole creation. do not mix up the Father Within YOU with the Hierarchy administration. Add that concept please, Hierarchy administration to your concept of things.

Quoting:

At the time of Revelation the Church had spread as far as the places named. Every relationship described in those 7 letters can be found in people today. The whole RCC is in the one that says they left their first love. The pay homage to the Pope rather than to God alone, they are not going to enjoy the great tribulation they will be put through. Deny it will not save them from it.
the earth is going to wail because of their huge errors of judgement.

Quoting:

The earth is going to wail because no habitable place will be left untouched by the last 3 trumps.

Re:8:13:

And I beheld,

and heard an angel flying through the midst of heaven,

saying with a loud voice,

Woe,

woe,

woe,

to the inhabitants of the earth by reason of the other voices of the trumpet of the three angels, which are yet to sound!

Lisa, this is the bible quote I asked you to respond to here: [Thread: Questions I Wish to Ask of Christians \(Page 3\)](#)

This is all about the kundalini that must be risen for the holy spirit to manifest within you.

1 "At that time the kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. 2 Five of the virgins were foolish, and five were wise. 3 When the foolish ones took their lamps, they did not take extra olive oil with them. 4 But the wise ones took flasks of olive oil with their lamps. 5 When the bridegroom was delayed a long time, they all became drowsy and fell asleep. 6 But at midnight there was a shout, 'Look, the bridegroom is here! Come out to meet him.' 7 Then all the virgins woke up and trimmed their lamps. 8 The foolish ones said to the wise, 'Give us some of your oil, because our lamps are going out.' 9 'No,' they replied. 'There won't be enough for you and for us. Go instead to those who sell oil and buy some for yourselves.' 10 But while they had gone to buy it, the bridegroom arrived, and those who were ready went inside with him to the wedding banquet. Then the door was shut. 11 Later, the other virgins came too, saying, 'Lord, lord! Let us in!' 12 But he replied, 'I tell you the truth, I do not know you!' 13 Therefore stay alert, because you do not know the day or the hour"

Quoting: **God Loves ALL**

NO Candace, it is not about kundalini. It is about faith and trust in the Lord.

Quoting: **Lisa*Lisa**

i don't think you will ever get through to Candace. there are probably 46 demons governing every single one of her thoughts, and she likes it that way.

Back again SAIt, will I am not going to enable you at this time. I will not enable that you forgot who you are, by my posting I am trying to awaken you to your origins so you can actually serve. Go back to thy marriage beloved and ponder.

One is not possessed of the Holy Spirit until the 12 strands of DNA are fully hooked and the kundalini rises to the crown. This is FACT. I suspect some of your own turmoil is around the hooking and you do not remember it. YOU must hook the current body to God so it can bring in the light, and that is done thru hooking your DNA. I have hooked 24 strands now which is the most I can hook and be visible on this world and I need to be visible.

IN fact, hooking is what is going on now because of the incoming cosmic energies the earth is in since 1992, with the photon belt entry, since Oct 2006 with the entry into the Milky Way Energies and since a few years ago as laps of wave came thru. In fact when the big lap came nearly two years ago, I think it was, it had to be turned down, because there were not enough people ready to raise their kundalini on the planet and the planetary Mother herself could not tolerate the energies to HER BODY, so they had to be downgraded. In fact all of them were downgraded over the last few years, as they came in.

I am trying to teach people some cosmic stuff and there are few ears to listen. You are already an enlightened being as star seed in your higher self, but your lower self has taken over I assume from the stress you covered yourself right here on glp when your husband passed. You were open when you had those experiences with HIM, before the dark folks from MUFON screwed it up. Go back their beloved. Close the old religious texts you are studying, and go into a few days of separation from this world and reconnect with the God within YOU, your higher self. You were not intended to play this that you are playing today. The star seed program has been a rather miserably failure on this planet because the thugs are so good at what they do.

We NEED YOU to return to who you really are.

There are forces of love and life that are trying to save and heal, to help save and lead to the promised land of spiritual milk and honey

So let me see if I understand what you are saying Candace (please forgive me if I misunderstand, I missed the star fleet lesson taught by Mr. Spock (the angel of logic) as I was watching the educational procedure being done to you by the "angel" Raphael as he took stem cells from you body and grew you a new pituitary gland...

Here goes my meager attempt at understanding:

According to you this world is a prison, a place where "shitheads" like us are sent because we haven't attained immortality such as yourself, although you yourself are yet here.

According to you, this prison or hell, is a place where the evil and unevolved ("sick shits" as you call them) are sent, is a place that the star fleet angels want to save, but it is us "sick shit" prisoners who are preventing the entire crew of the Enterprise and other trans-galactic vessels (and their occupants - like the ArchAngel Scotty and Bones) from being able to save it.

Did I miss something so far?

I would assume that your master and those you deify (including yourself) that talk of "love" somehow have a different definition of love than those who truly follow The Lord. One doesn't need to look any farther than your self-glorifying words and your vitriol towards almost everyone else to see who it is you serve...and it is not some fantasy Capt. Christ said the joy for one lost one which is found again.

I have no doubt as to what that means in my view:
The time for His words to be preached is up,
Now God will act

I 'know' that God IS love - unconditional love. I 'know' that when the whole world is against someone for something they did wrong, God is with them, crying empathetically, and feels their pain. God is the sacrificial, unconditional love, we have in our hearts for our children. He is the One that put that love there. That sacrificial love is what He is all about. Hate is totally the opposite of what He is, but being that He is 'all in all' His Word says that He does hate. If you choose to believe that the Bible is not His Word, that is a personal issue between you and God.

When I used the word 'hate' it came from Proverbs 6.

These six things the Lord hates,
Yes, seven are an abomination to Him:
17 A proud look,
A lying tongue,
Hands that shed innocent blood,
18 A heart that devises wicked plans,
Feet that are swift in running to evil,
19 A false witness who speaks lies,
And one who sows discord among brethren.

If you have a problem with the wording, then you need to take it up with Him.

As for the original issue in this thread, I do believe that a person can dream or see visions. It happens to 'Christians' and 'non-Christians' alike all of the time, especially in these last days.

I am not God and therefore will NOT judge whether this dream is about an angel or devil. Only God can judge that. We all need to stop putting ourselves higher than someone else and elevate others ABOVE ourselves.

When we judge this man for what he dreamed, how is that walking in love or elevating anything but ourselves, thinking that WE know it all?

I wish this thread was dropped. It has only caused strife and discourse amongst us. That was not it's intention...

Quoting: **DaddysGirl**

Only other believers are your "brethren", everyone else is your "neighbor". You need to understand the difference.

Many work for the dark side.....they are not your brothers. Candace is one of them. I love her, but I will speak out against her lies, and she knows it.

I have no hostility towards her personally, in fact I hope that someday she will join the winning team.

Quoting: **Lisa*Lisa**

Lisa, I KNOW you mean well. You STRIVE to be 'right'. You feed on it when it comes to these threads. You feel that it is your duty to get people saved and to know the truth.

However, look back at the replies on this thread and possibly others. Look at the 'ripple' effect it is having on those who read it. Are your words drawing people 'TO' God and Christ or 'AWAY' from Him?

When you are His child, His love abounds in your heart and you see things from His point of view. **You then STRIVE for peace amongst everyone.**

Quoting: **DaddysGirl**

The Antichrist is the one who comes "conquering with peace". Jesus will return with a sword.

I understand striving to live in peace with one another, but sometimes this is not always possible:

Romans 12:18 **if it be possible**, as much as lieth in you, live peaceably with all men.

It becomes very hard to live in peace with those spreading lies and deception...you yourself said in another thread to ignore His word and just know God. You cannot do one without the other.

Whats the matter Lisa, don't like truth spoken. The ones in this thread working against God, thats a NICE term for them. You have never responded yourself to NICE teaching, so now the honesty is going to be seen. I am sick half to death of this world and its ignorant stupid dick heads thankyou. Grow the fuck up. apparently ones like you don't understand "nice". Maybe you will understand firm. YOU LISA are part of the evil force working at destruction of this world. It matters not at all if you are ignorant or evil, for the end result is the same. You continue to work against the Father Manifesting on this world. Only you know if its on purpose or you are stupid. You get to decide. Uriel is real, he is a Holy Arch Angel and this message thru the OP is real and from Uriel. **Now go play in your sandbox until you grow out of it.**

Quoting: **God Loves ALL**

You know, I wasn't sure what to make of this dream of the OP's...until I read this. Now I know 100% it is from evil. Everything this demon inside you utters is a lie. Your heart is filled with evil, a blind man can see that.

What DO you believe? You're so bent on belittling others' beliefs but you haven't really told anyone yours. I'm curious. Do you believe in Jesus? Do you believe He died for us? I'm asking YOU. Not the demon inside you, but the real you...the one who's like a child, afraid of being alone, yet too proud to ask for Love. What are you seeking?

Quoting: **Anonymous Coward 27788966**

OP's dream is real, he had it for God's sake and he has described it well. Demons do not come to people in this manner. I am not demon possessed. I am from Paradise just like so many others on this world and every time WE try to teach, folks like YOU show up to "debunk" us. Well you cannot do that. We are not put back by you ones. I will again, go back and post links to Uriels links.

Isn't there again a "new war" in the middle east that many of you will do NOTHING about? Just like all the NOTHING's you did after 911, which was the wake up call Americans did not heed, except for the few that had enough knowing to see the game. I even listened to really stupid engineers who would know that was a classic demolition, change their tune to planes did it. I don't know why man of of US of A at least, cannot see the obvious there.

You ones have allowed for various reasons, ignorance, don't give a shit, want to destroy the world so Jesus can come, think we have the right to others resources and so on and so forth,, the destruction of the planet and it doesn't matter if its ignorance or willful, the results are the same, the destruction of the planet which IS YOU HOME< DUMBOS. Even Dumbo the elephant know that this world is his home, what is wrong with you others?

Quoting: **God Loves ALL**

I don't remember seeing anywhere in this thread anyone saying they wanted war. No-one who is not evil wants war. Yet we all know it's inevitable. Even without the Bible's Word, just take a look around you!

I noticed you call people 'thugs'. It reminds me of something I read once where Satan calls all humans 'monkeys'. The apple doesn't fall far from the tree.

Seriously, I've read your responses on here and you DO act possessed! I'm not belittling you, insulting you or lording it over you with a huge ego. I'm telling you what I see. As a human being. Why are you so mean to others in this thread? Why do you call them names and insult and hurt them? Is that the way your beliefs make you? Because if that's the case then I can see why

there's so much hate in this world now...

she goes "there" because she is enraged and full of evil thoughts. revenge and manipulative games are the operative. the true sign of a cultist.

Quoting: **Salt**

Remember Salt, by practicing the occult, she opened many doorways (thereby giving legal ground) for spirits of filth to indwell her. They cloud her mind, bringing strong delusions or grandeur, deifying the flesh, while corrupting the spirit. These, I believe, are the reasons we find so many warnings in the OT and NT about not trying to contact the spirit world. Our only guide or interaction with the spirit world should be through what the Holy Spirit gives us.

I pray for her that these doorways are closed and that God the Father and Christ the Son, through the Holy Spirit allows her to find the one true path, which is God, through Jesus Christ.

My prayers for her are in faith, but ultimately, the gift of free will means she will have to seek it with the Lord if it is to happen.

@Candace - peace, love, good wishes and prayers for you...I despise the teachings, but love you as a sister in Christ!

The greatest teaching of Jesus, that The FAther is WITHIN you, goes unrecognized and it made the bible of the few that made it. Those 2 legged devils on this world have seriously mucked the teaching Jesus gave.

One must learn to ignore what is not true in the bible, and stay in contact with the Father that is right in ones mind.

The Father does not reside in some high heaven out there away from Man. The Father resides right within each Mans' MIND, for the Father is MIND and communicates no other way, than by MIND TO MIND contact.

I am always amazed as how people in church look up at the sky as they sing their songs. God is not up there. HE is within all humans, and infact all things, but he sends a parcel of his MIND to YOUR MINDS to advise you and in your mind is the last place most LOOK for God, they go read mucked up books.

It does not have to be SAID. Those that came here en mass to destroy the message of Uriel for any reason, wish war. It is that simple. There are in fact many zionist Christians supporting the false state of Israel, what think war must happen to bring jesus back. Back to WHAT? if the world is destroyed what is there to come back too? There is intense mindlessness here. INTENSE. Now grow up all you mindless ones. your devils on two legs have been busy in Christianity since they created the word 'Jew's for themselves in the 1700's and then went about changing your bible and everything taught in your churches, and on your radio stations and thru your music, and so on and so forth. Christianity has become the biggest GROUP threat to the coming of the Lord and Peace on this world Jesus did not create this religion, others did.

And yes, Jesus DID die on the cross for our sins, and rose again 3 days later. See, this is how I know the demons are talking through you. Because of what you say.

2 Thessalonians 2

2 Now concerning the coming of our Lord Jesus Christ and our being gathered together to him, we ask you, brothers, 2 not to be quickly shaken in mind or alarmed, either by a spirit or a spoken word, or a letter seeming to be from us, to the effect that the day of the Lord has come. 3 Let no one deceive you in any way. For that day will not come, unless the rebellion comes first, and the man of lawlessness is revealed, the son of destruction, 4 who opposes and exalts himself against every so-called god or object of worship, so that he takes his seat in the temple of God, proclaiming himself to be God. 5 Do you not remember that when I was still with you I told you these things? 6 And you know what is restraining him now so that he may be revealed in his time.

7 For the mystery of lawlessness is already at work. Only he who now restrains it will do so until he is out of the way. 8 And then the lawless one will be revealed, whom the Lord Jesus will kill with the breath of his mouth and bring to nothing by the appearance of his coming. 9 The coming of the lawless one is by the activity of Satan with all power and false signs and wonders, 10 and with all wicked deception for those who are perishing, because they refused to love the truth and so be saved. 11 Therefore God sends them a strong delusion, so that they may believe what is false, 12 in order that all may be condemned who did not believe the truth but had pleasure in unrighteousness.

Uriel said they are here to protect and save and to maintain and bring peace. Because it is not permitted to do war.

He had fair hair and had a sword in his right hand. You couldnt see the blade just the light. Like in star wars. It shone like sunlight.

she goes "there" because she is enraged and full of evil thoughts. revenge and manipulative games are the operative. the true sign of a cultist.

Quoting: **Salt**

Remember Salt, by practicing the occult, she opened many doorways (thereby giving legal ground) for spirits of filth to indwell her. They cloud her mind, bringing strong delusions or grandeur, deifying the flesh, while corrupting the spirit. These, I believe, are the reasons we find so many warnings in the OT and NT about not trying to contact the spirit world. Our only guide or interaction with the spirit world should be through what the Holy Spirit gives us.

I pray for her that these doorways are closed and that God the Father and Christ the Son, through the Holy Spirit allows her to find the one true path, which is God, through Jesus Christ.

My prayers for her are in faith, but ultimately, the gift of free will means she will have to seek it with the Lord if it is to happen.

@Candace - peace, love, good wishes and prayers for you...I despise the teachings, but love you as a sister in Christ!

It does not have to be SAID. Those that came here en mass to destroy the message of Uriel for any reason, wish war. It is that simple. There are in fact many zionist Christians supporting the

false state of Israel, what think war must happen to bring jesus back. Back to WHAT? if the world is destroyed what is there to come back too? There is intense mindlessness here. INTENSE. Now grow up all you mindless ones. your devils on two legs have been busy in Christianity since they created the word 'Jew"s for themselves in the 1700's and then went about changing your bible and everything taught in your churches, and on your radio stations and thru your music, and so on and so forth. Christianity has become the biggest GROUP threat to the coming of the Lord and Peace on this world Jesus did not create this religion, others did.

Quoting: **God Loves ALL**

Destroying the message of Uriel isn't wishing war on anyone. If you really DO believe what was said in the dream then by all means, read it again. It never said it was going to stop war anyway. Just that it wasn't permitted. Backtalk for "I want to sound holy and helpful, but in reality I'm giving you a false sense of security so that when the S does really HTF you'll be so shocked and afraid you'll do anything to survive"

And I'm no Zionist. I believe in Christ. I don't go to church, in fact, I was backsliding for a while there. Still am. I smoke, I swear, I'm human! But I'm getting back to the narrow path...in God's time. I'm learning everyday.

Jesus isn't coming back for land. That's Satan's domain. He's coming back for His children. Plain and simple.

Your worldly lord and master is panicking. No-one knows when Jesus will come back, not even Satan. And he knows he's a goner when it happens. I just hope and pray he won't be taking you with him.

To those that believe or maybe have been deceived into believing that this beautiful creation that God took great care to make perfect can be used, soiled, destroyed and thrown away for whatever purpose last but not least to bring the Kingdom, how ridiculous is that?

Remember what was written before destruction of earth was even in any way plausible or imaginable

New International Version (©1984)

revelation 11.18

The nations were angry; and your wrath has come. The time has come for judging the dead, and for rewarding your servants the prophets and your saints and those who reverence your name, both small and great--and for destroying those who destroy the earth."

Thank you for that part, but the rest of it is not faked beloved, it was promised teaching and My guess is you never read any of it. There is nothing faked about Christ Michael, MY TEAM MEMBERS (besides myself) have ample experience directly with HIM. Christ Michael is spoken of in revelations even, you know that part about Michael and HIS ANGELS, remember, I assume you read that part. HIS ANGELS are the arch angels that HE and MOTHER CREATED, as mentioned.

Christ Michael is real, WE, quite a few of us go often to craft for the meetings, nothing invented at all. We KNOW because we KNOW. Nesara failed, yes, the thugs keep "stealing" from the Foundation Divine and the lighted ones walking in the united states, kept being deaded etc. and could not get it thru, because of global control of the beast. the Khazars. It was canceled some time ago. Jupiter ignition is real, I have seen the SUN JUPITER< and NASA even posted its baby pics. I always was given as final proof, Star SHIP jupiter turning off its lights, and I assure you, Jupiter planet cannot so such a thing.

Now do not put down the UB unless you READ it PERSONALLY, every last page. for you cannot put it down if you did not read it.

Michael of Nebadon, is back and personally supervising this whole show, and sharing the job with Esu, the other one who shared the body back then. Esu has special roles and will be in fact, for about 1000 years, planetary prince, in sharing with Machiventa Melchizedek, the Melchizedek who came at the time of of Abraham, and put down a nuclear war at that time. Those people there in Israel region at that time were fuckups.

the UB was a gift, allowed by our Avonal son from Paradise, who has been here since about 1200 AD. Man has NO COSMOLOGY of measure, although some of the "holy books" have bits and pieces. The bible has practically none and what is in it is confused.

Those of you Left Behind after the 3DD's will be getting the truth.

thankyou for this post for all those that claim their works don't matter, for it is by works that one is judged and by works for God that one builds their soul.

Christians, read it, there it is. Where are your works? Those of you who posted against URIEL in this thread, your faith appears rather dead. That 911 has not been exposed, that so many of you continue to play the party system and will not come out of that, that 20+ million have been genocided since 911 in the middle east if proof of your DEAD Faith, there are not works to uplift this world by you.
