Lisa, you came back again, because you've got back-up from your little fan club. Back to wreak more havoc on this thread. You really are a servant of the dark side. I have no doubt now whatsoever about this. You have lost your soul Lisa & have become like those that you supposedly fight against.

The dark certainly does not like anything uplifting, inspiring, helpful, or anything or anyone that brings some joy to others. Hence this thread, Op & her dream message has been bombarded & attacked by you and your kind. You simply are being used. Pitiful.

Nope....I came back because my sister Salt was being attacked and I wasn't going to stand by and let her take the abuse all by herself.

Sure Lisa, you came back because Salt showed to up & would cover your back. That's how your little cult club works. If Salt said the sky is green, you would post a bunch of flowers back to her. Incapable of independent thought. Salt showed up to assert her own big ego just like most of your club members do. Pathetic.

Matthew 7

Watch out for false prophets. They come to you in sheep's clothing, but inwardly they are ferocious wolves. 16 By their fruit you will recognize them. Do people pick grapes from thornbushes, or figs from thistles? 17 Likewise, every good tree bears good fruit, but a bad tree bears bad fruit. 18 A good tree cannot bear bad fruit, and a bad tree cannot bear good fruit. 19 Every tree that does not bear good fruit is cut down and thrown into the fire. 20 Thus, by their fruit you will recognize them.

"Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but only the one who does the will of my Father who is in heaven. 22 Many will say to me on that day, 'Lord, Lord, did we not prophesy in your name and in your name drive out demons and in your name perform many miracles?' 23 Then I will tell them plainly, 'I never knew you. And what is the will of the Father

John said God is Love

Christ said let us be recognized by how we love

To forgive our enemies

How can war give good fruit?

By their fruits

By everythings fruit

can one see the nature of it

beyond and above a very intricate and elaborate web of deceit that has been spun for a very very long time

To those that believe or maybe have been deceived into believing that this beautiful creation that God took great care to make perfect can be used, soiled, destroyed and thrown away for whatever purpose last but not least to bring the Kingdom, how ridiculous is that?

Remember what was written before destruction of earth was even in any way plausible or imaginable

New International Version (©1984)

revelation 11.18

The nations were angry; and your wrath has come. The time has come for judging the dead, and for rewarding your servants the prophets and your saints and those who reverence your name, both small and great--and for destroying those who destroy the earth."

Quoting: **Anonymous Coward 27904634**

Satan is the one destroying. Through the minds and hearts of men. By greed, lust, power, pride...and it's not just the land. It's far more than that. It's the union with Christ and man he wants to see totally annihilated. By any means. You have to remember, he is THE great deceiver. He knows all the tricks of the trade. He knows your biggest fears, your vulnerabilities, your weaknesses. And he'll use them to his advantage every time.

I guess you've made up your mind OP, and I can't do anything about that. But I ask you one favour, for yourself. Ask God. Whether you listen to anyone on here or not. The One you'll get the truth from is Him.

And if you DO have any more visions, ask them if they serve Jesus Christ. Ask them if they believe Jesus is God in the flesh. If they really are of God, then you'll have your answer. If they can't answer you, then you'll still have the answer.

I'm off anyway, time for bed for me.

I hope you can work it out. I'll pray that you find your answer

Yep. I am truly disgusted reading all of Salt's and Lisa Lisa's comments on this thread. All I see is bullying over the head in an attempt to convert someone. This is NOT the fruit of the spirit, which is love, kindness, gentleness and self control. Even the disciples were told to shake the dust off their feet if they went into a place and were not welcomed there by means of their message. Jesus did NOT say to continue to harass, bully, force their views on people who are not receptive.

It is a sad day when a message of peace and love is demonic

As it is when apparitions asking for repentance, conversion, prayers are also demonic

Its a sad day when war and destruction are somehow Godly

But then again Christ was accused of being possessed by demons..

Do you know how many souls are lost in a war?

and no I dont mean physical death which is a tragedy

The death of the soul

Have you any idea how many are lost to Gods Grace because of actions committed in war, or omissions, or thoughts etc..?

Have you any idea the harvest of souls that are collected that go to their condemnation?

Yet we are made to believe God would use this to bring in the Kingdom?

We really need to wake up :)

Have you read Revelation???? I can guarantee you, it is NOT a time of peace on earth. The OP message aligns with the alien deception. These fallen angels will pose as peaceful saviors (see the 10 horns/kings of daniel/revelation). There will be a "little horn"/Antichrist among them who will 'take the place of" Christ and will deceive many.

No one is saying war and destruction are godly...just that we have been WARNED there is a time of chaos and deception coming unlike anything humanity has ever seen.

2 Corinthians 11:14-15

14 And no marvel; **for Satan himself is transformed into an angel of light.**

15 **Therefore it is no great thing if his ministers also be transformed as the ministers of righteousness;** whose end shall be according to their works.

And to be told this in a dream is somehow demonic?

To be told that war is not the way of Children of God

this is demonic?

To have people condemn themselves in war through actions and go to eternal damnation is all of a sudden not only good, but something to really look forward to? to embrace? to cheer on? and this is something Godly, saintly heavenly?

or necessary. this is necessary they say

necessary? tell that to those that die and suffer, to those that go to hell for actions etc.. committed in war

tell them it was necessary

and to want to avoid all this is simply demonic

to travel in space yes they do, if they are in using a meat suit to work with us. Does you meat suit travel in space? Ponder that one.

If the evacuation should become necessary, they have brought a large number of evacuation craft here, where you can continue the present incarnation in your meat suit. THINK it would behoove you to do so.

You will have a meat suit of one version or another, until you have completed Michael's system and can use a spirit form. Until then, meat suits are necessary to your progress.

Too many have been listening to words of mere men and women and forgetting the words of the Messiah I think

Too many have taken over the place that rightfully belongs to Him and Him alone and basked in His Glory while using it to leaf others astray

Hiw words guide us and are NOT OPEN TO INTERPRETATION

On key matters HE was clear and specific. He didnt mince words, and most certainly didnt need any mere man or woman to come along to clarify what He meant because He couldnt explain Himself, or to correct Him because He didnt know what He was talking about

So I would advise them, between Halleluyas, to get off their pedestals,

because if He didnt consider Himself worthy of standing on one I dont think they should either

Searching a number is not proof of jACK SHIT BELOVED. My own number changed again just recently, not sure which day. His message is peace and love
To love your enemies
No he didnt need anyone to come along and elaborate on that and spin on it a little bit or maybe neatly tuck it under the carpet because He got it wrong
it was clear and to the point

As to the sword and the division he spoke about it is a prediction of how His word would be used for this, as we can see very clearly

None of his immediate followers used violence to defend Him or themselves preferring martyrdom rather than to go against His Word.

But along came some men and women who thought they knew better. And turned His message of love and unity into one of war and division
Where to be warlike is to be proper and upright, a bastion of community!?
To be Christian all of a sudden is to be gung ho and ballistic!?

Oh really?

and what about Blessed are the peacemakers for they shall be called children of God?

Did He get that wrong too?
Or maybe He didnt know what He was talking about?
Maybe its taken out of context?
Lost in Translation?
Or maybe who cares, He is not around lets do what we want and roll with it?

This is my interpretation:Gods Creation is under threat by the forces of evil that mask themselves in holiness and self righteousness. Their intent is to destroy it all

The attack against God is through His Creation as they can not attack Him directly

That is why the Angels are here.

Indeed this thread started out with a beautiful message and warning to mankind. But the dark ones know the game is almost up & they send in their messengers to thwart these warnings from reaching the masses.

Some of you dark messengers should watch the movie The Day the World stood still. A very important message in it, pertaining to what the OP's message is here.

War never has and never will solve mankind's problems. Why does it take humans so long to learn this lesson. Has not enough blood been shed already enough innocent babies been slaughtered, in the name of your religions?

You who support war as a means towards salvation are spitting upon the face of this Earth & all who reside upon it. You are spitting upon the sacred and the divine in the name of your God & the book you follow. A book that for the most part was written by the dark ones a long time ago.

If you really want peace & heaven upon this Earth, put down your weapons of war & hatred. Let go of these religions that keep mankind divided and enemies of each other. It really is that simple. Choose another way to solve your differences & seek peace and love, harmony & beauty in your lives.....

I have to remind again that I am Christian and Catholic.

We must use discernment and not be led like cattle without realizing we are being led exactly to where they want us to go pasture, all along thinking we are doing the choosing.

Christ's message is loud and clear.

Where is it written by Christ or in revelation that he who brings peace to that area is the Antichrist?

or are we being deceived like children?

thinking that division. war and strike is according to God's will

and peace and love among mankind demonic?

or is it perhaps because there are hidden interests and agendas that twist and spin the truth in

Brother/sister you are so confused. When one humbles themselves and asks Jesus Christ in your heart you open a door spiritually to allow his spirit to come within you that is being born again born by Gods spirit.

You asked about the 10 Virgins

this was one of the first parables that the Holy Spirit revealed to me

10 virgins = 100% of Christians

5 virgin were foolish= This is 50% of Christians who were not right with God when the rapture came and were left behind. They were not full of his spirit which is his oil.

5 virgins that were wise+ This is 50% of Christians who were filled of his spirit and the gifts of the spirit of God. These were the one that when the rapture came they were lifted supernaturally.

Aliens and Demons are one in the same.

When the rapture of God does come the Govt of the world will need an excuse for disappearance of so many this is where the conspiracy of ufo's will come into play. And their will good cop bad scenario between aliens. It's the big DECEPTION that the bible warns of. GOD LOVES ALL be careful because from everything you write is deceiving people and you yourself is deceived. Pray humble yourself and come to Jesus Christ

He says there will be many who come in my name believe them not. People do not believe all this new age crap be careful it is part of the great deception.

And to be told this in a dream is somehow demonic?

To be told that war is not the way of Children of God

this is demonic?

To have people condemn themselves in war through actions and go to eternal damnation is all of a sudden not only good, but something to really look forward to? to embrace? to cheer on? and this is something Godly, saintly heavenly?

or necessary. this is necessary they say

necessary? tell that to those that die and suffer, to those that go to hell for actions etc.. committed in war

tell them it was necessary

and to want to avoid all this is simply demonic

Quoting: **Anonymous Coward 27904634**

the reason why it's demonic is because right before the "end" the antichrist will come appearing as an agent of peace for the world. this, of course, is total deception, because underneath his peaceful guise is a plan for total destruction.

he will be a counterfeit Christ. looking and appearing like Christ, but very evil and deceptive. it will fool many (except those who are already baptized with the Holy Spirit).

So, the reason why this message from an entity who claims to be an agent of the Lord, is demonic, is because it clearly aligns with what we know from Revelation, to be part of the grand deception.

any one of us who have come to this thread trying to explain why this is a demonic message are told we are bullying when in fact we are trying to help save people from great deception.

Sure Lisa, you came back because Salt showed to up & would cover your back. That's how your little cult club works. If Salt said the sky is green, you would post a bunch of flowers back to her. Incapable of independent thought. Salt showed up to assert her own big ego just like most of your club members do. Pathetic.

Quoting: **Anonymous Coward 7554855**

Yep. I am truly disgusted reading all of Salt's and Lisa Lisa's comments on this thread. All I see is bullying over the head in an attempt to convert someone. This is NOT the fruit of the spirit, which is love, kindness, gentleness and self control. Even the disciples were told to shake the dust off their feet if they went into a place and were not welcomed there by means of their message.

Jesus did NOT say to continue to harass, bully, force their views on people who are not receptive.

Quoting: **Anonymous Coward 12966144**

That's funny, I just searched for your user id to read all of the threads that you've created to bring Glory to God, but I didn't find any.

It's easy being an armchair quarterback, huh? It's rather easy to point out what you perceive as your brothers and sisters flaws while you sit on the sidelines while we get cursed, spit at, lied

about, slandered, death threats and what not on a daily basis, isn't it?

Must be nice to sit up there on that throne and not get your hands dirty while your sisters labor in the field and get cut up and bruised. And yet you find fault...incredible.

Matthew 7:5 "You hypocrite, first take the plank out of your own eye, and then you will see clearly to remove the speck from your brother's eye."

Quoting: **Lisa\*Lisa**

Jesus said that those who come in His name will suffer persecutions and hatred. He also said that a servant can never be above his master. so, consider it all joy when we come proclaiming the Word of God and then are hated for it. It is prophetic.

Christ said that the whole of the law was to be found in this:

Thou shall love the Lord thy God with all thy heart and soul, thy mind and strength and love thy neighbor as thyself.

Christ called the pharisees a synagogue of satan and yet you support them

the judeans, under the pharisees delivered Christ to be crucified and they took the responsibility and blame upon their own heads and the heads of their children...as they themselves stated...

the pharisees infiltrated the church in its beginning and never left. They changed the holy words of God to the corrupt words of men and still could not destroy the truth for those that seek God with a pure and contrite heart...yet all you believe are the lies they want you to believe.

you are Christians and yet know nothing of the council of Nicea? How many holy works have been kept from you?

you think that to believe is enough. faith without works is an empty, useless vessel. You believe that Christ died for your sins but you keep sinning in the belief that it's alright as long as you believe.

you want war and clamor for the blood of your brothers and sisters, thinking that it will fulfill prophecy and gain you heaven in the promised land.....

you say you follow Christ, but walk everywhere BUT in His footsteps.

you support those who hate God and crucified Christ.

The prophecies are not about the end of the world for the sake of it. It is all about your unwillingness to love God, yourselves and each other as one.

you seek to make all of this so through your own efforts because you are the people of the lie. Christ said that the Kingdom of God is within you yet you look to others for the salvation that can only come from communion with The Father...as Christ prayed to the Father, asking that HIS WILL BE DONE and not His own...why are you so hellbent to see your wills be done in blood and destruction?

You know nothing of the divinity within you and hate all who remind you of it. you ridicule this servant who seeks to be a friend to God and Christ because you are slaves of the adversary of God and their selfish, material, fear based, evil system of things on this world and throughout all of that, you tell yourselves that YOU will be spared the very same fate that you wish upon others because you are chosen. Foolish sheep! God can only choose those that have chosen Him...and that choosing comes from within that you may choose to serve the Master Creator, Source and Center of All Things and be in unity with His Will. You are not friends of God or Christ if you insist on building your foundation on the quicksand of such lies as you believe.

Do you really think that God will reward you with heaven after perpetuating so much fear and hatred and bloodshed against your own brothers and sisters in the Great Bond of Life?

Uriel has spoken and it has been delivered.

The murder of war is a sin and you are joyfully following your pharasaic masters into your own thousand years of darkness in another place while the lovers of God in all, as all, being one in all things, shall humbly and graciously enter a new understanding of light and life and dwell in holy love....and no corrupted religion or -ism, or banking cabal or bloodline will be able to save you when you realize that you spit in the face of the Love of God and Christ.

You think the sword will not come down on you and say it is others...and others say the same, as well....let us see...let us see who the lovers, friends and servants of God...be. Until then, be careful what you ridicule. The genius of all men of all times, put together, is but foolishness in the sight of God.

Scream for God's Will to be done and pray that the actions of your own being fall within it and ever strive to live by His Will and let others find the speck of dust in their own eyes...it is enough for any of us to remove the 2 X 4 from our own.

normally, i stay away from this site...you dark trolls are despicable beyond reason and the sleeping sheep are...well...that's on them...but i was asked to deliver this message in support of Uriel. What you do and are is up to you, as are the consequences....God Thinks. God is the greatest thinker, bar none. Infinity and eternity are but part of His One Thought in which we exist and if He did not think of us, we would not be....GOD THINKS! Is it too much to ask for all of us to follow His example and do the same to the best of our abilities?

Say what you will about all of this, that is your right. But real messages of great import are being delivered hand over fist, right now, as well as the lies to counter them. If you cannot make the effort to do as God says and go within and do the work...that's on you.

It is better to rely on God than to rely on men or nobles...

God is within and without...but to commune in and with God...you have to go within. What you are experiencing around you is the manifest result of the overwhelming majority of this worlds population ignoring and resisting that truth.

so

okay

remember....you asked for what's coming.....(-I-)

And to be told this in a dream is somehow demonic?

To be told that war is not the way of Children of God

this is demonic?

To have people condemn themselves in war through actions and go to eternal damnation is all of a sudden not only good, but something to really look forward to? to embrace? to cheer on? and this is something Godly, saintly heavenly?

or necessary. this is necessary they say

necessary? tell that to those that die and suffer, to those that go to hell for actions etc.. committed in war

tell them it was necessary

and to want to avoid all this is simply demonic

Quoting: **Anonymous Coward 27904634**

the reason why it's demonic is because right before the "end" the antichrist will come appearing as an agent of peace for the world. this, of course, is total deception, because underneath his peaceful guise is a plan for total destruction.

he will be a counterfeit Christ. looking and appearing like Christ, but very evil and deceptive. it will fool many (except those who are already baptized with the Holy Spirit).

So, the reason why this message from an entity who claims to be an agent of the Lord, is demonic, is because it clearly aligns with what we know from Revelation, to be part of the grand deception.

any one of us who have come to this thread trying to explain why this is a demonic message are told we are bullying when in fact we are trying to help save people from great deception.

I too am christian and Uriel is truly an Angel of GOD. Do a google search of books mentioned in the bible but not included you will be surprised what you find. Also read the book of Enoch which

the christian church of Ethiopia still use. Their is so much more to the things of GOD then just the selected books within the canon bible. Don't take my word for it but ask the Holy Spirit to give you Wisdom if those books are of him. These books give Glory to the Father, Son , Holy SPirit. Ask the Holy Spirit for Wisdom and Understanding. Uriel is mentioned in this book. In the bible alone their are only two names that's Michael and Gabriel. But the book of Enoch gives you all seven Michael, Gabriel, Raphael, Uriel, Raguel, Ramiel, Saraqael. It also reveals what demons are which is not fallen angels as the majority of us Christians believe. They are actually offsprings of the Fallen Angels. Anyways before you make any assumptions look deeper. There is much lack of wknowledge.

i agree. it's important to include the OT apocryphals to fill in some important gaps.

the Uriel mentioned in Enoch's writings is actually Gabriel.

they are not two different angels.

this has been historically/archaeologically verified

Yes, there is an angel named Uriel. There is also an archangel named Michael that candace claims to meet on a spaceship.

There are imposters, and then there are the real ones. The real ones will declare the glory to God and will not say things that go against the Bible, they endorse the Bible, and they give all glory to God, and they RARELY appear to people. If they do, it's to glorify God.

One has to test the spirits to see if they are real or imposters.

Also, we dream many times each night. Just because one dreams of an angel doesn't mean it was an inspired or prophetic dream. Very well could be the imagination of the dreamer. Test the spirits.

Does the dream really line up with scriptures? Would a holy angel of God appear to this person in a dream to say that we should stop war? Just this one person? Would an angel of the Lord talk say that they are here to free people, and not say that Jesus is salvation? The message doesn't add up.

But, it does add up with the new age false channeled messages from the fallen angels.

Indeed this thread started out with a beautiful message and warning to mankind. But the dark ones know the game is almost up & they send in their messengers to thwart these warnings from reaching the masses.

Some of you dark messengers should watch the movie The Day the World stood still. A very important message in it, pertaining to what the OP's message is here.

War never has and never will solve mankind's problems. Why does it take humans so long to learn this lesson. Has not enough blood been shed already enough innocent babies been slaughtered, in the name of your religions?

You who support war as a means towards salvation are spitting upon the face of this Earth & all who reside upon it. You are spitting upon the sacred and the divine in the name of your God & the book you follow. A book that for the most part was written by the dark ones a long time ago.

If you really want peace & heaven upon this Earth, put down your weapons of war & hatred. Let go of these religions that keep mankind divided and enemies of each other. It really is that simple. Choose another way to solve your differences & seek peace and love, harmony & beauty in your lives.....

Quoting: **Anonymous Coward 7554855**

The danger lies in a "false peace." There will be no peace on this earth in this age.....even when Messiah reigns, there will ultimately be chaos and war. Only when the new earth and new heavens come into being, will there be peace.

He is not only mentioned in the book of Enoch but various others. The names found in the bible are only 2 or should I say titles bc they have title of what they do in GOD each one has a different meaning. Anyways if the bible only mentions two out hosts of angels, don't you think you dismissing this dream to fast. I believe he was giving a warning about the sixth seal being opened and the trumpet sounding. And as far as the peace I believe he was speaking regarding the chosen. who will be with the lord.

## God Loves All

Brother/sister you are so confused. When one humbles themselves and asks Jesus Christ in your heart you open a door spiritually to allow his spirit to come within you that is being born again born by Gods spirit.

You asked about the 10 Virgins

this was one of the first parables that the Holy Spirit revealed to me

10 virgins = 100% of Christians

5 virgin were foolish= This is 50% of Christians who were not right with God when the rapture came and were left behind. They were not full of his spirit which is his oil.

5 virgins that were wise+ This is 50% of Christians who were filled of his spirit and the gifts of the spirit of God. These were the one that when the rapture came they were lifted supernaturally.

Aliens and Demons are one in the same.

When the rapture of God does come the Govt of the world will need an excuse for dissappearance of so many this is where the conspiracy of ufo's will come into play. And their will good cop bad scenario between aliens. It's the big DECEPTION that the bible warns of. GOD LOVES ALL be careful because from everything you write is deceiving people and you yourself is deceived. Pray humble yourself and come to Jesus Christ

He says there will be many who come in my name believe them not. People do not believe all this new age crap be careful

it is part of the great deception.

Quoting: **Semper Fi 6875630**

No beloved, I already read YOUR version in another thread which is where I got it in the first place, but I chose not to embarrass you by posting your commentary. This is not about Christians. When it was given there were exactly NO CHRISTIANS in fact. Jesus did not start Christianity, the evil PAUL did. The 50% here are the ones who did not prepare for the coming of the lord by raising their kundalini. No holy spirit is found within them that do not respond to the energies of the cosmos at this time. There is no rapture by God. That is all completely false story and bs of the dark thugs, of your antichrists that walk this world.

When the WAVE soaks in to this planet, it will raise the kundalini of all who have hooked 12 strands of DNA. The "lifting" is the lifting or raising of the kundalini. It is symbolized by the star of David, the one with the two triangles merging. Man who stays at 2 strands of DNA remains an animal and continues his journey someplace else.

YOUR EVIL INTERPRETATION IN FACT LEAVES OUT GOD'S OTHER SONS AND DAUGHTERS WHO ARE OF NO RELIGION, OR ARE ISLAMIC, BUDDHIST, HINDU, AMERICAN INDIAN AND ALL THE OTHER RELIGIONS AND CULTURES OUT THERE. YOU WHO ARE CHRISTIAN ARE NOT SPECIAL. THE WORLD IS FULL OF REINCARNATING SOULS THAT MAY HAVE EXPERIENCED THEM ALL.

Christ said that the whole of the law was to be found in this:

Thou shall love the Lord thy God with all thy heart and soul, thy mind and strength and love thy neighbor as thyself.

Christ called the pharisees a synagogue of satan and yet you support them

the judeans, under the pharisees delivered Christ to be crucified and they took the responsibility and blame upon their own heads and the heads of their children...as they themselves stated...

the pharisees infiltrated the church in its beginning and never left. They changed the holy words of God to the corrupt words of men and still could not destroy the truth for those that seek God with a pure and contrite heart...yet all you believe are the lies they want you to believe.

you are Christians and yet know nothing of the council of Nicea? How many holy works have been kept from you?

you think that to believe is enough. faith without works is an empty, useless vessel.

You believe that Christ died for your sins but you keep sinning in the belief that it's alright as long as you believe.

you want war and clamor for the blood of your brothers and sisters, thinking that it will fulfill prophecy and gain you heaven in the promised land.....

you say you follow Christ, but walk everywhere BUT in His footsteps.

you support those who hate God and crucified Christ.

The prophecies are not about the end of the world for the sake of it. It is all about your unwillingness to love God, yourselves and each other as one.

you seek to make all of this so through your own efforts because you are the people of the lie.

Christ said that the Kingdom of God is within you yet you look to others for the salvation that can only come from communion with The Father...as Christ prayed to the Father, asking that HIS WILL BE DONE and not His own...why are you so hellbent to see your wills be done in blood and destruction?

You know nothing of the divinity within you and hate all who remind you of it. you ridicule this servant who seeks to be a friend to God and Christ because you are slaves of the adversary of God and their selfish, material, fear based, evil system of things on this world and throughout all of that, you tell yourselves that YOU will be spared the very same fate that you wish upon others because you are chosen. Foolish sheep! God can only choose those that have chosen Him...and that choosing comes from within that you may choose to serve the Master Creator, Source and Center of All Things and be in unity with His Will. You are not friends of God or Christ if you insist on building your foundation on the quicksand of such lies as you believe.

Do you really think that God will reward you with heaven after perpetuating so much fear and hatred and bloodshed against your own brothers and sisters in the Great Bond of Life?

Uriel has spoken and it has been delivered.

The murder of war is a sin and you are joyfully following your pharasaic masters into your own thousand years of darkness in another place while the lovers of God in all, as all, being one in all things, shall humbly and graciously enter a new understanding of light and life and dwell in holy love....and no corrupted religion or -ism, or banking cabal or bloodline will be able to save you when you realize that you spit in the face of the Love of God and Christ.

You think the sword will not come down on you and say it is others...and others say the same, as well....let us see...let us see who the lovers, friends and servants of God...be. Until then, be careful what you ridicule. The genius of all men of all times, put together, is but foolishness in the sight of God.

Scream for God's Will to be done and pray that the actions of your own being fall within it and ever strive to live by His Will and let others find the speck of dust in their own eyes...it is enough for any of us to remove the 2 X 4 from our own.

normally, i stay away from this site...you dark trolls are despicable beyond reason and the sleeping sheep are...well...that's on them...but i was asked to deliver this message in support of Uriel. What you do and are is up to you, as are the consequences....God Thinks. God is the greatest thinker, bar none. Infinity and eternity are but part of His One Thought in which we exist and if He did not think of us, we would not be....GOD THINKS! Is it too much to ask for all of us to follow His example and do the same to the best of our abilities?

Say what you will about all of this, that is your right. But real messages of great import are being delivered hand over fist, right now, as well as the lies to counter them. If you cannot make the effort to do as God says and go within and do the work...that's on you.

It is better to rely on God than to rely on men or nobles...

God is within and without...but to commune in and with God...you have to go within. What you are experiencing around you is the manifest result of the overwhelming majority of this worlds population ignoring and resisting that truth.

so

okay

remember....you asked for what's coming.....(-I-)

Beloved I am here in SERVICE TO THE MOST HIGH. The FAther Himself and Michael of Nebadon, my creator of my soul long ago. I run in partnership with Jesus the 2nd Coming Organization of Abundanthope. I have experience YOU can only dream of. We come to show the way. What are YOUR PLANS for ETERNITY? I have LIVING MINE.

Quoting: **God Loves ALL**

I really don't care about your experiences, honestly. \*You\* come to show the way to WHAT? And unless you tell me the name of the Father and His Son....I don't believe you are following the same Creator that I am.. and who the heck is the organization of abundanthope?

I have picked no truths out of my nose. I am an old soul and I know who I am and what I DO. I commune every day with these ones. Sometimes many times a day and I am a grouch today because I worked on craft most of the night while you slept. And coming here to read TRASH is not exactly my idea of fun. OP performed the service he was requested to perform, in GREAT CHARACTER I might add. So STFU because you have no knowing to speak of.

Quoting: **God Loves ALL**

I'm not sure who you are communing with, and I really don't care. There is only ONE who I spiritually commune with. Yyou work on \*craft\* during the night, well, snap....guess that spells everything out clearly.....

All sort of new material has been given as promised for the end of the age and you ones keep trashing material you won't even bother to READ. READ the Urantia BOOK. READ the Phoenix Journals, READ WALTER RUSSELL. READ the great stuff the rest of my team has provided to you. READ at [www.wisdomoftherays.com](http://www.wisdomoftherays.com)

Ron of my team does wondrous teaching about the black games form the new that makes the net and TV . Others provide the finest of other material. We have a global team and you don't give a fat fuck, so why I even entertain you ones, I have no idea, but I do it out of LOVE and the hopes that this world will rise up and create the necessary Planetary Being they must become before they can seed other worlds. We don't want this trash on other worlds that are growing.

If the OP prays to the Father in Heaven, through Jesus Christ and asks with a sincere heart, he will get the answer that he needs one way or another. ok, i am sitting here at the public library looking up reference books on the angel Uriel.

actually its Uri-el

"el" meaning God - so the name is Uri "of" God.

As in Gabri-el, or Rapha-el, Sari-el, Micha-el, and so on.

Side note: Gabriel, interestingly enough, Gabri-el might have been more of a female form than male, although I don't know if I accept that completely at this point. It was thought that Mary (at the annunciation) would not have spoken to a male and only opened up to the angel when she realized it was female. Not sold on that completely, but it is interesting.

Another interesting thing about Gabri-el - the word Gabri, or GBR in the sumerian, or Gibor,

actually means governor or gubernator. Fitting for this one.

Anyway, back to Uri-el. means "Fire of God"  
Sometimes named Phamuel - "face of God"  
is both a Seraphim and a Cherubim and presides of Tartarus (or Hell)

Uri-el appears as the Angel of Repentance who is huge, powerful, pitiless as any demon you wouldn't want to meet in hell. he's a big dude, and basically the president of Hell (Hell as in biblical hell, not fundie Christian hell. God is present in the real Hell, and so are His hosts). It is thought that Uri-el might have been the cherubim that stood at the gate of the garden of Eden. Also Uri-el might have been the dark angel that wrestled Jacob (which this one fits the description) but there is no biblical evidence of that to support.

Other ancient texts say that Uri-el was the one who gave the Kabbalah to man.

In the Midrash, Uriel appears as a fiery serpent and attacks Moses.

In any regard, Uri-el is not mentioned by name in any of the scriptures, so any accounting to Uri-el is merely speculation.

I don't know what book you are reading from but the knowledge that was given to Jewish mysticism Kabala was Raziel not Uriel I have investigated that info thoroughly. It was a fallen angel that sided with Luzbel or Lucifer.

all of the writings that depict Uri-el say that he is giant, menacing looking, super uber-righteous, goes by the book fiercely, and handles some of the big jobs like breaking down the bars of the pit, presidency in Hell, etc etc.

Seraphim are considered the highest order of God's angelic servants. They are in direct communion with God. They are beings of pure light but can appear to humans in an angelic form.

They have six wings and four heads (faces). Two wings cover the face, two the feet and two are used for flying. They are known as the fiery flying angels of lightning who roar like lions.

Cherubim are interceders, hold the second hierarchy below Seraphim, and are considered terrible and monstrous guardians of the temples and palaces. It was thought that a Cherubim guarded the Tree of Life in the garden of Eden.

They have four wings and four faces like Ezekiel saw in his vision.

Nothing is new

So a dream where an Angelic being says war is not the way, war is not permitted, the way is that of love and peace is demonic?

I suppose a dream where an entity says go for it bomb the bejeezus out of everyone..civilians too..burn destroy..maim..kill is angelic?

Oh I forgot it is mentioned in the bible

maybe some have forgotten that mans judgment is based on free will otherwise the judgment would be unjust as man would have no option..no choice

Free will means that regarding mans actions nothing is predetermined, all is open possibility

Therefore the war of men towards other men is a choice, a possibility , that can happen or not and is mentioned AS A POSSIBILTY and according to the choice will be the route that will lead to the DETERMINED outcome which is Gods ultimate WILL

In Gods WILL there is no free choice, change of mind or pondering. IT IS and remains invariable

the only variant comes in all that regards mans free will which is necessary for the judgment to be just

There can be no prophecy regarding man because man has options that are given via free choice the only thing that can be prophesized is the final outcome which is Gods WILL

so a man has a choice to go by train or to walk to the town centre

he can choose to go by train, if he goes by train he will get there quicker probably and not be as tired

If he chooses to walk he will probably get bthere later and be tired

but the final outcome will be the town centre because that is where he is he is going. that is predetermined

the train or walking is the choice that determines the effects..not the outcome

one can not prophesize the choice as one would be conditioning the choice itself

one can prophesize the outcome if one knows, because the outcome is predetermined and is Gods Will

the example is not the best but I hope you get the idea

So the fact that wars are mentioned DOES NOT MEAN WARS MUST TAKE PLACE

It is a possibility that will have consequences if chosen

Peace is another that too will have consequences....both routes will lead to the final judgment and the result thereafter

Nothing is new

So a dream where an Angelic being says war is not the way, war is not permitted, the way is that of love and peace is demonic?

I suppose a dream where an entity says go for it bomb the bejeezus out of everyone..civilians too..burn destroy..maim..kill is angelic?

Oh I forgot it is mentioned in the bible

maybe some have forgotten that mans judgment is based on free will otherwise the judgment would be unjust as man would have no option..no choice

Free will means that regarding mans actions nothing is predetermined, all is open possibility

Therefore the war of men towards other men is a choice, a possibility , that can happen or not and is mentioned AS A POSSIBILTY and according to the choice will be the route that will lead to the DETERMINED outcome which is Gods ultimate WILL

In Gods WILL there is no free choice, change of mind or pondering. IT IS and remains invariable

the only variant comes in all that regards mans free will which is necessary for the judgment to be just

Quoting: **Anonymous Coward 27904634**

your original post said that the angel told you they are here to help bring peace and stop any wars. They are here to save and free the planet.

Jesus is the ONLY one who will save the planet and bring peace. There will be many many wars, and total destruction to the planet and mankind combined.

The message you were given is in total contrast to God's word. A real angel of God would not tell you that.

Thanks OP for your great and courageous message.

Unfortunately, the EGO-PATHS, Lisa Lisa, Salt, God loves all, had to come and hijack the thread with their crap and lack of real Christian humility. Instead they come in with their hacking cough of naysaying and dissent, spreading their infectious evil throughout the pages.

You people do not hear from God, and are NOT capable of discerning "familiar spirits", because the Spirit of God is not in any of you. Work out your faith with fear and trmbling, cause as with the unwise virgins, you'll be pounding at the door of the banquet. Shameful Philistines, the bunch of you.

This person came with a message, a message of hope. He/she was not bombastic about it, just gave it out as seen and heard, but like vultures, they had to alight upon it in an obscene and vulgar manner....and the dufus/ignoramous Salt who pontificated, Uriel was not an Archangel, and later saying that he and Gabriel were one and the same, what a bunch of crap/lies.

Not to mention the Catholic-Hater, lisa Lisa, who said angels don't appear to people in

dreams....what angel appeared to Joseph when he was about to ditch Mary, when he discovered she was with child?, and what angel appeared to him yet again in another dream to warn him to flee to Egypt?...Gabriel, in case you forgot, hate-filled person that you are.

I will pray for all you dummies, that the good Lord give you the gift of humility, and the rest should follow.

Gracias de nuevo OP, por venir aqui para compartiros este mensaje real y importante.

OP, the whole bible is prophecy, and it tells exactly how this whole thing will play out, from start to finish.

It's already a done deal. God's word is final on the matter. The Bible is our guidebook in this life.

The big thread that runs the the Holy Scriptures is the continual fulfillment of prophecy. From the first page to the last verse, it is all about the fulfillment of prophecy that God gave MAN.

This is what verifies its authenticity.

So far to day, EVERY PROPHECY has been fulfilled. To the letter.

To say that anything is going to happen outside of what the scriptures speak of is to say that the WHOLE BOOK is false.

You do know that you worship your prophecies, hm?

If there were prophecies that said you jump off a bridge tomorrow, would you do it, to just fulfill your glorious prophecy ?!

See what is happening here.

There are no coincidences I believe.

God gives you the choice to decide for yourself, what you wish for this world. And you are choosing war. You claim it's necessary. Because it is written somewhere?

Well, I rather see this as your trial of faith.

God speaks to you through every human, not only through angels or scriptures, that have been manipulated over and over again. The church is corrupted to the core.

You need to free yourselves from all this and learn to listen to what is trying to reach for you from all around.

Throw all that anger away about what others believe.

Here's your chance to make your peace and decide for yourself to choose peace over war.

I don't know which god you want to impress and want to be loved by, in promoting war as necessary.

You're heading to a dark road, if you don't recognize the divine in your brothers and sisters that want to believe in peace and demonizing the way they receive their messages.

The greatest war of all is the one where you need to overcome yourself. Remember that.

There are not some elected few, only because it's in the scripture. There is no scripture that can tell you the truth and when you believe so, you're deceived by words.

The only scripture, where you can find the answers is already written within yourself. That is the only reliable source.

**Because angels can not speak against biblical prophecy...**

**They speak on God's behalf, and can't speak against the truth.**

**Why are you so sure?**

You are hearing from the WRONG ANGELS.... even satan came as an angel of light!

I'm sorry but I do have to comment. You have to understand that the catholic church is wrong on so many levels. In the bible the lord calls those whose who are his saints. yet in the catholic church they make images and tell you to pray to the saints. That's not in the Bible. They tell you go to a priest to ask for forgiveness. Jesus said come to me. They tell you to pray to Mary she was vessel of the holy spirit just like everyone who is filled with the holy spirit. Many teachings of the

Catholic Church go against what Jesus said. No where in the bible does it say that their will be pope. Or to pray to saints, or to pray to his mother. In fact he says to her when he dying on the Cross Woman look at your son and son look at your mother. Not once did he say mother or pray to my mother. He says by his own words come to the father in my name. If a person reads what Jesus stated and compares it to the teachings of the catholic complete opposite.

Are they thinking of others

or are they thinking of themselves

are they loving Christ

or are they using Him to get the reward they are salivating after

are they obsessed with saving themselves

or are they motivated by a profound love to please Christ, to Give Glory to God out of Love not asking anything in return

OP, prophecy is not going to change.

this world, and the sin in it, must run its course.

real Christians rejoice in this because we know that Jesus is returning to make all things new. no more pain, suffering, tears, evil, death.

i'm starting to think you are trolling your own thread.

@ Lisa Lisa....yes, I pray to Mary, as you stated..Not to worship her as you are wont to pointing out, but to honor her as the Mother of God, as you should also do.

When we honor Mary, we honor her Son, Jesus, conversely when we dishonor Mary as you have done so many times, we dishonor her Son.

God the Father gave her the greatest honor ever given to any of His Creation, to bear His only begotten Son, and thats why we Catholic lovers of Christ, honor His Mother, and remind people

The fighting in this thread is of no use. It is not anyone's place to tell another what to believe.

If you want to be a warrior, be a warrior of love. Not a warrior of self-righteousness. Egoism does not endear your cause.

Whether you choose to board a ship or stay on the Earth... it really doesn't matter. We will all end up in the same place sooner or later - back to the source. Love the journey and the path, no matter which one you choose. And respect the path that other's may choose. It is the one their heart tells them to take.

You can say from here till the end of time you are saved

you can repeat it till you are breathless

you can have others say it with and for you

it will not change anything

because only God decides who will be saved or not

our actions are not meant to be powered by the intent of being saved, but because of our unconditional love of Him, to honor and to please Him. to give Him Glory.

I expect you will say that all who believ in Christ are saved

I beg to differ.satan believes in Christ

Christ Himself says that not all who say Lord Lord will be among the chosen

it just doesnt work that way

it isnt a private p[arty where the ones who can afford it get the ticket

its a free invitation and no jacket required

everyone is called

but only few will be accepted

Someone was asking about the rapture scripture written in the bible here it

1Cor 15:51 Behold, I shew you a mystery; We shall not all sleep, but we shall all be changed,  
1Cor 15:52 In a moment, in the twinkling of an eye, at the last trump: for the trumpet shall sound, and the dead shall be raised incorruptible, and we shall be changed.

1Cor 15:53 For this corruptible must put on incorruption, and this mortal must put on immortality.  
1Cor 15:54 So when this corruptible shall have put on incorruption, and this mortal shall have put on immortality, then shall be brought to pass the saying that is written, Death is swallowed up in

victory.

1Cor 15:55 O death, where is thy sting? O grave, where is thy victory?

1 Thessalonians 4:15 For this we say unto you by the word of the Lord, that we which are alive and remain unto the coming of the Lord shall not prevent them which are asleep.

1 Thess 4:16 For the Lord himself shall descend from heaven with a shout, with the voice of the archangel, and with the trump of God: and the dead in Christ shall rise first:

1 Thess 4:17 Then we which are alive and remain shall be caught up together with them in the clouds, to meet the Lord in the air: and so shall we ever be with the Lord.

1 Thess 4:18 Therefore comfort one another with these words.

Luke 21:36 Watch ye therefore, and pray always, that ye may be accounted worthy to escape all these things that shall come to pass, and to stand before the Son of man.

The term rapture is a word meaning to be lifted at a twinkling of an eye

My opinion>This refers to the change that will happen after the judgemnt . When all will be chamnged. Those that are chosen and become eternal.

This is really pointless

you wont change your mind

you all will continue smugly to hope a nice pretty war happens so you can quietly wait for that pink cloud to come along and pick you up while others suffer and die and are destroyed and this planet is torn to shreds

thats the love Christ taught. I think not

This strange concoction

where so called Christians hold the bible in one hand and a nbook of war in the other, or maybe a weapon to kill others with

Oh I forgot Christ said he came to bring the sword

I dont think he or any of his followers ever used it

So the bible in one hand and the telly on while bombs fall on civilian houses and entire families are killed

oh but I forgot

it has to happen

what if it happnede to YOU

and that pink cloud ooops didnt come along

Here are more verses regarding the rapture

Luke 17:20-37 (We considered 17:20-25 last week, this week we focus on 17:26-37)

[20] Once, having been asked by the Pharisees when the kingdom of God would come, Jesus replied, "The kingdom of God does not come with your careful observation, [21] nor will people say, 'Here it is,' or 'There it is,' because the kingdom of God is within you."

[22] Then he said to his disciples, "The time is coming when you will long to see one of the days of the Son of Man, but you will not see it. [23] Men will tell you, 'There he is!' or 'Here he is!' Do not go running off after them. [24] For the Son of Man in his day will be like the lightning, which flashes and lights up the sky from one end to the other. [25] But first he must suffer many things

and be rejected by this generation.

[26] "Just as it was in the days of Noah, so also will it be in the days of the Son of Man. [27] People were eating, drinking, marrying and being given in marriage up to the day Noah entered the ark. Then the flood came and destroyed them all.

[28] "It was the same in the days of Lot. People were eating and drinking, buying and selling, planting and building. [29] But the day Lot left Sodom, fire and sulfur rained down from heaven and destroyed them all.

[30] "It will be just like this on the day the Son of Man is revealed. [31] On that day no one who is on the roof of his house, with his goods inside, should go down to get them. Likewise, no one in the field should go back for anything. [32] Remember Lot's wife! [33] Whoever tries to keep his life will lose it, and whoever loses his life will preserve it. [34] I tell you, on that night two people will be in one bed; one will be taken and the other left. [35] Two women will be grinding grain together; one will be taken and the other left."

[37] "Where, Lord?" they asked.

He replied, "Where there is a dead body, there the vultures will gather.

Roman Catholicism banished God from the church. God said that perfect love casts out fear. Jesus said, "He who believes in me has eternal life!" The Catholic Doctrine of "Sin of Presumption" says that you CAN'T know that you are saved!!! How can you love God...if you fear that He is going to sentence you to eternal damnation?

I can tell you that when I left the RCC (Roman Catholic church) I left because even the priests I asked questions to did not know the answers. They answered my questions with a total lack of understanding of the Bible and plain old reality...for example...I asked a priest, "Why is the Law still taught?" The priest tried to quote Jesus's "I did not come to cancel the Law, but to fulfill it." Wrong answer! The priest was implying that the Law was still in total effect. The Law should NOT be taught to believers in Jesus. The Law (for those who believe in Jesus) has been completed. The Law required a death sentence for many sins. Instead of me dying for my sins, Jesus died in my place. Trick question: If you have a 15 year mortgage on a house...what is your mortgage payment in 30 years? Answer: In 30 years your mortgage will be ZERO - why - because, you pay off your mortgage in 15 years...the mortgage has been fulfilled. The same goes for Jesus being here in person...He is not here...why? Jesus is no longer here in person, because the Law has been fulfilled...we are no longer under the Law! (The Law is in full force for those who do not believe.)

Creo que se ha merecido con creces no solo ser amada sino tambien rezarle.

Cuando le pidieron vino fue ella quien convencio a Cristo aunque todavia no habia llegado su tiempo. El la escucho porque ella no es una mujer ES LA MADRE DEL MESSIA. Y esto es un honor que no se da a cualquiera.

Reirse de ella es vergonzoso.

No creo que a Cristo le haga ninguna gracia.

ella ES LA MAS GRANDE ENTRE TODAS LAS MUJERES
