Lisa, this is the bible quote I asked you to respond to here: [Thread: Questions I Wish to Ask of Christians \(Page 3\)](#)

This is all about the kundalini that must be risen for the holy spirit to manifest within you.

*1 "At that time the kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. 2 Five of the virgins were foolish, and five were wise. 3 When the foolish ones took their lamps, they did not take extra olive oil with them. 4 But the wise ones took flasks of olive oil with their lamps. 5 When the bridegroom was delayed a long time, they all became drowsy and fell asleep. 6 But at midnight there was a shout, 'Look, the bridegroom is here! Come out to meet him.' 7 Then all the virgins woke up and trimmed their lamps. 8 The foolish ones said to the wise, 'Give us some of your oil, because our lamps are going out.' 9 'No,' they replied. 'There won't be enough for you and for us. Go instead to those who sell oil and buy some for yourselves.' 10 But while they had gone to buy it, the bridegroom arrived, and those who were ready went inside with him to the wedding banquet. Then the door was shut. 11 Later, the other virgins came too, saying, 'Lord, lord! Let us in!' 12 But he replied, 'I tell you the truth, I do not know you!' 13 Therefore stay alert, because you do not know the day or the hour"*

Quoting: **God Loves ALL**

NO Candace, it is not about kundalini. It is about faith and trust in the Lord.

Quoting: **Lisa\*Lisa**

You preach false teaching about the kundalini concept/process (among other things). This is a matter of FACT, not opinion. It's about the activation of your pineal gland which 'GOD' gave you. Pineal gland = 3rd eye. It's not something you intentionally seek out or pursue with foreknowledge, but something you experience as you raise your awareness and grow your consciousness. This teaching is cleverly veiled in your precious bible through metaphors & symbolism but you are too stubborn and close-minded to admit that you could actually be wrong and too lazy to make an attempt to understand it. You do a great disservice to those who are not wise enough to discern the falsehoods in your threads and you try to scare others with your fear-based consciousness that you promote (Witches, Vampires, Demons, Wickedness, Satanists, etc). When you attempt to teach about subject matters you have no knowledge of and no experience with, you serve not only to hurt others but yourself.

Kundalini taught in the bible:

[\[link to www.youtube.com\]](#)

[\[link to www.youtube.com\]](#)

Take 2 hours, put your ego away, and educate yourself so you can stop preaching ignorance.

Guess what, it's okay to admit it when you're wrong. No one will think less of you for doing so. But continuing to deny the truth that has been presented to you is only hurting you.

Sorry for being so stern but when people have closed their ears to any perspectives that conflict with their assumptions, there is no other choice.

Ella es un baso asi como todos que venimos asi a dios. Ella es humana dios no. El mismo antes de morir le dice mujer mira a tu hijo y hijo mira a tu madre el no le llamo mama. El estaba diciendole yo no soy tu hijo si no de dios. Y si ell te pudiera ablar te dijiera lo mismo. Ella as un baso especial pero un baso es asi mismo como tu y yo who filled with the holy spirit. Archons control the three major religions. We have the capacity to connect with the divine without having to go outside of ourselves. The churches are registered with the NYSE, it is a business to enslave humanity. Connect with your source, find your divine. You and you alone can connect with the great source of LOVE.

Lightkeeper is not George Carlin. Remember- God's ways is not your ways, your ways should be God's ways and they sure as hell doesn't exist is not. This Creation is beyond your wildest and craziest dreams. Nothing can limit God so don't even try. His near infinite mercy and infinite love is the only reason he let's you experience your shit so you can learn the right path of truth, however long that takes.

Oh please, insults won't work. God is love, I don't fear him. I honor him by living His real truth as best as possible and not the contrived truths of the churches and bible. Hell doesn't exist, satan is long gone and Lucifer doesn't exist anymore. Man will learn soon after the dark sun who God really is. He is Light and Love-not vengeance and murder. He would never condone war as a means for change. Only ungodly man does that. Uriel is right, war will not be permitted. The truth will be taught and known forever.

What would Christ think if He came back now

Lets be honest

Would he be pleased at how

- 1.His Mother is mocked or ignored at best
- 2.His message of Love and Peace is something a bit different, cough, to quite a few of His followers
- 3.Thou shalt not kill is considered a suggestion

etc..etc..

What would he say about how we have used the precious talents He has given us

His Words

Have we hid them, buried them, kept them to ourselves or made good use of them

Christians saying war is a necessary evil

Christians saying the death penalty is necessary

Christians saying Life is only Sacred in certain situations

and so on and so forth

we are free to choose

but when we carry His name we hold a responsibility to try to overcome our numerous sins and imperfections and to try to make a difference if only by typing on a computer as best as we can and trying to make some sense

There is no point in the dogma, they must live in the reality that is this world, that is what I am trying to waken them too. Its all based on old stuff and its not the same world as then. There are however lots of soldiers of the Lord who carry no dogma by the millions on this world, waiting to activate and remember themselves. I work towards that some here, because there are some lovely real soldiers here, who know how and what it is, and are guided internally and not by dogma. Christians, read the bolded part of above, this one knows of what he speaks.

We have to get it into our heads that Jesus is not a fool we can coerce to accept us just cos.

He came s a lamb, but that wasnt a sign of weakness, that was a sign of incredible strength

To have the power to wipe out all opposing forces and yet to submit willingly like a lamb to be laughed at takes great strength

we all should remember this when dealing with His message and words

He is mighty

more than the Angels

He is powerful

He is Christ

His message is sacred and not to be altered or adjusted to what we want or think it should be

we dont like it, thats ok, we leave  
we cant be Christians by changing His message to adapt to us

the door is narrow

we either accept

or we go elsewhere

We have no right and no authority to touch His message

Its the Love it always was

We are to be known by how we love

The shere arrogance of some that pretend to alter and adapt His message to some weird

concoction that defies definition that only makes it sound Christian thanks to a couple of Halleluyas thrown in for good measure.

Seriously

So many want His return, have you any idea at all what He will be like?

You think He is going to go after the sinners?

What do YOU think He is going to say about what Has been done to His message by some?

What is He going to say about all the souls that have been lost because of the wrong sheparding of some?

You think it will be ok?

We all better get our act right and quick

Saying Praise Jesus ! Halleluya! and all the rest of it will NOT SUFFICE!! In my opinion

it didnt then it wont now

He is NOT TO BE FOOLED OR TREATED LIKE A FOOL

We better hope He takes a wee bit longer to come so it gives us some time to tidy this disgraceful mess up and get our act together with humility..because I think He will NOT be pleased

I asked for forgiveness and accepted Jesus Christ as my savior. The moment I did The power of God hit so powerful I began to weep like a child. I fell under his presence I had no strength. It was almost like if I was floating. When I was on the ground I felt what it meant to be born again. The only way to describe it was as if someone was pouring fresh water within me. And I felt this water filling from my feet to my head. It was one of the most amazing experiences in my life. In the bible it says out of your bosom will flow rivers of living water. There is judgement. But it is not mans prerogative to impart this.  
Only Gods

Uriel warned in the dream, and the raised arm and sword I intepret as striking if necessary. Call it judgement. The Angels behind were waiting also.

Uriel said war is not the way. It is evil and deliberate deception pretending to bring promised land but leading to the opposite.

Op she was only human yes she was special and chosen but not somone to be worshipped and praying to. Respected absolutely, Blessed beyond all women of course. But not prayed to or having graven images of her. That is what God calls idolatry. That love that you have for her give to the lord Jesus Christ , To the Father , To the Holy Spirit.

Matthew 10:34-39

Not Peace, but a Sword

34 'Do not think that I have come to bring peace to the earth; I have not come to bring peace, but a sword.

35 For I have come to set a man against his father,  
and a daughter against her mother,  
and a daughter-in-law against her mother-in-law;

36 and one's foes will be members of one's own household.

37Whoever loves father or mother more than me is not worthy of me; and whoever loves son or daughter more than me is not worthy of me; 38and whoever does not take up the cross and follow me is not worthy of me. 39Those who find their life will lose it, and those who lose their life for my sake will find it.

You quote of not peace but a sword, refers to the setting up of 4d, the dimension where people stand and squabble and out of that peace is born as ones come into truth. prior to 4d, they follow any old shit of their cultures. during 4d they begin to reason and argue. We are in that, and it shows in this thread, which is actually great.

I cant go into detail as it would hurt many feelings here

Because it was straight and to the point

I was told in the dream that Christianity today, many Christians are not real followers of Christ at all

thats as diplomatic as I can put it

Not to put a damper on your experiences but would you be given information and it stops there by design. The topic you mention is not a new subject to any forum but being able to point out the specifics only happens at a few places. Pointing out the errors and giving the 'corrected version' should be followed through on. It isn't going to shatter any lives and the 'false christians' won't get your point in all likelihood. I'm more comfortable (and sure that my version is supported by something other than imagination) by throwing around some Scripture (the long passages is not done to intimidate it is just that God is pretty specific in what is being said and that is because all the various parts have to fit together a certain way or the conclusions are in error.

On the topic of even getting messages from a Biblical Angel what proof is offered that God has sent him and I'm quite serious about the Lord's prayer being involved. Daniel connected through prayer so what he experienced is possible although not for the purpose of adding more 'Scripture' as the end of Revelation is all there is to 'be published'. The unfolding is the next phase 2 and I have to assume some will be 'updated' throughout the process, after all 1/3 remain alive and I

doubt all will 'be converted' on the last day. (Yes there are verses that back that up, I'll save them for when that is the topic at hand)

Right now it is voices and should the content be relayed even if the 'holder' (you) are a bit reluctant to do so. The parable about the men who were given things and some increased that through dealing with others, one kept it hidden and as such there was 'no increase' and when the conclusion came it was the hoarder who was in the most trouble.

A true Angel would include things that can be found in the Bible, such as 1 big hand enveloping you as being related to what Saul experienced and would be a manifestation of the verse below.

Heb:10:31:

It is a fearful thing to fall into **the hands of the living God**.

The benefit for you in getting slanders and distractions is that you end up being able to not have them distract you from the topic and you will find that method is all through society, of a person is uncomfortable with something. I wouldn't say this applies 100% of the time but the more flak you get on something might mean the point is quite valid and you should make sure by learning as much as you can despite what a 'majority' thinks, after-all 2/3 are found to be sinners after having the Gospel preached (via prayer) by Angels for almost 4 years.

Another point that may or may not apply is that your messages are not a gathering tool in that you will see results, more than likely someone reading the thread will get a 'flashback' and that is when dots will start to be connected in the way you suggested, at least that is how it worked for me more than a few times and at first I tried to refind the original thread to update it.

Uriel said they are here to protect and save and to maintain and bring peace. Because it is not permitted to do war.

He had fair hair and had a sword in his right hand. You couldn't see the blade just the light. Like in Star Wars. It shone like sunlight.

Quoting: **Anonymous Coward 27875016**

He was speaking from the clouds. The sky was like open...and he stood there, in the gap or opening. With the sword raised. His legs were spread apart as if over the world as if his feet were resting on the planet. With wide spread legs and his raised arm holding the sword.

Quoting: **Anonymous Coward 27875016**

Thank you OP for starting this thread and sharing your dream!  
It was touching and very poignant to the times in which we are living.

The war between Israel and Gaza is wrong and most of the world wants peace. No war or killing can be justified in God's eyes. Mankind fights over land and kills for it, when the heart of each man is what God looks at. A man fulfilled with the light of God, would give away his land to others, because he would KNOW WITHIN HIMSELF WHAT IS TRUE AND WHAT TRULY MATTERS! Israel is full of deception and lies. Hatred is their mantra and they have succeeded in their role of PLAYING VICTIM for too long.

God does not want WAR! The Angel Uriel speaks truth! Humanity is spiraling into insanity, and everyone not connected within to God's truth and knowing are following right along into the abyss

of darkness and lies.

Christian indoctrination is also behind much of the darkness and lies. Biblical history for the last 2000 years has been altered according to man. God's voice was removed a long time ago, and because of this much of mankind still remains in darkness. Messengers of God are ridiculed and mocked, and called false messiahs. Bearers of light and truth to his voice are condemned here on GLP. His lighted truth is cursed by followers who claim to know him....and yet right now when it matters most for his true followers to share truth, they are fighting against it!

The Urantia book and Phoenix Journals were given to us for the truth of our times in which we live. We were always supposed to grow in knowledge and continue to learn and think. God does not want us to be followers, he wants us to use our god given mind. To BE MINDFUL IS TO PONDER, CONTEMPLATE AND GO WITHIN. To ask and discern that which does not resonate within our spirits. Much of this world does not make sense. How can Christians actually believe they will be saved, when it is up to US ALL to be the ones to help save our world. TO BE OF HIGHER MIND! To rise above this darkness and judging of each other, and do something to really change this world for the better.

The people attacking this thread are not contributing to a better world, by mocking and criticizing...they are continuing the spiral into insanity and darkness right now.

The real movers and shakers of God today are his THINKERS. They are the ones moving forward in this world with action to help and change our world for the better, and they are not stuck in the muck with their thinking of past biblical indoctrinations and scripture. People get out of the pews and start to make a difference.

Thanks again OP for sharing! May God's lighted warriors stand tall in righteousness of spirit wearing the mantle of Christ in all their words, actions and thoughts.

What many claim as 'idolatry' among Catholics is an erroneous claim. It is simply explained thus. In centuries past, the vast majority of early Christians were illiterate. So there was a very important measure taken by the early Church when constructing their places of worship, that they e.g. incorporate into their stained glass windows, as one will find in Churches and Cathedrals throughout Europe, the depicted story of creation, or the life of Christ, and various aspects of the Gospels, as a medium of instructing the worshippers.

The same applies the people retaining images of their Saints, so that they could be also venerated for their great contribution to spreading of the gospel, their teachings, like St. Francis of Assisi. The images were there to remind the faithful, and also so they would not be forgotten over hundreds of years. Remember people who could not read had only the vernacular to go by and the images of Jesus, of His angels and of His saints.

So, to be correct, Catholics do NOT worship Mary , angels, or saints. We worship ONLY God and His Holy Trinity, period.

We venerate the others. So that is a complete and utter falsehood propagated by the likes of dissenting Martin Luther, or Henry VIII, whose religion was basically founded by his own ego, as he wished to put himself above God's Law, and willfully live an adulterous life.

But I wonder if the attacks will stop? Will they listen?

You've seen the threads and posts calling us satanic. Lots of Catholics on GLP and we have to take this almost on a daily basis and to our face. But it is an occasion to show humility and meekness as our Lord would want. And to forgive. To not return hurt with hurt.

St. Francis my favorite. What a Saint! How can anyone not appreciate the wonderful spiritual gifts given by so many Catholics many of them now Saints that has enriched the lives of so many and helped so many?

It is so sad

But it is vital we return Love when hate is shown . or dislike. We have to be true to Him always

Her family tree through her father(s) is the one in Luke so the Bible is not silent about who she was and what her role was in the events that related to the bruise to the heel that was also determined in the Garden. Making her the seed, or at least the mother of the seed that would be bruised. The verses below define her,... right? That chapter is a reference to 3 times that Satan and mankind will interact, the sin and then the two bruises that repair the effects of the sin. One fully completed and the other is basically untouched as far as any progress along the list of events.

An interesting thing though makes me ponder

How come they criticize us but we don't seem to really criticize them ( I don't like using the us and them as we are all one but to distinguish in this case) which is good not criticizing. To each his own choice.

Why do you always criticize us Catholics? If we have it wrong what's the problem? Be glad we are going to hell according to you and you don't have to spend eternity with us lol.

I don't get it.

Seriously let us be.

I went to a Catholic school run by nuns. Because it was a good school lots of Protestants wanted in. There was no problem. When any religious festivity came they went to their church and we went to ours. The nuns organized for them to be taken to their church service and escorted back.

I was never taught we are right they are wrong

But it's what I see here all the time. We are the legions of hell according to too many. Que pasa? Chill...)

Op thank you for sharing your dream to me it was a warning.

I want to share with you my experience on how I came to Christ.

ps I am not Catholic nor do I have any religious view on the things of God.

When I was born my mother and father brought me before the altar in a Christian church to give me as an offering to God. They are Christians and that's what they taught.

In the spiritual when you give someone to God believe me he will protect in ways you could not imagine.

throughout my life my mother would force me to go to church I hated it. When I was 14 I stopped going to church I said I do not want this religious crap. And I didn't go again until I had my experience.

I was 20 when this happened, I had no knowledge of the spiritual or supernatural. Just what was told to me as a child and stories of the Bible that my mother would read me. I was dating this girl,

and she was going through a difficult time. Depressed, and sad, I was outside her where she lived. I don't know how the topic came into play but I asked her if she wanted Jesus Christ in her Heart to help her with what she going through and she said YES. That's when everything changed. She starts screaming so loud and saying NO, NO, No I don't want Jesus in my heart. If you ever seen a person who possessed that's what was hapenning but at the time I did not about that.

All of a sudden The Power of God comes upon me so Powerful it was like voltage of electricity came upon my body. It was so intense that my body was trembling because of this power. No fear what soever it was this supernatural protection over me. This was the first time I experienced God's presence. When this happened and she looked at me she threw herself on her knees and covered her face screaming. I was so confused bc I had no idea what was happening. I tried touch her shoulder when I did she starts screaming that I was burning her. I was confused and had no idea what was happening I left bc at that moment I got kinda iffy.

When I get home I tell my mother my experience. And she says son what you just experienced was the Holy Spirit protecting you. She tells Go to church maybe God has a message for you. Mind you I had not gone to church since I was 14.

I decided to go to church for the first time by my will. When I get there They are singing praises and worship to God. I was in th back lol. Anyways the drummer stops playing his drums and gets on the Mic. And says the Lord has a message for someone and starts going into detail regarding the events that had just happened. My mother did not even know the person to say it was her. It struck me so hard I was like a child crying. Then the pastor comes up and says whoever wants to accept Jesus Christ as your savior please come up. I was in the back and put my head down and I thought I have no need to go up there I believe.

So I bowed my head and thats when something amazing happened I heard from my right side Do Not Be Afraid Go Up I lifted my head so fast and turned to my right nobody was there. I was freaked out. So hesitating I go up and he tells me to pray this. Father I come in the name of Jesus Christ please forgive of my sins. Jesus I accept you as my savior please com into my. The moment I said that That experience that I had before The Power Of God comes upon me again. Thats when I fall to floor when I felt so light. When I was on the floor was when I experienced being born of his spirit he was no longer surrounding but filling me from within that is my testimony. Ever since then it's been a relationship with the lord. I have laughed with him, I have cried with him, I have joked around and he has laughed with me, I have been mad at him, I have experienced him. A relationship with him not religion. Ever since then He has revealed so much to regarding the spiritual realm. He is my Dad bc the relationship and the closeness that I have to him I can call him Dad. This is my testimony of how he brought me to him. And may it be something that brings others to him as well

God Bless

@ OP...we do our best to defend our faith amid the hurtful and apalling insults....so we remain for the most part silent and take the blows. Its an excercise in humility, as The Cristos Himself had to bear in silence, when the same people who welcomed Him on Palm Sunday, would only spit on him days later and crucify him. I should rather call it, the imitation of Christ, and what he would have us do, and bind our sufferings and crosses in life to His Cross....Thats when the real power of Christ manifests mystically and defeats the enemy completely. The powers and principalities are defeated.

My mother did not even know the person to say it was her. It struck me so hard I was like a child crying. Then the pastor comes up and says whoever wants to accept Jesus Christ as your savior please come up. I was in the back and put my head down and I thought I have no need to go up there I believe.

So I bowed my head and thats when something amazing happened I heard from my right side Do Not Be Afraid Go Up I lifted my head so fast and turned to my right nobody was there. I was freaked out. So hesitating I go up and he tells me to pray this. Father I come in the name of Jesus Christ please forgive of my sins. Jesus I accept you as my savior please com into my. The moment I said that That experience that I had before The Power Of God comes upon me again. Thats when I fall to floor when I felt so light. When I was on the floor was when I experienced being born of his spirit he was no longer surrounding but filling me from within that is my testimony. Ever since then it's been a relationship with the lord. I have laughed with him, I have cried with him, I have joked around and he has laughed with me, I have been mad at him, I have experienced him. A relationship with him not religion. Ever since then He has revealed so much to regarding the spiritual realm. He is my Dad bc the relationship and the closeness that I have to him I can call him Dad. This is my testimony of how he brought me to him. And may it be something that brings others to him as well

God Bless

Thats very beautiful 

To feel His Love is overwhelming. Its touching paradise with our fingers

If we could only learn to love like that

That is a wonderful experience.

And He loves everyone like that not just Christians. Everyone. Wethere He is loved in return is another matter and besides the point. His Love is unconditional

He doesnt love us because we are worthy , He just loves us. As one should love.

He reprimanded the ones that spoke falsely regarding matters of Faith as He would now because that is Sacred. But He was Love made flesh .

@ OP...we do our best to defend our faith amid the hurtful and appalling insults...so we remain for the most part silent and take the blows. Its an excercise in humility, as The Cristos Himself had to bear in silence, when the same people who welcomed Him on Palm Sunday, would only spit on him days later and crucify him. I should rather call it, the imitation of Christ, and what he would have us do, and bind our sufferings and crosses in life to His Cross....Thats when the real power of Christ manifests mystically and defeats the enemy completely. The powers and principalities are defeated.

We should be honored at the attacks surely it must mean we are getting something right despite opinions to the contrary and to return love, genuine love, as Christ would.

To be love. Those that arent just cant comprehend. They dont understand what it feels like to be love I dont think. To really feel one with Christ. The sense of being whole

Its not just feeling love its being love.

Those that hate and understand destruction what inner peace can there be

What can ever fill that void or quench that thirst

The danger lies in a "false peace." There will be no peace on this earth in this age.....even when Messiah reigns, there will ultimately be chaos and war. Only when the new earth and new heavens come into being, will there be peace.

I agree with the \*khazar thugs\* comment.....

what I disagree with you is your interpretation, or perception of your truth. You have diss'd the Word of the Most High.....and instead choose to pick your truths out of your nose.

without His Word as a plumb line, we are lost as ships at sea. You haven't studied the written word enough, its clear to see by your comments....

We all have visions, dreams and spiritual experiences. But if they don't confirm the written Word, we can know they are not from AHYH. Without His word, they are all completely subjective and without His purpose.

I have been reading this entire post, it has taken me some time to do so. And Thank YOU OP for posting your wonderful experience. Keep up the fight. I am grateful for you posting it and passing on his message to the world.

I must state that you ALL should listen to Candace as she is truely the real deal. Urantia Book is a great read and everyone should read it... it contains more truth than the bible does. the bible contains only a small amount of truth. Most of the bibles wording has been changed and is written as a tool for controlling everyone. Candace swears because she has been fighting this fight for along time, just like a mother that is tired of her kids not listening.

Quit quoting the bible as if you did not read the original writings in the original language then you may not have the right meaning of what you are talking about. Most of it has been altered by every type of church on earth, although the Catholic Church is the worst for changing it the most. Please read only his statement on the dream and make your comment and that is enough.

We all have the light of god inside of us... if you do not believe me try this simple thing. Close your eyes, now rub them until you see a blinding light, now how can the light be there with your eyes closed unless it is inside of you? That is your god fragment located just above your eyes in the middle of your forehead, also referred to as your third eye. This is also god's camera that video tapes your thoughts and actions thru your entire life, and at the end you get to review everything you have done or not done. You do not have to go to church to believe in god/Papa source.

Thanks OP for your great and courageous message.

Unfortunately, the EGO-PATHS, Lisa Lisa, Salt, God loves all, had to come and hijack the thread with their crap and lack of real Christian humility. Instead they come in with their hacking cough of naysaying and dissent, spreading their infectious evil throughout the pages.

You people do not hear from God, and are NOT capable of discerning "familiar spirits", because the Spirit of God is not in any of you. Work out your faith with fear and trembling, cause as with the unwise virgins, you'll be pounding at the door of the banquet. Shameful Philistines, the bunch of you.

This person came with a message, a message of hope. He/she was not bombastic about it, just gave it out as seen and heard, but like vultures, they had to alight upon it in an obscene and vulgar manner....and the dufus/ignoramous Salt who pontificated, Uriel was not an Archangel, and later saying that he and Gabriel were one and the same, what a bunch of crap/lies.

Not to mention the Catholic-Hater, Lisa Lisa, who said angels don't appear to people in dreams....what angel appeared to Joseph when he was about to ditch Mary, when he discovered she was with child?, and what angel appeared to him yet again in another dream to warn him to flee to Egypt?...Gabriel, in case you forgot, hate-filled person that you are.

I will pray for all you dummies, that the good Lord give you the gift of humility, and the rest should follow.

Gracias de nuevo OP, por venir aqui para compartiros este mensaje real y importante.

Oh is this considered to be an 'attack' on the RCC, if that is what it was I would be asking why the flock does not treat the Clergy (no need to list their sins at the moment) as being different than the sinner in this passage meant especially for the Church. When sins go on without corrective measures then the flock is treated as willing that the sins continue. Now ask yourself if God is going to look kindly on those 'Christians'. He left the tools to keep 'false Christians' out of the Church, that isn't working as designed, for any Church not just the RCC, but they were at least in OT prophecy because they were Roman and the passage in Da:8 is about Rome's 500 year rule over Jerusalem.

Da:8:12:

And an host was given him against the daily sacrifice by reason of transgression,  
and **it cast down the truth to the ground;**  
**and it practised,**  
**and prospered.**

1Co:5:1:

It is reported commonly that there is fornication among you,  
and such fornication as is not so much as named among the Gentiles,  
that one should have his father's wife.

Two more sins of the RCC, the beloved Disciple was Mary of Bethany and she is the writer of the Gospel and of Revelation. They do not promote that truth because it would open the door for women Priests and worse, marriage and children, like the flock they serve.

An almost bigger sin is they should be running 'the one bank' as an interest free institution and it might be better to let the men stay as (corrected) Priests and have the (Nuns)run all the banking where their accounts are at zero at the end of the year and they get a cash fund of \$750 T (the interest already on deposit that came from compound interest on the loans to 'Nations')as the initial 'deposit' and anybody with a birth certificate gets a deposit that should last his lifetime.

In a quite serious question, should the flock hold back donations until the wrongs are corrected if it can be 'determined' that the move would see the wanted changes made within a few months rather than the decades they have been intentionally stalling in 'fixing the wrongs'. That begs the question is that from their own free will or are they under some hidden threat that makes them too docile to resist a known wrong. There my complete RCC rant and the Pope issue will be fixed before it counts against anybody but if you stop to grab a Bible or some beads or a coat at one specific point in the future it will cost those people their lives.

Final word on the sinner in the chapter, the solution is to not eat with the 'known sinner' yet a ritual in the RCC Church is to eat from the hand of 'said sinner', guess whose crew that person is on when judgment comes, mind you it can be repented before the event below is made real.

1Co:5:11:

But now I have written unto you not to keep company,  
if any man that is called a brother be a fornicator,  
or covetous,  
or an idolater,  
or a railer,  
or a drunkard,  
or an extortioner;  
**with such an one no not to eat.**

If that wasn't the correct topic then quit being so cryptic.

@ Rene 111....I disagree with you. The Catholic Douay Rheims version of the Bible is reputed to be the most accurate translation taken from the vernacular, Greek and Aramaic. Get your facts right. Urantia is no more than new age bilge with all due respect inspired by familiar spirits.

Since I fully expect to do just that if it come before i die, since I will be part of 1/3 of the world's population I am going to use the term 'we'. We will have to 'endure' the verses below

Re:15:1:

And I saw another sign in heaven,  
great and marvellous,  
seven angels having the seven last plagues;  
for in them is filled up the wrath of God.

Re:15:2:

And I saw as it were a sea of glass mingled with fire:  
and them that had gotten the victory over the beast,  
and over his image,  
and over his mark,  
and over the number of his name,  
stand on the sea of glass,  
having the harps of God.

Re:15:3:

And they sing the song of Moses the servant of God,  
and the song of the Lamb,  
saying,  
Great and marvellous are thy works,  
Lord God Almighty;  
just and true are thy ways,  
thou King of saints.

Re:15:4:

Who shall not fear thee,  
O Lord,  
and glorify thy name?  
for thou only art holy:  
for all nations shall come and worship before thee;  
for thy judgments are made manifest.

The bolded words can only happen for the 4 days the 2 witnesses lay dead in the streets of Jerusalem and that is when the Image is revealed to be the throne that is supposed to be an earthy representation of what is shown in Re:4, I doubt anybody from the 1/3 is going to be told to book it to Jerusalem to worship God, that alone removes much of the 'perceived threat' of what the mark is. More proof is in what the angel before says, Babylon can only fall as part of the vials and while they are poured out starting at Jerusalem they are started only after the 7th trump

sounds. (rapture no longer helpful as by evening everyone alive for the 1,000 years will be standing on dry ground.

Re:14:9:

And the third angel followed them,  
saying with a loud voice,

**If any man worship the beast and his image,**

and receive his mark in his forehead,  
or in his hand,

Re:14:10:

The same shall drink of the wine of the wrath of God,  
which is poured out without mixture into the cup of his indignation;  
and he shall be tormented with fire and brimstone in the presence of the holy angels,  
and in the presence of the Lamb:

Re:14:11:

And the smoke of their torment ascendeth up for ever and ever:  
and they have no rest day nor night,  
who worship the beast and his image,  
and whosoever receiveth the mark of his name.

Nor are you going to be able to sat that the servants in Isaiah 65 not the ones that have been spared from His sword so they come through the 'tribulation in latter days' quite alive. Heaven already has all the men it needs, the 24 Elders are the PT Saints that came out of the grave the same day Jesus did.

If you want to get to Heaven to see God it is going to be when Satan is being sent to the lake so it is after the 1,000 years on earth with Jesus. He will supply a bare temple of stone and His throne will be seen in New Jerusalem as a footstool.

You might want to reconsider your rapture doctrine when compared to the one single verse below.

Isa:51:6:

Lift up your eyes to the heavens,  
and look upon the earth beneath:  
for the heavens shall vanish away like smoke,  
and the earth shall wax old like a garment,  
and they that dwell therein shall die in like manner:  
but my salvation shall be for ever,  
and my righteousness shall not be abolished.

@ semper fi....I agree with you in defeating the enemy. Thats why Christ told us to pray for our enemies, and do good to those that despise and hate you. Thats how our prayers are turned upon the powers and principalities that control these people, and thus destroys the power given to them by the evil one, as when he is defeated, their lies and deceit looses its support, and they, his human minions become powerless and exposed, by the grace of God, through the supplication we make through the Savior. God wants to save all sinners no matter how evil they are, and our prayers for them assist Christ, as we are the body of Christ in defeating our spiritual enemy. Christ does'nt need our help, but he asks us to work with him, in being one with and through him.

You are right to pray for your enemies as far as people. However you would not pray for lucifer or the fallen ones that want to destroy humanity. You would not pray for demons. You are in a spiritual war. These Satanic blood lines are not your average human being. You pray against the tactics of the wicked as well as binding these being. Remember in scripture when he says that the antichrist will remove his mask that's literal. These bloodline have a mask appearing to be regular human being they are not. This is warfare and they will stop at nothing to harm you. This story is interesting a woman had a vision regarding the end times men in uniform came to take her to a concentration camp and she prayed the Holy Spirit told her tell them if they touch you they will die where they stand. She told and they started laughing and grabbed her They died where they stood. In one of the books it mentions a couple that lied to Peter being full of the spirit said you have not lied to me but to God bc of this you will die and they dies where they stood. The point is that this a warfare and he will protect his children. But these people are not what they appear to be. They have no compassion no mercy but are full of deception. They are the chaff in midst of wheat.

i have a statue of the Blessed Mother and I light a candle and pray because I Love Her and have faith in Her.What harm is there?

**[Statues of ANYTHING should instantly sound warning bells if you've read (and understood) the Bible. From the OT (with statues of a golden calf, to statues of Babylonian "gods" to the NT and the idols used. God command us to do away with all images, and worship Him and ONLY Him]**

If you had a child, say 8 years old and you said to them "You will go to your room", and they said to you "no I won't I have free will" what would your response be?

never made a mistake

Even the lord said in scripture my people fall bc of lack knowledge.

This knowledge is knowing who you are in God. And to know the authority that you have in him. If the spirit of God is within a person they have an authority so powerful. Where if men come to take you to these camps. You can say be bound and paralysed to these men and they will fall paralysed by the spirit of God. People do not know the authority they have in Jesus Christ. That's why many as it' written in scripture will be like lambs to a slaughter. When they have authority so powerful in Jesus Christ.

@ Brother in Christ...

Dear brother in Christ, the woman chosen by God to be the vessel of His Son, was the only human born without original sin, after Adam and eve. She was purest vessel of humanity that God singularly created, among every single human he ever created to be chaste, pure, and without sin, becoming the Ark of His new Covenant with humanity. A singular honor. She became the new Eve of mankind. Why would God choose a mere human being to bear His only begotten Son. Therefore, the vessel had to be perfect in every way possible. Thats what most angered Lucifer. 'Blessed are you among women, and Blessed is the fruit of your whom, Jesus'.

God sent His Angel Gabriel saying, 'Hail Mary, full of grace, The Lord is with thee'. Her response was one of great humility, 'Be it done unto me according to thy word'.

'And the WORD was made flesh, and dwelt amongst us'.

Be Blessed, brother....

Original Sin comes directly from procreation. Adam, Eve to the rest of humanity. If you have a mother and a father you have the original sin of Adam and Eve. The only one who did not have original was Jesus. He was not born regularly from a womans birth canal. She was a virgin before and after Jesus Christs birth. She did have original sin.

@ semper fi....I agree with what you are saying. I refer to the actual spiritual warfare and how best to combat by working through Christ and in Christ and with Christ.

@ Brother in Christ....obviously you did not read my previous posting on the difference between worshiping and veneration. Unfortunately, your ego as with many other naysayers and dissenting Christians here today, went cherry-picking and honed in on OP's honest testimony, to begin your attack and foundless decimation. Hmmm!!

As you are ever so eager to demonstrate your knowledge of Scripture, in your response to semper fi, quote, 'I believe its from Joshua', what comes to mind is how the Pharisees attacked Jesus in the temple, and he referred to them as nest of vipers.

This woman came with a message and spoke honestly and without animosity throughout the complete thread. Can you say the same, dear brother in Christ???

@ semper fi....Mary was an only child, born to the elderly Joachim and Anne, one of whom was sterile. So, they promised God that if he gave them a child, they would consecrate the child to the Lord. The Holy Spirit overcame Anne and Joachim sterility. The child was to be Mary. Furthermore, Mary was immaculately conceived.(That is, she was free of any trace of hereditary original sin). She therefore became the pure vessel of God in which to place his Son.

His message is Sacred. We need to understand that. there is simply no messing around with it, if we dare we will have to face Him and we all know what He did to the money changers and that is nothing compared to changing His message message He died for..

It is what is important of Him

Not His Body. Not His Blood. Never was if it was they would not have been permitted to touch it

he gave of His Blood and Bread to drink to the apostles as a prophecy of what would be to come. That His body and Blood would be destroyed as when something is eaten. It ceases to exist to become food for the recipient and then waste..

Because His Body and Blood never was Him

It is the Spirit that gave Life to that Body and Blood that is the food our Spirit receives during Holy Communion

The Spirit that in the Blood and Body feeds our Spirit and we become One with Him

And to do this is remembrance of Him

becoming ONE with Him everytime

and renewed in the Spirit

the Spirit that feeds the Spirit and does not ever become waste..because it is Eternal

Makes sense doesnt it

So many say they are His..and One with Him be they male or female. Then surely you must acknowledge the vital role She played and to Love Her because through Her we received Him

You are right to pray for your enemies as far as people. However you would not pray for lucifer or the fallen ones that want to destroy humanity. You would not pray for demons. You are in a spiritual war. These Satanic blood lines are not your average human being. You pray against the tactics of the wicked as well as binding these being. Remember in scripture when he says that the antichrist will remove his mask that's literal. These bloodline have a mask appearing to be regular human being they are not. This is warfare and they will stop at nothing to harm you. This story is interesting a woman had a vision regarding the end times men in uniform came to take her to a concentration camp and she prayed the Holy Spirit told her tell them if they touch you they will die where they stand. She told and they started laughing and grabbed her They died where they stood. In one of the books it mentions a couple that lied to Peter being full of the spirit said you have not lied to me but to God bc of this you will die and they dies where they stood. The point is that this a warfare and he will protect his children. But these people are not what they appear to be. They have no compassion no mercy but are full of deception. They are the chaff in midst of wheat.

We can all change and recognize

we are supposed to be

humble

kind

gentle

loving

meeek

caring

nuturing

compassionate

merciful

understanding

loving

and more loving

And each and everytime we stray in this endeavour ..to turn back and do it all again. Practice makes perfect.

To place others before us.

To love others more than we love ourselves.

To forgive others as we would want to be forgiven

To give without asking in return

To value people not for what they possess in material wealth BUT IN SPIRITUAL WEALTH

To Love them even when they are poor, jobless,sick or ill or when they get old and unattractive. To love them when they are cranky or moody, when they upset us or hurt our feelings.. to forgive them and to continue loving and being there for them unconditionally at the drop of a hat, with humility and love as Christ is there for us..always

To love them just because, because you can not not love them

Because without love one dies within

the love that IS, the love that lasts and is indestructable..that doesnt depend on external factors that vary and sometimes are no longer there.

To always love

unconditionally

The greatest gift..to be able to feel this and be this

what I disagree with you is your interpretation, or perception of your truth. You have diss'd the Word of the Most High.....and instead choose to pick your truths out of your nose.

without His Word as a plumb line, we are lost as ships at sea. You haven't studied the written word enough, its clear to see by your comments....

We all have visions, dreams and spiritual experiences. But if they don't confirm the written Word, we can know they are not from AHYH. Without His word, they are all completely subjective and without His purpose.

I have been reading this entire post, it has taken me some time to do so. And Thank YOU OP for posting your wonderful experience. Keep up the fight. I am grateful for you posting it and passing on his message to the world.

I must state that you ALL should listen to Candace as she is truly the real deal. Urantia Book is a great read and everyone should read it... it contains more truth than the bible does. the bible contains only a small amount of truth. Most of the bibles wording has been changed and is written as a tool for controlling everyone. Candace swears because she has been fighting this fight for along time, just like a mother that is tired of her kids not listening.

Quit quoting the bible as if you did not read the original writings in the original language then you may not have the right meaning of what you are talking about. Most of it has been altered by every type of church on earth, although the Catholic Church is the worst for changing it the most. Please read only his statement on the dream and make your comment and that is enough.

We all have the light of god inside of us... if you do not believe me try this simple thing. Close your eyes, now rub them until you see a blinding light, now how can the light be there with your eyes closed unless it is inside of you? That is your god fragment located just above your eyes in the middle of your forehead, also referred to as your third eye. This is also gods camera that video tapes your thoughts and actions thru your entire life, and at the end you get to review everything you have done or not done. You do not have to go to church to believe in god/Papa source.

Quoting: **Rene111 27945363**

I agree with part of your post in that the bible we have today has been altered and manipulated, and yes, we must reach back to the Hebraic writings for the truest message from the Most High. And I agree that we were provided a means of knowing Him, without having a bible in our hands; I mean, people from time immemorial have known him without ever reading the bible. However, what we do with that knowledge of Him, is important and decides our eternal future. This means of forum though, is not the best way to teach anybody the way to God.....what you say, what i say, what candace says.....is all subjective to anyone's own interpretation. I mean, I am not going to follow your teachings nor Candace's teachings cause I really have no clue to where your destination truly lies. Anybody can spout peace and love and be full of pure hatred. Candace's posts are definitive of that.

That is why I say there MUST be a plumb line. And you are either on one side of that line, or the other.

Choose this day whom you will serve.

You utterly fail to understand who Mary was and is!

Mary had sinned. This is not hard to prove. You have heard that Jesus was tempted, right? You have read the Bible, right? [[link to www.biblegateway.com](http://www.biblegateway.com)] If you don't like that version, then check it out in your Catholic version...Jesus was tempted by the devil.

God can NOT be tempted [[link to www.biblegateway.com](http://www.biblegateway.com)] read James 1:13 ...again...if you don't like that version, then use your Catholic version.

Now Jesus is God AND MAN. Where did Jesus get the ability to be tempted? If God cannot be tempted...then Jesus must have gotten the ability to be tempted from the lineage of...Mary.

Now...Leviticus 12 is the Mosaic Law on child birth...

[[link to www.biblegateway.com](http://www.biblegateway.com)]

And then we come along to [[link to www.biblegateway.com](http://www.biblegateway.com)] Read Luke 2:24. Mary offered up a sacrifice offering...for being impure after child birth. If she didn't need to offer up the offering...then she lied and made a mockery of God's Law! If she did need the offering...God considered Mary impure after giving birth...so much for Mary being "without blemish."

dreams speak in your own imagery  
the only way to judge anothers' dream  
is to become yourself the dreamer

i once had a dream in which  
a character was named Nur Uriel  
he claimed no angelic powers  
he was a black cat  
he spoke no words and carried no sword  
but where he walked  
things changed for the better

war is a horror  
whether waged by man  
or an army of angry angels

i see no moral high ground  
no noble purpose  
only destruction

faith tells me God is better than this scenario  
that Jesus was truly His Son  
that the Spirit is alive on earth  
and a way will be found to peace  
that will amaze us all

They said that they are here to help bring peace and stop any wars. They are here to save and free the planet. they said they speak with the authority of God. And that we must not be afraid and to believe this.

Should I remind you that um...there are wars raging in the Middle East right now? Should I remind you that the U.S. is involved with several armed conflicts and are sending money and ammunition out there?

**So far, it doesn't appear as if your dream has any merit. But...thanks for posting.**

good lordy this thread got stupid over night with the bible crowd. Can you ones not reason? I am not adding any more to it, it would serve no purpose. But I wish to state that yesterday I treated some as I have been treated, in hopes they would learn something. It didn't seem to work. However, it is joyous to see those that know God. Good work Orvontonian. I bet you ones don't know what Orvonton is? I have tired on that, didn't take.

OP continues to hold his ground. Good for him. He has gone much much further than most who label themselves Christians. He is striving for his perfection. I suspect he is star seed actually.

I AM THAT I AM, is the label for spiritually mature people. Not religion, not party systems of politics, stop beloveds defining yourselves by following and stand in your own shoes here. YOU ARE SONS OF GOD and no other definition is needed.

@ semper fi....I agree with what you are saying. I refer to the actual spiritual warfare and how best to combat by working through Christ and in Christ and with Christ.

@ Brother in Christ....obviously you did not read my previous posting on the difference between worshiping and veneration. Unfortunately, your ego as with many other naysayers and dissenting Christians here today, went cherry-picking and honed in on OP's honest testimony, to begin your attack and foundless decimation. HmMMM!!

As you are ever so eager to demonstrate your knowledge of Scripture, in your response to semper fi, quote, 'I believe its from Joshua', what comes to mind is how the Pharisees attacked Jesus in the temple, and he referred to them as nest of vipers.

This woman came with a message and spoke honestly and without animosity throughout the complete thread. Can you say the same, dear brother in Christ???

Quoting: **anonymous coward 27222919**

You are correct, I didn't see your post on worshiping and veneration. I must of missed it. I will search for it so I can read it.

I have no ego in this matter. Not once have I placed myself on a pedestal or claimed I was anything special or that I was perfect in any way shape or form. Decimate is a strong word...if you re-read what I wrote I think you'll see a scriptural basis for my words, and nothing that in any way personally attacks or debases the OP as a person. I have brotherly love for the OP, and as a brother want him/her to be sure. Cautionary advice is not considered hostile (at least not by me).

If you find something I posted that refutes what I just wrote, please point it out so I can correct it. You also incorrectly claim I responded to Semper Fi's quote as "I believe it was Joshua", when in fact I claimed I believed it was from Hosea (but I wasn't sure which verse). I just looked it up and it is Hosea 4:6.

You claim many things about Mary that I don't know about. Can you point me to the scripture that says Mary was born without sin and should be "venerated", be prayed to, or should be the one who sinner's should ask for forgiveness? Or where she is listed as the intercessory to God for such things? I am genuinely curious to read what the scripture has to say about her, and I don't recall reading anything before, so I ask humbly for you to help me find these answers in the Word.

These are the verses I stand on:

"I am the way, and the truth, and the life; no one comes to the Father, but through me" (John 14:6)

"For there is one God and one mediator between God and men, the man Christ Jesus" (1 Timothy

2:5)

You and the Catholic Church may feel otherwise, and that is your choice to make. I don't believe God requires anyone to go through a "saint", a priest, an angel of God, or any human for anything, but only through His Son, Jesus Christ so that they may be saved.

I think (my opinion) that a significant source of anguish expressed in Paul's letters, and Peter's writings is these false "rules" and "regulations" and "new traditions" which were appearing in the early churches (body of worshipers) which they saw as going completely against the words of Jesus Himself.

It is my belief that God doesn't need rituals. God doesn't need prayers to Mary, St. This, or St. That. God wants obedience to His Word, and acceptance of His Son. It is my belief that anything beyond that is added by man, and subject to corruption.

You of course are free to worship as you see fit (free will).

One thing I'll mention is the fairly constant theme of a handful of people in this thread that keep claiming some are here to derail the thread, that they are hostile towards the OP, that those who don't immediately accept the OP's vision as genuinely from God (without discernment) are vile, from evil (and yes, \*sigh\* won't get to board the spaceship)...

I don't recall one post from real followers of Christ where any derogatory comments or cursing, or disparaging comments were made about the OP him/her self.

I read plenty of comments that basically amounted to "make sure you discern who the spirit is from" which is soundly scriptural, and that advice was turned against them.

Since when is advice, whether it be contrary to someone's current belief, or in harmony with their belief, considered hostile?

Peace and love through Christ, and may the Lord bless you AC.

You don't have an arguable position, and there's no actual point that you're making that needs addressed. If you have an opinion, back it up. In the case of me with the OP, I can prove points that a war is occurring where people are dying, and there ARE NO ANGELS saving the day.

In your case...we could just go round and round with me posting all sorts of evidence that you'll ignore and try to argue a middle ground, gray area perspective that will just make you look dumber and dumber.

Don't have time for those sort of games. I'm actually trying to let people know that there are false prophets about. And right now...You're supporting one. 😊

I do what I think I am supposed to do, call it inspired call it impetuous whatever. I felt inspired to post the dream and I did. I knew it would be attacked and me with it. But Im not bothered. I do what I think I should do.

As to you disagreeing that it is prophetic there is nothing wrong with that. Its your opinion to make.

I believe it is prophetic and I believe sooner or later something regarding God and His Creation will happen that will change everything. And I am taking this very seriously . Something that will make wars no longer possible.As the Angel said not permitted. That is my belief. You can have yours. I think it is not far off whatever it is.

The path toward the Light and the path spiraling further into darkness have now come to a distinct point of separation.

You are being forced to face, once and for all, the residual shadows of Self—all the imbalances and restrictions that are holding you back from fully empowered Self-realization.

Being a Self-master is not for the timid or weak of heart.

I do what I think I am supposed to do, call it inspired call it impetuos whatever. I felt inspired to post the dream and I did. I knew it would be attacked and me with it. But Im not bothered. I do what I think I should do.

As to you disagreeing that it is prophetic there is nothing wrong with that. Its your opinion to make.

I believe it is prophetic and I believe sooner or later something regarding God and His Creation will happen that will change everything. And I am taking this very seriously . Something that will make wars no longer possible.As the Angel said not permitted. That is my belief. You can have yours. I think it is not far off whatever it is.

Quoting: **Anonymous Coward 27904634**

**No...this isn't an attack. This is me saying at point blank range, that your dream was inaccurate...period.**

If you call the truth an attack...so be it. As the bible states, those who speak the truth will be hated.

Just remember when you post stuff like this, it affects minds. And if you speak untruths, YOU WILL BE HELD ACCOUNTABLE.

**You should correct yourself NOW and inform the people that IT WAS JUST A DREAM instead of letting them screw themselves by supporting and believing your words which are LEADING THEM ASTRAY.**

Is this supposed to take place 100 years from now? 1000? I'm sorry, but, I won't be around to see that prophecy fulfilled. And unfortunately for you, when you say that Angels are going to come down to STOP WARS, people automatically will "apply it to the HERE AND NOW."

no darkness here.

but, the wrath is towards the lies, not the person.

For our struggle is not against flesh and blood, but against the rulers, against the authorities, against the powers of this dark world and against the spiritual forces of evil in the heavenly realms. Ephesians 6:12

Do not confuse my firmness and firm standing against lies against God and His hosts with bitterness toward an individual.

I wouldn't even be in this thread if i didn't think i could help.

There is no need to burn candles, or use any other method of idolatry to be with or speak to or hear from God. Just dial direct. Seriously. Anything else just offends God.

Not only is there much darkness in your mind but also in your heart.

I think even the Catholics still use the candle tradition. It's not idolatry (the mere suggestion simply shows me how fearful you are). It's basically a prayer, if you can squeeze that in your full cup.

You're a troll. An agent of evil. For your sake, I pray you don't take your darkness to the grave.
