It's obvious that nobody here is going to change anyone else's mind about anything.

So, how about we all just agree to disagree.....but love each other anyway. I think Jesus would approve of that message.

This is so and even Jesus does not have the "date" because dates cannot be set, because everything is always fluid. There is however a time when this must get done by, but the time is not a date, its a set of conditions.

One has to stomach the continuos attacks..the apparitions of the Blessed Mother requesting repentance, conversion, prayers etc..are demonic according to some

This is so sad. What is wrong with this world? People are so angry and mad if you exercise your

beliefs, experiences, visions, dreams and traditions that others may or may not have experienced, but are pertinent to our growth spiritually.

To me, this is pure ego. Everyone wants to tell others what to think, how to think or believe in God.

I mean, if the mean spirited replies on this thread alone is a barometer of the level of intolerance in our world these days, then there is little love left for our brothers and sisters who are not always on the same spiritual level as we may or may not be in relation to those who post their experiences, visions, intuitions, etc...

OP, it is such an eye opener to see how upset some have gotten at you and your "dream".

God Bless everyone and please let's love one another.

As I sit here reading this thread, one of my cousins is dying.... She just came home yesterday to be with her grown daughters and grand daughter after a huge fight with cancer. Some make it and some do not, it is all according to God's plan.

But I wonder what a person who has the knowledge that they will be dead soon might be thinking of in regards to meeting God. Outside of perceived beliefs and traditions, I wonder what the "core" of truth might be like.

Dreams, visions, they are all our introduction into the world of truth and spirit. Each of us have a lifetime of perceptions, experiences, traditions that help us to form our own truth.....which is why God has to come to us as a PERSONAL SAVIOR. We are all different in our life experiences. God acknowledges how we all come to Him according to our state in life, so in that regard, He is our Personal God. He is so awesome. We are all drops in an unending sea of love. Each with our own life to share, our testimony of our life on this Earth and our search for our Father among our Earth family.

Lisa, this is the bible quote I asked you to respond to here: [Thread: Questions I Wish to Ask of Christians \(Page 3\)](#)

This is all about the kundalini that must be risen for the holy spirit to manifest within you.

1 "At that time the kingdom of heaven will be like ten virgins who took their lamps and went out to meet the bridegroom. 2 Five of the virgins were foolish, and five were wise. 3 When the foolish ones took their lamps, they did not take extra olive oil with them. 4 But the wise ones took flasks of olive oil with their lamps. 5 When the bridegroom was delayed a long time, they all became drowsy and fell asleep. 6 But at midnight there was a shout, 'Look, the bridegroom is here! Come out to meet him.' 7 Then all the virgins woke up and trimmed their lamps. 8 The foolish ones said to the wise, 'Give us some of your oil, because our lamps are going out.' 9 'No,' they replied. 'There won't be enough for you and for us. Go instead to those who sell oil and buy some for yourselves.' 10 But while they had gone to buy it, the bridegroom arrived, and those who were ready went inside with him to the wedding banquet. Then the door was shut. 11 Later, the other virgins came too, saying, 'Lord, lord! Let us in!' 12 But he replied, 'I tell you the truth, I do not know you!' 13 Therefore stay alert, because you do not know the day or the hour"

Quoting: **God Loves ALL**

NO Candace, it is not about kundalini. It is about faith and trust in the Lord.

Exactly.

Its based on pride, ego and fear.

By proving someone wrong many pretend to try to prove they are right.

But if someone is really right they dont have to show someone else to be wrong to make that point.

Its based on fear and insecurity too because many might think ..if they are right it probably means we are wrong and not saved.

Its simple ..to respect others opinions. One can advise , suggest, council but to always respect other people and what they believe in if it hurts no one.

I must of missed that in the scripture...can you point me to where it proclaims Mary the queen of heaven? Or where is says we are to venerate, idolize, pray to any human being?

Love, peace, and blessings in Jesus Christ

Quoting: **Brother in Christ**

The scriptures don't proclaim Mary as the queen of heaven, but the RCC does. Here's what the spoken word of the Most High says about that:

Worship of the "queen of heaven" is a confusion of people that angers God:

"The children gather wood, the fathers kindle fire, and the women knead dough, to make cakes for the **queen of heaven**; and they pour out drink offerings to other gods, to provoke me to anger. Is it I whom they provoke? says The Lord. Is it not themselves, to their own confusion?" (Jeremiah 7:18-19 RSV)

"As for the word which you have spoken to us in the name of The Lord, we will not listen to you. But we will do everything that we have vowed, **burn incense to the queen of heaven** and pour out libations to her, as we did, both we and our fathers, our kings and our princes, in the cities of Judah and in the streets of Jerusalem" (Jeremiah 44:16-17 RSV)

"For when Solomon was old his wives turned away his heart after other gods; and his heart was not wholly true to The Lord his God, as was the heart of David his father. For Solomon went after Ashtoreth the goddess of the Sidonians, (**aka - the queen of heaven**) and after Milcom the abomination of the Ammonites. So Solomon did what was evil in the sight of The Lord, and did not wholly follow The Lord, as David his father had done." (1 Kings 11:4-6 RSV)

She said to me I beleived everything that the catholic church teaches. But then questions that I had they could not answer. She said to me the majority in catholicism have not even read the new testament to understand the truth about God. She said they are being lead not taught. I asked her what woul you say to a catholic now that you know and have had your experience directly. She said tell them on Jesus died for our sins not Mary. Come to Father Creator of all, Begotten Son Jesus who is of the Father, Holy Spirit who is of God. Don't humble yourself before a man/woman but only God not a creation but the creator. I was lied to and am Greatful to God that he revealed the truth. I have been filled with the Holy Spirit when before being in the catholic church I was empty.

No one is attacking the people within the catholic church. We are just against the teachings of the church. If a person gets a bible and reads it. Even in scripture those teachings are attacked. Even Martin Luther saw this and rebelled against the church which now they call protestant. If true what my Grandma says how many of catholics truly read the bible. The New Testament.

Semper, there were NO christians when that was written, will you ones get that into your HEADS. And it's about the opening of the 3rd eye and raising the kundalini, it has nothing to do with religion but progress of the soul.

YOU ones have got to stop with the special shit because you are not special. The confused paul started the religion and ROME /Vatican satanized it. It is not HOLY.

Jesus told you that the FATHER is WITHIN YOU and that thru MEDITATION you connect with the FATHER and religion is your personal relationship. Now go read some Walter Russell so you understand WHAT that FATHER and the Relationship with him IS. Russell did a wondrous job of explaining. You ones who continue to make yourselves special with a religion Jesus did not start and never did support, and cannot relate to modern conditions are pious fools.

your scripture above refers to every one on the planet, no matter what religion they were raised in. This is taught in ancient texts that other avatars have also brought. Your hooking your 12 strands of DNA will raise the kundalini. On this sad planet, there will be considerably less than 50% of the souls here that will make it this time around.

"Angels intellectually understand the mode of mortal life, and they share all of man's nonsensuous emotions and sentiments.

They appreciate and greatly enjoy your efforts in music, art, and real humor.

They are fully cognizant of your moral struggles and spiritual difficulties.

They love human beings, and only good can result from your efforts to understand and love them.

Angels are superior in spiritual status, but they are not your judges or accusers.

No matter what your faults, "the angels, although greater in power and might, bring no accusation against you."

Angels do not sit in judgment on mankind, neither should individual mortals prejudge their fellow creatures.

You do well to love them, but you should not adore them; angels are not objects of worship.

Angels are fellow servant with you and with your races, who are all enjoined to worship God."

GOD LOVES ALL

I don't know where you get your information from. If it's the book of Uratia I have read it and it goes against the teachings of Jesus Christ. You are wrong. And Paul is not the one who stated this parable. It was Jesus Christ who said this parable. He said what I speak is spirit. Therefore when one is born in spirit one can understand. Again you are wrong in your belief.

GOD LOVES ALL

And yes the Kingdom of God is within. When you accept his gift of salvation. When you accept him as your savior. When his spirit comes within you. When you are born again, born by his spirit. When you humble yourself before him that is the gift that he gives. You do not know what you speak of.

YOu are wrong, the book of Urantia (Book of Earth) is the real deal and is not corrupted by any church, the fact that the website does not charge to read it should say it all. They do not make money to charge people to read it. www.urantia.org and read it for yourself. Start anywhere i dare you.

There are many things that were removed to change the meanings and sometimes whole paragraphs in a section in the Bible. Now i do agree you can find truth if you ask for it and it can be used to learn but you have to take it for what it is. It was the TV for the time it was written, as it would sway someone a certain way or to give money to the church which in turn would support the government/Rome.

And your god piece does not come to you, it is within you! A piece of gods light is inside you, also called the third eye, but i can see yours is shut.

@Salt, no i am not Candace but i thank you for the compliment. And how do you figure 46 demons, actually she has thousands plus helping her in her message and some of the highest of gods servants on her side. Like she said wake up and ask to see the truth, it may amaze you, quit being stubborn.

@Orvintonian, thank you for your support and most dont know what it means. Sorry if i misspelled it though...LOL. And if they read any of Urantia book, they may understand.

@OP, again thanks for sharing your dream/experience and for being strong. I myself appreciate you passing on the message!!!!!!!

HAZEL ON MY WEBSITE HAS CARRIED SOME MESSAGES FROM URIEL, SHE HAS A STRONG CONNECTION TO HIM.

LET ME GET SOME LINKS BRB TO PUT THEM IN ANOTHER POST. READ ALL HER WORK ON MY SITE. [[link to abundanthope.net](http://link.to.abundanthope.net)]

HAZEL IS AN INCARNATE MELCHIZEDEK (A TYPE OF HIGH ANGEL) ON THIS WORLD AND HAS BROUGHT FORTH WONDROUS TEACHING THRU SEVERAL GREAT BEINGS

Quoting: **God Loves ALL**

Beware! Candace is inviting you to demonic activity.

none of what she offers is of God.

this behavior and activity will open doors that may be very difficult to close.

Quoting: **Salt**

SALT what the fuck is wrong with YOU. YOU SHOULD KNOW BETTER. I am doing no such thing I am teaching truth. Put away this shit please. I will remove you today immediately from my friends list here. I have no more use for communication with you. There will be no coffee. Good bye. Enough is enough.

You have recently posted about the UB where I corrected you as you obviously have not read it. Nor any of the PJ's I suggested, nor anything of my site. Now go and read the list of messages of Uriel thru Hazel. And grow the fuck into being the star seed you are, and not this religious crap. You cannot judge that which you have not read. I can't figure you out. I give you support and you green thumb me sometimes and then turn around and do what you just did. I AM THAT I AM. WHO ARE YOU. I don't know you anymore.

I want no more to do with any Christians here who carry such crap as you do, for you are in service to the very "demons" you post about. We are terribly upset with all of you who engage in this, you harm our work.

As I tell people I know these ones I work with as do my team members We travel all of us to Craft and the higher worlds regularly.

Hazel is a gracious wondrous person and I invite others here to take advantage of the links I posted above.

whoa... you kiss your mother with that mouth?

you know, beloved, that i love you. but, you are so horribly deceived and so deeply entrenched in demonic activity that i have no idea what it is going to take to help you.

the truly sad part is that you pray on threads such as these, full of young people who are truly searching and have no idea of what they are involving themselves in, so you can bend their minds and deliver this false dogma.

the urantia book, phoenix journals and all the other stuff you throw around are FALSE.

come back to God, Candace.

then, all the angels of God will throw a party in the heavenly realms.

TO EVERYONE ELSE:

God's holy angels do not speak to people unless it is a direct word from God Himself. God will not speak contrary to His word. Any angel that claims to be a holy angel, then speaks info that is in direct contrast to God's written word, is FALSE. I don't care what name that demon claims to call himself. Demons are liars. There is no truth in them.

don't be deceived.

we are not to pray or commune with angels. we do not subscribe to channelings from other people who claim to do so.

these things are forbidden for a reason. for your protection.

As you can see, this has struck a nerve with Candace.

God's people don't talk to each other this way.

Oh right I remember that being mentioned here on GIp, forgot the name.

I do what I think I am supposed to do, call it inspired call it impetuos whatever. I felt inspired to post the dream and I did. I knew it would be attacked and me with it. But Im not bothered. I do what I think I should do.

As to you disagreeing that it is prophetic there is nothing wrong with that. Its your opinion to make.

I believe it is prophetic and I believe sooner or later something regarding God and His Creation will happen that will change everything. And I am taking this very seriously . Something that will make wars no longer possible.As the Angel said not permitted. That is my belief. You can have yours. I think it is not far off whatever it is.

Quoting: **Anonymous Coward 27904634**

No...this isn't an attack. This is me saying at point blank range, that your dream was inaccurate...period.

If you call the truth an attack...so be it. As the bible states, those who speak the truth will be hated.

Just remember when you post stuff like this, it affects minds. And if you speak untruths, YOU WILL BE HELD ACCOUNTABLE.

You should correct yourself NOW and inform the people that IT WAS JUST A DREAM instead of letting them screw themselves by supporting and believing your words which are LEADING THEM ASTRAY.

Quoting: **Serenity777**

Who the hell are you to judge what's truth or not?

When the sun gets more and more dimmed , what will you do then?

It smells fear.

Fear is like a steamy window , you have to remove it to see clearer.

The book of Urantia was channeled through a man who said that angels were giving him this info. I have read the book. It's teachings are against scripture. In scripture it's states cursed are

those who try to use the word of God and form it into doctrines of Devils. That book goes against the scripture in the bible. And the words spoken by Jesus Christ.

Semper I work WITH THE FATHER. I AM HIS SON. I am a cosmic citizen in service here. I am partnered with His Creator Son, Michael of Nebadon and the other great soul that shared the body of "jesus", Esu Immanuel. I work also with Siraya, the 7th Master Spirit over Orvonton, I work with one of the Ancients of Days, I work with David Righter, who is over clearing up the financial shit on this world and many more. Let's see, another is Machiventa Melchizedek, the one who came to Abraham. I work with some embodied arch angels who are in media and military also. **I know of who and what I am and you do not walk in MY shoes. YOU CANNOT JUDGE MY SPIRIT. YOU HAVE NEVER EVEN MET ME.**

This is NOT my first life. I have thousands of them. I am from the highest heaven, Paradise and you do not get to tell ME who I AM. I got "saved" a very very long time ago as I am a very old soul. I work with folks you never heard off, so you cannot judge that. By your own statements here, you are clearly behind.

Ones are saved by their own efforts and not any other way. You are supporting LIES. I in fact have my MONAD with ME at this time, since 2003. It is my soul record and it is stuffed full of what I know.

And since the day of Pentecost, all those with NORMAL minds are FATHER indwell, but few know it. One does not connect with the FATHER Within by meditation until at least 5d Consciousness and usually early 6d. Merger with the FATHER Within never occurs before LATE in 6d Consciousness. I am long merged,

Few souls growing on this world are even close to that sadly, and will be sometime before they

are, do the works of the very clever devils that walk on two legs in this world. YOU DO NOT TALK TO ME IN THAT WAY. I RUN the Global 2nd Coming in partnership with Michael of Nebadon and Esu Immanuel, the two that used the body of Jesus. Jesus was not his body and neither of them had any need of the body once their work was done. Meat suits do not go to heaven. When the SOUL merges with the Father Fragment, it is written into the BOOK OF LIFE. It makes one a real son of the Father, and not just a faith son.

YOU ARE THE ONE WHO DOES NOT KNOW OF WHAT YOU SPEAK. I DO KNOW OF WHAT I SPEAK, AND WHEN I AM NOT SURE, I SAY SO. I DO NOT HAVE A STUPID DUMBED DOWN RELIGIOUS SYSTEM.

JESUS SAID THAT RELIGION IS NOT OF A GROUP BUT INDIVIDUAL EXPERIENCE WITH THE FATHER WITHIN YOU, WHICH IS CALLED YOUR FATHER FRAGMENT OR THOUGHT ADJUSTER. SOMETIMES ON THIS PLANET IT IS KNOWN AS ABBA FATHER. WHICH IS A VERY HOLY TERM AND I LOVE IT.

THERE ARE MILLIONS AND MILLIONS OF US HERE INCARNATE ON THIS WORLD TO LIFE UP THE RETARDS THAT ARE SO FAR BEHIND BECAUSE OF THE LUCIFER REBELLION. I KNOW THAT OP IS IN FACT ONE OF US. THAT IS WHY HE WAS CHOSEN BY URIEL. THIS IS CALLED "**THE CORRECTING TIME**" WHICH MEANS CATCH UP TIME TO ASSIST YOU ONES INTO TRUTH.

SOME STILL DON'T KNOW THEY ARE STAR SEED BUT THEY DEMONSTRATE THE WAY. SOME WORK IN RELIGION, SOME WORK IN INDUSTRY, SOME IN POLITICS, SOME IN MEDIA, SOME IN SCIENCE ETC. WE AS A GROUP HAVE BROUGHT TO YOU THIS VERY INTERNET ON WHICH YOU POST AND SOME MUCH OTHER AMENITIES YOU NOW HAVE.

ALTHOUGH THE GAS AUTO WAS NOT DESIRED, IT WAS ALL HENRY FORD WAS ALLOWED TO GIFT THIS WORLD WITH BY THE THUGS WHO SAW MONEY, MONEY, MONEY. SO YOU CAN THANK THAT GREAT CHRIST TOO. CHRIST IS A LEVEL OF ACCOMPLISHMENT, NOT A LAST NAME. THE WORD CHRIST IS USED IN NEBADON BECAUSE ACTUALLY THE WORD IS PART OF MICHAEL OF NEBADON'S NAME, BESIDES ATON. HIS NAME IS A FULL HALF PAGE LONG AND IS SUNG IN HARMONICS AS ARE ALL OTHER HEAVENLY NAMES.

SO YOU HAVE THE AUTO, THE INTERNET, IMPROVED MEDICINE AND MUCH MORE TO BENEFIT FROM THAT YOUR BROTHERS AND SISTERS FROM THE HIGH HEAVENS HAVE BROUGHT TO YOU. A LITTLE THANKYOU WOULD BE APPRECIATED FOR ALL OUR EFFORTS.

AFTER THE 3 DAYS OF DARKNESS, WE GO INTO A TEACHING PERIOD OF HOPEFULLY ONE YEAR IN DURATION. DEPENDS ON A LOT OF DEPENDS AND I DON'T MEAN ADULT DIAPERS BY THAT.

THE TEACHING PERIOD WILL BE GLOBAL AND THE WORLD GOVERNED DURING THAT TIME BY THOSE OF US ON THE PLANET. YOU ARE GOING TO GET GOD ALL OVER THE TV. YOU ARE GOING TO MEET OTHERS FROM OTHER PLANETS. YOU ARE GOING TO VISIT CRAFT, BUT BEFORE THEN, THERE WILL BE SHOW AND TELL LANDINGS, AND LIVE TV CAMERAS ABOARD THEM.

YOU KNOW ALMOST NOTHING OF GOD. IN FACT THAT FATHER FRAGMENT THINGY, IT IS BESTOWED ON ALL NORMAL MINDS, WHEN THE FIRST MORAL DECISION IS CARRIED OUT, WHICH IS AROUND 5 YEARS OF AGE. HOWEVER, THIS IS A WORLD OF

INCARNATION AND MANY HERE ALREADY HAVE ONE. THEY ALWAYS COME AUTOMATICALLY WHEN ANY MAN/WOMAN BEGINS TO STEP OUT OF ANIMAL MIND AND DEMONSTRATE THINKING. EVEN SOME OF THE ANIMALS ARE RECEIVING THEM NOW, I HAD 3 CATS WHO DID AND WHO WILL BE BORN IN HUMAN BODIES ON THEIR NEXT INCARNATION.

I HAVE SPENT NEARLY 4 YEARS OF MY LIFE TEACHING HERE ON GLP. I SUGGEST YOU CHECK IT OUT, BESIDES MY WEBSITE.

AND THE FIRST LINKY YOU NEED TO CHECK OUT, WHICH I PLACED IN THIS THREAD, I THINK ANYWAY, IS THIS. [\[link to www.freewebs.com\]](http://www.freewebs.com) When you download and then READ that pdf, you will actually know something about Jesus, the one that shared the body called Sananda Esu Immanuel. I believe Michael in Nebadon has a statement in it to, which would be as Aton/Hatonn if it is in there.

Now you go do your homework and then you come back here, all of you in fact who have dished OP's holy work. you are forgiven because you know NOT what you do. Some of you are thugs and some of you just flat do not KNOW. Your bible is a horrid resource but OP did place the worthy material in it.

googled and found this: [[link to angels.about.com](http://link.to.angels.about.com)]

Uriel isn't mentioned in canonical religious texts from the world's major religions, but he is mentioned significantly in major religious apocryphal texts. The Book of Enoch (part of the Jewish and Christian apocrypha, describes Uriel as one of seven archangels who preside over the world. Uriel warns the prophet Noah about the upcoming flood in Enoch chapter 10. In Enoch chapters 19 and 21, Uriel reveals that the fallen angels who rebelled against God will be judged and shows Enoch a vision of where they are "bound, until the infinite number of the days of their crimes be completed" (Enoch 21:3). In the Jewish and Christian apocryphal text 2 Esdras, God sends Uriel to answer a series of questions that the prophet Ezra asks God. When answering Ezra's questions, Uriel tells him that God has permitted him to describe signs about good and evil at work in the world, but it will still be difficult for Ezra to understand from his limited human perspective. In 2 Esdras 4:10-11, Uriel asks Ezra: "You cannot understand the things with which you have grown up; how then can your mind comprehend the way of the Most High? And how can one who is already worn out by the corrupt world understand incorruption?" When Ezra asks questions about his personal life, such as how long he'll live, Uriel replies: "Concerning the signs about which you ask me, I can tell you in part; but I was not sent to tell you concerning your life, for I do not know" (2 Esdras 4:52). In various Christian apocryphal gospels, Uriel rescues John the Baptist from being murdered by King Herod's order to massacre young boys around the time of Jesus Christ's birth. Uriel carries both John and his mother Elizabeth to join Jesus and his parents

in Egypt. The Apocalypse of Peter describes Uriel as the angel of repentance. In Jewish tradition, Uriel is the one who checks the doors of homes throughout Egypt for lamb's blood (representing faithfulness to God) during Passover, while a deadly plague strikes first-born children as a judgment for sin but spares the children of faithful families.

After I posted above, I realised I should have added another part, so I will add it here.

Dear God

I do wish to add, that there are many good people here on Earth, that truly follow the teachings of Jesus as best they can (given the many alterations). They do call themselves Christians & of course you will know them by whats in their hearts. They are tolerant, open, loving, compassionate ones, who quietly go about their business, so God, I do not include these good ones in my request for them to be removed, unless they wish to be so.

Amen.

We will never have peace on this planet, because of the religions being used against us by TPTB & by those followers who have lost the ability to discern how their holy books are being used as a weapon against them.

So be it.

Wrap up time

AA Uriel thru Hazel Nov 18.

I have chosen to direct this message to the one who has placed herself at my disposal. She has offered to be the bearer of this my directive. I have come before now to alert one whom I have chosen to bring forth a short yet searing imagery that would depict what your world has to envision in a pronounced moment that will conclude a restless phase in your earth's history. I chose to make that announcement to one who has not yet before been a bearer of messages so that others could see it through a fresh pair of eyes.

Many continue to dwell in denial of the truth and continue to carry the torch of the old and worn out teachings. This will not serve them for they will have to confront the very lies that have been spewed to them for ages and which they repeat ad nauseum.

The truth seldom sits comfortably. There remain many in ignorance of what is to transpire. The truth is too overwhelming and farfetched. They cannot consider a new world for to do so will upset their painted picture of what they know. But so shall it be. For the time is at hand now. Tremors will be felt on your earth plane as the earth kicks off her olden shoes in preparation for new wear. This is the primary time which precedes major activity on your earth. It has been foretold by the Father what is to be expected. Your linear time is moving very quickly now.

Your earth is being positioned for the final moment in the grand cycle which will terminate her revolution. This cycle will culminate in a darkened hue over lighting your sun that her rays may be regressed into her form but for a short time. You call it an eclipse but we refer to it as a 'solar closure' albeit a temporary one for a specific purpose. She will cease to smile but for a time as the rancid elements of your earth are ejected. So it is in indeed true how the story goes; for many of you think that this is a tale. This story I am here to tell you will have a real ending and all shall witness it. It is best that you seek now your own validation from the angels of the Divine so that you could prepare yourselves accordingly. Denial based on historical information will not serve you. Heed my words; there will be an ending to the charade and the Father has chosen the method to ease the pain of the earth before she makes her ascent.

The globe will enjoy days of darkness and when the light comes on again a new feeling will be had by all. This is not doomsday as some have prophesied. This is in fact the day of deliverance; Divine deliverance. No aliens are coming to steal you or your planet, but your star brothers will come to your rescue; your star brothers of pure light. Do not be fooled by the naysayers and the fear mongers- seek the truth and only the truth and you shall be given. Cleanse your mind from your beliefs and programming; for what is going to happen will happen and we the guides of the earth do not wish to see you flounder in confusion.

So I Uriel come to announce that indeed I am real- quite real and very present as a Divine energy working with your earth and humanity. It will behoove you to at the very least to consider what I say and seek confirmation from your inner divine.

Uriel come to say that this is wrap up time, so join us in serving the truth and let go of the lies as the time for its death is upon you,
Peace be with you.

I AM Uriel of the ONE light.

AA Uriel thru Hazel Nov 18.

I have chosen to direct this message to the one who has placed herself at my disposal. She has offered to be the bearer of this my directive. I have come before now to alert one whom I have chosen to bring forth a short yet searing imagery that would depict what your world has to envision in a pronounced moment that will conclude a restless phase in your earth's history. I chose to make that announcement to one who has not yet before been a bearer of messages so that others could see it through a fresh pair of eyes.

Many continue to dwell in denial of the truth and continue to carry the torch of the old and worn out teachings. This will not serve them for they will have to confront the very lies that have been spewed to them for ages and which they repeat ad nauseum.

The truth seldom sits comfortably. There remain many in ignorance of what is to transpire. The truth is too overwhelming and farfetched. They cannot consider a new world for to do so will upset their painted picture of what they know. But so shall it be. For the time is at hand now. Tremors will be felt on your earth plane as the earth kicks off her olden shoes in preparation for new wear. This is the primary time which precedes major activity on your earth. It has been foretold by the Father what is to be expected. Your linear time is moving very quickly now.

Your earth is being positioned for the final moment in the grand cycle which will terminate her revolution. This cycle will culminate in a darkened hue over lighting your sun that her rays may be regressed into her form but for a short time. You call it an eclipse but we refer to it as a 'solar closure' albeit a temporary one for a specific purpose. She will cease to smile but for a time as the rancid elements of your earth are ejected. So it is in indeed true how the story goes; for many of you think that this is a tale. This story I am here to tell you will have a real ending and all shall witness it. It is best that you seek now your own validation from the angels of the Divine so that you could prepare yourselves accordingly. Denial based on historical information will not serve you. Heed my words; there will be an ending to the charade and the Father has chosen the method to ease the pain of the earth before she makes her ascent.

The globe will enjoy days of darkness and when the light comes on again a new feeling will be had by all. This is not doomsday as some have prophesied. This is in fact the day of deliverance; Divine deliverance. No aliens are coming to steal you or your planet, but your star brothers will come to your rescue; your star brothers of pure light. Do not be fooled by the naysayers and the fear mongers- seek the truth and only the truth and you shall be given. Cleanse your mind from your beliefs and programming; for what is going to happen will happen and we the guides of the earth do not wish to see you flounder in confusion.

So I Uriel come to announce that indeed I am real- quite real and very present as a Divine energy working with your earth and humanity. It will behoove you to at the very least to consider what I say and seek confirmation from your inner divine.

Uriel come to say that this is wrap up time, so join us in serving the truth and let go of the lies as the time for its death is upon you,
Peace be with you.

I AM Uriel of the ONE light.

I am glad he is getting recognition.
The impression I got is that for some reason he had been ignored or excluded for a certain reason . And wasn't pleased about this. But this is just my feeling. He didn't say anything about this. Just told me his name. To remember.

Whats up with this Angel ..was he ignored on purpose..can someone give me some info. No Catholic bashing please I have posted links where he is venerated as a Saint. Though I had never heard of him. But the only names I know is Gabriel, Rafael and Michael so that's no big surprise I guess

I am starting to rethink everything. These phoenix journals are really interesting. These two people : OP and GLA, I sense a truth from them, we are in the final days. 90 percent of revelation is missing? books of scripture are hidden in the vatican? That's not right, evil humans.

So let me get this straight, the first rapture, all the evil people will be taken away and the ones left

on earth will go on the spaceships to other planets when the earth goes through a stage of being remade? You want to be left behind.

Thank you OP, I knew we were in revelations, i just didn't know we were THIS far in.

So in Heaven, we work, all eternity? No doing whatever we want for forever? What is in Heaven that is not on earth, are there hoverboards? What do we do in Heaven?

Are there any angels who would like to say something to me? What is Gods advice for me? He knows my situation.

How old is the universe? are there other races of humans? are there other planets ruled by things like an advanced civilization of dogs? Is evolution real?

What advice is there for someone who will be put into a draft for a war? What if somebody is trying to kill you, do you fight back, or let them kill you?

Sorry for so many questions, people tell me I ask to many. Please respond.

The forces of evil are like a wounded beast , they are frantic because they feel the energy shift and know there isnt much time left so they are in a hurry.

But this Angel was huge. If they are going to battle for God..lol good luck with anyone standing in their way..lol

Forces of evil want all that is negative and any excuse is good enough even cloaking it and making it appear holy

Destruction..perdition of souls..loss of hope..suffering..despair..the list goes on

I think this is an important battle

A lot is at stake

I think..this is my interpretation..that the Angels will not be messing about. they mean business..from the look on Uriels face..its on..

I dont know if there is a chance to avert it

maybe through repentance etc..

I dont think good people should worry..even if they die physically..through that gap you could see that this is only part of what exists..so I suppose nothing is lost and they will live again..thats my interpretation though..

We mustnt be afraid ..they are not here to hurt us at all.

they represent God

At least thats the info I got from the dream

I think they will use their power over nature and the elements, and also behind the scenes because I was told they were already intervening in some way that wasnt public..dunno so seems they might be doing something to aide peace behind the scenes.

Uriel seemed to be in command of Earth..the way his legs were spread out and over land and sea..like he is totally in charge and all powerful

I am starting to rethink everything. These phoenix journals are really interesting. These two people : OP and GLA, i sense a truth from them, we are in the final days. 90 percent of revelation is missing? books of scripture are hidden in the vatican? Thats not right, evil humans.

So let me get this straight, the first rapture, all the evil people will be taken away and the ones left on earth will go on the spaceships to other planets when the earth goes through a stage of being remade? You want to be left behind.

Thank you OP, I knew we were in revelations, i just didn't know we were THIS far in.

So in Heaven, we work, all eternity? No doing whatever we want for forever? What is in Heaven that is not on earth, are there hoverboards? What do we do in Heaven?

Are there any angels who would like to say something to me? What is Gods advice for me? He knows my situation.

How old is the universe? are there other races of humans? are there other planets ruled by things like an advanced civilization of dogs? Is evolution real?

What advice is there for someone who will be put into a draft for a war? What if somebody is trying

to kill you, do you fight back, or let them kill you?

Sorry for so many questions, people tell me I ask to many. Please respond.

So very true Salt...and even though Christ himself came and lived as a poor person "earthly poor", the heads of these "organizations" live as kings, with crowns and scepters, adorned with gold and gems while sitting on a throne...in exact opposition to Christ himself.

The scriptures don't proclaim Mary as the queen of heaven, but the RCC does. Here's what the spoken word of the Most High says about that:

Worship of the "queen of heaven" is a confusion of people that angers God:

"The children gather wood, the fathers kindle fire, and the women knead dough, to make cakes for the **queen of heaven**; and they pour out drink offerings to other gods, to provoke me to anger. Is it I whom they provoke? says The Lord. Is it not themselves, to their own confusion?" (Jeremiah 7:18-19 RSV)

"As for the word which you have spoken to us in the name of The Lord, we will not listen to you. But we will do everything that we have vowed, **burn incense to the queen of heaven** and pour out libations to her, as we did, both we and our fathers, our kings and our princes, in the cities of Judah and in the streets of Jerusalem" (Jeremiah 44:16-17 RSV)

"For when Solomon was old his wives turned away his heart after other gods; and his heart was not wholly true to The Lord his God, as was the heart of David his father. For Solomon went after Ashtoreth the goddess of the Sidonians, (**aka - the queen of heaven**) and after Milcom the abomination of the Ammonites. So Solomon did what was evil in the sight of The Lord, and did not wholly follow The Lord, as David his father had done." (1 Kings 11:4-6 RSV)

the queen of heaven aspect was brought over while blending the pagan religions with the Christian ones during the era when they wanted to ease the transition for the people of pagan persuasion. the church was a ruling body then.

the Blessed Mother is blessed. She was honored above all women because of her willingness to submit to the Father.

but, she is not the queen of Heaven.

The impression I got is that fo some reason he had been ignored or excluded for a certain reason . And wasnt peased about this. But this is just my feeling. He didnt say anything about this. Just told me his name. To remember.

Whats up with this Angel ..was he ignored on purpose..can someone give me some info.

he is one of the 7 archangels over the earth

or just one of the seven archangels

he was the angle featured in the first movie 'the prophesy' though there was no actor portraying him, he was the one alluded to

but this movie has deceptive properties, but was does not in media nowadays? the devil is everywhere and is in the churches,etc. but these are the only churches we have..

he has identified himself with the media and with the modern day..

this movie featured prominently in a personal revelation from 18 years ago..

It means, they have created a new idol for themselves, manifested in the very one abhorred by the Most High.

OP - Thank you for sharing your vision with Uriel. After spending a good two+ hours reading through this thread - I joined GLP so that I might do a reply.

Many might not like what was shared here. They think the Heavens are closed to any and all information if it does not come by the way/format they have chosen.

I would disagree with them here on that

"that which is of God inviteth and enticeth to do good continually; wherefore, every thing which inviteth and enticeth to do good, and to love God, and to serve him, is inspired of God."

OP thank you for your inspiration and also Uriel for his message.

ONE MORE TIME. Mary Mother of Jesus, is actually the real mother from long long ago of Esu Immanuel, one of the two who shared the body labeled Jesus Christ by the confused Paul.

She is consort (married) to Sanat Kumara who is SOLAR LOGOS. Spiritual DIRECTOR for OUR solar system. Thus he is "king" of our solar system and thus "king of the local heaven of our solar system." Mary's real name is ANNA, Mother Mary is simply her incarnated name of 2000 years ago. Since her husband Sanat is Spiritual Director /King from the Heaven Hierarchy of this solar system, she is certainly Queen of Heaven of this solar system. You ones have not concept of such things. This is FACT and you may not argue it. I know of what I speak. She is an incredibly holy woman and don't a single one of you go telling ME she is lying in her grave waiting resurrected. WE who are from Heaven, are long resurrected. We simply drop the body. Nobody lies in the grave anyway.

You ones have no idea what or where heaven is, and Jesus said it was within YOU. This is a prison world under the veil. In fact, any world NOT UNDER THE VEIL IS HEAVEN.

You ones have no idea of heirarchy and government of the creation. YOur will not bother to read that which was given to explain it.

Let those who love Mary called her queen of heaven, there is NOTHING wrong with it. They live in the etheric realms of Venus.

You reject nearly all of us from "heaven" that have incarnated here to work with and for you thru the correcting time. You are ignorant because of Lucifer and this being a veiled world since his insurrection. It is over, the veil is being drawn back. You are going to have the truth. We are brining is as fast as we can, because time is short, because of the cosmic cycle at hand. This is the correcting time and it means what it says. you are so graced and you know it not.

I am starting to rethink everything. These phoenix journals are really interesting. These two people : OP and GLA, i sense a truth from them, we are in the final days. 90 percent of revelation is missing? books of scripture are hidden in the vatican? Thats not right, evil humans.

So let me get this straight, the first rapture, all the evil people will be taken away and the ones left on earth will go on the spaceships to other planets when the earth goes through a stage of being remade? You want to be left behind.

Thank you OP, I knew we were in revelations, i just didn't know we were THIS far in.

So in Heaven, we work, all eternity? No doing whatever we want for forever? What is in Heaven that is not on earth, are there hoverboards? What do we do in Heaven?

Are there any angels who would like to say something to me? What is Gods advice for me? He knows my situation.

How old is the universe? are there other races of humans? are there other planets ruled by things like an advanced civilization of dogs? Is evolution real?

What advice is there for someone who will be put into a draft for a war? What if somebody is trying to kill you, do you fight back, or let them kill you?

Sorry for so many questions, people tell me I ask to many. Please respond.

I backed up thru your posts Clayton to see what you requested of me in your later post. I guess this is the one you refer too.

1) first rapture, if you got that from PJ #2, that is the first awakening. I think perhaps somebody later after the first edition changed some working, but I don't know. My own personal book is buried in a big box to compare it to online version. The star seeds are awakened in groups. Many are sleeping still and there have been 3 "raptures". The Starseeds awaken by hooking their DNA and raising the kundalini to literally suck in the light into this world. Past that i have not asked as to what that means in that one. The being filled with the HOLY SPIRIT is "rapture" not removal of people.

During the 3 days of darkness the evil will be removed, yes, that is the judgement event and actually it will be more than 3 days, but the earth cannot be out of the sun that long. There is a PAUSE in the middle called the mini stasis. Anyone on the planet in 1992 has been thru a ministasis, there was one in august of that year when we entered the photon belt and the people were not prepared. TOO bright, so you all slept thru it. Meaning your bodies were PAUSED. Imagine a paused DVD in your DVD player. Life as needed will be also paused for a period of time in the middle of the days, because they are going to do a LOT of work, besides removal, and

plus an education period for some of the star seeds who will be off the planet during that time.

People and animals that humans care for will be in the ministasis. This way removal is not observed and they will allow the planet to make some changes too and some of that may interrupt tv cabals which will be repaired. This process of ministasis will be at least a couple weeks, as long as necessary to complete the to do list. the sun can shine on during it for those that need sun.

There is here today a new piece with Hazel and Uriel that has some info on the 3DDs. The world obviously will be a bit of a mess from some earth changes, particularly in some costal areas and much of the government, major business leaders gone etc. There is a massive plan in place for support of all anticipated issues and you are not to worry one iota on those details they are replete. There will be global education afterwards amongst other things. This we call the "teaching period" and then we must close the planet for a time for the big changes. All animal life will be in stasis during this closure, because anything needing to breathe oxygen could not survive the volcanism. There are millions of craft here to clean up. This is estimated at 4 to 10 years.

During the teaching period. there will hugely open contact, and many of you will be given opportunity to migrate to other worlds or even craft for a new experience. Venus is up and running and has already a few hundred thousand there and it is open for more. The plans are replete again. This will be the most wondrous opportunity any of you have engaged in that are reincarnating here and certainly also of those of us here walking the place now. It is the start of the age of light and again, the plans are replete.

As to "rapture," there was also the possibility at one time of having to completely evacuate the planet and that is the basis of the rapture story created in christianity, and that only christians would be taken off. NOPE. During what is the LONG stasis of 4 to 10 years, obviously the humans are not walking the planet and some will sleep during the time, it depends on the issues. The planetary population MUST be thinned and that is behind the moving to other worlds. There will be allowed to return, about 1 billion. Some may "sleep", some may engage in other activities. There is possibility of opening back up when there is enough clearing and living underground for a time, that is why all those underground areas were built in the first place, They can't be used during the initial cleansing though. The needed axis shift and magnetic reversal will take place then.

So forget the confusing "first rapture/migration" in pj #2, the plans have evolved. Star seeds were awakened at 3 intervals though.

2) Yes you always "work" and study, and party, and have fun and your real cosmic life starts in the heaven worlds or any other world you might go to that is not behind the veil. What is confused as "heaven" on this world is the temporary astral realms that were set up and these are partially close and will be emptied, not needed any more. There is no real work in them, it all a mental construct. I have started threads before or asked within some, what do you do in heaven for all eternity, trillions of years. there is never any good answer. You go on living as you do here, but better. You may be incarnated on more advanced evolutionary planets, or you may live on the specially created "heaven worlds". On those, you do not reproduce, but there is a full life. The lower ones of these are almost physical and there is manufacturing but not the smoking dirty factories of earth. Always in "heaven" you learn from those above you, and teach those below you. Never stops. I am on service incarnate here and certainly working! The more advanced the world, the less work to sustain the civilization though. As we lift up this world with more robotics etc, and get rid of "make work" jobs, the time spent in sustaining this planet will decrease and at some point, decline down to say 20 hours a week, with plenty of "vacation" All work will be needed, joyous, and productive. there will be abundant time for schooling, travel and the like. There will still be scientists, engineers, teachers, medical folks, social worker types, police for a time, until man

needs no policing, those that grow food, all these things we have.

Even the highest heaven, the Central universe has water, air, and the like. Beautiful gardens etc but there is always work to engage in. The higher the world moves, money goes away. It becomes not necessary. That is part of what returning man on this world will begin to do, get off the stuff, it enslaves. Just think of the taxes alone you must hand over for your work alone. On these words, all have enough food, housing, clothing. It's just produced by those that do that work, just as now. All is shared. There will still be lists of "jobs" available. As work time decreases, there is time for everything else one would want to do and grow into. Life will initially extend to about 150 years, healthy years as true medical care comes into mode.

You have bodies of some sort on the local universe worlds. On the superuniverse worlds and the central universe, you have spirit forms, but they are still forms, and obviously require no food or water. NO meat suit.

I want you to examine "no doing what we want forever" that is of the astral realms which have no physical matter, only thought matter. You do not want that, there is no skiing, no swimming, no tennis, no xxxxxx fill in the blanks.

All worlds have tasks. Heaven is not in the sky or the astral. Heaven is on spheres and on craft. If you are domiciled on craft, obviously there is work there. I once pointed out when I had a pic here of craft around the sun, which are Orvonton craft, that some who have that interest might work on craft that modify the behavior of suns. This stuff isn't "work" it's joy. Many of you will as you move upwards, service planets and solar systems just in such a way. Imagine the cosmos and building it..... yep you will be building it. No magic wands. This solar system was started by bringing another large orb close to it which pulled off a chunk of our sun that became planets. Then at some point, planets are seeded with life, where they develop for such. There are those that do that. There is no boredom in heaven and yes you will do much of what you WANT TO LEARN AND DO. Some from other evolutionary worlds here that wear these type of meat suits, come down and go skiing..... Since they look similar, who would know? Unless they are of course 7 or 8 feet tall or more. Some can actually make themselves shorter for a bit to pass enough to ski.

What would YOU WANT to DO FOR TRILLIONS OF YEARS of ETERNAL LIFE? Look at the stars and dream. That is what it is about. By the time you make Paradise, you will pretty much know it all. Go review the sci-fi movies produced here, therein are clues at what some folks do, what cosmic life is, MINUS THE WAR SHIT.

I had somebody ask me, KIDS here where I live, if they could have flying skateboards..... now doesn't that sound fun to those that like skateboards...

3) God is inside your MIND, he is that close, he is not up there, You must meditate to connect. I suggest reading a bit of Walter Russell about God, he has been made awfully strange here. Russell will clarify how God creates. What is GOD is the hierarchy of heaven, and guess what, that is a job description too and I am in training to have my own universe some day, this is a great world to confront all sorts of problems that worlds face. You will often be on duty on worlds! And you may be on management teams of heaven. Heaven is not perfect, it even has lawyers, ok.

The other day, I posted a short blunt message from "David Righter". David is here from Orvonton, the super universe. HE IS EMBODIED IN a MEAT SUIT, a reproductive meat suit, his daughter was a year old last March. It's a better meat suit has more strands of DNA than man, but a meat suit never the less and he must eat, sleep and make babies like anyone else does. He is here with his consort, also embodied. They are redoing the financial system here. I don't know if he is an angel or ascendant. I forgot to ask, it doesn't matter, you become like the angels in heaven. OK. I

am ascendant, my soul came out of the animal evolution on some planet in Nebadon. Angels are created beings for certain types of jobs.

anyway, David Richter was not born of woman, just like Melchizedek in the bible at the time of Abraham had no mother or father. Its really easy to make a body, takes 2 to 3 days. So he is walking here in a made to order meat suit and I want one of those, considering the earth meat suit is aging. In fact when a soul goes to the "mansion" worlds, which are training worlds, the lowest ones in heaven, you are giving a custom body. You do not take these bodies out of the dirt dear christians and take them to heaven. Your soul matrix has all the instructions for them to make you another one. OK. Get that. No offense intended, you don't know how it works, this is a world that has been kept out of knowledge.

God does not give you your job OP. If you are star seed, you still have to figure out what you came here to do. I don't even know you well enough to go run down some angel to help you. learn to quiet the mind and ask and you shall be answered but in the meantime, find what you want to do while here. As you will always do anywhere you are, that does not change.

4) How old is the universe. If you mean the whole show, trillions and trillions of years. If you mean our local universe, Nebadon, it was triggered nearly a trillion years ago, I am thinking 875 billion, but the mass forming was discovered and plans begun a trillion years ago. Michael of Nebadon came here 300 billion years ago, after the capital worlds of Nebadon were built. Our Michael is about 2 Trillion years old. He was on duty at all sorts of things before he came to organize this universe. You could as part of your eternal life be involved with organizing new universes. There are 700,000 now and a much more than that in the making. it doesn't stop. Those that create universes and organize them are CREATOR SONS. I am going to be one someday, a shared job with my soul mate in fact. There is no limit to what you can become. only you limit yourself.

5) many races of humans. do you mean this body type? HUMANS are Higher Universe MAN and include the angels. cosmic folks, matters not the origin, angel or "man". There are many other forms than this one. It depends on the planets being seeded with life and who wins the evolutionary race. all forms walk eventually on 2 legs. there are cat people, dog people, elephant people, insect people (those praying mantis folks), and this type. And others. there are PLANT people. EBE of the craft brought down in Nevada or wherever that was, was a plant person. they make chlorophyll like plants. those praying mantis folks you are supposed to fear, by the tabloids, are some of the most gentle folks around.

evolution is real but not understood properly. evolution is OF MIND, bodies are only temples for mind to grow. but mind has to grow the temples. On a planet such as this one, oceans are seeded with life which grows first plant type then animal life appears, then humans eventually. it depends on the seeding. This is a planet to create new souls from scratch. Then once life is established it can be used to seed other worlds and hasten the development of them. And there are currently about 5.6 trillion evolutionary planet that have produced intelligent life. one job in heaven, is seeding planets. Carrying life to them. There is a special group of angels created to do this, but ascending man can play with them. Work and observe and learn in their laboratories. That ET phone home movie, the old biologist? that symbolized the Life Carriers, he was checking out some life here and got left behind. kinda a silly story, but good enough.

I guess on this planet if you are drafted you go, they can harm your body, a lesson in soul growth obviously. you are allowed to kill in self defense. What we are doing right now is not self defense, it is taking by method of force. All goes to the intent of the soul. These ones of earth have been breeding robot people to use as war fodder and factory labor. There are movies on that too.

If you are drafted and somebody points a gun at you, shoot, for your life is valuable. Always the lessons. rough planet this is. If people wish to move to the better planets, it is earned. Usually by reincarnation, they have better meat suits on them, you want to start as a child on them.

OK, its late, this is very long, I am not going to cut it in half, read it the wall of text if your are interested. I think I covered most of the questions.

Op the "Promised Land" to my way of understanding the Bible, was modern day Israel, or rather Jerusalem. Is this angel telling us that this current war that's being fought amongst Israel and Palestine the "Promised Land" he's referring to? Meaning this war will not bring Israel peace? Interesting if this is true...

Quoting: **Lady Wolf**

I can answer than. NO NO NO. But it certainly is about the middle war in progress and getting worse. Israel is not the promised land. She is inhabited at this time by the antichrist Khazars Israel and palestine are not being fought against by another entity. They are different.

The United States was the promised land until Israel khazars too it over. We were to be the light of the world. it failed miserably.

The khazars have origin in MONGOLIA originally and were push west to get rid of them. They took over the black sea area at one time, and eastern europe. They created the word JEW for themselves in the 1700's and put it in the bible to help get support for the plans to steal israel. They want all of "palestine". I don't currently have the map for what they want on this computer, but basically syria, 1/2 of iraq, Jordon, Lebanon, all those, a chunk of Turkey, part of Saudi Arabia, part of egypt. They were never from there.

Well I know that, and you know that....that the mother of the Messiah is not the Queen of Heaven....however, it seems that some, or many, maybe most Catholics? have elevated her to that position, so, in the end, what does that mean?

It means, they have created a new idol for themselves, manifested in the very one abhorred by the Most High.

Quoting: **Shamar**

So according to you who is the Queen of Heaven if its not Our Blessed Mother?

Quoting: **Anonymous Coward 27904634**

ONE MORE TIME. Mary Mother of Jesus, is actually the real mother from long long ago of Esu Immanuel, one of the two who shared the body labeled Jesus Christ by the confused Paul.

She is consort (married) to Sanat Kumara who is SOLAR LOGOS. Spiritual DIRECTOR for OUR solar system. Thus he is "king" of our solar system and thus "king of the local heaven of our solar system." Mary's real name is ANNA, Mother Mary is simply her incarnated name of 2000 years ago. Since her husband Sanat is Spiritual Director /King from the Heaven Hierarchy of this solar system, she is certainly Queen of Heaven of this solar system. You ones have not concept of such things. This is FACT and you may not argue it. I know of what I speak. She is an incredibly holy woman and don't a single one of you go telling ME she is lying in her grave waiting resurrected. WE who are from Heaven, are long resurrected. We simply drop the body. Nobody lies in the grave anyway.

You ones have no idea what or where heaven is, and Jesus said it was within YOU. This is a prison world under the veil. In fact, any world NOT UNDER THE VEIL IS HEAVEN.

You ones have no idea of heirarchy and government of the creation. YOu will not bother to read that which was given to explain it.

Let those who love Mary called her queen of heaven, there is NOTHING wrong with it. They live in the etheric realms of Venus.

You reject nearly all of us from "heaven" that have incarnated here to work with and for you thru the correcting time. You are ignorant because of Lucifer and this being a veiled world since his

insurrection. It is over, the veil is being drawn back. You are going to have the truth. We are bringing it as fast as we can, because time is short, because of the cosmic cycle at hand. This is the correcting time and it means what it says. you are so graced and you know it not.

Quoting: **God Loves ALL**

Why would the Most High condemn the worshipping and sacrifice to the Queen of Heaven?

Quoting: **Shamar**

who are you asking that of? you quoted me. The most high did no such thing. I supported in my post, the term Queen of heaven. Mary is queen of the local heaven so to speak of our solar system. Nothing wrong with loving her by that term.

the most high is not the Father Creator. They are hierarchy over a large area of this universe, they rule the constellations, and that is not a topic you ones are ready for. Nor the ancient of Days mentioned either in the bible.

What are parties like in the afterlife? Is there an actual God? Like 1 being higher than everyone else in the world?

Are there what we call on Earth "Video Games" in Heaven which we can play, or is it like "Oh darn i never beat my copy of assassins creed 3 on earth and now i'm dead, i wonder how it ends?" type of thing. If so, do our save files transfer over? Do you have technology that humans will make in the future that is not currently made on the earth, such as an iPod Touch 6th generation? Do you use cell phones or do you communicate telepathically? Is playing video games considered to be sin? Is masturbation considered a sin? (somebody had to ask it) Do you drink in the afterlife? Will spirits and everything in any type dimension ever cease to exist permanently? The angel looking craft nasa saw near the sun, was that you guys? How do you exist in a form, you act like you do not have a body but you can type on this forum? You say your team is to carry out your huge project, wouldn't you have to be in a "meat suit" to do anything physical on Earth?

I am getting tired too, but I have one last request: On December 7,2011 My Grandfather Fred B. died. Can you bring him to this forum, I wish to speak to him.

Thank you for taking time to answer me, sorry for so many questions.

Clayton, ask yourself the question, if you still want to play videogames, when the stories are happening for real. It will be all, what Star Trek stood for and much more...better. The Fantasy aspects of RPGs will be real.

(btw here on earth in this life I like to play a videogame too, from time to time:-))

The technology we in our higher aspects possess is unbelievable. And folks like Tesla have brought us really good stuff which the cabals quickly locked away.

I believe, that masturbation is no sin. But observe yourself...is it an addiction you have? Do you need it everyday? Or can you use it as a tool to let a little sexual tension off from time to time? When our twisted sexuality (created by the luciferians) is healed, there is no compulsive need for any type of sexual activity other than intentional procreation or the sharing of one another's divine being.

On telepathy and your grandfather:

You yourself can ask for messages of your grandfather. Just sit down, ask your angels/higher self to help you connect and protect you and have an open mind to receive from his higher expression. These messages will come the same way as ideas pop into your mind. you actually might think you talk with your own imagination inside your mind.

Learn to trust...

And btw, I believe Candace is very physical, as millions of us starseeds are. We came here to further the mission of Christ. We have lives here, facing the same problems as all people do, but the more you remember who you are, the solutions and approaches might change.

Thats a good question I hadnt thought about it.

He didnt specifically mention the present situation but I think is was referring to this, but also on a general global spectrum. As if to the present situation that the world is watching that could spiral out of control..because in a war one may know what causes it but one doesnt know how it will finish or what will happen.

So my interpretation of his words are that he was referring to the current situation from the perspective you mentioned but also on a global scale. As if this situation is being used to try to obtain the two objectives.As if the two are one. One inside the other. Or part of the same.

But that this promised land is not what is thought it is by the ones trying to achieve it ..something like that.

Thats my interpretation to his words the words I heard in the dream.

Seems also there are lies and deceit that he spoke of..seems its a sort of a mess. Trying to give some interpretation. Like lots of factions and lots of stuff said , lots of bs (my interpretation and feeling on this) but the main goal would be this promised land he spoke of, it seems, thats what is trying to be achieved it would seem. But that war is not permitted and against Gods wish.And that it is not understood what the promised land and for whom.

thats my insight, wish I knew more

I should have asked questions..I was just looking with a dropped jaw..couldnt really gather my thoughts to think or ask..wish I had

@ GOD LOVES ALL

This is what's written in the bible regarding your teachings.

We are nearing the Last days before Jesus arrives for us the deception is increasing daily. We ARE the generation that must heed the following scripture.

For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it were possible, they shall deceive the very elect. Matt 24:24

For false Christs and false prophets shall rise, and shall shew signs and wonders, to seduce, if it were possible, even the elect. Mark 13:22

Beloved, believe not every spirit, but try the spirits whether they are of God: because many false prophets are gone out into the world. 1 John 4:1

Beware of false prophets, which come to you in sheep's clothing, but inwardly they are ravening wolves. Matt 7:15

But there were false prophets also among the people, even as there shall be false teachers among you, who privily shall bring in damnable heresies, even denying the Lord that bought them, and bring upon themselves swift destruction. 2 Peter 2:1

And many false prophets shall rise, and shall deceive many. Matt 24:11

Finally, my brethren, be strong in the Lord, and in the power of his might. Put on the whole armour of God, that ye may be able to stand against the wiles of the devil.

For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.

Wherefore take unto you the whole armour of God, that ye may be able to withstand in the evil day, and having done all, to stand.

Stand therefore, having your loins girt about with truth, and having on the breastplate of righteousness;

And your feet shod with the preparation of the gospel of peace;

Above all, taking the shield of faith, where with ye shall be able to quench all the fiery darts of the wicked.

And take the helmet of salvation, and the sword of the Spirit, which is the word of God:

Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints

Ill try to do better ..this is my interpretation

As if you are trying to achieve objective a..which is really objective ab..but you are saying its just a..and hiding b in a

that you have been told that objective ab is something ..which it isnt

and you have been told that to obtain it c is the way to do it

that lies and deceit are being used to keep this floating..so that ab can be obtained

in the dream my interpretation of his words is that
a is hiding b..and that ab is not what the people trying to achieve ab think it is and who can have
ab

and that the way being used is also not permitted by God

My interpretation but his words sort of leave an underlying feeling..at least thats what it
seems..because as soon as you asked the question this came to mind

But I wish I could give you his words and not my interpretation

This is just my gut feeling from the dream and other dreams I have had..one I posted here couple
years ago as an ac and that was extremely impressive and very vivid

I think we have reached the end of the present age..not of the world ..not of this planet..but of this
way of living as we know it, this system and all it englobes..that we are about to see a
change..through Gods ways not mans..

A new era..a new beginning..something wonderful, and different..a tarnsformation

when? I dont know...

I think its an ongoing process and we are in it..like a train on track..

When? I think there are still some vital prophecies contained in revelation to be fulfilled..but as it
seems its been muddled up ..or at least they are not in chronological order or so it seems it is
difficult to figure out..

I have a feeling revelation 11 ..the two witnesses their demise etc..has already happened... a
feeling though I could be wrong

So We are at in my opinion revelation 6.. and revelation 10 which seem to be combined in one..

I think Revelation 6 Revelation 10 will ..is happening in stages..and during this process before its
complete all will be fulfilled..I believe we are smack in this process right now

but thats just my take on it..

As to the amazing St. Malachi Prophecies

And others of our faith..we are told..and I believe..the Catholic Church remains till the end..because that is its vital role..it has imo a very important role to play in end times in my opinion and that is why it is having a difficult time I believe, and being attacked..which is wonderful spiritually speaking ..in my opinion..(one of the many reasons why I choose to remain faithful and true to the Catholic Church till the end and beyond)

Therefore the time indicator is Petrus Romanus..when he comes on the scene..before his pontificate is over..or at the end of it..the change will come..and the end of this way of this..as life as has been understood will happen

we are told he will lead his flock through difficult times

these are in my opinion the times spoken of in revelation..when revelation 6 happens in all its stages..combined with revelation 10

so in my opinion the time marker we have is Petrus Romanus

I hope they are not led by public opinion when picking the name..

But I think it wont be the actual name..but something that links the Pope to the name

he is the last Pope

as Peter was the first..I think the name Peter comes precisely from that..because HE WILL BE THE LAST..as Peter was the first..but definitely a vital connection to Rome is underlined in the name..So Rome is uppermost in the nature of this last Pope...

As to the rumors he will be antichrist..I beg to differ. I think He will be a very Blessed and a very Special Pope with a very mportant role to fulfill in these in my opinion end times

and he I think signals the end

and the return of Christ and His Kingdom

in my opinion..

Because the Catholic Church in my opinion..has precisely that vital role..to remain standing..a bastion..with all faults and imperfections that stem from the human condition as in everything that includes man..but with a spiritual strength and purpose that comes from the Holy Spirit and Divine Preordination

To remain till His return and till the Kingdom comes here

So Peter is the last I think..and an accurate time marker.

the Catholic Church simply cant be destroyed in my opinion..EVER..because it must and will remain till His return..

If I may quote 'God Loves ALL'

This is NOT my first life. I have thousands of them. I am from the highest heaven, Paradise and you do not get to tell ME who I AM. I got "saved" a very very long time ago as I am a very old soul. I work with folks you never heard of, so you cannot judge that. By your own statements here, you are clearly behind.

I read 8 pages last night on this post, and when I read every word it instantly appears in my fathers thoughts. I have NEVER read any length of any post on GLP.

I vave never seen a contrast of energies like it. Candace, you held yor calm, bless you. You do know me from long ago. Don't be afraid of using Anglo-Saxon words either, it does gets results, it rattles their cage they are locked in!

I was with the Old Man of the Universe in conversation today. You all better believe it, these are the Last Days as you know it and I recieved code about our Sun dimming.

I could tell many things about Paradise, I go there often, and was with Christ-Michael today at a meeting of old friend directly the moment I went to sleep after reading this string up to the page 8.

I hope those following this thread have their heads well and truly screwed on the right way to understand what is the TRUTH, many showed their love and protection of this little loved one, God Bless all those who applied this divive protection, the **TRUTH & LIGHT ALWAYS WINS!!!**

I too are like Uriel, expelled by organized religion.

Many of you know me from deep within, I am one of earliest Creators. I am a starseed and a

twinflame. You need not know my identity, if I told you, the dark ones with say the same of me to Uriel, they are very afraid of my coming return!

We are so close to the finishing line, its not funny. I was given full instructions to be ready. Let these two videos give you a clue as energy to becoming full light.

I was asked by the Old Man of the Universe. "Do you remember this?" Note the silver cord energy that connected to the Sun. I was shown the facial energy of Mary in this movie, and he addressed me as 'MY BOY', that's my heavenly father's energy. I am a very, old soul with many past lives beyond your two star-system and my Higher-Self resides in a Heavenly Paradise with my twinflame waiting for my return, and that is very soon in the next few weeks. Well I know that, and you know that....that the mother of the Messiah is not the Queen of Heaven....however, it seems that some, or many, maybe most Catholics? have elevated her to that position, so, in the end, what does that mean?

It means, they have created a new idol for themselves, manifested in the very one abhorred by the Most High.

Quoting: **Shamar**

So according to you who is the Queen of Heaven if its not Our Blessed Mother?

Quoting: **Anonymous Coward 27904634**

Before I answer that.....you probably should answer this:

Why would the Most High condemn the worshipping and sacrifice to the Queen of Heaven?

Pardon me for interfering, but this is how I understand it....I AM a Soul, a Spiritual Being with a body....not the other way around....so I AM alive....I don't need NASA to make it....it is the same with Truth...it will always shine through....no matter how much human inadequacy, inconsistencies, lies and the twisting of facts is being used to cover it up. Truth stands!

Free Will....an all time goody....often recited and even more often totally misunderstood.

Do I belief that our Creator will watch under all circumstances, how we keep hurting, destroying and murdering each-other, along with the rest of creation?

Are we alone to decide??? What about the rest of our Universe? Since everything is connected does that mean "our free will" (whenever we decide or not, to wake up)counts more than the free will of others within our Universe??

How about Earth? How about Animals? How about Nature?....ALL has to keep suffering so we can have our "free will"?? Free Will of what? Blind leading the Blind?

How can one make use of "Free Will" if one does not know the Truth??? If one does not know the Law of Creation?

If I were GOD/Creator/Source (what ever Name suits you, feel free to use it)....I would interfere in a way so every living being would be freed from all lies, so they could get knowledge about Truth without the lie....to enable each and everyone to do the "clean up" of the mess we are in...No one who isn't in the knowing of Truth has a "Free Will" up to the point it is claimed by so many.

the pope wouldn't know jack shit and revelations is not important, only some of it is there, and some of that is mucked and repeats itself and the translations are terrible. The one great truth is Michael and his angels fought the dragon and that is Michael of Nebadon, not AA Michael as you ones assume because you don't know. Michael of Nebadon WAs the one dumbo paul labeled Jesus Christ.

Why is the antichrist Pope's opinion needed or valid, can yea ones not think for yourselves?

What are parties like in the afterlife? Is there an actual God? Like 1 being higher than everyone else in the world?

Are there what we call on Earth "Video Games" in Heaven which we can play, or is it like "Oh darn i never beat my copy of assassins creed 3 on earth and now i'm dead, i wonder how it ends?" type of thing. If so, do our save files transfer over? Do you have technology that humans will make in the future that is not currently made on the earth, such as an iPod Touch 6th generation? Do you use cell phones or do you communicate telepathically? Is playing video games considered to be sin? Is masturbation considered a sin? (somebody had to ask it) Do you drink in the afterlife? Will spirits and everything in any type dimension ever cease to exist permanently? The angel looking craft nasa saw near the sun, was that you guys? How do you exist in a form, you act like you do not have a body but you can type on this forum? You say your team is to carry out your huge project, wouldn't you have to be in a "meat suit" to do anything physical on Earth?

I am getting tired too, but I have one last request: On December 7,2011 My Grandfather Fred B. died. Can you bring him to this forum, I wish to speak to him.

Thank you for taking time to answer me, sorry for so many questions.

Quoting: **Clayton 23734565**

Clayton, I answered to you above. iPod 6 is flat kindergarten to what is available on advancing worlds. Stop with the heaven bit already and grow into the idea it is within YOU as taught. There ARE worlds far advanced of this ignorant place and many of them are custom constructed to governmental and living purposes. There is NO afterlife. There is ONLY LIFE in all places, your heaven included. Man has to give up "death". it is on a repeated cycle of all nature. Go read some Walter Russell PLEASE.

Stop the use of "spirits". That is pure ignorance. There are spirit beings not spirits. Its a different form is all. It is a form that is not ANIMAL which does not require toilets or food. In fact on the heaven worlds, the bodies of the lower heavens do not need toilets. All worlds in Light and Life that are evolutionary are heaven. This planet is going to be taken into Light and life, and when she is at that point, she will have no tilt , be straight up and down, and thus no seasons that result from the back and forth tilting of our year.

Masturbation has never been a sin against god, but to those addicted to it, for a high, it becomes a spiritual issue as do all addictions. No I will not bring your grandfather here, all folks at this time

are sorted to where they go after they pass. I don't know where he is nor is it important to anyone. I don't know if he will return by method of baby here, or someplace else, or if he is returning to the mansion worlds and another custom made body. If you wish to speak with him and he is around, go into meditation and ask. I am not playing a seer of that nature.

There is no afterlife. But if you are in the astral realms after dropping the body, the astral form there does not need to drink water. If you are not fully a spirit being and you go to other worlds using bodies, there will be water. bodies need water generally although there are forms that can be developed on waterless worlds.

All the custom built sphere of heaven have water on them, even the 1 billion spheres in the Central Universe of Havona, from which the word "heaven" comes from. You must drop heaven as some pasty lazy place, that does not exist whatsoever.

On some worlds, telepathy is not well developed. There are "cell phones" which are chips embedded behind the ear usually, rather than carrying a hand held device, and we will have these at some point after the long stasis. These accept THOUGHT and you Send thought thru them, but also there are "cell towers" which transmit it. Telepathy doesn't need cell towers. When we have these, you can connect with someone speaking another language, but the brain speaks the language of light and will translate their language to the one you understand.

YOU ANSWER the VIDEO GAME question, it goes to heart and motive and what the same is about. Sick evil games are sinful yes, in terms of what people are attracted to them. If its not Godly, its "evil".

The angel looking craft was not a craft, its a computer error that happens all the time. I have a body thankyou. That is how I can type on this forum. I sure would like to give up the meat suit though.....

Jesus, both of them are here in bodies that could type on the forum. Just better meat suits than these.

Most of us serving ON the planet and UP there ARE using a physical or semiphysical body because the people here are physical and their eyes could not discern us. I cannot put this body beyond 24 strands of dna or I would vanish from your sight, but that would not stop me from sitting here invisible and typing. I can make my body invisible by using my mind , but its a lot of work in this dense vibration.

just because human eyes do not see some bodies, does not mean the bodies are spirit, it means your eyes do NOT detect the vibratory rate. CATS can see beings than humans cannot in fact, those of you with cats, I assume you have seen your cats stare at something you cannot see. Dogs hear sounds beyond the human ear.

As you hook DNA you also grow new organs. You will develop a buddha belly from diaphragm growth alone, plus other organs change with the dna hooking. I have a linky on my old computer. I need to transfer more of my linkys to this one, I could share an article with you about how the ascension process of the body, that new organs grow and others one change. I will not ever in this body have a 6 pack of abdominal muscles, because of the organ growth. I look heavier than I am, but on my belly I have barely an inch of fat, the rest is expansion of my belly. I look pregnant. In fact I am going to maternity shops for their pants with those nice elastic bands. Maternity clothes are IN for buddha bellies. I have no idea what you men will select to wear, but that is one reason some many folks with these bodies wear ROBES type garments. I have no waistline left. Never will see one again as long as I use this body.

Ok, a number of pages back, twice I posted the links to Hazel's works with AA Uriel. There were 13. Now we have another today. OP, this was given for your benefit, you are that new and fresh face mentioned in it. He is very very proud of you beloved.

First this: *Those making it a mission to collect clusters of 3 green thumbs, these works from my website are approved by SHR of GLP for publishing of FULL content. Please do not waste the mods time by making copyright infringement reports on them. See the end of the post for link and details. Thankyou. Candace (God Loves All.)*

Wrap up time

AA Uriel thru Hazel Nov 18.

I have chosen to direct this message to the one who has placed herself at my disposal. She has offered to be the bearer of this my directive. I have come before now to alert one whom I have chosen to bring forth a short yet searing imagery that would depict what your world has to envision in a pronounced moment that will conclude a restless phase in your earth's history. I chose to make that announcement to one who has not yet before been a bearer of messages so that others could see it through a fresh pair of eyes.

Many continue to dwell in denial of the truth and continue to carry the torch of the old and worn out teachings. This will not serve them for they will have to confront the very lies that have been spewed to them for ages and which they repeat ad nauseum.

The truth seldom sits comfortably. There remain many in ignorance of what is to transpire. The truth is too overwhelming and farfetched. They cannot consider a new world for to do so will upset their painted picture of what they know. But so shall it be. For the time is at hand now. Tremors will be felt on your earth plane as the earth kicks off her olden shoes in preparation for new wear. This is the primary time which precedes major activity on your earth. It has been foretold by the Father what is to be expected. Your linear time is moving very quickly now.

Your earth is being positioned for the final moment in the grand cycle which will terminate her revolution. This cycle will culminate in a darkened hue over lighting your sun that her rays may be regressed into her form but for a short time. You call it an eclipse but we refer to it as a 'solar closure' albeit a temporary one for a specific purpose. She will cease to smile but for a time as the rancid elements of your earth are ejected. So it is in indeed true how the story goes; for many of you think that this is a tale. This story I am here to tell you will have a real ending and all shall witness it. It is best that you seek now your own validation from the angels of the Divine so that you could prepare yourselves accordingly. Denial based on historical information will not serve you. Heed my words; there will be an ending to the charade and the Father has chosen the method to ease the pain of the earth before she makes her ascent.

The globe will enjoy days of darkness and when the light comes on again a new feeling will be had by all. This is not doomsday as some have prophesied. This is in fact the day of deliverance; Divine deliverance. No aliens are coming to steal you or your planet, but your star brothers will come to your rescue; your star brothers of pure light. Do not be fooled by the naysayers and the fear mongers- seek the truth and only the truth and you shall be given. Cleanse your mind from your beliefs and programming; for what is going to happen will happen and we the guides of the earth do not wish to see you flounder in confusion.

So I Uriel come to announce that indeed I am real- quite real and very present as a Divine energy working with your earth and humanity. It will behoove you to at the very least to consider what I say and seek confirmation from your inner divine.

Uriel come to say that this is wrap up time, so join us in serving the truth and let go of the lies as the time for its death is upon you,
Peace be with you.

I AM Uriel of the ONE light.

Candace: yesterday in my work with CM I mentioned a GLP thread in which one there received a stunning vision with AA Uriel and he took quite a beating. He is the one referred to in this piece above.

I have come before now to alert one whom I have chosen to bring forth a short yet searing imagery that would depict what your world has to envision in a pronounced moment that will conclude a restless phase in your earth's history. Ok look what I have bolded above, as Uriel let a cat out of the bag. We have covered the 3 Days of Darkness as the judgement event and the divine deliverance. I just got firm permission to expand our story.

Now notice again the bolded above, in which I also made the word terminate in blue. This is the magnetic pole reversal. This will occur DURING the 3 Days of Darkness, but will not be seen because it happened during the mini stasis portion of it, which will last actually estimated up to two weeks. The earth will experience needed earth changes during this. I have covered that there would be ministasis period during the days. Those sleeping in the ministasis will just remember 3 days. Normally a reversal would take 3 to 4 days total, but this will move monitored and slowed so the destruction will be less, but it will allow those pacific plates and the mess in the Gulf of Mexico happen. The new madrid is very likely to do it thing during that time and the poisonous gases can be "vacuumed" off that would be released.

This of course will cause widespread death of bodies, even though they sleep. Those in that regions that are to continue for the teaching period will be lifted off and taken to safety and there are plans for where they should live when they awaken for the teaching period. some of you star seeds will be on craft during this for your briefing of responsibilities immediately after.

Man is going to be more than ready to listen up to those here in service to God. As I said, billions will leave and that changes all of mans structures, government, business etc and there are plans well laid to provide for all. But all shall work at something during the teaching period, there is much to do. Those who have jobs left of course will continue them. Others will replace the missing, and there are tons of service work needed.

The teaching is global , in all languages on TV and internet. all under sea internet cables will be repaired if damaged etc. the systems will be tested for both TV radio and internet os that they function.

My server is sluggish right now, I will add a linky to Leo's teaching with THOTH on magnetic reversals when its not sticking, the internet is slow right now for me anyway, some sites not loading well. The sun will come up in the west, because as the energy that pumps earth restarts, she will restart the other direction.

come to your rescue; your star brothers of pure light. Do not be fooled by the naysayers and the fear mongers- seek the truth and only the truth and you shall be given. Cleanse your mind from your beliefs and programming; for what is going to happen will happen and we the guides of the earth do not wish to see you flounder in confusion.

So I Uriel come to announce that indeed I am real- quite real and very present as a Divine energy working with your earth and humanity. It will behoove you to at the very least to consider what I say and seek confirmation from your inner divine.

Uriel come to say that this is wrap up time, so join us in serving the truth and let go of the lies as the time for its death is upon you,
Peace be with you.

I AM Uriel of the ONE light.

Ok look what I have bolded above, as Uriel let a cat out of the bag. We have covered the 3 Days of Darkness as the judgement event and the divine deliverance. I just got firm permission to expand our story.

Now notice again the bolded above, in which I also made the word terminate in blue. This is the magnetic pole reversal. This will occur DURING the 3 Days of Darkness, but will not be seen because it happened during the mini stasis portion of it, which will last actually estimated up to two weeks. The earth will experience needed earth changes during this. I have covered that there would be ministasis period during the days. Those sleeping in the ministasis will just remember 3 days. Normally a reversal would take 3 to 4 days total, but this will move monitored and slowed so the destruction will be less, but it will allow those pacific plates and the mess in the Gulf of Mexico happen. The new madrid is very likely to do it thing during that time and the poisonous gases can be "vacuumed" off that would be released.

This of course will cause widespread death of bodies, even though they sleep. Those in

that regions that are to continue for the teaching period will be lifted off and taken to safety and there are plans for where they should live when they awaken for the teaching period. some of you star seeds will be on craft during this for your briefing of responsibilities immediately after.

Man is going to be more than ready to listen up to those here in service to God. As I said, billions will leave and that changes all of mans structures, government, business etc and there are plans well laid to provide for all. But all shall work at something during the teaching period, there is much to do. Those who have jobs left of course will continue them. Others will replace the missing, and there are tons of service work needed.

The teaching is global , in all languages on TV and internet. all under sea internet cables will be repaired if damaged etc. the systems will be tested for both TV radio and internet os that they function.

My server is sluggish right now, I will add a linky to Leo's teaching with THOTH on magnetic reversals when its not sticking, the internet is slow right now for me anyway, some sites not loading well. The sun will come up in the west, because as the energy that pumps earth restarts, she will restart the other direction.

Thank you for replies and input.

I also dont believe the 21 Dec prophecies..maybe something will happen but not what is expected and will probably go unnoticed.

As to the Pope etc..I disagree that he doesnt know. I think the Vatican knows. They are probably monitoring signs..fulfillment of propheciesetc.. with the knowledge and info they have from years of prophecies and messages etc..I think they know definitely, which is good.

Your earth is being positioned for the final moment in the grand cycle which will **terminate her revolution**. This cycle will culminate in a darkened hue over lighting your sun that her rays may be regressed into her form but for a short time. You call it an eclipse but we refer to it as a 'solar closure' albeit a temporary one for a specific purpose. She will cease to smile but for a time as the rancid elements of your earth are ejected.

The globe will enjoy days of darkness and when the light comes on again a new feeling will be had by all. This is not doomsday as some have prophesied. This is in fact the day of deliverance; Divine deliverance. No aliens are coming to steal you or your planet, but your star brothers will come to your rescue; your star brothers of pure light. Do not be fooled by the naysayers and the fear mongers- seek the truth and only the truth and you shall be given. Cleanse your mind from your beliefs and programming; for what is going to happen will happen and we the guides of the earth do not wish to see you flounder in confusion.

Siempre hemos estado entre vosotros, pues sois nuestros Hijo/Hermanos. En estos difíciles momentos, que se remontan a varias décadas, nuestra asistencia ha sido mayor. Es tiempo de recoger la cosecha, pues en breve, de no hacerlo, no quedará un justo sobre este planeta. No os preocupéis sobre la forma en que se actuará, pues son muchas y acordes a cada uno de vosotros si ha de ser. Profundizar en vuestro trabajo, que no es otro que el de conoceros a vosotros mismos y establecer un nexo de comunión con vuestro real ser, pues no debéis olvidar que "vosotros sois dioses". Esa esencia divina os hace inmortales si trabajáis para hacerla resplandecer. El Amor hacia vuestros semejantes os hará grandes y aptos para ser parte de la cosecha. Aún en los momentos mas duros permanecer serenos y dispuestos a que vuestro Padre os guíe, aún más allá de la muerte, que En Verdad no existe, pues es solo un tránsito. Aunque el cielo se abra o rompa como un pergamino, la luna se torne roja como señal de sangrienta guerra y sucesos apocalípticos, y el sol se oscurezca por tres o más días, mantener la calma pues estaremos con vosotros. Vuestro pasaporte para ascender es el Amor al Padre y a vuestros semejantes, así como la serenidad en los momentos más difíciles. Practicar el Perdón hacia los demás y mantener la humildad, sencillez, paciencia y perseverancia en vuestros actos. Vuestra perfección radica en vuestra esencia, la cual es divina, refugiaros en ella a través de la meditación y la oración. Prepararos y llegaréis a buen puerto. Ámen. AMEN
