welcome back? I been here for awhile. where have you been. You can't expose anything and beloved OP got the vision, we have just supported it. this is not a thread about me. so take a few hours to read it. I haven't ever left, just changed my accounts when I had to pay again to work. this is not my thread, don't be about destroying what others have done.

I have read through the 38 pages in this thread, and watched it evolve in many way culminating light and truth. There has been some ugliness and attacks, but this is how ones mind evolves, thru conscious debate and thinking, being open-minded and open to learning new truths.

Therefore the above bolded post to me shows much ignorance in understanding. Either you failed to read the entire thread and feel the pulse of material and how it has been presented, or you lack serious understanding of matters of importance, and only wish to cause turmoil and darkness, thus attacking Candace.

For many postings presented here have resonated in a higher vibration, as the words themselves delivered universal truth and divine importance.

Truth is the highest vibration there is, nothing can hold or keep it down, for God's creations all come from "TRUTH".

The messages given here are "IMPORTANT", as they have been given for the times by which we now live.

The teachings and educations that we all have been given from childhood is not easy to walk away from, for to do so shatters ones life and all that feels safe. These meme's as they are called were meant to keep us from growing in spirit, and to cause fear in moving forward in enlightenment. The dark knew what they were doing, and humanity has suffered in advanced spiritual growth because our religions have taught us to beware of false teachers and false prophets. The dark knew that God's teachers would come to proclaim truth, and they cleverly changed biblical facts putting warnings everywhere thus hindering the lighted teachers of God from bringing us the lighted truth, for these times.

Candace is one of the teachers here on GLP, and believe me it is not easy breaking through the programmed meme's. I myself had to break and shatter all illusion and teachings I myself had been taught, from childhood.

Try to understand the dynamics of what is truly at stake right now, regarding your souls. This age is coming to an end and each and everyone must do the work within themselves to get balanced and grounded. All of God's children must be informed of these times, and be the bearers of light to those around them, who will be truly scared. There is nothing to fear, but we must hold the light and be fearless and strong.

Take these messages to heart. Lets stop attacking Candace and start going within for guidance and understanding. NO ONE can do the work for each other. All must address individually these issues within themselves for the answers.

Energies are high right now, so get aligned with peace within, and follow your inner guidance at this time.

Blessings and Peace to all,
DMFS

Digamos revelaciones de La Santissima, La Mediatrix De Todas las Gracias...Shhh por como se han calmado las aguas ahora, no hace falta un terremoto. Ella se me revelo que fuiste usted durante El Rosario en la mañana, y que eres muy querida y estimada con ella. Yo creo que Uriel fue mandado por ella.

Me han salido otras revelaciones sobre el sueño suyo también. Puede ser una advertencia a Israel por la maldad que existe no solo afuera de Jerusalén, sino a dentro también. Un advertencia a Israel que Dios puede abandonarla a sus enemigos por todos sus pecados, como en los tiempos antiguos....Hmmm???

Aver, piénsalo usted.

Gracias ..desde luego hay muchas..si :)

La quiero Mucho.

Me paso también algo muy bello con la Virgen. Tenía una cita con personas..algunas amigas..otras no las conocía. Cuando entré una señora hizo una jaculatoria, porque vio la Medalla Milagrosa que llevo al cuello..se levanto de golpe.,yo no la conocía....me abrazo y me dio una estampita de la Medalla Milagrosa (Que esta aquí al lado del ordenador)..yo estaba de piedra..me miro y me dijo..

"No entraste sola..La Virgen esta a tu lado..la he visto"

Fue algo que me impresiono muchísimo

Es mas..La estampa que me regalo..no estaba según ella en el bolso..porque ella la había buscado..sino que cuando sintió el impulso de darme y abrió el bolso..sabiendo que no estaba..la encontró..

Impresionante

Pero esto no solo me pasa a mí..a todos..las Gracias estan allí..hace falta verlas

Impresionante de verdad!!! but I'm not surprised, as I was shown that you have a beautiful heart and soul. I was told to watch in the coming days for indisputable "signs and prodigies", a word I rarely use. The rest was personal and reached the core of my heart. She always says she has an abundance of graces to give and for the giving, but few people ask her for them. It saddens her, but in her humility she doesn't force herself on anyone. Just as I preceeded him when he first came, so also do I preceed him when he comes again. Esta vez viene como La Generalissima de Su Ejercito Celestial.

No for the world, more like a wake-up call, that God does indeed exist, and that all evil will be exterminated in due course because of the stench of sin that reaches the heavens. Many people don't realize that the angels now stand at the four corners of the earth ready for that trumpet to blow to begin separating the wheat from the chaff. A great culling will ensue, because the time of mercy is coming to an end.

No I have not read about the Popes comments on the Mayans, as I was not on the computer yesterday, and was catching up to your thread today. Of course I pass by the new age gobbildy-gook, as I see so many deceived by its false love and peace. The enemy is awesomely cunning and deceptive.

Have you ever made a trip to Garabadal? I know Jacinta, she lives here in California.?

I am just so totally enthralled with Fatima. Have you ever been there? You should try to go if you can , its so wonderful. What I liked most was a path among some olive trees where allegedly the first apparitions happened. Out in nature..in communion with God. I really felt Her presence there. he told me much more. The other angels were in the background. Lots of them but blurred. He said many were confusing people making them think that war would bring about the promised land he said, pretending to speak using Gods word. (He used the words promised land). He said this is a lie, war is not the way and not permitted.

He repeated that war is not permitted.

he repeated it three times.

Lol this thread is hilarious. You can tell by the OP's writing style that he's one of "them" meaning part of the "productions" department in this social experiment and honeytrap called Godlike Productions.

As for Salt becoming a mod, toooo funny. Always knew she wasn't who she claimed to be. Wouldn't be surprised if one day she has a cat picture as an avatar. After all, we do know what those kittehs represent, and, well, the one-eyed symbolism has already been done with her, so what's left?

Dear ET Emissary,

First of all I can assure you the Christ Michael Aton, Esu and the rest of them as you stated "DO EXIST"

When a message is given to someone it is interpreted and written according to their own personal signature. This is why different people receiving a message from CM will seem different in the language. It is because the perceptions and thinking of the person are incorporated into the message and delivered in their voice/writings. This does not make the message less valid or wrong.

Many messages given in the past were target messages! Which means they were not meant for us. This also does not mean they were wrong or not valid, as they served a purpose.

Everything is fluid, which means that a time line thought to me on track, can change overnight due to many reasons. Our calendar and times are also not the same as the celestials time lines.

Many messages given were wake up calls to humanity. Challenging us to pay attention and also to see the severity of our planet's demise.

The earth is dying and in serious trouble. Messages concerning earth changes were not meant to cause fear, but to wake humanity up to the seriousness of our abuses upon her. All planets have souls! Our mother earth feels all abuses/war,bombs/poisons/pollution/oil,coal pillaging/ slaughtering of animals/killing of each other.

Mankind has caused much of our troubles and yet still remains asleep. No one even cares to be honest, as everyone goes about living as if nothing is wrong.

The messages coming through channelers has increased and are all in sinc with each other. They give warnings and messages of love hoping to inspire and wake people up.

I do not speak for Candace but from my own perspective and understanding. I feel deeply within my soul what I write to be true. I have discerned and received my own messages, and therefore KNOW for myself my truth.

I understand your questioning and your discernment/worries regarding all you wrote here. I can only advise you to connect to CM on your own for confirmation of these events and messages, for you must do the work ET yourself. Believing is NOT KNOWING!

You must KNOW for yourself TRUTH~ Only you can call out from your soul to the universe for answers and if you trust your I AM that I AM presence....with confidence you shall get the answers you so dearly seek.

Lol this thread is hilarious. You can tell by the OP's writing style that he's one of "them" meaning part of the "productions" department in this social experiment and honeytrap called Godlike Productions.

As for Salt becoming a mod, toooo funny. Always knew she wasn't who she claimed to be. Wouldn't be surprised if one day she has a cat picture as an avatar. After all, we do know what those kittehs represent, and, well, the one-eyed symbolism has already been done with her, so what's left?

im sorry but those messages & most channeled messages are not authentic

we know that this planet has been controlled by darkness for quite some time now & they would manipulate/create 'channeled' messages to confuse & spread disinformation

do not make excuses for the numerous inconsistencies of those messages

i know(from experience) that it is not easy to see it for what it is & admit that you were fooled/hoodwinked

but if you truly want to move forward & find real truth, you are going to have to move past the deceptions

the darkness has been very clever & used advanced tactics in using other people to spreading disinformation

please listen to that video very carefully

i still find this website to have authentic messages & their latest one also discusses the manipulation of channels

Any Christian who has anything to say negative about the Catholic Church should read these tracts (first link) and then the Catechism of the Catholic Church (second link). Do this FIRST.

MOST if not ALL of the arguments online here and on other forums are based on misunderstandings of what the Catholic Church teaches.

THEN and only THEN can anyone have an intelligent discussion over differences of beliefs.

After all, you should understand what it is you are talking about straight from the horse's mouth before you have enough knowledge to argue your own position, right?

Unfortunately, I can't say to do the same for any other Christian churches since they do not have any clear beliefs written down anywhere other than their claim that they go by the bible even though each Christian interprets it differently.

But anyway, any discussion that has any basis in logic, first has to have an understanding or a basis to work from which has clear definitions.

Otherwise you are presenting FALSE information, which is FEAR based and you are acting out of your own EGO and BEARING FALSE WITNESS against others.

So before you make a statement about what you think Catholic's believe, check your understanding of what it is you think they believe before you speak or write about it. Otherwise, again you are BEARING FALSE WITNESS against others.

Well I am relaxed and conscious! My discerning barometer has always been my guide. I am clearly not gullible.

I trust who I AM and therefore trust my inner guidance at this time. If your inner guidance does not resonate with her teachings, well than honor yourself and follow what does feel right. Let others

have the opportunity to discern for themselves what feels right.

Everyone should have the opportunity to deliver or voice their truth, without being attacked.

You obviously haven't seen the viciousness of Candace's words to others in this thread then. Everyone does have a right to voice their beliefs. She doesn't seem to think so. All we get from her are 'meat suits' and 'thugs', and a lot of profanity. Then when she's called out on it, uses the lame excuse that she had to stoop to their level to make them understand. Read if you don't believe me.

I've been coming back here every so often, but I can see the OP has made up their mind. I will say one thing again though, don't ask people....ask God. He'll tell you the Truth about your vision.

Good luck OP

Interesting if this is true...

Quoting: **Lady Wolf**

I can answer than. NO NO NO. But it certainly is about the middle war in progress and getting worse. Israel is not the promised land. She is inhabited at this time by the antichrist Khazars Israel and palestine are not being fought against by another entity. They are different.

The United States was the promised land until Israel khazars too it over. We were to be the light of the world. it failed miserably.

The khazars have origin in MONGOLIA originally and were push west to get rid of them. They took over the black sea area at one time, and eastern europe. They created the word JEW for themselves in the 1700's and put it in the bible to help get support for the plans to steal israel. They want all of "palestine". I don't currently have the map for what they want on this computer,

but basically syria, 1/2 of iraq, Jordon, Lebanon, all those, a chunk of Turkey, part of Saudi Arabia, part of egypt. They were never from there.

Hi anyone heard the recent comments of the Pope regarding Revelation 6?

Any input?

Quoting: **Anonymous Coward 27904634**

He was just basing his comments on the readings at Mass on Sunday, those readings are:

Daniel 12:1-3

Psalm 16:5, 8-11

Hebrews 10:11-14, 18

Mark 13:24-32

24 "But in those days, after that tribulation, the sun will be darkened, and the moon will not give its light,

25 and the stars will be falling from heaven, and the powers in the heavens will be shaken.

26 And then they will see the Son of man coming in clouds with great power and glory.

27 And then he will send out the angels, and gather his elect from the four winds, from the ends of the earth to the ends of heaven.

28 "From the fig tree learn its lesson: as soon as its branch becomes tender and puts forth its leaves, you know that summer is near.

29 So also, when you see these things taking place, you know that he is near, at the very gates.

30 Truly, I say to you, this generation will not pass away before all these things take place.

31 Heaven and earth will pass away, but my words will not pass away.

32 "But of that day or that hour no one knows, not even the angels in heaven, nor the Son, but only the Father.

My personal opinion is that the date 12/21/12 is indeed in the bible, if you look at Revelations chapter 12 which is depicting Virgo as this constellation will appear on that date

Chapter 21 is referring to the New Heaven and New Earth

and Chapter 11:11 which is referring to the Resurrection

That is the Mayan date... 12./21/12 at 11:11 UT

My opinion is that the date is NOT the end of the world, so it is okay to understand this date as being important, People think it is a "false prophesy" to speak of this date as significant because of this scripture. However, since the date given is NOT the date of the end of the world, only the end of an era, it is okay to speak of it. It is actually the end of a 26,000 year ERA (or period of

precession) and the date is a "marker" for the beginning of the New Era. My personal belief is that it is a date marker for the "Revealing" or "Awakening" or the "Illumination" of consciousness. The 3 days of darkness which has been prophesied by many saints are the three eclipses prior to the date. The date marks the beginning of the New Era of Peace, but it may not happen over night, but is the 'tipping point' of goodness prevailing over evil as a result of the "awakening". My personal belief is that things will be much clearer after this date and people will be "choosing sides" so to speak.

As I remarked to the OP earlier today, I believe that Uriel was warning Israel not to pursue this suicidal war, that God's enemies are not alone outside of Jerusalem, they also exist within, and God may once again abandon Irsael to her enemies as he did in the old testament, because they had abandoned his ways and his laws. Coveting by any means gets no one to the 'Promised land'. That is why unlawful actions are not permitted by God.

Thats a good question I hadnt thought about it.

He didnt specifically mention the present situation but I think is was referring to this, but also on a general global spectrum. As if to the present situation that the world is watching that could spiral out of control..because in a war one may know what causes it but one doesnt know how it will finish or what will happen.

So my interpretation of his words are that he was referring to the current situation from the perspective you mentioned but also on a global scale. As if this situation is being used to try to obtain the two objectives.As if the two are one. One inside the other. Or part of the same.

But that this promised land is not what is thought it is by the ones trying to achieve it ..something like that.

Thats my interpretation to his words the words I heard in the dream.

Seems also there are lies and deceit that he spoke of..seems its a sort of a mess. Trying to give some interpretation. Like lots of factions and lots of stuff said , lots of bs (my interpretation and feeling on this) but the main goal would be this promised land he spoke of, it seems, thats what is trying to be achieved it would seem. But that war is not permitted and against Gods wish.And that it is not understood what the promised land and for whom.

thats my insight, wish I knew more

I should have asked questions..I was just looking with a dropped jaw..couldnt really gather my thoughts to think or ask..wish I had

Quoting: **Anonymous Coward 27904634**

Interesting perspective and it does give much to ponder on. Sometimes I think that when we are given a message, dream or a vision, we are either allowed to ask questions or we are not. Sometimes, I think we are only meant to witness and share the message we are given. That might have been the case here. I do want to thank you for sharing your dream. It's been an interesting discussion so far:)

Dear ET Emissary,

First of all I can assure you the Christ Michael Aton, Esu and the rest of them as you stated "DO EXIST"

When a message is given to someone it is interpreted and written according to their own personal signature. This is why different people receiving a message from CM will seem different in the language. It is because the perceptions and thinking of the person are incorporated into the message and delivered in their voice/writings. This does not make the message less valid or wrong.

Many messages given in the past were target messages! Which means they were not meant for us. This also does not mean they were wrong or not valid, as they served a purpose.

Everything is fluid, which means that a time line thought to me on track, can change overnight due to many reasons. Our calendar and times are also not the same as the celestial time lines.

Many messages given were wake up calls to humanity. Challenging us to pay attention and also to see the severity of our planet's demise.

The earth is dying and in serious trouble. Messages concerning earth changes were not meant to cause fear, but to wake humanity up to the seriousness of our abuses upon her. All planets have souls! Our mother earth feels all abuses/war,bombs/poisons/pollution/oil,coal pillaging/ slaughtering of animals/killing of each other.

Mankind has caused much of our troubles and yet still remains asleep. No one even cares to be honest, as everyone goes about living as if nothing is wrong.

The messages coming through channelers has increased and are all in sinc with each other. They give warnings and messages of love hoping to inspire and wake people up.

I do not speak for Candace but from my own perspective and understanding. I feel deeply within my soul what I write to be true. I have discerned and received my own messages, and therefore KNOW for myself my truth.

I understand your questioning and your discernment/worries regarding all you wrote here. I can only advise you to connect to CM on your own for confirmation of these events and messages, for you must do the work ET yourself. Believing is NOT KNOWING!

You must KNOW for yourself TRUTH~ Only you can call out from your soul to the universe for answers and if you trust your I AM that I AM presence....with confidence you shall get the answers you so dearly seek.

Blessings,

im sorry but those messages & most channeled messages are not authentic

we know that this planet has been controlled by darkness for quite some time now & they would manipulate/create 'channeled' messages to confuse & spread disinformation

do not make excuses for the numerous inconsistencies of those messages

i know(from experience) that it is not easy to see it for what it is & admit that you were fooled/hoodwinked

but if you truly want to move forward & find real truth, you are going to have to move past the deceptions

the darkness has been very clever & used advanced tactics in using other people to spreading disinformation

please listen to that video very carefully

i still find this website to have authentic messages & their latest one also discusses the manipulation of channels

I respect your opinion, but do not agree.

My path has taken me down a bumpy road to truth, and I have been shown both lies and truth. The channelers with Abundant Hope are authentic and God appointed.

I agree that the Dark are using MANY Channelers around the world, and giving false information.

The world may not agree with many of the messages coming thru Abundant Hope, but that does not make them false.

There is no way to proof to someone what is divine truth or knowledge. This is why everyone must embark down their own road seeking what is false and what is truth. It takes time to study, read, explore, investigate and meditate for the answers.

I have been doing just that for over 5 years now, and I am not new to the false messages and false websites.

If you earnestly seek from your heart to KNOW all TRUTH, AND HAVE A PERSONAL RELATIONSHIP WITH JESUS/CM than he will guide you to the material needed to understand.

It will mean breaking down all barriers of what you once believed. Faith and Trust must be at the forefront. Your angels/guides will guide you. Do THE WORK NEEDED WITHIN YOURSELF FIRST, AND THEY WILL DO THE REST. I assure you that everyone who wishes to know truth will be guided.

Candace has her own way of teaching, and I respect her greatly. It is not easy being attacked over many years, when your mission is to help enlighten and bring to the surface all false truths. She is a true warrior, and may at times come off as not aligned with light, but I can assure you she is one of God's brightest. Her heart is HUGE, in wanting to Serve and bring truth to all.

If you knew her heart and who she truly is, you would know differently.

I will not continue further with this discussion, ET.

I cannot stress enough that you must find your own way through the muck and lies. The journey of the soul is not easy, but it molds character and integrity.

Begin with reading the Phoenix Journals and Urantia Book. Much will be shown to you, as your guides will bring what will resonate and the rest will take you down a journey of enlightenment. BE

OPEN TO EXPAND CONSCIOUSNESS AND IT WILL BE GIVEN.

Dear ET Emissary,

First of all I can assure you the Christ Michael Aton, Esu and the rest of them as you stated "DO EXIST"

When a message is given to someone it is interpreted and written according to their own personal signature. This is why different people receiving a message from CM will seem different in the language. It is because the perceptions and thinking of the person are incorporated into the message and delivered in their voice/writings. This does not make the message less valid or wrong.

Many messages given in the past were target messages! Which means they were not meant for us. This also does not mean they were wrong or not valid, as they served a purpose.

Everything is fluid, which means that a time line thought to me on track, can change overnight due to many reasons. Our calendar and times are also not the same as the celestials time lines.

Many messages given were wake up calls to humanity. Challenging us to pay attention and also to see the severity of our planet's demise.

The earth is dying and in serious trouble. Messages concerning earth changes were not meant to cause fear, but to wake humanity up to the seriousness of our abuses upon her. All planets have souls! Our mother earth feels all abuses/war,bombs/poisons/pollution/oil,coal pillaging/ slaughtering of animals/killing of each other.

been there done that

it is not a matter of agreeing or disagreeing with abundanthope

it is a matter of Credibility & Authenticity

The Proof of the Lies & Deceptions i posted above should help you to begin Questioning Abundanthope & where exactly they get their information from

which is from their Egos & Manipulating Entities

i cannot Force you to Investigate & see the truth

when peoples egos think they have found the 'ultimate truth' then it is Hard for them to Question & Research the Evidence that proves otherwise

However if one is Truly Honest with themselves then they will set aside their ego & not be afraid to question information & research the evidence in seeking truth

because Real Truth does not fear investigation & in fact it welcomes it because it is solid truth that has nothing to hide

no matter how many times abundanthope messages & the indoctrinated believers try to twist, spin & make excuses...

the truth will come out about the illegitimate messages & belief systems

in many ways it already has..

as proven in my earlier comments

please re-read them, watch the videos & Think instead of letting abundanthope/PJs/Urnatia book think for you

do not trap yourselves as people have trapped themselves within churches/bibles/religions

They do not have wings beloved, they are energy radiating out of the heart area when they are perceived So many people on earth believe angels fly, that they will put on wings for you. OP may not have needed wings.

Now beloveds, there are all these incredibly STUPID religion threads here. HOW does this SERVE your Jesus here now at this time? It doesn't. You want to be raptured off this world and that is NOT how it works. Your world is dying under your feet and you could give a shit about it. Where are you doing once its dead? There is no fluffy heaven, there IS better places which must be earned.

And there is no reason NOT to build this planet into a "heaven" of your dreams. But you don't know what eternal life even is, so you throw away the planet that is YOUR HOME and discuss TRASH. Ponder it, for only pondering will move you forward. It doesn't matter jack shit if Mary M and Jesus were married or any of that other GARBAGE that comes up. And when I do give you the FACTS on such topics, you still don't give a SHIT. This is YOUR WORLD. THINK

Any Christian who has anything to say negative about the Catholic Church should read these tracts (first link) and then the Catechism of the Catholic Church (second link). Do this FIRST.

MOST if not ALL of the arguments online here and on other forums are based on misunderstandings of what the Catholic Church teaches.

THEN and only THEN can anyone have an intelligent discussion over differences of beliefs.

After all, you should understand what it is you are talking about straight from the horse's mouth before you have enough knowledge to argue your own position, right?

Unfortunately, I can't say to do the same for any other Christian churches since they do not have any clear beliefs written down anywhere other than their claim that they go by the bible even though each Christian interprets it differently.

But anyway, any discussion that has any basis in logic, first has to have an understanding or a basis to work from which has clear definitions.

Otherwise you are presenting FALSE information, which is FEAR based and you are acting out of your own EGO and BEARING FALSE WITNESS against others.

So before you make a statement about what you think Catholic's believe, check your understanding of what it is you think they believe before you speak or write about it. Otherwise, again you are BEARING FALSE WITNESS against others.

Quoting: **Anonymous Coward 1034800**

Just to let you know, I was a catholic once. Until I saw the fraud. And made study. I in fact chose it when I was 18 years old, after the death of President Kennedy squelched my career plans. Kennedy was taken to meet Jesus, did you know that? And he began to put in place in my country everything that was suggested by Jesus to him. And they murdered him for it, on the very day he was to announce something of it, of the return, to begin to prepare the people. Jesus is returned. Has been since 1954 in fact.

I do not deny the many wondrous peoples of the church, I have seen wondrous devotion, , but the top level of the church are antichrists and some within it added false material to the bible. Jesus never appointment Peter to head his church. Jesus did not start a church. Constantine DID. Jesus never made the pope or Peter the vicar of Christ on this planet. Just so you know and you can confirm that if you make effort. You ones practice a lot of satanic stuff and know it not, but that matters not, its where your heart is, that matters. Catholics "believe" like all other churches, but belief is not knowing beloveds. Your church is responsible for incredible evil in this world over the long ages. Learn your own history.

Your church took over and destroyed the real WAY that was started in England after the Crucifixion by Joseph of A, and that was his role, alone with Mary M and some of the other apostles and family and friends who went to France by method of boat after the crucifixion. Joseph of A was a global tin trader and his daughter was married to the King of England's younger brother. The first true "church" if you mean building, was built in Glastonbury England 3 short years after the Crucifixion.

Mary M was pregnant with the child of Jesus and birthed their child while at sea. Thus many legends in Europe/France and England in particular. The child was a girl, named SaRa SaRa is incarnate on this plane now and to protect her identity, we are not allowed to know. Joseph of A and Mary M started the first true "church" and it was called THE WAY. And Rome destroyed it, not the building but all the teaching and absorbed it by method of force and war. How different Christianity could be today, of Constantine had not done what he did.

Paul was not a holy man at the time. He was in fact the worst enemy of Jesus because he was stupid and did not know God within him at all and spread many false teachings. He was not appointed by Jesus, Jesus did not die on the cross, he was in a coma, and he survived which is in the bible. No Magic resurrection folks. No easter day, sorry. That is the lie of Rome. Jesus spent some time with friends secretly and ascended into a CRAFT and was taken out of the hell hole to Damascus where he lived for 2 years before Saul came along looking for others. Saul of course thought Jesus was a ghost, and Jesus blinded him with no magic, other than fireworks. And requested some people to teach the man something while he was stunned for 3 days. Paul was never ordained an apostle.

and Luke, he never met Jesus, nice guy but his writings are all hearsay. All of you bible is

hearsay. People wrote what they remembered. It has lovely stuff in it, as to the NT and some very unlovely stuff.

God resides inside of YOU. Jesus taught that. Heed that, for God is not up in the high heavens someplace, he is as close as your MIND, because HE is MIND, his body is the creation. he sends a piece of his MIND to you and you communicate with him thru meditation and your church as never taught you that, have they? You are missing so much and we from heaven grieve huge tears over the destruction of the teachings of Jesus.

I chat with Jesus daily. He has been in my home and I have been on his craft, many times in fact. He is returned and the plan was a public return with the cooperation of President Kennedy. Kennedy was the finest President this country has had, because he was seen fit by Jesus.....and they murdered him and you are going to find out, sadly that your church hierarchy was behind that.

I always support Candace for all his teachings here and at the same time, myself also teach people about it even from a small number of people because the more you taught about the truth it will surely be injected into their minds and hearts. Thank you very much OP for your wonderful dream and I love it very much because my **mother also dream of so many spacecraft around this planet that giving and helping people here** and from what I see, this is after the 3 days of

darkness but my mother just afraid about it. She cannot remember all of her dreams. Although I do not know who I am but I'm certain that I also here in service. Maybe Candace can help me find who I really is because I'm still confused but understand what the teaching of Candace and the Abundanthope website. I love to read all those and people just laugh at me when I teach them about it. OP you are the best.

First: Green Thumb collectors: This piece is thru a member of my team and I have permission from SHR to post these here in full. Do NOT bother the mods with copyright infringement reports.

Beloved OP you have again found favor and mention, for this refers directly to your vision of Uriel, the great Arch Angel within the long piece. This below is a message from Creator Source of all the Creation. And it is directed to all those ones who are not as special as they think they are, such as those who posted in this thread who are less than they can be and put down your holy work. You have no idea, (well maybe you do), how great is thy works that YOU were selected to carry the Uriel message.

**BROADCAST 0X8X1XI Nov 21, 2012 thru Kibo
Thus saith The Lord God (Papa Source)**

BEHOLD

I AM ONE

I AM ALL

HEED WHAT I AM

FOR YOUR OWN SAKES.....

You all exist as part of My consciousness
My thought of you in all things
As I experience all things.
An experience of experiences
In a universe of universes
And more
Far beyond your comprehension.
Know that there are universes, galaxies, systems, planets, civilizations
Far older and grander than yours
Ye ones are not the center of the universe
Nor are you the center of reality
Nor the center of My full attention
For I give My full attention to all as one.
You live on a small planet that spins and orbits on the edge of your local system
Which is on the edge of your constellation system
Which is on the edge of your major system
Which is on the edge of your universe
Which is on the edge of your superuniverse
Which is the last of seven superuniverses
Yet you think
That what you think about things
Means more than what the rest of your universe thinks AND KNOWS.
For truly you know little of nothing
Of the works of your surroundings
Yet presume yourselves to be important to the whole of creation....but why?
What is your singular distinction in all of creation

That ye should feel so favored?

Know ye not that ye are known far and wide

As the planet that murdered God?

He bestowed Himself upon you to show you the way of the Father Source and Center of All

And you nailed Him to wood and watched Him give His Spirit back to The Father

Asking forgiveness for you in your ignorance....and that is what you celebrate

You celebrate the sacrifice of the cross

And ignore the decision of the cup

Where the God and Creator of your universe

Gave and submitted His Will

To the Father of all things

You, who claim to be His followers, yet cannot seem to find His footsteps

Can you say that you have done the same?

He gave you the way of peace

Of love and light

And life eternal

KNOW YE NOT YE ARE GODS?

Nay

You insist on acting like the ignorant children of old

Ye follow the scriptures designed for you

Corrupted by the tribe of Satan

Minions of the Anunnaki

[who came to the light, unlike their former minions]

I, even I

And the same Son of God that you murdered

Have sent to you Uriel

To declare MY Will for peace

The Will of My Christ Son, for peace

And still you clamor for war

Thinking that it will please Me

And bring about My Will

WHAT KNOW YE OF MY WILL?

I AM THE ETERNAL NOW

GIVING AS MY CHILDREN CAN COMPREHEND

TWO THOUSAND YEARS HAVE PASSED

AND STILL YOU INSIST UPON COMPREHENDING

NO MORE THAN YOU DID BACK THEN

And claim that prophecy

Given to thee as warnings

That ye may be able to change

Are written in stone and cannot be changed

And so you think My Will is for you to blindly accept what you are told from without, from your preachers and priests and rabbis and imams. You have no faith in or within yourselves and so you hold faith in men and refuse to believe that you and I are with and within each other as one.

It is better to believe in Me than to believe in men or nobles, or popes or politicians. Yet you stubbornly limit yourselves to being physical beings blindly stumbling through your attempts to understand spiritual experiences. When, in reality, you are spiritual beings of My consciousness, having a perception of physical experience for the purpose of training and learning to achieve the perfection I have promised you and the Christhood that comes with it.

You insist that Uriel must be a demon because he comes in the last days and speaks not of Glory to Me or to the one you call Jesus. Know ye not His true name? Esu Immanuel in Christ Michael of Nebadon. Yet if our Archangel came to you by His true name, ye would reject him even more than you do now. Know that in doing My Will and delivering the message that I willed to be delivered, he does indeed, glorify Me.

You ask, 'Why this one?' Why not? Who are you to say who is who and what is what? You would prefer that I sent him to you? Believe me, I have tried. But your hearts and minds are closed and limited and will accept nothing less than your own programmed, processed beliefs. I understand why you do what you do concerning these times, but know that, in this day and age, your understanding should have increased and expanded to include the greater reality of which you are

a part. You act as if you are the only civilization in existence that knows of God and serves Him and anything else is suspected of being demonic when quite the opposite seems to be true to the many thousands of truly civilized worlds and civilizations that have found the glory of God within themselves and have acted accordingly to live in love and light, in obedience with My Will and the Will of their Universe Sovereign and Creator. They have evolved far beyond your understanding from your small limited perceptions of life, eternal and infinite and so they have come here in service to aid you in your struggle to be free from the great evil that lives among you and controls the illusory matrix that, laughingly, you call civilization....and you call them demons, as well....

You kill each other in My name and expect Me to choose a side, whatever is your side, against all others, when such evil is against My Will.

Ye have yet to learn how to love each other as yourselves...can you truly say you love Me?

The anti-christ that you fear, yet anticipate and have been taught to desire in coming so that you may see the final days fulfilled, has been among you all this time. You think that it is just one person, when it is simply a figurehead for a people that own and control you and every aspect of your lives except the Divine Life of God Within You. There, they cannot touch you, but few have found this station of rest and replenishing....instead you have foolishly done as you have been taught to do....refrain from evolving spiritually and ridiculing and attacking all those that have. So be it.

Ye have been told that the sword has been held high and now it is on the way down. Ye laugh at our delaying, without thinking that it has all been for your sakes, that you may yet see and hear within and finally see and hear the true reality that surrounds you.....all have been called yet all too few have answered the call and fewer still have done the work needed to be chosen. I care not for what you think of yourselves in your arrogance, thinking that your affiliation with this religion or that group will save you. You are all spirit and your present, physical circumstances are but covering for your real selves while you struggle to work out the declining cycles of your karmic accounts. Black has been white, Palestinians have been Zionists and vice versa. Rich and poor have been poor and rich. Masters have been slaves and slaves have been masters. You have, in every way, been each other, but without the inner wisdom of divine communication, without an open, inner mind and heart, you will always concentrate upon your separation and differences instead of what unifies you in ME.

I unify all things in Myself as one. I AM HERE AND NOW. Do not look for me way back then, as you do in justifying yourselves for refusing to evolve your understanding of circumstances and events among people of an even more limited understanding that you. Do not overly concern yourselves with the future except to take each moment in What I Am and work together with ME as WE create the future together. If you cannot make such a leap of consciousness in faith and goodwill as to better effect Our relationship and more, interactive co-creation, then please try your best to act and be in love, with ME, as I love you infinitely and eternally, and with yourself and each other, that this world may finally see and realize peace and abundance, for in the future, only those that can be and do, act in and know this way, will be My Faith Children on Earth/Gaia, grown up and graduated, and given stewardship of this world ascended.

Heed the voice, the mind and the heart of The Father Within you and know that therein, is also the voice of The Son and The Holy Spirit, in the Trinity as you know it.

I AM THAT I AM

I AM I

Thanks Candace for sharing this message from Our Creator/Source and Kibo.

I would just like to stress once again the reading of the Urantia Book. This book gives details about our Universe and our earth's history. This message speaks about all of the galaxies/systems etc. along with the seven super-universe's. One cannot understand truly the grip/hold/prison the dark have made of our world, unless they understand the history of our planet.

Also that there are one hundred thousand universes within a super universe. Each universe has a creator-son, bestowed by God. Christ Michael/Jesus is our Creator Son, for our universe, which is part of 99,000 other universe's within this seventh universe. Yes it is mind boggling but divine and grand!!!

Mankind on our earth, has been prevented from learning about other worlds. Our creator wants us to know all that is, for he is a loving father. The time in which we live is changing and all is being shown to us, so that we can evolve to a higher thinking and a higher way in accordance with

divine truth.

May God's lighted truth come into each and everyone who reads here with an explosion of motivation to know and learn about everything, breaking down the walls of illusion and fear.

Blessings to OP for you are blessed with God's favor dear one!!!!

I keep forgetting to sign in, so my previous posts were under AC.

OP I am sharing some info, and do not wish to take away from your thread, but it truly is relevant to some teaching here.

Anyway I have been guided within to share a link here from Abundant Hope for the Phoenix Journal # 225. It recently appeared on the front site, and is very relevant to much being shared on this thread. It goes into details regarding the Pharisees 2000 years ago, and the biblical scripture in the bible regarding those times.

The Pharisees are relevant in that they are involved from that time forward in the many lies and false truths given in biblical content.

[\[link to abundanthope.net\]](http://link.to.abundanthope.net)

I also would like to share that I am Catholic, raised from childhood in the teachings of the church.

I became increasingly aware of much our church was teaching that did not resonate anymore within me, and began searching for answers. I am not here to condemn anyone Catholic for the religions of this world were our path to a higher way, but there is also many untruths within the church.

The Vatican/Rome is behind much evil in our world and much will be revealed regarding their roles in the lies and spiraling darkness our world has been trussed into.

Start peeling the onion, for it represents the many layers of deceit and lies given to us, by the dark.

Blessings,
DMFS

no

it is not the same thing because in reality there is no christ michael/aton/whatever floating around in space that is going to take responsibility for your life

people have to take responsibility for their own lives, minds & bodies

with self-love, taking care of their bodies health & fully responsibility for all their actions etc.

Quoting: **ET emissary**

The Fathers Love is the highest positive energy there is. So being filled and saturated with it is one's power against evil. How is this not taking responsibility for ones own life?

There was no mention of anything floating around in space, where did you get that from? What did I miss?

Lol this thread is hilarious. You can tell by the OP's writing style that he's one of "them" meaning part of the "productions" department in this social experiment and honeytrap called Godlike Productions.

As for Salt becoming a mod, toooo funny. Always knew she wasn't who she claimed to be. Wouldn't be surprised if one day she has a cat picture as an avatar. After all, we do know what those kittehs represent, and, well, the one-eyed symbolism has already been done with her, so what's left?

Blood sacrifice is an abomination regardless of the religion that practices it. I strongly assert that Quetzalcoatl never required such a thing - his mission was to **civilize**. It's a construct of the blood-thirsty, parasitical ones - regardless of their origin, and has no place in the world to come.

OP Yes that is what it will be like according to the Urantia Book.
Here is a description:

26:0.1.SUPERNAPHIM are the ministering spirits of Paradise and the central universe; they are the highest order of the lowest group of the children of the Infinite Spirit—the angelic hosts. Such ministering spirits are to be encountered from the Isle of Paradise to the worlds of time and space. No major part of the organized and inhabited creation is without their services.

1. The Ministering Spirits

26:1.1.Angels are the ministering-spirit associates of the evolutionary and ascending will creatures of all space; they are also the colleagues and working associates of the higher hosts of the divine personalities of the spheres. The angels of all orders are distinct personalities and are highly individualized. They all have a large capacity for appreciation of the ministrations of the reversion directors. Together with the Messenger Hosts of Space, the ministering spirits enjoy seasons of rest and change; they possess very social natures and have an associative capacity far transcending that of human beings.

26:1.2.The ministering spirits of the grand universe are classified as follows:

26:1.3.1. Supernaphim.

26:1.4.2. Seconaphim.

26:1.5.3. Tertiaphim.

26:1.6.4. Omniaphim.

26:1.7.5. Seraphim.

26:1.8.6. Cherubim and Sanobim.

26:1.9.7. Midway Creatures.

26:1.10.The individual members of the angelic orders are not altogether stationary as to personal status in the universe. Angels of certain orders may become Paradise Companions for a season; some become Celestial Recorders; others ascend to the ranks of the Technical Advisers. Certain of the cherubim may aspire to seraphic status and destiny, while evolutionary seraphim can achieve the spiritual levels of the ascending Sons of God.

26:1.11.The seven orders of ministering spirits, as revealed, are grouped for presentation in accordance with their functions of greatest importance to ascending creatures:

Blessings to all those that have and will defend peace

with love..

peace must be founded on love..even if love is just a small seed that will grow..it must be there

like faith

the size of a mustard seed will do

Blessings to all those that have achieved this

May God seal it with His authority and make it last

I am a reader of this interesting Forum and I AM still learning more good and bad stuffs. Thanks to the Light Beings in this Forum who commit themselves saving Mother Gaia and her people. But thanks as well to those opposing brethren because without their negative thoughts nothing would counter-support the Truth. (That's how we learn here in this material world.)

Thank you DMFS for your sharing those few lines from Urantia Book. I learned from my Guide, Mother 01230-6-4, that the Urantia Book is true when it comes to creation and the Abramic Bible is true to the events that may transpire in the future.

Here is the Oneness Prayer from my Guide who taught me. It is my prayer to serve others my unconditional love.

In the name of the Father (The Energy/Source)
The Mother (Matter)
And the Son. (the Beings/the Creator God with His 6 Celestial Sons)

From the Lord God of my being, I now remember who I am;
I am that "I Am", knowing all there is to know,
Experiencing Christ Consciousness - my resurrection,
Being one with All-That-Is-Not and All-That-Is.
These knowing, experiencing, and being manifest the Holy Trinity on me.

I am a Creator, an image of God who created me,
So whatever be my desire becomes my reality.
I give love to the Father by loving myself and the others
And my desire for them is, as well, to remember who they are;
That all shall be one in the New Consciousness that is yet to come on Earth.

So be it.

Thus saith The Lord God
BEHOLD
I AM ONE
I AM ALL
HEED WHAT I AM
FOR YOUR OWN SAKES.....

You all exist as part of My consciousness
My thought of you in all things
As I experience all things.
An experience of experiences
In a universe of universes
And more
Far beyond your comprehension.
Know that there are universes, galaxies, systems, planets, civilizations
Far older and grander than yours
Ye ones are not the center of the universe
Nor are you the center of reality
Nor the center of My full attention
For I give My full attention to all as one.
You live on a small planet that spins and orbits on the edge of your local system
Which is on the edge of your constellation system
Which is on the edge of your major system
Which is on the edge of your universe
Which is on the edge of your superuniverse
Which is the last of seven superuniverses
Yet you think
That what you think about things
Means more than what the rest of your universe thinks AND KNOWS.
For truly you know little of nothing
Of the works of your surroundings
Yet presume yourselves to be important to the whole of creation....but why?
What is your singular distinction in all of creation
That ye should feel so favored?
Know ye not that ye are known far and wide
As the planet that murdered God?

He bestowed Himself upon you to show you the way of the Father Source and Center of All
And you nailed Him to wood and watched Him give His Spirit back to The Father
Asking forgiveness for you in your ignorance....and that is what you celebrate
You celebrate the sacrifice of the cross
And ignore the decision of the cup
Where the God and Creator of your universe
Gave and submitted His Will
To the Father of all things

You, who claim to be His followers, yet cannot seem to find His footsteps
Can you say that you have done the same?

He gave you the way of peace
Of love and light

And life eternal
KNOW YE NOT YE ARE GODS?

Nay

You insist on acting like the ignorant children of old

Ye follow the scriptures designed for you

Corrupted by the tribe of Satan

Minions of the Anunnaki

[who came to the light, unlike their former minions]

I, even I

And the same Son of God that you murdered

Have sent to you Uriel

To declare MY Will for peace

The Will of My Christ Son, for peace

And still you clamor for war

Thinking that it will please Me

And bring about My Will

WHAT KNOW YE OF MY WILL?

I AM THE ETERNAL NOW

GIVING AS MY CHILDREN CAN COMPREHEND

TWO THOUSAND YEARS HAVE PASSED

AND STILL YOU INSIST UPON COMPREHENDING

NO MORE THAN YOU DID BACK THEN

And claim that prophecy

Given to thee as warnings

That ye may be able to change

Are written in stone and cannot be changed

And so you think My Will is for you to blindly accept what you are told from without, from your preachers and priests and rabbis and imams. You have no faith in or within yourselves and so you hold faith in men and refuse to believe that you and I are with and within each other as one.

It is better to believe in Me than to believe in men or nobles, or popes or politicians. Yet you stubbornly limit yourselves to being physical beings blindly stumbling through your attempts to understand spiritual experiences. When, in reality, you are spiritual beings of My consciousness, having a perception of physical experience for the purpose of training and learning to achieve the perfection I have promised you and the Christhood that comes with it.

You insist that Uriel must be a demon because he comes in the last days and speaks not of Glory to Me or to the one you call Jesus. Know ye not His true name? Esu Immanuel in Christ Michael of Nebadon. Yet if our Archangel came to you by His true name, ye would reject him even more than you do now. Know that in doing My Will and delivering the message that I willed to be delivered, he does indeed, glorify Me.

You ask, "Why this one?" Why not? Who are you to say who is who and what is what? You would

prefer that I sent him to you? Believe me, I have tried. But your hearts and minds are closed and limited and will accept nothing less than your own programmed, processed beliefs. I understand why you do what you do concerning these times, but know that, in this day and age, your understanding should have increased and expanded to include the greater reality of which you are a part. You act as if you are the only civilization in existence that knows of God and serves Him and anything else is suspected of being demonic when quite the opposite seems to be true to the many thousands of truly civilized worlds and civilizations that have found the glory of God within themselves and have acted accordingly to live in love and light, in obedience with My Will and the Will of their Universe Sovereign and Creator. They have evolved far beyond your understanding from your small limited perceptions of life, eternal and infinite and so they have come here in service to aid you in your struggle to be free from the great evil that lives among you and controls the illusory matrix that, laughingly, you call civilization....and you call them demons, as well.... You kill each other in My name and expect Me to choose a side, whatever is your side, against all others, when such evil is against My Will.

Ye have yet to learn how to love each other as yourselves...can you truly say you love Me? The anti-christ that you fear, yet anticipate and have been taught to desire in coming so that you may see the final days fulfilled, has been among you all this time. You think that it is just one person, when it is simply a figurehead for a people that own and control you and every aspect of your lives except the Divine Life of God Within You. There, they cannot touch you, but few have found this station of rest and replenishing....instead you have foolishly done as you have been taught to do....refrain from evolving spiritually and ridiculing and attacking all those that have. So be it.

Ye have been told that the sword has been held high and now it is on the way down. Ye laugh at our delaying, without thinking that it has all been for your sakes, that you may yet see and hear within and finally see and hear the true reality that surrounds you.....all have been called yet all too few have answered the call and fewer still have done the work needed to be chosen. I care not for what you think of yourselves in your arrogance, thinking that your affiliation with this religion or that group will save you. You are all spirit and your present, physical circumstances are but covering for your real selves while you struggle to work out the declining cycles of your karmic accounts. Black has been white, Palestinians have been Zionists and vice versa. Rich and poor have been poor and rich. Masters have been slaves and slaves have been masters. You have, in every way, been each other, but without the inner wisdom of divine communication, without an open, inner mind and heart, you will always concentrate upon your separation and differences instead of what unifies you in ME.

I unify all things in Myself as one. I AM HERE AND NOW. Do not look for me way back then, as you do in justifying yourselves for refusing to evolve your understanding of circumstances and events among people of an even more limited understanding than you. Do not overly concern yourselves with the future except to take each moment in What I Am and work together with ME as WE create the future together. If you cannot make such a leap of consciousness in faith and goodwill as to better effect Our relationship and more, interactive co-creation, then please try your best to act and be in love, with ME, as I love you infinitely and eternally, and with yourself and each other, that this world may finally see and realize peace and abundance, for in the future, only those that can be and do, act in and know this way, will be My Faith Children on Earth/Gaia, grown up and graduated, and given stewardship of this world ascended.

Heed the voice, the mind and the heart of The Father Within you and know that therein, is also the voice of The Son and The Holy Spirit, in the Trinity as you know it.

I AM THAT I AM

I am a devout Catholic. I may have some unconventional view about some matters but my devotion to the Catholic Church is non negotiable.

So please think about this.

If Uriel did speak to me, as I believe he did, he must have known this too.

In the message nothing was said against the Catholic Church but only relating to the situations I have described

And if I take the freedom to be looking at both?
I saw that giant URIEL in your dream
with his stern eyes and stance and figure
and I thought: My, this must be earnest!

Then I looked at the darkened Sun he was pointing
and I knew it for sure, that must be 3DD.

OP,
you are so infinitely loved and so infinitely blessed
for the day you had your amazing vision
that very day you got a certification from URIEL himself
through Hazel and then again through Candace
and the very next day a COSMIC certification indeed,
from FATHER OF US ALL!!!

...Please do not ever say again 'if he was legit'...

For I WONDER and WONDER
how is that ever possible
you never heard the name of URIEL???

Who in the world would be so terribly nasty
to WIPE away the name of a holy ArchAngel of God
from the Scripture???

What was the message, this holy ArchAngel of God carried with,
that the Church tried to hide?

Then to pretend
the four Great ArchAngels at the four Corners of Earth
were just three -
that is ridiculous.

In 1917
three genuine children in a village called FATIMA
were witnessing a great vision of Mother Mary in a huge light.

After she came three times, delivering her impressive message
the children traveled to Vatican and reported the pope all they saw.

Wasn't PRECISELY the Church's responsibility
to deliver that holy message all to the sheeple???

...one century close...

So, if it does not fit the interests of the Church
God is just to be smashed in a corner.

Thank you.

If the dream is legit ..as I believe it is..why was I chosen to give the message?
I am a devout Catholic. I may have some unconventional view about some matters but my devotion to the Catholic Church is non negotiable.

So please think about this.

If Uriel did speak to me, as I believe he did, he must have known this too.

In the message nothing was said against the Catholic Church but only relating to the situations I have described

Quoting: **Anonymous Coward 28219179**

Uriel did speak to you, and it has nothing to do with your religion. You are from the high realms and worthy and he knew you would post it. Your devotion is to The FATHER first and foremost and he knew this. You serve within the Catholic church perhaps to help enlighten those ones there? You obviously are unconventional, other wise you would not have agreed to receive the message in the first place.

Just remember people, if those spaceships show up, and Candace and her crew are telling you to get on.....don't believe it. RUN!!!!!! Jesus is NOT on a spaceship!

Lisa Lisa, I do not follow Candace and the invented beings like Christ Aton, Jupiter Ignition, Nesara or the faked Urantia book. **However, the coming aliens are part of a divine intervention and it is no invasion and Jesus will be the leader of them.** I channle Jesus Christ since more than 15 years and I met him two times "live". HE told me about his coming in a spaceship.

Careful with who you listen to. If you did actually have this dream at least this angel did not ask anything of you.

Satan can disguise himself and his demons as angels too. even as aliens.

You may want to test the next being you encounter. ask the angel to pray over you. If he can't it is likely he is a fraud.

Dont look at where the finger is pointing

look at who is pointing the finger

Who is attacking the Catholic church?

Quoting: **Anonymous Coward 28219179**

And if I take the freedom to be looking at both?

I saw that giant URIEL in your dream
with his stern eyes and stance and figure
and I thought: My, this must be earnest!

Then I looked at the darkened Sun he was pointing
and I knew it for sure, that must be 3DD.

OP,
you are so infinitely loved and so infinitely blessed
for the day you had your amazing vision
that very day you got a certification from URIEL himself
through Hazel and then again through Candace
and the very next day a COSMIC certification indeed,
from FATHER OF US ALL!!!

...Please do not ever say again 'if he was legit'...

For I WONDER and WONDER

how is that ever possible
you never heard the name of URIEL???

Who in the world would be so terribly nasty
to WIPE away the name of a holy ArchAngel of God
from the Scripture???

What was the message, this holy ArchAngel of God carried with,
that the Church tried to hide?

Then to pretend
the four Great ArchAngels at the four Corners of Earth
were just three -
that is ridiculous.

In 1917
three genuine children in a village called FATIMA
were witnessing a great vision of Mother Mary in a huge light.

After she came three times, delivering her impressive message
the children traveled to Vatican and reported the pope all they saw.

Wasn't PRECISELY the Church's responsibility
to deliver that holy message all to the sheeple???

...one century close...

So, if it does not fit the interests of the Church
God is just to be smashed in a corner.

Thank you.

Virgen held back the sword wielding angel, asking for the first five saturday devotion in reparation
for sins committed against the Holy Trinity by humanity. I think you know the outcome???

"Be advised that never before have your personal shielding and clearing rituals been more important.

Now that your workload has increased, it is essential – no, make that imperative – that you thoroughly shield yourselves both before you go to sleep and upon arising the next morn.

Invoke around yourself, your home and your loved ones a protective orb of the purest violet light.

Reinforce this protection often, throughout the day. Eat, sleep and breathe within this Holy Light.

Call upon your brother, Michael, to assist you. He waits only for your invitation.

Michael is strong, he is omnipresent. He has tasked himself to serve."

If YOU WERE NOT THERE WHEN HE HAD THE VISION you CANNOT JUDGE IT.

Now beloved Salt, this is what YOU said in another thread today: **unless you are talking to God, you are talking to the enemy.**

In that statement you have just said that every one that God created is enemy. this would include all his angels of the creation. Is that why YOU make Uriel the enemy of God, one of his servants?

The End

Polar mythology encodes three phases of history. The first phase concerns a prior Golden Age where the Demiurge was in harmony with the Logos and all was well. In its final stages, the first phase decayed into warring among the “gods” and their ruining of the cosmic framework. It concludes with higher beings, positive and/or negative, falling into a lower realm of existence.

The second phase concerns our present world, which sprang into existence as a consequence of various Falls that severed us from the Logos. The traumatic consequences of the first phase induced a collective sleep. Hence we have “fallen” asleep into the World Dream.

The third phase concerns our future, how the consequences of the first phase will reach their ultimate conclusion. This is always depicted as ending with a final war and the dissolution of the world as we know it.

The first and third phases take place outside the World Dream, outside of linear time as we know it. Currently we stand at the cusp between second and third phases, thus we are now undergoing an “awakening sequence” that will bring us out of spiritual suspended animation. But what awaits us on the other side is not the Golden Age of the first phase, but the concluding stages of the conflicts begun back then. Thus the Earthly conflict between positive and negative will elevate to a higher level where, under new etherically-activated conditions, it can carry on toward its resolution.

During the second phase, the open conflicts of the first phase took on a more covert form. This was especially true after 1,000 B.C. when a quarantine was put in place around our planet by a powerful third party alien group. The quarantine enforced a ceasing of open warfare by various factions of the alien meta-civilization. The idea was to allow humanity to evolve with less interference. Nonetheless, manipulation still continued on a covert basis, giving rise to the alien cold war mentioned previously. The quarantine also seemed to involve a further reduction of ambient etheric energy levels on Earth, akin to lowering body temperature to induce suspended animation.

The quarantine probably came about due to the cataclysmic events in ancient Egypt when the Mosaic Priesthood royally screwed up the timeline and placed the Jewish people in bondage to the Corrupt Demiurge. As mentioned, regretting their mistake a few centuries later, they invoked the Christ intelligence to liberate them and the world. Shortly thereafter, the Ark/Grail Stone disappeared from history and “God” ceased talking to men. This initiated the quarantine and the timeline as we now know it. The Christ intelligence did not reach its zenith until a thousand years later with the advent of Christianity, but the true and original Christianity was short lived. It was rapidly usurped by an institutionalized behemoth that waged spiritual enslavement in the name of Christ. Thus the mission of Christ was aborted, or rather delayed; something went wrong with the original “awakening sequence.”

There is indication that the second phase should have ended during Roman times, but the deviation of Christ’s message toward further empowerment of the Corrupt Demiurge caused both Christ and Demiurge to continue existing in a limbo state. Thus the past two thousand years have been a kind of overtime game or remedial phase in which these two forces, now deeply active in our world, have been busy setting their pieces in place. When the quarantine lifts and second phase ends, these pieces will go into play during the third phase.

The third phase will continue in an etherically-activated environment no longer constrained (as much) by linear time. Alienology and Fortean research suggests that alien time travelers, who are now here and have been amassing for decades, are from this third phase. Thus we are caught in

a timewar by forces from our own probable futures. The third phase may even feedback into the first, creating a grand ouroboric timeloop that is in constant flux. Being that we only remember the final iteration of any timeloop, the timeline we now occupy is the final one that will finally exit the loop when the third phase ends.

The ultimate implication is that via demiurgic technology, hijacking of the timeline originally took place in the "future" and reconfigured the past, initiating a war for balance by the positive forces. The hyperdimensional battle required going back in time, even incarnating into the past to continue the war on the terrestrial chessboard. Remaining positive factions of the meta-civilization would assist these ground forces. They would receive help in the form of synchronistic support, outright intervention in critical situations, subconscious training, and oracular avenues such as synchronicities, dreams, visions, inspirations, and direct messages if needed. Thanks for posting this from Tom Montalk. He's really an inspired guy.

If the overt appearance of alien beings coincides with the disappearance of the linear time constraint, the former (exciting as it will be) will be boring compared to the latter! Think of everything going on at once like a big carnival ... so cool.

Thus saith The Lord God

...

But your hearts and minds are closed and limited and will accept nothing less than your own programmed, processed beliefs. I understand why you do what you do concerning these times, but know that, in this day and age, your understanding should have increased and expanded to include the greater reality of which you are a part.

...

Quoting: **Michael Ben Elohim**

I've had several experiences that I remember being reminded of this, after I rejected a higher understanding that didn't fit with the patterns I willed to use. In one case it was an understanding of nature, in another simply a perception of myself, where I was not open to the higher way.

I hope that by remembering these things, I'll do better the next time.

We the angels of God, plus God the Creator, plus Michael of Nebadon, who played Jesus want to save this world. Deal with it, its not YOUR CHOICE. the mother herself is ascending and wishes to take as many of her children with her as possible. So we are trying to accomplish that, because it is the end of the age and all are sorted. those who cannot go with the ascension must be moved.
