Alien Interview

The purpose of this thread is discussion around the Alien Interview that took place back in the times of Roswell crashes. I just learned of this book a few days ago as somebody posted it in one of my threads.

Now at the time of the Roswell crash, there were two craft that came down some distance apart. each as a survivor. Most of you may have read something of EBE who survived until about 1951,. EBE was a PLANT person and a member of a group who had come here to help man deal with the increasing issues of carbon dioxide. Yes there are PLANT people as planets vary greatly in the intelligence walking being that evolves out of them. ATmospheres, densities, pressures, temperature vary. You might want to google Roswell crash and EBE. It was thought EBE was a gray by many readers but not so.

This crash had one survivor also that lived fine for several weeks, and then there was an attempt to disengage the soul or murder, whatever. This person was a gray, and it's not correct totally to say a gray, because it's just a body type, and a synthetic one at that, that is use a great deal by immortal spirit beings to travel the cosmos. it actually comes in most of the colors of the rainbow and while.

Here is an example of the more white tall "gray" used by very ADVANCED "angelic origin" beings.

In fact those of you that read my stuff from and about Michael of Nebadon/ATON, this is the body type he is using for this mission. He is a spirit being and must walk this plane and he is often all over the place in craft and it suits his needs. At one time I did a work on this, in which we called this type of form, the "casper the friendly ghost form", as many people did watch those cartoons long ago and you will remember that nasty ghosts in the story had a more nasty form. there was

great truth there. Aton's form for his return is about 9 1/2 feet or 3 meters tall. I have met him and this form is more muscular and he can actually intake small amounts of food, and uses a formula for nutrition, intaking liquid light with other substances to nourish the form. Many of your guardian angels use these types of forms. You will much better understand it when you read what it is. In fact the all do, and some of you have gray visits are being visited by both friends and guardian angels.

At any rate, if you choose to read this book I am posting, you will get a much better idea of what the body does. Some think these ones don't have souls. Yes they do, but there is also a form created as a slave form by such as the Orions, that is not ensouled in the meaning of the world. And I can discuss that more later.

I need to shower and tend an appointment, but I decided to go ahead with this project as there is interest.

Here's the pdf file. Its free, but I also purchased a copy, feeling I owe the author if I am going to teach, to not use a possibly pirated copy. It's only \$5.

[\[link to www.theparacast.com\]](http://www.theparacast.com) if you use google and "alien interview" you will discover lots of free pdf's. and also the original website.

I am also going to get a link to a thread here, where there has already been some discussion because I posted the link in it. The reason I posted in it, is I sensed a bit of fear in the poster who had some gray experiences. I think I will move my posts from that thread to this one later today.

[Thread: Last Year I was a Foot Away From a Gray Alien, Twice](#)

I think READING this book will enlighten anyone of interest and perhaps reduce the fear. The alien is a lovely being and the person who spent weeks with her gathering information, was an army nurse at the time. I can probably answer most to all questions which might come up. Now the file seems big, it is a book but the first 1/2 is the story and the 2nd 1/2 is annotations and foot notes. I may or may not be back to the thread tonight, more likely tomorrow.

Hi Candace,

I am really sorry to inform you that "The Alien Interview" is a hoax. The guy who wrote it confessed some time ago.

Believe me, many researchers spent lots of time and money to get to the bottom, but we all agree it was hoaxed, and that it was not a 'forced' confession.

Could you provide any links to this hoax?

I have read the book it did states it was fictional based. I however liked it specially the notice of an energy field that stops practically all spirits to escape the matrix prison into freedom and at the same time induces AMNESIA forgetting who you are where you came from and erasing all memories from the very beginning you where aware. It talks about the "light" after death which is a trap and love emitting device, to yet again incarnate here on earth with amnesia...

But yeah it could be a hoax definitely or it could be people trying to ridicule the book because it may have some truth in it. I'm just having an open mind to it.

Nexus, I happen to know. I had been informed that there were two downed craft long ago, and with in one, EBE was the survivor and lived to 1951. The other craft was not made public and the person survived but a few weeks. That was completely PRIVATE information to me. I have asked a huge number of questions since I got the book to confirm quite a number of things. I just in fact spent 45 minutes of private time with one above discussing the details. the one above is my personal destiny guardian who has taken with me the long journey to Paradise and we are in very frequent contact. she is embodied in a similar but more refined form aboard a craft that I visit regularly. she came down HERE personally today to discuss the book the book with me.

In fact I would not have decided to do this, if it was deemed unwise to become involved. It was felt it was time to support the story.

There were some small modifications apparently added by the guy. but the alien and the story of the interviews is not a hoax. There have been many things debunked publicly on purpose that are not hoaxes and many hoaxes created in this business I am engaged in.

I would not take on this project without being pretty sure. You see, I have my own memories of how the creation works, I am an awfully old soul and even if this were to be made up completely, or loosely based on a story, he was given the option of presenting it as a novel and perhaps he did some of it because some of it does not match, but the information provides ME with a very

important teaching tool and I am going to engage it.

I can argue that the story of acolyte, regards the alien message from another realm is baby language is a hoax, because I know it doesn't work that way.

the guy who did the book, has posted additional tags ons etc, so it doesn't seem to be a hoax, and not admitted as such on the website. The lady who did the interview with the alien was indeed a

military nurse, as was the crude attempt to disable the alien. Maybe he had to call it a hoax to save his arse.

I read the material and found it compelling both in content and reasoning. Even written words have a vibration and this work did not have the "sound" of BS. Even if it were made up, these type

books do not make any money; who would go to such lengths to produce all the research to support the facts - what proof do you have that it is NOT real? The Internet is full of CIA spin doctors doing what they have been doing for over 50 years - to keep the truth from the people. Any good data has been buried for years, kept from the public by our own government who should be for the people, of the people, not deceiving against the people.

Forget who wrote it, what about the content?

if the book was such a "hoax" it would continue the supremely wonderful material it contains. few on earth would be aware of what is in it. If he fictionalized it some, so be it. that may have something to do with a couple inaccurate statements in it. it's a grand story and the premise is real. as I said, I was told personally that there was another crash at roswell and if ones search maybe there are even leaks on that, I don't know. I was told there was a survivor who was interviewed those long years ago and there is every reason to believe after my discussions with

those above and the 45 minute chat to day that there is a real possibility this book is based, fiction or otherwise on a goodly deal of fact.

Seriously, everyone knows this book is total fiction - there is not a single UFO researcher out there who believes it to have any truth.

The very fact that it mentions Roswell got it put under intense scrutiny from every direction. Do you have ANY idea how many books and investigations have come out of Roswell?

This book falls apart under the first level of investigation, it is total fiction.

That does NOT mean its contents are useless or meaningless - that is your free will to allocate whatever you want. Just remember as you do so, that the author made it all up.

NOT A WORK OF FICTION. Now this thread is not going to be further corrupted, the purpose is to discuss the ideas and contents of the book, which are SUPERB. when people are put in the disappears forever program, and the government wishes to cover up something, shit disappears. and can't be tranced by any means. I will delete any further posts about this topic, it does not serve this thread. END OF THAT DISCUSSION here., Take it to another thread if you wish to do that. I am greatly disappointed in your method of commentary here Nexus, considering the purpose you have always stated about your magazine, of which I have read admirable work in, but not the chani project.

Some of you may wish to listen to the Jess Rense interview with the author of the book, at least the first portion, the 2nd portion the author reads from the book and since I had already read that, I moved my attentions elsewhere.

I REPEAT, THERE WAS ANOTHER CRASH IN THE SAME TIME FRAME AS THE FIRST, AND THERE WAS AN ALIEN WITH ATTEMPT TO DISABLE SAME BECAUSE OF THE INFORMATION PRODUCED. THERE WAS A NURSE JUST AS THE STORY SAYS, NOW LETS MOVE FORWARD. ITS A SHAME THE US OF A GOVERNMENT CHOSE TO WIPE THAT STORY AND NOT TAKE ANY ADVANTAGE OF THE MATERIAL OFFERED. THE US

GOVERNMENT PURPOSELY BACK THEN LURED CRAFT IN WITH INTENTIONS TO BLAST THEM AND KILL ANY SURVIVORS. THUS WE DO NOT HAVE THE SIGHTINGS IN THIS COUNTRY OTHERS ENJOY. THE US OF A WENT THE SLAVE GRAYS FROM ORION. AND THE WORLD IS PAYING FOR THAT. THIS IS A STORY OF THE REAL FOLKS OF THE CREATION ND IT HAS GRAT VALUE AND THE EFFORT TO CARRY THE DISCUSSION AWAY FROM ITS VALUE IS SHOWING IN THIS THREAD. ENOUGH ALREADY.

THE UFO RESEARCHERS OUT THERE PARTICIPATE IN THE COVERUP AND SOME OF THEM SIMPLY ARE NOT VERY INTELLIGENT. THE MOVEMENT IS INFESTED BIG TIME, SO YOUR STATEMENT OTHER UFO RESEARCHERS DON'T SUPPORT IT IS JUST FULL OF WHAT YOU HAVE JUST SHOWN YOU ARE HERE ABOUT, NEXUS. orion gray. Not the same as the form used by celestial spirit beings. the celestial version is beautiful and balanced. The orion grays, many revolted, they are intelligent enough to do so, and they reason they got involved with breeding with man's form, is they want to take the human ascension journey. But that is not the method of choice. They do not like their forms and that is understandable. They are soulless, per man's definition at any rate, they are a form of AI. But many over road their programming and do great good and have great love of man kind actually,

and they ARE going to be granted the human ascension journey.

They are soulless, because of artificial mind they have. I don't have a better word to use, "artificial" is the best I can come up with to explain. they are 'artificial beings' created as slaves. Their bodies age, and they can't incarnate as can the human soul, so they clone new bodies and download the mind contents from the old body to the new. this is done also with human cloning people, nothing new about it, and there are good uses of such technologies. depends on the motive. The thugs killing real people in government who are resistant to thug rule and replacing them with clones is not a spiritual purpose of the technologies.

The orion grays thus do not have a bounded soul/mind of an eternal being. they just keep copying themselves to continue to exist. There are wonderful ones who truly desire to become REAL immortal spirit beings. And many have earned it and it will be given to them because they did the ultimate, they rebelled their "creators" and served HUMAN out of LOVE on this planet. So they reap the rewards of that love. those of you who have read Dolores Cannon saw a bunch of that love because some came thru her. They are consciously trying to spiritually improve themselves which does make them eligible for the gift of eternal life.

The Life Carriers of nebadon, will move the mind of each to a human baby, and then if they perform correctly in that form, a Father Fragment (thought adjuster per the UB), will come to their mind just as to all humans, and the eternal journey will become a reality for them. They have earned the right.

OP, you need to download and read this book linked below. It will enlighten you and ditto some more of you ones. I just became available in 2008. it will explain very nicely the grey form, which is used heavily throughout the creation for those that travel the friendly universe. It does not need food, It is sustained by the soul of the one using it. It does not need oxygen even, depending somewhat on the type and it comes in colors other than gray.

These are used by both angel and "human" origin souls. It is only a body, and a doll body or casper the ghost body to boot. There are two different types, those belonging to SOULS which are cutely called IS BE's in this book. The other type is for manufactured slaves, which the orions used. And surprise, many of those slaves do become human, when they grow their minds enough. The reptilians slave versions are not active in earth now.

[[link to www.theparacast.com](http://www.theparacast.com)] Enjoy. This is an interview a lady nurse made of a alien using the grey doll body form, from one of the two crashes in roswell. It is a lovely story. READ IT.

They *seem* rather 'dead-pan' and 'emotionless' ordinarily... but I think their 'world' is more *internal*, possibly they don't feel the need/have reason for external 'expression' and swinging emotional states as we do.

Maybe they *think* more than they *act*.

PLease read this book. It's very enlightening. I only learned about the book a couple days ago, when somebody posted it in one of my threads.

[[link to www.theparacast.com](http://www.theparacast.com)] it is WONDERFUL except for the thugs of this world and how they treated the gray alien. You will also learn something about this prison ward on which you reside. ENJOY. It's not whole story of the creation, but its a wonderful read. I have seen many of these forms. Most I have been with are whitist in color but some that were caring for my health once, when I rested each day, (before I became public), were little BLUES. I kept asking to see them, as I sure could feel them and talk to them, as they worked on my old joints etc.

One day, before dawn happened, I awakened suddenly to find about 9 of them, around my bed. the room was completely dark, and they glowed like night lights. they were stunningly beautiful I might add. about the size of maybe an 8 or 9 year old. Beings that glow are Never dark oriented. These were in fact a type of angel, and they had called themselves before then to me, simply Pleiadian angels. I do have an image of sort of what they look like, I need to upload it.

These angelic forms come in all colors of the rainbow, according to the type and frequency. but the form is also used widely by souls of "animal" origin, who got their start from worlds like this one. this is a seed planet to create new souls.

I think they can phase in and out of our dimension by lowering their vibrational frequencies. Supposedly they are no longer allowed to come here, but the "ban" doesn't work. They are soulless beings what are more like robot worker drones functioning in a hive mind. They are very weak physically.

I don't know why they like me so much, but I don't like them. I am not sure if they are helping by upgrading your individual DNA or if they "chip" you to lower your vibrations. I have had strange memories of me as a child in my bed and getting really angry and yelling at the window, almost taunting something beyond the blinds. I have moved around a lot in my life and they have followed me.

I dont like walking up in the dead of night and feeling fearful. My "chip" is located behind my right eye, as this was told to me by several "physics" and "healers" who can see the discoloration in my aura. I have had the "chip" removed and when it was "melted", they came back and "re-chipped" me, causing my right eye to become lazy.

Maybe the rest of you have met with other factions of positive E.T.'s, but i dont fucking like the Greys. When I see a picture of their face I feel a deep fear in my physical heart. I recall their

"smell" and have some memory of the feeling of their touch. Cold plastic hands.

I know that if I go into regressive hypnoses, i will probably remember a lot of this shit, but I dont want to remember it at all. I am afraid that there are thinks that you cant unlearn.

Quoting: **Anonymous Coward 1515743**

Please download the book I linked in the two posts above. Only those created as slaves by the orions thugs are soulless beings and did you know that 50% of folk walking around in these bodies are also soulless beings.

the body type is common for interstellar travel. They live in very little gravity and don't need muscles. I have given up talking about this casper the ghost form here, until somebody supplies the above link a couple days age. the story will educate you and hopefully answer some questions and cause others. I may open a discussion thread about it, once I have re read it, because I skimmed it. It brought back so many memories.

My 'oversoul/HGA' is a Grey 'Mantis' type entity... So apparently this once Grey is now an 'angel'...

And are the more 'mantis' looking types actually elderly/geriatric 'Greys'? or a different species altogether?

Quoting: **Anonymous Coward 1515631**

there are MANY different forms. Mantis is one type also and these develop on hot dry planets that only support the insect type life forms. the mantis that fly our friendly universe are wondrous folks. the above book does provide some teaching about the different types of planets, life can be developed under many different conditions. If any of you read the book about the largans, they are mammal origin, and I called the "seal people." They develop on worlds with a lot of water and not much land.

angels are created beings. Human origin souls evolve from animals on evolutionary seed planets.

it doesn't really make any difference, as the bible correctly says, those of animal origin become like the angels.

@Nobody in Particular, I will read the book you linked, but im not into all this hippy dippy spiritual stuff. But answer me this, why do they have such an interest in our planet and some individuals.

Quoting: **Anonymous Coward 1515743**

all beings have a their own interests according to their own experiences. This planet is particularly of interest, because its the bestowal planet of Michael of Nebadon and many are here to simply watch what is going on. This is a unique planet with many special problems and thus of interest to others. there is opportunity to observe and learn. some incarnate to work or watch inside, others watch from outside.

I am "animal origin" of my soul, regards my comments in the previous post, (which I added on editing, so may have been missed). I am now "like the angels" being a celestial.

These are used by both angel and "human" origin souls.

The mantis greys are the oldest greys race, and are usually benevolent.

Quoting: **Anonymous Coward 1502425**

The greys are NOT a RACE, its a body type adopted for space travel to house the soul. The soul/minds runs the body and it doesn't need food, usually, depending on type, some take in a formula. The mantis are in insect race which is developed on hot dry planets that will not house mammals.

these bodies we use here are TERRIBLE FOR SPACE TRAVEL except to some closer planets having a similar type body on them. You are not your body, your body is a TOOL. These are NOT GOOD TOOLS folks. THE gray doll body form goes all sorts of places.

continuing to move MY posts and then I will move a couple where the material from the book have been posted there.

A few years ago, I woke up to see 2 robed/cloaked figures standing at the foot of my bed. One looked mantis-like while the other was shorter—only coming up about shoulder height on the taller one. I was basically terrified, and immediately closed my eyes and feigned sleep. When my eyes were closed, I could “see” bright multicolored lights. Frankly, I was afraid I was having a stroke. I would peek through almost closed eyes and the beings were still there, and when I closed my eyes completely, I would see the colored lights. I concentrated on breathing in a regular sleep-like manner, and being as still as possible. I don’t know how long this went on, but eventually I evidently went to sleep. I remembered everything, which is unusual if it were a dream, because I don’t usually recall dreams. So, I don’t really know what to think: Was it a dream, or a sort of “night terror,” was it a “mini-stroke” or was it really real?

visitors trying to wake you up. It's been a difficult process on this world to wake the incarnates up to their incarnations and where they are from. The black ops folks put out a lot of false shit to help people freak out in fact.

**So, would I be able to have an O.B.E. and my soul take control of this empty grey body?
Like are these E.B.E.body's up for grabs? poster quote**

if you soul is not imprisoned on earth, I assume so, depends though on where you are in your development. I plan on starting a thread over that book which could lead to lots of questions, but I am not starting it tonight.

You see with one of those you can walk a planet like this and also walk a lot of other types of planets. and it's very low maitenance, but your soul has to be at a level to operate one.

The EBE body was a PLANT person, not a gray, if you hear about the survivor of another crash. These ones metabolize like plants and do well in atmospheres with higher concentrations of carbon dioxide.

OK NEW information, because I as look at my above response to the question, I didn't clearly read the question. the answer is NO, if they leave an empty gray form behind, you can't enter it, because it was programmed to serve them. It would not match your soul. when I read the post, I was thinking you were asking if once you left this body, could you use one of those, and the answer would then be yes, depending on your purpose and level of soul development.

as to 'benevolence" you get to live on lower worlds in solar systems like this, until you earn the

right to fly the friendly universe. the rules have changed greatly because of folks like the orion thugs. Its also a law of physics that like attracts like, and thus thugs can't live in the better places.

In response to a poster who asked IF I "believe" everything in the book.

some dates are off a bit, but most of it is good. I am re checking it before I start a thread. Understand, little material given to earth is 100%. shit happens, but there is huge truth in it and those with silly earth ideas about god and the creation should learn something from the book. I found it "amusing" that the nurse considered the alien an atheist. Religion on this planet is a control measure. As to your asking about "believe" the word is a postulate used wrongly by a lot of folks. If you "believe" something, it means you don't know. I do know many details in the book are pretty accurate, and some I question.

I was confused about mooses and thoth in it however. I know Thoth, haven't met Moses yet, but thoth is OUTSTANDING individual from the superuniverse realms. there has been material give by Moses, under the PJ program in one of their newsletters that is very good as to the teaching. I have posted a couple of them. As to Moses, several pleiadian planets sent a lot of folks here, and so did others and the sirians and pleiadians were long at war.

She does not teach about the hierachy or architectural worlds, but a lot of that stuff abut the empire is pretty close on, as a general description. It's a decent read. She seems to be an angel because of her creation story. being of the Mother energy

I am not crazy about the word "Domain" it was the best the nurse could make and I guess once the alien learned english telepathy, they chose to stay with. whether its perfect or not doesn't matter, because there is HUGE HUGE teaching in it that is nicely preserved.

I have some question asking to do about some of it. I want to make sure the author didn't mess the info in a couple places, I have to re read what his annotations were about.

Stuff like companies that sell life forms to planets is pretty right on, but planets are first seeded with life by beings that do that at appropriate times. This planet was seeded while in the Milky Center rays that we are again in now and there will huge change. But this planet was also several times repopulated with life in various parts of it, after major axis shifts and the like.

I think a lot of people need to read about the immortal spirit and start pondering their own. and the fact that eternity is a long time and you don't spend it having parties with jesus.

NIP, thank you for this doc! helps alot in the totality of understanding of things as they really are. Quote of Jamesbo from thread I am transferring posts from

I wish I had heard of it before it was posted in the thread that got deleted here. I did know there was a survivor of the 2nd crash that did not live long, but I had no idea a record made it out. *I think it can help some people grasp the size of things and how long eternity is and come out of the idea they are a meat suit.* we use a meat suit for a house to work here but nobody IS a meat suit, not even the animals for that matter. Spirit is always present. I finally read the intro early today, when I woke up and couldn't get back to sleep.

I stayed up two hours and then went back to bed. I had been asking if I had a life during the "end of an age" senario on some planet and sure enough, I had the most marvelous 2 hour nap reliving one.

From Jamesbo again:

I'm only on page 81 so far, where it reads:

208,000 BCE --

The establishment of the "Old Empire", whose headquarters were located near one of the "tail stars" in the Ursa Major (Big Dipper) Constellation 124 (Footnote) of this galaxy. The "Old Empire" invasion force conquered the area with nuclear weapons sometime earlier.

Yikes! the time of the Lucifer rebellion...

I always thought that the gold mining story was smelly, that the Anunnaki were so mysteriously absent from stories of Atlantis and MU, and from the UB Lucifer rebellion.

Question is, what role did the Anunnaki truly play as part of the Domain? at times they seem to have been the good guys, but mostly, they seem to have been the bad guys. This can be seen as with Marduk, as his reign matches the attributes of the "Old Empire".

At times, the Domain appears as if they were the "Life Carriers" of the UB, their "Main Computer Database" seems like that of the Ashtar command, as they replenished life on earth 70 million years ago (the time of the asteroid demo that took out the reptilian dinosaurs) and later, including the processes of "sex" and "pain" to cause the IS-BE to come and get "Stuck" in the flesh.

The comment: "This wave has proven to be the most effective trapping device ever created in the history of the universe, as far as I know" was pretty powerful. This corroborates that spoken by Edgar Cayce and others, in their story of creation, when the first flesh-dwellers got stuck, and created the original sin, that of the monstrosities.

NIP, can you maybe elaborate some as to whom the Domain is relative to GFL, Life Carrier corps, and Anunnaki

Thanks

Questions from Jamesbo in the other thread. I have placed in blue the material quoted from the book Alien Abductions. I will answer the question as this is one issue I clarified during my 45 minute discussion with my destiny guardian angel, Andrea, last evening, as I had the same questions about the statements. First for a bit of teaching about Andrea. Urantia book readers already know about the Destiny guardian, an angel assigned to the evolving soul when it makes 3rd circle awareness. If the eternal journey is finally chosen for read after testing, by fusion with the Father fragment, this guardian angel helps guide the ascension journey of the soul all the way to paradise and often also completes a similar journey for herself. These are "female" being daughters of the Mother Spirit of Nebadon, Nebadonia.

Andrea completed her ascension to Paradise and she and I are now eternal friends and partners and she is here at this time attending me in that role. She is embodied in a white "gray" form on the Capricorn and her specialty there at this time, is the role of resurrecting bodies of folks who don't do so well when beamed by the dematerialization to ship. (scotty beam me up method). She engages also in other work and continues to provide several different services to me, such as the 45 minute session last night, when she came down here. Her form size wise is about 5 1/2 feet tall. Thus larger than the alien in this story, but smaller than the very tall types such as the form used by CM/Aton as Hatonn in the PJ's. Andrea gets a portion of the nourishment of her form from a formula of liquid light and other nutrients. She thus does have a mouth and simple "digestive" system, which is nothing like ours.

Andrea is a Trinitized Custodian as to her adventure to paradise. You can read about these ones in the UB, paper 22. My order is also discussed in the same paper, I am a Mighty Messenger. (and please people this does NOT mean my body, which is merely a "house" at this time.) Now the writer of that paper, is a Mighty Messenger and those of you who have followed "new age" have been introduced to her as Mother Shekhmet. How the new age bull is completely wrong about her. She is NOT the commander of Nibiru for example and she does NOT give channeled messages thru RAMA of Rama and Tara couple.

Shekhmet wrote 3 papers of the UB, #22, 28 and 30. Her soul mate (mentioned in #22) is often called Alcyone on this plane, and is also misused by the above folks, rama and tara, as being the central Sun of Pleiades Alcyone. NO NO and No. Her soul mate wrote 5 other papers of the UB. #32, 35, 40, 42, and 52. I can't remember his name at the moment, but its NOt alcyone. what has been done by the CIA to new age is completely disgusting. Rama and Tara rip people off with fake channelings of Skehmet, to the last tune I was aware of, \$160 . I did a work with Shekhmet, in august of 2005. Since I can't place links to my site here, you need to go to Telepathic messages by Candace on my site, and go back three pages, to find it. It's #41, Mother Shekhmet Speaks. Ok, teaching done on that topic, lets move on to what Jamesbo has asked. I am going to post, so I don't loose this so far an then edit. NOW for those reporting posting violations, here is the link: [\[link to www.theparacast.com\]](http://www.theparacast.com) this is well less than 50%.

Thanks

Ok now to answer the above.

the name of the Domain, is a bit fictional, as the nurse could only find that term in her limited vocabulary of words, before the alien learned english. I shall thus continue the use here.

the members of the Domain are primarily angelic origin, meaning Created, rather than coming out of the animal, plant evolutions on planets such as this.

Basically the Domain is a Super Universe of Orvonton organization. While all evolutionary planets like earth are seeded with life, they do not automatically "belong" to heaven per se. The souls being evolved there must chose to do the will of the Father and create sustainable planets, that can enter the eternal cycles of Light and Life.

Planets not yet in Light and light are often captured and corrupted by other thugs from places not in Light and Lfe. Light and Life planets do not show on the radar of the lower evolutionary planets in fact. That is the goal here on earth, as part of the massive correcting time going on.

In nature the domain is thus often used as a military force, again what is described in the book as working to remove the power of the "Old Empire" which one is right to assume includes those orions et all. this is one place in the book where I wonder if the editor did a bit of editing. the old empire is far beyond just the orion thugs.

Life Carriers are not part of the Domain as the Domain is an Orvonton force. That said, the story, and somebody needs to quote some portions about the trade in animals here, probably did lead to

your confusion and that section is quite worthy of discussion here, and should be a separate topic for that reason.

They are also NOT Ashtar Command. Ashtar Command has many "ascending" sons are members for example, and it not an entity of Orvonton, being more "local." The biggest function of Ashtar Command IS the evacuation of planets in major doo doo. They do not re seed planets which have undergone major axis shifts. That is a function of the Life Carriers. Life is often decimated on these planets in the earlier days on purpose, because they for example become overwhelmed with planet life, and also the early forms like dinosaurs are removed by axis shifts and the life at appropriate times. These axis serve purpose in the building of a planet of such nature as this one.

the annunaki are not members of the Domain. They are evolutionary animal origin beings who still have quite a journey ahead of them. **Nibiru has been a major base planet (and war machine) of them.** Like all beings they vary greatly in their spiritual skills individually. They became heavily involved in the battle against the Orion reptilians however also, and are the ones who blew a portion of earth out during an effort to kill all the reptilians. Not all the reptilians are spiritually immature either, some are very advanced, and advancement is the choice of the soul.

The planets not yet in light and life engage in a lot of war, on both sides and as in any war, it becomes difficult to decide who the bad guys and good guys are. The folks of the DOMAIN DO KNOW. Just as on earth, many americans accept Iraq and Iran and afghanistan as enemy, where in fact this ones are defending selves, but also may or may not have ulterior motives for domination to thru the use of Islam. Planets in Light and Life do sometime carry out order from the Hierarchy, such as the folks from Thiaoouba, who supported Moses and took care of sodom and Gomorrah, under orders of the hierarchy.

Many anunnaki are in fact using what you ones see as the human form and have come from human form planets. And they hated the reptilian form. Maybe for good reason. The reptilian form, is going to be completely uncreated, as it has produced mind that is too aggressive. It has produced in fact, a very low level of Mind which do choose to do the will of the Father. The success rate has been terrible.

Understand this does not mean the souls are uncreated, it means they will experience in better forms. Many of these souls are facing uncreation though, for they have not been able to fuse with their Thought adjustor and lots of opportunity has been given. the reptilian race has been on this earth for 4 million years, and they were removed in fall of 2007. All 8 billion of them. As a general statement they were enslaving their own kind and have not made the spiritual growth to continue with the Ascending planet.

The annunaki failed their own commission to improve life on this planet, it was NOT going well at all. There are so many groups having forces within this world. It gets very very confusing. They did indeed

Edgar Cayce's work spoke of history in this small region. It did not speak of the more galactic scale and is often misinterpreted. Several folks came thru Cayce, the works are not his, thusly, as to that which came thru under his self hypnosis. And everyone interprets according to what they have read of course.

well enough for the time being, I need to MOVE for awhile.

Adding a quick reply before I fold up the computer. What is curious to me, is, I have no idea if the annunaki were even generally talked about in the 1940's, so that does add some question to if the writer of the book, did a bit too much editing. I did not review his footnote added to that piece.

Here's a quick section from the Phoenix Journal "Space-gate" that I think supports this thread.....One's might find this interesting:

CHAPTER 2

REC #3 HATONN

FRI., AUG. 18, 1989 7:30 P.M. YEAR 3, DAY 002

Hatonn present in Truth, let us continue. Most of the things which I will tell you are not pleasant. I bring forth these things only in truth that you, of mine friends, be prepared. We have no subversive intent toward any nation nor do we wish any type of civil uprising, in fact, I tell you here and now that I want no participation from any of you in any thing of that manner. We are here to help build a communications and business center, whereby those of you who wish to participate can live comfortably during a most difficult time. Ignorance is not bliss in this instance; you must know truth to understand non-truth and act wisely in all circumstances. That means you must know what has transpired up until this point so that you can anticipate how it will impact you as you move through this critical time of events.

CRASH DETAILS

Let us return to the beings of Aztec, New Mexico. The stories

get more insane with each telling, it seems--how about a little truth to shed some light on the happenings.

Between the first of your year 1947 and the end of your year 1952 (and here I shall use published figures--all erroneous) at least sixteen crashed or downed alien craft, sixty-five alien bodies, and one live alien were recovered. An additional alien craft had exploded and nothing was recovered from that incident. Of those incidents, thirteen are reported to have occurred within the borders of the United States not including the craft which disintegrated in the air. Of these thirteen, one was in Arizona, eleven were in New Mexico and one was in Nevada. Three occurred in foreign countries. Of those, one was in Norway, and the last two were in Mexico. Sightings of UFO's were so numerous that serious investigation and debunking of

13
each report became impossible utilizing the existing intelligence assets.

Let us look at these published figures a bit more closely. Does it not seem strange that only three of said sixteen crashes occurred in foreign countries and two of those in Mexico? Could it be that other countries are not quite so hostile to visitors?

How do you think there would be eleven in New Mexico?

Could it be the visitors were being lured into secret bases and then fired upon and downed? ON OCTOBER 29, 1987 YOUR GOVERNMENT FIRED A HEAT SEEKING MISSILE AT MY OWN SHIP ABOVE VANDENBERG AIR FORCE BASE IN CALIFORNIA--AFTER ATTEMPTING TO FIRE A NUCLEAR WARHEAD INTO "OUR" SPACE.

On August 17, 1987 five Pleiades craft were crash landed; one reported in Yucca Flats and later claimed to be a "stealth" crash--yet it was also claimed the "stealth" was still in prototype. One was crashed in Virginia and one in Texas. Both of the latter were reported and covered-up. The one in Texas, however, made it both to KPRC and KTRH and both Houston major papers. The remaining two have not been publicly reported and I shall avoid discussion of them.

Of the craft that was crashed in Yucca Flats, there were five crew aboard. Three were apparently dead, two have body vital signs and are now in Nellis Air Force Base in Nevada. This information has been verified by a group out of Edwards Air

Force Base (no longer assigned in that area) and one officer from Nellis Field--pleading anonymity, verified same in New York. What is at Edwards Air Force Base would boggle the minds of the public. These were shuttle craft from MY COMMAND, therefore I have my facts correct, Ma'am. There was

also a "crash" out of Bakersfield, California in 1986 which was also projected as a "stealth". Does it strike anyone as strange that you crash the first five of five stealth planes while they are still on the drawing board? What expense is one of your stealth bombers? Half a billion dollars? My, my--oh I see, perhaps "stealth" fighters. Why do you need Stealth bombers and

14
fighter planes when the war is going to be fought with missiles and nuclear bombs from missiles?

Could it be anything like your year 1957 when your Army was assigned the task of forming a super secret organization to furnish security for all alien tasked projects? The first of such organization became the National Reconnaissance Organization based at Fort Carson, Colorado. The specific teams trained to secure the projects were called Delta.

A second project code named SNOWBIRD was promulgated to explain away any sightings of the REDLIGHT (alien) crafts as being Air Force experiments. The SNOWBIRD (as I said, your government loves cute code names) crafts were manufactured using conventional technology and were flown for the press on several occasions. Very "different" in appearance. Project SNOWBIRD was also used to debunk legitimate public sightings of alien craft (UFO's). Project SNOWBIRD was most successful and reports from the public declined steadily--that is, until recently and currently. Thus enters your "stealth" toys. What do you think "really" goes on at your Pine Gap, Australia installation? Have you ones slept a bit too long perhaps?

Let me finish the story of New Mexico and the crash of our beloved brothers who are able to live in high concentrations of carbon dioxide. They came for two reasons. Firstly, they thought they might be of help in assisting you to meet needs in order for your species to survive as your "greenhouse" effect worsens. Secondly, if you could not survive, they could--beautifully. Therefore, a planet would not be wasted. But they came to you in peace and wondrous love.

They were lured in, brought down and attacked. The beings were flamed to incineration with the exception of three in the second or third "crash" that were kept for informational hostages. More disrespectful was that the stories were then projected that there were body parts of humans stashed aboard, such as reproductive organs, anus, sex organs and other cute things that only would interest Earth humankind and strike terror into the hearts of the populace. A funny thing happened though.

15

After removing all working equipment from the craft the interior was burned to a cinder to the point that it was claimed nothing could be salvaged. How so, then, could you produce these readily recognizable body parts such as a human anus after a fire which charred the alien bodies to their very skeletal system? Do you humans, as a group, ever open your eyes and question anything? Are you drugged beyond recovery?

EBE

Before I talk about recent and current events, I shall give you a rundown of sequence of events and those involved greatly from your 1940's that you can give consideration. There are some very brave people who have brought forth this similar information. Honor them for they have risked their very lives, as well as their loved ones. All have flawed information, but some have presented as honestly as they could research it. I, Hatonn, have a great advantage in fact finding.

I want to give honor to our cosmic brother who served well and died on your place without language, isolated and frightened. That is the one you dubbed EBE. It was a name given by Dr.

Vannevar Bush.

Flash: In November of 1950 a Canadian engineer by name of Wilbert Smith wrote a proposal for a study of the Earth's magnetic field as a possible energy source. He was with the Canadian Department of Transport and having learned of these alien craft, etc., thought it most practical. He found the following information:

a. The matter was the most highly classified subject in the United States Government, rating higher even than the "H"-bomb! b. Flying saucers do exist. c. Their modus operandi is unknown, but concentrated effort is being made by a small group headed by Doctor Vannevar Bush. and, d. The entire matter is considered by the United States authorities to be of tremendous significance.

All of this was happening at a time when Billy Eduard Meier was receiving regular visits from Semjase, Asket, etc., Commanders in shuttle craft, from my Command--Pleiades, to that

16

place in Switzerland. Switzerland will come up again in this story as relates to your little select "big boy" groups.

At any rate, Dr. Bush has been into about everything. Now, back to EBE. EBE had a tendency to "misunderstand" language and questions, and communication, if at all, was most difficult--he was also given to quite a bit of lie-telling if indicated and suitable. For over a year he would only give the "desired" answers to his interrogators. Any question which would have resulted in an undesirable answer went totally unanswered. It did not set overly well with your American Gestapo.

Now here is where I really give honor to beloved EBE. At some point into the second year of captivity he began to respond, and the information derived from this wonderful alien was startling, to say the very least. It was so wondrous that it was compiled into a project called the "Yellow Book" (not to be confused, of course, with project Blue Book). There were photographs and records and all sorts of wondrous things which were viewed years later by investigators involved in "GRUDGE 13" (another cute code name). GRUDGE 13 evolved out of a pre-existing group called Project Sign. "Blue Teams" were put together to recover the crashed discs and dead or alive aliens. The Blue Teams were later to evolve into "Alpha Teams" under "Project Pounce".

In late 1951 EBE became ill. Medical personnel had been unable to determine the cause of EBE's illness and had no background from which to draw. EBE's system was chlorophyll based and he processed food into energy much the same as plants. Waste material was excreted about the same way as plants. By the way--there are always lovely bathrooms available aboard their craft for their guests--they are beloved about the cosmos and often are "transporters" and do any and all things to allow guests comfort and convenience.

Well anyway, EBE couldn't be adequately treated nor diagnosed by a medical physician so some brilliant doctor suggested a botanist. Therefore, Dr. Guillermo Mendoza was brought in to try and help him recover. Dr. Mendoza was gentle and loving

17

and worked diligently with EBE, but EBE expired in mid 1952. Dr. Mendoza, however, now became THE expert on alien biology. These are the only aliens with this type of digestive system. That should tell you more than I am printing here. You did this same thing to a lot of them, didn't you? In a futile attempt to save EBE and to gain favor with a technologically superior alien race (now why would that matter?) the United States began broadcasting a call for help early in 1952 into the vast regions of space. The call went unanswered, but the project continued as an effort of good faith. How much good faith can you muster? Why would they ever in this Universe answer another call from you?

Adding a quick reply before I fold up the computer. What is curious to me, is, I have no idea if the annunaki were even generally talked about in the 1940's, so that does add some question to if the writer of the book, did a bit too much editing. I did not review his footnote added to that piece.

I agree with re mention of Anunnaki in 1947 before it was expounded on by e.g., Sitchen. Nevertheless, thanks NIP for your expounding on what the Domain represents. The Alien Interview in IMHO remains a most interesting read indeed.

Just letting you ones know after the big bashing about it being a hoax on the first page that I contacted the author and had a lovely email conversation with him. He did not admit the book is a hoax, quite to the contrary. I will leave my conversation with him private otherwise.

link to rene interview. You will get a sense of the author. You only need to listen to the point where the author reads from his introduction etc, if you have already that.

Hi everyone there are two threads running, one of which I got into awhile ago and the other still to explore that are pertinent to the topic in the alien interview book about this being a prison ward and soul trapping.

Here they are:

[Thread: R We Are All Immortal Spiritual Beings on this PrisonPlanet whose Souls are Captured at Death and our Memories are Wiped before the Next Incarnation??](#) I got involved on pages 9 and 10 I think.

[Thread: THE TRAP SYSTEM - SECRETS NEVER BEFORE REVEALED: WHY YOU ARE IMPRISONED IN PHYSICAL BODY, REPTILIANS, HIGHER SOUL, CREATION OF OUR EXISTENCE](#) (I haven't review this one, I don't think yet).

A BUMP here and a comment. I have written down the paper #'s that you mentioned that Mother Shekmet and her soul mate wrote in the UB. I am really looking forward to reading them. The information on this thread is really interesting.
