I don't know for sure. China is working on a fake Nesara. Something has to pop with money though, the debts are beyond repaying and if we are to keep going as it is now, there has to be a full reboot of the monetary system. There can be no patch work bandaid solutions. The united states government alone is under \$3+ quadrillion debt.

Quoting: **Nobody in Particular**

why do you say that is a fake nesara. what is their intention or purpose behind it?

Quoting: **Anonymous Coward 3331757**

NWO order control, or in this case chinese control, there is a huge battle for control. It is yet to be seen what the Dragons can or well do actually, but the younger ones of NWO training and who have infested there too, we just wait and see. What I mean by the fake nesara, i the material carried on www.truthwinds.com? and casper and Poofness etc. All china. Not the original NESARA that was planned to manifest first in the Us of A with the restoring of the Constitution, the original one, not the deranged portions since the civil war, most of which were not ratified.

Hello: Candace aka (NIP)

I am new to this member to this site. I was led here through Abuntanthope site. I know that there are rules here on this site regarding new members...I have an idea of what they are. After following the different threads on this site....I can understand why you have them. I just wanted to say couple of things to you...if that's okay.

I have allowed synchronicities to lead me to my truth...the uncanny possibility that one thing can be linked to the next...lets just say I came across The Urantia book early this year...I can't remember how because it was at a time where things were coming at me all at once...but things slowed down in July or things became a little more realistic...I have always known that something was pulling at my soul at a young age...but I didn't have anyone in my life to guide me to a better understanding so...I became the person I was looking for...and the more I did the more I was liberated...but at the same time more nervous...I was nervous because I began to realize how different I was from my peers...I would see things when my peers didn't...it was common sense to me. Sometimes feeling and seeing things become so easy to me to where I would say... Okay this isn't right, that was to easy"...but my guides have told me all the time... "Just because it is easy to you doesn't mean it is not true."

Of course like every other person that has a strong connection with their guides have been told of their galactic connections...I have been told...but remain quite not because I am afraid or don't believe (well sometimes its overwhelming) but because I am meant to be and observer. To observe behaviors that at later time be used to help others and to help determine earths spiritual development. I am like you in some ways...knowing but not really able to directly participate like I want to because it is not my time...I still have to live this lower density existence and interact as I promised...

The contract I created for myself was a strict one. I am starting to truly realize now why. At first my thoughts were "why in the hell would I do this to myself" but what I see, what I hear, what I feel...clearly explains why. I didn't know what ascension truly was until July of this year...My guides told me I accomplished more in the not knowing than I did in the knowing...because I reacted naturally and I was not relying on a channel or a guru to tell me what the next step was...I combined my divine yearning, with research, with everyday experience, with failure and triumph to allow my path to be revealed to me...Even though in the eyes of my family and friends I am in a bad place but in my eyes I am more free than I ever was. My guides told me this was the path I set for myself to be an example to those I come across...that it can be done just by the yearning in your soul...I have fell...I have battle dark energies in my sleep, in my job and in my family, without truly knowing I what I was doing...It scared the crap out of me to even think...how much ...but protection has been given and it is very much welcomed.

I guess I say all that to say...I heard about this site and than I goggled it...and what comes up is

not pleasant...but of course being the person I am I didn't let it stop from digging a little deeper...The way I see it if you are not getting a bad rep you are not doing something right...especially now at this critical time... If you are not a threat why would the cabal or any other malevolent being even bother...I wouldn't. I must say this site can be a bit colorful...and it shows where our minds are...When I viewed this site I wondered how you would be associated with this site but then I remembered what my guides told me..."We are placed where we are most needed...We attract those who need us the most." They told me I was born into a family of young souls for a reason...for many reason actually...

I am a bit worried about us... about this process. I see it...and it not a good feeling...I ask my guides why have I not advance forward...they say because I not meant to until the masses had significantly shifted or when the "red button" had been pushed. I tell them sometimes in a joking way "than I am never going to get there" (sometimes I am serious...and use some colorful words) but they always lead me to things; sites; information that support their reasons. They will say "do you feel that; do you see that. They still don't get it...You are leaving it everyday...do you not see it in your everyday life"...I have to admit...I do...and I don't like to admit it because I am tired I am ready to move forward...So some days I understand the delay and some days I don't.

I understand that you can only give the information that is given to you...That's all we can do...it is up to our galactic overseers "to show and prove" but it is also our responsibility to find a better understanding of these things...all on our own...and not rely on others to do it for us...They can guide us but it is up to us to use our filters to filter out that which does not resonate with us...I would say that your information is null and void to me because what you have predicted has not come to past...but that is not the case...My guides led me to your information long before I knew what this was all about...I read your writings as just information that was interesting but when things began to become real for me...I realized how much of you information has come to past...not in our calendar years but when they were suppose to I am assuming...Case and point...the ships blinking in the sky...I had a vague memory of reading it...but couldn't remember where....I looked in the sky one day and said "Wait a minute those are not planes. Planes don't blink like that and they don't fly that close together...and there aint that many flights in a day." Then I came across one of your writings and I saw where you pointed that out... Another time....I looked at the stars and I said "Look at them they are masquerading like they are stars...they are funny" Then I read where you pointed out that there are ships where stars should be....I said that's what I am talking about. That's what this journey is all about knowing and than having things confirmed to you...to show you are on the right track...There are other things that was confirmed to me through your writings but I want go into those...

So my sister I don't know what and how this will play out...I do not know the technicalities of these things because its is not meant for me to...not in my awaken state anyway...I have had information given to me in my sleep state...can vaguely remember...If I did it would distract me from doing what I am suppose to do here on mother earth...We know what are intent is...If our intent is to deceive than so be it...If our intent is to tell the truth to the best of our knowledge than so be it...but it is up to the individual on the receiving end to determine which...I find it odd that there is so many people on this site that don't support your writings and call you a fraud...but yet engage in your threads...My philosophy if a person is a fraud do no feed it and they will die of because they have nothing to feed on...people engaging in individuals that are not benevolent beings only feed their behavior. When we make a conscious decision to feed only the things that support the kind of life we want to live than that's when we will obtain our soul desires. So.... if you are a fraud than I find it hard to believe because you are still alive and kicking (figuratively speaking).

I know this is long...I am new...don't know the rules of the site just yet...so be gentle (smile). The only reason I decided to do this is because it has been laying on my soul to do so...and lately

when I ignore a calling its like ignoring a pin stuck in my foot...it will keep bothering me until I get it out... If it is meant to be read by you or others so be it and I am going forth...it is my responsibility to act accordingly...the response I get is not what's important...We cannot expect others to act has we would...we are all unique individuals with different views.

So I hope in some way my words my keep you going and help you to remain positive in these crazy times. I Am That I Am and I can be no other...may you feel the same.

Note: (I saw my first spaceship up close... (Well close enough)...the other day. I would always ask them and they would always say "not yet...we don't want to trigger any memories in you until the time is right"...so I am guessing the time is right. (This was after new years when you posted about the delay) They didn't stay long...they just went a cross the sky and then disappeared...behind a pole none the less...that's how I new it was a ship...how something that size going to disappear behind a 4 inch pole...Yea right!!!...I told them thank you...but I need more...call me greedy.)

Candace,

I'm here to make a proposal.

Let's create a communication channel where people can present themselves with their real names, including photos, as we do in Facebook and the like.

I'm tired of this anonymity that exists in Internet forums, nobody wants to reveal itself.

Why? Are there any safety issues? Or is it pure and plain fear of showing to others your real identity?

You did this before the New Year, so let's follow the example!

I'm sick of the enormous quantity of "Anonymous Cowards" that appear in this forum. Who are these people? Why don't they identify themselves? What are they afraid of?

My ID in this forum is real: Tiago is my real name and 63 is my age, I'm 63 years old and I do live in Brazil.

So let's show us up!

I hope you will answer this post.

Thank you.

I stopped using my registered name when the karma system started here. As a matter of principle I won't log in.

I don't mean to be unusually anonymous. You can find my posts by searching on my AC number. As for what my face looks like, my address, etc ... part of the charm of the internet is that I can keep all that back, or reveal in a measured way, and try to keep various aspects of my life here separate.

I really don't want to be unpleasant, but if you cannot read my posts because of it, I'll understand.

I can read any posts here. AC numbers usually change. I don't usually look for others posts, I dont even remember if search has that option. actually the karma system is evolving and I actually am liking it gradually, its a nice way to reward somebody with a green thumb and if I could remember,

I could give away all my thumbs each 24 hours. I give red thumbs only for carrying lies about me in a nasty way pretty much. I would use mine in a positive way. I still hold to the idea since the karma system is only for members, it has to be associated with an account, the name should go with the karma. Unless I forget, I sign all mine. Because people receiving thumbs should know who the good ones come from too. I think that would build a bit more cohesiveness here.

And Hey if you had an account you could give me some! I seem happily in the green now, because some folks gifted me with thread pins. Which is how it should work. Like most in the beginning I thought we could only pin our own threads with our karma, but that is not so, and thus there is the beautiful evolvment going on of people gifting PINS, even to ACs. Its most all good now except for the few jerks and it seems humanity will always have jerk someplace. for a long time. Most of my red karma is jerks actually. Some seem to need to see themselves with so little self respect.

I am grateful for the support here from all the green thumb gifts and pins.

I love GLP!

Hello everyone,

I just wanted to bring attention to a website...

It is hard for those who are truly trying to make their way through the rubble of truth and disinformation...the best way to get through it is to take one piece at a time until we can see an

opening...see the light... Our true knowledge has been scabbled like an encrypted code...So those who are seeking will lose hope and give up...but we are not the kneeling kind. We do not bow out so easily...

But I must say while looking up some information I came across a website....Maybe you all have heard of it...but this is my first time...I don't normally do this but...I got a feeling inside of me that I needed to bring attention to this site...Only because a person that is trying to awaken to the truth may come a cross it thinking that this is a reliable source. I just ask that you always check and double check your sources...research will help you connect the dots...so you can map your own truth...map what feels right to you...This site doesn't do anything for me...only because I have spent a good portion of my life searching...but those who are just starting out, it may deter them into the wrong direction...

A good source will always leave room for the reader to find their own truth...and some things are obvious....that's if a person is truly looking.

I would have made a new thread out of this post but....it might have gotten lost in all of the Ron Paul...Elections...and Doom Doom scenarios...so I thought it would be best to put it here... and plus I wanted to get NIP's opinion on this..

Tiago,

I'm not Candace, but I wonder (anonymously of course ;) what you have in mind. Would this be a discussion channel where AC's like me are not allowed? I don't have much imagination about this, but it seems to me that you either allow my type in your discussion or you don't. (Or like some websites, you let outsiders lurk but not post until they've registered.)

If you have this discussion here on GLP, your rules are somewhat restricted. Candace could ban any ACs who show up in her thread I guess. Already she bans people for being obnoxious, but the problem is, what do you do with the less obnoxious ones who are still AC? So far, Candace has not expressed a desire to ban us, though she did suggest that if I registered I could give green karma. ;)

Just thinking out loud ...

Yes...information that we come across is meant to ignite our curiosity...We are meant to use the information we are given to move us long on our journey...

I guess protective instincts are kicking in...this journey can be hard and I have seen many get lost so easily...I just want to encourage discernment and research...Research can be your best friend...

I am SOOOO ready for the truth to be laid out like a "buffet line" You pick what you feel will satisfy your soul.....But like always we can go back up to the buffet line and get more...when we are ready...and it is never denied or hidden from us...wouldn't that be great

Tiago,

I'm not Candace, but I wonder (anonymously of course ;) what you have in mind. Would this be a discussion channel where AC's like me are not allowed? I don't have much imagination about this, but it seems to me that you either allow my type in your discussion or you don't. (Or like some websites, you let outsiders lurk but not post until they've registered.)

If you have this discussion here on GLP, your rules are somewhat restricted. Candace could ban any ACs who show up in her thread I guess. Already she bans people for being obnoxious, but the problem is, what do you do with the less obnoxious ones who are still AC? So far, Candace has not expressed a desire to ban us, though she did suggest that if I registered I could give green karma. ;)

Just thinking out loud ...

AC

I ban AC's too from my threads if they are obnoxious. I was being silly on the green thumbs by the way. Now off to see what Tiago said. And yes, karma gifting is one per week to any member. A Good thing or the red thumb folks would have me 50 miles under. And the karma wars would be far worse. Nice to be green now though. Thanks to all who made that possible!

Candace,

I'm here to make a proposal.

Let's create a communication channel where people can present themselves with their real names, including photos, as we do in Facebook and the like.

I'm tired of this annomity that exists in Internet forums, nobody wants to reveal itself.

Why? Are there any safety issues? Or is it pure and plain fear of showing to others your real identity?

You did this before the New Year, so let's follow the example!

I'm sick of the enormous quantity of "Anonymous Cowards" that appear in this forum. Who are these people? Why don't they identify themselves? What are they affraid of?

My ID in this forum is real: Tiago is my real name and 63 is my age, I'm 63 years old and I do live in Brazil.

So let's show us up!

I hope you will answer this post.

Thank you.

Quoting: **Tiago63**

Tiago, yes there is some risk, but I did upload my photo. I guess you have to be a gold star

member to do that, either as a smiley or a custom avatar. I already have a private forum, and many do show their pics there. This consumes some of my time too. I am so busy I don't know if I can add something else and I won't do Facebook for the 'Mining" done on it. What are you suggesting, as to where and how? I am not expanding my forum right now, for a few good reasons.

Trinity has a policy here to allow anyone to post without accounts, but I don't see why most people who post here regularly don't have them and a paid account makes one considerably more ban resistant.

I have had some stalking issues and quite a few murder attempts, as have some of my other AH team members. I go on anyway, these have not stopped me. I did have an account under Candace here and I got into some trouble once, so I posted AC for a time and people were figuring that out, so I began to use this account, which I had made not long after I got banned, but had not used much. People did realize who I was then and when Trinity made it so the gold stars could monitor their own threads, I asked to come back officially and so here I am. I could not have successful threads before then, the skills showed en masse.

In case anyone missed it, this is me.

Candace,

thank you a lot for answering my post.

I'm a non-paying member of GLP and for me it's working well this way.

Just to end this subject, this anonymity we find in Internet forums is tiring me to sickness.

One of the merits (if they exist at all) of sites like Facebook is that you have the option to reveal yourself entirely, as my family members do.

That's all for now.

Thanks a lot.

Those who have deliberately belittled Divine Authority have in effect committed cosmic treason and will now be called upon to answer for they have forfeited their right to have a say now in the earth's evolution. She is going to ascend as I say. You of earth have sullied the very laws I gave unto you by besmirching its intent and converting them to suit your visceral needs. I say no more!

Your earth is bent and broken and is in disdain for what man has wreaked upon her. She has seized up and I say that no amount of prayers now will save her for you. She is to return to the light. It is too late to effect the nature of the changes required to place her in an ambient position for continued service in your dimension. I remind you all to revisit the prophesy of the Master, MY dearly beloved SON and know that you are now here.

You cannot fight that which is ordained. They who have perpetrated ill upon the planet and upon humanity are breathing their last breaths in human format before the divide falls. You ones know who you are. You continue to use scare tactics on my ones but you have already failed. I say surrender to the light for all that is dark upon the earth is to be removed post haste

The small samples of some of that material, is very much IN YOUR FACE. So what is your problem? Here is one small sample and the tone is much the same as above.

The Chief of the Council of the Great White Brotherhood in Darjeeling:

"The outer world likes to flatter its vanity by the feeling that it has the ability to accomplish great things; but so far as the control and Perfection of the feeling is concerned, the outer world is still in a savage state. Human beings sting others, as well as themselves through vicious feelings, just as surely as does the scorpion. The predominant feeling in our modern world is terrifically vicious, when personalities are opposing and criticizing those who disagree with them. So-called civilized people commit murder every day of the week, through sending out angry and irritated feelings that kill the higher impulses in others.

"The hour is at hand when the Great Cosmic Law, which governs this System of Worlds, is releasing a tremendous Expansion of the Light of the 'Mighty I AM Presence' throughout Our Group of Planets, and whatever cannot accept the Power of that Light is consumed thereby. So mankind need no longer fool itself with the idea, that it can continue to generate destructive feeling and survive. The end of the former dispensation has come, and all things are made new. Let him who runs, read—that he may learn the 'Way of Light' while there is yet time." (pp. 360-61)

**Re: CELESTIAL TRUTH
WISDOM**

Good day everyone.

I would like to share with all of you this experience.

We have a 25 year old son who is a drug-addict, he uses cocaine (that's what he told us).

We, his parents, simply DON'T KNOW WHAT TO DO, because he simply doesn't have the intent to quit the addiction.

Well, so this simple woman jumped into the scene. We have a woman that does our house clean-up once a week. When she knew we had this problem, she spontaneously began to talk to us about how we should behave with our son, about what we should do about this situation.

I was simply astonished because what she said to us was pure wisdom. So we just heard what she had to say to us.

When she left I commented with my wife about what the woman said and she told me that she heard from that woman her life story in a previous occasion.

So what happened is that this woman has been a drug addict (cocaine and crack) herself for several years, and as she told my wife, this has broken her marriage among other things.

Somehow she managed to quit the addiction and is now trying to live a normal life.

Then I realized that her wisdom came from her own experience, came from deep suffering.

So I asked myself: do we have to plunge into hell to acquire Wisdom? Do we have to suffer a lot to get Knowledge?

In the Ancient Mysteries, the candidate had to descend to hell to advance in the Light Path. This is described in several traditions from several cultures.

The most famous description of this descent to hell is the "Divine Comedy" by Dante Alighieri.

So please, I would like to hear your comments. Thank you.

There is a truth in that, yes, in this life here on this world at the moment the theme for many is an experience in suffering because they probably chose that to learn from. Those ones at some other time will choose joy and prosperity to learn from. It is in reality all a state of mind, and the state of mind you find yourself experiencing is a gift of learning so that you may have all experiences.

It is true that to experience all that life can offer, you need to experience EVERYTHING, and that includes the falling into darkness within yourself, you cannot make choices without it.

To suffer is to teach your soul to avoid anything that can cause it again, so it is refining you to become wise and to always seek and make choices and cause you to act without error that will cause reactions of suffering.

That is how you become a master, when you know all and how to avoid the unnecessary. You cannot know your own hell unless you go there, once there, you will never go there again.

One day it will all come into place with all of man and then the entirety of the human species will evolve in completeness, and the creation still goes on and on. So fantastic and miraculous is life.

Mind does not grow without being hugely stressed. These worlds are necessary in fact. That is what the "descent" into hell means, which can include rough worlds like this one. I wish your son well, and his issue is only something he can solve.

In this life I can relate to the hell of withdrawal from a drug I had no idea I had an addiction. If you son does decided to quit, it will be hell for a time, that is why its so hard to quite. the drug in question with me, was the klonopin I was put on for restless legs, then after 3 or 4 years, a wise doctor tested my minerals and its caused by magnesium deficiency. the coming off that was a horrible experience. I took the same dose for all those years at bedtime and had no idea of what it was going to happen when I came off that stuff but I have a new respect for those coming off any addictive drug. ciggies included. I don't judge anyone dealing with getting off them.

I have had some rough times in this life, and during the climbing out of them, I always call it climbing out of my personal hell

yes. took six months for all the symptoms to go away. I was reducing it but not slowly enough and landed up with some huge problems, long story, and so went back on it and reduced the dose

much more slowly. I have written this up several times on this forum, I should have saved a copy so I don't always have to rewrite it. I did what my sister in law did to get off cigarettes. She simply smoked one less cigi a day for a week. Like starting maybe on 20 a day, 19 a day for the next week, 18 for the following week until she was off, and she varied which cigi she gave up, like she gave up one night cigi, when she was used to smoking 3 etc.

I was on 3 tablets at bedtime for those years. I took 2 3/4 tabs for a week, then 2 1/2 tab for a week and after a bit I could change the dose down about every 5 days ok, until I was off. But I had some very minor symptoms for another 3 months or so.

The letter "J" Was never a letter in the alpabet until much later. So Jesus couldnt have existed during the time the modern bible says.

Quoting: **Wingedlion**

HEY ALL OF YOU CONFUSED AND MISINFORMED ONES, his name is **IS** Sananda Immanuel ESU Kumara. Joshua ben Joseph was his nam 2000 years ago and is NOT his name NOW. That was temporary name of THAT INCARNATION. each of you do no bear previous incarnation names either, OK, does that REGISTER with your MINDS?

Paul gave the name Jesus "Christ". Jesus was never his name and Christ is not and never was his last name. Christ is a state of attainment.

"Jesus" was two people sharing ONE BODY and that Body is buried in Srinagar Kashmir. FACT. These animals forms do not ascend any where.

The other person besides Esu, above was Michael of Nebadon. WE call him Christ Michael/Aton in our work at this time. He is the CREATOR SON (Father God) of Nebadon, our local universe (Sector of the creation), He is not and never was the Eternal Son of the Trinity. He represents the Father and Eternal Son of the Trinity, and the Infinite Spirit of the Trinity is represented by Nebadonia of Nebadon.

NOW THIS IS FACT. MICHAEL AND ESU ARE RETURNED IN SEPARATE FORMS SINCE 1954 PERMANENTLY BUT BOTH HAVE BEEN VISITING OFF AND ON SINCE THOSE ANCIENT TIMES.

MICHAEL OF NEBADON RETURNED TO THE CENTRAL UNIVERSE WHEN HE LEFT THE SHARED INCARNATION, TO HIS FATHER. FOR A SHORT TIME.

ESU CONTINUED TO USE THE BODY, WHICH DID NOT DIE ON THE CROSS, THAT IS WHY HE WAS SEEN WITH HIS BUDDIES OF THAT TIME. HE ASCENDED INTO A CRAFT AND WENT TO DAMASCUS, SAW PAUL THERE, AND LATER WENT WITH HIS MOTHER, JUDAS AND OTHERS TO INDIA. HIS MOTHER DIED ALONG THE WAY. JUDAS WAS HIS BEST FRIEND AND NOT THE BETRAYER. JUDAS WROTE THE ONLY GOSPEL DURING THE LIFE OF ESU AND MICHAEL. THE OTHERS ARE HEAR SAY. EXCEPT THE YOUNGSTER MARK WROTE SOME OF HIS. MARK WAS NOT AN APOSTLE NOR WAS LUKE OR PAUL. LUKE NEVER MET JESUS, AT ALL IN FACT.

SOME OF IT SURVIVED AND WAS RECOVERED IN 1963 OR SO. AND TRANSLATED FROM ARAMAIC TO GERMAN, AND ALSO LATER BY JUDAS FROM ARAMAIC TO ENGLISH.

THESE ARE THE FACTS. OTHER PEOPLE CONFUSED WITH JESUS BY SOME OF YOU WERE OTHER PEOPLE, THERE WERE MANY HIGHLY EVOLVED SOULS THAT CAME TO EARTH INCARNATE AND NOT INCARNATE DURING THAT PERIOD.

YOU CAN ARGUE THIS UNTIL YOU ARE BLUE IN THE FACE AND THAT WILL CHANGE NOT ONE IOTA OF THE FACTS. I HAVE REPEATEDLY GIVEN THE LINKS TO THE TALMUD OF IMMANUEL, TRANSLATED TO GERMAN AND THEN TO ENGLISH, AND ALSO PHOENIX JOURNAL #2 WHICH IS BY ESU AND JUDAS WITH COMMENTARY ALSO BY GABRIEL OF NEBADON. WHO WAS THE FATHER OF THE SHARED BODY. THE HOLY SPIRT DOES NOT HAVE DNA AND CANNOT IMPREGNATE ANYTHING. LET ALONE MARY.

well today I am a rattler of cages for 2 days actually and pissed as shit thankyou. So here I let it all out, minus what made me pissed as shit. Ok. You don't need the whole drama. This is a post I made in another thread.

>>OP Jesus existed,<<

hi NIP, what is his real name?

What a wonderful creator this mind is..

Quoting: **Anonymous Coward 1105272**

NIP will tell you differently, but his name was Joshua ben Joseph, also spelled Yeshua ben Yosef. This was his Hebrew name. Jesus is Greek for Joshua, we get it from the original Greek version of the bible translated into English, although the original Hebrew version is just as important. Bible study needs to involve these earlier versions because of the problems of mistranslation. Hell for instance comes from mistranslations as well as church mythology to control people for monetary reasons. What people actually feared in Jesus' time was eternal death, and that is what hell was supposed to represent, the horror of nonexistence. But avoiding this is rather easy, and it doesn't require a church. Just love others as yourself. The more love you can give, the greater the amount of God's love you can feel within yourself. It is a tangible form of energy.

Quoting: **overmind**

excuse me, Overmind since WHEN would I tell them differently? I had said this so often I am sick of it in fact. That name was the given name, as least as presented IN ENGLISH in the Urantia Book. how it was said in ARAMAIC, I have NO idea. I don't read it and never heard it and I never asked either.

Jesus was given by PAUL, it is not greek for Joshua. and it means annointed one and I for one will take Esu's word for that one since I don't speak greek either. Title not a name and the wrong title to boot.

It was the name then, it is not the name NOW. all incarnating beings have STELLAR names and not even Christ Michael's name is actually Christ Michael. It starts with ATON. Which is a holy word for Father Creator, an intoned sung tone, like people sing in gregorian chants sort of singing. His name if written out in syllables, he did that with Jess, takes half a page of paper and pages if put to the cording etc. The term Michael is an english adaptation for the ENGLISH UB even.

"Jesus" by whatever "name" used, was the incarnation of two individuals into ONE BODY. Overmind, the Creator Son is a massive massive photon spirit being and cannot occupy in any way shape or form, one of these bodies. Even for him to overshadow required the very high DNA that Gabriel of Nebadon provided. **The UB purposely did not make some accurate statements because there is information you do NOT give the thugs who hunt down descedants.**

I am a spirit being as a Mighty Messenger and I overshadow my own form which was custom created also so I could have these skills I have. My body has far more DNA strands than man.

Where you like of it or NOT beloved, Esu continued the journey, and CM left the journey at the crucifixion and returned to the CEntral Universe to finish up his part in the deal and also begin the planning for this world for later.

The Body Esu and CM shared IS buried in Srinagar Kasmir. He lived until he was around 115 years of age, married, had 5 kids, and Judas was NOT the betrayer, but because Judas was the ONLY apostle WITH WRITTEN RECORDS made during the incarnation, this could NOT be disclosed. So the lie made was allowed to stand. The betrayer WAS Juda IHarioth, son of a pharisee. Judas was deliberately FRAMED for something he did not do, but for safety of record keeping and for Esu to continue, it was necessary to keep the lie.

If was desired for the people to think Esu DEAD. So he and Judas could continue the journey and teach in central asia, india etc. Thus Saul thought Esu was a ghost when he went to Damascus Judas died before Esu, and the records were then kept by Esu's Son Joseph,. And returned to the old grave after Esu's passing from this world.

If it had been allowed for ones to believe Esu lived, he would have been chased everywhere and his progeny would have been sought out and killed to the last one and the valuable uplifting of DNA in the region lost.

Now this is Truth and I could care less today because I am a bitch today, if any of you accept it or not. YOUR CHOICE dear readers. We tell the truth and we tell the truth, and we tell the truth..... So be it.

I know these people personally and I know of what I speak and we put out what we can put out.

Now you ones please go read also Phoenix Journals #2 and #3 and if you have NOT read them, Overmind, please do so post haste. They are an adjutant, to the Urantia Book and go where it could NOT go. And they didn't go far enough and we have added and added and added as is safe to do so.

Esu's NAME is Sananda Immanuel Esu Kumara and the apostles called him Immanuel. CM was in the role of very close advice, in his role of overshadowing Esu. We do not have decent spiritual words, so "over shadow" will have to do. There had to be a special body, as above, for this to happen, for this special connection.

Christ Michael IS returned and again overshadowing a body of a different short that the angelics use when they must be visible to man that has the necessary interface.

Now I will collect this story and put it some of my other threads. We are not involved in fairy tales, we are involved in what truth CAN be shared at this time. Take or leave it. It is a gift of love. I don't know how to do it any other way. But I get my days of frustration just as did the CM/Esu combination then, and just as they do "separately" at this time. They get frustrated with man who is not learning to REASON and prefers Santa claus fairy tales to reality. I have been dealing the Santa claus christians since yesterday, to no avail it seems.

You ones have got to come out of this foolish bullshit and grow up or you are going to be fools on some other planet. Ponder that one. God is MIND people. Where are your minds? Thank you for

listening to the rant, perhaps now I will feel better, having let it out.

OH let me add in AGAIN, linky to PJ 2 and 3: [\[link to www.freewebs.com\]](http://www.freewebs.com) there I am done with my rant.

Here is a quote from a short book, maybe an hour or so reading, by Michael SilverHawk. I used to email back and forth a lot with him in the early days of AH. I lost some contact with dead computers, and links mysteriously disappearing from my computers. A friend James recontacted me again today, I had meant to do something more around Michael. Michael Silverhawk is the reincarnated John who gave Revelations.

This is the link to Michael Silverhawks site, [\[link to www.drifterworld.org\]](http://www.drifterworld.org)

The material quoted below, (well less than 50% green thumb collectors), found by clicking on The Mystery School of Adam Ka Amon at the top, there is no separate linky. This short book is the work of Michael and Sananda, (Sananda Immanuel Esu Kumara). I highly recommend it. I chose this short portion for the benefit of Christians on this forum. It discusses salvation and nicely backs up teaching I have had in some of my signature files I have used here.

KNOWLEDGE VS. BELIEF

An entire book could easily be written on this subject and perhaps has. The difference between knowledge and belief is as dramatic as the difference of being in or out of prison. So if you are content with three hot's and a cot, then blow this off and go your way. Knowledge is a profound experience that blossoms and emerges directly from the heart and then enlightens the mind.

Belief is an experience of choice made by the intellect and desire alone. One can "passionately believe" but it is still only belief. Let's venture an example.

You are a spiritual being having an experience in density. You can choose to believe that right now. You can say, "well that makes sense and I can see how that could be. I like the thought of that, so I will "believe" it." As a man of knowledge I would counsel you otherwise. Believe nothing, I would say. Be still and invoke divine "insight" and experience until you "experience" the truth of it for yourself. Never rest until you do. When the experience comes, you will know. You will know beyond doubt that you are indeed a spiritual being and not a mere lump of mud.

Belief is far easier to attain than knowledge though, isn't it? It's a simple act of blind faith. However, the tendency then is to follow me (or someone else) around because I say I have this true knowledge and you are too lazy to get it for yourself so therefore I'll hang out with the guru and maybe it will just "rub off" on me. It will not.

You don't need me or anyone else to get this knowledge. And you can only get it from your own application and stillness with spirit. It will never come to you any other way. **You will not be "saved" by my knowledge but rather only through your own experience and contact with Source.** This is why these teaching topics are so brief. They are only "subjects" for your own meditation whereby you attain the true knowledge directly for yourself. Nothing less will ever set you free. Do you want to be truly free and to know for sure? This is the ultimate question, isn't it? Or will you be satisfied by belief alone.

The world is full of true believers of every religion. True believers will even go to "war" to defend their beliefs. There are whole belief "systems" that have been created for you. One can have their need for "tribal unity" satisfied by joining one of these belief systems, however, you then are obligated to bow to a "collective" mind-set or risk being exiled from the group. Not much freedom there, is there? No room for creative free thought or questioning at all. This becomes a true "cult" of belief then. One becomes a slave to the collective beliefs. Then whatever the cult demands as put forth by the cult leaders, "must" be obeyed without question. All religions have this tendency to bind and "condition" their members. This is true in all sects of religions as well.

This is why this ministry has no official members, hierarchy or temple buildings, nor is there a holy tome. The teachings here are designed to "set you free" of all of that. Once you step into freedom, you will then be meeting the others who have done so as well and there you will find the "fellowship" of spiritual freedom.

Like does attract like.

This is why Admiral Sananda chose me to work with rather than a true believer. Because my mind is free of all imprisonments. I seek direct knowledge from the heart in all things rather than the laziness and "coziness" of belief. To become a master of life and spirit is the greatest work that will ever come your way. It is the "great work". If you are not "ready", then simply go your way in peace. One day in one semester or another, freedom and "Ultimate Source" will come for you as well.

I have questioned and challenged every belief system that came my way, religious or otherwise. I will never settle for less than total truth. None of this comes easy, mind you. It takes hard work and application. In my 44 years on this path of knowledge, I have dedicated 113000+ hours to this meditation and contemplation in the search for truth. That is 13 years 24/7 when you condense it down. (I tested these numbers with kinesiology.) I have been utterly "astounded" along the way by true believers. They pound their bibles as the perfect "word" of God and tell me I should believe as they do so I can be "saved". I reply by saying, "why not get the word of God directly from within with stillness and resonance. Why would you trust a written book over direct contact?"

"Because the heart and mind of man is evil and cannot be trusted." They say. It is written in the book, they say. (quite a handy teaching to keep everyone from going within and questioning the conditioning.) Well then invoke divine protection to shield you from evil then and proceed to "listen up" in true living communion. Why would you trust a book in blind faith that was compiled from scrolls written by un-mastered men and then compiled and crafted into a book by a group of other un-mastered men. Even if the master himself had written the book, it would still have been handled and mis-handled by un-mastered men. (I'm not saying you should burn the book. It is an amazing compilation of teachings and history. However, great discernment with the single eye of spirit should be wisely exercised in reading it..)

So then, by God, these un-mastered men set out to craft a world religion, proposing to intercede between you and God and then to build temples, secure property, establish dominions and run the thing as a world business. Or to have world-wide ministries to secure funds for more expansion still.

Then they hold the master teacher up as a deity for you to worship, even though he said not to do that. Then if you are a true believer you can do any horrible thing you want and be cleansed by confession or "washed in the blood" and everything's okay again until the next cleansing. That's okay because you were born in sin and are less than perfect. Only the master was God in flesh and you are never expected to measure up to that or achieve it yourself, are you now? Just believe and be okay until the kingdom comes. Well, for your information, the kingdom has come and is calling to you right now, by the way. Are you ready?

Well, this all looks to me like some of the little rascals got involved in here somewhere. The last thing the little rascals wanted was for you to become a master of life yourself and talk to God directly. Then you would break free of all their deceptions and bindings, wouldn't you? You would come to see the prison of the soul for what it was. A prison. You would break free utterly and soar with the spirit in divine ecstasy, breaking all the bindings of matter and lies and fly free just like the master teacher. If you are a true believer, then you are calling this blasphemy. If you are a being of true knowledge you are in a standing ovation. How's all this for meditation food? Know the truth and the truth will make...you...free.

While I find some aspects of your model useful I am a skeptic of anyone claiming to have "the truth".

What you have is an operating model. If it is useful to you then use it, when it is not in your interest then loose it!

We were created...truth.

We are on our chosen land call earth.... truth (for now)

We are traveling on a path involving change and time...truth

We are dependent on others and our environment for our survival....truth

We each are unique and have our perspective....truth

There is a hell of a lot we don't know....truth

I find it easier to admit I am not so smart and look at differences as a place to learn and uncover useful knowledge. I find that locking into one version of the truth makes me even more stupid and inhibits learning.

There is nothing stranger than watching two peoples fight over two wrong truths. If they choose to listen to each other they could develop a stronger model.

So go and follow your truth and let us know what you find. I am always willing to listen.

This may seem like a strange random question, but its one of those mysterious ones I been wondering about. What will happen to those immortals and the ones who are not necessarily negative people during the ascension period of Gaia, especially those who were apart helping? Will they be transported to where they belong, separation, or will bad choices and karma have an effect on them? Will they need to relive the reincarnation cycle to fix their karma? Would like to know, thank you.

the planet is over populated with a variety of souls at many levels, and those not ready for ascension will be placed in their next appropriate place. there are nice none negative people not ready ready yet to grasp the concept of the god within and many of these may well go to the mansion worlds, but must pass these bodies to do so, and are given new bodies there, not by birth but manufactured. Some will live out their natural lives on craft or move directly in body to other planets of similar levels which have a similar atmosphere etc. Karma is cleared by each person, which is simply the process of replacing correct knowledge with incorrect knowledge stored in the soul/mind. It is a long process that takes a lot of lives.

Some are returning to the heaven spheres, for lack of a better world, from whence they came, often to one above where they were when they left. The heaven worlds are specially built worlds, custom built, not worlds like these natural evolutionary ones. Some of earth's nice folks will be going also to Venus, which has been terraformed for life. It is actually in earths orbit, so it stays on the other side of the sun from our view. There are now over 300,000 earth folks already there, explaining in some cases, missing people.

what you see as Venus in the western sky right now, is a craft pretending to be Venus. It shows a 3d movie to look like Venus is expected to look to those with telescopes. man isn't ready for that change of view of his sky yet. Ditto Jupiter, which is now a small sun since February 2009. It remains due to a set orbital speed also behind our sun, because when it began to come into view that year after the trip behind the sun when it "ignited" earth almost went into a magnetic pole

reversal.

Nasa took a pic that year from stereo B, which showed Jupiter rapidly moving back behind the sun in a matter of hours. You can view a short movie of that here: [[link to sohowww.nascom.nasa.gov](http://sohowww.nascom.nasa.gov)] Notice the SOLAR CORONA nasa enhanced on it. it is a very small sun.

I have other threads on these many topics of change right now. Here is one

I have read most of the site, listened to both of his archived radio shows and ordered his book.

Both my wife and I resonate very much with his writings. Of course, his material fits quite well with your work.

One question I did have. I seem to recall you saying that Lucifer was un-created whereas Michael said he was brought back into the fold.

Anyways thanks again. I am really looking forward to reading his book(s).

I have no idea on that. the one known as satan and many of the others chose to rejoin the light, but Lucifer chose against it. I have chatted on this many times with CM at one time there was also a appendum to the UB that is no longer to be found anywhere, thugs got to it completely within the UB group, that covered that. It used to be on bookselves. I almost bought it, sure wish I had now, but I was short of funds at the time, but that lead to some of my own direct inquiry.

ANTIEL

He then became known on earth as the devil or Lucifer and several other names as well. He did indeed gather an army among the stars and form a coalition of planets and stars and various adherents. He formed his own rebel empire to become his own God and a God to all those who followed him. This became a "Star Wars" situation. Earth became one of the victims in this war. Antiel was then contained by the larger and more powerful federation of light that serves the Majesties and the Empire of Life. Antiel and his rebel empire was then contained and quarantined. It was prevented from spreading like a plague among the stars. I can only guess that the Majesties were exploring the special effects of spiritual amnesia among and within parts of Their creation. It is all part of potential after all. Just another adventure in eternity. Nothing to really worry about. They are still all of it all the time and nothing can really ever get out of Their control. It can "seem" that way to those involved, but that is only appearance. There is no actual reality to it.

Antiel has now gone home and very recently in fact. He was "recaptured" by all the powers of heaven and the Grand Majesties. He was compelled to re-embrace the ultimate reality. God is everywhere and everything, including Antiel himself. Rebellion is futile and silly, in fact. It is pointless. There is no other universe or an "outside" to the universe. That is why it is called the uni-verse. How can you get away from it? So one might as well come into harmony again. Sooner or later you must and will, so why not sooner? What's the point in fighting the inevitable? So now Antiel is Atonel again and is experiencing re-orientation. He has quite a lot of atoning to do, as do his followers and victims. All will be healed in divine order, however. We are all "family" after all. You don't execute your brother or sister or child because they made a mistake. You bring them home and heal them with love. That is the way of love after all.

Your self-bestowals

CM through Eve

24th February 2012

Hi Eve, this is your Big Cheese! I shortly want to comment on some phenomenon which is very common among you. So many of you are in deep regret to have become incarnate down there and cannot understand how they ever agreed.

(I have heard a lot of people complaining during the time I have been doing my job here...and once in a while I was complaining myself.... E.)

So, let's have a look at this, going back to the time you were planning your incarnation one can clearly see that most of you were electrified to go into service this way. I'm not talking about souls still occupied with their ascending career, I'm talking about fully educated and graduated universal servants, either from Paradise, from the Central Universe, from the Super Universe, trinitized, etc.

Many of you were pretty fascinated about my latest and 7th self-bestowal - and from that time on self-bestowals became - especially on Urantia - very common, almost trendy. ... not just for reasons of proving loyalty, but also for taking an extraordinary chance to move something and to prevent my work on the planet from becoming extinct.

Many of you have followed my model role, by offering self-bestowals, to „a few" up to „many" and even „not so nice endings" were not able to prevent you from doing it again and again. Many were really astonished about finding out about the immense degree of density and amnesia, and some even struggled a bit. But all in all, without this incredible support and service, the torch would not have been carried on. I wish you to remember that, when you seem to break down crying the next time. - well, not very much longer! I wish you to remember that your true wealth is not material on this world and that your true home is in the kingdom of heaven. You came into your incarnations

as my ambassadors, as the celestial troops to demand and claim the earthly battlefields back on my behalf.

All of this is trouble you perceive is pretty much a question of how you place your personal view. You can regard the famous glass half empty or half full. You can complain about loosing wealth, but you can also perceive that your weight of dealing with wealth was eased.

The conditions of the surface of Urantia offer an immense potential for developing creativity, not only to you, also to us as conductors of this project-... all in all this project would not have been possible without these many volunteers, who followed me in regard of my self-bestowal. You did not simply become incarnate, you bestowed yourselves.

It was hard to find suitable possibilities for being born and many of you even took the hardships of a terrible family, just for the sake of getting a body and knowing you would have to lift yourselves out of the mud later and come into power. Many embryos which would not have been suited for carrying your big souls had to be adapted and modified aboard ship, so that to more universal beings could be offered a possibility for bestowing themselves to the planet and humanity.

This project has always been a joint venture between you and me, even if you have not been able to see it so clearly as I had wished so far.

To many of you it's not important to find out about their cosmic identity- you are simply there in service, contributing in highest possible ways, while you are enlarging your storehouses of experience to make even more valuable service and contributions - wherever you may go and serve in the future. Your self-bestowals are granting you highest honour in the eyes of the administrative higher ranks, as it is always the greatest gift that can ever be given... to bestow yourself for the sake of the Father's will to be done, and for the implementation of the Greatest Good of all.

Remember - nobody forced you to come here... every self-bestowal was in agreement and a volunteer act.

CM, will you allow me a question?

Certainly, Eve.

How does it come that I feel you somehow tried to „convince" me to come back here another time?

(laughing) I did not try to convince you, I just suggested another go-round in relation to many benefits which could then arise for you after the big finale... understand... as a win-win-situation... the offer was simply attractive enough to make you sign...

That sounds pretty much like the common habits in economy.

You were clearly able to see the benefits which would arise for you, my dear, and even more you were able to see the benefit for the development of this planet. If you need someone to blame for making you become incarnate another time, you may bash me of course, but if you are honest with yourself you will admit that you have already graduated much more than you thought you'd ever do, up to simply leaving some „footprints" in the hearts of some of your co-travellers. Just love can propel that, love combined with dedication. All of you should daily ponder about how you can make these last days of your self-bestowal most efficient. I'm with you and I'll always be, I wrap you in my arms while you go on shining through these final days.

Always yours, Big Cheese, Christ Michael of Nebadon.

**coded message1: To the dark ones in knowing
This is a coded message**

This part of the message is for you dark ones that know ye are dark.
You do not want to read this
You do not want to read this because
It will reveal to you the truth about yourselves
And your self...

You know that the time has come to do that which was agreed upon
Not just here and now
But in an other place
Far removed and before

You wanted to experience fear
And now you have
You have discovered for yourselves
The dimensions of fear
And what total fear forces you to become

You did this to fulfill a purpose
MY purpose
I EXPERIENCE EVERYTHING
I AM ALL AND EVERYTHING
I EXPERIENCE MY SELF

And I experience you
Now
This experience is over
A new experience begins

I offer you resolution
I offer you comfort and joy
And an end to fear
And an end of fear
Ye need not fear anymore

Ye have served your purpose
And now
Now
It is time
To claim your reward...

Ye may return to WHAT I AM
Ye may continue
Or not continue
The choice is yours
But I already know your choice
I know all of your choices

I made them
I made them in you
You
You are what I am
In expression
For the sake of experience
Made manifest
For the sake of demonstration

Mine is The One Life
I share It with you freely
I share with you
All that I am
Love, Light, Abundance
I Am all these things
I Am Life
I share it with you freely

I offer an end to your pain
Ye may give up your self
Or keep your self
Ye may return to ME in full
Or return to Me in continued service
You will return
Because there is nowhere else for you to go
There is no escape from What I Am
Ye may choose uncreation
And return to me in full
With nothing of your self in being
And know the infinite, eternal bliss of unity in What I Am
Ye may choose to continue
To serve a new purpose
Walk the path of Love and Light
And return to ME
A being made perfect
With all of your self in being
Knowing the infinite, eternal bliss of unity in What I Am

Let us cut to the quick
I already know the outcome
I AM experiencing the being of it in manifest expression

I know
You are afraid
I know
You fear all and everything
You fear What I Am
You fear me
You fear the destiny you have all but forgotten
You fear what you do not understand
You do not understand My Love for you
You do not understand My Light in you
You do not understand My Light

Covering all darkness
You do not understand My Light
Within the darkness

You do not understand
Why I allow it to exist
Yet you embrace the choice of it

You know the great fear
The fear of being completely alone
But you have never been alone
The fear of complete separation
But you have always been
In the One Life
The One Creation
You fear your self
You deny that I AM that self
Your denial of true reality
Has cost you dearly
Your pain is deep
Your fear has dis eased you
You have sought to place others
In more fear of you
Than your fear of Me
But your fear of Me is so great
That you know me as your enemy
I AM Not Your Enemy
I AM Your Father who loves you
You have made all who love Me
Your enemy
But they love Me
And so
They know what it is you fear
And so
In the end
It is not you that they fear
They fear being like you
Alone and afraid
With no protection
No direction home

But I AM showing the way home
It is a long journey
Longer than you had the courage to make
Yet
Your courage showed
When you took on these dark costumes
For the sake of example
And so
I offer you resolution
Opportunity
To continue in service
Or be taken back in the bliss of the One experience

And lose your self at last....

This is a done deal
There is no escape
I AM ALL IN ONE
I AM ALL AS ONE

Deep down inside
You know the truth of this
You know you were playing your part
You know that your part has come to an end
And you make what you see as decisions and choices
Planning and reacting
Denying the fact
That this is ME
This is Mine
I CREATED THIS
I OWN IT
It does what I intend for it to do.....serve MY purposes

It doesn't matter what you do
It's already done
I AM with you always
I already know
I knew before you did
I AM THIS!

This is simply the best time
The best time for you to remember
Who and what you really are
And not just the role you took on

I know that some of you will choose uncreation
I understand
I Love you
I thank you for the pain and suffering
You had to endure to make this happen
It's over now
Snap out of it
And rest
Accept My Love before you go
Our embrace will be that much sweeter
But either way
You will touch upon
The bliss of unity
Before you lose your self
I give you that.....because I love you
I made you
I made you to be in Love
Not be in fear

Duality demands learning both
In order to achieve perfection

You may still have it

You can live in more love and light
Than you have ever lived in fear
You can have that
Take my offer
Those of you that are so inclined
Just a heartfelt decision will do
WE'll take care of the rest
The clock has already clicked down...
Don't delay
Act today.

coded message2: For the unknowing and unaware, ensouled humans of Earth Shan Gaia
By I thru Kibo

This is a coded message

The majority of the people that this message is for
Will not see this message
They will not read it
They will not know it
They will not care

YOU
Are reading this
Because
You are starting to see
That you have been looking
Through a dark glass

You are starting to hear My voice
From within a long, dark curved tunnel
You know there is something ahead
But the light of day eludes you
Because you think you are walking a straight line
And you are walking a curve
So
You do not see the light
That awaits just ahead
But it is there

I AM Up Ahead
I AM What Awaits You
And I AM with you
Even now
As you read these words
I AM with and within you
I know
I know what you are about to go through
And I want you to know
It's alright.

I created you in perfection
I gave you everything
I taught you everything
I created you like unto My Self
Yet
You had no experience
And so
I sent you out
In consciousness
Into the realms of experience
Set up limitations
And parameters for you
To learn from
To overcome

I gave you the freedom of choice
And the consequences of your choices
And you became experienced

And now you are here...
You asked for this
You accepted your forgetfulness
You wanted experience
You wanted to play
To learn
To grow
To evolve

Have you?

Are you sure?

Ye ones have not crossed the lines
Of fear or love

There is fear and love within you
And you run
Within your selves
The gamut between them

Yet you know not what you do

You came for the experience
And you are having it
You concern yourselves
with your jobs and careers
your accepted education
your games
your sports
your media programming
your finances
your politics
your religions
your sex
your race
your affiliations
your groups
your friends and families
your pets and hobbies
your sexual appeal and abilities
your place
your status
your ability to get along
or not.....

you think of me
and you don't think of me
you accept what others tell you

or not

all depending upon
what makes it good for you

you search for answers
everywhere around you
for the questions
that you have no words for
and you will not
be still
to see
to feel
to listen to
to listen for
to hear
the answers that are within you
I AM THAT ANSWER
I AM WHAT IS WITHIN YOU

You know this
Deep within your self
But you dare not go
Beyond the shallows of your surface
So
I do not appear to you
To pay your bills
Or find you true love
Or
Save you from yourself
The consequences of your choices
So you let it go
And concentrate
On what's really important to you...

Making it

Whatever that means
To you
for wherever you are

I understand

But appearances
Are not as they seem to you

I have news for you

You do not know all I do for you
You don't know where you are

Let Me educate you.....

You exist in My Thought Of You
I think of Myself as you
I AM leading you to Perfection
That you may be WHAT I AM

You think that you are on a planet
You think that the rules on the planet
Are all that matters

You have been misled

You are
In reality
On a planet
In a universe
In a universe of universes
In My consciousness of being
WHAT I AM

I AM WHAT I AM

You are in WHAT I AM
You are of WHAT I AM
You are
By and through
WHAT I AM

You have been lied to
By fearful and selfish entities
For the sake of
Creating and maintaining
A separate system of consciousness
That seeks to exclude ME
From part of My Own Creation

This was allowed for the sake of experience
You came to experience this separation
And now you have
And now it is over

The bell that signals the end of this class has rung
Can you hear it?
Did you take notes?
Did you get it right?
Did you remember anything that we gave you
Or did you take the words of others
And copy their notes as your own?
Behold

You have been tested
Did you give your own answers
Or somebody else's?
Do you know the difference?
Did you know there was a test?
We told you
We sent teachers
We scattered clues everywhere
We explained the truth
We sneaked it into your media
Your internet
Your conversations
And the conversations of others
Even put it on paper for you
Did you get your copy?
Is it the right copy
Did you get it from Us
Or
Somebody else?

Do you see where this is going?

Are you wondering what this means?

It means that Graduation Day is here
And some of you will have to take this class over
Some of you will be sent back to
Earlier classes
A grade or two, or three.....

Some of you are from other places
And will be going home
With lots of stories to tell
And a well earned rest
While you get back to reality.....

Some of you are from here
And some will be able to stay
And some won't
Some passed
Some didn't
Some will graduate
Some won't

Everyone graduates
Eventually
All of you will get there

Right now
The rules you live by
Are crumbling
Sinking into the quicksand
Of the lies they were built upon

The rules of your universe
The rule of your universal creator
The rule of My creation
The rule of What I AM
Is upon you all

The Truth is upon you!
If you have not taken the time and trouble
To find it within yourselves
If you insist
Upon getting it from others
Outside of your self
Then I shall oblige you

For some of you
This will feel like a slap in the face
For some of you
It will be a soft, loving caress
Either way
Soon
It will be in your face

Prepare ye your soul if you have one
Let there be no fear within you
You are light within light
You are love within love
You are I in I

You do not remember
Who and what you are
In WHAT I AM
You are one
You are all
Soon
Your separation
Will fade away
Light will dispel all darkness
Truth shall destroy all lies
Love will ascend you out of fear
You
In your experience
In your consciousness
In your choices
Have demanded
And created the need
For this experience
I
Have given it to you to do so
That I may provide it
For the sake of demonstration

Darkness shall never overcome Light

Fear shall never overcome Love
My Word does not come back to me void
And My Word is in you

The power of that Word
Is being made plain and evident to you
Prepare ye your selves
To know the Word within you
As It is manifest around you
And remember the glory
In which I created you

Remember the glory
To which you will
One day
Return

This is My promise to you
Perfection awaits you
It is your home

Remember your promise to Me
Make the journey
To reach it.

Always and forever

Ye have known death
And know it to be a passing thing
A moment's lapse
Of rest and pleasure
Between
What is real
And
What is REAL

NOW
Death be behind thee
LIFE
Eternal and infinite
In
WHAT I AM
Is with and before thee

Many and most of ye ones
Are staying with
Thy mother/sister Gaia
To help and to heal
To teach and to learn
To love and care for
These
Thy brothers and sisters
In the great bond of life
Eternal and infinite
That will be
Ready
Willing
Able
To work and help besides ye ones
To create and maintain
This beautiful
Bright, blue paradise of a planet
That more than deserves
The faithful honor and respect
Of the whole of creation
For what she has endured
In simple trust and faith
In her Universe Father
And WHAT I AM...

I AM in her
As I AM in all things

Such joy in experience!

And so
She is being given a special place and part
As are ye ones
That shall stay with her

I have great faith in all of you
The days of harsh endurance are at an end

Ye ones have endured the darkness
Now
Endure the GREAT LIGHT

Ye ones have endured overwhelming fear
And have overcome all of it
Now
Endure the GREAT LOVE

Please
Endure the joy and pleasure
Of the Love and Light
That is upon you even now
Please
Endure the great glory of it all

I assure you
It is nothing
Compared to what is to come.....I

I am only happy you like the threads, because my urge is to touch so deep my abilities let me, into the collective heart and speak from there, so that it may touch the heart of the reader, resonating and sustaining their own truth.

I also feel that by you, and have a notion that it is no co-incidence we meet here, we came here to do some work together.

Not that it means, that we have to do anything differently, because we both are travelling exactly the road our inner qualities tells us, as servants for connectedness within the Source, truth, love and the responsibility to create our own worthiness out of our action.

So for me it is a nice pad on the shoulder, sayin well done, that I run into you here, and know that even if we might not agree in every detail, we are here as providers of the truth, and came here to be at service in these days of great changes.

Thankyou

Much love

Christ Michael Says Curtain Up!

Thru Jess Anthony
Apr 3, 2012 - 1:53:58 PM

I'm going to leave the table open to whoever wants to speak. I feel the need to convey something, but I don't have specific issues or questions. I just sense there is something to talk about.

Jess, this is Christ Michael, as you call me. I have some things that it will be good for you to say beyond what you normally comment on. We are entering a time for you on Earth of impending change and drastic upheavals. The events you have anticipated are here. The defense Earth has provided has been transformed into a new game plan with her own restoration and revitalization the paramount issues. Change is occurring. You see some traces physically, but more choices are being made on man's mental and spiritual levels.

Let me point out, first of all, that all of creation in this universe is my idea, and that I am experiencing my manifestation on Earth in the conflict that still is being pursued. I am, in a sense, at war with myself. I want a resolution, and am taking steps to end this dispute. I am by nature balanced and unified. My willingness to explore duality and free will has resulted in a long history of imbalance and division. The lessons in this state of being have been taught over and over, and no more possibilities exist in terms of alternate interpretations or resolutions.

I have experienced a wealth of new pursuits that have allowed me to learn options that have never been envisioned before. I understand much more about how this level of existence operates and have seen firsthand the problems that develop. I am involved in all, and I have a full awareness of everything that man has tried and experienced. I am in man as he makes his decisions, and unfortunately, am disregarded too much of the time. My voice is ignored. It often is not even listened for. Man lives his life-- and that is what I wished-but not at the level of disconnection he has grown to assume is normal.

The decision has been made to transform this level of confusion and struggle into one of focus and cooperation. This edict has come from the Creator Source, as you call him. The time for this experiment is over. I have been allowed to examine the paradigms in my Universe until I have taken in all there is to know that is unique and creative. The Earth is part of a much larger cosmological mechanism that is moving to a new formation and purpose. The miraculous thing is man has been given the opportunity to witness much of this reformation. This participation is new

and unexamined within the universal dimension where you find yourself at present, and man has been blessed with the opportunity to be part of this.

We have spoken of responsibilities. Man has come to Earth to learn and experience. Your choice was to participate in a difficult existence that involved searching for your purpose without much clue where it was or even what it was. Man has been manipulated and misled because of his ignorance and naiveté. Others have taken control and used most of the inhabitants as objects to provide the things the controllers' personal wishes desired. Man has been blind to his situation and only a glimmer of my essence was causing a sense of judgment and discernment. Not enough to cause an awakening.

We provided tools and guides to trigger some sense of dissatisfaction with current circumstances. Examples and demonstrations showed alternatives; guides and teachers indicated more productive methods to use for achieving more satisfying outcomes.

Man's responsibility on Earth was to take what was available and use it to find the truth of his existence. He was charged with examining his life and finding a way to return it to its spiritual origins. Some did this; most did not.

I have now called an end to this experiment in this laboratory. Man has chosen his position at his basic level. He may still not be conscious of his choice, but he is being presented with an increasingly visible spectacle of treachery and gratification that he has cooperated with previously. His enlightenment is soon to be complete. Those who have intuited a problem will find it easier to realize the alternative direction they should head. Some others, who have ignored their misgivings, will find their future is a continuation of this attempt to have them realize the errors of their blindness.

Earth's choice has been to wake up and ask for renewal and spiritual ascendancy. Much upheaval will have to happen to Earth's current configuration to allow her changes to being in earnest. This will cause chaos and geographic instability. The continental plates must move and realign themselves. The atmosphere surrounding Earth must be transformed. These changes must take place before Earth can move into a higher frequency of balance and freedom.

Let's talk about your role in this. We have spoken of this service on many occasions. You came to Earth to help adjust the imbalance that had developed with those from off world influencing the conceptions of those who had chosen to experience life on Earth during the time you call the Atlantis epoch. Man was developing a sense of reasoning and an ability to evaluate the circumstances he was experiencing. This was necessary for him to learn as he became further detached from a direct link with spiritual truth. His existence was becoming familiar and automatic; comfort and blind acceptance were taking away a need to hone his ability to discern. This is much the same situation as now, unfortunately.

You came to show them a way to use their circumstances to reconnect with their forgotten inner understanding. Situations became tools for examining their own personal preconceptions and reactions. You created a system which used the best of their creations as templates for excellence. The products that have become known as art provided the most perfect creations. Their structure and the messages they communicated guided man to a higher level of spiritual insight. Art became the best guide to inner awareness and clarity.

Certain men were inspired to express this inner awareness in works that, in turn, influenced others. Artists realized ways they could use external media to exemplify their own personal insight. Each was different and unique because they saw how to use their individual insights to manifest creations to express their individual realizations. Each person's personal agenda was

distinctive, just as were the creations that exemplified their unique perspectives.

Each creation found the energetic vibrational pattern it needed to manifest. Let me explain that process more clearly. Man may perceive that he is a solid physical object, but this is a misconception. All creation is energy and light that moves at an infinite number of speeds from one point to another. A thought is a focus of particular energy streams that move in a specified direction. When this wave or burst of energy interacts with another energy focus, it synchronizes with the other and is understood through the nature of the interaction. The objectified thought acquires a resulting shape only to the extent the originator and the receiver can assimilate the interaction. The effect of this reaction with intersected energy is understood by the thought originator only to the extent the observation can be measured by previous experiences. The originator of the thought can only look on, as it were, and categorize it from his personal perspective. The nature of the assimilation can be measured by the receiver only through its similarity to his range of previous experiences. Because of the uniqueness of individual memories and experiences, the originator and the receiver will each perceive the created thought differently. The truest communication has the fewest differences in understanding.

Man is a focus of energy that moves at different speeds. The different frequencies are attracted to other energies that move at similar speeds. I have told you that my physical body at the present is more correctly understood as a shell surrounded by my true essence. I enter the shell and cause it to function in human ways. Your physical body on Earth functions in a similar way. Your true self is a focus of energy that vibrates at different speeds. The surrounding energy that defines your personal identity is fastest moving and interactive. It connects you with your universe by forming an identity that is discrete but linked. The layer interacts with other energies. The information it collects is then assimilated into your energy focus. The information coming in arrives vibrating at different speeds, depending on the source of the original energy. Your energy field then synchronizes with the data to take it in. Different types of information cause reactions with different layers of your energy field-some slower than others. These levels of layers communicate with different segments of what makes up your awareness and understanding.

You have been told there are seven layers of your aura. In a general way this is a good description of the sorts of interactions that are happening to you and defining who you are. Each layer is a slower vibrational level with its own range of vibrational input. The physical body you perceive as a solid is still moving energy, but at a speed that man's perceptions identify as physicality. This physical state is your own shell that gives a form to your energy body in this dimension and at this density. It was designed to function in this way. Your actual energy self is linked to this shell and provides the information that the body uses to function here. The layer of energy surrounding your physical shell contains information about the makeup of the body you have chosen, including the nature of your organs and other physical systems. This energy level is most directly in contact with your body shell and conveys the information it receives to the brain to be passed on to the internal mechanism.

The layer surrounding that synchronizes with the energy that shapes feelings and emotions. Emotional conflicts register most keenly at this level. These wavelengths mostly closely match those of music and sound. The layer above that connects with individual thinking and discernment, and is separate from emotional reactions. This level connects with the frequencies involved with perceiving color and light. The faster vibrating energy above the mental layer links with the spiritual purpose of the individual and his cosmic memories. The layer above that links the person with his personal identity and spiritual uniqueness. The highest level is multi-dimensional and connects with the soul's purpose.

All these energy levels make up an individual and develop at different ages of maturity; however, many have their spiritual growth blunted and never rise any higher than the lowest levels of

emotional reactions or mental analysis. These humans never realize their spiritual nature or their connection with the universe they are part of.

The task you took on in coming here was to find a way man could raise himself to the highest levels of his spiritual identity. You guided the development of art as a metaphor for spiritual awareness knowing that man would synchronize with these vibrational patterns and assimilate the spiritual truth it represented. Works of art became patterns for growth and rethinking, representing the closest approximations of spiritual truth. Visual art and music and the descriptive corollaries with words and languages established patterns for balanced interaction and harmonious existence. As tarnished as these examples may have become, they still provide man's most reliable guide to his personal spiritual nature. Man relies on art to refresh his civilization and stimulate its growth.

In a true sense, man has become his art-for better or worse. It reflects his preoccupations and answers back to his attempts to ignore the spiritual truth at its core. Each person has a vibrational pattern that is distinct, and all information that he comes in contact with is assimilated with varying degrees of success. If the vibrational frequency is too dissimilar to his, it won't register or cause his personal vibrations to synchronize to a different frequency. This is why certain music styles or certain colors are not as appealing. Their outside vibrational frequency won't easily match up with a person's distinctive human vibrational pattern. On the other hand, if a person is out of balance and missing some aspect of his vibrational identity, then introducing these frequencies in music or color can cause the listener or observer to assimilate this balancing component.

Once these balancing vibrations are assimilated, the receiver incorporates this new artistic energy pattern into the ideas that it creates and sends out. The spiritual truth of art has reshaped the person's spiritual perspective and influenced the way he interacts with his environment. His creations now begin to exemplify the art that has reshaped him, and he has a new awareness of the way he should be in harmony with his fellow man.

The role of the light workers, as you call yourself, will be to preserve these spiritual truths and continue to teach others. Some will do this through art and the ideas that have been embodied. Others will embody the creative nature tapped into by artists in the past and use it to generate new ideals and metaphors for spiritual ascension. All will not be battle and chaos. The bulk of what we do-and the best-will be to guide man to finding his own spiritual nature in its truest and fullest sense. The time is now for this to begin. The stage is ready for a new performance, and the players have their roles in hand.

Ok beloveds, time to update you thru Candace. We are going to let things happen as they go and make decisions on those things as needed. GAIA is beginning to respond with some earth changes now, it seems she was nearly asleep and depressed. She is not happy about the war on her surface but she is the one who has to toss them off, so to speak. We now see increasing pressures and activities.

I know some are curious about the March 31 date alluded to in the previous targeted messages. This was a date of our thugs and what they had planned as, lets say, passed away. It was never something of our plans. I will not give details on this that could harm my people and Candace was never allowed awareness of it. I am only mentioning it for those that have memory and curiosity.

Now for you of our dark brothers, we have said your fate is sealed, and the "paperwork" and documentation is now actually long on its way to higher channels within Orvonton. There is nothing anymore that can be done on your part and we go forth.

This war between the Dragons and the Khazars will not turn out well for you of the Khazars. This stand you hope to happen in taking back the United States from the hands of China is not going to work. All things are laid out on this topic and its a waste of your efforts to continue. The Federal Reserve is not in your hands and attempting at martial law in the United States this month is not going to get it back into your hands. You were not successful against china in your Libya endeavor, so how to you figure you can pull this one off?

It would be advised that you withdraw this one called Drake from the internet activity games. It would be advised you also withdraw the games with David Wilcox and the replaced Ben Fulford. For protection I am not placing the other names in that scam.

I will continue to suggest and remind you that you have no contact with the Queen. She is no longer in service as Chairman of the Committee of 300. She is not long been in service at all, and this game of parading the Look alike with the Diamond Jubilee as you are already finding out, is not going so well for you. You have reached the point where the games will fall into greater failure.

As the earth changes continue to bring forth problems for you, I think you will find this attempted re- takeover of the United States fruitless and non affordable to you in the very short run. Since we saved your arises with the GOM, by reversing time, this has produced more pressures elsewhere, and you are seeing this now along the northern Mississippi. The reports of problems and strange noises in California also continue.

The buoy off of Seattle is making huge movement. This is not something to ignore and I would suggest you make whatever preparations you can for the problems that will arise from that. That whole side of the Pacific Rim along the western Americas is coming very live. There have been many small shifts of your axis over the last 1 1/2 years. Some of that shifting caused the sun to rise south of normal at equinox last September and now this has reversed a bit, and your equinox arrived early and north of the previous norm.

We will continue to control and monitor the sun, over which you have no control. Nor will you get away with any sort of global EMP burst to shut down all the electricity. We will not allow this, and you do not even have the ability to do such and it is time to take the story of an EMP burst from the sun, off the internet, because the sun does not do this in the first place, and you cannot do it in the 2nd place.

It is time to prepare your ones for what is coming. When what is coming begins to come enough to

fully get your attention, WE ARE GOING TO TAKE OVER THE GLOBAL COMMUNICATIONS SYSTEMS. YOU WILL BE IN SUCH ARRAY THAT YOU WILL NOT BE ABLE TO DO ANYTHING OF ASSISTANCE TO YOUR PEOPLES. NOT EVEN CHINA CAN ACTUALLY, AND OUR NEW CURTAIN SHOW WILL BEGIN AT THAT TIME IF NOT BEFORE.

WE ARE GOING TO PROVIDE SOME EDUCATION TO PEOPLE BEFORE THEY MOVE, AND BEFORE STASIS IS BROUGHT ABOUT. YOU ARE NOW INFORMED PROPERLY ACCORDING TO COSMIC LAW. AND DO NOT DISREGARD THE POSSIBILITY THAT WE WILL START THAT PROCESS BEFORE SOME BIG EARTH CHANGES SO PEOPLE ARE PREPARED TO SOME DEGREE. I AM YOUR BIG BOSS, MICHAEL OF NEBADON. I WISH YOU A "HAPPY DAY".

NIP,

Can you kindly clarify something here regarding the account of Adam & Eve as rematerialized from Jerusem and the story of Cain/Abel and Cain's son Enoch. Later in the second garden, per UB 76:3.4 has Adam & Eve giving birth to **Seth** 129 years after their arrival which would be 35,785 B.C. or simply put "long ago".

Then, in PJ #02 "AND THEY CALLED HIS NAME IMMANUEL", lineage is given from Adam who's father was Semjasa, whereby Adam took "an Earth wife" and begot **Seth**. Later down the line is seen the names of "Hemech begot Noah" and later "Thara begot Abram", and later "Jesse begot David" and "David begot Salomo", on down to "Jakob begot Joseph".

The impregnation of Mary (by Gabriel) is said to have occurred "some eleven thousand Earth years after the creation of Adam through the Son of Heaven, Semjasa".

This second Adam story differs from the one in the UB occurring not in the Age of Leo 35,785 B.C. but in the Age of Leo around 11,007 B.C. While I realize there were several "Adams", Seth is shown in each case to be a direct descendant of Adam. Can you shed light on this please?

Thank you!

Quoting: **Jamesbo**

well, it is a 2nd Adam Story, which was necessary as part of restarting things after a very big cleanse back then. That one was also named Adam, as you say, and his wife was an earth woman, where the original Adam and Eve, which are not names really, but classes of beings belonging to the order of material sons and daughters. Adam and Eve is more a "job description" in that regard. This order of material beings from Jerusem and the other system headquarters are called adams and eves until they go to the new races on planets as part of the genetic and spiritual uplifting programs.

In the first mission, Eve cheated, which you read in the UB and Cain was the result of that. While Able was child of both adam and eve, leading to Cain killing Able and I guess that is preserved in the bible version. Except people didn't know Cain's father was xxxxx. I don't remember the name now. Adam and eve after they moved to the 2nd garden had a child they named Seth too, which is a rather common name like common names on this world.

In this 2nd story, the wife is an earth woman, not a material daughter, and we really don't know who Semjase is, except Adam was his child by an earth wife, and then Adam took an earth wife,

and they had a son they named Seth also. And then you see the begats and begots give there and neither Cain or Able are in that, because they were of 20,000 or so years earlier. I must ask more about Semjase, as he is mentioned also in the Billy Meier material. I assume Semjase is a Pleiadian being, being human in that regard and not an angelic or one of the material sons and daughters. I don't know if the material sons and daughters ever normally take earth wives or husbands.

I don't know thus is Semjase is of the violet race, being thus a material Son. I do not know the other roles these beings engage in, besides normal works and jobs on spheres like Jerusem. So I should ask something of that, if I remember.

Human beings become "like the angels" and thus "Sons of Heaven" too. There in the confusions on this world.

add 2000 years since christ to the 11,000 years of this 2nd Adam story, and you have 13,000 years, about the length of one trip around Alcyone, and you get the last trip thru the photon belt. More or less anyway. And if this earth was to be more fully cleansed this time around, (1 billion get to return, the earth was emptied back then), there would probably be another Adam story again passed down thru the ages. How different this world would have been though if the first Adam and Eve mission was not lost.

There will be an additional UB, some clarifying of stories given to allow the book to be produced, and also including all that galactic warring history they left out at this time.

I was ask people though to go to the UB version of the adam and eve story, and read it, for there is some great teaching. Most of you will not understand some portions, but if you who are raised on Christianity, would read those several papers around the story, you would better understand "heaven" and management from therein. God didn't wave any magic wands and dump Adam and Eve here. We are not given the Father and Mothers of Adam and Eve in the UB, they were born on Jersusem. and transported here when they were already many thousands of year old. You would learn something of genetics and how God din't wave any magic wands to populate this world. It was fully populated when **The** Adam and **The** Eve came to this world around 38,000 years ago. I just use that rounded off figure.

Notice what I bolded above. The being some think is AA Gabriel is not his name and hes not an Arch Angel. He is the chief executive of Nebadon and its first created Son. And to Leonette he calls himself THE GABRIEL. Its his job title besides his type of being. He actually does have a name other than "Gabriel" but there is only one of these in each universe, so he can be called that locally. But if all the 700,000 local universes are already to the point of having a Creator Son, then there are 700,000 Gabriels. Each would have a different name, or better said, a different morphic resonance. But it is enough to call each Gabriel of XXXXXXX based on the name of the local Universe. Ours is Gabriel of Nebadon for example. Of course languages vary everywhere and the names given to us are easy to use names in our languages.

I will add to my above post, over adam and eve etc, that I read the UB first, other stories that differed some from Pleiadians too, and then the PJ's. So I had to ask a LOT OF questions myself over the differences. Some of the differences relate to material given in the UB to get it published, in a form that would be found acceptable to a Christian country, in which it was given. Also some pearls had to be left out, and some things said to protect incarnating star seeds. and No doubt in some cases perhaps little gremlins messed the printing process, as they are known to do and some folks involved in the process may not have been able to accept some of the material and made little changes even though it was not allowed.

Ditto the PJ's. in the story of Immanuels conception, it says the Father was a son of heaven of a distant son of heaven, or something like that, then it says Gabriel carried the Seed to Mary, and then it says Gabriel would be the Father of Immanuel. Go figure. Gabriel carried his own seed to Mary. OK. And it was more like artificial insemination, test tube baby stuff. Not sexual intercourse. Celestial Beings have DNA, much beyond ours which hold much more light. Generally there is no sex, its more a case of laboratory methods. Many of you here reading this, may also be of such conception yourself. I carry some of my real DNA of my real self, plus some of Mommy and Daddy, enough of each to look like Mommy and Daddy. This caused me to born telepathic and I never had to go thru the normal more intense kundalini awakening process, it was simply gradual over my childhood as some of my "junk dna" wired up etc.

Those of you "waking up" have better DNA. you either had your embryo created on ship labs, or your parents did. In this day and age of understanding where we are playing with DNA, and also freezing embryos, doing artificial insemination and the like, these things should seem possible to you.

The original ADAM and EVE failed at the mission. You can read all that in the UB, just go there, www.urantia.org, put Adam and Eve into the search engine, or actually better let look at the paper titles so you read the whole 3 or 4 papers on it. There are always at this time going to be stuff that does not match. Get used to it. There are lots of little probably proofing and printing errors in the PJ's.

Also, Dharma received by radio circuitry, which came unto her to fast, she was really almost a "automatic typist." There was a reason for this, she didn't have time to disagree and ponder the material and time was of the essence. It is highly possible some of the proof readers of her typing mucked a few things up, changed a few words, to fit what they felt the story should be according to their own programming. We all carry the programs we are raised with. And it can be hard to drop them. people on this world, if a few parts of a book are true the whole book is true to some, and to others if a few parts are not truth, the whole book is written by satan. Go figure on that, but its how it is. The mind is a hard thing to consciously reprogram.

Also because of the radio signal, the thugs were able to ID the frequency, and dharma couldn't always tell the difference, so there are opposing stories in the PJs. CM /Hatonn would give here a new frequency, and things would get better and I can discern that as I read. The dark sent some junk and the proof readers published it. This will be cleansed during stasis, as the original as

given IS on computers up there. A copy was made as it came out of the Minds of the various authors, they have computer which can duplicate mind.

So take the best of it, if you read in meditation often your higher self knows what is truth, but not always, as not all of you have been on earth all these years and maybe it does not know the earth history so well. READ the material, ask questions, but don't fret because it doesn't match your favorite other source. I was lucky to have my soul mate hanging around, who is actively engaged "up there" and not incarnate to help me weed thru the non matching issues and sometimes CM and Esu too. So I do bring you MY OWN PROCESS I WENT THRU myself in the discernment.

What is ever so much more important to know is the general story that CM was in that incarnation until the crucifixion and then he left, made his way thru the channels required of his bestowal, which is the UB portion of his story and came back from Paradise and bestowed his Spirit of Truth.

The body did not die, and Esu continued to use it until he was about 115 years old and did a lot more teaching and passed in Srinagar Kashmir. Esu and Cm shared the body. It is very easy to do and you ones should consider that sometimes when you feel an energetic presence, somebody is sharing with you and looking out your eyes to gain information and experience what you might be experiencing at the moment thru your body. NO BIGGY DEAL beloveds, that is the ability of a spirit being. They may pass into your body as such, or just put a little cable so to speak to your mind and look.

This is the 2nd coming PROCESS. The ending can vary depending on man. The plan has varied some, in fact a lot over the years since 1954 of the "return", depending on man and all his shit. Plus the effects of the cosmic energies we are in. In your own life, you have to be flexible and change things when the shit hits the fan, or when children are created, or when you get fired, or maybe offered a new job and so on and so forth. it is no different in the realms of the managers of this creation. No magic wand waving. And as you grow in "spirit" you must learn to deal with all that comes your way, for that is how you gain wisdom, but the wisdom is only gained if you look at your journey and learn from it. you must be flexible, always.

Oh and on those PJ's, there was one George Green who very likely played around a bit too, as publisher.....plus little gremlins can change print too. So again, do NOT take every single word as the perfect truth. Just work on the general jist. I have not read them all but own all most all of them that were still in print a few years ago. Others I have to get off the net and I have discovered ERRORS and manipulation between old editions and reprints. The beast never stops. As I said, often in them I can tell Hatonns actuate words from the fake ones when the circuit was discovered. You can have a perfectly good book going and then a couple of chapters of crap. It shows. Leave the crap. but don't worry over all. What is truly most important is this world is in a shitload of trouble and you are here to help fix it up. Work more on that.

Live the WAY, each of you from the stars knows the WAY intuitively. I always did. Live it. And dump out the earth programming that works against it.

Thank you NIP for a well thought out response with lots of value add. I know what you mean on the some-is-crap thing. I have run into that several times. For me it is like a inner ear sound - that just does not "sound" right. Truth has a sound I always say, as does BS.

As you know, I was researching "Enoch of Old" and looking for lineage and dates etc. I always seem to "get led to" the place where I need to look. So I went back to PJ#02. Not only were there two "Seths" but each also had a son named Enos, thus the wonderment. So, I added the Semjasa-Adam of 13,000 years ago to the mix. Other PJ and BM material review much of the Semjasa crew with high regard. While he is credited for the so-called white race back then, the other two are of course the "Hebrews" (or should I say Hibirus? oops) and the "Indians". I mention that because Esu referred to "3 races" in that writing.

By the way, Cain's father was the Nodite Cano, killed shortly in the raid of rage just after the default. It is interesting that Esu talks in PJ#02 about the geneological tree from Semjasa's Adam down to Joseph, especially since Esu was not of that tree technically since he is of Gabriel, except maybe to show the nobility of Joseph. It's like he wanted us to know about Semjasa and the second Adam so as to know the difference from the UB. I also noted that Enoch (as "Henoch") was in that mix, but not the Enoch of old, Cain's son. The Semjasa stuff is more significant, at least for these times anyway.

What started out as a study of Precession being "more than a wobble" has grown considerably and will be a most compelling story when finished. So many have studied the topic with so much complexity involved, the Giza Pyramids, Meso-America Long-count, Vedic Yugas etc. The reason it has been such an obsession with nearly all civilizations that are now a species in amnesia, thru the ages, is simple - to know of the realization of larger cycles in the heavens, and continued, repeated messengers that keep us in the game requires use of the Cosmic Mind to put two and two together. It serves to remind us that the stars, where we come from, like us, are all linked back to source. It is up to us to find the breadcrumbs, to discover our own internal resource that helps "adjust our thoughts" and find our way back home.

Thanks again, cheers.

the precession isn't a wobble at all, it's how the sky changes every 26,000 years as we travel around alcyone and as it travels wherever it goes. People love to deny that we go in a circle around something else, can't figure that one out, everything does. Do they think we just sit in the same place for eternity? we are in a special time right now because we also travel around the Milky Way Center too, every about 225 million years and we are in and out of all sorts of energies. we are entering a new movement, now, with our being moved to an new eternal energy stream and suggest I think, some of it is "up" in that never ending spiral stuff of the cosmos.

Right on. This post has been since edited for corrections. As with the stuck-in-science herd, the concept of our sun streaming through space around another Sun 500 light years away is, in their reality not doable, as they present the argument that our sun can only travel around the Milky Way at a speed of roughly 1,400 years to complet one Light Year. Thus the quandy that by current

estimates, it would take 700,000 years to make one Alcyone orbit. Science however, cannot adequately explain many things - various gravity centers, multiple orbits made, and the paths any star actually takes or the actual speed achievable in curved space-time. But enough is known at least that we should recognize precession not as a wobble but as the reflection resulting from the orbit as we travel through space.

Science "facts" are mostly based on questionable assumptions that are weak in argument for gravity, force, and plasma physics get blank stares when challenged by current concepts, AND science is behind the curve of greater truths at least for the moment. There are unseen (dark) gravity bodies, unseen planets in higher dimensions, and beings who direct it all like an opera of operations managers, tweaking forces of control and adjusting the lineup of orbital paths. Nothing goes around the Milky Way without first going around something else. The 26,000 year "first-orbit" is just one layer; Alcyone itself orbits the center of Nabadon which in turn makes 2-3 additional orbits before it ALL goes around the Milky Way. Our sun is involved in six increasingly greater orbits before our entire Milky Way as the 7th orbit, goes around the mac-daddy central sun of all in the central universe. We are not yet given to know these orbits; just enough to know the energies that control all comes from and goes back to, source. Precession tells us of a greater story of time. Ancient civilizations knew this and forgot; they left these clues to help us remember the importance of now.

We understand sociology in modern culture concept; precession allows us to take sociology to meta-sociology - for ages show the Astrology that "reflects" society cycles thru to culmination times of evolutionary illumination and awareness. Study of ages as given by UB dates in history shows a clear preponderance of Leo and Aquarian ages - times of physical, intellectual, and spiritual evolution. History therefore proves the Photon Belt Light in action, a testament to celestial energies in play. Similarly, dark times show us such as the Lucifer Rebellion and other times in given history as "Low Points" taking place during the Age of Capricorn. Ever wonder why Scorpio is the only sign depicted (think split types) as either the Eagle, the Scorpion, or the Snake? These are the things that shape our understanding of both signs and ages. Would you think it symbolic to know that Andon and Fonta (twins) were born during the Age of Virgo? I did. Where do we get those symbolisms? Perhaps the Spirit of Truth leads our cosmic mind to "think" our way to discover the WAY of the Infinite spirit.

Realizing where we are right now and what we are about to step into and that is so exciting that words can hardly describe it. Precession is but a backdrop, a play book that tells a story of rhythmic balanced interchange that culminates in cycles as in THIS TIME NOW. I am grateful of the waiting some for it to happen; all the better to sharpen up, contemplate why, and get prepared.

The New Religion by The Creator of ALL That Is. thru Hazel Melchizedek

The religions in your world are man made and find their premise on age old renditions of those who came before as divine emissaries to teach and reveal the word of God. God sent many of his ones to bring enlightenment through the spoken word yet seldom were the teachings recorded accurately; and have been tampered with by those responsible for its translations and dissemination. The words are barely recognisable to the ones who gave them initially. Always was the word given in a way to inspire understanding yet seldom were they understood. God therefore continues to send his messengers to repeat the word and to render further truths through various projections so man's understanding might be reached in measure to grasp the truth.

Thus throughout the ages men of authority took it upon themselves to distil doctrines from what was taught and convert them into teachings to be religiously followed by those who became followers. Religions therefore have become manifestations of beliefs and doctrines crystallised in records which bear not the original thoughts or natural words but condensed and re interpreted versions.

Man made religions are 'tradition based', finding their credibility in those who hold themselves out as authority for the beliefs and teachings espoused by the religion. They are sectarian in nature and appeal to the minds of men through the use of symbols, ceremony and established creeds.

Those who subscribe to the religions of tradition find security in the chosen system of beliefs which provide directives for living. Religion plays a supportive and crucial role in the lives of these ones whose experience in mortal form is underpinned by the dated beliefs and doctrines taught to them. It has become a safety net for many who wholeheartedly accept them as truth without any personal input or experience of what they tend to follow.

There exist truth in the some of the teachings espoused by each religion and you may even find some common ground amongst them; yet they do not represent the whole truth. God often spoke to the readiness of the mind of the receivers. As messenger after messenger was sent, greater truths were revealed to accord with the receptivity of man and his abilities to comprehend; and what was taught before was projected in new and revealing ways.

The reality is that traditional religion has capsulated truth of what is recalled and projects it as a Gospel. I say to you that the gospel as given is incomplete and erroneous in many ways. Those who seek truth will not find it wholeheartedly in the realms of traditional religion but must seek it elsewhere. Man's understanding of religion has become an inherited one, as he assents to what is placed before him as a bestowal of truth.

Those born into religious families will be conditioned by the precepts of that particular religion without a choice. Those who are independent minded will however grow in awareness and be led

to seek beyond the mainstream to find his truth.

What really is religion? Your religion should be your way of life. Religion should therefore be a way of life or living. Where does life exist? Is it not in the spirit which is eternal? If religion is a way of life and there exist life only in spirit; then should not man's religion be the way of spirit instead of a proliferation of sects espousing various dogmas without knowledge of truth of spirit.

If man is to find God through 'a religion' and God is pure spirit, then surely the way to God is through the knowledge and experience of spirit. Religion should be a way of life founded on spiritual truths discovered by each individual on his/her mortal journey. The revelations of spirit through the temporal experience enable man to discover and know the presence of God within himself and to feel the divine presence within him and as part of him. The religion of spirit will reveal to man his oneness with God whilst the traditional religion teaches of a God who is over, beyond and above his children.

A new religion has been dawning for some time now and many have found their religion in spirit and in so doing have discovered God within themselves and many are choosing to exercise their free will choice to manifest the presence of God through their mortal journey.

It is the discovery of God within and the choice to manifest HIM that will initiate the career of the ascending mortal. The spirit of God within inspires man to a higher understanding and will provide insight into realities of the life and ways of spirit. Man is then able to express God's ways in his living as the fruits of the spirit become the values by which his life is moulded. He will come to know and grow into his moral worthiness as he embraces the light of God within himself and became drawn to all that light offers instead of being motivated by guilt and fear to uphold the values of God.

The religion of spirit is revelatory in character. One of its greatest revelations is the existence of God's love in man's immortal soul. Man will come to know God's love and will know love as God and God as love; and eventually know God as himself and himself as love. He will in his search for truth discover that love is all there is and God being love means that God is all there is and in that knowing there will flow awareness that man and God are one. In spite of what man's senses perceive, man will discover that there is no separation. As he begins to know God and feel HIS presence within himself, he will eventually know the wholeness of love and he will develop the ability to manifest God's love.

Inherited or traditional religion may teach about love and even provide directives on how man should love but this will be no more than an intellectual understanding based on mind awareness rather than spirit awareness. To know, to understand, to experience, to have, to hold, to retain, to live and to express love you must feel unified with God's love that dwells within. It is only through the experiences you have on your mortal journey that this unfolding can occur.

True religion therefore cannot be taught but must be discovered through the mortal experience combined with the motivation to seek truth. It is only then that man will come into remembrance of who he is, as this awareness must dawn from within, so that he may be bonded to the experience and know the revealed truth and remain unmoved by what others tell him is truth, whether or not it

be so.

Man has taken this mortal journey to have an experience through which he will discover himself and in so doing experience a release of his faith. This faith shall be the rope which leads him to the pinnacle of himself, should he be able to retain hold of it. Faith when discovered through experience will become the inevitable accessory that will facilitate attainment. What man begins to know through spirit revelation must be anchored in his faith lest he falters when the exigencies of life threatens the foundation of his knowledge.

The religion of spirit will always work through inner discovery; and this perpetuates a feeling of certainty and allows for that feeling of security that within you lies all that you seek.

The religions of your times are outdated and static in many ways. It pre empts the fresh winds from passing through the minds of its followers that real discoveries and revelations of spirit may be enjoyed. It numbs the minds of followers and curtails their freedom to question and explore beyond the projected 'Gospel'. It holds on to what has been rewritten from generation to generation as truth. It seeks to convert and dominate through authority rather than liberate. It keeps its followers stuck in paradigms and practices that do not field spiritual growth. It breeds differences between sects and superiority of one's belief or doctrines over another. It teaches love and tolerance yet is marked by division and disunity.

It deals in the finite; being that which is recorded as Gospel from cover to cover of a 'book' without an appreciation that God in HIS infiniteness cannot be limited by words on paper and cannot be experienced through the written word. The existence of God, the goodness of God the reality of God cannot be derived from what someone else tells you or what is recorded. It is to be discovered through myriad, vibrant mortal experiences. Indeed man must intellectually comprehend God's processes and the science of creation but to know God in spirit man must experience him from within. Man cannot experience God through his outer senses but through his inner faculties that bear knowing.

The religion of spirit offers freedom, the ability to retain one's sovereignty, control over one's life, impetus to seek truth of God and self and the ecstasy in discovering the depth and breadth or spirit's knowledge .

A religion based on spirit will unify the hearts of men through the love of God and provide the knowing that God is individualised within each and therefore each has identical God presence within. It does not dictate or decide what one should believe for it thrives on progressive revelations. It allows for experiential insights whilst it leads to a shared or common understanding of the oneness and brotherhood of all, the sole destiny of the ascending mortal, the reality of the ONE will, a determination to accede to that will and the realisation of self through service.

The barriers that have long held MY children in bondage will be dissolved in the wake of the ascension; for it is through this process that the spirit presence within each will find its resurrection in truth.

Welcome home MY little ones for the spirit of truth within each of you will be awakened and in this

you will find your new religion.
Hazel

Message 96: **THE PARALYSIS OF PEACE-KEEPING**

Seraphin through Rosie, 16th Aptil 2012

Dear Children on Planet Earth who wish well but rest in the Unknowing:

Your position until now has been one of PLEASANT PARALYSIS turning your eyes away from PERVERSE AND PERFIDIOUS PERSUITS. This has been of a voluntary nature. From the seat of observance and inaction you have been viewing a concocted version of history and contemporary world events through distorted glasses, willingly sitting in cosy cages.

These cages or mental landscapes are of your own making, result from your own passivity, from the inability to utilise your minds critically and constructively. Your minds are like balls of cotton wool which do little but absorb the fodder which the media and those in power are so happy to provide you with. These cages are not only of your own making, they are also UNLOCKED. YOU CAN EXIT ANY TIME.

In the beginning, the exits were blocked, but now it is no longer necessary to turn the key in the lock BECAUSE YOU NEVER LOOK IN THE DIRECTION OF THE DOOR. THE MEMORY OF THE DOOR HAS BEEN ERASED, HAS BEEN SWAMPED BY ALL MANNER OF ENTERTAINMENT AND DISTRACTION, AND THE UNDERLYING DESIRE TO “KEEP THE PEACE”.

Yes, Dear Ones on earth. THIS IS THE TRAGEDY: your desire to keep the peace, to exercise tolerance in the extreme in all areas of life has turned you into a degenerate, warring and godless society. KNOW THAT THERE ARE MANY GODS OUTSIDE YOUR PLANET WATCHING THE ACTIVITIES OF YOU WHO CONTAIN THE GOD FRAGMENT INSIDE YOU ALSO, AND WHO HAVE THE POTENTIAL TO BECOME GODS ALSO.

Know that you are all without exception loved by your galactic brethren who survey your present plight and observe the extreme poverty, inhumanity, carnage and ugliness for which you are jointly responsible.

At this point I can hear those upset rebellious voices of dismay screaming in reply “BUT THERE ARE SO MANY GOOD PEOPLE HERE AND SO MANY POSITIVE THINGS HAPPENING HERE TOO!” While this is also part of the truth, expressing this in response to the gross and acute and complex depravity of behaviour which has desecrated millions of lives (including the life-blood and reserves of the planet herself), is NAÏVE AND INAPPROPRIATE. This is where we ask you to OPEN YOUR EYES, conduct intense investigation into the true causes instead of distracting yourselves with superficial entertainment, with ego-centred activities, and with “work” which creates stress and leaves little time for reviewing your very serious situation from a new perspective.

Search for the true roots of this. Do not flee from unpleasantness in order to keep a superficial and short-term peace, but seek out and weed out corrupt thoughts, actions and practises with steadfastness and integrity and dedication. SEARCH OUT EVERYTHING WHICH DOES NOT FIT INTO YOUR VISION OF A PERFECT AND HARMONIOUS WORLD.

We sound harsh, but we are motivated as always by love. Seraphin

Time for Collection By Source thru Hazel

Creation is MY investment and MY gift to MY children. You are the assets within MY creation. Your worth is measureless. You were born into wealth wearing the crown jewels I placed upon you at birth. You then decided to create lives of your own for the sake of experience but always with the promise that you would return to ME with your wealth intact.

I gave you leave to explore the elements of space and time; not to seek out your fortune but to simply experience and interact with MY creation. I expected that you would have invested your assets wisely to enrich your experience and know the WHOLE and ALL of ME, though you appeared to be separate from ME. Many have forgotten their roots and cannot comprehend ME. They have forgotten WHO I AM and where I AM. I AM the long forgotten SOURCE for many and for others I AM a being wholly separate from them; a ruler who sits above in a place called Heaven waiting to meet out judgment at an appropriate time. The truth being, you were and are never without ME, in spite of the myriad journeys you have taken.

What many of you do not know is that I take the journey with you for it is impossible for ME to be without you and for you to be without ME. The difference is that I AM aware whilst many of you are not. The Creator is always in attendance on creation; forever observing HIS assets as they sojourn in time and space to see whether they are allowing their experiences to rob them of their birthright or whether they are using their birthright to maximise the experiences which will in turn yield returns and enable them to find their way home. I AM constantly nudging you from within that you may recognise MY presence and in so doing your creative 'creator' abilities.

Many have lost memory of their inherent wealth and seek to fill a void with that which is of a material nature, transient, as its worth is meaningless in the place where they must return to. Those who have come into remembrance and knowledge of the treasures they bear within themselves have wisely invested their timeless assets in choices amenable to longevity of spirit. Their wise investments have earned them 'spiritual dividends' stored in their cosmic bank accounts. For it is that which is stored herewith that will determine their next placement.

For those unable to recall their Source and homeland, I have paid special attention to; mercifully

recognising that they needed and are in need of assistance. I have sought to purchase their passage home through the ones I have sent time and time again to provide the vehicle for their return. Yet many have spurned this offer in preference to extending their journey. So I watch as these ones gamble their assets on unwise investments and forfeit in the process the most valuable gift bestowed upon their birth; their sovereignty.

There are those who remember who I AM and who know where they have come from yet they have chosen against ME. They have surrendered their spiritual assets in favour of the material and worldly ones and seek to create a kingdom for themselves in a material world that has no reality.

It is COLLECTION TIME. I have come to reap the returns on MY investment. I come to assess how my assets have fared and to determine where next they should be invested. Those who have earned high returns will ascend to places where nature will support the accumulation of greater spiritual dividends.

Those who earned little during their experience as they bought into false doctrines and precepts and in so doing surrendered their sovereignty and freedom for imprisoning chains; will be freed by MY hands and be given another opportunity to regain what they lost in places more supportive to the pursuit of self awareness.

Those whose spiritual coffers are totally bare due to their malignant choices, preferences and investments in barren affairs, will struggle to survive as they flounder for the breath of life. Ever merciful, I offer a lifeline as I extend MY hands offering assistance. I ask them to choose ME as their new partner that I may inject fresh capital of light into deadened assets. A few have accepted this offer in wisdom as they know that they are spiritually bankrupt. I will be their Trustee in Bankruptcy; and so will decide how and from which placement they shall repay their debts and thus begin to regain the assets they willingly abused and lost.

The rest have rejected MY offer. They have chosen to forfeit further investment in experience and thus coldly severed themselves from the Source of their lives. They have rejected life. and in so doing have determined their penalty.

HOW DO YOU WANT TO LIVE?

By Rosie

Jun 21, 2012 - 12:13:13 PM

Seraphin through Rosie, 21st June 2012

Dear Children of Light who frequent a WORLD OF DARKNESS which gives the illusion of brightness:

You have been grossly deceived, and in absence of sufficient persistent questioning, you have failed to perceive this deception. Indeed you have played along admirably (according to the perpetrators). You have risen to the bait, over centuries, out of ignorance, lethargy, fear or lack of confidence in your godliness.

If you knew the depth of your godliness, your immense powers would be able to break the spell. But you remain in harness, meekly obeying, humbly accepting, BUT NOT LIVING YOUR DIVINE POTENTIAL. THIS POTENTIAL, IF LIVED, WOULD TURN YOUR EARTH INTO A HARMONIOUS PLANET IN A GOLDEN AGE.

And this indeed is our vision for her, your earth, and as you are personally assisted by unseen forces and friends from other dimensions, so Gaia also has her personal assistants who offer her signs and propel her towards SPIRITUAL GROWTH. As inhabitants on her soil, as guests of her benevolence, you must accept – as she has accepted – the help we offer, or take the consequences. She will enter a new space, a new vibration where the shadows of war, destruction and violation CAN NO LONGER EXIST DUE TO THE OMNIPRESENCE OF THE LIGHT.

Some may say: WHAT DOES “LIGHT” MEAN? The stronger the light, the nearer it is, the stronger the contrasts and the darker the shadows. The light will soon become so strong THAT THERE WILL BE NO SHADOWS AND NO MORE OPPORTUNITY TO HIDE BEHIND THEM. All dust will be driven out, will whirl in great storms in the public arena, exposing injustice, corruption, lies, deception, insult, and damage on a mental, emotional and physical plane.

While the physical damage on earth has been considerable, it is equalled by loss of determination

and integrity on a mental level, and it is more than equalled by loss of adequate emotional reactions. We could say PARALYSIS. If we were to say that many people on earth had lost their sanity, many beings viewing this scenario from other worlds would agree with this assessment: you destroy what is good and support what is evil.

This tolerance has extended to all areas of life, making practically everything permissible, making this a place without any moral hold or fabric, A society based on these precepts, unable to take a firm stand against depravity, unable to recognise it as such, will inevitably degenerate. Eventually, it will self-destruct due absolute disdain for life.

You are unable to put your foot down and say ENOUGH IS ENOUGH. You fill every pleasure cup, letting it spill in endless overflowing, without regard for its final destination. The right to limitless waste, limitless gluttony, limitless expenditure, limitless exploitation and limitless sex IS NOT YOUR BIRTHRIGHT. YOUR BIRTHRIGHT IS TO FIND ECSTATIC JOY IN PERSUING YOUR FAVOURITE INTERESTS WITH PASSION, IN A WAY WHICH INSPIRES AND BENEFITS YOUR FELLOW GLOBAL CITIZENS.

Allowing yourselves to clutter up your time with pre-chewed programmes, media, television, in your so-called "leisure" time, will not bring you the happiness of purposeful creative activity. Cluttering up your time with "work" for a large proportion of your day, following pre-chewed instructions, producing useless, harmless or expendable products, repeating the same moves day in day out, WILL NOT RENDER YOU THE JOY OF PURPOSEFUL CO-CREATION.

SO HOW DO YOU WANT TO LIVE? FIND THE COURAGE TO BE RADICAL, TO ENVISAGE THE PERFECT SOCIETY, THE IDEAL ACTIVITY – IDEAL FOR ONESELF AND IDEAL FOR SOCIETY SIMULTANEOUSLY.

Your situation is very acute: prepare your minds for change much greater than your minds can imagine. Know that you will learn to extend yourselves in great leaps and bounds if you are prepared to SURRENDER YOUR CONVENTIONAL MODES OF THINKING, MODES OF PLAYING AND MODES OF PRAYING.

The latter is thought to be the most difficult, but is actually the most simple and the most effective. The divine mind knows all, always acts with love, always has progress as its goal. Your request to grow is all you need, as this request will always be received with joy and will always be endowed with divine support.

Brace yourselves dear Children, for the time is coming where huge adjustments must be made. Those who cannot adjust to the new environment of higher love vibration will lovingly be transported to another environment where they can unfold and learn at an optimum pace as determined and chosen by themselves. Those who can adjust and who are willing to learn will find themselves on the upward path.

With this we leave and love you, Seraphin

On the morning of the fourth day

Christ Michael Thru DS June 20, 2012

On the morning of the fourth day dawn will be burning in amber hues. The silence that had taken hold of one's soul will still be embraced as this new day comes to light.

For during the 3 Days of Darkness the Spirits and Souls of Humanity will awaken and be forced to see clearly their demise by which they had forsaken their truth within themselves on earth and in the heavens above.

In the midst of the darkness the silence will be heard so loud it will echo onto them by which ALL will know the Mighty Power of their Father/Creator.

Much madness, sadness and tears will present itself, for denial was at the forefront of many issues. They will no longer deny the lighted truths from within as the crevices of hiding and denying will be lighted as never before.

Shafts of lighted knowledge, truth, and divine scripture will come flooding into awareness, and the voice of their creator will not be denied. Fear will rise and their core will be shaken, but for these souls, the days of darkness will be their ticket to freedom.

Freedom by which many untruths and lies of deception had distorted their reality of what is real and what is false. Some will rejoice as a spark of lighted memory comes flooding onto them and some will spiral into the fear of uncertainty.

A time of reckoning has occurred, that which was predestined to come. A time prayed for by many and welcomed in dreams. Nothing will ever be the same again! People will never be the same again! The nature of God will have been shown and his lighted love will transcend unto the world his glory and oneness!

Hearts will rejoice and be opened as love prevails and unites many! The golden light of truth will flow in the air opening all doors to the soul. Clarity beholden to eyes opened and minds eager will come to them.

Decisions will need to be made by each as to where they stand as the lighted truths will no longer wait or be compromised. It is the time of reckoning! Each soul's time to face themselves and see what they are made of, as they can no longer deny or hide that which they will know within.

By the end of the 3 Days of Darkness much will have been addressed and confronted by each soul, as this has been ordained.

As the morning sun rises on the 4th Day celebrations will be heard world wide.

The darkened cleansing will have accomplished its divine mission of awakening the masses, and mankind will have been purged of the evil dark cabal.

This will be felt, sensed, and known and there will be no denying the changed energy signature within the air and of those around you....

The hunger and thirst for truth will herald in the time of disclosure and announcements!

May my Divine Light be upon my Anointed Ones.

Blessed be to All!

The Litmus Test and Graduation message from Source Thru Hazel

Behold the litmus test is now complete and the results measured against MY will. The time of revelation is present and each of ALL in his individuality will know in doubtless form the results. For those who pass will be offered passage BUT those who fail must repeat or abandon the course of life.

Rest easy all MY ones who have obliged ME for your ascent is assured.

Live in this moment and savour its joy; take a journey through the inner mind and heart and rest there for a while. Plough through the unwanted and cast aside that which is fruitless, clear away the debris and find your rest. Allow the stillness of these moments to usher in light; see it flow in the mirror of your mind as it settles within you and you become the light. Become the Light. With certainty this will serve you well on the road ahead as your days become night and night precedes further night for a short, yet what would seem lengthy period of time.

Be like unto ME, effort to be likened to ME for less than ME does not exist. Peel away the layers of false perceptions; release it unto the cosmos for un creation and observe yourself being filled with MY light to replace the antiquity of falsehood. What sits in discomfort within you is false and must be eliminated to allow for new frequencies to fill your vessel; that streams of elevated awareness may begin its culture.

Make ME your Home, your resting place; your tabernacle; your playhouse and I shall in turn create with you an inner dimension from which your outer world can be birthed. It is MY rhythm that you must match to create as I do and as I would. I speak these words to all who will take the ascending journey for graduation time is at hand and I AM rendering the speech that will usher you into the great halls of light.

I have thus far lent you MY eyes for those who wished to see through ME and espouse a higher vision; I have lent you MY mind for those seeking to draw from its education and be united with truth; I have given you MY spirit that you may seek in spirit to know and become spirit. All things have I bestowed upon thee of necessity that you may tend to your soul and seek its survival beyond the contemporary material octave. I HAVE OBLIGED YOU.

As the handle of the door which separates you from a new world opens I desire you to know that greater power awaits you which demands a new found sense of responsibility for yourself and the evolution of planet and people. The old ways cannot and will not sustain; old thinking and beliefs which fettered progress must be abandoned. New vision must be espoused and that vision must be founded in HOLINESS. Perfection must ever be the goal and the I AM presence the way.

What has been taken for granted in the past must be brought to the forefront and tended to. Let not limitations or perceptions of limitation gather in your force field; for they will only sour your journey and pre-empt greater fulfilment of God potential. Do not think that you know all of ME for only when you can do what I do then you shall in truth know ME. Let this be your yardstick of measurement.

A brilliant era of transformation is now upon you and you the graduates are to be commended for your resilience and readiness to assume the mantle of greater responsibility for self and planet. I entrust MYSELF to thee that you may use this Timeless Resource to light your way forward. Ample instruction will be provided so that when you enter your brand new classroom you will be equipped to begin your creation. The measure of your handiwork; the source of its conception, direction, focus and goal will find its foundation and blueprint in a new paradigm- light, love, balance and perpetuity.

As you ascend, the gap between US will lessen and greater motivation will strike and you will plot your way ever forwards until the totality of ONENESS becomes your experience.

I congratulate you and commit to ever walk with you on this your onward journey. I AM your goal and your goal must ever abide in your consciousness lest you forget the purpose of the journey.

I AM your First Source and Centre.

Blessings flow from Paradise; receive and be renewed.

Hello dear readers of my material. Today is the last day of my membership on GLP. I have stopped supporting 4 other accounts here besides my own, because I cannot financially support GLP anymore. The main reason is the red thumb system, which is a terrible practice that allows

people to PREY on paid members here, and that is NOT in alignment with God on a GodLike Forum. Not a good business decision either. Also a small issue with the bending of their own rules around the Copyright issues. If you have these rules you do not bend them in the manner I have observed, which has caused really good spiritual material to be disallowed that man needs desperately. It is however within GLP management to discern what they allow here.

I am not talking about the trash cia new age sites, I am talking about the much revered material brought to the planet that has gone well past that which Jesus provided. Peter Deunov and student being an example. I found out some truth on that one recently which was more or less a final button. I am happy to have had some support from SHR on my material and PJ material.

I have noticed a lot of traffic decrease here, far few threads and a loss of several here that are on my buddy list that find they cannot work here any more. The forum is going downhill. This is sad but management I think has a few lessons yet to learn.

I am wondrously thankful for the time spent here, and for those in support including 3 mods, Phenn, MO and SHR. I am happy to have had some support from SHR on AH and PJ material.

I am thankful for the 2 podcasts allowed to me and for 2342 efforts at such. But it is time to move on now. My own forum is demanding and I have expanded it, and I need to be amongst them more. I thank all of you here who have been so supportive of my efforts and contributed from

heart to this process.
