Ok, Christians are getting awfully nasty here on GLP, in a way they were not even a year ago. Guess you ones are feeling the end times too. And the beginning of the new times.

Now, let me point out the one thing that bothers me the most HERE and other forums and in my life personally as long as I can remember. Now why it IS true, that Jesus Christ is the only way to the FATHER, you ones do not understand how or why. So I am going to ask one of my favorite questions and see what answers show up.

What about the Muzzies as they called here, the buddhists, the taoists, the so called atheists, the hindu's etc. What happens to them? They are born in culture that have never heard of Jesus Christ. I am posting a poll but also wish commentary.

I am a not a fool, and what you say is true of all religions, regards the infidel stuff, but my personal knowledge is more with Christians as that is my experience. I have never met a muslim who called Christians evil or infidels however in my life, the teaching with them is that God sent his representatives to several different groups, and Jesus thus came for the group in the area of Israel, Mohammed came for the arab, etc etc. as a general sort of state. Moses for the "jews".

Hell is covered pretty good in the Old testament, so I disagree with the Hebrew comment. And I will get to a point in next questions, as todays JEWS were not the folks around in that area at the

time of Christ.

If you have never heard the gospel God will judge by different standards,

Romans 2

For as many as have sinned without law will also perish without law, and as many as have sinned in the law will be judged by the law 13 (for not the hearers of the law are just in the sight of God, but the doers of the law will be justified; 14 for when Gentiles, who do not have the law, by nature do the things in the law, these, although not having the law, are a law to themselves, 15 who show the work of the law written in their hearts, their conscience also bearing witness, and between themselves their thoughts accusing or else excusing them) 16 in the day when God will judge the secrets of men by Jesus Christ, according to my gospel.

It is not surprising, with all the demon infested atheists and unbelievers in here trying to undermine true faith. You can recognize the demon infested because they refuse Jesus and mock the Lords name and His followers. They argue and try to turn the faithful away from their true path. Christians are only human after all. Is it surprising that a few might find it a trying and become a bit testy.

I suspect that Christianity will go the way of ancient Israel, in that we're largely so full of ourselves and our encrusted accumulation such that "the Kingdom will be taken from [us] and given to others".

Saying "We've received Jesus" is barely any different than the Pharisees saying "We have Abraham as our Father" - again, God is able to raise up Sons from the stones if need be. Unless we're bearing the fruit of the Spirit, we're useless.

So where is this gracious slack when we're talking about "unbelievers"? We christers get rowdy, and it's "Well, we're only dust", but when non-christians get riled up, they're labelled "demons" probably half the time.

Exhibit A, right here, folks.

Christianity will never pan out until it ceases to be full of itself.

IMHO, Sadly, we are seeing the "salt losing its savour." And we know what follows is that it becomes trodden under foot.

Is it wolves crept in? perhaps.

Is it pride? definitely.

I think Christians should temper and moderate each other more so than those who do not share in the common faith. Because a little leaven leavens the whole lump. That we could strive for more unity in the bond of love. It is sad to see this not occurring, and I myself am by no means innocent.

well on the Bible quotes Jesus as saying He is the way the truth and the life. He also says no one comes to the Father except by Him

Jesus says I stand at the door and knock. he who opens to Jesus will not be cast out, Jesus will come and fellowship.

Jesus also says I and the Father are One.

for God so loved the world He gave His only begotten Son, that whosoever believes in Him shall not perish but have everlasting life

we as Christians are given our commission -- to preach the gospel to every tongue tribe and nation, to the ends of the earth, to the dispensation of the fulness of times. this is what we are doing. we are also to make disciples, abide til Jesus returns, and we are to watch and pray

Jesus says He is the door. we are to enter through the sheepfold -- Jesus is the Good Shepherd. anyone trying to come in another way is the same as a thief and a robber. we have to be wearing our wedding garment, as the bride of Christ :-)

the Bible makes clear anyone preaching a different gospel other than the good news of Jesus' dying for our sins, being buried, and rising from the dead to provide us the free gift of eternal life -- well, that person Paul says let him be accursed. we are surrounded by false teachers heaping up false teschings for our itching ears. we have to read what the Bible says and look at teschings and compare with the Bible.

and so it is our responsibility to continue preaching the Good News to everybody every tongue tribe and nation. we can't just say, oh they'll get in another way. or whatever they believe is fine, it's all the same God. the Bible in no way teaches this, and Christians who have studied doctrine know it.

that being said we can all do without the animosity and harsh rhetoric. 1 Cor 13 tells us we need love ;- ) in fact throughout the gospels and epistles we are commanded to love everybody, including our enemies ;-)

now abide these three, faith hope and love, but the greatest of these is love. we have to preach the gospel, and do so Biblically-- with love!

peace and joy

Now let me interjection something about JESUS. HE WAS and IS GOD. So now knowing that, don't you think everyone who beleives in GOD believes in Jesus. And dear ones, Paul made up that name, it was Never Jesus and it's still NOT Jesus. OK. Christ is not a last name. It is a state of being. Now ponder these statements, and I will add some more teaching about who and what Jesus was, and he was not God's only Son which has been the most harmful misteaching ever added by black ops to the bible.

NOW AT THIS POINT IN THIS THREAD, I DO NOT WANT A SINGLE POST FROM THE BIBLE, BECAUSE IT WAS CHANGED AS NEEDED TO CONTROL YOU ONES. I WILL DELETE THEM, BECAUSE THOSE PARTICIPATING AT THIS POINT ARE GOING TO LEARN TO USE THEIR MINDS AND THINK, BECAUSE YOU SEE, GOD IS MIND. IF YOU WERE TO USE ONE WORD, TO DEFINE GOD, IT WOULD BE MIND. HE IS MORE YES, BUT LET'S JUST START THERE. FORGET THE GOD IS LOVE, BECAUSE HE IS THAT ALSO, AS SHOWS THROUGH OUT THE CREATION. YOUR SWEET KITTY AND YOUR SWEET DOG, AND THE LOVELY FLOWERS AND PLANTS AND FOOD THAT SUSTAIN YOU ARE ALSO LOVE.

WE ARE GOING TO GO FORWARD WITH LEARNING BY THINKING AND NOT BY MEMORIZING ANCIENT STUFF THAT HAS BEEN CORRUPTED EXCEPT FOR ENOUGH OF IT LEFT SO THAT YOU BELIEVE THE WHOLE THING BECAUSE A SMALL AMOUNT OF IT IS CORRECT. SO NOW PUT ON YOUR HIGHER MIND AND LEAVE THE PROGRAMMING OF WHAT EVER RELIGION YOU WERE PROGRAMMED IN, AND BEGIN WITH SENSIBLE QUESTIONS AND STATEMENTS.

ONE THING THIS THREAD IS GOING TO ADDRESS IS THAT STUPID TEACHING THAT ISN'T EVEN IN THE BIBLE AS NEAR AS I REMEMBER THAT THE JEWS ARE SOMEHOW THE CHOSEN PEOPLE OF GOD. THAT WILL BE COVERED SHORTLY, TONIGHT OR TOMORROW, PROBABLY TOMORROW, I NEED TO TEND MY OWN FORUM A BIT. BUT YOU ARE FREE TO BEGIN COMMENTING ON "HOW" THAT COULD BE POSSIBLE. MINUS ANY TEACHING FROM YOUR CHURCH OR THE BIBLE.

**further David was Jewish and God covenanted with him as well. the Messiah -- Jesus -- came through David :-)**

**God made clear He did not choose the Hebrews because they were the greatest people. in fact He says He chose them because they were small and weak -- to show Who He Is. and God has not annulled His covenants with them. He still blesses those who bless them and curses those who curse them**

Evaluate the life of david, what qualities did he have that would make his life beloved of god and as such grant favour on his tribe? I for the life of me cant find one that distinguishes him from the lusts and claimns of mohommud.

I'd be very disappointed to find a deity with purely human qualities. I guess I'm gonna fry for expecting more than simply a heavenly Marquis de Sade. There is no holiness or honesty or togetherness or unification with all of gods creations in worldly hate and conquest,, the only equality and sublime virtues that are universal are love and respect and in the loran and the OT there are none of those nor in 99% of the other worldls faiths.

God is simple and that is the point of this thread, and thankyou for that one quote, it's one that christians cannot seem to understand. Jesus WAs both a Son of God and God the Father. All planets are taught that when the Creator Son comes to visit, they have seen the Father. the Father is the sum of his sons, creator Son, and all the rests of his sons, including PEOPLE. Christians do not see themselves as Sons of God. Some admit to their being his children, but that is a weak statement. And they have changed all the 1611 KJV also from the truth. I spent some fair time a few days ago between it and the modern version of Revelations.

I am going to continue with this topic, because the unknowing who "believe" stuff that is not in the bible, or has been changed in the bible, or they do not understand the story. are hugely keeping the setback of this planet going. They are not serving the very Jesus they claim to serve. He is within THEM also, as Creator Son of this particular universe and they see it not. They are always placing God up in the sky someplace, watch them sing to the Lord. They are not accepting that God's MIND is right there inside them. Until they can accept that, they are not going to walk in Jesus/God's shoes as Son's of God. Mind is still rather immature on this planet. check the voting, it has options to suit the many types of persons on GLP.

well other than going to be burned in Hellfire this is comment is more or less what some accept, but when dear one does he do this and how? In this life, before this life, after this life, where and when? It does not answer my question, at all. You see, herein, is the truth. Jesus was and is god, and thus anybody believing in God is on his path. the name has nada to do with anything and it was NOT his Name in the first place, a very confused Paul caused that one.

I am asking your ones to actually think, which is why I started this. Now to aid that thinking, where is YOUR MIND, how does it exist? What is it? A bit hint, it's NOT in your brain. One day we will

have our thugs out of here and teach the truth, the what is. 

My own mother in law, after saying we had to spend this life believing in Jesus, then stated to my question what about those that have not heard the hame, generally she would say they went to hell and I did not accept this from her, so she changed to, Jesus will show himself as they die or shortly thereafter and they an accept him then or go to hell. If you dear one above are assuming a single lifetime, how can Jesus come into their lives at some point, when they still have never heard of him in their culture and language for that matter? it is important to look at a broader picture.

I gently chided my mother in law on that one reminding her of previous statements we have to earn our way into heaven (true actually but not as understood), why would Jesus to come to serious sinners right after they passed and accept them into heaven, as they had not earned it by their fruits. She was never able to answer that one. This thread is about answering these things, because it is possible to do so.

As to my mother n law, she finally gave up some years ago on me, she would call and say she had informed me about Jesus and Hell and thus done her duty. this is not her duty and now lots of Christians here, as they sense the impending "end times" (not knowing what it is), are getting real preachy here, doing exactly what I have long experienced in this life on this planet from them. I for one, know that my mother in law, who is mostly a kind person, has probably made progress in this life, but she has a ways to go.

Reincarnation is a reality, it is how mind is challenged on these lower worlds, to cause problem solving and thus to grow.

Now to get to today's topic, The "Jew" who is considered God's chosen by some of you. I will allow biblical quotes to show how that is so. I never saw one. Where did you learn that? Also if anybody has researched it, when was this added unto christian Teaching in the US of A? Scofield was one of them, and there was another in the late 1880's who also introduced the idea. Let's look at the history here, and the nature of Mind and God which will disprove this very concept of anyone being a chosen race of God. Modern Christian fundamentalism evangelicalism was CREATED starting in the late 1880's on purpose. By the antichrist folks. Just as modern islam fundamentalism was created also, for the great wars of this time. People just love to have god help them kill their perceived enemies.

The purpose of this thread remains for the honest discussion of some of the fallacies that are so harmful to societies of this world, instilled thru and by the use of religion. God is WITHIN YOU.

I was planning on addressing this post, because you see, right here on GLP and also everywhere else, those that are different from the religionist, are taught to consider the rest of us demon infested. it is so easy and the muzzies are considered demon infested by many "christians." It just ain't so.

this is proof positive some people do not think about what they have brainwished with. People you must learn to think, that is the whole point of you existence in fact. that is the purpose of this thread, to ask that you do that! GOD which is MInd, is logical.

I have been called demon infests, as above, and you see, I actually do know the ones that came as Christ 2000 years and I need no church or bible to show me the way. I am an old soul. I know

the way. There are many mind controlled Christians who will not be able to continue with the ascending planet, because of their thinking processes, which they are not using and in fact they are such young souls, the ability to see thru this is not well developed, but it could be developed more if the churches were honest places to obtain spiritual counsel, but these pastors are also non thinking and pass on the bling they have "learned" and they have not "learned it" at all, they have only memorized bling, which is not learning nor wisdom.

If the churches were actually lead by christed beings, this would be a different world. As Christ is not a name but a state of being, of having found Wisdom to understand the laws of God given.

There are 20 laws given by God about 20 years or so ago. These are found in my PHoenix Journal thread. starting on page 7. The first two are very important and help with understand the other 18. There is clarity of meaning provided with the other 18 also. I am going to ask anyone interested to spend the time reading them. and all of you should be interested.

OP,

As I see it, the most dangerous teachings of modern Christianity are the doctrine of hell, which is simply a scare tactic of the church and the carte blanche support of the state of Israel and the Jews. Almost all so-called Jews are of Khazar descent and more closely related genetically to Huns, Turks and Mongols. They have no relation to the ancient Hebrews whatsoever nor any claim to that land as their ancestors (who lived between the Black and Caspian Seas) converted to Talmudic Judaism around 1300 years ago. Christians are particularly clueless when it comes to understanding the fact that our media, banking system, government and entertainment industries are run by these same godless Zionist cretins.

A much more profound question: Why is an 'Earth pig' the only way to The Father in Heaven? Many of the other religions will not even eat pig/pork, let alone worship one, or declare that a 'pig' is the way to Creator Source.

Do the etymology of the Latin name 'IESUS', and later, 'JESUS'. The Latin acronym 'IE' means 'It Is'. The phonetic 'JE' = the sound: 'GE' or 'GEO' = earth elements. 'SUS' is the Latin name for the genus 'PIG, SWINE, HOG'.

And, Christians are willing to murder their fellow man who refuse to worship a 'PIG'?????

At least, the Muzzies worship Allah, which is likely a derivation of the Most High God (El Elyon) that the High Priest Melchizedek taught Abraham to worship.

When that became too complicated for the later 'dumbed down' Hebrews, Moses taught them to at least worship the volcano god, YHVH or Yahweh.

Great White Throne... They are judged based on their works and if their name is written in the 'book of life' they will live. "The book of life" seems to me to be a historical document that recounts the lives of every human that ever lived... So, if you lived, then your name is probably in the book but that is debated, there are many different ideas including everyone being saved, noone being saved, and everything in the middle.

yes, thankyou because you have just posted the truth. And this was set up for christians in the late 1800's in particular, so they would support the dominion of the antichrist, which is a state of being and not any single person. Christ Like is a state of being in which the laws of God are both followed and understood. Antichrist can be a state of ignorance, or a state of intentional evil. Hell is an old belief that is not true and it does control people by fear. Here in, can't remember if I posted this yet. but as to the deception (bible is correct, on deception), hell fire is seen as bad. Did you ones actually know you should SEEK it, and not avoid it.

HELL FIRE is an acronym. **H**aving **E**ver **L**asting **L**ife **F**ierly **I**ntelligence **R**esonating **E**ternally. Yes **REASONATING**, my new word resulting from a typo. Hmmm, maybe that typo was caused by a hidden helper??? I was typing "resonating" as I had spent time working with serveral words that start with R for the R in fire.

You see beloveds, you must come into a state of being able to REASON. Not just copy and reproduce trash. I could leave the word as reasoning or "using reason" , but I really like reasonating, as a verb. So it shall be.

Ponder this one beloveds. For the will of the Father is for you to become LIKE HIM, KNOWING ALL THAT IS, in Heaven and earth (and there are many earths dears ones). You reincarnate for long seasons, until you have begun to reason better. And as your soul grows, your reason more and more. The purpose of this thread remains, to encourage you ones blinded by the blind teaching the blind and thus reproducing BLING, to reason. It is most Godly. When the animal learns to reason, he has found God. Ponder it. There are now cats and dogs and elephants etc, that have contact with man, who are learning to reason, and when reason and desire have manifested in an animal, so it becomes of God.

I am going to continue to put truth into this thread and I invite you ones to reason about it, and not just judge it based on your programming you received in church and which was added to the bible that Jesus never said at all, but added deliberately by ones who refuse to change their behavior so they can have eternal life on the better spheres. They get to have their eternal life as long as these

desire, on terrible low worlds. Now based on man's concept of hell, that would be hell!!!!!! People you are supposed to grow your minds and MOVE UP not down or laterally. That is all this discussion is about.

Now to continue about the Khazar Zionists. As stated correctly by the previous poster, these ones were never semites, hebrews, judeans, at all. So when they blow up about "antisemitism" against them, that is also the lie.

These ones originated in Mongolia. As to their "race". They were nasty from the beginning and pushed westward from China. They settled around the Caspien and Black sea area. They were ones which Jesus also came to teach and he did after his NON DEATH. He did not die on the cross beloveds. He was not in the grave, because he left it after healing. I suspect that the supposed left behind clothing caused the idea that when Jesus rides his white horse across the sky to rapture you, he will leave your clothing behind in neatly folded piles. (reason here dear ones, please. for doing so will lift up your spirit which is your mind.)

Now back to the topic. They did interbreed with some Turkish folks, as the boundaries of the area labeled Turkey now, were different. They spread themselves into Eastern Europe. AGAIN they originated as a race, in MONGOLIA. Please look up the location of that place, it's near China beloveds and a long way from what is currently called Israel. The only "Semitic" dna in them has come from some intermarriage from those who traveled from what is now again called Israel.

Israel is not a place. its a state of being also. It means one have evolved to under something of Mother Father god. Is=mother Ra= father el=God. OK. An Israelite is one who has this level of understanding.. It is not racial.

Now you all must remember the pharisees of the bible in the times of Jesus and before I believe. These were antichrist people who followed not the torah dear people, but the Talmud. The Zionists follow the Talmud dear ones, and it's not an holy book and they hate Christians and what the Talmud says about Jesus is appalling. And what it says about "gentiles" those not following the Talmud is awful. NOT at all of God or Creator, however you ones accept as God.

Jesus rebuked the Pharisees, and that is correct, they followed the Talmud. Dear ones, in the 700's, the Khazars were looking for a religion, and their king looked at Talmudism, Christianity, and Islam and choose the religion of the Pharisees, the Talmud. Your bible says there will be much deception by the antichirst or satanic ones, and so it is. This is a great deception and you ones are helping the very antichrists on this planet take over this world.

They never had israel, as the land. They stole it during the world wars. They want well more than

the current boundaries beloveds, they want a large area that includes a chunk of eastern Egypt (hmm consider that one currently), the Sinai, a chunk of Turkey, all of Syria, Lebanon, Cyprus, Jordan, and Iraq over to the Tigris river, then down to Kuwait, and cross the northern portion of Saudi Arabia. I drew the map myself based on what Christ Michael or Esu told me, (I will explain them later, they are the returned Christ),

Get out a map and look. Long after I was given this information I did find a map on the net someplace, and I don't have it bookmarked, because of an old dead computer. But it is known on this plane by others and on the net. I matched what I was told pretty good in fact. Nice confirmation.

Now look at our recent history just since 911. Can you not see it? Where are the wars right now, even today?

This race of people the Khazar Zionists were never JEWS and let me tell you why besides what is above. There were NO JEWS back then, at all. There were Semites, Hebrews, Judeans but not one single JEW. Jesus was NOT a Jew. How so?

Because the Khazars created the word JEW for themselves in the 1700's and then put it in your Bible. How is that one for deception!!!!!! And here's the other deception in the word "Jew". The Hebrews, , have a word that if written in English would sound like YOU. It means Child of GOD believes, not a chosen race of people. The word JEW is a creation of deception used to make themselves supposedly the chosen ones of God.

Now ponder the word YOU. As a child of God. Doesn't that mean everyone who has developed some God mind? Aren't YOU, all children of God? Even them, because good or bad, we are of God who have reasoning mind. So those of you speaking English, every time you use the word YOU (I just did in this sentence) you are talking to a child of God. The Antichrist deception has been very good, has it not? This in no way means a chosen Race.

God does not choose races in this way. Each soul is unique and each must take the journey to becoming LIKE GOD, and religion has nothing to do with it.

So you see, all of you, who are trumpeting for Israel as God's chosen people, you trumpeting for the Antichrist. Which again is not a person but a state of working knowingly against God.

How dear Christians, in your belief about Jesus, can you place another RACE above yourselves, because in so doing, you have just then stated the Antichrist Zionist Khazar is above YOU. PONDER THAT ONE, because it breaks my heart every time I watch this locally. There are Bible groups here studying the TALMUD of the Pharisees beloveds! how deceptive is that?

YOU can get some translation of the Talmud by downloading this PDF file. It will literally shock the shit out of you ones who love GOD in any form, by any name. There are two Talmuds, one in place before Christ and another after Christ, I believe, memory is not good on that one as I type this, but I know there was a new or remodeled version of the original after Christ, because otherwise Christ would not be in it. Dear ones, the deception runs deep. Throw away your blue pills and take a handful of red ones!!!! And see how far the deception goes.

Now understand, I am anti Zionist behavior and goals for this world. I do not ever put down an entire "race" of people, nor an entire culture, philosophy etc. There is much good in Christianity, but you ones are kept from that Good, when you assist the very antichrist that has arisen as prophesied, IN THE MIDDLE EAST. You ones must come into KNOWING and not be about supporting the goals of the antichrist behavior to take over this whole world.

I have run into many GOOD "Jews", who also do not know the game that is being played, because you see, most of them don't read the TALMUD in the first place. they do not know.

Dear ones, the reason you should not eat pork as it is contaminated with HUMAN genetics, from Atlantean times probably. You can see it in the pig which has a much softer hide, it is very intelligent for an animal etc. And now even today they are putting HUMAN DNA into the tomato!!!!!! Cannibalism is WRONG. To eat pork is exactly that. It's why it is unclean.

the khazar theory along with British israelism have been debunked by the human genome project

the current residents of Israel are the Jews of the Bible. and all 12 tribes are represented -- the faithful of the northern tribes fled to judea as the Assyrians invaded

urantia reincarnation none of that agrees with the Bible. neither does universalism unfortunately. there is but one mediator between God and man -- Jesus Christ. we have to believe in Him with our hearts. when we confess Jesus with our mouths we are saved. everyone who calls upon the name of the Lord will be saved.

there IS no other name by which we may be saved op.

unorthodox teachings flood glp with astounding regularity. the curious can lend themselves to doctrinal study for comfort and understanding -- know the true to spot the counterfeit. false teachers always raise red flags and most often in more than one area

we can cast down imaginations and everything that exalts itself against the knowledge of God by prayerfully reading the Bible -- learning sound doctrine -- and maintaining accountable fellowship in real life. this equips us to speak the truth boldly in love -- face to face as well as on the Internet :-)

Khazar theory has never been debunked. You can simply look at most modern-day Jews

-- AH- Candace GLP #4 - 1 -- page. 26

and tell that they're mostly Caucasian. A subset of the true Semites is the Palestinians who have inhabited that land for ages. Unfortunately that would make most Israeli Jews anti-semitic, as evidenced by their attitude and behavior over the years towards the true Semites.

OP, on a side note, I have a little fun with my friends when I tell them Jesus (Jmmanuel) was actually laid to rest in India.

well the thread is certainly titled accurately :-)

if the Israelis aren't Jews why does everyone hate them so much?! why are they back in Palestine? why are they the only people on earth who have observed their calendar and traditions for millennia? why did they bring back Hebrew language?? why why why??

why does their chromosomal genome haplotype show they haven't intermarried with other races for millennia, and they descended from a common ancestor in the middle east?? why??

Valid question, but in my estimate, salvation does not consist of "being allowed into heaven", which is probably why so many argue against my claims that all will be saved - their thinking is that "this nut is saying people can live however they want and wind up in heaven", like it's a free pass.

Salvation is defined in scripture as knowing God in Christ (John 17) and says nothing about \*where\* we end up. God's plan is for us to be changed into the likeness of Christ, and this is something that requires a process. . .there are no shortcuts. We have to learn our lessons. Now, I would agree that these lessons are probably not all learned within this earthly life, so I have no problem accepting that the purifying "education" continues into the afterlife. I'm not sold on reincarnation, but if it's true, then it certainly allows for the instruction and refinement to continue.

These lessons I'm talking about consist of "lab work". It's not about book-learning, but involves experiencing the kind of challenges and ordeals that humble us and help us appreciate what others are facing. When we come to accept our lot in life and bow to God's sovereignty, we're almost home free. We've wrestled with God and come away limping, as a changed person. "He

who would be great among you must be a servant". Viewing life from the bottom of the barrel does wonders for our pride and entitlement :)

Why do people hate being scammed? The common people over there may not be deceivers, but their leaders are. They swiped the name "Israel" and claimed the birthright, but their undoing will be the fact that with that birthright comes the responsibility to produce the fruit of the Kingdom. The standards for this are given in the Sermon on the Mount. Wake me up when they appear to be even \*trying\* to meet any of these parameters.

No dear one, they did not, Please see my other teaching. and understand the entire world was populated back then and not just that little place. There were NOT JEWS, the word was created by the Khazars who had their origin in MONGOLIA which is a long way from the area of Israel at this time. or at that time for that matter.

Esoteric teachings are not all false at all. the bible has lots of missing teaching. it has enough truth left in it to convince people the whole thing is truth and that is why I am asking some of these questions, because the whole thing is not truth.

Now I run into people who think God wrote it, and I run into people who know it's man's records but that the Holy spirit made sure it got done right. That is a topic for another discussion, because most on the earth, of any religion don't have much understanding of the Holy Spirit. What was bestowed 2000 years ago was not the Holy spirit. It was the spirit of Truth and that did survive in the KJV, at least the modern one. I will be covering the Trinity as we move along because it's not the Father, His only Son and that odd thing called the holy spirit. There is holy spirit mind you, it resides within your MIND and is not the 3rd person of the Trinity.

May I asked who told you the esoteric teachings were all false, because if you had examined some of them, you would know otherwise and that is what I am trying to do here, get you ones to

ask questions and ponder things. So many on this planet in religion and not in religion accept all sorts of ideas as truth that cannot be so. 911 is a beautiful example. Because those towers would NOT have fallen according to how the story was presented. Just because something is on TV, or the government tells the story, or MSM tells the story, does not mean it is truth. Your higher self, your Father within, can advise you what is truth. Even on what I post, ask father within YOU, a piece of mind, he gifted you with, about it.

We are slaughtering people in the middle east and Africa now, as genocide and you ones are saying hey, the Jews are God's chosen so it's ok. It is NOT OK, and they are NOT God's chosen race. God does not choose races as chosen ones. Why would he, ask that and read my other posts. Why do you ones put the Jews above your OWN HOLY SELVES??????

Do you know those very covenants, were NOT from GOD? do you know who the LORD GOD IS, in the old testament? It was a benevolent race from ANOTHER PLANET called Thiaoouba, which sounds much like Jehovah! That is in fact where Jehovah came from, the word in the old testament.

it was they that fried Sodom and Gomorrah, it was they that gave the well more than 10 commandments to Moses, and lead the people across the REED sea out of Egypt and fed them for the amount of time it took for them to travel back to whence they were from. The original Hebrews per se, were a people from another planet who crashed in western Russia. 3 survived, 2 women and 1 man. It was cold and they migrated to warmer lands. They would not breed with the local folks, for good reason because they were MORE INTELLIGENT, after all they could travel space.

So the folks from Thiaoouba gave help the race that developed from 3 people to help them survive here, because of that intelligence and their determined survival. They were not rescued to see if they could survive, and they did. A new race was born on this planet.

but today's Khazars are not those people. Those people were taken into bondage in Egypt, and Moses who was a great soul incarnated to help them out. Most work by God is done by incarnation, for the service and lessons to be learned from such.

The planet Thiaoouba, circles Alcyone our central sun, our sun goes around Alcyone every roughly 26,000 years. Alcyone is massive and various rays of God flow to all its other suns, via the photon belt. The planets around Alcyone are constantly bathed in holy light and they have evolved into a very holy state, these civilizations and they help "babysit" the lesser planets around Alcyone including this one.

Esu Immanuel Sananda Kumara is from there. He was one who shared the Christ role 2000 years ago.

Ok I have covered basically your questions in another post and I am not sure if you posted this before or after my other one. The one that STOLE Israel from the existing races, did NOT return, they were NEVER FROM Palestine in the first place so they are not "back" in Palestine. The story of diasprora is a complete lie.

I would ask you to read the post I did write, and then respond with more questions. These people are going to lie about the genome, that is what they do. Dear one, the Khazars who stole palestine were also the bolsheviks that destroyed Christian russia.

Just to reaffirm my previous posting. there were NO JEWS until the 1700's when the Khazars named themselves that and then rewrote the bible. Everyone has good reason to "hate" them,

-- AH- Candace GLP #4 - 1 -- page. 30

they are the NWO folks. And they destroyed Christian Russia, and they were not massacred in the Holocaust. there was no holocaust. There were PRISON CAMPS, and Hitler was a JEW and put his own kind to work for the war machine. There were never gas chambers. That was all a story created AFTER the war. At most only 300,000 people perished in the many camps from normal aging and some diseases etc from living in close quarters and maybe starvation at the end. Most of the starving Jew pictures are actually starving Russia pictures and had nothing to do with the camps. it is all propaganda people.

Agreed. What we have is ambitious power-players hiding in plain sight under the cloak of an obsolete "chosen people".

Galatians 3 says Abraham's heirs are those In Christ, and are not identified through bloodline, customs or anything else.

Promise people free land, citizenship and status, and they'll flood into \*any\* region you tell them to, even when it's already been peacefully inhabited for centuries.

I really dont like the poll. I chose none of the above.

Christ's teachings were about connecting with God from within, without religion. This has nothing to do with the Christian religion, which is in reality anti-Christ.

I don't like my poll either, but it serves as a research point with me. I shouldn't have worked a little long on it though, I would reword some parts, and then I discovered I could not fix them on edit, so it stands as is. I myself would probably vote none of the above myself as its not even necessary to believe in God, in the truest sense to be OF God. I have met some really great agnostics and so called atheists in this life. My idea of God doesn't match a lot of others ideas of God.

But the point for me, is that christians so many anyway, do not accept the muslims and others as being of God. And so how are they supposed to hear of Jesus if they were never raised with it. Most cannot answer that one very well.

Ok, Christians are getting awfully nasty here on GLP, in a way they were not even a year ago. Guess you ones are feeling the end times too. And the beginning of the new times.

Now, let me point out the one thing that bothers me the most HERE and other forums and in my life personally as long as I can remember. Now why it IS true, that Jesus Christ is the only way to the FATHER, you ones do not understand how or why. So I am going to ask one of my favorite questions and see what answers show up.

What about the Muzzies as they called here, the buddhists, the taoists, the so called atheists, the hindu's etc. What happens to them? They are born in culture that have never heard of Jesus Christ. I am posting a poll but also wish commentary.

It's Jesus THE Christ or Christ Jesus

Saying Jesus Christ is like saying Jesus Doctor

Christ is a title bestowed upon you, me or anyone as long as you earn it.

Christos is the early form of the word and if you look back in history the it was the Lamb of God that was on the Cross and not a man. That represented Aries, all this stuff goes way back to Sun worship.

The priests figured out over a long period of time how to dupe you and steal your mind and money.

that depends on YOU, and I have met a lot of christians who have told ME because I don't go to church I am going to "hell" sadly so. No church attendance is seen as not accepting Jesus Christ as your "savior." This is wholly incorrect. Religion is ones personal relationship with god, not a church building.

I would have no problem with church buildings if truth was told there. and if the people would motivate to do good works, of heart. and if they were blowing all their money of fancy buildings and church teams of ministers who do nothing really for the people. I have attended bible classes and there is NOTHING there in them. NOTHING. There are some ministers who are well trained and knowledgable counselors.

The ineffectiveness of these groups shows, because 911 goes unsolved, they continue to support Khazar Zionist Israel, which is the antichrist, and they did not prevent or stop the wars in the middle east and it's because they believe they have to bring on Armageddon to get Jesus to return. I have heard that so often it makes me vomit. many believe God wants every person in Palestine killed for him. yes I have heard that, and I have read this on forums and you see 20 million people have now died in two countries alone related to war activities.

god never asks for a people to be genocided, ever. and they are allowing that!!!! Pat Roberts and his ilk have quite a movement going regards these things. I would not associate with these for any amount of money or pressure. the minute Israel comes up, and kill them all there, they will never

be my friend, or when they attack me for not attending church too.

Christ is a title yes, its a state of accomplishment that is earned. and most of us don't use it especially on this plant. On purpose, it is RISKY to do so. Plus we don't even care. there are many people of Christ status and BEYOND walking on this planet now.

And Christ status is not the end of the road in accomplishment. there are many levels beyond that. And the one you call Jesus is well beyond that. The lamb of God on that cross WAS a HUMAN for the moment, he walked in human flesh just as I do. but he was superhuman when he left. Man has crucified many a lamb of God that has walked this place, the heavens have not been exactly fond of MAN on this planet who has little interest in becoming HUMAN, let alone superhuman. SAD. Do you know those very covenants, were NOT from GOD? do you know who the LORD GOD IS, in the old testament? It was a benevolent race from ANOTHER PLANET called Thiaoouba, which sounds much like Jehovah! That is in fact where Jehovah came from, the word in the old testament.

it was they that fried Sodom and Gomorrah, it was they that gave the well more than 10 commandments to Moses, and lead the people across the REED sea out of egypt and fed them for the amount of time it took for them to travel back to whence they were from. The original Hebrews per se, were a people from another planet who crashed in western Russia. 3 survived, 2 women and 1 man. It was cold and they migrated to warmer lands. They would no breed with the local folks, for good reason because they were MORE INTELLIGENT, after all they could travel space.

So the folks from Thiaoouba gave help the race that developed from 3 people to help them survive here, because of that intelligence and and their determined survival. They were not rescued to see if they could survive, and they did. A new race was born on this planet.

but todays Khazars are not those people. Those people were taken into bondage in Egypt, and

Moses who was a great soul incarnated to help them out. Most work by God is done by incarnation, for the service and lessons to be learned from such.

The planet Thiaoouba, circles Alcyone our central sun, our sun goes around Alcyone every roughly 26,000 years. Alcyone is massive and various rays of God flow to all its other suns, via the photon belt. The planets around Alcyone are constantly bathed in holy light and they have evolved into a very holy state, these civilizations and they help "babysit" the lesser planets around Alcyone including this one.

Esu Immanuel Sananda Kumara is from there. He was one who shared the Christ role 2000 years ago.

Quoting: **Nobody in Particular**

Wait...I don't understand, NIP please comment:

1. the folks from Thiaoouba, being of "help" to those from Hebra, would NUKE Sodom and Gomorahh thus going against the laws of God. This reasoning does not make sense.
2. That Jehovah was one of the Thiaooubians, obviously mistaken for God as an ancient astronaut, would give the commandments to Moses, use their craft to part the REED sea and feed the Hebrews on their way out of Egypt. So, are these then the "Chosen ones" of a false God helping out another ET group?
3. Is Hebra another Pleiadian planet? why did not the Thiaooubians simply take them back to their home world?
4. If Esu Immanuel Sananda Kumara comes from Thiaoouba, was at that time, Jehovah or was Jehovah less than of the light?

Thank you

And his real name, the HUMAN who was part of the incarnation however, was named ESU. LOOK IN THE MIDDLE! in the language of the times of Paul, and I don't remember if it aramaic, or Greek, Jesus meant anointed one.

Dear ones, the reason your should not eat pork as it is contaminated with HUMAN genetics, from Atlantean times probably. You can see it in the pig which has a much softer hide, it is very intelligent for an animal etc. And now even today they are putting HUMAN DNA into the tomato!!!!!! Cannibalism is WRONG. To eat pork is exactly that. It's why it is unclean.

The writers of the URANTIA Book say the Prophet of Nazareth was called Joshua (which would have been pronounced 'Yah Shoo ah', with the accent likely on 'shoo'. The book also states that Immanuel (Esau Immanuel?) was a different personality than was Joshua - a guiding brother to Joshua while he was in the limited human form. As an adult, he had 'no name' just as none of us have an 'identifying' name as adult men and women. That is why he only gave "I Am" when asked his name.

The 'anointed one' means having oil (olive) poured upon one's head to indicate an appointment to an office in the early Roman system. The origin of the term 'Christ' comes from the Greek, 'cristos' where the prefix 'cris' means oil or grease, as in the cooking oil, Crisco - grease company. Thus, the term 'Jesus Christ' means 'an earthly greased pig'.

A Youtube video for your consideration, although this fellow has not considered the etymology of the name Jesus in his opinions of the situation.

Paul created the name Jesus. I did mean the anointed one. However, there was no swindle. I began to watch that video one before, am not going to watch it again, but there was no swindle, it was real, but has been corrupted.

the Urantia Book does NOT at all cover Esu Immanuel. Other than it gives a hint that the "man"

that was partnered with Christ Michael is someplace but they know not where.

Immanuel of the UB, is the Brother of Christ Michael as explained IS TRUE. and one of my team has done a work with him and I have been in contact also.

The Creator Son cannot incarnate into a human form. He came with another who could. It was as such, we teach a double incarnation, but Christ Michael really over Lighted Esu, but then again incarnation is not understood and Esu didn't occupy the body that was created either, as none of us from the higher realms can do that, the body would be consumed by our energy.

That is why it was said it was a "secret" or a mystery about how the creator son could incarnate a babe. I don't know if you have heard of the Kumara's in new age literature or of Sanat Kumara, but Esu is his son from long ago on Lyra.

Christ Michael LEFT the "incarnation" at the crucifixion, but the body survived and Esu continued to use it, and walked from the grave after 3 days of healing. It was he who confronted Saul in Damascus. Some of the meetings described in the UB after the crucifixion were Christ Michael in his morontial form as described, and some were Esu. The doubting Thomas scenario was with Esu.

It was chosen to leave this out of the UB because man was not ready for this story and also because Esu had beget a child, (before he should have probably), with Mary magdalene. And the story had to be buried until these times, because the thugs who are imprisoned on this planet search and kill holy DNA where ever possible to do so.

After the crucifixion, mary magdalene and several others were put out to sea (mediterranean), with oars to power the boat. It was expected they would perish. mary M was pregnant with a girl child. The boat was guided to France and she debarked with the young infant in her arms which was born at sea.. The child's name was SaRa, (saw raw), and that is the story of the legends around the xxx will shoot, name won't come right now, in Europe that formed a basis of Dan Browns story. For long years SaRa's descendants were hunted down.

Esu went on and settled eventually in Kashmir and being separated from mary M, married a local woman and they had 5 children, including the older son named Joseph. He traveled and taught generally in the Black and Caspian sea areas and elsewhere in the region and died at about 115 years of age.

Now to get the book published, they kept to other stories of christianity, and the betrayer was NOT Judas. It was another of a similar name and the thugs did that on purpose too. As it is said in the UB, Christ Michael left no writing, but you see, Judas as a scribe and HE did. When Esu died and was buried near Sinegar, (not spelled right, sorry), in Kashmir, his son Joseph took the scrolls Judas had written (Judas also went to Kashmir), plus his own he had written after the death of Judas, back to the site of the grave. There were some guided to that place about 1961, or so and they were unearthed. There was great effort made to kill and it was successful of the Catholic priest who was sent to find them and others. A lot of the material was not in good shape of course but some of it was translated into German, as the Talmud of Immanuel.

And latter into English from the German. YOu can search the web as there is a free copy circulating, a pdf file, and last time I checked the print version wasn't in print anymore. But you can also read Phoenix Journal #2, And they Called his Name Immanuel, I AM Sananda, and we have this as an easy to read pdf file on my website, that doesn't take a hour to download on dial up, and also it's available elsewhere. This book is the actual translation to English from the Aramaic by Judas himself, about 20 years ago.

The UB could not cover reincarnation because of the holy seed upon this world, and also because of the many incarnating star seeds at this time. We began coming in heavily maybe 100 years ago to channel god energy into the center of the earth, as part of the uplifting of this planet. Plus to work as various types of way showers.

The holy seed keeps coming in, as since the Adam and Eve mission was a failure, there are many of us bearing holy DNA into this world so we pass it to our children. It is because of the murdering that goes on in this place, that much truth must be withheld. Don't give the thugs the pearls as it goes.

In the UB it makes the statement it was not a "virgin" birth, for example also to protect the seed It was a virgin birth, but not as man assumes, the Spirit of Truth, that got labeled the holy spirit, cannot impregnate a woman.

Christians assume the HOLY spirit has a penis or something I guess. Please do not laugh, but it is laughable. There are no virgin births in reality.

The embryo that became the body of Christ Michael and Esu, had to have a daddy folks! And the Daddy was Gabriel of Nebadon. He did not have "sex" with Mary. By now you ones should know about "test tube" babies, right?

All beings even spirit beings have DNA beloveds. So the embryo was created in God's labs by the Life Carriers and Mary was impregnated thusly, as man's DNA at that time could not bear even Esu into this world, let alone Christ Michael. The body had to be of a very advanced state for Christ Michael (we just call him CM these days in our work), to be able to move thru the body and peer out the eyes and thus experience with Esu. Man has much to learn yet and even in 1934 and 35 when the UB was given, man could not have understood "test tube baby" then.

At any rate we have provided most of the rest of the Truth. A Urantia BOOK 2 has been commissioned which will cover much more, and also the real galactic history of this area, the anunnaki and all that stuff.

If you are unaware, Christ Michael returned with Esu, (in separate forms this time), in 1954. They are aboard craft. If you wish to Explore the Phoenix Journals, there still had to be a bit of story telling because they thugs would not be happy about the return, but everywhere in those books, you see Hatonn/Aton, that is Christ Michael. Christ Michael is a simplification of his name. It actually begins with ATON, and is half a page long and is sung, because its in harmonics. One day, it will be sung on this world.

At any rate Immanuel of salvington and Esu Immanuel Sananda Kumara are two different entities.

As in all things. Consciousness is an ascending 'gradient' or a relinquishing what is no longer useful. A 'lightening' to a more rarified 'state' of existance...

One beautiful indicator within the Christain scriptures is Philippians 4:7;

New International Version (©1984)

And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus.

New Living Translation (©2007)

Then you will experience God's peace, which exceeds anything we can understand. His peace will guard your hearts and minds as you live in Christ Jesus.

English Standard Version (©2001)

And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus.

New American Standard Bible (©1995)

And the peace of God, which surpasses all comprehension, will guard your hearts and your minds in Christ Jesus.

All those religions mentioned are all FALSE... Why? simply they where written by US, HUMAN's and for the purpose of controlling the populations.

Quoting: **Nobody in Particular**

OP you and the vast majority of people who read the bible have no clue. There is only one path to the father and that is thru Jesus Christ. Our Father is not going to sacrifice all his children because Satan deceived them. Many of us who understand the truth of the bible and are allowed to understand part of Gods plan know that a test to see if we have read Gods letter to us , the bible. The false Christ will come offering peace to the whole world, he will work many wonders causing billions to follow him. When the. True Christ returns after him all who followed the false Christ will know their mistake and shame.

When the true messiah Jesus does come in all his glory with all the saints and angels , all alive will be changed into their spiritual bodies in the twinkle of an eye. Those of us who have been true to Jesus will be his elect. Jesus will set up a millennial. Rein on earth were the elect , his priests will reteaching all who did not follow the true Christ . There will be a rift between the holy and you people who did not follow the true Christ. The elect will be able to cross the rift to teach the truth of God without the interference of Satan and his followers. At the end of that thousand year rein of Jesus , Satan will be loosed for a short season to see who listened during the retraining process. Some again will still follow Satan and this will be the second death for them. Off to the lake of fire and with this they will be blotted out from the memory of all.

Yes! It's just language. (that is quite 'bruised'...)

One aspect ive noticed you have NIP, you yield to knowingness within music (and there ascending scales, harmonies & vibrations) when 'words' fail.

Imagine a 'corrected' language that would enable precise indicators or a 'pointing' to our transcendant aspects that simply cant be 'captured' within or current language...

Words are so linear/sequential.

Music demonstrates (in our present domain) 'concurrent' ascending harmonies that transcend that frustration...

The name was never JESUS to start with, but aside from that, Jesus was GOD of Nebadon, and anyone who is seeking of God is on the right path. No name is required, only the seeking to become like God.. Christ Michael provides the schools that are the path to start the long journey, but even you poster don't understand the why or what behind your posting.

How did you vote?

Jesus came back already, in 1954, we are waiting the WAVE [[link to www.godlikeproductions.com](http://www.godlikeproductions.com)] which is an energy of the Father that is the trumpets and all the power and glory stuff in the bible. Florida just experienced a bit of it recently for 20 long minutes and its happening more and more, and when it manifests you are are not going to miss it.

When Jesus returned he did bring many angels and other hosts of heaven. You would not in fact believe who IS here from Heaven, as this is a very important world at this time.

There is NO lake of Fire and their is no devil either, just dark galactic thugs and fallen angels.

And to this poster, I have quoted, NO MORE OF THIS IN THIS THREAD, REPEATING the misunderstandings will not solve the problem.

HELL=Having Ever Lasting Life, by the way. the deception is amazing.

Here is the Apostolic credd for the Cathoic Church, and Espiscopal church, that just turned my stomach as a small child, so bad are the lies in it.

[I believe in God, the Father Almighty, Creator of heaven and earth](#); this is sort of OK, should say creator of Heaven and all those many earths.

[and in Jesus Christ, His only Son, our Lord](#): His name was not Jesus, and he was not the only son, and here in, is the huge lie, because God has infinite sons. I am a son of God. So are you. OK. so are all the angels and other heavenly hosts. Christ Michael was an ONLY BEGOTTEN Son, and so are all of YOU, because ONLY BEGOTTEN means no other son matches. We are all different. Thus each one of YOU is an only begotten Son. At when I was growing up, the aposolic creed used only begotten, not ONLY SON, so the lie has been made even worse since then. Even

the Creator Sons and that is because regardless if we are created angels or man, we all have a different experience. NONE of the Creator Sons match, all have their experiences.

[Who was conceived by the Holy Spirit, born of the Virgin Mary;](#)

Big LIE, huge. The Holy spirit doesn't conceive ANY thing of this sort, nor does it make sure the bible is correct. It has no Penis and NO DNA. Alright???? Male Genes were required. The body of Jesus was a test tube baby people, deal with it. The genetic father of the body was Gabriel, chief executive and first created Son of Michael and Nebadonia, for you UB folks. Man's genetics could NOT be used for this most holy incarnation. Mary However, was a virgin. But she was implanted with the embryo after it was created Are we not doing this NOW, here? Back then that was not understood. The body was created by the Life Carriers for you who read the UB.

[suffered under Pontius Pilate, was crucified, died and was buried.](#) Well, the first part is true. But he did not die. He was not dead when removed from the cross. Some nice folks and angels helped him heal enough to walk out of the grave on the 3rd day. Gabriel rolled the stone away. He went to India eventually, taught over a wide area and married and had 5 kids which I think I have already covered in this thread. For you UB readers, Christ Michael LEFT the shared incarnation and took the journey described in the UB. Esu continued forward to India. It was Esu that blinded Saul, with fireworks.

[He descended into hell;](#) Incredibly stupid statement. During the 3 days Christ Michael resurrected himself (left the incarnation) and proceeded to the mansion worlds as covered in the UB.

[the third day He rose again from the dead;](#) False, there was no death. And the purpose of that teaching mission long ago was to inform man his spirit is eternal

[He ascended into heaven, is seated at the right hand of God the Father Almighty;](#) Christ Michael as his bestowal required, returned thru the same experience all must take to the Central Universe who are ascending sons, and reported his experience to the Father. and the truth here, is that all of you too can do that. All choosing the eternal journey who are ascending sons (MAN) because they are Father in-dwelt, one day sit at the right hand of the Father. I have completed that Journey, I am a MIghty Messenger, a graduate of Paradise, and I sit at the Right Hand of the Father. You UB readers understand that comment, I hope anyway. If not, get back to your reading. My soul is sourced in Nebadon, but not in this area, another planet, not in Satania but another older system than Satania. (UB readers know what Satania is, has nothing to do with the word Satan at all.)

[from thence He shall come to judge the living and the dead.](#)

NOPE, not done by the Creator Son, ever. He is Creator of Nebadon and the nigher courts of Orvonton, the superuniverse engage in judgement when the risk of uncreation is great. There are courts that do the judging and the incoming wave is going to be doing the judging big time. This is the end of the age, and the sleeping survivors who did not make 3rd circle will be resurrected at this time. A bunch of them were resurrected 1000 years ago too. These happen periodically, but since we are at the end of this current age, there is also a great sorting going on. Because not everyone is ready to continue on this ascending planet and solar system, and will be moved to other appropriate places. And many of God's servants from "heaven" incarnate here get to go home too, their service finished.

[\[link to www.godlikeproductions.com\]](http://www.godlikeproductions.com)

[I believe in the Holy Spirit, the Holy Catholic Church, the communion of Saints, the forgiveness of](#)

sins, the resurrection of the body, and life everlasting. Amen. The Holy Catholic Church is a very evil entity. The WHORE of revelations. That does not mean the common catholic person is evil, please. What in shit is the "communion" on the Saints???? Who knows where they got that one. The Catholic Sainthood system sucks. It's not even close to correct. As to the forgiveness of sins, it is true that even before you ask you are forgiven, and dear ones, unless you need to face the court system of Nebadon or Orvonton, you are the one who forgives yourself, that is part of your experience of becoming LIKE the Father. it is just that simple, the church, all of the religious institutions, christian or otherwise have been really really mucked up.

And I have a lot of teaching to do about that Holy spirit thingy, which is for another post. There is life everlasting and many of you here are already eternal beings. You will not be staying in Nebadon, just for a period of time. You do no barbecue with your friends and family with jesus in heaven. do not laugh! I have actually HEARD this. Michael of Nebadon, has prepared many schools for you to attend and maybe in a little while, I will cover that more, but some of you might want to wander over to my UB thread, because there is something there about those schools and places of living. Beloveds, your REAL COSMIC LIFE is in the heaven. you do NOT understand. It is not a place of rest and bliss either new agers and AA Michael is not going to take you all to the new golden galaxy either! YES there is a CIA group in new age putting out that one!

The body does not resurrect, this is a incredibly HUGE LIE. The body is material, it returns to dust. It is the SOUL that is resurrected and let me tell you all dear ones, since this is a world of big time heavy duty incarnation because it's a prison ward, most of you of ascending son origin had your resurrection long ago. You are here because you are a slow learner of your lessons. You have already had many bodies and you will have many more before you become a spirit being. And even then, if you come to serve on a world like this, with the people you must grab a body to do that! Because spirit beings are not visible to the human eye

There is a general end of age resurrection that will occur before much longer, that happens at the end of an age. I mentioned that above. Now, all ascending souls on this planet, since the advent of Michael 2000 years ago, who have completed the 3rd circle, go immediately after death of the body, awakening on the 3rd day on the Mansion Worlds. The first level of heaven so to speak. These worlds are BUILT, not evolutionary like earth. You are given a NEW body, because these bodies on earth cannot survive there as they are now. At some point down the line man will travel there for lessons in craft, but his current DNA does cut the mustard, he cannot live there. It is on the mansion worlds and above it that you learn to become LIKE THE FATHER. And since the Father has all knowledge, you have quite a journey ahead of you. As to circles above, you have 7 to complete for the first stage of your spiritual training. The 7th one if the beginning, the first, the last and most people don't here the holy spirit thingy until they are 2nd or 1 circle.

I really dont like the poll. I chose none of the above.

Christ's teachings were about connecting with God from within, without religion. This has nothing to do with the Christian religion, which is in reality anti-Christ.

Quoting: **Anonymous Coward 1079553**

I don't like my poll either, but it serves as a research point with me. I shouldn't have worked a little long on it though, I would reword some parts, and then I discovered I could not fix them on edit, so it stands as is. I myself would probably vote none of the above myself as its not even necessary to believe in God, in the truest sense to be OF God. I have met some really great agnostics and so called atheists in this life. My idea of God doesn't match a lot of others ideas of God.

But the point for me, is that christians so many anyway, do not accept the muslims and others as being of God. And so how are they supposed to hear of Jesus if they were never raised with it. Most cannot answer that one very well.

Quoting: **Nobody in Particular**

The "hearing" does not come from another persons mouth, traditions or even a book. It comes from hearing what is already within. It doesnt matter what these "Christians" think anymore than it matters what a Jew, Hindu or Scientologist thinks.

you ones are absolutely WrONG. CHRIST is a STATE of MIND, an accomplishment. GOD incarnated on the planet 2000 years ago, so GOD works. it is true you do not get to the FATHER without going thru the schools of the Creator SON, but you need NOT know his name as he is GOD on Nebadon, our universe. When the wave arrives, some of you who are so dead sure it has to be PERSON, whose NAME IS WRONG on this plane, you are in for a surprise, because it is the FATHER which decides whom he in will be in, on this plane and it has nothing to do with religion. It is based on the HEART.

anybody who is in search of God, and chooses eternal life, will pass thru the regime of Christ Michael of Nebadon, and it is so on all currently 3.8 million evolutionary planets in Nebadon at this time. In fact it is true in all the LOCAL universes. yea ones do not know heaven and what it is.

Now I allowed this posts so I can teach from them, but any ore of a similar nature saying this is Satan's teaching are going to be deleted. You ones can READ the URANTIA BOOK which was the promised word in the end times and then you will see. I sumarized the teaching here The bible is not written by God, nor has the Holy Spirit made sure it is "right." The old testament is the history of one small civilization on this planet located in the area chosen by Michael of Nebadon for his bestowal. If he had bestowed himself in China, the "bible" would have included the history of the Chinese. OK. The reason Machiventa Melchizedek bestowed himself to Abraham, is that these were not tent people. Abraham had atomic bombs and the world had again seriously fallen away from God and that is also why Buddha came, Krisha came, and all those chinese avatars too. Ponder it. Moses was NOT correct when he suggested the Semites of long ago were God's chosen ones, because he had the same memory loss as did others at that time, as to his purpose. He had come to remind a race that was developed from a few survivors of a crashed craft from Hibra, who they were, they were MORE advanced than the races in that area, and Moses volunteered to incarnate and help them out. The GOD of the old Testament, Jehova was NOT a God, it was a race of beings from a very advanced planet named Thiaoouba, which goes around Alcyone of Pleiades.

Now I don't care about whether you ones know some of this stuff, but I care about the deception of the antichrist Khazars who were thugs imprisoned on this world to grow up, and who have made themselves the chosen peoples by adopting the TALMUD as their belief system in the 700's. This IS in the history and you can search it online. And that Talmud is UGLY and not godly and the HATE YOUR JESUS and consider him excrement. OK. GET IT YET and you are supporting them and there was never a promised of any return to Israel, and if you were never from Israel, you cannot return to Israel, right.

I mean I can't return to New York City. I was born in Colorado and have never made a home in New York City, nor have I ever visited it. The Khazar JEWS, a name they gave themselves in the 1700's, cannot return to a place they were not from. I assume the Hebrew language was learned because of the Talmud.

You are causing also great dislike for yourselves because you think YOU are special because of Jesus Christ. Everyone who carries in their mind a Father Fragment, is a SON OF GOD. It matters not which religion they were raised in or which culture. The Father Fragment since the times of Michael of Nebadon, comes to all NORMAL minds, upon the making of the first moral choice and that is around age 5. It comes to children born in every religion and culture who has normal mind upon making their first moral choice. That is the salvation. This is what makes you eternal. the father Fragment is your best friend. It is your advisor. it is that thing you ones keep called the "holy spirit" in fact and most cannot hear it, directly until they are 2nd circle in spiritual development.

This is a world of reincarnation and there are not that many "new souls." Most of you already have one, or you are a fallen angel, and Michael of Nebadon is still your creator and you are working off your salvation because you are a fallen angel. OK. Some of you are that. You made errors and you are here to understand those errors

There are also well over 200 million star seeds here to lift up this planet, I happen to be one. I got "saved" probably a million years ago, for all I know. It is the Father Fragment that "saves" new first time humans. There is no baptism, or religious right, nothing anyone can do to bring it on. It is automatic when the above situations are fulfilled.

For you souls who are galactic thugs and fallen angels, this is your last opportunity to work out your "salvation" and return to the higher realms from whence you came. This applies also to the thugs, like the Khazar Zionists. These ones who did not work out their salvation, are going to MOVE. There are a number of places you can be placed and you have not one thing to say about it.

The little Chinese child, the little Indian child, the little African child, the little Muslim child, all of these little children if this is their first life, are "saved" when they receive their father fragment. You ones here are bullies, who continue reminding people they will go to hell because they haven't accepted Jesus as their savior. They do not go to hell because they never heard of Jesus.

To the Khazars and others here working out their repentance and salvation for errors made, you ARE going to have to accept Michael of Nebadon as your creator if you want to once again be part of his holy administration. That is how it works. Ponder that quickly. That is what the "salvation" teaching means. And if you have been born in a race or culture this current life time and just don't remember the name Jesus, because that is not his name, anyway, but you are searching for and return to your prior circumstances, you only have to be engaging in the search everyone else does, to know God and your Creator. END OF STORY.

PS The story of the Prodigal son, was given for these ones who had fallen and are here. READ IT. For it is truth. CHANGE OF YOUR WAYS, AND YOU WILL BE WELCOMED HOME and there shall be GREAT JOY and a BIG PARTY. Continue to run astray and staying separate from the Creation, will continue to have ones above place you on some other prison ward, and that one might be worse than this one!

Do you know those very covenants, were NOT from GOD? do you know who the LORD GOD IS, in the old testament? It was a benevolent race from ANOTHER PLANET called Thiaoouba, which sounds much like Jehovah! That is in fact where Jehovah came from, the word in the old testament.

It was they that fried Sodom and Gomorrah, it was they that gave the well more than 10 commandments to Moses, and led the people across the REED sea out of Egypt and fed them for the amount of time it took for them to travel back to whence they were from. The original Hebrews per se, were a people from another planet who crashed in western Russia. 3 survived, 2 women and 1 man. It was cold and they migrated to warmer lands. They would not breed with the local folks, for good reason because they were MORE INTELLIGENT, after all they could travel

space.

So the folks from Thiaoouba gave help the race that developed from 3 people to help them survive here, because of that intelligence and and their determined survival. They were not rescued to see if they could survive, and they did. A new race was born on this planet.

but todays Khazars are not those people. Those people were taken into bondage in Egypt, and Moses who was a great soul incarnated to help them out. Most work by God is done by incarnation, for the service and lessons to be learned from such.

The planet Thiaoouba, circles Alcyone our central sun, our sun goes around Alcyone every roughly 26,000 years. Alcyone is massive and various rays of God flow to all its other suns, via the photon belt. The planets around Alcyone are constantly bathed in holy light and they have evolved into a very holy state, these civilizations and they help "babysit" the lessor planets around Alcyone including this one.

Esu Immanuel Sananda Kumara is from there. He was one who shared the Christ role 2000 years ago.

Quoting: **Nobody in Particular**

Wait...I don't understand, NIP please comment:

1. the folks from Thiaoouba, being of "help" to those from Hebra, would NUKE Sodom and Gomorahh thus going against the laws of God. This reasoning does not make sense.

2. That Jehovah was one of the Thiaooubians, obviously mistaken for God as an ancient astronaut, would give the commandments to Moses, use their craft to part the REED sea and feed the Hebrews on their way out of Egypt. So, are these then the "Chosen ones" of a false God helping out another ET group?

3. Is Hebra another Pleiadian planet? why did not the Thiaooubians simply take them back to their home world?

4. If Esu Immanuel Sananda Kumara comes from Thiaoouba, was at that time, Jehovah or was Jehovah less than of the light?

Thank you

BINGO!!! Thankyou! It is only YOUR PERSONAL JOURNEY, ALWAYS and that was taught heavily by "Jesus" and we are still teaching it. It matters not what culture or religion you have incarnated into, or were born into if a new person, God communicates directly WITH YOU thru your Father Fragment, and this occurs on all planets in the creation with intelligent life evolving on them, Nobody can do your work and your shit except you. PERIOD. Many here on earth during these tumultuous times also have a following of angels and friends from the higher realms communicating with them also. And Christianity in general in all these churches I have attended fails to teach the simply concept of taking responsibility for your actions and learning from them. I have run into really good clerics, but they are infrequent.

Jesus gave the Lord's prayer, which is also corrupted, because people then could not concept having their own conversation with God. but you must. YOu may not directly hear your father fragment yet, but you will get answers as ideas and light bulb moments and the like.

JESUS IS MICHAEL OF NEBADON who is FATHER GOD OF OUR UNIVERSE. ANYONE TAKING A GOD SEEKING JOURNEY IS "following" him as HE is our creator. His Name is not Jesus, Paul made that one up He is Simply Christ Michael of Nebadon in English, other he is GOD. And any language that has a name for God, is his name. Allah for example.

CORRECT, its YOUR PATH and PEOPLE right in this thread are refusing to GET IT.

Church and religious doctrine are not a path at all. when you go searching the buddha path, the jesus path, the mohammed path, and all those paths in the orient, you are not following YOUR PATH. You can certainly read ideas and that which resonates with your can be part of your path. The most important teaching every given and it remains so, is the path of taking personal responsibility for everything YOU CREATE. ONLY YOU can undo your karma and not believing in anybody will undo it. Ponder that.

I had some funny experiences my fresh year in college. I was experimenting with the Catholic Path, mostly because the priest was exceptional. He even refused to re baptize me, saying that had nothing to do with God and not necessary whatsoever and my Episcopal sprinkles were not needed and if I thought they were, they were good enough for the Catholic Church too. He was an excellent counselor for college kids and his counsel sought by non catholics in fact. I was accepted as were all others for communion in his church, he paid no attention to the stupid rules. Well, I never fully became catholic, because the others practiced the stupid rules. And I wouldn't have anyway.

GAWD people, church is flat BORING and I don't see how some of you do it week in and week out. I tried it with a local church for 5 months trying to understand why people do this to themselves each sunday Never did figure it out and the church social and political seen, being an evangelical church just drove me up a wall. These ones had no concept of God at all, including the cleric family. Oh they put on the pretty service of music praising God at the beginning of the service, and all they while praising the LORD they were looking at the sky, and not seeing the LORD is within them. People. YOU ARE WHAT MAKES UP GOD. God in the fullest sense, other than the rulers of the realms, is the universal MIND and your MIND is PART of THE FATHERS MIND. why is that so hard?????????? Your MIND is in fact YOUR SOUL. The MIND IS NOT IN YOUR BODY, It is NOT in your brain, and that is WHY you survive death. In a short nutshell. When you eventually become a spirit being, you will have no body and NO BRAIN interface will be needed.

At the time, there were young women and men around me who thought they could screw and sin all week, go to confession and get forgiveness and then sin again the next week, repeat the confession, use their beads to the virgin and all that stuff. I guess this was funny, I used to laugh at them, because you see, they were not learning responsibility for their actions. They had this stupid believe they could sin away and get absolution from the priest for it. Ditto drinking and other destructive behaviors. This priest laid it on them and told them only they could clean up their shit with themselves and would not repeatedly play that game in the confessional.

Well I woke up and couldn't get back to sleep, so I got up for a bit. being "entertained" on CNN right now about that bloke that I guess burned a Quran, and now some folks in Pakistan or someplace are protesting and burning american flags because one STUPID Religion filled JERK

american burned a Quran, after putting it on trial. I wonder if this jerk even bothered to read it in the first place, because it has not nearly the war in it the bible has of those warring people of long ago. People these things are created by the satanic ones, these revolts and crap This jerk minister is working for them, in the great war between christianity and Islam and the roman church has set up a lot of that over time.

Organized Religions are used by the antichrist or all this pure shit. and many of you support it. Ponder that one. There is such power in groups, where are you USING your God power in groups? You have been in this country manipulated by Pat Robertson and Jerry Falwell and others of their ilk. I know Jerry passed, don't remind me and good riddance to him. They brought you to support the false state of Israel, owned by the Khazars from Mongolia who were such thugs they were driven west to the Caspian Black sea areas, and Eastern Europe.

You should be feeding the poor, getting involved in real political issues based on knowledge. You should be working in groups, I have no problem with that, except you are serving Israel. On sunday Mornings, if you are going to spend your time in expensive buildings with expensive budgets, couldn't you review 911, the Khazar problems, OUR government and the facts that you have never elected a president for a long time now, it's all mind control and jerri ridged where mind control does work.

Some of you may have thought you elected Obama. You did not. You should be vewing and discussing the privatization of every thing in this world, and there are so many documentaries out there right now.

You should be discussing this police state we live in. YEs we do. Yea ones are being made into a borg, of HIVE MIND. HIVE MIND is not of God. And it's going to be destroyed by the WAVE and a lot of teaching. It is said, where there are two or more gather in my name, there I AM. You have great power, but the hive mind they are creating thru religion, you are giving that power to the thugs of this world.

You must learn to individually THINK and the topics of sermons should not be the crap they are. I have not ever heard a single decent sermon, no matter what church I have attended because sermons do not cover life as it is. And your churches are encouraged to get a 501C3, and the minute they do that, they become a corporation dedicated to the thugs of this world.

Taxes on your personal property are immoral. That is how the very antichrist folks enslave you. It is not the way to fund public works. It funds them. YOUR INCOME IS YOUR EXCHANGE of YOUR LABOR, and your LABOR IS YOUR PERSONAL PROPERTY and CANNOT BE TAXED, but do you all discuss THIS on Sunday morning??? would be a GREAT TOPIC THIS TIME OF THE YEAR! Can you imagine what could happen in this country if all the Christians came together, all these millions and millions of adults, and refused to pay the personal income tax? THERE IN IS YOUR POWER dear ones and it goes unused. That is why they created the 501C3, is because to get that you have to agree to be stupid and inactive and just sing to the lord every sunday all the while doing NOTHING FOR THE LORD.

YOu have been brainwashed to support Israel, again which is the Antichrist you have been expecting in the Middle East. Thus you have supported the destruction of their wars and the deaths of 20 million people in Iraq and AFghanistan, but thats OK< right, because after all they are heathens.

GRreat post and although we have lovely music now on this plane, (plus all that satanic gross stuff which is not), we have only touched on the power of sound and the glory of music and harmonics. And as to our language, we will even with English, which is going to be the world language, on purpose, we must develop more and more symbols that convey full ideas with them.

After the changes and when things are becoming a bit more stable, we will begin to teach "Nebanonize" on this planet, the language of Nebadon. And to be able to sing Michael of Nebadon's actual name, not the abbreviated version.

As to all the arts, we have only touched upon what can be created. I remind all Christians, that since you posses reasoning mind and desire, and can create, you are co creators with God. That is what is meant by being the body of Christ or God. Yea ones have not yet even come close to being the Body of God on this world.

the WAVE (the terrible day of the Lord) will set off that process, because it will require YOU to

separate from the MIND CONTROL The Fathers energies will flow to those of heart who can do that. It does not flow to BORG systems.

No my purpose is to seek to end the HIVE MIND that is being created which is NOT in service. When Jesus came, he said he came to not bring peace but to set up the 4th dimension, in which people join real groups to solve problems. The people of the time were living in a mind controlled HIVE just as they are now and only now it has become worse. He came to set up THINKING and Co creative solution to problems not this HIVE MESS. CHRIST (BOTH OF THEM) HAVE RETURNED IN BODIES SO THEY (ALL OF US WHO ARE CHRISTS) CAN BE SEEN AND WORK ON THE PLANET WITH YOU. AND YOU ONES HAVE PHYSICAL BODIES AND IF GOD DECIDES IT IS NECESSARY TO EVACUATE THE PLANET, SAY BECAUSE OF NUCLEAR MELTDOWN ON THE WHOLE WORLD, YOU MUST USE A PHYSICAL SHIP TO GET OUT OF HERE. CRAFT ARE USED BY ALL BEINGS WHO CANNOT TRAVERSE FREE SPACE AND MOST CANNOT IN FACT. BEING IN THE MISUNDERSTOOD HEAVEN DOES NOT FREE ONE OF THE NEED OF CRAFT.

The antichrist has used all the religions to set up HIVES of unthinking people to support the agenda of the NWO. all this silly church stuff every sunday morning is not solving the problems of this world!!! Taxation day is due this month, it's april, will any of your groups be discussing that this sunday morning, tomorrow morning, or will be singing praises to the the sky god and asking HIM

to solve it for you if you are even aware there is a problem?

You are the ones assisting the NWO into business. And guess what, the CHINESE Dragon just purchased the Federal REserve System. Did you know the Federal Reserve is NOT part of our government? Ok may you do, maybe you don't, but did you know that is the CENTRAL BANK of the WORLD and that is WHY America's dollar is the "reserve currency" of the antichrist?

How many of YOU in church went and bitched about the bailout? Did you know American false taxes were used to bail out banks in the Federal Reserve system all over the world? Do you know your local bank down the street is owned by globalists and not a simple business in America providing a tool?

Jesus came to break up the HIVE. Ponder it. YOU are not standing in his Holy Name by doing NOTHING. YOU do not walk in his shoes. And I am not into the new age religious movement because it was created by the same antichrist and is full of stupid shit also. Its purpose was to derail the star seeds sadly, and it has been modestly successful in that, and has provided but another religion for those questioning their religion! go figure on that one.

I do not promote free masonry. That is a bald faced lie. so what is YOUR PURPOSE, by your fruits in this thread, it is to keep the HIVE IN PLACE.

I AM NOT ENTICING "JEW" HATE. I am encouraging ones to seek knowledge of the truth, so that the ZIONIST JEW ANTICHRIST Group cannot own this world. That is all, and the hive is allowing it. And also understand the "elite" khazars have enslaved also their own common people into the hive service also.

THOSE THAT ARE STRONG IN CHRIST, GET OFF THEIR BUTTS AND DO SOMETHING. WHAT ARE YOU GOING TO DO IN CHURCH TOMORROW? OH I SEE YOU WILL COMPLAIN, IF YOU DISCUSS ANYTHING AT ALL, THAT YOU ARE THE PERSECUTED OF THESE TIMES. WHY, BECAUSE PEOPLE LIKE ME CHALLENGE YOU TO FIND THE HIGHER MIND GOD HAS PROVIDED TO YOU VIA YOUR FATHER FRAGMENT? (THAT HOLY SPIRIT THINGY YOU DON'T UNDERSTAND).

WELL ACTUALLY DISCUSS THAT AND THEN DO SOME SOUL SEARCHING AND ASK WHY SOME OF US ARE SO TIRED OF THE HERD MIND THAT DOES NOTHING TO ASSIST THE PROCESS OF BRINGING CHRIST BEHAVIOR TO THIS PLANET. THERE ARE GOOD CHRISTIANS, I HAVE MET THEM.

THEY ARE OUT THERE DOING THINGS LIKE FIRST PRETENDING TO BE PROSTITUTES TO GAIN THE CONFIDENCE OF THOSE WHO SEE NO OTHER CHOICE, AND THEN HAVING COUNELING BUSES AND CLINICS TO TEACH THEM AND HELP THEM OUT OF THE SITUATION. THESE ONES ARE WALKING THE SHOES OF CHRIST EVEN IF THEY DON'T ATTEND A CHURCH. AND AFTER ALL, CHRIST IS GOD, SO IT MATTERS NOT IF THEY HAVE HEARD THE NAME JESUS ANYWAY. WHICH WAS NEVER HIS NAME.

NOW WHEN YOU GO TO CHURCH TOMORROW MORNING, TAKE A CLOSE LOOK AT THAT INSTITUTION YOU ARE PART OF AND ASK WHAT IT DOES TO ASSIST THIS WORLD? WHERE IS THE POWER OF CHRIST? SINGING AND SILLY SERMONS DO NOT SERVE THIS WORLD, WILL GLORIOUS MUSIC DOES BUT MOST OF THE WORDS IN IT SUPPORT THE ANTICHRIST. IT IS NOT ENOUGH TO SING EVERY SUNDAY.

YOU MUST CHANGE YOUR SINGING INTO ACTIONS. SING FOR 15 MINUTES AND THEN MAKE YOUR MIND CONTROLLED PASTOR STEP OFF THE PODIUM BEFORE HIS GIVES HIS STUPID SUNDAY SPEECH AND ASK FOR THE CONGREGATION TO DEVELOP SOME SORT OF REAL PROJECT. BETTER YET, CONVERGE ALSO ON YOUR HIVE MINDED or Antichrist pretender PASTOR OVER THE WEEK AND SUGGEST SOMETHING OF SUBSTANCE ON SUNDAY. IF HE/SHE REFUSES, FIRE HIS/HER SILLY ASS, BECAUSE YOU PAY The SALARY.

No my purpose is to seek to end the HIVE MIND that is being created which is NOT in service. When Jesus came, he said he came to not bring peace but to set up the 4th dimension, in which people join real groups to solve problems. The people of the time were living in a mind controlled HIVE just as they are now and only now it has become worse. He came to set up THINKING and Co creative solution to problems not this HIVE MESS. Yes there is a Divine Cosmic Mind, GOD. He's all that is, that was and that will be. Pure energy of Light.

There is no religions there just love.

The Message of John the Baptist and Jesus

We devoted Chapter 6 entirely to this topic, but to understand Jesus' first use of gehenna in the Sermon on the Mount, we must first have his ministry, and that of his contemporary, John the Baptist, in their proper contexts. We saw there that Malachi prophesied the coming of John the Baptist, and that Jesus confirmed that fulfillment by John. John's preaching consisted of announcements of an imminent ("the axe lieth at the root of the tree") fiery judgment on Israel if she didn't repent. This was the same fiery judgment of which Malachi had spoken, and said that John would announce. With this idea of imminent fiery judgment in the context, John continued in Mt. 3.11-12:

I indeed baptize you in water unto repentance: but he that cometh after me is mightier than I, whose shoes I am not worthy to bear: he shall baptize you in the Holy Spirit and in fire: whose fan is in his hand, and he will thoroughly cleanse his threshing-floor; and he will gather his wheat into the garner, but the chaff he will burn up with unquenchable fire.

Remember this "unquenchable fire." It will figure in our study throughout. It is the fire spoken of by Malachi, John, and Jesus.

Al Maxey, a serious student of these matters, has noticed the following about the word translated "burn up" here:

This is the Greek word katakaiō which means "to burn up; consume." It signifies to completely, utterly, totally destroy with fire. It is enlightening, in the context of this study, to note that this word is used in the LXX (Septuagint) in Exodus 3:2 where Moses beholds a burning bush--"The bush was burning with fire, yet the bush was NOT consumed." (Al Maxey, "The Consuming Fire, Examining the Final Fate of the Wicked in Light of Biblical Language," Reflections #46, June 6, 2003.)

Hence John and Jesus said the wicked would be consumed with unquenchable fire, yet we popularly read it to mean they will not be consumed, thinking folks in hell will no more be consumed than the burning bush was!

In Mt. 5.21-22, Jesus used Gehenna for the first time in inspired speech:

Ye have heard that it was said to them of old time, Thou shalt not kill; and whosoever shall kill shall be in danger of the judgment: but I say unto you, that every one who is angry with his brother shall be in danger of the judgment, and whosoever shall say, Thou fool, shall be in danger of the hell of fire (Gehenna--SGD).

As we mentioned earlier in this study, Jesus actually used the Greek word Gehenna for the first time in inspired writing. The word had never occurred in the Greek Old Testament, the Septuagint. When we read the word hell, all kinds of sermon outlines, illustrations, and ideas come to the fore of our minds. None of these came to the minds of Jesus' listeners, for they had never heard the word before in inspired speech. It is very significant that the word did not occur even once in the Septuagint, quoted by Jesus and his apostles.

I suggest that to the Jews in Jesus' audience, Jesus' words referred merely to the valley southeast of Jerusalem. In their Old Testament background, Gehenna meant a place of burning, a valley where rebellious Jews had been slaughtered before and would be again if they didn't repent, as Malachi, John the Baptist, and Jesus urged them to do. Jesus didn't have to say what Gehenna was, as it was a well-known place to the people of that area, but his teaching was at least consistent with the national judgment announced by Malachi and John the Baptist. The closest fire in the context is Mt. 3.10-12, where John announced imminent fiery judgment on the nation of Israel.

The next passage is Mt. 5.29-30, where Jesus used Gehenna twice when he said:

And if thy right eye causeth thee to stumble, pluck it out, and cast it from thee: for it is profitable for thee that one of thy members should perish, and not thy whole body go into hell (Gehenna--SGD). And if thy right hand causeth thee to stumble, cut it off, and cast it from thee: for it is profitable for thee that one of thy members should perish, and not thy whole body go into hell (Gehenna--SGD).

The next passage is Mt. 5.29-30, where Jesus used Gehenna twice when he said:

And if thy right eye causeth thee to stumble, pluck it out, and cast it from thee: for it is profitable for thee that one of thy members should perish, and not thy whole body go into hell (Gehenna--SGD). And if thy right hand causeth thee to stumble, cut it off, and cast it from thee: for it is profitable for thee that one of thy members should perish, and not thy whole body go into hell (Gehenna--SGD).

Go read rest for yourself. Gehenna was mentioned several times by Jesus. It was called hell by the translators for the sake of unity and brevity, because it's somewhere we don't want to go.

Stop trying to mislead people

Me 777 consider yourself Banned, I am not angry, I am a messenger and my organization IS the 2nd Coming organization partnered with the Very Christ Michael with whom I do work, "Jesus" himself. I have been personally to his craft. He is using a BODY for this mission, and the BODY requires a craft, which is named the Phoenix. the Phoenix was in earth skies for 9 months in 2005. I am not angry, but I am tired of the bullshit. I am not on the defensive. This planet is greatly in trouble for the lack of Truth. It is said God is Love, God is Truth, God is MIND. etc. and so on and so forth. There is little true love on this planet, and little truth, and too much mind operating in HIVE frequency. He came to break up the hive, that is the admonishment that he said, when he said he came not to bring peace but set son against father et all. man was in HIVE behavior back then.

He came to start the process of ending the HIVE MIND, and those very ones supported by Christianity, the Khazar Zionists, are the elite who are building HIVE MIND which will be controlled by computer and thus be BORG mind. Ponder that carefully. I am not against God and Jesus. I am merely a lot further on the trip and I have obtained residency on Paradise.

I know of what I speak, and by being here I also demonstrate that I also sit at the right hand of the Father, as I found him there at the center of all things. This is the beautiful story he TRIED TO TELL YOU ONES!!!! **That you too shall be called the Sons of God, that you to shall one day sit at the right hand of the father.** And you ones just all copy and paste that without knowing what it means. I am here to tell you what it means. GET a UB and start reading the thing, it was the promised gift of the word before the end times along with the PJ's which were developed as an emergency project to cover the actual problems on this world.

For those who wish to know, Christ Michael IS your very Jesus put this out last August. He is returned dear ones. IN PERSON. IN a Body, so he can work here. This is the WAY explained. Most of this applies to his fallen angels and galactic thugs. You ones do not understand the structures of the creation and the government of it. All evolutionary planets belong to "local universes". When you look at Hubble images, the spiral nebula of outer space will become UNIVERSES, governmental bodies. Creator Sons develop them, create the necessary help (angels,) and seed planets with life as they become ready. Our local universe is Nabadon, #611,121 of 700,000 initially projected universes. the creation is not an accident beloveds and it grows and there will be many more than 700,000 local creations. Each local creation will average, 10 million planets on which life can be evolved. Now do the math, that is a lot, 7 trillion projected evolutionary planets with evolved mind on them. There are at this time about 5.6 trillion already. The first level of out space, that area beyond the current 7 superuniverses, has more mass developing in it than the entire current creation. We are not one silly little lone planet, for those of you who "believe" that one Belief is not knowledge.

God said, my people perish for lack of knowledge. Well that is happening on this planet right in front of your eyes. So be it, you have allowed it. You are perishing from lack of knowledge and lack of taking action, as you are all waiting on Jesus to come fix it FOR YOU. You are God manifest on this planet because you have seeking, creating mind. Start using it.

Christ Michael as Creator Son, is FATHER of Nebadon. And then there is the universal Father, First source of the entire creation which is MASSIVE. God dear ones sent himself, not his only son to this planet. However, the Creator Sons find their parentage in the universal Father and the Eternal Son. So they are also sons and are called, just as YOU "only begotten Sons of God" because NO Sons of God, of any order, match any other Sons of the Universal Fathers. Every Son and Daughter of God have their PERSONAL EXPERIENCE and so no two can match.

It matters NOT what name is used to designate the Creator Son of a Universe. As I have stated, Christ Michael and Aton are greatly simplified. It takes 1/2 page to write down the SOUNDS of his name, some of which we cannot duplicate, and then the whole thing is "sung" as his name is recorded AS SOUND in Harmonics. Sound is the primal force of the creation beloveds. It makes no difference whether you call him Jesus, Christ Michael, Aton, The Man, God, Allah, or whatever you call God in your language and culture. You Christians are going to learn a very painful lesson when the WAVE manifests and so will every other person who has given their individuality to a HIVE. The HIVE dear ones is of Satan, who cannot CREATE, but only use and destroy. YOU CAN CREATE and that is the hugely missed message also.

Please print this out, or save it to your computer and read and read and read until it settles in.

Now here is his statement.

### **'I Am the Way, the Truth and the Life.....-Christ Michael**

"I Am the Way, the Truth and the Life. No man cometh unto the Father but by me"

This was a pivotal piece of teaching bequeathed by the Master Jesus when He walked your earth plane, yet no man truly understood its meaning. Man was not sufficiently ready to receive this truth then and is scarcely ready to receive it now. **Yet it is significant that during these auspicious times when the planet is about to enter a new cycle of life where dimensions anew are to be experienced and earned, man must awaken to a higher understanding of himself and he can only do so if he understands Me.** Milestones have been achieved by mortals in terms of advancement, yet spiritually they fail to attune themselves to a great truth that if understood could change the tenor of their existence and path of soul evolution. I come again this day to effort to explain this simple yet understated Truth.

I am the Way means that I am your ticket to a new destination. The ticket is only dispensed when a choice is knowingly made. You must choose Me through belief and active seeking and you will be given directions that will enable you to plot the coordinates that shall keep you on the path as you create an enduring alliance with Me. When you are able to make this choice you will clearly see that I Am the Way out of the illusion of mortality into the reality of immortality.

**So we have primarily established that I Am the Way to eternal life. Yet eternal life can only be guaranteed for those who can find and free their inner God presence. It is I who shall direct you ones on the course that you must adopt to achieve this feat for first you must know Me before you can know yourself and be inclined to liberate that which is divine within you.**

I would like to explore with you a different perspective of what it means when I say 'I AM the "Way".' The "Way" cannot be separated from the "Light" as the light brings clarity of purpose and engenders a clear path to the destiny of choice. The "Way" and the "Light" therefore go hand in

hand. I say that the Way is the Light and I am the Way and therefore the Light.

Yet another perspective of the "Way" shall I offer to you. Did I not birth my creation (Nebadon) from love, being the reason and root cause? Did I not create by way of electric light waves of motion from the stillness of my mind? Is it therefore not true to say that stillness motivated by love to create by light is the "Way"? Can you therefore not see that the "Way" is Love and Light and that when you choose Me you choose Love and Light? **If Love and Light is the foundation of your earthly journey you will have found the "Way".**

Did I not think my creation into being? Am I therefore not within my creation? Is the ultimate goal not to return to Source? If I am my creation and within my creation then the only way back to the Source is through Me. Does this make sense to you ones who need to rationalize ME?

I AM the Way, I AM the Light and I AM the Love manifested in my creation. I created from a point of stillness through Light motion. Does this not mean that if you choose the "Way" you too can create all which you desire to create? The "Way" enables you to reflect and be all that the "Way" is for are you not also the "Way" through Oneness with Me? The Way you shall become when you find and know Me.

I AM the Truth.

Man fights amongst himself seeking to have his truth rendered as superior to another. Yet hardly do men know what Truth is. You cannot know Truth unless you know Me- The "Way". For the "Way" shall always lead to the Truth. Man has belittled the Truth by tainting it with his personal agendas. The Truth is never influenced. It is impartial. It is inexplicable and beyond rationalization. The Truth must be known and that knowledge comes from knowing Me. Man's truth mostly is generated by that which is external, seldom reconcilable with his inner knowing and void of inner validation.

The TRUTH JUST IS AND IS JUST. That which is Truth knows only balance. It is as still, steadfast and immutable as the Creator. There lies no mystery or magic in Truth. I can say no more except to remind you that Truth emanates from within you because its origin is divine.

**When you choose the "Way", you choose the Truth and it is the Truth when known and accepted that shall lead you to attain the divine promise of eternal life.** For at this point in your understanding you shall accept without hesitation that I AM THE LIFE, that which is eternal and so shall you be also when you can **know** this.

**Beloveds the life I speak of is not of mortal orientation. It is life immortal to which I refer. Life resides only in the spirit not the flesh.** The spirit is All- its longevity is guaranteed by the promise of eternal life. Yet eternal life is always a choice as much as a gift/promise. For I will never force my children to choose Me; they must freely make this choice. I can say to you that many have chosen to be uncreated instead of choosing Life. I wish to emphasize that even in your sphere of reality which is earth plane, you are eternal. Mortal death is merely a transition to allow the soul to take stock in order to determine the next level of experience needed along its

ascending path.

**You on earth during your incarnation must understand that your life on earth does not give you the freedom to do that which you please without being accountable or responsible.** You do not, contrary to popular belief have one life to live. When you can understand that I am the Life and so too are you, then you will realize in your incarnation that what you do will always impact on the evolution of your immortal soul.

So what do I mean when I say "No man commeth unto the Father but by me".

The ultimate goal as I reminded you earlier is the return to the Source of ALL. Yet those created by Me can only return to the Source by Me for I AM THE WAY.

You cannot bypass Me to get to the Source for I AND MY FATHER ARE ONE.

You cannot fudge your way to the Source without Me for I AND MY FATHER ARE ONE.

You cannot cajole your way to the Source without me for I AND MY FATHER ARE ONE.

You cannot say that Christ Michael does not exist and seek to make your way back to the Source for I AND MY FATHER ARE ONE.

You cannot believe in the Source and not in Me for I AND MY FATHER ARE ONE.

You cannot know of Me, denounce Me and choose the Source for I AND MY FATHER ARE ONE.

When you know me, see me and hear me you will see, hear and know the Father, the Source- the Centre of All. I AND MY FATHER ARE ONE. You must become ONE WITH ME for I AM the Way to the Source.

My beloved children, it was a delight to once again effort to explain what this most crucial teaching means. I trust that I have brought clarity and ask that you ponder these words and see whether enlightenment dawns.

I am Christ Michael Aton, come this day to bring the word again and thank this my child for being the emissary of the truth.

WRONG, YOU ARE A FOOL WHO IS DECEIVED. I KNOW that all you did was to strengthen the truth spoken by NIP for she backs up her WORD with REASON and appeals to the thinking MIND. I smile and find your weak arguments to have the feel of the cold, slow vibration of the dark. And what do you bring to the table?

You need to use media of a silly website that you promote, your contest is weak, filled only with doubt-instilling accusations and trigger words so common with those programmed to believe in the peer-pressure-pulpit bullshit. One only has to discover for themselves FIRST, before spouting of stupidity with nothing to back it up but fear.

OP's "mission" on this forum is **NOT** to try to discredit the truth of the Bible -- it is for people to understand what is falsley taught by the Bible. If one truly uses their God given independent MIND to reason and read, the TRUTH she gives is right on the mark. OP does NOT to entice Jew Hate, She spreads TRUTH about who Jews are are NOT, that is the Khazars. Your silly attempts at sweeping generization does not convince, it only reaffirms that to which OP states as truth.

What is this BS?? to promote Lucifetian "spirituality" of coming satanic NWO. Clearly your stupidity is even more revealed here, I send you abundant love that you may go out and research for yourself, how misled you are. For I have scrutinized, research to the hilt, and question the work of OP and she speaks the TRUTH! THINK, READ, QUESTION, and form your OPINION only after you have used your MIND to KNOW and you too my friend, will discover that OP promotes only the true WORD now available, to those such as yourself, who choose with WEAK argument, to discredit someone so NOBLE that she (OP) has the courage to correct ones such as yourself.

Take heed, listen for the sound of the WAVE, and PREPARE yourself, for soon the truth of who you really are will be revealed to all. Now, go study, read, and have a nice day :).

Above a lovely persona has taken time to post on the Greek World Gehanna. Beloveds, Jesus spoke aramaic. Not Greek. so can you see the possibility of the translation problems? Especially with all the cultural issues involved? The Holy Spirit which I still need to cover does not make sure the bible got written correctly. That is not it's function. I am not against you ones, I am trying to show how you are not walking in the shoes of Christ, you are not yet his body. After the big cleanse of the WAVE, those on earth who receive the energies, will be the body of Christ, and this is open to all men and women of earth, has nothing to do with your religions, which have been so very destructive against each other.

Look at what CNN is doing since their introductory documentary about living next to Muslims and I hear all sorts of against the muslims crap on it today. They are not your enemy, YOU are your won enemy on this world. You are enabling the destruction of this planet as well as is Islam because of the LACK OF TRUTH. You ones have been set against each other by the Khazar Zionist who were NEVER EVER from the Holy Land. I am not repeating all of that here, you can read the thread or not

The FIRE is the energies of God that have been manifesting for some years now. Not God as Person, but rather cosmic energies. For example, one of those, is special gamma rays coming from the Center of the Milky Way. These puppies clear karma issues in DNA. I have run into many people who said that God would not destroy the earth this time by water, but by fire.

well God didn't destroy the earth by water last time, the Anunnaki did that. They brought down the vapor barrier called the firmament, and that is why it rained for 40 days. The poster above has written about Israel not exactly being in favor with God and they must repent. That was true. But the FIRE this time is not literal fire as that which burns in furnaces, it is a cleansing fire that removes the old and renews that which is of God. There are many parts to this cleansing fire.

I may further review the above post by method of quoting and add commentary, not going to start over now. There is much lovely material in it. but some has error. There is a great deal of error in the bible and those of "Israel" back then were in great error in their ideas of God. The Pharisees et all were not of God at that time. And again, the Khazars are not from there, but adopted the very evil Talmud of those times to follow.

There were two versions, one before Christ and One After. Been awhile since I studied that, but why don't some of you google, and find the information. These ones HATE your jesus! And you make them above yourselves as the chosen people of God. These ones are the ones of Abraham of which there was a covenant. The bible has great truth in it, but it is not all truth. It has great lies in it added on purpose. Even the truth is not understood as some of you ones have no idea what the GReat and terrible day of the LOrd is. You are about to experience it. It is not some God coming blasting out of the sky.

You know, while it's not important, that you ones don't even have the age of Jesus right from the time of his ministry or whatever, because he was not born in the year 0, he was born in 7 bc, on August 21, but the calendar of that time, did not contain our months, that has been calculated by some of the heavenly angels who were on this earth then and converted to the ac bc system we follow to day.

As to your question on doctrine, what are you asking, "my doctrine" or Christianity? Had a short nights sleep so I am sure what you mean. I don't have a "doctrine" as to what I teach. we just teach the WHAT

Sadler never wrote that, you are quite misinformed It was given thru a sleeping prophet, similar to Edgar Cayce, and was the result of many questions asked by a team of people who had that purpose. The book is far too complex for any earth man to have written. You are invited to not post this crap again , because your post obviously says you are an infiltrator to this thread.

Your post clearly says you have NOT read it and therefore you can judge it by the crap you read on the internet. Passing crap you read without studying is not wisdom.

Hey man nice question and I appreciate that it doesn't seem to come from a place of bitterness and hatred.

My answer wasn't found in your list of choices though.

I personally believe if someone has never had a chance to deny Christ, why would God hold that against them?

I mean think about it.

We received Christ 2000 years ago.

There was a long period of time after that where the vast majority of the known world still had not had the gospel preached to them.

The Bible in no way shape or form **ever** says that those people who haven't been reached yet are condemned. Nay, rather they are, as before, to be judged by their own heart, their own deeds, their own actions.

So by that same logic, if there are still some places where the gospel has not adequately been preached, why would the people in question be condemned to eternal torment?

There seems to be a glaring oversight where Christians today think that because THEY have the gift of Christ, then everyone else in the whole world must have had a chance to receive it too.

By this same standard, there are people in America who for whatever reason have not had an honest chance to deny Christ.

Though, very few - I must stress.

Picture this. You have a def blind and dumb person. But they are adults. Well past the age of accountability.

Are they condemned?

Pfft!

Come on people.

Our Lord is a Lord of compassion.

When this def blind and mute person enters into the afterlife, do you not think the Lord Christ is going to HAPPILY bestow upon this soul their new heavenly form? Free of the difficulties they

have faced physically in our life?

I don't have the answers myself. I cannot say who is fit for heaven or hell.

But it doesn't take a lot of deep thought and honest approach to the scripture to realize that our Lord is a loving, most merciful, infinitely forgiving Shepherd

I spread the gospel here not to attack. Not to prove people wrong. I do it because I would be selfish and greedy not to. I have been given the greatest gift imaginable, and it cost me nothing.

Time to turn your sword of Truth into a tool of salvation rather than weapon of destruction friends.

"Ye have freely received, so shall ye freely give!"

I Love you all

God Bless you ALL who would seek him

And God Bless you all who never got a chance to know him

He knows you. and he loves you!

THOSE THAT ARE STRONG IN CHRIST, GET OFF THEIR BUTTS AND DO SOMETHING. WHAT ARE YOU GOING TO DO IN CHURCH TOMORROW? OH I SEE YOU WILL COMPLAIN, IF YOU DISCUSS ANYTHING AT ALL, THAT YOU ARE THE PERSECUTED OF THESE TIMES. WHY, BECAUSE PEOPLE LIKE ME CHALLENGE YOU TO FIND THE HIGHER MIND GOD HAS PROVIDED TO YOU VIA YOUR FATHER FRAGMENT? (THAT HOLY SPIRIT THINGY YOU DON'T UNDERSTAND).

WELL ACTUALLY DISCUSS THAT AND THEN DO SOME SOUL SEARCHING AND ASK WHY SOME OF US ARE SO TIRED OF THE HERD MIND THAT DOES NOTHING TO ASSIST THE PROCESS OF BRINGING CHRIST BEHAVIOR TO THIS PLANET. THERE ARE GOOD CHRISTIANS, I HAVE MET THEM.

THEY ARE OUT THERE DOING THINGS LIKE FIRST PRETENDING TO BE PROSTITUTES TO GAIN THE CONFIDENCE OF THOSE WHO SEE NO OTHER CHOICE, AND THEN HAVING COUNELING BUSES AND CLINICS TO TEACH THEM AND HELP THEM OUT OF THE SITUATION. THESE ONES ARE WALKING THE SHOES OF CHRIST EVEN IF THEY DON'T ATTEND A CHURCH. AND AFTER ALL, CHRIST IS GOD, SO IT MATTERS NOT IF THEY HAVE HEARD THE NAME JESUS ANYWAY. WHICH WAS NEVER HIS NAME.

NOW WHEN YOU GO TO CHURCH TOMORROW MORNING, TAKE A CLOSE LOOK AT THAT INSTITUTION YOU ARE PART OF AND ASK WHAT IT DOES TO ASSIST THIS WORLD? WHERE IS THE POWER OF CHRIST? SINGING AND SILLY SERMONS DO NOT SERVE THIS WORLD, WILL GLORIOUS MUSIC DOES BUT MOST OF THE WORDS IN IT SUPPORT THE ANTICHRIST. IT IS NOT ENOUGH TO SING EVERY SUNDAY.

YOU MUST CHANGE YOUR SINGING INTO ACTIONS. SING FOR 15 MINUTES AND THEN MAKE YOUR MIND CONTROLLED PASTOR STEP OFF THE PODIUM BEFORE HIS GIVES HIS STUPID SUNDAY SPEECH AND ASK FOR THE CONGREGATION TO DEVELOP SOME SORT OF REAL PROJECT. BETTER YET, CONVERGE ALSO ON YOUR HIVE MINDED or Antichrist pretender PASTOR OVER THE WEEK AND SUGGEST SOMETHING OF SUBSTANCE ON SUNDAY. IF HE/SHE REFUSES, FIRE HIS/HER SILLY ASS, BECAUSE YOU PAY The SALARY.

Quoting: **Nobody in Particular**

Well my computer tells me its MONDAY. So what did all of you accomplish in church yesterday? On our false Sabbath that is a teaching of the Talmud, and not the teaching of Christ? He taught that everyday is HOLY. Did the cows go un milked while you had your sabbath? Did you know that Jesus and his team worked on the "sabbath" and were shit on for it? did you know the teaching suggests some time off from the world for any of various reasons? did you know that Jesus and his team often took WEDNESDAY off, for meetings and recuperation of spirit?

this is the LAW you ones do not understand. READ and Weep and understand, by using the FATHER (your father fragment/thought adjuster) within you.

## **5. REMEMBER GOD'S "DAY" AND KEEP IT HOLY.**

Now within the "so-called" Christian Bible, this law has been interpreted as "A" day and the day that was chosen by HUMANS was the one called SUNDAY and also called "The Sabbath". This was the day which HUMANS said that NO work could be done and you must go to THEIR Church and pray, repent and give thanks because this was God's day.

We must tell you this is not correct because ALL days in the Kingdom of God and The Creation are HIS. This means you must keep ALL of your Days HOLY in reverence to THE DIVINE HOLY ONE PRESENCE OF GOD WITHIN ALL OF THE CREATION. EVERY day you must, as a part of your prayer, acknowledge and give thanks and HONOR unto God and The Creation for ALL the blessings of abundance, Wisdom and LIFE which THE FATHER WITHIN YOU has bestowed upon you.

Remember this about the true purpose and POWER of Prayer and Meditation. PRAYER is Asking for guidance from the Father within for WHAT YOU NEED TO KNOW IN ORDER TO SUSTAIN IN HIS SERVICE, "AND IN ALL THINGS, FATHER, NOT MY WILL, BUT THINE WILL BE DONE." MEDITATION then is RECEIVING that information from the Father within to sustain in HIS service. Eventually, YOU will ALL be in a constant state of meditation and communion (mutual participation or sharing) with the Divine Father within.

Now, Sunday has also been called God's day of rest. This is not logical. What about the farmer who has animals and his fields to tend? This is not to say that you cannot rest. But your rest may be on a Monday or a Wednesday or maybe just an hour or two each day. It will be different for every human depending on the conditions of his service to God. WHEN the cycle of time comes when all is returned to the ONE of THE CREATION, there is a period of what might be termed as "rest". This means that life as you know it in this illusion will cease to exist. It is one of the Great Mysteries which measures in cycles the ebb and flow of THE ONE DIVINE SOURCE OF ALL THAT IS. Until that time, GOD within you will guide you as to when the necessary times of rest are for you.

Hmm I have an interesting question. Since christians also follow the old testament, of the Lord God of Israel, does that mean that Jesus as the only Son of God, is the son of the Lord God of Israel? I thought you ones believed the Holy spirit was the father, conceived of the Holy spirit so you say?

ok I have taken a few days off from this thread. But one of the things that has bothered me all this life and perhaps some in the past, from my "free black" /Catholic incarnation before the Civil War , or perhaps the last one in Germany, is that dreaded cross with the dead Christ on It. Beloveds, that is flat satanic and you ones love a dead person hanging on it. It was introduced unto you ones whenever it did appear to MOCK Christ. It is the antichrist symbol of their joy in his MURDER.

Now here is what the CROSS of the cosmos on Nebadon looks like. The American Indians used it alot, as to shape. This is the logo of @bun@ntHope I was given to use many years ago and we have played with different versions. Still a work in progress but this the beginning of the final version . This is the Sacred Christic Circle and it was given to me to use for this partnership organization between man and God in 2003. This is copyrighted. If enlarged, I made a small version to use here, it has AH in the middle.

From the returned Jesus ( The Esu Immanuel portion, not the Christ Michael portion) about 20 years ago. the sacred circle of Infinity is in my post above.

SANANDA

Peace, Thomas, for I am come. I Am Sananda of the **Sacred Circle of Infinity** for I am come again as ONE with The Most High Living God/Aton/Father. Man will never again return unto the unknowing and the ignorance that has been his downfall. Never again shall the darkness keep man bound from walking within the lighted Presence that I Am. Each must choose ... each must decide. Always man will cast to the side that which does not suit his view, his way, his opinion, his new laws. It matters not one whit. Nothing shall be changed for herein lies the Truth of the matter, plain for all to see. All who have eyes to see and ears to hear shall receive the message and be increased thereby. Each may come into knowing and therein be most grateful, for these are the instructions you have pleaded for and at last you have that which you have wanted, for lo, these eons of time.

Man has struggled in his turmoil and conflict and warring nature. Man has lusted after women without shame and now lusts after man in like manner ... you have entered into the pit of darkness and you must return to living according to these LAWS OF GOD AS THEY WERE GIVEN UNTO THEE FOR THINE GREATER GOOD. You have been careless and thoughtless and have trampled the Holy Word of God under thine feet. No longer shall you do this in ignorance ... each shall act responsibly in their decisions to remain in darkness. And the decisions made in conscious error shall be the most painful of all. The soul shall cry out at that hour when standing in the Presence of the Mighty I AM. We weep for you and plead with you to hear, to take heed, to change. YOU ARE RESPONSIBLE AND YET YOU HAVE BEHAVED IRRESPONSIBLY. EACH SHALL BE GIVEN TO FACE THE CHOICES AND THE CONSEQUENCES SHALL RETURN UNTO THEE.

Do you recognize that the Hosts of Heaven have been sent? Do you acknowledge that God/Aton has returned to the once beauteous jewel to bring order out of the chaos of this ending cycle? Why do you not believe that I Am come again? Has it not been prophesied? How did you think I would return? Did you think to one day turn on "60 Minutes" perhaps and see me speaking with Mike Wallace? Did you think that one day you would turn on TV and see me preaching from the stage of the Crystal Cathedral? Come now ... times have not changed so much ... the crucifixion would take half the time. I HAVE NOT SAID THAT I AM COME AGAIN UPON THAT PLACE ... I HAVE SAID THAT I AM RETURNED WITH THE HEAVENLY HOSTS, AS PROMISED LONG AGO, AND WE ARE ABOVE YOUR NOW POLLUTED AND TROUBLED PLANET TRANSMITTING FORTH INSTRUCTIONS FOR YOUR VERY FREEDOM, SURVIVAL, AND GODNESS. WILL YOU LISTEN? WILL YOU LISTEN?

What must be done in order that you will listen to the message? Has it not been said that by their fruits you shall know them? Herein is your life-raft. We do not come to force anything upon you ... we come to offer instruction and tell you the way that it truly IS. Man may do what he will, as he

has done to this point. It takes no brilliant mind to see that you are in most grave circumstance. Why will you not consider the messages that are offered for your protection and wisdom? THE LAWS OF GOD ARE FIXED ... IMMUTABLE ... MAN MAY CHANGE WHAT HE WILL BUT HE WILL NOT CHANGE THE LAWS OF GOD FOR THEY ARE THAT WHICH WAS GIVEN FOR BALANCE WITHIN THE CREATION. MAN HAS SOILED THAT WHICH HAS BEEN GIVEN INTO HIS CARE FOR HIS STEWARDSHIP.

Herein you shall find The Laws clearly outlined. There is no room for misunderstanding the message. There are no little grey areas for you to move around in. If you violate The Laws after completing this document you shall do so willingly, knowingly, and therein shall be CONSEQUENCES FOR THOSE ACTIONS. God is most forgiving for actions done in ignorance. Willful violation of The Laws is entirely a different matter. It is the better part of wisdom to heed this warning for it is most grave indeed.

We are at the final hours of the planetary cycle. Choices will be made by man that shall affect him for eons in your future counting. Be most cautious when seeking the momentary thrill, for the excitement you seek shall not satisfy you in the countless generations of recycling and rebirths before you as you learn well the lessons you so carelessly refused to learn this time around. Fleshly pleasures are fleeting ... the soul is infinite ... and in the cosmic realms of where we dwell ... infinity is a long time indeed. Ponder it. Where do you wish to spend your time? Upon what do you wish to gaze? In the ending will your ego-filled and willful ways have been worth the pain you shall experience in the recycling of rebirth? Why does man always think that he knows better than God? Foolish, foolish man. I do not come here to chide you. I come to plead with you on bended knee ... these are your instructions ... clearly given in full radiance of The Father's presence. These are no abstract concepts for you to struggle with ... read them ... learn them ... live them. To return to the radiance which I AM, The Laws are truly the only way in which to live. The Laws are the ultimate in logic and reason. The Laws work. Has your way worked? Oh? Look around you ... look at your planet. Perhaps you should take the next shuttle flight, if it is not cancelled due to faulty equipment, and view your very atmosphere from great distance and you shall see how man's way has worked thus far. You are in most dangerous waters and the instruction we bring with total love is offered to bring you back unto the Presence of Holy God. Why do you resist so?

Beloved, we are here. I Am returned. I Am returned with the Heavenly Hosts and with The Father/Aton. Listen to the words we bring for therein IS LIGHT. Man has walked the darkened pathways for too long. Return to the ways that shall see you through unto the lighted realms wherein I dwell. The time grows most short indeed and the hour for deciding is upon you. Which path shall you walk? Come ... walk the good Red Road ... walk the lighted pathway according to The Laws herein and you shall KNOW GOD.

I place my seal upon these words. I Am Esu Jesus Immanuel Sananda of the Christed Sacred Circle of Infinity and ONE WITH THE FATHER. Blessings unto all in whose hands these words are placed for you have found your very soul's freedom therein. Walk most gently the pathway before you and treat your brother as ye would be treated for you are, in truth, one.

Salu

Dear Christians, I asked early this week what you did and discussed in Church on Sunday. I bet this was NOT a topic. Now dear ones, in your large groups all over the world and Perhaps I should address this to all muslims and others in religion, where has your work for JESUS and Mohammed, and GOD PERIOD, gone? To stupid shit. That is where. This is the problem with organized religion. It is always satanic. You ones should have been busy on this one topic alone. This is by Germain, master of the 7th ray written about 20 years ago. You won't listen, though, you probably don't think your Jesus would like you to listen to it, you are only worried about stupid baptisms, and being "born again" in some ritual so you can be "saved". This stuff can damage your souls too, if unleashed massively. They are not photon souls yet, and can be damaged seriously and even destroyed. Ponder it, it's not just about the body, which is never resurrected to "heaven." The piece follows by Germain

\*\*\*\*\*

The special reason you should begin to understand the essence of it now is because it is against all scientific tradition and concept. It will be proven to you all through this book, however, for our whole case rests upon it. If present day belief is right in its concept that the atom is held together from the inside, then there is no case, and these writings would be worthless. If we are right in our knowledge that all matter is a powder keg which is intensely desirous of being released from its forced imprisonment, and needs only the right kind of match to explode it, you can then see that radioactive fission is that match, and these writings are priceless saviours of the race.

It only stands to reason, therefore, that if every cell in your body wants to explode, and that radioactivity releases millions upon millions of deadly niton and alpha "matches" in our atmosphere, which will help your body cells to explode, and you breathe in enough of them, you could no more continue to live than your tire could hold its air if you open its valve. This actually happened in a laboratory where some radioactive gas escaped and a man breathed it in. He had a lethal dose and could not live. Of course he could not live, nor can the whole human race and the earth's vegetation live when microscopic strontium, barium, radium and plutonium "matches" by the millions are in all the water you drink, all the food you eat, and in every breath you take. Some of your cells will constantly explode. Strontium will give you bone cancer and make you breed terribly abnormal children. Radium and plutonium will kill you by eating your red blood cells and causing leukemia victims by the millions. We will give you the detailed reasons for this as we proceed, but we do not need to tell you what cyanide of potassium will do to you, for you already know. Nor do we need to tell you what chlorine, the most deadly gas which laboratories fear, will do to you, for you already know. What then can plutonium rays do to you? They are a million times more deadly than chlorine gas, which every laboratory dreads. Also, what can it do to the planet? Its rays will endure for 20,000 years or longer. It is quite possible that the earth could remain barren that long, or very much longer. Organic life would have to "evolve" again from its very beginning.

That could happen if you continue to spread those thousands of reactors around your world, for each reactor has a uranium pile of ten tons. That means that thousands of Frankensteins would be in your midst against which you are totally helpless. You could not even approach them to destroy them--check out Chernobyl. Naturally that could not happen, for mankind would discover his great error long before the country could be dotted with plants, but it is more than probable that enough would be constructed, and their shields become as dangerous as they themselves are, to cause wholesale migrations to far northern latitudes for very survival. Great cities would become deserted and tens of millions would die from polluted food, water and air. You have seen it portrayed for you in practical movies as well as living (or dying as the case is) proof in Chernobyl and surrounding areas thereto. Worse, you in America sit with these plants scattered at random about your nation with some plants literally on fault lines expected to experience major earthquakes. The primeval life which would necessarily become imperative for the small number of survivors in the then temperate climate of the North and South Poles, would set civilization back for many thousands of years, for life would be utterly impossible within a thousand miles of naked reactor plutonium piles.

One of the greatest errors in reactor construction is the use of aluminum tubes for uranium containers. Aluminum would become charged with radioactive death very quickly in comparison with silver, gold or any other metal on the blue side of the spectrum. Steel is on the red side, but its density is so much greater than aluminum that it is a better metal than aluminum for that purpose. Nickel would be better than steel, for nickel is on the blue side. The idea of constructing shields of any material at all, for protection against uranium and plutonium, is only a temporary expedient. The time will come when the shields will be as dangerous as the cores and you are almost there with several of your reactors. It is absolutely impossible to be otherwise. The time element may be long, but when that time comes, the greatest migration history has ever known will have to take place, and its road will be paved with millions of dead, largely from leukemia which will rapidly increase until it becomes a scourge. Already cancers and immune deficiency diseases are the plague upon your nations.

I will drop one more "bomb" on you and then we will have a rest break. The element of surprise which could delay the discovery of the great danger, and thus allow more plutonium piles to come into existence, is the fact that scientists are looking near the ground for fall-out dangers and other radioactive menaces. The greatest radioactive dangers are accumulating from eight to twelve miles up. This seems to be totally ignored--deliberately ignored. The upper atmosphere is already charged with death-dealing radioactivity for which it has not yet sent you its bill. It is slowly coming, however, and you will have to pay for it for another century, even if atomic energy plants ceased today and all plants had not been built in the past two decades. That is why it is possible to have many reactors in use before discovering it is too late to stop building them. It would be impossible to destroy them for they could not be approached. Plutonium and uranium piles cannot be destroyed in any other way than by redistributing them the way Nature does. As that is utterly impossible, the only recourse left to Man is to flee from them and let the centuries renormalize the earth made barren by Man.

Need a shocker? In Britain, in 1956, it was already known and printed, that which would happen to you all: "Since records have been kept the amount of radio-strontium which has fallen out on

Britain has multiplied six times. In 1948, radioactivity, to roughly two-thousandths of a gram of radium, had fallen out on each square mile of countryside. Since then the rate of deposition has increased, and now the equivalent of nearly six-thousandths of a gram of radium are settling each year. And there is plenty more of it to come. The concentration of radioactivity eight miles up is some 200 times greater than it is at ground level. Between 10 per cent and 20 per cent of this is thought to settle upon the earth each year." I suggest you calculate the "time" lapse and know that radiation is a "building up" process. I think you should ponder these statements; consider that it has been over 2 decades and half through another--just since that prior statement was set forth. Moreover, take a place like France wherein almost ALL power is produced by nuclear power and the waste put into the sea. You in America only consider your own waste material with great horror and disdain--ponder it worldwide--I doubt you will breathe easily the remainder of this day. Then, you gather together and make little frequency boxes to heal that which ails you all the while you are pouring on the death poisons as fast as you can and demanding MORE. So be it.

Wow, Germain's info is quite the heads-up, scary truth presented from the Ascended Master, head of the seven rays, his the violet ray.

I always wondered what the term was, when someone would say this or that is "Germane" as being relevant, pertinent, closely related.

Could it be, that even in our use of chosen word, that what Germain says is "Germane" to the truth of the stated danger of the nuclear mistake of humanity?

The Pending Judgment of the New World Disorder.

Dog Poet Transmitting.....

'May your noses always be cold and wet'.

The more you watch what is going on in the world, the more you come to one of two main conclusions; this is all happening for a reason or, chaos and darkness are upon our doorstep. I'm in the former group and it's not something I am merely inclined toward or simply believe in. It's one of the few things I know. The question is, why?

My feeling about life in general is that it operates according to a plan and is the product of

-- AH- Candace GLP #4 - 1 -- page. 80

intelligence, not something it results in. We can see that it doesn't result in that (grin). It also follows sequence, because the whole drama here is that of trial and testing. This planet is a launching pad. Unfortunately for most people, they don't comprehend the dynamics of proper launching and so they launch themselves right back here.

Life operates according to a seasonal progression. We are in The Fall at present, culturally speaking, and... along with being the season of harvest; it is also a season of judgment. Harvesting and judgment are very similar. In order for circumstances, individuals and groups to be effectively judged, they have to be effectively observed and scrutinized. This is why there is so much bad behavior that gets worse and worse, the higher up in the ranks you go. It has to be clear to the eyes of the world, just who and what is responsible for conditions. That's why there is so much grotesque acting out at this time. It's all being accomplished across the most pervasive media system that this 'present' period has ever known. This is to make certain that everyone gets a chance to see and hear.

It should be understood that the ruling elite and their predatory engines and operations could never have been so successful, without the help of a large portion of the public and that this large portion of the public would have never allowed so much of what happened to happen, if they had anything approaching a reasonable intelligence. They've been dumbed down, duped and deceived, until they believe whatever they are told without even thinking about it. Those who might give it some thought, are provided with other groups who present diametrically opposed stands, so that they can run around and call each other 'liberals' or 'right wingers' all day.

**Religion is a massive propaganda factory; witness the tens of millions of fundamentalist Christians, who mindlessly support the Jewish supremacist myth of chosen people status, which leads to, 'Israel can do no wrong'. This has resulted in the overflowing support that resulted in all of the recent wars in The Middle East, which were engineered by agents of Israel, who are in control of The United States and Crown Colony governments. The policies and behavior of the present day Christian Church are anathema in respect of their founder and the irony touches no one so engaged.**

All these things have to be seen. Humanity has to be pressed to the desperate edge of circumstance, or they won't awaken. The enemies of humanity have to reveal themselves so that things, like motive and means, as well as overall intent, can be revealed to all and sundry.

We've all heard that "the love of money is the root of all evil" and, lo and behold, we are daily seeing the bottomless depravity of the bankers, Wall Street and the corporations. We are seeing, 'blood for oil' in all of its gruesome detail. We are seeing politicians bent over for the money masters and money changers and we are seeing the meaning of fractal banking and global usury. We're seeing it all. We're seeing unctuous sanctimony and hypocrisy writ large. We are hearing the apologists for a New World Disorder ...and history is leaking through cracks in the walls of suppression, to show how ancient and far reaching are the lies upon which we have built our institutions and way of life. We're seeing it in order to identify it and so that there will be no confusion about what happens to the miscreants; both the instigators and the lumpen meatheads who support them.

Here's an interesting take on Fukushima and here is what humanity is actually composed of. By degrees we are discovering our humanity on the brink of extremis. We couldn't get there any other way. It's a brutal learning curve is what it is. The finer senses of humanities genus ordinarus have been blunted by conspicuous consumption and the driving need for expediency and convenience. The pursuit of comfort is civilization's reaction to the presence of pain. We insulate ourselves from a natural exposure to the conditions of existence and this makes the experience of pain so much greater when it comes. It's like stopping the use of morphine, after a protracted period and

wondering where your endorphins went.

The lack of a basic integrity, which understands our connection to timeless verities, has resulted in self-interest and the pursuit of banal pleasures and entertainments, as an end in themselves. Well, they definitely are that. This results in one's direction, manifesting in the end result of being reborn as a dung slug. It may seem a farcical image but it's no less true for that.

When you consider being in The Fall of any culture, you always get the same examples of various behaviors surfacing. I don't need to itemize, read your history. Humanity is incapable on its own of dealing with the places that it winds up because of the attractive pull of its appetites and desires. These are effectively manipulated by those who make a large living from them. Humanity operates on a loop. Some things don't change. The only thing that is effective is a shift in the light or the darkness of the age and that's something the cosmos sets in motion. Since this is all an experiment, the responsibility for it falls on the cosmos (grin). You can simultaneously be angry about having to be involved in this and grateful that there's something, however mysterious it may be, that understands the situation and has complete control of it.

I don't know what day it's going to arrive on but Fukushima will be taking a back seat soon enough and, of course, there are things like this. The cosmos never does things halfway. When it's got a point to make, it makes it. It makes that point so that it will endure for at least a few generations, in the minds of those allowed to survive whatever form the point(s) will take.

The most important feature of your being is your mindset and where your heart is at. The effect of conditions is measured against this. One might even say that the target of conditions is determined by this. Just about everything is affected or determined according to your mindset and where your heart is. This controls the directions you take and the reactions you make. It controls the influx of information and the manner in which it is processed. It controls how you see things and defines who you are. In the properly 'directed', it is in a state of continuous evolution to a finer state of being. Otherwise, you are looking into the teeth of the harvesting combine. It doesn't matter what lies you tell yourself. What matters is what is true to begin with. Our lies don't cushion or protect us. We assume wrong when we tell ourselves, "Well, they got us this far". Yes, they did and they did for a reason. Life is long and you can do a whole lot of bad shit before it catches up to you. You get to rise to the top of the dung heap for the purpose of providing a spectacular fall. You're nothing more than a demonstration. You are a teaching lesson. You are an object lesson and final exams are coming up.

I show up here most days and I don't really know what to tell you. Somehow, any number of things gets said and I hope they're useful but I wouldn't know. I do want you to know that existence itself, is here for the purpose of demonstration and that whatever manifested into all these unique and variable extensions of itself, is engaged in collecting them all again, across the span of long periods of time. Some of us are collected sooner rather than later and some of us spend enormous periods of time banging our heads against a wall. That's what happens, according to what I think I've learned.

Anything that presents itself to you is there for a reason. If you can get the right mindset concerning that, you are going to find that most of everything that confuses, frightens and troubles you, begins to disappear and that life becomes a fantastic adventure, not what most people are experiencing at the moment, but something remarkable and fraught with meaning that unveils wonder after wonder after wonder, ad infinitum.

End Transmission.....

Ok, Christians are getting awfully nasty here on GLP, in a way they were not even a year ago. Guess you ones are feeling the end times too. And the beginning of the new times.

Now, let me point out the one thing that bothers me the most HERE and other forums and in my life personally as long as I can remember. Now why it IS true, that Jesus Christ is the only way to the FATHER, you ones do not understand how or why. So I am going to ask one of my favorite questions and see what answers show up.

What about the Muzzies as they called here, the buddhists, the taoists, the so called atheists, the hindu's etc. What happens to them? They are born in culture that have never heard of Jesus Christ. I am posting a poll but also wish commentary.

Its all bass akwards.  
No one comes to the Son but for those whom the Father sends.  
It always has and always will originate with Father first.

Well its not all the hate based "christians" going to heaven. As you wish for the least there you are going unless you change your ways.

Most of the Christians on this sight are the most hateful people I have encountered. I know they are in great pain and embrace hate because that is all they know.

The SON was Christ Michael who came 2000 years ago and he created your soul and you go thru his schools to get to the father. The Father comes to YOU thru your Father Fragment, IF you have one. Not all qualify. You still attend the schools of Christ Michael first, and then the schools of the superuniverse, and then Havona before you find the Father on Paradise.

Christ Michael is NOT the ETERNAL SON. His parents are the FATHER and the Eternal Son. He is FATHER of this universe. (there are many universes, each has a Creator Son at it's helm.)

And none of that matters so much, it is the attitude of Christians and the mind control over them that bothers me. But on this planet the understanding of what God is, is about -100.

Copying this from another thread. As a reminder to everything I have probably already placed here and repeat ad nauseum to mostly no avail all over GLP.

God (Christ Michael ) was one of two who visited together 2000 years ago as Jesus. He is not the creator of the entire cosmos. He is the creator of our LOCAL universe. There are 700,000 universes projected, most started. Ours called Nebadon is #611121.

The oldest actually being the Central Universe called Havona.

Christ Michael and others like him are called Creator Sons. Their Father and "Mother" are the Universal Father and the Eternal Son. The Eternal Son was the "First Son" and He and Father collaborate to create many other other sons, the Creator Sons being the highest. Since He is the First Son, and then helps create other Sons, with Father, he is often elsewhere called the Mother Son.

The Creator Sons are called Michaels. There are currently over 800,000 of them, and we have one of them in training incarnate on this planet in fact at this time. Their training period is long.

Christians falsely believe that Jesus was the "only son" of God. No he was an only begotten son of God of which **you** are also. only begotten means all sons of God are different, no two match.

The other who came with Christ Michael and the one who actually walked the planet was Esu Sananda Immanuel and his friends the apostles called him Immanuel. His name was never Jesus,

Paul made that one up. Paul was in fact a great enemy in a sense, because he did not fully understand the teachings he was given, he was initially SAUL, remember? While he was in service, he did not understand the laws very well.

Now for you ones, AGAIN as I keep posting here ad nauseum, Jesus (ESU) did NOT die on the cross, he was in a comma and that is why they got him off so fast so they could treat him. He walked out of the grave, and went by Damascus to India and lived and taught until about 115 years of age. The resurrection story is false. These bodies do NOT go to heaven folks and you ones don't even have a clue of what heaven is.

A another biggy, he was not betrayed by Judas. Judas was his scribe who kept the records. he was his best friend out of the apostles who were NOT apostles at all. They mucked up a lot of the teachings. they did not understand either. And you ones today do not understand either, because it has always been mucked up by 'accident" and on purpose by the very antichrist you ones can't see right in front of you, because you are always expecting the Antichrist. The Antichrist are the Talmudists who are from MONGOLIA. Ponder that one. They adopted the Talmud in the 700's and then created the name JEW in the 1700's for themselves. They are not semites, so the term "anti semite" does not apply to them. If you are anti semite, at this point you would be anti palestinian, and a lot of christians are that too, believing falsely that god wants all of them killed!!!!!! I have heard this many times and seen it written also on forums.

You ones who label yourselves Christians are mightily deceived.

From the returned Jesus. in 2003. See link for image which did not transfer to this post. [[link to www.wisdomoftherays.com](http://www.wisdomoftherays.com)]

Is It Nearing “Showdown Time” On Planet Earth?

1/11/03 - Esu “Jesus” Sananda

Good morning, my scribe. It is I, Esu “Jesus” Sananda. Be still and allow for the energies to settle. I come in the Light of Creator God. My core being expresses from the Golden-White Light of Creation, a vibration of Purity and Balance.

I must remind all ones—especially those of you who call upon the Higher Realms regularly for guidance and counsel—to be VERY diligent in clearing your space of unwanted “negative” energies. Make no assumption that you are beyond reach from the Dark Tricksters, for their “craftiness” is quite well practiced and their subtle ways are quite effective. This caution is needed moreso now, and in the coming months and years, due to the vibrational upshifting in the “aethers” (the non-physical energy space that permeates the entirety of Creation).

You and all ones on your planet, as well as all physical matter, are speeding up (vibrating at a faster rate). This increase in physical vibration is due to the energy that you, your planet, and your solar system are passing through at this time. As you continue to acclimate to these shifting energies, you will begin to notice more and more that the veil which separates the physical from the non-physical is becoming thinner. Among other things, this means that you will be able to more easily connect with non-physical entities—many of whom do not have your best interests in mind.

By saying a prayer, affirmation, visualization, or whatever you feel helps you to connect with Creator Source within, you are calling into your presence Angels, Lighted Beings, and other Spirit Guides who will act as Guardians so as to keep the Tricksters away. Without such watchful protection, you leave yourself open to whomever shows up.

We honor your choice to open-up to whatever energies you may choose. Many do not believe that they are susceptible to Dark Energies, and in a somewhat egotistical way feel that only weak individuals need the assistance of the Lighted Brotherhood. Again, if this be your belief and choice, then we shall honor your free will, and allow for you to experience whomever or whatever comes your way.

We of the Lighted Realms encourage ALL ones who read this message to make part of your daily routine affirmations (prayers, visualizations, and such) that will allow the Lighted Brotherhood to more fully assist you throughout your lives.

This can be as simple as acknowledging your connection to God when you awaken in the morning. As you stretch your arms out, see and feel the Light and Warmth (Love) of Creator God washing all over you. Before, after, or even during a meal, you may find it quite beneficial to once again acknowledge and give thanks for the Energy that went into the items from which you gain physical nourishment. And prior to laying down for your evening respite, you would be quite wise indeed to reaffirm your intent toward the Light (Light here symbolizes the Goodness and Love of Creator God), and see this Light coming from within you and expanding outward until your whole family is encompassed within its reach. Even distant family members can benefit greatly from such assistance offered on your behalf.

[ESU "JESUS" SANANDA This reproduction is from an actual photograph taken on June 1, 1961 in Chichen Itza, Yucatan, by one of thirty archaeologists working in the area at the time. Esu Sananda appeared in visible, tangible body and permitted his photograph to be taken.visit link to see image](#)

The games being played on a planetary scale are continuing to escalate toward a point where intervention by the Lighted Brotherhood and those aligned with this intent toward service of others (namely, the extraterrestrial "Peace Corps" who have been assisting you and your planet since the very beginning of sentient life on your world) will become an in-your-face reality. At that point, all the debates over whether or not you are being visited will come to an end.

You ones always want to know WHEN and WHERE will this intervention take place. We of the Lighted Realms will only offer to you the following: it depends on the sequence of unfolding events more than anything else. For example, those who make the decisions to use nuclear weapons can either accelerate the timeline or push it back, depending on the choices they make. We of the Lighted Realms will NOT allow your planet to be destroyed, nor will we allow the slaughter of those who need just a little more time in the schoolroom so that they can "graduate" to the next level of spiritual awareness.

The Dark Tricksters would rather destroy the entire planet just so the small percentage of individuals mentioned above WON'T experience a "breakthrough" in their awareness. This is truly

the level of insanity that is being dealt with by we of the Lighted Realms.

We not only have the means by which to accomplish our mission of salvation, but we have explicit permission to intervene if and when conditions (unfolding events) warrant our assistance. Your world leaders have been duly notified of our intent and know that we mean business.

[Editor's Note: See the two messages from Archangel Michael that were received at about this same time. One is titled "Understand Who Are The Host Of God" and the other is "A New Year's Message From Archangel Michael". The implicit warnings expressed in all these messages strongly suggests that some very desperate and dangerous plans were being considered at the time by the elite world-control crooks.]

We have, in the past, shut down entire arsenals of nuclear weapons. We have repeatedly "aborted" the many attempts to put weapons into orbit around your globe. And we have proven to the major world leaders that we will not tolerate the war games they try to play.

There are some on your place who believe that with so-called "super-secret" advanced weapons they can match the technology of the so-called "extraterrestrial threat". To these ones we say: you must know by now, from the few craft you have recovered, that they are based on technology that is MANY THOUSANDS OF YEARS OLD from our point of view, and yet MANY THOUSANDS OF YEARS ADVANCED from your so-called "advanced" technical toys.

Those civilizations who travel among the stars only gain the ability and knowledge to do so by developing their inner spiritual connection to Creator Source. It is through this inner development that all advanced knowledge is gifted to a civilization as they mature and prove that they are capable of responsibly handling same.

To those who believe they can stop us from intervening, should the planet be threatened in a global manner by the hotheaded puppets who do the bidding of the Master Tricksters: you haven't seen anything at all in terms of ADVANCED technology from your Space Brothers. NOTHING AT ALL!

Please note that there are many individuals and agencies who monitor both these messages and those of you who are responsible for their existence and survival. Some of what is written here is directed to these "monitors" as a message within a message.

While on the subject of a conduit for these messages—I, Esu "Jesus" Sananda, along with MANY others of the Lighted Realms, thank you who support this effort both financially as well as with many kind letters and prayers. Without your support, this conduit would simply not exist.

There is much energy "churning" in the aethers as this message is being penned. Let me remind you ones briefly of lessons offered in years past:

Prior to any physical manifestation, there is first formed an idea. This focus exists in what might be termed "mental-energy space". As more and more emotional energy (desire) is added to the mental idea, a perturbation in the aethers occurs that begins to summon forth the means by which to coalesce and precipitate the final results in the physical realm.

Let us take, for example, an inventor who sees a need for a non-polluting form of renewable energy, and who is by background an engineer with a broad understanding of physics and chemistry. As such an individual focuses his desire to find such a source of energy (his idea), a vibrational signal is sent out, from within his being, into the aethers—in a manner not too different in concept from the Internet.

This request begins to elicit responses immediately in the form of solution ideas. The rate and clarity of the solutions is directly proportional to the amount of emotional energy (desire) behind his original idea. The longer one is focusing on any particular idea with desire, the more the Universe begins to coordinate so that events begin to unfold—such as “chance” meetings with others who are working on the same or similar projects, or funding for research seems to appear just when one needs it, or any number of “coincidental” happenings that would allow for the manifesting of the highly desired idea.

You each create in this manner, some more deliberately than others. But such is the basic method by which your perceived physical reality is fundamentally constructed.

When I say that there is a “churning” in the aethers, I am referring to what can only be described as a diverging duality in mass consciousness. It is as if “heaven” and “hell” are both trying to manifest simultaneously.

As the frequency of your planet speeds up, those who are on a path of enlightenment are racing toward an ideal world of peace, while at the same time those who are single-mindedly trying to bring about complete world domination and control are racing toward a very “dark” outcome. In short—the dark, narrow-minded ones are getting “darker”, and the enlightened humanitarian ones are getting “lighter”.

This dichotomy is causing the “churning” in the aethers wherein time itself is beginning to distort in order to accommodate the opposing energies. It is quite interesting from the point of view of the observer, as predictable outcomes continually shift as the masses, as a whole, continue to wrestle with the inner uncertainty of what exactly is taking place. The larger majority of your world sense that time is speeding up, and that there is “something” inside themselves that is not quite the same.

We of the Lighted Realms continually stand ready to answer the many calls from the hearts of these ones when their desire is clarified within their mind. Meanwhile, the Master Trickster will undoubtedly use more “shock therapy”—such as happened on September 11, 2001—in order to keep ones focused on the lower-vibrational emotional energies of grief, fear, and anger. This tactic in general keeps ones externally focused (distracted), and thus diverts ones’ attention away from what is awakening within as their consciousness continues to expand (move upward in frequency).

This sort of “shock therapy” also buys time for the Dark Manipulators, as they can ONLY function within the “shadows of consciousness” wherein conscious awareness is low. Their influence is much like the subliminal mind-control that permeates your movies, television, music, and advertisements. Likewise, they know that their time is indeed quite short, and thus they will become more and more erratic in their attempts to control from behind the scenes. In the light of exposure, these dark entities become quite ineffective, and thus go elsewhere where they can continue their chosen journey of exploring Creation.

Due to the unpredictable nature of the energies being summoned into your world, you are creating, as a planetary whole, a unique situation that warrants great study and monitoring by the many advanced beings who watch over your planet and its many inhabitants. Great care is taken on both individual levels and planetary levels to ensure that each being is given the maximum possible opportunity to grow. This unique unfolding of events also provides many an advanced being with great challenges that will inevitably cause them to stretch and grow. This cycle of expansion and growth is limitless, and each of you play a role in making it all possible. None are insignificant or without purpose.

If you are uncertain as to what your purpose is in all of this, you may find comfort in knowing that you are not alone. Even some of the ones who pen these messages for we of the Lighted Realms are uncertain of their "purpose"!

Your purpose, in a very general way, is to experience and grow. Helping others to do likewise, by being a friend, counselor, or mentor, will likely be something you should find rewarding, especially if you are drawn to this sort of information. This message is offered with you, who will be reading it, in mind. It is of a general nature so as to cause you to go within and challenge your beliefs, preconceptions, and possible misunderstandings about yourself and the world in which you live.

Behind every question you ask is a desire—a desire to UNDERSTAND more, a desire to GROW beyond who you perceive yourself to be at the present time. Follow this desire. Be passionate about seeking answers to your questions. You will not only be making your life much more enjoyable, but you WILL be fulfilling your very own unique purpose.

I am Esu "Jesus" Sananda, come in the Radiant One Light of Creator God to answer the call of the heart for insight, as well as to play my part, alongside you ones, as a co-creator of life experience.

May you each learn the wisdom of calling upon the Lighted Brotherhood often for assistance, so as to ensure that you are maximizing the growth potential of all ones, everywhere.

Much Love, Light, Joy, and Happiness to you all! Salu.

I am saving this from another thread, so I can work up the topic more.

That is a myth on God's days. Different organizations of the higher worlds have different lengths of days. I need to do up a piece on this. Nebadon our universe has a standard time for administration purposes, but each sphere spins at it's own rate, just like earth. The superuniverse has a standard time also, and so do the Central Universe. It's sort of like on earth we have UTC time and 24 time zones, and in reality infinite time zones as it turns.

But we can standardize with UTC time. As to the concept of a day is of a 1000 years of God comes from the FACT that a Standard Day in Havona, is equal to 7 minutes less than 1000 of our days. it is not a "day of God." but the Central Universe is the center of the creation, and is the "highest" heaven.

Havona has 1 billion perfect worlds arranged in 7 circuits with more in the outer circuits than the inner circuits. Paradise is at the center and the only place in creation that has NO time, truly because it does not revolve. Except of course certain moons like ours and the like. But time is

normally based for each planet on it's revolutions. Thus our day, and our year. Even in Havona, which needs a standard time there is local time based on the circuits, the length of year depends on which of the 7 circuits a planet is in. The outer circuits have much longer years then the inner circuits.

The superuniverses use Havona time and also their own standard time.

As our own solar system becomes more populated onto Mars and Venus, maybe some moons, eventually the planets around Sun Jupiter, we will develop a standard time here for our solar system for communication purposes just as we use UTC time now.

**For All Those Who Speak Against The Lord's Words, Which He Has Spoken to THIS Generation, in The Letters From God and His Christ**

*5/21/07 From God The Father - For All Those Who Speak Against The Lord's Words, Which He Has Spoken to THIS Generation, in The Letters From God and His Christ*

**Thus says The Lord:** You have gone out of the way, thinking you stand. You do not stand, for you have stood against Me and My Word sent through My prophets... This is not to stand. You shall be brought low... you shall not be gathered. Neither will I hear you, for you have forsaken your Lord for your own way... Such arrogant, high-minded children have come to live amongst the churches, continually misleading themselves and all those they speak to in My own name, never hearing the voice of the Lord their God.

***Sons and daughters of men, did you think I would stay silent?!  
Did you think that I, even I, would not blow the trumpet and alert the watchmen?!***

*Therefore, it is fulfilled and shall come to pass:  
Even all these, who call of themselves by My own name, the name I have given My Son, the Holy One,  
Even these shall come, saying, 'Lord, Lord, we have done all these things in Your name'.*

*And it shall come to pass in that Day, which is upon you, that the Son of Man, your Redeemer,  
Shall likewise answer you, saying, "I never knew you".*

For if you truly knew Him and He lived in you, then you would recognize those I send and the Word given them... Yet you forbear, resting in the beds of false doctrine, even the doctrines of men. Therefore, you shall not be gathered, for I do not see of Myself in you, though you speak My words instant in and out of season. For you speak them seasoned with the salt I, Myself, have NOT given you. This you have received, in vain, at the hands of men. Know you not, that which is of God has salt in itself, and in no wise needs seasoning?... Get wisdom and receive understanding, and repent. And give heed to those I send, and I shall yet gather you, and you shall escape all these things. Forbear, and you shall endure refinement in the Day of the Lord, and by great tribulation shall you come into glory. For I am the Lord... I shall surely correct and discipline even ALL those I love, who have been led astray and teach others in like manner... A leading away from the Truth, as I, Myself, had spoken it and how it was meant to be received. The kingdoms of men are finished... And not one church, built by human hands, shall endure. ALL shall crumble and fall to pieces before the glory of God, wrought in His Only Begotten... The Truth Absolute. You know not the mind of God, neither have you heard His voice. Be separate! Says the Lord, and joined unto Me. Look past My prophet, and see with greater eyes. Your ego has crippled you, and your knowledge has caused you to blaspheme My words. Repent, oh sons and daughters of men. You have become so very poor, thinking you are rich. Repent, and call on Me in

truth and all humility, in the Christ's name, Jesus, Yeshua the Gift, and you shall receive true understanding. Depart from these vanities built up in the hearts of men. Stop desecrating My Word, in the Scriptures of Truth, for your own glory. All humility and faith is what I require of all My servants. You can not serve both God and men. For men in authority, in even all the churches, are perverse in their segregation of My Word and in the corrupt musings of their hearts. You have divided My Word, yes, you have divided it, and it shall slay you, even in your heart. The day is coming, when you shall be pricked in your hearts and you shall wail, when again this same one, whom you have brought against a false accusation, comes once again in the Day of Sorrows, saying, *'Thus says the Lord'*, and you realize all you have done has been found wanting. You shall not tempt the Lord your God! My prophets are sent out, they prepare the way of the Holy One... He shall gather and return in His Glory. Yea, these men, even 144,000, are sent, and are already in the earth blowing the trumpet. Yet you cover your ears, saying within yourself, *'I already hear and will not heed any trumpet, other than that which I have made and was put in my hand by man and not God. For I, alone, am righteous, and these with me know God's will, and we shall teach others. And we will, by no means, listen to these sent... We shall stone them in word and deed, and cast ALL their cords from us, saying, You shall no more speak in the Lord's name.'*

*Sons and daughters of men, who call of themselves by Christ's own name, you shall not be gathered...*

*You are abased, because you are found to be exalted among your fellows.*

*The Lord has spoken, and says, repent...*

*And I, Myself, shall place your feet, once again, on the path of truth, where all understanding comes from God,*

*And is given through Christ to all those who truly abide in Him, and He in they...*

***The Lord does not change!***

Paraphrasing, but imo, Christ said that you'll be judged by the light you have and what you do with it.

But why take a chance? He is I AM and there is no other. People can argue back and forth about why did He do this or do that, but the reality is He bore the sin of the world upon His shoulders so that YOU might live. We either accept that or we don't. Christ is King!

Candace,

I would direct the readers of your thread to the work of Dolores Cannon and Dr. Michael Newton in the field of regression hypnotherapy. The two of them have authored many books describing the nature of our souls what happens in between our physical lives. For me, it's been the most enlightening and thought-provoking literature I've been able to read.

I have often done this elsewhere, probably did not in this thread. I haven't read Michael Newton, I have read almost everything by Dolores Cannon and use to write back and forth with her before I went public in 2005. My guides recommended her to me a long time ago. I have most of her books, did not buy the Nostradamus ones, mixture of where do I spend my money, and they were so depressing at the time, but absolutely the very best rendition of him, since he actually explained them thru Phil.

^^^THIS is the correct answer. The SPIRIT OF THE LAW (the Law is defined in its most basic form in the NT as "**loving your neighbor as yourself**") will be the measuring stick for those who don't know the Messiah or the Bible. Those who love their neighbors will be judged worthy for the kingdom of God (which will be here on earth, not in heaven).

To see exactly how this judgment will occur when the Messiah returns, read Matthew 25:31-46. One thing that makes a BIG difference in understanding this passage is knowing that the Greek word translated "eternal" or "everlasting" here really means "AGE-lasting" (speaking of the 1,000-year reign of the Messiah).

I know well HOW judgement is done, which includes cosmic energies and we have one arriving now, and also the court system. Yes heaven is to be built ON earth, which of course is a state of being, and not a place per se. My team will be supporting that process as we work directly WITH Jesus, (both of them, one the "lord" Christ Michael, and the Other Esu Immanuel) for those roughly 1000 years or whatever it takes to raise this planet up to a very high way of being. thankyou for point out those that love their neighbors, which includes those neighbors over in Iraq, Iran, et all, of other faiths. My biggest issue with Christians is so many are NOT informed, there is NO eternal hell, not even a temporary one, and them needing every one to make the statement they accept Jesus Christ is their savior. What about all those that never heard the name, but live very godly lives. Hellfire for them too in the minds of baptists and evangelicals in particular. I witnessed this where I live (again) recently, and it made me want to puke.

WHY? -Higherself

Why do you need to know the hour of My coming?

Is it not your decision to make?

My coming shall centre upon your awakening

For the cornerstone of you abides always in you

Why do you look for Me in space and count the numbers of the days until I show My face?

I AM that formless part of you, your innate self, moved to life only through your desire to know Me.

Why do you cry in desperation for Me?

I AM the unseen part of you, indwelt, awaiting your remembrance.

Why do you seek Me on the outer plane?

I AM the heartbeat calling you within to find your inner fortune

Why do you petition Me then scold Me for unanswered prayers?

I AM the unheard voice, which echoes in your unwillingness to hear

Why do you cast Me in the den of wrathfulness?

I AM ALL LOVE, which pulsed your very life

Why do you seek Me then bow to all the offerings of the world?

I AM the untold 'only' truth, the reality of you and all

Why do you ask of Me for peace?

I AM that peace bequeathed to you by birth

To feel, as your spirit's touch

Why do you ask of Me to help you change your world?

I AM your deepest vision

When you can see and be the Me in You

There will in truth, be no world to change.

Why do you ask of Me to rescue you from darkness 's hold?

I AM your light, the very light you are

When you come to know the power of your light

The hold of darkness on your mind shall cease.

Why do you ask of Me to save your soul?

I AM THAT I AM

The soul you seek to save, is Mine own.

Yet salvation you will find, the I AM, through.

Why do you seek to analyse Me so?

I AM the Love, the Light, the Truth in you

Why do you need to know the whys, the whens and wheres?

I AM THE ANSWER TO THEM ALL

THE ONE, THE ALL, THE ONLY ONE YOU NEED TO KNOW

When you walk in Me and let Me walk in thee, your moments will illuminate in clarity, with purpose and completeness. The I AM within shall keep you focussed on the Source and My plans you shall know with prescience.

### **The Source of Correction**

The Source of Correction- Higherself

Your spirit is the eternal energy which creates only through love and sees only through light. Its sword is wisdom and its shield is truth. It dwells in the kingdom of its peace and is its own fulcrum. It's potential is incomparable and its imaginings pure. What can your spirit offer you? It is the key, the secret to a wholesome life, the Source of all correction.

You are here to minister to the soul's unfolding through its light and to serve My will. I will today teach you about the tool for self preservation.

To protect yourself from erroneous perceptions and judgments against others, LIVE IN SPIRIT. Your spirit dwells in the framework of a higher mind and exists in its own assurance. It needs no weapons to attack or defend for it is neither vulnerable nor liable to lower vibratory emotions. It is its own understanding and will render through its understanding compassion for the plight of those you will perceive as "evil". For the spirit knows that those who choose the lower path are merely experimenting with that which is alien to them. The spirit sees them as struggling to accept their divine nature and sovereign power. Evil or what you call sin is the creation of those who choose the longer pathway home. It is through their choices that they will eventually remember and the lessons of their origin and nature will be well learnt. Their choices bear no impact on your spirit for it is between them and their true self.

The spirit sees as God will see as it is His vision that inspires its sight. The spirit knows that man will always through his ego seek to attack that which he cannot comprehend or that which is foreign to his established patterns of thinking. The spirit does not take offence or react but responds as the ONE whose footsteps it follows; being in harmony and in the balance of truth and light. The spirit will respond with pardon and a blessing of love. The spirit knows that it is ALL.

The spirit sees the sufferings of its brothers and sisters who choose the lower pathway notwithstanding what appears to be garnered wealth and power on the material level. The spirit sees how diseased and corrupted the physical being becomes notwithstanding a healthy body. It is bereft of the light of its spirit and is enveloped in a darkened shield. The spirits of these beings have no way out.

You have through many incarnations accustomed yourselves to familiar settings based on physical and sensory responses. The ego is a well established aspect which motivates behaviour not aligned with spirit choice. The ego becomes your ruler and dictates your response through unconscious programming. At times your conscious mind wishes to respond in balance but you have become so conditioned that instead you respond as per your conditioned mind. Think of

yourself as software which was pure at your birth and through myriad incarnations it became slowly defective due to the infiltration of habits foreign to its nature. It is so infected now that it requires purification and re calibrating to operate at its highest potential again.

The panacea is reunion with Spirit. In your communion with your higher self you will be fed the elixir which will nourish your mind and bring clarity of vision. That which once despoiled your view will be removed and vistas anew you will experience as you explore the bounty of spirit's offerings.

Your interaction and union with your higher self engages you in celestial thinking and ways and by your choice, your efforts and knowledge of spirit's yield, you will not only overcome the hurdles of your ego and the world surrounding you but expedite your return to the Source.

Your spirit will guide you as to how to deal with worldly issues if you place yourself under its tutelage. The spirit is a wise teacher but will not force or impose itself on the student. It will gently re introduce you to your power and teach you how to harness your potential to create instead of miscreate. It will sharpen your mind to tune into higher intelligence and introduce you into renowned celestial circles that you become once again comfortable with "yourself" and your inherent power. It will initiate you, teach you, test you and facilitate your continued journey to enlightenment. There will come a time when you will not be able to differentiate yourself from spirit. It is then that you will live totally in spirit without need for physical consciousness.

We encourage you to step up your efforts to live in spirit in the now. Self discovery and enlightenment can take as long or as short as your choose. It is always your choice but the choice you must make should be against the knowledge of what your spirit can offer to you.

I will ask you to ponder upon the following questions?

How comfortable are you in your mortal incarnation?

How do you feel about yourself and your life?

Are you happy inspite of the world around you?

Are you at peace inspite of worldly creations?

How do you interact with other mortals?

Do you respond with your ego and if so how does it make you feel?

What is it that is missing in your life?

Are you in control?

What is your purpose in this life?

How do you go about achieving your purpose?

Does your purpose impact on you alone or on many or all?

What does spirit mean to you and what role does it play in your life?

Do you live in fear?

Do you thrive on anger or typically respond with anger to situations contrary to your understanding or preferences? How does being angry make you feel? Does it motivate you to change you or to try to change others? Does it steal your peace?

What is your idea of love?

What does being balanced mean to you?

These questions dear ones are meant to inspire constructive thought and honest insight that you may determine for yourselves the areas in your lives that may need attending. When you can confront short comings you can then go to the "Source of Correction" which will help you to become the Spirit that you are.

These two pieces above are about the "Holy Spirit" which is a piece of the Father's mind that indwells YOUR mind. It is first source and not 3rd source of the Trinity.

IT IS GOD THE FATHER WITHIN YOU.

The 2nd piece above by Hazel, Correction..... has many good questions you should ask yourself about YOUR life.

Now also in the bible is the Spirit of Truth, at least it was left in the KJV. It is not 3rd person of the Trinity Either. I was bestowed to the genetic mind of Earth, by Christ Michael on Pentecost or so. It is, in its simplest sense, a LIBRARY of advanced truth gifted to this planet. You access it by using your mind and techniques yet to be taught.

Some of you have heard of the akashic records. Everything that was ever living on this earth is recorded there. Nature records everything. If you watched Star Trek you learned of Holodecks. This is very real and one day we will have them here plus other techniques. This is what is meant by "time travel." It is the ability to review the records of earth. And engage in them for learning.

In a sense the Spirit of Truth becomes part of the library of earth, a special library. Many access it for ideas to bring forth upon this world. Many of the new ideas in technologies have come from people who can do this.

As to the Trinity, it is the Universal Father, creator of all, and the source of your personality. He resides in the Central Universe, and gifts a part of himself to all with normal mind when they make their first moral choice. Average is age 5 on this planet. It comes to ALL, not just Christians. That is such a HUGE error you ones make, in your feeling special and stuck up.

The Eternal Son was not Jesus. He also resides in the Central Universe and never ever incarnates on worlds like this. He is called the Mother Son, because He and Father created the Infinite Spirit, who comes down to these worlds via the Mother Spirits of each universe.

Christ Michael of Nebadon is the son of the Father and the Eternal Son. Nebadonia is the daughter of the Infinite Spirit, and between the two of them, they thus bring the Trinity concept to Nebadon.

Nebadon, YOUR local universe, and part of the vast Milky Way, already has 3.8 million

evolutionary planets who have achieved evolving thinking mind. So to those of you who believe this is the only planet, that is not so.

Heaven is pLANETS, and it's a state of mind. The heaven worlds are custom built rather than be evolutionary worlds coming off a sun, for example as this one did. Heaven is not out there in space somewhere. All beings live on planets, ALL OF THEM, or on craft. Both spirit beings and physical beings and those inbetween live on worlds.

archiving a post I made in another thread here.

I would like to know how anyone can ever consider any such thing as a curse of Ham to cause skin color change. Where is "mind" in this? Thinking? this is still a planet with a lot of strange beliefs about God.

There are 7 basic colors of skin, matching the rainbow, that appear in man throughout the cosmos. The black man is INDIGO.

Now 6 colors arose on this planet naturally, The 7th color, violet NEVER shows up on the evolutionary planets, until 'adam and eve' come. Except there have been some by migration in South America from another world of violet folks.

Not all colors survived on earth that arose naturally. The orange man has green hair, the green man has orange hair. These became extinct long ago. Blue man has white hair and you see evidence of the blue man in Indian (from India) lore. Krishna was blue. As far as I know, there are no blues left walking this world.

Adam and Ever were violet and with the loss of their mission, there has not been much benefit to man of their superior DNA. Adams and Eves are from heaven, and come to worlds when natural evolution has maxed out. They carry the Godly DNA, for lack of a better word this morning. They glowed. Their man purpose is to mate until amongst themselves within their kin until there are about 1/2 million (suggested for earth at that time), and then they mate with selected ones of the superior races of man.

Eve broke the rules and mated outside her marriage and Adam in his distress and not wishing to become separated from her, did the same thing. Cain was the product of Eve's little romance. Cain's father was of the superior race near there at that time, and not of Satan, so don't pull that crap. The one that was Satan, is of a group of "angels" that do NOT reproduce.

The Adams and Eves also attempt to gradually set up REAL world government (by and for the people) and institute advanced colleges. We will do this again after stasis on this world., Pick up the Adam and Eve mission in that regard, but the DNA is being improved on this world by creating special embryos. My own embryo I grew from was such and there are well over 200,000,000 million of us by this method now walking this planet.

The black and yellow man otherwise arrived over 1 million years ago, migration from another planet which was getting over crowded and they had space travel so they moved. they brought the kangaroo type animals, these are not naturally from earth evolution. Black man settled where australia now is, and the yellow man in south east asia. Some have always survived the earth changes here.

Eventually there in was inter-mating that produced the ARAB. Blacks migrated across southern asia to Africa. Yellows spread more over Asia.

Those of you who are interested (please get interested!), can read the Adam and Eve story in the Urantia Book. [www.urantia.org](http://www.urantia.org). search Adam and Eve, I don't have mine next to me this morning. You might also be interested in the Lucifer rebellion story. And by the way, Adam and Eve arrived about 38,000 years ago which shoots all to hell, the story of earth being around only 6000 years.

from discussion in this thread. [[link to www.godlikeproductions.com](http://www.godlikeproductions.com)] What if God is a human?

[Maybe we created god in our image?](#)

Quoting: Anonymous Coward 1277891

Sadly that is what happened on Earth with all the religions.

We are created in the image of God because we have GOD THINKING MIND. Well some don't seem to yet, but perhaps in time.....

and by the way that male and female thing, and the alpha omega thing, are the elements. Alpha is first element, Omega the last. God is IN all things.

And the elements of the periodic table are male and female and I bet they didn' teach YOU that in school! + elements are male, (starting with hydrogen), and - elements are female and when they combine, you get a baby! Did they tell you that!

Water beloveds is one of those BABIES, made of 2 hydrogens and one oxygen. Ponder that one. As above, so below. Throughout the creation.

And new souls are made the same way. Sperm plus egg in animals = a baby, right? Same in plants.
