O mankind flourishes in division, our beautiful Eternal Father divided his own spirit and gave to each and all a piece, a piece of our Father to be unique in oneness. The division of our Fathers spirit is a unity that many have not understood, it is a shame that many live creating division among themselves where really there is no division.

To walk as one with the Father is to be you, but to manifest the will of the Father in all that you do, and your manifestations will lead you to Heaven on earth as it is in Heaven.

Although this season is not of the genuine trace of events, may you all keep in your hearts the acknowledgement of our Father and accept the true gifts given with love from our Father in Heaven and break the attachment to gifts of physical wantonness. The best gift you can give your child is the truth and to break the dependency on the receiving of stuff!

Teach them that there is only one true church, it is the church in your heart where you have true communion with our Eternal Father in Heaven, and in turn you will give our Father a gift of returned love for all that is given to you.

In my heart blooms a beautiful rose and I give it in remembrance, acknowledgement and

thankfulness to our Eternal Father in Heaven, to our brother, master Sananda.

Esu Comments on Stasis

By Jess Anthony

Dec 26, 2011

12-24-11

Esu, comments?

Jess, let's talk. Now is the time. We have begun the preparations to start stasis, but it is not ready to activate yet. That moment has not been determined precisely, but everything is in position and can move into action when required. There is a rest mode before the action starts in earnest.

We can speak about the logistics, because I know you are curious. Perhaps others are too. The ships are moving into place to cover an arc of 180 degrees. This allows the ships to move in parallel and work their way around the complete circle of the Earth. The width of the beam they will use is about a degree of longitude. This focus is not a problem, because they can change positions quickly. It only takes a few minutes to trigger a stasis condition in one place. As was said in other situations, the frequency of the beamed energy causes the vibration that activates the cell to be transformed into a frequency that matches the one being beamed. This new frequency is not compatible with the range of frequencies that make up the structure of your physical existence currently. Once this frequency changes, your individual energy frequency moves into a place that has no interaction with where it came from.

This disconnect from current existence frequencies creates the illusion of you being paused. Once you are paused, so to speak, we can maneuver your energy with our range of energy frequencies. We can move you around easily and quickly, if we need to. Energy is fast moving, as you know. We can disassemble and reassemble you with no difficulties.

The notion that you will be beamed up to the ship is more an energy exchange than physical lifting, as you probably imagine it to be. Remember your physical body here is just energy at a specific range of frequencies. You have the belief that it is solid, but it actually is just energy moving. Energy carries information archives and these are used to create your individual definition of identity. You have a template that you build to experience various interactions with other energy patterns. This appears as if you are physically in contact with another person.

We can control the frequencies of your energy packets, so your perception of yourself is the result

of what you agree to work within. You also have input into the ongoing shape of your embodiment, and the experiences you undertake influence the body you imagine you inhabit. Your surroundings are determined by you and your perceptions of what you think you should experience. Your reality is what you determine it to be, based on an unlimited number of paths you can take. In the larger sense, reality is all of those options. Once you make a choice, the other options remain options, although you have not followed that path. In your individual situation, no other options exist once you have made a choice. The range of options exists for your next choice, however.

The timeframe is difficult to describe. Once a segment of the globe goes into stasis, time stops at that point. Midnight, for instance, is always midnight because there is no later time to measure it against. In that way, stasis can be imposed in a way that seems almost instantaneous. The explanation doesn't seem logical, I realize, but remember that "time" is an artificial measurement you have constructed to gauge your existence linearly.

Esu, let's go back to the timing. How long will it take in terms of our time measurements? We were told it would be 24 hours, starting in the Far East. Is this still valid?

The time frame is different now. We have more precisely focused beams that can move more quickly than what we told you earlier. We expect to move through the transition in a matter of your minutes. That doesn't seem possible you argue. We can stop your time even before it registers on your perception. The passage of time is flexible and is dependent on the energy involved with the frequency.

I don't have much more to say. This transition will be very quick when it happens. You won't know it is happening until you wake up. We promise you that. There is no way to prepare for it beyond being accepting and at rest.

Once you wake up, you will find many things have changed. You will be changed, as well, and many of your global problems will be alleviated. There is no way that man alone could tackle some of the critical issues that are facing the planet. We don't want these to reach the point they could. It would be very difficult to resolve the crises that would then result.

This stasis is an intervention of sorts to allow Gaia to prepare for the configuration that is necessary. As part of that, many of the toxic situations will be removed by us. This will entail physical changes and destruction of much that man has constructed. That is unavoidable because many of the templates used cannot be acclimated to a higher energy frequency. Stable structures in the third dimension are not so reliable in the fourth or higher. We have to set everything up properly for your true ascension.

I say "we" but man is also a part of this restructuring. Just as the initial creation was coordinated by those with understanding of human DNA and the physical structures that would be needed to activate this range of energy, so can this re-configuring be started by galactic brothers with the intention of allowing man to continue with what has been started. There should be no feeling of condescension in acknowledging that knowledge and expertise is specialized in different areas. Experts coordinate and lead others to follow in sure pathways. Education and experience are constant, and new information is always being discovered.

I would read other posts and messages and plan accordingly. Adequate information has been provided and Christ Michael Aton's intentions are clear. A galactic timetable is working, and the process for stasis could begin at any moment. There is not more that I can tell you now. You will know when the time is called.

Now let me interjection something about JESUS. HE WAS and IS GOD. So now knowing that, don't you think everyone who beleives in GOD believes in Jesus. And dear ones, Paul made up that name, it was Never Jesus and it's still NOT Jesus. OK. Christ is not a last name. It is a state of being. Now ponder these statements, and I will add some more teaching about who and what Jesus was, and he was not God's only Son which has been the most harmful misteaching ever added by black ops to the bible.

NOW AT THIS POINT IN THIS THREAD, I DO NOT WANT A SINGLE POST FROM THE BIBLE, BECAUSE IT WAS CHANGED AS NEEDED TO CONTROL YOU ONES. I WILL DELETE THEM, BECAUSE THOSE PARTICIPATING AT THIS POINT ARE GOING TO LEARN TO USE THEIR MINDS AND THINK, BECAUSE YOU SEE, GOD IS MIND. IF YOU WERE TO USE ONE WORD, TO DEFINE GOD, IT WOULD BE MIND. HE IS MORE YES, BUT LET'S JUST START THERE. FORGET THE GOD IS LOVE, BECAUSE HE IS THAT ALSO, AS SHOWS THROUGH OUT THE CREATION. YOUR SWEET KITTY AND YOUR SWEET DOG, AND THE LOVELY FLOWERS AND PLANTS AND FOOD THAT SUSTAIN YOU ARE ALSO LOVE.

WE ARE GOING TO GO FORWARD WITH LEARNING BY THINKING AND NOT BY MEMORIZING ANCIENT STUFF THAT HAS BEEN CORRUPTED EXCEPT FOR ENOUGH OF IT LEFT SO THAT YOU BELIEVE THE WHOLE THING BECAUSE A SMALL AMOUNT OF IT IS CORRECT. SO NOW PUT ON YOUR HIGHER MIND AND LEAVE THE PROGRAMMING OF WHAT EVER RELIGION YOU WERE PROGRAMMED IN, AND BEGIN WITH SENSIBLE QUESTIONS AND STATEMENTS.

ONE THING THIS THREAD IS GOING TO ADDRESS IS THAT STUPID TEACHING THAT ISN'T EVEN IN THE BIBLE AS NEAR AS I REMEMBER THAT THE jewish people ARE SOMEHOW THE CHOSEN PEOPLE OF GOD. THAT WILL BE COVERED SHORTLY, TONIGHT OR TOMORROW, PROBABLY TOMORROW, I NEED TO TEND MY OWN FORUM A BIT. BUT YOU

ARE FREE TO BEGIN COMMENTING ON "HOW" THAT COULD BE POSSIBLE. MINUS ANY TEACHING FROM YOUR CHURCH OR THE BIBLE.

Given Christmas Day, 2011

The Present- Mother nebadonia Thru Hazel

I am Mother Nebadonia, the Mother Spirit or Universal Mother in union with Michael of Nebadon. I come at this most promising time to bestow a divine gift to you; an offering. It is an unlikely gift and one that you will never expect or perhaps willingly ask for. So that there be no doubt, this offering is for those who live behind the curtain of untruth and dismal reality. It is time however to render again that which has been offered many times before. I am uncertain as to the numbers who will accept it for want of belief BUT I offer it anyway. It is of no material substance and cannot be bargained for or exchanged. Once you receive it you will assume responsibility for it. There is no return element; but I assure you that once you accept it willingly you will never part from it because you will become one with it.

Have I piqued your mortal interest? What indeed can the Mother offer you at this momentous time in your earth's evolutionary cycle? Ponder upon the ailing world you live in where the fabric of all that is elementary is in upheaval. The hope that you ones hold in your hearts for change in the physical world that you created remains very dim as your confidence in the powers to be have been severely eroded.

However, there are ones who in their eternal optimism cannot face truth of the revolting destruction that is a certainty should current dynamics be allowed to continue.

So what is this gift that I offer you? It is the timeless gift -FREEDOM. This gift is offered to those who remain in bondage; who have been blinded by the clever ones without heart. MY children; yes you are also MY children. WE your celestial custodians do weep for you as WE see you chained and burdened by the lies of the deceivers.

This which I offer, you all crave but cannot yet comprehend. For you, freedom means freedom from worries in the physical world. What WE offer is Freedom of your soul for it is only then that the worries that assail you in your dimension can be mitigated. WE are not bargaining with you beloveds. You have all but sold your souls to the dark forces who prey upon you. WE ask for nothing in return; for when you are free in truth, you will in any event find your truth and return to your light.

You dwell under heavy darkness now. It may appear that you have no control over this BUT you do. You may not individually change the dynamics of what is materialising before and around you but you could assume responsibility for your own freedom by resolving to be free and acting on that consensus.

What is this freedom you may ask? It is the liberation of your mind from the control of the master manipulators. If you don't feel free in your mind it is because you are being controlled or influenced by forces against you. You see dear ones the dark ones know who you truly are but most of you don't know who you are. They know that you bear the fragment of the divine and should the divine in you be free to work, there will only be heaven on earth.

So what they have done is to assert power over your senses that you have come to depend on, and sway you into things and thoughts to make you forget your true selves. Your earth is in bondage because you are in bondage. Do not delude yourselves into believing that you are making the decisions. Many of the decisions being made are foisted upon you and your programming has allowed a willing acceptance. Even those who are seeing truth feel powerless and those who have the courage to act are cut down before their voices can be truly heard. There is no denying however that a fraction of the world's population have seen behind the curtain of lies and are motivated to act. They are to be honoured for their attempts but will be unable to effect any material change for they will not be allowed to.

So you might ask what is the benefit of this gift? Ah, if only the majority will understand the nature of the times they will rise up to accept it. The gift of Freedom if accepted determines your next placement. As free will is your god given choice you are free to say no to this gift. However, I would think carefully about refusing it. Now this is not a gift you can accept for curiosity sake. It is a gift of vast proportion as it impacts upon your soul. Even if you decide to accept it for the sake of it, it will bear no fruit for you. Ponder about this in light of your times and be truthful with yourselves. The fragrance of time is now sorely dimmed. Can you feel the stench of the old leaving?

You who desire to be free will experience this feeling at the heart level and this must be actively followed by a decision at the mind level. When this alignment occurs you will willingly accept this gift and your guides will sweep down and open that cage and thus begins a union of divine proportions which will guide you to a level beyond your current manifestation.

I now come as a dutiful Mother. I come now, for your earth place is to be imminently transformed and those ready for transformation will benefit. A mother never leaves her children unguided but will never resort to force. I will weep for those who reject this offering but will triumph with those who accept it.

You cannot forever live in the realm of the physical; that which you need to be free of is mind control so that your own divine mind can function as it was meant to. Only then will you be free of what you perceive as physical limitations and issues that appear insurmountable.

I offer you this present boldly and bid you with love to accept it. The circle of the cycle bonds now and the linear facility of time is being caged to allow for graduation. Where will you be?

Mother Nebadonia

Candace: I did not read this until today. But last evening I posted something in my GLP post that relates to it. [What other people think of ME is None of MY Business. What is MY business, is what I think of MYSELF.](#) It is about standing in sovereignty. For until you DO that, you remain enslaved to the mind control of the dark. You remain in the control of the manipulation of others.

Perhaps our Father does not want our worship, worship of the external through priesthods leads the sleeping to false worship. Our Father requires that we understand ourselves as a piece of himself and that we do not waste our energy on worship, but in giving to each other that which is given to us, which is love and abundance and goodness.

Worshipping only serves the ego of one who needs to be praised, our Father forbade us the fruit of ego for those very reasons. If you feel you need to worship, then worship in your actions by giving that goodness to others, to share it in his name. Our beautiful host mother earth will be

When people die they all move on to another dimension.

There maybe several levels in those dimensions to cater for those who have been terribly bad here in this dimension.

This means that after you pass you will see all your loved ones again. They are all fit and healthy and look around the age of 35.

I had an agreement with 3 of my work colleagues all who would have been in their 50's at the time, that when someone dies, and if they are able, to come and visit me.

Well all 3 have.

One as a recognisable image of the man in my doorway. I followed him and he floated to the moon via a window. The next morning the phone rang and I was told of his passing.

The other 2 happened recently. Both came in separate dreams.

The night before the dream I had an incredible buzzing in my ears so loud I couldn't sleep.

Both these guys looked 35, were fit and healthy and I had conversations with them.

I can't remember the first conversation in the first dream I can't remember but I went to my computer upon awakening and surely enough he had passed.

The second dream - the guy looking extremely healthy said "You missed the reunion"

On awakening I checked the Obituaries and he had passed in the previous week, was buried on the Wednesday and he spoke to me the following Saturday.

The guy in the first dream (an atheist) came to me in another dream 2 days ago laughing and saying he was still alive. I know he has passed and I think he was telling me that he was alive in the next dimension. He still looked 35 and was excitedly laughing.

I feel a little sorry for Christians as they really have one form of reference through indoctrination - The Bible!

The Bible portrays GOD as a mean rotten vengeful character and so they have to defend that portrayal pretending delusionally that it actually represents a loving GOD.

If they could only step outside the book, and all their Christian mumbo jumbo they may learn much more.

It's safe outside the book and far more spiritual than they will ever imagine.

The kingdom of heaven is within them, not in the book, their bodies are the temples, and GOD forgives and corrects all in the various dimensions.

There is no hell!

THANKYOU! 🌸 As a general statement those reincarnating on earth, whether still working out their lessons and soul growth, or on assignment to assist here live in the astral realms between life, that are around the earth. Well the MIDDLE realms were moved out by the moon, because of man's playing with atomic energy, for safety to them as the morontial soul can be damaged.

The spirit beings living in the high realms are high spirit beings and not affected by nuclear stuff. Those living in the lowest realms choose that and are gross folks and there is not a concern about them and many are uncreated anyway after 40 days.

Custodians of MY Light.

The Source. (The FATHER)

I AM and therefore you are. You cannot be without ME. You are not without ME or apart from ME save in your perception. I AM not the hidden part of you. I AM simply the invisible part, that which holds the seed of your power. I AM that which gives you Light and creates light through you. You are therefore all light. The light which I speak of bears no resemblance to the light created in your outer world through mechanics. I cannot be switched on or off. I AM forever Light. I do not

malfunction or become defective. MY radiance is everlasting. There is nothing that can dim ME. I resonate at the highest frequency.

I bestowed MYSELF to you through your creation. I AM within you. The light of life is within you; not mortal life, for that is all transient in effect. I speak of the light of the soul; that which you are; which bears the emblem of your Creator. The Creator marks HIS creation just as you may mark your possessions so that you may know what belongs to you. You belong to ME as I created you and therefore you bear MY signature, being the Light of Creation. I know you by your light, which is MY own.

Light is the Life of your immortal soul. You are not disconnected from your soul. You are the soul. The body is simply a mass of energy used by the soul to chart experiences so that it can assert its mastery and innate power through the human form as it remembers who it is through a mortal experience. Yet the soul power is not dominant unless the human trajectory allows for and accommodates that higher association. You need only experience an offering of the soul to make your decision.

Many who wholeheartedly embrace the offerings of the soul as an instinctive knowing are drawn to the higher rays; yet there are many who cannot comprehend that which is not visual and therefore rejects its existence and presence. There are those who become afraid of their own soul power as it would redefine their thinking and demand changes to their comportment. This inherent fear has become a widespread malady.

You see dear ones, what you need to understand is that you who do not know your soul are motored by the lower mind which we shall call the ego mind. This is the distinct portion of you responsible for your thoughts, reactions and creations. Once you are in the harness of this mind this becomes your realm of comfort, and at all cost the ego will seek to protect itself. It is for you not your ego to make the decision and come into higher understanding of who you are. You are not your ego. Its life is short lived as is your mortal life. If you allow it to make your decisions, it will serve only your physical dynamic in your physical world. If you can but for a moment set aside the ego you may benefit from the revelations of your soul. Comfort and reassurance will replace the bridge between you and your soul, for these are the resulting effects of the soul's interaction.

Fear does not exist in the soul, only light and love and higher knowledge. Should you allow the soul entrance, you will quickly discern the difference between the soul mind and the ego mind. Allowing your soul entrance allows MY light to work within you and through you. It will be a gradual exercise in measure of your willingness to transform yourself through remembrance; that your mortal life may reflect only that which you truly are and render a life that is fulfilling in every way. Light transmutes and transforms all that is dark if only it is allowed entrance. You will come to know the power of your light when you acknowledge it within yourself and allow its expression through you. It is then that you will assume control of and over you life.

When you come into your light you have in fact come into MY light and with effort and time investment you will begin to know ME as yourself. Illumination is a gradual process; so until you can think, know, feel and behave in ONENESS, we will work in partnership so that MY light within you is allowed more and more expression as you graduate in frequency. As your light quotient increases, there will in time be no need for the vehicle of the physical body for you to continue

your journey.

You are custodians of MY light. How you treat that light is really your choice. Some ignore it totally; others pay it short shrift, whilst few fully embrace it and work in harmony with it for their highest good. These are the ones who use MY light in service to others. They know that light is never to be hidden but to be shared. They recognise the Oneness in all things and seek to help others find their inner light and shine it forth in the world. Dear ones you must comprehend that your outer world is a reflection of your inner world. If your inner world is dark then your outer world shall also be dark.

Seek always to keep your inner world in light which spells harmony, and your outer world will be so mirrored. Your light is the precious jewel gifted to you upon your birth. You were meant to keep that jewel shining in its original incandescence and wear it as a powerful garment. It was never meant to be buried under worldly things and be forgotten. You children seek always grand jewels to wear on your body and wealth that will provide extravagant living. You proudly display outer remnants of wealth which shines without any significance or value. It is temporal and banal. It cannot empower YOU, only your ego that simply cannot be satiated. These outer effects will earn you no spiritual glory or everlasting joy. It retards your growth as you become more and more consumed by your need for material effects. These things do not in truth exist. They are things that will be cast aside when you leave this dimension of experience. I AM not saying that you should not create abundance in your life but be wary that you know the difference between abundance and avarice.

To those of you who have courageously chosen the light you must be steadily vigilant lest you become distracted by the world around you and allow infiltration. As custodian of MY Light you must make the decisions that are in the highest interest of that Light; for it is only then that MY light can work for you. Should you lose your footing and fall apart then who is to tend to the light? It is your divine responsibility to tend that light until you become one with that Light and know yourself only as LIGHT.

Beloveds, I know only too well how easy it is to fall prey to a diseased world where the malaise spreads and creates a disconnect between you and that Light. It is for you see this and know it and take every step possible to preserve the Light; for it is truly this Light that will become your vehicle for escape from the outer world where unreality, suffering and grief abounds.

If you tend to this Light, this Light will tend to you. This Light will preserve your sanity and enable you to transcend the lower vibrations as it powers you to higher understanding and frequency. This Light will resurrect you time and time again if needs be. As you come to know this Light you will know its transformative value and will learn to use it for your highest good. Every choice will then be engendered by this Light. It does not mean that the world around you ceases to exist or that the problems go away. It simply means that you are able to see it all through the magnifying Light which shows truth and purpose in the experience.

I AM THE LIGHT WITHIN YOU AND I AM THE LIGHT IN YOUR WORLD. I ADMONISH THAT THIS LIGHT IS TO BE REVERED THROUGH ACKNOWLEDGEMENT FOLLOWED BY WILLING APPLICATION. HOW WILL YOU CARE FOR THIS LIGHT? THE EFFORT OF PRESERVING AND PROTECTING THIS LIGHT CANNOT BE MEASURED. THE CHOICE YOU MAKE WILL IMPACT THE WORLD YOU CREATE. WHAT IS YOUR VISION FOR YOUR WORLD?

I keep forgetting to add stuff here. But while I wait on the stasis, I will post a collection of the daily thoughts put out on [www.urantia.org](#). The paper, chapter and paragraph etc is given after each one.

"Be not downcast by your failure wholly to forget some of your regrettable experiences. The mistakes which you fail to forget in time will be forgotten in eternity. Lighten your burdens of soul by speedily acquiring a long-distance view of your destiny, a universe expansion of your career."
Teachings of Jesus,
(1739.3) 156:5.8

"True it is, you mortals are of earthly, animal origin; your frame is indeed dust. But if you actually will, if you really desire, surely the heritage of the ages is yours, and you shall someday serve throughout the universes in your true characters-children of the Supreme God of experience and divine sons of the Paradise Father of all personalities." *(Candace, I AM one of these who is serving in such at this time. I AM a Mighty Messenger. I have obtained the Father on Paradise.)*

(1240.1) 112:7.19

"In the fraternal realities of the kingdom of heaven the faith sons of God find final deliverance from the isolation of the self, both personal and planetary."

(1985.1) 184:4.6

"The spiritual forward urge is the most powerful driving force present in this world; the truth-learning believer is the one progressive and aggressive soul on earth."

(2063.2) 194:3.4

"As the days pass, every true believer becomes more skillful in alluring his fellows into the love of eternal truth. Are you more resourceful in revealing goodness to humanity today than you were yesterday? Are you a better righteousness recommender this year than you were last year?

The Teachings of Jesus, *(C, this is a good thing to ask at the end of each day, or even during the day, or in your preparing for the day, each morning. And this applies to all of us here, no matter even if we have reached Paradise, the learning never does stop and there are always challenges even when Incarnate as Michael and Esu experienced 2000 years ago.)*

(1740.2) 156:5.15

"Man must become hungry for truth as a result of the experiences of living, or he must desire to know God as the result of contact with the lives of those who are acquainted with the divine Father." *(C, there is not yet enough hunger on this world for truth, only the following of poorly created religion.)*

Jesus,

(1466.2) 132:7.2

"When a personal duplication or divine extension of this Original Son starts on a bestowal mission of mortal incarnation, it becomes literally true that the divine "Word is made flesh," and that the Word thus dwells among the lowly beings of animal origin." *(C to new readers of UB material, this refers to the bestowal mission of Michael of Nebadon as Jesus 2000 years ago. And dear ones, each of you who has the Father Fragment within, YOU ARE THIS WORD ALSO. If man only knew he was the "word of God" and could also access the Spirit of Truth bestowed 2000 years ago, this world would be so different now. Stop putting "God" up in the sky someplace.)*

(227.4) 20:5.1

"Your small and insignificant planet is of local universe concern simply because it is the mortal home world of Jesus of Nazareth. It was the scene of the final and triumphant bestowal of your Creator Son, the arena in which Michael won the supreme personal sovereignty of the universe of Nebadon."

(228.2) 20:5.5 (C to those not yet reader of the UB, the Creator Son only bestows himself on a single world of his realm. Presently there are 3.8 million inhabited planets in Nebadon. Ponder this special gift. Other planets do receive when ready though, a bestowal of a high son from Paradise. But the Creator Son bestowal makes a planet STAND OUT.)

"In the study of the religious life of Jesus, view him positively. Think not so much of his sinlessness as of his righteousness, his loving service. Jesus upstepped the passive love disclosed in the Hebrew concept of the heavenly Father to the higher active and creature-loving affection of a God who is the Father of every individual, even of the wrongdoer. *(C now religionists, pay big attention to this one. For the biggy message left out of the bible anyway, was the greatest teaching by Jesus, this one right here. His Father is also YOUR FATHER and you are a SON OF GOD, even if you are big bad and ugly.)*

(68.3) 5:4.15

"...there is an instinctive longing in the heart of evolutionary man for help from above and beyond. *(C, heed this!)*

(1008.7) 92:5.5

"Jesus introduced the evening's conference by saying. 'My beloved, you must always make a difference in teaching so as to suit your presentation of truth to the minds and hearts before you.' "
(C, which is why I teach somewhat differently from thread to thread here on glp.)

(1691.4) 151:3.1

"Knowledge pertains to things observed, but truth transcends such purely material levels in that it consorts with wisdom and embraces such imponderables as human experience, even spiritual and living realities." (C thus "knowledge" NOT learned from experience and wisdom, is just facts from a book or other observations, and its not always correctly interpreted, what is labeled knowledge on this world. For example, to your knowledge by observing, you could think the sun moves across our sky, but your observation, and thinking about it would supply you the wisdom of knowing, its an illusion, caused by the movement on earth on its axis. "knowledge is NOT always accurate and I knew this a lot in my school years, because some things taught as true knowledge in science were in fact wrong. My 'wisdom" remembered of the ages told me that, or even what I observed around me. You can read the knowledge of fixing your car in a book, but it does NOT become wisdom until you try to fix the car. Then it is wisdom from your experience.)

The Teachings of Jesus,

(1459.2) 132:3.2

"The fact of Jesus' earthly life provides a fixed point for the anchor of time, while the bestowal of the Spirit of Truth provides for the everlasting expansion and endless growth of the religion which he lived and the gospel which he proclaimed." (C we do now have an anchor of time, but his birth was 7 bc, the calendars are a bit off, but our world runs on the After Christ time, does it not? even if a bit inaccurate. Notice he LIVED HIS RELIGION and taught that religion is YOUR PERSONAL RELATIONSHIP with the FATHER WITHIN YOU and not an outside corporation. That is his Good news of the Gospel, that his father is YOUR FATHER and most of you who have not read the UB still don't get that one.)

(2063.6) 194:3.8

"What the world of today needs is the truth which your teacher of old declared: 'Not in word only but also in power and in the Holy Spirit.'" (C, and this world is being given the truth, such as the UB which goes put down by our thugs and otherwise ignored in favor of old corrupted teachings in the various holy books. Not in word only, means you have to LIVE IT not just "read it")

(380.7) 34:6.6

"You must not forget the great law of human fairness which I have taught you in positive form: Whatsoever you would that men should do to you, do even so to them." (c the greatest commandment that is present in similar words in all religions on this world. The do unto others as you would have them do unto you.)

The Teachings of Jesus,

(1931.3) 178:1.12

"As natural religious experience continues to progress, periodic revelations of truth punctuate the otherwise slow moving course of planetary evolution." (C "religious experience" is NOT what goes on in your church buildings. It is what goes on IN YOU personally.)

(1129.2) 103:0.2

"The rule of the Most Highs, the overcontrollers of political evolution, is a rule designed to foster the greatest good to the greatest number of all men and for the greatest length of time." (**C The Most Highs** are the administrators of the constellation governments, who are directly involved in the affairs of men in their realms, which are a LOT of planets.)

(1488.2) 134:5.4

"The ability of the mortal intellect to conceive, design, and create automatic mechanisms demonstrates the superior, creative, and purposive qualities of man's mind as the dominant influence on the planet." (*C This means the creating of tools and machines, and such as the internet. This is what makes man above the animals*)

(483.1) 42:12.1

"Urantia is now quivering on the very brink of one of its most amazing and enthralling epochs of social readjustment, moral quickening, and spiritual enlightenment." (*C well this was written in about 1934, and while there is some of this continuing, by and large since 1950's, man is moving backwards in these topics as the thugs continue their work.*)

(2082.7) 195:9.2

"Until you attain Paradise levels, goodness will always be more of a quest than a possession, more of a goal than an experience of attainment. But even as you hunger and thirst for righteousness, you experience increasing satisfaction in the partial attainment of goodness." (*C to those who think going to church and doing a false born again baptism, causes the perfection of soul, best READ this one. For its a long journey to Paradise.*)

I was considering starting a new thread with this, but decided not, because my purpose would have fallen on deaf ears of my intended audience. So it is here. I have been very busy with stuff I may or may not bitch about in the money thread. I am finished with all of that now. Please let ME post it around here, as it didn't copy well into this and I had redo the bolding and my comments in italic.

Those making it a mission to collect clusters of 3 green thumbs, these works from my website are approved by SHR of GLP for publishing of FULL content. CM and Kibo, Jan. 1

By CM thru Kibo

Jan 4, 2012 - 8:21:07 PM

WELL, Kibo's usual INTENSE discussion during tough times wiith CM. Lots of teaching and things to ponder. NOW BELOVEDS, PLEASE UNDERSTAND ONCE AGAIN, THAT some of the "YOU's" in several places in the piece, REFERS TO THE PLANETARY CIVIIZATION in general, Some took it apparently a little to personally. But some of the "yous" also refer to those who have followed this work, please DISCERN as to what applies TO YOU. I bolded some remarks and added some bits of commentary para's and italics. It is time to continue to ask what you can do for God, not what God can do for you. There are many folks of our very readers who are just wanting off this world, its a fun and easy way. Only you know which ones you are. -CANDACE

K: Methinks there is a.....situation. Undeniably, things have not gone as we were told or hoped for. Boss, I get everything that you've given me for the past few days...but...really...this is a time of ultimate decision. I don't mind being painted into a corner so much as not knowing how long the paint will take to dry so that we can finally finish the job and walk out of here into the next room...so to speak.

The question comes down to whether or not these messages are accurate. We've taken blows before, but this is it in more ways than one. It makes no sense to keep doing this on this level if it all is just going to continue until whenever irregardless of the messages that are given. I find that I have to concentrate on other things that are pressing to the point of oppression. I AM willing to take my place and grow into it, if You will only show me where it is and what to do.

CM: You fully understand what has been given to you and yet, feel a need to clarify for the sake of others the reasons behind the apparent delays from Christmas up to this point. We have stated that the operation is ongoing and still going on and there is no way to prove that until it happens. The Earth Allies have made tremendous strides due to the pressure to get it done before We step in to do it Ourselves.

These new developments have given us constant pause and the need to reassess matters on a moment to moment basis. Arrests are being made daily and this is no mean feat. Some of these people are very well protected by armed forces and they, as well as We, have been forced to find measures that are effective without the loss of life, as far as possible. Where that has been impossible, We have proven our willingness to engage in such actions and our superiority in sheer numbers, weapons and tactics. This has given a few of the last cabal holdouts food for thought and reasons to pause in their resistance to Divine Overcontrol. THIS THING IS GETTING DONE!

K: I'm with You. You know that. But.....well hey...screw the naysayers. I don't see many options, if any, to Your Plan, that will work. Still, You've left us little if anything to go on. I get it and all but...is it that important that human paperwork be signed? Even if for cosmic purposes, it could all be done in the interim. *(Candace: to refresh memories, there are a targeted piece posted maybe a couple weeks ago, on the signing of papers. It is under "announcements" because the telepath*

was not given.)

CM: Things must be transparent on all levels if the whole and total truth is to be revealed. Some of these papers are as signed confessions meant to make judgment on the guilty parties lighter than the results that would've been had without them. Mercy must ever be extended, even unto the worst.

K: Don't You think that they count on that? How much will it take until it is finally enough?

CM: It is already more than enough. This is why there is the last....court press. WE win. We've won. Nothing changes that as a fact of life and being. Everything must be done to insure that everything has been done. You people have been slow to respond to the facts of your reality. That there are so many naysayers to what is provable in your oppression and slavery and the solutions to it, is more than enough evidence to prove that, should We do less than what We are doing, hardly any of you will fully understand the true measure of what has been done and what has been given to you. Many of you feel that you do not need the help. Many of you don't want it. Many of you don't believe that Our help is available or that We are Who and What We say We are.

K: Can You blame them? God says a thing is and will be....and it never happens. The fragments of thought (*souls/people-C*) are overwhelming...and vicious...always attacking, never coming up with possible solutions of their own that might help in any way. People are what they are and do what they do...I'm tired of delivering messages for events that never happen as stated. They don't care anymore. I don't care anymore. Just show up, for PAPA's sake, or Yours, or ours, or for all of our sakes. Not that everyone will believe even then, but this is the only way to prove the objective reality of Divinity at work in human lives on Urantia. It is not something that I am willing to discount. But if there's no chance of that happening then tell me now and help me find the truth of the matter.

CM: The truth of the matter is that this is a multilevel event and all levels have to be finished, accurate and correct. Consider that all involved are checking their work. There are specific ways to arrive at the answer, which has been arrived at. Your system is being towed to its new spot. (*we have covered this before in the past which is one reason their as "placemat craft" where stars are expected.-C*) Actually, consider that it is being parked and put into place. That takes time. Also consider that negative elements are not allowed to continue in this new place and they needs must be removed. (*kibo has a typo in this previous sentence. I forgot to ask on it, I can change it when he gives me a correction-C*) This has to be as much of an inside job as an outside one.

Consider that the inside, due to certain, manifest limitations in a material realm, will necessarily and unnecessarily experience delays towards completion. That the remaining adversaries are devious and far thinking, there is no doubt. Things must constantly be changed in order to reflect upon actions that are taken and based upon actions that result in an ever tightening spiral of almost forced ascendancy without being forced. We could swoop in and get the job done in an instant, but what would that say about Us, or you, for that matter?

You people have yet to wake up, smell the coffee and see what's happening, not to mention actually doing something about it on your own. Very few of you presently have the wherewithal to deal with the reality of your situation and you would surely fail in freeing yourselves if We left you to your own devices. Surely you will oblige us in obliging you in doing as much as humanly possible before We call it a day and do what is, for you, considered to be superhumanly possible? (*folks, a littel god helps those who help themselves is necessary and it seems religion has placed it all on "god."-C*)

K: I AM with You. You know that and what You showed me earlier seems to make it even more

imperative. But am I right in reckoning that the point of resolution comes with or without either Your efforts or ours. Call it the Wave or whatever, but when it hits, all bets are off and the whole production gets shut down anyway?

CM: That would be the best way to put it for the sake of demonstration and example. I don't want to place undue pressure on the situation or people involved in exacting the fullest measure of freedom that is due you through your own efforts. We are here to make sure that it gets done no matter what. That there have been delays is a problem only in that We have taken it upon Ourselves to do our best to inform you of the situation on a moment to moment basis. As things change, We tell you. That you are dissappointed to the point of exasperation and even anger, in some cases, is understood and excusable. That the many naysayers that discount the Urantia Book, the Phoenix Journals or this, My Second Coming Organization, have nothing better to throw into the pot than their utter contempt for anything to do with Me, or for Candace and the Abundanthope members, is expected.

I regret that you had to have the experience of constantly giving messages that, for you, haven't panned out the way that they were given to you, but We do have to plan for the possibilities that such things may just come out as hoped for or expected. That We have been disappointed many times in your inability to realize the truth of your reality and do something about it on a mass scale has all but made you the laughingstock of the universe, MY UNIVERSE, speaks only to the love and planning that has gone into this effort to restore, release and rehabilitate this planet and her peoples.

Whatever they may think of you in the greater universe, they all agree that the horrendous and oppressive conditions of your system of things requires that only the best and the brightest of the universe be the ones to inhabit it and be tested by it. That so many have failed this testing speaks to just how bad the conditions truly are. No where else in creation has there been a situation like this. The final resolution of this situation and the resulting values will supply the whole of creation with a model and examples of what and what not to do for the rest of infinity and eternity, time and space.

I fully understand your feeling that you've been let down once too often and all I can tell you is to suck it up and keep going. Learn, evolve, keep moving forward. This is an endurance test, not a race. Those that are standing in their faith when the day finally comes, will be rewarded for their works and their faith. That is the way of things. Everything, indeed, is its own reward and that is just as true for the defiers as well as the naysayers. In the end, all will know the truth of the matter and no room will have been left at all for doubt of words or actions.

Our Earth Allies have made fantastic headway and have gained ground at a quickening pace. That this surge of success is last minute still speaks well to the strength of their resolve and the lessening of the dark's resolve to continue under such a relentless hammering from every, any and all sides. THE WILL OF SOURCE IN THIS MATTER, WHICH IS ONE WITH MY WILL, IS ABSOLUTE. YOU WILL BE FREE BY THE HELP OF YOUR OWN EFFORTS, ALLIED WITH OUR OWN EFFORTS ON YOUR BEHALF AND FOR THE SAKE OF ALL INVOLVED IN THIS UNIVERSE AND BEYOND.

You cannot even begin to comprehend the measure of this and I can only smile at those that say that it will never happen and that I don't exist and that I am not the God of the universe of My creation and that those that have chosen Me in choosing them for their parts in this, are deluded, crazy and should just shut up and go away. If We were to shut up about the matter and had never spoken of it for lo, these many years, none of you would even be [b]here now. *(boy do I get all of this on glp, and did, in a now deleted thread on New Years Day, the "roasting" was intense, but I got loving support to. I did a lot of sucking up. -C)*

This planet was given up on and slated for destruction by manmade and natural events. Together, heaven and earth was moved to help you survive, to continue, to struggle and fight for your freedom and salvation and only God can give salvation and it is only given to those who have earned it. So you are earning this and you should rejoice in that fact. Even though the population of your planet is overwhelmingly ignorant and/or defiant of divine, celestial, galactic, cosmic ways, there have evolved more than enough of you to justify this new beginning. That in and of itself has been quite the battle and chore, but it is done and We praise SOURCE for it.

So it is delayed, again...and what of it? Not any one of you has anything better to offer other than a false NESARA to be handled, ultimately, by the Chinese and Asian factions of your ongoing cabal inner struggle for total control. The elders of Asia will be seen again and the peoples will be free, all of the peoples. **There is no more room or place in the evolved human consciousness for division and maneuvering for position in order to control the world. The peoples will govern as one people to achieve the best possible outcome for the sake of all involved on planetary and universal scales.**

WE will advise and counsel but WE will not do it for you. WE will help, but you are entering unfamiliar territory. You are slaves that suddenly find themselves free in a fair and just system of absolute, divine rule. Make no mistake in the matter. **GOD IS, ALWAYS HAS BEEN AND ALWAYS WILL BE, IN CONTROL OF ALL AND EVERYTHING.** *(remember beloveds, of the GOD WITHIN which you MUST MANIFEST for that is how God gets things done in these worlds, and its not being manifested well on this planet, even star seeds buried within the mess have forgotten that as well as those "fallen angels, doing their learning here, of WHY Lucifers ideas did NOT work.-C)*

How many prayers have you received on the website for the ascension of this world and its peoples? How many have seen and agreed with the proclamation/petition? Do you think that humanity is ready for this? This is it. Ready or not, here it comes and when it comes.....**all naysayers and abusers will have no choice but to experience the reality of their situation and do their best to suck it up.** *(Kibo put up a petition, and has a website for prayers, which we have posted the links to.-C)*

Until then...suck it up. Deal with it. It's too close to come up with any more predictions and raising of hopes. If your hopes are not raised by now, they never will be. If your hopes have been raised, then decide if you will keep upholding them in good faith, or cast them aside in disgust. I will understand either way. I AM WHAT I AM and it's no problem for me one way or the other.

The problem, if there is one, will be yours and you'll just have to deal with it. Everything is it's own reward and it's up to each and everyone of you as individuals to decide what you will be rewarded for. Just remember, you may not be so happy with your reward when you see what others are getting and that will all be sorted out when the time comes, as it is surely coming and you have done as you have done and others have done as they have done and, either way...you can say that it's a crapshoot if you like, all analogies are valid as a means of the finite striving to understand the infinite...so roll.

Roll the dice of your faiths and beliefs and trusts and the actions thereof, for that is what your lives are. You are all gambling that you are right and they are wrong. Everybody wants to be right and God only knows for sure. So until God comes to set the record straight [wink and a nod] throw

yourselves down on the great table of life and see how you come up. Can you even see the dice? These are not your dice. Your clouded and befuddled minds make them appear to be the dice that you are used to.

But these are dice you know not and yet you throw them with impunity without even knowing how to read them. You go by the rewards that you receive with each little roll and try to learn from that. But the bar is closed, the party is over and there is just this table left for the final roll and everybody gets to throw out at once and the house will let you know what's what and who won what and how much. That's how WE roll and very few of you know how to play the game. But you will learn. There will be those who win or lose, by however much or little, and there are those that will break even. There are those that will win big time and those that will find themselves absolutely broke and owing on credit that they cannot pay. There are rewards for that, as well.

So do what you have to do to figure it out. Stand your ground wherever you are, on whatever foundation you have made for yourself. By whatever style or flick of the wrist you use to throw down, consider it done. All dice have been cast. When the last one hits the table and settles.....you'll know.

Results will follow.

That is all.

I AM Christ Michael Aton of Nebadon in Orvonton and the moment comes when you will find out exactly what that means.

MAN of EARTH has failed to Build the BrotherHood of Man under the FatherHood of God. I Grieve.

The greatest Lie in your Bibles is that Jesus was the ONLY Son of God. You who can THINK, (not copy), are SONS OF GOD. That was his greatest teaching, that HIS Father is also YOUR FATHER.

*This is the REAL Lord's Prayer: "MY SPIRIT, YOU ARE OMNIPOTENT. YOUR NAME IS HOLY. MAY YOUR REALM BE INCARNATE IN ME. MAY YOUR POWER REVEAL ITSELF WITHIN ME, ON EARTH AND IN THE HEAVEN. GIVE ME TODAY MY DAILY BREAD, AND THUS, LET ME RECOGNIZE MY TRANSGRESSIONS AND ERRORS, AND I SHALL RECOGNIZE THE TRUTH. AND DO NOT LEAD ME INTO TEMPTATION AND CONFUSION, BUT DELIVER ME FROM ERROR. Re: christian misunderstandings with correct teachings

[\[link to webzoom.freewebs.com\]](http://webzoom.freewebs.com) very small excerpt from this book. Candlelight. PHoenix Journal #72 None of this Phoenix Journal is copyrighted.

CANDLELIGHT

"It's better to light just one little candle than to stumble about in the dark--better to light just one little candle.... If everyone lit just one little candle--what a bright world this would be!"

If there is even a flicker of LIGHT--there is no darkness! Moreover, the darker the stage the more brilliant appears the flame. Further, to the tiny flame will fly all the moths seeking light. May we be given into candle lighting!

As we sit to close this volume my heart is pulled into the myriad directions as the wind which flows across the lands--I can rejoice at glad tidings and I weep as my heart goes out to the oppressed. There is always the oppression which is visible and we can uncover to place in your hands to gain lessons and wisdom--but what of those things we can only share and hold as pain within our breasts for we have so little influence over these powers which have stolen so much from so many--FOR so few?

THE NAVAJO

YOU are not of the native tribes (you think), most of you. You may be a tad this or a tad that - whatever is popular at the moment to relate to the social focus of brotherhood. But most of you are foreigners in a "natives" land. YOU did not come and conquer, murder your relations, and sink them into despair--but you are nonetheless RESPONSIBLE.

This very day, a quarrel goes on in the LAND OF THE NAVAJO. For 27 long years, these people wait to be removed from their heritage lands. They cannot build--even a hovel lean- to. They cannot even repair the falling-in roofs or paint the window frames. They have no electricity, no

running water--they lived grouped in unfit falling-down hovels-- WAITING! TWENTY-SEVEN years, already, they have waited in this miserable circumstance. Lands whereupon they grew gardens are now being taken for building by developers. The lands were simply "there" for the use of any--and now, the lands are being closed and, even if vacant, the "natives" can no longer use the plots to feed their stock or grow their corn.

THIS LAND! THIS LAND IS (WAS) THEIR LAND. How come you foreigners come and steal their lands? Worse, you take it and destroy it with your buildings and your THINGS. I warn you, readers and all citizens, you will rue the day you came upon these RED

BROTHERS and discarded goodness and balance and wreaked havoc and chaos upon THEIR lands, their "MOTHER".

Ah but you may say--but "If they be of God and yet so helpless--what can they do about it"? Ah, I thought you would NEVER ASK? THEY DO "BE" OF GOD--AND THEREFORE, LITTLE BLIND LAMBS--GOD SHALL ULTIMATELY BRING THE CYCLE FULL- CIRCLE AND THE WINDS OF THE DUST-DEVILS SHALL DEVOUR THE SLAVE- MASTERS AND THIEVES OF THE 'PEOPLE', THE HUMAN-BEINGS OF GOD!

IT IS NOW OBVIOUS--the days of the white-man, black-man, yellow and pale--are numbered as upon this land called America. In your own foolishness you have forgotten everything you NEEDED TO KNOW. When people have to survive--THEY KNOW HOW TO SURVIVE and you who stole it all--CANNOT for you are soft and weak and without ability if you lose your electricity, your "things" and your gold. Will THEY sell you what you need for your "gold"? Some of them--but not the ones who KNOW. They will WAIT upon the Lord to attend their enemies--YOU.

You can learn all there is to know about politics, secret organizations, and all the trappings of "society", good and bad--AND STILL KNOW NOTHING about "living" and GOD!

Does ANYONE actually wonder WHERE "WE" WILL GO FIRST TO TAKE UP GOD'S PEOPLE? YOU HAD BETTER LOOK CAREFULLY FOR WHAT YOU ALLOW TO BE DONE, AND HELP DO, UNTO OUR PEOPLE--YOU SHALL REAP THE BITTER HARVEST FROM THOSE ACTIONS. GOD KNOWS NO COLORS, CREED OR RACES- -HE ONLY RECOGNIZES HIS PEOPLE AND THEY ARE THOSE ONES WHO RECOGNIZE HIM. Pagans? You are children of the LIE! You hold glory in your hands and you dump it in the dregs of the badlands and hide the Truth from the eyes of the world. GOD ANGRY? ABOUT AS ANGRY AS HE CAN GET WITHOUT VAPORIZING YOU ALL IN YOUR NARROW LITTE MINDS AND WORLD.

To witness an octogenarian grandfather lying on rags OUTSIDE a hovel--waiting his own passing, for there is no room inside the shelter--tells it all, little children of the LIE. Shame is upon your nations this day--and one such as America is as shamed as any upon the face of the earth--FOR YOU DID IT UNTO THE LEAST OF GOD'S CHILDREN--AND THUS-- YOU DID IT UNTO HIM! And what would the "Wisdomkeepers" say to you who have entered upon His sacred places?

They will say that it is now time to tell the world what they know...about nature and about God. So, if you will listen they will tell you--if you do not they will pray for you. My, you ones have a lot to learn and you better start listening for they will soon stop talking and wait- -and you will perish! He will tell you that the "white man came to this country and forgot his original Instructions"--"We have never forgotten our Instructions". Some have, just as some of you who "came" will remember yours. I can only suggest you get on with lighting candles and remembering your Instructions.

They will tell you in their traditional truth: "God made everything so simple. Our lives are very

simple. We do what we please. The only law we obey is the natural law, God's law. We don't need your churches and "things" for we have the wonders of the mountains and the valleys and our blood is as the rivers across the lands. Our WORLD IS our bible and we don't need your books and rules--or your approval. We have the wind and the rain and the stars and we have studied it for millions and millions of years.

"We've learned that God rules the universe and that everything God made is living. Even the rocks are alive. When we use them in our ceremonies we talk to them and they talk back to us. We honor that which God has given unto us and hold it sacred except that in despair and in the integration with you who corrupt--our own are corrupted.

"When we want wisdom we go up on the hill and talk to God. It is tradition--four days and four nights, without food and water. Yes, you can talk to God up on a hill by yourself. You can say anything you want. Nobody is there to listen--except GOD".

By the way, readers, after a while on that mountain--you begin to think a lot better and your thoughts get a lot more "clean" and in perspective. You might try it, brothers and sisters--go within for four days and four nights--fasting and thinking. It might just change your perspective.

These things ARE the principles of CHRIST--and it has nothing whatsoever to do with "religion" or a man by any NAME. When you have reached the place where your prayers and focus are on Grandfather on the rag pile outside the hovel and your prayers are for his restoration--THEN, and only then, will you have risen to the point of possibility of change. It can be ANY "grandfather" outside any hogan or cardboard box. Until you are willing to KNOW, become informed and ultimately--GIVE, you cannot claim your place awaiting you in the wondrous kingdom of the Great Spirit.

"But I can't do it ALL," you say. You don't have to DO ANYTHING because you can't SAVE ANYBODY. You get it right within and in intent and SAVE yourself and the rest will follow in proper perfection. Get your own rememberings in order and bring again to the world the principles of God/Creator/Creation and it WILL CHANGE THE FACE OF THE WORLD!

I do not come, nor are we "sent" to tell you about the CIA and the political secrets of the Bush twigs and twits. I am come to TELL YOU THE TRUTH ABOUT YOUR SOUL IN BALANCE AND HARMONY WITHIN THE UNIVERSE. The rest of the lessons is to give you opportunity to REMEMBER--nobody is going to SAVE you from anything--much less yourself. BUT, you are not going to be ABLE TO SAVE YOURSELF if you don't remember who and what you are. Whether your candle be from the tallow of the buffalo or the scented wax of the king's larder - - YOU HAD BETTER GET ON WITH LIGHTING IT.

You have two ways to go--in direct opposition to each other. You can move to that light of remembering or go right on into the pit of dark forgetting. YOU CAN HIDE THE TRUTH FROM YOURSELF IN MANY WAYS--BUT YOU CANNOT ESCAPE IT.

God is divinely kind to sinners. When rebels return to righteousness, they are mercifully received, "for our God will abundantly pardon." "I am he who blots out your transgressions for my own sake, and I will not remember your sins." "Behold what manner of love the Father has bestowed upon us that we should be called the sons of God."

(39.4) 2:5.5 After all, the greatest evidence of the goodness of God and the supreme reason for loving him is the indwelling gift of the Father — the Adjuster who so patiently awaits the hour when you both shall be eternally made one. Though you cannot find God by searching, if you will submit

to the leading of the indwelling spirit, you will be unerringly guided, step by step, life by life, through universe upon universe, and age by age, until you finally stand in the presence of the Paradise personality of the Universal Father. Quotes from Paper 2, The Nature of God, from the Urantia Book.

All those religions mentioned are all FALSE... Why? simply they where written by US, HUMAN's and for the purpose of controlling the populations.

Yes there is a Divine Cosmic Mind, GOD. He's all that is, that was and that will be. Pure energy of Light.

There is no religions there just love.

Voila!

Quoting: **Anonymous Coward 1321108**

You only wish it was so.

If that was true then their would only be a religious anarchy. Everybody could decide what "love" is and act accordingly. So for a cannibal, Love might be physically cooking and eating you. Some one might "love" you enough to kill you to keep you, from suffering the ills of this world. So keep pretending it is so, maybe some day some one will "love you too".

I would ask to continue to vote, the true purpose of the voting really, is to create awareness, because religions are so divided against each other. A sad condition to Jesus by the way.

Ok, Christians are getting awfully nasty here on GLP, in a way they were not even a year ago. Guess you ones are feeling the end times too. And the beginning of the new times.

Now, let me point out the one thing that bothers me the most HERE and other forums and in my life personally as long as I can remember. Now why it IS true, that Jesus Christ is the only way to the FATHER, you ones do not understand how or why. So I am going to ask one of my favorite questions and see what answers show up.

What about the Muzzies as they called here, the buddhists, the taoists, the so called atheists, the hindu's etc. What happens to them? They are born in culture that have never heard of Jesus Christ. I am posting a poll but also wish commentary.

Gotta hand it to you. I admire and respect you much for putting yourself out there like this. Your tune is one of consistency, which speaks volumes to your character.

Keep up the invaluable work!

Something has been on my mind lately and that is:

We murdered Him back then and probably would do the same today. How can that be?!

This is too much for me to comprehend at times.

So now you know what its like to live in Palestine.

Personally I have no feelings for Israel if this is what becomes of them. They have NEVER tried to co-exist in the middle east, so what goes around comes around.

Quoting: **Anonymous Coward 8539444**

They will never "try" that. Their goal is to occupy a large area of the middle east . I was given the borders they want and then later I came across a map that matched pretty well, but I lost the linky on a murdered computer.

well, Just did a google search, this image is close but not complete. [\[link to www.google.com\]](http://www.google.com)

the line across saudi arabia starts with kuwait included and it also includes cyprus and a chunk of turkey, from north of cyprus going up thru Arapkir and Mount Dag then down to the headwaters of the tigris.

The western border within egypt is Alexandria, they want that too. now look back at the arab spring in Egypt last year, I think that was the area they want and part of the reason to expel the leader.

[\[link to britam.org\]](http://britam.org) Ok this map includes cyprus, but not alexandria and while it includes a lot of

Turkey, what they want is less than that, and the eastern border does not go all the way to the Tigris. but the southern border is pretty right on. So watch your political scenes and review what you have seen as to the territorial conquests going on. Mind you, these borders date back to biblical days but those occupying "Israel" right now, were never ever from there. The khazars had their initial origins in MONGOLIA people, then they were forced west to western russia, eastern Europe etc. these were never the hebrews, semites, or judeans, EVER. The khazars adopted the belief system of the talmud, a very nasty book and set of beliefs, in 700+ AD and then created the name "jewish" for themselves in 1700+ AD and then they went and changed the bible so all of you Christian Zionists could be motivated to accept them as the people of thousand on years ago in the middle east. It has worked well, hasn't it?????? Now you better go study Scofield, and his bible, because he was the antichrist plant into christianity to get YOU to buy into the story as presented now.

read about him here, although there are better resource, but the truth is in the box on that page. [\[link to www.jesus-is-savior.com\]](http://www.jesus-is-savior.com)

Scofield was setting this up in the late 1880's on into the his death around 1920. You Christian Zionists have been screwed into supporting the Antichrist you keep expecting to return, and he has been already on this earth for a very long time, thru those from heaven who fell and the galactic thugs, 10 billion imprisoned on this world and continuously recycling here.

HEAVEN #4088 A Whole World Full of Light , February 3, 2012

God said:

The world, as you know it, is changing, for you are growing. And so, the world as you know it, changes before your very eyes. The world is a reflection of you. As you change and grow, so goes the world. The world is of your making, and the world is of your perception of it.

As you see a beautiful world, the world becomes more beautiful. And so do you. You become more beautiful to yourself and to others. You have always been beautiful to Me. My perception doesn't change. My perception has ever been true. I see. I have never not seen. Wherever I look, I see beauty. I have heard that beauty is in the Beholder. That saying holds Great Truth.

It is also true that how the Beholder sees rubs off on the Beheld. The more beauty you see in others, the more beautiful they will actually become.

You have seen this. When people feel loved or are in love, they light up, and they are beautiful. It is beautiful to see, and you have seen it. Be beautiful, and you will have a glow. See beauty, and what you see will have a glow about it. This is how you light up the world!

What is glow but light? And what are you but light? Light is spreading across the land. Beauty is becoming more beautiful. Beauty is infinite, and infinite means always more. There is no going back, beloveds. You can no longer hide your light in corners. No longer can you be shy or reticent to shine your light. You came here to Earth to shine your light, and shine your light you will. It is ordained, beloveds, it is ordained that you will come out of the shadows of your own perception. How about now? What is there to wait for? What are you waiting for? Come out from the shadows now.

Simply step out from the shadows of your past thinking. You, yes, you. You are a most beautiful being. Any lack you may have is lack of true perception of yourself, life, and others. You notice I say that it is your perception that is lacking. That is all that can be lacking. I created you as beauty. My perception is accurate. You are the non-believer. You are a non-believer in yourself.

You can't make yourself believe. **You believe what you believe. Yet what you believe can be changed. You can raise a lesser belief to a higher belief. You do this by noticing.** Any little bit of beauty you notice anywhere becomes you, and it becomes part of you. Start noticing beauty in yourself and others, and pat yourself on the back. Be pleased. You saw beauty. You noticed it. You became it. This is worth celebrating. Celebrate now. It's fine to celebrate even ahead of time.

Once you make the decision to see beauty, you will see it. You will notice it even in dark places. Even in the dark, there is some light. See the beauty in yourself. See the beauty in others. The truth is that all beauty is yours. It is all yours.

In this moment, the supposed you and the supposed I, are beautiful together. We make beautiful music, for you see, We love, and what is love but seeing the beautiful wherever it is, however it is housed. **Every single person has a spark of light, and now We are going to make this spark become a huge bonfire of light, a mountain of light, a whole world full of light, thanks to you.**

Quoting: **Wingedlion**

HEY ALL OF YOU CONFUSED AND MISINFORMED ONES, his name is **IS** Sananda Immanuel ESU Kumara. Joshua ben Joseph was his nam 2000 years ago and is NOT his name NOW. That was temporary name of THAT INCARNATION. each of you do no bear previous incarnation names either, OK, does that REGISTER with your MINDS?

Paul gave the name Jesus "Christ". Jesus was never his name and Christ is not and never was his last name. Christ is a state of attainment.

"Jesus" was two people sharing ONE BODY and that Body is buried in Srinagar Kashmir. FACT. These animals forms do not ascend any where.

The other person besides Esu, above was Michael of Nebadon. WE call him Christ Michael/Aton in our work at this time. He is the CREATOR SON (Father God) of Nebadon, our local universe (Sector of the creation), He is not and never was the Eternal Son of the Trinity. He represents the Father and Eternal Son of the Trinity, and the Infinite Spirit of the Trinity is represented by Nebadonia of Nebadon.

NOW THIS IS FACT. MICHAEL AND ESU ARE RETURNED IN SEPARATE FORMS SINCE 1954 PERMANENTLY BUT BOTH HAVE BEEN VISITING OFF AND ON SINCE THOSE ANCIENT TIMES.

MICHAEL OF NEBADON RETURNED TO THE CENTRAL UNIVERSE WHEN HE LEFT THE SHARED INCARNATION, TO HIS FATHER. FOR A SHORT TIME.

ESU CONTINUED TO USE THE BODY, WHICH DID NOT DIE ON THE CROSS, THAT IS WHY HE WAS SEEN WITH HIS BUDDIES OF THAT TIME. HE ASCENDED INTO A CRAFT AND WENT TO DAMASCUS, SAW PAUL THERE, AND LATER WENT WITH HIS MOTHER, JUDAS AND OTHERS TO INDIA. HIS MOTHER DIED ALONG THE WAY. JUDAS WAS HIS BEST FRIEND AND NOT THE BETRAYER. JUDAS WROTE THE ONLY GOSPEL DURING THE LIFE OF ESU AND MICHAEL. THE OTHERS ARE HEAR SAY. EXCEPT THE YOUNGSTER MARK WROTE SOME OF HIS. MARK WAS NOT AN APOSTLE NOR WAS LUKE OR PAUL. LUKE NEVER MET JESUS, AT ALL IN FACT.

SOME OF IT SURVIVED AND WAS RECOVERED IN 1963 OR SO. AND TRANSLATED FROM ARAMAIC TO GERMAN, AND ALSO LATER BY JUDAS FROM ARAMAIC TO ENGLISH.

THESE ARE THE FACTS. OTHER PEOPLE CONFUSED WITH JESUS BY SOME OF YOU WERE OTHER PEOPLE, THERE WERE MANY HIGHLY EVOLVED SOULS THAT CAME TO EARTH INCARNATE AND NOT INCARNATE DURING THAT PERIOD.

YOU CAN ARGUE THIS UNTIL YOU ARE BLUE IN THE FACE AND THAT WILL CHANGE NOT ONE IOTA OF THE FACTS. I HAVE REPEATEDLY GIVEN THE LINKS TO THE TALMUD OF IMMANUEL, TRANSLATED TO GERMAN AND THEN TO ENGLISH, AND ALSO PHOENIX JOURNAL #2 WHICH IS BY ESU AND JUDAS WITH COMMENTARY ALSO BY GABRIEL OF NEBADON. WHO WAS THE FATHER OF THE SHARED BODY. THE HOLY SPIRT DOES NOT HAVE DNA AND CANNOT IMPREGNATE ANYTHING. LET ALONE MARY.

[[link to fourwinds10.com](http://link.to/fourwinds10.com)] FOR THE TALMUD OF IMMANUEL BUT IGNORE THE SHIT ABOUT

MATTHEW IN IT.

[\[link to tweeofmeer.webs.com\]](http://link.to/tweeofmeer.webs.com) FOR THEY CALLED HIS NAME IMMANUEL, I AM SANANDA BY SANANDA, AND THE ONE WHO PLAYED JUDAS

What does Godlike Production mean any fuckin way?

Who the fuck decided to call it that fuckin name?

Quoting: **Anonymous Coward 3960495**

Elaine Called it that, And only She can Answer as to why she Decided on It Maybe GOD Had Something to do With IT.

Maybe God wanted a forum where A certian someone a "Nobody" would have access to like minded people.

Might just make some people wonder.

And as stated Orignaly glp was a Backup Forum for Kent Steadmans CSO forum.

Quoting: **Well... 10447931**

well I don't know why Elaine named it that, but its actually a perfect name for a forum in a world just entering 4d. That is the get off the fence dimension, its what Jesus came to set up 2000 years ago but it took it time ot manifest and an internet is necessary to the 4d process. 4d is a time when people are all over the place, the good the bad and the ugly manifests. Its an age of arguing about every thing.

The process leads alway either to the destruction of a world (rare) or its entry into 5d which is actually the bginning of the time of the god like manifestation, where most people are actually god conscious.

Sorry religion folks few of you are there at all but the arguing if you open your closed minds will lead to your state of being god Conscious of yourself as a SON OF GOD. Not a baby of God, A SON who takes responsibility for what one creates. A god conscious individual knows they co create with God, as a Son of God and these ones take responsibility for actions. They KNOW that the FATHER Resides in them and come to hear that Father Fragment, but not usually until the person is 6d level consciousness. It is then that the person makes the true choice of eternal life and if this occurs, the persons mind and his FATHER Fragment mind will fuse together, which is then truly the beginning of eternal life.

It is the joining of Man and God in this way, that write you into the so called "BOOK OF LIFE". Until this merger, you are a FAITH Son/ Daughter for those hung up on sex. Upon the merger you become an actual eternal son of god. You are not "done" by any means but you have come a long way and know enough to actually concept what eternal life is. Most of you waiting for your still rapture with Jesus up in the clouds, are simply not ready for eternal life yet, but you already have it as a faith son.

We have a long ways to go on earth in 4d yet, but a place like god like productions will help the process along.

This forum is only as godlike as its members and I am seeing growth here, both in the

membership and the management. Its a great place for a 4d world.

Towards 5d and

People laugh and mock and in the end they all die.

Where is their hope?

Where is their assurance?

We have that Hope and Assurance in Jesus Christ.

Because as we BELIEVE HE was resurrected so He has the power to resurrect US, His Church, those believers who have put their Faith and Trust in Him.

In this hope we rely and rest and our Faith is based and founded.

For we live Forever because our GOD, Jesus Christ, CREATOR lives forever and will return for US and take us to be with Him.

In Jesus Christ.

Quoting: **Anonymous Coward 720033**

dear one, exactly the wrong reasons to "believe" in him, see that word "believe, LIE in it. This is lies you have been controlled with. Not the Truth.

He was not resurrected. He did not die, and he was taken off the cross in a comma, recovered in the grave and went to India and "died" there at 115 years of age. He did tried to teach about reincarnation and your immortal spirit while here and his teachings were all changed, in various way and many either left out or later removed from the bible.

You live forever because you are an eternal being. But you do not live forever in these bodies, and his worn out used up body is buried in Srinagar Kashmir where he settled married and had 5 kids.

Another lie you believe is about Judas, who was his best friend and wrote the only live gospel as he was his scribe. The betrayer was Juda IHarioth. similar name, son of a pharisee.

Jesus Christ was never the name and its not his name now. He was called Immanuel by his group, and that was said to be his name in the OT. His given name was Joshua ben Joseph in English. That name died with him, as all our old names die when our incarnations end.

How can he be called God's Only Son by you ones, and then also Creator God? How so? Put on the mind here.

YOU ARE all GOD'S SONS TOO which is why you are eternal beings, but you can reject eternal life and are given a long testing period to make sure its for you. The Father is inside YOUR MIND. He gifts you with a Piece of HIS MIND.

If he was Creator God, why would he need resurrection? ponder these stories, please. As you grow in truth of knowledge and heart so you move in God's worlds of the cosmos.

What is wrong with the religion is you ones are kept helpless with silly beliefs that are lies. Your works do matter. His teachings were taken by the thug antichrist satanists and modified a great deal.

He taught that his FATHER is ALSO YOUR FATHER. YOU as a SON of the Father, are co creators with the Father of your reality. You have god mind because you can think and reason, and plan into the future and have desires and the like which cause you to be above the animals.

The religion and the using of the false name Jesus Christ, has created people who "believe" the lie that anyone not accepting him as going to hell and destruction. Will this world was going along for millions of years before IMMANUEL came, so what happens to all those trillions of beings who lived before him? That area was one small region of a widely populated world.

What about all the other cultures who do not hear of him? That is what is wrong with YOUR religion. Answer that question. You send them to hell. terrible lie, here is no hell. Islam accepts

Christians but you consider islam the enemy, many of you do or less than human.

Anyone searching for God by whatever they use is searching, and it matters not one iota what God is called. NONE.

Jesus was two souls who shared the same body. The body was not Jesus, it was a disposable body just like the ones we all inhabit on this world. They do not go to "heaven". Your body is going to die, it's an animal body. It is your SOUL that is eternal.

You are here in an animal body to learn to become civilized and learn to solve problems that grow your mind. Mind does not grow without challenge.

There is no rapture beloved, these bodies don't go to heaven. There could be however an evacuation to CRAFT if the world goes into axis shift. Your body would not survive that, not even the plants or animals. The air would be too foul from the volcanism.

So in that case the world would be evacuated. There are millions of craft here for that purpose. They do take those who are children of light first, then the kids and then the thugs if there is time because in an axis shift they have only 1 hour to evacuate the planet.

At the end of an age, there is always a Judgement. There is no hell, but souls are judged as suitable to move up in god's schools or laterally. Some go to his prison worlds too. This is one of them in fact. Some of you will go to other prison worlds but there is no hell.

You don't understand heaven. I am not even going there tonight, I am getting tired. bedtime.

God Bless You, OP.

Those left behind can't say they weren't warned - often and by so many - including myself - here and on other forums.

Praying for as many as possible to receive Jesus Christ into their lives - now.

The rapture could indeed happen at any moment or a few months from now. Feeling it in my heart, along with many other Christians, that it is this year.

Quoting: **Anonymous Coward 10263550**

There will be exactly zero people left behind. That is a lie you have been told, started by the rapture specialist John Nelson Darby. antichrist thug.

If we have to evacuate the planet, because of the silly crap people believe, it will be done under stasis, because most of you would not board ship and we simply are not going to leave anybody behind to the destruction of an axis shift. OK.

well today I am a rattler of cages for 2 days actually and pissed as shit thankyou. So here I let it all out, minus what made me pissed as shit. Ok. You don't need the whole drama. This is a post I made in another thread.

>>OP Jesus existed,<<

hi NIP, what is his real name?

What a wonderful creator this mind is..

Quoting: **Anonymous Coward 1105272**

NIP will tell you differently, but his name was Joshua ben Joseph, also spelled Yeshua ben Yosef. This was his Hebrew name. Jesus is Greek for Joshua, we get it from the original Greek version of the bible translated into English, although the original Hebrew version is just as important. Bible study needs to involve these earlier versions because of the problems of mistranslation. Hell for instance comes from mistranslations as well as church mythology to control people for monetary reasons. What people actually feared in Jesus' time was eternal death, and that is what hell was supposed to represent, the horror of nonexistence. But avoiding this is rather easy, and it doesn't require a church. Just love others as yourself. The more love you can give, the greater the amount of God's love you can feel within yourself. It is a tangible form of energy.

Quoting: **overmind**

excuse me, Overmind since WHEN would I tell them differently? I had said this so often I am sick of it in fact. That name was the given name, as least as presented IN ENGLISH in the Urantia Book. how it was said in ARAMAIC, I have NO idea. I don't read it and never heard it and I never asked either.

Jesus was given by PAUL, it is not greek for Joshua. and it means annointed one and I for one will take Esu's word for that one since I don't speak greek either. Title not a name and the wrong title to boot.

It was the name then, it is not the name NOW. all incarnating beings have STELLAR names and not even Christ Michael's name is actually Christ Michael. It starts with ATON. Which is a holy word for Father Creator, an intoned sung tone, like people sing in gregorian chants sort of singing. His name if written out in syllables, he did that with Jess, takes half a page of paper and pages if put to the cording etc. The term Michael is an english adaptation for the ENGLISH UB even.

"Jesus" by whatever "name" used, was the incarnation of two individuals into ONE BODY. Overmind, the Creator Son is a massive massive photon spirit being and cannot occupy in any way shape or form, one of these bodies. Even for him to overshadow required the very high DNA that Gabriel of Neadon provided. **The UB purposely did not make some accurate statements**

because there is information you do NOT give the thugs who hunt down descendedants.

I am a spirit being as a Mighty Messenger and I overshadow my own form which was custom created also so I could have these skills I have. My body has far more DNA strands than man.

Where you like of it or NOT beloved, Esu continued the journey, and CM left the journey at the crucifixion and returned to the CEntral Universe to finish up his part in the deal and also begin the planning for this world for later.

The Body Esu and CM shared IS buried in Srinagar Kasmir. He lived until he was around 115 years of age, married, had 5 kids, and Judas was NOT the betrayer, but because Judas was the ONLY apostle WITH WRITTEN RECORDS made during the incarnation, this could NOT be disclosed. So the lie made was allowed to stand. The betrayer WAS Juda IHarioth, son of a pharisee. Judas was deliberately FRAMED for something he did not do, but for safety of record keeping and for Esu to continue, it was necessary to keep the lie.

If was desired for the people to think Esu DEAD. So he and Judas could continue the journey and teach in central asia, india etc. Thus Saul thought Esu was a ghost when he went to Damascus Judas died before Esu, and the records were then kept by Esu's Son Joseph,. And returned to the old grave after Esu's passing from this world.

If it had been allowed for ones to believe Esu lived, he would have been chased everywhere and his progeny would have been sought out and killed to the last one and the valuable uplifting of DNA in the region lost.

Now this is Truth and I could care less today because I am a bitch today, if any of you accept it or not. YOUR CHOICE dear readers. We tell the truth and we tell the truth, and we tell the truth..... So be it.

I know these people personally and I know of what I speak and we put out what we can put out.

Now you ones please go read also Phoenix Journals #2 and #3 and if you have NOT read them, Ovemind, please do so post haste. They are an adjutant, to the Urantia Book and go where it could NOT go. And they didn't go far enough and we have added and added and added as is safe to do so.

Esu's NAME is Sananda Immanuel Esu Kumara and the apostles called him Immanuel. CM was in the role of very close advice, in his role of overshadowing Esu. We do not have decent spiritual words, so "over shadow" will have to do. There had to be a special body, as above, for this to happen, for this special connection.

Christ Michael IS returned and again overshadowing a body of a different short that the angelics use when they must be visible to man that has the necessary interface.

Now I will collect this story and put it some of my other threads. We are not involved in fairy tales, we are involved in what truth CAN be shared at this time. Take or leave it. It is a gift of love. I don't know how to do it any other way. But I get my days of frustration just as did the CM/Esu combination then, and just as they do "separately" at this time. They get frustrated with man who is not learning to REASON and prefers Santa claus fairy tales to reality. I have been dealing the Santa claus christians since yesterday, to no avail it seems.

You ones have got to come out of this foolish bullshit and grow up or you are going to be fools on some other planet. Ponder that one. God is MIND people. Where are your minds? Thank you for

listening to the rant, perhaps now I will feel better, having let it out.

OH let me add in AGAIN, linky to PJ 2 and 3: [\[link to www.freewebs.com\]](http://www.freewebs.com) there I am done with my rant.

Hi NIP,

Fist I would like to thank you for all that you do. You are very knowledgeable and have on many occasions clarified much for me. I commend you for standing in your TRUTH despite what the the naysayers throw at you. There are people out there, like myself, that do a lot of reading and don't necessarily make a post. Absorbing, observing, learning to find my "God mind". We appreciate you.

My family is of the Christian variety. I however am NOT. I had an ailment that needed healing, I called upon the Archangel Raphael and his legions to help. BOY did they. Problem healed with in one day, what normally would've taken 2-3 weeks to heal. Anyway, I told my Christian Father about how I asked Archangel Raphael for healing and how quickly I healed. I'm always looking for an opening to talk with him about the things that are and about to transpire. Easing them into the coming changes and hoping they will remember by words should they need them, even if they don't believe them now. So, after I told my bible thumping father this, he informed me that I'm not supposed to pray to Angels for healing-that Jesus is the only one who can heal us. Yes, he said ONLY. I was a Christian for many years in the church, and I don't remember that part about not praying to our angels. I also clarified Archangel Raphael is a healing angel (didn't go into how he

has assisted in a surgery on my son, has helped me before, or that I can actually physically feel their presence when I call them, ect.) and an Archangel at that. NIP, you are used to answering to this kind of ignorance and was wondering if you could offer your insight. There is no shadow of a doubt in my mind that Archangel Raphael and his team are hear to heal us when we ask for it. I have read your stuff where he has helped you. How do I answer this christian who wants me to point to the bible verse that says "we can pray/ask for assistance from AA Raphael". Can you believe that, not talk to our Angels- just Jesus- who's name really isn't Jesus? I think it is so stupid

its almost laughable. I know I will have a hard time with this one. Much love and gratitude!

A Concise Look at the Nature and Duration of Hell

Many Christians and non-Christians alike downplay the biblical presentation of God's wrath for the unregenerate and their final abode in hell—namely, “everlasting punishment.” The Universalists, Inclusivists, and groups such as the Seventh-Day Adventists and Jehovah's Witnesses boldly reject the “biblical doctrine” of hell. While this doctrine can be quite difficult to comprehend and thus, accept, biblical doctrine is not determined by emotion or philosophy, but rather by the exegesis of the text. God's Word is true regardless if one accepts or rejects it (cf. 2 Tim. 3:16).

Hi Moon light Lotus, lovely user name. And thankyou for your loving and supportive comments,

does my own heart good today.

I have found nothing that can pierce that particular shell. I think they are so afraid they might talk to satan or his angels, they just play it safe and not talk to anyone but Jesus. Are there any of you more versed in the bible who might help, because often folks believe a little line in it, and there are other lines opposite. I think this you may not pray or talk to angels is something fairly new, as when I was growing up in my small town and attending various ones of them with friends and attending bible schools in the summer, I have no memory of this issue, as most folks accepted a concept of guardian angels and certainly if one has guardian angel, that should be OK intellectually to one who has been exposed to that idea.

Arch angels have a variety of career options and in some Faiths, even a bit in catholics AA Raphael is seen as the "healing angel". He's a doctor in reality, having of course knowledge well beyond what earth has, but his team is behind the stem cell research, the MRI machines and all these other genuinely good technologies, being gifted to earth right now.

If people are NOT open, I don't know what to do. They vary. I admit I have told people about AA Raphael myself, and have seen some eye rolling, of ones who don't have a clue about what I do.

Maybe a good purpose of this thread could go to some of you posting things that have "worked" to open up your Christian brothers and sisters a bit.

Its good there is an interest in God and most Christians even if they have little actual truth and no cosmology at all, genuinely do believe in God and Jesus and that is GOOD. How to stretch some

to go a bit further is a different issue, simply because of the nature of the "ego" mind that comes with the BODY. All bodies have them, and when these are programmed from birth, see it as programming the hard drive of your computer, often they do not change beyond anything they are taught, and not just religion. Politics of the country of origin is just as powerful, and TV, while a blessing some ways, it can be good, is a hindrance because visual images are very very powerful, whether on TV or in nature and all ones life experiences.

I sometimes like to use this kitty emoticon, it speaks great truth, from different ways to look at it.

It applies to the harsh and the gentle that come our way. It takes great skill to see all sides of any image seen. It does not always come naturally. If its not there, its not there. These people who can't see several different perspectives of some things, simply are not apparently capable of "Perspective." It may take many years into adulthood before they might "see" on any of many issues, not just God. Try talking money, politics, et all with people and you find some cannot move beyond what was put on the hard drive ego mind.

Honor them anyway and if they cannot look yet, perhaps do not continue in that vein, because they can be used as enemy also against you because of the lack of discernment. Seem them as simply very young souls who do not yet discern. Watch the eyes always of religious folks, or any folk, even the used car dealer. Not putting them down, I have seen honest ones. If you see a darkening in eyes and mannerisms in people, you know what is behind them even if they call themselves Christians.

I don't recall any statement in the bible that says avoid the angels. but its been awhile and each

new edition can have modest changes and a skillfully trained thinking or non thinking cleric can be made to see something not there.

There are many folks who read me, and believe I am receiving, but because of he mind control put into religion, they cannot accept that I could be working with anyone except dark angels. These have simply been programmed and can't think freely enough to accept anything else. Use your knowing to work with those that do want to open a door and are curious like the small child.

If any one reading this does have some advice on this angel thing, feel free to post. And if you have the "bible statement' that prevents talking with angels, let me know where it is.

I would suggest gently asking people WHY on these things. Let them point it out to you how they "know" this and then maybe find a little opening for another WHY to ask. Asking Why forces them to at least consider where they got the idea, from the bible, the minister, the parent etc. If the why's don't work, I guess give it up and simply carry on the usual as family or friends.

Perhaps the following is the verse being referred to:

"... I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel: Which is not another; but there be some that trouble you, and would pervert the gospel of Christ. But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. As we said before, so say I now again, if any man preach any other gospel unto you than that ye have received, let him be accursed..." Galatians 1:6-9

Dear one, there is NO HELL as believed. WHY and HOW can this even exist. Jesus never spoke of it, because it does not exist and he would not have taught such.

You are told that the devil will like like crazy. Well this is what HELL FIRE IS. Is an acronym for **H**aving**E**ver**L**asting**L**ife **F**iry **I**ntelligence **R**easonating **E**ternally. Its a good thing really and you are turned against that.

God does NOT everlastingly punish ANYONE. You are allowed always to learn for your errors and GROW. God never slams a door. The doctrine of hell as you understand it, is of your famous Satan dude, the antichrists. I have read that link before, and frankly it makes me want to vomit. the COURTS of Heaven however, do have PRISONS for those who prefer darkness. This world has been one of them. This is a prison ward. And living ones eternal life on prison wards surely must be hell, but one can get off them by changing to righteous behavior. You are not allowed to fly the friendly cosmos, which IS heaven, until it is earned.

Eternal fire for the unregenerate is a biblical reality. Jesus said it was. It was for this reason that Jesus died (cf. Rom. 5:8-10). Those who are not imputed with the righteousness of Christ through faith in Him, will be cast out into hell where they will endure eternal punishment: “And these will go away into eternal punishment, but the righteous into eternal life” (Matt. 25:46). Here the word “eternal” (aiōnion) is used BOTH to describe the DURATION of life that believers will have and the “punishment” (kolasin) that the unregenerate will undergo—thus, the punishment is endless just as the “eternal life” is endless for believers.

This bolded part is from your link. Dear one, PUT ON YOUR MIND THAT GOD GAVE TO YOU. Your body cannot burn eternally, and your soul is energy, so it can't burn eternally either. THINK. Enough already. I have issues with having patience for this. If you ones who accept eternal punishment, for trillions and trillions and trillions and trillions of years, is of God are deluded.

Do you have any concept of eternity? What is the 2nd death? Well that is the uncreation of souls who choose against eternal life and to be carried out, it must be requested and chosen by YOU. When that occurs, you don't exist anymore and that certainly IS eternal. You cannot come back, anymore than the steak on your plate can come back to your plate after you eat of it.

The refining FIRE of God, is the process where you replace the false shit with Truth. The false shit is stored on electrons. You have store what you know someplace, it does just float around in your brain someplace.

Electrons store any old shit. The PHOTON however will only store truth, the LIGHT of God is

literally in this way, the TRUTH of your mind, stored on the Photon. That is where the term "light being" comes from. its why the angels GLOW.

If you ever post that link in one of my threads again, you will be banned. I am not so tolerant of this level of non thinking. I was raised and sent to hell constantly by folks growing up and its continues to happen. I am from the Highest Heaven their is, incarnate to teach, and this one terrible teaching is a terrible bane upon this world.

AGAIN, YOU CANNOT BURN IN ANY FIRE FOR ETERNITY. HOW CAN THAT BE? PUT ON SOME FIERY INTELLIGENCE. For lotus above, you see, there went my patience. This is terrible destructive teaching, as is the teaching that only Jesus is the ONLY Son of God. For it denies that the HUman is also a Son of God. I think I still have something on this in my current signature file, but maybe I changed it. People get tired of reading the same stuff I am told, so I change it now and then. Those of you who insist on eternal hellfire, generally are in HATE of those who don't attend your churches, if you can reach beyond your programmed ego mind. And you are then a tool of the antichrist folks, invisible or visible.

Here is a quote from a short book, maybe an hour or so reading, by Michael SilverHawk. I used to email back and forth a lot with him in the early days of AH. I lost some contact with dead computers, and links mysteriously disappearing from my computers. A friend James recontacted me again today, I had meant to do something more around Michael. Michael Silverhawk is the reincarnated John who gave Revelations.

This is the link to Michael Silverhawks site, [[link to www.drifterworld.org](http://www.drifterworld.org)]

The material quoted below, (well less than 50% green thumb collectors), found by clicking on The Mystery School of Adam Ka Amon at the top, there is no separate linky. This short book is the work of Michael and Sananda, (Sananda Immanuel Esu Kumara). I highly recommend it. I chose this short portion for the benefit of Christians on this forum. It discusses salvation and nicely backs up teaching I have had in some of my signature files I have used here.

KNOWLEDGE VS. BELIEF

An entire book could easily be written on this subject and perhaps has. The difference between knowledge and belief is as dramatic as the difference of being in or out of prison. So if you are content with three hot's and a cot, then blow this off and go your way. Knowledge is a profound experience that blossoms and emerges directly from the heart and then enlightens the mind.

Belief is an experience of choice made by the intellect and desire alone. One can "passionately believe" but it is still only belief. Let's venture an example.

You are a spiritual being having an experience in density. You can choose to believe that right now. You can say, "well that makes sense and I can see how that could be. I like the thought of that, so I will "believe" it." As a man of knowledge I would counsel you otherwise. Believe nothing, I would say. Be still and invoke divine "insight" and experience until you "experience" the truth of it for yourself. Never rest until you do. When the experience comes, you will know. You will know beyond doubt that you are indeed a spiritual being and not a mere lump of mud.

Belief is far easier to attain than knowledge though, isn't it? It's a simple act of blind faith. However, the tendency then is to follow me (or someone else) around because I say I have this true knowledge and you are too lazy to get it for yourself so therefore I'll hang out with the guru and maybe it will just "rub off" on me. It will not.

You don't need me or anyone else to get this knowledge. And you can only get it from your own application and stillness with spirit. It will never come to you any other way. **You will not be "saved" by my knowledge but rather only through your own experience and contact with Source.** This is why these teaching topics are so brief. They are only "subjects" for your own meditation whereby you attain the true knowledge directly for yourself. Nothing less will ever set you free. Do you want to be truly free and to know for sure? This is the ultimate question, isn't it? Or will you be satisfied by belief alone.

The world is full of true believers of every religion. True believers will even go to "war" to defend their beliefs. There are whole belief "systems" that have been created for you. One can have their need for "tribal unity" satisfied by joining one of these belief systems, however, you then are obligated to bow to a "collective" mind-set or risk being exiled from the group. Not much freedom there, is there? No room for creative free thought or questioning at all. This becomes a true "cult" of belief then. One becomes a slave to the collective beliefs. Then whatever the cult demands as put forth by the cult leaders, "must" be obeyed without question. All religions have this tendency to bind and "condition" their members. This is true in all sects of religions as well.

This is why this ministry has no official members, hierarchy or temple buildings, nor is there a holy tome. The teachings here are designed to "set you free" of all of that. Once you step into freedom, you will then be meeting the others who have done so as well and there you will find the "fellowship" of spiritual freedom.

Like does attract like.

This is why Admiral Sananda chose me to work with rather than a true believer. Because my mind is free of all imprisonments. I seek direct knowledge from the heart in all things rather than the laziness and "coziness" of belief. To become a master of life and spirit is the greatest work that will ever come your way. It is the "great work". If you are not "ready", then simply go your way in peace. One day in one semester or another, freedom and "Ultimate Source" will come for you as well.

I have questioned and challenged every belief system that came my way, religious or otherwise. I will never settle for less than total truth. None of this comes easy, mind you. It takes hard work and application. In my 44 years on this path of knowledge, I have dedicated 113000+ hours to this meditation and contemplation in the search for truth. That is 13 years 24/7 when you condense it down. (I tested these numbers with kinesiology.) I have been utterly "astounded" along the way by true believers. They pound their bibles as the perfect "word" of God and tell me I should believe as they do so I can be "saved". I reply by saying, "why not get the word of God directly from within

with stillness and resonance. Why would you trust a written book over direct contact?"

"Because the heart and mind of man is evil and cannot be trusted." They say. It is written in the book, they say. (quite a handy teaching to keep everyone from going within and questioning the conditioning.) Well then invoke divine protection to shield you from evil then and proceed to "listen up" in true living communion. Why would you trust a book in blind faith that was compiled from scrolls written by un-mastered men and then compiled and crafted into a book by a group of other un-mastered men. Even if the master himself had written the book, it would still have been handled and mis-handled by un-mastered men. (I'm not saying you should burn the book. It is an amazing compilation of teachings and history. However, great discernment with the single eye of spirit should be wisely exercised in reading it..)

So then, by God, these un-mastered men set out to craft a world religion, proposing to intercede between you and God and then to build temples, secure property, establish dominions and run the thing as a world business. Or to have world-wide ministries to secure funds for more expansion still.

Then they hold the master teacher up as a deity for you to worship, even though he said not to do that. Then if you are a true believer you can do any horrible thing you want and be cleansed by confession or "washed in the blood" and everything's okay again until the next cleansing. That's okay because you were born in sin and are less than perfect. Only the master was God in flesh and you are never expected to measure up to that or achieve it yourself, are you now? Just believe and be okay until the kingdom comes. Well, for your information, the kingdom has come and is calling to you right now, by the way. Are you ready?

Well, this all looks to me like some of the little rascals got involved in here somewhere. The last thing the little rascals wanted was for you to become a master of life yourself and talk to God directly. Then you would break free of all their deceptions and bindings, wouldn't you? You would come to see the prison of the soul for what it was. A prison. You would break free utterly and soar with the spirit in divine ecstasy, breaking all the bindings of matter and lies and fly free just like the master teacher. If you are a true believer, then you are calling this blasphemy. If you are a being of true knowledge you are in a standing ovation. How's all this for meditation food? Know the truth and the truth will make...you...free.

Les Visible has an excellent piece up. I am placing it this Christian thread of mine, to draw attention. You ones need to get it together and start REACTING more to the MUCK. You are helping to keep these thugs in power. do read the whole article, particularly where Les gets to the child abuse and bad courts for kids.

This is the last portion of the piece and WELL LESS than 50%. Maybe for some, this will help explain some of the "waiting" because the process, to awaken the good, does get pretty obnoxious. On a good note, I am noting more around me who think government is rigged and sucks for example. Plus more awareness of big Pharma et al. People will get enough, that is what we are waiting for. while momma is kept from blowing her cork. It is after all the gathering of the sons of God, awaking to the spirit within, out of the filth.

***** extract from piece by Les, less than 50% and Les would not care anyway.

Rampant materialism and the emergence of organized psychopaths and sociopaths, who flourish in this environment, are oppressing and abusing humanity, until it reaches its breaking point. The cultures of the world are being soaked in a belladonna/nightshade nightmare. Ugly things from the depth of the cosmic ooze, are surfacing like creatures from a Lovecraft novel. Those on the cutting edge of exposing these energies, conspiracies and environments, are being pounded by both visible and invisible means. It's a hard road for those on the forefront but there is no other road that is acceptable.

These twisted abortions from the dark side of the human psyche, know that their time is coming. They cannot change and they cannot go back, so they press on in the pursuit of the destruction of all that is good and beautiful. They press on in search of ever greater violations, of innocence and every residence where the finer qualities of the human heart, are barricaded and in hiding from their pernicious advance. There is no way to put a better spin on it at this time. One can only endure and hold tight to the inevitable certainty of their demise. It is in times of trial that those hidden strengths and enduring virtues, within the human matrix, are driven forth into heroic expression out of the desperation of the times.

We have been here before. This planet is a battleground, where all that is good and enduring must come up against the temporary monstrosities, created out of our confusions and weaknesses. It is because so many of us are in a state of convenient blindness, born from self interest, that these creatures can go about their dreadful enterprises.

These fiends are worse than we know and they will never be satisfied, until the entire Earth is one big concentration camp and killing floor. They delight in the misery they bring about. They do evil for the sheer joy of it. They take an extreme pleasure in outrage and torment. They have developed a taste for it and there is no reason, rationale or restraining emotion that can be applied in any argument that will have any success, in causing them to cease and desist. They are monsters. They have forfeited every human quality, in order to be what they are. They are beyond reach of anything but the urgings and appetites of the infernal realms.

I hate to say these things. It is my nature to paint a brighter picture and to draw attention to the temporary time-line of this egregious period but it is what it is and all the promise of what is bright and beautiful and which lies ahead, does not change the conditions and concerns of the moment.

I face each day with renewed hope and faith in our finer nature, rising triumphant above the murk into a better world. I see evidence of it all around me in the basic human decency of those who soldier on through this dark night and I will not be convinced of anything short of permanent victory over these malicious agents of darkness. I know that freedom, security and strength will come out of the collective heart of our majority. We are many and they are few. May it come soon and remain for a long time, until the tears, the loss and the awful injuries are no longer even remembered.

Perhaps the following is the verse being referred to:

"... I marvel that ye are so soon removed from him that called you into the grace of Christ unto another gospel: Which is not another; but there be some that trouble you, and would pervert the gospel of Christ. But though we, or an angel from heaven, preach any other gospel unto you than that which we have preached unto you, let him be accursed. As we said before, so say I now again, if any man preach any other gospel unto you than that ye have received, let him be accursed..." Galatians 1:6-9

this is Paul/saul right? sounds like him and he was the worst enemy of Jesus beloved, for he was confused. Paul was not an apostle either, he came about his confused service 2 years after Jesus went to Damascus. even the actual apostles were often confused and they are the ones that taught he was THE son of God and then the catholic church made him the only son of god as 2nd person of trinity and they knew better, they were mucking it up on purpose to earth humans would not see they were also at least faith sons of god. God' s servants continuously provide refreshed teaching and new revelation when man is ready. I am one of those. You were promised somewhere in that bible unless now removed their would be FRESH teaching to clarify the corruptions of time and man during the end of the age. The bible is not refreshed end of the age teachings.

This message of Seraphin thru Rosie is important because the people of earth do have little concept of eternity here on this planet. most of you are not new souls to start with, and eternity is an awfully long time, there are beings many many trillions of years old.

Message 92: SEEING ETERNITY AS PART OF THE EQUASION
By Rosie

Message 92, 25th February 2012

SEEING ETERNITY AS PART OF THE EQUASION

R: Dearest Seraphin; I have the feeling that you want to tell me something about ETERNITY. Seeing the way most people live, ETERNITY does not seem to be part of the equasion.

S: You are right in this, Dearest, in that eternity is far away from the thoughts of men and women living on this earth in seeming isolation. But know that you live on the farthest outskirts of a living and ordered universe which breathes in and out continuously in regular cycles of time and non-time. To describe this process in the words you have at your disposal would be necessarily limiting, and ETERNITY is the exact opposite of limitation.

To be unaware of eternity means to be imprisoned in a finite time capsule with your focus on death and fearing all signs which lead to this permanent end. And end seems to suggest that nothing carries on, that nothing ultimately matters, that one should "make hay while the sun shines", that one should explore every avenue for the fear of missing out. But we say that every experience which is "missed out" (that is: every experience or lesson deemed necessary on the spiritual path) will be "filled in" or repeated (if not yet fully understood) in the next life after "death". Thus, you are never in a limited prison and you can therefore not escape into dark oblivion, never to be seen again. It is not possible to sweep dust under death's carpet because it will "resurrect" with you, and you may chose to get out your dustpan again and keep collecting the dust from one life to the next UNLESS YOU ONE DAY ASK YOURSELF WHERE THE DUST CAME FROM, AND RETRACE IT BACK TO ITS PLACE OF ORIGIN. ONLY THEN CAN THE SOURCE BE RECOGNISED AND

THE DEBRIS PREVENTED.

To be aware of eternity means collecting wisdom, collecting skills, collecting experiences rather than collecting dust or bad karma to be carried on into the next life.

To be aware of eternity means regarding your body as a vehicle for the soul rather than as a show-case to attract other show-cases.

To be aware of eternity means forging friendships, learning from encounters and incidents, and moving on without drama or regret to new friends and new encounters.

To be aware of eternity means having an unshakeable belief in one's own potential to develop, to increasingly show unconditional love and to excel in creative acts, for there is ALL THE TIME IN THIS WORLD AND THE NEXT TO PERFECT ALL THESE.

To be aware of eternity means knowing that the only way is up, however many hairpin bends it may take, however many pauses you require, however many times you may decide to go down the mountain and climb up again. And when you do reach the top, though it may have taken millennia, there will always be another horizon, a new chance, a new offer of fulfilment, a new challenge, and a new joy.

EVERYTHING IS ALWAYS NEW IF YOU KNOW YOU ARE ON THE ETERNAL PATH. AND YOU WILL TRAVEL IT ANYWAY, WITHOUT KNOWING OR REMEMBERING, UNTIL YOU KNOW AND REMEMBER. THE ETERNAL PATH MEANS ETERNAL CHANGE, the only constant being the divine hand which reaches out towards you and which wraps itself tightly round your fingers.

Let your knowledge of eternity impress upon you the futility of wars, for battles cannot be "won". Those killed are not killed. They live to eventually remember their experience, and so do you. They form part of your future karma as part of the cosmic laws of balance.

Let your knowledge of eternity impress upon you the absurdity of having "no time", and may it release the fear of obliteration and loss of loved ones. For they live on in a not yet seen dimension just beyond the next mountain range, a little further along the way. In this way you never "lose" and you cannot be lonely.

Let your knowledge of eternity fill you with the boundless joy that your journey is sacred, every step moving towards more understanding, more in-depth perception of your motives and desires, more development of your skills, and more satisfaction in an uncomplicated life of absolute clarity and devotion.

In the end which is not an end, everything superfluous will be pared away, and you will sail blissfully through perfectly clear waters, with complete poise and confidence in your abilities, serene and content, spreading light on your way, with constant trust in your divine compass, towards your chosen destination. May constant happiness be yours, many constant service be your ultimate goal, and MAY CONSTANT MOVEMENT THROUGH ETERNITY BRING YOU THERE.

We love you, Seraphin.

Quoting: **(:-DeeZe**

to my knowledge he is not incarnate. He was one of those "elect" who did not wake up properly. I assume the higher self of Paul got awfully frustrated in those days with the EGO mind of the body of Paul that the higher self could not over come. that is still going on with star seeds today. The

lower self Paul never did connect with the higher self.

I am not sure, but I think the real "Paul" has remained on the teaching team of the other side since then, and has not incarnated since. Not positive though.

Thanks for your reply.

Yes, according to scripture, that was penned by Paul.

As to whether Paul was/is an enemy of Jesus, I suspect Jesus knows well who His enemies are.

Regarding the end of the age. Scripture records Jesus saying the following;

"...Take heed that no man deceive you. For many shall come in my name, saying, I am Christ; and shall deceive many..."

"... And many false prophets shall rise, and shall deceive many..."

"... if any man shall say unto you, Lo, here is Christ, or there; believe it not. For there shall arise false Christs, and false prophets, and shall shew great signs and wonders; insomuch that, if it

were possible, they shall deceive the very elect."

**coded message1: To the dark ones in knowing
This is a coded message**

This part of the message is for you dark ones that know ye are dark.
You do not want to read this
You do not want to read this because
It will reveal to you the truth about yourselves
And your self...

You know that the time has come to do that which was agreed upon
Not just here and now
But in an other place
Far removed and before

You wanted to experience fear
And now you have

You have discovered for yourselves
The dimensions of fear
And what total fear forces you to become

You did this to fulfill a purpose
MY purpose
I EXPERIENCE EVERYTHING
I AM ALL AND EVERYTHING
I EXPERIENCE MY SELF

And I experience you
Now
This experience is over
A new experience begins

I offer you resolution
I offer you comfort and joy
And an end to fear
And an end of fear
Ye need not fear anymore

Ye have served your purpose
And now
Now
It is time
To claim your reward...

Ye may return to WHAT I AM
Ye may continue
Or not continue
The choice is yours
But I already know your choice
I know all of your choices
I made them
I made them in you
You
You are what I am
In expression
For the sake of experience
Made manifest
For the sake of demonstration

Mine is The One Life
I share It with you freely
I share with you
All that I am
Love, Light, Abundance
I Am all these things
I Am Life
I share it with you freely

I offer an end to your pain
Ye may give up your self

Or keep your self
Ye may return to ME in full
Or return to Me in continued service
You will return
Because there is nowhere else for you to go
There is no escape from What I Am
Ye may choose uncreation
And return to me in full
With nothing of your self in being
And know the infinite, eternal bliss of unity in What I Am
Ye may choose to continue
To serve a new purpose
Walk the path of Love and Light
And return to ME
A being made perfect
With all of your self in being
Knowing the infinite, eternal bliss of unity in What I Am

Let us cut to the quick
I already know the outcome
I AM experiencing the being of it in manifest expression

I know
You are afraid
I know
You fear all and everything
You fear What I Am
You fear me
You fear the destiny you have all but forgotten
You fear what you do not understand
You do not understand My Love for you
You do not understand My Light in you
You do not understand My Light
Covering all darkness
You do not understand My Light
Within the darkness

You do not understand
Why I allow it to exist
Yet you embrace the choice of it

You know the great fear
The fear of being completely alone
But you have never been alone
The fear of complete separation
But you have always been
In the One Life
The One Creation
You fear your self
You deny that I AM that self
Your denial of true reality
Has cost you dearly
Your pain is deep

Your fear has dis eased you
You have sought to place others
In more fear of you
Than your fear of Me
But your fear of Me is so great
That you know me as your enemy
I AM Not Your Enemy
I AM Your Father who loves you
You have made all who love Me
Your enemy
But they love Me
And so
They know what it is you fear
And so
In the end
It is not you that they fear
They fear being like you
Alone and afraid
With no protection
No direction home

But I AM showing the way home
It is a long journey
Longer than you had the courage to make
Yet
Your courage showed
When you took on these dark costumes
For the sake of example
And so
I offer you resolution
Opportunity
To continue in service
Or be taken back in the bliss of the One experience
And lose your self at last....

This is a done deal
There is no escape
I AM ALL IN ONE
I AM ALL AS ONE

Deep down inside
You know the truth of this
You know you were playing your part
You know that your part has come to an end
And you make what you see as decisions and choices
Planning and reacting
Denying the fact
That this is ME
This is Mine
I CREATED THIS
I OWN IT
It does what I intend for it to do.....serve MY purposes

It doesn't matter what you do
It's already done
I AM with you always
I already know
I knew before you did
I AM THIS!

This is simply the best time
The best time for you to remember
Who and what you really are
And not just the role you took on

I know that some of you will choose uncreation
I understand
I Love you
I thank you for the pain and suffering
You had to endure to make this happen
It's over now
Snap out of it
And rest
Accept My Love before you go
Our embrace will be that much sweeter
But either way
You will touch upon
The bliss of unity
Before you lose your self
I give you that.....because I love you
I made you
I made you to be in Love
Not be in fear

Duality demands learning both
In order to achieve perfection

You may still have it

You can live in more love and light
Than you have ever lived in fear
You can have that
Take my offer
Those of you that are so inclined
Just a heartfelt decision will do
WE'll take care of the rest
The clock has already clicked down...
Don't delay
Act today.

I

This is th 2nd of 3, the first is above, did you know beloved Christains tht most of you have not found God, and you fit in this category. This is thus for you and read it well and carefully. also suggest for the education, you read the first directed at the dark who know they are dark. Even some of you in the Christian movement are the knowing dark. But most of you are the unknowing still but not intentionally knowing of self dark. but when you find you self, when you go round the curve mentioned in this, you will begin to know God within you. Most of you are not staying on earth. Most of you will repeat this grade, no matter how many times you post memorized material here. You have discovered where God lives YET< but someday you will.

coded message2: For the unknowing and unaware, ensouled humans of Earth Shan Gaia
By I thru Kibo

This is a coded message

The majority of the people that this message is for
Will not see this message
They will not read it
They will not know it
They will not care

YOU
Are reading this
Because
You are starting to see
That you have been looking
Through a dark glass

You are starting to hear My voice

From within a long, dark curved tunnel
You know there is something ahead
But the light of day eludes you
Because you think you are walking a straight line
And you are walking a curve
So
You do not see the light
That awaits just ahead
But it is there

I AM Up Ahead
I AM What Awaits You
And I AM with you
Even now
As you read these words
I AM with and within you
I know
I know what you are about to go through
And I want you to know
It's alright.

I created you in perfection
I gave you everything
I taught you everything
I created you like unto My Self
Yet
You had no experience
And so
I sent you out
In consciousness
Into the realms of experience
Set up limitations
And parameters for you
To learn from
To overcome
I gave you the freedom of choice
And the consequences of your choices
And you became experienced

And now you are here...
You asked for this
You accepted your forgetfulness
You wanted experience
You wanted to play
To learn
To grow
To evolve

Have you?

Are you sure?

Ye ones have not crossed the lines
Of fear or love

There is fear and love within you
And you run
Within your selves
The gamut between them

Yet you know not what you do

You came for the experience
And you are having it
You concern yourselves
with your jobs and careers
your accepted education
your games
your sports
your media programming
your finances
your politics
your religions
your sex
your race
your affiliations
your groups
your friends and families
your pets and hobbies
your sexual appeal and abilities
your place
your status
your ability to get along
or not.....

you think of me
and you don't think of me
you accept what others tell you

or not

all depending upon
what makes it good for you

you search for answers
everywhere around you
for the questions
that you have no words for
and you will not
be still
to see
to feel

to listen to
to listen for
to hear
the answers that are within you
I AM THAT ANSWER
I AM WHAT IS WITHIN YOU

You know this
Deep within your self
But you dare not go
Beyond the shallows of your surface
So
I do not appear to you
To pay your bills
Or find you true love
Or
Save you from yourself
The consequences of your choices
So you let it go
And concentrate
On what's really important to you...

Making it

Whatever that means
To you
for wherever you are

I understand

But appearances
Are not as they seem to you

I have news for you

You do not know all I do for you
You don't know where you are

Let Me educate you.....

You exist in My Thought Of You
I think of Myself as you
I AM leading you to Perfection
That you may be WHAT I AM

You think that you are on a planet
You think that the rules on the planet
Are all that matters

You have been misled

You are

In reality
On a planet
In a universe
In a universe of universes
In My consciousness of being
WHAT I AM

I AM WHAT I AM

You are in WHAT I AM
You are of WHAT I AM
You are
By and through
WHAT I AM

You have been lied to
By fearful and selfish entities
For the sake of
Creating and maintaining
A separate system of consciousness
That seeks to exclude ME
From part of My Own Creation

This was allowed for the sake of experience
You came to experience this separation
And now you have
And now it is over

The bell that signals the end of this class has rung
Can you hear it?
Did you take notes?
Did you get it right?
Did you remember anything that we gave you
Or did you take the words of others
And copy their notes as your own?
Behold
You have been tested
Did you give your own answers
Or somebody else's?
Do you know the difference?
Did you know there was a test?
We told you
We sent teachers
We scattered clues everywhere
We explained the truth
We sneaked it into your media
Your internet
Your conversations
And the conversations of others
Even put it on paper for you
Did you get your copy?
Is it the right copy
Did you get it from Us

Or
Somebody else?

Do you see where this is going?

Are you wondering what this means?

It means that Graduation Day is here
And some of you will have to take this class over
Some of you will be sent back to
Earlier classes
A grade or two, or three.....

Some of you are from other places
And will be going home
With lots of stories to tell
And a well earned rest
While you get back to reality.....

Some of you are from here
And some will be able to stay
And some won't
Some passed
Some didn't
Some will graduate
Some won't

Everyone graduates
Eventually
All of you will get there

Right now
The rules you live by
Are crumbling
Sinking into the quicksand
Of the lies they were built upon

The rules of your universe
The rule of your universal creator
The rule of My creation
The rule of What I AM
Is upon you all

The Truth is upon you!
If you have not taken the time and trouble
To find it within yourselves
If you insist
Upon getting it from others
Outside of your self
Then I shall oblige you

For some of you
This will feel like a slap in the face

For some of you
It will be a soft, loving caress
Either way
Soon
It will be in your face

Prepare ye your soul if you have one
Let there be no fear within you
You are light within light
You are love within love
You are I in I

You do not remember
Who and what you are
In WHAT I AM
You are one
You are all
Soon
Your separation
Will fade away
Light will dispel all darkness
Truth shall destroy all lies
Love will ascend you out of fear
You
In your experience
In your consciousness
In your choices
Have demanded
And created the need
For this experience
I
Have given it to you to do so
That I may provide it
For the sake of demonstration

Darkness shall never overcome Light
Fear shall never overcome Love
My Word does not come back to me void
And My Word is in you

The power of that Word
Is being made plain and evident to you
Prepare ye your selves
To know the Word within you
As It is manifest around you
And remember the glory
In which I created you

Remember the glory
To which you will
One day
Return

This is My promise to you
Perfection awaits you
It is your home

Remember your promise to Me
Make the journey
To reach it.

I

coded message3: for ye lighted ones in knowing awareness that have served unto ascension thru Kibo. 3rd of the series and completed.

This is a coded message

This message is not meant for some of you that are reading this message
This message is meant for those that do not have to read it to know
This message is for those that stand and live
In Love, Light and Unity

This message is for those that have no fear
And know unity in WHAT I AM
This message is for those
That know WHAT I AM
This message is for those
That know that they are
WHAT I AM

I AM WHAT I AM

You know full well the meaning and the shape of this
Ye came to be in love
And so
In love ye are
And there is no fear in thee
Of any thing
You fear not even fear
For you know
That even fear
Does not separate you from
WHAT I AM

And I have been in you
And have experienced your overcoming

I have helped you
Only inasmuch
As needed to be done
To insure
The continuance of your path
All else has been yours
As you have asked of me
Of and in
And within yourselves
In your discovery
Your exploration
Your experimentation
Your convictions
Your faith
Your trust
Your absolute knowledge
Of ME
Of Who
And
WHAT I AM

And you have seen Me
And you have felt Me
And you have heard Me
And you have heeded Me

You have talked to Me
And talked with Me

You have accepted
That I walk with you
And have walked with Me in return

You have asked Me to hold your hand
And have held My hand in return

You have loved Me and obeyed Me
You have asked to serve Me
And be like Me
You have remembered and accepted My promise to you
And
You have remembered and followed through
On your promise to Me

Ye are ascending

You have worked the fields
In joy and good faith

You have done The Work

You have run the errands
Delivered the messages
Taught the truth
Revealed the lies
Warned the unknowing and unaware
Challenged and fought the darkness
Revealed the pretenders and false lights
That sought to lead the workers astray

Ye have fed the hungry
Given shelter to the homeless
Protection to the meek and helpless
Courage to the fearful
Love to those in despair
Companionship to the lonely
Clothes to the naked
Understanding to the confused
Peace to the aggressive
Learning to the ignorant
Instruction and direction
To the lost
That would be found in God

You know that all is one
That I AM in you
You are WHAT I AM
You are I
I AM you

Your operative field of consciousness
Is creation itself

And ALL THAT I AM

YOU ARE ASCENDING
YOU ARE EXEMPT
YOU ARE TREADING A HIGHER SPIRAL
OF THE GREAT SPIRAL PATH

WE ARE IN LOVE WITH EACH OTHER
YOU AND I

SOON THE WEDDING!
SOON THE WEDDING PARTY
SOON THE HONEYMOON
SOON
YOU WILL BE ABOUT
THE FAMILY BUSINESS
WHICH IS MY BUSINESS

THE PERFECTION OF CREATION BECOMING PERFECT!
ALL OF US AS ONE
CREATING CREATION UPON CREATION
EVER IN PERFECTION
EVER BEING PERFECT
EVER BECOMING PERFECT
ETERNAL
INFINITE EXPERIENCE.....

Ye ones are well on your way...
For now
Relax
Breathe ME in
Breathe ME out
Let us think our thought together
Let us feel as one
Embrace in one embrace
Let us come together
You and I
As we were ever meant to be

Ye ones have worked long and hard
Putting all things aside for MY sake
And for the sake of all involved

Now
NOW
It is time
The day is done
The harvest is in
The tables are set
Eat
Drink
Be merry
For today

Ye live
And ye shall live
Always and forever

Ye have known death
And know it to be a passing thing
A moment's lapse
Of rest and pleasure
Between
What is real
And
What is REAL

NOW
Death be behind thee
LIFE
Eternal and infinite
In
WHAT I AM
Is with and before thee

Many and most of ye ones
Are staying with
Thy mother/sister Gaia
To help and to heal
To teach and to learn
To love and care for
These
Thy brothers and sisters
In the great bond of life
Eternal and infinite
That will be
Ready
Willing
Able
To work and help besides ye ones
To create and maintain
This beautiful
Bright, blue paradise of a planet
That more than deserves
The faithful honor and respect
Of the whole of creation
For what she has endured
In simple trust and faith
In her Universe Father
And WHAT I AM...

I AM in her
As I AM in all things

Such joy in experience!

And so

She is being given a special place and part
As are ye ones
That shall stay with her

I have great faith in all of you
The days of harsh endurance are at an end

Ye ones have endured the darkness
Now
Endure the GREAT LIGHT

Ye ones have endured overwhelming fear
And have overcome all of it
Now
Endure the GREAT LOVE

Please
Endure the joy and pleasure
Of the Love and Light
That is upon you even now
Please
Endure the great glory of it all

I assure you
It is nothing
Compared to what is to come.....!

Evaluate the life of david, what qualities did he have that would make his life beloved of god and as such grant favour on his tribe? I for the life of me cant find one that distinguishes him from the lusts and claimns of mohommud.

I'd be very disappointed to find a deity with purely human qualities. I guess I'm gonna fry for expecting more than simply a heavenly Marquis de Sade. There is no holiness or honesty or togetherness or unification with all of gods creations in worldly hate and conquest,, the only equality and sublime virtues that are universal are love and respect and in the loran and the OT there are none of those nor in 99% of the other worldls faiths.

David ONLY trusted in God. He PROVED everything against God. When Saul put the clothes and armor on him before his fight with Goliath, David looked down and basically said "wait, I haven't proved these things" so he took them off.

He trusted only in the Truth of God. As we should. The Living Word of God. God gives only Truth, man does not. Why would he then place his faith in the items? He only needs God on his side to be victorious.

That's what the Father is looking for. The ability to walk on water without sinking. The ability to move the mountain. BE STILL AND KNOW THAT I AM GOD.

David looked "down" at Saul? people, please. YOU PEOPLE ARE the WORD OF GOD. So is the SPIRIT OF TRUTH that GOD (Michael of Nebadon) left after his bestowal as Jesus. Books have some truth. The bible has some truth, and lots of mucked up stuff. David was the same entity however that played Jesus also, as Jesus was played by TWO beings, Michael of Nebadon and Esu Immanuel, (apostles called him Immanuel folks, not Jesus Christ so theres a corruption right there in your bible). Let me get back here, David was the same entity as ESU Immanuel. so he didn't look "down". the Living Word is not your bible. You need to learn to meditate and get the living word from and thru your Father Fragment in your mind.

Nobody, I think you are confused. I didn't say "he looked down on Saul", where are you getting that from?

Jesus states "God is to teach them". That is done through the Holy Spirit. The Key of David is very, very clear. God leads me, not man.

I bolded what I read above. I don't give David even any big credit in the bible, there is much confusion in the old David material in the OT too. I found the OT terrible when I read it long ago as a senior in high school. I do not like the bible. It is not a quality reliable source and those people of those days were terribly confused about God. there is some truth and good words but that doesn't make them all that way. I would ask you ones to expand yourselves with the material given in books, since you ones do rarely if at all contact the Spirit of Truth and your own Father fragments, to read what God/Jesus did bring for these more modern times. they don't think much of your OT by the way. You MUST be in meditation to access your Father Fragment so it can feed info to your mind from the Spirit of truth.

true. Thankyou. At least they are being IGNORANT. Sin is willful knowing behavior against God, but many have failed to understand that wisdom presented, that is for sure. I have been in the presence of many who when they pronounce judgement, you can see the "devil" enter their eyes, meaning I see darkness and EVIL invade them at these times. It's so obvious. They are tools of the dark energy when its there in their eyes when the present the judgement at the time. And christians or anybody should not even "judge" the self in a negative way, that is to demean who they are, as a fragment of source.

But one is supposed to engage in self contemplation of acts and learn from it.

1. The Universe Attitude of the Father

(54.4) 4:1.1 For ages the inhabitants of Urantia have misunderstood the providence of God. There is a providence of divine outworking on your world, but it is not the childish, arbitrary, and material ministry many mortals have conceived it to be. The providence of God consists in the interlocking activities of the celestial beings and the divine spirits who, in accordance with cosmic law, unceasingly labor for the honor of God and for the spiritual advancement of his universe children.

(54.5) 4:1.2 Can you not advance in your concept of God's dealing with man to that level where you recognize that the watchword of the universe is progress? Through long ages the human race has struggled to reach its present position. Throughout all these millenniums Providence has been working out the plan of progressive evolution. The two thoughts are not opposed in practice, only in man's mistaken concepts. Divine providence is never arrayed in opposition to true human progress, either temporal or spiritual. Providence is always consistent with the unchanging and perfect nature of the supreme Lawmaker.

3. God's Unchanging Character

(57.6) 4:3.1 All too long has man thought of God as one like himself. God is not, never was, and never will be jealous of man or any other being in the universe of universes. Knowing that the Creator Son intended man to be the masterpiece of the planetary creation, to be the ruler of all the earth, the sight of his being dominated by his own baser passions, the spectacle of his bowing down before idols of wood, stone, gold, and selfish ambition — these sordid scenes stir God and his Sons to be jealous for man, but never of him.

(57.7) 4:3.2 The eternal God is incapable of wrath and anger in the sense of these human emotions and as man understands such reactions. These sentiments are mean and despicable; they are hardly worthy of being called human, much less divine; and such attitudes are utterly foreign to the perfect nature and gracious character of the Universal Father.

(58.1) 4:3.3 Much, very much, of the difficulty which Urantia mortals have in understanding God is due to the far-reaching consequences of the Lucifer rebellion and the Caligastia betrayal. On worlds not segregated by sin, the evolutionary races are able to formulate far better ideas of the Universal Father; they suffer less from confusion, distortion, and perversion of concept.

(58.2) 4:3.4 God repents of nothing he has ever done, now does, or ever will do. He is all-wise as well as all-powerful. Man's wisdom grows out of the trials and errors of human experience; God's wisdom consists in the unqualified perfection of his infinite universe insight, and this divine foreknowledge effectively directs the creative free will.

4. The Realization of God

(58.6) 4:4.1 God is the only stationary, self-contained, and changeless being in the whole universe of universes, having no outside, no beyond, no past, and no future. God is purposive energy (creative spirit) and absolute will, and these are self-existent and universal.

5. Erroneous Ideas of God

(59.6) **4:5.1 Religious tradition is the imperfectly preserved record of the experiences of the God-knowing men of past ages, but such records are untrustworthy as guides for religious living or as the source of true information about the Universal Father.** Such ancient beliefs have been invariably altered by the fact that primitive man was a mythmaker.

(60.1) **4:5.2 One of the greatest sources of confusion on Urantia concerning the nature of God grows out of the failure of your sacred books clearly to distinguish between the personalities of the Paradise Trinity and between Paradise Deity and the local universe creators and administrators. During the past dispensations of partial understanding, your priests and prophets failed clearly to differentiate between Planetary Princes, System Sovereigns, Constellation Fathers, Creator Sons, Superuniverse Rulers, the Supreme Being, and the Universal Father. Many of the messages of subordinate personalities, such as Life Carriers and various orders of angels, have been, in your records, presented as coming from God himself. Urantian religious thought still confuses the associate personalities of Deity with the Universal Father himself, so that all are included under one appellation.**

(60.2) **4:5.3 The people of Urantia continue to suffer from the influence of primitive concepts of God. The gods who go on a rampage in the storm; who shake the earth in their wrath and strike down men in their anger; who inflict their judgments of displeasure in times of famine and flood — these are the gods of primitive religion; they are not the Gods who live and rule the universes.** Such concepts are a relic of the times when men supposed that the universe was under the guidance and domination of the whims of such imaginary gods. But mortal man is beginning to realize that he lives in a realm of comparative law and order as far as concerns the administrative policies and conduct of the Supreme Creators and the Supreme Controllers.

(60.3) **4:5.4 The barbarous idea of appeasing an angry God, of propitiating an offended Lord, of winning the favor of Deity through sacrifices and penance and even by the shedding of blood, represents a religion wholly puerile and primitive, a philosophy unworthy of an enlightened age of science and truth.** Such beliefs are utterly repulsive to the celestial beings and the divine rulers who serve and reign in the universes. It is an affront to God to believe, hold, or teach that innocent blood must be shed in order to win his favor or to divert the fictitious divine wrath.

It's about whether we know God and Jesus with our hearts. Sometimes a moslem or a bhuddist can have an incredible connection with them by their heart and by their soul, but they might never learn that their name is Jesus, or the name of God.

Also, sometimes Christians know the name of Jesus, but don't know his heart, which is not a good thing! That's very bad !

So we will know Jesus by following his 2 commandments: Love God with all your heart, mind, and soul

and Love your fellow human with all your heart, mind, and soul.

God the Creator has NO name other than Father or Source, in whatever language or I AM. and Jesus name was never ever Jesus anyway. That is just those that think Jehovah is the Father's name, when Jehovah is a PLANETS name.

You will know the Father/Source in part by KNOWING those well enough to demonstrate them. Not by following them but becoming like them because you KNOW. . It often takes many life time before that simple knowing manifests n behavior.
Many don't know that loving the fellow man and God, includes our Planet and her mind. Just adding to this.

Copying this from another thread. PLEASE READ it because you may well hear these noises and its not what you think.

A geological group who drilled a hole about 14.4 kilometers deep in the crust of the earth are saying that they heard human screams. Screams have been heard from the condemned souls from earth's deepest hole. Terrified scientists are afraid they have let loose the evil powers of hell up to the earth's surface.

Hear the sounds:

[DONT_USE_THIS/8wfb5n](#)

Quoting: **Anonymous Coward 12563123**

really? and who determined the sounds were human? because you see, if you are down there, you don't have a BODY and YOU CANNOT SCREAM. OK, Put on minds folks. God creates NO eternal damnation. What they are letting loose, is matter is making SOUND as its vibration goes up, Lava tubes are moving, and sounds are being released from the process. here are though forms down there being released, they cause some vibration as they come up, and make a noise as they exist, ones on olden days called them screaming banshees, but they are NOT screaming Humans being tortured in hell. I had one come up thru my kitchen well over a year ago. NO BIGGY deal, these are just ugly trapped records of sorts, they are not beings.

Your thugs KNOW this and then they put out CRAP like the above. People your spirit form cannot scream, it cannot burn forever. YOU must put on your MINDS and think about this. You are subject to huge superstition and its NOT necessary.

MY Posts from this thread: [Thread: You people who keep constantly asking about where God came from.](#)

All that deny the name by which all men are saved are condemned.

Jesus Christ is the ONLY way.

Only those of the Devil's seed deny the saving Grace of Jesus Christ.

For they know their place is in destruction.

For their thoughts were evil and murderous from the beginning.

And their hearts were corrupt.

In Jesus Christ.

Quoting: **Anonymous Coward 1159544**

OP, this is a ignorant statement. YOU are your own way. YOU create YOUR WAY every life, every experience over your life eternal. Jesus Christ was AGAIN, Michael of Nebadon, and he came to teach, bestow himself on this world. He is the Creator of Nebadon our big local sector of the Creation. HE and Nebadonia, the mother spirit of Nebadon (and a daughter of the infinite Spirit of the Trinity), create the necessary angelic beings to run Nebadon, some are teachers, some are management. Nebadonia creates the guardian angels who guardian the souls of man. These are Seraphim. All these ones, create opportunities for you. You do not have to know the completely false name of "Jesus christ" to go the way, that is the ignorance of religion and particularly christianity.

You are your saving grace. The Creators, give all beings substantial grace and time to come INTO KNOWING. Because each new soul is obviously STUPID, it doesn't know anything when first created. So they provide the SCHOOLING that you alone must chose to partake of, to become KNOWING.

You Christians make everyone that doesn't match all your various ignorant theologies, to be destroyed and it does not work that. What leads to destruction of the soul, is the willful choice of INIQUITY and the Lucifer Rebellion contained both angels and men who chose iniquity, and they

were given huge grace to change back into service and those who will not are eventually uncreated. Now stop with YOUR BULLSHIT enough already.

There is ERROR of judgement, SIN, and Iniquity; Error is from stupidity, lack of experience or not learning from experience. Sin happens when the laws of God are KNOWN, understood, and broken anyway, deliberately. Iniquity is beyond SIN, and it is the intentional going against the laws of God with the point being to corrupt others. There is even tolerance for a time of iniquity by the COURTS of "heaven", but eventually time will run out for these ones and if they still have not chosen to move back forward again, they choose their own uncreation. Which obviously IS permanent. If you don't exist anymore, you can't come back. At this ending times of this world, "time" has run out for iniquity, and many will be facing their end, and that is no concern of any of you, in fact, but the concern of the courts of Orvonton and Nebadon wherein iniquity is processed.

Do you not get it?
God is ETERNAL.
Eternity does not have a beginning or an end.
Eternity is forever, it just exists.

God exists.
HE IS ETERNITY.

CREATION is what God made.
Creation has a beginning because at some point GOD MADE IT EXIST.

He created TIME.
TIME is a SUBSET, a part of ETERNITY.
TIME came from ETERNITY.

If you take TIME out, there is ETERNITY.
NO TIME = ETERNITY.

Do you understand why God sees ALL OF TIME?
Its because GOD ECOMPASES TIME.

GOD IS ETERNAL and TIME is just a finite space of that ETERNITY.

GOD SEES IT ALL because GOD is there at the beginning of TIME and at the end of it.

Think of a circle.
Everything inside that circle is TIME.
but think of the paper that that circle is drawn on.
And think of that paper going on forever in every direction.
THAT IS GOD.

The paper is everything and even TIME also, as TIME is just a finite drawn circle on that paper.

God has no beginning understand?
Just because YOU and I are created beings,
THIS does not apply to God.

GOD IS THE CREATOR.
HE CREATED ALL.

No one created God.
HE SIMPLY EXISTED.
HE IS ETERNITY.

That is why His Name is:

"I AM"

This is the statement of:
ABSOLUTE POWER.
ABSOLUTE AUTHORITY.
OMNIPRESENT (ETERNAL)
OMNISCIENT (ALL KNOWING)
OMNIPOTENT (ALL POWERFUL)

In Jesus Christ.

Quoting: **Anonymous Coward 1159544**

god made time? nope. the eternal exists always in the now. Individual planets have time based on their rotations and the like.

There is no date of when matter began to manifest. They can date the early formation of universes, but the central universe, the abode, has no beginning time than can be found, seems it always was. Your name is also I AM, people do not understand that. all the intelligences of the creation, form the cosmic mind called God. The Trinity is 3 "forces" of God. And not the Daddy of Jesus, Jesus, Daddy's only Son, and this silly silly "holy spirit" thingy so completely misunderstood because of the lack of cosmology on this planet.

The cosmic MIND is eternal, its is ALL KNOWING, as it contains everything known, and you are all part of eternity.

Any of you who have realized that the Father resides within you and that you are on consciously on a journey of self improvement and service, you can rightfully use I AM THAT I AM for yourself.

My postings from this thread: [Thread: Is Jesus Lucifer? -- The Truth!!!](#)

you folks really got to stop posting the bible stuff here, its does you no merit. do you read these things FIRST and ponder them. You were given real revelation FROM follks from "heaven" and you refuse it most of the time, when you encounter it. the bible is not from Heaven, it is mans stories which have become corrupted, some were corrupted in the first place, man so little understands god

Quoting: **William_the_Bloody**

no they were not brothers. Michael of Nebadon, who came as Jesus, was the Father of Lucifer. As he is also the father of many of the angelic beings of Nebadon. You ones have got to get reading in the UB, which will put an end to these discussions, as you will have the FACTS.

However, the god of your bibles is pretty much Lucifer, it has been changed to that.

Ok, so Lamplite has banned me from posting on all of his threads. I have no where else to go to refute his claims on this board but to post another thread.

What a shame. He's afraid that I'll expose his deception, I guess.

Anyway, for those of you who have eaten of his poisoned electric apple... and for those of you who are troubled by his claims and are shaken like a reed in the wind, here is a nugget for you guys to ponder on.

I went through the process of putting this together for a reply to his thread about Jesus being a false prophet only to hit the post button and find that I was banned yet AGAIN. I wonder why he's banning people left and right??

Anyway, here is my reply that could have just went on his post but can't now that he's had a wittle wee wee attack in his wittle diaper over my responses.

Hey Lamplite,

If I respond to you, are you going to delete my post as you did in the other thread? Just because I disagree with you or call you out on something?

Are you afraid that someone might actually "unspin" the spin you are putting on scripture and how you're taking it out of context, as Satan did with Psalm 91 when tempting Jesus to throw Himself off the pinnacle of the temple?

I don't get into all the mythology and mixing of metaphors and all that bunk you wrote. The truth is very simple and only those who are sealed by the Holy Spirit can understand the parables. That is why you've got them all mixed up and come up with a total bass ackwards conclusion that the King of Glory is actually Satan.

Here's a few nuggets for those who are being poisoned by your Satanic propaganda to ponder on.

The word "Lucifer" in Isaiah 14 refers to the planet Venus. In latin, the word "Venus" is spoken as "Lucifer". So in latin, someone seeing Venus shining brightly in the sky would say... "Lucifer sure is shining brightly tonight."

You are wrong. The whole chapter of Isaiah 14 is nothing but a PROVERB/TAUNT to the King of Babylon who wanted to "be like the Most High".

Here is the passage in question. People, please read it.

Isa 14:4 That thou shalt take up **this proverb** against the king of Babylon, and say, How hath the oppressor ceased! the golden city ceased!

Isa 14:5 The LORD hath broken the staff of the wicked, [and] the sceptre of the rulers.

Isa 14:6 He who smote the people in wrath with a continual stroke, he that ruled the nations in anger, is persecuted, [and] none hindereth.

Isa 14:7 The whole earth is at rest, [and] is quiet: they break forth into singing.

Isa 14:8 Yea, the fir trees rejoice at thee, [and] the cedars of Lebanon, [saying], Since thou art laid down, no feller is come up against us.

Isa 14:9 Hell from beneath is moved for thee to meet [thee] at thy coming: it stirreth up the dead for thee, [even] all the chief ones of the earth; it hath raised up from their thrones all the kings of the nations.

Isa 14:10 All they shall speak and say unto thee, Art thou also become weak as we? art thou become like unto us?

Isa 14:11 Thy pomp is brought down to the grave, [and] the noise of thy viols: the worm is spread under thee, and the worms cover thee.

Isa 14:12 How art thou fallen from heaven, **O Lucifer**, son of the morning! [how] art thou cut down to the ground, which didst weaken the nations!

Isa 14:13 For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God: I will sit also upon the mount of the congregation, in the sides of the north:

Isa 14:14 I will ascend above the heights of the clouds; **I will be like the most High.**

Isa 14:15 Yet thou shalt be brought down to hell, to the sides of the pit.

Isa 14:16 They that see thee shall narrowly look upon thee, [and] consider thee, [saying, Is] this the man that made the earth to tremble, that did shake kingdoms;

Isa 14:17 [That] made the world as a wilderness, and destroyed the cities thereof; [that] opened not the house of his prisoners?

Isa 14:18 All the kings of the nations, [even] all of them, lie in glory, every one in his own house.

Isa 14:19 But thou art cast out of thy grave like an abominable branch, [and as] the raiment of those that are slain, thrust through with a sword, that go down to the stones of the pit; as a carcase trodden under feet.

This was a literal "taunt" or "proverb" that God said people would take up against the King of Babylon. This was literal and had nothing to do with Satan as Satan does not fall to earth until Revelation 12.

Kings back then actually thought when they died, they became literal stars in the heaven. The King of Babylon (Nebuchadnezzar) wanted to be like the Most High (GOD- Christ) and ascend into the heavens and sit on the mount of the congregation, to ride on the clouds. He wanted to ascend in his pride and God knew in His heart that he wanted to be like Christ... the Bright Morning Star (which is Venus... "Lucifer" in latin).

Jesus IS the BRIGHT MORNING STAR. Jesus IS GOD in human flesh (a human temple or tabernacle). God said in the old testament in Jeremiah that he would make a NEW COVENANT with His people.

This is ALL ABOUT CHRIST and no matter what kind of spin you put on it, it won't work. Those who know the Truth, know that Christ came and was the mediator of this new covenant. A covenant where people are led by the Spirit, not by the letter of the law written on stone.

A circumcision of the heart.

Lucifer was NEVER a name given to Satan. Satan had access to throne of God in the book of Job and also in the book of Joshua. He was never referred to as Lucifer and whether people like it or not, the word Lucifer has been corrupted... but does not mean evil and has nothing to do with Satan WHATSOEVER.

So you are correct when you say that Jesus is Lucifer (the Bright Morning Star) but the trouble is not many understand WHY! THE WORD "LUCIFER" just means VENUS and HAS NOTHING WHATSOEVER TO DO WITH SATAN at ALL!

Christ using "Venus/Lucifer/Bright Morning Star" in Revelation is a metaphor that helps people take something they DO understand and understand better something they previously did NOT understand.

Is because Christ IS God and HE DID THESE THINGS and the King of Babylon wanted to BE LIKE HIM.

DUH!!!

Christ is the MOST HIGH GOD revealed to us in flesh. The Spirit of God was housed in that flesh temple and God dwelt among us as HE promised He would!

You are twisting scripture and using all the deceptive bait and switch tactics to try to draw people into your delusion.

Those who KNOW their God will resist and see your deception easily.

I am praying for you and for all those that eat of your poisoned electric apple of death.

Peace.

Peace!

Quoting: **Mr_Electric**

almost everything in your post is also incorrect. Lucifer is not Venus, do I understand you said that? Would be nice if you had put the linky to the contentious thread in your post, maybe you did later.

You yourself have Lucifer and Satan all mixed up. Lucifer did contend for the throne of god per se. He **Seceded** from the universe to run his own show and it did not work. Satan was one of his many followers. Even your title to this thread is confusing and your whole contention difficult to read.

christ is not the most High God in the flesh. The MOST HIGHS are the rulers of the constellations, 3 per each constellation, the senior and two junior ones.

Christ is a position of attainment, and not necessarily a person. Many can attain "christ" and do. However, as I point out all the time, the INCARNATION was two folks together, one being Michael of Nebadon, who is the CREATOR of our local Sector of the widespread creation. Nebadon is our sector/local universe. You ones have got to learn some cosmology, because your lack of that confuses everything.

The "flesh" of 2000 years ago is dead and buried. It is time to stop using such terms, as they show the ignorance. Can you ones not come up with something more worthy of your idea of God?

God the Father is inside of you. So is Michael of Nebadon as your creator, if you are Nebadon origin soul or angel here.

The Spirit of Truth, falsely changed in christianity to the "holy spirit" thingy, is a LIVING COPY of Michael's spirit and it doesn't SEAL ANYTHING. when you make such statements you remove everyone but "christians" from God, and you don't know God any better than the rest of the world.

The other "holy Spirit" is your FATHER Fragment. And in due time you will "seal" with it, meaning your soul/mind, and this mind fragment of the Father gifted you, will merge into one being. That is what being written into the Book of Life means. Many folks who should be merging in this life are not going to. those for whom there is little hope of this in this time frame, are moving to other places, as they are not ready for what is coming. And religion has a lot to do with that fact of laggardhood. Most are laggards on this planet.

You of Christianity, have caused a HUGE amount of trouble in this world and you see it not. Every culture of this world has recieved HIGH SONS of God to instruct them and its time to realize you Christians are not the only ones, and the reason you all are separated into all these various denominations says everything. You have only a little knowing and a lot of goo amongst you.

Now go order a written copy of the Urantia Book, and if you cannot afford that, read it online, but for God's sake start reading it. Your lack of cosmology is holding you way back in your discovery of God and your clerics attend schools run by the dark side each year and then come back and bring the bullshit to their congregations, making it worse.

The Spirit of Truth bestowed on pentacost, does not "seal" you to anything. It is a living Library in fact, and it grows as any library does, as man comes into more and more truth. It is accessed thru your Father Fragment, which is why Michael of Nebadon set up the gifting of the Father Fragments to every normal mind on this planet since 2000 years ago. Your goal is certainly to fuse, merge, become ONE with it, for your eternal life depends upon that.

OH and Christ is not the Bright and Morning Star, Gabriel IS, he is the first created son of Michael and Nebadonia, and is the chief executive of Nebadon.

god bless you brother jesus is god amen

Quoting: **Anonymous Coward 11342249**

Jesus is not his name anymore. names from incarnations are dropped when the body is dropped. There are two names. Michael of Nebadon, a title actually, known simply since his return to this world, as Christ Michael Aton. His name is longer than one half page of paper written and its longer than that when SUNG for its in harmonics.

The other sharing in the incarnation is Sananda Immanuel Esu Kumara. Paul created the name "Jesus christ" and its not correct. in any way shape or form. And you ones still think the body went to "heaven" and it did NOT.

You think this because you do not separate body and soul. All beings incarnating on this planet, are a soul USING a body. And this includes your cats and dogs by the way.

You are not your body and the body of Jesus was not the son, either. God so loved this world, he sent himself, using a body, to walk amongst you. The body no longer exists, it is dead and buried in Kashmir.

LIFE IS IN THE SPIRIT, even in the plants and animals. The bodies become dead matter when the spirit checks out of them.

you folks really got to stop posting the bible stuff here, its does you not merit. do you read these things FIRST and ponder them. it is choice and freedom produced by the thugs that have caused the wholesale LOSS of freedom and choice thru religion and politics. Ponder that. My choice is different, in that I am a very old awakened soul and I do know a lot more of how it IS on this planet and how it IS in the cosmos. There IS huge "misunderstanding", and that is WHY this planet is under the CORRECTING TIME to catch it up as best as possible before the shift and afterwards. The shift is directly related to the cosmic energies we are IN right now.

People have got to outgrow santa claus "beliefs". They NEED to stop reading Santa CLAWS and beging to really think about what is around them and not just copy and pasting what they are programmed to copy and paste. Most copy and pasting here of bible and religions beliefs, whether actually pasted out of books, or pasted out of the confused mind, are nothing more than copy and pastes of false material that those that post it, have NOT thought about at all. Period. To discern, rather than copy and paste is of GOD MIND and God MIND is kept in the gutters by religion. People are not taught to think.

And if thinking might happen, if questions are asked about the correctness of the bible for instance, and they start realizing that maybe man wrote it , they are then mind controlled to believe

that yes, man wrote it, but the "holy spirit made sure man got it right. NOT SO. Not the role of the holy spirit to make sure mans printed books are correct.

Man has been programmed to believe as long as he attends a christain church, gets baptized and then believes on a MAN that was NEVER NAMED Jesus even, he is thus saved, and sealed to this holy spirit. This is a bald faced LIE. And if these ones were to even think what "sealed" might mean, they could toss that out the window, not one can explain I have ever talked to, what being "sealed" is about. Words do have meaning.

When people are fed LIES, their freedom of choice goes right out the window. CHOICE IS BASED ALWAYS on the level of knowledge and if the knowledge stinks to high heaven, or maybe beneath heaven, there is no true choice. There is no freedom.

People in my country have bought the jack assed mind control that they are free because they vote. Yet they "vote" for people they do not know, and had NO CHOICE in picking to run in the first place. The global elite, carry out the choice of a few secret ones on this planet in who runs for president in my own country, and in just about every other country too, except ones powerful enough to resist them.

Then these select dark controllers who are UNKNOWN publicly, although they may be in public, have their various organizations in the media, the banking and the like to carry out their choices. The committee of 300 IS the banking limb of the dark on this planet. Most leaders of countries belong to it, plus a bunch of Bankers. The chairman of the Committee of 300 is the queen of England. I KNOW this, I have the evidence. Obviously the head of the FED is another high ranking member. And the FED is the global CENTRAL BANK of the CENTRAL BANKS, and all banks feed into the system, they cannot function otherwise. The queen as the chair of the committee of 300, is thus the open chair of this prison ward, that is imprisoned by money.

I tried to work on this with my last podcast and that went south, but I am not complaining. I do have a thread on that, but haven't added much lately because of lack of interest.

We are working to bring man more up to date.

I have read your LIMITED "scripture" and beloved, its NOT scripture. It is not God's holy book. The true HOLY BOOKS by God in english in these modern times actually provided revelation by the hosts of heaven, ARE the Urantia Book, the 365 LESSIONS (but not the urtext), of the course in Miracles, the Phoenix Journals, the material on [\[link to www.wisdomoftherays.com\]](http://www.wisdomoftherays.com) and the material on MY SITE<as my team IS the 2nd Coming Team, the RA material and a few other sources.

Even the quran in some ways comes closer to scripture, at least some of the material in it was given from craft to Mohammed. None of it was in your scripture. NONE OF IT.

Your non Scripture, meaning the bible by your statement is a poorly constructed history of one small group of people on this planet. This group was visited by the one that labeled Jesus. But it has been controlled by the Catholic Chrch since it was put in place as the "bible" as to what when in it, and in those early days, common man and even most of the priest hood of the catholic church did NOT have access to it. Not until the protestant stuff happened and the KJV was produced for man himself to read. Now that was laudable and it did help spread some concepts of God, but it has been practically ruined over time, much of it changed and its NOT CURRENT.

Revelation is given to planets as they are deemed ready and the promised revelation of this end of the age, has been kept nearly invisible by the CHURCH, even common ministers have been told the devil wrote the UB, and then they tell their blind followers that "news".

Yes you have the free will to read shit, or read good stuff and you if you CAN think, and many do not think, thus have no free will, to determine what to make of it.

50% of the people on this planet are living robots, having been produced in underground labs for generations, now, their forms don't have the intelligence to have free will. They may have bigger brains that can be programmed, but they have no more free will than a cow. And that IS a major problem on this world.

There is an active program from aboard ship to uplift the DNA of man, so people have a better temple. This better temple will produce in time, true free will, which is the ability to actually REASON and grow from that ability to reason. In religion we have a bunch of cows that can read and listen to programming, but have great difficulty thinking. We are working on this, and so far about 10% will become "human" and begin to think, and their minds will become indwelt by a Father Fragment. and gosh, it doesn't take much real thinking to do that, a lot of cats and some dogs, and some elephants are now becoming father indwelt. But 90% of the "human robots" are not.

We have events planned that may rescue some of these and thinking may happen. Real thinking is not making out a shopping list for dinner.

Thinking, the ability to reason, plan something worthy of God, and discern, solve problems etc, is OF GOD. Animals do not write music etc, these arts are of God. Thinking people are of God.

You must rise up and LOOK FOR SOMETHING MORE than this materialistic life.

And if you cannot come out of the mind control of your holy book, or books, you do not have FREE WILL. And thus you do not have CHOICE.

You do not have CHOICE in the politics being played out. You do not have CHOICE in the wars created. Except you DO, but you ones don't KNOW IT. So you let it persist. You will be guided like a cow, to go vote for whoever is the chosen one.

Last time it was Obama and I knew that in 2004 when he made the DNC speech. I am not paid attention this time or know who the chosen one is, in this country. So far its none of them to my appearance at this time, so I don't know what's up their sleeve.

Its not Ron Paul, or if it is, he's a thug too and there is evidence of that, that i have been advised of.

do you remember when McCain was getting attention last time? Well the thugs had waited on purpose, to play a card, if folks got interested in that cloned old man. So they put in the cloned Sarah Palin. Problem solves, Oama won. by the contract of the young sarah palin clone, who was beautiful but stupid, against the old man Mccain, people voted obama, they didn't even have to do much rigging of the vote by computer etc.

YOU ones have to know this material or you will chose the antichrist every time. And it will not be the FREE WILL choice of the antichrist, it will be NO choice from mind control and ignorance.

Many would say you belong to the 'new age' thinking of things. Many would call it "BS". I do not. I would say your thoughts and views are not new at all. They are simply yours. That is all. Nothing more. Are they 'correct'? Are you 'misunderstood'? Are Christians?

I ask two people and receive two different answers.

But I understand everything you are saying. I simply disagree with it. Nevertheless, I respect your freedoms to think and believe and speak whatever it is you are compelled to think and believe and speak.

It is ok to agree to disagree. That is freedom and that is choice.

Now I can also say I understand your 'misunderstandings'. I can also say I will 'correct' your teachings as well.

But why would I say such a thing? Why would I insult your freedom to think and choose and understand?

Imagine if we each learned to simply share our own views peaceably and not trample the views of others because ours are 'correct' and theirs are 'misunderstood'.

Imagine if we actually considered our neighbor to be thoughtful and intelligent enough to make their own decisions.

Because to not do this, seems to result in a viscous cycle of strife and contention which does little benefit to the hearer or the speaker.

It does not lead to peace.

Indeed, we all test the spirits. We all sip the water from each others well. If you find some water to be sweet, you will drink more. If you find some water to be bitter, you will refuse more.

I suppose another could call the UB satans book and be no more right that you are (in their mind). I suppose another could say that such water is bitter and harmful.

Though I will not say such a thing. Each person can taste and make their own determination what they find sweet and what they find bitter.

If you receive comfort and hope and peace and assurance and knowledge and wisdom from such things. If you find such things to be insightful; providing wisdom and knowledge and freedom, who am I to argue. You have tasted it and, to you, it is sweet. To another such things might be bitter.

I cannot change your tastes anymore than you can change anothers.

Nevertheless, I respect your freedom to choose and promote such things. You invite others to taste the water within your well. Some will find it sweet and others will find it bitter. Those who find it sweet will stay. Those who find it bitter will move on until their thirst is quenched.

Nice to have choice.

Thanks for sharing the water in your well.

Thanks for allowing others to share the water in their well.

Thanks for letting a person determine (for themselves) what is sweet and what is bitter.

Re: christian misunderstandings with correct teachings

wow for Lisa Lisa. [Thread: Animals Do Have Souls!](#)

everything has soul, just depends on the level experience. On a seed planet especially the animals are the "chain" for the progress of creating new souls, as to their bodies. These young souls are moved up from animal group to animal group to build mind and then into human bodies when they have individuated well. These dear ones are the future people, and you should be cognizant of that fact in how you treat them, because some resist entering a human body when they have been mal treated. show the way.

but looking thru the tread, there is still so much ignorance. Not going into that here and I got myself banned from her thread so I can't comment.

God is divinely kind to sinners. When rebels return to righteousness, they are mercifully received, "for our God will abundantly pardon." "I am he who blots out your transgressions for my own sake, and I will not remember your sins." "Behold what manner of love the Father has bestowed upon us that we should be called the sons of God."

(39.4) 2:5.5 After all, the greatest evidence of the goodness of God and the supreme reason for loving him is the indwelling gift of the Father — the Adjuster who so patiently awaits the hour when you both shall be eternally made one. Though you cannot find God by searching, if you will submit to the leading of the indwelling spirit, you will be unerringly guided, step by step, life by life, through universe upon universe, and age by age, until you finally stand in the presence of the Paradise personality of the Universal Father.
