Ok Margie, what can you tell us about this, I wonder where I stand

"But his disciples began to ask him what this illustration might mean. 10 He said: "To YOU it is granted to understand the sacred secrets of the kingdom of God, but for the rest it is in illustrations, in order that, though looking, they may look in vain and, though hearing, they may not get the meaning. 11 Now the illustration means this: The seed is the word of God. 12 Those alongside the road are the ones that have heard, then the Devil comes and takes the word away from their hearts in order that they may not believe and be saved. 13 Those upon the rock-mass are the ones who, when they hear it, receive the word with joy, but these have no root; they believe for a season, but in a season of testing they fall away. 14 As for that which fell among the thorns, these are the ones that have heard, but, by being carried away by anxieties and riches and pleasures of this life, they are completely choked and bring nothing to perfection. 15 As for that on the fine soil, these are the ones that, after hearing the word with a fine and good heart, retain it and bear fruit with endurance." In early adulthood, I got to not only witness that there IS a GOD (which I am not) but he isnt mad at me (for not believing, worshiping, even recognizing anything, etc) and wants me to get on with the job that I am to do here. I didn't want the job, and I still don't. So, I am still here, a human.

Not incarnated: buddha, mohammed, Germain, Siraya, Mantustia, Machiventa, Abraham, Gabriel, and more.

Incarnated David Righter, Jesus and Jesus,, there were two who shared the last one, Putin, several in the media, I will not ID them, Eve (not that Eve) , Myself , Hazel Melchezidek, Rubens -, a couple michael sons, not to be given as to ID for their protection, Nada (Mary M), Giuseppe, Ben, Mark, and a whole bunch of others I know whose names would not mean much to you. I don't want to release some for their protection.

200,000,000+ big boys and girls from all over the cosmos/higher realms, cannot obviously be named, I don't know them all personally.

In turn, now, I ask you a fair question. Why do you proclaim yourself a god?

Quoting: **Dexter**

Because to be Higher Universal Man, is to be a God. HUMAN. There is only ONE FATHER, ONE ETERNAL SON and ONE Infinite Spirit, but all who CREATE ARE GODS or Gods in training. I have completed the long stair case to heaven and have witnessed the Father, Stood by his Right Hand, and that makes me a God. It is the journey of all ascendant beings with Father Fragments. Jesus even taught that, it just isn't in the bible. I am at this point I guess you could say a lesser God, but I am in training to become a full creator being of a universe.

You witness The Father in everything. If you have eyes or can touch and feel you have met the Big God. I so wish people would figure that one out. You see, the Big God, the Father, is Omnipresent, as said in probably all literature. Everywhere present.

There are MANY CREATOR GODS and the Creator God of the universe earth belongs to, was Jesus.

Doesn't the bible say someplace, I tell ye, yea are Gods. I think that one from Jesus made it into the bible.

I would suggest taking that job and probably you are son to manifest it in its fullness. God is never mad at you for not believing the silly rules of religion and the Father Loves all his children unconditionally and know they make errors, because young souls ARE STUPID, they don't know very much yet, but if they persist in the eternal Journey, they will stand at the right hand of the Father in due time and will be Gods. To CREATE with WISDOM takes a time to learn.

To come into wisdom, Knowing about anything takes TIME. And it is abundantly given, that time. **If you are not so comfortable about your job, why is that? For you to ponder, but apparently somebody thought you were ready, or you would not be here.**

One I am Satan, ask me a question and
I am God, ask me a question.

The server didn't want me to start this thread, it claimed there was already a thread by this title. I could not convince the software of the difference between God and A God.....

Thank you one and all.... see you later, I will likely look it back up tomorrow for additional posts.

🍷🌸 and ponder that yea too,, shall become A GOD and sit at the right hand of the father, if you but persist.

Good Day Margaret. I am the second Son, the most powerful deity on the planet & the warrior of the final battle.

I was intrigued by the fact that you correctly numbered the extraneous beings on this planet at 200,000,000.

Even more curious is that your name is higher than high. Is it actually yours or have you taken it on out of respect?

I tire of being here, this planet, it's people; such corruption.

Will you fix this imbalance, and if yes, when, and most importantly how. If you cannot answer this (and you cannot) then you are not. Check.

Quoting: **Dexter**

The imbalance is shortly to be corrected during the 3 Days of Darkness. I am on the team that is working on the imbalance and if this galactic teams support is withdrawn, you can be quite sure Mother Earth will take care of the imbalance.

Quoting: **Margaret Smith**

Although understood, I find your answer lacking in detail. As a GOD, how will YOU work to correct the imbalance? Check.

Quoting: **Dexter**

I run the 2nd Coming organization of Gods who are working to correct the imbalance, but it cannot be done with cooperation of the living on the planet. When are earthlings going to wake up? Gods do NOT do for man, what man has to do for himself. We have taught and taught and taught, and it goes rejected. Gods work together IN CO CREATION and BROTHERHOOD with the OTHER GODS.

After the 3 Days of Darkness, perhaps those left behind will be more willing to listen up. We are going to do full global teaching and hopefully some more folks will come around to reality. We know that some will not, no matter the proof, they prefer mind control to living, but we will provide one last opportunity for those for whom there is some hope.

Man of earth is not yet of the brotherhood of God and its an individual choice. And there are not enough to balance the planet. The Gods have been "balancing" the planet physically to provide TIME. GAIA is suffering and she will be relieved.

While I am a God, I am not in control of the planet singlehandedly. Its a team effort. The big boss of Earth is Jesus himself. I am in partnership. I have the capability mentally to sink california and other places, if I wanted too, etc, but I would not do such a thing of my own volition. There are a group here incarnate that could do that on orders from above. That is the power of mind, but ones who love power without wisdom for the sake of power, must remain on low level planets like this one, until they have the wisdom to use it properly.

Why would any of us want to clear man's karma and thus prevent him from his own learning?

Why do some of you have to be so UGLY? What does it serve to YOU? If YOU obtain satisfaction from this, it would appear that you care little about eternal life or that you prefer to spend most of yours on low down worlds full of people engaged in debauchery. When studying the Christian faith one is confronted that it is the workings of a negative being/force that would cause one to believe they are in fact a God. How did you wade your way through this? Or did you at all?

Is the ability to become "enlightened" given to you? If so, by who? (yourself or an entity/soul)

Quoting: **Integrity101**

And that is exactly a complete corruption of the teachings of Jesus. One earns their enlightenment, step by step, God does not grant anything that is not earned.

I have waded thru all this my whole life and have always been telepathic, and I was brought into this journey officially starting in 1998.

The Christian faith is very limited and there is not much of God in it.

Jesus taught that all have the same Father he did and they are Faith sons until they pass their testing and then become real Sons. There is not only ONE son of God. That is one of the most terrible corruptions in Christianity that has hindered the Christian Growth of mind. You are in fact your mind and you must grow it. It is the will of the Father for you to become LIKE THE FATHER, every increasing your knowledge.

There are many of us on the planet now to teach from a variety of realms and types of being. Your bible only mentions angels and man, and does not cover at all what "heaven" is, and all the different types of beings in existence, and how the creation is managed and ruled.

It takes ages for most souls to attain paradise and thus sit at the right hand of the Father. It was a message of Jesus to teach that. You do not have it your teachings, right? Well you will after the 3 Days of Darkness after which the Light will dawn upon this world. I am part of the team bringing that to you.

The dawn of light is the dawn of God Consciousness

"God" does not give some people special gifts as commonly believed in Christianity. Those with special gifts are highly advanced beings incarnating here to GIFT ONES of EARTH. The whole renaissance in Europe of mostly of very advanced souls from the higher planets of Pleiades incarnating and bringing music, art etc.

sad state of affairs isn't it? She is on the slow track. There is only one GOD FORCE< ONE CREATIVE CONSCIOUSNESS of which ALL are a part. Lots of Catholics believe protestants are all going to Hell. There is no hell. Where is it. God is Nature, where in nature does hell exist? Lots of protestants believe Catholics are headed that way too. The people in a church down the street will believe the people in the church up the street are going to hell. Its really bad on this planet that way.

whose?

Quoting: **HimessiH**

Whose what? Whose God? Nobodies. That is not the nature of those that have obtained Godhood. I am assigned, volunteered actually to come to this world 400 years ago along with a lot of others to help life this place up before the energies from the Milky Way arrived, Hasn't been any too successful.

The WILL OF THE FATHER is THAT YOU BECOME LIKE HIM. Now if you call him a God, aren't those that become like him, also Gods?

I am of the status, which I have earned, of Being ONE WITH THE FATHER. Those of you here have that goal if you persist in the eternal journey. Its open to all who are capable.

Again Jesus Said, I TELL YOU YE ARE GODS. Why is this so hard. Why do you want to be LESS THAN YOU CAN BECOME? As a Son/daughter of the FATHER, you will have it all. IN DUE TIME. YOU must expand your consciousness and grow of these babyfied belief systems.

Jesus also taught that Religion is YOUR PERSONAL RELATIONSHIP WITH THE FATHER WITHIN, WHO IS THE SAME FATHER AS HIS FATHER. PONDER THAT AND STOP CUTTING YOURSELVES SHORT. Your COSMIC ETERNAL life will be for TRILLIONS OF YEARS and longer, Eternity has no borders in time. I use the world trillions to drive home a point.

The first ever ascender out of the animal evolutions is trillions upon trillions of years old. Ponder that. What will YOU DO FOR ETERNITY? Its not going to be having barbecues with Jesus.

I am here from Eternity, essentially. You ones must grow and come out of fool hood and jesus taught that too.

These are some of my teachings here over the last few years here in my signature files.

YOU ONES ARE EACH AN ONLY BEGOTTEN SON OF GOD. Jesus is not the 2nd person of Trinity. The Eternal Son is the FIRST BEGOTTEN SON OF GOD, and is a spirit force that does not incarnate on planets like Earth. This 2nd person Trinity only resides in the Central Universe and is the spirit force that forever draws you higher to God and to Paradise. This Spirit of the Eternal Son can only manifest on worlds like this thru spirit born people. And religion often retards these spirit values of the Eternal Son from manifesting on this world.

That Jesus is labeled the "only begotten son of God" is the greatest falsehood the satanic ones put into Christianity. For it limits your own journey to your own Godhood. And it allows Christians to see people who are not Christians as LESS THAN and that has worked very well in this world. Look at the support for Christians in the war against Islam.

"Only Begotten" means UNIQUE.. You because of your experiences are unique. No other matches YOU and your journey which is recorded in your personal akashic records. You are YOU and no anybody else. I am ME and not anybody else. And the Proper Terminology to use for yourself is I AM THAT I AM. For other than the method used to create you, you have taken your own singular journey to become who you are and that is a never ending process through out your Life Eternal.

The satanists do not want those in religion, to consider themselves Sons of God and that has had tragic outcomes for the force of christianity, which now supports the satanists and not the one who came 2000 years ago.

The Son of God co creates WITH the Father. To accept Jesus falsely as the ONLY SON is to fully negate the Spirit of the Eternal Son and the Father within YOU and others.

Beloveds, while the bible may say that Jesus will come in the sky or clouds, it was changed so that you would not expect him to come in CRAFT. Beloveds, IF he came in spirit form your eyes could NOT perceive him in the sky! He is here in a new body that CAN be seen and some of you have SEEN! How else can he work here without a body?

You ones as you grew up came to realize that Santa Claus is a story and a LIE. Why beloveds can you not SEE that Jesus is not going to ride a horse cross those clouds with his angels also on horses? Perhaps the "horses" are CRAFT? Isn't that more realistic? PUT ON YOUR MINDS and see the LIE placed by your churches in service to the satanic ones. Horses don't cross the clouds any more than reindeer do.

You are saved by your own desire to have eternal life and grow in the ways of God and not any other way. God gives you a lot of time to acquire wisdom before you make your final decision and fuse/merge with the Father Fragment within your mind/soul. Jesus taught the reincarnation of the soul to grow in wisdom and grace. It was left out of your bible on purpose. Where is your WISDOM? Your GRACE? Your respect for LIFE? Not much present yet anyway on this world. Where is your love of LIFE? Missing, if its OK to have the genocide going on in the Middle East.

Enough for this post, so it won't be considered a wall of text.

Namaste

Your thread is intriguing.

You hold an authority in your words, I feel you speak truth with power, and the haters are all over it, so there must be truth here.

Please tell me, can you define in essence, what you are?

Would you care to tell a name we might better recognise you by?

the three days of darkness..

how long have we got? and how should we prepare ourselves and our children?

will there be a final deception at the end? or will all be made clear?

Thank you for your continued patients.

Hi AC, I was going on vacation when you wrote this and I only looked at the thread again yesterday.

If you have seen my Candace work around here before, I am she, just decided to switch to using my name now instead of the old NIP.

I am simply a son of God who has attained paradise and I am here amongst many to serve the lighting of this world. I am partnered with the returned "jesus".

As to the 3 days we are hoping it will be covered in all countries on the public media to lessen the fear and "nibiru" and invading aliens reactions planned. Thus at least 24 for hours of partly dimmed sun to jump start it in which many countries media have promised to cover it. The only preps you need is your heart and your faith. and of course any necessary supplies you need during the absence of light and electricity.

We are in the final deception for years now. At the end of the 3Days of Darkness, all will be made clear. Global teaching will commence plus all those lovely visitors up there will be very present. Actually they will be putting on lots of sky shows during the 3 days of night, so do help those around you as needed during this. Unless criminals are handing around during the first part, its completely safe to go outside and get together with others.

and where did you discern this? This is mind control affecting judgement. The way SHIT is used in this country and many countries I have found, does not mean poop. It is an authentic adjective and noun to accurately and authentically describe some situations. God has no problem with ethnic slang in language. You are the one with the problem. and if that is your definition of "shit", the word has grown another meaning. GROW UP.
