### **Joel Osteen "America's Pastor"**

May I PUKE. I guess he's coming to Denver soon and is on the local ABC news channel here for the pre advertising. That he is billed as "America's Pastor" says everything..... considering America is no longer the Light of the World it was hoped to become.

[\[link to www.joelosteen.com\]](http://www.joelosteen.com)

Now I want you to read above. I am going to put a couple quotes from it here, I would post it all, its not long, but we have to consider keeping GLP out of trouble.

*There are many different ways that people see God. Some people see Him as a God who is far off, way out there, untouchable, somewhere in the universe. Some people see Him in a very formal way where they have a deep respect and reverential fear of Him. Some people see God as a God who is just out to get them. They think He has a baseball bat, looking down from heaven and waiting for them to make a mistake. They feel a pressure that they can never live up to. If that's you today, understand that that's a wrong image of God. The best picture we could have of God is the picture we see in scripture—the picture of God as a loving father.*

Ok, not so bad. Some reasonable Truth. So what is missing in this image? The FACT that God is not a sky person up there someplace. The FACT that YOU who are ensouled with Father Fragments, are Son's of God, in various levels of development. The Father FRAGMENT that you possess IS the FATHER Beloveds. He is YOUR GOD. He sends a MIND PIECE OF HIMSELF to LIVE IN YOUR MIND.

YOU have to be in meditation or in some quiet state of mind before you can here him. And when you DO, you tend to say, Jesus told me so. Will NO. God the Father and Jesus are not the same individuals, except that He WHO HAS SEEN the CREATOR SON, has Seen the Father. And most back then had no idea of that anyway. Not even the apostles.

But lets not pay attention to the Creator Son right now. Lets go with the FATHER WITHIN YOU. HE IS YOUR BEST FRIEND. YOUR MENTOR. He does not however run around as a sky person making all your dreams come true. Joe made me nearly throw up this morning with all that bullshit.

He described how GOD wouldn't let him and his wife buy a fancy house and they had to thus get and old junk heap which they fixed up and sold for twice as much as they paid. Really? That is the FATHER WITHIN that prevented the big house. Probably it was their budget. Joel does not LOOK Father Indwelt to me, and his wife is even worse, she so had the "reptilian" look about her.

If JOEL and wifey are people of GOD, they would be teaching MEDITATION and the concept of the FATHER WITHIN. And sometimes when it does seem this bearded person called God, has other plans for you, perhaps that is the work of your guardian angels and guides for you older souls here.

While Joel uses a bit of TRUTH, he is so shallow that it is a LIE. Don't think of God as a FATHER, KNOW HIM AS THE FATHER WITHIN YOUR SOUL, accessed by meditation. So they tell a bit of truth to HOOK ONES, and then proceed to work for the antichrist.

It so very wrong for these mega preachers to be collecting millions upon millions of dollars and they live like oligarchs.

Sure, they help people. They mostly help themselves though. If they truly loved humanity, they would live modest lives and truly live as Jesus did. They send the wrong message.

They are well known people and I feel they should earn enough for protection and to host VIP's and travel as necessary to help others. But the income they take in is a travesty.

NO this was NEVER EVER Taught by GOD or JESUS. For it is a LIE. And a lot of stuff even in the OT, is the miserably misunderstanding of that group of people in those days, so miserable that is one reason for choosing that area for the Incarnation. The orientals and those in Western

Eternity is a long long time. There are beings already trillions of years old. It is not this simple. Your FATHER FRAGMENT is NOT EVEN INVITED BY YOU. If this is your first life, it shows up automatically when you make your first real MORAL decision, and on this planet, the average age for that is 5.

You ones are not told truth. I find it worse than sad because this delusion actually slows your soul growth,, which IS the satanic idea.

Jesus was never the name of the Christed Ones that came anyway 2000 years ago. Now I ask, in honesty, what about all those born into other religions and cultures? They go to hell right? NO. They have the same opportunity to learn about the GOD within as do you. Has NOTHING to do with "believing" ON the name Jesus . It does involve consciously learning to walk in the shoes of GOD so that you manifest him on this world. the Joel Osteen types do not teach that, at all. They keep you from discovering yourself.

SOME OF IT IS GOOD ADVICE, but still he does not let you know where GOD IS! He tells lies after lies, I listened to some this morning, which is why I made this thread, about how God works. He said think of God as a Father, but he leaves out the most important teaching of all, that the Father is right inside of you and not up there some place. If churches actually taught how to connect with the Father Within (the quakers know this, only ones I have found that do), and how you ARE guided and about HOW you grow your soul and learn, this world would NOT be in the shit that it is.

Joel is not leading you to WHERE GOD IS. And you know what, when people believe those stories he tells about his life, and the way he teaches about god, if that idea of God doesn't work out, people leave God, Sometimes they find God in other resources, sometimes not.

I know a Mormon lady, well she's an ex mormon, she made them take her off their rolls, did everything in the long lists of things that would guarantee that she would be blessed. Will she and mormon husband got a construction loan, a temporary situation to build a house, which they put in almost every nail and most of the plumbing and electricity themselves, they built the house, literally.

Then when done, and then went to convert to a regular mortgage, they were denied and they lost their house to a filthy mormon banker. This happens in other forms of Christianity too, the filth is everywhere on this world.

IT BROKE HER FOR A TIME and her recovery was long. The day they had to move out of house they built and for which they has prequalified for the regular mortgage when the house was finished, she hit the ground hard screaming what about her BLESSINGS from the Lord as she had always followed the teachings. Well in a way, it was a blessing she got the hell out of there, guided the Conversations with God books which helped her stand back up.

Joel teaches your to accept SHIT as "god didn't want you to have that yet", and that is NOT of GOD!

When this turkey has been interviewed on Larry King, his turkey hood, (and blessings to the turkey that feeds people), his intent shows all over the place, he cannot answer questions for which there are answers for, the LIE shows in his countenance, that maybe some people don't see in the staged for TV stuff and at his church. his wife is worse. he should tape her mouth shut.

Actally I am not sure about Joyce M, who is she? Copeland was actually liked by Christ Michael. Benny Hinn is creepy, excuse the word, with lots of "acting" at his stuff. I have only seen him on TV and maybe you tube? Spiritual truth is just never about the money. I would have no problem with churches, good clerics who are also good counselors have huge value and some smaller churches in terms of service and counseling can ber very good, but they need to teach about the Father Fragment, which the Urantia Book generally calls the thought adjuster, which does NOT adjust your thoughts, it's advisory and its a complex part of the soul, because it is also a portal to

all that is, and also it stores all of you important details of spiritual value from each life. It doesn't store what you ate, and that sort of stuff, it stores memories of value.

I love looking at my past lives, I have had some stupid ones and some marvelous ones. And some dangerous ones.

In the portion I quoted from the linky in my first post, he talks about God being father, but does NOT SAY YOU ARE HIS SON/Daughter and provide more information about HOW God is your FATHER. Far as I know he doesn't mention anything about reincarnation, never seen it.

Your bible is right to a point, on ONE life, you have ONE life to CHOOSE whether you wish to try on the eternal journey. For some people, its not for them. If they have NOT made a decision to try on Eternal life at the time of their death, they go thru the BARDOS where it is presented to them there. Some never even know it exists so the opportunity comes then. Some are such dark shitheads the Father fragment will abandon them in life, it just leaves, and then of course, they do not survive, because the Father Fragment is what causes survival, not believing on the Lord Jesus Christ.

AFTER you have chosen survival, ie giving eternal life a tryout, you begin to undergo testing which will include more lives on evolutionary planets. These can be as few as one some place, or several some place, and over more than one place. The average soul will experience about 1000 lives over a period of about 200,000 years. Before fusion with the Father Fragment. Eternal LIFE is forever, there are beings many trillions of years old now, ponder that.

So a question to talk about perhaps. is what do you do in your "heaven" for all eternity, and there is not a single cleric I have ever seen that does any talking about that, and they SHOULD, but they do not KNOW and on top of that ARE NOT ALLOWED by the Antichrists of this world. You are kept dumb sheep and dumb sheep god has NO use for. You do not party with your family with Jesus for trillions of years. Nor, for new agers, do you live in some place of bliss, and not carrying about trillions of years because they have been told time does not exist in bliss. It does exist, but it varies for each planet of course depending on the revolution of axis and trip around it's sun.

The heaven worlds, which are custom built and you have to EARN the right to live on them, do also revolve, but not around a central sun. But there must be communication and record keeping and so there ARE standard times that those living on those sphers adhere to, as set up by the local capitol worlds of each local universe. There are 700,000 local universes most already started, others just starting to come into being. Our universe that Earth belongs to, is universe #611,121, I think, I may have messed the last 3 numbers But you get the point. The universe was "set into motion" about 875 Billion years ago. And we are a younger one. but we have already 3.8 million evolutionary planets with intelligent life on them, plus the heaven worlds. The Creator of our Universe was here as jesus 2000 years ago, and is returned and this is FACT and I know him personally, I communicate daily with him. Years ago, in 2004, he actually flew down over my house in a little silver craft before we started the pubic venture. it was on election day in november 2004.

You ones are being kept IGNORANT on purpose by the likes of the rich public ministers that continue to put god outside of you. Can you image how different your life might be if you attended a WORTHY CHURCH?

Now I want you to read above. I am going to put a couple quotes from it here, I would post it all, its not long, but we have to consider keeping GLP out of trouble.

*There are many different ways that people see God. Some people see Him as a God who is far off, way out there, untouchable, somewhere in the universe. Some people see Him in a very formal way where they have a deep respect and reverential fear of Him. Some people see God as a God who is just out to get them. They think He has a baseball bat, looking down from heaven and waiting for them to make a mistake. They feel a pressure that they can never live up to. If that's you today, understand that that's a wrong image of God. The best picture we could have of God is the picture we see in scripture—the picture of God as a loving father.*

Ok, not so bad. Some reasonable Truth. So what is missing in this image? The FACT that God is not a sky person up there someplace. The FACT that YOU who are ensouled with Father Fragments, are Son's of God, in various levels of development. The Father FRAGMENT that you possess IS the FATHER Beloveds. He is YOUR GOD. But lets not pay attention to the Creator Son right now. Lets go with the FATHER WITHIN YOU. HE IS YOUR BEST FRIEND. YOUR MENTOR. He does not however run around as a sky person making all your dreams come true. Joe made me nearly throw up this morning with all that bullshit.

He described how GOD wouldn't let him and his wife buy a fancy house and they had to thus get and old junk heap which they fixed up and sold for twice as much as they paid. Really? That is the FATHER WITHIN that prevented the big house. Probably it was their budget. Joel does not LOOK Father Indwelt to me, and his wife is even worse, she so had the "reptilian" look about her.

If JOEL and wifey are people of GOD, they would be teaching MEDITATION and the concept of the FATHER WITHIN. And sometimes when it does seem this bearded person called God, has other plans for you, perhaps that is the work of your guardian angels and guides for you older souls here.

While Joel uses a bit of TRUTH, he is so shallow that it is a LIE. Don't think of God as a FATHER, KNOW HIM AS THE FATHER WITHIN YOUR SOUL, accessed by meditation. So they tell a bit of truth to HOOK ONES, and then proceed to work for the antichrist.

I am glad you see the fallacy and the lies in what he says... problem is you are basing the lies upon your own perception of reality... always a subjective qualification.

there must be a plumb line..... and for those who seek the truth of the great I AM, there is only one.

Seek, and ye shall find !

only those who enter God's covenant via belief in Jesus Christ -- that He died for our sins and rose from the dead to provide us the free gift of eternal life -- have the Holy Spirit within

it is not a default position for all. we have to ask Him to come in by believing in Jesus.

Thats RIGHT.

Cant come to the father UNLESS we first beleive in Jesus..and we CANT beleive in Jesus UNLESS the FATHER reveals him to us...and the father WONT reveal Jesus TO us unless we beleive in Jesus...

And NO one can come to the father UNLESS they are drawn..and if they are not DRAWN..then God will BURN THEM IN HELL FOREVER IN UNRELENTING HEARTLESS MERCILEESS TORTURE for DARING to NOT beleive...even though their NOT BELEIVING was a direct result of God NOT ALLOWING them to beleive..

Joyce can be ok. Joel has got to go. When the holograms come he will be the one leading millions astray saying "there He is in the desert, give me your money and follow me. NIP glad to see your starting to come around. Yes Jesus is lord. God is love. Jesus is the name I use for God so as not to confuse others with their god. They are one in the same. If God came to earth we would have a reverse big bang. All would die, for if everything came together as one, there would be nothing else. The prayer closet is so not to act a show off.(trust me, listen to some preachers pray) Most people won't grandstand if they are alone with God. God speaks to you everyday, meditation or not. It is just people don't listen or realize. He has spoken to me through my eight-year old daughter before! The Lord works in mysterious ways. The key is wisdom.  
God bless.

Just because he has money does not mean he is not saved through Jesus Christ, which is what he preaches from the times I have heard him.

Is he profiting? Yes. Is he sinning? Maybe, but that is between him and God. We don't know his sins.

He is no harming anyone and hopefully many have come to Christ through his preaching.

If he let's this go to his head to the point that he sins, than God will correct him and we can pray that he listens but this man shouldn't be a concern for anyone. There are WAY bigger problems on this earth

Pay careful attention, folks. This is a perfect example of satan dividing his own house.

May I PUKE. I guess he's coming to Denver soon and is on the local ABC news channel here for the pre advertising. That he is billed as "America's Pastor" says everything..... considering America is no longer the Light of the World it was hoped to become.

[\[link to www.joelosteen.com\]](http://www.joelosteen.com)

Now I want you to read above. I am going to put a couple quotes from it here, I would post it all, its not long, but we have to consider keeping GLP out of trouble.

*There are many different ways that people see God. Some people see Him as a God who is far off, way out there, untouchable, somewhere in the universe. Some people see Him in a very formal way where they have a deep respect and reverential fear of Him. Some people see God as a God who is just out to get them. They think He has a baseball bat, looking down from heaven and waiting for them to make a mistake. They feel a pressure that they can never live up to. If*

*that's you today, understand that that's a wrong image of God. The best picture we could have of God is the picture we see in scripture—the picture of God as a loving father.*

Ok, not so bad. Some reasonable Truth. So what is missing in this image? The FACT that God is not a sky person up there someplace. The FACT that YOU who are ensouled with Father Fragments, are Son's of God, in various levels of development. The Father FRAGMENT that you possess IS the FATHER Beloveds. He is YOUR GOD. He sends a MIND PIECE OF HIMSELF to LIVE IN YOUR MIND.

YOU have to be in meditation or in some quiet state of mind before you can here him. And when you DO, you tend to say, Jesus told me so. Will NO. God the Father and Jesus are not the same individuals, except that He WHO HAS SEEN the CREATOR SON, has Seen the Father. And most back then had no idea of that anyway. Not even the apostles.

But lets not pay attention to the Creator Son right now. Lets go with the FATHER WITHIN YOU. HE IS YOUR BEST FRIEND. YOUR MENTOR. He does not however run around as a sky person making all your dreams come true. Joe made me nearly throw up this morning with all that bullshit.

He described how GOD wouldn't let him and his wife buy a fancy house and they had to thus get and old junk heap which they fixed up and sold for twice as much as they paid. Really? That is the FATHER WITHIN that prevented the big house. Probably it was their budget. Joel does not LOOK Father Indwelt to me, and his wife is even worse, she so had the "reptilian" look about her.

If JOEL and wifey are people of GOD, they would be teaching MEDITATION and the concept of the FATHER WITHIN. And sometimes when it does seem this bearded person called God, has other plans for you, perhaps that is the work of your guardian angels and guides for you older souls here.

NO this was NEVER EVER Taught by GOD or JESUS. For it is a LIE. And a lot of stuff even in the OT, is the miserably misunderstanding of that group of people in those days, so miserable that is one reason for choosing that area for the Incarnation. The orientals and those in Western Hemisphere at the time were fr advanced of that, and even in India they were too.

NOBODY can DIE for your sins. And only people who are working on purpose against God knowingly, sin. all the other stuff is errors in judgement while the soul is learning.

The Holy Spirit within, is the FATHER FRAGMENT which is FIRST PERSON TRINITY making YOU a SON of the FATHER. A Faith Son at first, and a real son later on in the evolutionary journey. Once you know enough truth and have had enough life experience to make a real choice to pursue eternity, your MIND/Soul will MERGE with your FATHER FRAGMENT, which if done WHILE embodied, will consume the body. This very thing doesn't happen much on this world and if witnessed, most would assume you were just murdered by God, from the bright flash produced.

Eternity is a long long time. There are beings already trillions of years old. It is not this simple. Your FATHER FRAGMENT is NOT EVEN INVITED BY YOU. If this is your first life, it shows up automatically when you make your first real MORAL decision, and on this planet, the average age for that is 5.

You ones are not told truth. I find it worse than sad because this delusion actually slows your soul growth,, which IS the satanic idea.

Jesus was never the name of the Christed Ones that came anyway 2000 years ago. Now I ask, in honesty, what about all those born into other religions and cultures? They go to hell right? NO. They have the same opportunity to learn about the GOD within as do you. Has NOTHING to do with "believing" ON the name Jesus . It does involve consciously learning to walk in the shoes of GOD so that you manifest him on this world. the Joel Osteen types do not teach that, at all. They keep you from discovering yourself.

He did NOT rise from the DEAD. He never DIED, meaning his body. How does a BODY rise from the dead, you hve confused this great soul with the body. NONE of you are your BODY. You are your SPIRIT. and the way your describe your holy spirit within, while laudable in a sense, you have just ignored your own soul/spirit that is still separate from your Father Fragment.

Do you MEDITATE? IF SO, congratulations. If you have truly "heard" your Father Fragment (which again is not the Holy Spirit, not the 3rd person trinity,, but it doesn't matter so much), this means that you had your MIND quieted enough that your FATHER FRAGMENT, could get a world in edgewise.

You ones have got to stop separating and making yourselves Special and Different from all your other brothers and sisters trying to know god on this planet. And I highly am appalled with that. That is why I asked above how about Muslims et all.

Quoting: **Nobody in Particular**

Where are you getting your information from???

Quoting: **Anonymous Coward 8437259**

A bunch of it, right from "Jesus" himself, and much of it from my soul. I have my monad to access. However, you can read some really good stuff about his life in the two links below I will provide. The first one, PJ #2, And the Called His Name Immanuel is by Esu Immanuel, one of the TWO who shared the body, and Judas Iscariot, who was NOT the betrayer, but was his best friend and scribe. The betrayer was JUDA Ihariot, son of Simon the Pharisee.

The other is an english translation, of the German Book called the Talmud of Immanuel. After Esu passed in Indian at about 115 years of age, his son Joseph brought the records of Judas back to the old grave in Jerusalem. Judas went to India with him and continued to scribe. The priest who was taken to the grave, was later MURDERED as was every family member the thugs could locate. The basic story is explained in both links. The book of Matthew in mentioned in the 2nd link is NOT at all from the scrolls as they try to suggest. They could not be, matthew had no access to them, they were in India, until Joseph went back to jerusalem, but they are both a wondrous read and you should read them. Some of the records were not legible anymore and some were supposedly destroyed when the priest was killed, but I am told no, they were rescued and will be presented to man at a later date.

Both these links are pdf downloads. [[link to tweeofmeer.webs.com](http://link.to/tweeofmeer.webs.com)] to the one with Judas translating from his own ARAMAIC notes along with commentary by Esu (Jesus), and others.

[[link to fourwinds10.com](http://link.to/fourwinds10.com)] this one is the Talmud of Immanuel, which was LONG available from even Amazon and is no longer in print. As above, its an english translation from the original german which was a translation from the aramaic notes of Judas.

It so very wrong for these mega preachers to be collecting millions upon millions of dollars and they live like oligarchs.

Sure, they help people. They mostly help themselves though. If they truly loved humanity, they would live modest lives and truly live as Jesus did. They send the wrong message.

They are well known people and I feel they should earn enough for protection and to host VIP's and travel as necessary to help others. But the income they take in is a travesty.

Quoting: **RutRoeHere**

They do not send the wrong message. They send the exact one a lot of people want to hear. Those same people are melding today's capitalistic-centralized way of life with an ever weaker moral base.

People want to see pastors and preachers living lavish lifestyles, molesting children, and involving themselves in scandals. People want to believe they have faith in something higher than themselves that approves of their actions through lack of divine action against them.

Have your cake and eat it too dogma. Whether they want to open their eyes and see it is up to them.

For as much soul saving as religion does, it will generate an equal amount of soul corruption. That balance is the only reality, and will always exist as long as we do on this planet.

BEFORE YOU CONTINUE WITH SUCH STATEMENTs, READ the BOOKS I posted. It takes far less time than the bible. BODIES DO NOT RISE FROM THE DEAD. SOULS DO. THESE BODIES DO NOT GO TO HEAVEN. HE DID NOT DIE> THE BIBLE IS NOT CORRECT. His own apostles knew that. He told them before the crucifixion that he was only be in a coma. THEY KNEW. That it is NOT in your bible is not my problem. THEY KNEW HE LEFT IN A FLYING SAUCER and some of them even went to find in him Syria around 2 years later to tell him what was going on in his name. You can read about that in the Phoenix Journal link. PEOPLE ARE KEPT DUMB AS SHIT ON PURPOSE as part of the antichrist enslavement of this world. God does not work how you are taught in your churches. IT IS NOT ALLOWED EVEN. WHEN some of them start teaching truth even in modern times like about 911 and corruption they have problems which can include blowing up churches or deaths of important members. But the truth is ONLINE and you CAN READ it. STOP CHOOSING TO BE UNIFORMED.

I know both that played the role of Jesus. We together created the official 2nd Coming organization AbundantHope. I would also highly suggest you work thru all the linkys in my signature file which are going to stay there for awhile now. We are giving information never given to this planet. throw away the bible, bury it in the ground and get the truth. Your very souls depend on KNOWING, otherwise your journey is delayed.

Bodies can be resurrected, this is true. Mine has been few times now because of the work I do, I have been thru several murder attempts and I was not treated in hospitals. My body was repaired. But these bodies do NOT go to HEAVEN, they do not survive in the higher frequencies. When you

get to those worlds, you are given NEW BODIES. And those bodies do not require toilets, something to ponder. They are not animal bodies.

Most people dont beleive in either heaven or hell.

So are they choosing hell by default?

Is god going to torture needlessly and for the sake of being cruel...billions of people that didnt even MAKE a choice?

Isnt a "CHOICE" defined as having THE FACTS in front of you..and KNWOING fully well what EACH fact entails..then making a WELL informed CHOICE??

How can ANYONE do that when it comes to HELL?

Most people dont even beleive in such a place...and they are right.

If I was to take you into a torture dungeon filled with racks and spikes and red hot pokers ect..and said to you "LOVE me..be my friend..have a personal relationship with me...cause if you DONT...this torture chamber will be put to full use on YOU for not accepting my offer. Its a reasonable offer too..all you have to do is beleive in me and love me..OR..you get horribly tortured

over and over with NO way of stopping it...because once I get torturing I just CANT STOP...so please..its a gift..free will choice..love ME..or..TORTURE..take your pick....NO pressure..really..

When they say "I didnt KNOW about your basement..PLEASE have mercy"

I will tell them..

But you AUTOMATICALLY CHOSE to be tortured forever..its YOUR fault...free will an all"

And they will say..the ones that DID know about the basement because I told them..

"THIS is WHY we didnt want to be your friend because you are a torturing EVIL SADIST"

I will say "Well..thats YOUR choice to believe that..this torture I do (As I slowly peel the skin of their faces) is all done in LOVE because I am SUCH a holy being...even TORTURE and AGONY are holy to me"

So God shut the door, gave the keys to the devil, and said 'the place is yours for awhile'. It's amazing how you hate God and have these delusions of Him. It is obvious you don't have the slightest clue what you are talking about. Try reading the Bible with some wisdom and then come back sport.

Cant come to the father UNLESS we first beleive in Jesus..and we CANT beleive in Jesus UNLESS the FATHER reveals him to us...and the father WONT reveal Jesus TO us unless we beleive in Jesus...

And NO one can come to the father UNLESS they are drawn..and if they are not DRAWN..then God will BURN THEM IN HELL FOREVER IN UNRELENTING HEARTLESS MERCILEESS TORTURE for DARING to NOT beleive...even though their NOT BELEIVING was a direct result of God NOT ALLOWING them to beleive..

surprised no one watched the video. It is just a 3min clip. Victoria's sure is more clear here, as she is now the: co-pastor, so I guess she is assuming the role as "co-preacher of the world" as Oprah suggested for Osteen. Interesting Oprah is more in to being "spiritual" rather than into talking about Jesus, but she seems to like the Osteens and gave them an hour on her new show.

They can keep their money, my wealth lies in the Kingdom, which is where my heart is...

***All this when the Scripture is so very clear: "For you know the grace of our Lord Jesus Christ, that though He was rich, yet for your sakes He became poor, that you through His poverty might become rich" (2 Corinthians 8:9). Our spiritual riches came only because he stripped and divested Himself of all earthly goods (Ephesians 1:3).***

Acts 3:6 The Apostle Peter, however, said, "silver and gold have I none" (Acts 3:6).

This life is but a vapor, so we can choose to spend it (no pun intended) chasing earthly wealth, or we can deny ourselves and follow Christ. I choose the latter...

I don't want my 'Best Life Now', I want it in eternity. Unfortunately, this is as good as its going to get for those who pursue the world.

What good is it to gain the whole world, then lose your soul? Matthew 16:26

...Oh hear Me, My people. Why do you listen to the hirelings and false teachers and prophets? Did I not say in My word that not all that say to me 'Lord' 'Lord' shall enter into the kingdom of heaven, save those that do the will of the Father who is in heaven? Then why do you still go about doing your own will and tell yourselves that you are My bride? My people, you have been lied to by the enemy of your soul. Seek Me in these things. Surely I will reveal My truth to you. I love you, My dear children, and it is My desire that each of you share My throne with Me. But unfortunately only a remnant shall overcome. For too many have listened to the lies told by the false shepherds and prophets. They speak of how you each are already cleansed and adorned in righteousness simply by your belief on My name. These are all lies, My people. For does not My word say that he who does righteousness is righteous? Yes, My people, you are made righteous by your faith in Me, but it is fulfilled by your obedience to My voice. It is not imputed to you by a one-time confession of My name. Oh, My people, you have been lied to. Read My word for yourselves. Why listen to those that fatten themselves by fleecing My sheep? I have not sent many of the shepherds that are out there. They have sent themselves for their own glory and their own profit. Oh, My people, did I not say in My word to judge them by their fruit? Then where is the fruit, My people? Oh, but those that have itching ears care not about the fruit. They want to be told all is well and that **they shall prosper** if they simply believe on My name and My promises. Hi Candace -

I am slowly making my way through the material on AH and the UB. Since you have asked for our thoughts about heaven, I am participating.

For years I have pondered the nature of heaven. I have wound up with 2 thoughts. One is that we may rejoin the father in spirit and simply exist. Then, if we choose to reincarnate, we can.

My other thoughts have been more in line with what is depicted in the movie, "What Dreams May Come" with Robin Williams. If you've never seen it, spirits return to their own "vision" of heaven. There, they live as if on Earth. Children were playing and adults were working to help others with spiritual development.

Hell to me has never been a place. I think of it as the experience of being detached from God.

**Ok I asked here, what is it that you do in your life eternal in heaven?**  
Quoting: **Nobody in Particular**

I have chosen to undertake the Paradise Journey, that is, to become more spiritual, more perfect and to seek God, the Son and the Infinite Spirit. I wish to attain the Corps of the Finality. Perhaps,

I already have as I can't remember where I am in the journey because I am incarnate here on earth. I know I am here as an observer because these are definitely historic times.

Quoting: **Anonymous Coward 14911375**

I want detail from NON UB readers here, who no concept of heaven or eternal life. I have tried other threads on this one, without success I might add, except for a few tiny comments.

Even yours must contain however, what you expect to learn in that journey. I have taken it, I am a Mighty Messenger. As is Esu Immanuel who played the other one of the two in the role of Jesus.

Ones as I said before in this thread, and others, do not party on with Jesus having barbecues with family and Jesus for all eternity. I want these ones to THINK about that one.

Quoting: **Nobody in Particular**

The universe is like a university with many, many levels. The Corps of the Finality is like a PHD and a Mighty Messenger is like a PHD with extra credits. I know you are a Mighty Messenger, NIP - I tip my hat.

There is a huge amount of work to do, and a huge amount to learn. It will take a long time and you will be very busy.

Very generally, I expect to learn how to live by the Will of God, the Universal Laws, the Laws of Balance, to love my fellow 'man' despite how they behave and to live in service to others.

I would just like to say though that I wouldn't mind the odd barbeque with family and Jesus once in a while.

Well once folks reach in our case, Jerusem, the capital of Satania, the full COSMIC LIFE STARTS in all seriousness. This is different from the level between planets with space travel. This is time of visiting lots of sectors, of working with the life carriers while still in Neadon and all sorts on incredible and wondrous stuff. There is cosmic stuff even on the higher mansion worlds but it gets serious when you arrive at the system headquarters. That more or less ends a long period of "make up your mind" and the fusion with the Father Fragment, then some more experiences before arriving there. No fluff all serious and wondrous experiences. Never stops after that pretty much.

"Heaven" is not a place of restful bliss and people need to understand that. Its a place of serious real living. Those that expect bliss and no work, will not make the grade. One is always, no matter their level of experience, a student, a worker, and a teacher to those of lesser experience. Even the Creator Sons, the Ancients of Days and the Master Spirits are always working and learning as the creation progresses and so will all of you. Heaven is for those seeking always to know more. Its never going to be "finished".

Hi Candace -

I am slowly making my way through the material on AH and the UB. Since you have asked for our thoughts about heaven, I am participating.

For years I have pondered the nature of heaven. I have wound up with 2 thoughts. One is that we may rejoin the father in spirit and simply exist. Then, if we choose to reincarnate, we can.

My other thoughts have been more in line with what is depicted in the movie, "What Dreams May Come" with Robin Williams. If you've never seen it, spirits return to their own "vision" of heaven. There, they live as if on Earth. Children were playing and adults were working to help others with spiritual development.

Hell to me has never been a place. I think of it as the experience of being detached from God.

These thoughts may change as I make my way through the material (and if I ever achieve anything with my meditation practice:)).

My question back to you: Your thoughts on Oprah?

Quoting: **Anonymous Coward 11211448**

I used to like Oprah. Since she went on the Council of Foreign Relations, she seems changed. I am not sure if she has changed direction, or if its not Oprah any more, because there have been "changeouts". If its still Oprah I think she sold out. But perhaps not and she has other motives in that. Not everyone on that Council is dark, the light infiltrates it too.

I guess she is finished with her show? I have forgotten because I lost all interest in it, when most of her interviews were with the elite and no longer focused on the issues of this world. I don't really have any concept of her anymore since I have not watched her anymore. Long ago I enjoyed some of her after the show, shows, because things got more intense once off the regular air and just on that smaller channel.

I don't think I saw that movie, maybe I should search for it on the web, to see if it sounds familiar. You do not ever just rejoin the Father and rest though. The only rest is when those who still need a body, don't have a body, when in the lower stages of experience, but on worlds like this, those who have chosen eternal life at least tentatively, live in the middle astral realms, which are a mix of thought/matter realms, Not matter so organized as on earth though at all. In fact as you read the UB and find out about people making their circles, because this is a planet of slow progress, the main levels of the mid astral ARE the circles, where some progress can be made between physical lives. Not all planets have astral realms of the nature of earth. There are special reasons for them here.

In terms of living in bliss, these are the closest one gets when reincarnating on this world. They are entirely mentally constructed, there is no money and any of that sort of competition there, so it is a period of REST in that regard between lives. But it is not a period of inactivity. No money, No wars, no earth changes, and all the things that beset people when incarnate from them.

Hmmmm. Interesting thoughts on Oprah. I still can't get my brain around the fact that people are cloned. Although, when I pay attention, I notice that there do seem to be some before/after incidents. I'll have to ponder that one a bit longer.

Oprah did go off the air, but still runs some shows on her own network. I stopped watching the daily show a few years ago. I have caught some of her new specials, including the one posted here. What stuck out to me was how Joel's church is really run like a business and how well he and his wife live. When I see that, it highlights the difference between how he and his family are living vs how Esu lived.

Can one live in that much splendor, when others can't, and remain true to the path? I don't know.

(CBS/AP) Houston televangelist Joel Osteen is a preacher, lecturer and author. Soon, he'll add reality TV star to his accomplishments.

The leader of a Texas megachurch, whose Sunday services are broadcast to audiences around the world, has signed an agreement to work with producer Mark Burnett to develop a reality show about his mission trips with members of his Lakewood Church.

Osteen, 48, announced the agreement Tuesday. He said the program would also feature Victoria, his wife of more than two decades.

You old enough to remember Jimmy Carter, the RUSSIANS cloned him several times until America caught up to them and produced a different "style" He was cloned at least 25 times during the period of experimenting. There is a special technology, you must remember that the physical is NOT real, it is merely "compacted" energy. The DNA is very easy to make more of, and clones can be made in days. Ones don't even realize, that when they get to the mansion worlds, they get a new body, made from the information stored in their souls. But minus the need to a bathroom. It is not only possible, but the life carriers do it commonly in those "resurrection" halls, covered in the Urantia Book. The body made will look like a version of the person when they were around 25 years old in life.

As to splendor, always goes to motive and how the money is used. I could not do that personally, but if I was a big wig I would have personal aids, housekeepers and the like to afford me the time that I would benefit from, but I would not need any bigger house than what I would actually need for the role. I could be president of the US of A and live in a mobile home, it wouldn't bother me. I would just keep it better looking than this one.

Candace,

Perhaps an unrelated question to this thread. How do you describe/explain dreams? I mean what are they really?

To say they are 'holograms' seems to take away some of their reality. To say we 'soul travel' in dreams seems closer to the truth to me but then where and how are we 'soul traveling'.

Most of my dreams involve people I know, or people I know of (famous or not), in other 'social contexts'. Sometimes there are definite messages that I can bring back to this life from bits of conversations I remember in the dream. But they always require a bit of analysis, nothing is ever straight up.

Also, many times the dreams involve myself and others actually 'dressing' or 'undressing' as we enter or leave the dream scene. The dressing/undressing seems very unnecessary if it's just a hologram. Not sure why it's necessary even if it's actual soul travels. Also the bodies are essentially perfected bodies that seem physical but 'lighter' that look around the age of 25.

Why I am able to perceive this, and not completely understand it all, is a mystery to me. Happens every night, just about.

well he was just on CNN with the Wolf. While he states hindus, muslims etc all are nice folks he will not make them equal to Christians, and these religions have more truth about God than does Christianity, near as I have been able to discern.

He will not make MAN a FAITH SON of the Father, which must include all MEN/Women who make any effort at spiritual growth. The FATHER FRAGMENT comes to all NEW Souls with normal minds when they commit their first genuine moral act. Again, around age 5 on this world. Those reincarnating on this world already of course got their's during some past life.

And although he was asked about Romney, he agreed with a little choking that mormons are christians, but off beat sort of words chosen. He did say maybe sometime in the distant future, the US of A could perhaps face a muslim or hindu president.

Even Jesus said, "The son of Man has no where to lay his head."

We are to store up our treasures in heaven--not on earth.

I've never liked Joel Osteen. I don't think there's anything wrong with having food, running water, a car and so on--but prosperity is so foreign to most of the world. We don't live like most of the world--they live in reality--we don't. Not really. His message doesn't apply to persecuted christians. It's a false message. It's an infomercial.

only those who enter God's covenant via belief in Jesus Christ -- that He died for our sins and rose from the dead to provide us the free gift of eternal life -- have the Holy Spirit within

it is not a default position for all. we have to ask Him to come in by believing in Jesus.

love rb

Quoting: **rb 2426617**

NO this was NEVER EVER Taught by GOD or JESUS. For it is a LIE. And a lot of stuff even in the OT, is the miserably misunderstanding of that group of people in those days, so miserable that is one reason for choosing that area for the Incarnation. The orientals and those in Western Hemisphere at the time were fr advanced of that, and even in India they were too.

NOBODY can DIE for your sins. And only people who are working on purpose against God knowingly, sin. all the other stuff is errors in judgement while the soul is learning.

The Holy Spirit within, is the FATHER FRAGMENT which is FIRST PERSON TRINITY making YOU a SON of the FATHER. A Faith Son at first, and a real son later on in the evolutionary journey. Once you know enough truth and have had enough life experience to make a real choice to pursue eternity, your MIND/Soul will MERGE with your FATHER Fragment, which if done WHILE embodied, will consume the body. This very thing doesn't happen much on this world and if witnessed, most would assume you were just murdered by God, from the bright flash produced.

Eternity is a long long time. There are beings already trillions of years old. It is not this simple. Your FATHER FRAGMENT is NOT EVEN INVITED BY YOU. If this is your first life, it shows up automatically when you make your first real MORAL decision, and on this planet, the average age for that is 5.

You ones are not told truth. I find it worse than sad because this delusion actually slows your soul growth,, which IS the satanic idea.

Jesus was never the name of the Christed Ones that came anyway 2000 years ago. Now I ask, in honesty, what about all those born into other religions and cultures? They go to hell right? NO. They have the same opportunity to learn about the GOD within as do you. Has NOTHING to do with "believing" ON the name Jesus . It does involve consciously learning to walk in the shoes of GOD so that you manifest him on this world. the Joel Osteen types do not teach that, at all. They keep you from discovering yourself.

He did NOT rise from the DEAD. He never DIED, meaning his body. How does a BODY rise from the dead, you hve confused this great soul with the body. NONE of you are your BODY. You are your SPIRIT. and the way your describe your holy spirit within, while laudable in a sense, you have just ignored your own soul/spirit that is still separate from your Father Fragment.

Do you MEDITATE? IF SO, congratulations. If you have truly "heard" your Father Fragment (which again is not the Holy Spirit, not the 3rd person trinity,, but it doesn't matter so much), this means that you had your MIND quieted enough that your FATHER Fragment, could get a world in edgewise.

You ones have got to stop separating and making yourselves Special and Different from all your other brothers and sisters trying to know god on this planet. And I highly am appalled with that. That is why I asked above how about Muslims et all.

Where are you getting your information from???

Quoting: **Anonymous Coward 8437259**

A bunch of it, right from "Jesus" himself, and much of it from my soul. I have my monad to access. However, you can read some really good stuff about his life in the two links below I will provide. The first one, PJ #2, And the Called His Name Immanuel is by Esu Immanuel, one of the TWO who shared the body, and Judas Iscariot, who was NOT the betrayer, but was his best friend and scribe. The betrayer was JUDA Ihariot, son of Simon the Pharisee.

The other is an english translation, of the German Book called the Talmud of Immanuel. After Esu passed in Indian at about 115 years of age, his son Joseph brought the records of Judas back to the old grave in Jerusalem. Judas went to India with him and continued to scribe. The priest who was taken to the grave, was later MURDERED as was every family member the thugs could locate. The basic story is explained in both links. The book of Matthew in mentioned in the 2nd link is NOT at all from the scrolls as they try to suggest. They could not be, matthew had no access to them, they were in India, until Joseph went back to jerusalem, but they are both a wondrous read and you should read them. Some of the records were not legible anymore and some were supposedly destroyed when the priest was killed, but I am told no, they were rescued and will be presented to man at a later date.

Both these links are pdf downloads. [[link to tweeofmeer.webs.com](http://link.to/tweeofmeer.webs.com)] to the one with Judas translating from his own ARAMAIC notes along with commentary by Esu (Jesus), and others.

[[link to fourwinds10.com](http://link.to/fourwinds10.com)] this one is the Talmud of Immanuel, which was LONG available from even Amazon and is no longer in print. As above, its an english translation from the original german which was a translation from the aramaic notes of Judas.

There was a thread on here a few months ago about whom you would like most to punch in the face.....Joel Olsteen and Oprah were the top two on my list! Seriously, I am a good Christian woman and mother of two great kids, but something about JO makes my skin crawl and puke start to fill my mouth. 🙄

The hijacking of Christianity is not a recent development. It was already occurring in the time of the Apostles. Jesus said the false prophets in sheep's clothing would come. John said the antichrists and false apostles had come and had gone out from among them. Peter saw the false teachers had come. Paul and Jude saw the false apostles had come, and warned the brothers night and day for three years of more coming. And in Revelation, John saw where the whole world was to go after the false prophets and the false church, which occurred shortly afterwards. The false church is Revelation's whore of Babylon, riding the beast of many names [30,000 sects in Christendom], with horns like a lamb [that resembles the true church], but who speaks like a dragon [men speaking from their carnal minds, which is enmity with God, and their vain opinions from their evil imaginations] instead of speaking words supplied by the Holy Spirit, as Jesus and the Apostles did.

By 400 AD, true Christianity was no longer seen in the world, to appear briefly again 1260 years

later with the early Quakers. The Quakers soon became completely apostatized, resulting in the true church once again returning to the wilderness, where the Lord is leading individuals around the world, who one day will coalesce to bring the true church public once again.

Quoting: **Anonymous Coward 14660099**

He is where he is because he has agreed to deception. Nice appearing or not.

I do not hate, I CRY.  I could not have partnered with the TWO who were Jesus if I was a hateful person.

Your churches in general are corrupted, even if the clerics are honest people. The truth is not allowed on this world. Some of you I assume have figured out politics at least some, and the same applies to churches. When clerics that are honest get out of bounds, murder and church burnings happen. The Minister even that Obama once went too, was doing some honest political work and that had a lot to do with the bashing he received. Also 3 members of that church that were gay and had relations with Obama were murdered, brutally in fact.

Your churches are under the control of the Antichrist and you are not taught the real truth. If this man has gotten so popular generally suggests he is in bed with the antichrists running this world. In the single piece I mentioned in the first post, if you read the rest of it, it was full of goo about the doubting thomas too.

As I am pretty sure I posted here in this thread, (and yet again, I have posted it many a time on this forum, Judas was NOT the betrayer. He was IN FACT personal scribe to Jesus and his best

friend. he went with Jesus to India in fact after the crucifixion. You are lied to so badly it is painful to those of us from heaven, including the returned jesus, both of them, for the incarnation was shared by two.

Some of this maybe do not matter, but the fact you are still taught that this mean nasty God is outside of you, is completely tragic. In fact something mean and nasty is in many christians that is horrid indeed. I have seen supposedly "nice" people's eyes turn very dark and nasty when they condemn folks to hellfire and that means they are working for the dark ones. Always. the Eyes are the window to the soul. Watch peoples eyes. What your own kind when they proceed to condemn some one to hell. Its not a bit pretty. And then they turn around and pretend to be all loving. They are not. You an see the game. WAtch your own minister, because you can pick up the evil eye n them too.

This world is going to need to be evacuated because of all man's problems and so many were not necessary if churches actually taught truth and walked in the shoes of God. I have no problem with them, except they don't do much. NO church should even get a 501c3, because the boards of them get that, they have signed a paper to serve the antichrist. And then they CAN and ARE prosecuted at times.

I hate that people have to suffer like that...

I'm sure it happens to a lot of people...get stuck in a cycle they recognize as bad for them but they continue because they lack the ability to get over the hump (meaning make their change from the inside out...manifest their inner work into their outer world)...

Is it your place to assume or question?

You dare to elevate yourself as the mighty judge of others?

Your assumptions "simply" show your enlightenment and why you covet other peoples possessions.

Did not Abraham live in "conspicuous opulence" blessed upon him by god?

Who are you to say whom god wishes to bless or not?

Yes you are correct about one thing. Freewill is the cursed path all human beings must travel and some stumble and fall over the freewill imposed upon them. For they have no idea how to manage such power.

NIP, religion is one of the hidden dynasties used by satan in this flesh realm.

Four Hidden Dynasties:  
Education, politics, economy, and religion.

Christianity is not a religion, it's a reality.

That's why satan can lie from the pulpit and sheeple sit in the pews and eat it up.

They have no truth to base anything that is taught to them, so how would they know truth or not?

Just because he has money does not mean he is not saved through Jesus Christ, which is what he preaches from the times I have heard him.

Is he profiting? Yes. Is he sinning? Maybe, but that is between him and God. We don't know his sins.

He is no harming anyone and hopefully many have come to Christ through his preaching.

If he let's this go to his head to the point that he sins, than God will correct him and we can pray that he listens but this man shouldn't be a concern for anyone. There are WAY bigger problems on this earth.

I found this red thumb today **You know, NIP, I really try to give you the benefit of the doubt, I've even left you green karma before, but you don't get to insult my \*idea\* of heaven. Tone down the judgement. --**

I will PROD others ideas of "heaven", because the lame ideas of heaven, eternal life, careers and learning over eternal life are from the abyss of ignorance with no desire to LEARN, PONDER CONSIDER what "leaven " and eternal LIFE ARE. We are working to RAISE UP YOUR KNOWLEDGE. IF you or others want to believe in the fluffy stuff,, fine, but it will delay the growth of knowledge. This world is probably the most resistant world ever in wanting to know cosmology and what the soul does for trillions of years,

If you are smart enough to write the read thumb in the manner that you did, you are smart enough to learn something about eternal life, to entertain real ideas about it. If you felt I insulted your idea of heaven, then your idea of heaven as expressed was probably pretty lame.

This is 4d, barely, a dimension where people are PRODDDED spiritually from above to learn to think and argue and stop all the following, for when you follow, you generally support the BEAST and thee is never peace because of it. During 4d you begin to learn to stand in your shoes. Arguing is the norm in 4d. Christ came to set it up when he said I did not come in peace. It was slow to come, jus barely started a few years ago, after 2000 years. you ones will learn to think and also reason about the future, here and in the next life, or you are returning to the same level of school someplace else.

It so very wrong for these mega preachers to be collecting millions upon millions of dollars and they live like oligarchs.

Sure, they help people. They mostly help themselves though. If they truly loved humanity, they would live modest lives and truly live as Jesus did. They send the wrong message.

They are well known people and I feel they should earn enough for protection and to host VIP's and travel as necessary to help others. But the income they take in is a travesty.

Quoting: **RutRoeHere**

Notice how the big time money making preachers preach a watered down gospel that is only soothing to the ear while the preachers that speak truth directly from scripture have very tiny congregations? Well i think that speaks a thousand words for the kind of gospel that is being preached today, the kind of Christians we have today and is i sorta believe God no longer favors this nation and has lifted his hand off America because of how wide spread this kind of preacher/church is.

Dont get me wrong..there are some good churches out there, some good pastors that speak truth but make no mistake about it..to find a good church or pastor is like trying to find a needle in a haystack today. While i am a believer in God..i am not the kind of Christian to shove my beliefs down a person's throat..so in no way am i trying to do that now but my point is..even though i am not one of those radical Christians..even i can see the fake churches and preachers out there today... my heart instantly tells me how people like this moron Osteen is fake and smears the real word of God in order to gain members and fortune..he dares not speak the whole truth. I feel sorry for preachers like this guy...he has a special place waiting for him..

This is part reason why i do not go to church or follow any one man..men will always let you down and men will always twist things.

It so very wrong for these mega preachers to be collecting millions upon millions of dollars and they live like oligarchs.

Sure, they help people. They mostly help themselves though. If they truly loved humanity, they would live modest lives and truly live as Jesus did. They send the wrong message.

They are well known people and I feel they should earn enough for protection and to host VIP's and travel as necessary to help others. But the income they take in is a travesty.

My gripe with Osteen is based on what I read somewhere about someone who went to his 'place of worship'...or whatever he calls it!!

They said when they entered, there were NO signs whatever that this was a 'christian' place!! no crucifix, no portraits, etc. of Jesus....nothing; just a HUGE public auditorium.....now I'm sure as hell not a religious guy, but I thought that sounded rather strange.

Also, people like Osteen and his ilk do not really educate people about what's in the WHOLE bible.....why do none of these people talk about the book of Revelation? and bible prophecy? surely that's just as important as the ever-going on and on and on about the four gospels!!

No, you'd never convince me that a smooth talking, good lookin' southern boy contributes anything to the understanding of God's word.

Just his pie in the sky blathering and so on.

Sorry...seems to me you 'christians' would be better off taking a good, solid, bible-study course instead!!

and for pete's sake, quit lining his pockets!!!

Donate to the church in YOUR town or city!! keep the money local, at the very LEAST!!!!!!!
