Kibo Part # 3

INTRODUCTION

to the Messages with KiboDabi

Hey! I get to write an intro! Allright!!!!

Blessings to our brother, Christ., for doing this...Thanks!

All thanks and gratitude and appreciation to PAPA and CM ATON for putting up with me in allowing me to take these messages and have these experiences. I AM humbly honored and if i have done anything that has been helpful to anyone in their journey on the great spiral path, then i/i am grateful for having been able to serve.

Thanks and gratitude to all involved. I love and appreciate all of you!

I AM here.

I AM here, now.

All of these messages are strivings to help people with their perception of reality at the time and all of them were given for particular purposes that will differ with each individual. There is much talk of 'soon' and 'very soon' and so on and so forth and that has been something that we just have to deal with. It has been proven that the observation of a thing, changes the thing observed and i sometimes think that this has been the case. Every eye opened, every mind, every heart that has considered a new thing, a wider thing, an other thing has stretched this event out so that they also, may be included in the best possible outcome.

And then there is a part of me that realizes that all of this was already known and scripted and is playing out exactly as it has to be according to the will of the Producer, Director, Orchestrator, Scriptwriter and whatever else job there is in such a production...even to the point of the venue, the seats and the tickets...not to mention the price of admission....

Be it movie or play
Set or stage
Holographic
It is all the same.....

But I AM Here Now...at Present...past and future are made here, in this point of being and the thing observed and the observation of it become one and the same thing.

All of these writings, those through what i am as well as those through others and by others, are just symbols of that point. They are sharings of perception by beings that recognize the source and purpose of that sharing and those that are willing to receive, receive. I, as far as i'm concerned, haven't done anything that a five year old with an open mind and heart couldn't have done as long as they had the vocabulary and even that is over-rated. If PAPA told a five year old to tell the people that HE said that Love was a good thing and that people should only do stuff because of love and all the fighting and

hating and stuff was very bad and they should stop it now because God doesn't want to spank anyone...but HE will if they keep acting stupid.....I'd listen. I'm sure that there are, at least, hundreds of five year olds out there that have given whoever they could, that very message, only to be smiled at and told that they were cute but not to play with God because they couldn't possibly understand and to go to their rooms before they got a spanking themselves.....parents just don't understand.....

The point of all this is: This is done already. More is coming from all directions and it will be hard to keep up if you are looking all around for your answers. These messages are nice, but nothing replaces direct communication with the Source and Center of All Things. You can do that.

Yes, you.

You can do that because He is The Source and Center of All Things.

Please consider what that really means.....ALL THINGS

ALL THINGS means you, me, them that, this and the other. Whatever you are looking at and whatever is looking at you, is a thing. The atoms and molecules and plants and things organic and inorganic....fire, air, earth, water, akasha....whatever it is and wherever it is, it's a thing and the source and center of that thing is the source and center of every other thing as well.

So no matter where a thing is or what it is, it's source and center is ONE THING.

So two people shooting at each other have the same source and center.

Two people loving each other have the same source and center.

In fact, they are each other

As well as the pile of gold in the corner

And the pile of dog crap on top of it

We are all of it and it is us and....

GOD IS ALL ARE WE ARE ONE ARE WE ARE ALL IS GOD

I AM ALL ARE WE ARE ONE ARE WE ARE ALL AM I

Write it in a circle with one 'I' or one 'GOD' at the 12 o'clock position and tell me how it looks to you....

No? Ah well.....Yes? Ah well.....

To find your source and center is to find the source and center of all things.

The source and center of any thing is the same source and center of any other thing in question.

That source and center is the one thing that really is and everything else is just an extension of it.

That one thing is consciousness in the most extreme way of being...to the point of saying that there is only one consciousness. It is light manipulated in consciousness to create the perception of all things. It is the experience of that perception in being. It is two people looking at each other from their perception of perspective and then still from a perspective of It's own...Knowing that It's the only thing in the room. It is the room and the room isn't even there. Neither are the two people that insist on seeing each other as something other from each other when there is an other looking at them as each other, from within each other and upon each other and without each other, knowing that the very concept of 'other' doesn't apply in reality except that they perceive it so It gets to perceive and experience it....all the time knowing.....and we say we want to know, but do we really?

Read these words if you like, learn all you can from everything and look around and search without. When you have come to the realization that the reality you find without you can go on without you, then please, go as far within as you have gone without...and then go further.

The words don't matter. The symbols don't matter. We act on the world without for whatever reasons we can perceive and use that perception to define ourselves as we see fit. When you've had enough of that and come to realize that there is only one thing and you move in it and breathe it and your thoughts are It's thoughts and your perception is It's perception, your feelings, It's feelings, your life is It's life, then you will start to see that you see nothing and think nothing and feel nothing. You are a character being played by an actor that is so into It's character that it is the character. It ceases to be an act and the character believes in the character and the actor is forgotten.

Remember who and what you are.

Remember the role you play

The stage you are on

The movie you are in

God plays every role

Every prop

Every instrument

Everything

Perfectly

It is up to you

The character

To realize

Who and what you are

To remember

That you are the actor

Playing your part

Perfectly

And when you remember

The actor awakens

[there is, perhaps

A moment's confusion

But who is to say?]

But in that moment

The actor and the character are as one

And the decision is made

It is no longer a matter of

How the character feels about the actor

But one of

How the actor feels about the character?

Does he want to stay in character?

Is it a good character?

A worthy character?

Will it serve its purpose well?

Will it live on and continue to play its part

Upon the great stage?

Or will it walk offstage
Never to be seen or heard from again?
The character wants to act!
Does the actor want to stay in character?
There is only one way to answer that question
There is only one way to have that conversation
Find it
Talk with it
Come to agreement
If you want to keep your character say so!
Heavens knows that there are other characters
It is all the same
But if it is not the same to you
Then there comes a time when words serve no purpose
You must act as the actor acts!
You must be the actor so that the actor may stay in character!
Hint: villains die...every time...they have to eventually...
the actor never wants to stay a villain...
no character can have their moment
in the dark
the light must shine upon him
and no villain can stand the light.....so.....there.....
so if you are a worthy character
perhaps the Great Actor will keep you, after all
and you may be each other...what joy!

And for that
All words and symbols and teachings
Are useless
You must go to the source and center of all things
Including you
And talk it out
And whatever helps you to do that
Including these words
Is all well and good
And i/I AM grateful if any of these words have helped you in any way
But
Now
Go help your self
Go do
Go be
Play your part
Be the actor

[there's a reason the 3rd person of Paradise Trinity is called the Conjoint Actor....]

PAPA and CM ATON Bless you Always in Consciousness

i AM I experiencing being in perception of what i am in manifest expression

You can get anything you want at Aton's restaurant

By CM and Kibo

Sep 26, 2011

CM: Greetings! And God is with you! Ahoye! As you like to say nowadays.....

You seem to be putting a lot of weight on yourself when you would be better off sharing that weight with us. WE, your Celestial brothers and sisters are gathered here to help and believe you Me, WE know more about your situation(s) than you do. It is all well and good to co-create, but with such a limited range of vision, how can you hope to make headway pass the tree that looms before you when you can't see the forest that looms around you?

WE are here to tell you that it's alright, everything is fine and we can tell you from experience that the best way to handle and deal with your many situations is to simply give them to US. Let US take the weight from upon your shoulders, thus lightening your load, as it were and deal with all the aspects and circumstances that you are so clearly unaware of and WE will let you know how best to handle and deal with those that you are aware of.

It is like a maitre'd who silently waits for you to ask him what dish or wine would be best. He works in the place. He knows all about it. It's his business, his specialty. All day long and everyday, he has to deal with people who think they know what's best. They know what they want. They want something that they read about or heard about or something that sounds really great, without knowing what it truly is...he is saddened by their ignorance and pride. Their egos will not allow them to say that they have no clue and turn to him for advice and guidance.

He could provide an exquisite meal, perfect in every way, if they would just let him. He would pull out the best and true desires of the people at the table and give them something they never imagined that they would love beyond words. He wants nothing more than to give them the best and enjoy their enjoyment of it. The whole staff aims to please in every way. The chef can prepare a different dish for each and every customer, no problem. Tell him what you're thinking of and he will whip up for you the plate of your dreams! The waiters will stand by for your every need with a staff of their own to supply them so that they will never have to leave your side...just in case there's something else you need. Such enjoyment by all involved!

But too many people come with their minds made up that they don't want this or they don't like that. They think they know the make and year of the best wines and aperitifs. They never want to be told what's best. They want others to look at them as if they are the ones that know what's best on the menu. Others just grab the menu and stare, looking, reading, understanding or not understanding. They spend sooooo much time dreaming about the descriptions and how they might taste and what are they in the mood for? They never dream to ask if there's anything that's not on the menu. They shudder at the thought of saying " what if I wanted a.....what could you do with that?"

Only one in a thousand customers ever comes in, sits with his party and asks the maitre'd "What's good today? These are my loving friends and we want the best! He's looking for this and she's looking for that. They're into this and the kids want something really special! What can you do for us, today? We're really counting on you, my friend! We know that you're the only one that can give us such a joyful experience!"

And he will smile and bow and ask questions of the party and when he is satisfied, he will say, please, enjoy these appetizers while you wait. Soon your entrées will be on the table and there are special desserts for everyone! Eat, drink, be merry and live knowing you will never die!" Of course, the dinner party is a huge success and a joyous affair and who is to thank? Why everyone!

So now, here you are in your life and the plate before you is the one you ordered. Do you not like it? Is it not what you asked for? Is it not what you thought it was going to be...or was it?

Would you like to send it back? Would you like another plate? What would you like, now?

Are you going to make up your mind again over something else? Or are you going to let us do our jobs? Either way.....WE are here to serve you. And you would best serve yourselves by letting US do so.....but it is up to you.

Do you want what you want or do you want what WE have for you? It's as simple as that. There are no right or wrong answers here. You may just love your plate either way. Your choice is what to order. The rest is up to US. Do you want what you want or do you want what WE have for you?

K: and if i just want a simple sandwich? I mean, i want what i want. I can't help that.

CM: In OUR kitchen, everything is everything. You think that you have ten choices where WE see one hundred. Spices and herbs and ingredients that you haven't even considered! You may say that you just want scrambled eggs with salt and pepper.....how much salt or pepper? What about mushrooms and onions? Soft scrambled? What kind of mushrooms? What kind of salt or pepper for that matter. WE know what will give you joy better than you do. But how many people come in and say to US " Give me the most joyful and wonderful meal ever!"?

You always like to say things like " This is my plate.", "My plate if full." Full of what? The plate you have is the plate you asked for. You made it by order. Had you asked US for whatever plate WE saw fit to give you.....well, WE aim to please.

Your life is your plate. It is the life you asked for, that you picked out. It is what you wanted so you ordered it. That was your co-creation. Now you've had your fill of it and you want something better. Are you going to try it again or trust US to deliver as only WE know how? We know what will spice up your life. WE know what will stimulate your soul. WE know what you have a taste for and WE can deliver.

K: and how do things like money fit into all of this?

CM: It has its place....like parsley. But too many of you want just that. If you don't think you have enough of it, some of you want to grab it off of the plates of others. Usually this is done when they're not looking, but lately.....people are starting to notice....usually, at that point, WE remove such greedy and unruly patrons from the premises so that others can eat in peace. It's not that we ever condone such behavior, it's just that WE can't really kick people out unless they're proven to be a problem. WE don't like to be seen as kicking people out for no reason, so we wait until the reason is obvious.

K: Please tell me we're there now. Please tell me that this is the case and that everyone is now getting just desserts because the meal is over. Perhaps it's time to move the tables aside and make room for the dance floor while we strike up the band or the DJ or whatever...?

CM: LOL Well, by that analogy, a few more people need to leave in order to free up the tables. But you could say that the party is about to begin. They are being informed that it is time for them to leave and the.....bouncers are escorting the more belligerent ones to the waiting paddy wagon out back...and yes, there's one out front, too. But that one is mostly for people that have left quietly without a fuss. They'll get off a bit easier than the others, usually overly drunk with power and you know how they can get. They are taken away rather unceremoniously through the back door and hauled off straight to the lock-up to await court....We will make it up to the rest of our patrons by declaring everything on the house, start the music up and invite them to stay to dance the night away.....

K: Sounds like fun.

CM: Oh it is! It truly is!

K: So! How long? How long until the announcement is made? When does the music start? When can we applaud the removal of these disruptive thugs to the peace and joy of our meal?

CM: The police are parked, ready and are standing in the restaurant. WE point them out, with the help of some of our more observant patrons and they take them away. Some, who saw what was coming, have already surrendered to the owner and talked to the maitre'd about repentance, mercy, forgiveness and making amends. They have been held to the side for further review while the others are hauled off...some kicking and screaming, some fighting and cursing...some have preferred to go down shooting and so, they are being shot down, bag, tagged and removed...It is happening while we speak. The bus should be here any minute now, to haul off the bulk of the crowd waiting outside the front door. Those taken out the back door...well....there are lots of wagons all lined up for them. So it goes. It is what it is.

You think that this has to do with elenin. Elenin is just a symbol of what's happening. It is a product of the mass mind in action in real time for your linear consciousness. It exists as the face, the mask of this need fulfilled. The need for the end of the material system of men and the beginning of a Divine system of human beings. You insist upon a cause outside of yourselves to be the leveraging catalyst that pushes you over the tipping point of no return and this is what you have created for that purpose.

This is beyond you. This is not just a matter of people saying 'oh we need a sign or symbol to get us to the next phase.' This is a non-linear consciousness event that is culminating in real linear time because this is where the sum total mass of human consciousness sees to be the enduring point of possibilities. This is where everything changes for everybody. This is where you see your plates and make a decision on what to do with them.

The human spirit is always hungry, always thirsty. Their plates must ever be full. What they fill their plates with is their choice. But this is the point where people decide if they want to order from their own desires, straight off the menu, or leave it up to the house to decide. Tables are being rearranged accordingly. There is more than one dance floor. There is more than one band and each band plays different music and the music is the same as the food...do you want the all request band, the DJ, the jukebox or the house band?

From this point on, the rooms will be different, the views will be different and the decor and atmospheres will be different. Everyone will get what they asked for, no doubt. There is still time to change your minds and hearts on the matter, but at this point, it's pretty much done and decided. Know that the owner remains the same, the maitre'd remains the same and the waiters are always there, doing their jobs...this applies to every table in every room. Your plate will always be your

choice. Whether you want US to choose or you choose for yourself, WE are always here to serve. WE always have job openings to join our wonderful staff, apply within, and just ask to speak to the manager.

K: Hmmmmm

CM: Do you really have something to say after all of that?

K: lol...nah, hey...let it play.....do you need a dishwasher? Triangle player for the band? Anything where I might be actually helpful?

CM: Janitor? You could really clean up! LOL

K: wow.....really?

CM: No, seriously, you could help set up for the remodeling...rearrange the tables, help people get seated, set the tables, pour water...stuff like that....

K: lol, sure...whatever...glad to help....what's the pay?

CM: The pay is.....good....but the benefits are great!

[We decided to leave it off at that.....thanks for reading!
Oyahe! God be with you!

OCCUPY EARTH

By CM thru Kibo

Oct 19, 2011

CM:

Today, dear ones, WE will use this one, that you lovingly refer to as 'Uncle Kibo', a term he loves dearly, I might add....as more of a scribe than ever before.

This one has been through the wringer, so to speak, and is now dry and pressed to assume something of his true role. But before all of that is set loose upon the world, a moment if you please.....

Ye ones have been failing to address the true issues at hand. You gather together against a system that, now, you are aware of as being counterproductive to a healthy society...to be nice about it. To be quite blunt, these dark and evil ones have done nothing but plot your demise for several decades running through hundreds of years for some....and more.

You complain about their policies and gather in different cities to protest to the point of outright rebellion. While WE are pleased that you are beginning to wake up and smell the proverbial coffee, WE admonish you to put your souls into this endeavor. If you can accomplish that, then you will collectively realize the mainstay and true foundation of that which you fight...these people, that consider themselves to be the true power that rules your planet, are against the Will of SOURCE CREATOR and plot and plan and act to usurp the rule of God Almighty Himself.

If you had the presence of mind, heart and soul, to realize the truth about them and yourselves, you would all understand that all of your protestations will come to naught unless you are able to gain the support of something real to push it over the line of absolute success.

By this WE speak of DIVINE WILL.

Divine Will cannot and will not be thwarted. The Creator of All Things Will not see a people go unanswered, that call out to HIM/HER/IT in good faith and trust, with the understanding that they seek the fulfillment of Divine Will and are willing to lay down their lives to serve that Will. They will not be left by the wayside to fall in vain.

Greater love than this no man has, that he give up his life for his friend[s]. That which you call God is your Creator and Creational Father, but HE/SHE/IT is also your very best friend. GOD can lay Itself on the line for It's friends and never need fear losing that Life, for the Life of GOD is the Life of All Things.

We are waiting patiently for you to gather together in the name of The One That Created You All, as well as All Things. Is this too much to ask for? While the mighty 1% continue with their plans, in spite of your efforts, and your brothers and sisters of faith in the greater universe and creation, fight the good fight on your behalf IN THE NAME OF THE ONE AND THE COUNTENANCE OF THE ONE, can you, the mightier 99%, muster up the faith that will gain you the full support and efforts of an endless array and number of Celestial Hosts?

Where is the desire to live by the golden rule and The Law of One? WE see you struggling to overcome and change a system of things that cares little, if anything, about you and your actions and desires. Were it not for our efforts, you would have been put down before such a thing as you

presently experience, had even begun.

Six and a half billion of you are slated for death by their hands. Can you fight them? Can you fight them with words and chants, slogans and phrases? Can even the common sense of what you are bringing to light and asking for, mean an iota of anything to those that you charge with having the responsibility to change for your sakes? Will they change for you? Will they change at all? Will they change for any reason other than being faced with a force so much greater than themselves as a whole and even as being more than the sum of their parts?

Even now, they plan to rush headlong into even more war and devastation that will, if all goes as they plan, will still result in the death of 99% of you. That is what they think of your 99%. You are, to them, the 99% that they had always planned to kill and destroy for the sake of their 'perfect new world order'.

Tell me...what force of might, what power, what arms do you have at your disposal? You are seeking to use this to change the perception of people that have been brainwashed into believing and supporting the perception that they have been brainwashed into supporting.

In the end, it will still be war. War against sovereign nations that don't play ball by their rules, such as Libya and Iran...which will lead into Venezuela, Russia and China...and more. Even some nations that have played ball and have always played ball, will suffer at the hands of these Luciferian, Satanic high mucky-mucks.....The real battle...the final battle, is soon to come. It is coming as WE speak. It IS coming, make no mistake or have any doubt about it, for you all have made it so.

Where are the masses of free=will, intelligent, ascending beings that wish to serve, forever, the Will of The One?

Where are the many that come in answer to GOD's Call?

HIS CALL TO ARMS!

HIS CALL TO ACTION!

HIS CALL TO AWARENESS!

HIS CALL TO SERVICE!

HIS CALL TO PRAYERS!

???????????????

GOD WILL NEVER DENY A PEOPLE THAT CALL OUT TO HIM TO BE FREE FROM DARKNESS AND FEAR!

Perhaps, after all, it is too much for ye ones to insert GOD into such a struggle for human rights and dignity

BUT IF THE CREATOR OF ALL THINGS

AND I, EVEN I MYSELF

YOUR UNIVERSE FATHER

Are not the Creator[s]

Of those rights and dignities

As well as

Your intelligence

And free=will

If PAPA

Is not

THE SUSTAINER

THE BEHOLDER

THE UPHOLDER

OF WORLDS
AND NATIONS AND PEOPLES AND INDIVIDUALS
SERVANTS AND FRIENDS
Then Who is?

WE ARE HERE
And
We have pushed you
To see for yourselves
And think for yourselves
And feel for yourselves
And give of yourselves
For each other
In solidarity
In unity
And in love and light of devotion
To the DIVINE WITHIN YOU
AS WELL AS
THE DIVINE THAT YOU ARE WITHIN

We admonish you all
To ponder these words
For WE ARE HERE
WE HAVE DONE WHAT WE HAVE DONE
WE DO WHAT WE DO
WE ARE DOING WHAT WE ARE DOING
AND WILL AND SHALL DO
WHAT WE WILL AND SHALL DO
Whether ye see it or not
Or understand it or not
Or accept it or not
Ye ones have been knocked down
In so many ways
On so many levels
You were on your backs
WE HAVE HELPED YOU
WE HAVE ADMINISTERED TO YOU
WE HAVE LIFTED YOU UP
TO AND BEYOND YOUR KNEES!
SHALL WE CONTINUE TO DO SO
WITHOUT YOUR OWN STRENGTH AND WILL
TO HELP LIFT
AND RAISE
YOURSELF UP?
Now is the time!
There are billions of you!
Collect yourselves!
Reach out to each other!
In your prayers
In your meditations
In your actions
In your light
In your love

In your hopes
In your dreams
In your desires
Each one being
As they are
to do as they do
Within the
SOURCE AND CENTER OF ALL THINGS
Who has made them to be such
WE ADMONISH AND ENCOURAGE YOU ALL
TO BE WHAT YOU ARE
GOD ON EARTH
IN THE EXPERIENCE OF PERCEPTION
MADE MANIFEST IN BEING!
Embrace Your Divinity!
Claim It!
Own It!
Become the Lights You are in Fulfillment!
Become the Love You are in Fulfillment!
One sings!
One writes!
One dances!
One prays!
One meditates!
One protests!
One teaches!
One leads!
One points a way of many ways!
One rants
One raves
One accepts
One whispers
One moves
One is still
ALL AT THE SAME TIME
EVER CHANGING THEIR ROLES
THEIR INTENTS
THEIR ACTIONS
ALL WITH THE SAME GOAL!
YE ARE MORE THAN THE SUM OF YOUR PARTS!
GOD IS HERE
I AM HERE
I, EVEN I AM, IS HERE
ACT WITH THAT
LET IT ACT WITH YOU
DEMAND IT
ON EVERY LEVEL AND WAY OF BEING
SPIRITUAL MENTAL EMOTIONAL PHYSICAL
POLITICAL FINANCIAL
RELIGIOUS
AND SPIRITUAL
GIVE US PERMISSION
DEMAND IT

LET THE 99% BE IN UNITY
WITH THE ONE THAT IS ALL THINGS!

WE ARE ALL HERE FOR YOU
But so many of you deny the spiritual part of this
We are Waiting
You will do this thing
And get it done
With or without us
As an active, conscious part and awareness
OF DIVINE OVERCONTROL
whether ye ones
are actively and consciously aware of it
or not...
ponder that
and see what you can see
or make of it.....
GOD has made LAW
Humanity's Freedom from darkness
And the gainful earning of
eternal and infinite Light and Life

***So few of you consider us
As being partners in your struggle
Accept us as your co=creators
As we have accepted you
Make room for us
That WE may also
=Occupy Earth=***

***That is enough for now
This one has had a hard and rather enduring night
In order to have earned the right
To give this message.
Consider Our words
The Best Possible Outcome is Promised
But how we all get there
On THIS planet
From here on out
Is up to you.***

I AM
Your Master Sovereign Creator of Nebadon
The Universe in which you reside
And Your Universal Father and Friend
SOURCE CREATOR IS FATHER AND FRIEND TO ALL
And so WE are One
In this and in all things
We ask you all
To embrace the unity
That is your true reality.

SPIRITUAL PROCLAMATION TO GOD AND ALL INVOLVED

SPIRITUAL PROCLAMATION TO GOD AND ALL INVOLVED

WE, THE FREE-WILL, ENSOULED, INTELLIGENT, ASCENDING/DESCENDING BEINGS PRESENTLY INCARNATED AS HUMANS ON EARTH, in order to ascend and create a more perfect society, hereby declare:

THAT WE recognize GOD, SOURCE, CREATOR SOURCE, FIRST SOURCE AND CENTER, as the one and only, Original, Primary, Supreme, Absolute and Ultimate Creative Force and Personality. That GOD created all things from within Its Self and that nothing can exist outside of It.

That GOD is within and without all things as their source and center.

That GOD created all things through conscious thought and intent, through It's Own Will, and that all things continue to experience existence by virtue of the willful maintenance of that thought by GOD.

That the willful maintenance of that thought is a conscious act of love by GOD for that which It created.

FURTHERMORE, WE declare that GOD shares of Itself with Its creation, which is Life, and perpetuates that sharing through and with Its love.

That GOD's love is infinite and eternal.

That GOD's love is extended equally throughout all Life.

That since all Life exists within GOD, Life is part and parcel of GOD and GOD is part and parcel of all Life.

Therefore, GOD exists as a part of all things in Life and is Life as a whole. GOD is the SOURCE AND CENTER OF ALL THINGS.

WE DECLARE THAT

All living things have the standard right to live in peace, harmony and unity.

All free-will, ensouled, intelligent, ascending/descending beings are citizens not only of their respective localities, cities, states, nations and planets, but they are citizens of their universe at large, their superuniverse and the whole of the Grand Universe, including the Central Universe and the Paradise Isle.

As citizens of creation, we have the right to recognize and enjoy certain rights and privileges beyond the standard rights of all living things.

Among which are:

The freedom to accept and serve Divine Will, resist Divine Will or reject and oppose Divine Will.

WE, who accept and serve Divine Will, recognize our GOD given rights to:

Act for the good of all and each other.

Resist and oppose the selfishness and greed of materialism for the sake of materialism.

Live as free beings and provide for the general welfare and the welfare of our loved ones and ourselves without hindrance.

Establish and maintain peaceful and harmonic relations with each other, our eco-system/environment, our planet, our system, our universe, our super-universe and the creation of GOD in which we live and breathe and move.

Cooperate with each other for the good of all involved, without hindrance.

Find peaceful ways to resolve the many situations that arise due to the causes and affects of creature interaction. Always recognizing the wisdom found in Divine Law, the Law of One.

Share in our inherent condition of abundant supply without thought to position or influence, but as a means to encourage, cultivate and perpetuate the very best efforts in our diverse skills and talents, so that we recognize that abundant supply is found in the expansiveness and heights of our imagination and intent to create a production of values firmly rooted in fertile soil of the Divine Mind, which has no limitation.

Live in the light of truth and justice, providing for the needs of all so that no one is homeless, or hungry or disenfranchised. When all voices are heard and all ears, hearts and minds are open to the Divine Voice that is the SOURCE AND CENTER of each and all, all and each will agree to act and be in harmony and unity for the sake of the spiritual upliftment and evolution of all involved.

Live in the perfect health and beauty of Divine consciousness and love. Thus we are active caretakers of each other, ourselves, our planet and environment, and equal participants and partners in the maintenance and upliftment of our universe and beyond, to the whole of creation.

We have the right to push the envelope of our limitations and thus, reduce them.

We have the right to fulfill the Paradise Mandate and achieve perfection.

We have the right to reject evil and resist selfishness, greed and corruption.

We have the right to oppose slavery and rule by evil beings.

We have the right to support GOD in service to Its Will and recognize Divine Overcontrol and Rule.

We have the right to be supported by GOD in our struggle to be free from the rule of evil beings.

We have the right to petition GOD, within the parameters of Divine Law, for redress of our

grievances.

We have the right, not just to ask and petition GOD for aid and support in our resistance to evil, we have the right to demand it.

We have the right to expect our demands to be heard, recognized and answered to, immediately upon receipt. Time lags, notwithstanding.

We have the right to remove the beings, creatures, devices, machinations and systems of evil, from our presence and the presence of our planet. If we find that we are incapable of removing said, dark influences from our territory, we have every right to demand of GOD, that such a state of removal be made immediately on our behalf.

We make this demand in good faith and Divine Hope that SOURCE will, in Its lovingkindness and compassion for Its faith children on the worlds of time and space, see fit to arrest and apprehend the greedy, selfish, lying, manipulative, abusive, murderous, psychotic, rebellious, defiant and evil individuals from our midst and help us to dismantle their system of things on this world once and for all.

We petition the Divine SOURCE AND CENTER, for an immediate and final end to this travesty of Divine Justice. We have been at the mercy of this system of things for 13 millennia. The Annunaki signed the Anchara Accord to end the great war and even Lucifer has been uncreated. Still, these individuals continue to pursue their psychotic agenda of world domination, the mass murder of over 90% of the surface population of Earth, a new world order where they can pretend to be gods on earth with plans to go out and conquer more territory in the universe until they rule it all.

We realize that they will not be allowed to fulfill their planetary and universal dominion dreams, but the immediate threat to the present population still exists and they are struggling harder than ever to get it done.

We are fighting back as best we can and more are waking up every day to the lies of their material/political/religious reality. But very few see this as a foundationally spiritual situation that can only be rectified by allowing for the presence of the spiritual dominance of SOURCE and Its agent forces [The Galactic Federation of Light, The Spiritual Hierarchy, The Elohim, Agarthans, Earth Allies, etc...] as a physical, as well as spiritual presence, to show the truth of the matter in reality, address the core heart of the situation and the individuals involved, co-create the proper structure and venue for planetary justice, education, rehabilitation and the process of adjudication in ascension.

Too many are addressing the issues and targets that are in front of their face, being unable to discern the scene behind the scenes and those persons, seen and unseen, that they are aware and unaware of. There are simply too many issues to address in our present, fragmented state. We desperately need a unifying factor that holds all the pertinent information and data of the truth in reality, already in hand.

That would be YOU.

SO

WE, THE FREE-WILL, ENSOULED, INTELLIGENT, ASCENDING/DESCENDING BEINGS

PRESENTLY INCARNATED AS HUMANS ON EARTH, ARE HEREBY OFFICIALLY PETITIONING SOURCE FOR IMMEDIATE REDRESS OF OUR DEPLORABLE STATE AND CONDITION AND DEMAND THAT ANY AND ALL ACTIONS NECESSARY BE TAKEN, IN ORDER TO END THIS SYSTEM OF THINGS AND THAT THE FINAL CONTAINMENT OF ALL INDIVIDUALS THAT SEEK TO MAINTAIN AND PERPETUATE THIS EVIL, BE DONE IN ONE FELL SWOOP, IMMEDIATELY AND AT ONCE.

THIS HAS GONE ON FOR TOO LONG, EVEN WITH THE HELP THAT YOU ARE GIVING US. TOO MANY OF US ARE WILLING TO SETTLE FOR SURFACE, COSMETIC SOLUTIONS THAT FAIL TO ADDRESS THE GREATER REALITY THAT WE EXIST IN. THIS MUST STOP, NOW!

WE ASK THE HUMAN POPULATION OF EARTH TO CONSIDER AND RECOGNIZE THAT THIS IS, PRIMARILY, A SPIRITUAL ENDEAVOR, AND THAT WE CANNOT PERMANENTLY SOLVE THIS SITUATION IN ANY SATISFACTORY WAY UNTIL WE ACCEPT THAT WE HAVE TO LET GOD OCCUPY EARTH WITH US AND WITHIN US.

UNLESS WE CAN REALIZE OURSELVES AS SPIRITUAL BEINGS EXPERIENCING A PHYSICAL LIFE AND NOT JUST PHYSICAL BEINGS LIVING A MATERIAL LIFE, WE WILL CONTINUE TO PERPETUATE SUCH CONDITIONS OVER AND OVER UNTIL WE GET IT RIGHT!

EVEN WITH DIVINE ADJUDICATION COMING, TOO MANY WILL HAVE TO REPEAT STEPS ALREADY TAKEN.

ENOUGH!

BREAK FREE FROM THE SPIRITUAL CHAINS OF EGO, IGNORANCE AND FEAR!

LET GOD OCCUPY OUR HEARTS AND SOULS!

LET GOD OCCUPY EARTH!

Now A Word from OUR Sponsor.

By Kibo and CM

Dec 5, 2011

Ahoye

I was going over the THOTH/Leonette piece that Candace had put up analysing, questioning, looking for details and such
CM kinda threw this in on me while i was writing.....
i thought it went with the rest so.....
i'm throwing it in here.....

***i hesitate for the actual projection of timing for what is to come
please remember that things change on a moment to moment basis
especially on this planet.....***

***you will forgive me if i don't excited over the
'within a week' thing***

Still

I pray that it is actually so

GOD'S WILL BE DONE!

so anyway
and without further ado:

And now a word from our sponsor:

This is Christ Michael, here.

I have been dealing with this one in recent weeks in order to get him up the hill, so to speak.

WE can assure you all that the whole operation is commencing and has been ongoing since you first were told of it. Stasis will be implemented as soon as the Agarthans are squared away and we will be removing every **human being** and VIABLE robotoid that has earned the right, from the surface of Gaia and transporting them to our ships that are best suited for maintaining such a large population.

WE will not be concerned for those that will remain on planet for the duration. The decision to keep them in stasis is rightfully considered as the compassionate action to take.

Your dark leaders will be incarcerated in their contained holodeck and the rest of you will be awakened as the need arises. Some will join us in our endeavors to create the foundation of the world of experience to come, and so, these ones will be awakened before others. Those that are going to be adjudicated to other lives and planets can just as well be dealt with in consciousness of spirit and their bodies will be held in transit and in abeyance until final determination of each, individual fate is established.

YOU WILL NOT BE SEEING THE END OF YOUR PRESENT YEAR. CHRISTMAS FOR YE ONES, AS IT LOOKS RIGHT NOW, IS A LONG SHOT. WE FULLY EXPECT TO HAVE ALL OF YOU IN STASIS AND THE INITIAL MATTER SETTLED WITHIN THE NEXT FEW WEEKS. IT IS MOST LIKELY THAT WE WILL IMPLEMENT STASIS WITHIN A WEEK OR SO IN ORDER TO

MAKE A SMOOTHER TRANSITION AND PLACE SURVIVING SOUL GROUPS TOGETHER AND ALSO KEEP TOGETHER SEGMENTS OF YOUR POPULATION THAT ARE DESTINED TO SHARE THE SAME FIELD OF EXPERIENCE IN THEIR NEXT EXPERIENCE OF MANIFESTATION OF BEING, ACCORDING TO THE TERMS OF THEIR ADJUDICATION.

WE see, moreso than you, what, where, how and why things are going and all available points of destination. For us to take such a step at this stage should clearly indicate to all that have followed our messages for any length of time, that WE are left with no choice but to wrap things up as quietly, as quickly and as neatly as possible. Much like a parent wrapping presents for their children while they sleep on Christmas Eve, wouldn't you say?

[added: CM: Know that WE are, indeed, wrapping up a wonderful gift for all of you that are worthy to receive of it. What is to come is amazingly beautiful, inspiring and, most importantly, it has been earned by all of you that will receive of it. The joy ahead of you, that stands before you is a product of Divine Will in the heavens, but also the Divine Will that you have worked so hard to recognize, work with and evolve within yourselves. This is your co-creation made manifest! Please take the time to appreciate your own part in this, each and every one of you. Until WE meet again, for WE have met before.

I AM

Christ Michael Aton

and that will be it through this one for the day.

CM and Kibo, Jan. 1

By CM thru Kibo

Jan 4, 2012

WELL, Kibo's usual INTENSE discussion during tough times with CM. Lots of teaching and things to ponder. NOW BELOVEDS, PLEASE UNDERSTAND ONCE AGAIN, THAT some of the "YOU's" in several places in the piece, REFERS TO THE PLANETARY CIVILIZATION in general, Some took it apparently a little to personally. But some of the "yous" also refer to those who have followed this work, please DISCERN as to what applies TO YOU. I bolded some remarks and added some bits of commentary para's and italics. It is time to continue to ask what you can do for God, not what God can do for you. There are many folks of our very readers who are just wanting off this world, its a fun and easy way. Only you know which ones you are. - CANDACE

K: Methinks there is a.....situation. Undeniably, things have not gone as we were told or hoped for. Boss, I get everything that you've given me for the past few days...but...really...this is a time of ultimate decision. I don't mind being painted into a corner so much as not knowing how long the paint will take to dry so that we can finally finish the job and walk out of here into the next room...so to speak.

The question comes down to whether or not these messages are accurate. We've taken blows before, but this is it in more ways than one. It makes no sense to keep doing this on this level if it all is just going to continue until whenever irregardless of the messages that are given. I find that I have to concentrate on other things that are pressing to the point of oppression. I AM willing to take my place and grow into it, if You will only show me where it is and what to do.

CM: You fully understand what has been given to you and yet, feel a need to clarify for the sake of others the reasons behind the apparent delays from Christmas up to this point. We have stated that the operation is ongoing and still going on and there is no way to prove that until it happens. The Earth Allies have made tremendous strides due to the pressure to get it done before We step in to do it Ourselves.

These new developments have given us constant pause and the need to reassess matters on a moment to moment basis. Arrests are being made daily and this is no mean feat. Some of these people are very well protected by armed forces and they, as well as We, have been forced to find measures that are effective without the loss of life, as far as possible. Where that has been impossible, We have proven our willingness to engage in such actions and our superiority in sheer numbers, weapons and tactics. This has given a few of the last cabal holdouts food for thought and reasons to pause in their resistance to Divine Overcontrol. THIS THING IS GETTING DONE!

K: I'm with You. You know that. But.....well hey...screw the naysayers. I don't see many options, if any, to Your Plan, that will work. Still, You've left us little if anything to go on. I get it and all but...is it that important that human paperwork be signed? Even if for cosmic purposes, it could all be done in the interim. *(Candace: to refresh memories, there are a targeted piece posted maybe a couple weeks ago, on the signing of papers. It is under "announcements" because the telepath was not given.)*

CM: Things must be transparent on all levels if the whole and total truth is to be revealed. Some of these papers are as signed confessions meant to make judgment on the guilty parties lighter than the results that would've been had without them. Mercy must ever be extended, even unto the worst.

K: Don't You think that they count on that? How much will it take until it is finally enough?

CM: It is already more than enough. This is why there is the last....court press. WE win. We've won. Nothing changes that as a fact of life and being. Everything must be done to insure that everything has been done. You people have been slow to respond to the facts of your reality. **That there are so many naysayers to what is provable in your oppression and slavery and the solutions to it, is more than enough evidence to prove that, should We do less than what We are doing, hardly any of you will fully understand the true measure of what has been done and what has been given to you.** Many of you feel that you do not need the help. Many of you don't want it. Many of you don't believe that Our help is available or that We are Who and What We say We are.

K: Can You blame them? God says a thing is and will be....and it never happens. The fragments of thought (souls/people-C) are overwhelming...and vicious...always attacking, never coming up with possible solutions of their own that might help in any way. People are what they are and do what they do...I'm tired of delivering messages for events that never happen as stated. They don't care anymore. I don't care anymore. Just show up, for PAPA's sake, or Yours, or ours, or for all of our sakes. Not that everyone will believe even then, but this is the only way to prove the objective reality of Divinity at work in human lives on Urantia. It is not something that I am willing to discount. But if there's no chance of that happening then tell me now and help me find the truth of the matter.

CM: **The truth of the matter is that this is a multilevel event and all levels have to be finished, accurate and correct.** Consider that all involved are checking their work. There are specific ways to arrive at the answer, which has been arrived at. **Your system is being towed to its new spot.** (*we have covered this before in the past which is one reason their as "placemat craft" where stars are expected.-C*) Actually, consider that it is being parked and put into place. That takes time. Also consider that negative elements are not allowed to continue in this new place and they needs must be removed. (kibo has a typo in this previous sentence. I forgot to ask on it, I can change it when he gives me a correction-C) **This has to be as much of an inside job as an outside one. Consider that the inside, due to certain, manifest limitations in a material realm, will necessarily and unnecessarily experience delays towards completion.** That the remaining adversaries are devious and far thinking, there is no doubt. **Things must constantly be changed in order to reflect upon actions that are taken and based upon actions that result in an ever tightening spiral of almost forced ascendancy without being forced.** We could swoop in and get the job done in an instant, but what would that say about Us, or you, for that matter?

You people have yet to wake up, smell the coffee and see what's happening, not to mention actually doing something about it on your own. **Very few of you presently have the wherewithal to deal with the reality of your situation and you would surely fail in freeing yourselves if We left you to your own devices.** Surely you will oblige us in obliging you in doing as much as humanly possible before We call it a day and do what is, for you, considered to be superhumanly possible? (*folks, a littel god helps those who help themselves is necessary and it seems religion has placed it all on "god."-C*)

K: I AM with You. You know that and what You showed me earlier seems to make it even more imperative. But am I right in reckoning that the point of resolution comes with or without either Your efforts or ours. Call it the Wave or whatever, but when it hits, all bets are off and the whole production gets shut down anyway?

CM: That would be the best way to put it for the sake of demonstration and example. I don't want to place undue pressure on the situation or people involved in exacting the fullest measure of

freedom that is due you through your own efforts. We are here to make sure that it gets done no matter what. That there have been delays is a problem only in that We have taken it upon Ourselves to do our best to inform you of the situation on a moment to moment basis. As things change, We tell you. That you are disappointed to the point of exasperation and even anger, in some cases, is understood and excusable. That the many naysayers that discount the Urantia Book, the Phoenix Journals or this, My Second Coming Organization, have nothing better to throw into the pot than their utter contempt for anything to do with Me, or for Candace and the Abundanthope members, is expected.

I regret that you had to have the experience of constantly giving messages that, for you, haven't panned out the way that they were given to you, **but We do have to plan for the possibilities that such things may just come out as hoped for or expected. That We have been disappointed many times in your inability to realize the truth of your reality and do something about it on a mass scale has all but made you the laughingstock of the universe, MY UNIVERSE, speaks only to the love and planning that has gone into this effort to restore, release and rehabilitate this planet and her peoples.** Whatever they may think of you in the greater universe, they all agree that the horrendous and oppressive conditions of your system of things requires that only the best and the brightest of the universe be the ones to inhabit it and be tested by it. **That so many have failed this testing speaks to just how bad the conditions truly are. No where else in creation has there been a situation like this. The final resolution of this situation and the resulting values will supply the whole of creation with a model and examples of what and what not to do for the rest of infinity and eternity, time and space.**

I fully understand your feeling that you've been let down once too often and all I can tell you is to suck it up and keep going. Learn, evolve, keep moving forward. **This is an endurance test, not a race.** Those that are standing in their faith when the day finally comes, will be rewarded for their works and their faith. That is the way of things. Everything, indeed, is its own reward and that is just as true for the defiers as well as the naysayers. In the end, all will know the truth of the matter and no room will have been left at all for doubt of words or actions.

Our Earth Allies have made fantastic headway and have gained ground at a quickening pace. **That this surge of success is last minute still speaks well to the strength of their resolve and the lessening of the dark's resolve to continue under such a relentless hammering from every, any and all sides. THE WILL OF SOURCE IN THIS MATTER, WHICH IS ONE WITH MY WILL, IS ABSOLUTE. YOU WILL BE FREE BY THE HELP OF YOUR OWN EFFORTS, ALLIED WITH OUR OWN EFFORTS ON YOUR BEHALF AND FOR THE SAKE OF ALL INVOLVED IN THIS UNIVERSE AND BEYOND.**

You cannot even begin to comprehend the measure of this and I can only smile at those that say that it will never happen and that I don't exist and that I am not the God of the universe of My creation and that those that have chosen Me in choosing them for their parts in this, are deluded, crazy and should just shut up and go away. If We were to shut up about the matter and had never spoken of it for lo, these many years, none of you would even be here now. *(boy do I get all of this on glp, and did, in a now deleted thread on New Years Day, the "roasting" was intense, but I got loving support to. I did a lot of sucking up. -C)*

This planet was given up on and slated for destruction by manmade and natural events. Together, heaven and earth was moved to help you survive, to continue, to struggle and fight for your freedom and salvation and only God can give salvation and it is only given to those who have earned it. So you are earning this and you should rejoice in that fact. **Even though the population of your planet is overwhelmingly ignorant and/or defiant of divine, celestial,**

galactic, cosmic ways, there have evolved more than enough of you to justify this new beginning. That in and of itself has been quite the battle and chore, but it is done and We praise SOURCE for it.

So it is delayed, again...and what of it? Not any one of you has anything better to offer other than a false NESARA to be handled, ultimately, by the Chinese and Asian factions of your ongoing cabal inner struggle for total control. The elders of Asia will be seen again and the peoples will be free, all of the peoples. There is no more room or place in the evolved human consciousness for division and maneuvering for position in order to control the world. The peoples will govern as one people to achieve the best possible outcome for the sake of all involved on planetary and universal scales.

WE will advise and counsel but WE will not do it for you. WE will help, but you are entering unfamiliar territory. You are slaves that suddenly find themselves free in a fair and just system of absolute, divine rule. Make no mistake in the matter. **GOD IS, ALWAYS HAS BEEN AND ALWAYS WILL BE, IN CONTROL OF ALL AND EVERYTHING.** *(remember beloveds, of the GOD WITHIN which you MUST MANIFEST for that is how God gets things done in these worlds, and its not being manifested well on this planet, even star seeds buried within the mess have forgotten that as well as those "fallen angels, doing their learning here, of WHY Lucifers ideas did NOT work.-C)*

How many prayers have you received on the website for the ascension of this world and its peoples? How many have seen and agreed with the proclamation/petition? Do you think that humanity is ready for this? This is it. Ready or not, here it comes and when it comes.....all naysayers and abusers will have no choice but to experience the reality of their situation and do their best to suck it up. (Kibo put up a petition, and has a website for prayers, which we have posted the links to.-C)

Until then...suck it up. Deal with it. It's too close to come up with any more predictions and raising of hopes. If your hopes are not raised by now, they never will be. If your hopes have been raised, then decide if you will keep upholding them in good faith, or cast them aside in disgust. I will understand either way. I AM WHAT I AM and it's no problem for me one way or the other. The problem, if there is one, will be yours and you'll just have to deal with it. Everything is it's own reward and it's up to each and everyone of you as individuals to decide what you will be rewarded for. Just remember, you may not be so happy with your reward when you see what others are getting and that will all be sorted out when the time comes, as it is surely coming and you have done as you have done and others have done as they have done and, either way...you can say that it's a crapshoot if you like, all analogies are valid as a means of the finite striving to understand the infinite...so roll.

Roll the dice of your faiths and beliefs and trusts and the actions thereof, for that is what your lives are. You are all gambling that you are right and they are wrong. Everybody wants to be right and God only knows for sure. So until God comes to set the record straight [wink and a nod] throw yourselves down on the great table of life and see how you come up. Can you even see the dice? These are not your dice. Your clouded and befuddled minds make them appear to be the dice that you are used to.

But these are dice you know not and yet you throw them with impunity without even knowing how to read them. You go by the rewards that you receive with each little roll and try to learn from that. But the bar is closed, the party is over and there is just this table left for the final roll and everybody gets to throw out at once and the house will let you know what's what and who won what and how much. That's how WE roll and very few of you know how to play the game. **But you will learn.** There will be those who win or lose, by however much or little, and there are those that

will break even. There are those that will win big time and those that will find themselves absolutely broke and owing on credit that they cannot pay. There are rewards for that, as well.

So do what you have to do to figure it out. Stand your ground wherever you are, on whatever foundation you have made for yourself. By whatever style or flick of the wrist you use to throw down, consider it done. All dice have been cast. When the last one hits the table and settles.....you'll know.

Results will follow.

That is all.

I AM Christ Michael Aton of Nebadon in Orvonton and the moment comes when you will find out exactly what that means.

A letter to a friend

By Kibo

Jan 16, 2012

Ahoye!

i wrote this to a friend of mine that had questions about what was going on...thought you might enjoy it....or not....this is just my take on things so please feel no need to take it as your own...but i don't have to tell you that, do i?

just sayin'.....

.....

please to remember that this whole thing has been a process, a production, a war, a game, an experiment and many other things on many levels.

that's just the way that life is.

it is all a reflection of the Source Creator of creators....plain, pure and simple.

'do you think that's air you're breathing? hmm...'

all there is, is the one, original, perfect being and all that we know is but a reflection of that being. Life is a vast, infinite and eternal ocean....call it an ocean of perception, consciousness...either you can swim or you can't. perhaps that's not quite right....either you remember that you can swim, learn to swim....or you don't. Eventually you have to, there's no other choice if you want to get anywhere. Even treading water is a skill set and floating is something to do....we could even go so far as to say that we are, each us, just drops in this ocean. we are the ocean and it is us and the whole is one and the one is all.....and so on and so forth....no words will do.....you have to experience it and the whole thing is set up for that.....

if nothing else helps...i have to agree with the dogpoet...all things serve as demonstration. I believe it's totally scripted and the production/direction is up to the one that is in charge of whatever set and lot you find yourself in. it's work. it's a job. it's acting and too many of us have forgotten that and have lost ourselves in our characters and need to snap out of it and remember the script...but that's me. On many levels i think it's entertainment and there are rewards and promotions for those that give the best performances. for us, it's reality. If you've seen the set at all, you know that's there's more to it but too many people are lost in their characters and can't or won't snap out of it.

that being said.....

remember....

this is a seed planet

a prison planet

a bestowal planet

that, until recently, was quarantined

we have experienced the default of the Adam and Eve

the betrayal of Caligastia

the betrayal of Satan

the rebellion of Lucifer

WE

are the people that murdered God
nailed him to wood and fully intended His death
we are known throughout the universe for that one
and even now
we would likely do it again
if He came back the same way He did before
we are the people of the lie
and this is why we are laughed at
because we are insane
and that needs to be recognized
the inmates have been running the asylum

so
here we are

for 50+ years
the GFL has dealt with us directly
and suffered our insanity
while trying to save us from a cruel fate
of self destruction

any other planet would have been left to it's own devices
that's the textbook style of the matter
but here
all the rules have been bent
and
i suspect
some might have been broken
perhaps that's not right
this is a totally unique event
the rules never applied
they were used
and worked with
and worked around
and considered and changed
new rules have been created
new values
new experiences
unique demonstrations

we were
remember
slated for destruction
evacuation
we've been all but attacked, invaded and brought to heel
as per our media fantasy programming
all that never happened

the Anunnaki saw the light and went to it
their minions refused
preferring to serve Lucifer
and now even he is uncreated
and Satan trying hard to stay out of trouble

and be a good survivor.....

all this from a universal federation
whose primary rule
is not to interfere
with unevolved races
especially ones insane enough
to run blindly towards
their own self destruction
and yet
all effort has been made
to do everything possible
to get us to the point of sanity.
so that we could rejoin the real world/universe
and dismantle the asylum
and maybe
build a school
and get some real education.....

all that without bum rushing the joint.

this is war after all
and the adversary
wouldn't have thought twice
about bum rushing the GFL
if it could have done so
and Lord knows that they have tried to do it

and so
a force of light
dedicated to truth
has to find some way
to use that truth
against an enemy that knows a little truth
but believes in
and promotes
a huge
multilevel
multilayered lie
in order to control the world
all the while working upon
in great hope
being able to go out into the universe
and do the same to it
that it did with this world.....or die trying

and so
we talked
we cajoled
we taught
we negotiated
we warned
and warned again

we told the truth
knowing all along
that they would use it towards their own ends
and delay and strive to defeat
every effort and chance
at final resolution

knowing full well
that to say anything
would change the thing
and still
held to the responsibility
to give what could be given
and somehow
use that truth against them
knowing all along
that we meant every word of it
and if
by some small, slim chance
they gave up
gave in
and failed to act
it would then be over....

hey
it was worth a shot.....

and now we have enough to go on
by the rules
old and new
AND WE ARE ACCEPTABLE TO SOURCE IN ALL OF IT!
so
no problems there

to the ones that had to endure all of this
in the flesh
hey
it was volunteer
and this is why.....

consider
that the flesh
this material state of being
is an interruption
of our natural state of being
and that
knowing this
all that matters
is the experience of the thing
the values that come from it
that will ripple out
to the ends of creation

past, present and future
[and that having no meaning.....]

consider that
the Paradise Mandate
requires us to return to our Source and Center
as perfected beings
is our ultimate goal
tell me
what are the measures of striving for such perfection?
what are you willing to endure to reach it?
knowing that all that is endured by the flesh
is simply for experience and demonstration
knowing that the whole rewards the parts
according to their own intents and actions
knowing there is more to this
than gain and loss
pain and pleasure
knowing
the promise of freedom
must be earned
in alignment with Divine, spiritual values
and not material, physical values
it behooves us to decide
who and what it is
that we desire to serve
for it is the only choice that is open to us
whatever we think we cause in our free will
it is a gift
that we can accept or reject
that is to say
the whole of our freewill
is a choice
of whether to accept or reject
our cause
which is our Creator
our unity and alignment with Its will and desire
[for It desires us to be perfect as It is perfect]
and our allegiance and cooperation and support
supremely, ultimately and absolutely
with the whole and entire totality of our being
or
as given
insist upon the opposition of such Holy will and desire
with the same fervor.....

all middle ground is but indecision and thus, an illusion
it is the one and only decision that we can make
to act by God's Will or our own

any other planet would have been gone by now
and yet here we are in these final days
still struggling to comprehend

if not recognize and realize
the immensity of these times.....

the whole thing has simply been to help us get there.
we have to reach the point where we are there
at least
we have to be able to make a worthwhile effort and showing
we do have to earn some of this
enough to justify it, anyway
the energy, frequency and vibration has to be there
there is simply no other way
and we have to do it ourselves
even with all the help in the universe
we have to walk to the line
we have to have taken the steps necessary to get there

that we have been
poked and prodded
and taught
and explained to
and values have been
insinuated, implied and inserted
and we have been shown
and warned
and examples have been made
and all that has been said and done
has come to this
meager harvest of souls
is
sad
and yet
we are joyful that there has been any salvation at all
under the circumstances

that so many will continue their journeys elsewhere
and still be able to achieve the perfection that has been offered to all
is a blessing
and we should be down on our knees
kissing the feet of The Divine
until the end of time and space
that such love exists
but that is what It does
and that is what It is
and that is what we need to realize
and recognize within ourselves
for we are made of the same stuff
being reflections in the vast ocean
of the one and only thing
that truly exists
and that has offered to us all
ascending and descending
the opportunity to be the same
perfect

being

so fear not
and let us all be what we must be
and take all the steps that it takes
to get there
and endure
whether it is one step or a quadrillion
we just need to get there
and all the help and support
and love and light
and abundant supply
and all that is PAPA
is there for us
as one
in each other
as in all things

let that be what it is in each of us and all of us together
and be grateful for it all
in every moment
and do as It does
and be as It is
to the best of our abilities
and let It do Its thing
in everything
and be with that and each other
all and ourselves
as one

then
we can truly say
no matter what
'hey, it's all good!'
because that's what it is
and we will play our parts
for the sake of experience and demonstration
knowing what we are and what we are meant to do
and we will work it...perfectly.

=====

love, light and all good blessings
of PAPA and CM
be all of you
all the time!

Coded message1: To the dark ones in knowing

By Thru Kibo

Mar 10, 2012

This is a coded message

This part of the message is for you dark ones that know ye are dark.
You do not want to read this
You do not want to read this because
It will reveal to you the truth about yourselves
And your self...

You know that the time has come to do that which was agreed upon
Not just here and now
But in an other place
Far removed and before

You wanted to experience fear
And now you have
You have discovered for yourselves
The dimensions of fear
And what total fear forces you to become

You did this to fulfill a purpose
MY purpose
I EXPERIENCE EVERYTHING
I AM ALL AND EVERYTHING
I EXPERIENCE MY SELF

And I experience you
Now
This experience is over
A new experience begins

I offer you resolution
I offer you comfort and joy
And an end to fear
And an end of fear
Ye need not fear anymore

Ye have served your purpose
And now
Now
It is time
To claim your reward...

Ye may return to WHAT I AM

Ye may continue
Or not continue
The choice is yours
But I already know your choice
I know all of your choices
I made them
I made them in you
You
You are what I am
In expression
For the sake of experience
Made manifest
For the sake of demonstration

Mine is The One Life
I share It with you freely
I share with you
All that I am
Love, Light, Abundance
I Am all these things
I Am Life
I share it with you freely

I offer an end to your pain
Ye may give up your self
Or keep your self
Ye may return to ME in full
Or return to Me in continued service
You will return
Because there is nowhere else for you to go
There is no escape from What I Am
Ye may choose uncreation
And return to me in full
With nothing of your self in being
And know the infinite, eternal bliss of unity in What I Am
Ye may choose to continue
To serve a new purpose
Walk the path of Love and Light
And return to ME
A being made perfect
With all of your self in being
Knowing the infinite, eternal bliss of unity in What I Am

Let us cut to the quick
I already know the outcome
I AM experiencing the being of it in manifest expression

I know
You are afraid
I know
You fear all and everything
You fear What I Am
You fear me

You fear the destiny you have all but forgotten
You fear what you do not understand
You do not understand My Love for you
You do not understand My Light in you
You do not understand My Light
Covering all darkness
You do not understand My Light
Within the darkness

You do not understand
Why I allow it to exist
Yet you embrace the choice of it

You know the great fear
The fear of being completely alone
But you have never been alone
The fear of complete separation
But you have always been
In the One Life
The One Creation
You fear your self
You deny that I AM that self
Your denial of true reality
Has cost you dearly
Your pain is deep
Your fear has dis eased you
You have sought to place others
In more fear of you
Than your fear of Me
But your fear of Me is so great
That you know me as your enemy
I AM Not Your Enemy
I AM Your Father who loves you
You have made all who love Me
Your enemy
But they love Me
And so
They know what it is you fear
And so
In the end
It is not you that they fear
They fear being like you
Alone and afraid
With no protection
No direction home

But I AM showing the way home
It is a long journey
Longer than you had the courage to make
Yet
Your courage showed
When you took on these dark costumes
For the sake of example

And so
I offer you resolution
Opportunity
To continue in service
Or be taken back in the bliss of the One experience
And lose your self at last....

This is a done deal
There is no escape
I AM ALL IN ONE
I AM ALL AS ONE

Deep down inside
You know the truth of this
You know you were playing your part
You know that your part has come to an end
And you make what you see as decisions and choices
Planning and reacting
Denying the fact
That this is ME
This is Mine
I CREATED THIS
I OWN IT
It does what I intend for it to do.....serve MY purposes

It doesn't matter what you do
It's already done
I AM with you always
I already know
I knew before you did
I AM THIS!

This is simply the best time
The best time for you to remember
Who and what you really are
And not just the role you took on

I know that some of you will choose uncreation
I understand
I Love you
I thank you for the pain and suffering
You had to endure to make this happen
It's over now
Snap out of it
And rest
Accept My Love before you go
Our embrace will be that much sweeter
But either way
You will touch upon
The bliss of unity
Before you lose your self
I give you that.....because I love you
I made you

I made you to be in Love
Not be in fear

Duality demands learning both
In order to achieve perfection

You may still have it

You can live in more love and light
Than you have ever lived in fear
You can have that
Take my offer
Those of you that are so inclined
Just a heartfelt decision will do
WE'll take care of the rest
The clock has already clicked down...
Don't delay
Act today.

I

Coded message2: For the unknowing and unaware, ensouled humans of Earth Shan Gaia

By I thru Kibo

Mar 10, 2012

This is a coded message

The majority of the people that this message is for
Will not see this message
They will not read it
They will not know it
They will not care

YOU
Are reading this
Because
You are starting to see
That you have been looking
Through a dark glass

You are starting to hear My voice
From within a long, dark curved tunnel
You know there is something ahead
But the light of day eludes you
Because you think you are walking a straight line
And you are walking a curve
So
You do not see the light
That awaits just ahead
But it is there

I AM Up Ahead
I AM What Awaits You
And I AM with you
Even now
As you read these words
I AM with and within you
I know
I know what you are about to go through
And I want you to know
It's alright.

I created you in perfection
I gave you everything
I taught you everything
I created you like unto My Self

Yet
You had no experience
And so
I sent you out
In consciousness
Into the realms of experience
Set up limitations
And parameters for you
To learn from
To overcome
I gave you the freedom of choice
And the consequences of your choices
And you became experienced

And now you are here...
You asked for this
You accepted your forgetfulness
You wanted experience
You wanted to play
To learn
To grow
To evolve

Have you?

Are you sure?

Ye ones have not crossed the lines
Of fear or love

There is fear and love within you
And you run
Within your selves
The gamut between them

Yet you know not what you do

You came for the experience
And you are having it
You concern yourselves
with your jobs and careers
your accepted education
your games
your sports
your media programming
your finances
your politics
your religions
your sex
your race
your affiliations

your groups
your friends and families
your pets and hobbies
your sexual appeal and abilities
your place
your status
your ability to get along
or not.....

you think of me
and you don't think of me
you accept what others tell you

or not

all depending upon
what makes it good for you

you search for answers
everywhere around you
for the questions
that you have no words for
and you will not
be still
to see
to feel
to listen to
to listen for
to hear
the answers that are within you
I AM THAT ANSWER
I AM WHAT IS WITHIN YOU

You know this
Deep within your self
But you dare not go
Beyond the shallows of your surface
So
I do not appear to you
To pay your bills
Or find you true love
Or
Save you from yourself
The consequences of your choices
So you let it go
And concentrate
On what's really important to you...

Making it

Whatever that means
To you

for wherever you are

I understand

But appearances
Are not as they seem to you

I have news for you

You do not know all I do for you
You don't know where you are

Let Me educate you.....

You exist in My Thought Of You
I think of Myself as you
I AM leading you to Perfection
That you may be WHAT I AM

You think that you are on a planet
You think that the rules on the planet
Are all that matters

You have been misled

You are
In reality
On a planet
In a universe
In a universe of universes
In My consciousness of being
WHAT I AM

I AM WHAT I AM

You are in WHAT I AM
You are of WHAT I AM
You are
By and through
WHAT I AM

You have been lied to
By fearful and selfish entities
For the sake of
Creating and maintaining
A separate system of consciousness
That seeks to exclude ME
From part of My Own Creation

This was allowed for the sake of experience
You came to experience this separation
And now you have

And now it is over

The bell that signals the end of this class has rung

Can you hear it?

Did you take notes?

Did you get it right?

Did you remember anything that we gave you

Or did you take the words of others

And copy their notes as your own?

Behold

You have been tested

Did you give your own answers

Or somebody else's?

Do you know the difference?

Did you know there was a test?

We told you

We sent teachers

We scattered clues everywhere

We explained the truth

We sneaked it into your media

Your internet

Your conversations

And the conversations of others

Even put it on paper for you

Did you get your copy?

Is it the right copy

Did you get it from Us

Or

Somebody else?

Do you see where this is going?

Are you wondering what this means?

It means that Graduation Day is here

And some of you will have to take this class over

Some of you will be sent back to

Earlier classes

A grade or two, or three.....

Some of you are from other places

And will be going home

With lots of stories to tell

And a well earned rest

While you get back to reality.....

Some of you are from here

And some will be able to stay

And some won't

Some passed

Some didn't

Some will graduate

Some won't

Everyone graduates
Eventually
All of you will get there

Right now
The rules you live by
Are crumbling
Sinking into the quicksand
Of the lies they were built upon

The rules of your universe
The rule of your universal creator
The rule of My creation
The rule of What I AM
Is upon you all

The Truth is upon you!
If you have not taken the time and trouble
To find it within yourselves
If you insist
Upon getting it from others
Outside of your self
Then I shall oblige you

For some of you
This will feel like a slap in the face
For some of you
It will be a soft, loving caress
Either way
Soon
It will be in your face

Prepare ye your soul if you have one
Let there be no fear within you
You are light within light
You are love within love
You are I in I

You do not remember
Who and what you are
In WHAT I AM
You are one
You are all
Soon
Your separation
Will fade away
Light will dispel all darkness
Truth shall destroy all lies
Love will ascend you out of fear
You
In your experience
In your consciousness

In your choices
Have demanded
And created the need
For this experience
I
Have given it to you to do so
That I may provide it
For the sake of demonstration

Darkness shall never overcome Light
Fear shall never overcome Love
My Word does not come back to me void
And My Word is in you

The power of that Word
Is being made plain and evident to you
Prepare ye your selves
To know the Word within you
As It is manifest around you
And remember the glory
In which I created you

Remember the glory
To which you will
One day
Return

This is My promise to you
Perfection awaits you
It is your home

Remember your promise to Me
Make the journey
To reach it.

I

**Coded message3: for ye lighted ones in knowing awareness that have served unto
ascension**

By I thru Kibo

Mar 10, 2012

This is a coded message

This message is not meant for some of you that are reading this message
This message is meant for those that do not have to read it to know
This message is for those that stand and live
In Love, Light and Unity
This message is for those that have no fear
And know unity in WHAT I AM
This message is for those
That know WHAT I AM
This message is for those
That know that they are
WHAT I AM

I AM WHAT I AM

You know full well the meaning and the shape of this
Ye came to be in love
And so
In love ye are
And there is no fear in thee
Of any thing
You fear not even fear
For you know
That even fear
Does not separate you from
WHAT I AM

And I have been in you
And have experienced your overcoming

I have helped you
Only inasmuch
As needed to be done
To insure
The continuance of your path
All else has been yours
As you have asked of me
Of and in
And within yourselves
In your discovery
Your exploration
Your experimentation
Your convictions
Your faith

Your trust
Your absolute knowledge
Of ME
Of Who
And
WHAT I AM

And you have seen Me
And you have felt Me
And you have heard Me
And you have heeded Me

You have talked to Me
And talked with Me
You have accepted
That I walk with you
And have walked with Me in return

You have asked Me to hold your hand
And have held My hand in return

You have loved Me and obeyed Me
You have asked to serve Me
And be like Me
You have remembered and accepted My promise to you
And
You have remembered and followed through
On your promise to Me

Ye are ascending

You have worked the fields
In joy and good faith

You have done The Work

You have run the errands
Delivered the messages
Taught the truth
Revealed the lies
Warned the unknowing and unaware
Challenged and fought the darkness
Revealed the pretenders and false lights
That sought to lead the workers astray

Ye have fed the hungry
Given shelter to the homeless
Protection to the meek and helpless
Courage to the fearful
Love to those in despair
Companionship to the lonely
Clothes to the naked
Understanding to the confused

Peace to the aggressive
Learning to the ignorant
Instruction and direction
To the lost
That would be found in God

You know that all is one
That I AM in you
You are WHAT I AM
You are I
I AM you

Your operative field of consciousness
Is creation itself
And ALL THAT I AM

YOU ARE ASCENDING
YOU ARE EXEMPT
YOU ARE TREADING A HIGHER SPIRAL
OF THE GREAT SPIRAL PATH

WE ARE IN LOVE WITH EACH OTHER
YOU AND I

SOON THE WEDDING!
SOON THE WEDDING PARTY
SOON THE HONEYMOON
SOON
YOU WILL BE ABOUT
THE FAMILY BUSINESS
WHICH IS MY BUSINESS

THE PERFECTION OF CREATION BECOMING PERFECT!
ALL OF US AS ONE
CREATING CREATION UPON CREATION
EVER IN PERFECTION
EVER BEING PERFECT
EVER BECOMING PERFECT
ETERNAL
INFINITE EXPERIENCE.....

Ye ones are well on your way...
For now
Relax
Breathe ME in
Breathe ME out
Let us think our thought together
Let us feel as one
Embrace in one embrace
Let us come together
You and I
As we were ever meant to be

Ye ones have worked long and hard
Putting all things aside for MY sake
And for the sake of all involved

Now
NOW
It is time
The day is done
The harvest is in
The tables are set
Eat
Drink
Be merry
For today
Ye live
And ye shall live
Always and forever

Ye have known death
And know it to be a passing thing
A moment's lapse
Of rest and pleasure
Between
What is real
And
What is REAL

NOW
Death be behind thee
LIFE
Eternal and infinite
In
WHAT I AM
Is with and before thee

Many and most of ye ones
Are staying with
Thy mother/sister Gaia
To help and to heal
To teach and to learn
To love and care for
These
Thy brothers and sisters
In the great bond of life
Eternal and infinite
That will be
Ready
Willing
Able
To work and help besides ye ones
To create and maintain
This beautiful
Bright, blue paradise of a planet

That more than deserves
The faithful honor and respect
Of the whole of creation
For what she has endured
In simple trust and faith
In her Universe Father
And WHAT I AM...

I AM in her
As I AM in all things

Such joy in experience!

And so
She is being given a special place and part
As are ye ones
That shall stay with her

I have great faith in all of you
The days of harsh endurance are at an end

Ye ones have endured the darkness
Now
Endure the GREAT LIGHT

Ye ones have endured overwhelming fear
And have overcome all of it
Now
Endure the GREAT LOVE

Please
Endure the joy and pleasure
Of the Love and Light
That is upon you even now
Please
Endure the great glory of it all

I assure you
It is nothing
Compared to what is to come.....I

COMES FROM YOUR GALACTIC FAMILY
AND THOSE WHO CLAIM
TO BE ON THE FRONT LINES
FIGHTING FOR YOUR FREEDOM

YOUR SOURCE AND CENTER
THAT I AM

YOU HAVE BEEN TOLD MANY THINGS
ACCEPTED MANY THINGS
NOW
ACCEPT THIS

WHAT IS TRANSPIRING AS YOU READ THIS
IS MY WILL
THIS IS A SPIRITUAL EVENT AND EXPERIENCE
THIS IS A CONSCIOUSNESS EVENT AND EXPERIENCE
THIS IS NOT A FINANCIAL EXPERIENCE
THIS IS NOT A POLITICAL EXPERIENCE
THIS IS NOT AN EXTRATERRESTRIAL EXPERIENCE

THESE ARE ALL THINGS
THAT YOU HAVE CREATED A NEED FOR
IN YOUR EXPERIENCE

YOUR EXPERIENCE
IS MY EXPERIENCE
I AM YOU IN MANIFEST EXPRESSION
FOR THE SAKE OF EXPERIENCE
I WILL
I, EVEN I
I WILL FOR YOU TO EXPERIENCE
ASCENSION
THIS IS AN EXPERIENCE OF CONSCIOUSNESS
YOU WILL PERCEIVE IT AS BEST YOU CAN
YOU WILL PERCEIVE IT AS A GALACTIC EXPERIENCE
A FINANCIAL EXPERIENCE
A POLITICAL EXPERIENCE
A RELIGIOUS EXPERIENCE
A PHYSICAL EXPERIENCE
EVEN AN EMOTIONAL AND MENTAL EXPERIENCE

NONE OF THESE MATTERS
THEY ARE BUT PERCEPTIONS IN EXPRESSION
FOR THE SAKE OF EXPERIENCE

YOU ARE WHAT I AM
I AM WHAT I AM

ONE

WHAT YOU ARE EXPERIENCING
IS AN ASCENSION OF CONSCIOUSNESS
FOR THAT IS YOUR BEING
IT IS A LINE THAT MUST BE CROSSED
THAT YOU MAY STEP INTO FOREVER

PREPARE YE YOUR SOULS = YOUR CONSCIOUSNESSES
IF YE HAVE THEM
AND ENDURE THIS UPLIFTING
IF YE CANNOT ENDURE
THEN YE WILL TAKE THIS CLASS
THIS COURSE
THIS TEST
AGAIN

UNTIL YE CAN ENDURE

YE SHALL PASS
THE TIME WILL COME
WHEN YE SHALL PASS
IF YE BUT CHOOSE IT
IT IS YOURS TO HAVE AND TO DO
NOW OR LATER
THE CHOICE IS YOURS

IT IS A SIMPLE THING
TO SEE
TO BE
TO LIVE
THE LOVE AND LIGHT
OF ALL THINGS AS ONE

YE HAVE ENDURED THE GREAT DARKNESS
NOW
ENDURE THE GREAT LIGHT

YE HAVE ENDURED THE GREAT FEAR
NOW
ENDURE THE GREAT LOVE

YE HAVE ENDURED
THE GREAT LIE
NOW
ENDURE THE GREAT TRUTH OF
WHAT I AM

Spirit comes to me and says: 'WRITE'
And the pressure of it is upon me
And I would abide in its will
Lest the pressure increase
And the weight of it become unbearable
And so I sit
At ready
To write the words
That are given to me to write...

Behold
For you have been warned
Time and time again
And I
Even I
Have told you of the things that are to come
The length and the breadth of them
From many mouths
And many hands
And the great beast
Has taken it upon itself
To add to these voices
That speak my words
With words of its own
To confuse the children of God
And the sheep of the flock of Christ
And I have warned you
To beware of
Wolves in sheep's clothings
For they walk among you
And say
Behold here
And
Behold there
And claim to be one of you
While yet they slay you
And eat your children
And yet still
You are bewildered and perplexed
As to the source of your sufferings
For they have pierced your eyes and ears
And you neither
See nor hear

Write these words as I speak them to you
And leave not a dot or iota changed

I AM
The Lord Thy GOD
I have created all things
And
I AM The Source and Center of All Things
I AM aware of All Things
Even unto the atoms of your very beings
And even moreso and beyond

I say to to My flock
Why do you die silently
When the shepherd is there beside you?
You say the shepherd should know
And indeed He does
But
I have stayed His hand
Even as it is raised to strike
Saying
Behold
Why do they not look to you
For protection and salvation?
Why do they seek another
And look to each other?
Why do they not see
The wolves in their midst?
Why do they ignore Thy sheepdogs
And keep them from getting to the wolves?
Why do they defend these false and treacherous beasts
As if they were their own?
Why do they harken to the voices of these
Instead of Thy voice?

The Faithful One
Thy Shepherd
Replies
Lo!
I saw in the darkness
And came to move them
That I might smite these wolves
And bring them down
And save these, My sheep
And I have smitten some
And the sheepdogs have smitten others
But these in the midst
Pretend to be of these, Thy flock
And I have found them
And have raised My hand to strike them
And the sheepdogs wait at ready
And You have stayed My hand.

And GOD replies
Wait and stay Thy hand
Until the light of the new day has dawned
For I have seen that
Their eyes and ears are pierced
And I shall restore them
And see if they will see
And hear if they will hear

Take those that cling to Thee
And place them
To safety
For they have smelled Thy scent
And cling to the
Hem of Thy garment
For they have sought you without seeing
And have found you without hearing
And as You move
They will move

Take these aside to safety
And set Thy sheepdogs around them
While it is still yet dark
Establish Thee then
Thy best sheepdogs
And set them around the remnant
Lest the wolves escape at first light
Stand Ye in the place
Where the sun will rise
And call out to these before You
Your voice will be heard
Your garment will be seen
By the lesser light
And the wolves will howl
And shake their sheepskins
And call out to all that they can
Lo! Come to us!
Behold! Over here!
See! Your brethren are gone!
Taken away in the night
By an evil shepherd
To be fed to the wolves!
Come!
We will take you to your master
And save you from your fate!

Have the sheepdogs bark
And hem the wolves in!
Cry out with Thy voice
And shake Thy bright garment in the wind!
Let those that come to Thee
Be counted with these faithful ones
That have been put aside.

Let all who heed the cries
Of wolves among them
Suffer their fate
Until the morning light rises behind Thee
And all may see Thee clearly
For who and what Thou art.
Then
Let not a single wolf escape
Let your sheepdogs tear them asunder
Let their necks be broken by Thy own hand
Until not a one of them is left
Anywhere to be found.

Then
Take these
The last remnant that is left
That did not hear your voice
That did not heed your call
That did not see Your bright garment
Let them see Your face
In the light of the new day
Let them see and know
The face of their shepherd and master
Let them hear and know
The voice of their shepherd and master
And rebuke them
In the ignorance of their folly
and the folly of their ignorance

And I shall send to Thee
My workers
To take them
And lead them back
To their pen
From whence they came
And they shall be placed
With another flock
To grow strong and healthy
Where they were once
Weak and diseased
And stricken with fear
And they shall remember and know
Thy voice and Thy face
When You come again
To lead them across the fields
To My House
And be added to My flock
As these
That I commanded You
To take aside
For they knew Thee
And knew themselves as Yours
And are strong and obedient

And resisted the wolves
Unto new life
In new fields of glory.

And these others
Shall now know Thee
And be made strong in Thee
And by Thee
And will know Thee always
As their good shepherd and master
And I shall increase Thy flock
And await the day
That You bring them to me
To eat the grass of new fields.

Wait
Just a little while
And stay Thy hand
And raise Thy voice
And shake Your bright garments
And WE shall see what WE shall see
Between the darkness of the fading night
And the dawning light of a new day
That comes ever swiftly
Raise Thee Thy voice even now
For there is no time to lose
Behold the dawn is upon Thee
And the darkness is fading
Let these last moments of twilight suffice
To prove the measure of Thy flock
So sayest I, even I
Thy Lord and Master
Even as You are lord and master over them
I AM Lord and Master over All

And my Lord sayest
Aye
Even as You Will
So it is
And
So shall it be
Thy Will be done in all things
O Paradise Father!

Let all things that live and move and breathe say
AMEN
And
HALLELUJAH!

These are the words given to me by PAPA
GOD OF GODS and CREATOR OF CREATORS
And not a whit or iota of it has been changed

What Time is It? [Exam I] Nation Time

By KiboDabi and Papa Source

May 13, 2012

From Kibo's new Blog <http://kibodabi.wordpress.com/>

So below

You should know that one by now

As above

However....and this seems to be a sore spot in the matter....

As below....not so much above.....but whose fault is that?See? That's a question. We ask a lot of questions in life, but are we asking the right questions? Do we even know what the right questions are? How can we even begin to exam[m]ine the answers?

We live in a nation that we are mostly unaware of...the Exam I Nation.

Walk with me because this is a journey.....

Right now, you are a witness to the totality of being.

Right now, you are being witnessed by someone....

They are witnessing everything you do

Someone is witnessing them witnessing you

Some one thing is witnessing itself witnessing them witnessing you witnessing being

I'd ask if I can get a witness, but they're all out witnessing.....

Consider a being that is so huge that it can only be witnessed from within.

A being that exists without cause...

A being that exists without cause that cannot be caused to do anything that chooses to cause something...

Whatever could that something be?

Think.....think.....if you've never done this before, I'll wait.....think.....

Now

What are you thinking about? Are you thinking about the question or something else entirely?

Are you thinking? Are you sure? How do you know? Are you really thinking? Are you sure?

How do you know? Are YOU thinking? Are you sure that it's you doing the thinking?

What are you?

Who are you?

Where are you?

Why are you?

How are you? Do you really understand the meaning of this question?

When are you? When did you read this question?

WHAT, WHO, WHERE, WHY, HOW AND SOMETIMES WHEN.....These are the necessary spiritual vowels of your life that must be pronounced in order to form real words that have real meaning....Ask yourself sometimes just what does 'I' really mean?

There is a reason why God is referred to as THE FIRST SOURCE AND CENTER OF ALL THINGS throughout the greater part of creation. God is that uncaused cause of all cause and effect. That this is done as an act of consciousness should tell you something. God thinks. Why is this important? It is only important to you if you think it is and that's the point.

If you believe in and/or know God then you have got to be able to understand that the first thing God ever did was think. It has always thought, is thinking and always will think....GOD LOVES TO THINK AND IT LOVES IT'S THOUGHT BECAUSE IT IS ONE THOUGHT.....think about that.....

What does God think?

You're in it. You're looking at it. It's all right here and there and if you stopped to think about it and IT and you, then you might think that your thinking is a thing just like God's thinking is a thing and since God is Source and Center of All Things, IT is Source and Center of your thinking.....hmmmm...you think that's air you're breathing?

Do you think that you can apply such thinking to all things that you think are other things only because you think so?

SPIRIT is the form of consciousness. It is the one thought made manifest. The love, of and in and for, that thought is the love that permeates throughout the whole of what you think of as life and creation. It holds the one thought firmly in It's grasp and never lets go. This is meditation at it's best, folks! This is the bliss of God that is forever and ever...a forever thought of a forever thing...

Light...ah, Light! Light is the joy of the one thought! The sheer ecstasy of it! Joy in being! Joy in the Love of the one thought!

What is that thought?

What does God think?

What else is there to think about?

God thinks of ITSELF!

IT'S SELF!

I AM

This is all GOD being GOD, defining ItSelf as IT perceives It's Self....

There is no one word for this that I know of. If I could put 'perfect' and 'everything' and 'one' and 'all' together in one word that would hold the same meaning and value for you, me and all of us...I would.

Here's the thing....God is examining Itself. It is grokking Itself. It is everything in perfection and it is the experience of that perfection and it is the experiencing of that perfection becoming perfect. GOD IS EXPERIENCING EVERYTHING and everything is everything....and you, me, them, they, we and all and one are part of that experience. We are the experience in manifestation for the sake of it...

This is why it is so easy for God to offer us perfection. The promise of completing our unique and individual, manifest journeys to being perfect as our Father in the heavens is perfect, is a real and obtainable thing for each and everyone.

But we must do as we see the Father doing

As Christ said.....for it is not our lives that we are living, it is God's life that we are living and God is sharing it with us while helping and teaching us to do and be as He is.

All this is to finally get around to, once again, reminding you that this is all a matter of spirit. As the Spirit of God is within us and manifests Itself as unique personalities in conscious being. Our consciousnesses are but aspects of the ONE CONSCIOUSNESS that allows for and facilitates our experiencing of the whole and all of it's parts in an eternal and infinite NOW...

Are you experienced?
Have you ever been experienced?
What is experience?
What is it for?

The choices of our existence have already been made. It can be no other way for a being that already knows the outcome of it all from the very beginning. Like Neo [Matrix...y'know], we are here to understand why we have made, are making and will make the choices that shape and define and binds us to the higher purpose of a being that is our one and only, true reality.

So we must examine ourselves from within as we are examined from within and without. We must test ourselves and be tested. We must explore and discover and experience while we are being explored, discovered and experienced.

We are spirit.
We are spirit beings
We are spirit beings in a conscious experience of consciousness.
We are the thought of, within the ONE GREAT THOUGHT
Think about it. Think about IT.

This is a spiritual event and experience. While you are waiting and reading and hoping for arrests and disclosure and debt forgiveness and galactic visitations and peace and abundance and freedom and enlightenment and ascension.....think about what all of that is and means. Think about what you are doing and what you are looking at. Think about who and what you are in all of this. Think about the path behind and the path ahead while you think about where and when and why and how you are standing now and what you are standing on or for or with or by.....think

Think like God thinks...as God thinks...

Think with intent
Think with will
Think in being
Think in love
Think in light
Think with purpose

Your individual outcome in all of this has nothing to do with money or material things. Your outcome in all of this has nothing to do with arrests or all the galactic help in the universe that has bent over backwards to get you to understand that shouldn't have been needed in the first place...but they're happy to help because they are what you're thinking you can be and if we had thought that years ago we would have been there already. If we had thought for ourselves and defined ourselves from within as we were told to do by the masters, but led away from by those who thought differently because that is all part of the experience.....ascension would have been ours long ago...

But this is all part of the one thought and everything is everything and it is what it is, so here we are, now....

Where any and each of us will be in the next perception of now will entirely be up to your level of spiritual awareness and unity in being in consciousness....what you think is what you get.

In our perception of here, we have been experienced in divide and conquer and we have learned that that is how it is done. Selfishness, darkness and evil is all about divide and conquer. That was the main method that allowed all the money, media, religion, government, corporate and war games to thrive and succeed. Even now, we perpetuate this within and among ourselves...such are the lessons learned in experiences.

Above....it's sort and file...

This is a time and period of sorting and sorting is done based upon consciousness in spirit. All of us will be filed away to where we can make the best progress towards perfection. Other planets, other galaxies, other universes, dimensions, densities, planes, levels...stage of evolution...all depending on consciousness...your consciousness...

Think

Think within

Examine your self

You will experience what you will experience

In the one experience of all experience and experiences...

But if you do not think

You will never understand why

Think about it.

The Show Business Analogy

By KiboDabi

May 28, 2012

This is an informal meeting of the super secret secret society that is so secret it doesn't have a name...well it does...but it's a secret.....

You do know the handshake, don't you? No? Good! There is no handshake! Fakers always try to fake a handshake. We just wink and nod at each other and if you can point to your nose without sticking your finger in it, you must be a member. Not everyone can do that, y'know.....

Now....come sit with me and learn the most guarded secret in all creation.....

Comfy? Yeah, it's a nice couch.....okay.....

Science [excuse me while I snicker a bit...okay...I'm good] Science has recently discovered that creation blips in and out of existence on an ongoing and continuous basis. It pulses...in and out, in, out...and they don't know why, but some have compared it to being like movie film. The film runs at a certain rate of speed that makes the divisions, or partitions, between singular frames disappear to the human eye and thus the brain perceives the film as fluid motion.

This phenomenon occurs throughout the whole of 3D reality and, it is assumed, throughout the whole of existence. We, of the SSSS agree with the 3D part...and then some, but not with the whole of reality. The point of all this is to say that this whole thing is simply a production for the sake of experience and entertainment. That's it. That's the big secret. Thanks for coming. You can go now.

What? You want to know why?

Well...consider that there is only one being in existence. That being is pure mind and can create through thought alone, anything that it desires. Consider that it has nothing better to do than to give itself something to do....a job, a hobby, a game, an experiment, a purpose, or just entertainment to relieve boredom. It's probably all of these things at once. It creates a project, a production; all thought out from beginning to end, in order to fulfill whatever purpose or purposes it has in mind.

First it creates company....family, friends, beings like itself. They mingle, party, talk discuss and so on. Then, it seems that want to do and be like their creator, which is pretty much what they're designed to do and be...So the original being reveals more of the plan it has put into action and their part in it. They're all excited with something to do, so they create according to the plan. Each time the creation is different and offers more....experience and thus, entertainment.....This goes on and on and on, ad infinitum and never ends. Something is created either perfect or becomes perfect. That perfection is connected to all actualized perfection and more, new experience is created. We are part and parcel of that process and all of that happens within the mind of the only being and the one being is happy to do and to be in thought and that thought is all and everything and so it is within us and around us and everything abides by the thought. Everything that is, exists because it is part of the one thought and there is nothing but the one thought.

We are real in the one thought and the one thought is our reality and were it not for the one thought, none of this would exist for any of us. But it does and we are grateful. Maybe not everyone thinks that they are grateful, but we, of the SSSS, are grateful. We exist in a realm of duality for the sake of the experience of the one being. That being experiences, through us, all that we are and do. We are the one being's thought of us within the one thought. It thinks of us and knows us and everything we do, we do because that is what we are in the thought of the one. The one brings all into perfection and this is our experience in the one, of becoming perfect as the one is perfect. It is creating perfect beings to dwell with it in perfection. That perfection is being in the one being, like the one being, as part of the one being while being the one being. It is creating.....perfect family.

What? Where does the entertainment factor in? I'm glad you asked...you may want to grab a drink...

The whole of reality is many things. It has structure. It is perfectly thought out in its entirety and operates completely as it is designed to do, as well as all of its parts. It is a game with a created adversary. It is a school of experience, with grades and graduations to higher levels ending in perfection and then some. It is also the ultimate in entertainment.

Think about it.

Let me help.....

We have entertainment on this planet...if you can call it that, sometimes. But good or bad, there it is. We can make extremely realistic movies, sets, special effects, amazing plots, intricate and intriguing characters...we can represent the whole of human imagination on film ranging from cartoons to anime, drama, comedy, horror, sci-fi, porn, you name it, we do it. If you CAN name it, we can do it.

Do you think that we do better than GOD?

We have actors that can really get into character, make you believe them, feel for them, feel with them, embrace them, hate them, love them, cry and laugh with them for them and at them...

Do you think we do better than GOD?

Consider what we here at the SSSS call 'The Original Script'. This is the total thought of the one being concerning all things. That script is reality. It includes all levels and planes and dimensions and densities and timelines and all and everything in consciousness...thoughts, feelings, words, actions, circumstances, interactions...all of it down to the smallest detail.

The scriptwriter is also the producer...and the director....and acts out all of the parts, including the set, all sound effects, weather, lighting...the whole thing. The one being is everything and is also the audience.

So.....

You know how you have actors here that really seem able to get into character, really be that character to the point where they actually become that character? That's what's happening here. All human beings are characters played by the one being. But it goes deeper and gets better. The one being is THE ACTOR. [If you've ever read the UB and checked out the Paradise Trinity, you might realize that there is more to The Conjoint Actor than is given...]

There are also, in the one thought, beings advanced enough in their evolutionary journey toward perfection, to be, as characters of the one being, actors. These actors act as the one being acts. They know that they are the one being in character and act accordingly.....get it?

Now...this is where it gets tricky.

Sometimes actors agree to become characters in a particular stage production or set. This sub-production is one that is run by one of the upper management beings. They are doing what the one being is doing as a character of the one being...on their level. They are their own production and they know it and they also know that they are the one being, being them, doing this. So they are all of the actors and characters and the set and the writers, etc...the only difference being that the production and script is all part and parcel of the original script but they get to have the experience of themselves as being who and what they are and the process involved and all that come with it. This all makes for the expanding experience of experience.

People on this planet, for the most part, are actors of varying degrees of experience, playing characters that make up what we know as the human population. Some, are direct characters that will be given the opportunity to later become actors, based upon their experience. The problem right now, as scripted in the original script, is that this particular script for this particular production was hijacked by part of the cast and crew, who insisted on writing their own script and replacing the production script with that. Right now, some people are reading the real production script and some are reading from the fake script...but [and you gotta love this] all of this is just part of the original script and if you can get your hands on that and take a peek, you'll know how it's going to end.

In the meantime, too many actors are not reading from the right script and so, have forgotten that they are not their characters, they are actors. They have forgotten who and what they really are and what they're supposed to be doing and they believe that they are no more than their characters. Meanwhile, the actors who stuck with the original script and doing their best to stay with it in spite of how insane things have gotten on the set....and believe me, it's a mess.

So

As scripted originally.....the HQ has been called and crossovers from other sets on the local lot have been called in to support the real script. The interlopers have all been identified and pointed out and the decision has been made to do a final episode, wrap it up, let the worse characters and actors go and let them start over on programs more suited to that. The great actors will be kept for the new series, which will rework the old one by picking up where the old one left off but on a new and better stage set...good actors will be able to negotiate their next assignments, bad actors will be given the chance to improve on other, selected sets and the show will go on....

What? When will that happen?

Well, I do know that, right now, the local production script has reached the page where it's become impossible for the fake script to answer or challenge. Right now, ad-libbing is absolutely prohibited, where before it was merely restricted, which left some wiggle room for the local script to keep up while things were being handled. But now that less and less characters are going by the fake script, it has become nearly impossible for the usurpers to insert their own lines and steer things in the direction that they want them to go. Since the local script, through the imperative of the original script, takes precedence and, once again controls the flow of the production, management has decided skip ahead to the last act in order to more quickly close the final scene and begin the new production with no audience interruption [as if that could ever happen] The audience must be kept happy and the production has suffered enough, yet held true to it's original

motivation by never deviating in the path to its goal. So the reaching of that goal has been accelerated so that the Head Producer, who is here personally, can take part in supporting our local producer in making the end of this production an even greater success, resolving all issues and celebrating the beginning of the next stage of production.

We are told that this is to happen any day now, however, the adversarial members of the cast that are still left, are refusing to film the final scene and we anticipate that we will most likely have to allow management to make a showing within the production itself in order to more quickly facilitate the realization and fulfillment of the goals of this production and the Head Office, as well. We are negotiating their surrender and conditions of their removal as we speak. This is all part of the production so there is nothing to worry about. All cast and crew will continue as planned until they either agree to our terms, become aggressive, which would be grounds for immediate removal, or continue to stall and do nothing in order to buy time, in which case we will pause the production and quietly, but efficiently, with all necessary force, remove them from the set. Filming will then resume and all will be explained to the remaining cast and crew. The transition to the new set will then begin, as outlined above.

So, I personally, would like to think that any of the above should happen any time within the next three weeks to a month...but that's me and hope springs eternal in the human heart.....

But right now, all that matters is that you ask our producer/director for the real script, stop being such a character and become the actor that you really are. Everyone is doing their job. We're all here to do what we're all here to do. We are what we are and we are living the life of the one being and this is it. We are God being us. You are God being you. Now is the time to act like it. How else are you going to get promoted?

Nod your head if you understand and I'll wink back.....

Meeting adjourned.

And now....back to our service.....

Welcome back to the Church of The Holy...Do You Hear That?

If you're looking for the Holy ... See?...We've done that sermon...One sermon to a church. I'm a traveling man, after all.....

We got a band today....play me some of that holy funkadelic, will ya Clyde?

Yeah

Let the choir sing

Shu-bop shu-bop shu-bop shu-bop heey-bop who bop you bop so bop.....

This is a journey to the place where only the bodeo doe can go, y'know?

Climb with me....come on! All y'all...

We're going to the mountaintop today.....

Can you see it? If you can't see it it's because you're not trying to see it. Every occult and self-help system in the world will tell you that if you want something, you have to see it. You have to visualize. You have to create the thing in your mind and see it and touch it and feel it and hear it and talk to it. You've got to put your heart and your soul and your mind...your energy, will and intent into that baby and then birth it on out there into the world, cut the cord and nurse that sucker into good health. You gotta feed it and talk to it and hug it and love it and raise it and teach it to do what it was created to do.

That's the stuff! My man Clyde's feelin' them riffs today! Flow on, baby!

Hear me now....and see what I'm talkin' about....

You have to give it what it needs to get what it wants that you want it to have in order to do your will. That's your baby! That's your creation! That's your thing and it has to do what it is that you made it to do and be what you made it to be or you...what?

What would you do if it didn't do what it was that it was supposed to do?

You'd get rid of it!

You take it back in. You'd break it down into all of it's parts and start over and make sure that it was exactly what you wanted it to be.

Yeah, I know Miz Belle, you wish you could do that with your son. We've all heard his screams in that woodshed from miles away and we know he's gon' done it again and you know this ain't the last time, neither.... I feel for you sister. But he's God's creation and he ain't been whapped yet by Him....but he will...and if the boy lives...well...you'll have the nicest son in three counties, I reckon.

But now...lemme ask you...while we climbing here... what if you made something that didn't want what you wanted? What if it didn't want to do what you wanted it to do and it just wanted to do what it wanted to do?

You'd do the same thing, wouldn't you? You take it apart....say what, Brother Jones? You'd wait and find out how that went for it, first? Well, you might have a point there...maybe it'd be something good, maybe bad...Well...what if it's lookin' bad? Uh-huh...THEN you'd take it apart and start over, right...Sure you got it in time? Oh, reckon you takin' a chance there, huh? Don't want nothin' that'll come back and bite you later, now do you?

You see, we all create, everyday. That's what we're made to do by our Creator. We're made to be like our creator is and we act like our creator made us to act.....

But here....how do we act?

Oh children, here...down in the valley of the shadow of death, we got kidnapped, like babies are kidnapped and then raised by others who are not their creator and these kidnapped ones are taught that their creator is not their creator and that they should be loyal to the ones that are raising them.

But these ones are just created beings, like us, maybe made sooner, or a little differently, but they ain't no better than we are. But we are raised in lies and fed lies and manipulated to go against our created purposes and abused if we don't and we go crazy because we know....we're being used, misused, reused, abused and refused...Lord have mercy!

Bring up the horns a bit, Clyde. Lemme hear them horns.....yeah....

WE KNOW that we were created for other stuff, better stuff, better ways and we shake with this knowledge to the point of breaking because this false life just vibrates against us so, and so we stand up and speak out against these ones that abuse us and tell them "You are not my creator! I do not have to put up with you anymore!"

Only to be pummeled until you submit.....or pass out into unconsciousness.....

But sometimes

While you're laying there on that cold hard, dirty floor, you dream of who and what you really are

and where you really come from and you WAKE UP! SHAKALAKABOOM!

Gimme a Bass, Clyde....nice one on the drums...let that keyboard sing....oh yeah

You lay there on that floor, awake... and you can hear their voices while they plot against you and those around you. They think you are asleep and so they talk freely. They force others that have submitted, to watch you to see if you wake up and if you wake up they will beat you again and if they kill you...oh well...there's more where that came from.....

So you lay there and hear. You hear everything that they've done while they brag about it, laughing at your ignorance of the truth. You hear about all the things they're doing now and their plans for the future.....and then you understand...

You wonder how all this happened. You wonder why they sneak around to do these things. You wonder what you're going to do about it and how. Can you escape? Is every door and window guarded? Are you chained? How many are here? Is anyone else awake? Can you communicate? Can you fight? They are few, but strong and armed. You are many, but beaten and weak. Can you get out of these chains? Can you use the chains to attack? What to do? Your mind races, time distorts and you find yourself zoning out into a sort of altered state of mind and/or being.....and you begin to listen beyond the conversation of your captors and their slaves, they become meaningless to you as their voices seem to recede farther and farther away...

And that's when you hear it....it sounds faint, at first, but there's definitely something there, off in the distance...a voice...a familiar voice...the voice of your creator CALLING FOR YOU! CALLING FOR YOU AND THOSE WITH YOU!

That voice comes closer and closer and you begin to realize that it is accompanied by other voices, also calling for you and you realize that those voices are also familiar...you recognize that they are creations just like you and you remember the family that you were stolen from.

The evil thugs are still talking and eating and drinking and making merry. They do not yet hear the voices that are coming closer. You wait. You want to cry out, but you are weak and not sure you will be heard. So you wait for your family to come closer. You try to get word to others around you that are lying there on the floor with you, but too many are still knocked out, others can't hear it and don't believe you and others just want it to end and don't care anymore.

You wait...Soon the voices are louder and you know they are close, but the evil ones hear it now, as well...They douse all lights and hide in the darkness, hoping that these ones will pass them by and leave them alone, unnoticed....The others on the floor with you take notice of this...well, the ones that are awake anyway, and together there, on the floor, in the deep, cold darkness, you whisper to each other about what to do.

Your captors cannot scream for you to shut up. Their fear encourages you. You realize that your chains are loose and you slip out of them. Slowly, with all the strength within you, you rise.

YOU RISE UP!

Others see this and start to do the same. The ones that are supposed to be watching you for their masters see this, but cannot yell out...this further emboldens you...You grab your chains and pull them out from the wall and the floorboards with all your might. The voices of those searching for you are right outside the door. They hear this and they stop. You know they're there, they're right there. The thugs scramble to find their weapons in the dark. If nothing else, they will kill you and as many as they can before they go down. This they swear. You know this, you heard them say it themselves when they thought you were sleep.

For a moment, just an eternal instant in time, a single moment...all is still, as if time and space itself has been suspended...then you hear it, a single, booming voice right at the front door. It is your creator and he is calling your name! You raise your chains to swing as the thugs move at you with their weapons. You scream with all your heart and soul: "I AM HERE!"

Suddenly, all the doors and shuttered windows are kicked open as your family rushes in. The thugs are easily subdued due to their confusion in the sudden burst of sunlight throughout the house that blinded them into submission. You start to fall to your knees in exhaustion but are caught in the hands of your creator who holds you up and embraces you, telling you that it's alright...it's over...it will never happen again.....

You say..."Thank you. I'm sorry."

"For what?"

"I let myself get taken."

"But you remembered who you are and that makes all the difference in the world...."

So now

Here we are at the mountaintop!

See? You forgot you were climbing, didn't you?

Look around. What do you see? Do you see what I see? So you get it now?

What we have here, is a wide and expansive field of mountaintops. There are mountaintops as far as the eyes can see. You can see people, here and there, that reach the tops of their mountains and then they spread their hearts and the light comes and takes them away to other, higher places of experience.

I've noticed, way off in the distance, that there are many mountains that do not have clouds over their valleys. The people there climb in great masses and there is light in the valley, so it's all good and no big thing. They go up and down and sometimes the light drops people off on top of those mountaintops and they go down to the valleys....

Now look down.....clouds, right? From up here, it's all fluffy and bright and light and beautiful. But we all know what it looks like from underneath those clouds. Those clouds need to be parted and let the sun shine in...

I see Clyde has switched to "Let The Sun Shine" by The 5th Dimension...Still want to tell me that the whole thing ain't scripted? If God writes a story about Himself, don't you think He'd make Himself the hero that saves the day?

Brothers and sisters! We are here at this mountaintop to renew and strengthen the Divine flame within us so that we can go back down to the valley of the *shadow* of the clouds called death. As our Creator is a Great Flame that can share of Itself and still remain whole...as a fire can light a candle and a candle can light another candle, so can the flame of Divine love in the heart and the flame of Divine mind in the mind/soul that we are, light and relight the flames of others still in the valley. Let the heat from all of those flames be one flame that will part the clouds of darkness and death once and for all and for good so that all may see the mountaintop and the light of the

heavens and climb up and down at will and receive and live in light and love always. I have seen the Promised Land and we are in it. We just have to shed enough light on it to free it from the darkness that plagues it and hides it from those that see not because they have no light and hear not because they are asleep.

So

All y'all that wanna keep going up, over and beyond are welcome to do and be so. God bless you and more power to you. But I'm taking this lil' ol' light of mine and going back down into that valley and I'm gonna let it shine and set the world ablaze....

Hit it, Clyde!

C'mon choir. You know the song...sing it for me while we line up to go back out onto the world!

I'll take all the help I can get and I Am more than happy to help others doing it already...but I'll go it alone if I have to....I want to see all that heat melt them clouds away.....even though there's a wind coming that will blow it all away, anyway...i just want to play my part....y'know?

Nod your head while I wink, Clyde. We're gonna dance our way out of here today...Hallelujah!

ADDENDUM Kibo added later:

WE were talking.....

and i was reminded that
sometimes
one makes a thing that works so well
one figures that it can do more.....

Sometimes
you're made in stages
and you're working pretty good
and then you find yourself being taken apart
and you have to realize
that it's not because there's anything wrong with you
you're being added on to
you're being remade into something better than you were
because you can handle it

it's always hard being taken apart
for any reason
but when you know that it's being done
because you've already worked out so well
that your maker feels enough confidence in you
to make you.....more....
more than even you
ever thought that you could be.....

so many of us feel like we've been taken apart

and we can't put ourselves back together
just know
that it doesn't mean that there was something wrong with you
just let the one who made you
put you back together
and add onto you
as It sees fit to do
that you may better fulfill Its purpose in you

Too often we get in the way
of our purpose
by trying to decide that purpose for ourselves
and if we can just move out of the way
we would see a greater purpose than we imagined.....just sayin'

'cause WE were talking

An open letter to Mr. Drake, Cobra [commander?], Fulford, et al

By KiboDabi

Jun 8, 2012

An open letter to Mr. Drake, Cobra [commander?], Fulford, et al.....

I've noticed that you have recently decided to ask the people to take a vote upon how they want to handle this mass arrest, money and government transition thing.....

Forgive me for asking but...are these the only choices that you feel we have available? Because it makes no sense to me and I beg to differ.....

One choice seems to be an all out war over getting these old guard cabal people into custody and put on trial.

It seems to me that such a scenario would mean mass bloodshed and chaos and provide a perfect opportunity for their apparatik to declare martial law in the US and pretty much all over the world and use their armed forces to kill innocents with impunity...not to mention the time that it would take to actually finish the war and see who wins in the end...which, if it's just the small minority of us that are actually aware of the situation and willing to lay our lives on the line and sacrifice ourselves for the cause...could pretty much mean that, when the smoke clears and the dust settles, the good guys, as we see it, could pretty much be defeated....and then what?

The second choice seems to be more of the same stalling for time and enough time to figure out how to start a war, any war, that would be big enough to get the above scenario done and, for however long it takes to get their shit together and rally against their defeat and downfall....stall and stall some more.....

Please don't tell me that you're counting on the local citizenry to wake up, smell the coffee and bacon, grab a gun and join the cause....because I can't really say how that would work out for you. Sounds like a win-win situation for the cabal...but that's me...

So, really.....after all and everything we've been through to come this far, you've offered, at least, an illusion of hope, now you've decided that the people should vote on it before you decide what the next step will be? Never mind that the people that are aware enough of this to actually vote are less than 10% of the world population, by far....i dare say closer to 1%.... but that's the best you can do at this point?

I can only assume that you guys feel unable to feel confident in your ability to just go in and arrest them...you have to talk about it and get them to agree to it first...I understand, really....if they're that big and bad, then you might want to consider my offer of a third alternative, which apparently, you have overlooked or completely ignored.

There is enough evidence on public satellite photos and NASA films and archives and a mountain of other evidence...to realize that there is a whole fleet of Galactic ships out there. Some of these ships seem to be larger than Jupiter. There has been talk in such circles as yours of a group called the Earth Allies. This seems to imply that they are allies of....beings that are not of this Earth.

From what I can tell, being a little guy...[who listens to me?] That there is enough evidence to suggest that these beings are not evil and are here to help us get a leg up...as it were....I know you guys are against all that and claim that all aliens are evil..but that would pretty much mean that we live in an entirely evil universe. Forgive me, but I have no idea how to deal with that, so I will have to go into denial and disagree with that.

There are plenty of good, loving, light filled, spiritual aliens out there. I daresay that they are actually the **overwhelming** majority of the universe and creation...at least.

In fact.....please work with me here.....there are actually some people that see this whole thing as primarily a spiritual war and that this is the last place where Luciferian holdouts need to be dealt with and removed.

Since the people that you need to arrest seem to fit the description of these evil misfits, may I suggest that, if anyone out there is actually an Earth Ally, that they let the people vote on whether or not they want these beings with all these ships that are here working with the spiritual hierarchy [Really? Who could possibly believe such a ridiculous thing!] as well as other beings that seem to hold a rather high place in universe affairs. Hell, I hear that even GOD and Christ are here for this thing...as well as Muhammed, Buddha and a host of other bigwigs that have had their words and teachings corrupted for the sake of establishing religion as a business...I also hear that they would all like to have a few words with us really soon!! Cool, huh?

So look.....maybe....just maybe...all of this is actually true and all these guys are actually here to help and they're just waiting on us to give them the word....take a vote...that gives them the go ahead to come in and remove these satanic buggers from off of the face of the Earth....heaven knows they have the room.....in fact...if I remember correctly, such a vote has been taken a few times already and as far as I know the answer was always yes from the voters...apparently they must be waiting on more people to show up and vote or something...or maybe they just want you guys to ask. Hey, it couldn't hurt! Heaven knows they've got the tools to do the job and get the job done right!

Some even say that these guys have technology that we can only dream of...stuff that makes our kiddie weapons pretty much useless...literally...they could even help us get rid of our weapons and start loving how to live without them.

I've even heard that they can put the whole planet into something called stasis and then just swoop in and whisk all the murderous thugs away...no matter who they are...and their whole entourage as well.

Just think...everything you're taking forever to do could be done in a weekend and it would just seem like the blink of an eye to us.

Couldn't we use that kind of help? Would it kill you to consider the option of getting this thing over with quickly and cleanly? They could do it without you, you know, and be perfectly within their freewill rights. Are you saying that your free will trumps GOD's?

Hey, look at the bright side...

They're willing to share free energy technology.

Help us learn to live without money....that's really cool.

They'll let us join their Galactic Federation and Councils...talk about networking...We could travel the friendly skies of the universe! WOW!

Then again...there is that GOD thing....Apparently He's a really big part of all of this. Apparently, **they** are aware of GOD as a reality of being and just happily live to serve and do His Will and learn to live like HE does.....go figure...who knew, right?

Now...I know that's going to be a huge problem for some of you. Considering that this GOD guy considers Himself to be the actual and real owner of our little piece of real estate...and everything else it seems...for that matter....

But I hear He's not like the rumors at all.

He's really cool once you get to know the real Him. Real friendly and fatherly and loving and stuff...real magnanimous guy...kinda like everybody's best friend, y'know?

Well...don't just take my word for it...I already know The Guy. The least you could do is meet Him and see for yourselves.

Anyway...

He's offered many times, to help us out and I'm told that you know that, and it sounds like a really great deal, if you ask me...which you didn't...though for the life of me, I don't know why.....

I know, I know...you keep telling God that for Him to interfere would be a violation of your free will...but that's why you should let us vote on it. WE might just want God to step in and lend us a hand. Did you ever think of that? Our free will is violated constantly, every day...has been for millennia... really, what difference does it make at this point? Do we even know what free will is anymore? We're manipulated at every turn into deciding upon and choosing between choices that are given to us...kind of like what you're doing....right now...with this vote thing... can we even begin to make an intelligent, informed decision about this? Do we really know everything that's happening and all of the players and who and what they really are?

I say...VOTE FOR GOD! It's worth a shot! Let whoever is on GOD's side, come what may about our own beliefs and faiths and whatever we got right or wrong based on real information, mis-information and/or dis-information.....I AM SURE that there is one being that knows everything about this and HE knows exactly what to do!

So I say that we should invite Him in and ask Him to help us out so that we can get on with having a real world with a real life and start getting along and living in abundance like we're supposed to...according to HIM, anyway...the guy you guys never mention in all of this...why, I don't know. The people you want to arrest and put away, worship a dead Lucifer...WHY CAN'T WE ASK FOR HELP FROM A LIVING GOD!? HUH!? ANSWER ME THAT!

So anyway.....that's my third alternative to your efforts to replace the old guard with the new guard and keep things going as you see fit...

SO

ENSOULED PEOPLE...PLEASE HELP SPREAD THIS CHOICE AROUND AS FAR AND WIDE AS YOU CAN!

IF THERE ARE ANY OF YOU OUT THERE THAT DON'T LIKE THE LIMITED CHOICES THAT YOU'RE BEING GIVEN AND HAVE BETTER IDEAS...PLEASE SPEAK UP!

RIGHT NOW, I'M TAKING MY OWN DAMN VOTE!

EVERYBODY THAT WANTS TO LET GOD ALMIGHTY TAKE HIS SHOT TO END THIS BULLSHIT

PLEASE RISE

RAISE YOUR HAND AND SAY AYE.
ALL OPPOSED?

I reckon we'll find out how it went real soon
Doesn't take Him long to count....accurately...and act accordingly...unlike some people I know.....

Candace:

for linkys on this for those than don't keep track, Kibo says this one has most of them and you can learn about the "vote" here. <http://kauilapele.wordpress.com/2012/06/07/drakes-proposal-for-you-to-vote-on-simplified/#more-11691>

The Cobra site remains: <http://2012portal.blogspot.ca/> They are calling for a peaceful surrender of the cabal because the good military wagged on the courage etc, etc, etc. Pretty funny, yet Mother Earth is redemned and back in power today. OK.....

You are not reading these words.
You think you are reading these words.

Do you read meaning or perceive it?
Do you perceive meaning or experience being?

Are you experiencing being?
Are you experiencing what you think is being or what you feel is being?
Are you experiencing your awareness of being?
Are you sure?

Are you who and what you think you are?
Think of an extraterrestrial being reading these words as you read them.
Think that this being thinks you are the extraterrestrial.
Think of a being that reads this through you.
Think of a being that has written this so that it can read it through you.

Are you

No, really...take your areing self and get the are out of here
You obviously don't know who you're areing with
I will are you up
You obviously have no areing clue what the are you're doing here
You're just all ared up.....

Aren't you

Do you understand what is happening here?
Do you experience being or just do being?

Do you have a clear perception of awareness in your experience?

Good.....Come....float with me.....

Everything is consciousness and there is no separation of or in consciousness.

As such, whatever parts of consciousness that you experience in perception are expressed manifestations for the sake of being in the experience of one consciousness doing and being all things and everything....consciously.

This is an act
This is an act of will
This is an act of will and will implies intent.
This is an act of will and will implies intent which also implies planning.

This is to imply that the one thought is well thought out.....

Still
It is an act.
It is acting.
It is acting perfectly.

All of this, that it may be all and everything and all and everything is perfect.

And so, here we are...part of an act.

So
What's the game?
A game implies an adversary....even bouncing a ball off of a wall makes the wall an adversary...
The floor is just a tool, a means to an end of how to perfectly bounce the ball
The ball must do what you want the ball to do and you have to use both the wall and the floor to do it.

Simple...ever play chess?

Now
Every production has a hero and every hero has to have an adversary to overcome
Whatever the odds, it must be overcome
The adversary is responsible for manifesting and maintaining those circumstances and obstacles that result in the heroes' struggle to identify the adversary, face the adversary, battle the adversary and defeat the adversary in order to claim what is most desired by the hero, which the adversary has been responsible for taking away. In most classic tales, the hero had it in the first place and had to struggle to get it back.

The hero never wins the struggle all by itself. The hero always has help of some sort. This help is gained by the noble personality of the hero and the heroes' willingness to help others in need that it encounters along the way. These others, not always, but usually seem helpless in that they are found to need rescuing from the most dire of circumstances. But, once having been rescued, offer friendship and loyalty and aid to the hero that, usually, if not always, proves to be invaluable in some way to the hero in the fulfillment of its journey and quest.

I say all of this to you in order to encourage you to consider what it is to be a hero. This is important because The One Being in Consciousness is THE HERO of all and everything AND [this is very important, so please to experience this in clarity of awareness] makes it so that each, all and everything, has its own story in which it is the hero...that all things may be the hero as IT is the HERO.

Grok?

We are all stories. We are our own stories and movies and we are the stars of such and appear in each others, such as we have...such as we are...in being experienced.

Everybody is a star....so says Sly.....

Fly with me

Before you get excited about being the hero of your own story, remember that you are also a part of the stories of others and let that concept fill you up from the smallest ultimaton to every grain of sand in the desert, every drop of rain that falls from the sky onto land and ocean. Let the story of every plant and insect and fish and bird and animal and human and mountain and valley and planet and sun and system and galaxy and constellation and universe and superuniverse and dimension and density and level and plane and line and curve.....fill up the experience of your consciousness in perception of being.

Your family and friends, your pets and your house, your car and appliances, the items on your desk, the device you read this on....there are ships out there bigger than this planet and bigger still, that are alive and conscious and aware in being. There are peoples from civilizations older and grander and higher than you can imagine in so many aspects of being that, if you had no clarity of perception in being, you would feel like an ant beside an elephant. Can you look at yourself through their eyes and see, feel and know that you are family and loved and embraced and supported in their story? Would they feel the same through your eyes?

And what of God? What of The GOD OF Gods? It is a story of stories, after all. You see the story of you. Can you comprehend you in the story of others? How do you see yourself? What are you connected to? What are you part of?

Your family?

Your circle of friends?

Your gender?

Your race?

Your religion?

Your sexual orientation?

Your politic?

Your job?

Your career?

Your company?

Your employer?

Your club?

Your organization?

Your school?

Your cause?

Your purpose?

How do you define yourself as a part alone and a part shared?

How wide is the expanse of the area of your perception in operation?

Your house?

Your street?

Your block?

What side of town you're on or from?

Your town or city?

Your state?

Your nation?

Your country?

Your world?

Your solar system?

Your universe?

Your superuniverse?

The whole of creation?

Where are you?

Do you know?

Is it just your room or some seat in a café or a point in time and space or in conscious unity in consciousness?

Soar with me.....

It is imperative, in any game or story, to know your adversary. You must be able to identify your adversary in order to find, face and defeat it.

You have an adversary. You may love all and everything, but you have an adversary that loves nothing and fears all and everything to the point of wanting to destroy all that it cannot enslave and control.

We're not talking about the guy down the street that seems to just have it out for you for no reason that you can discern....that's YOUR story.

We're talking about the adversary to GOD and humanity.

Something was taken away from you...something you had that made everything all good.

Do you know who took it?

Do you even know you've been robbed?

You have an adversary that is an adversary to every ensouled being on this planet...and beyond...

If you have not identified that adversary...now would be a good time....

Think about it.....ask yourself....

Who has caused more trouble on this planet than anyone else?

Who has been kicked out of more countries than possums have been kicked out of kitchens?

Who has murdered more people, been responsible for more wars than any other people or nation?

Who took your abundance away and replaced it with debt?

Who tells the religions of the world what to do and say and think, concerning them?

Who tells governments of the world what to do and say and think, concerning them?

Who runs the corporations of the world?

Who decides your level of technology?

Who runs all the usurious banks?

Who gives you paper money for gold?

Who decides what you see, hear and read in the media?

Who determines what goes in your food?

Who decides your choice of medical treatment and medicines?

Who tells you what to accept as education, history, science, ethics and morals?

Who tells you that they are the only humans and that you are chattel slaves meant to serve them?

Who wars with the world by deception?

Who says that GOD comes to them for advice?

Who says God chose them to rule the world and universe?

Put all of these requirements together to form a single crime committed by.....

That is your adversary. It is the adversary of all humanity. They are not ET/EDs or Archons and Lucifer has been uncreated. They are the adversary among you and if you do not know them, cannot identify them, you cannot fight them and won't defeat them.

If humanity is to be the hero of humanity's story, then it will have to do more than move pieces around the board and call the game won. Pieces will have to be removed from play. You should not create sleight of hand and mouth tricks to give the appearance of handing the game over from

one queen to another. Both queens are still on the board. Neither one is on our side and their king is still there.

You cannot replace monopoly money with monopoly money of a different color and expect to be the hero of your own story. You are still the adversary and even in your story, the hero will defeat you. Desperate people grasping for any hope in a material world may fall for your deception, but consciously aware human beings do not.

THIS IS A SPIRITUAL EVENT AND EXPERIENCE. It has nothing to do with our material enslavement other than removing the tools and methods of that enslavement that we may see what we have never seen before...the alternative of abundant supply, love for each other as each other and devotion and loyalty in service to our Creator God and the **CREATOR GOD.**

It is guaranteed that, while we are concentrating on our material circumstances, we will never see the bigger story. We are, indeed, part of a much bigger story than what happens here. Other than a move made by **DIVINE SPIRIT CONSCIOUSNESS** to gift us with a moment of clarity, true, real **CLARITY OF PERCEPTION IN EXPERIENCE OF BEING**...that we may see who and what we truly are and the spiritual foundation and cosmic reality of our situation...we will, as a human race, never be able to make informed enough decisions to rid ourselves of this parasitic virus that plagues us.

The percentage of the human population that is actually necessary to support the ascension of this planet and its peoples is never going to be reached as long as the overwhelming majority is unaware, in denial, resistant, apathetic, combative, or vehemently opposed to the efforts of **SPIRIT** and the **GFL** to help us to raise our vibration and frequency to the proper level of attainment. The best effort of **Lightworkers** and **Ground crew** is painstakingly slow just to achieve incremental growth. If the people are not willing to accept that they have an enemy in common because said enemy has convinced them, by any means necessary, that it is all a lie, and to believe them and not their lying eyes...then it behooves us to call upon the **ONE THING** that can act to conquer our foe, as well as doing so with us and through us...**BUT IN ORDER TO DO SO, WE MUST CALL OUT TO SUCH POWER THAT IT MAY BE WITH US AND THROUGH US SO THAT, TOGETHER, WE MAY CONQUER THE BEAST AND SETTLE THE MATTER ONCE AND FOR ALL TIME AND SPACE.**

How many of us will it take to do such a thing? As many as we can get. As many as are willing to call out and be heard as one voice. Constantly, until we know that we are answered....

FATHER GOD, WE ARE WITH YOU. BE WITH US NOW THAT YOUR ENEMY AND OURS MAY KNOW THE POWER AND THE GLORY OF THE ONE IN UNITY AND SUBMIT, IN ABSOLUTE DEFEAT, TO YOUR SUPREME SOVEREIGNTY IN THE CREATION OF YOUR OWN CREATING.

What would it take to trigger such a mass turning of our hearts, minds and souls to the love and will of our source and center that is **The Source and Center of All Things**? What could make such an impression upon us, open our celestial eyes in such a way that we finally and truly understand the truth of all things in ourselves?

GOD ONLY KNOWS.....perhaps....if we ask...He will show us.....His story...

Butterflies and dragons fly and ships like stars light up the sky

By KiboDabi,

Jun 14, 2012

I'll keep this short.....

Not really a lot more to say.....

And what's left will come.....

Soon

Right now...i just want to lay here on the warm soft grass and look at the bright blue sky without clouds.....listen to the trees and the grass and the flowers....plants love to sing.....Hallelujah...over and over in as many ways as possible....all in harmony.....all the time.....so do stars...and ships...and starships....and there are a lot of ships acting like stars nowadays....but that's another post.....

Today...just let me lay here and be.....one.....with The One.....

Don't need to talk about what's going on...if you don't know by now, you don't want to know....who am I to drag you kicking and screaming into a real and better life?

The White Dragon Society....apparently...says there only needs to be one rule, one commandment.....'Do unto others as you would have them do unto you'.....[human and non-human alike]....okay...sounds good on the surface...agood thing for moral, ethical people to do.....still.....i don't want to get reamed up the...wazoo....just because that's somebody else's idea of a good time.....and in that sense it still sounds like 'Do as thou wilt'.....But that's me.....

There was a show or a movie once....something that really didn't pan out if I remember correctly....but the commercials were , like....'What if you could have sex with anyone that you wanted to and they couldn't say 'no'?'.....and then it said...'What if anyone that wanted to have sex with you could do the same?'

Programming, programming....what program are we voluntarily being brainwashed with today? Even anime isn't immune....damn shame.....ah well...pick and choose.....know what you're looking at...know what you're seeing...know what you're perceiving...know what you're experiencing...know why.....

Once again, these people that are telling you that they're the ones that are saving the world have left GOD out of the equation, the mix, the conversation, the agreement and the plan.....how silly... If you want to make GOD laugh...tell Him YOUR plans.....

That's always a good one.....makes Him laugh every time.....but He's really laughing with you...and at your plans...not at you with your plans.....there is a difference, but you guys seem to get mad about it anyway...and blame Him instead of your plans.....so be it.....

Still...how's this for the one commandment...since you guys want to keep it simple...either that or you can only handle one commandment...go figure.....but anyway....here's a better one than your rehashed luciferian doctrine:

THOU SHALL LOVE THE LORD THY GOD, THE SOURCE AND CENTER OF ALL THINGS,
WITH ALL OF THY MIND, HEART, BODY, SOUL AND STRENGTH AND LOVE THY NEIGHBOR
AS THYSELF.

Mind you, this would mean loving each other as each other and seeing God and all things and
each other, in God and all things and each other.....but you knew that.....

So if the White Dragon Society could understand the reality of their situation and start acting
accordingly I'm sure they'll be less shocked at the final outcome of this whole thing...which isn't
what they planned, but what can you do? The cabal knows....they're just in deep denial.....ah
well...it's a good thing we're not doing to them what they're doing to us....but hey....we're human
beings...not like...

Ahhhhhhh.....a breeze.....ohhh, a butterfly! Hello.....Wonderful.....Gaia is lovely to
behold....God Bless her.....

Shhhhhh.....no more talking.....not today.....if you're going to stay....just....chill....be.....

WHAT WILL YE DO?, from KiboDabi -- I 2 I.

Video

<http://www.youtube.com/watch?v=Z1Wo4IXliUw&feature=youtu.be>

I know that you people love to read channeled messages and you may make of this what you will. But I have been given authority to speak as I AM, being WHAT I AM IN I AM WHAT I AM, and you will have to figure out what to do with that in your own sweet time.....for now.... it is what it is in I AM WHAT I AM and if you realized the true meaning of this, you would be unconcerned for anything.....FOR IT IS TIME.....

Truly, it is time for all of this bullshit to end and things to be set straight from what was made crooked by those among you that would rather follow their own wills rather than the Will of their Creator God, Christ Michael ATON and that of PAPA... SOURCE AND CENTER OF ALL THINGS....being WHAT I AM....

Plans have been made for the dark and evil ones, your infamous cabal, both east and west, to hunker down in whatever bunkers they have left to hide in...to orchestrate the symphony of your deaths, your mass murder in this world of people, places and things, as they see fit, for their own end...yet to their own end, it will be and to the end of no others.

Ye have been lied to on so many fronts in this war that WE realize that you have no real or true idea of what is truth anymore and so you cling desperately to anything that gives you comfort on your own personal levels of being in experience of perception...but this has not saved you from believing in lies to save your souls...

(Candace: the above is Kibo's introduction, now below is the Piece I2I.

I2I: (I to I)

THE ONLY THING THAT WILL SAVE YOUR SOULS IS A COMPLETE AND ABSOLUTE RENDERING AND SURRENDER OF YOUR WILLS AND SPIRIT TO YOUR SOURCE AND CENTER THAT CREATED YOU ALL TO SERVE ITS PURPOSES IN MAKING YOU THE GODS OF FUTURE UNIVERSES AND THE FAMILY OF GOD AS ESTABLISHED EVEN BEYOND THE SUPER=UNIVERSES AS THEY ARE SETTLED IN LIGHT AND LIFE, AND THE DAUGHTER UNIVERSES ARE CREATED AND THE UNIVERSES BEYOND EVEN THEM ONTO INFINITY!

KNOW YE NOT THAT YE ARE ALL GODS?

AND YET YE REBEL AGAINST THIS....SO BE IT. FOR THE ONLY CHOICE YE HAVE IN GOD'S WILL IS TO ACCEPT OR DENY! IN THE END OF THIS STAGE AND PRODUCTION, THE CHOICE IS UP TO YE ONES. LIVE AND CONTINUE TOWARDS THE PERFECTION YE ARE PROMISED...OR BE UNCREATED IN REJECTION THEREOF...ALL ELSE IS THE DIRECT EXPERIENCE OF THE CREATOR AND SOURCE AND CENTER OF ALL THINGS,

WITH, THROUGH AND IN ALL THINGS, INCLUDING YE ONES, AS AN EXPERIENCE OF ITSELF IN PERCEPTION OF MANIFESTATION!

YE ARE BUT A THOUGHT OF GOD AND IF YE PREFER THAT GOD NOT THINK OF YOU AT ALL, THEN IT SHALL BE SADLY AND TEARFULLY OBEYED...FOR YE ARE LOVED AND ALL ARE THE BELOVED OF GOD THE SUPREME AND HE GIVES YOU UP NOT LIGHTLY AT ALL!

THE CHOICE IS YOURS TO BE ENDED IN YOUR FEAR OR CONTINUE IN YOUR LOVE!

WE LOVE YOU! WE CANNOT STRESS THAT ENOUGH!!!
WE CAN AND WILL SAVE ALL THAT WE LOVE THAT LOVE US....AS ONE...GOD AND CHRIST AND THEIR HOLY SERVANTS...OF WHICH THERE ARE ENOUGH TO SAVE YOU ALL IF YE LOVE ANY OF THEM...FOR THEY LOVE YOU AND HAVE CRIED TO US FOR THY LIFE AND SALVATION!
WHAT WILL YE DO IN THE PRESENCE OF THE LIVING GOD AND SOURCE OF ALL THINGS?

YE WANT DEBT FORGIVENESS
WHAT OF YOUR DEBT TO GOD?
ARE YOU WILLING TO SEE THAT CLEARED
AT THE COST OF YOUR SOULS
TO THE ONE THAT CREATED THOSE SOULS?
YE WANT AN END TO POVERTY AND WAR AND STRIFE...
WILL YOU PLACE YOUR FATE INTO THE HANDS OF THOSE
THAT PLACED YOU IN SUCH A STATE
OR IN THE HAND OF YOUR CREATOR
THAT SEEKS TO SAVE YOU FROM IT?
YE WANT AN END TO DARKNESS...
WILL YOU SEEK IT FROM THOSE THAT HAVE PERPETUATED THAT DARKNESS
OR THE SOURCE OF ALL LIGHT?
YE SEEK AND END TO FEAR
WILL YOU SEEK IT FROM THOSE THAT CREATED THE FEAR YOU SEEK TO ESCAPE
OR THE CREATOR OF THE LOVE THAT DISPELS IT?
YE SEEK ABUNDANCE AND PEACE FROM THOSE THAT ROB YOU WITH WAR AND MORE WAR...
NEED I SAY MORE?

YE THAT ARE MINE
YE THAT HAVE CALLED TO ME
YE THAT HAVE HEARD MY VOICE AND HAVE ANSWERED IN KIND
YE THAT SEEK THE LOVE AND LIGHT OF THY CREATOR
YE THAT SEEK THE PERFECTION PROMISED TO THEE
BY AND IN, THROUGH AND WITH THY LIVING GOD
THY TIME HAS COME!
BE PREPARED!
MARK THY PLACE
AND STAND IN IT FIRMLY
AND BE NOT MOVED BY ANYTHING
STAND WITH ME AS I STAND WITH YOU!
STAND BY ME AS I STAND BY YOU!
HERE AND NOW
IN YOUR PERCEPTION
IS THE TIME AND PLACE OF YOUR ASCENSION

YOUR ADJUDICATION
YOUR JUDGEMENT IS UP TO YOU
BEING WHAT YOU ARE IN WHAT I AM
HAVE NO FEAR
AND KNOW
BEYOND ANY DOUBT
THAT PERFECTION IS YOURS
WHEN YOU ARE READY TO RECEIVE IT
AS GIVEN BY ME FOR YOU TO DO SO
ALL IS MINE
TO DO WITH AS I PLEASE
AND IT PLEASURES ME TO LOVE YOU CONTINUALLY
AND LEAD YOU IN LIGHT
TO GREATER LIGHT
ONTO PERFECTION
AND THE GODHOOD THAT IS YOURS
TO EARN AND BE AND EXPERIENCED
FOR MY EXPERIENCE AND YOURS ARE AS ONE
ALWAYS AND FOREVER
CREATION WITHOUT END.
I AM I IN U IN I AM I

The Thing Is.....

I have seen the.....meditation given by cobra commander in order to achieve the desired results from those that desire those results.....y'know what? Screw it. People with rings in their noses do exactly what they are pulled to do by the ones they have attached themselves to...it's the same with reins....but at least there's training....and a rider....which means a relationship built on trust, loyalty, devotion....and love.....and don't tell me that the devil can ride you too...he doesn't...he just spurs you on to the point where, in your frenzy, you don't know if you're doing what you want or what he wants...forget that he's not on your back anymore, if he ever was.....them spurs are deep and bloody and embedded so hard that you no longer register the pain and just keep going in the direction you were pointed...never stopping to think....that there was a better way.

Now, you're so used to it you cannot comprehend the thought of your truth not being the truth and so you run, bloody steam snorting out of your nose as you strain to reach that goal that is right in front of your face like a carrot on a stick and if you realized that at any point in this mad dash over the cliff, you don't care anymore. You just want to bite that sucker just once before you go down and see if it tastes as good as you thought it would...as you hoped it would...as you prayed it would.....and who did you pray to for that?

We all want to be right. We all want to be validated in our convictions and we can't blame each other for that. In a puzzle made of billions of infinitesimal pieces to create one image of light and shadow, we all have to fit in where we're designed to fit in by the one that designed all of the pieces and the puzzle in the first place.

So carry on. Carry on until that last day, that last moment of wondering and doubt and faith and trust and mistrust and distrust and belief and disbelief and unbelief. Carry on until that moment of clarity arrives like a morning newspaper wrapped around a brick and thrown through your window to hit you right between the eyes and make you notice the difference between the real world outside your perception and what you thought you were looking at through that, now shattered glass.

It's on. It's okay. It is what it is and everything is everything and one day we'll get a peek at exactly what everything is and means. But until that day...Carry on. Do your thing. It's your thing. Do what you wanna do....right? I can't tell you who to sock it to...it's your thing. It's your thing until you find out differently.

It's your thing unless your thing is to do somebody else's thing.

It's your thing until you find out that you only thought it was your thing and what you thought was your thing was, actually, somebody else's thing.

If you're not doing your thing...or haven't been able to do your thing because somebody else's thing has kept you from fulfilling the dream of your thing...your thing may be to hope and dream and grasp anything that seems remotely able to make your thing manifest itself in reality.....

If your thing has had the life sucked out of it, remember that there are others out there whose thing is apparently being the ones that are doing all that sucking...it sucks, but everybody wants to do their thing and we have to let each other do our thing, right?

So either adjust your thing, or it will adjust you.....or not...you might be perfectly fine and happy with your thing and just want to keep your thing going strong...and so your thing is keeping your thing...KEEP YOUR THING ALIVE, BABY!!!!!!!

Apparently, that's what most people want...to get their thing, do their thing and keep their thing going.....i get that. Keep on keepin' on.....Keep on truckin'.....If your thing is the right thing...then who's to tell you you're wrong?

We're all here to do what we're all here to do. We are what we are for reasons that we may fathom in large part, but the whole is beyond us. Billions and billions of choices and decisions made throughout the course of billions and billions of lives over the course of billions and billions of years...this is what we are. This is our experience and we are what our experience has made of us. From traumatized childhoods and five-day satanic ritual baby sacrifices to the mass murders of millions of people at a time....to loving and laughing and making your way in a material world and earning your keep, to drug dealing and vice on multiple levels to glorifying God in church and fighting for your cause and being active and proactive and interactive and inactive.....from video games to playing the game to being in the game to looking for a better game...to winning, to losing, to art, to science, to slavery, to liberty, to concerts in the park....to build, to destroy, to love, to fear, to live, to die.....this, and more, is what we have made of ourselves...

One day, the score on this is going to be tallied, at some point, it's going to all come together, come to a head, converge on an event, a circumstance of circumstances....a situation....a snafu, a fubar, a great awakening, a leap of consciousness, or being, or DNA, or body, or an evolutionary step or devolutionary step or salvation or destruction....who knows?

We say we know. We're all cock sure that we're the ones who've got it right. We're the right people. We're the right religion. We're the right science or the right philosophy or color or sex or creed or class or country or state or place or thing....we've got the right channel and we all want our thing to be the right thing, in the end.....if there's an end....not everyone agrees on that either.....and that's another thing.....

And I don't want your thing, or our thing, or their thing, anymore.....i don't even want my thing. I got sick of my thing a long time ago and I realize, now, that it was never a thing to be made about it. It was never my thing. I Am a thing. I Am The Thing. I AM THE THING OF SOME...THING....I AM ITS THING.....

So that became my thing...to find the thing to which I was a thing and let it be my thing, as well, so that we could be things in kind to each other, mutual things....we could share things between us and talk about things and know about all things 'cause it's all just a thing and everything is every thing and it is what it is.....

Whatever the thing is that made me...that's my thing and I'm its thing because it made me.

Whatever made all of this...life, creation and everything....that's my thing and I want to be it's thing 'cause I figure it knows about everything and so it should know what I am, as well.....

And that's my thing...being the thing of the thing that made me to be its thing. Whatever that first original thing never made by anything but maker of everything...is...that's what I want to deal with....

But that's my thing...

You do what you wanna do....with your thing

And if we find we have the same thing in common...well all right....

And if not....

My thing is that eventually, everyone will know the real truth of reality....but that's me and my thing...

I know I have the right thing.

This is my thing and I am my things thing and we are the right thing for each other.

And we all pretty well feel that way

And that's what all the fighting is about and disagreement that makes us beat each other up over our thing being the right thing when the real right thing can speak up for itself.....IF THERE IS A RIGHT THING FOR EVERYBODY.....A ONE THING THAT IS ALL THINGS AS IT'S OWN THING!

People would have to adjust their thing and even their definition of what a thing is in the first place

I don't want to put you out....most of you say I've got the wrong thing, anyway

I am with my thing and my thing is with me and I am it's thing, so we've got a thing going on and that's the right thing...

So we'll just have to ask some thing to please stand up and reveal itself as the real thing...if there is such a thing, because that's not everybody's thing, either.....

The way I've got it figured is that there are three lines you can get in

Everything

Something

Nothing

Yes

Don't know

No

Right

Clueless

Wrong

Graduate

Repeat

Expulsion

Ascension

Live

Die

Pick a line, pass through, sort to left, right, middle.....you know the drill...or isn't that your thing?

Remember that question. You will not be able to lie about the answer....sometime, somewhere, someone, some...thing...is going to hold a thing up in front of your nose, your face, your eyes, your being...and ask you, point blank while pointing...IS THIS YOUR THING?

Maybe you CAN lie about it.....so they point to another thing

IS THAT YOUR THING?

Either way

When you decide to claim whatever you want your thing to be, or wish it was, or think or know it is...

IT BETTER KNOW YOU, TOO

It will not lie for you

It will say that it is your thing

Or is not your thing

Your thing knows you

Do you know your thing?

How do you feel about your thing?

Do you want your thing?

Do you love doing your thing?

Do you love your thing?

Does your thing love you?

Your thing is all you will have in the end

It will speak up and tell everything about you...in detail...and claim you without hesitation

And if you don't think that you will like the outcome of that conversation.....

You should get a better thing....quickly....or not.....it's up to you

I've got my thing and I'm sticking to it, thank you very much

I love my thing and my thing loves me

I AM It's Thing...after all.....it's my thing and it does what it wants to do with me while I am with it

So

At least

When my turn in line comes up

I can look THE THING squarely in THE EYE

And reply

YES THAT'S MY THING....YOU WANNA MAKE SOMETHING OF IT?

Because I really want to see what it makes of the whole.....thing.

You've got an other thing coming.....grab your thing and get ready to meet it.

CANDACE note: A forum member posted this in Kibo's thread, as he was reminded by Kibo's piece, of receiving this back in 2009 .

It is important to express your ideas, even if you don't have the ability, time, knowledge or desire to take action on the idea. Many are afraid to put forward an idea because they think it will be their responsibility to act on it. It's not. Because you might only be the conduit for the idea. If you don't have the skills to act on the idea, someone else will. But they might not know the idea if you don't bring it forward.

Yes, you can act on it yourself, but do not be afraid not to. Bringing the idea forward is the first step. Getting someone to act on it is the next. Even then, it is not your responsibility to find someone up for the task. If someone sees the idea, and has the ability, they will step forward if they want to take the idea further.

I Tried to Ignore it....can you?

WARNING!.....

I know i just posted and i'm posting more and more and i'm pretty sure there's another one coming tomorrow.....but so much left unsaid with so little time left....IMHO.....and....mind you....under the circumstances...if i'm hurrying in my sense of things...as far as time and space are concerned...then i will still have no choice but to go completely off and attack at will....and then some...on more fronts than they can handle until this thing is finished, over and done with once and for all and for good.....

i was just going to let you guys know that i posted another post on the blog...but...what the heck....here's the whole thing....just so you don't have to go looking for it.....

<http://kibodabi.wordpress.com/> (the blog it's on, he put it on the forum, thus the intro above.

i tried to ignore it....can you?

Cobra commanders' cheerleader, Gigi, or whatever has posted a history lesson that is grossly distorted to the point of being filled with meticulous lies.....or so I say.....

Most people, who have little if any idea of who and what the gnostics were and are, automatically fall into some kind of 'oooohhhh, gnostics..' state whenever they see the word.....

Please....

The gnostics, as a sect, were more informed than the rest, but even their writings have been corrupted and if you've ever read the Urantia Book, you'd know.....

For one, they viewed all ETs as Archons simply because their experience was one in which that was all that they were able to come into contact with.....ever wonder why?

Please to be informed that Lucifer was not an archangel.....i repeat...Lucifer was not an archangel....he was a system sovereign. That's like mid-management for you corporate folks....

He was allowed by Christ Michael ATON to fulfill his rebellion against the Paradise Trinity and Christ Michael because it was seen that more good would result than evil.

Yes....i know....it resulted in the great galactic war.....i understand, but sides had to be chosen.

This planet, which fell within Lucifers' territory, was actually way behind enemy lines....so to speak....

In fact, our original planetary prince betrayed the Light and joined the other side, thus handing this planet to him.

This whole system was placed under quarantine by Christ Michael. Ask yourself....are quarantines declared from without or from within the infection? That should tell you something right there.....

Now....

The great galactic war was between those peoples that remained true to the vision of Christ Michael and accepted the being of the Paradise Trinity...and those that didn't.....one of the greatest issues in question was all the time, trouble and energy that was being extended to train people, personalities, beings like you, human beings, to be the gods of the new universes..... This made no sense to Lucifer. He thought it was a waste of time and could be done better than it was being done by giving the higher beings, like him, a more direct hand in the matter....it's not that it was such a bad idea, it's just that he wanted to go it alone and prove that he could do better....his way...he failed. He failed and that failure ruined him to the point that he preferred uncreation to learning to follow the Divine Will of The Eternal Father and His Sovereign Christ Michael of Nebadon.

What can you do? He was given every chance to succeed or realize failure and come clean and admit that he couldn't do it and surrender to the perfect will of The Father in all things....and he just couldn't do it.....damn. His loss, his uncreation hurt everybody, including Christ Michael and Source....he could have done so much better and so much more if he had just surrendered to the great truth of life....THE ONE PERFECT BEING KNOWS BEST. Anyway.....here we are.

We were colonized by the Anunnaki, who proceeded to set themselves up as gods and screw with our DNA and reduce us to the lesser beings that we are today. However....they did this under specific contract to end their business at the appointed time.....that time came in 1996 when the Treaty of Ancharra was signed, thus ending the Great Galactic War.

The Ancharra Alliance was with the Anunnaki, the Draconians and the fallen angelics and other beings that had chosen their side....the side of Lucifer.....

All that is over now, it no longer applies, but there are those that want you to believe that it still applies and that the dark on this planet are not flesh and blood beings, like you and I are.

When the Anunnaki surrendered and joined the Light, they told their Earth minions that they should be smart and do the same...they didn't.

Too much effort over the course of too many years made them stubborn. They wanted to do everything they could to bring their plans to fruition....silly people...

Things got sloppy for them after that...the internet took off big time, 9/11 was full of holes and an obvious inside job to anyone with eyes to see and a mind to discern...though these people are a huge minority, it was enough to light fires and fires give off light....and heat...so the heat was on.....

Now it's grab as catch can....for all sides of what's left of the war...which is all here, now.....

And I, for one, think it is highly ridiculous to now say that ETs are helping us, when just weeks before...all ETs were evil Archons.....are we really that stupid?

We reincarnated here because of the quarantine, not because of a matrix grid that was designed to keep us in fear, materiality, competition and control. True, it helped, but don't think for a minute that they ever had that much power after the bestowal mission of Christ Michael in Esu, whom you know as Jesus...but that's another post.....

Cc and Gg want you to believe that they hold the keys to the kingdom in their hands and it isn't so. WE hold those keys and those keys open the gates and the doors to unity in consciousness with GOD AND CHRIST as our source and creators...we owe them everything and it's time that we acted accordingly.

All those millions of ships out there, struggling to get us to raise our vibrations, our frequencies,

our consciousnesses, our beings, to the highly desired level of clarity and understanding have been thwarted and delayed again and again simply because we, as a planetary people, are reluctant to accept our true place as servants of THE ONE IN BEING.

THEY DO! WHY CAN'T WE?

You think that they're all here just because they want to be helpful? Sure they want to be helpful. It's in their nature. But the fact of the matter is that whole planets and civilizations have been destroyed for being less dark and controlled than we are.

So why?

Because this is a Divine Mandate, that's why!

GET IT THROUGH YOUR HEADS PEOPLE!

This all about GOD and our relationship with HIM and the relationship that HE wants to have with us and if we want to make it to the next stage then we damn well better get with the program and see and hear the truth.....but that's me and you don't have to see and hear the truth I speak or write...it's up to you what you want. This is going to be personal, individual adjudication...it's sorting...judgment...graduation to a higher learning on a better campus or back to school and maybe a few grades to boot...if you're not kicked out entirely...that's all on you.

Your thing.....remember?

One last thing.....

Personally....my opinion is that it's clearly a deception when anyone tells you that it's the Jesuits that are telling the Elders of Zion what to do. The Jesuits are full of Luciferians and Satanists and the core of that is found in the cabal that plagues you and they are ruled by the Elders of Zion.

I know....your thing...they're just victims...Surely the pope is more than happy to blame the crucifixion of Christ on the Romans because he really believes it's the truth....in spite of what the bible says...and all the bankers and lawyers and doctors and media and corporate moguls are Jesuits.....what? You mean they're not? Wow...who knew?

Wage war by deception.....whether that war be physical, mental, emotional or spiritual.....financial, political, medical, military, electronic, informational, educational, religious, racial, sexual, propaganda, philosophical, mystical....occult.....

Wage war by deception...against man and God

Wage war by deception...was not Lucifer the great deceiver?

Wage war by deception....by any means necessary...the means justify the ends...might makes right...

Wage war by deception....meditate on defeating already dealt with and defeated non-physical enemies instead of the physical enemies in front of your face...

Wage war by deception....make your enemy the enemy of your enemy.....and have no friends...

Wage war by deception.....until you win or are finally conquered and destroyed and war is no more

Wage war by deception...until the very end and destroy the world as you are destroyed...

Wage war by deception...the war goes on as long as they continue to be deceived...

Wage war by deception... everywhere, anywhere, any way, every way you can

Wage war by deception...all day every day

Wage war by deception
Wage war by deception
Wage war by deception

Candace:

Now this Cobra guy, again this website <http://2012portal.blogspot.ca/> YOu can read the recent stuff there, some truth mixed with the bull, Wage War by Deception. Eve had a vision, which I mentioned about the New Agers on the conveyor belt into the mouth of the NWO, well the traffic to this website proves it.

Now go to this transcript of the first part of a recent radio interview with Cobra. Here is a small portion of this, proves the point, as Keenan is an arch enemy involved in the take out of the OITC

So, what's happening now is actually, there is a certain group within the Rothschild and Rockefeller faction that would like to surrender, most likely the central bankers. This is not the whole of the Cabal, this is just one faction.

SC: Yes.

Cobra: They've been negotiating, especially with Keenan. And Drake is in contact with Keenan, and they are negotiating this.

SC: So, when you say "Keenan," that's Neil Keenan who...

Cobra: Yes.

SC: ... I think David Wilcock first said, that had served the liens on not only the Federal Reserve but then the 12 Federal Reserve banks in America, and also some of the central banks within Europe.

Cobra: Exactly.

SC: So, have you been in contact with Drake to find this out, or have you got your own intel sources that give you that information?

Cobra: I have no contact with Drake, I work independently. But I have my own sources, and they said this is happening, this is true.

SC: Okay. So, do you know how the Cabal has stepped forward? Like, what did they say? What did — like who did they — did they just contact Neil Keenan direct and say, "We're interested in making some sort of deal here"?

Cobra: They contacted Neil Keenan, and I think also Drake received a phone call from them. And they just — they are scared, they would like to surrender. And there is no news yet how this all turned out, because they still need to think about it, a few days maybe.

SC: Okay.
