INTRODUCTION

to the Messages with KiboDabi

Hey! I get to write an intro! Allright!!!!

Blessings to our brother, Christ., for doing this...Thanks!

All thanks and gratitude and appreciation to PAPA and CM ATON for putting up with me in allowing me to take these messages and have these experiences. I AM humbly honored and if i have done anything that has been helpful to anyone in their journey on the great spiral path, then i/I am grateful for having been able to serve.

Thanks and gratitude to all involved. I love and appreciate all of you!

I AM here.

I AM here, now.

All of these messages are strivings to help people with their perception of reality at the time and all of them were given for particular purposes that will differ with each individual. There is much talk of 'soon' and 'very soon' and so on and so forth and that has been something that we just have to deal with. It has been proven that the observation of a thing, changes the thing observed and i sometimes think that this has been the case. Every eye opened, every mind, every heart that has considered a new thing, a wider thing, an other thing has stretched this event out so that they also, may be included in the best possible outcome.

And then there is a part of me that realizes that all of this was already known and scripted and is playing out exactly as it has to be according to the will of the Producer, Director, Orchestrator, Scriptwriter and whatever else job there is in such a production...even to the point of the venue, the seats and the tickets...not to mention the price of admission....

Be it movie or play

Set or stage

Holographic

It is all the same.....

But I AM Here Now...at Present...past and future are made here, in this point of being and the thing observed and the observation of it become one and the same thing.

All of these writings, those through what i am as well as those through others and by others, are just symbols of that point. They are sharings of perception by beings that recognize the source and purpose of that sharing and those that are willing to receive, receive. I, as far as i'm concerned, haven't done anything that a five year old with an open mind and heart couldn't have done as long as they had the vocabulary and even that is over-rated. If PAPA told a five year old to tell the people that HE said that Love was a good thing and that people should only do stuff because of love and all the fighting and hating and stuff was very bad and they should stop it now because God doesn't want to spank anyone...but HE will if they keep acting stupid.....I'd listen. I'm sure that there are, at least, hundreds of five year olds out there that have given whoever they could, that very message, only to be smiled at and told that they were cute but not to play with God

because they couldn't possibly understand and to go to their rooms before they got a spanking themselves.....parents just don't understand.....

The point of all this is: This is done already. More is coming from all directions and it will be hard to keep up if you are looking all around for your answers. These messages are nice, but nothing replaces direct communication with the Source and Center of All Things. You can do that.

Yes, you.

You can do that because He is The Source and Center of All Things.

Please consider what that really means.....ALL THINGS

ALL THINGS means you, me, them that, this and the other. Whatever you are looking at and whatever is looking at you, is a thing. The atoms and molecules and plants and things organic and inorganic....fire, air, earth, water, akasha....whatever it is and wherever it is, it's a thing and the source and center of that thing is the source and center of every other thing as well.

So no matter where a thing is or what it is, it's source and center is ONE THING.

So two people shooting at each other have the same source and center.

Two people loving each other have the same source and center.

In fact, they are each other

As well as the pile of gold in the corner

And the pile of dog crap on top of it

We are all of it and it is us and....

GOD IS ALL ARE WE ARE ONE ARE WE ARE ALL IS GOD

I AM ALL ARE WE ARE ONE ARE WE ARE ALL AM I

Write it in a circle with one 'I' or one 'GOD' at the 12 o'clock position and tell me how it looks to you....

No? Ah well.....Yes? Ah well.....

To find your source and center is to find the source and center of all things.

The source and center of any thing is the same source and center of any other thing in question.

That source and center is the one thing that really is and everything else is just an extension of it.

That one thing is consciousness in the most extreme way of being...to the point of saying that there is only one consciousness. It is light manipulated in consciousness to create the perception of all things. It is the experience of that perception in being. It is two people looking at each other from their perception of perspective and then still from a perspective of It's own...Knowing that It's the only thing in the room. It is the room and the room isn't even there. Neither are the two people that insist on seeing each other as something other from each other when there is an other looking at them as each other, from within each other and upon each other and without each other, knowing that the very concept of 'other' doesn't apply in reality except that they perceive it so It gets to perceive and experience it....all the time knowing.....and we say we want to know, but do we really?

Read these words if you like, learn all you can from everything and look around and search without. When you have come to the realization that the reality you find without you can go on without you, then please, go as far within as you have gone without...and then go further.

The words don't matter. The symbols don't matter. We act on the world without for whatever reasons we can perceive and use that perception to define ourselves as we see fit. When you've had enough of that and come to realize that there is only one thing and you move in it and breathe it and your thoughts are It's thoughts and your perception is It's perception, your feelings, It's feelings, your life is It's life, then you will start to see that you see nothing and think nothing and feel nothing. You are a character being played by an actor that is so into It's character that it is the character. It ceases to be an act and the character believes in the character and the actor is forgotten.

Remember who and what you are.

Remember the role you play

The stage you are on

The movie you are in

God plays every role

Every prop

Every instrument

Everything

Perfectly

It is up to you

The character

To realize

Who and what you are

To remember

That you are the actor

Playing your part

Perfectly

And when you remember

The actor awakens

[there is, perhaps

A moment's confusion

But who is to say?]

But in that moment

The actor and the character are as one

And the decision is made

It is no longer a matter of

How the character feels about the actor

But one of

How the actor feels about the character?

Does he want to stay in character?

Is it a good character?

A worthy character?

Will it serve its purpose well?

Will it live on and continue to play its part

Upon the great stage?

Or will it walk offstage

Never to be seen or heard from again?

The character wants to act!

Does the actor want to stay in character?

There is only one way to answer that question

There is only one way to have that conversation

Find it

Talk with it

Come to agreement
If you want to keep your character say so!
Heavens knows that there are other characters
It is all the same
But if it is not the same to you
Then there comes a time when words serve no purpose
You must act as the actor acts!
You must be the actor so that the actor may stay in character!
Hint: villains die...every time...they have to eventually...
the actor never wants to stay a villain...
no character can have their moment
in the dark
the light must shine upon him
and no villain can stand the light.....so.....there.....
so if you are a worthy character
perhaps the Great Actor will keep you, after all
and you may be each other...what joy!

And for that
All words and symbols and teachings
Are useless
You must go to the source and center of all things
Including you
And talk it out
And whatever helps you to do that
Including these words
Is all well and good
And i/I AM grateful if any of these words have helped you in any way
But
Now
Go help your self
Go do
Go be
Play your part
Be the actor

[there's a reason the 3rd person of Paradise Trinity is called the Conjoint Actor....]

PAPA and CM ATON Bless you Always in Consciousness

Kibo[Now I AM Here]Dabi

10062013 0137 cst: CM on recent stabilisation

By CM through Kibo

Oct 10, 2013

K: What's up, Boss?

CM: Just wanted to let you all know that stabilization has been achieved.

K: Great! Congratulations! Care to elaborate....y'know...for those out there have no idea what you're talking about?

CM: Sure.....51% of the consciousnesses of the ensouled human beings on Gaia are standing in light. More are striving for greater light. However these numbers fluctuate in the future will have no impact insofar as the foundational majority of the mass consciousness being more light than darkness. It has been established that it will never again go below that 51%.

This means that over half the population of human beings desire to live in light and are willing to act upon that. They recognize who and what the problem is and wish that problem to be solved. They recognize that Israel, or rather the Talmudist, Zionist agenda, is the cornerstone of the world's misery and suffering and want that issue to be addressed in an adequate and expedient manner. They recognize that global banking, as found to be run by the City of London and the Rothschild and Rockefeller syndicates, is the core fuel that runs the machinery and mechanisms of the psychotic system of oppression that they have been experiencing. They recognize, more and more, the manipulations of media, education and organized religions, as they are all operated by this dark system. They want real change and they are no longer willing to place faith in the persons of the systems that they have endured as their leadership. They are willing to effect change without them and in spite of them.

THEY ARE ACCEPTING THE EXISTENCE OF A CREATOR THAT SUPERCEDES ALL SUCH MACHINATIONS AND ARE TURNING THEIR HOPES AND FAITH TO THAT, NOT JUST IN PRAYER, BUT IN THEIR ABILITY TO ACT UPON THAT AS A MATTER OF RELATIONSHIP WITH IT. WHATEVER THEIR BELIEFS, FAITH AND KNOWLEDGE OF LIFE MAY BE IN THE CONCEPT OF GOD, THEY ARE WILLING TO OPERATE ON THE THEORY THAT GOD CAN ONLY BE WITH THEM, WORK WITH THEM, AS MUCH AND AS WELL AS THEY CAN DO SO WITH GOD. THEY ARE WILLING TO WORK WITH GOD, IN AND ON MUTUAL TERMS FOR THE SAKE OF RESULTS THAT ARE BENEFICIAL TO ALL AND DO SO IN ACCEPTANCE THAT IT IS GOD'S WILL FOR THEM TO BE FREE TO LIVE IN LIGHT, LOVE AND ABUNDANT SUPPLY. 51% WANT THAT, NO MATTER WHAT.

K: That's a good sign.

CM: It is more than a sign. It is a fact of life on Earth. Light reigns supreme in the minds and hearts of humanity! We realize that it seems to you, in America, that it is not so and, indeed, the numbers are lower there than in the rest of your world. But the rest of your world has actually endured much more than you ones there. So it stands to reason that they would produce the tipping point. Actually, WE have Bibi to thank. His latest rantings and ravings have succeeded only in showing their true colors and causing the rest of the world to take a step back and consider Israel in a different, brighter light. That light of conscious consideration has caused decision in the minds of so many to reject the memes and manipulations of the past and seek to build a better future where such psychotic mindsets do not exist.

Now that WE have what WE've been waiting for, SOURCE has given the green light to begin our operations. It will commence now and grow gradually, as our influence becomes more and more

obvious and the final breakaway from the influence of the shadowmind becomes more and more absolute.

WE would like to commence the three days of darkness before they play with the North American power grid. Weather patterns dictate that such a situation would be better handled when global weather as a whole is more matching and less extreme. Loss of power in the approaching winter months of the Northern Hemisphere would create needless hardship, as they had planned for in their desire to shut the grid down in November. It serves no purpose other than their own agenda of population control. There is no sense in waiting for such a thing to happen so WE are putting a stop to all that now.

WE are preparing the new governments to take over and also laying our own hands on the implementation of the new financial system. This will end any more game playing and interruptions and allow the transition period to as quickly and smoothly as possible.

There will still be some hardships to endure and deal with, as ye ones in light must ever be patient with those that are fearful and uncomprehending the reality of their situation. Be ready to help and assist. You will achieve more in giving and sharing than anything else. Loving kindness and the calmness of a good heart nested in Source....as well as My Self....will help you to share the gifts of higher consciousness with those that have been unable or unwilling to have paid attention to what was always behind the veil of lies that you have been covered with for so long. Those without the proper mindset and material resources to furnish their own comfort will be desperate, scared and angry. Have no fear and let the light within you speak through you to reach whatever light is in them...for there is light in them. Let the God in you speak to the God in them....for God is in each and every one of you. WE ARE ALL EACH OTHER, AFTER ALL AND THOSE OF YOU THAT ARE ABLE TO LIVE THAT WILL SEE THE BEST RESULTS IN DISSAPATING AND NEGATE THE DARKNESS AND NEGATIVITY THAT WILL WANDER AIMLESSLY ABOUT SEARCHING FOR A MEANS OF EXPRESSION BEFORE IT DIES OUT COMPLETELY.

This is no joke. This is serious work. This is standing in light as a means of safety and security.

WE STAND WITH AND WITHIN YOU AS FAR AS YOU LET US.

MIRACLES AND BLESSINGS OCCUR EVERY MOMENT OF EVERY DAY. THE SLIGHTEST BIT OF FAITH....FAITH IN US, FAITH IN YOURSELF, IN ALL, IN ONE....AS SMALL AS A MUSTARD SEED, IS ENOUGH TO CHANGE, NOT JUST YOUR OWN LIFE, BUT THE LIVES OF OTHERS REACHING OUT THROUGH THE WHOLE WORLD AND THE WHOLE OF CREATION BEYOND. WHAT OF FATIH AS GREAT AS A MOUNTAIN?

WE HAVE BEEN WITH YE ONES OF LITTLE FAITH ALL THIS TIME AS YOU HAVE HELD ENOUGH HOPE TO FILL A UNIVERSE. NOW LET THAT HOPE BE FULFILLED IN FAITH, GOOD FAITH, STRONG FAITH THAT GOD IS IN YOU AND ALL AROUND YOU, INDIVIDUALLY AND COLLECTIVELY.

IT HAS BEEN SAID THAT FAITH WITHOUT WORKS IS DEAD. PERHAPS IT IS BEST TO SAY THAT FAITH THAT IS NOT ACTED UPON MIGHT AS WELL NOT EXIST. IT IS TIME FOR ALL OF US TO ACT IN FAITH WITH AND IN EACH OTHER. I IN YOU AND YOU IN I. YOU IN GOD AND GOD IN YOU. ALL OF YOU IN EACH OTHER AND ALL OF US TOGETHER AS ONE. NOW IS THE TIME TO PROVE THE WILL OF GOD IN WHO AND WHAT WE ARE!

K: Sigh....okay.....but.....thugs, gangbangers, gun toting' neighbors.....gun toting' neighbors with bibles.....willing to shoot first without asking questions later....or shooting as soon as the answers start to make their eyes glaze over.....seems like a time for really, really good discernment if you ask me.....which you didn't...so.....

CM: Be that as it may.....it is what you do that counts for you. What are you made of and why? What do you stand for and why and how? I even ask you, what are you willing to die for? What are you willing to live for? What do you want to see happen? How are you going to use your energy? Are you going to use it creating chaotic events of bloodshed out of fear for your safety and security? Can you protect yourself by yourself? How and with what are you going to do so? Are you planning on fortifying and defending your precious resources? Will that make it better or worse? Do you have enough, too much or too little? What will share get you anyway...more or less? Where do your blessings and help come from? Do you still think that it is your own great power that defines and controls what happens with and to you? Are you living your life or God's life?

K: Yeah...not everybody is really good with that concept. Not everyone knows what to do with it or how to handle it and letting go to the point where it's automatic and God is fully expressed through the individual mechanism of expression in experience.....well....that takes a certain awareness and practice of that awareness...or, at least, an extraordinary event or set of circumstances that forces the innate source and center to kick in out of necessity....I know it happens, I've been there, but you're talking billions of personalities here....all at once...and...and...huh...lol.....that's not really so far-fetched for you, is it?

CM: [laughing] No, it isn't.....This will test everyone's mettle.....mine included.....it will be quite an act and we expect everyone to fully play their parts. I can play my part, rest assured. You make sure you're ready to play yours, as you will be. Have faith. Faith in what I am and in what you are and in each and all of us together and as one, in order to fulfill the complete actualization of the greatest spiritual potential ever to exist in all of the seven superuniverses. This will be quite the event. It won't be easy but it is worth every thing in every moment of it.

THIS IS THE LIGHT AND THE LOVE OF THE HEAVENS AND THE EARTH COMING TOGETHER AS ONE!

THIS IS THE FATHER'S WILL BEING DONE!

SO BE IT AND SO IT IS!

K: So when does it start?

CM: It has already begun. Like a spiral whose circles wind tighter and faster as it reaches its definite center, so shall it appear to you. For you, it will still take time to experience the whole process. But you will know it is happening. You will see it and hear about it and feel it and know it for what it is. You will be able to share that knowledge with others that have not the currency within them to pay attention. So share a bit of yours with them that they may be able to pay some attention, as well.

You will know what to do and when and where to do it, have no fear. This thing exists on myriad levels and placements of energies and beings and circumstances. The design is fulfilled and wound up to go and now it has been set loose to do what it is designed to do. Thus is the ascension of your world into the beginning stages of light and life, embraced in the eternal and infinite heart of God's love. Be joyful for what is upon you, even now, for it is a time and moment of glory unmatched and unequalled in the brightness and beauty of the light that is created, here and now. That light is your light. That light is Gaia's light. That light is the Light of The One and the Light of Paradise Trinity and the Light of The Seven Master Spirits and The Michael Sons and Daughters. It is the Light of Thought Adjusters. It is the Light of The Melchizedeks and The Elohim. It is the light of Archangels and Angels and Midwayers and the Adams and Eves.....It is the Light of Masters and Masters ascended throughout the Grand Creation. It is all one and it is all here and now...helping, supporting and cheering us on!

Be the mighty and glorious beings that you are! Explode upon creation with all that you are! Let the whole of creation be the better for it! This, I actually command, for all that can and are willing to do so in service to SOURCE CREATOR. AS THE FATHER OF US ALL, PAPA, MANDATED, COMMANDED THAT YOU BE PERFECT AS HE IS PERFECT. SO DO I COMMAND YOU TO TAKE ANOTHER HUGE LEAP TOWARD THAT PERFECTION!

I AM YOUR SOVEREIGN UNIVERSE CREATOR, FATHER AND FRIEND

CHRIST MICHAEL ATON

AND I AND ALL THE FORCES OF THE HEAVENS

WE ARE NO LONGER ASKING YOU TO ENDURE

TODAY

By Kibo with a bit of CM

Oct 22, 2013

Today.....i am talking off the top of my head.....just me....no channeling....no message from above or sideways....or off on top or any of that.....just stuff....stuff I've gotten from all of these conversations that never seem to be conversations to so many but the few of you that read here....and thank you for that, btw....it is greatly appreciated...all the love and support that I have received here since this whole journey began.....god bless you all in all good things.....but now....down to it...and I mean down....down to the ground....boots to the ground...because we are here....boots on the ground...ground crew we are called and that is what we are.....sloshing through the mud and the muck and the mire to come to some sort of understanding of what is what and when and with who and why.....not to mention where....how can I begin.....? Damn.....I got nothin'.....all I have is my disappointment that the corporate usa didn't go into bankruptcy.....in MY eyes, that would've been a perfect opportunity to fix this shit and get on with the new thing...whatever it is in Christ Michael Aton's Mind and eyes.....but that didn't happen.....in spite of assurances that THEY were working on it...this is what it has come to and now...now...NOW....i am having conversations with Deity of a different sort.....to the tune of....WE have this...WE got it covered.....JUST SIT BACK AND RELAX AND WAIT AND SEE WHAT WE DO TO THOSE THAT CANNOT FIND THE STRENGTH OR PRESCENCE OF MIND AND HEART TO CHOOSE GOD OVER MAN.....

Now...where I come from....that's a heavy statement.....choosing God over man...or the refusal or inability to do so.....and apparently...that is what this boils down to.....

Here's the thing....I've got attachments....big time.....i love this shit.....

I love my wife

My kids

My grandkids

I love my house

I loved my car...my Mercedes.....1989.....vintage...lovely.....and I sold it

Hey...we all have to pay bills.....am I right?

I pawned the Movado watches...the silver...the gold.....all of it

Everything

Why...why?

To keep the house?

Yeah...in a way...didn't want to lose the roof over our heads...thank you.....

But more importantly.....

I was placed in a situation that required me to think....really think

About what I really needed.....

And I realized that all I need was THE ONE.....

I was willing to lose it all to serve what I KNEW was THE GOD OF GODS

CREATOR OF CREATORS

SOURCE OF SOURCES

CAUSE OF ALL EFFECTS

FIRST CAUSE

And...for lack of a better term

FISRT CAUSE OF ALL EFFECTS

Which we consider all causes and all of their effects

Ad infinitum.....

And we think that we

WE

Cause stuff

We think that we cause shit

And
In actuality
We don't cause a damn thing
For there is a being that is ZERO POINT SOURCE AND CENTER
PREPERSONAL
THE CONSCIOUSNESS IN WHICH ALL PERCEIVED CONSCIOUSNESSES EXISTS IN ORDER
TO PERCEIVE THE FIRST AND ORIGINAL, PRIME CONSCIOUSNESS.....WHICH IS THE
ONE.
Put that in your pipe and smoke it.....slowly.....LIGHT IT UP WITH A COSMIC
FLAME.....
Enjoy it
Savor the flavor and the aroma.....ahhhhhhhhhhhhhh, lovely
Isn't it?
Yes it is.....
But I digress.....
Where was I?
Oh yes.....here....doing this....now.....
Isn't that where and what and how we all are?
And why?
Why do we do this and why are we this?
BECAUSE OF THAT!!!!!!!
AND NOTHING ELSE!!!!!!!
But only five percent of those of you that are reading these words at any given time will really
understand that statement.....
The rest will be sub-categorized into various and similar slots
Striving to understand and comprehend and make such an awareness your reality.....
Trying, wanting, needing, struggling, barely understanding, maybe, maybe not, not needing, not
caring, not wanting.....and so on and so forth
And all of these designations have their meanings and places in the final selections and
compilations of endless reports that are made upon the population of this planet and where they
would and need and want to go from here.....and that's a personal, individual thing.....
Fuck your group
Your groups
And all of your affiliations
They have no meaning after the last possible moment of striving for clarity
After that moment
Either you have it or you don't
And
Clarity of what
You might ask....
Why....clarity of GOD as reality in reality being reality as the only reality....
Does that fit into your pipe?
WE are here to warn and suggest and admonish and rebuke all and everyone
And
If it makes you feel any better...
Myself included
For I have my own attachments.....
NOW WOULD BE A GOOD TIME TO GO OVER ALL OF THAT BULLSHIT AND DECIDE
ONCE AND FOR ALL
WHO AND WHAT IT IS THAT YOU SERVE
THAT YOU LIVE FOR
THAT YOU LOVE ABOVE AND BEYOND ALL OTHER THINGS
ALL OTHER THINGS
ALL OTHER THINGS
ALL OTHER THINGS

FOR WITHOUT THAT
THERE IS NOTHING
WITHOUT THAT THING
NO OTHER THING
IN PERCEPTION
IN PERCEPTION
IN PERCEPTION
OF ANYTHING BEING
AT ALL
COULD EXIST.....

AH....the aroma...the flavor...as the smoke wafts its way up to the ceiling and is dissipated by the swirling fan.....sheer delight, I tell you.....

What? You've never smoked a Funk & Wagnall's in your pipe?

Hmmmmmmmmmm.....then how have you been getting your definitions of life, the universe and everything?

From me? God help you!!!!

From others? God help you even more!!!!

From within yourself?

Hmmmmmmmmmmmmmmmmmmmm....and what is in you that you trust beyond the shadow of any doubt?

Think.....MAKE UP YOUR OWN DAMN MINDS!!!!!!!

WHO AND WHAT YOU ARE HERE AND NOW AND WHY...

WHY ARE YOU?

WHY ARE YOU THE WAY YOU ARE?

IS THERE A PURPOSE FOR ALL OF THAT, FOR YOU, FOR ALL OR ANY OF YOU?

AND JUST WHAT IS THAT PURPOSE AND WHOSE PURPOSE IS IT?

MAKE UP YOUR OWN DAMN MIND!

INDIVIDUALLY.

BECAUSE AT THE END OF THE DIVINE AND CELESTIAL DAY

NO GROUP WILL MATTER

AT ALL

TO THE ONE THAT CAME TO YOU AS ONE

AND ASKED YOU

WHAT THE HELL FUCK WAS AND IS WRONG WITH YOU

AND WHAT THE HEAVEN FUCK IS RIGHT WITH YOU

AND IF YOU DON'T KNOW BY NOW

THE ANSWER TO ALL OF THAT.....

WHAT DOES IT MATTER WHAT I

EVEN I TELL YOU

HERE AND NOW?

I WANT TO HELP YOU GET OVER THE LINE

OVER THE BRIDGE

OVER THE RIVER

OVER THE CHASM

BUT ALL I CAN DO IS REMIND YOU OF WHAT YOU SHOULD ALREADY KNOW

YE ARE GODS

YE ARE GOD BEING WHO AND WHAT YE ARE

YE ARE GOD ON EARTH

YE ARE GOD IN CREATION

YE ARE GOD BEING YOU

AND YOU KNOW GOD

AND NEED TO ACT LIKE GOD

AS YOU KNOW GOD TO BE FROM GOD BEING YOU FROM WITHIN YOU AND ALL AROUND YOU

IT IS IN YOU

IT IS WITHIN YOU
IT IS YOU
AND THAT IS WHAT YOU ARE
THAT IS WHAT YOU ARE
THAT IS WHAT YOU ARE
GOD BEING YOU
PAY ATTENTION TO GOD
THAT GOD MAY PAY MORE ATTENTION TO YOU
FOR GOD PAYS ATTENTION TO ALL OF WHAT IT IS
AND WHAT PAYS ATTENTION BACK
GETS MORE ATTENTION STILL
WALK IN GOD
THAT GOD MAY WALK IN YOU
LOVE IN GOD THAT GOD MAY LOVE IN YOU
BE IN GOD THAT GOD MAY BE IN YOU
THAT IS WHO AND WHAT YOU ARE
THAT IS WHO AND WHAT WE ALL ARE
THAT IS WHAT THE WHOLE OF CREATION AND BEING AND BEING IN CREATION IS
JUST THAT ONE THING
THAT ONE THING
ONE THING
ONE.
I AM LIKE THIS RIGHT NOW
TELLING YOU ALL OF THIS
BECAUSE I BEGGED FOR MORE
SOMETHING
SOMETHING REAL TO GIVE
TO THOSE THAT CAN DEAL WITH IT
THAT HAVE DONE THEIR BEST
THEIR VERY BEST
TO DEAL WITH IT
TO DEAL WITH WHAT IT IS
WITH THE, AROUND THEM AND IN THEM
AND KNOW ALL OF THAT AS ONE THING BEING THEM.....
AND IT'S HARD
AND NOT EVERYBODY IS DESIGNED TO DO SO
BUT IT IS WHAT IT IS
AND THIS IS IT
THIS IS IT IN SO MANY WAYS AND TERMS
THIS IS IT
TIME
LOL
TIME MEANS NOTHING ANYMORE
WHEN IT EXPLODES
IT WILL SEEM LIKE IT ALL JUST FELL DOWN ON EVERYONE
SUDDENLY AND ALL AT ONCE
[WE KNOW BETTER, DON'T WE? DON'T YOU?

In The End YOU Will Find That The Entire Box WILL Be Thrown Out

Among the many and constantly changing and fluctuating energies and vibrations that all lead to the inevitable point of convergence – WE gained an opportunity to make things better and so WE took it and now, here we all are and what is coming comes, like a snowball rolling downhill.....

WE remind the shadow players that WE are not held back by their concepts of things, such as non-interference. There has been nothing but interference in one form or another, on this planet for millennia. WE are simply setting things right and making crooked lines straight – polishing and sharpening curves and angles as need be. What WE have extended to you dark ones and all of you, really, is mercy. Do not let either your arrogance or ignorance let you continue to believe or think otherwise.

We fully understand that negotiations are crucial in your efforts to begin your new world system of good, as you call it. But you cannot solve old problems using old paradigms, values and ideas. You are trying to think outside your little conceptual box of perception using only what you know that exists inside that very same box. While WE commend your effort and dedication to change, in the end you will find that the entire box will be thrown out and you will be left with a wide, open and expansive field of limitless possibilities all based upon the new spiritual understanding that you must have in order to exist where life on and in and around this planet, is heading.

Make no mistake. It is a done deal and there is only the perception of being in the experience of doing it. WE watch with some humor, your attempts to continue to lead the mass consciousness in the direction that you want it to go. WE smile in disbelief at your continued hope of pulling off a miracle save of your agenda and from the outcome that stands before you that looms larger with each passing moment.

While you are negotiating how you want the 'new' money to be and the 'new' politics to be and the 'new' governments, the 'new' environment, the 'new' humanitarian mindset that you think will suffice in order to keep as much of a semblance of materialism as you can, intact.....WE are reminding you that this entire universe is owned by Me, A Creator Son, having been created by ME as a gift to The PARADISE TRINITY and SOURCE OF SOURCES. It is and will always be run by MY WORD WHICH IS THE WORD OF SIRAYA WHICH IS THE WORD OF PARADISE TRINITY WHICH IS THE WORD OF THE ONE.

Do not forget that this is a time of Divine Adjudication and evaluation and sorting. GOD'S WILL IS DONE IN ALL THINGS AT ALL TIMES. Do you think that you are exceptions? The scales continue to tip away from and against you every second of every day. Light bears witness in truth that, as the mass consciousness grows in light, the shadow that it cast diminishes. It happens with a simple statement of the energetic heart and spiritual mind: GOD'S WILL BE DONE! THE DESIRE TO ACT, THINK AND FEEL IN GOD ACTING, THINKING AND FEELING IN YOU.

What care WE about your diatribes about aeon and archons and the lords of karma? Karma is but a mechanism that bears witness to the balance with one and all in the causes and effect of acting, doing and being. It is automatic. Everything is its own reward. It is as simple as that. You do it, you are it, you get it. Whatever 'it' you birthed, you must take responsibility for it and act and be accordingly.

You tell people not to give up their power to any outside thing or separate thing and it is well and good advice. But God is within all things and all things are within God and you desire to place your power in your own ownership when it is God that has given it to you that you may learn through your experience and experiences, the perfect wisdom of the doing and the being of God's Will. You are free, at this time, to further evolve in the doing and being of God's Will, or to go back to learn how to get it right. However many times it takes, however long the road to your promised perfection is, that is what you have manifested in experience for the sake of the experience of God being you in experience. WE know that not all of you understand this point, but it is what it is and you will learn to give way to God's Will within you and all around you and be in synchronicity with it.

The path to pure and perfect knowledge, wisdom, being and power is not easy nor should it be. The ability to appreciate true freedom and liberty, being able to do any and all things anytime, anywhere, is not to be taken lightly. The discipline and strength is enormous. At the end, you are God and God is you and yet, you are yourself, with your own perfect personality, knowing all things and doing and being as God is and yet you are each other.

Until that day, you ones that understand that the journey is far beyond the concepts and values that you have been limited to during your sojourns on Urantia/Earth Shan/Gaia must know that now is always, always the time to think about God's Will in you and you in God's Will. To take personal inventory of self as being consciousness, mind and heart and spirit is an eternally perpetual process that is crucial to overcoming. Remember who and what you are, or learn that, for too many of you have no clue about yourselves beyond being a physical being. You are more and more and more of you are coming to realize that and act upon it and be that.

So this is what WE see as the scales tip further and further to the Light and, as things progress to their inevitable point of convergence, the scales will be able to tip no more and it will be done. I will not give you any more statements concerning when and how long.....any moment, now...will have to do and you should live in each moment of now, being and acting accordingly.

Make your choices and live by them for all will understand when the time comes for them to continue the experiential journey of their spiritual evolutionary path to perfection. You will go where your choices have led you. This planet, or another. This density or another. One form or another. Be not so thoughtless and dense and dark as to insist upon uncreation, as Lucifer did. As it was given to him, so shall it be given to you, if you leave yourself no other choice. Know that the life of spirit mind/consciousness, in light and love, is infinite and eternal. There is no fear of anything for there is no harm to anything. DO NO HARM is a foundational rule of such a state of being. But the denser realms work with denser bodies and denser brains that can develop denser minds and hearts, and so it is here that the lessons are best learned in experience that you may fully and truly appreciate the wisdom of The Great Path, The Perfection Of God and The Way Of God.

LEARN WELL AND KNOW THAT IT IS NEVER TOO LATE TO TAKE ANOTHER STEP
TOWARDS THE ONE LIGHT AND ONE LOVE OF THE LIVING ONE THAT IS ALL LIGHT AND
ALL LOVE AND ALL LIFE.

I AM CHRIST MICHAEL ATON
SUPREME AND UNCONDITIONAL SOVEREIGN OF NEBADON

I SHARE AND EVOLVE MY LOVE AND LIGHT
WITH ALL OF MY CREATION
ALL MY CREATURES
AND GROW AND FULFILL MYSELF IN THEM

AS DOES THE PARADISE TRINITY

AS DOES SOURCE OF SOURCES.

Sigh

Ok.....put one letter after the other.....i can do this.....

Move forward.....

It's been awhile, I know. I've been.....inside, within, working.....

The past eight weeks or so have been.....something.....

No October surprise, or November surprise, or Thanksgiving surprise and now Christmas is here...

MERRY CHRISTMAS, btw....Source and CM Bless you all. PAPA BLESS US ALL, EVERYONE! MAMA BLESS US ALL, EVERYONE! SONNY BLESS US ALL, EVERYONE! TRINITY BLESS US ALL, EVERYONE! CHRIST MICHAEL ATON BLESS US ALL, EVERYONE! SOURCE OF SOURCES, GRANDMA/GRANDPA BLESS US ALL, EVERYONE!

Thanks you all for everything. I am honored to be with you all here, in these times.....

Okay...enough of that.....

I generally get ticked off every holiday season.....it starts right after Thanksgiving and lasts until sometime in January.....just another cycle of more bullshit to endure and fight against....when will it end?

The middle of November came and went....and I ranted and raved in the meeting like never before, a real tantrum I had.....and the reply I got from my beloved Boss was "Don't you trust me?"

Well...that ended that....all I could do was smile and laugh....i saw what He was doing and there was nothing I could say. Nothing else mattered except the Will of The One and this was it and I was just playing my part and being overly self-interested, after all. What the fuck do my hopes and expectations mean in the face of the One Reality?

Expectation leads to disappointment.....so it has been said. It's all I can do to keep up with and perform maintenance on myself.....a perpetual work in progress.....

And so testing continues...if that can be the word for it...it seems like more.....inexplicable malfunctions and breakdowns have been happening all over the house and I realized someone was trying to tell me something....the best I could do was making lemonade out of lemons..... But it placed me in a period of evaluation and reevaluation and inner analyzing and clearing out and cleaning up and rearranging and remembering and going over things I haven't thought of in ages.....

My life has been passing before my eye.....oh God...did I do that? I did that....why did I do that? How did that happen and that and that and this and where and for what and what caused this and that and what effect did any of it have as far as directing and redirecting the course of this journey that has seen me through all of it only to arrive here and where the hell am I, anyway?

Did it really have to all be this way and could it have been any other way and if and if not and so.....but this is it and I have to be here because here is where I am now.....and nothing else would have done or would do or will do.....

And does it matter what I want and what do I want? Do I know enough to know what to really want? Why do I want anything? Am I too stupid to know what to want on my own? Definitely. Except for that one thing that I must want, need to want and makes all other wants seem stupid and unnecessary....more about that soon.....

The Lord is my shepherd. I shall not want.
But how can one not want...something? But the Torah says something different.....at least the one I have.....[hey, know your enemy, I always say...]

The Lord is my shepherd. I shall not lack.

There is a clear difference. Maybe they just don't want the goyim to want anything but what they tell them.....considering the circumstances and all.....

Yet what is important among the things that I perceive myself to lack or am lacking in?
I can scream for wealth all I want, but that all seems to be some sort of fuzzy catch 22 that involves a lot of 'why' and 'for what' and could break you easier than it could make you and all that....besides.....we're still here and the bills are....basically paid... and trust and faith in God through the kindness and support of others as His vehicle of expression has been a blessing I can't deny and I am grateful without end for the help I've received and the Love of God within it....so thanks to all involved beyond measure.....

No...what I need is clarity.....i need deeper, higher, wider....more expansive consciousness from the source of all consciousness within the expression of consciousness that I AM.....I need to make more room for that.....

So I've been spending the past several weeks in deep thought and contemplation.....cleaning out the attic, the closet....the basement.....sitting in my little room of mirrors looking at myself from every angle and aspect.....I am this and I am that, dog and unicorn, angel and beast....cute little furry, cuddly beast....but beast nonetheless [smile]....madman, fool and prophet, creator of realities and subject of the realities I create.....alien and human being.....and more.....
I look up at the skies as it snows and know, grok....that each snowflake is God and each raindrop is God and every molecule and atom and quark and ultimaton in the holographic field of photonic consciousness that upholds the grid and field of experienced creation....is just that One Thing expressing Itself, experiencing Itself through the mechanisms that It has created to do so.....

We are not just containers for souls, as some people, for some reason, woefully exclaim...as if it were some sort of punishment that takes away all the meaning they thought their life held.....nay.....we are all vehicles of expression and we are expressing the Divine.

Oh you may love the idea or hate the idea. You may flow with it to its fullest extent in you or you may resist and reject and fight it as best you can.....but you are that Divine Creature being expressed as you and that means that it is the same for all others around you and all things around you and there is no escape from that..it..It..IT is everywhere and IT is everything and that is that and there is nowhere to go and nothing you can do or be that can or will change that circumstance in any way, shape, fashion or form.....when even your rebellion is a means of expression, what can you do but surrender? You can carry on for as long as you can in the way that you feel....as a means of expression....you must....but you and I both know that....as a means of expression....that can all change in the blink of an eye...or less time...time being relative in perception of experience.....and there you are.....knowing the part you played and play to the fullest of realization and recognition.....try not to scream....or do, if such expression makes you feel better.....

God's will is done in all things and now.....there is pressure.....the experience is changing into

something.....heretofore unimaginable.....never before experienced by the mechanism of consciousness that has been expressed on this planet.....it is time.....some are having a hard time with the fact that it is time and are barring the gates and loading all available weapons.....but you cannot fight what is within you. You cannot win against a thing that owns you, having created you for the purpose of expression in order to demonstrate Itself through experience.....you cannot fight such a thing and win. You can only surrender to Its Will because that's the only thing there is...if you see the reality of the situation for what it is.....THERE IS ONLY THE ONE THING. ALL THINGS MANIFEST BY THE ONE THING WITHIN THE ONE THING ARE SUBJECT TO THE WILL OF THE ONE THING FOR CONTINUED EXISTENCE AND THERE IS NO EXCAPING THE FACT THAT ALL IS AS THE ONE THING WILLS IT ALL TO BE.....

So there are, has been and will be those that seek to do the will of The One Thing and those that rebel against it....hey, welcome to the realm of duality within the unity of the One Thing for the sake of experience in expression. This is so that, as The One Thing desires to create beings that are like unto Itself...It will have the company and friendship and family and love and devotion...all in unity of will, ONE WILL [guess whose...] of beings that have been tried and tested, evaluated and passed, that are not found to be lacking in consciousness to the point and level where they are responsible in their strength and knowledge and hold such power as they have been given to do and be anything....HAVING EARNED THAT RIGHT THROUGH EXPERIENCE.....and yet, even then....the journey still evolves.....infinite and eternal.....

[This is where all the members of the choir and the regular staff workers and personnel that been working diligently for and with and in the light can take a break, grab a drink or a smoke or a sandwich or something while I talk to the people hiding in the shadows in the corner of the room thinking that we never knew they were there spying on us.....we'll meet again later at the next post which will be soon...right now the little shadow spies must be given a message to take back to their failing and flailing masters.....since they'd rather be slaves to them than be slaves to God....go figure.....and someone please bring me back an amaretto mocha and a nice toasted English muffin? Oh! Yeah! I saw that on the counter! Raisins and cranberries sounds real nice....thanks!]

Ok.....listen up little shadow chumps....choices have to be made and you have to make them before your time is lost for good and forever.....i know, I know...you guys don't give a shit about me or anything I have to say.....just...humor me this once....okay?

You, who fear such power, fear it because it is held over you and through you and you want to be already, as God is....and none of us can do and be that fully.....we all have beginnings...we are created beings and things.....THAT WHICH IS MASTER OVER ALL HAS NO BEGINNING AND CAN NEVER, EVER END AND IT IS THE ONLY BEING THAT QUALIFIES AND THERE CAN BE NO OTHER.

Yet you do not want to be slaves to God...and apparently, you more so reject being slaves of Christ...and because you hate the Father, you hate the Son even more, for it is He whom the Father sent to you to show you truth and reveal the error of your ways.....and still you reject light and seek the darkness of the shadow....but there is no shadow without light and the being that casts that shadow is but the body of creation in The Supreme Being. That body only grows and evolves and expands in light and as it does so, the shadow diminishes. The day truly comes, even for this place, where there will be no place for a shadow to exist, for light will permeate all and everywhere.

Then what shall be done with you, whose minds are shadowmind? The new creations of the outer, evolving realms await you! You can have a clean and clear expression to start over with and that will be that. You may, perhaps, find your way to the shadow once again....and there shall be God The Ultimate, evolving in light.....and maybe you will try again....and there will be God

The Absolute in the realms of Its evolvement.....or....you could be Gods in your own right by then....having been tried and tested and found without lack of any aspect of pure Divine Consciousness within you.....and then ye shall see what you are blind to right now...it is better to live forever as a slave to God in Light, than to die and be uncreated in the darkness of fear. Though you may have conquered whole galaxies, as some have, the end is always the same.....it ends....and there you were and then you were gone and the life that was within you went on without you.....Ye have been offered life, eternal and infinite, and all that comes with it. But how can you have what you cannot comprehend? You refuse to do the work of God and so cannot receive the reward. You have had your reward in darkness and have already served yourselves. What is left for you to have?

When you realize that The Boss is The BOSS and that you gave your all for a simple department manager – who no longer exists within the company structure, btw...- you will have choices to make.....follow the one you pledged allegiance to, leave the company, for good, thank you and goodbye and oh well and all that.....or recognize that your department was allowed to function because it suite The Boss to let it do so but that's all over now and are you willing to see the situation for what it is and accept reassignment while keeping the perks of promotion that comes with being a good employee....work your way back up the ladder the right way this time..... But you ones call that slavery even though this is, in no way, a mickey mouse operation. [subtle wink/nod here]

Okay.....enough of that.....now this.....

You cannot define the actions of God by human definitions. This is why you must throw away the box. The box does you no good anymore. You are trying to negotiate a transition into a new world that is beyond your experience. It's only boundaries are those of your imagination....well...maybe not YOUR imagination...you guys seem to be lacking in that department. Either that or the things that you imagine are all tempered by your fear. You fear the masses and so you fear giving them freedom and truth and the responsibility that goes with it. You say they can't handle the truth [smile], but they can. You say they can't handle abundant and endless supply and prosperity.....but they can. They can handle equality without status quo or elitism. They can handle life without the need for competition, only the need to provide the best of service for the sake of all involved. Self-interest can be defined as being interested in others. Self-service can be about serving others.

You guys are still fighting over resets and who will control what when 'the event' finally comes.....guess what.....you've got it all wrong.

You've forgotten one, tiny, teensy weensy lil' ol' detail.....here comes the judge..... Actually, the judge is already here and Divine Adjudication will be carried out for every individual on the planet. You've been told this and know it but your minds seems to disconnect in the comprehending of it.....you cannot do this while you are still thinking in terms of over 7 billion people that must be unplugged from the matrix of your making. If for no other reason than the fact that you don't really want to unplug them.

You're willing to make a good show of it....take out a few connections here and there....but you're still looking for a way to stay in control and this is your fundamental lack of reason and reality.

YOU ARE NOT IN CONTROL AND YOU HAVE NEVER BEEN IN CONTROL. YOU HAVE BEEN ALLOWED TO OPERATE ONLY BECAUSE IT SUITS THE DIVINE ITS PURPOSE OF DEMONSTRATION FOR THE SAKE OF EXPRESSION IN EXPERIENCE.

YOU ARE ONLY PROVING THAT THIS WHOLE THING IS BEYOND YOU.

[the following paragraph is my personal opinion = just sayin']

By now you should have dismantled the fiat currency apparatus of global central banking and quarantined the headquarters in Israel, The City of London, The Vatican, Washington D.C. and

shut down all stock exchanges. You should have arrested all operative leaders and workers of the global domination front, from every side and faction. Announcements should've been made and open, above board and transparent cooperation with the galactic forces of the spiritual hierarchy should be well underway already. Heck, you could've just declared a global jubilee, given every person on the planet an unlimited bank account through your own favored, electronic means- just as an interim measure, and hauled out the free energy device and other high tech that will have to be mass produced, thus creating new industries and employment. I'm sure billions of adults won't mind working a few hours a day to help produce things and keep themselves busy as they watch the world improve....no more theft and all....maybe even the drug trade will become a moot point...they'll eventually wean themselves off of it anyway...a good life without such stress and frustration goes a long way in creating healthy and balanced minds and hearts and bodies....there's more....but I'm sure you get it some of it by now.....but that's me and I'm insane, as you have always declared.....smile.....

[and now back to the facts and facts of appearances]

Note: You will not be able to maintain the status quo that you are used to or desire. Most of what you envision will be a moot point as adjudication moves forward. However much you may want to try to jockey for position in hopes of improving your chances....as some of you seem to be doing. You are only succeeding in giving lip service to something that is vitally important to the future welfare of this planet and its peoples and all of us, including you, deserve better. Just who do you think you're fooling with this smoke and mirrors one trick pony show? You are fooling less people by the minute and you have never fooled God.

Surrender to The One Mind and Will that is greater than all of you and us and all....put together....and make way for Its Way, okay?

Well that should do it for you guys today....thanks for being here...always a pleasure.....

Oh.....my snack!....thanks!

Ahhhhhhhhhhh...coffee.....sigh.....

Okay.....i gotta go upstairs for a quick minute and see what they want me to do with this thing and I'll be right back.....tell them to meet me in the lounge...might as well be comfy.....thanks.....

THE YEAR OF RISING

By Kibo

Jan 2, 2014

THE YEAR OF RISING

HAPPY NEW YEAR!

Okay, enough of that.....

I AM personally declaring this to be year of rising.....that's what I'm calling it and that's what I'm calling for. I don't care if it catches on or not.....I'll do it by my damn self if I have to.....so there.

Put the guns down and pick up your minds.....embrace your consciousness like a long lost love of your life that has returned to you after all these years. Embrace it like a gift from God, because that's what it is.

Your consciousness is a gift from God. Time to open up that baby....tear off the wrapping and put it on, try it out, take it for a spin around the block and see what it can do.

I was thinking of calling it 'The year of awakening' but it's too late for that. If you didn't wake up last year, you're just going to have to play catch-up.

This is not a time for wussies.....myself included. It's time to take the bull by the horns and kick that sucker so far up the ass it will never lay out any bullshit ever again.....and yes...I am pissed.

I'm pissed that it has taken so long.

I'm pissed that we're trying to comfort these people by letting them know it's alright to come to the light.....we love you and will treat you with mercy and compassion.....and still they twiddle their thumbs and say 'well...I dunno.....it's such a big step.....i don't want to lose myself in the process...'

WTF is that!? YOU NEED TO LOSE YOURSELF IN THE PROCESS AND BECOME A WHOLE NEW AND BETTER SELF! QUIT STALLING FOR TIME! YOUR TIME HAS RUN OUT! GET WITH THE PROGRAM!

I would say something like 'or suffer the consequences...' but , believe it or not, suffering really isn't part of the program. That's what we've been trying to tell you, dipstick.....
Here's the thing.....you do have choices and all of them have their own consequences. YOUR problem is that you think of the word 'consequences' and you automatically think of something bad.....there is such a thing as a good consequence, y'know.....or maybe you don't. Here's your chance to consider the notion.

So
You could live or you could die the big death.....
Now, you think that's only two choices...and that's where you'd be wrong.....
You see....you should see.....you would see if you had started this conversation some time

ago.....

Living is more than one choice.

It's not just a matter of living..... It's how you live....doing what.....being what.....and you.....you have no vision.....you have put your consciousness in a teeny, tiny, little box under lock and key and there it has stayed until this day.....and now the day has come where you have to let all that consciousness...and the strength and power of it.....out.....and you are afraid....and really pissed off....

You are afraid because you don't know what you can or will do....and you are pissed off because you know that you can no longer do what you think that you want to and should do with it....according to you.....you want what you desire and you can't have it and you're throwing tantrums while you watch all that ground you gained slip away like castles made of sand melting into the sea.....high tides a bitch, ain't it?

You're nitpicking over the little stuff.....you want to know if you'll be treated nicely during the arrest and the incarceration and the trial and.....the judgment.....then there's THE JUDGEMENT.....

Still...I personally prefer the term 'Evaluation Day'graduate or take the grade over or get sent back a grade...or two...or three.....

You only get kicked out of school if you really tried to and really insisted upon it.....so that's on you....

Even if you start over again...a flower somewhere or a really cool bug or something.....it'll all be over in a seeming blink of the cosmic eye and before you know it, you'll be an intelligent, free-will, ensouled, ascending creature again.....working you way up the ladder the right way and walking the path with joy and gratitude.....

You might find yourself on another planet somewhere....really nice....great people, great culture, great knowledge.....a perfect place to get in tune and with the flow of perfection in light and love. Walking leisurely to life, eternal and infinite.....and the former thoughts will be less than a distant memory fading away like a lost dream.....a bad dream, but you're awake now....so...no harm there.....it's all alright.....and it is and will be.....personally, I think that's a really good and sure thing to shoot for....but you'd have to earn it.....stand down, surrender, trust, love, faith...peace, love and understanding...you have to want it to have it.....and it really does help to want what God wants....that's key.....knowha'imean?[knowing grin here]

Really....what you need to do is just to let it go....make the announcements, let the light have its way and apologize for all the trouble and torture. We know that you were pawns in this game that took it all too seriously and forgot the original rules and just went crazy with it.....all that Anunnaki training and brainwashing, luciferian regimentation and discipline in the ranks and all.....i get that and others do, too.

Don't let all the screaming by the unawakened for your heads hanging from lampposts or adorning the tips of pikes get to you.....we all get it. I know you get it. You feel that it's what you deserved for your...antics....and any other time you'd be right....but these are not any other times or time and you really need to take advantage of that and go with the flow before the wave just washes over you and you go under and drown because you're struggling against it and there's no other way to go but with it if you want to survive into the age that is already here. Beginnings are always that fuzzy period when no one is really sure what happened or what's happening until the next phase begins and then everyone goes ' Ohhhh! So THAT's what that was!' Then they go and put it in the history books. No one ever does it at the time.....but that time is over and the next phase is here so it will be seen and known that the beginning started some years ago when very,

very few knew enough to pay attention. They paid early for their front row seats and the rest of us had to get in line to pay to see and pay to play [no, not your pay to play...our pay to play....and now all those people that have gathered here today for these times are rising to their feet, fists in the air....booing you off the stage.....you thought you were the show and now you find that you're just the opening act. You're the local band of amateurs and now the professionals are ready to take the stage and you don't want to leave.

We all already know how that scenario ends....with you off the stage....by hook or by crook.....like the clown at the Apollo, a very visible [smile] Mr. Apocalypse will forcibly escort you to the exit, stage left or right, it's all the same.....the main act is ready.

You've put on a good show....we learned a lot from your angst.....we get it...never again.....never again will anyone ever do what you were allowed to do.....no more.....that audience can only take so much and after a while it gets repetitive and then it's nothing but tiring and then it gets boring...especially when you only know one song [me me me me me me me me me myself and fuckin' me.....]yeh.....up to this point we let it happen thinking the song had an ending...but some of us have come to realize that you just don't want to give up the stage and you'll sing that one line forever until you're stopped.....

So now you're stopped.....like Hagawira Sakura in her 66th fight.....we won.....it's been a long hard row to hoe but.....the seeds are sprouting and they are rising..... Harvest is coming....good times...good times.....

So...come in from the cold if you can. Come out of the darkness if you can. Embrace the light and feel the love...if you can. I'M not going to force you or beg or try to convince you because you already know which way the wind is blowing and smell of your own bullshit is now careening through your own olfactory senses and it seems that you don't like it either.....

I, personally, am calling for your unconditional surrender...immediately.....let freedom ring here and we'll sort you lot out elsewhere in a better setting for all involved.....or....you could take what you've got coming and clear a lot...A LOT of karma in the doing of it.....and it wouldn't be as bad you think it will be...as you know...torture is 99% imagination...you endure more fear than we do, it seems...time for all of us to put our fear in the dustbin and put our toys away and start being adults of God.....it is time for us all to grow up...spiritually and in consciousness.....this we will do, with you or without you and you will do it, as well...here, there, now, or later..... somewhere, sometime.....the learning ground you need is prepared and waiting your arrival.....a last chance to see if you can do it.....forgive me if I still have faith in you....we'll see.... In the meantime.....we are rising in consciousness and it's too late to try to do anything about it. The rest will follow in due course simply out of necessity.....hey...it's trending.....

So
You could wait it out and see if the lamppost thing is put into play...but then...you would've made that happen by doing so.....self-fulfilling prophecy and such and so on.....hey...your fault.....

Or
You could do the surrender thing....preferably love, devotion, trust, faith and surrender....but I don't think you have it in you to do all that right now.....you tend to do things ass backwards so surrender might be the first order of the day and the rest will come when you realize that it was all much better than you thought.....under the circumstances...

Or you could go down. Not swinging...too late for that.....cursing, spitting, fighting futilely to keep what you think is still your place.....it never was your stage and you can no longer think about touring with the band on this one.....ah well.....

But the audience is rising and crowding the stage...think fast.....the clown is ready.....the MC is walking to the middle of the stage.....you know what comes next.....humiliation.....let's not go there.....i don't want you to be the laughingstock of creation.....I want you to be free and happy and living in light and love.....we all do, really.....

But we will kick you out if need be...don't ever think you're in a position of strength...you're not.....WE are and GOD IS.....CHRIST MICHAEL ATON IS.....THE GFL IS, THE ASCENDED MASTERS ARE AND AWAKE AND AWARE HUMAN BEINGS ARE.....

IT IS RISING

IT IS ALL RISING

A SUN

A TSUNAMI

A UNIFIED WILL

ONE VOICE

ONE THOUGHT

ONE WILL

PAPA'S WILL

YOU CANNOT OVERCOME THIS AND THERE IS NO HOPE OF WINNING. FURTHER DESTRUCTION WILL ATTEND TO YOUR OWN DESTRUCTION.....

PUT DOWN THE GUNS AND PICK UP YOUR MINDS.....THIS IS THE YEAR OF RISING.

GOD IS ALL ARE WE ARE ONE ARE WE ARE ALL IS GOD

[Deryl had sent me a message of concern and i have to feel for him because it caught me at a time when all rails were heading to the same point and his concern just became a tipping point in something that I've been getting to over time and in spite of myself.....but there is no more time or stalling or hiding that can be done....it is time...at least for me.....i wrote this reply to him and realized that it was more than i intended.....and longer than he would want....[smile...apologies....sheepish smile]....so while i will try to make shorter posts in the future.....somehow.....this is something that is supposed to be the beginning of something big and new and i want him to know that he is part of it and you are, as well....you all helped this happened and now it is time to take responsibility for making it end.....[big cheesy mad scientist ultimate plan smile, here] So without further ado...is the next phase of being that has been revealed to me through extremely ridiculous and painful and amazing circumstances that really just hammers it home for me. personally, just how much SOURCE OF SOURCES AND ITS CHRIST MICHAEL ATON OF NEBADON, HAVE IT ALL UNDER CONTROL.....good thing, too.....

so here it is:

Ahoye! God is with you!

I'll read this over the weekend...I've already read 'Silent weapons for silent war...' or maybe it's the same book you sent me.....it's been so long.....however...this is something that has been set up...the apparatus for it.....since WWII....it is the dismantling of this apparatus that has been and is, one of the objectives of the freedom movement..... since then, other mechanisms have been discovered...such as the changing of music frequencies from 432 hz....which is the natural Earth frequency, to 440 to 444 hertz.....which is...well.....not the same....this has been used as just another control mechanism...as well....however...it has not worked as well as some had hoped on the dark side of things.....music is of God and always and will forever be of God.....and let's face it...good music transcends all human logic and ventures into the realm of human feeling....so all of it can be used to progress the species.....and this has also been their undoing. they never understood the immensity of the values that they were dealing with. True, they have succeeded well in dealing with the subliminal programming...but that can be easily counteracted...it is in the development and delivery of the meaning of spiritual values that they have been lacking in effectively counteracting. This has been because of the fact that the simplest of values can easily overcome the most complex of negative algorithms in music. This is something that I would, personally like to help out with. Music is the way to increase spirituality in the human individual. That, when placed with the proper frequencies and images, will create a veritable storm of rising consciousness in the mass consciousness that cannot be counteracted. The really great part of this is that it can be used with the current algorithms that the dark thinks are purely for their own use...it will be like shooting them with their own gun...so yeah...I wanna get into this, now is the time and this the place.....there are examples of music that was produced in the 70's, such as the group YES...that proved that popular music on Earth could be used constructively and for the sake of spiritual advancement. Anime is also a means to an end in this arena. This is a good time to introduce more spiritual and progressive images into the mass consciousness through this growing field that is just now being taken over by the dark. so it's not too late to counteract and overcome this effect.

They are losing power and influence and it is up to the rest of us that know what must be done and have the resources to do so, to fight on the battlefields that exist. These fields of war are not as much physical as they are mental/emotional.....it is time to use their own weapons against them and it is easier now than it has ever been.....

we need to blog, make short videos...as well as movies...make music that challenges the status quo and the power structure, support more uplifting art that stresses the beauty and magnificence of the soul and spirit in God and the greater possibilities that exist within us, rather than continue with the past attempts to corral us into the pens of their making.....and we can still use the popular forms of music that exist now to do so...that's the glory of music.....so yeah....I know...and the area is being addressed and has ben for some time...it's just now that I've gotten to a point where I can throw my own two cents in the pot.....so pray I get to do this and join me and help out if you can and look around to see where you can throw your own nickel into the pot and change the value of the pot more to our liking in light rather than their in darkness.....

now we can produce better programming, better shows and movies....without relying on the dark for resources....better music and stories and books and poetry...this is our time.... we can create better business models that are reliant and founded on helping each other for the sake of sustainability rather than just profit.....This is our time, my time and your time. This is the time to take the world and make it into what WE want it to be.....by how we act and do and think and feel and create and share and cooperate....

I have a friend that used to work for a bank and then went our and started his own credit union. As central banking is increasingly being dismantled...let us continue to find ways to fund our own dreams that don't depend on the shadowmind to prosper and increase the ability of the world to create true prosperity.

While there is micro funding in places like India and Africa and South America.....let it be the same in the US and Canada and Europe and China and Russia and anywhere in the world where people are tired of the status quo set up on the values of oppression and enslavement.....THIS IS OUR TIME...THIS IS OUR TIME TO RISE!

and you know what?....this is going straight to post in the blog....right after I send it to you and I'm call it a post for Deryl!.....because soooooo many people are going through what you are going through and want the world to change and it's not changing fast enough so we're going to have to roll up our sleeves and MAKE IT CHANGE FASTER!

YOU WANT CHANGE? BE THE CHANGE YOU WANT TO SEE IN THE WORLD!

YOU'RE SICK AND TIRED OF SILENT WEAPONS FOR SILENT WAR? MAKE SOME FUCKING NOISE FOR GODS SAKE!!!!!!

WHATEVER IT TAKES TO MAKE THE NOISE THAT WILL BE HEARD THROUGHOUT CREATION...LET IT BE YOURVOICE! YOUR VOICE! YOUR VOICE...BACKED UP BY YOUR HEARTFELT AND SPIRIT FELT AND MOTIVATED ACTIONS FOR AN END TO THIS EVIL BULLSHIT WILL MAKE IT HAPPEN!

I'M TIRED OF WAITING FOR GOD TO REACH ITS DEADLINE....I WANT THIS SHIT TO CHANGE NOW AND BY GOD, I'M GOING TO GIVE IT MY

ALL...SOMEHOW...SOMEWAY...THIS TIME..MY TIME..OUR TIME...YOURTIME...THIS IS IT.....NO MORE WAITING...DO IT....IT IS TIME FOR DOING NO MATTER WHAT ANYBODY OR ANYTHING ELSE IS DOING OR BEING....IT IS TIME TO RISE UP AND BE SEEN AND BE NOTICED AND BE COUNTED AND BE FELT.

LOUNGE ACT:

Act 23,443,256 Scene 243,936.012,786,409 Script: PAPA Subscripts: ATON AND DABI Sub-Subscript: Kibo

Kibo and Aton are sitting on a large magenta couch in the Grand Creational Corporate Lounge that is near the 3D7d billiards table and on the other side of the wall from the swimming cube. There are several data tablets spread out on the table before them.

The akashic camera pans by in the middle of their conversation...

CM: ...It'll work. You'll see.

Kibo: No, I get that part. It's just a matter of how. It's one thing to do it on a mental/emotional/energetic/spiritual plane but trickle down requires resources I don't have.

CM: That's because you're looking at it from the end result rather than from the beginning. Just do it step by step and let it evolve on its own and you'll see the result take on a life of its own, literally and figuratively.

Kibo: Little sucker's worked really hard to get here, hasn't he?

CM: That he has. He deserves this opportunity and is willing to take a chance on you in spite of your reputation.

Kibo: Geez, you make it sound like I take forever to do anything.

CM: It does seem that way to some...from time to time. All Divine Timing aside.....even you tend to think that you try even the patience of God.

Kibo: Um....yeah....well....ah....that mostly applies to getting emails back to people.....and writing on the blog....and.....um...yeah....i see what you mean.....but it's just that...well....it seems too often that I get to a point in thought or feeling or consciousness and the concept value is good and it works, y'know?.....and I should hurry and write it up.....but by the time I get there.....it's like the concept has become a springboard to another concept/value and now I just have to spend all my time pondering the evolution of the thing as it changes and evolves and becomes what it's supposed to be....THEN I can write it up.....other than that....i can't say I really have an excuse for the emails....i know that I'm a lazy procrastinator but I'm always caught up and lost in my thoughts....and...well...sometimes the search party takes a while to find me....y'know?

CM: Oh WE know very well and you'll just have to do your best to work with that particular personality trait. This project is a priority that will be of great value to all involved.

Kibo: I'm working on it...I'm working on it.....huh?....oh.....hey there.....ahoye.....we're just going over my new project.....one must rise...after all...and this...apparently...is what has been given to me by PAPA, to do so.....huh? my idea?....nah.....please don't let me have ideas.....my idea is winning the lottery and just staying at home and doing stuff like this and then some.....i could spend all day just contemplating God's Will for me being what I am in WHAT I AM....and doing my best to act accordingly.....Oh....you didn't know? I.....AM AN ACTOR! Well....i used to be quite a character.....in my younger days.....but I am no longer a child of God...I Am an adult of God and I realized that that I was an actor playing a character.....so I started concentrating on being the actor that I am....which...mind you...is just a character that is played by Source...well....PAPA.....and of course you know that PAPA is a character/ACTOR that is played by GRANDPA/SOURCE OF SOURCES.....you see how that works.....through PARADISE TRINITY, GRANDPA has established ITSELF as the stage and

set and actors and characters and props and wrote the script and subscripts [ad infinitum]..directs, produces and plays all the parts...ALL the parts.....but all actors get to play their own parts and develop and evolve the characters they play.....all according to script and subscript.....

CM: The thing you have to remember is that...here....the subscript of the script involved the attempted hijacking of the script by certain parties so that they could have world going by their script...but what they never realized was that all of that was according to script and more and more people are discovering and remembering the real and original script and some are even reading from it.....so the hijackers...

Kibo: shadowmind, techma, talmudists, zionists...and minions and willing [and unwilling] slaves....whatever.....

CM: Right...You have to remember that the Anunnaki knew that they were part of the original script/subscript and, for the most part...as far as individual participation was concerned, did as the script stated.....some, however....wanted to hold onto their characters...which is understandable under the circumstances.....so they helped the minion characters to develop a sub-subscript which is all of the memes that you are learning to resist at the present moment.....many of you, anyway.....and now that script has run out of lines and they find themselves in the strange and unfortunate position of struggling to ad-lib.....all of this is in the original script, by the way.....this is why you are witnessing such confusion in the ranks as their apparatus is continuously being dismantled, in spite of their desire and pleas to the contrary. It is a lost cause for them at this point and there is nothing to be done about it.....the show must go on, as it were.

Kibo: We know that many of you feel that you are the ones that are doing things and making decision and choices, but you have to understand that THE ONE.....SOURCE OF SOURCES....has established this from before 'the beginning' [as you ones understand it] and that all of this is just a means of expression of the Divine that you...all of us...may learn what it is to be, not just human....and not just what it is to be human beings, but what it is to be in God's Will as we journey to the perfection that has been promised us. It is as if God thought to Its Self...."What if everyone were like ME? Hmmmmmm....." and then did it all one better.... "WHAT IF EVERYONE WAS ACTUALLY ME BEING WHO AND WHAT THEY ARE? THAT WAY EVERYTHING, EVERY CHOICE, EVERY EXPERIENCE, COULD BE EXPERIENCED IN EXPRESSION IN ORDER TO DEMONSTRATE THE ABSOLUTE AND ULTIMATE AND SUPREME SENSE OF MY WAY, ABOVE AND BEYOND, WITHOUT THE SHADOW OF ANY DOUBT, OVER ALL, EVERY OTHER AND ANY OTHER WAY OF BEING, THAT WOULD, COULD OR SHOULD, AFFORD ONE THE ATTAINMENT OF PERFECTION IN WHAT I AM?" "I DO NOTHING IN AND OF MYSELF...IT IS MY FATHER IN HEAVEN THAT DOES ALL THINGS WITH, THROUGH, IN, BY AND FOR ME." Remember that one? Yes....no? Ah well

CM: Anyway.....while WE are rehabbing and revamping and remodeling Kibo's office space so that he can better accomplish this new assignment...

Kibo: Is there really time for this? You'll forgive me if I find that disappointing. This thing is supposed to be finished any moment now, in my eyes.....i shouldn't even have to be concerned with stuff like this.....I don't know how long it will take to get it started without the proper resources and I can't ask people for help on this thing...they're doing enough for me as it is....I'd be homeless if not for them. How can I say that I need resources for a project? I should crowdfund....that seems to be the way to go nowadays...still.....there isn't supposed to be enough time for this.....I'm happy to be able to see more of the script.....the real, original script.....and your subscript.....and my subscript.....but there's nothing that goes beyond here and now that will let me know how much time is left to do stuff like this.....wtf?

CM: We'll get to the resources conversation when you're ready to begin. Right now, it's a moot point. MY script will only tell you so much.....only PAPA knows that part and that's all because it's in His script.....I, Myself, would've liked to have seen this ended by now, as well....but The Father's Will is The Father's Will and that is that and we all must bow to the greater sense and knowledge of that Will. It may well be that all of this will transform into the new phase even now and today.....but until it happens by PAPA's Word....WE ALL must keep pushing and tire not. So we press on and endure... and I endure, as well. This is My universe but I have given final say in all things to Paradise Trinity and THEY, in turn, are the will of SOURCE OF SOURCES MADE

MANIFEST.....or as you like to call IT.....GRANDPA.....either way...GOD'S WILL BE DONE IN ALL THINGS!....and as soon as the people of Gaia learn this one, important imperative thing as the rule of their existence and surrender to It in love and devotion....We will all continue to do whatever it takes to earn the freedom and liberty in light and love that all ascending and descending beings aspire to, not just for the sake of this planet, but for all freewill, intelligent beings that recognize and realize their divine origin in SOURCE OF SOURCES.....SOURCE CREATOR....by whatever label you may choose that resonates with your being, THAT BEING, that is THE BEGINNING AND END OF ALL LIFE...THAT UPHOLDS AND SUSTAINS AND BEHOLDS ALL THINGS FROM WITHIN AND WITHOUT....THAT IS, INDEED...ALL THINGS AND ALL THINGS IN EXPERIENCE EXIST WITHIN IT AND IT EXPERIENCES ITSELF AS ALL THINGS FROM WITHIN ALL THINGS.....THAT BEING.....That Being is The Being that you seek and find and recognize and realize and comprehend and learn how to act like...to do as and be as God is..... GOD ACTS. So must you. Be actors in this great production of life and not just characters. Characters are acted upon. They are played by the divine beings of Source that you truly are. To act, to be actors in the great production of life in God is to rise above your material selves and truly do the work of being your divine, spiritual selves.

Kibo: Trust in the fact that you....we....all of us....will get there in the divine time that we were created to do so in.....you have all eternity.....but do try not to take that long to get it done...okay? Just breathe deep....stay calm....go

within.....connect.....listen...hear...learn.....seek...see...find...who and what you truly are in GOD and do and be that, as it is given to you to do and be so. It will take a great deal of struggle, and trust and faith...and love, devotion and surrender to light and love and life, eternal and infinite.....but you'll get there....IF YOU WANT TO. Please want to.....whatever is in the Great Script that concerns uncreation.....i wouldn't wish it on anyone....but it serves its purpose in THE ONE, as well.....no energy is ever lost and even in uncreation...what you were will be recycled and rehabbed into another you, according to The Will Of The One. In the end, you will be as The One is....in THE ONE....as The One...and yet you will always be you being who and what you are in The One..... We'll talk about you creating your own universe and being able to do anything and be anything.....at another time.....just ponder the possibilities of it, for now and remember that darkness has no place in such a creature as you can become.....if you really want it....but yeah...you have to want it to get it....you will get what you want...one way or the other...light or dark and the rewards thereof.....just make sure that you know fully, what those rewards are.....in the end.

CM: So.....enough of that....oh...announcements that you should be aware of: The 6 pyramids of the 12 Celestial Daughters have encased the planet in a cube formation and have settled in that position for the duration.

Also, 80% of the individual consciousness's within the mass consciousness of humanity on Gaia, are standing in light and are looking to Creator Source, by whatever concept they hold of It, either consciously, subconsciously, unconsciously or superconsciously. WE can expect no more as the hardcore numbers of those in darkness are settled at 20%. WE, as always, invite those that hold fast to the darkness to come to the light, in joy and celebration, but you will forgive US if WE do not hold our breath in the matter.

Also...a side note.....smart meters can be nullified by creating a strip of orgonne, wrapped in aluminum foil, which can then be securely duct taped around the housing of the smart meter....yet another fine use for duct tape [smile].

Kibo: We all have gifts. It is time to find them and use them. In whatever capacity we can, we must help others to see, not just the source of the problems of this world. But the solution to them, which is recognizing the self as part and parcel of God Creator and God Creator as part and parcel of who and what we are. It is not for us to compare ourselves with any other, it is for us to be ourselves and fulfill who and what we are....whatever that may be, within THE WILL OF THE ONE, SOURCE CREATOR, SOURCE OF SOURCES AND IN CHRIST MICHAEL ATON. ATON IS THE BRIDGE BETWEEN ALL ASCENDING BEINGS AND THEIR SOURCE OF SOURCES, AS WELL AS THE AVENUE TO HIS OWN SELF, WHICH LEADS TO THAT GREATER CONNECTION TO SOURCE WITHIN. IT IS ALL WITHIN YOU.....INCLUDING YOUR SCRIPT.....SEEK AND YE SHALL FIND...KNOCK AND THE DOOR SHALL BE OPENED

[ESPECIALLY TO YOUR HEART]...ASK AND YE SHALL BE ANSWERED! This is all for now.....go...rise...live the greater life of God's dream for you.....love and light and blessings to you all.

CM: So say WE all.

Camera pans out and continues its journey through the energetic, creational corporate headquarters.....voices of Kibo and Aton recedes into the background....

Kibo: Okay.....but what about the chicken?

CM: You don't need the chicken.

Kibo: But I like the chicken.

CM: sigh....Just establish this first and let it take on a life of its own as it should be.....and then We'll see about the chicken.....ok?

Kibo: Good enough.....now....how am I supposed to get all this stuff again?

CM: [big sigh] Okay....one more time.....

Personal Update

By Kibo Story with CM

Feb 21, 2014

Act#: you don't really want to know.....

Scene#: don't ask.....

[back to the script.....]

A small.....very small, actually....ahem.....a small crowd is gathered outside of Kibo's office door.

CM is walking by and notices.....

CM: What's all the hubbub....bub?

Ken: He's been in there for days...weeks...not a word....all of the sudden he starts screaming and hollering and talking in tongues and stuff. We can't get in without a key, so we're trying to find out what the fuck is going on in there. It's not like him. Usually we get some sort of memo...but this time.....

CM: [laughing} Oh, that! WE gave him a new assignment and it's driving him nuts, apparently. Well.....let me go in and see what's what with him and who and whatever....though I think I already know.....

[CM produces an all-access key and quietly opens the doors and sticks His big head inside.....]

CM: Kib! Dude! You in there? People want to know what the fuck is going on with you! What the fuck are you doing down there?

Kibo: Huh? Oh, it's you....Thanks...I couldn't reach the door.....i found it! FINALLY!!!!

MUAHAHAHAHAHAHAHA! [Kibo has been lying on the floor for several days....exhausted from his search. He holds up a single puzzle piece....while laughing hysterically.....]

CM: [Laughing] WE put that on your desk. How did you lose it?

Kibo: Fuck if I know.....but I found it! It was on the floor in the corner in the dark behind the desk and it took me...like...FOREVER....to find it...but I didn't give up! NOOOOOOOO, not me...muahahahaha...I kept searching until I found it! I CAN DO THIS! SEE!? I GOT IT!!!! I'M READY!!! NO MORE WONDERING HOW THIS THING IS GOING TO ALL COME TOGETHER!!! I FOUND THE MISSING PIECE THAT COMPLETES THE PICTURE!!!! I AM DA MAN! WHOOHOO!!!! [Kibo starts dancing while still laid out on the floor...kinda a wiggle while prone things going on....nevermind.....]

CM: This thing's been driving you nuts, hasn't it?

Kibo: No.....no...it isn't that.....i just felt like something was missing and I needed to know what it was before I put it all together...now that I know...it's all good.....i should have a finished product in about two to three weeks...give or take a few days.....I can do this...it's all good.....just.....

CM: What?

Kibo: Explain to me again just why I'm substituting for you in the classroom for a day? 50 years....50 + years with perfect attendance.....and now all of the sudden you want me to come in and try to reach the students.....and I can see, now...what it is you want me to do.....but wouldn't it be better if YOU did this, instead of me?

CM: Probably...but you need the experience.....You'll be running your own school of thought, soon.....

Kibo: Maybe.....but my frame of mind right now is "nuh uh...not me". I want deal strictly with graduate students.....Spiritual PhDs and such.....I just want to give free range to expression and send them out to do their thing and create newer universes and such and so on and so forth.....I'm going to create the big, ready made for everything, universal experience of GOD in manifest form.....

CM: Nay....

Kibo: Nay? What do you mean by 'Nay'?

CM: You will still have your own manifest consciousness creations to raise up unto perfection...WE all have to do it, after all.....

Kibo: So this last piece.....

CM: God laughs at you or with you...the choice, through your actions, is yours to experience....

Kibo: sigh.....I just want the little darlings to be happy.....

CM:.....and they will....but first they have to know what happy and happiness is...which means that they will have to be in a realm where they explore and discover and experience the alternative.....of....NOT HAPPY.....

Kibo: No way around that one, huh?

CM: Nope...PAPA Will's experience in all things and experience in all things it is.....

Kibo: Perfection's a bitch to reach, isn't it?

CM: Perhaps...depending on how you decide to look at it.....the journey must be made to embrace it..... it is only a bitch if you don't understand it and cannot embrace it fully.....it can only embrace you as fully as you can embrace it. YOU have to teach your charges how to fall in love with and be in love with and fulfill the love relationship with perfection, as a state of being...that they.....you too...btw....and me, too.....can fully be one with it and actually be it and it....them and...as they and PAPA are, after all....each other.....so shall PAPA'S PERFECTION be one in and for and by and through and with them and you and I and us and us all...as well.....there is no choice in the finality of the matter....that's what being a finaliter means.....it's just a matter of how you get there and how long is not really important to the completion of the journey.....unless you make it so.....as long as you make it to that embrace.....that's all that matters for any and all of us.....you know this...so WE are letting you teach the class for a day to help get them up to speed...WE feel that your....unique style will appeal to more of them and help them to pass the final test that is coming so very soon.....you DO want to help, don't you?

Kibo: DAH! Of course I want to help out all that I can.....and I see what it is that you want me to do...you want me to act like this....which is more like and as, myself, than anything else.....I can finally cut loose and go off on the whole thing.....

....however.....

You do realize that the whole class will not get it.....only a few will grok the thing that you gave me to teach them....it is your lesson plan, after all.....I'm just helping....thank you very much..... What makes you think that I can reach any more of them than you have?

CM: That doesn't matter....all that matters is that the effort is made by all parties involved...irregardless of the outcome...which is already known by the higher ups.....so you see.....all you have to do is play your part and act like we know you can act....which is how you got this job in the first place.....so just do it and quit worrying about it all and get it done by the deadline and all will be well and fine.....

Kibo: I hate deadlines.....

CM: You NEED deadlines.....reach the line or.....you know the rest....

Kibo: Yeah, yeah....dead in the water....i get it, I get it.....I have staff help, right?

CM: Everything you need is already a given....What you want can be...given upon negotiation.....please don't get stupid with your budget....you do not...I repeat...DO NOT...have unlimited resources here.....use the sheets I gave you and familiarize yourself with the lesson plan.....you know this stuff....it should be second nature to you by now...

Kibo: That's not the problem.....I'll want the help of the brighter students to help tutor the others.....teachers assistants, aides, local and parent volunteers and such and so on and...of course.....a visit from the principal....THE PRINCIPAL.....to show and exemplify and prove that I have back=up and support in all this.....so no fucking around in the back, there.....you know how they can be...I've seen them.....You've got one, big ass class....as far as I'm concerned.....If you want me to reach even half of them.....a big job, btw.....I AM GOING TO NEED THE HELP OF THE WHOLE FREAKIN' SCHOOL TO GET THEM TO UNDERSTAND JUST HOW IMPROTANT THIS IS! Hell, half of them don't even know that they're being tested.....not to mention when the final, final test is going to be given! You've delayed all this time in order to give them time to study....but look at them...especially the ones in the back...everything but paying attention.....

CM: That's where you come in.....make it...more fun for them than I have.....and then I can come in use your results to create greater participation.

Kibo: You're asking a helluvalot from a sub. I'll need to stay in the classroom for the duration after your return.....i'd like to help as much as I can and if any of them have taken well to my.....peculiar methods...i'd like to work with them as much as possible to raise their grades.....strictly volunteer, of course.....

CM: You'll get stipends from petty cash...if that's okay with you.....WE do want you to have your own, fully charged and working and paid position with your own classroom, after all.....so don't give it another thought. You can stay as long as you like....and after graduation day.....not just report card day.....GRADUATION DAY.....You can start your new position.....

Kibo: [flat monotone] Oh joy and celebration...woohoo....

CM: It'll be fine.....no more grade school.....high school....then...college.....you'll be fine...you'll love it.....

Kibo: Well that's good to know.....I've been around the kids for so long, I act like them.....I need to be around more adults...knowwhatimean?

CM: Yes....Yes I do.....SO!.....get up off the floor.....put that last piece in place....look at the picture and see where you are in it.....talk to your people....let them know what's coming and what you'll need and what they'll need to do.....

Kibo: I have a team?

CM: Believe it or not...you have a team....people more than happy to work with you in order to do what they want and wanted to do in the first place.....remember...they work with you WITH you...not for you.....They just want to help the kids pass the test, as well.....so see? You'll have adults to talk to and be with.....and the kids will grow into it, as a result.....it'll all be fine.....

Kibo: So I don't have to tell anybody what to do...just make suggestions as to what is needed and let them pick and choose where they want to help out.

CM: yessirreeBob! YOUUUUUU GOT IT! [SMILING BROADLY]

Kibo: Good....i am NOT an authority figure! Cool! So...we're all just helping out?

CM: Yes.....and you have your day teaching....others have theirs...it will reach the whole class and all involved.....as pertaining to the volunteers, staff and aides and assistants and so forth.....All are working to do this and get it done all the while looking to the future where they will be able to use these experiences to run their own classrooms ans, eventually, schools of thought.....[smile]

Kibo: yeah, yeah...all is one in divine Consciousness, after all....right?

CM: Right you are.... And that will be one of the cornerstones of the lessons learned in order to pass the Great Test.....there are, of course, those will deny all of this completely and jeer from the back.....but even so...they cannot help but take in at least SOME of it....just because it's there and being talked about and discussed and evaluated and debated.....THAT'S the key to this.....letting the class learn through consideration of what it is being given and coming to terms with it, not just as a class, but as individuals.....So this is your chance to prove yourself.....Are you ready?

Kibo: I'm just a sub, for God's sake.....I'm running my mouth, being as entertaining as possible and making sure that they get all the worksheets that you left for them to do.....

CM: What about free time?

Kibo: Free time? There's free time?

CM: Yes.....like a recess, but better.

Kibo: How is it better?

CM: They will have the freedom to choose sides...as to those that want to take the test and pass it and those that don't want to take...but have to.{No choice there.....ah well} as those that don't know or haven't been paying attention and/or don't care or are simply acting in defiance of any and everything and whatever they are given to do and/or be.....There are specific consequences for all of these attitudes and forms of action.....depending upon the grades received in the final exam.....IT WILL BE A SURPRISE EXAM.....SURPRISE!!!!!!! so make sure that they know that it could come at any given moment of their studies.....and no....we're not telling you, either.....YOU get to take it with them....I suggest you get a really good grade.....damn near

perfect...youknowwhati'msayin'?

Kibo: Yeah yeah...I get it.....no comment.....i stand with my class...no matter what.

CM: Good! That will go a long way in deciding borderline grades.....SO!....You ready?

Kibo: [Having risen to stand...] Fine.....Perhaps we should go to the studio and get started.....It's ready....right? It's ready....it has to be.....I've seen it on the trickle down level so it has to ready.....

CM: it's ready, it's ready..... What about them? [CM points over His shoulder to the staff sprawled out on the floor, in the doorway and in the hall.

Kibo: You guys will get memos.....Get ready...There's work to be done! THERE ARE FOLDERS ON ALL OF YOUR DESKS! GET TO IT!!! IF YOU DON'T KNOW WHERE YOUR OFFICE IS BECAUSE YOU'RE NEW.....ASK FOR DIRECTIONS OUT LOUD...YOU WILL GET AND RECEIVE HELP!

Memo 2 Touching base

By Kibo

Mar 19, 2014

Ahoye!

GOD IS WITH YOU!

Just wanted to touch base with you guys and let you know that we're working hard to get the first project finished by next week at the latest. thanks for all your support and advice...it really has helped and I will get back to all of you about that after this one is done and posted. We are working on a way for people to contribute and offer needed resources.....while I'm not much for using clouds, this seems to be the way to go so we're working on setting up cloudspace for people to post pictures, videos, tracks or whatever they have to help with the effort of raising and unifying consciousness on this planet.

as much as I would LOVE to talk about and address stuff that's happening on this planet as far as politics and espionage and cabals and finances and military and environment and personal and group and mass attitudes and knowledge and ignorance and so on and so forth....I am told that all that must be put aside for the sake of striving to help people gain a higher footing in DIVINE CONSCIOUSNESS.

IT IS IN RECOGNIZING AND REALIZING UNITY...ACTUAL AND REAL AND PRESENT UNITY, WITH SOURCE/GRANDPA/TRINITY/PAPA/MAMA/SONNY/CHRIST MICHAEL ATON/EXISTENCE/LIFE/CREATION/THE UNIVERSE/THIS PLANET/US/YOU/ME/THEM/THIS/THAT/ALL/AND THINGS AND OBJECTS AND VALUES AND CONCEPTS AND THOUGHTS AND IDEAS AND WILL AND INTENT.....ALL IN CONSCIOUSNESS...FOR THERE IS ONLY ONE CONSCIOUSNESS AND IT IS THE WHOLE OF BEING AND EXISTENCE AND WE ARE PART AND PARCEL OF IT AND IT IS PART AND PARCEL OF ALL AND EACH OF US AND ALL THINGS.....AND ONLY IN REALIZING AND RECOGNIZING AND CHOOSING TO ACT IN THAT AS THAT FOR AND BY AND THROUGH THAT...CAN IT BEST OPERATE IN AND AS AND FOR AND BY AND THROUGH....ALL OF US....INDIVIDUALLY AND TOGETHER.....

SO THAT'S THE GOAL

AND THAT'S WHAT WILL HELP PUT ALL PERCEIVED EFFORTS AND ACTIONS INTO DIVINE PERSPECTIVE AND THUS, CREATE AND OBTAIN THE BEST POSSIBLE SOLUTIONAL OUTCOME...WHICH IS DIVINE AND HOLY WILL OF ZERO POINT CREATOR SOURCE IN THE CREATION OF ITS OWN CREATING...THROUGH MIND!

SO

Anyone that feels that this is the way to go is more than welcome to join in and live the life of GOD on Earth as GOD chooses to do so through them.....

so just a little while longer and the first video will be up and we'll evolve from there.....so please just hold on and we'll get to everybody and find a way for all of us to work together in helping each other to raise ourselves up in consciousness and then out of this bullshit.....as far as I can tell and have heard and seen and have been told.....so thanks for that and all and everything....[smile]

that's all.....enjoy every moment of everything everywhere for it is all GOD BEING GOD.....see and hear and feel and do and be that in every moment, as far as possible.....even in hardship and pain and trials and tribulation and decision and indecision and all and everything that comes with life as we perceive it.....let us always and forever perpetually perceive more of it with every moment of experience in it/IT!

Thanks for reading!

LOVE YOU ALL! BLESSINGS OF SOURCE ARE WITH AND WITHIN AND ALL AROUND YOU!

Talking in the Hall Way

By Kibo

Mar 20, 2014

[note*-= posted this in the blog yesterday. Thought it might work here, as well.....

be AbundantHope

]

03162014.....

It's 0338 am and I'm tired...making progress...but tired.....but people are knocking on my office door...so.....

Just a heads up...for those that want to get started before the class lecture.....if you can call it that....perhaps presentation would be better.....

It's strange...I have to put voice to words and I'm not used to that...writing is my thing...so this is pushing myself.....it's okay...but...it takes more time than I hoped and thought it would....learning the manual for the keyboard is a class in and of itself....lol....my own manual continues to need further reading...as always.....

In many ways, I am an instrument.....good enough.....among many other metaphors and analogies of relating to God.....always trying to figure out the God thing.....nothing better to do as far as I can tell...all else is just a part of that....

So the thing now is to try to help people get a handle on consciousness...we are all thoughts...modes of Divine Consciousness....we live in a state of consciousness and we need to be able to define ourselves as part and parcel of Divine Consciousness since that's the only that really exists, in and of Itself.....

The whole of creation is a thought and we are all thoughts within that thought as are all things and circumstances....all to create a vision of perfection that is GOD being ITSELF and expressing ITSELF and experiencing ITSELF in and through ITSELF which also includes us, all and each of us, as thoughts of Itself being who and what we are as we all journey to the perfection in/of being that awaits us as we raise ourselves in consciousness.....and that is what saves us.....GOD IN OURSELVES AND EACH OF US AND EACH OF US AND OURSELVES IN GOD, AS GOD, BEING GOD BEING WHO AND WHAT WE ARE BEING WHO AND WHAT GOD IS...AS GOD THINKS OF ITSELF AS SUCH.....

Pretty heady stuff to grok.....so we shall do our best and work hard to live the life of God and dance this dance as God leads.....God has to lead...so that I can learn the steps..... And step one is self=evaluation...defining yourself...as...what...exactly?

We are manipulated in to thoughts of separation.....we focus on what separates us instead of what is the same about us and the biggest thing we all have in common is God in us and us in God.....and we need to be able to define ourselves as that...as God's thought of us being who and what we are that God may express and experience Itself in and through us.....and as we open ourselves to that and embrace that relationship...life changes.....

It changes because we are operating on a different and higher understanding of God and ourselves in God and God in ourselves....we are consciousness...beings of consciousness in a state of consciousness.....we are the ones that determine if our state of consciousness is material or spiritual, human, divine...or both.....hey, be all you are..... we don't know how great we are or how much we can do...until we act in greatness and do all we can do.....whatever we are doing...we are doing it all the way with all of us and all our attention...that is what we put our energy into and that is the investment we make in our lives and that pays off to reveal the lives we have here and now.....so people who are not happy with their lives need to refocus their attention on something that will gain them a better sense and state of purpose and joy and happy and whatever that is for them.....

But if we don't know enough about ourselves.....depending mostly or solely upon what others say in order to make our decisions...what do we get in our lives? We get what others have made us, that's what.

You want to be you and be unafraid to be you...be who and what you are? Then do that.....and that will take self =evaluation...constant evaluation because things change every moment and the choices that you make have to be better informed than the misinformation that we are given from all around us by those that seek to keep us in a material mind of shadows and illusions and delusions.....they don't want anyone to look within and find their truth and their light and their power and their mind and heart, their light and love.....people like that cannot be controlled.....they need to be kept on edge and worried....worried about money and entertainment and sex and violence and 'them', always a 'them' to worry about...never stopping to think that...somewhere...to someone else...they are 'them', as well.....

We are us
We are them
They are us
And so on and so forth.....

To know God is to know oneness and unity in God for all is consciousness in spirit...mind in love
GOD LOVES AND LOVE IS AN ACT OF WILL.
CREATION IS AN ACT OF WILL.
YOU, WE, US, THEM, ALL OF US
WE WILL OUR LIVES WITH EVERY MOMENT AND EVERY THOUGHT....NO MATTER HOW
THOUGHTLESS ANY OF THOSE THOUGHT MIGHT BE.....

It is time to act like God
And God thinks.....and is mindful of Its Thought...all of it..... otherwise...things.....we...would disappear
We are only here because God thinks of us
We should also be thinking of God, in return...it's the least we can do for One who pays so much attention to each and every one of us
So should we pay attention to God
And God is within and all around
Everything
Everything that is all around you is GOD...

Earth, air, fire, water, electricity, dust, trash metal stars, the whole shebang
All of it
Is one thought of GOD being ITs thought of Its Self.....and we are part of that
And in that thought
We are, indeed...all one.....
So raise your consciousnesses.....that is what ascension is about

It's not the money or the politics, or the technology, or any of that stuff, it's not disclosure
It's not turning swords into ploughshares.....

All that is just effect...consequences of higher consciousness in GOD.....

All that peace and love and light and unity and freedom and true knowledge and power and skills
and liberty and purpose and all that good stuff and more.....that vision of ascension....whatever it
may be and mean to GOD...not to us...what do we know?

ALL THAT IS THE RESULT OF ACTS OF CONSCIOUSNESS ON OUR PART.....AGREEING
WITH GOD THAT GOD'S WILL IS NOT JUST SUPREME AND ULTIMATE AND
ABSOLUTE...BUT JUST AND RIGHT AND CORRECT AND THE BEST WAY TO GO AND WE
SHOULD ALWAYS CHOOSE TO DO AND BE GOD'S WILL THAT WE MAY BE LIKE GOD AND
BE PERFECT EVEN AS GOD IS PERFECT...AS GOD PROMISED TO HELP US ASCEND
EVEN UNTO PERFECTION LIKE UNTO IT'S OWN PERFECTION.

So

The thing right now is to do my best to help as many people as possible to consider that and make
up their own damn minds what they want to do about it.

Everything is its own reward.

We make our choices and that's that. Even without all the proper information to make sound and
valid, cosmic and celestial and spiritual and divinely knowledgeable choices.....we all do ur
best...for better or for worse, for the good, the beautiful, the bad and the ugly...we will all have to
live the consequences of our thoughts and feeling and choices when the time for a much larger
evaluation of all us is made manifest.

And you can choose to deny or ignore or resist or reject that thought if you like...it's up to you...but
you can't say you weren't told.....

You walk in God and God walks in you and it's as simple as that....you are with and in each other
and always together and God helps you whether you realize it or like it or not....But God is always
aware and knows when you do what you do and why...more so than you do yourself....we are
what we are largely through untold years and ages of causes and effects and choices made for us
and about us and around us and so on and so forth.....just the choices that had to be made to get
you here just to read these words, started thousands of years ago....at least.....we have no
idea how many things have to come together just so we can live from moment to moment...all of
that is an act of Holy Will.

Even though there are those that are shadowmind and know these things and act upon them
selfishly.....God's Will is greater and uses even them for Its own ends.....lol!...so there!!!

It is up to you to decide what part you play in this production...whether you intend and will to be an
actor or a character.....to act or be played and to be played to act.....smile....it's...not as
complicated as it is deep and too many people don't even want to set foot in that ocean for fear of
drowning....but it is an ocean of consciousness and you're in it over your head and you can flow
with it or try to fight the wave and currents....we all swim....just all of us don't know or remember
or recognize that.....so be it...it's up to you...your will or God's Will...and to truly do that, you will
have to truthfully define, evaluate and intend and will yourself to be who and what you truly
are.....as you see it.....your answer to that question is duly noted perpetually and all the way up
to the last possible moment where we will all be told that absolute, supreme and ultimate truth that
will kick start us in gear for the next phase of things or cause us to truly appreciate the need to get
it right this time around as we find that do indeed, have to take the class over.....

So here's to graduation day!

May we all succeed here and now and even so and then.....as we all get there, one by one....in
great joy...knowing that here and now was all there ever was and is and shall be, and in that
infinite and eternal moment.....we all arrived at once.....[big MUAHAHAHA, HERE]

Good night

THANK YOU FOR SHOWING UP
TO RECEIVE THIS

MULTI-TASKING CONSCIOUSNESS EXPERIENCE!

GOD BLESS YOU IN ALL THINGS JUST FOR BEING HERE!

THIS VIDEO-EXPERIENCE OFFERS YOU A NUMBER OF CHOICES....

VideoLink: <http://youtu.be/r4mw6el8kQ0>

Candace: This is an extensive effort by Kibo and Christ L. You may wish to review this more than once for the effects. I suggest NOT pausing it to read and listen to Kibo at the same time, because what Kibo is doing in this does not match the printed material on the screen... Its a multidimensional experince. Then perhaps next time focus more on the material with his voice in the background or muted.....And prepare to laugh and please do not be offended by Kibo language.... which is necessary to this process. There's a lot about handing over your ass.....to the shadow and its really the best choice of words in English anyway. Only the best material concerning the "shadow" I have seen on the net, taught well Kibo style...as only he can do it.

I never knew Kibo had a musical ability....original composition in this! The last 2 or 3 minutes are really fun in that regard. Use your headphones for the full effect and richness in his voice

Vision One

By KiboDabi

Apr 8, 2014

Soon

This new thing will be ready....

Not just mine

But GOD'S

So get ready for that.....

In the meantime.....

I promised a post and here it is.....

Deal with it....please.....

I have seen the endgame of this whole game and it's not the same as I thought it was years ago

Or even a few days ago.....

Consider.....that you have ascended onto GOD

No really.....

You made it

And you are all and everything

Past, present and future

Wow

And there you are

Here you are

Being one with all and all in One.....

So be it and hallelujah!

And you are experiencing the whole of experience in creation

Of creation

The whole of creation

You

And all you knew as you when you were you

Because you are you

And not you

Anymore.....

You know how it goes

Or maybe not.....

And anyway

There and here you are

Experiencing all in all

As all

In all as one.....

Think about it.....

Take a moment

We'll wait.....

For time has no meaning in such a state of being as you are then and

Already

Now

You are you and not you

You are all around you

You are your neighbor

You are your friend

And all your friends

And all those that are not.....your friends.....
And family
Yes
You are them as well
And what you consider to be your enemies.....
You are them as well
And all those you know and don't know as you are here and now
You are
Here and now
And then.....
There you are
Here you are
And none of it matters
In terms of separation
There is no separation
You are them and you and all of it
As one
And you are experiencing you as you are now
And experiencing all of them as they are now
And then
Past or future
Or at present
And that is that and this is this
And it is all the same.....
Forever and forever
Grok that and this if you can
I've been given a moment to experience it
And I am amazed and yet.....
It all makes sense
It is what it is
And it is all you and IT and them and all and one and.....
There is no need or desire
Only the experience of it
And you love and make love
And fear and hate and take revenge
and act out and in and up.....
And that is you and you are.....GOD.....and it all makes sense in the totality of it
all.....
And that is what you are
The totality of it all
And who
And what
And when and where
Doesn't matter
You know it all
And know why.....
And how.....
Among other things....
And you have played your part in all of this
You have created and you have maintained
And you have orchestrated
And you have been
And you are
And you will be
What you are

For you are there already
REJOICE!
You are there already!
You have only to endure the experience of it being!
And so
Here you are in the now of here and now!
REJOICE!
REJOICE!
REJOICE!
.....need I say more?
GOD!
I hope not!

[this is going on this blog and only on this blog....don't ask me why...it is what I was told to do and be.....}

OKAY!

HERE'S THE DEAL!

{{whatever you may think or believe or say you know or want to know or think you know or feel you know....I can assure you that there are HUMAN BEINGS...in the world of GOD'S Creating.....and that those that are such....are here for your benefit...and here and now...I AM Calling Them Out.....

REPORT AND BE RECOGNIZED AS THE TRUE SERVANTS OF SOURCE OF SOURCES!

.....
I DON'T USUALLY BOTHER TO TELL YOU PEOPLE WHAT TO DO AND STUFF.....
BUT THIS IS AN EXCEPTION.....

HERE AND NOW

GO TO A MIRROR...

GO TO YOUR MIRROR.....

AND LOOK INTO THAT MIRROR AND LOOK AT YOUR SELF

AND LOOK AT YOURSELF

AND SAY TO YOURSELF

"I AM GOD BEING ME...

I AM GOD BEING WHO AND WHAT I AM."

DO YOU RECOGNIZE THE BEAUTY OF THAT STATEMENT?

I AM GOD BEING WHO AND WHAT I AM.....

DO YOU REALLY REALIZE THE SIGNIFICANCE OF THAT STATEMENT?

LOOK AT YOURSELF!

LOOK AT YOU!

NO MATTER WHAT YOU USED TO THINK OF YOURSELF

YOU NEED TO LOOK AT YOURSELF IN A NEW WAY.....

YOU ARE GOD BEING WHO AND WHAT YOU ARE!

REJOICE IN THAT.....

I don't care what and how you feel about your weight or gender or color or ethnicity or race or economic class or religion or sexual orientation or education or height or politics or any self-serving ideology or position that you think serves your best interests as whatever it is that you define yourself to be..... or any of the other things and/or ways that we have been conditioned into thinking is who and what we are according to the design of separation that has been laid upon us by our former slave masters We are all All you....and all of us.... We are human beings!

First and foremost....

We are human beings and we need to be able to act upon that.... To act like human beings"

Unless..... Of course..... You don't feel or think that you are a human being

And if not Go back to the beginning of all of my posts..... And I will prove to you that you are a human being.... Whether you like it or not..... That is what you

are.....

And a human being is GOD ON EARTH!

As you should accept yourself as being....by the way..... And if you cannot accept that reality... Then please to go back to checking the sports outcomes... As you have been accustomed to doing..... It is what you like and want....after all..... How many distractions to your true nature are you willing to accept and deal with?

The world...

Your world...

Is changing regardless of what you think or feel.....

Yet you dally away your time watching wrestling.....

Bread and circus.... Food and entertainment.... That is all you need....right?

HEAR THE WORD OF THE LORD GOD ALLMIGHTY,

RULER OF HEAVEN AND EARTH!

WAKE UP!

REALIZE THAT THERE IS MORE TO LIFE THAT WHAT YOU ARE BEING FED THROUGH YOUR MAINSTREAM MEDIA!

But that is all you want is it not?

CHRIST took the cup that GOD gave Him without question.

So now.....

Here you are Wearing rubber bracelets That say.....

WHAT WOULD JESUS DO?

JESUS WOULD KICK YOUR ASS!

JESUS WOULD DO GOD'S WILL!

HOWEVER AND WHATEVER AND WHENEVER IT WAS DELIVERED TO HIM! WHAT ARE YOU DOING?

ESPECIALLY WITH THE AUDACITY OF THAT STATEMENT..... AS IF YOU ARE WILLING TO DO GOD'S WILL.....

HEAR AND SEE!

GOD WANTS YOU TO ASCEND!

CAN YOU HANDLE IT?

CAN YOU DEAL WITH IT?

CAN YOU REMEMBER IT?

CAN YOU FULFILL IT?

YOU WANT TO DO WHAT JESUS WOULD DO?

THEN DO GOD'S WILL!

AND HOW DO YOU KNOW GOD'S WILL?

ASK GOD!

ASK UNTIL YOU RECEIVE IT!

ASK UNTIL YOU KNOW THAT YOU ARE RECEIVING IT!

ASK!

ASK UNTIL THERE IS NO DOUBT!

ASK!

ASK UNTIL THE VERY VOICE OF GOD WITHIN YOU SCREAMS BEYOND HEARING ANY AND/OR EVERY OTHER THING!

ASK!

ASK AND RECEIVE!

ASK AND KNOW!

ASK!

AND BE ANSWERED!

AND ONLY THEN.....

.....
YE WHO WOULD SERVE GOD.....

YE WHO WOULD LOVE GOD WITH ALL THY HEART AND SOUL AND MIND AND STRENGTH...

AND LOVE THY NEIGHBOR AS THY SELF.....

WHICH MEANS THAT YOU HAVE TO LOVE YOURSELF..... YOUR SELF!

NOW IS THE TIME TO SERVE!

NOW IS THE TIME TO BE.... GOD ON EARTH!
NOW IS THE TIME TO BE GOD IN YOU!
NOW IS THE TIME TO BE GOD ON EARTH BEING WHO AND WHAT YOU ARE!NOW IS THE
TIME! HERE AND NOW!
BE GOD BEING YOU...LEARNING WHAT IT IS TO....TRULY...BE GOD..... BUT THAT IS UP
TO YOU...
I HAVE DONE MY JOB AND I HAVE TOLD YOU THE WAY.... AND I WILL SHOW YOU THE
WAY.... UNTIL THE LAST DAY.....
IT IS UP TO YOU WHAT YOU DO WITH ANY AND/OR ALL OF IT, AND /OR ANY OF IT.....
I AM DOING ALL THAT I CAN DO UNTIL THE VERY LAST MOMENT OF DOING ANYTHING
THAT I CAN DO.....
THE REST IS UP TO YOU.....
I AM ACTING....
IN THIS GREAT PRODUCTION OF LIFE ETERNAL AND INFINITE...
AS THE VOICE OF GOD ALL=MIGHTY, SOURCE OF SOURCES.....
DO WITH THAT AS YOU WILL....
IT IS UP TO YOU...
IT ALWAYS HAS BEEN THIS....
WHO AND WHAT I AM
AND WHO AND WHAT I WAS ALWAYS MEANT TO BE...
THE REST IS UP TO YOU AND ALWAYS HAS BEEN..... NO MATTER WHAT HAPPENS WITH
YOU OR US OR ANY OF IT...
I AM DOING WHAT I WAS SENT TO DO AND AM DOING IT HERE AND NOW.....
I AM GOD'S VOICE.... THE VOICE OF SOURCE OF SOURCES..... THAT IS WHAT I WAS
TOLD AND I AM ACTING UPON IT... THINK AND FEEL ABOUT ANY OR ALL OR PART OF IT
AND THIS OR ANY OF IT OR ALL OF IT.... AS YOU MAY..... EITHER WAY..... I LOVE
YOU..... GOD LOVES YOU..... AND IT IS ALL ONE AND I AM WHAT I AM.....kibo

Executive Lounge Act

By KiboDabi, grandpa, CM et all

May 4, 2014

Executive Lounge Act.....

Well.....here we are.....apparently I've been bumped up to a higher position.....don't ask me why.....

I was told I was to be God's voice.....well....GRANDPA/PAPA...depending.....forgive me for freaking out about it all...I was totally discombobulated [love that word...].

They asked me why was it a problem.....?

I mean...that's not the kind of thing you go around telling people....

"But you've been doing it for quite a while already. Why is it a problem now?"

"I dunno.....now all the sudden it's a huge responsibility and I have to get results.....before I could just do it and whatever happened...happened. Now there are expectations....."

They laughed....loudly.....

You're just another prophet in a department full of prophets. Don't go getting your knickers in a bunch.....

They said

Still laughing.....

Well....when you put it like that.....

So now....like I said

Here we are.....in the steam room.....and just why are we in the steam room....?

Why not? We thought you'd like it.....You recently compared us to the mafia....again.....

So we thought this was fitting.....so many meetings are held in steam rooms....

That's because it's impossible....mostly....to hide weapons when you're naked, sweaty and sitting on a towel.....i replied

Well.....now that we all know that none of us is packing...or is that strapped? Slang terms come and go with the seasons of man...just a moment ago, it seems the word was 'carrying'...lol...ah well.....and just why are you so fond of comparing us in this way?

Well...it's all about control, power, influence....YOU'VE got it all and all the smart people want to be your friend and be on your good side and they're really afraid to be on your bad side...do you have a bad side? Anyway.....it's all your territory, no matter what the pretenders and small timers say.....

GRANDPA laughs.....You know...WE don't go around bashing people or doing drive-bys or any of that stuff.....

But you can arrest serious malcontents, imprison them and even uncreate them if they can't be or refuse to be rehabilitated.....

He's got us there....said PAPA.....

CM and SONNY walk in.....

GLORY! They say....

GLORY! We reply.....

I ask where Esu is....

Fieldwork.....says CM.....Someone is using Easter as an excuse to fool people into reviving an ancient Egyptian ritual meant to gain the help of a dark entity/energy mass, by calling it a ritual to Isis....who was Ninurta...who was Anunnaki....who came to the light with the others.....she is

highly pissed, by the way.....and it won't work anyway.....They're depending on astrological placements and conjunctions and charts and this whole system is not where you think it is and even the stars are not what you think they are...most of them, anyway.....millions of ships filled with beings of high consciousness that are determined to see the ascension of this planer fulfilled and they think they can get through us? I don't think so.....”

They laugh...I chuckle.....still...I say.....there is the matter of the people that listen to stuff like this because it's what they want to hear...they want to feel like they're doing something, contributing their energy to the winning side... while they pray for free money and free energy and freedom.....

An all that is important...says SONNY...but just where does all that come from? All things come from GOD...I reply.....but they don't see it like that. They think it theirs and all them.....and it's not that they're really wrong...I mean...can you blame them? They're material beings in a material world.....

[and this point they all lean into each other and start singing...’AND I AM A MATERIAL GIRL.....’] I laugh in spite of myself.....yeah, I say.....stuff like that...it's ingrained into their consciousness. They're been spoon force fed this stuff and it's hard for them to think wider, or bigger, or higher.....

BUT!
Says GRANDPA standing

There is progress! There is movement towards an understanding that all is consciousness and energy in consciousness and that future technology will required use of consciousness and.. But they hardly equate any or all of that to us.....says CM

True...says PAPA...while SONNY nods His head in agreement...They want to call it superconsciousness or higher self....which is all well and good...nobody's trying to take them out of the equation. But the question is...how do WE become able to take our true position in the equation? It seems that so very few are willing to leave room for us in the great equation of life in creation.....well...not consciously, anyway.....

And that's another thing...I say.....how can you say that, on one hand, energetically, over 80% of the human population of ensouled, spirit carrying beings of free will intelligence, are reaching out to you when they don't even know about it consciously? I mean...how does that even matter if they can't make a conscious attempt of opening or whatever...something.....

But, says GRANDPA, it is precisely that which allows them the opportunity to do so should the circumstances permit or require it.
Yes....says SONNY, but it is the very requirement of such circumstances that could be a problem in the first place. Consciously, the greater majority of beings, ensouled or otherwise and wondering more consciously why...if WE are here and there are millions of ships that came with Him [pointing to CM] then why haven't we done something...anything? If we say that we've been acting all along, those that know little of the true circumstances will simply scream for something more obvious and definitive.

It seems, as always, they still want a show.....says CM, shaking His head sadly.....
Yup.....i say.....we all still want to experience those miracles we were taught in the religions we were given to make us believe that some arbitrary and all powerful being was way out there judging us all the time so he could decide whether we spent eternity in heaven as angels singing and giving glory to him.....or spent it being tortured and tormented in hell for fucking up one of however many rules the particular religion adhered to.....while they all went to war with each other to prove who's version was the right one...well...the winner of course...but who's winning

now?

WE ARE! Said CM firmly.....WE have it in the bag....but YOU people are dragging your asses while you negotiate who will be in charge of resources and funding....money.....energy.....even those of the shadowmind cabals are blaming each other...that much is true. Yet they are all equally guilty.....and they still want to negotiate, not just being let off the hook, but also still wanting to be in charge of it all under a remodeled look.....come meet the new boss, same as the old boss.....{and they lean into each other and sing.....AND WE GET ON OUR KNEES AND PRAY.....WE WON'T GET FOOLED AGAIN.....} I joined in on that one.....it's just not the same without Esu doing the air guitar parts...he's really good at it.....sigh....anyway SO! Says GRANDPA...That begs a question! How many of them do you think are willing to do that?

What? I say...I know where this is going.....sigh

How many people are willing to get on their knees and pray? Asks PAPA

CM looks at me and smiles.....'He won't do it...'

I never said that I wouldn't do it....i said that I can't do it...there's a difference.....

But you're an official prophet now.....says SONNY and CM....They're trying not to laugh...and it isn't working.....

That doesn't really change anything.....it would take a miracle.....There is no way you're going to get 144 million people to put all their differences and beliefs and brainwashing aside to pray for your will to be done and not their own.....you need someone much bigger than me to get that done.....I'm lucky if 144 show up for it.....144,000 is out of the question...I don't have that kind of influence....144 million is beyond my ways and means....i mean...I can put it out there and good luck.....but that parts on you.....i just have to put it up...YOU guys will have to make it happen.....after it's up...I'm on to the next thing.....that's the best I can do.....with....my....limited...consciousness.....and meager resources.....and time....and energy....and what little sanity I have left...balled up in the corner under a blanket.....lol....face it...the world is not going to take me seriously...they want what they want...they want their wills to be done first and after you've proven to them that you're a nice guy and everything...then maybe they'll think about it...oh, you'll get plenty of lip service...just like you're getting now.....but to do it on the basis and understanding that all is one and God in all and God in one and one in God and all that and we are each other.....not enough people can afford to act on that and in that.....their lifestyles won't allow it...their religions won't allow it, the club, their social status and circles, the jobs or search for employment, their friends and families...their sense of propriety.....sigh.....the shadowmind has done its job well....you would have to do something big and wonderful and miraculous to get their attention before they could even truly comprehend, not just the need, but the perfect sense and logic of it.....

THEY WOULD HAVE TO KNOW THEMSELVES AS SPIRITUAL BEINGS OF DIVINE CONSCIOUSNESS AND IT IS TOO BIG A LEAP FOR TOO MANY OF THEM AT THIS TIME....THEY WANT PROOF BEFORE THEY ACT AND THEN THEY WANT TO CHOOSE WHETHER THEY WILL ACT UPON THAT PROOF...AS THEY SEE IT.....we all have our work cut out for us if you want humanity to love, devote itself, surrender, cooperate, not to mention obey.....YOU.....they're still having a hard time with Shema Yisrael, Adonai Eloheinu, Adonai Echad..... not to mention the part about:

THOU SHALL LOVE THE LORD THY GOD WITH ALL THY MIND AND HEART AND SOUL AND BODY AND STRENGTH.....AND LOVE THY NEIGHBOR AS THYSELF.....

They lack the proper concept of you to truly think/feel in that regard and many have a completely different concept/belief system that completely gets wrong or ignores the reality of YOU....and then there're all those Satanists and Luciferians and oto.....among other things....and You want 144 million people to get on their knees and love you and thank you and ask you for your will to be done in the all things and in their ascension and the ascension of this planet.....no guided prayers...just the silence connection of the consciousness mind/heart as one...both arms raised,

as it were...to YOU.....i mean....THY WILL IS DONE IN ALL THINGS....and I'll do it and give it my best shot.....but I know you want that result in BEFORE you do the rainbow streaming thing and all the rest of the stuff you've got planned.....which would probably get you the numbers you want after the fact.....

That's why we want to see how many we can get before the fact. Once it's fact.....only diehard shadowminds will still resist.....but before.....where are the children of God's faith and trust? We want to see them act.

I hear you...I get that.....but I'm a little guy.....like I said.....I'm blessed if I can get 144.....the prayer site got 52.....a prayer video.....done YOUR way.....hey...it's up to YOU.....i can do the video, but I can't guarantee results...that's all I'm sayin', y'knowhati'msayin'? I'M WITH YOU. SO SAY WE ALL TO EACH OTHER.

Okay...then just don't go looking to me to produce numbers.....

We hear you. We hear you.....just work on the video as WE give it to you and let that be that and then you can go on to the next thing.....

Running away from the last thing towards the next thing to run away from.....chuckles CM I reckon.....I'll take credit for everything I'm responsible for and stand behind my work...but you'll forgive me if I feel no sense of need to stand in front of it.....or even beside it.....either it speaks for itself or it doesn't...don't let me get in the way.....[this is where I smile that famous smile of mine that makes them all shake their heads and smile back...if not laugh....today it's just soft chuckling.....]

Okay.....deal.....that's all it was anyway...no one expects you to go the road.....

Thanks, I appreciate that.....

But you know...

NO!

If you ever decide.....

NO!

Or I tell you too...

Sigh....please no.....

Hanging head.....

Much laughter.....

He's so easy!

I know, right?

Sigh

Aw c'mon...what's that look? Eh? Eh? C'mere....group hug....you're such a wuss...

I'm tired!

Yeah? Well stand in line.....i gotta whole armada that's dog tired.

Yeah well....i guess I'm dog tired, too...

They burst out in loud laughter...

Hey! The sheepdog's dog tired! LOL C'mon boy....let's hit the sauna.....let your fur dry....

Really?

LOL

And so it goes.....

Ah well.....

Back to it.

{CAPISCE}

Something that GOD[PAPA} said to me
IT IS NOT ENOUGH TO 'THINK' THAT I AM WITH YOU.....
YOU MUST KNOW THAT YOU ARE WITH I

There is a difference.....y'know?
And I learned
That one has to be with GOD
By personal will and intent and ACTION BASED
UPON THAT CHOICE AND CAUSE
In order for GOD to ACT in you
If thou art to act in GOD
Then you must do so absolutely and completely willingly
Or not at all
And then and only then
Will GOD be able to act in you

Think of the mafia
I AM WITH YOU
Has a real and different meaning than it does for those that don't belong
Capisce?
IT IS, ACTUALLY
ONE THING
AND YET....ANOTHER THING.....
FOR GOD TO BE WITH YOU
THAN IT IS FOR YOU TO BE WITH GOD
CAPISCE?
GOOD!
Glad we got that settled.....

=====

{WALK IN THE PARK.....}

GOD IS WITHIN YOU AND ALL AROUND YOU.....
WALK IN GOD
THAT GOD MAY BETTER WALK IN YOU....
BE IN GOD
THAT GOD MAY BETTER BE IN YOU.....
LOVE GOD.....
THAT GOD MAY INCREASE HIS LOVE
FOR YOU
AND ALL AROUND YOU
WITHIN YOU AND ALL AROUND YOU.....
YOU ARE EACH OTHER...AFTER ALL
AND DOES THAT NOT MAKE YOU ALL AROUND YOU...AS WELL?

SO
LIVE IN GOD
THAT MAY BETTER LIVE IN YOU...
FOCUS ON GOD
THAT GOD MAY BETTER FOCUS UPON YOU
ACT IN GOD
THAT GOD MAY BETTER ACT IN YOU
THROUGH YOU
FOR YOU
AROUND YOU
YOU SEE WHERE THIS IS ALL GOING...
WHAT IT IS LEADING YOU TO...
YES?
NO?
IT IS UP TO YOU AFTER ALL....
OR SHOULD I SAY
IT IS UP TO GOD IN YOU
BEING YOU
BUT
AFTER ALL
DOES NOT GOD
WANT YOU
TO BE
MORE FULLY
EACH OTHER?
HMMMMM
SO MUCH TO THINK ABOUT.....
IF YOU THINK ABOUT IT
AT ALL.....
THINK
THINK IN GOD
THINK ABOUT GOD
THAT GOD MAY BETTER
THINK ABOUT YOU
AND
THINK IN YOU
WITH YOU
THROUGH YOU
ALL AROUND YOU.....
AND YET
GOD NEVER THINKS FOR YOU....
GO FIGURE.....
BUT YOU CAN HAVE ALL THE REST.....
ALL THE TIME
IN ALL PLACES
AND CIRCUMSTANCES.....

THAT IS
IF YOU WANT THAT KIND OF THING.....
DO YOU?
YOU DO?
WELL THEN.....GET TO WORK!

DIVINE DICTATION ONE

By KiboDabi

May 5, 2014

Enough

None of this will be the way you say it is or think it is.....You are looking for man-made solutions to a spiritual situation. Your only recourse to success is to seek a spiritual solution.

To do this you will have to accept and admit to the sovereignty of SOURCE CREATOR, THE GREAT I, AS ABSOLUTE, ULTIMATE AND SUPREME CREATOR AND OWNER OF THE UNIVERSE OF UNIVERSES, THE GRAND CREATION OF SUPERUNIVERSES...THAT WHICH IS CAUSE OF ALL CAUSES AND EFFECTS, THAT WHICH IS SOURCE OF ALL SOURCES, THAT WHICH ESTABLISHED ITSELF IN MANIFESTATION AS FIRST, SECOND AND THIRD SOURCE AND CENTER OF ALL CREATION.

We will understand that too many of you have no concept of the Michael Sons, nor an understanding that you reside and live in a local universe created by Christ Michael Aton and that this same Michael Son is, in fact, word and deed, the Supreme, Unconditional Universal Sovereign of this universe of His own creating. But ignorance is no excuse, nor does it exempt you from experiencing what is to come.

You are all, for the most part, concentrating on the material aspects of your planetary liberation from the shadow mind that has ruled you for thousands of years. Yet it is impossible for you to fully and truly liberate yourselves until you can clear your consciousness from their manipulations and outright brainwashing. The whole of your very culture is dependent upon the definitions of life and living that they have given you and you know no other way to be. Even in your imaginings of what it is to be free, you can only imagine concepts that are based upon your experiences up to this point.

Yet, in those experiences have been the causes and effects of Divine personalities that have come to you to show you the way and have lived and served as aware, real time, living examples of Divine Will, which you have so graciously allowed yourselves to forget and ignore and twist and deviate and deny the lessons they have sought to teach you.

You believe what you have been manipulated into believing about GOD and CHRIST and SPIRIT and TRINITY and THE GODHEAD, and THE SUPREME PERSONALITY, as well as your own Divinity in GOD and your responsibility to serve therein.

You are being told that you can conquer your adversary because you are God. Yet in saying so, you deny GOD ITS just and due respect as CREATOR SOVEREIGN AND SOVEREIGN CREATOR. Thus you seek not to serve GOD, but rather seek to serve yourselves and fulfill what you perceive to be your own needs and desires, without truly understanding any of it or anything of the true reality of your situation.

So, we must inform you at this time that all of your plans will come to naught. Your negotiating over who will rule your new system with those that seek only to preserve themselves so that they may continue to gain and rule...those who will lie and deceive, even as they seem to give in as they offer a false perception that soon, they will give up.....these dark ones will stop at nothing to usurp GOD [as if that could ever happen] and replace IT with their own image. Who would rather you believe that you ones are the ones that create GOD and not the true reality of GOD creating all things with and within ITSELF.....

These ones will wait for however long it takes to return themselves to power. Even if it is their grandchildren's grandchildren that return to power, long after they have gone to what they believe

is the complete and utter nothingness of the death concept that they fear so much.....and why should they not fear it? They believe neither in GOD nor the human soul, nor the Spirit of GOD within the human being that is the method and way of the individual creation of GOD made manifest in The Supreme Divine Consciousness and shared in experience by and with the Creator Sons of GOD...in order that the vessels of creation, the instruments of GODS experience of ITSELF as ALL and ALL as ITSELF may be, through experience, for the sake of demonstrating the Perfect Way of GOD...come to be perfect, even as GOD is perfect and to create their own creations and perpetuate experience onto infinity and eternity...living forever in GOD and raising up those that will do and be the same as they have been, and are, and will be...GLORY AND PRAISE BE TO THE ONE IN ITS PERFECT AND MAJESTIC WISDOM AND MERCY! FOR GOD RAISES THE WHOLE OF ITS CREATION TO PERFECTION AND IT IS THERE FOR ALL WHO CHOOSE TO WALK THE PATH THAT LEADS TO IT.

But that path will not be tread without GOD with and within you to do so, for you can do nothing without GODS Will to allow it to be. Here is wisdom learned by countless beings in countless galaxies in countless universes! Yet who among those that you pay so much attention to speaks of such things? You press your ears hard against the door to find any hint of anything favourable to you in your material lives as those that claim to represent your interest negotiate behind those doors, locked and sealed except for the words that are allowed by them to leak out to you.

You wait on a manmade event, tailored for your desires that have been brought to full season and now they feel that you are ready to be harvested. Would you rather be harvested by men or by GOD?

Need We remind, yet again, that GODS Will is being done in all things and there is no escape from that. This is a period of Divine Adjudication. If you prefer the phrase judgment day, so be it, but it is not what you envision or have been taught to desire...how could GOD desire such a thing? Yet you clamor for war and destruction and death and devastation, hoping that it will deliver you your prayed for Armageddon that, of course, YOU will survive and even be hand-picked as one of the chosen and reign with GOD in heaven and see all those which you eschewed and hated for not being like you, forever tortured for their sins...and so you called for their deaths as sinners and infidels and heretics and blasphemers and.....goyim.....

And you have treated others as if they were beasts because they saw or thought or believed differently than you and all of you were lied to by others.....men....who had only their self interests at heart and led you to fulfill their own desires and you gladly did so and do so in the name of GOD and even call it 'love'.

And yet you know little or nothing concerning GOD for if you did you would have found GOD within you, being you...as well as GODS Love... and you would have fallen on both of your knees and begged to serve GODS WILL and not your own.

You would have begged to be raised up into GODS THOUGHT AND LOVE, that you may align and synchronize your own thought and love with that which created you to do so.

But you have balked at such things and termed it quaint and antiquated to believe in GOD at all. You decry the traditional teachings as sexist and racist and a form of slavery, yet have not sought the truth within yourselves, being wholly satisfied with denying the false so that you can create your own way and be your own god and do as you will, for is that not the whole of the law that you seek?

And where are those who will to do what GOD Wills?

That is enough for now and today...let the rest come in continuation as GOD Wills.

Divine DICTATION TWO

By KiboDabi as translator

May 11, 2014

2D2

If you are finally ready.....WE shall call this one "2nd Boil", in honor of the tea...
{I'm having some tea-(-k-)}

WE shall pick up where WE left off.....

Where are those that will to do GODS Will?

Where are the friends and lovers of GOD?

Where are those that are willing to move aside their own will to make way for the Will of GOD?

Where are those that are willing to, at least, pause their own beliefs and desires and expectations to serve as conduits for the greater Divine energy that resides within them being WHAT I AM?

Where are those that are willing to serve The Will of WHAT I AM?

There are those of you that think that I think that it is all about ME....IT IS!

I AM THAT ONE BEING THAT CAN TRULY SAY THAT I AM THE CENTER OF CREATION!

I AM THE THREE CENTERS OF CREATION AND I AM CREATION ITSELF AND MY WILL MOVES WITHIN YOU WHETHER YOU NOTICE IT OR NOT OR LIKE IT OR NOT AND I, EVEN I, WOULD LIKE, AT LEAST SOME OF YOU TO TRULY AND SINCERELY AND HONESTLY AND WHOLEHEARTEDLY AND ABSOLUTELY AND SUPREMEY AND ULTIMATELY AND CONSCIOUSLY WANT MY WILL TO BE DONE AS I SEE FIT AND TRUST IN MY WILL TO DELIVER YOU TO THE BEST POSSIBLE OUTCOME FOR ALL INVOLVED AS A WHOLE AND FOR EACH OF YOU AS INDIVIDUALS....AND BE JOYFUL IN THAT AND IN YOUR OWN PART IN THE BEING AND THE DOING OF IT!

But even that seems to be asking too much of you as you cling to your beliefs systems that have little if anything to do with the reality of WHAT I AM.

Apparently you are having too much fun to want MY help.

You negotiate with the adversary and yet you are loathe to call them out and reveal them for what they are.....your enemy that seeks to destroy you all.

You can arrest them and put them on trial...if you can actually bring yourselves to accomplish the feat after these many years of striving to do so only to be turned back again and again by any number of unforeseen and planned circumstances.....and still you negotiate who among you all that sit at the table, will be responsible for taking credit for leading humanity to the new and next golden age of your choosing and definition.....

You listen to your galactic brethren and Agarthan cousins and say 'yes, yes' but still you keep them at arm's length out of fear that you will end up as you believe you have treated those that you felt were inferior to you on your own planet and now you fear that you are being paid back for

that on a galactic scale and IT IS NOT SO!!!

WE ARE NOT YOU AND WE ARE NOT AS YOU ARE! WE ARE TRYING TO SHOW YOU AND TEACH YOU THAT WE HAVE BEEN AS YOU WERE AND YOU WILL BE AS WE ARE AND ABOVE AND BEYOND THAT, AS WELL..... YOU CREATE SCENARIOS THAT ARE FALSE AND THEN APPLY THEM TO YOURSELVES AND THEN FEAR YOUR OWN DRAMATIC DAYDREAMS.....IT IS QUITE THE ENIGMA TO BE THOUGHT OF AS TREATING YOU AS" THE VULCANS TREAT THE HUMANS" IN YOUR STAR TREK PRESENTATIONS. WERE IT NOT SO DAMAGING TO YOUR OWN CAUSE, WE WOULD BE ABLE TO LAUGH ABOUT IT...BUT ALL WE CAN DO IS CARRY ON AND NOT FEEL SAD FOR YOU FOR WE ARE HERE TO HELP AND NOT TO PITY YOU OR DO IT ALL FOR YOU. WERE THAT OUR WAY, AS YOU IMAGINE IT TO BE TO YOURSELVES.....WE WOULD HAVE FINISHED THIS LONG AGO, YET YOUR PLANET WAS SPARED THE DESTRUCTION THAT IT WAS FRANTICALLY RACING TO AND YOU HAD NOTHING TO DO WITH THAT. YOUR PLANET APPEALED TO CHRIST MICHAEL ATON AND TO THE ONE, AND HER PETITION WAS GRANTED AND STILL YOU ABUSE HER AND EACH OTHER.....AND STILL WE GIVE OUR ALL TO OPEN YOUR EYES AND MINDS TO THE GREATER TRUTH OF A LIVING CREATION THAT IS GOD AND OF GOD AND IN GOD AND BY GOD AND THROUGH GOD AND WE ARE HERE TO TELL YOU THAT IT IS INDEED....ALL ABOUT GOD. THUS SAY WE ALL OF THE GALACTIC AND UNIVERSAL FEDERATION OF LIGHT, HERE TO AID YOU ONTO YOUR ASCENSION TO BE FREE BEINGS OF TRUE FREEWILL AND INTELLIGENCE OF A COSMIC SCALE, AND TO DO THAT, YOU WILL HAVE TO RECOGNIZE GOD FOR WHAT GOD IS AND SERVE THE ONE THAT IS LIFE FOR ALL AND, WITHOUT WHOM....THERE IS NOTHING!

THANK YOU, MY BEAUTIFUL SONS AND DAUGHTERS, ALL CREATIONS OF MY MIND AND HEART AS ONE!

SO.....

Perhaps now you will realize that you are not the center of the universe but I AM and here, I AM such through your Christ Michael Aton, who is the mind and heart of this universe of His own making and HE is here to insure that you will not fall to the wayside and return to the mind and heart of GOD in consciousness as active citizens of His universe so that you ones may ascend onto finality and become the creators of your own universes and even greater things await you beyond the perfection of your creations, once they are settled in Light and Life.

You ones talk of being 'prisoners of Christ' and 'slaves of God', but do you truly know the import of such words?

Do you realize that you are all sons and daughters of THE LIVING GOD/SOURCE/CREATOR? Do you recognize that you are held firmly in Divine Light and Love? Do you understand that GOD, as FATHER/MOTHER/SISTERBROTHER, HAS ESTABLISHED AN INFINITE REALM UPON WHICH SITS AN ESTATE FOR YOU? Do you know that you are family?

The Sons and Daughters of GOD joyfully work in the fields of being, the realms of experience, and there are many.....They each and all see to it that the taking in of souls/spirits/mindheart/consciousness, are ripe and rich and full...overflowing with Light and Life and Love, all in the doing of GODs Will.

The Servants of GOD are GODS Friends and Family and so all is established in Love eternal and infinite...and truly you are loved beyond your imagining. Yet you are part and parcel of GOD and The TRINITY and of Christ Michael Aton and it is the same in all the realms of all the Michael Sons. YOU ARE LOVED BEYOND YOUR FINITE IMAGINATIONS FOR GODS IMAGINATION IS INFINITE AND GOD HAS IMAGINED YOU AND YOUR IMAGINATION IS PART OF GODS IMAGINATION AND YOU SHOULD GROW IN THAT!

But you have been hindered in your growth.....

There are those that help and those that hinder and each plays part in the realms of experience. You have endured the trials and tribulations, the stress and strife that you have created with your own imaginations, having been brainwashed and manipulated and you have been forced into loss of communication and access to the higher realms....except for those that have struggled to overcome

And there have been many over the thousands of years of your slavery to lesser, material beings whose desire was to play god over you.

You are not held in fault for the circumstance. It is not your fault. The fault in you is found in your inability to push the envelope of your limitations as they have been forced upon you . You have accepted all too readily, the distractions and pleasures of selfishness and self-interest that has been presented to you as the way that you should live in order to be considered successful. Though the very core of your beings consistently cries out in protest...though your heart knows that you do evil...though your mind constantly finds way to justify the horrors that you have inflicted, not just upon others and this lovely and wonderful planet...but yourselves as well.....too many of you go along to get along.

Though we understand that your options were few, as you considered it in material terms, and your history abounds with the struggles of those that would not comply to the shadowmind and were destroyed as the result....they left words, choices, instructions, concepts, values.....and imaginings.....all designed to help you to gain further ground.....and you have...but you've made it so hard on yourselves....so hard that even now, you condemn those of greater imagination than their brethren...

You say you want a better world. You want to rejoin the universe. Yet you hardly accept each other in love and familyhood. We know that you want peace, but how can you achieve it without using weapons to do so...and could such a peace ever last?

You say it is impossible for all to lay down their weapons and so you cannot give up yours.....a world of open doors is brought to ruin by one thief.....

You say that there are all too many that are not willing to change direction from darkness into light. At any given moment there are a good 140,000,000 personalities that are actively and aggressively working towards your destruction, all led by differing cabals of purely selfish and evil intent. How shall we blame one faction above another when all are equally to blame?

So that is roughly about two percent of your population that is actively engaged in finding ways to commit mass murder of the other 98%, which they consider to be the opposition. That would include the greater majority of those of you that are reading these words.

Less than 10 million personalities are actively engaged in actual opposition to any of these psychopathically dark agendas, either by opposing some particular, individual cabal or collectively or any grouping thereof.

It would be a 'nice to have' to have, at least, an equal number of personalities actively engaged in overcoming and conquering these dark powers.....but where are they and how should they be made known?

WE fully recommend and suggest and support the circumstance that your only recourse is to turn to GOD.

As your adversary is against GOD and humanity, it stands to reason that you should stand with and for GOD and humanity.

On the human front, as it were, the war rages on many levels and in many arenas of engagement and there is progress being made and you are duly commended and respected for your efforts to set right your material situation.....but all of this is based in and on your spiritual situation and condition....what are you doing about that?

Many come to you and say this is this and that is that and you should ignore all bad things and negativity and you face and fight all that and you should follow this or follow that or listen to this and listen to that and take our word for it and they are not telling you the truth and we know it's all very confusing while you wait and try not to feel helpless.....

You are not helpless. The imagination of GOD is within you. That is power in itself. But your imagination is still finite and even on your best day with all of your best imaginings out together....you will never come close to what GOD has imagined for you.

You have a direct line to GOD within you and all around you for that is where GOD is and has always been.

It is time to use that.

It is time to let GOD have ITS Way.....completely.....and it is time to trust in GOD WILL for you and to have faith in THAT.

WE ARE SIMPLY ASKING THAT YOU GIVE YOURSELF TO GOD...COMPLETELY, IN LOVE, DEVOTION AN SURRENDER, AND TO LET THAT BE WHO AND WHAT YOU ARE BY DEFINITION. YOU ARE GODS WILL ON EARTH, IF YOU ALLOW YOURSELF TO BE. YOU CANNOT TRULY SAY THAT YOU ARE GOD. IT IS AN UNREACHABLE GOAL AND A FALSE ASSUMPTION TAKEN BY TOO MANY THAT FOUND THEMSELVES THAT FAR UP THE PATH AND FAILED TO SEE THAT THE PATH CONTINUED.

YOU CAN SAY THAT GOD IS BEING YOU...IN YOU...WITH YOU...THROUGH YOU.....FOR YOU.

YOU WILL NOT LOSE YOURSELF, YOU WILL BECOME A GREATER SELF THAN YOU EVER IMAGINED.

YOU WANT A NEW AND BETTER WORLD IN A NEW AND BETTER AGE AND, TRY AS YOU MIGHT TO IMAGINE IT, TO PICTURE IT, TO BE IT.....TO DO IT...YOU WILL ONLY GET SO FAR ALONE.....

BUT YOU ARE NOT ALONE

YOU ARE IN THE COMPANY OF THE GOD OF GODS, SOURCE OF SOURCES, CREATOR OF CREATORS

AND YOU ARE LOVED!

INFINITELY AND ETERNALLY YOU ARE LOVED!

SHALL NOT GOD LOVE ITSELF?

WHO DO YOU THINK YOU ARE?

YOU ARE GOD IMAGINING ITSELF AS YOU.....NOT THE OTHER WAY AROUND AS SO MANY WOULD LIKE TO HAVE YOU...IMAGINE.....

THIS IS THE FINAL FRONT IN THIS WAR OF CONSCIOUSNESS.

YOUR CONSCIOUSNESS

YOU

THEY WANT YOU AND GOD WANTS YOU

AND BOTH, FOR DIFFERENT REASONS....WHICH SHOULD BE OBVIOUS.....

WHERE ARE THOSE THAT ARE WILLING TO EXPERIENCE THE WORLD OF GODS IMAGINATION?

PUT DOWN AND AWAY ALL YOU HAVE KNOWN AND THOUGHT AND FELT AND KNOW AND THINK AND FEEL.....MORE THAN YOU CAN EVER IMAGINE...WHICH IS GODS LOVE FOR YOU AND GODS PLAN FOR YOU AND THE GOAL OF PERFECTION THAT GOD IS LEADING YOU TO.

AND THERE...THERE IS YOUR TRUE LOVE FOR YOURSELF, YOUR SELF, AND FOR

OTHERS, ALL OTHERS AND THEIR LOVE OF YOU.....THERE IS GREATER LOVE THAN YOU CAN IMAGINE
BUT IT IS THERE FOR YOU IN GODS WILL
AND IT WILL HAPPEN NONETHELESS...WHETHER YOU TURN TO GOD OR NOT...
THIS THING IS A DONE DEAL NO MATTER WHAT.....THE QUESTION IS.....WHO WILL BE THERE?

If you want it then you will have to speak up, in consciousness.....this is an everyday thing.....
To want the Father's Will, for it will come through The Father.....please know that....GOD didn't make all this for nothing...IT has work to do and IT WORKS....hard.....

Ask yourself:

Are 7,000,000,000 people all going to enter this wonderful and fantastic world of light and life and love just because they're here?

THIS IS GRADUATION DAY!

This is a world of higher thought and experience! All of that thought and experience is in GOD and about GOD and so are you.....as you should be.....and if you are not.....then you have classes to take over.....and you will.....and all of it is designed to give you....YOU...the best possible outcome so that you will find yourself being the creator of your own creation.....and you will.

You will because GOD loves you and wants you to experience what it's like to be GOD, to be perfect as GOD is perfect.....to love as GOD loves and share as GOD shares and give and forgive and know and do and be.....as GOD is.....and that is what being Family is all about. That's what being a worker in the Family business is all about. You will better be able to do as you see The Father doing because you will be better able to see The Father doing it and thus, you will be better able to be as The Father is.

YOU ARE A CHILD OF GOD GROWING UP AND BECOMING AN ADULT OF GOD AND THE TIME FOR GRADE SCHOOL OR HIGH SCHOOL IS OVER.....GRADUATION DAY IS COMING! PREPARE!

You are striving to go to a place where GODS WILL is manifest in all things and deviation from that is counterproductive not just to the individual, but to the whole. You will have to ready to experience such a thing and you won't be able to until you can totally and completely and wholly give your self up to the WILL OF GOD, within you and all around you. Surely you can see the wisdom of this as being the natural state of being in realms that are centered in light and love and the WAY OF THE SPIRIT DIVINE?

You need nothing but yourself in order to give yourself to GOD in service to ALL IN THE ONE. YOU CAN DO SO ANYWHERE, ANYTIME, ALL THE TIME. YOU DON'T NEED ANYONE TO TELL YOU HOW. YOU DON'T NEED TO FOLLOW ANYONE BUT THE GOD WITHIN YOU WHO WILL MAKE ITSELF OBVIOUSLY KNOWN AS SOON AS YOU CAN OPEN THE REALM OF YOUR MIND AND HEART AS ONE AND KNOW THAT, AS YOU RAISE BOTH HANDS TO GOD, GOD WILL EMBRACE YOU WITH BOTH ARMS.

This one is, however, in the process of creating mechanisms to help spread the concept/idea to others beyond just written words. But these will be simply measures of facilitation, nothing more.

LET NO MAN INTERFERE WITH OR COME BETWEEN YOUR DIRECT COMMUNICATION AND RELATIONSHIP WITH GOD, YOUR FATHER/MOTHER/SISTER/BROTHER/CREATOR, WHO DWELLS WITHIN YOU AND ALL AROUND YOU IN ALL THINGS AND SENSES OF THINGS...IT IS ALL GOD AND GOD IS ONE.

GOD HAS ALLOWED YOU TO CREATE OF IT, THE REALM THAT YOU HAVE IMAGINED AS A GROUP CONSCIOUSNESS AND EXPERIENCES IT ALL WITH YOU WHILE STRIVING TO EDUCATE AND SHOW YOU GODS WAY, FROM WITHIN AND ALL AROUND YOU.

YOU HAVE EXPERIENCED MANY HARDSHIPS IN THAT YOU HAVE BEEN STRUGGLING, NOT JUST WITH GOD OR AGAINST GOD, BUT MOSTLY THROUGH THE FACT THAT YOU HAVE BEEN MANIPULATED INTO STRUGGLING AGAINST EACH OTHER.

SUCH STRUGGLING AGAINST YOURSELVES AND GOD MUST NOW END, SO THAT THOSE THAT HAVE DONE THE WORK OF GOD, THOSE THAT HAVE FOUND GOD AND HAVE SERVED GOD....THOSE THAT HAVE SOUGHT FOR GOD AND THOUGHT OF GOD IN ALL CIRCUMSTANCES...THOSE THAT HAVE LONGED FOR GOD AND PRAYED FOR GOD TO HELP AND AID...THOSE THAT WANT AND NEED, NOT THE LIMITATIONS OF THEIR OWN, FINITE WILLS AND IMAGINATIONS, TO RULE THEIR LIVES, BUT FOR THE UNLIMITED, INFINITE AND ETERNAL WILL OF GODS LIMITLESS IMAGINATION TO RENDER ONTO THEM, GODS BELOVED, THE FULL MEASURE OF GODS BLESSINGS, THAT THEY MAY KNOW FREEDOM AND IN FREEDOM, GAIN OF GODS WISDOM, AND IN WISDOM, LOVE, AND IN LOVE, HONOR, AND IN HONOR, GLORY, AND IN GLORY, LIGHT, AND IN LIGHT AND LOVE....CREATE THE UNIVERSES OF THEIR IMAGINATIONS, ALL FOUNDED IN GOD, WHO IS ALL THINGS AS ONE AND SHARES GODS GLORY AND HONOR WITH GODS BELOVED THAT THEY MAY ALSO KNOW MAJESTY AND POWER EVEN AS THEY GIVE ALL MAJESTY AND POWER AND GLORY AND HONOR UNTO GOD, FOREVER AND EVER.

ALL GLORY TO THE ONE AND TO THE ONE ALL GLORY! HALLELUJAH!

So now it is up to you.....concern yourself with GOD first in all things and circumstances or ignore or reject in favor of your own devices.....the choice, in free will, is yours, and always has been.

We leave you with this for now, to ponder.....peace and knowledge in light and love be unto you in THE ONE!

AMEN!

Message to the "so called resistance"

By KiboDabi

Jun 4, 2014

well...I really should put something here.....so this one is for the so-called 'resistance'.....and if you really think about it...a resistance movement happens from inside the terrorized location, not from outside.....so I fail to see how the GFL could be considered a resistance movement.....liberation force, yeah I get that....but....well, you should know this.... anyway.....another quote from another email.....and I'm going to have to cut down for now and go back to getting to these things when I can.....mind you, I don't think I'm much more aware than anyone...I just have a particularity peculiar set of experiences to act upon and so...here I am..... but back to the point...this one goes out to all you shadow people out there.....you are the resistance and you are resisting GOD. so without further ado, this one's for you....cue music.....yeah...I'm working on that too....but things have been difficult on this end...too many people...graduations, a funeral....the energy has been fluctuating...and other, more material crap to deal with....sigh.....things will settle down soon and I can get back to focused work..so please forgive all my delays and bear with me....what is coming is worth it...well...I think so anyway...dammit! off track again!! lol...quick throw in the paste! Hurry! Before I do it again!

aaaaannnnndddd ACTION!:

"Only in surrender to GOD in obedience and service to GODS WILL can humanity hope to reach the goal of ascension for a greater mass of qualified people than exists at this time. WE would like all opposing parties to stand down and submit to Christ Michael ATON as SOVEREIGN of Nebadon and direct embodiment of The Will of PARADISE TRINITY and CREATOR SOURCE. 'The Event' will be a Divine one and not a man made one and there is nothing to be done about it. At this point you are all just stalling for time in a vain struggle to pick your own places in the age world to come.

That will not happen.

That will not happen and all human plans will come to naught. This is Divine Adjudication and evaluation of all individuals as individuals in order to determine where they can best continue their evolution to perfection. This is why I call it 'Graduation Day'.....because some of us will be continuing with Gaia and representing the Humanity to come in the affairs of the universe....and the rest...ah well...so be it.

IF YOU ARE GOING TO DISCLOSE ANYTHING, THEN DO IT EN MASSE AND IN MAINSTREAM AND LET IT BE THE TRUTH...ANYTHING ELSE OR LESS.....

well.....everything is its own reward.....

don't get me wrong.....I wish we could all go.....forgive and forget and just go on from here all nice and loving and together.....but that's me.....as far as the truth of the matter is concerned...well.....it is what it is.....don't think for a moment that I think that I am guaranteed a cap and gown and entrance to the higher school to come.....we all know that I'm a lazy, crazy fuck and I'm sure that I have much to pay for.....I am living the ascending life and I aim to fulfill it...whatever it takes.....so whatever happens...as long as GODS WILL is fulfilled on and in and for this place...i'll be happy...no matter if I have to do this shit over or go back or.....dare I dream?....graduate.....I am here to serve and that's all.....and all that matters is that humanity is told that GOD IS and it is time to act accordingly and get on our knees and pray for GODS WILL to be done in ALL things NOW...COOPERATE WITH GODS WILL AND ACT UPON IT AND IN IT AND WITH IT...so that this planet and its peoples may ascend as one.....until you do that as a planet AND peoples.....for the planet is safe...but the peoples.....sigh.....UNTIL WE CAN DO THAT IN PARTNERSHIP WITH GOD IN ORDER TO ASCEND, THEN WE MUST SUFFER THE FATES WE HAVE EARNED IN GOD THAT GOD MAY YET FULFILL ITSELF IN US ACCORDING TO ITS WILL...WE WILL BE PERFECT! [even if some of us are now grinding our teeth and kicking and screaming while being dragged into a better, infinitely powerful and eternal life.....go figure] GODS WILL IS DONE IN ALL THINGS FOR ALL THINGS ARE GOD MANIFESTING ITSELF AS ALL THINGS...AND GOD IS FULFILLING ITSELF AND WILL SEE ITSELF FULFILLED!!!!!!!

so you see...it really isn't up to us...all free will hype and hope aside...just whose free will do you think you're fucking with? What we do with our free will is bad enough, but to deny GOD the establishment and fulfillment of ITS FREE WILL WHICH IS ABSOLUTE, ULTIMATE AND SUPREME...!?!?!?!?.....well that's just stupid and GOD never told nobody to be stupid...but GOD lets them be for as long as it suits GODS purposes to do so.

so when the ones negotiating the fate of billions of people behind closed doors decide to come clean to GOD and Humanity.....then we'll talk.....until then...the clock is ticking down through the final few celestial seconds to the whole thing being taken out of their hands and placed in the only hands that count and matter....."

aaaannnnnnndddd CUT!

and now a word to all in their respective foxholes....

I know you shadow guys already read this....but I felt that it needed to be said to directly....just in case.....more will come I'm sure.....but you really should get over that goyim thing, or eloi or whatever it is that you want to call the 90% of the population that you prefer were dead and gone.....however dumb and domesticated we may appear to be to you....we are more and that more is more than you can handle and you will get the chance to experience that as GOD WILLS...so don't say you weren't warned.

THE HUMAN BEINGS ARE NOT COMING...THE HUMAN BEINGS ARE HERE AND THEY ARE READY AND NO LONGER WAITING....BECAUSE WE ARE GOD ON EARTH....AND GOD IS READY AND NO LONGER WAITING.....AND WE HAVE LEARNED TO ACT ACCORDINGLY.....IT'S HAPPENING.....

AND HUMANITY SHOULD KNOW THAT THE WHOLE OF CREATION IS PAYING ATTENTION

TO THIS..THE WHOLE AND EACH AND EVERY PART.

THE WHOLE OF CREATION AND EACH AND EVERY PART OF IT IS PAYING ATTENTION TO US AND THIS PLANET AND THIS CIRCUMSTANCE AND THE OUTCOME.....AS A WHOLE...AND ALSO TO EACH AND EVERY PART..... INCLUDING EACH AND EVERY ONE OF YOU.

LOVE AND STRENGTH AND COMPASSION AND MERCY AND PRAYERS FOR OUR ASCENSION ARE FOCUSED HERE FROM THE WHOLE OF CREATION FROM GRANDPA DOWN TO THE LAST ULTIMATON....

WHY WE DO NOT DO THIS FOR OURELVES.....AS A WHOLE....ONLY SPEAKS TO THE RAVAGES OF THIS WAR. BUT THIS IS THE LAST OUTPOST OF THE MANIFEST DARK IN THE SHADOWMIND AND NOW IT IS TIME FOR WE, THE HUMAN BEINGS, THE REAL RESISTANCE AGAINST THE DARK ONES...WE OF LIGHT AND LOVE AND LIFE...WE IN GOD AND OF GOD AND THROUGH GOD AND BY GOD AND FOR GOD AND EACH OTHER....TAKE OUR STAND WITH THE GREATEST WEAPONS IN CREATION...OUR MINDS AND HEARTS. AS THE MINDS AND HEARTS OF THE WHOLE OF CREATION, BEINGS KNOWN AND UNKNOWN, EXPERIENCED AND UNEXPERIENCED, AS ALL THINGS NOW STAND WITH US AS ONE, LET US JOIN WITH THEM IN RECIPROCATION AND GAIN FROM THEM THE STRENGTH AND POWER AND UNDERSTANDING AND KNOWLEDGE AND LOVE AND LIGHT WE NEED TO CONQUER ONCE AND FOR ALL THE LAST VESTIGES OF DARKNESS THAT STUBBORNLY AND VEHEMENTLY REBEL AGAINST THE LIVING GOD OF GODS AND ALL THAT GOD IS AND STANDS FOR!

WE SAY THAT IF GOD IS WITH US, THEN WHAT CAN THEY DO TO US? WHEN DO WE SAY THAT WE ARE WITH GOD WHAT CAN WE DO TO THEM?

WE CAN OVERCOME THEM.

WE CAN OVERCOME THEM WITH OUR WILL TO BE FREE

WE CAN OVERCOME THEM BY STANDING TOGETHER IN LOVE AND SUPPORT OF EACH OTHER.

WE CAN REFUSE TO FIGHT THEIR WARS.

WE CAN REFUSE THEIR DEFINITIONS OF US.

WE CAN REFUSE THE VALIDITY OF THEIR SYSTEM OF THINGS.

WE CAN SAY NO.

BUT MOST OF ALL

AND ABOVE ALL

WE CAN DEMAND OF GOD THAT GODS WILL IS DONE IN US AND THEM AND THE WHOLE SITUATION.

CARE NOT FOR WHAT YOU THINK OR FEEL ALONE AND INSIST THAT YOU BE LIFTED UP TO A PLACE OF EXPANSION THAT YOU COULD NEVER REACH ALONE.

LIVE IN GOD THAT GOD MAY BETTER LIVE IN YOU

ACT IN GOD THAT GOD MAY BETTER ACT IN YOU

KNOW GOD THAT GOD MAY BE BETTER KNOWN IN YOU

ALL OF IT

ALL OF IT IS THERE WITHIN YOU

GET OUT OF YOUR WAY!

THUS SAYS CREATION TO YOU

FOR YOU ARE LOVED BEYOND MEASURE

AND CHERISHED BEYOND MEASURE

IT HUGS YOU AND EMBRACES YOU WITH BOTH ARMS AND HANDS

WHERE'S THE RETURN?
ARE YOU JUST GOING TO LET OTHERS DO THE WORK FOR YOU?
FIGHT FOR YOU?
AND DO NOTHING?
WHERE'S THE RECIPROCATATION?

HOW ENSLAVED ARE YOU?
HOW ENSLAVED MUST YOU BE BEFORE YOU REACT AND ACT?

NO MATTER.....CREATION IS HERE.
GOD IS HERE.....GODS WILL IS BEING DONE AS YOU READ THESE WORDS.
YOUR PART IN IT IS UP TO YOU AND GOD ALONE = BETWEEN YOU BOTH AS ONE AND
ALL AS ONE WILL EXPERIENCE THE BEST POSSIBLE OUTCOME.
UNTIL THAT MOMENT.....AND THAT MOMENT WILL COME.....

HOW WILL YOU ACT?

AND THE QUESTION AFTER THAT
WILL BE NOT 'WHERE WERE YOU THEN?
THE QUESTION WILL BE
WHAT WERE YOU THEN?
KNOW WHAT YOU ARE IN THE HERE AND NOW
GO IN THE DIRECTION YOU CHOOSE
AND YOU WILL FIND THE ANSWER TO WHAT YOU WILL BE WHEN THE TIME COMES.

GOD IS WITH AND WITHIN YOU
ALWAYS AND FOREVER

YOUR DENIAL OF THAT CHANGES NOTHING
AND YOUR ACCEPTANCE OF IT
CHANGES EVERYTHING.

Thus speaks THE LIVING CREATION.

IMPROMPTU

By CM/Papa thru Kibo

Jul 14, 2014

am called into the office, after many days of being told to relax and think and keep all lines open and prepare.....

PAPA and CM are in the office. PAPA in the chair and CM kind of sitting/leaning on the desk.....They are speaking as one in this thing so the designation will be: P/CM.

STAGE CENTER: NO ACT, QUITE A SCENE:

K: You called boss?

P/CM: It is time. Take a message.

K: How many times have I heard that it is time? Sigh.....[sits at console]

P/CM: It has always been time and now it is time for this...is there a problem?

K: No, No.....Just wondering...I'm as anxious as anyone to know what the hell is going on around here....on the ground....as it were.....there's a lot of talk and activity and anticipation and I've heard all kinds of things that sound great but don't hold water.....as it is.....something's wrong with the whole structure of info right now and I can sense that there are several moves being made to create a big move....on both, or every side of this thing and all I can do is meditate and think and feel on it and communicate with you guys about it and I've been getting all kinds of stuff from so many directions it ain't funny.....laughable at some points, but not funny.....there's some serious shit coming down and all I can do is wait and see what's what and hope and pray and have faith and trust in you guys to do what must be done that none of us down here can do.....so I stand ready to serve at your pleasure....and hope and pray that my service to you is, actually, a pleasurable thing to you.....y'knowwhatimean?

P/CM: Are you ready for this?

K: I have no clue.....I'm just trying to do my job and do a good job at it and do it right and keep the opposition out of my face so I don't have to snap on anybody.....and thanks for that, btw.....I really appreciate the back=up.....will....

P/CM: [cutting me off] That's no longer your concern. It's in Our Hands and suffice it to say that there are those that wish they had chosen otherwise before it was too late to do so.

But now to the matter at hand.... Prepare yourself. This will not be an easy message for you to take or to give.

K: I know....

P/CM: You know only what WE have discussed up to this point and the info you've been shown. That has allowed you to begin. What comes is more and you will have to be able to deal with it as it is given to you to do so...it may take more than a day or two to finish.

K: Just do what you have to do to help me get through it and know that I am with You as I know

that you are with what I am as me being one in all things, including this.....so I shall do my very best....thank you very much for helping me to get to this point where I can do stuff like this....I love you dearly.

P/CM: And so it is between us. This is what you wanted, after all.

K: Yeah...I just didn't know what I had to go through to get here.....like I said...couldn't have made the journey without you...so endless thanks for that. You are all and everything and it is greatly appreciated by all who recognize the fact.

P/CM: You are welcome with pleasure.....and now to business:
[as given...as directed.....word for word...line for line...style as style...]

WE OFFER NO APOLOGIES FOR THE LENGTH OF THIS MESSAGE. IT IS TO BE READ FOR MANY REASONS. MAY THE THOUGHT AND THE MEANING AND THE MEANINGS OF IT SEEP AND FLOOD INTO YOUR MIND AND EMOTIONS AND CONSCIOUSNESS SO THAT THE VOICE THAT YOU GIVE TO IT WITHIN YOU MAY BECOME MORE AND MORE THE VOICE OF THE DIVINITY WITHIN YOU AS OUR VOICE WITHIN YOU AND LESS AND LESS THE THOUGHT AND FEELING OF YOUR VOICE BEING SEPARATE AND ALONE IN THIS GREAT AND GRAND CREATION OF BEING AND CONSCIOUSNESS THAT IS SOURCE OF SOURCES.

WE UNDERSTAND THAT THIS IS CONSIDERED BORING BY MANY OF YOU, BUT WE HAVE NOTED HOW ABLE YOU ARE TO GO TO GREAT LENGTHS TO NOT ONLY COMPREHEND, BUT TO MEMORIZE EXQUISITE AND COMPLICATED SONG LINES, RAP LYRICS, ROMANTIC STORIES AND NOVELS, SEXUAL AND PORNOGRAPHIC WORKS, AS WELL AS VARIOUS, MUNDANE AND ESOTERIC WORKS AND PHILOSOPHIES.

YOU HAVE BEEN SEEN TO HAVE SPENT EXTRAORDINARY AMOUNTS OF TIME TOWARDS INVESTIGATING AND COMPREHENDING YOUR RELIGIOUS WORKS SUCH AS YOUR 'OLD' AND 'NEW' TESTAMENTS, YOUR KORAN, YOUR MAHABHRATA, VARIOUS BUDDHIST TEXTS, AS WELL AS OFFSHOOTS OF ALL THE ABOVE , AS WELL AS YOUR SATANIC TEXTS AND MORE THAN SATANIC TEXTS... THE LIST AT THIS TIME SEEMS ALMOST ENDLESS.....AND THIS DOES NOT EVEN INCLUDE THE TIME AND EFFORT THAT YOU HAVE SPENT ON VARIOUS PHOTOGRAPHIC AND VIDEOGRAPHIC WORKS, NOR THE TIME YOU SPEND ONLINE INVOLVED IN THE THINGS AND AFFAIRS THAT INTEREST YOU MOST, BE IT ANY COMBINATION OF THE ABOVE OR YOUR OWN SPECIFICATION OF WHAT YOU THINK IS IMPORTANT IN THE CAUSES AND EFFECTS THAT YOU ARE EXPERIENCING RIGHT NOW.

YOU DEVELOP YOUR RELIGIONS AND PHILOSOPHIES AND ENTERTAINMENTS AND SOURCES OF KNOWLEDGE ACCORDING TO WHAT YOU THINK YOUR PARTICULAR NEEDS AT THE TIME MAY BE, OR YOU'RE GIVEN THE SAME BY OTHERS WHOSE JOB IT IS TO THINK AND FEEL SUCH THINGS ON YOUR BEHALF AND THEN CONVINCING YOU TO AGREE WITH THEM ABOUT THE MATTER.

WE FULLY EXPECT YOU TO THINK AND FEEL THE SAME WAY CONCERNING THIS THAT WE NOW GIVE YOU CONCERNING THE MATTER AT HAND. YOU MAY DO WITH THIS WORK WHAT YOU LIKE. MAKE NO MISTAKE, IT IS WORK.

IT IS BEING GIVEN ONTO YOU SO THAT YOU MAY CHOOSE WHAT YOU PERCEIVE IN IT THAT MAY BE OR MAY NOT BE OF USE TO YOU IN THE CIRCUMSTANCES OF YOUR LIFE AND BEING IN THE TIME AND PLACE THAT YOU CALL YOUR LIFE ON EARTH IN THE HERE AND NOW.

BREATHE

IT IS TIME FOR YOU TO MAKE YOUR FINAL CHOICES IN THE MATTER AT HAND.....
WHO AND WHAT ARE YOU WILLING TO BE RULED BY?

GOD OR MAN?

DO YOU UNDERSTAND WHAT WE ARE ASKING OF YOU AND WHY?

ALL TOO SOON...AND NOT SOON ENOUGH FOR SOME OF YOU
YOUR MUCH BALLYHOODED EVENT WILL BE UPON YOU

IT IS AN EVENT CREATED BY MEN FOR THE PURPOSES OF MEN
AND YOU ARE BEING LIED TO AND MANIPULATED INTO IT....

GRANTED, IT WILL SOLVE ALL OF YOUR IMMEDIATE MONEY PROBLEMS AND
SITUATIONS

THERE WILL BE ENOUGH ARRESTS OF LOW TO HIGH LEVEL CABAL MEMBERS WHILE
THE REAL LEADERSHIP THAT YOU NEVER KNEW ABOUT IN THE FIRST PLACE WILL
REST, LICK THEIR WOUNDS
AND CONTINUE THEIR PLANS WHEN THE SMOKE CLEARS AND THE DUST SETTLES.....

SUCH ARE THE WAYS OF MEN IN THE AFFAIRS OF MEN.....

BUT WHAT OF GOD?

WHAT IS GOD'S PLAN FOR AND IN ALL OF THIS?
SURELY THERE IS SOMETHING THAT WILL ANSWER
TO ALL OF THIS MANEUVERING FOR POSITION AND POWER?

YES THERE IS.

PLEASE BE ADVISED THAT WHILE THE RESOLUTION OF YOUR MATERIAL PROBLEMS IS
COMMENDABLE AND WE APPLAUD YOUR YEARS OF EFFORT TO REACH THIS
CONCLUSIVE PHASE.....

IT STILL DOES NOT ANSWER TO THE REQUISITE STATE OF BEING THAT IS REQUIRED
FOR ASCENSION

NOR DOES IT TAKE INTO CONSIDERATION THAT THIS IS A PERIOD OF DIVINE
ADJUDICATION...

BOTH OF THESE POINTS SEEM TO BE MISSING FROM ALL OF YOUR PLANS AND
UPDATES.....

YOU PAY LIP SERVICE TO POWERS SUCH AS AEON WITHOUT DUE REGARD FOR THE
CREATOR AND HOLDER OF THAT POWER AND THE REASON FOR THE NAME GIVEN TO
IT.

YOU GIVE MORE CREDIT TO THE DARK FORCES THAN YOU DO TO THE FORCES OF
LIGHT AS FOUND IN THE GALACTIC FEDERATION OF LIGHT...NOT CONFEDERATION, BY
THE WAY.....

THAT COULD BE CONSIDERED A 'CON' JOB.....YES, WE DO HAVE A SENSE OF HUMOR.....

YOU SEEK TO UPLIFT WORSHIP OF THE FEMININE IN THE MOTHER GODDESS WHO IS
NEBADONIA AND ALSO THIRD SOURCE AND CENTER OF PARADISE TRINITY

YET YOU SEEK TO RAISE UP THE IMAGE OF ISIS, WHO PRETENDED TO GODHOOD AND
IGNORE THE FACT THAT SOURCE OF SOURCES

IS FATHER AND MOTHER TO THE WHOLE OF CREATION

YOU SEEK TO ACT AND ACCOMPLISH YOUR OWN WILLS RATHER THAN THE WILL OF
GOD ALMIGHTY
AGAIN WE REMIND YOU THAT FULL CONSCIOUSNESS DOES NOT GUARANTEE
ASCENSION
AND WHILE WE ARE MORE THAN HAPPY TO BE FORGIVING AND MERCIFUL
WE DO NOT FORGET AND THE BALANCE MUST BE PAID BY ALL
HOW ELSE WILL THEY ACHIEVE PERFECTION?
SHALL IT BE HANDED TO THEM ON A PLATINUM PLATTER?
LIFE IS LIVED THROUGH EXPERIENCING FOR THE SAKE OF KNOWLEDGE
AND THE WISE USE OF THAT KNOWLEDGE EVEN UNTO PERFECTION
THE LICENSE FOR DIVINE LIBERTY MUST BE EARNED.
SUCH POWER CAN ONLY BE HELD BY THOSE THAT HAVE FULFILLED GOD WITHIN
THEMSELVES AND THEMSELVES IN GOD
AND YOU ALL HAVE A VERY LONG WAY TO GO IF YOU ARE GOING TO CONTINUE THAT
JOURNEY FROM WHERE YOU STAND IN THE HERE AND NOW OF IT.
LET US BE CLEAR BY USING YOUR OWN WORDS AGAINST YOU:
““ULTIMATELY, THERE ARE ONLY TWO ACTIONS YOU CAN TAKE IN A GAME
ADVANCE YOUR OWN STRATEGY OR RESPOND TO ANOTHER PLAYERS STRATEGY
IT'S A QUESTION OF WHO HAS THE INITIATIVE
IN THIS CASE, WE HELD THE INITIATIVE THROUGHOUT THE ENTIRE GAME
THAT IS ALL THERE IS TO IT
YOU THOUGHT YOU WERE MAKING MOVES
BUT WE WERE CONTROLLING WHAT YOU DID....
THE RESULT WAS INEVITABLE” [NGNL]
AND IT WILL ALWAYS BE INEVITABLE FOR GOD IS GOD
EVERY THOUGHT AND FEELING, WHIM AND NOTION
EVERY CIRCUMSTANCE IN THE WHOLE OF CREATION
IS KNOWN IN THE ETERNAL MOMENT OF BEING
THAT ENCOMPASSES AND SUPERCEDES WHAT YOU EXPERIENCE AS PAST, PRESENT
AND FUTURE
IT IS ALL KNOWN
EVERY NUANCE AND CAUSE AND EFFECT AND THEIR CAUSES AND EFFECTS
EVERY RELATIONSHIP AND RELATED THING
EVERY PLACEMENT AND POSITION
EVERY MOVEMENT, EVERY MOTION, AND ALL STILLNESS
IS AND WAS ALREADY KNOWN BY THE CREATOR OF ALL OF IT

THERE IS NO ESCAPE FROM THAT
THERE IS NO ESCAPE FROM THE PERFECTION YOU WERE CREATED FOR
EVEN IN UNCREATION, THE ENERGY OF WHAT YOU ARE IS RECAST AND SENT OUT
AGAIN TO FULFILL GOD'S PURPOSE.....BE YE PERFECT EVEN AS I, YOUR FATHER IN
THE HEAVENS AM PERFECT
THUS IS THE PARADISE MANDATE WHICH YOU WERE CREATED FOR AND ALL THE
HEAVENS MOVE TO SERVE THAT PURPOSE.....
WE UNDERSTAND YOUR FEAR, BORN OF SELFISHNESS WHICH FUELS YOUR
UNBELIEF.....
BUT SOON IT WILL ALL BE MADE PERFECTLY CLEAR TO YOU.
YOU HAVE WORKED HARD TO BRING FORTH THIS EVENT OF YOURS
AND WE SHALL LET YOU BEGIN
SO THAT WE MAY FINISH
YOU WILL SEE OUR SHIPS INSTEAD OF YOUR OWN
YOU WILL SEE OUR FORCES INSTEAD OF YOUR OWN
YOU WILL SEE THE HOSTS OF LEGIONS OF ARMIES OF GOD
YOU WILL SEE TRUE LIBERTY AND FREEDOM
YOU WILL SEE EQUITY AND JUSTICE

YOU WILL KNOW THE EQUALITY THAT ALL SHARE IN SPIRIT
YOU WILL SEE PEACE AND PROSPERITY BOTH NOW AND FOREVERMORE
YOU WILL EXPERIENCE OUR LOVE AND LOVINGKINDNESS
AND KNOW THAT THERE IS PLACE OF REPAIR AND HEALING FOR YOU
THAT YOU MAY CONTINUE TO EVOLVE AND EXPAND
EVEN UNTO THAT PERFECTION THAT HAS BEEN PROMISED TO YOU ALL.
BUT YOU WILL SEE ADJUDICATION, DIVINE ADJUDICATION
YOU WILL EXPERIENCE THE THREE DAYS OF DARKNESS
YOU WILL CONTINUE WHERE YOU MAY BEST EVOLVE IN SPIRIT AND BEING
THIS WILL BE DONE ON A CASE BY CASE, INDIVIDUAL BASIS
IT IS NOT JUST A MATTER OF YOUR FAITH AND TRUST IN GOD
BUT IN YOUR RELATIONSHIP WITH GOD
HOW EXPANSIVE IS YOUR EXPERIENCED PERCEPTION AND ACTUAL RELATIONSHIP
WITH GOD

FOR TO KNOW GOD IS TO KNOW YOUR SELF AND EACH OTHER AND ALL THINGS
IS THAT NOT WHAT GOD IS....ALL THINGS AS ONE?
TO LIVE AND BE AND DO IN GOD'S WILL
TO SERVE GOD'S WILL
IN LOVE AND JOY AND REJOICING
IS TO UNDERSTAND THAT ALL IS GOD'S WILL
AND THERE IS NOTHING THAT EXISTS EXCEPT FOR GOD'S WILL
FOR IT IS THAT WILL WHICH IS THE CREATION AND LIFE THAT YOU ARE EXPERIENCING.
THE PERFECTION YOU JOURNEY TO IS GOD'S WILL
AND NOW YOU MUST BE EVALUATED TO SEE WHAT BEST WILL GET YOU THERE FROM
WHERE YOU ARE
RIGHT NOW
IN CONSCIOUSNESS AND CONSCIOUS EXPERIENCE AND EXPERIENCE WITH AND
WITHIN AND IN GOD...
AND THIS IS WHAT YOU ONES HAVE NOT BOTHERED TO SPEAK OF TO YOUR ADORING
PUBLIC FOLLOWERS
YOU CANNOT BE SAVED BY MEANS OF MONEY
THE GALACTIC FEDERATION CANNOT SAVE YOU
ONLY YOU CAN DECIDE TO REALIZE AND RECOGNIZE GOD WITHIN YOU AND IN AND
WITH ALL THINGS
AND TO DECIDE TO ACT ACCORDINGLY
AND BASED UPON ALL OF THAT
AND HOW YOU ACT
AND HAVE ACTED
THERE YOU HAVE ESTABLISHED YOUR PATH FROM HERE AND NOW TO THE THERE AND
THEN OF YOUR EXPERIENCE OF PERFECTION IN GOD AND GOD PERFECTED IN YOU.
SO

THAT IS ALL FOR NOW
THANK YOU
WE ARE
I AM WHAT I AM.

K: Is that all?

P/CM: Is that not enough?

K: People always want to know when.....

[Big LOL]P/CM: Oh.....let them make this move that they've planned so hard for and waited for all this time...they deserve their moment.....It is, actually, a great moment in your history. You defeated your enemy with only the means you carried as men.....you actually did well in that regard. WE know it seemed like forever, and if your peoples had been able to come to GOD in faith and trust, willing to work in partnership with CM and MY SELF, this would have been over with long ago.....

however.....they want to treat ATON as just another alien and they treat ME as nothing better than just a concept, a force that they can utilize as they wish. The sun may shine on both the good and the evil alike, but a personal creator and God can demand obedience, which to them is outright slavery. They refuse to be slaves to GOD...as it were.....But the only demand that is made is for you ones to fulfill the Paradise Mandate.

Adjudication is a natural means of providing safe passage for those that have done the necessary work required in order to be raised up to a place of expansiveness that they cannot reach alone, and be able to operate in that place as a full and natural citizen with all attending rights and privileges

Ascension is a right of creation under the Father's Will, but the earning of it is a privilege. It is having passed your classes by passing your exams and graduating to the higher school of being that awaits. There is no cheating. No one just shows up unannounced and unattended and unknown. If you have to take classes over, so be it. If you are sent back a grade or two or three...so be it. If you must needs be kicked out of school or decide to drop out.....all due consideration will be given towards your possible return until such time as the probability of your return, as you see it to be...has reached a zero point of no return...by your own declared choice...and even then, we will give more than enough time to ascertain that you adamant in your decision....at that point you will be considered to be absolutely begging for uncreation.....and it shall be granted with great sadness by THE FATHER....and then....well...you should get the point by now.

We hope that you who read these words will decide to live and act and move and rest in The FATHER'S WILL , and as it is found in HIS CHRIST MICHAEL ATON, CREATOR AND SUPREME, UNCONDITIONAL SOVEREIGN OF THIS UNIVERSE OF NEBADON...AND SO.....FATHER OF ALL WHO INCARNATE HERE.

SOON, THIS WILL ALL BE A THING OF THE PAST AND YOU WILL FIND YOURSELF WHERE YOU FIND YOURSELF. KNOW THAT YOU ARE IN THE BEST POSSIBLE SITUATION AND CIRCUMSTANCES FOR YOURSELF PERSONALLY AND ENDEAVOUR TO DO ALL IN YOUR POWER AND BEING TO FULFILL THE WILL OF SOURCE IN YOU BEING PERFECT EVEN AS IT, YOUR DIVINE PARENT, IS PERFECT.

Will that do?

K: Hey, I'm fine with it. But some will still want a timeframe...just sayin'...don't mind me....

P/CM: WE don't mind you at all...[lol] but every moment should be spent not in consideration of how much time is left, but rather the effort being put into your own placements as individuals....consider that any moment, any instance, could be it...where and what are you and is that really where you want to be and do at the moment where it is decided what is best for you at that point?

K: In other words.....move your ass and get it up there as far as you can...if you do that you won't have time to be worried about when...only about where you are in consciousness and being in GOD.....and don't shoot your own ass in the foot.....that makes for slow going.....

P/CM: Sigh... you just had to do that, didn't you?

K: yeah.....but you have to admit that it fits.....[grins mischievously...]

P/CM [looking at each other...shaking their heads.....wait...they're smiling...ah! Laughing!
[hehemuahaha, says i]] Fine! That'll do, dummy...that'll do.....

K: Tea and cakes? Anybody? Lounge? Couch? Shoot the breeze?

P/CM: [still chuckling] Sure....go grab us a table and we'll meet you there....have to take care of a few things here first.....We'll take a #3 and a #1.....and We'll throw you a bone since you're such a good boy.....[laughing]

K: oh yeah...funny.....okay.....I'm going.....better be some meat on that sucker.....sweetmeat.....

P/CM: LOL.....SURE... rotf!...NO PROBLEM!

K: sigh.....lol.....ok.....see you there.....can I have the bone first...while I wait?

P/CM: [really cracking up] Sure!...We'll call it in for you!.....Hurry up! Lol.....We really have to take care of this.....

K: fine...fine...thanks.....Glory!

P/CM: GLORY!

And I go to the lounge...with the sound of laughter receding in the distance behind me...sigh....hey..it's a dog's life, right? I hope it's a big bone.....

Employee Lounge Act

By CM. PAPA and Kibo

Aug 3, 2014

EMPLOYEE LOUNGE ACT:

ACT: UP

QUITE A SCENE

Fade in.....:

Dog sitting on a couch in front of a big screen....getting petted and rubbed by two, amazingly gorgeous women.....[MAMA and Nebadonia....]
...and yes...I am that dog.....

Kibo: [leg slapping couch at light speed....] Oh..oh...yes...right there!
Ooooooooooh...oh..oh.....no...ot the belly....yes the belly!
Aaaah.....ooooooooohhh.....GOD I LOVE YOU GUYS!!!!!!!

MAMA: Who's a goooood boy! Yes? Who's MAMA'S boy? You're a good boy...yes you are.....

Nebadonia: You like that, don't you? Yes you do! How about here? Yeah? Behind the ears....?

K: uuuuuuuuuuuoooooooooooooooooooo

{PAPA and CM enter the area and walk over...}

PAPA: You always come here....You don't like the executive lounge?

CM: Apparently he prefers the attention he gets here.....Okay ladies.....that's enough. Soon he won't know what to do with himself. He'll just lay there with that stupid smile on his face and he won't get any work done at all.

NEB: All work and no play, dear.....

CM: Yes, my love...I understand, but he still has to do some work.....

MAMA: C'mon Neba', WE have some work to do ourselves. Might as well get back to it.

NEB: [laughing] Might as well.....Don't work too hard Kibo.....

K: Do I ever?

PAPA: THAT might be part of the problem.....

[The ladies hug and kiss their respective 'husbands' and hug each other's 'spouses' and take their leave....

K: Well, that was fun.....i needed that.

CM: I'm sure you did....

K: Jealous? [snickers]

CM: LOL....Hardly..... It's just because you're such a cute little doggie that that happens at all.

K: Hey...I take what I can get.....

[THEY both laugh...me too...]

PAPA: So! You wanted to talk?

K: Yeah.....There are still questions that people have.

PAPA: Fire away.

CM: It's the ascension thing, right?

K: yeah.....There's all the talk about moving on up and I know for a fact that it's more than anyone can comprehend and we're all just getting bits and pieces of it and it's about time to put some of those pieces together to create a bigger and picture or idea of the whole thing. So any help you can give with that is greatly appreciated.

CM: Fair enough.

K: Okay...so what exactly does it mean for us to ascend?

PAPA: You have to understand that ascension is a multilevel, multifaceted thing. It is an event as well as a stable and continuing state of being. It is something that you become and thus, something that you are....ascended.

K: Yes, but what does it mean? What is involved? What does it take for any of us to get there and do it and become it and be that?

CM: Before we get into all that.....it would be easier for you if you changed consciousness forms.

K: Oh....sure.... [switches from dog form to prophet/human form...]

PAPA: Okay.....to start...Why did you choose that form? You could've changed to a higher form of conscious understanding or consciousness....Why that one?

K: ummm...oh I dunno...This is my work form, I guess....the employee form.....this is the form I'm motivating/inhabiting/operating, while I do this...stuff here.....it's what I am right now...I guess...

CM: YES.....okay...but you're so much more on so many levels! Why that particular form when doing this while talking to US?

K: It's a familiar form. It's the one people have to deal with me in. It's the one that experiences what they experience on the levels that they experience it with and in....it is the form that allows the most area of communication with the people that read this stuff.

PAPA: But you realize that you are more?

K: Yeah...but what difference does that make? Right now I'm this and I operate as this. There are no special or super powers. I'm forced to develop my mind/consciousness to reach as high as possible at any given moment in order to deal with all this and relate to it and with it and relate it to others as a result.

PAPA: Exactly! Now....What are you developing...or raising your consciousness in?

K: Well duh.....YOU!

CM: Exactly! Now...relate that to ascension. What is it that you are ascending in? What do you have to work with? What are you connecting to and realizing in order to reach new heights of awareness and being?

K: Well.....You guys...Well... HIM, mostly....but through You....since..like...well...as universal father/creator, you serve as the node/connection that allows.....well..i mean....PAPA is in everybody that has a thought adjuster...but....oooooh...I see.....since this is an experience in YOU as the being of this universe.....much like PAPA is the being of the whole of creation...then You also serve as that conduit of consciousness that allows your created ones to evolve in experience...which is also Your experience in them....which is all, and also, THIS experience in PAPA and thus, in GOD/GRANDPA.....okay, okay...sweet...I get that....but that doesn't fully explain what is needed.....the requirements that are necessary in order to ascend to the next phase after having gone through Divine Adjudication.

CM: Well...it does and it doesn't.....

[Waitress comes up and places two drinks on the table. A number 1 in front of PAPA and a number 3 in front of CM][Thank You....they both say...she smiles and walks away]

PAPA: Okay...What are the differences between these two drinks?

K: They both look the same. Two glasses of diamond water with two umbrellas that light up while changing colors.....heck, they even change colors at the same time.....so what's the difference?

CM: Perception.

K: sigh.....huh?

CM: You could take a taste of both glasses and taste the same thing. I could taste HIS and it would taste like mine.....HE could taste mine and it could taste however HE wants it to taste.....are you getting this?

K: Yeah...kinda....but what are or would be the differences in tastes between us?

CM: the taste of my drink is closer to the taste of His drink. The taste of your drink tastes less like His drink. The question is...how close your drink comes to the taste of my drink. You would have to have tasted my drink in order to ascertain that. But you don't get to touch His drink until you've been able to match your own drink to mine.....not so much a matter of duplication.....but as a matter of the fulfillment of the taste of it as an experience.

K: oh frack...really?

PAPA: Uh huh.....Here's the real head kicker.....YOU are the one that supplies the taste. You will never get more than the taste you put in to it...or can put into it. See....technically, it's the same water.....the fullness of the taste and the experience of it...how it makes you feel, what it

does for you, how it affects you, what you get out of it in terms of pleasure or pain or positive or negative energies, the vibratory rate of it.....love or light or darkness or fear....all that comes from you.....you are the drink and the drink is you.....get it?

K: So the water is consciousness and you can only taste the consciousness you've been able to experience as the taste of it and the affect or reaction and all that is all part of it as the experience of drinking it and we have to make our water taste as close to YOUR water, as possible....is that it?

CM: It's a valid reality, as well as metaphor. If this is the taste of within you, the taste of you...and GOD drinks you in...how will you taste to GOD? How filtered are you? Are you sweet? Too sweet? Salty? Bitter? Do you have impurities? Is there stuff floating in your water? What is that stuff?...mud...or worse? What color is it? What is the flavor? The list can be near endless in consideration and there's more to consider the higher up you go.

Now...I AM teaching you how to create your water and the taste of it and so on and so forth. I have become this close to what the Father's glass holds. If you hope to do better than I have, then you will have to get through me first...and remember, I am also still working on improving my own taste...so by the time you reach my level you will have done something, to be sure.....but that perfect taste of The Father is still a long ways away.....but all progress is joyful.....so fear not...just get there.....and you will....if you want to.

break [smile]

K: Okay..... now.....the water thing as an analogy to ascension.....i get it but it leaves something to be desired in terms of really being able to connect to it.

PAPA: How so? You are mostly water, after all. The energy and frequency and vibrations of reality that you can handle are literally flowing through and within you. It is your state of being in conscious experience. Think of it as if your physical vehicle is the glass but your being is what is in the glass. Perhaps if we change the water to light, you could see better.

[Both glasses start to glow and the water becomes light.....very bright light....]

CM: Now....can you tell the difference between them any better?

K: No....They're both bright as...heaven.....[grin]

CM: Look with higher perception.....

K: Sigh...I don't do this often, you know that.....ok.....swirl...yours has a discernable swirl...

CM: Which means....?

K: errr...aaaaahhhh...which means that there is a slight difference in shade in order to be able to discern a swirl in the first place.....

PAPA: Now...what about Mine?

K: I can't tell if it's still or swirling...which means that it's all the same quality.....or it's uniform or...something...

PAPA: It is still and flowing at the same time but it is all the same in quality so there is no difference in it. It is all one in quality. No matter what qualities exist in the container, it is a perfect

blending existing as one whole and pure light.

K: But that still doesn't speak to what is necessary, here at this time and place, in order to ascend....

CM: We're getting to that.

PAPA: First you have to understand the difference between the container and what is contained and is it really contained in the first place.

Your first hurdle towards the goal of ascension is to decide whether you see yourself as only the container. If you are no better than an empty glass...well.....what purpose does it serve?

CM: So say that you decide that you are more than just this physical container. What does the container contain? That is the second hurdle.

If the container started off containing a pure substance....or even no substance, as some would like to believe.....what does it contain here and now in the course of all of your experience up to this point in being in time and space? What have you made of yourself and how and why?

K: Yes, but what's in the glass? What is in it in the first place?

PAPA: It differs from being to being, personality to personality, individual consciousness to individual consciousness. No two beings start off with exactly the same thing or things....at least, not when you came here. Whatever you were before, in many respects, comes with you but is lost...as if you forgot your taste and have to decide if you want to recreate it, if you remember it, as it was...or if you want to change it or if you want to create an entirely new taste experience.

K: Sweet or sour?

CM: That can be considered...yes.....love or fear, light or dark, positive or negative.....all that you are in the mix of things in life is there. It is what you have made of yourself.

K: Okay....still.....what is the goal here as far as this is concerned? To just create a better taste? According to whom? YOU?

PAPA: Consider this.....you are just a drop in the ocean. You are a glass in a bucket in the ocean.....and a shot glass sized one at that.....Your goal, as you put it, is to become all and everything that you want to become according to what you think and feel that you should be. That is it. Whatever considerations you take in the doing and becoming and being of that is entirely up to you in the making of yourself within the body of the container that you are and exist in.

Let's say that you are wholly satisfied with yourself as a.....product.....not just a drink...but a product. This is what you have produced within yourself based upon what you think and feel you have to work with and how you've thought and felt about it all. There's comes a point where you will fill yourself up with whatever it is that you are filling yourself up with and you will start to overflow. When that happens you begin to reach out into the content and contents of the bucket. How well do you think that will mix?

K: Yeah... but...you have to consider also that if your product is too heavy a substance...if such a thing applies, then your container will sink and mix before you can overflow.....and how does that work if you are lighter than the substance in the bucket? Does the container float above the surface and just empty out into the bucket?.....

PAPA: Those are good considerations and the former happens much more than the latter...which happens.....never.....if you're going to go just by density.....but that is another discussion for another time.....The thing here is to understand what it means to ascend. You

are mixing with the next level of expansiveness. This means that you have to already have an expanded perspective and perception of life in God and God in life being one and the same.

K: Okay...but You said that we choose what we become.....doesn't that imply that we have to be able to choose from whatever options we think or feel are available to us?

CM: Correct. So the main question at that point becomes whether or not you are able to make informed decisions and choices based upon the information that you have. If you don't have an awareness of all of your options then your choices, and their outcomes, are going to be as limited as your lack of real info.

It is much like trying to determine equations for certain abstract numbers such as the square root of negative one without having an education in the field. You don't know what you're working with or the rules involved. Why is it that two negatives multiplied together equal a positive? Does that also apply to life? ALL THINGS APPLY TO LIFE ONE WAY OR ANOTHER. But determining how any particular thing does so in its own particular way necessitates a certain amount of knowledge and experience in the matter at hand. Since GOD is Life and Life is GOD, it is the same. How much information do you have about GOD? How much do you factor GOD in to your moments of living? Do you truly recognize all that GOD is? How high and wide are your views, how expansive is your perception and perspective of GOD?

PAPA: You ones are always fond of saying things like 'we are all one' but do truly realize what that means and why it is so? Do you think it is just a matter of cooperating with each other to reach some common goal, whatever it may be? How much do you realize or are willing to recognize that all is one because GOD IS ONE. GOD IS ALL AND GOD IS ONE AND YOU ARE PART OF ALL AND ONE.

K: God is all are we are one are we are all is God. I said that. It fits.

CM: Yes, but how and why it is so? Only through consciousness can such a thing be. All is thought by GOD. IT IS ALL ONE THOUGHT. God is the whole and every part of it in every way...physically, emotionally, mentally, spiritually, energetically....all frequencies and vibrations, phases and levels, all energies and powers, all manifestations, all degrees, all alternatives and realities of experience....all of it is GODS ONE THOUGHT OF ITSELF AS ALL THINGS. Can you truly say that any of you can imagine all things? Every possibility, every cause, every effect and things you consider impossible and things you have no ability to think of which are beyond even unknown unknowns for you in your whole experience here.

K: Incomprehensible incomprehensibles.....

PAPA: I AM All that and more...or as you like to say...all that with a bag of chips and drink on the side...

K: Hey, throw in a cookie and surprise gift while you're at it.....nothing is impossible as far as IT goes, right?

PAPA: True...still, I create parameters and rules where they are necessary to establish parts to stand on their own. There are places where the rules you know, the physics and energies and powers, are nothing like anything you've experienced and what you have here simply wouldn't work there and vice versa. Yet it all comes together as working parts that stand alone as well as together to create a perfect whole which is more than the sum of its parts.....and that is only part of WHAT I AM.

But you delight in sayings that make you feel like you know instead of knowing in doing and being.

You are still too separated from What I Am and from each other. The tactic of divide and conquer has been ingrained into you to keep you distracted and thus, compliant and easier to manipulate. Who among you is without your prejudices? Yet it is all illusion. I am in each and every one of you and with you and all around you and I endure what you do to and with as well as for each other and because of each other without really knowing all the reasons why simply because you don't have the whole picture and the great majority of your choices has been withheld from you and causes of limitation are forced upon you with every moment by those that seek to maintain the illusion of their control over you and every aspect of your lives. How then can you expect to understand GOD enough to develop the life of love and light within you that will gain you the perspective needed to be able to handle what is coming and get along with and in the wide open parameters of life that awaits you in the greater universe?

We tell you to love one another as each other and We mean exactly that. In the consciousness of GOD you are all each other because you are all GOD manifesting as who and what you are in order to create out of Its Self, the perfect manifestations of Its Self that It imagines and plans is being each and every one of you.....brought to perfection that you may be as IT is and do as IT does and be as IT is, based upon the unique life experience perception and perspective of the personality IT has created for ITS Self in order to be you...that it may be perfectly established in perpetuity, infinite and eternal, as a PARADISE BEING and FELLOW CREATOR.

CM: Like this company analogy you have where you are not just an employee, but a coworker and equal among friends...and that applies to all that can imagine it as their reality...not because you are perceived as being a creator son or another is a high celestial or Havona personality.....it is because you have pushed pass the limitations that have been forced upon you.....in this case by the shadowmind, to imagine and accept yourself as born of GOD and a full-fledged citizen of creation, with all the rights and privileges thereof. But it is something that you have to recognize first in yourselves in order to recognize it in others and if you don't recognize it in others, then you haven't fully recognized it in yourself.

You are about to be given charge of a renewed and ascended planet that is well worthy of her ascension. She is a shining example of giving and sharing and charity and love and mercy and forgiveness as anyone could hope for in GOD. How many of you do you think are worthy to continue with her on this journey? Do you think that just having a strand or two of your DNA restored will exempt you from adjudication in the matter of the level of your awareness of yourself in GOD and GOD in your self....and all things around you?

There are those that state that you will be given full consciousness. NAY. You know not what full consciousness is. I AM FULL CONSCIOUSNESS! Do ye ones expect to be like ME, being WHAT I AM, all of the sudden just because you spent three days in living light chambers? Do you think that all seven plus billion of you will just be able to relax and stick around and party on this already crowded planet?

We have told you time and time again that this is a period of Divine Adjudication, of evaluation to see where the place of continuation on your life journey may best be renewed. Such an evaluation cannot happen unless you are made aware of the truth of your reality and so the blinders will come off dear ones.....Oh Yes! You will see with new eyes and feel with new hearts and understand your follies and the wrongs and rights of your lives here in this most advanced of classrooms.

What did you learn? Who did you learn it from? Did you seek the word of GOD within or the words of men without? Think.....You have been taught that GOD is a harsh and wrathful judge that throws you into eternal hellfire for the smallest of sins.....and many of you believed that and acted out your lives based upon that understanding of What I Am.....Many of you rejected Me outright because you could not see that I am not the one to blame for the effects of your causes

and what you have done to and with each other.....but you did not want to take the blame for your lives upon yourselves and so you resist Me and rebel against Me in order to justify your own fears born from lack of knowledge.....and when you cried out to Me, I was there, screaming for you to hear me....and some heard and others remained deaf to My voice within them....and yet I have always remained with you all awaiting any and every opportunity to prove My Self to you from within you that you may the reality of proof of Me being What I Am, all around you.....and I could do no more for you than you allowed Me to do and still so many of you always wanted what you wanted and seldom, if ever asked ME what I wanted. Ye prefer your own wills to Mine.....and still you think that you will ascend...how?

YOU ARE ASCENDING WITHIN MINE OWN CONSCIOUSNESS. IF YOU CANNOT BECOME MORE AWARE OF MY CONSCIOUSNESS BEING ALL AND EVERYTHING, INCLUDING WHO AND WHAT YOU ARE....IF YOU CANNOT ALIGN YOUR WILL, SYNCHRONIZED YOUR BEING, WITH MY OWN...HOW WILL YOU ASCEND?

YOU ARE ASCENDING INTO A LEVEL OF CONSCIOUSNESS THAT IS WITHIN MY CONSCIOUSNESS.

YOU ARE STRIVING TO REACH A PLACE OF EXPANSIVENESS THAT YOU CANNOT REACH ALONE. WHY ARE YOU STRIVING SO HARD TO DO SO WITHOUT WHAT I AM WITH YOU IN LOVE AND FELLOWSHIP AND FAMILYHOOD AND FRIENDSHIP AND SERVICE AND LOVE AND DEVOTION TO MY WILL AND BEING WHICH IS THE BEGINNING AND PERPETUATION OF ALL EXISTENCE?

WHAT DO YOU THINK THIS IS?

WE ARE ALLOWING YOU TO SEE THE DIFFERENCE BETWEEN THE QUALITY OF YOUR SUBSTANCE AS IT COMPARES TO THE QUALITY OF THE SUBSTANCE THAT SURROUNDS YOU IN THE GREATER UNIVERSE THAT YOU HOPE TO JOIN AS EQUALS. SUCH AN EQUITABLE UNDERSTANDING OF LIFE IN GOD, WHERE ALL ARE BELOVED FAMILY DOWN TO THE LAST GRAIN OF SAND....IS HARDLY KNOWN ON YOUR PLANET.

We fully understand the slavery you have endured to the dark agenda of the shadowmind forces.....however, the consideration of that is taken and given by allowing you to be evaluated in a state of greater consciousness where you can fully appreciate the gap in values and understanding that you are presently at so that you may welcome the next step in your journey with open arms and minds and hearts.

THOU SHALL LOVE THE LORD THY GOD WITH ALL THY MIND AND HEART AND BODY AND SOUL AND SPIRIT AND LOVE THY NEIGHBOR AS THYSELF IN THE SAME WAY AS GOD LOVES YOU ALL, INDIVIDUALLY AND AS ONE.

Mind you.....you will not all like each other all the time.....group interactions and dynamics will always mean that there will be differences of compatibility between individuals....just like family....but you love them because you are all one in support of each other and establishing the happiness and strength and health and prosperity of the family.....well.....WHAT DO YOU THINK WE ARE?

K: Hie, hie....we are all one big creational family.....even those of us that don't get that.....we love them because they are us and a part of us and vice versa and we always want the best for them and ourselves in love and light and life.....so all those people that spent their lives here doing all the really despicable stuff and those that just hated because that's the way they were taught and so on and so forth.....They get the same deal?

CM: Yep! What do you think the three days of darkness is for? No matter how much you change the dressings and bandages on the wounds of this world...that's not healing. It will make all of you

feel better for a little while, but you are still leaving your lives in the hands of men pursuing the agendas and plans of men for personal and separate group power and domination. So you get a new economy with new money and a jubilee and the debts are erased...nice start...congratulations....now what?

You are still endeavoring to maintain old broken down concepts that lack realistic, universal and spiritual vision, in order to maintain what ultimately amounts to the same status quo, just with a new face and sense of fashion. The Galactic Federation of Light is here to help with technological issues and is more than happy to share the vast wisdom of this universe with you so that your philosophies may expand to a state of purer spirituality and service to GOD. There are many wonderful planets just waiting to meet you and learn from you.

Once you come to understand the reality of your situation you will be better to understand what you have actually learned from this experience and begin to fully apply yourselves to true progress and upliftment in your spiritual journeys, wherever they may lead you. But you will forgive us if we are keeping the best and the brightest of you, those that have made the greatest spiritual progress, not just within, but without, in terms of their perception of their environment...this also includes the expansiveness of the perception of what they consider their environment...please refer to the statement made earlier considering being a citizen of creation...not just this planet or system or galaxy or even universe.....

K: to put it as simply as possible.....just what do you consider to be the area of your neighborhood in which you love your neighbor.....how large is your stomping ground.....how big is your hood? It is as you imagine it to be....so don't be shy about it...embrace it.

PAPA: Good way to put it.....and with that We will take another break and WE will see you on the roof when you get there.....We bless all of you that desire it the most perfect perception possible to increase in every moment even beyond your own ascension to the next level of expansiveness that awaits you in perpetuity.

K: okay.....I'll be there.

Roof Top Series 1

By Kibo and Papa, CM etc

Aug 18, 2014

READ ME FIRST

Read me first.....

I was up until 5 am doing the last post for the rooftop set and I've had 3 hours sleep and I'm vibrating with energy and I hate that because I know I'll be wasted later and I'll have to go to work...sigh.....

I owe great and sincere apologies to the people that helped me out this past month...I never seem to get thank you emails out in a timely manner and I always feel guilty about that. I wouldn't still be here with a place to work called home if it weren't for you people so please forgive me...I know I'm a bad dog [sheepishly innocent grin here]] and I'll get them out soon.....i think I still haven't gotten over the sense of being a burden on people so it's still hard for me and I apologize for that, as well.....

But the whole month of July has been a mess and things are happening faster and faster and keeping up, even in thought is becoming stranger and stranger and my mind is in so many places at once.....sigh...and I still have to get the next video done and that's been driving me crazy.....nevermind...yes, I know.....

So many people have been staying here for the past several weeks that it's hard to balance all the energies.....which is another thing.....it's hard to work with energies when they're constantly changing....and I need all the balance I can get [smile]

What's coming is coming and so much depends upon our own energies and most of us are having our energies manipulated in some form or fashion...to go with the intended flow of dark aspirations.....it's hard to keep your head above water.....

And it's scary

It's scary for everyone right now....

Everything is subject to huge and instant change and fast change and slow change at the same time...potentials are off the charts.....

It's scary for the dark, who are watching it all slip away and are pondering the consequences....

It is scary for the sleeping that have no clue of the reality behind the veil and the movie in front of their faces is scary as hell and just won't let up.....

It is scary for the lightworkers [employees of Divine Light] who are working to get final victory to take hold and stick...And even then.....there is ascendancy and adjudication and the world and age and circumstances to come are all unknowns.....

Oh it's great and nice to talk about how wonderful it will be...but do we really know where we're going or are we just reading the travel brochures? We know it's better, but it better because it comes without all the things we are used to in this life so far and even with all the bad stuff gone, there is stuff we liked and stuff we didn't mind and stuff we enjoyed that may not or will not be there.....and those we loved must go and do and be what they must go and do and be and none of us can change another's placement in all of this and there will be gain and loss everywhere.....

Can we see this through?

It takes a great deal of faith and trust in the Divine to truly want what IT has to offer, without hesitation or reservation, not to mention regret....it's a brave new world and will truly be the land of the free and the home of the brave.....do we qualify?

This is a journey to a place where only the bo-de-o doe can go y'know.....or so said an old rap I used to listen to before that all went bad.....

I pray more can step up to the challenge and win, but don't we all win in the end of the new beginning?

We will all go to the place and circumstances best suited for us and we will all know how and where and why, when the time comes for all that to happens.....

Be strong
Be loving
Be of open mind and heart
Be of good and great spirit
Be calm
Be in light
Be with GOD
Be your self
And whatever happens
Fear not for GOD is with you
All of you
Holding you in love's embrace
Behold and be held by GOD
And let go of the rest....
What serves you in GOD will stay
And what doesn't.....you don't need anyway

Accept the change and the outcome in grace....i could go on and on and on with the pep talk
But....

Just....you can do this this
We can do this
We're doing it
You're doing it
Keep doing it.....
GOD IS WITH AND WITHIN YOU
WITH AND IN
ALL THINGS
ALL THE TIME.
I LOVE YOU ALL
THANK YOU SO MUCH FOR EVERYTHING
GOD BLESS YOU

Roof Top Series 2

Roof Top 0.21212121 ad infinitum.....

I have been many places and have been many things
Relatively speaking

I have seen many places and have seen many things.....as it were.....

And
And but
But
Now
Here I am
Looking at everything and all of it
Like one of those anime characters
That just
Stands there
On top of some big pointed tower
With the wind blowing their cape
And yet
Seeming to be unmoving
Yet
I am moved
So like a wussy bitch I squat down into a balanced, more perched position
And observe on.....[smile]

I see the mountaintops
And the valleys
And the horizon
Where the sun has already risen
And the other side
Where the moon has already set and disappeared
And there is confusion
And murmurings
And whispers
And talk.....and talk about talk.....
And I see
The darkness in the valleys
Swirling
Conjuring
Trying to scream
But only yelling
To take over
Overcome the valleys
And move up
Rise up
Towards the mountaintops
That they as well
May be overwhelmed.....

And yet the tower is untouched
And none of darkness dare approach it
Either out of fear or ignorance of its existence
It remains
light
Light
LIGHT
LIGHT IN LIGHT ABOVE THE DARKNESS
THAT CANNOT BE APPROACHED OR OVERCOME....
And still they strive to reach the heights that are beyond their reach.....
Never minding or caring of the futility of their efforts
Seeking only to get as far up as they possibly can
Never mind the rest
They will deal with that later
But we will deal with that now.....
And so I squat here
In the old fashioned style of balance
Perched upon this point
Of reference.....[haha]

You may know or understand what I am talking about
That place
That point
That reference to all things as one thing
That is the balance
Not of weight
But of consciousness
And being
And heart
And mind
And soul
That point and place of will
That is absolute
And supreme
And ultimate
In its knowledge
And understanding
And comprehension
That place and state of being
Moving....still.....
Still.....moving.....
Motion and rest.....
And only in consciousness can such a thing be.....
And so...I am
I cannot say here I am
For here has no meaning
There is no here
No now or then or where or when
Not really
There is only this experience
Of my choosing
And not of my choosing
For this is what I am
What I have become
What I have made and created of myself

Here
In this place
No matter what I was before this
Or what I am after this
This is what I am
And I have to be this
And fulfill it
Whatever the reward of it may be
Let me be honest and truthful and forthcoming about it and about all of it
I am
I am this
I am what I am
No more
no less
One point leading to another
The one leading to the next
And all of it
Is a journey
A path
That I have laid out since the beginning of the creation and existence and being
Of what I am
And
Here
Here and now
In this time and place
I and you
Know me
Being what I am
As this
This thing that you call by this name
And whatever you know of me
What you think of me
What you think you know of me
What you know you think of me
Has no meaning
Neither does the same hold for you as your self
And all that that entails and includes
All of that
Is up to the one that created
Everyone and each of us
As we are and were and will be
You have just a part of me
As I can only know a part of you
We show to each other
The parts that we desire to show of ourselves
And who can say that they know us
Completely and fully
If it not be GOD?
For who are we
Any and all of us
If not GOD
In GOD'S thought of us
Each and every one of us
And thus
Being that which we are

In all of our experience
Past, present and future
As it may be and will be and has been?
What else is there, after all?
It is only one life
One love
One light
It is only one dream
One thought
One plan.....

.....
And our part of it is not yet real
For we are still just finite creatures
Learning and testing what it is to be infinite
We are just creatures of time
Learning what it is to be eternal
And if
If we learn
We may earn it
And employ it
For our own purposes
Which will be the purpose(s)
Which will be the purpose
That has been given to us
By the one that created us
Created us all
And has brought us through the muck and mire
And the storm and fire
To arrive
Finally
At our own godhood
The creator beings that we are and were meant to be
That we were always meant to be
Finally
Brought to fruition
And brought in
From the fields of growth
And of labor
And of experience
To be pressed
And utilized
Drunk and tasted
For our flavor
MAY WE ALL BE PLEASING TO THE LORD WHO HAS GROWN US AND HARVESTED US
FOR HIS OWN PURPOSES!
And so.....
As we are found
Those of us that are lacking in taste
And those of us that are fulfilling.....
In a changing sense of the word and phrase.....
Those of us that are found wanting and not wanting
Where shall each of us find ourselves
When the day comes?
Say not that you knew not!
For truly you were all warned

Again and again
Over and over.....and so
Here you are
Here we all are.....

But still.....

GOD is just and fair and merciful and forgiving!
PRAISE THE ONE IN ALL OF ITS GLORY!

Ye shall be given awareness

Consciousness sufficient to address your wrongs

Your own wrongs

That ye may decide the best course to correct them

From your own perspective

Which is the perspective of

THE ONE THAT IS WITHIN YOU

BEING YOU.....

And still

Are you not who and what you are in THE ONE?

BEHOLD THE GREAT MYSTERY OF GOD!

THE ETERNAL TURNING!

IN AND OUT AND AROUND AND INSIDE AND OUTSIDE

ALL CONVERGING AND DIVERGING AND UPON AND WITHIN AND WITHOUT EACH OTHER

AND AS EACH OTHER

AS ONE

AS ALL.....

Such is the great mystery of GOD.....

This is the point when words fail

So

Prepare ye!

Prepare ye the way of the Lord!

PREPARE YE THE WAY OF THE LORD WITHIN YOUR SELF

AND WITHIN YOURSELVES

WITHIN THY SELF

IS THE LORD AND THE WAY OF THE LORD

PREPARE THAT WAY WITHIN THEE

AND ALL WILL BE WELL

AND IF YE HAVE NOT FOUND IT BY NOW.....

LOOK YE NOW

SEARCH

FIND

AND MAKE YOUR WAY AND PREPARE IT

OTHERWISE.....

AH WELL

THAT IS UPON YOU.....

YE ARE ALL THE MIND OF GOD INCARNATE

THE HEART OF GOD INCARNATE

SO ACT

ACT ACCORDINGLY

OR

SHARE THE FATE OF THOSE OF THE SHADOWMIND

THOSE THAT FEAR GOD

THAT HATE GOD

THAT WANT ONLY TO DETERMINE THEIR OWN ASCENDANCY

IN DARKNESS AND IN FEAR

THOSE THAT WANT ONLY TO RULE

WITHOUT THE STRENGTH OR THE KNOWLEDGE
OF WHAT RULE IS
OR WHAT IT IS TO RULE
WITHOUT DEATH
WITHOUT PAIN
WITHOUT DARKNESS
WITHOUT SUFFERING
WITHOUT DESPAIR
WITHOUT DEVASTATION
WITHOUT HATE
WITHOUT FEAR.....
THEY KNOW NOT HOW TO LIVE WITHOUT THESE THINGS
HOWEVER CAN THEY HOPE TO RULE WITHOUT THEM?
GOD RULES!
PLAIN AND SIMPLE
BEST CASE SCENARIO
GOD RULES!
GIVE GOD YOUR LOVE
GIVE GOD YOUR LIGHT
GIVE GOD YOUR OBEDIENCE
GIVE GOD YOUR DEVOTION
SURRENDER TO GOD
ALL THAT YOU HAVE
ALL THAT YOU ARE
AND RECEIVE IN RETURN
MORE THAN YOU CAN IMAGINE
MORE THAT YOU CAN COMPREHEND
OR UNDERSTAND
OR CONTEMPLATE
OR THINK OF OR ABOUT
OR DREAM OF.....
DO NOT FEAR THIS
WE KNOW THAT IT IS HARD TO GIVE UP ALL THAT YOU KNOW
ALL THAT YOU ARE USED TO
ALL THAT YOU HAVE EXPERIENCED UP TO THIS POINT
AND YES
YOU ARE BEING ASKED TO GIVE UP ALL AND EVERYTHING
FOR GODS SAKE
NOT THAT GOD NEEDS IT OR WANTS IT FOR GODS SELF
BUT THAT YOU NEED TO SHOW
THAT YOU ARE WILLING AND ABLE
TO LOOK AND SEE
BEYOND THE MATERIAL AND PHYSICAL LIFE AND BEING
THAT HAS BEEN USED TO KEEP YOU
ENTHRALLED AND ENSLAVED
TO MATERIAL AND PHYSICAL THINGS.....
AND GIVE YOURSELF
YOUR PHYSICAL AND MATERIAL SELF
AS WELL AS
YOUR SPRITUAL AND MENTAL AND EMOTIONAL SELF
UP TO THE CREATOR OF
YOUR PHYSICAL/MATERIAL AND MENTAL AND EMOTIONAL SELVES
AS WELL AS YOUR SPIRITUAL SELVES.....

WHAT WILL YE DO!?

WHAT WILL ANY OF US DO?
SOON
WE SHALL FIND OUT.....
