### PJ 24

#### DOUBLES, ROBOTOIDS AND REPLICAS

How is it that you find this difficult to accept? These “genetic/holographic” DNA/RNA replicas have been in the perfecting for well over four decades. All that is required is a holographic fragment (literally, one cell) and a replica can be reproduced. Then all that is required is down-loading of the memory data and programming of the manufactured entity. I have spoken of this procedure prior to this and will not take precious time to repeat and repeat for those who simply do not wish to go back and effort at gaining the information. You see, I, Hatonn, care not in the least whether or not you believe me nor if you understand the mechanism by which it works. You are “willing victims” of the lie and YOU will awaken or sleep on--it is up to you. Our commission is to outlay the Truth unto you--**YOURS IS TO CONFIRM AND ACKNOWLEDGE--OR NOT, AS YOU WISH.** There are technical advances upon your planet, already in use by the Elite, which would boggle your senses--robotoids are simplistic in relative comparison. They are comprised totally of physical “matter” manifested into what you perceive as physical coalition of these physical matter particles coalesced according to the DNA/RNA holographic blueprint whereby the re-creation will be a projection of that which is being copied at the time of replication.

The most obvious clue to replication is that the “new” entity will always be fresh and more youthful than that which you will have seen just prior to replacement. This is why you must have control of all your media in order to pull off the subterfuge. Even under strict control of photography and make-up technicians--the replication will often differ--usually in reversal of character habits or muscle actions--i.e., there will be a reversal of a “lop-sided” smile--thusly, “talking out of the other side of the face”, so to speak. The reversal of these traits is all but impossible to eliminate. So, too, are features which do not respond to stress changes as will a “haggard” or fatigued face pattern. Therefore, the structure and location of the ears, nose foundation and eye socket location must be perfected from viewing to viewing through cosmetic illusion and can never be EXACTLY duplicated. The whole ability to fool the public is the absolutely accepted “absurdity” of such a possibility of scientific achievement and your lack of attention. Do you not note that often, even as with Bush, that Barbara is programmed to note that “...the reason George appears different and weary is that he is getting very little rest as he must ponder ....” You ones pick it up, give sympathy to poor Mr. Bush and beat his drum more loudly for all his pressures. No, the replica simply showed the deviations from the prior entity.

The replicas become weaker with each reproduction and do not stand up under stress. Further, any outstanding negative traits of personality in the original will become exaggerated and unpredictable

ROBOTOIDS

AbundantHope.net

in actions. There will be wide memory gaps and erratic personality projections. If you ones would pay attention, you could rapidly bring this subterfuge to a halt and the truth would flow across the land like a blinding light. However, you ones prefer to persecute the bringers of the Truth of it and allow the replicas to continue to hold your very existence in their mechanical hands.

Your most effective block to insight is that which is thrust upon you from the pulpits of the churches who tell you to turn away from “this or that” material for it is of Satan. Phoo! They have just effectively caused you to be allowed no insight to the truth of it. You react like obedient puppets and cast stones at the Truth-bringers and bow unto the puppet-master who just insured your allegiance to his continued evil projections.

All you really have to do is listen to what those so-called teachers of Christ and God tell you about the ten commandments laid forth as Laws. Refresh your minds--for instance--“thou shalt not kill”--that, dear ones, does not mean thou shalt kill only sometimes, etc. “Thou shalt not commit adultery”--that doesn’t mean that thou shall do so if your hormones tingle and lust strikes you. “Thou shall have no other Gods before ME” doesn’t mean on Sunday morning when you must decide whether or not to contribute to the preacher! and have all other gods before thee except God all the rest of the time--!! and so on it goes. You have allowed the rewriting of the Laws and accepted them and, when you are told that Cosmic brothers come in service to Satan and you are going to be whisked away through the suffering of a “savior” with no consequence for your own behaviors, you lap it up like the starving beast at the water trough. GOD GAVE YOU THE GRACEFUL GIFT OF THOUGHT AND REASON THROUGH FREEDOM OF CHOICE--YOU “FOLLOW” LIKE PUPPETS TIED UPON THE STRINGS TO BE MANIPULATED AND DANGLED AS THE WORM UPON THE HOOK.

Ah ye who feel smug as ye cast down your brother and neighbor had best bend in pleading for forgiveness of that one you damage for the Truth is at hand and ye shall reap that which ye sow.

Blessed be the black man, and brown man and red man who stand against these enemies for IN GOD’S HOUSES THERE IS NO SUCH THING AS JUDGMENT OF SKIN FOR THAT IS OF THE PHYSICAL AND SUCH DOES NOT EXIST IN THE HIGHER EXPERIENCE OF GOD’S KINGDOMS OF LIGHT. PHYSICAL MAN HAS PRONOUNCED THESE LIMITS UPON YOU OF VARIOUS GROUPS AND YOU HAVE ALLOWED OF IT THROUGH THE GENERATIONS--AH, THERE IS A REVIVAL COMING, BROTHERS OF ALL COLORS, AND IT IS COMING SOON, INDEED. GOD CREATED ALL IN EQUALITY--MAN HAS PRONOUNCED THE INEQUALITY AND YOU HAVE BELIEVED HIM IN HIS EVIL MISINFORMATION.

**YE SHALL NOT SLAY GOD’S REPRESENTATIVE AGAIN, OH MAN OF EARTH. YOU ARE AT THE GATE OF CHOICE--THE TIME OF CONFRONTATION AND YOU WILL BE IN THE CHOOSING FOR NONE SHALL ESCAPE OF IT.**

Stand to the side, Dharma, so we will leave this now, for man to ponder carefully for the crimes upon man are about to begin in fullness. I petition for mercy that you might be given into the seeing and hearing for I KNOW OF THAT WHICH IS NIGH AND IF YE CHANGE IT NOT, IT IS WORSE THAN ANY CAN CONJURE FOR YOUR NIGHTMARES.

REC #3 HATONN

THURSDAY, APRIL 4, 1991 2:56 P.M. YEAR 4, DAY 231

### REGARDING "ROBOTOIDS"

Dharma, it is well worth the time to duplicate that which was sent to us by R.S. of S. CA. (for his own identification). I shall always protect our contacts for we will all need to be yea much "alive" if we are to reverse the tide sweeping you away. We also need to be united in understanding and goal intent; therefore, we will simply have to share and re-share information until we all come into comfort and it will be through the sharing of "proof" confirmation as it flows unto individuals which shall unify the nucleus sent forth for specific purpose and allow the unseeing to gain insight. Do not spend time in great concern for the blindness of children, friends, etc. As Cod makes his Truth the unvarying foundation of our work--so shall ones simply come to see.

I am in receipt of a letter this very day, from one who not only withdrew from me but called me many, many quite unsavory names and pulled several away, temporarily, fortunately, as he went in anger and confusion. Today he comes to say, again in brotherhood, "thank" you that although learning "silence" is hard, he is so doing and is working diligently to be worthy of coming again within the fold as student rather than as "know-it-all"-better than God. We rejoice as the lambs come home. It is GREATNESS in the human who finds errors, recognizes errors and rectifies same--for I care not for name-calling (I have at least five feet of very resilient shoulders--with great bounce-back capability). Dharma is a bit more fragile and often thinks she must protect ME--she is quickly learning that I have plenty of room for her beneath my wings for the whole of us, and she often trusts me enough these days to come on in out of the storm. I have plenty of room aboard for all of you and us too.

Now for R.S.'s correspondence:

QUOTE:

Dear Commander Hatonn: (March 20, 1991)

First of all let me say that I welcome and accept everything you have written. I have received and read all of the Phoenix Expresses, but am 2 books behind on your Phoenix Journals--but trying to catch up. I find the material alternates between intriguing, engrossing, absorbing, shocking, and discouraging as I read with squeamish fascination. I make extensive notes on each page of both Expresses and Journals and put my notes on my computer so I can search and seek out information on any particular subject. [Hatonn: Thank you, that IS what we mean by "proving" truth and testing us. The more you "test" in this manner the better for us for in the sharing comes the confirmation to your brothers as well.]

Of all the subjects you have covered I believe I can say the most astonishing is in regards to robotoids. I note that when a question comes to you on this subject you indicate that the answer can be found by reviewing the existing Expresses and Journals which have covered this subject. With

ROBOTOIDS

AbundantHope.net

that in mind I have gathered all the material I could find and placed it on the enclosed 9 pages which I am sending along containing verbatim all the references and explanations. [This is such a mind-boggling subject and the hardest for ALL of you to receive and accept that I have almost dreaded the day we would sit to write a dissertation on the subject in full. I believe you can all understand the very grave jeopardy in which this one subject, carelessly handled, can place, even destroy, our entire mission; so, please, I ask indulgence when I say that I simply may not give you step-by-step methods to create a "duplicate". I will, however, effort to give you a bit more fundamental "HOW" it is done, how you can rapidly create an "adult" or "any stage of growth" body development, etc.]

No where in these 9 pages can I find a precise statement of how the robotoids are created. However, I have noted your explanation below which appeared on page 93 of "Shrouds Of The Seventh Seal" which seems to be as close as I could come:

“These 'genetic/holographic' DNA/RNA replicas have been in the perfecting for well over four decades. All that is required is a holographic fragment (literally, one cell) and a replica can be reproduced. Then all that is required is down-loading of the memory data and programming of the manufactured entity”.

"There are technical advances upon your planet, already in use by the Elite, which would boggle your senses--**robotoids are simplistic in relative comparison. They are comprised totally of physical "matter" manifested into what you perceive as physical coalition of these physical matter particles coalesced according to the DNA/RNA holographic blueprint whereby the re-creation will be a projection of that which is being copied at the time of replication**".

I believe I can speak for the common man of the street, since I am a common man of the street, when I say that the underlined and bold-faced sentences in the above two paragraphs leave us with a very blank stare. This may be why you are getting so many questions on this subject as you have indicated. It might have some meaning to the laboratory scientist but to us men in the street it is just gobboldy-gook.

Please don't mis-understand, we are not looking for a step by step how-to-do-it-yourself kind of description; we would merely like a couple of sentences explaining how a full sized replica can be produced from one cell or fragment, and where does the matter come from which is multiplied to produce a full-sized man or woman? Also what is done with the bodies of robotoids which are being replaced? How are they able to get this holographic image of those who may have been destroyed before the holographic fragment or cell was obtained?

"There are technical advances upon your planet, already in use by the Elite, which would boggle your senses".

Are you at liberty to reveal what some of these advances are which you indicated by the statement above? If I had to guess I would suspect some might be midgets, dwarfs and/or giants with grotesque features which would be pawned off as space aliens by the Elite when they try to pull off the mock attack by space aliens which you have mentioned from time to time.

It goes without saying that your expresses and journals are my primary reading. I only wish

my 40 year old son was not such a skeptic and would take an interest. Thanks for being our window on the world and giving us this marvelously comprehensive and fascinating (and sometimes disheartening) view of our life here on earth. Respectfully, R.S.

END OF LETTER.

My observation is that there will be many readers who still have no idea what we are talking about and will object if I do not give fill-in and therefore, though it be tedious--R.S. has done our real work for us, and that is in pulling out that which we have already covered. Then it becomes easy to fill in some blanks for you. If this is repetition for most of you, I still ask that you study it carefully for it is, as I have said--the very hardest concept to accept and yet, you shall see that it is one of the easiest, if understood, to accomplish.

QUOTE:

**HUMANLIKE GENETIC REPLICAS, SYNTHETIC DUPLICATES,**

**ROBOTOID HUMANOIDS, ROBOTIC RNA/DNA DOUBLES.**

As Referenced In The Phoenix Expresses and Journals

**Phoenix Express Vol. V, No. 11 & 12 Pg. 7 (The Robotoid Mind)**

I would like to say, prior to the reader's intake that we shall be writing in depth regarding what are known as genetic doubles and robotoids as referred to lately. These are new entities and we shall be speaking of such in this upcoming writing but I would prefer to delay further description until later for we are so stacked up with urgent material.

The robotoid mind has no ability to comprehend danger from the larger perspective. It can comprehend its own possible demise, but there is no "Soul" connection to God. Survival is a most elementary emotional connection to God and in times of great stress (i.e. "all men in a foxhole wholly believe in God") this is through the Soul. Since the **robotoids** do not have this connection, they simply intensify what ever activity they are focused upon, unless concerned fort heir own bodily survival.

Thus we have men in high places who are "soulless" and beyond the reach of normal reasoning process. We speak Truth unto them as to what the consequences are of continuing this insane push and it does not penetrate, for the focus is only intensified. So, the maneuvering goes on in attempts to strike what they believe to be our vulnerable point, the crystal and our ground crews. It behooves all ones of this group to stay close within the area and to stay in constant focus of maintenance of your shields. 'Tis not the time to question the validity of what is going on about you as to reality, but to come into understanding that it is real and that you do play a most, crucial and critical role in the sequential playing of God's hand in the game being played out.

Though we have all manner of scanners and do track and monitor key players, even then we are also somewhat surprised at the audacity of Satan's challenging us directly at this stage, but we must all remember that man's plunge into evil has carried him far beyond even that which Satan

ROBOTOIDS

AbundantHope.net

sanctions. However, neither is he going to put a stop to one of his humans that would carry his plan forward with the creativity that he, Satan, lacks. Neither will he make any effort to protect or salvage these ones. They are way out there on a limb of their own projection; if **robotoid**, it is a distortion within the original human being that is being followed into manifestation.

The discussion is so that you ones may perhaps grasp the degree of danger that not only you as focused group for God face, but humanity as a whole, for few grasp, accept or even have an inkling of what they are facing when it comes to the layers of evil planning as well as the presence of those Soulless ones that cannot be reached by God for there is no connection. God does not sanction war or death for it is destructive to the Soul to participate in such, however for those that are soulless there is the dilemma of man as to what to do when one such as this becomes focused upon the destruction of God's real children. How indeed do men of God handle such a situation? How does man know when indeed one such "being" is confronting him face-to-face? One such test is the challenge, "If you are not of Holy God, I command that you stop this instant". A Soul-connected being will hesitate, even if only for a split second. If you identify yourself with Holy God, then you had better be prepared to defend self, for a **robotoid** is programmed to destroy that which is of God. It is part of the process. They have not the connection with God that human has with which to identify each other, so they cannot be sure until you declare yourself, unless you are already known to them. That does not mean that you, if you are walking within the shield of God, are left defenseless in a moment such as this. The Presence shall be right at your shoulder and you will be given to know that which you are to do--if you are not in such fear and panic that you cannot instinctively know. Here you could hear words, but the reaction time would not serve you, instead there is a survival instinctual connection that allows for instant perfect action. Thus we encourage you to constantly acknowledge and recognize the Presence within you and without you. It is within this Presence of Spirit that you live, move and have your entire experience. I can assure you if, in a moment of confrontation, your mind takes you back to a Rocky or a Clint Eastwood scenario, instead of connection to your own instinctive God connection that you have cultivated and prepared by holding self in the present moment, your body is either a write-off or you will have lots of incarceration time to ponder your error in not being prepared as you are being given direction to do.

#### **Phoenix Express Vol. VI, No. 4, Pg. 4 (We Are Ruled By A Robotoid Army)**

You do have "Little Gray Alien" **REPLICAS** on your planet. There are exact likenesses of myself on your planet--having been **replicated from basic rna/dna cellular duplication**. NOW, HOWEVER, FOR THAT WHICH YOU MAY BE QUITE UNPREPARED: YOU ALSO ARE GOVERNED BY AND RULED BY A ROBOTOID ARMY! EVERY FUNCTIONING PERSON OF IMPORTANCE TO THE EVOLVEMENT INTO ONE WORLD ORDER IS A REPLICA. I SHALL UNFOLD THIS TECHNOLOGY LATER FOR I KNOW THAT YOU PEOPLE ARE NOT READY FOR SUCH. YOU HAVE BEEN SUBJECTED TO THIS TECHNOLOGY FOR WELL OVER TWO DECADES AND NOW YOU ARE REAPING THE FINAL CLOSING OF THE TRAP UPON HUMANITY.

I am not, herein, going to outlay who is who and what is what--watch, and you will be able to discern. Is Bill Cooper with his 9 foot alien picture real or false? Would he know if he were not? Likely not!

The "Big Boys" are getting ready to SHOW YOU a whole bunch of very "Earthly" spaceships and little and tall aliens. They are going to even bomb some of your cities to bring you into terror of our presence--for they know that with our presence--GOES THEIR DOMINANCE! Through causing the mass of mankind to fear God's hosts, you bring further confusion and destruction upon selves.

YOU HAVE ONLY GODNESS COMING FROM THE COSMOS IN THE FORM OF COSMIC BROTHERHOOD--DO YOU ACTUALLY THINK THE ONE WORLD RULERS WILL ALLOW THAT KIND OF NEWS??

To make my point, of all the Journals of Truth in your oppression and lack of truth--HOW MANY OF YOU HAVE A TICKET OR RENTAL AGREEMENT FOR ONE OF THOSE APARTMENTS IN AUSTRALIA?? I THOUGHT NOT! THOSE ARE VERY EXCLUSIVE LIVING FACILITIES, DEAR ONES, PLANNED FOR THE VERY ELITE AND NOT ALL OF THEM. A GREAT NUMBER OF ELITE WILL BE GREATLY SURPRISED AS THEY MAKE FAST ASCENT--RIGHT AFTER THE BOMB GOES OFF! THERE IS NO HONOR WITH SATAN, DEAR HEARTS, AND YOU HAD BETTER BEGIN TO RECOGNIZE HIS HANDMEN AND MAIDENS.

---

#### **Phoenix Express Vol. VII. No. 6 & 7. Pg. 1 (Bush Is In His 28th Cycle of Robotoid)**

Herein you will simply have to believe me when I tell you that there are replacement ones for your top leaders--and hundreds of "not so top" personages. The 28th George Bush was put into the picture on the 12th of January at Camp David. He was tested and "smoothed" on the 13th and presented again to you on the 14th. He did NOT go walk alone this morning (15th) to reflect and commune with God--he went to be alone so the messages from his puppet-masters--right out of Moscow--would not be monitored. I ask that, for the moment, you accept this which I tell you and then we can discuss how this can be true for, of course, many men have died because they brought this information. But information, none-the-less, has been given to you-the-public as far back as 20 years past--regarding genetic/holographic robotoids which bear identical memory patterns but are subsequently "programmed". I have written of it in one of the more recent Journals but will repeat the information as I have time. Suffice it for now, please accept that which I tell you is not only possible but is, in fact, utilized in myriads of instances--right now!

There are several places of top security where these transferences are made and **replica holographic** information is garnered for necessary **multiples**. Camp David has been the prime location for it is used as the Presidential Retreat and often social gatherings, such a birthday celebrations, top-level meetings with diplomats, etc., are carried out. This technology has been perfected in the Soviet Union and thus you have the reason that your government seems so indisposed to do anything other than cozy up to Russia.

---

#### **Phoenix Express vol. VII, 8 & 9, Pg. 15 (Genetic Duplicates, holographic/cellular duplication, the programming mechanism.)**

Perhaps later today (1-21-91) we shall have time to discuss a bit of information regarding genetic duplicates and holographic/cellular manifestation of new bodies and the mechanism of programming. The concept is so simple that I am almost embarrassed to discuss it for, as with all things scientific in "nature", you will find total simplicity. [Sorry about that--we obviously did not find extra time that day.]

---

**Phoenix Express Vol. VII, No. 11, Pg. 3 (Programmed robotoid humanoids)**

You cannot, as Americans, understand that which is happening and you stand strong for that which you have been "told", afraid to speak out and appear bigoted or "against" anything regardless of how heinous the actions. Why? Because you are at the point of open warfare in the form of Psychopolitical actions called "brainwashing" and the citizens of a government run by **robotoid humanoids programmed** to do exactly that which they are doing.

**Phoenix Express Vol. VIII, No. 4 & 5, Pg. 9 (The world's leaders are Replicas, Ronald Reagan was slain.)**

You say, "...but there was to be one 'slain' only to rise again and call himself God and THEN we would know by the sign". There is no way to slay the leaders, dear ones, **they are replicas of the originals** and there are dozens to take their places and you will never know. You killed Ronald Reagan and yet, you know not that he was dead! All the signs were there, including the running of your important and critical government by astrologers and still, you missed of it.

---

**Phoenix Express Vol. VIII, No. 6 & 7, Pg 12 Robotoids: The world is inhabited with reproductions of programmed evil.**

The world is inhabited by reproductions of programmed evil with density of darkness and no lighted souls to traverse the heavens for they are birthed of the whore of Babylon who rests her feet upon the heads of God's precious creation/creations and laughs at the blindness of the lambs. Man realizes not that he walks and serves **that which bears no soul essence** within the breasts--he follows **reproductions of genetic fabrications** in blindness. He realizes not that simply through Truth and confrontation with that Truth shall the **evil replicas** fall to the wayside.

---

**Phoenix Express Vol. VIII, NO. 6 & 7, Pg. 13 (Robotoids)**

The lies become so blatant that it astounds that even the dense of dense cannot see--but in many ways the entire masses have been mesmerized by the hypnotic repetition of the **robotoids** who have been placed in your command to control you.

---

**Phoenix Express Vol. VIII, No. 6 & 7, Pg. 14 Robotoids:**

Your top military leaders go forth to the "front"? They basically go nowhere. How is it that your military hierarchy are still in Washington in the war room? They cannot get very far from

Camp David is "WHY". Look at the evil cover-up--even calling the Camp of Evil **replication**, "DAVID".

---

**Phoenix Express Vol. VIII, No. 6 & 7, Pg. 14 (Bush is now in his 30th replica)**  
(Note: Also appears on Pg. 92-93 of "Shrouds Of The Seventh Seal") [Thank goodness the items "match"--I probably owe a portion of this to Oberli who keeps me on my tippy-toes.]

Even a **robotoid** who comes within the lighted places of God Truth, shall be given soul by that Grace abounding. An awakened humanity can SEE the **robotic replicas** as produced by Satanic instruction. For instance--compare the one Cheney and that one, Powell--as they meet with their brother, **the 30th replica of Bush** on the morrow. All have been wined, dined and exchanged at-Camp David whilst you believe them to be "studying the military situation" in Saudi Arabia. The flaws in the **replicas** are so obvious that you do not even have to look carefully. These ones are programmed to tell you exactly that which will pull you into the beast's claws as dead-ahead as a machine can move.

---

**Phoenix Express Vol. VIII, No. 8 & 9, Pg. 2, (Robotoids - Puppet Masters)**

**Robotoids and genetic doubles**, I REPEAT, have been around and steadily being perfected for four decades of public use right before your eyes. They are a product of the Soviet Zionists and have been your puppet masters for a long, long time--a new twist of sick humor perhaps--"the puppet pulling the human's strings"!

When I get opportunity to remind you about Russian Robotoids, you will perhaps stop calling us kooks and "your enemies"--we outlined, in the 1970's, the entire picture and availability of Russian Robotoids and duplicates. [Ah ha, you caught me! Yes, we had some receivers as far back as that and one of the best, which I shall still leave unnamed a bit longer--was killed for his efforts.] If your leaders are of Russian control, dear hearts--you will come under the control of Russia, no more and no less--and, you already have placed in your councils--controlled substitutes. These ones are further programmed by pulsed beams and will function according to the overall Global

Plan 2000. [I ask that someone in the group send R.S. copies of the tapes of our meeting when W.H. was with us for I believe it was at that session I discussed Yeltsin/Gorbachev. One reason that there is so much confusion in the Soviet Union this day is because Gorbachev is a many times replaced robotoid and Yeltsin is NOT. This infuriates the Khazar Elite and they will destroy the world along with Russia if that is what is required to gain control. I shall not go into this further for it is like a death contract on my people. I would hope that you ones can figure some manner in which we can make available some of our sessions such as the ones when "visitors" are in our midst. The load is simply too great for me to insist so please bear with us for our staff is at the breaking point and I am vastly increasing output, as you can see. I must leave it to the publisher to decide what to do about the problem of such quantities of material. Dharma and I plan to continue as fast as we can pour it out upon you.]

## BLOOD AND ASHES, JOURNAL

### Pg. 83 Genetic Replicas of Humans:

In the late part of the 1970's the existence of **man-made genetic replicas of human beings** was made public. The revealers were locked away instantly and the key tossed. It was disbelieved although motion pictures were made as sci-fi and the subject buried under threat of penalty of death to disclosers. They, however, did (and do) exist and were pressed into service right before your eyes. You didn't even blink at them--no sir, you just gobbled up the lie, chewed it and swallowed it in total.

When first revealed to you they were referred to as "**Synthetics**" and in honor of the daring Truth-Bringers we shall continue to label them as such. I request that herein you not ask me for details of the **replicas** for they are not the point of my story and they will be covered at a more appropriate writing--just know that they DO exist and currently they are used continually to cover the shadow/parallel governments of your nations. Suffice it here to simply state that they do exist and were utilized in the April launch. One reason the preparation time of early astronauts was so lengthy for public consumption was to facilitate perfecting duplication of all segments, including the astronauts. Actually, the duplicates need not be perfect for plans are well laid in case of discovery an alteration can be instantly orchestrated if necessary. People cannot describe a suspect if at the scene of a murder, on oath--you certainly are not paying attention to anything that would cause you to suspect illusion if it remotely resembles the real thing.

"Little Gray Aliens" in underground secret bases? Oh, my friends, you have no conceivable idea what wondrous secrets are in your underground secret bases. Tuesday morning, April 14, **genetic replicas called "Synthetics" of the then late astronauts, Young and Crippen**, were readied at White Sands. They were programmed to take a computerized ride on the training shuttle "Enterprise". The Young and Crippen entities boarded the Enterprise which was mounted on top of the launched 747. After rocket fuel was loaded for the shuttle, the 747 took off and headed west, avoiding commercial air traffic. The launched 747 headed out over the Pacific until it was several hundred miles west of Los Angeles. Then it turned back east toward the California coast. On television you were told that the non-existent Columbia was re-entering from orbit.

## BURNT OFFERINGS AND BLOODSTAINED SANDS, JOURNAL:

### Pg. 212 Humanoid Robotoids/RNA, DNA Doubles (Genetic)

George asks me to comment a bit more on this subject for his group meeting in Florida. I have already written sufficiently--most recently, regarding how the doubles are created from holographic projection and DNA cellular reproduction. Please do not ask Dharma to spend time in repetition. With some 14 of you reading this material daily, surely at least one of you can locate the writing bearing this information--if not, sic sic!

I will, however, tell you when the Bolshevik use of these "doubles" became mandatory and proliferation blossomed. Now, in addition, you always desire speaking of the "little gray aliens"--OK, get ready, for this is wherefrom came the technology for reproduction of the **robotoids**. It is NOT like the projections the UFO "crowd" pronounce nor are the secret Majestic 12 uncoverings truthful (the documents are total fabrication).

When I tell you that the problem of "little gray aliens" on your place is not coming this day from the cosmos--believe it. It is the evil on your own placement--now locked into your Earth density, which is your problem. Your immediate perpetrators and expressionists are the Zionists in dispersement throughout the governments and financial communities, along with, of course, the scientific.

Any more recently "transported" "little gray aliens" which are seen regularly and reported by ones who see them and cannot be denied, are mostly reproductions. You are watching the very duplicates made functional by Satan himself come to, what appears, life. It is not the same kind of "life" given through Creator in soul manifested, physical matter. Therefore, KNOW that he can reproduce **replicas** ad nauseum from genetic blueprints and programming but he still only has **robotoids and robotoids** continually give him a great deal of trouble for they are easily identified once people realize there is such a thing. It is the ignorance of the fact of it that keeps the secret secure. You witness, say, Mr. Bush acting in a such and such manner and looking particularly young--then over the weekend he is changed and appears either more youthful or older--but definitely "different". You simply mark it up to "a bad night's sleep or too much to think about or responsibility" or any number of excuses for the change. Even your magazines and newspapers note the changes and simply comment on the incredible duplicity of the man. No, you are now encountering your 29th replica of George Bush. And with him must come a new Barbara Bush lest the show be spoiled. These duplicates become weak in strain and, under stress, are incapacitated quite rapidly as would be a "growing organism" placed in a stressed environment.

Henry Kissinger is another one to watch closely--he is changed-out frequently, also, for he bears the responsibility of orchestrating the Plan or New World Order. So, if Kissinger is a biggie and is also robotoid, WHO is the PUPPET-MASTER? You guessed it! The prince of deceivers, himself. You were told that--in the ending--Satan would be given total rule over the planet and you now have a very real entity deceiving you as a mass populace of the planet.

"Well, why don't you do something about it--you who claim to be of the Light". We are--we are bringing you Truth just as fast as you will accept it--for when you know and accept Truth--you will also be given to know how to counter that which is imitation of life. You who are creations of

God Source are not "imitations of life" but experiencing fragments of the Creator's -Self. Satan's army is now land-locked; unfortunately, it is on the same land upon which God's Creations are also experiencing. So be it for it is the schoolroom of soul progression. You are simply living out the prophecies as you perceive them to be.

You see, even the prophecies of one Nostradamus are coming into focus--the Mongol in the blue turban, let us say--this represents the Khazar element of the anti-Christ with the flag colors of blue represented by the "turban" (which was the color, or flag, of identification in the ages past). The Soviet Union appeared to have been killed and is now to rise again more deadly than ever. Even the Pope of Rome is a duplicate playing the role of deceiver.

Ah, but WHEN did it become necessary to begin to bring doubles into public perfection? With the death of David Rockefeller.

## SHROUDS OF THE SEVENTH SEAL, JOURNAL: (The Anti-Christ Whore of Babylon)

Pg. 93 Doubles, Robotoids and Replicas:

Beloved ones, these men you perceive to be leading you are **replicas and incapable of either compassion or change of programming**--they have ONE GOAL IN SIGHT AND ARE PROGRAMMED TO MOVE UNFALTERING TO THAT GOAL EVEN IF FREQUENT REPLACEMENT IS REQUIRED--THE GLOBAL CONTROL OF YOUR PLANET, IN PLACE AND OPERABLE, BY THE TURN OF THE MILLENNIUM. THESE **ROBOTOIDS** HAVE NO MANNER OF CONTROL BY WHICH TO FUNCTION DIFFERENTLY AND UNLESS YOU STOP THEIR MARCH TO DOOM, SO SHALL IT COME TO BE!

How is it that you find this difficult to accept? These "**genetic/holographic**" **DNA/RNA replicas** have been in the perfecting for well over four decades. All that is required is a holographic fragment (literally, one cell) and a **replica** can be reproduced. Then all that is required is downloading of the memory data and programming of the manufactured entity. I have spoken of this procedure prior to this and will not take precious time to repeat and repeat for those who simply do not wish to go back and effort at gaining the information. You see, I, Hatonn, care not in the least whether or not you believe me nor if you understand the mechanism by which it works. You are "willing victims" of the lie and YOU will awaken or sleep on--it is up to you. Our commission is to outlay the Truth unto you--**YOURS IS TO CONFIRM AND ACKNOWLEDGE--OR NOT, AS YOU WISH.** There are technical advances upon your planet, already in use by the Elite, which would boggle your senses--**robotoids** are simplistic in relative comparison - - - [and the rest of the document is repetition.]

END OF QUOTING

Thank you, friend, you have done a lot of work and, also, have saved me work in reconstruction. One problem is that, somehow, some of my prior information IS still missing and therefore, I can only assume it to be in one or two of your missing Journals. It is not sufficient to stop me from responding for I have not yet told you HOW you grow so fast, at any rate.

ROBOTOIDS

AbundantHope.net

Know that you will read my discussion (or it got omitted which I think not probable) that there are already working duplicates of, for instance, cattle. There are also the projects in research to clone "body parts" for identical transplantation of heart, limbs, etc., without rejection of the attachment for it will bear identical genetic structure and the body will not recognize the difference. Now to a bit of specific technology to consider.

There are two kinds of cells in the body--the germ (the sperm cells and the egg cells, which produce the next generation) and the soma (the cells of the blood, brain, muscles, and everything else).

Each somatic cell has two sets of chromosomes in its nucleus. When it divides into two cells, all the chromosomes double, and each daughter cell receives a complete double set. But when the eggs and sperm are formed, by a process called meiosis, the two sets of chromosomes are broken up, and only one set goes to each of the daughter cells. Each egg cell and each sperm cell carry a random mix of half an individual's traits; the only time they have a complete set of chromosomes is when their nuclei come together during fertilization. At the moment of fertilization, life begins anew with an individual that is identical to neither its mother nor its father but rather is a 50-50 combination of both.

Starting out as a single cell, the embryo grows rapidly, not in size but in number of cells--first two cells then. . . .The growth begins when the nuclei come together during fertilization. The point then, of replication is to introduce two identical nuclei from the same entity. Upon integration they will multiply identically as above stated for it represents fertilization--the cell recognizes no difference. And thus begins replication of an identical clone.

As the cells multiply the embryo is a mulberrylike cluster of cells called a morula, scarcely bigger than the fertilized egg. As division continues, the morula turns into a hollow mass called a blastula (blastocyst in mammals), which is first hundreds, then thousands of cells strong.

In the event of "artificial cloning" it is much like a test-tube embryo except that it is completed in a medium which allows the nutrients of life to be utilized. While this is happening--there is a holographic image available for alteration as necessary for duplication of the finished entity.

In the early division, all the cells of the embryo are indistinguishable from one another. But later some of the cells begin to specialize, and the process of differentiation begins. As development proceeds and the embryo takes on shape and form, more and more cells become committed to a particular pathway, changing in form and function. The blood cells make hemoglobin, the muscle cells make a muscle protein, and so on. The facts are, and research now shows--every single cell in a body contains all the necessary things to reproduce a replica.

It must be noted that adult differentiated cells and egg cells, are on two very different time tables for division. The egg is on the fast track, ready to spring into action about an hour after fertilization if left absolutely alone, while the far slower differentiated cell is programmed to divide every two days or longer. So when the nucleus of an adult cell is placed in a recipient egg, it is forced to divide before it is ready. Chromosomes get left behind or are torn apart. The result is that some of the clones have chromosomal abnormalities and may be genetic "monsters".

Now it gets more technical and tedious. Several things must take place to reproduce a "well-

rounded" duplicate. As the cells are growing there must be introduced something which will accelerate growth and reproduction. You have in each body a functioning gland called the pituitary (I think is your label) which regulates growth. If something happens, say a tumor, in an adult wherein the pituitary gland becomes hyperfunctional, a disease, which I believe you call something like "acromegaly" which is chronic hyperpituitarism marked by progressive enlargement of hands, feet, and face --, occurs and within very short periods of time the body will simply outgrow itself-- become huge and because the bone structure cannot house it the monstrously rapid growth can simply kill itself from overgrowth. So if the pituitren from the gland is introduced in increased amounts during the early formation and duplication of cells--the growth rate is incredibly rapid. As the body reaches proper proportion and the cells mature into proper function in the proper placement--the hormone is decreased and additional amounts stopped completely. Understand that this is oversimplification of a rather complex mechanism--however, once the duplication process has been accomplished once or twice, the amount of additives is pretty well decided and the duplication becomes indeed rote.

I believe you can understand that as these reproductions are created they become less stable and much less sturdy although they will replicate even to the age category depending on giving additional hormones or withholding same. Then what is not perfected by "natural" growth and aging can be surgically altered.

So, what have you? You have a body functioning as a machine and a pretty empty mind of a womb-infant. It becomes very easy to down-load information from one brain to another--especially if there is no preconceived ideas or thoughts in the recipient brain. It becomes simple to place the outgoing replica or "person" into a state of imaging and the images in response to questions and input guidelines are extremely rapidly "read off" just like a rapid-fire computer system. Don't be fooled by that which you are not told much about--but there are cameras which can now photograph thoughts--downloading a mind is nothing and can be completed in only a few brief hours. During this same period of time programming for current and future functioning is integrated. "Flaws" in personality will most often be continually exaggerated and this is that which becomes the problem--that of keeping the entity under control.

What happens to the original? It goes where all first creations go--the soul departs and goes to its proper placement for progressive experience. The clones, when no longer useful, are simply "dumped". If the expression within the essence is recovered and given again the gift of soul entrance through Grace (and there is no other way, beloved ones) then the "clone" becomes a functioning "whole" and separate entity but will bear the mental rememberings of the original and will pretty much continue the original's experiences. Hence comes the term of terms--"walk-in". Now I remind you ones who like to consider yourselves "walk-ins" for God--forget the concept. Clones are of evil beginnings by any measure of the term. Replacement of energy from into an existing body is indeed of evil. God needs no such fabrications. If God needs a body, He creates one--remember, "Satan" as you call him, cannot create--he must utilize that which is already created--havoc is all that evil one can create.

So you see, it is not even longer speculative among the scientific community. By combining the techniques of nuclear transfer with those of in-vitro fertilization, the technology for cloning human embryos is now on-line. Using the same basic technique of serial transfer, scientists can duplicate the same embryo over and over again thereby cloning not just embryos but human adults.

Scientists have long been able to trick adult body cells, normally differentiated to perform specific tasks, into going backward in time to an early embryonic stage when all the genes were fully turned on and all things were possible. The researchers reached the power to turn back the clock, so to speak, making an adult cell young or duplicating a being at any age level through manipulation.

You must understand that in the beginning of this idea it was set forth as wondrous to be able to have a second set of organ's, etc., if ever needed for individuals. Well, of course one secret thing led to another until they were taking a cell from an individual, transferring it into an enucleated egg, growing the embryo in culture for a few days, and then putting it into a surrogate uterus. After about six weeks into the embryonic development, the collection of primitive cells called the telencephalon, the forerunner to the higher brain, would be removed and frozen. In this way the body clone "would never develop a brain capable of anything more than secreting hormones and commanding the most basic vegetal bodily functions. It would never perceive pain or love. Without any portion of the higher brain, the body clone would be less human than the fish that graces your dinner table.

Once the body clone would be grown to the appropriate size by intravenous feeding and hormone injections, it could serve as the equivalent of a brain-dead organ donor, only in this case there would be no rejection of a transplant. Since the clone would have exactly the same genetic makeup as the person from whom it was derived, all its parts--from the facial features to vital organs--could be replaced as though they were the person 's own--which they would be. If now, the desirability is of having a functioning higher brain, then the additional steps would need to be taken to reestablish the telencephalon.

The problem that many scientists face in cloning is that in the reproducing much of the "personality" which makes a human sexual is lost and also it gets rid of all the very characteristics that are enjoyed about a human. As a matter of fact, as dangerous as the actual cloning of beings is what is happening already on a massive scale--the brain control which causes everyone to act in various controlled manners. How is it that a hundred million Americans watch the Super Bowl, or millions of people buy little plastic disks with scratches on them? Basically this is worse for the perfectly good and functional gifted mind is wasted. The potential for abuse is incredible and so it has become a fact.

The fact that contents of a brain can be transferred only requires knowledge of the psychochemical way in which memory is stored--and you have known how memory is stored in a computer. With the proper psychochemical balance it is merely a matter of transfer as from one computer disc onto another. With cloned brains and memory transfer, the individual is raised to the nth power--but without the capacity of moral conscience as given unto man in the form of soul. You see, the purpose is not to just serially immortalize but to produce parallel infinity.

Please allow this to be sufficient for this sitting as I have a very weary scribe who is wishing I would just clone her a little bit more time and a few more fingers.

I thank you for your inquiry and I hope I have been complete enough to satisfy without overburden. I am sorry to leave out any of your questions but I simply may not jeopardize my beloved counterparts by speaking of the other advanced technical achievements at this time. Too much

information makes you targets and I refuse to allow that as my scribe, for instance, is marked like a neon sign already and therefore I give her nothing more than any of you have in access for if there is nothing to gain from her, she is left alone and our adversaries know that she is given nothing for they glean exactly that which I give her--right as she writes it on this apparatus.

Our sole mission is to "awaken" mankind--not invent new or re-invent old technologies and man's problem already, is that his technology is far advanced of his ability to socially survive. Know that as things are acceptable, proper ones will be given into knowing the information in proper sequence. God does pretty well at planning--and remember--HE WINS! THAT, BROTHERS, MEANS WE WIN!

Close this out, Dharma. I want to share the other information and confirmation received from A.B. regarding Egypt, etc., but we are too fatigued for this day. Thank you, chela, for relentless service and know dear one, that when we pull this off--then you can go clean your cupboards. In great love beyond your knowing, I humbly bend in appreciation to you precious ones who struggle along with us in this journey acting as alarm clocks--the rewards shall be grand indeed for the promises of God are always met although you rarely have perceived them properly. Even so--they are always more wondrous than you can imagine.

In brotherhood and friendship I take leave this evening.

Hatonn to clear, please.

**PJ 29: ROBOTIDS AND SYNTHETIC AUTOMATONS.....20**

### **ROBOTIDS AND SYNTHETIC AUTOMATONS**

I don't even have the proper language to further discuss this subject with you for it is obvious that the general public is so uninformed that I hardly know where to begin. Therefore, in light of that which I gave you a week or so past, I shall try to move back in years to incidents and utilize descriptions as we move along. An excellent place to begin is, say, around your years 1978 and 1979 because robotics were on the scene, having moved from "doubles" and "look-alikes" into robotids and then on into synthetic automatons which are referred to as "synthetics".

Doubles had been utilized frequently and with astounding results for some years prior to 1978 but in Spring of '79 Russia had begun to deploy this astonishing new Intelligence weapon. Those were the "organic robotids"--artificial robot-like living creatures that simulate human beings. By introducing the robotids, the Russians were able to make a shambles of the Bolshevik plans then in progress. Preparations were moving fast for a new Bolshevik socialist revolution right there in the United States, but the Russian robotids stopped it cold. The major problem--then as now--the Zionist Elite have no real loyalty to any cause save their own so that which comes forth is utilized in any manner necessary to gain their own desires and the "host" factor is usually done-in while the wolf hides behind the lead-sheep's wool. Even more importantly, the joint Bolshevik and Zionist Middle East War plan was temporarily thwarted. This prevented the Bolsheviks from going ahead

ROBOTIDS

AbundantHope.net

with the rest of their plan for an American nuclear first strike against Russia and so, the next attempt of serious magnitude was set up for 1982. Yes, you read exactly that and if you know not of which I speak--please go read the Journals for I cannot repeat it all.

After that time, the Russians pressed forward with their robotoid infiltration and take-over of the United States.. Within mere weeks, the year-and-a-half SALT II stalemate vanished and the treaty was signed in Vienna; for months major surprises showered the news which were the direct result of Russia's robotoid "invasion". At the time there were ones on your place who were being fed information right out of the Rockefeller Cartel and the CIA regarding these beings and it was being written, censored by the media and you the public tossed it aside like limp popcorn. Well, the two major resources were silenced and you were the loser. As we have bits of time on this subject, I shall back up and give you some scenarios which you can confirm, i.e. Sen. Church's strategy (robotoid) to undo the Cuba crisis and to save SALT II. But this story is for 1979 because it is so important in magnitude.

A most important case in point was to do with America's new relationship with Red China. In 1978, the Carter Administration was in a state of panic over Russia's newly deployed crushing military power in space. The so-called China-card policy was the result. America suddenly dumped Taiwan and recognized Red China but the Russians were working fast to unravel the ties between the United States and China. Russia was determined to re-establish her own working relationship with China. In October talks were continuing between Russian and Chinese officials in Moscow with that goal in view. Suddenly a Federal District Judge ruled that it was illegal for President Carter to breach the treaty with Taiwan. Instead, he said, Congress must be consulted. In June the same Judge had refused to rule in the case, but the Russian robotoid take-over in the U.S. had changed things forever. Out of the blue came the surprise thunderbolt of the ruling. It could hardly have been better calculated to shake Chinese confidence in the United States, and it came at the very moment when Red Chinese negotiators were staring across the table at their Russian counterparts in Moscow.

In every possible way, the Russians were trying to make use of their robotoid advantage while they could, because there was a lesson which ran throughout military history and the Russians knew it well. That lesson was that when one side in the conflict developed a new weapon, the other side would soon counter it with a similar and often, better, one. A new weapon can decide a conflict only if it is used quickly.

The United States was far behind that of Russia in robotoid technology as well as space technology, but then the Bolshevik and Zionist enemies of Russia had achieved their own surprise. The Rothschild interests, which controlled both movements, had for many years been deeply involved in biological research of all kinds. They had not succeeded in learning the secrets of the Russian robotoids, but they had achieved success with something very similar. Those developedments were called "synthetic automatons" or simply "synthetics". A Rothschild synthetic was similar to a Russian robotoid in certain ways. Each is an artificial life-form designed to simulate a human being, but synthetics also differ from robotoids in important ways. For one thing, they are generated by radically different techniques. Both utilize genetic samples from actual humans as their starting point, but beyond that everything is different.

The Russian process is a close relative of recombinant DNA techniques involving hormones and other life forms which could be loosely described as bacteria, simply for lack of better description.

The details of the process were shrouded in the greatest secrecy of anything in historical reference--but the process (and I have already described it at any rate) enables robotoids to be generated from "scratch" very, very rapidly. The Rothschild process, by contrast, did not start from scratch--ah ha! Instead, certain tissues extracted from bovine (cattle) were the starting point. Are the lights flickering, L. Howe?

The synthetic is then generated in a process that changes the genetic make-up in order to simulate a person being copied. It is the outgrowth of a discovery made in the 1950's in France. The experiment involved two species of ducks called khaki Cambells (go look it up right after the shock goes away), and white Pekins. The landmark duck experiment of 1959 was reported in a book titled THE BIOLOGICAL TIME BOMB by one, I believe, Taylor, Gordon R. It was published around the late 1960's by the New American Library, New York, N.Y. Taylor described the experiment in these words, quote: "They had extracted DNA from the cells of the khaki Cambells and had injected it into the white Pekins, thinking that just possibly the offspring of the latter might show some character derived from khaki Cambells. To their utter astonishment the actual ducks they injected began to change. Their white feathers darkened, and their necks began to take on the peculiar curve which is a mark of the khaki Cambell." Beginning with that clue, the Rothschild synthetic process continued to be developed--in great secrecy and by the late '70's, synthetics were beginning to appear on the scene.

I do not wish to frighten Dharma but she must become aware that it was known that she would write these documents from onset of her time here on the planet--only she did not know.

Her brother was in a very high-level military intelligence position; he was replaced at the time of his original "heart attack" and several times since. For your confirmation, chela, remember that they would not allow you to visit--you were also told by astonished ones that when they first saw him afterwards his hair had turned snow white in a matter of hours--from the research medications. "They" usually do not make such errors in presentation but were caught off guard by a persistent wife who stumbled in prior to having the preparations fully under control. The one who came to visit last summer via Nellis Field and Edwards Air Force Base was quickly identified by you but most people will not even question and will attribute changes to aging and "whatever". Please KNOW, chela, that we wrap you in love and will see you through this journey for it has indeed been a painful walk for you. Don't concern about your father, child, for he has long ago moved on, but it was necessary to have a "body" in his place perchance you went to visit--it would make it far easier to keep you in surveillance. Your brother even remembers a lot of his experience and departure and became quite confused in your presence--it is indeed typical and the clues were all over the circumstance.

### CARTER

On October 9, 1979 Carter robotoid No. 18 was scheduled to hold a news conference. Three days earlier, Brezhnev No. 2 had made his proposals in East Berlin for military reductions in Europe. Robotoid No. 18 had been programmed to react positively to the proposals but instead your alleged President said, quote: "I think it's an effort designed to disarm the willingness or eagerness of our allies adequately to defend themselves." The Russians were totally dumbfounded. This was a fresh robotoid, surely the recurring instability problem could not be showing up so rapidly. After the news conference, he was bundled off for examination and testing, and that produced the second big

surprise. It was not robotoid No. 18 at all, but a total synthetic. The synthetic was then transported to Novosibirsk for further study. There, robotoid scientists were able to establish an important and unpleasant fact: the source of the genetic material used in generating the synthetic had been *robotoid No. 18*; and whereas the Russian robotoids vary somewhat from one to another, the synthetic was virtually identical in appearance to the missing robotoid No. 18. But an important favorable fact was also discovered--the synthetics are inferior mentally to the robotoids. It wasn't clear at the time how fast the Bolsheviks would be able to deploy the synthetics, but the guerilla war between the Rothschild synthetics and the Russian robotoids was underway.

Dharma, allow us to leave this for it is now too lengthy for an Express. I hope that you ones tune in same time tomorrow for the ongoing saga of THE TURNING WORLD. No, day after tomorrow as Dharma has to go to depositions regarding their property. I hope I have whetted your appetite for learning for we have only just begun!

In love, appreciation and gratitude for audience, I stand aside for clearance.

Now, a question to be answered from the mail, how am I involved in Nebadon at this time, and also, what was going on back in Egypt, when I was known there. I came into working in Nebadon, by my choice to do so. Part of what I have done here, is contribute to the genetics of Nebadon, since I am a geneticist. My skills as a geneticist are quite a bit beyond what a geneticist on Earth does at this time, and well beyond what the little Greys have been doing with the DNA of Earth, which is stealing it, with the permission of the United States government.

However, their stealing of the DNA has been from around the world, and not just the United States. They have been trying to create a soul container for themselves, as they are robotics, and desire to be human, and this does not work. Mixing their robotic DNA with human DNA does not make them human, it makes a cross breed, with problems not unlike what was done in Atlantis, in the creation of the "Things" of legend.

Those they create, will have a bit of difficulty knowing what they are. In a sense, this is worse than Atlantis, and the mixing of human DNA with animal DNA. The Greys are not animals, not part of the ascending journey. Those they have created are neither human, by human here we mean Sons of God, or the potential of that, but they are merely a more advanced robotic type, a "prettier" body, but still robotic in nature.

They did not accomplish what they wished, they merely changed their looks. In this they will incarnate themselves into different bodies, but they do not take the Ascending Journey, as the body is not human. They have merely created a human appearing body, and remain unable to have a Father fragment come to them. They must incarnate into one of God's bodies, by permission for this event to occur. It will not occur by stealth of the genetics.

All have their lessons to learn, even the Greys. There are intelligent, and they did rebel from the slavery from which they were created. In this, had they taken a better route, they would have been granted the eternal journey. And some were granted this recently.

**Candace:** Remember in some prior messages, it was discussed, I believe in #25, where Hatonn says he is Christ Michael, that some of the Greys, by their more human compassionate behavior, will earn the right to start the Ascending Journey, by birth into the

Candace: As to the above comment about having the first human experience, at this time this defines at least half of the human population. These folks do not have someone incarnate in their bodies, thus they do not have a "soul." There is misunderstanding also of the word "soul." However, if they begin to show "will" and caring behavior, a Father Fragment can come to them. Urantia calls this Father Fragment, a Thought Adjuster. Thus they can begin the Eternal Journey. The Thought Adjuster is in part a fancy computer of sorts, bad term, but the idea is what is important. The Thought Adjuster stores all of your memories on the Eternal Journey. These ones having a first human life are often called "Robotics," because they are basically robots used by the BBB&G's.

The sad story for most of the first time humans is that they do not receive a Father Fragment, and thus return to the human group soul, and sometimes even experience the "Second Death," death of their essence and personality. This occurs in those who are taken up by demonic activity, and show no redeeming factors, or the development of true will.

This is a tragic loss, and fully the intent of the BBB&G's. They do not want Sons of God on this planet, they want slaves to serve them. AbundantHope is going to work with this group through organized religion, as it is organized religion that often takes control of the tender young souls, and rather than leading them into making a choice to become Sons of God, leads them astray. This you see in practice as Christians are taught to see Muslims as infidels, and Muslims are taught to see Christians as infidels.

**Page 139 Pdf:** AH 2- ([Download Pdf.](#))

I have a nice little addition to put in here at this point in this piece. Most animals on this planet do not receive thought adjusters until they have their first human life, and

ROBOTOIDS

AbundantHope.net

sometimes several human lives. We are seeing increasingly many cats, some dogs, and some elephants obtaining this while still in their animal bodies. And I am so pleased about this. This is a good sign, really it is. Candace has experienced two beloved cats in her life recently that have obtained this lofty goal, which occurs when an animal, or a human becomes self-determinate. Develops "will."

The Father's will beloved, is a term so poorly understood on Earth. This is why a fragment of the Father comes to them, because they have done something of consequence that is self-determinant. They say in this "I AM" and their eternal journey is reborn. It changes its direction. They have "been" for so long, learning the lessons of survival and existence, largely in some ways out of their control, other than to move on. But one day, a being, regardless of the body type, says, "I AM." I exist; I control what I become, I run my journey.

And sadly, 1/2 of the population in human bodies on this planet does not do that very often while in life. These are the robotoids, the downgraded human DNA that the dark put upon the planet to arrest the process of evolution and keep themselves some slaves. These folks are totally new souls; they don't have the memory of being tulips, because they have not been so. It is much the same as a clone. They do on occasion get thought adjusters, around 10% of them. Otherwise they return to a special and abnormal group soul and try again, over and over. Many have to be uncreated because they have no concept of God and do the bidding of the beast. This will be changed, but that is a topic for another discussion at this point. This is a huge loss to the creation scheme, a great saddening to all to watch.

Your interior worlds can't handle the surface population either. When Christ Michael returned in 1954, the planet had about 2.5 billion people and now there are 7 billion. Plans were in place at that time for evacuation should it be necessary. But many would have been left behind, to likely perish, as those of God would be lifted first, followed by the children who were too young to make decisions and be held responsible. Sananda Immanuel had arranged for many Pleiadian planets to accept some of you, as the new planet was very immature at that time. The new planet is ready, but still it is being populated also with animals necessary to life there. Man will be placed in about 5 communities to start anew. More can be transferred possibly in the future; there is much assistance.

Most of the robotic population will physically perish in the upcoming upheavals. But there has been created a special place for them in the mansion worlds, even though many, in

ROBOTOIDS

fact most, will not obtain thought adjusters. They must not be lost to the possibility of eternal existence. Some, in the turmoil, may actually receive adjusters if they go into "will" behavior that they might not have otherwise obtained. Chaos does produce growth in many. And the point is growth, in all of this.

**Monjoronson:** There are many 5 D folks incarnating now, and they are choosing incarnations into areas of less threat. And these are bringing, as per usual, much higher DNA with them, to continue to upgrade the DNA on the planet, which suffered the default of the Adam and Eve mission to the planet.

Now a rather difficult topic for most of you. The dark DNA that came into the planet long ago, created by dark scientists, is going to be completely cleansed from the planet. This will take a longer time than 5 years, but it must happen. Some of you incarnate do this quite naturally, healing the defects of karma and the dark geneticists. For many of you, that has been your major purpose to the planet. You have heard many stories of babies that have healed without the need for heart surgery for example. You are cleansing the DNA by your presence within it.

The entire robotic DNA will be cleansed from the planet. Much of this will happen as the natural result of death in the calamities and the work of the photon belt. Much has been improved also by the teams here in ships that have been making the robotic DNA inhabitable by you, with some of your own DNA. So if you are living already in an upgraded body, then you shall have no problems. You could not incarnate into the robotic DNA in the first place.

But the dark created this disconnected from source DNA as an antichrist activity, to help prevent the retaking of this planet. The planet has been retaken despite this. Only 20 years ago 60% of people on the planet were robotics. Now it is 50% even under great growth in population, because of modifications be made during the incarnation process.

But the dark side creation of the robotic has been the major issue in the attempt to keep the planet for themselves. Robotics don't solve problems well, they don't perceive God in most cases. They don't have a clue that they should keep their numbers in a balanced range. So the dark types fought their war in this way. But the dark sides attempts to do away with the extra population was more directed at you, many diseases custom made to harm the light workers. And many of you have been helped in this.

## FROM: Jupiter and “Full Inheritance”

By Christ Michael and Candace

Your bodies are undergoing a new process. Your higher selves for those having a higher self are merging with your physical bodies, and this increases your access to your own higher knowledge and that of the Thought Adjuster portion of your own soul. This process is well underway, and what is the delay of Jupiter has been most useful, allowing more of this to take place before the event. This allows also more survival for the ensouled individual after the fact, because your lives will lengthen as part of this process, rather than deteriorate from the effects of the additional photons and radioactivity from Jupiter and the photon belt.

These energies cleanse the earth beloveds, and I think you do wish for your own bodies, if you want to participate in this, to make these changes that are protective of you. After the Jupiter event, we will also get supplies of the “drias” onto the planet, to further assist her people wishing to use them to stay on the planet. These will not however greatly assist the non-souled robotoid, as the DNA is not fully normal and must be gradually removed if you are to graduate into light and life.

Lucifer wanted to be a “creator son”. He would never have gained this prerogative. He wanted to be God of Satania. He severed this area by his choices from the higher energies. He would never have been able to become a Creator Son, and entering into a rebellion doesn’t make it so. Only the Creator Sons, and that will include some of you in the distant future who will have life creating prerogative ability, and never the lower descending sons. The Descending Sons of Nebadon, while great and intelligent beings are not indwelt by the Father, as are the Ascending Sons.

Lucifer thought that using laboratory methods, and his own mind, he could create both Ascending and Descending beings, and he could not. In general Ascending beings are created by the birth process, coming out of the long evolutionary process that creates new souls and incubates them until they choose eternal life by accepting the Father Fragment and then fusing with it. That is this purpose of my seed planet. This is not my only seed planet, but it’s a very important seed planet, unusual in many ways compared to other evolutionary planets, making it have superb potential.

And now Mother Earth has also become a cognizant being in her own right, and that changed everything, and is why the planet is going into ascension, by her choice to ascend. She still remains however, an incubator of new souls.

ROBOTOIDS

AbundantHope.net

You have a problem on your planet with the robotoids. These ones were created by the Lucifer scientists in essence, and Lucifer thought he could give them a portion of himself, since he was God as he decided he could be, and he found out to his great horror that he could not do so. That is why he chose to be uncreated; the horror that what he thought possible was not. He could not create souls, but he mostly surely tried to do so. He was given Earth, my seed planet to explore this, since it was already under the hands of galactic forces that had taken it for themselves, and thus we protected the other planets that chose to withdraw from the normal process of creation and the training of new souls. (Meaning the other planets that entered the Lucifer Rebellion).

In general beloveds, the robotoids will never get a father fragment. These are not simply "simple young souls." Their whole body DNA matrix has been messed with. A few do, but most will not, ever. This is disturbing, but we have a remedy of sorts for it. We will take large numbers of them into a special schooling area on Mansion World #1 and these might be able to spirit fuse with Mother Nebadonia's spirit, if we can improve upon their minds, for this is a great loss to my universe of progression and the Father.

The ones that do get thought adjusters have generally intermarried with true soul creating DNA. But this is not the most desirable method to improve the DNA because it is still lacking all that should be there, and these ones rarely do as well. The goal is to have everyone arrive some day on Paradise, and these ones make slow progress and have a lazy factor about them, finding comfort in the easy life and not wanting to progress. Ambition is born of the Father beloveds. Many lose their adjusters before the physical life ends, if they get caught up in the warring games.

The ones that don't get adjusters, but who have made some progress and for which there is some hope will be assisted as described above. In fact we have been collecting them for a time already for this next experiment to see if the situation can be remedied.

These robotoids, (sometimes labeled organic portals) don't have an animal soul to begin with. They don't have the PUMA, which is my gift to this universe, which the Father has bestowed onto me, as his Creator Son. These ones are merely replicated machines for the most part. They have never been wolves, and the other animals preceding the higher mammals. They have not taken the ascension journey upon this seed planet, through the long evolutionary process. They don't have this knowledge because they don't have the PUMA. They don't have living knowledge prior to their creation, so they must copy others.

And although the churches have wrongly explained it other wise, the dividing right now, as predicted in Revelations, is about healing this planet of this abnormal DNA that doesn't generate that which exalts the Father. And these ones do not have a soul carrier body and can't even carry the PUMA soul. It is the PUMA soul that when sufficient mind has developed will "attract" the Thought Adjuster, and eventually fuse with it.

Because they are still living entities, having the spirit of life, otherwise they would not be eating food, it is desired to benefit them as possible. They do generate an astral form, as do all living beings, and thus there is something to "save" after death. But in general in the past, these ones have resided in the very low astral realms of this planet, causing multiple

problems. These ones, their astral form, desires to living body and thus they do try to possess individuals or otherwise influence them. It is these ones that have needed your energy and feed off of it, much more than do the other interdimensional forms that your teaching speaks of.

These ones are not sustained by the “zero point” energy that sustains the angels around the planet and throughout the kingdom of heaven. They feed on the emotional energy of those that are living, and they tend to live around those who give out the most energy. Some, of a little higher quality will suck the energy from those of you who read this material, and the lower forms suck the energy found in bars and other negative environments. Living or dead, these ones suck your energy because they don't have the ability to energize from the higher vibrational energies. In general these ones no longer bother you, because they are periodically cleansed from the planet as they pass this plane.

Their only “value” to the previous owners of this planet was as slaves and the reason the dark rulers need to depopulate the planet with nepharious means is because these robotoids, not having their **full inheritance**, have little common sense and over reproduce.

**Full Inheritance** is the gift of the Creator Son and Creator Spirit and it is missing on this planet. The dark ones for eons have combined often machine intelligence with spirit and this never is satisfactory, ever. This does not produce the Father's faith sons. It will be stopped in this universe of Nebadon, and the plans are ever in place to prevent the furtherance of this that has caused so much darkness in Orvonton. It is these “half” type creations that have caused so much suffering.

Machines also learn to learn, but it must be kept controlled, or it gets out of hand, and it has gotten out of hand. Machine intelligence never does have any sense of morality and ethics. This has long been an issue here on this planet. Lucifer himself thought maybe machine intelligence could be used to create a higher intelligence in the absence of his ability to do so, and the product of this was truly disastrous. Machine intelligent/spirit combined people must be dealt with, or all creation in this 7th superuniverse will decay. This is why planets are isolated when this occurs, not just because of rebellion. These must be cleansed. There is no other way.

The galactic warring is mostly around this blend of spirit and machine intelligence. There is no sense of responsibility, only greed that consumes everything in its path. And in general these half forms know they can only reproduce by cloning, and they want soul carrier bodies, and hence their work in the earth laboratories trying to create this. This is over; it is not being done now in the bowels of your planet. The robotoid, for the most part is a combination of these “half breed” machine intelligence beings who have had real human genetics inserted, in the effort to create a soul carrier body. This is not possible for them so to do, ever, no matter how long they play in the labs attempting to do so.

Now, as you know, I am using what has been labeled the “grey form” which actually comes in many colors. This is a non reproducing form that allows for stellar space travel when a body is needed by the angelics. It is animated fully by the Descending Son using it. It is my tool right now, which allows me to visit the people of Earth in person. It has characteristics

that are very flexible and beyond the capability of the human body. But it is NOT machine intelligence or part machine intelligence. It is created by God's geneticists.

The dark ones stole of the form, because it is an DNA based form and combined it with machine intelligence, and no Descending Son animates these bodies. They are thus, grey in color. The intelligences using these bodies in a negative way reproduce themselves by cloning and then merely downloading from one brain to another. This is not "reincarnation". It is the duplication of intelligence, pure duplication and nothing more, nothing less. The entity is not really "duplicated". This is not "incarnation" of the Father's Sons.

The real form such as I use is most useful. Those of you old enough to remember Casper the Friendly Ghost, go back to those memories. Basically the angelic android form was taught in the Casper the Friendly Ghost cartoons. And there were some unfriendly ghosts if you recall in those cartoons, and these dark ghosts represent the machine intelligence/spirit blended folks that are the misuse of the form. These ones haven't the identity the Father provides, the personality. It is missing.

Now there are a few, whose blend is somewhat better and these ones have become compassionate and we are going to allow the attempt at the eternal journey. We will given them a human form, place their intelligence into it, by birth, in a special way unknown to you, and we shall see if they can attract a thought adjuster. That "work" will not occur in this seed planet, but elsewhere. This is experimental, and these ones deserve this chance. We spoke of this briefly in message #25 in which I announced who Hatonn was.

The earth will be extensively depopulated during the Jupiter Event. You who have chosen to stay the course and serve the process will be protected no matter where you live, so do not be in fear. But do understand that many you know may not make this choice, or can't make this choice because they are of the robotoid mind.

Many of you have noticed the increased energies for 6 months now, and this has prepared, along with the assistance of your higher self and your guides, for your bodies to survive this event. All those who are not prepared thusly are subject to possible removal, or not surviving. We can't totally predict the degree of axis change, and we can't totally predict volcanic action.

The planet will be experiencing the additional energies of the Jupiter Ignition and this will cause many at a soul level to leave. We expect at least 30%, perhaps more to leave their physical based on these energies. All leaving will be "judged" and placed where they belong. Regard the robotoids, we do have a marvelous program for them, to help them

ROBOTOIDS

expand their minds enough that they might choose the possibility of taking the eternal journey. That is the robotoids who are good and kindly, those that are evil, will not be given consideration. We do not totally know exactly what the population percentage that is left will be, but it could total as much as 50% from all causes, including also the dear ones who will return to whence they came, who have finished their gift to this planet.

While this seems extreme to many of you, those that are not to survive at all, will pass peacefully as they sleep. These ones, many of them the robotoids are not responsible for their condition. However, these ones will be placed in morontia form into various locations, including the mansion worlds and aboard some of the evacuation ships, and given further assistance at growing their minds.

The morontia form is a physical form, especially at the lower levels, and the Life carriers and their assistants will create this form for them. This form is is a nice one, there is no elimination, as the nutrients required are absorbed fully. This is a bit of an experiment, because planets do not normally have the robotoid concentration you do on this planet, but we will give them this chance, and see how it works out on such a massive basis.

Now during stasis, a lot of people will be leaving and we truly have no idea how many. Many of these souls of robotoids in particular, which are not really souls in the fullest terms will be and have been as they pass, uncreated, because the mind packet is not normal. What happens with the robot that is created in the lab and unleashed upon the population to reproduce, is that person has not previous connection with earth.

His mind does not have the long history of starting as a frog which is the first animal in the evolutionary step. The little frog and similar animals have a really small little mind packet. The mind packet contains a lot of electrons that store information, about how to be a frog for starters. The mind packet is encased in an inert gas that causes it to be separate form

ROBOTOIDS

AbundantHope.net

other electrons forming the genetic mind which are not in packets. Plants do not have mind packets for example, and neither do insects. The mind packet is a creation of God, a gift of God to the lower beginning animal on a full evolutionary planet for developing new souls, called the seed planet, of which earth is.

After these little new mind packets, and lets just make the typing easier for Candace and use the term AnUmal or PUMA that have surfaced. Candace likes AnUmal, because it sounds animal so lets use it. AnUmal, when it has gained the experience of being frog or similar, is then moved into a slightly higher animal form by angels who have that duty. AnUmal then acquires a few more electrons, which store information as it learns this new role. And so it goes on up the evolutionary ladder.

Many planets do not have reptiles. These generally are on hotter dryer planets than earth. But on earth to simulate a bit more aggressiveness, some reptile "mind" was included in the packets, because reptiles are aggressive. We probably won't try this experiment again, here in Michael 's universe anyway. Live and learn. It wasn't my experiment though. But I have long dealt with the results.

The original DNA patterns were also damaged from meteor collisions carrying material from other planets that had exploded and the resulting meteors traverse space, particularly if the sun is lost. Such happened in the Sirius system, a sun was destroyed by wrongful playing with scalar energies, and it's planets lost the gravitational/magnetic fields. One planet was blown to bits, and since the sun was lost also, this is the cause of many of the meteors in space in this region of Nabadon.

Man and his toys. He realizes not what he does. Your planet Maldek was exploded and it became the asteroid belt, because your sun was left unharmed. However, the bits and pieces remaining were guided into the current orbit, beyond the life bearing planets. The DNA patterns on earth most thus be rebuilt. There have been too many things gone awry and that includes genetics bought by people migrating from other planets and mating with local peoples that were developing. Your stories of the root races of man refer to colonization by man from elsewhere.

The continued violence on this planet has continued the downhill degradation of the DNA. Dark beings know this, it is a main way they destroy planets and/or other races. Your DNA reflects you and it is important for incarnate star folks to keep their DNA in top notch shape, for you gift this to your children. These memories of who you are, are so easily lost on this crazy place.

Anger is difficult to control at any rate. I can become angry. I was this past weekend. But it must be controlled. The anger states something terrible is wrong, but it must not become reactionary. The emotional package that comes with DNA serves great purpose in evolution, but when coupled with an excessive reactionary mind packet, you have trouble.

The robotoids, let's get to back to what started this, do not have a true AnUmal soul. They have life force, but have not taken that long journey and the mind that forms in this case is absent the experience of living. These ones do reincarnate, because a mind packet is

formed, but the learning is slow and often these ones learn nothing or little from life to life at all, especially on a planet such as this where education and ethics are at such a low ebb. They do much better on other planets.

These ones, unless they are overly aggressive and without a conscience, are generally taken to young planets or incarnate after a cleansing of a planet, to start the cave man journey and thus they do grow and develop. They are not “ready” for a modern society, they do not cope with the fast pace and freak out easily, to use that term. These are easily molded by religion and have no sense to stop being molded, it is not there. “Good Sense” is acquired by the evolutionary process, and these ones are essentially cave men, minus the long evolutionary experience, forced into an advanced world.

They don't even make good cave men, because they have not taken the long journey of fending for self. Sometimes they are incarnated into lower animals by those with this over control of evolution. Unless something is really defective, it is allowed its evolution. Those on planet earth that have no conscience and make easy killers are often simply uncreated by intense plasma energy, which scatters the astral body and its electrons. Your astral body, is your soul/mind packet. The electrons have everything about living stored in them. The physical body of the robotoid will generate an astral form, from the memory within the DNA.

The robotoids will be cleansed, and there are so many of them. It is unlikely many will survive the stasis, the mind packet will not handle it. Many will completely disperse. Those that “hold together” will be moved to begin a cave man journey somewhere, and some could as we have suggested be educated aboard ship, if they have experienced a better life on this planet. They will not be placed back into the earth. Many of your indigenous peoples on this planet, that still live within the jungles and the like, are former robots from previous civilizations on this planet, and these ones did manage to survive some of the pole reversals and the like, if they already had say farming and hunting skills. These ones will never understand events like 911. Our problem is that there are plenty reincarnating “real” people on this planet that can and aren't because they are still attracted to war and violence. While we have had many return to lighted behavior, others have not. These ones will also in general become cave men again elsewhere and their memories will be cleansed of excess violence remembered from earth.

This all has much to do with Christ Michael selecting this planet as his bestowal planet. It is the taking of some personal responsibility for the mess. It is also related to removing the excessive violence from all causes that has invaded Neadon and other universes in Orvonton. About 10% of the advancing universes have been infected and this must all be removed. It is Christ Michael's responsibility as “big cheese” to participate and direct this. He does not have to participate so directly as he is here. He can delegate and he has delegated regards the other planets that entered into the Lucifer Rebellion. But this is his chosen planet to directly participate, because of his personal learning to be gained from the “hands on” approach. And as we have stated, or he has at any rate through these messages, no other Creator Son has personally taken this hands on approach and returned in this manner to the planet of Bestowal.

**FROM: The Real Meaning of Separating the Wheat from the Chaff.**

By Esu and Candace  
# 96 December 28/29<sup>th</sup>, 2008

**Page 34 Pdf:** AH 3- ([Download Pdf.](#))

In your bible, you have it told the story of separating the wheat from the chaff. The chaff, for the most part is these blended and strange life forms that do not serve, nor recognize anything of Creator. They are in a sense part machine, and part life, and the experiments went quite awry. It is not enough to attempt to separate the deviant mind developed by using laboratory methods. It must be cleansed completely, by removal.

There will be great loss of life during stasis, or that which some have assumed was life. Those of you who will be worked with aboard ship will have a better understanding of this massive cleansing. The elevation of this world is greatly about the removal of energies not of God, and the reason of this special prison world has been around collecting this malformed energies all in one place. These are not suitable for imprisonment on the Father's jail worlds. As you know, there are genetic hybrids easily created, the crossing of related breeds and this is quite the norm in nature. But when it comes to mind, it is NOT the norm and that is the problem that has invaded Neadon and other universes. Christ Michael's seed planet was contaminated with abnormal mind from the blending of machine mind and human mind. Thus his choice to use this as a prison world to segregate these issues and prevent further contamination of the larger creation.

I do not know how many will leave during this stasis. Machine mind doesn't work in the higher energies Jupiter will add to the planet. Plus we add other energies also that it does not function under. Many of the "robotoids" we have spoken of are of this abnormal mind blend and can never grow. The DNA which generates mind is contaminated in these ones. The only ones that have ever received a thought adjuster are the few that are of mixed marriages, between the fully human and a partially human robotoid.

You will not be able to greatly expand your length of life on this planet as long as these ones are upon it. It will continue to downgrade the DNA further. These ones never learn to not war. They never learn to control their reproduction and the like. They never learn to think critically, anymore than one of your computers could think critically. This is why it is not possible for simple teaching about God to work with these ones.

ROBOTOIDS

In regards to questions about the children: Star children who are staying but losing both parents will awaken in a special area set aside for this purpose. Now in comment to that statement, understand star kids and all reincarnating “children” are not children dear ones, and some of these will return in cloned bodies, or even possibly their “real” light bodies.

The only “children” on your plane are the few that are animals moving up and which live in your simple indigenous races, or the robotoid children. There are very few true “new souls” out of the evolutionary process, having a first life as a child on your plane. You have millions of animals on your other side awaiting the beginning of their incarnations in the human type body, and actually some of these may well start into the purposes and the like, who are in many cases more advanced spiritually than you who have arms and legs.

In general children of robotoids will likely not survive at all. They tend to not receive thought adjusters as children. Most of the robotoids who receive adjusters do so in adulthood at some point. Children of parents that do have thought adjusters but are not remaining, will find themselves in nurseries on the other side or on the mansion worlds if they do not survive physically. If they do survive physically, they will also be cared for until they can be placed in adoptive homes.

This will be amongst your first priorities, this and providing for the living animals that are abandoned. In general children who have received a thought adjuster in this life and are not ready for ascension and most would not be will find themselves on the mansion worlds, if they made the 3<sup>rd</sup> circle, or again, in nurseries on your other side, or nurseries the other side of worlds in which their parents may be moving.

I remind you, every ensouled person, whether in a child’s body or not, has made their decision as to whether they wish to continue their journey here or not, and all ensouled people have angelic guardians who oversee this process.

We do also have the new planet, and individuals and whole families who have been chosen this option will go in body to this planet. They will be awakened in intervals, as we do not want too many enmass. Those going to the new planet in body from the areas around the Pacific Rim will go first to that planet. You already have 200,000 living people from this planet now on that world. No criminals are allowed on this new planet. Neither will robotoids be going to that planet because it is being started only by somewhat more advanced souls who have the durability to begin a new journey. At the end of stasis, there will be perhaps 2-3 million people there.

Leave the children in our hands and not to worry. Do not forget we will be on the television and radio immediately as the planet is coming out of stasis to provide the necessary education. All has been provided for that which is necessary. Communications, heat, lighting will be functioning. There will be adequate food in storage and will be delivered promptly to stores. In some areas we will “drop” “manna” and other necessary supplies until the people can resume. **YOU WILL NOT BE LEFT BEHIND WITHOUT PREPARATION AND CARE UNTIL YOU CAN FUNCTION AGAIN. BUT FUNCTION YOU**

WILL QUICKLY AND DON'T FORGET THAT AT LEAST 100,000 PEOPLE WILL BE RETURNING TO PROVIDE LOCAL DIRECTION ABOUT THE GLOBE.

Claim your I AM THAT I AM. To claim I AM THAT I AM BECOMING, is a statement that you are yet insufficient and that is NOT so unless that " I am insufficient" is what you wish to be! Some of you here think you in insufficient with your telepathy skills. I say you are not, but the universe is always guiding you, you have only to answer the phone and it doesn't always have to be a nice telepathic chat with a star friend. The life of the universe, which is basically a massive organic computer system, is always there to inform you.

The animals and plants know this, it is man that thinks he has forgotten. Even the body and mind of the robotoid is informed by life itself. And we would do better to call God, LIFE in all its existences and realms. That to me was the best teaching that came from Conversations with God. And as long as you exist, you will always be communicating with Life.

Does your stomach growl when it is hungry? This is life informing life of it's needs and then when you feed your stomach, meaning you body, you are the God (life) than gave that your body, life, asked from God, you. And of course the food you gave your body, came from life.

The body does not live on rocks (but that said, the rocks are broken down into soil by the radioactive elements, which have their place and service also.)

Please START having the courage to make the statement I AM THAT I AM about yourself.

Now, when the magnetic field collapses, this is “judgment day” for many. Those without soul, will find their mental forms collapsing. There are a few select robotoids with hope that will be carefully removed in body before then and there may or may not be little stories circulating about rapture events. Also prior to the collapse some who are to fuse with their adjusters will be doing that.

You have a story going around on the net, about some hearing “The Voice” and being told it is time to exit, and there is valid basis to this story. However, dear readers of AbundantHope, if you hear an electronic voice, this is not “the voice” of a guardian angel preparing you. Mentally tell that angel. You will be protected anyway, but in the case of many dark ones, including some of the dark ministers, these ones are ones the dark wants to annihilate. It is difficult for us to control every little action on the planet, because many, and I mean many dear ones, do NOT have guardian angels at all. They are not ensouled and merely in a sense living machines, which is why they do not learn their lessons well.

There may be some “blood baths” going on within the rich and powerful ones, as this is very typical during the ends times of struggles amongst them. Be not alarmed if stories start hitting the news and the Internet. These are none of your business actually. Let them slide and do not go along with your circles who may be freaking out.

So, beloveds, that is mostly enough, this is after all our anniversary, but you have been wishing an update. The anniversary is glorious beloveds and we are celebrating it in these realms, for a great plan has been birthed. Be not impatient because great plans take time to form. This was NOT our original plan, ever. But we did hope that the dark would come into some sort of cooperation in those early days with the vision we presented at the time, and they did not.

We would have liked that vision to manifest. However, it is doubtful that most embroiled in religion would have adequately accepted it, as many were going to have to migrate anyway to other places, and there was much fear. Few would have accepted my own appearance on your television sets. Many on our social teams did not feel the planetary peoples would adjust and the robotics are a huge problem in this arena. They are mind controlled of course to the extreme, and would not have adapted.

The planet will be put into the stasis before the magnetic reversal starts, and for those new readers, all life will be put into stasis at this time, to protect it from the damaging incoming solar rays while the magnetic field is down and of course during the extensive earth changes to follow.

Now, as you have been informed by THOTH thru Leonette months ago, during the time the planet is motionless during that period, all that does not serve, leaves, and it leaves dear ones, because "gravity" which you misunderstand, is paused at this time. It is not gravity as you understand it, but more the centrifugal force. Gravity is the pressure of cold space upon the planet. But it does not press you to the planet, otherwise you would be pancakes.

What happens is that something sort of akin to centrifugal force, again, your language and knowledge is not correct, so I must simply use the best available, ceases to exist, and that is what holds you on the planet. During this time, all that does not serve, disintegrates and flies off into space essentially.

And this will include, those disintegrating, the robots, and all the dark thugs that are not going to continue on this planet, or continue anywhere. Now their dark electrons that are misprogrammed will be collected, so as to not have contamination again of the planet, and these become part of souls someplace else to cleanse. Adding small particles of dark entities to the soul enables earlier thinking and problem solving.

The pollution is not just the oil, the greater "pollution" is the lack on concern and normally planetary peoples wake up to what they are doing to their planet before this time. We customarily support the mother planet, or any other orb, for a time while the people wake up and they are NOT waking up. Even the robots should be wary at this time, for it is opportunity for them to come into elementary thinking and earn an adjuster and there are few adjusters and far between right now for these ones. This is some of the reasons I have made some delays, because I would LOVE (and so would Candace) to see a remnant of these ones come into thinking. Candace sees it as an incredible waste, and it is.

But this is for YOUR learning beloveds, you must at this time connect with your higher estate of being and come into some final actions yourself. For many of the star seeds remain part of the problem. I have in the piece today with Kibo that if you could find your ONENESS with God, this would be long over, and the groups are kept separated and not finding that.

**Christ Michael:** Now, beloveds, those that must remain in body, will all be removed at some point **before** the reversal. I know it says somewhat differently above, but let me explain in greater detail. Many will stay in the state of stasis however, until it's time to awaken them, on ship.

During the magnetic pole reversal, those life forms not of God will cease to exist, as both the quiet of the earth from revolution plus the incoming solar rays cleanse the planet. Remember during the reversal the magnetosphere will also be "down." And to that end, those animals and plants that are to remain will be put into a very special vibratory state of stasis, in which they are "untouchable" and unharmed. But we are removing physically all surviving humans who need their current bodies to craft. The non survivors, such as the robots and all over life forms simply perish and they will be in a different vibratory rate, one not of God, and I won't explain those details, some of YOU KNOW THIS already in your hearts, but they also do not suffer in the process.

Everything OF God, has a higher vibratory rate. The animals and plants that are destructive to the planet will all be gone during that phase. While some will worry about the xrays , gamma rays and the like, it is more the vast amount of photons coming in during the reversal that remove that which is not of God. Photons ARE of God. God IS Light, in that instance.

**AA Michael:** Well, well, there must always be the late comer to the party. And so here I am. The biggest reason dear ones for this extended grace and mercy to the ones of this planet, is simply in part, the “harvest” has not been as large as needed, and in this regard I do not speak of the fallen angels and thugs who were sent to learn here. That one has been alright, not as much as we wish, but more than expected as the statement goes. This other Harvest is that of the earth souls growing up here in this seed planet. We really do need to increase this and thus this final effort to do so. Seed planets provide the new souls to journey thru other planets as they mature.

We are hopeful this experiment, and an experiment it is, will greatly enhance that. And we hope also that there will be a great reclamation of the robotoids also, who have not deserved what they have received. We do have special plans for them. Even with announcements they will not get thought adjustors, their thinking is not good, but we are going to provide them another opportunity to better develop their thinking on a mix of other planets and aboard craft. There are a lot of them.

They are not good at problem solving and making cave men of them does not work. This again is an experiment as there are so many on your plane, and we shall see if we can stimulate their minds in other ways, such as the use of computers to teach problem solving thinking. They do not have the long experiential journey that normal souls on a seed planet have. Normal seed souls start out as the plants initially, are moved up thru various animal forms thereafter and know survival from that experience.

The robot has little going for him and especially on a world like this. The few that do get an adjustor do so under medium conditions. They are overwhelmed by both responsibility in industry management and also overwhelmed when they are raised in abject poverty. Neither causes healthy organic mind growth. These ones are essentially living machines. We will attempt to help them grow gently into thinking during the remainder of their normal life spans and see how it works.

### **FROM: Tis the Time of the Resurrection**

Arch Angel Michael thru Candace

Dearly beloveds, some time ago Candace and I did a piece on the resurrection. I AM the Arch Angel of the Resurrection, and Arch Angel Michael is more properly a title. The arch angel of resurrection on any planet at the time of ending and resurrection is always under the name of the bestowal son, in these cases. Thus Since Michael of Nebadon is your

bestowal son, I am thus the Arch Angel of the Resurrection and go by "Michael." Candace can post the link to our piece done in times past.

[http://abundanthope.net/pages/Candace\\_6/We\\_are\\_the\\_Arch\\_Angels\\_of\\_the\\_Resurrection\\_3007.shtml](http://abundanthope.net/pages/Candace_6/We_are_the_Arch_Angels_of_the_Resurrection_3007.shtml)

Now as an education here, a planet under goes many cleansings, any normal evolutionary planet, when it becomes overpopulated or there are any of various sorts of end times. Life is given a period of time to evolve on any evolutionary planet, seed planet or otherwise, and then with the normal coming of an Avonal or Creator Son, there is at some point a final judgement of all the souls who have worked thru the planet over time, prior to the entry into Light and Life.

At the time of this final judgement, before light and life, only souls of a higher nature incarnate into a planet. It is not longer a suitable place for the experiencing of younger souls. It becomes a higher grade in school as such.

For Mother Earth (GAIA, Urantia) it is that time. Already in fact only 5d or higher level souls may incarnate into this planet, but that does not of course prevent the birth of the robotoids or automatons as they are often called. There are no dark beings incarnating into this planet since 1995 in fact. There are only the automatons and the Son's of God coming in or repeating incarnations if that is already the attained level and appropriate to have another life.

Please beloveds, this that I am covering does not affect most or perhaps any readers of AbundantHope. You are still awakening to the fact that you are way beyond the evolutions of this planet. Most of you are at superuniverse level or higher that have come to serve. Those still in the local universe schools, while they come to planets like this for experience they don't awaken particularly well to who they are. They usually think they are on a first life and become entangled in religions on a world such as this, but they gain valuable thinking/problem solving experiences nevertheless. They are far from perfected beings yet.

**(Candace:** All of you who are attracted to this material, are not doing your ascension, meaning fusion with the thought adjuster. You did that a very long time ago. You could not be superuniverse or Havona folks otherwise. That said, "ascension" also means growth, and that never does stop, but in terms of earth teachings, the ascension of an earth soul does mean fusion. There are many trials and testings before this occurs. You would not believe how many star seeds here, have paid for false classes to earn their ascension! And they earned it perhaps a hundred thousand years ago or more or well more than that. And NONE of these classes would provide that anyway. Many have been conducted supposedly by St. Germain. Beloved's it is a souls guardian angels that set that all up, the lesson plans. Nothing you can take on earth can prepare for this. Lots of fraud in both churches and new age. )

The removal will be extensive and it includes not only your dark puppets, but also many other dark types, such as those that deal in gambling, the sex trade and other obnoxious activities. The numbers will be quite large. It may thus include people you may know. Also, many of the ones scheduled to move to other planets that are not going forth with earth will be removed during this event. The teaching period to follow will benefit those moving laterally to other worlds, returning to the mansion worlds and the like who have made progress but are not part of the ascension group. Some folks will not benefit, such as the robotoids, so they will move during this event. Also leaving will be many light workers who are released to go home who are not participating in the ascension process. They have completed their assignments.

You had such opportunity. Such grace was offered. We hoped that the offer would produce true grandeur in terms of your future works. You and you alone are held accountable for your choices and actions.

We are giving out a lot of grace, because you created slave beings to the robotoids who had little chance. But surprise, some of them found the Father, a thing even you could not do. And the ones who really didn't find the Father, but are sweet kind folks, will also get a stupendous chance to become truly human. They go to other worlds, young worlds, to being an incarnational journey in hopes they will find themselves, meaning truly individuate. The Father has such great mercy.

I had such great mercy on you. For it was I who approved the Mercy for you, overriding the Ancients of Days of Orvonton. For 200,000 years I have hoped, and hoped, and hoped. Slowly some of you came around, those 20%. Well 1/2 of those will endure further trials, as these ones have covered 51% or more of their karma. They will get additional chance. But they will submit to the leadership of Michael on this world. They will not have hundreds of thousands of years to finish up.

All those born of human in these ages upon this world since the return of Michael, are cared for. They are young. They will be cleansed of your filth and given fresh opportunity on the younger worlds.

The astral realms of this world will be dismantled. They were of course full of those humans over a time that you did not allow to progress, and who had been trapped here.

ROBOTOIDS

AbundantHope.net

They are released to move forward. Even though Michael released them to journey as necessary forward, so many were too immature to move much in each life. We will be gradually resurrecting all these ones, even though they are not ready, to the mansion worlds. That is the purpose here now in part of AA Michael's team. He is the angel of the resurrection.

The robotoids having potential cannot go there yet, they must have opportunity to earn their thought adjusters. Opportunity will be given as above. They will not experience the destruction you planned to invest even upon them, who you called useless eaters.

You 8 billion ones, who did not cut the mustard, will be contained in holodeks, until you can be processed. You are done on this world. Those 1 billion who get one more chance to make the grade, will have mercy of exactly two lifetimes to establish the BrotherHood of Man on this planet. This will be accomplished by each of you, or not, and as a group. This will be your task. This time, it will be done under the normal Nebadon oversight of this world. You will do it, or you will not. Its that simple.
