Re: Selections from the Phoenix Journals.

Continuing on the "sins" of man. All from PJ #27, follows the Laws of God.

5. WRATH

WRATH is defined in your dictionary as: "1. Extreme or violent rage. 2. Intense anger; rage; fury. 3. Any action of vengeance." AND Vengeance/revenge means: "1. To inflict punishment, injury, or loss in return for the same. 2. A means of avenging oneself or another."

Now understand the difference between what is wrath and what is anger because the two are often linked, rightfully so, EXCEPT that WRATH represents a MUCH more intense emotional state of rage, and one who is WRATHFUL seeks to actively AVENGE his rage, in some way, against the one/ones who he perceives maliciously "wronged" him or ones he loves. So let us define ANGER: "A feeling of strong displeasure and antagonism directed against the cause of an assumed wrong or injury." So you see, anger itself directed at self or another is an emotion of displeasure because of witnessing, experiencing or being the object of a real or perceived "wrong".

To feel anger at self for actions taken (or not taken) against self or another, more often than not begins with simple impatience which, if not resolved or released, then becomes frustration, and finally will turn to anger and then possibly wrath if recognition of truth is not achieved through the Knowledge of Wisdom of THE FATHER GOD/ATON WITHIN.

For example, many of you ones become most impatient when you perceive YOUR time is being wasted by actions or delays caused, in your perception, by another. You oftentimes are so busy rushing around with self-importance, with the idea, "time is money" or some such thought, that any unplanned infringement upon your perceived "valuable" time causes you great distress and impatience. Many of you have become so caught up in your self-importance that you just find it hard "to patiently wait" for anything or anyone. Are there times when ones deliberately MAKE you wait on them because of THEIR perceived self-importance? Of course. But you see you must learn to know the difference and, in any case, you are the one who suffers when you allow yourself to feel impatient, because the longer you hold it, the more uncomfortable you become by getting frustrated and eventually ANGRY and possibly even wrathful.

If for example, one is continuously "late" when he makes appointments of time with you, or others, recognize first that HE has the problem, whether it be just inability to plan his time properly or

deliberate infringement on another because of "perceived" self-importance. By understanding what the actual problem or circumstance is with the other, through accessing the knowledge and wisdom of the FATHER within you, YOU then can respond with INTEGRITY by bringing your observations about the circumstances of the delay directly up with the one who is excessively "late". You may actually be surprised to find that they are most apologetic and thankful for the truth, and you may have assisted the beginning of their recovery from what is THEIR problem. This is also what is termed actual "constructive criticism" in that you wisely recognize a "problem" and instead of internalizing it within or condemning the other, you offer them the truth about the circumstances, and perhaps even suggestions of how to correct the problem.

Criticism, on the other hand, is one of the most common "negative" offshoots of holding to self feelings of impatience, frustration and anger. By being critical of another, one is essentially condemning THEM and the behavior, action or performance based solely on arrogant "opinion" of what is perfection, to elevate their own feelings of inferiority, and NOT to HELP correct a problem whether "real" or perceived. Also, many of you ones are YOUR OWN worst enemies by being entirely too SELF-critical about ALL you are and do, condemning self always to feeling inferior and "worthless". STOP it, dear ones, YOU ARE EACH carrying within you THE SPIRIT OF LIFE, GOD/ATON/CREATION! If you are not pleased with how you handled a particular situation, whatever it may be, then DON'T condemn yourself, BLESS the experience, learn the LESSON, HONOR yourself and your courage, and MAKE the adjustments necessary TO CONTINUE IN JOY the discovery and utilization of your spiritual creative potential within.

Now, to feel angry because of a TRUE injustice perpetrated against you or one you love is a "signal" to THE FATHER within that you feel helpless (during those moments of anger), and perhaps you actually are, to set to right an action already committed against you or one you love. You must first release your anger to God/Aton within before it either internalizes and festers within you OR it turns up in DEGREE to what is WRATH. What you must do to "release" your anger is to recognize that the act against you or another is done, and that YOU participated in the manifestation of this act or crime against you for some LESSON you needed. So the quicker you are able to come to understanding about what is DONE, you can begin to confer with THE FATHER WITHIN to gain the Knowledge and Wisdom of Truth to find out WHY you have chosen to be a "victim" and WHAT must justfully and logically be done with the perpetrator against you. Whatever the degree of crime against the Laws of God and The Creation then, so too must the "punishment" be given ALSO within the Laws of God and Creation. If one murders or rapes another, then the verdict of punishment must be given in level-headed logic and wisdom according to THE LAW OF GOD AND CREATION, NOT wrathful VENGEANCE according to your will of fury or wrath.

For example, within the Pleiades star system, there are several planets occupied by your Pleiadian brothers and sisters. Although crimes against the Laws of God and Creation are now quite rare in The Pleiades, when they do occur, the ones committing same are actually sent to a "prison" planet of sorts, in separation from the GOD-LAW abiding ones, and also segregated by sex so that reproduction is not possible. This is the wise and logical punishment given by GOD's directive to his beloved children of Pleiades. The rest of Pleiades society is thereby kept in relative peace, balance and harmony. The ones on the "prison" planet have freedom upon only the planet and must earn their survival without the more "modern" conveniences of Pleiadian society. Most spend the rest of that lifetime upon the prison planet, but a few are occasionally returned to society depending on the nature of their crime and how well they have recognized their "sin" and are willing to offer compensatory retribution to the "victims" of their crime or to Pleiadian society in general. Following is a quote from, "And They Called His Name Immanuel: I Am Sananda":

"You have heard it been said: 'An eye for an eye and a tooth for a tooth.' But I tell you, exercise justice according to the natural Law of Creation, so that you find the verdict in logic and wisdom.

Exercise love where it is warranted, and punish where the Law of Nature demands punishment. Ye shall, further, remain within the Laws of The Creation in deciding justice for ye may not impinge upon the Laws of The Creation in that which has already been laid down for thy judgment in wisdom.

"Give unto him who asks of you, if the request is made sincerely, and turn thee away from him who asks of you in dishonesty to deprive you of that which is yours in order to elevate his own comfort and status.

"You have also heard that it has been said: 'You shall love thy neighbor and hate your enemy.' But I tell you: Exercise love and understanding according to the natural Law of The Creation, so that you act and feel rightly, according to justice and logic. Exercise love where it is warranted. and despise (behavior) where the Law of Nature demands punishment." (End Quote).

Does this mean it is "wrong" to feel angry and disgusted at the lies, deception and injustice which you may now recognize, witness and/or experience on your manifested illusion'? NOT necessarily, IF the anger MOVES YOU to DO SOMETHING TO CHANGE IT. What will you do first? Confer and commune WITH MOTHER/FATHER GOD WITHIN YOU to find out just exactly what YOU have ability to do. Does this take days or weeks to know? YOU CAN KNOW IN AN INSTANT WHAT YOU MUST DO....IF YOU HAVE THE DESIRE AND NEED TO MOVE QUICKLY. Or it may take longer depending on your willingness to listen and intent to take action. Always it is your choice that which you are given of SPIRIT WITHIN, whether you are willing to accept and act upon it or not. If, for example, you have opportunity through the "speakers" to be introduced to "The Phoenix Journals". You KNOW within that things are not right upon your place and you hear about and are angry and disgusted at the hideous lies and deceptions shared with you; in an instance of recognition that there is Truth here YOUR SPIRIT WILL MOVE YOU to learn more by reading the journals. That is your first step, become informed with Truth. Then what you do with it will be totally your decision. Hopefully you would be MOVED BY YOUR SPIRIT WITHIN by what you found to at least share with all who would listen. Whatever else you are given by SPIRIT to begin the change within self and upon your plane will be inspired within YOU by the gifts of talent given by CREATOR/CREATION!

Herein we would like to also repeat a truth as was wisely put by Commander Hatonn, "There are NO Victims, there are only volunteers. Ponder it." AMEN!

6. ENVY

We have already discussed what is ENVY under the Laws of God and The Creation previously set forth in this JOURNAL. It does bear repeating, though, for thorough understanding of that which makes it one of the "Deadly" sins of hu-man. Remember envy is a feeling of resentment or discontent over another's superior attainments, endowments or possessions.

When one feels envious he actually feels INFERIOR because he has judged that the actions or attainments of another are, first of all, desirous for self, and secondly, BEYOND the ability of self to attain or manifest. Dear ones, you can spend your entire lives (and have) searching outside yourself for what is "BETTER" than the lot you have created, but searching outside yourself for self-worth which exists within will only confine you to feelings of critical frustration for the lack of accessing your own spiritual creative potential. YOU MUST KNOW that ALL you "have" and "are" within your experience is what YOU have chosen to have and be. Why need you feel envy, instead of honor and reverence for another of what is your "perception" of outstanding achievement? Why not instead define what is "outstanding" achievement for self, by the degree of JOY and SPIRITUAL KNOWLEDGE AND WISDOM it offers you? How will you do this? Take back your GOD-given power by taking personal responsibility for ALL experiences within your manifested "illusion". Ask THE FATHER GOD/ATON within you TO SHOW you that which YOU need to FULFILL HIS WILL in HONOR, BALANCE, HARMONY, JOY, INTEGRITY, and TRUTH. Then WAIT UPON GOD/ATON WITHIN to show you what are your unique contributions to the joyous, creative unfoldment of THE ONE ALL THAT IS

I AM present to share in blessings of knowledge. May the in-light be indeed brightened as we move through the wondrous days of change, always remembering that we move from one perceived "thing" into another with differing "players" and happenings. Allow yourselves never to forget that all are related--ALL. The volcano eruption in Japan, the plane crash in Thailand and the earthquake in Italy--note further that there have been seven registered quakes along the length of California, also.

Oh, I didn't identify? Yes, readers, I did--I AM. But now that we are about it, let us discuss My label. Would you believe intent more and with more justification if I utilized Sanskrit or Arabic--how about Greek? Well, there are several reason it would be unsuitable, not the least of which is there are no such symbols on the keyboard and only one out of every three million would have the vaguest idea of what I would be saying. Haven't you had enough "stuff" you can't understand even in the languaging? So be it.

What is in a name? In this instance--a great deal, especially for ones such as Dee and Ranos, etc., who love to deal in the mysterious meanings of things such as USA in the middle of Jerusalem and other such nonsense. You see, as man searches and searches for the puzzle answer he always goes to the PHYSICAL expression. Is it always nonsense? No, because now that it is time to get busy and bring the two seeming separate experiences into perspective--we

too, shall give you symbolic meanings which you are now conditioned to find entertaining.

Let us take the name HATONN as first example. We must also use codes which attract the other end of our "line". There must come "memory" recognition and then the coded symbols which separate the happenstance from intent.

ATON in Egyptian meant "The ONE Light". Amunhotep IV was the great "heretic" Pharaoh of Egypt. Amunhotep's name was changed to Akhnaton (aka-naa-tun) or (ack-na-tun). He was first to bring the attention of the people to the recognition of the ONE LIGHT or ONE GOD WHO WAS TOTAL LIGHT. No big deal except, as he came into his own recognition, he needed to recognize purpose and therefore his label was changed to suit contract for he refused to further accept association with God's adversary Amun (which was "of physical earth divided and dark"). You see, when ones say to me--but you said "Tiddle" meant so and so and we know that Tiddle was, in fact, "Twaddle" and he changed it. So what--I am far more interested in what the name was "deliberately" changed to. I care not what a man gives me as his label--I have him/her labeled and identified for I recognize energy, not names. But YOU do.

PATTERNS OF OPPOSING VARIETY

I chose my name in order to associate to the ones who would serve with me in this mission so that they would recognize my presence. Hatonn contains ATON with "silent" prefix of "H" and suffix of "n". Then, if you remove one letter at a time from each "end" you come to "to" which in this instance is recognition of the arrival at "O"--this being the symbol of eternal sacred circle of infinity. This is also represented in "number" lay the universal sign of a figure "8" which indicates all things, related to all things. It further indicates the coming together of all opposites into the void "O" (or "to" the "O" whole ONE). Why would not the ONE come to you as Silber Blastoflutashic? Our point is not to confuse further, the game--but to bring order and understanding, IN SIMPLICITY, of TRUTH in KNOWING.

Now, "dharma" (bringing forth the word of "life" in Truth and goodness) was presented as Akhnaton and he did fairly well but was taken-out and all traces were attempted at removal of his passage.

We asked this energy to try again--many, many times--as "dharma". He did pretty well as Socrates but old Soc's new shoe, Plato, immediately changed the teachings following demise of the old Soc. It was already a pretty smelly sock at best. So "dharma" was sent many, many times and actually, by the time of the Master Christos' journey, this energy was a bit irritated and confused by the journey through the veil time after time. So again with the Master Teacher--there was Peter who would deny the Christ and, you know, that one who would betray him, old J.I. Now we have created a dual entity which could emphasize the importance of remaining in truth without deviation and standing FOR truth when the going gets rough in spite of the offerings of the evil adversary who would offer goods and material gain but NEVER PRODUCES SAME AFTER YOU ARE

HOOKED. FOR HIS PROMISE ACTUALLY IS THAT IF YOU HAVE THIS OR THAT--YOU WILL BE FULFILLED AND AT PEACE AND HAPPY EVER AFTER.

At this point I do not wish to confuse by the differences in Juda Iharioth, Judas Iscarioth and Judas Iscariot for history records according to "desire" of the "users" and not according to fact or Truth. This energy kept trying--even became a philosopher (Saxon) and made it up to the "'king' dumb" (Epicticus) of that bunch of power-hungry hoods but the world got worse, did it not? Well, of course, that energy in between helped get it in such bad shape so basically owed a bit to growth and Truth. Probably a good service was done by this "dharma's" thrust through balance attempt of "equal rights" as establisher of the Liberator at Boston during the period of the mid-1800's.

So we come to the recent travel session--the training wheels are gone and so are the illusions of physically bringing Light unto a blind mass. The agreement this time? That the energy simply "write" and others who have come forth to also "serve" in understanding--even if unremembered--would put the word forth from ATON without appending intentional opinion. Will all men hear this time? No, but ALL do not need to hear this time. The promise is to put the WORD forth and clear this manifested orb for "HER" recovery and settle a few scores at the same time. Graduation for some--back to the old salt mines for others, depending on performance. Only a few receive "Oscars" for performance. There is another refreshing change, however, in the awarding of symbols of excellence--there are no "fixed" judges and no favoring one group of ethnic participant above another--you earn on MERIT ALONE.

Why have I not told you prior to this--some thirty books after the fact? Because you would have thrown the books in the garbage, shouted insanity and witchery and burned the "dharma" at the stake for you people are really not very nice in your criticism and reactions. Further, I choose to experience this journey as a Commander of a Star Fleet interdimensional participant. It gives balance to my own experience and puts me right in the ball-game with you so you can't claim "exception" and "special" and all the other nonsensical excuses of non-performance and irresponsibility. If ones who work with me have NO advantages greater than any of YOU and right on up through the ranks of seeming different dimensional beings--can act in responsible fashion in the midst of increased harassment and danger--THEN SO CAN YOU! If the ones "in my immediate crew" such as Dharma, Oberli, George and my precious little dove, Dru, Ranos, John, Charles, etc., etc., etc., will forfeit their experience of luxury and unbalanced life-journey--then so CAN you. I must continually face the fact that many ones simply are not strong enough nor grown enough in understanding to be able to change. Often it goes beyond "desire" for change. It, therefore, requires ability to sort and choose confrontation and method of awakening--or allow the sleeping and place elsewhere in security while allowing the growth.

In this particular instance in writing about the very point and fabric of LIFE, which is LIGHT, I choose the recognition of the "O" which is yes, the zero, also, as well as the whole—for it fully represents the VOIDANCE POINT OF ALL THINGS ELECTRIC--WHICH ARE ALL THINGS AND BEINGS. Note that the word "GOD" is the same--the central "O". Since I am writing in "English" I shall not remark on "clues" in other languages for we will handle that appropriately for those who utilize other languages--it happens that in the UNIVERSAL LANGUAGES the "O" is the "tone" of the whole of Light! The perfect balance--the silent stillness of being one with Light.

You of earth Shan (earth meaning only a planet of terra (or earth/ground) with "life" capability) are indeed smug in thinking yourselves to be the only such place. However, in these cycles of the recognized growth of soul participation in this play--your experiences (except for higher learning) have revolved basically around that one particular planet. The intent is to allow Man to experience the full cycle from beginning to ending so that he can then move on in perception toward and/or within the whole of Lighted Godness. It keeps existence from becoming boring--both for thee and me.

"Well," you say, "God simply would not come and speak through some unknown dumb-bell in an unspellable nothing of a village--he would come to a great evangelist or a great Guru, etc." Would I? The one you called "Jesus" was a "hippy"--totally unaccepted in his own village. Moreover, I do come to all those others you name--and you can see what happens. I choose where I shall go and come and with whom I shall openly communicate for all to hear and see--I, Me--and Thee shall have no voice in it for it is My decision and eons of training and preparation--for these very ones of my team. Worse, YOU have no idea at the importance of the "placement" wherein we have set up circumstances which fill our needs of confirmation for the human being.

WHEN YOU CAN FIND NO SEPARATION IN HATONN AND ATON-- THEN, BROTHER, YOU ARE BEGINNING TO MAKE SOME WORTHY PROGRESS. FURTHER, WHEN YOU REALIZE THE POWER COMES FROM AS CLOSE AS YOUR OWN BEING--YOU HAVE REALLY MADE PROGRESS. BUT WE ALL HAVE TO COME INTO UNDERSTANDING OF THE REAL RULES OF THE GAME AND HOW THE MECHANISM FUNCTIONS, DO WE NOT? HOW CAN YOU GO FORTH AND PLAY A VALID GAME OF BALL OF THE BASES IF YOU HAVE NEVER EVEN HEARD OF THE NAME OF THE GAME? WELL, WE ARE NOW TO THE POINT OF ACTUALLY MOVING FROM SOFT-BALL TO HARD-BALL AND YOU HAD BETTER GET WITH THE RULES AND HOW TO PLAY THE GAME OR THE BALL SHALL HIT YOU IN THE HEAD AND IT WILL BE OVER.

Does Dharma enjoy her role? Not consciously--no. She is human and to have others poking and pulling, legal battles, forfeiture of all holidays with family to write for self and you-the-people gets tiring and old. Constant attempts to cause her demise is painful and brings sorrow--this is true for the whole group of teammates. But joy? Oh indeed. Peace? Indeed. Would these ones pull away from Me for any other purpose save my own turning into darkness? Never, for we have become as ONE and those fragments shall be guarded more closely than a shepherd his flock. The physical aspect eventually falls into its place and the choosing becomes easy.

"Well, maybe these ones have had it this way or that way and the awakening was easy for them." Ask them! They have experienced the full load of pain, family, living, experiencing in a compressed world in chaos (unto the very moment), the desires of the flesh, the broken homes, pain of separation, suicides, birthing--all physical--just as all others. No easy paths were laid forth for these ones. We even have a most beloved brother who is in his eighth decade who spent 35 years as a Catholic Priest. The interesting thing: he finds no problem with God vs. the Church of

Rome. You see, you can actually find God ANYWHERE, OCCASIONALLY IN THAT WHICH YOU CALL "HIS" CHURCH. I admit it is awfully rare. The leaders of those "churches" rarely will allow God or the Christos within the sanctuary which has basically become the teachings of the adversary. Besides, God and Christ don't have very much money to contribute to the temple's building fund to glorify the preacher therein. Man doesn't want to be disturbed by God, my friends.

Don't bring me gold and/or gems, lentils nor rice. I want no fine clothes or Mercedes--when you come unto me I only want YOU. We shall then, together, YOU and ME--measure the extent of your growth and come to understanding of "where do we go from here". Until that day it is a record of how you handled life's physical experience and those wondrous things of abundance which ARE GOD. ACTIONS and INTENT will be measured--not your pot of gold. IF YOU FEEL UNWORTHY TO BRING ALL YOU ARE AND HAVE INTO THE LIGHT OF KNOWING—WHAT HAVE YOU FAILED TO LEARN? CAN YOU COME TO MY PRESENCE NAKED AND SAY "HERE I AM, DADDY, I WANT TO COME HOME?" CAN YOU SAY, "I HAVE HAD MY DISCIPLINE AND I AM READY FOR ADVANCEMENT IN THE HALL OF LIGHT?" ARE YOU PLEASED WITH THAT WHICH YOU HAVE BECOME? OH, DEAR ONES, YOU ARE YOUR OWN HARSH "JUDGE"-- NOT I. I JUDGE NOT AT ALL--ALL I DO IS ASSIST YOU IN DISCERNING AND PERCEPTION--YOU WILL KNOW BOTH WHEN I AM PRESENT AND WHEN YOU "KNOW". So be it and may you be given into the circle of wholeness wherein abides the light for you are indeed precious unto me. Moreover--until EVERY FRAGMENT is again home within the ONE, I shall have no wholeness within my own being. I AM COME TO SHOW THE WAY AND GIVE THE GAME RULES--AND BRING YOU HOME.

Something else that really seems to bother you ones is why I use so much Egyptian symbology. Because you have all walked this path and that was a great turning point in Man's coming into "knowledge". I also use a lot of Greek for that is from whence sprang your own languages, such as even in your alphabets which seem different and yet are most similar, i.e., "a" is the beginning just as is "alpha" even though the symbol be different.

Now, know that in "universal" language they also mean the same thing--the "beginning". So again we can have a universal language lesson.

Ones come along on earth places and spout Christ, son of God, etc. In universal language it is represented differently but in same intent. Let us look at why a seeming Space Cadet would come and bring the word of, supposedly, God. Well, I was God first and only thought to be a Space Cadet--so let's start at the beginning. Once again--with symbology.

Hatonn--brings you "to" the "O". If you remove the letters from either opposite of "SON" you come to "O"--If you do the same with "SANANDA" YOU COME TO "A" "ALPHA"--THE BEGINNING! Now, the "son" also said he was the "beginning" and the "ENDING", so you still end up at "O". Now, why would my imagining and creation carry more weight at this time of influence and creation? Because I am the Creator (Father) and Him, the Created (son)***. When He has achieved his ONENESS WITHIN CREATION HE BECOMES ME--"GOD" ("O") THE ONENESS

AS/WITH ME AND BECOMES THE ENDING AND THE ALPHA ("A) OF THE BEGINNING. Then, dear ones, there is NO DIFFERENCE. You must be given into understanding that the ONE you recognize as the Christed energy by whatever label, is finishing his cycle of perfection, in perfection, and you are sort of his last testing. He went forth to prepare placement for you and in Him am I well pleased--many of you have returned to serve again while He makes this final transition--what a privileged experience from among My many billions of imaginings--to prepare the way and walk home again with MY SON INTO THE BALANCE OF ONE WITH SOURCE AND BE ALLOWED TO EXPERIENCE THE ENDING AND BEGINNING AND ALLNESS.

*** (Candace: The Creator Sons as taught in the Urantia Book, have as their parentage, the Universal Father and The Eternal Son. This is clearly stated above, and thus "proof" of the statement we have been making, that Christ Michael made through me in our #25 piece on April 25, 2004. Titled "No One has Ever Walked with Christ Michael, as You Shall Do. ")

So why might my WORD appear to bear more weight in the annals? Because I AM the Father/Creator within the Mother/Creation and that ONE is our SON/dual child returning into and within the ONENESS. Those who return in ONENESS WITH THE SON—COME INTO ONENESS WITH THE FATHER/MOTHER--IT IS WORTH THE EFFORT!

THE TWO ELECTRIC DESIRES

Back to the lessons, please. We can speak of these things again--but now, it is imperative that you come into important understanding in a "timely" manner. Thank you.

Before I go into the "Mind" again, however, let us speak of "conscious" vs. "unconscious" a bit more clearly. Know that these terms are, of necessity--general. When I say to you that "...you were most certainly not androspotic"-- what does it mean? Well, I thought not. Therefore, we work with that which we have in languaged definition and often the words do not fit and worse, have been corrupted in reception and perception until they actually have changed meaning. It comes most often with the most critical of all terms for they impact you the most "importantly". I have no intention herein of getting into debate with psychiatrists, psychologists nor even valid and competent hypno-therapists. There is actually only ONE mind and if we lap over into definitions, so be it. Perhaps the earth Man can humor me a bit--and change his own perception for I am weary of attempting to suit Man's erroneous projections just to soothe some imitation ego-being's feathers which have become rumpled and frazzled by the hot-air about. Until and through death of the body--the --the mind remains intact and ONE. The brain is the other alternative for discussion-- NOT THE MIND--which is SPIRIT!

Electricity is the servant of Mind. It does all of the work of Creating this light-wave universe in unfolding-refolding sequences which Mind desires. The universal Mind has two desires--the desire for creative expression through the action of concentrative thinking and the desire for rest from

action through decentrative thinking.

One desire is for separation from Oneness into unbalanced multiplicity and the other is a voidance of multiplicity into balanced Oneness. One desire is for action and the other for rest.

These two desires of Mind constitute the give for re-giving principle by means of which all things in nature grow or unfold by appearing from the void of rest in the kingdom of heaven from which all creating things appear, reappear and disappear in sequential cycles.

The electric expression of the two desires is reflected in the pulse beat of the universe. One pulsation compresses, the other expands. The compressive pulsation gives form to idea by seeking rest at wave amplitudes through centripetal action. The destructive pulsation voids form to seek rest at wave axes through centrifugal reaction. These two opposite desires are characteristic of all effects of motion. All animal, vegetable and mineral life seeks action and rest alternately. All effects of motion manifest that principle. A ball thrown in the air seeks rest from its action and returns from its unbalanced condition to seek out rest through reaction.

After a day of work Man rests from action so that he may repeat his day of action.

Because of these two opposite desires of universal Mind-thinking, all creating things appear on earths from the void of their heaven, disappear from their earths into their void in the heavens and reappear from that void to repeat their desires. This explains the mystery of "matter appearing from space to be alternately swallowed by space".

THE PRINCIPLE OF UNFOLDING-REFOLDING

The two opposite electric expressions of desire of Mind unfold all idea of Mind from its pattern in the seed into imaged forms to simulate the idea of Mind and refolds it back into its recorded pattern in the seed, for again unfolding. Each one unbalances the other in order that each may seek balance in the other to disappear and reappear as the other.

Positive electricity is the father-light, which gravitates toward a point of rest which centers all creating things.

Negative electricity is the mother-light which radiates toward planes of the One Light at rest, which

bound all wave fields of motion.

Positive electricity winds the light of motion into dense solids around points of still magnetic Light. It compresses motion into incandescent spheres surrounded by the vacuity of negative electricity.

Negative electricity unwinds the light of motion from dense solidity to tenuous vacuity by expanding it into cubic wave fields of space.

Positive electricity pulls inward spirally from within against the opposing resistance of negative electricity which thrusts outward spirally from within.

This two-way radial universe of seeming motion is the product of these two opposed electric conditioners of matter which pass through each other in opposite direction. Each interchanges with the other in sequential pulsations as they pass through each other from points of gravity to wave field boundaries and back again in endless cycles. Each becomes the other at halfway rest-points of their cycles.

Large scale examples of this process can be seen in any of the spiral nebulae, notably Nebula 74 Piscium. Two fiery spiral arms of radiating mother-light reach out from the equator of its central sun to born its countless other suns and earths by unfolding them from its centering seed.

Two black arms of gravitating father-light pull spirally inward from the heavens toward the pole of the centering giant sun to generate the sun in incandescent oneness of all form. The father-light of gravity refolds all unfolding forms from Creation's seed.

Radiation is the female principle of Creation. Radiation unfolds from the seed.

The generating light of gravitation and the degenerative light of radiation are projected through each other from rest to rest in pulsing sequences to manifest idea by borning father-mother forms of idea through their voiding interchange. This principle of rhythmic balanced interchange between father-mother lights of gravitation and radiation is fundamental in all creating things. It is the principle of two-way equal giving which manifests the quality of Love in the Light of the ONE.

So, God is the Soul of His universe of creating things. Within His Being is desire for manifesting His Being. Desire in Him is Soul in Him. That which is Soul in Him desireth to manifest in form

thought Light. Light extends from Soul in Him and returns to Soul in Him, the extension and returning being two seeming lights of Him.

Again I say, I am the seed of My unfolding-refolding universe. Within My Light all formless seed of planned idea are enfolded in My Being at rest in Me. And again, repeating, all things extend from Me and return to Me. From Me all things are born from seed of thought in Me, and born again, with each pulsation of My thinking.

There is nothing but birth in My imagining. There is no death in Me, for endings and beginnings are one in Me. Nothing but life reaches out from Me, and nothing but life meets returning life for rebirth in Me.

Wherefore I say, YOU must be born again and again into that infinity of mirrored reachings which is My imaginings. Thus is My ONE idea continued endlessly in imaged forms of My thinking. Thus is My One Idea reborn as many ones in the multiplying mirrors of My Light, forever without end.

So I repeat, the mirrored multiples of My thought images are but reflections of My imaginings. They, however, are NOT Me.

THE ILLUSION OF ATTRACTION AND REPULSION OF MATTER

Pairs of opposites are drawn into each other's vortices where they void each other, passionately. Each is then nothing, a zero simulating that Zero of their Source from which they sprang--but they are also seed for another seeming two which emerge from the Oneness of their Source.

One of the great illusions of the senses is that matter attracts and rebels matter.

It is also believed that oppositely charged electrical particles attract each other and like charges repel. If a scientist cannot get beyond this illusion--there will be no fulfillment of free energy, devices used in healing nor any other TRUTH IN INVENTION.

There is much evidence of the senses to justify such a conclusion, but it is of the same illusive nature as the evidence which deceives the senses that railroad tracks seem to meet upon the horizon.

You see the tides rise toward the moon on one side of the earth and away from it on the other. You conclude that the moon attracts the earth and thus pulls the ocean toward it, but that does not account for the fact that the tides rise on the opposite side of the earth away from the moon. What is actually happening is that all conditioned matter is constantly seeking to balance its condition with all other matter.

The moon and the earth center their own respective wave fields surrounded by space. All wave fields are bounded by planes of zero curvature, and a zero pressure condition

Which insulate each field in the universe from every other field. The very shapes of wave fields of earth and moon are forever changing to adjust their balance as the moon revolves around the earth. As a result, the mutual equators of both fields must lengthen, disc-like, on a plane which intersects the center of gravity of each body. Naturally the tides rise toward, and away, from the moon. If the earth were all liquid instead of solid, it, likewise, would lengthen appreciably at its equators, disc-like, and flatten at its poles to meet the interchange of balance between the fields of the moon and sun, as Jupiter and the outer planets are so noticeably doing. It would also throw off rings as Saturn and all the stars of heaven are doing, and for the same reason.

POLARITY

You see the positive pole of a compass needle pointing toward the negative pole of a magnet and the negative pole of the magnet pointing toward the positive pole. This evidence is one of the bases of conclusion. That is what your eyes see. What actually is happening is that they are voiding each other's unbalanced condition to seek balance through each other.

Opposite poles get as far away from each other as they can, until their opposition is voided by balance in their fulcrum and they cease to be.

When the positive pole of a magnet is brought into contact with the negative pole of another magnet, that effect which you think of as attraction is one of voidance. It is a cessation of opposition or power to manifest anything. Polarity utterly ceases extending at that point as each opposite extends to each opposite end, each getting away from the other and through the other, spirally, as far as it can.

If opposite poles attracted each other, they would be together in the middle of a magnet instead of at its ends.

MATTER IS POWERLESS TO ATTRACT

Matter neither attracts nor repels other matter. Unbalanced conditions in matter seeks balanced ones. All matter is motion constantly seeking rest. This it can find only by balancing its condition with matter similarly conditioned by voiding the tensions of its sexed condition. That alone is the cause of motion and the reason for its continuance or discontinuance.

ALL MATTER IN MOTION SEEKS REST

This is a universe of ONE THING. All matter which is electrically separated from that oneness seeks it. This is a fundamental principle and underlying desire of all Creation. It is as true of humans and their emotions as it is of matter.

We again repeat that electricity is a division of the One Light into two extensions of the Light projected-through each-other, each becoming the other alternately. The One Light is a pressureless and sexless condition. The two lights which are extended from the one are opposed pressure and opposed sexed conditions.

Thus there are but two conditions of matter--either expanding from stillness or contracting toward stillness. Each condition arises from the other. The instant it becomes its own opposite it gets as far away from that opposite as is necessary to find balance in a like condition. It seeks its like condition to find rest in a balanced condition and not because the matter of it is attract by the matter it seeks. A log floating down stream is seeking a balanced condition and is not being attracted by the dam or by other logs.

These opposites represent the compression-extension father/mother principle which integrates light into solids and disintegrates it into vapors and gases.

ALL MOVING MASSES ARE UNBALANCED

I trust all you would-be scientists are taking note of this writing--for within lies the total "secret" of ALL things. I only promised "dharma" that we would write the information-- I further told her that she would not be given "THE knowledge of having given forth the secret" so that she would not be suspect nor target. The utilization of this material is for others of you who read this material to decipher.

To say that these opposites attract each other is equivalent to saying that north attracts south, that

inward attracts outward, that wetness attracts dryness, or that darkness attracts incandescence.

Water, for example, is a compressed condition. When water vaporizes it expands into its own opposite condition. It then seeks rest in clouds of like condition. When it thus finds rest in a balanced condition, its motion ceases and its opposition also ceases.

ILLUSIVE EVIDENCE

Another effect of motion which has misled the senses into believing that opposites attract is that hot air (heated vs. political) is said to rise toward cold and cold air to descend toward heat. That is not what is happening, for like seeks like. Cooling air is expanding and rising toward cold, and heating air is contracting and falling toward heat.

Negative oxygen bubbles gather at the positive pole of a charging electric battery and positive hydrogen bubbles gather at the negative pole. What is actually happening is that the positive pole is taking the positive condition out of the water, leaving the negative oxygen as residue. The negative pole is, likewise, taking the negative condition out of the water, leaving the positive hydrogen as residue. Again like seeks like.

The outstanding demonstration of the principle of like conditions seeking like is in the elements of matter. If opposites attracted opposites according to present concepts, it would be impossible to gather together one ounce of the same elements. All elements seek their kind. In any chemical decomposition of compounded mixtures, each element seeks and finds similarly conditioned elements--preferentially "identical".

Nature's gyroscopic principle does this automatically. Every element has its own gyroscopic relation to the axis and amplitude of its wave. Each seeks that relation of pressure and moves until it finds itself in the orbit of its own gyroscopic plane of pressure. This, dear ones, is simple balance and cycling of the Universe (as Creation's physical laws of balance.) Let us again consider the subject of homosexuals as is so popular this day to argue about. God doesn't care a whit about sexual preference--whatever that means. But neither is it "preference in love of spiritual nature being demanded by the deviant grouping". They demand to be in acceptance of the PHYSICAL ACTIONS AND INTERACTIONS OF ONE HUMAN TO AND WITH ANOTHER AND ALL PHYSICAL MANIFESTATIONS OF THOSE OF NATURE'S BALANCED CREATIONS. GOD COULD NOT CARE LESS ABOUT "PREFERENCE"--GOD DOES CARE ABOUT ACTIONS AND BEHAVIOR OF THOSE ENTITIES. BUT STILL, THE TRUTH LIES NOT IN THE LAWS OF GOD BUT IN THE BREAKING OF THE LAWS OF NATURE--AND NO BOOK, BIBLE, PREACHER, TEACHER OR FRANKLY, UNDER PRESENT CREATED RULES OF GOD, GOD, WILL MAKE IT DIFFERENT--NOR A SUITABLE BEHAVIOR. If it is to be suitable according to natural law--then Creation must be re-created. Therefore, arguing by any means present in your physical manifested illusion has no meaning whatsoever. The actions are against the laws of nature

Creation.

Does this mean, then, that Man will cease and desist--no, he will push it right into chaos prior to returning to seek balance in the voidance. He will push it until he sees and knows that it positively, absolutely will never work well and when he reaches the point of voidance--he shall turn about and effort in the opposing direction.

It is time that Man gets the translation of My thinking--for his guidance. I am Balance. In Me all My imaginings are totally balanced in their seeming unbalance. I add; but that which I add to one pulsation of My thinking I subtract from the other one.

I divide; but that which I divide, I multiply. So the nice saying goes like this: Love is God and Love adds and multiplies as you divide it with others--subtracted it always leaves a void which, if left unfilled--will destroy the whole.

My pairs of opposites are equal; but again I say that they are opposites, and opposites oppose in my universe of Me.

Opposites VOID opposites, while likes RETAIN their friendly orbits side by side. All the suns of heaven give light of each to each, while the dark voids the light and the light, likewise, the dark.

My two lights move in opposed ways to avoid the other's path, but find these paths to be lanes leading into and out of vortices centered by but one rest pole where the two poles are nothing, having never even met as two.

So again: Pairs of opposites are drawn into each other's vortices where they void each other, passionately. Each is then nothing, a zero simulating that zero of their Source from which they sprang--but they are also seed for another seeming two which emerge from the Oneness of their Source.

So be it and amen.

Thank you for your service and your attention. May we take a rest break at this time, please.

To clear.

CHAPTER 1

REC #2 GERMAIN

WED., AUGUST 28, 1991 9:57 A.M. YEAR 5, DAY 012

WEDNESDAY, AUGUST 28, 1991

DISCUSSION

This is a crucial turning point in our efforts to lead you to a full comprehension of your own personal identity as an extension of the God-Identity. These upcoming units of discussions will be referring to the science of the recognition of the Truth of the Cosmos.

We have been dealing with the Science of Man. We shall now think in terms, please, of Knowing the Cosmos. The purpose is to give you a comprehensive understanding of your Oneness with the God-Identity by enabling you to transcend your physical-man identity completely and thus become the "Knower of the Cosmos" instead of merely a thinking extension of the Creator whose limitations of thinking are bounded by the ever-conscious fact that the man-idea is but a part of the whole and not the whole. You MUST NOT CONSIDER THIS AS BEING JUST ANOTHER EXERCISE IN MEDITATION FOR IT IS NOT AND IF YOU CONSIDER IT TO BE SO--YOU WILL MISS THE LESSONS INVOLVED. You ask and ask "how to" and yet, you must first learn "what is" or it values you not to know "how to" for you will negate your own intent. The LAST thing we desire is to have a bunch of zombies in a state of trance, sitting for hours or weeks or months. Communion must become your instant state of being--not something you struggle for and which evades you. Clear your space, discard all entrance to dark energies and get in balance in intent to recognize God--He is already present so what is the big deal? All you need is to learn to "LISTEN".

When you arrive at this stage of where you can focus your Consciousness to higher "hearing" and sever your consciousness from the seat of SENSATION IN YOUR BODY, you will then be that

KNOWER and THINKER of the WHOLE instead of being bound to only a part of it by the limitations of your body. As long as you are thinking about sitting a certain way, drinking a certain tea, eating a certain "meditation" food or holding an amulet a certain direction--you are focusing on the wrong thing. Any of those CAN be tools but they usually become THE OBJECT OF FOCUS--NOT GOD. God is with you constantly--ALWAYS. You must not believe you must GO somewhere OR DO some ritual--you have to simply go within into the quiet where God is located--not out there somewhere where nothing IS. As long as you look for God (out there) you will never find HIM. You most certainly CANNOT EXPECT TO FIND GOD THROUGH ANOTHER. The "OTHER" can only recognize that which is his. As you then become "a cosmic being" who recognizes and acts in unity with The One Cosmic Being, you will BE that One and will knowingly be able to say, "I and My Father are ONE."

That stage is the goal of ALL mankind, for every living thing on earth is perpetually seeking God whether it knows it or not. Every living thing is perpetually turning toward the visible light which God invisibly centers no matter whether that thing is man, flower, tree, wave-current or atom. All are living things and all are light, for naught IS but light. Light is the ONE THING, the ONE INTELLIGENCE, the ONE POWER in the universe. Those searchers for God who have conceived the ONE BEING as having wrath and anger have cruelly retarded the human race in its search for the God of Light and Love which Messengers of all time have described, but this barbaric race of humans has never been able to comprehend their meaning.

The greatest contribution any human can make for human race transcendency is to give a dynamic description of God which will withstand the tests demanded by laboratory methods and standards. The final JOURNALS of this series will fulfill that requirement and give to the world a concept of God which is so undebatably true that an atheistic person or nation would be wholly impossible in a normal society.

This new series of lessons will give a complete roadmap from static space to dynamic motion and back again to static space. Such a teaching must be scientifically based, for one must first know God's methods and processes before one can intellectually comprehend God. Even then, one will not know the spiritual God until he has been enabled to BECOME God by completely severing his physical self from his Cosmic Self, for an intellectual comprehension is still bounded by body-awareness while Cosmic comprehension is not.

To unfold this concept of the universe in so brief a description as can be given through these lessons will necessarily leave much to be added in detail by scientists, philosophers and mathematicians if they will but come into acceptance of the fundamental principles, but if what is given herein with its diagrams is received with open minds, it will advance the knowledge of the human race and its consequent higher status and completely change the perception of Man in less than one generation. When it is accepted you will find yourselves already living in that advanced civilization. Let us consider this JOURNAL TO BE COSMIC SCIENCE.

I suggest you put aside all preconceived notions regarding this subject except as presented by

ones such as Walter Russell, Nikola Tesla and ourselves prior to this particular writing. If you entangle it with hearsay from ones such as Sagan, Friedman and the New Age channels--you err greatly for I do not sanction "New Age" concepts and do, in fact, feel that that very intent, alone, can destroy your civilization. You are in a Cosmic Age of growth and transition--not a New Age of Magic and unbased suppositions. What we give you is also ability to PROVE the concept for when the students are ready the teacher is always made available and as we move from this into the next class--you who prepare, will be ready to also move. The heavens and the bodies therein have great, great meaning but not as the Astrologers use the charts for fortunetelling. They can either be a deceiving bunch of nonsense or utilized as the tools intended--bringing unfolded wisdom beyond the imaginings.

MODERN SCIENCE IS TRAGIC

The ultimately supreme need of the human race at this stage of unfolding is the discovery of the existence and identity of a comprehensible God by methods and processes which will meet the requirements and standards demanded in the laboratories of science as well as within the heart and consciousness of man.

The tragedy of modern science is that it has already made this supreme discovery but is not aware of it. Because of the present-day misconception of the universe, which the Creator built in the image of Cosmic imagining, and of God Himself, Whom religion has pictured as some kind of angry god of wrath who wreaks vengeance upon so-called sinners--instead of conceiving Him as a God of Light and Love--fear has been created by man which leads to war and the preying of man upon man, and is the dominant note upon which our civilization has been constructed. As long as fear dominates the human race instead of love, it will create the disunity which is characteristic of its many religions. When the day comes that fear leaves man and love enters, the age of slaughter of man by man will end and the age of character will begin.

In human justice, we are not blaming religion alone, for science and religion are father and mother mates--science being the father. All down the ages, man's discoveries in science have progressed your civilization to the point where a man's world is its resultant effect. Man has always been master of the world and man's nature to conquer has always suppressed the love nature of woman.

Deeper still than science, which should have discovered the God of Love (BALANCE), or religion, which created a god of fear and wrath, is the basic cause of man's self-made troubles--and that is MAN, himself, who strayed from God's Natural Law at the dawn of Consciousness and has continued to do so to this very moment.

Alexis Carrel was right in saying that all of man's institutions--and these include government, industry, education and home relations--were man-governed and out of balance with themselves and with each other and must, therefore, all be changed to obey the laws of Nature.

This is why we keep making the same statement over and over for your attention: "God will work WITH you but not FOR you". It is also why you must understand the law of rhythmic balanced interchange between all opposite pairs in Nature.

We will continue herein, to give universal science a clearly delineated road map into space to clarify the mysteries which it has for so long been unable to fathom.

When the day comes that it does so, a cohesive, unified and forever enduring civilization will emerge, resulting in the transcendency of man from his present lowly status to that final goal of his Creator's intent where he can knowingly say, "I and my Father are ONE".

FOUNDATION OF PRESENT BELIEF

This refers to "International Science". It is strange but true that so little a thing as a wrong terminology adopted by science can be blamed for the tragedy of man even as so little a thing as a flaw in a rail can throw a whole trainload off its course and destroy many human lives. That wrong terminology is based upon the concept of an electromagnetic universe. In early writings we have had to refer to it in the same terms to bring you to this point wherein we can now begin to give you insight. Up to this writing we have had no connection with you wherein you could understand a different set of terminology or hear our explanation and definition of that which already exists. The rest of this "course" will be, therefore, devoted to the way international science has reached its high pinnacle of success in commanding matter to do its bidding and obey its will without knowing the WHY, and yet being very skilled in knowing the HOW. One without the other is the most destructive element introduced into a civilization for it causes chaos and havoc with no means of correcting same nor rebalancing that which is unleashed with only ignorance of controlling the consequences.

In order to comprehend the power of motion in its desire to create heat and visible light out of the cold invisible Light at rest, which Mind is, Creation must henceforth be looked upon as a universe of Mind-imagining having no reality and be known as AN OPTICAL UNIVERSE OF GRAVITY-CONTROLLED LIGHT, for God is Light and God's Mind THINKS in waves of light.

The Christ, the consummate Illuminate of all time, told you that two thousand years ago but you didn't comprehend its meaning. The Krishna of the Bhagavad-Gita also told you that three thousand years ago but only the people of the Eastern culture faintly comprehended it. The "Ancients" always knew it and handed it down since the "beginning" through the oral tradition of holding knowledge--and now their offspring have all but "forgotten" also. I shall now tell you WHY man has not yet comprehended those teachings, for which he is paying the dreadful price by sinking into long ages of periodic mental darkness. We will begin at the beginning and clarify each

step briefly and expand on them later.

The secret of Creation lies within the light-waves of motion which gravity compresses into rings of light in which density first increases toward the outside by thrusting outward from within until the centering holes have been closed into hot spheres. Density then increases in the inward direction. This is accomplished by the octave-wave process which multiplies power by projecting it from the stillness of its Mind-source by dividing it into mated pairs which science calls the elements of matter. This constitutes the sex-principle of life which science has so strangely neglected to observe as being the BASIC FACTOR OF MOTION. This clarifies the meaning of the divided curved universe of motion from the undivided universe of rest which the Illuminates, sages and prophets of the ages have tried to define. (See Figure 29)

Man's science has already unknowingly conquered this principle, as you shall see. You shall also see that knowledge of the wave is man's measure of his power to command matter.

Failure to recognize the secret of life as being the sex principle which lies within the motion of light-waves: The alternating sequences of compression and expansion are the very cause of motion, as indicated by their sequential equally interchanging inbreathings and outbreathings. It is these very generative, compressive in-breathings from the cold of space which cause the multiplication of heat in your body or in the body of the sun. Radiative out-breathings then divide it by expansion. To designate this effect of compression-expansion sequences by electric terminology such as positive and negative charges is totally unlike Nature's processes of creation of matter. It overlooks the fact that these action-reaction sequences are interchangings between the heat and cold of the divided spectrum of matter. Man's laboratories are unaware of the fact that they are unknowingly on the way to discovering the transmutation process, for that process demands the power and knowledge to control gravity in such a manner that they can compress or expand it to high limits. We will give the basic principles which underlie the transmutation principle later. Don't despair--we have at least two more volumes of PLEIADES CONNECTIONS--at least--and perhaps twenty if it is required. Sorry about that, Dharma.

Why, therefore, relate effect to electricity when light and power companies have only light and heat

to sell? Why, also, relate them to magnetism when they have no magnetism to sell? Power companies can produce light and heat only by resistance to motion, which induction accomplishes. Friction, induction and compression ARE ONE.

If a man scrapes his feet on a rug and touches metal, he will produce a light only. Why call it electricity? If a meteorite, or a spacecraft, springs into visible light by the friction of resistance through the atmosphere, it produces light only. Why call it electricity or electromagnetism? One can produce visible light and great heat by focusing centripetal rays upon cold bodies through biconvex lenses, but that would not justify the light thus produced to be termed opticity.

The term "magnetism" is also unjustifiable. The word GRAVITY would be used instead, for gravity both multiplies and divides by thrusting inward from without to compress and outward from within to expand. In this manner, gravity controls light by controlling its curvature, and Mind also controls gravity by limiting both outward thrusts to the cube mirror planes of zero curvature which we will make much of later on. (See Figs. 30, 31, 32 and 33) This is in complete opposition to the Newtonian law of gravity which claims that gravity pulls inward toward a center and that matter attracts matter. It is also in opposition to the second law of thermodynamics which claims that energy cannot run uphill but only downhill.

In later pages, we will give seven new laws of thermodynamics which are in accord with Nature's wordings. We will clearly explain the nature of light, which is to give outwardly from itself in accordance with the love principle upon which the universe is founded. We will also explain why the more light of love that Nature gives out from itself in the one and only direction of motion, the more intense is that light and heat. The opposite reaction to giving is not receiving; it is regiving, as life gives to death and death regives to life.

Factually, there is no inward pull of light toward a center nor are there such effects as attraction or repulsion of matter (meaning light) to other matter. We know that this statement will cause a storm of protest from scientist and layman alike, but if both will withhold judgment until we analyze the laws of Coulomb and Newton, we will dispel that mystery.

No scientist can create energy by pulling in inward from within.

It must be produced by thrusting inward from without, as an automobile tire is pumped. That means by compression. If the tire were made of a metal which could not be burst by that compressive inward thrust, it would cause it to create a ring of intensely hot visible light at its center and density would then increase inwardly, as stars and planets increase their densities in the inward direction. Science has already done this but does not admit that the energy thus created was projected into it, for science claims that matter itself is energy.

Science creates air-conditioning and refrigeration that way. By continuing the freezing process to near absolute zero of cold, it can also multiply the power of conductivity of such soft metals as aluminum to equal that of harder metals such as copper.

Many laboratories have already done this, and the Du Pont Company has created what it terms new non-conductive substances by the opposite direction of expansion. All of these laboratories have been on the way to a solution of the principle of transmutation but, unfortunately, are unaware of it. Furthermore, they have also been on the way to the control of gravity, which a certain distinguished scientist said would climax all discoveries by giving man an unlimited command over matter. Science has long ago been in control of gravity but is, unfortunately, also unaware of that.

The diagrams herein given explain more fully than words can how the outward thrust direction controls both the apparently opposite directions of compression and expansion, centripetal and centrifugal, clockwise and counter-clockwise, inward and outward, refractive and diffractive, and conductive and inductive pairs of opposites, for which the mental equivalent is concentrative and decentrative. This is seemingly incredible, for each pair of opposites has a direction of ninety degrees from its axis of rotation. Each is the reaction of each other's action.

Always bear in mind our new law of the cycles which reads that compression heats to cool and expansion cools to again heat. Or it may be put this way: Cold generates heat and heat radiates heat to cold. This applies to the interchange between all pairs of opposites. For example,

centripetal force compresses and centrifugal force expands to again compress--and, man works to rest and rests to again work. All of these pairs of opposites express their forces at angles of ninety degrees from their axes of rotation. Even man lies down to rest and stands upright to again work.

The concept of the expanding universe, without the power to generate an uphill flow of energy as well as to expand it into a heat-death, is untenable. We again repeat that science has been doing it everyday since laboratories began.

I believe this is a good place to break .off this chapter and take a break. Thank you for your attention. I would like to write again today, please.

NEW READERS! Read Here First
"I would not send lesser unto my children"
By ATON (Christ Michael) Thanks to Vic for transcribing
May 9, 2009 - 2:15:00 PM

Introduction from Phoenix Journal #37, The Science of the Cosmos, the last of the eight Pleiades Connection Series, all of which were banned.

REC #1 ATON
THUR., SEPTEMBER 5, 1991 10:15 A.M. YEAR 5, DAY 020
THURSDAY, SEPTEMBER 5, 1991

"I would not send lesser unto my children"--I am Aton. If you know not who IS Aton, I hope that you will do enough homework to find the answer.

(Candace: This means he would not send lessor than HIMSELF at this time to his children)

As with typical mankind, you ones wish to begin at the end of the story and have others assume responsibility for YOUR education. No, that will not serve in this instance--we have purposely brought you over 40 books of insight, Truth and instructions beginning with your plight, your direction, your solutions and your divine reclamation through, and by, God. We have brought you full and detailed explanations of the working details of the Cosmos, Universe and what God is and how the cycles of perceived life and death "work". We have put it in a format which you, as man in

trouble, can easily understand--the rest is up to you.

Does this mean that the JOURNALS are through? No indeed, we shall continue until the play is finished; however, it means that the eight most important books of your planet are now before you--as you use this one. I am sorry to disappoint ones who either feel "another" can explain it TO YOU and/or YOU who feel so wise as to explain and foist off your opinion of the material upon another in explanation. It is a time of self-opinion and discernment and understanding, for the transition will not be made except by those who have come within the KNOWING! This does not mean that you have to understand every working detail--but you MUST comprehend within that which is the overall.

As we draw this JOURNAL to a close, already the next is under way. Therefore, I take this opportunity to thank this scribe for the relentless pressure of the multitudes of hours in service, interspersed with overwhelming personal problems, assaults and myriads of questions from readers which have had to be answered. To Dharma I dedicate these writings for it is a legacy being presented to mankind and left for all the expected future wayfarers through this physical experience. She leaves no human label attached--only the love and hope that mankind's destiny in divine purpose be found and fulfilled within God's homecoming.

The PHOENIX JOURNALS AND EXPRESSES are directed and given forth from the higher brotherhood sent forth as the Hosts for the preparation of this time of cycles when this civilization will make transition into higher understanding or return to the ages of darkness. This is by no means the ONLY source of information--all information presented here is but integration of the WHOLE that you might isolate the necessary knowledge from the lies.

The final promise for this civilization prior to the final fulfillment of the "prophecies" was that Man would be given the WORD and it would flow to the corners of the globe so that each could make choices of his divine journey and so it IS. More will flow until the ceasing of this manifested experience and myriads of subjects, from underground research, growing of foodstuffs, to efficient dwellings, will be shared with you--but Germain has now given you the METHOD for transmuting all things to attain the level of higher understanding to match that of your elder brothers come to bring you safely into your next experience.

When my speakers and "professors" say that: "Here is the information and you will do with it as you please," and "Here is the information, I care not what you do with it," I have shocking news for you who live in your central "Me-tight" cells. They care not one iota more for YOU than for another nor one iota less. They would "prefer" that YOU join with them, understand, accept and come to the place of KNOWING which brings you all, as a group, into the places of safety and comradery. They do not, however, "care" (in your use of the slang interpretation of "I don't care"), what you choose to do with the information. That is solely up to you and your freedom of choice. You must rise above your "ME" as regarding all that comes down, for you now represent only a tiny 6&112 billionth of their concern. Their higher KNOWINGNESS is offered unto you and in that KNOWING it is also recognized, in total, that you may do that which you will and eventually you WILL come

into KNOWING and the final leg of your journey WILL BE BACK unto the Creator and it will be by THIS ROUTE, THROUGH THE RECOGNITION OF YOUR SELF WITHIN THE COSMIC BEINGNESS AND KNOWINGNESS. Therefore, it is in love and total GIVING and Regiving, as you share your love with them, that they say, "What you do is for you to choose and I ' care' not what you choose for it is YOURS to choose and I JUDGE not your choice." Then, if you turn from them they must allow you to do so for it is not "theirs" to interfere. As to the Highest Cause--you may turn away, also, and you will be allowed to do so--but unlike the "brotherhood" who come "AS YOU" and will leave you to your choices, God will continue to be present should you change your mind. But, if the "lift-off" of physical form has passed, it will be only in the soul ascendency for this manifested journey will automatically be ended.

At this time of transition and change of the planet--many will not be through with this physical experiencing segment and will retain this present expression to guide, rebuild and structure. All and EACH has a unique and specific purpose which fashions the WHOLE--but, dear ones, the journey into life will continue and continue and continue, either with presence of higher knowledge which gives you progression or placement suitable to "continue" from the level of understanding in which you make that transition in this civilization of growth. You as a civilization cannot and will not die, for the seed shall never perish--you are as eternal and immortal as God Self. It is strictly a matter of learning your lessons and graduating or failing. You will move on, you will go back and "pick up" your lessons or you will remain retained at the same level until you DO LEARN. There will be no "religious" rapture for a select self-appointed "few". Evil will not be allowed in the higher frequency dimensions which function within and through the Laws of God and within total balance with the Cosmos and Nature.

You are being shown the problem, the way to change as to needs and how to do it. GOD WILL WORK WITH YOU; NOT INSTEAD OF (FOR) YOU!

Some of you continue to seek and entangle yourselves with other persons who say they bring Truth and are the way. So be it. I now command that my Hosts cease responding in perception unto ones who ask about this one or that one and do so through earth methods of physicalness, i.e., write Hatonn through Dharma and await a response on a piece of paper from Dharma. You are given all you need to discern for self--if you use that which has been given. If you have not the "time" to read all--it is your choice! Always, regardless of the choice you make--it IS your choice. For instance, ones by all sorts of names and directions are inquired about in great numbers. I tell you--HERE IS ALL YOU NEED. If you want other--take other but I ask that no discernment be made for you ones until AFTER you have studied carefully the material given and all clues and guidelines for discernment are integrated and then the journey "within" in devout inquiry for guidance is made.

I can tell you that there are ones who contribute--and THEY recognize the Truth and know this resource. If they do not--they are not of Me. You must make that discernment. I care not if one tells you whole truth and then says he knows not Aton--in one breath he has said he is false.

If one "teaches" to the "senses" of man without full intent of moving totally FROM the senses and into Truth of spiritual soul--he is false and you will be trapped in the physical experience because

YOU are not your body or your brain--YOU are the MIND-SOUL which is totally non-physical in all projection from onset of seed to return unto the seed. Physicalness is merely a projected manifestation of experience to allow for soul growth. Some of you learn very, very slowly and experience quite heinous perceptions--but it is the way it is. No more and no less.

It is the time of opportunity of a civilization to move as a whole into higher understanding and wondrous experience although not in final perfection for you are still primitive in knowledge. It is also a time of higher beings to integrate and participate for both their own growth AND yours. And, it is a time of very high recognition of many who have returned to walk this blessed planet through a time of birthing. YOU will fit wherever you will fit! That is the portion which is up to you in the choosing. Those who will remain in evil and ignorance are the ones who will decline and denounce the WORD in all instances--they will be left, no more and no less. They have no ability nor wish to find God--ONLY ESCAPE OF RESPONSIBILITY. They will be left to their choices and I believe you will note that it probably will get very "hot" and "miserable" on your place as the Elite evil personages enslave the rest of you. Will you "wish" you had changed? Some--most will simply not even recognize that they had a choice. Is this fair? No, it IS JUST! All ones will have the same OPPORTUNITY TO AVAIL THEMSELVES OF TRUTH--he who chooses to deny, is getting that which is actually "fair" for he asks to be left alone in his experience. God is not force nor coercion--God is total LOVE, supplier of the WORD, shower of the way--and ALLOWER TO AND OF EXPERIENCE.

Following this, the thrust will be in bringing more enlightenment and assisting with the turn about in scientific knowledge as it is safe for it to be brought unto you. Prior to that massive revelation you must do certain things which will allow continuance of your planet with ability to function--that means that specifically you in America MUST save your nation from Dictatorship and Bank ownership--that means vipers who have stolen it, into and under control. Then you must begin to break the chains of the brainwashing and deliberate destruction of the species by the adversary who has locked you in the pits of hell while playing to your physical "senses" and deadening your spiritual evolvment. Now know, chelas, that he who "dies" in this level of ignorance and delusion is DESTINED TO REPEAT IT IN THE SAME CIRCUMSTANCES FOR EACH MUST LEARN THE TRUTH OF GOD AND PURPOSE AND EXPERIENCE OF IMMORTALITY.

False prophets and how do we prove who we are? We do not come to "PROVE" anything unto you. It is time you ask others of the physical plane to PROVE THEMSELVES UNTO YOU! THEN, IT IS TIME YOU PROVE SOMETHING UNTO ME! WHO MIGHT YOU BE? WHAT HAVE YOU DONE WORTHY OF CONSIDERATION OF HIGHER PLACEMENT? WHY SHOULD I DO ANYTHING AT ALL FOR YOU? WHAT HAVE YOU--GIVEN--THAT MIGHT BE REGIVEN IN GREATNESS? WHAT HAVE YOU DONE FOR ANY, SAVE SELF? WHAT HAVE YOU GIVEN OTHERS THAT YOU MIGHT BE REGIVEN IN ABUNDANCE? YOU CANNOT HAVE ONE WITHOUT THE OTHER! WHAT HAVE YOU DONE TO BE WORTHY OF "PROOF"? WHAT HAVE YOU DONE IN GREAT INTENT TO BE WORTHY OF RESPONSE? DO YOU RECOGNIZE RESPONSE WHEN YOU RECEIVE IT? DO YOU TURN AWAY FROM THAT WHICH YOU KNOW YOU SHOULD DO IN ORDER TO FIND EXCUSE FOR NOT "GIVING"? SO BE IT FOR THESE ARE THE QUESTIONS THAT SHALL BE USED AT YOUR TRIAL REGARDING YOUR ACTIONS IN THIS PHYSICAL MANIFESTATION.

DID YOU DO ALL YOU COULD IN ACTIONS TO ASSIST YOUR BROTHER FIND HIS WAY? DID YOU REALLY? OR DID YOU DECLINE SELF TO GIVE UNTO ANOTHER? BE VERY CAREFUL HOW YOU ADD INSULT ONTO THE WOUNDED OPEN INJURY. WHEN YOU HAVE

GIVEN ALL, THEN, AND ONLY THEN, HAVE YE GIVEN SUFFICIENTLY. THE MOMENT YOU REACH THAT POINT OF THE PENDULUM SWING--THEN AND ONLY THEN, CAN THE MULTIPLIED ABUNDANCE BE REGIVEN UNTO YOU.

I have never left of thee--you have turned from Me to play in your fleshly pleasures and seeking of material gain.

Day unto day I have gone the way before you; night after night have I made the path more clear and strengthened your hearts and offered you wise counsel. I have sent teachers and you have also turned them away and denied them and therefore denied ME. WHAT HAVE YE DONE TO EARN MY GIFTS? O MAN--WHAT HAVE YE DONE TO EARN MY GIFTS?

Beloved ones, be warned! The enemy pursueth and plies you with substance and as ye partake, he enters within and takes control of all that is of your physicalness and then shrouds your mind that you are blinded and confused. Evil stalks you as the lion does the sheep--waiting until you are unguarded and reach out for that bait within the sensual trap.

But you can see Me in a twinkling! Ye need not wallow in the mire of the evil entrapment for the heavens shall be opened and you shall discern Me as I am. You shall see the great sights for mankind is omnipotent unto himself--though he knows it not. He is an angel unto himself, unto himself ministering. HOW DO YOU MINISTER TO SELF? The day is coming soon when those who watch faithfully shall see a bright cloud, beginning no bigger than a hand; mark well the parable!...the day will dawn when man shall see a witness unto his waitings in the triumph of his sensings.

There will come the ONE who was not a myth, though all else denied HIM; there is ONE who makes you receivers of miraculous appearing;--who gives you your visionings and your Truth.

That which is of ME is that ONE for whom you wait for He is sent again as graduated messenger and it is within the time of sorting.

Wherein does your seemingly separate identity differ from My own, I, Aton?

Allow your KNOWING to answer you for you have now the information upon which to base your knowledge. You have a Mind which is God's Mind. You have a body which is of exactly the same material as God's body. Your body can have the same perfection as God's body when you put the same perfection of God's balanced thinking into it. Your body has a heartbeat which synchronizes with the heartbeat of God's body. You breathe in and out exactly as His body breathes in and out. Your body differs only from the universal body by what you put into it that you should not put into it. It has been created out of Light by dividing it into light-waves just as God's body has been created. It lives and dies just as every other unit of God's body lives and dies. God created His body by His balanced thinking. If you create your body and your identity with My (God's) balanced thinking, you can say: What God is, I AM. "MY FATHER AND I ARE ONE." YOU ARE NOT ALONE--FOR YOU ARE THE UNIVERSE IN WHICH I AM.

I AM THE CAUSE--YOU ARE THE EFFECT. WHAT HAVE YOU EFFECTED TO BE WORTHY? SO BE IT!

I EXPERIENCE WITHIN YOUR KINGDOM OF ACTION AND EFFECT AS YOU TAKE "ACTION" IN YOUR PERCEPTIONS--BUT--YOU CAN ONLY ENTER INTO MY HIGHER PLACES THROUGH THE LAWS, BALANCE AND HARMONY GIVEN FOR YOUR GUIDELINES. WE

BOTH HAVE ALL THE TIME IN THE UNIVERSE TO COME INTO THIS WISDOM OF TRUTH.

I AM THAT YE MIGHT BE--I AM GOD, WHO MIGHT YE BE?
ATON

CHAPTER 11

REC #1 SOLTEC

SATURDAY, JUNE 15, 1991 7:45 A.M. YEAR 4, DAY 303

SATURDAY. JUNE 15. 1991

(Candace: Soltec is the CHIEF Starfleet Geophysicist observing earth during these times. In addition to his postings on earthquakes and the like, if you go to www.wisdomoftherays.com he has provided some nice spiritual teaching pieces also. I like them anyway.)

Antonious Soltec to speak briefly, Dharma; thank you for allowing my communication. I have been asked to comment on the widespread Earth activities. I wish, please, to refrain from any comment of political ramifications of the happenings for it matters not whether an earthquake is precipitated by man or by Mother Terra.

What you must attend is the apparent widespread occurrences which will appear unrelated--no, they are related both to the political and natural realm and they give you clues to possibilities.

As Hatonn told you in the past days--pay attention for there is massive movement in the entire circumference lip of the ring of fire (the Sea of Peace Ocean). I believe it is the Pacific Plate Tectonic, as you refer to it. Please note that Australia is NOT within those boundaries but is THE MOST IMPACTED by movement of the Pacific Plate. There is tremendous activity in the outreach portions of Australia and New Zealand. The Georgia (Soviet Union) is a different matter and is in established upheaval to cause the Soviet Union to remain united for as the Russian Republic becomes republicanized so will the other Bloc nations again rise up and Georgia is one which is already at a level of unacceptable restlessness. It is, of course, far more than that but it is a most dangerous game played when you tamper with Mother Nature. You people of Shan earth are either the most daring or the most foolish beings we have come upon in a very long time of traveling.

The primitive people of the Philippines are terrified, just as are the natives of Australia and New Zealand, for they know the underground is ready to "uncreate" those islands or project up the entire ocean floor--which is going to cause happenings like you can only hold in the imagining. The atmospheric havoc is proof of that activity.

It is the location of Mt. Pinatubo that is most distressing to the Indians of the region for it is a part of the prediction (clues) of changes which would come upon the people and the world (which, of course, to them IS the Philippines and little more). The eruption could have been from Taal, Caniaon, Mayon and it would not have the same meaning as one which is dormant for centuries.

Now please, look to Japan and the earthquakes and rumblings--this is NOT unusual for Japan, but you might well be seeing eruptions of those volcanos in Japan, also, within hours or days. Whether or not you hear of it, there will be great numbers of tremblers in the Aleutians and right down through your chain of volcanos in the North American continent and through the entire circle to the south.

Earth man can precipitate earthquakes but he cannot control the activities very well, of volcanos. He can detonate high level nuclear explosions within the craters or from underground placement but to cause activity in the mountain itself, there has to be a hole opened into the pressure caverns. This is why eruptions mean far more to geologists of the observers in my geologic survey teams, than does all the earthquakes you can produce.

As you study the upheaval in Georgia, U.S.S.R., note its political proximity to both Turkey and Iran, The Black Sea and the Caspian Sea and remember the trouble in Azerbaijan and Armenia,

both bordering to the south and to the south-east. You ones must begin to look at the WHOLE and stop using the telescope attached to the kaleidoscope which simply blinds you through visions of colored glass.

The "state" of Georgia (U.S.S.R.), for instance, is a restless nation with many uprisings which have been quelled militarily--against the wishes of "Russia". Russia has over 146 million people to be reckoned with and Georgia has some 5.3 million to which the U.S.S.R. must account. Almost all the states of the Republic will side with Russia as the "party" grows stronger. Ah indeed, Yeltsin is a man with which to be reckoned and aid to little Georgia for earthquake relief may not be sufficient any longer.

Georgia can be most central in damage on an emotional level for it is in the western part of Transcaucasia and contains the largest manganese mines in the world. Well, what could that be worth? Lots! It is often a prime substance in the manufacture of steel, falling into the 6th octave periodic register of Elements, falling into the same octave wherein argon is the seed and running from fifth toward seventh includes potassium, calcium, scandium, titanium, vanadium, chromium, manganese and iron with cobalt on the cusp. So you see, you would have a much higher frequency, or "finer" steel than say, vanadium or chromium. Lower in the octave you have argon, chlorine sulphur phosphorus and silicon on the cusp. Moreover, manganese is a relatively low-frequency element and is utilized in producing low-frequency pulse beams. Indeed, the USSR would not like to lose that commodity.

Further, Georgia is rich in timber resources and COAL mines. Basic industries are food, textiles, iron, steel but it is resource for grain, tea, tobacco, fruits, grapes and other agricultural related products. To maintain control, the U.S.S.R. MUST control at least Georgia, Armenia, Azerbaijan and especially the Ukrainian SSR. In the Ukrainian SSR, for instance, is almost 52 million people. Can you now see how frail a reed Mr. unpopular Gorbachev actually is blowing in the winds of possibilities?

I recognize that I am a "geologist" by "trade" but my commission is to study your globe from that particular aspect within the "whole". I could recommend nothing more important to your PHYSICAL input than to get good reference material and KNOW YOUR WORLD. You ones of Earth do not even know your own bodies and almost NOTHING about your planet.

You speak of the "ring of fire" and yet you understand not the connections and why, for instance, eruptions in the Philippines are important! The Pacific plate "generally" outlines the "ring-of fire" but oh, if you look no further, you are amiss in good judgment for there IS a Philippine plate which has great impact just as does the Indian plate which encompasses Australia. These particular plates are impacted greatly by the movement of the Pacific Plate. Note also that the coastal areas of the volcano chain and the major western coastal fault lines are within the North American portion of the American Plate, while areas of Central America and northern South America are in the Caribbean Plate. South America is in the southern portion of the American Plate. Now, you have to look at the area of Georgia which you will find in the Eurasian Plate which is affected by

movement in both the American, Philippine and Pacific Plates. The magnificent Himalayas are the crumpled consequence, for instance, of an Indian plate pushing northward into and under rigid Eurasia.

Do you begin to feel your education is lacking a bit of valid input? Precious brothers, you simply cannot expect to know nothing about your little world and then expect to be accepted without limits within the universal cosmic order. You as a species (civilization) of human physical beings are still quite in your infancy. There is nothing "wrong" with that, it is just so unlikely that your ability at this stage of development and knowledge allows you to participate in the great federation of the cosmic experience. You grow technologically into inability to control or cope with that which you tinker. You will find your brothers in the cosmos will not be very accepting of your demands in a council wherein you do not even know the tectonic plates of your own planet--and I promise you that the ones who develop the death rays and weapons do not know anything about the working order of your globe--much less do the politicians who control every facet of your existence in your physical experience.

Would this not be the wondrous gift one such as "Inquirer General" Cole COULD give unto his listeners--or would he simply lose those which proclaim him "entertaining"? You see, we of the Command do not understand the insults to your intelligence which you not only tolerate but encourage. "Understand" is not a good word for use herein, for we DO understand what is happening and what is intended by your would-be King Masters, but our difficulty is the lack of expectation on the part of you-the-people to stand against the insults upon your experience. (Candace: Religion is a MAJOR issue, I believe, in the lack of ability to look.)

I believe it should not have to be from an alien being that you should be gaining your education regarding these matters--it should be from your learned teachers at your universities and kindergartens. DO YOU NOT REALIZE THERE IS AN ADULT WITHIN EACH OF YOU TRYING TO GET OUT?

Hatonn and Dharma are going to bring forth some very interesting information which might be worthy of your attention; you keep working with the thin person trying to get out from the overweight trap; the inner child coming into protection---NO, NO, NO! Within each is an ADULT trying to get past the whole lot of the garbage! Beyond the tending teddy bears. I believe Hatonn will have you cuddle your Constitution and NOT your teddy bear and binkie. Haven't all of you slept with your binkie long enough??

When God says "come as children unto me", He doesn't mean with binkie and bunny--he means with curiosity, flexibility and eagerness to come into KNOWLEDGE with Himself--he cares not about your sexual, physical food preferences nor other of the physicalness-- YOU MUST COME INTO KNOWING THAT ALL OF THOSE THINGS ARE OF THE FLESH PHYSICAL EXPERIENCE AND YOU--YOU--WILL COME INTO MATURITY AND KNOWLEDGE OR YOU WILL LINGER WITHIN THAT SHROUD OF DISCONTENT AND RESTLESSNESS. SO BE IT.

You-the-people are on the brink of allowing the Puppet-Masters to commit Particle/Atomic Suicide of a Planet. Is it not time you gave up your binkie and stopped this insanity?

I see that I have overstayed my welcome and will, therefore, give my appreciation--with a reminder or two. Within the next few years of your counting, things are going to heat up from your own place (I DO NOT MEAN GLOBAL WARMING BS) and from your atmosphere--you are going to have a lot of radioactive debris pouring back in on your orb and if you don't get with the program and petition assistance, you are going to all get a very big hotfoot.

I ask in closing, Dharma, that you reproduce an article you will find regarding the solar flares--also nonsense as projected but deadly if the cover-up does NOT STOP!

Release: Thurs., June 13, 1991. New York Times News Service [This is THE ESTABLISHMENT MIS/DIS-INFORMATION RESOURCE]:

Waves of charged particles thrown off by the sun have caused renewed disturbances in Earth's magnetic field in recent days, disrupting radio communications and apparently disabling power transmission equipment in Virginia.

At midday Wednesday, a new wave of the particles hit the magnetic field, indicating that "we're beginning a very disturbed period," said David Speich, a scientist at the Space Environment Laboratory of the national Oceanic and Atmospheric Administration, in Boulder, Colo. His agency predicted that as a result of the disturbance the Northern Lights could be visible as far south as Tulsa, Okla. [This is a setup to allow for all manners of sky activity without a person Questioning why or what!]

A round of disturbances, which scientist call geomagnetic storms, began

June 4 [Let's see now, you launched the pre-missiles and then the shuttle on - -?],

in response to a disturbance on the sun three days earlier. Solar flares have sent waves of protons and electrons toward Earth, literally pushing the planet's magnetic field. When the field moves through Earth's crust, it generates electric currents, which can jump into power lines and disrupt transmission equipment. [I suppose this is the same technique that HIV virus uses to "jump" from person to person or fleas onto a dog? If this were true then why do you need ANY other kind of electricity production????]

The Virginia Electric and Power co., said three capacitor banks failed simultaneously Monday. The capacitors are used to maintain voltage on transmission lines.

"It didn't present any extraordinary problems to us," said Larry W. Ellis, senior vice president of the power company, because the demand for power was not at a peak.

If a geomagnetic storm caused transmission to fail at a time when the system was fully loaded, some experts say, a wide-scale blackout could result.

The particles also disrupt the ionosphere, a layer of charged particles. In some kinds of radio transmissions, the ionosphere is used to bounce the signals back toward Earth.

In addition, the particles can deliver a radiation dose to passengers on airplanes on trans-polar flights, including most flights from the United States to Europe. [If I were you, I would be shaking in my booties and binkie about now!]

As the solar storm deforms the magnetic field, it increases the size of the polar region--the effect that makes the Northern Lights visible so far south. The particles are drawn to the polar region and, interacting with molecules of the atmosphere or aircraft, can shake loose neutrons, which then irradiate people. [I have never heard more insulting hog-slop in my experience.]

By some estimates, the dose on a single flight, especially at high altitude, can be twice as large as for many diagnostic X-rays.

If the solar storm intensifies, [which they undoubtedly plan to develop] it could add slightly to the dose of radiation that people on the ground routinely receive from the sun and other stars. [Getting ready to blame God, perhaps, and faulty ozone layers and greenhouse effect and blah, blah, blah for the radiation deaths which they intend to now dump on you-the-people? If you don't wake up--- you won't EVER be allowed to wake up in this "walk-through".

I suggest that no one, i.e., T.D., write in unless he has some verification of the above account--AS I PRESENT IT, for you will not get further explanation of "what they are doing to you now" from us--YOU BETTER GET BUSY AND TEND THAT, CONSTITUTION AND OTHER MATTERS AND DEMAND TRUTH--NOT A BIT OF EARLY INFORMATION AND GOSSIP FROM US. Ignorance might be "bliss" but it sure is going to wipe out a planet! So be it.

Soltec to clear, please. I believe that I am being now asked to turn the forum over to Germain instead of Gyeorgos and therefore, I again thank you for your attention and petition you to give thought to these things come upon you for they are indeed urgent to your journey and the outcome of your journey. I salute you and sincerely suggest you begin to study most carefully the lies given to cover the Elite actions. Salu.

All things on earths and heavens of this divided universe of God's recorded thoughts are GOOD because God's thoughts are GOOD. You may be perfectly willing to believe this statement as abstract truth but BELIEF in it without KNOWING will not make you strong. You must KNOW, for knowledge alone will make you strong.

To live life, one needs to be strong in knowledge rather than in body. Big cyclotrons are being built to do what a little knowledge would do perfectly. That little knowledge might even save the effort of building the cyclotrons.

Strength of body is like having a fine tool to do better work with, but no tool can produce work by itself and a weak mind cannot order a tool to do masterly work. The most important contributions to power and happiness in the world of man are knowledge and strength of character. Be strong and know, for life lies before you. You have to live it. You cannot evade it. Why not, therefore, live it masterfully?

Now what have I just said? Let us summarize a bit at this point.

SUMMARY

Life is an aeons-long journey to search for happiness. Happiness in man is an emotion which springs from love. To find happiness, Man must find love. The journey of life is for the finding of love. GOD IS LOVE!

When you find God, you find love. When you find God, you find the Kingdom of Heaven within your Self. When you find the Kingdom of Heaven, the purpose of life has been fulfilled. All else is added unto it for in finding the purpose of Life you find Self.

In the search for happiness, love and God, you make discoveries. In the long, long aeons of making discoveries, you discover that what you have searched for during the aeons you already have. You never find out that you have it until you desire to give it. You then discover that you have it to give. From the moment of that discovery, you find happiness and living the measure of your giving.

In your search for wealth, you discover that you already have wealth the moment you begin to give it. The measure of your wealth is the measure of you giving it.

Do you doubt your power? Give of what you have and you will discover that all the power in all the universe is yours to give. It is at the moment of your first giving that you discover your Omnipotence. You have searched and you have found. Countless millions are also searching but have not yet found even the path to the Kingdom.

A new dawn of unfolding Man is breaking, ready or not. Millions of searchers for the Kingdom of Heaven will die while searching for that which you have now found and yet, you cannot force it upon them for they must petition and desire for there to be any value whatsoever. You shall now, however, be able to give unto the seekers that for which they seek--the treasure of knowledge. You are the representative of the "saviour" through TRUTH in that which is coming within Man's places this day. This your Father-Mother commands of you--to share this knowledge that all might find the Truth of the Lighted Path and not be lost to the evil of the journey of the physical senses.

Every Man loses his life a million times to find eternal life, but he who has found eternal life and immortality shall bestow immortality upon him who seeks but has not yet found. Yea, millions will die, but God sends His Messengers to cause rebirth in Man. The long journey of Man's search for the Light will forever continue and the Light of Life will ever await the coming of Man into His knowing of the Light--but the agony of that awaiting MUST AND SHALL BE MAN'S ALONE!

Let us have a short break period and then we will conclude. I still wish to discuss "balance" a bit before we close the narrative. Thank you.

Mar 13, 2011 - PJ #25 " THE BITTER COMMUNION ALTARS OF HEMLOCK ", chapter 3 & 4.

" It is an incontestable fact that the word "Jew" did not come into existence until the year 1775. Prior to 1775 the word "Jew" did not exist in any language. The word "Jew" was introduced into the English for the first time in the 18th century when Sheridan used it in his play "The Rivals", II,i, "She shall have a skin like a mummy, and the beard of a Jew". Prior to this use of the word "Jew"

in the English language by Sheridan in 1775 the word "Jew" had not become a word in the English language. Shakespeare never saw the word "Jew" as you will see. Shakespeare never used the word "Jew" in any of his works, the common general belief to the contrary notwithstanding. In his "Merchant of Venice", V.III.i.61, Shakespeare wrote as follows: "What is the reason? I am a lewe; hath not a lewe eyes?". "

Continuing the Deadly Sins of Human from PJ #27 (I think anyway)

7. SLOTH

[\[link to tweeofmeer.webs.com\]](http://link.to/tweeofmeer.webs.com)

Let us begin by first defining what is SLOTH: "Indolence; (which means: Adverse to exertion; lazy) idleness; laziness; disinclination to work or exert oneself."

What we have witnessed most upon your plane is the sloth of your God-given reasoning MINDS. This MIND-SLOTH is what has made you easy target for lies and disinformation. The reason is that you have fallen into the habit of letting others THINK and REASON FOR YOU, and by this mind-laziness have found it easier to BELIEVE another's projection or opinion of what is Truth rather than properly researching, by engaging your OWN logical reasoning mind with THE FATHER WITHIN, TO achieve KNOWLEDGE AND WISDOM of what is TRUTH. You see, in this way do you also shirk YOUR personal responsibility by not recognizing your responsibility to SEEK AND KNOW THE TRUTH WITHIN. You ones then further your "sin" by complaining and criticizing bitterly and thus casting BLAME outside yourself when the "lie" or "deception" is later discovered by you.

You ones still believe IGNORANCE IS BLISS? GODLY KNOWLEDGE AND WISDOM ACCOMPLISHED AND EARNED WITHIN IS TRUE BLISS, PRECIOUS ONES! Ignorance of Truth is an illusion that keeps you trapped within the living of a lie. You are NOT free and the truly sad thing is YOU DO NOT KNOW you are duped and trapped so then the chains can be brought about thee ever so tightly, and by the time recognition of Truth literally "slaps" your awareness awake, it is often most traumatic and too late for you to extricate yourself until finally the death of the body releases your self-allowed anguish and horror.

Is your true ignorance forgiven? ALWAYS! But NOW that you are becoming armed with knowledge and wisdom within of what is the Truth, WHAT WILL YOU DO TO CHANGE OF THE EVIL CIRCUMSTANCES PERPETRATED BY, OR AGAINST, YOU? WILL YOUR MIND-SLOTH BECOME APATHETIC WHICH IS INDIFFERENCE? AND THEN WILL YOU BE OVERCOME WITH THE PARALYZING HOPELESSNESS OF DESPAIR AND DEPRESSION WHICH IS GIVING YOUR GOD-POWER TO THE ANTI-CHRIST? WE, YOUR BROTHERS, YOUR HOSTS

OF THE WORD OF TRUTH AND LIGHT AND WISDOM WHICH IS GOD/ATON AND THE CREATION, CERTAINLY INTEND TO LESSEN THE ODDS AGAINST YOU! CHELAS, WILL YOU HEAR? WILL YOU SEE? WILL YOU ACCEPT GOD'S HAND OF TRUTH, OF MERCY, OF LOVE AND OF WISDOM? WE OFFER YOU THE CHOICE, PRECIOUS ONES, AND THE CHOICE IS YOURS TO MAKE. MAY THE TRUTH, WISDOM AND FREEDOM OF WHAT IS HOLY GOD'S LIGHT WITHIN YOU BE IGNITED IN JOY BY YOUR WILL, YOUR CHOICE, TO SERVE THE UN LIMITED WILL OF GOD/ATON AND THE CREATION. SO BE IT!

There is also what is physical sloth or laziness. This simply is often counterpart to Mind-sloth. If you cannot move your mind into awareness most likely your body will not be motivated either. It is simply inability to LIVE or take in LIFE. It is also unwillingness to take responsibility by taking action for making changes which would "better" your lot in life. Ones who are slothful would rather sit in quiet (or not so quiet) self-pity and blame ALL "out there" and therefore not take self-responsibility for his "perceived" lack.

8. FEAR

[\[link to tweeofmeer.webs.com\]](http://link.to/tweeofmeer.webs.com)

We have also spoken of the "deadly" sin of feeling unnatural and excessive fear in the previous pages under, "How to Recognize the Anti-Christ Within". We discussed that the Anti-Christ traps you in the illusion of what is FUTURE-FEAR ORIENTATION.

Let us define FEAR: "1. An agitated feeling aroused by awareness of danger, trouble, etc. 2. An uneasy feeling that something may happen contrary to one's desires. 3. A feeling of deep awe and dread." And for fun, let us define what is AWE: "Reverential fear; dread mingles with veneration (respect or deference) and now we will define DEFERENCE which is yielding to the will or opinions of another OR respectful regard."

By keeping you locked in constant agitation or uneasiness about what could happen -- you are robbed of the present moment of life which is the NOW of eternity. Generally speaking, one who is fearful of future possibilities/probabilities occupies much "time" in WORRY about possible consequences of a decision or an action and will also often procrastinate (delay) making the final choice. Let us define WORRY: "1. To be uneasy in the mind; fret. 2. To pull or tear at something with the teeth. 3. To cause to feel uneasy in the mind; trouble. 4. To bother or pester 5. Worries -- something that causes anxiety." So many of you have expressed or heard the phrase, "I was worried sick!" It is true that fear and its handmaiden "worry" can and will literally make you physically ill. Simply by imaging in your mind a picture, idea or "horrid" consequence, you actually manifest the "realness" of that which you fear upon yourself. Whether the ACTUAL physical

manifested outcome occurs according to your worst fears, or not, YOU have suffered in your moments of fear and worry as though it HAD occurred. Do you see? You are creating the worst even if it be only in your "mind" through the emotional REACTION of fear.

Often the question is asked in earnest, "Well, if we are told, for example, that the probabilities are high that we could soon experience a devastating earthquake in San Francisco and/or Los Angeles, are we not "feeding" the negative probability by believing it and thus insuring that it will occur?" We will answer in two-fold manner. First, you must recognize the facts of truth of your "present" circumstances...that the planet, Mother Earth, is a being who has been poisoned by YOU, HER GUARDIANS. She will need to cleanse herself, so this means massive earth changes will occur as a part of the process of bringing to the surface the poisons of nuclear detonations, pesticides etc. which have been festering within her. Also, you have the "mighty" powers of Russian cosmospheres which un-naturally control the weather patterns, and which are able to detonate bombs already in place along your "fault" lines. So you have the agenda of your beloved planet who wishes only to be cleansed, and the agenda of the Dark brotherhood working through the "ELITE" few to control your planet and that means to ultimately destroy much of the population in order to manage THEIR domination more easily. Is information about lies, deception, and cover-ups perpetrated against you by these ones of THE ELITE, which is coming forth through the Journals, "negative" and therefore not worth your time to consider because you fear "feeding" the perhaps undesirable (to you) outcome of perceived "negative" probabilities? THIS MATERIAL IS INFORMATION GIVEN IN TRUTH, BE IT PERCEIVED "NEGATIVE" OR "POSITIVE" IN MANIFESTED REALITY. UNFORTUNATELY MOST INFORMATION PRESENTED SO FAR IS A RESULT OF GOD'S PROMISE TO EXPOSE THE "SATANS" OR "ADVERSARIES" WHO HAVE MANAGED BY FORCE AND ALLOWANCE TO HOLD YOU HOSTAGE IN "ILLUSION" OF SEPARATION AGAINST YOUR CREATOR WITHIN YOU BY DECEPTION OF TRUTH OF YOUR POWER OF ONENESS. WHEN IT BECOMES "NEGATIVE" UPON SELF IS WHEN YOU ARE NO LONGER IGNORANT OF TRUTH AND YOU STILL DO NOTHING TO CHANGE YOUR CIRCUMSTANCES BECAUSE YOU WOULD INSTEAD RATHER HIDE BEHIND YOUR FEAR AND SELF-PERCEIVED HELPLESSNESS!

Is it wrong to make "plans" for your future in your now? Not if it corresponds to the "positive" creative unfoldment of self-improvement and self-expansion of your knowledge and wisdom of Truth in your NOW. You see, YOUR DESIRE TO KNOW AND SERVE GOD will itself propel you ever forward in knowledge and wisdom of Truth. AND so too, (your desire) will demand the discipline of self to remain focused on your goal. Let us define discipline, "1. Training of the mental, moral and physical powers by instruction, control and exercise. 2. The state or condition resulting from such training. 3. Punishment or corrective action for the sake of training. 4. A branch of knowledge." We would further add herein that there need not ever be PUNISHMENT of self or another to achieve discipline. Simple integrity of focused attention in gaining wisdom of Truth and recognizing and understanding consequences of thoughts and actions given in "error" are what are necessary to take corrective measures of action for successful training IN GODLY TRUTH to take place.

This scribe has recently heard it said, "In order to be a 'winner', (given in reference to a "karate" competition) you must develop the three D's...DESIRE...DEVOTION...AND DISCIPLINE." Well, we will ask you each to apply the beautiful simplicity of this statement to yourselves in your goal to overcome the false "illusions" of the Anti-Christ and become the "winners" of attaining your UNLIMITED SPIRITUAL FREEDOM by recognizing and reconnecting with THE FATHER/MOTHER CREATOR/CREATION WITHIN YOU. Remember, we discussed earlier how the "Anti-Christ" rules you by your desires--meaning for "things" or "attachments" of physical illusion. If your ONLY true desire is TO KNOW AND SERVE GOD/ATON, then where does that leave the Anti-Christ? Out the "door" of YOUR space on his behind!

Remember this too, precious ones, when you truly ASK the Fa ther/Mother God/Aton within you FOR Truth, YOU RECEIVE TRUTH. This does not mean you will necessarily like or enjoy what you find, but as long as you remain devoted to the discipline of emotional detachment, such as from feeling paralyzing fear, you will become EMPOWERED by THE WISDOM of the GOD/GODDESS within you. Does this mean you will never feel fear again? Not necessarily, but you will by your desire, devotion and discipline learn to overcome your fear and take the necessary actions to bring about GODLY changes, whether it be within self or in "situations" or experiences put before you.

Here is another aspect of understanding fear which you must also recognize. You ones also can experience fear or alarm as a "warning" mechanism of clear or unclear present danger to you. Fear became the manifestation of your desire for "survival" on the physical plane. It was created by you because of the limitation brought about by your "veil" of forgetfulness about your soul immortality. And it was thus encouraged by the "deceivers" or "satans" in order to terrorize, control and enslave you through your fear of death of the body. Actually, even those of you who now KNOW your soul is immortal will still feel fear if you or your family is threatened in some way. You must overcome the fear by acknowledging the "warning" and seeking protection, counsel and guidance with THE FATHER WITHIN, so that you will be given instructions about how to best respond to the situation, whether it be defense of self and family or something other. Many ones simply fear physical pain and suffering more than death itself. So you must overcome the initial "fear" warning, and gain the counsel within to ACT in order to protect yourself or others. It is only when YOU are overcome and paralyzed by your fear that you will not listen to YOUR inner guidance and thus lose your power to change the outcome of the situation.

So in summation, when we say "you must conquer your fear", we are speaking of future fear/worry orientation and that fear which paralyzes you into INACTION or feelings of HELPLESSNESS. Remember YOU are NEVER HELPLESS WITH GOD! You must learn to TRUST; you will ALWAYS be given whatever you need in ALL circumstances put before you. WHEN YOU SINCERELY ASK THE FATHER/MO THER WITHIN, IT IS DONE!!

This is from PJ #27. the one with the Laws of God. PLEASE bookmark this thread, this page, and pepper this in religious threads of those waiting the coming that is already here, and in the alien ET threads. Remind people are visitors are from the Higher Realms and advanced evolutionary planets.

SANANDA (ESU Immanuel)

Peace, Thomas, for I am come. I Am Sananda of the Sacred Circle of Infinity for I am come again as ONE with The Most High Living God/Aton/Father. **Man will never again return unto the unknowing and the ignorance that has been his down fall. Never again shall the darkness keep man bound from walking within the lighted Presence that I Am.** Each must choose...each must decide. Always man will cast to the side that which does not suit his view, his way, his opinion, his new laws. It matters not one whit. Nothing shall be changed for herein lies the Truth of the matter, plain for all to see. All who have eyes to see and ears to hear shall receive the message and be increased thereby. Each may come into knowing and therein be most grateful, for these are the instructions you have pleaded for and at last you have that which you have wanted, for lo, these eons of time.

Man has struggled in his turmoil and conflict and warring nature. Man has lusted after women without shame and now lusts after man in like manner...you have entered into the pit of darkness and you must return to living according to these LAWS OF GOD AS THEY WERE GIVEN UNTO THEE FOR THINE GREATER GOOD. You have been careless and thoughtless and have trampled the Holy Word of God under thine feet. No longer shall you do this in ignorance...each shall act responsibly in their decisions to remain in darkness. **And the decisions made in conscious error shall be the most painful of all.** The soul shall cry out at that hour when standing in the Presence of the Mighty I AM. We weep for you and plead with you to hear, to take heed, to change. YOU ARE RESPONSIBLE AND YET YOU HAVE BEHAVED IRRESPONSIBLY. EACH SHALL BE GIVEN TO FACE THE CHOICES AND THE CONSEQUENCES SHALL RETURN UNTO THEE.

Do you recognize that the Hosts of Heaven have been sent? Do you acknowledge that God/Aton has returned to the once beautiful jewel to bring order out of the chaos of this ending cycle? Why do you not believe that I Am come again? Has it not been prophesied? How did you think I would return? Did you think to one day turn on "60 Minutes" perhaps and see me speaking with Mike Wallace? Did you think that one day you would turn on TV and see me preaching from the stage of the Crystal Cathedral? Come now...times have not changed so much...the crucifixion would take half the time. I HAVE NOT SAID THAT I AM COME AGAIN UPON THAT PLACE...I HAVE SAID THAT I AM RETURNED WITH THE HEAVENLY HOSTS, AS PROMISED LONG AGO, AND WE ARE ABOVE YOUR NOW POLLUTED AND TROUBLED PLANET TRANSMITTING FORTH INSTRUCTIONS FOR YOUR VERY FREEDOM, SURVIVAL, AND GODNESS. WILL YOU LISTEN? WILL YOU LISTEN?

What must be done in order that you will listen to the message? Has it not been said that by their fruits you shall know them? Herein is your life-raft. We do not come to force anything upon you...we come to offer instruction and tell you the way that it truly IS. Man may do what he will, as he has done to this point. It takes no brilliant mind to see that you are in most grave circumstance. Why will you not consider the messages that are offered for your protection and wisdom? THE LAWS OF GOD ARE FIXED...IMMUTABLE...MAN MAY CHANGE WHAT HE WILL BUT HE WILL NOT CHANGE THE LAWS OF GOD FOR THEY ARE THAT WHICH WAS GIVEN FOR BALANCE WITHIN THE CREATION. MAN HAS SOILED THAT WHICH HAS BEEN GIVEN INTO HIS CARE FOR HIS STEWARDSHIP.

Herein you shall find The Laws clearly outlined. There is no room for misunderstanding the message. There are no little grey areas for you to move around in. If you violate The Laws after completing this document you shall do so willingly, knowingly, and therein shall be CONSEQUENCES FOR THOSE ACTIONS. God is most forgiving for actions done in ignorance. Willful violation of The Laws is entirely a different matter. It is the better part of wisdom to heed this warning for it is most grave indeed.

We are at the final hours of the planetary cycle. Choices will be made by man that shall affect him for eons in your future counting. Be most cautious when seeking the momentary thrill, for the excitement you seek shall not satisfy you in the countless generations of recycling and rebirths before you as you learn well the lessons you so carelessly refused to learn this time around.

Fleshly pleasures are fleeting...the soul is infinite...and in the cosmic realms of Light where we dwell...infinity is a long time indeed. Ponder it. Where do you wish to spend your time? Upon what do you wish to gaze? **In the ending will your ego-filled and willful ways have been worth the pain you shall experience in the recycling of rebirth?** Why does man always think that he knows better than God? Foolish, foolish man. I do not come here to chide you. I come to plead with you on bended knee...these are your instructions...clearly given in full radiance of The Father's presence. These are no abstract concepts for you to struggle with...read them...learn them...live them. To return to the radiance which I AM, The Laws are truly the only way in which to live.

The Laws are the ultimate in logic and reason. The Laws work. Has your way worked? Oh? Look around you...look at your planet. Perhaps you should take the next shuttle flight, if it is not cancelled due to faulty equipment, and view your very atmosphere from great distance and you shall see how man's way has worked thus far. You are in most dangerous waters and the instruction we bring with total love is offered to bring you back unto the Presence of Holy God. Why do you resist so?

Beloved, we are here. I Am returned. I Am returned with the Heavenly Hosts and with The Father/Aton. Listen to the words we bring for therein IS LIGHT. Man has walked the darkened pathways for too long. Return to the ways that shall see you through unto the lighted realms wherein I dwell. The time grows most short indeed and the hour for deciding is upon you. Which path shall you walk? Come...walk the good Red Road...walk the lighted pathway according to The Laws herein and you shall KNOW GOD.

I place my seal upon these words. I Am Esu Jesus Immanuel Sananda of the Christed Sacred Circle of Infinity and ONE WITH THE FATHER. Blessings unto all in whose hands these words are placed for you have found your very soul's freedom therein. Walk most gently the pathway before you and treat your brother as ye would be treated for you are, in truth, one.

Salu

For those who believe in a hell fire, it is on lowly planets like this one that you will continue to experience until you grow up! You cannot enter life upon the higher custom built planets (Heaven) until you do. You must earn it. that is the law. -Candace

INTRODUCTION

REC #3 ATON

SUNDAY, AUGUST 25, 1991 4:23 P.M. YEAR 5, DAY 009

Aton present to share with you briefly as you move into this book of information. You are coming into the great Truths of the Cosmic Universe and actual Creation and order. What you glean from this information is solely up to you for you are given to experience as you choose. It is given, however, that those of you who wish to find your path unto your Source may know how to find the way and KNOW. There are no secrets kept--only now are you ready for the next step in growth so that discernment and judgment of actions can be valid. When the world asks, "What of the teacher, what message has he for us that is greater than all others", you may answer: "Behold, every LIFE, no matter how humble, no matter how tragic, no matter how broken and thwarted, has a meaning and an inner glory and is precious in God's sight".

You who will come into knowing shall do goodly, such as few of My servers, and your brethren and friends, have been able to accomplish; you shall have the THRUT and the WAY. You shall, further, reach that maturity wherein you shall live it and give weight a thousandfold to every word and precept that comes from the tongue--for you shall grow in the knowing that giving forth Love instead of a biting confrontation in discord brings the reward and ability for the regiving.

There have been many artists within the chronicles of men but few there have been, capable of conscious communion with Me; yet I tell you it is a responsibility that does crush the weaker brethren. All must learn to come within communion for each is precious and each IS an artist of great value unto My needs.

Go with heart that is high from adventure to adventure and walk always knowing that each day must render its accounting to Me.

My Love shall ever guide you and guard you so that you falter not--I am with you and with KNOWING comes your comfort. You can only come into the KNOWING by first sharing and partaking of the "knowledge".

How can you fail to go forward, sure and calm and free? Use all that has been given unto you--Mind and Soul--Spirit. If you have your responsible education you will find failure leaves of your presence. You can dwell ever in the plane of perfect inspiration and still function exposed to Earth's vibrations for the Laws are given which will, if followed, keep you ever in balance and harmony with all that is Nature in The Creation's perfect order.

It is My work that you do and the power of the Spirit pours upon you and no power on Earth or in the heavens can do more than help you at the moment's instant--if you but KNOW.

My work shall be done...when you are prepared in the fullness of time then the harvest will be

reaped. At this time the lives of the word are lived in narrow little places: romance offers escape from reality. I tell you that we bring them transfigured reality that shall move them and win them. We shall bring Truth in such simplicity that each can KNOW and then decisions shall be left unto the individual being for the choosing. I keep My promises made unto you--all will be kept; none have been broken; I give you strong loyalty; I shall be worthy of your allegiance. When the wracked spirit CAUSES you concern, remember My words of promise and be strong and remember that you are not made strong by having all desires gratified--even unto your communion with ME. You shall learn properly so that you can remain in MY PRESENCE and not turn away at your whims of physical indulgence. For as a child must grow and a twig must be trained to be straight and tall as the perfect tree--so shall you learn.

There are yet principles at stake of which men have no knowledge, there are policies in progress that have no explanations, great works do manifest but men's eyes see them not. Only I see the ultimate, only the Wise Ones know of the attainings, only those who have conquered their own Spirits behold the vast pattern by which men are made perfect. Let the world's dead be buried by those who are dead: verily there are no dead save of the mortal but there are those refusing wisdom and might better be dead. As I make it known to you in wisdom of that which transpires, you shall clearly know that which causes you to stumble--it will behoove you to work My commandments!

Lo, those come to you who have been the spirits of the great in every age; they come to you sustaining you; they come to you beseeching you; they say in their beseeching to heed. Not all of them are with you for many come again, yet in your future, and some you know not ever; others you have knowledge of; they come and go in your affairs, unseen as well as seen. They come that they might share in the Knowledge as you unfold into wisdom.

Lo, these blessed ones come not in their olden roles at present; some come to you as artisans and yea, of humble callings. If you bestowed upon these ones in your prior experience see that which returns compounded. The times are upon you when those you have known as humble persons shall stand forth as marvels, challenging your intellects; you have known them verily as angels of radiance, now you behold them as drawers of water. Verily do you see them as hewers of wood--well, they are actually hewers of men's eternal destinies.

Many of you walked with My son upon your own place and have come again to attend His return in His own growth and honor. Do not deny the memories of your own pathways unto excellence lest you miss your own graduation. Have you not said, "Father, allow me to walk again and serve with this Master, let me manifest with Him again in that you love me ",--have you not said it?

Take that which is given and know from it profit. I say it shall fill you; the spirit of holiness shall break bread with your wisdom; there shall come a great brilliance; you shall sit within the heart of it. You have walked with Myself by many still waters and you have talked in many wheatfields with Me--rise up and greet Me now that in memory we might abide together, you and I.

ONLY SPIRIT MATTERS

I now speak to your intellects. I take you with me into wisdoms--I give you a shepherding into sheepfolds of mysteries....

Men will ask proof: What is size? What is time? What is space? Harken to My logic; I bequeath you a reasoning. Know that the Father's universe has no such thing as size for size has a quality of measurement by comparison and that which is great seems large to the earthly. It has no meaning but you shall have the wisdom to give that perspective and definition unto you brother. Know that I think only in projection of Thought--I need no time and I need no space.

Space transcends size, yet I say it comes not alike to all created orders. You perceive that you are "men", that your stature has a "size" . Some perceive your "size" to be "small", but I ask you if you would greater profit if you stood high as the mountains?

Know that you are greater than mountains in that you have power to manifest in Thought, and it bears you out among the planets; you can know the far stars and you can see them in their shining.

Men say, "We think, therefore we ARE.!"

NO! YOU ARE, THEREFORE YOU "THINK".

You ascend unto visions. You have concepts of Reality; they who come of other orders ascend to no such vision; their concepts are but instincts. Great minds are greater than great mountains. Worlds are less than great Truths: man knows himself, thereof is his divinity.

Man has concepts of himself and he makes mysteries in his thinking--he shall need come into KNOWING. HE THAT THINKS GREATLY EVER SURPASSES THAT WHICH HE THINKS. I think in terms of that which comes to pass—thereof is Spirit manifest. Only Spirit matters, behaved.

That which is perceived is like the mustard seed; perhaps it sprouts, perhaps it blossoms; is not the blossoming more transcendent than the blossom? You breathe, and move, and have your

mortal beings; therein are you mortal; behold Spirit functions and Thought goes out--it makes you to see worlds in new bornings. Are you not a part of them, in that you discern them? Sight has a transcendence to encompass its creations; it becomes the particle of that which it perceives. I say to you to look, perceive, witness, discern, lift your faces up; behold the mirrors of the infinite are but lodestones for your intellects. You do dwell on Earth a little while; presently you go forward, verily you go outward; he who goes outward sees that which is beneath him for it is ever upward; behold is it not true that he who journeys "upward" ever sees life in more smallness beneath him? Think on these things.

I dwell in heavenly mansions; I look on all creations; I arise in the mornings and behold many mountains; I say to the mountains: "Increase and bring forth young." Lo, they are moved and universes shudder and tremble.

Man is part of it, but only is he part of it in that he sees Me deploying in himself. I speak these things to you so that you may be wise. Be not cast down by little men who say, "Spirit is conjecture, we breathe, thereby we are" - - - They are as lights in many wicks that presently know a snuffing; the universe shall snuff them for they cannot encompass it. Lift up your heads, beloved! Perceive a great radiance for the Spirit I send works in you, and I in it; behold we are one essence--that which is created comes from My bosom.

Man has had a blindness to neglect his own destiny; he has said to his brothers, "We are creatures of confusion, of doubt and of dread as we come from our fathers, whither we go is not for our wisdom." He looks on the Earth and thinks it a mystery, it speaks a tongue whose language has long since been forgotten save by the few.

It shall be beyond him until he comes to that place in Spirit where the beasthood drops away from him, where he leaves his earthliness behind him forever. He looks to the heavens and cries out constantly, "Almighty Father, bestow on us wisdom". Lo, wisdom is in his heart, it lies all about him, he walks in its richness and he embraces it not.

Man asks of Me to save him. You are given that which you need in the wisdom projected if you, would but listen and act. I have made no mischief in the hearts of you earthly men. You have made your own mischief and continue to do so. Man goes about marveling at his handiwork; he thinks himself omnipotent; he cries in a vaunting, "Behold our achievements, life comes in and goes out in that which we manifest". My, my--man cannot fashion one hidden violet, nodding by a brook's edge in the silence of a wilderness. Lo, man must come into knowledge and out of the evil ignorance--for evil IS lack of intelligence. Evil has emptiness; it cannot construct; it ignores the ways that lead unto happiness; it seeks out no goodly situation but takes the world and gives it a sorrow. Evil has no crown; it has no staff; it has no divining rod that points out riches; evil has only confusion and ignorance and manifest impoverishment; it has shortage of compassion that you call intolerance. Evil is man's enemy above all other enemies in that it seeks to do him no improvement, naught has it to do for man but to pull him down to vomit; it proclaims his smallness; it makes a god of his ignorance and humbles him before it. Ignorance is evil and evil is ignorance--

and it is birthed of the physical and only has existence in the physical. There is no other god of darkness before Ignorance. That which comes of Me has a radiance; behold it is tolerant and beautiful and tranquil; all things making for good, for happiness, for delight for peace, for almsgiving, for benediction on others, these are the diadem stones in the crown of MY eternity.

I say to you now that you may harken. The Path is bright and pleasant for those who journey with us and whose voices blend in harmony and yea, shall they ring throughout the mountains and the valleys. The call has come; the valleys take note of it and those on the uplands await your strong fellowship. I tell you a new Godhead comes to Earth; you are in fellowship; you scatter its uttering; you sit and sup with it--is it not meet that you know for your honorings?

Walk in uprightness before kings, beloved, that in the last high hour it shall mark you to sit gracefully with the King of Kings and see the glory. I bestow upon the goodly workers the blessings in gratitude, that there were reapers who stood by their sickles when the crops were threatened and the forces of Nature would send them to a hiding. My peace is upon you until the harvest is gathered and the laborers stand about for their reward--they shall be richly paid--for thus have I written.

Blessed is he who hears the WORD and heeds his call, for the masses of MAN has lost his way. So be it and be leis. It is My will that the work might be done through you, and yours will be to fulfill the Word for the seal is put upon the promise and the lesson given.

" Zionism is a secular political movement dedicated to the establishment of a Jewish state. It seeks to transform religious hopes and the yearning for individual freedom into a nationalistic political program. Not until the first Zionist Congress in 1897 did Theodor Herzl call for a "legally secured Jewish home in Palestine". Zionism uses the mask of religion to hide its blatant nationalism, racism and atheistic philosophy. (Doesn't sound like Father Joseph's or Mother Mary's Jewish children to me)! "

CHAPTER 10

REC #2 HATONN

SATURDAY, MAY 25, 1991 2:39 P.M. YEAR 4, DAY 282

May we ever dwell in the KNOWINGNESS of God so that our senses and thinking point ever toward reunion with God. Hatonn to continue, please.

MOTION MOVES TOWARD REST

The electric universe of motion forever moves to find rest, but never finds it. Matter in violent motion simulates rest and balance through violent motion. The more violent the motion the greater is the illusion of rest and balance. Motion can cease but it can never actually become rest.

THIS PRETEND UNIVERSE

The entire dynamic wave universe of electric matter is not what it seems to be. Everything which seems at rest depends upon violent motion to make believe it is at rest. A wire wheel could appear to be a steel disk if spun fast enough. The faster it is spun, the more at rest it would seem. Your planet, seemingly at rest, is in violent motion around its centering point of rest from which it is electrically extended. Seemingly motionless clouds, floating above the earth, are rotating with it at the tremendous speed of one thousand miles an hour at the equator, or four times faster than an ordinary plane.

All the planets are revolving swiftly around their central sun which seemingly stands still in the heavens of space, but in fact it, too, is moving with incredible speed. Likewise, all the stars of night are simulating rest for they are actually moving at terrific speeds to adjust their mutual unbalances in this dual universe of divided pressure.

The pencil in one's hand, the desk upon which one is writing, the room full of "motionless" things, seeming to be at rest, are but simulating rest through violent motion of their many parts. Tremendous vibrations may be in the glass paper weight, for instance.

Not one thing could manifest the rest it simulates if it were not for the incredible speeds of those atoms which so incessantly rotate and revolve to make the seeming restfulness possible.

EVEN THOSE "STILL" THINGS ARE NOT

All seemingly still matter is manifesting pretense of rest by make-believe motion. Motion itself is an illusion. The motion one senses in one's brain has no more reality than the motion which one senses in a motion picture.

The seeming motion of the cinema is caused by sequences of changing patterned forms projected on the screen which give the impression of motion because of the rapid change of pattern in the negatives. That self-same illusion applies to the material universe.

Without change, God's play of Creation could not be played, nor its actors be. Behold, therefore, the changing universe of God's imagining, the seeming universe of God's thinking.

And again I say that there is NO CHANGE in God, the changeless ONE, so, also, is there no change in God's thought universe of pairs of opposed things which forever interchange to simulate God's universe of change. Even the seeming changing of God's thought universe is not change save for senses of sensed things which are bound to pairs of parts of wholes.

Each pair winds its way through the interchanging pressures of its electric journey. Each appears, then disappears, to reappear again and again. Even though senses of sensed things sense changing in all things, they change not to conscious knowing.

So, why be a slave to sensing? Rise above the sensing and Be as God in the KNOWING.

CHANGE IS ILLUSION

Change is an illusion of the senses due to motion. There is no change whatsoever in the conscious universe of knowing. There is only an illusion of change set up by the two interchanging lights of thinking to divide the One Whole Idea into many separate ideas and record them in moving matter.

The senses are the audience for these thought pulsations. The senses are a part of this illusion. Senses are electric. They belong to the thought universe of motion and do not respond to stillness. As motion itself is non-existent, so also are senses non-existent.

The senses are but the imagined records of imagined motion, matter and change. As such they are limited to pin-hole peeks into the vastness which extends beyond their sensing. The senses have no knowledge of what they sense. They merely record motion. The senses, further, respond to motion in only one direction. They sense the forward flow of time but not its backward flow. If they could register both directions, they would become aware of the stillness of this zero universe of seeming motion. The Universal ONE planned it this way, otherwise there could be no sequential manifestation of thought which constitutes the creating universe. When your knowing exceeds your sensing, you will no longer be deceived by the illusions of your senses.

(Candace: much new age literature loves to say we are making this all up, this world is imaginary, and so it is.)

A man seeing a technicolor motion picture for the first time and without knowledge of such electric effects, would think he was looking through a window at real happenings, unaware that it was but an illusion "created" by projecting positive light through patterned negatives. That is all that creation is: two lights projected through each other to simulate motion, form and change.

Your senses are like passengers on a fast-moving train. They sense parts of the landscape as they rush forward, while, to their senses, the landscape rushes backwards--ponder it. The senses interpret these effects as matter in fast motion which is forever fast changing. A man, seeing the same train from a mountain, would sense that same fast motion and fast change as changeless and still.

As Man unfolds from sensed Man to spiritual Man, he gradually becomes aware of the two-way motion of all effect; that two-way being the visible effect which responds to his senses and the invisible effect which he knows but does not sense. Gradually the time arrives in his unfolding when his full awareness of Cause voids all reliance upon sensation. He then rises above his sensing. He then knows the universe of motion for that which it is instead of for what it seems to be.

You must stop seeing with outer eyes alone for you have knowing eyes to void the illusion of your sensing. Throughout long aeons Man has walked this earth with eyes of outer seeing, giving belief to that earth of his body's sensing. Throughout his new aeons he must walk the earth of inner seeing and KNOW GOD in it as but visioning it in Light of God and Light of him.

For God thinks earth, and earth appears, disappears and reappears in balanced rhythms of God's thinking. Wherefore, God says, man's earth and Man are by "My" imagining, to come and go with "My" imaginings. It is not God, nor is it him; nor is it even what it seems to be to him.

However, Man must cease placing earth before God, gaining aught of earth and naught of God. For God is a patient God--patiently awaiting awakening Man.

Awakening Man is he who knows the Light of God within himself. Man may choose his own aeons for his awakening, but know God he must. Until that day Man's agony of unknowing shall be Man's alone. His knowing must be his own desiring. Knowing Man is ecstatic cosmic Man. He who begins to know God in him--yea, even him who suspecteth God in him hastens his unfolding to cosmic Man of all-knowing.

THE DECEIVING SENSES

Imagine a perfectly motionless wheel and a fly walking around its rim, moving ever forward over changing ground, and the wheel seemingly backward, during a continuity of time in which the fly sensed a constant change in the changeless wheel. Every time the fly got back to the same point, it would compute the past time consumed on the journey and the forward time necessary for the next circuit.

The wheel being still, motion, change and time are created by the fly itself as it takes the whole idea of the wheel apart by journeying around it and examining it bit by bit. The fly sensed motion by changing its position on the wheel. It sensed change by finding a seeming difference of condition at each forward movement. It sensed time by creating the sequences necessary in taking the one idea of the wheel apart and dividing it into many separate ideas. This simple analogy is a good symbol of Creation. Your planet, like the fly on the wheel, moves forever around its motionless orbit. The orbit is as rigid and still as the wheel upon which the fly is moving.

As the planet moves upon the wheel of its orbit, it senses constant motion and change. It senses changes of days into nights, of spring merging into summer, autumn into winter. All of these seeming changes are in the motion of the planet and not in the wheel of its orbit. Each change is entirely due to the motion of the planet and not to the changeless orbit. The planet itself registers change on its changeless wheel. Change therefore lies in motion alone. The senses are motion, therefore the senses sense only that which they themselves are.

SENSES ARE INADEQUATE

Man continually overrates his senses. He places far too much dependence upon them without justification, for they are not recording all of the phenomena of his surroundings. He likewise trusts them too much without justification, for they are constantly deceiving him. While his senses are recording the stillness and rest of Nature on a lazy afternoon, they are failing to record the violent motion of everything in his entire environment, from the blade of grass to the clouds in the heavens above him.

Those seemingly motionless clouds are moving at the speed of a thousand miles an hour at the equator without the slightest evidence of that swift motion being recorded upon his senses. The earth also is moving many miles per second in two directions, one of rotation upon its axis and the other upon its orbit. His senses register stillness. They are electrically unaware of that motion.

This deception is as it should be, just as the same deception in a cinema is as it should be. God's universe is but an electric recording of His knowing, manifested by His thinking. To thus record the idea of His knowing in the two lights of his thinking, a three dimensional universe is necessary. If the senses could detect and record all motion, instead of but a part of it, the illusion would disappear. The senses would see behind the illusion and find that all motion voids itself. Division of the whole into parts causes the illusion. If the film is removed from the projector of the motion picture, the illusion of motion and change would be voided.

That is what Creation is, the One Light of knowing divided into the patterned parts of thinking . Sensing is but an electric tension set up by the seeming division of one into many which "strain" to fulfill its desire for the oneness. When a unity of condition is consummated, sensation between those parts ceases because the tension ceases. The senses, being but tension of desire for unity between divided parts, have no existence. The senses are electric flux thread of light connecting every particle in the universe with every other particle. They are the intercommunicating nerves of the one universal body. When strain of desire for balance, rest or unity ceases, sensation ceases.

In your electric universe, sensation is the strain of, resistance to the separation which exists between all separated masses. All matter is one. Separated particles desire to find that oneness. It is part of God's plan that the senses are limited entirely to the recording of a very small fraction of effect. The senses can never sense the Whole but the conscious Mind can KNOW the WHOLE.

Therefore, I say to newly comprehending Man of his new cycle: Love one another--all; for you are ONE IN GOD. Whatsoever you do to ONE IN ME you do to all, for all are ONE IN GOD. Love your brother as you learn to love yourself--but first you must learn that love of self. Lift high your brother, lift him to high pinnacles, for your brother, after all, is self.

Know the difference, however, for prideful love of ego self, or nation of selves, turns neighbor against neighbor, and nation against nation. Ego self-love breeds hate and sows seeds in all the winds to blow wherein they will. Wherefore, love of neighbor for neighbor, and nation for nation, unites all men as ONE.

Serve first your brother. Hurt first yourself rather than your neighbor. Gain naught from him unbalanced by your giving. Protect the weak with your strength, for if you use your strength against him his weakness will prevail against you, and your strength will avail you nothing.

He who gives love prospers mightily; but he who takes aught gains naught. Why therefor lose all to gain the world, gaining nothing? He who has not laid up a treasure in heaven to equal treasure gained of earth has sought the dark and for him the Light is indeed far.

NEW CYCLE

This coming time era (age) will mark an epochal advancement in Man's evolution toward his goal of omniscience and omnipotence. Man becomes a higher being with greater power as he acquires knowledge. In knowledge alone lies power. Only through knowledge can Man become co-creator with God. Knowledge can be obtained by Man only through awareness of the Spirit within him. Lack of that awareness is the tragedy of today's civilization. During the last century or so of the greatest progress in the history of man, great nations of the world have killed, robbed, and enslaved other men to build their own empires. Today Man has killed millions, condoning his killing as necessary for his self-preservation. He is now but reaping the seed of his own sowing. He who lives by the sword shall die by the sword. No Man can hurt another Man without condemning himself to greater hurt.

Fear dominates the world of today. While fear is in the world, love cannot also be. Love can never dominate the world until Man ceases to live a primarily sensed existence and knows the Light of the Spirit within him.

This age brings man one step nearer to the universe of greater knowing through greater comprehension of Man's relation to man, and to God. Each past cycle in the growth of Man toward higher levels has been illumined by the few inspired messengers of the Light who have known God in themselves.

New inspired messengers who know God in themselves will likewise give the Light to this new cycle. And these few messengers of the Light must multiply to legions, for the need of a spiritual awakening is great.

Man's whole reason for being is to gradually pass through his millions of years of physical sensing into his ultimate goal of spiritual knowing. Man has now reached a transition point in his unfolding where he must have that knowing. He can acquire that knowing only through greater awareness of the Light of the universal Self with centers him as ONE WITH GOD.

TWO SUPREME ILLUSIONS OF MAN

The secret of Light is fathomable to man only by first solving his two supreme illusions. The greater of these is the illusion of the universe itself. Man has never known his universe for that which it is in reality, but only for what his senses have made him believe it to be. His senses have deceived him mightily.

The other is the illusion of Man himself. With but few exceptions, Man has never as yet known Man. Nor has he known his relationship to the universe, nor to his still more unfathomable God. The little that Man knows of himself and his universe is what the eyes and ears of his body have told him that they have seen and heard about himself and his universe. But Man has eyes and ears of the Spirit which see and hear what Man's sensed eyes and ears can never see or hear, for man is still too new in his unfolding. He is still but in the ferment of his beginnings--which is seeming to also be very near his ending.

Man senses motion, change, sequence, multiplicity, time, activity, life, death, good and evil. Of these things he is most certain. His senses have made him most certain of their substantial reality. In the face of the fact that he has lived with his familiar universe all his life, it is not easy for him to accept the statement that it has no existence whatsoever, that it is all illusion, all of it, nothing being left upon which to even base that illusion. He can accept the illusion of the railroad tracks meeting upon the horizon, but the railroad tracks are real, even though their seeming meeting is not. They, at least, still remain as a basis for their own illusion.

A mirage of a city is comprehensible to man also as an illusion. He knows it does not exist but he also knows of the reality of the city which thus repeats itself, ghostlike, in the mirrors and lenses of light waves of the heavens above the city. To tell him that the city, as well as its own mirage, has no existence is to lay too heavy a tax upon his credulity and patience. Yet that is what the very secret of Light would reveal, and that is what you must tell, simply and convincingly, to layman, churchman and scientists alike, and in the language standards and methods which each requires for his conviction. Thus comes forth our work in the manner laid-out that each might come into understanding within his given realm of perception. So you must come, therefore, and know God, His universe, and Man with other eyes than your sensed ones. The eyes of the Spirit are knowing eyes. God's universe of knowing is all that is. The universe of seeming motion simply does not have existence. Therefore, why be a slave to sensing when you can be as God in your knowing?

Without thinking God's One Idea could not become many "one ideas" for His stage setting. Without motion His cosmic play could not be played, nor could its actors be. Without change His undivided One Idea could not unfold. Without time His drama of His own creating universe could have no sequences. Without motion, time, change and sequences the unfolding of God's Mind imaginings could have no measured space for its stage settings, no screen for its light projections.

Therefore, see them as God imagines them, but know that they are but unfolding patterns of His knowing through His thinking. Know, therefore, that time is naught, nor are there moving things which change; nor is there life, nor death, nor cam, nor heat, nor good, nor bad in His universe of Himself.

IN THE BEGINNING

In the beginning God, the Father. The Father is Light, the still Light of the Spirit Whom no Man can see. The dwelling place of the Father is the Kingdom of Heaven, and it is without form and void.

In the Light is the seed of Creation, and the Light is Father of the seed. In the Light is Being, and in the seed is desire for Being. And desire in the seed is soul in the seed. The Father in Heaven knows His Idea. He knows it as ONE, the undivided ONE. In the Father Light is the seed of all-knowing. In Him is two-fold desire to unfold and refold His seed of all-knowing into imaged forms of His imagining, by dividing wholeness into parts, stillness into motion, unchanging into changing, unconditioned into conditioned, void into form, infinity into measure, eternity into time and immortality into mortality.

The Spirit of God moved to fulfill His two desires and said: "Let there be Light, and let darkness shine out of Light and Light out of darkness." And it was so. The One Light of the Father in His Kingdom of Heaven divided the void. And behold, two father-mother lights of nightless suns shone out of the darkness of the void and day appeared in undivided oneness of everlasting day.

And the Father centered His suns as seed of His desire that forms should appear from formless Light to fulfill His desire for division of the One into many divided ones formed in the image of His imagining.

And mighty polar breathings of desire within the nightless suns begat earths to course sun's far heavens to divide the day and give night to day to mate the day. And lo! night was born on earths from nightless day and day was born from night. Are we together so far? Now wait a minute--I DID NOT SAY "ON EARTH". You are a smug and conceited lot on Earth, are you not?

God saw that it was pretty good that each of the two, begat from One, was born of each other, to disappear into the One, to reappear as the other. Thus the One Light of God's knowing extended to the two of His thinking, pulsed as the three of all creating things, the One centering the two, the two extended from the One; the Spirit; the Father-Mother polarity of Light; the Trinity centering the shaft of Creations' seeming fulcrum of its heartbeat, ALL ONE .

The manner of the extension of God's knowing to His thinking was as follows: The Father of the Kingdom extended His arms of still Light unto His heaven and said to one: "Sit here and look inward. Be the seed of My knowing for repeating My thinking. Refold the forms of My imagining within your stillness and give them back to Me for resurrection in the imaged forms of My imagining."

And to the other Light the centering Spirit said: "Sit here and look outward. Be the womb of My

knowing for birthing My thinking. Unfold my seed from the stillness of seed and give earth forms of them to heavens to manifest Me.

"Mother My thinking; and let your name be South, for South in Light means outward breathing from the seed into their heavens. Interweave your threads of light of earths and suns with threads of light from heavens into patterns of My thinking extended from My knowing to manifest My knowing."

To the North and South the Father said: "Behold in you and Me the firmament of my desiring to mirror the Light of My knowing into Father-Mother forms of My imagining."

And earths appeared below and heavens above the firmament, each being each, each mirrored from the other to become the other.

Come now, Chelas, sic, sic; you have been nagging and nagging that we "get on with it--and you over and over again said that you are ready already. But oops, no big bang and no coming from the sea to evolve from a fish? No apes? Just Light, and thought and wham, bam, there it is? Well, I think most carefully, little ones. For lo! knowing that I can create anything which I desire, all imaginings in seed of earths unfolded into the heavens for heaven's refolding into patterned seed of earths for earth's rebirthing; and behold, God's imaginings pulsed with life of His imaginings within His omnipresent Kingdom. I rather like this game, don't you? Continuing, God divided the waters from the waters: those which were under the firmament from those which were above the firmament, and each were of each, and each of the other. ("firmament" meaning the vault or arch of the sky, lest we overload you.) Now this was very good. All things were thus divided, as two halves of one which never could be one, but must forever birth the other from each other to manifest the KNOWING of the ONE as the two opposed desires of His thinking. This was a really fine game.

The all-knowing was in the Light. And God sowed seed-suns of all-knowing Light unto far reaches of the firmament for birthing into patterned images of His own imagining. Then the planets began to come forth in life and bring forth grass, and herb-yielding seed after his kind, and the tree yielding fruit, whose seed was in itself, after his kind--and this, too, was good.

So too did the seas begin to bear life and great whales came forth, and every living creature that moved and had life, and fowl that might fly above the earth in the open firmament of heaven-- all created for a wondrous placement for you of the most wondrous creations of all.

Then it was decreed that the earth would bring forth the living creatures after his kind, cattle, and creeping things, and beasts of the earth after his kind--and it was so. And you know what? At that

point it was very good and pleasing, this tapestry of thought projected throughout the universe of infinity.

Then came a very interesting experiment in creating--of course, that was MAN. Man was created in Spirit as the direct, reflection of the thought-form of God. In the beginning God could whisper to Man and, while Man was new, he listened--but as the compression crushed upon Man and he forgot, so did he cease ' to hear the soft whispers. So, we pushed it a bit further and gave man "knowing" and allowed him, in the image of God, to have dominion over those nice fish of the sea, and over the fowl of the air, and over the cattle, and over all the earth--for by now the planets were come to life and it was good that the orbs have caretakers and stewards.

And lo, man knew God in him and emerged from the dark of his jungle into dawn of the Light in him and turned his eyes upward toward the Mount of his ascension from sensing into knowing. And man desired his ascension into the Light. And God could see that it was good and dwelt within Man to give him the Light of all-knowing, as awakening Man desired the Light of all knowing. Did something go wrong? No, it has gone exactly as was predicted-- it is simply that some of the Creations are farther along on the path within the cycle than are others and that, too, is a process of sensing which can move into Knowing and then on into Thinking wherein Man can become One with the Creator and create that which he finds to be "good".

Ah, but it comes with responsibility, beloved little fragments--great responsibility not to botch a universe. You ones get too big for your pantaloons and begin to tear the place up in the cycle of negative destruction which is of evil-dark intent before you can find the better way within the cycle back unto goodness and responsibility and into Oneness again with Creator.

Oh, you wanted this from Little Crow so you could better understand it? What is there, precious ones, that you do not understand? You understand, alright, you just fail to desire to accept the responsibility of the recognition of Knowingness. Well, I have certainly as much time as do you--in fact because other impacts come upon your very created orb--you are running right out of "time". The sequence is nearing the connection of transition so that the spiral can move onward without breaking of the patterns. Just as a babe outgrows the cradle--so must Man get off his narrow little self-tunnel and grow. It is either grow or re-peat the grade--no shortcuts and no cheating.

The universe is indeed wondrous and great. It is pure art in beauty and perceived motion--filling the very being with color and refractions of Light playing about the cosmos. Great art is purely simplistic--My universe is great art--for it is indeed simple. Great art is balanced. My universe is consummate art, for it is balanced simplicity. My art is harmonious--My universe is perfection for it is total harmony. My universe is one in which many things have majestic measure; and again another many have measure too fine for sensing. Those I keep for the using as I change my thoughts.

I have not one law for those great and majestic things, and yet another law for things which are beyond the sensing. I have but one law for all My opposed pairs of creating things and that law needs but one word to spell it out, so hear Me when I say that the one word of MY ONE LAW IS "BALANCE".

AND IF MAN NEEDS TWO WORDS TO AID HIM IN HIS KNOWING OF THE WORKINGS OF THAT LAW, THOSE TWO WORDS ARE:

BALANCED INTERCHANGE

AND IF MAN STILL NEEDS MORE WORDS TO AID HIS KNOWING OF MY ONE LAW, GIVE TO HIM ANOTHER ONE, AND LET THOSE THREE WORDS BE:

RHYTHMIC BALANCED INTERCHANGE

So be it. That isn't too hard to remember, is it?

I guess we had better look at that a bit before passing on because, quite frankly, I lost a lot of you back there somewhere--even some of you who have nagged the loudest about getting on with this information "KNOWING" business.

The underlying law of Creation is Rhythmic Balanced Interchange in all transactions in Nature. It is the one principle upon which the continuity of the universe depends. Likewise, it is the one principle upon which the continuity of Man's transactions, his health and happiness depend. It is the manifestation of God's two opposing desires in all processes of creation.

BALANCE is the principle of unity, of oneness. In it is the stability which lies in CAUSE. Balance is the foundation of the very universe itself.

BALANCED INTERCHANGE simulates oneness by interchange between pairs of opposites. It is the principle of equal giving between all moving pairs of unbalanced opposites which constitute this dual electric universe. In it is the instability of EFFECT. Instability is forever seeking to find stability. It can never find it, but it can simulate it by balancing its instability through equality of interchange.

RHYTHMIC BALANCED INTERCHANGE is the principle of continuity of EFFECT. Balanced interchange between opposites repeats simulation of stability, and rhythmic balanced interchange continues that repetition.

OBEDIENCE TO THE ONE LAW IS ABSOLUTE

Rhythmic Balanced Interchange is the inviolate law WHICH MUST BE OBEYED.

Nature persistently violates it and Nature instantly pays the price of its violations in its storms, tornadoes, crashing avalanches and tragedy of field, forest and jungle.

Man persistently violates it and instantly pays the price of his violation in his crashing business failures, enmities, unhappiness and illness.

All the storms of earth cannot affect the balance of the earth, for balance in the universe cannot be upset. The earth continues in its fixed, balanced orbit with so much precision that its position can be determined at any time to the split second.

If the earth disobeyed this law by the slightest variance, its oceans would sweep its continents clear of all living and growing things.---OOPS??? NOW JUST GUESS WHAT HAPPENS WHEN BOTH NATURE AND MAN WORK DILIGENTLY TOGETHER TOWARD GREATER UNBALANCE? YOU GOT IT!

MAN MUST PAY FOR DISOBEDIENCE

Man's disobedience to the law cannot affect the balance of Man in his whole journey, for every unbalanced action of his must eventually be balanced. Man is on his way to his cosmic goal of Oneness with his Creator--so you see, we can wait around for a very long time and hardly notice it for Man can in no way deviate from that fixed orbit which will eventually take him to his destination of glory in the high heavens--no matter how long it might be perceived to take. BY DISOBEYING THE LAW HE IS BUT HURTING HIMSELF WHILE ON HIS JOURNEY, BUT HE MUST MAKE THE JOURNEY AND MUST BALANCE EVERY UNBALANCED ACTION WHILE ON THE WAY. Oh my gosh, responsibility again?

You don't think I take this seriously enough? I thought you would never take it seriously at all! Moreover, there is a great deal of humorous activity flying around on your placement and it is indeed amusing--after all, where did you think "humor" comes from? Perhaps we are beginning to

catch on a bit? It is as though a man on a great ocean liner disobeyed the laws of the ship. In spite of his disobedience the ship is taking him to his destination and he must go with it. Likewise, he has hurt himself by lessening the happiness of his journey.

THE WHOLE PRINCIPLE OF CREATION LIES IN EQUAL GIVING. The Oneness of the Light is divided into an equal and opposite two, and all interchange between the two must be equal in their giving. God's division of the Light into a seeming two is manifested in Nature by electric waves of two opposing lights springing from the still sea of God's magnetic Light, just as waves of water spring from the still ocean.

The outstanding characteristic of waves is that they forever interchange. Troughs become crests and crests become troughs. Gravity pressure above and below their axis is equal. So long, as equality of interchange continues rhythmically, waves repeat their interchange. When the sloping sand at the beach prevents this equality of rhythmic balanced interchange, the waves accumulate unbalance until they crash on the shore.

Every transaction in human relations either continues or discontinues, in accord with obedience or disobedience to this one law. A man who sells and gives less value for that given to him, lays the foundation for his own wreckage. He finds it ever harder to sell and loses many purchasers by gaining their ill will. He who gives equally for what is given to him multiplies his purchasers and prospers by gaining their goodwill.

The pulsebeat, the swinging pendulum, the in-breathing and out-breathing of living things all exemplify God's one law of rhythmic balanced interchange. Any deviation from that law in the heart-beat of a Man would endanger his continuance, but when there is a rhythmic balanced interchange between the two compression and expansion opposites, man's life continues to function at maximum.

Man has free right to choose his own actions, but he must balance those actions with equal and opposite reactions until he learns that God's one law **MUST** be obeyed. This God holds inviolate.

The whole purpose of life is to learn how to manifest God in Truth and the Law. The lesson is a hard one but Man, himself; makes it hard by his unknowing of the Law. As Man gradually knows his purpose and the Law by knowing God in him, life becomes more and more beautiful, and man more powerful in his manifestation of power. Man's power lies in giving. He must learn to give as Nature gives. Each half of a cycle eternally gives to the other half for re-giving. Nature forever unfolds into many for the purpose of refolding into one. Each individual must manifest this universal Law.

The desire of some parents to run their children's lives for them, often claiming that they have sacrificed their own lives for them, are taking from their children--not giving. They are taking away the initiative children need to complete their own cycles; they must live their own lives for themselves. Ah so, just as Me with YOU. If I live your lives and do this or that FOR you, I take from you your very right of passage. Man must know the principle of Creation, giving between each interchanging opposite half of each cycle for the purpose of repeating its giving.

THIS IS UNIVERSAL LAW AND EACH INDIVIDUAL MUST
MANIFEST THIS LAW

Man will forever war with man until he learns to give his all with the full expectation of equal receiving, and never taking that which is not given as an earned reward for this giving. Where do you think your world is in this particular cycle? Does look pretty bleak, eh what?

As we move on we will go into the "Power Source" and see how those shoes fit the toadies. Sometimes we must stretch in order to flex the muscles between the ears. I am in great love with you and I have abundant patience--but YOU WILL DO IT RIGHT! WE WILL KEEP DOING IT AGAIN AND AGAIN UNTIL WE CAN LEARN TO DO IT RIGHT AND THE "KNOWING" IS PRESENT.

I believe we understand one another well enough to draw this segment to a close for I ask that you chew this pretty well for the digestion may get tougher and tougher as we move on for you have forgotten much, beloved ones--much indeed.

Thank you for your attention. Dharma, thank you beloved one, for your service. Salu. The Light shall be given to shine around about thee--if you but open thine eyes.

Good evening--may your dreams be worthy! Salu.

AMEN, AH HO – THE RANGER

What you have just read, serves as the introduction and premise of the Winds of God, The Resurrection, for it is the fulcrum around which all the rest turns. It is the Alpha/Omega Medicine itself that ends the old world and begins the new. The new world is thus beginning from an entirely new divine dispensation and decree. We begin again at the fourth dimension as we go on through eternity. If you study the Hopi teachings, we have just left the fourth world and entered the fifth. All of us alive today have been living through the twilight of worlds, like the changing of the guards of the “Twilight Zone”, if you will. This, of course, explains the extraordinary stresses and confusion that have and are going on and will continue till completion.

As all things have a life cycle of same principle of birth/compression – death/decay at the end of the fourth world life. Remember the nearer the end, the more rapid the decay. Metals demonstrate this most profoundly to us in the form of radioactivity. I find it so ironic that the ultra decay death that has been brought forth by fallen man, has in fact ended up being the very springboard for the ultra compression of new life for a new world and not only that, but also has caused the immunity to any further man-made destructive activity in the process. So those who have promoted death have in fact promoted life – In fact, super-life.

Now to explain in more detail the dispensation; I say that nothing has changed in the law; it has only been quickened. In the fourth world, destructive activity has always been the cause of disease and degeneration. It's just that the process could take years or decades to complete. In that amount of time, a great deal of damages could occur to life environment as we have so painfully experienced. Now, in the fifth world dispensation, destructive activity begins to complete itself immediately because the cellular shield begins to weaken right away. What used to take decades or years to complete, now only takes months, weeks, or even days to complete, depending upon the intensity of destructive intent.

Therefore, very little life damage to the environment is possible because of the very short time one has to organize a destructive momentum. So you can see that armies and police are no longer necessary to maintain order as in the past. Order and balance is maintained automatically by the radioactive environment. One has only a short grace period to turn away from destructive intent or momentum. If he or she fails to correct themselves and come once again into divine order, then by their own hand, they have in effect, placed themselves against a wall to be shot by a billion tiny bullets, as traitors to life. They thus become their own executioner. Now this principle is no different, as you can see from the past. It's just that no one else need get involved unwillingly. The process of law is simply quickened and more pure.

Where is the line of decay, you might well want to know? Well, there is no line, only degrees, if you are balanced in eternal being. The degree of deviation from that perfection directly determines your degree of longevity. I would say that there is some sort of line where you may plunge into

direct war with God and intend massive destruction, in which case your longevity would be measured in days as your shield would diminish to nothing.

This picture, then I think, clearly illustrates one of the new qualities of the new dispensation of the fifth world, a world quickened into higher octave of life. Now, some radioactive material takes 250,000 years to decay to safe levels, so you can see that a great deal of time has been bought for this true light world. 250,000 years is but a heartbeat to the life of a planet, however, it should be more than enough time to generate a new "Starman", if not in fact an entire planet of Ascended Masters. Ah Ho. At some point of total planetary ascension, the radioactive "guard" would of course no longer be needed.

Now that we have covered and gone through the Alpha-Omega experience, I want to turn to the shedding of light and truth and to the nuts and bolts of the creation and outpicturing of the fifth world and how to transmute or transit from here to there and that "there" can look like. This is going to be a general treatise. I'm not here to do anyone else's work for them. I have my own to attend to. I only wish to start the ball rolling and present an outline and input from my own experience and meditation, for all light people have input and work to add and that of course creates infinite possibilities. I thus intend here to but add my two dollars worth at the races. If any or all I present "works in the weave", then that would be wonderful. So be it.

THE PRIMITIVE PREMISE

Let's begin at the beginning, then, as the end always leads to a new beginning except at a higher spin upon the spiral? The "primitive premise" is the anchor for biological man. I know that because it has served to keep me balanced and sane through life and has been the womb of my ascension process. It is also dirt simple.

Man tends to confuse himself in his infinite complexities. He builds a high-tech civilization that creates the illusion that it is unto itself and thus elaborates endlessly within his churches and other institutions to the point of babble. Then he wonders why he is lost and confused. Within his tower of babble are also many places for the enemies of life and freedom to hide. From there in their hiding, they promote lies and erroneous concepts aplenty and enlist a host of fools to stump for them. This has always been the danger of vast and complex civilizations that are built by un-awakened man.

Now perhaps you can see the wisdom of the Hopi people, who originally came from lost Atlantis, as the "children of the law of one" and who keep that covenant to this very day. Most wise indeed. The primitive premise is ultra simplicity itself. It can, however, only be seen, known and experienced as one becomes one with it. It cannot be put in a bottle in a laboratory and analyzed. You either awaken into it or you don't. It is a way of being and seeing what is.

Meditation is the gateway that leads into this state of being. Right now I ask you to discard any and all erroneous concepts and pictures that you might have about meditation. Meditation is sunshine simple, like God. Meditation is simply "talking to God". I should say "conversing" because you not only talk, you listen as well. This is simply a conversation that springs from the axis or

fulcrum of your being. You must still the babble of the world in your mind long enough to activate the fulcrum. Then you have engaged the great mind in conversation. You need no special effects or rituals. These are optional. You can do this over coffee in the morning. Anyone can do this, although, after eons of sleep, it may take awhile to get used to it once again. Once you have begun to reengage the Creator again, you have thus arrived at the “primitive premise”. This is the point of true reality against you. Now, to strengthen the meditation, it is a good idea to walk out into nature periodically, preferably in an area that is untouched or altered by man. While meditating in true nature, you can contact the Adam or Eve in you; the original man or womb-man, whichever you are. From here you can see, feel, know, hear and experience the simple truth. This is what I call the “lone man on the mountain” state. It is just you, God, and nature. Here you can witness yourself and all you contain, as well as witness God and nature and all therein they contain and you can know your true place as man. This is one reason that the Indian sent his new young men off alone, so they would become true men and would discover their true name and purpose, thus, the “vision quest”. To truly “witness” means to “see”, from your fulcrum of being, “what is”.

Your fulcrum is your axis or equator. It is that unseen line between your left and your right brain and between the left and right hemisphere of your body. The light chakra system also runs down this equator. Let thine eye be single.

If you go to high ground and look down upon a town or city, you can see the fragility of man. You can see that he is building fences around himself in fear. He huddles in tribes for comfort and reassurance. He is helping each other to convince himself that it is okay to sleep and indulge in a fallen state. He is in denial of who he is and thus denies God, nature and his place in the plan. When death then approaches he is frightened and feels alone because he does not talk to God, as a whole or as a rule. He talks mostly to himself – to each other.

If you fear death, then you also fear life? Fear only lives in shadows. When you re-connect with Creator, you see that there are no shadows and no death as well. All is spirit, all is God. You are a part of it and always have been and will be. You need to guru or priest or church. You need no rituals or rhetoric or trappings of any kind in order to see this and remember, that which you already know. This is the primitive premise.

It has always been so since man first was, when he was simple and uncomplicated like a child. So it will always be and so will that little eternal child that you truly are, that fears nothing and simply awaits your remembering. As a child you will enter the kingdom within; as a little child, innocent, trusting and free, or you will not, cannot, enter therein.

You say you wait on God. Nay, He waits on you. He waits eternally for you to tire of your misery and childish games enough to call upon Him. Then He will lift you. He will lift you high above the eagle. He will surely heal all your hurts, dry all your tears, and bring you home in one piece.

I speak here from my own hard road of experience. Now, I walk the “good red road” forever.

When you are out in nature in stillness and the “silent knowledge” flows from your fulcrum, through your consciousness, you can “hear” the “word” in all creation. Everything “speaks” to you. All life, all forms in life, speak to you silently. The rocks, birds, bugs and plants and animals, all have their stories in life. They all have their place in creation in perfect balance and so too do you. You are Man. Awaken from the spells and hexes that you have cast upon yourselves. You have a place here as all forms do. If you want to be happy, balanced and fulfilled, you must remember from your true place and purpose.

What is man? Is he simply and inventor? Well, man creates, yes. God creates, indeed yes.

Therefore, man is a co-creator. However, God also sustains what he creates, in balance and harmony. God projects his original rays of gold and silver. Silver, the creating ray and gold, the sustaining ray of light. This is the father-mother aspects of God in action. Creative power and creation result. Positive-negative, light-dark, being-non-being, form-formless, life-death, etc., etc. This is the “motor” of God.

Does man sustain? Is he a sustainer as well as creator? He better be; and soon.

The meditation now takes us deeper into the weave of our world. We have arrived at the reconciliation point for America.

When I was a red man last, I wondered deeply why Grand-father had brought the white man here. We were good sustainers of the garden after all. We shunned the idea of temples and altars with all their technologies and trappings. Those things only breed trouble, jealousies and confusion. So why did this strange hairy white man arrive here, we asked? He sustains nothing. He creates and devours everything in his path and then creates more and more but fails to sustain his foundation. He is truly out of balance we said. Well, so too were we, I have come to see at last. Man was not meant to just graze n a garden forever either. He was designed to be a full reflection of Grandfather’s potentials. Therefore he must become a creator/sustainer in perfect balance. From this state of balance and reconciliation, he becomes a “starman”; a builder and sustainer of worlds “with” Grandfather. So the creator/builder/ inventor white man and the gardener/tender red man, both have what each other needed in order to bring man to balance. So, I am here today, in the son of a white man, to do just that. To birth the “starship Indian/cosmic cowboy” man. Together we become the “pink” of Christ. We emerge in balance together, ah ho.

Now we grow out again from primitive premise into all that can come from it in balance.

THE BIRTH OF THE RANGER

During my lifetime of meditation, I have spent considerable time digging through my akashic attic. I’ve discovered many old hats and outfits and I used to wear in different times and places through eternity. Well, one thing I noticed. None of them fit anymore. For instance, the most recent outfit of great allure was We-sa-kan, the Crow shaman back in the mid-1800’s. I did bring all that knowledge and experience with me but also a great deal more. Many titles could apply, but none of them can contain all of me. Well, we men like titles, so I began searching for one that could be both humble and all encompassing at the same time. What could you call someone who has been everything, a shaman, a cowboy, an Indian, king, priest, yogi, samurai, alchemist, wizard, beggar, thief, metaphysician, sailor, soldier, warrior, etc., and who has awakened to all he has been. “RANGER” came to mind as the perfect title. In this life I practice all forms of medicine, I write, sing, dance, power walk, heal, prophesy, see, stalk, meditate, command, decree, transcribe, and project power in a multitude of ways and forms. And I’m not the only old Indian and warrior of life who has come back to run around and haunt the world again and who has awakened to himself this way, oh no. Therefore, all those who have unlocked the treasure door of their soul’s experience and who are putting it into action, I have dubbed “Rangers”.

We all have a lot in common. We follow the spirit, read signs, move from prompting, travel, and tend to continually expand our “range” of “knowledge”, experience and application. Thus the term and title of “Ranger”. We all most emphatically serve the light as well. We are peppered around the world. We come in all sizes, both sexes, all races and from all countries. We are the “seed crop” of the fifth world man. The “seed men” if you will. We also witness all and are the enforcers of “divine law-men”.

All the rangers I’ve met, including myself, are indeed an illustrious, lusty and colorful lot. We’ve never let fear or timidity stand in the way of the great work and journey, oh no, “Onward Rangers, to God and the stars”, is our motto. To unfold like a lotus upon the waters of life, is our burning desire. To fly free of all restraints, is our highest goal, and anchor the love, light, power, will, intent and law of God within, without and all about this world, is our greatest service. To restore the plan on earth as it is in heaven. I give you now the “code” of the Rangers....

WE ARE THE MINUTEMEN OF THE GREAT
SPIRIT, WE HOLD THE TRUST OF GOD
WE GO FORTH UNTO VICTORY, WE ARE ONE
WITH OUR STAR
WE RIDE THE MIGHTY WHIRLWIND, WE SEE
BEYOND THE VEIL
ALL LIES WILL TURN TO DUST IN US, WITH
LIGHTNING WE PREVAIL

‘FORE LONG WE WILL ALL REALIZE, IN
TRUTH WE ARE ALL ONE
...WHEN MAN FINDS FELLOWSHIP WITH GOD AGAIN...

THE REBIRTH OF SHAMAN

The true shaman is born, not made. He/she has a natural intent to live in the spirit world, more than everyday world, and then to bring forth the knowledge from the spirit world into everyday practical use for the benefit of all life, people, and species. He/she is like unto a spiritual mechanic or doctor. The intent is to apply medicine in as wide a range as possible in order to restore and maintain balance in all things. This intent in the shaman is but the reflection of the intent of God or spirit that is an inherent desire in all life and all life forms.

When the European man forsook his natural medicine people in favor of linear science and invention, naturally this move was sure to bring trouble and imbalance in the mind, soul, and spirit of the people. That is why so many old Indians took on the white race through incarnation at this time, in order to bring forth balance and reconciliation, and so the good red road would not be lost for all time but would, in fact, be brought to an even wider range and finer level of excellence.

The European has spread his creations all over the world and is now beginning to see that he has reached a dead-end unless he expands his range of perception to include the spirit and silent knowledge, within his formula. We old Indians knew this would happen way back when we first saw the European. He was not open to choice. In nature, if you want to get along, you go along. This law was here long before man and will be here long after. You must awaken and see these laws, while there is still time, son. Learn to live in balance. Listen to the teachers and heed their words. One ignores the truth at one's peril. When you take, you must give back. When you are given to, you must re-give. Treat others as you would like to be treated. If (when) all come to live by that one golden rule/law, we will be in a perfect world. It will come. It WILL come!

As the purification rolls on, the natural shaman will ascend to his rightful position within mankind and fill the vacuum left by the false priest of arrogant medicine and science. Life will become simple and clear then and re-balance will naturally occur.

"LOVE": THE INNOCENT FIRE

You can see and feel love everywhere if you become still within. Have you ever met the innocent gaze of a child and had him burst an unconditional smile your way? Have you ever smiled like that since you were a child? Have you ever seen a "wild" dolphin leap clean out of the water with the pure ecstasy of being? Gaze at a garden or forest of plant people in stillness and feel the love and willingness of being as they anchor to the mother and reach for the warmth of the father's radiance. See the many creatures live and breathe and dance with life. They are all innocent children. They are love; the innocent fire andso are you. Awaken, remember, be still, let God in, let ecstasy take you, have you and have its way. Be the bride of Christ. Know that you are the son or daughter of the most high love. He is also as innocent as a child, you know. He loves all unconditionally, yet He is the author of all wisdom. My God! You must experience how tenderly you are held and cherished. It is "we" who judge ourselves harshly and hold grudges and accuse one another, not God. He only waits and beckons to you in a million ways, every day, to awaken and remember. Meditate. Walk through that gate and know the truth. No one, neither God nor Sananda nor I nor anyone, can walk through that gate "for" you. "You" must walk through of your own free will. Engage!

The sacred four direction of man are mind, emotion, soul, and sex. These make up the aspects of our being that require self mastery in order for eternal freedom and being to take root in us. There are two other divisions that must come into play also. They are, as above, so below; the monad and the gonad. From your crown (chakra) or monad, you must bring in the energy and anchor it to your gourd of fire or gonad. So you must stand in the middle of the wheel in the center of the cross

of Alpha/Omega and address each direction with balance and respect. When you bring the energy in your crown from God and anchor it, you are then “Christing”. I see the word Christ as a verb, to “Christ”. Through the Christ you get to the Father and He to you! It is done through meditation, through discipline and through attention. Well, take your time, you have all eternity. However, we are closing a great cycle and the opportunity to fly through this portal has never been better and will not return with such magnitude for another 350,000 years. Now Sananda is a true master of Christing as well as the Lord of the Gold ray and I’m sure he will be happy to assist if asked. So, if you want “Jesus”, then you have him too. However, he will not, cannot, do it “FOR” you, only “WITH”.

THE MIND

Through meditation you can learn to watch you mind and “see” what it does and how it works. The more you examine self with ruthless objective perspective, the more you will become familiar with the mind and can see how to change it, discipline it, direct it, command it and thus come to master it instead of it mastering you. The mind is one of the four lower bodies and must come under your dominion in order for you to master self. Remember, you are not your mind, “you” are spirit. Your mind is your possession. Be not possessed “by” it. Meditate.

THE EMOTIONS

This is a real rip-roaring one for most of us. Especially rangers, I tell you. What treachery these things are when they are out of you command. They cannot be “suppressed” into mastery. They must be raised unto a higher octave of address. “Peace, be still” is the watch-word here. If you must “vent” profusely, then do so, while at the same time being aware of a “stillness” behind your emotions. When you are done venting, go directly with your mind into that stillness and seek resolution and light to apply to the reason for your outburst. This will bring you back to balance and stability within self and you will experience light “burst” within the matter. You may feel a little foolish when you realize that if you had been still and done that in the first place, you could have avoided the venting. “Eureka!” You are on your way to masterhood. Every time you catch yourself, take two steps forward. This is the discipline of the “path”. You will find that you vent less and less as you progress, until it becomes a habit to go to stillness whenever there is need of balance. This is the Ascended Master way of life. It is most rewarding.

Let me tell you that you are getting this from a former “champion venter”. I should have done Shakespeare. I could have played Heathcliff in Wuthering Heights. Now, after years of practice, stillness is a habit at last.

Let me just add that there is a difference between the passion born of love and the lower emotions. Never suppress this passion. It is a symphony, a dance, a poetry of expression. It is high joy and desire. When you are anchored in stillness, then you can truly know the reality and beauty of love passion. Without stillness, lower emotion is where you fall. Love passion is one of the three powers of actualization which are: un-bending intent, blazing love passion, and clarity of goal. The present moment is where lies all power. The present moment lies directly between future and past or vision and memory.

THE SOUL

The soul is your akashic. It contains the sum total of all your experiences through time and eternity, ALL your lives, your loves and losses; your victories and defeats, your trials and accomplishments and on and on. In meditation you will begin to “see” all of this come up. You will have flashes of your history and who and what you have been. Things you are particularly struggling with now, have most likely followed you through time. As you invite light and divine

assistance and understanding and guidance into your crown and anchor it in meditation and communion, you will begin to experience bursting revelations and comprehensions unfold. You will "see" through the veil and gaze into perfection. You can then begin to replace discord with this perfection of feeling. This is grace. This power heals and completes your karma [H: I do not like the definition now applied to the word "karma", so let us release the burden of assumed penalties and paybacks and other unseemly definitions and simply state that you free yourselves from restriction so that you can, as a student, SEE and UNDERSTAND the LESSON at hand. In the power you hold as creation of GOD in perfection of reflection it means you also have the power to cast aside the "karma" and simply do not accept it.], so to speak. It is simply resolved and lifted off, freeing you and your mind and emotions and allows the true passion of love and life to come forth. This will happen more and more as you go.

All this progress is painfully slow at first. It is the same for everyone that way but the further you go the faster you go and you can fly free for very long periods. Then it is but a matter of fine tuning and flight time experience. You will find that your soul is clean and new and that you suddenly have a great deal of "space" for wonderful things, space that was formerly taken up by conflicts. You have forgiven all and self for all trespass. This is freedom. This is true freedom and you will find yourself having tea with God every day. It is simple. Not easy – simple.

SEX

Yeeow! No! Not that! Can't we skip this one? I remember wishing that very thing not long ago. However, if you want complete mastery and freedom, you can't...skip it. It is the very gourd of fire. It is the life force itself – the kundilini. I speak of it last because, for so many, it will be the last to be mastered. I haven't mastered it yet myself, but I'm on the way. Sex is an irresistible urge, of course. It is the force of intent of all life to make more of itself. Sex drive is the life force of God. It cannot be suppressed or ignored. What a silly idea, but it can be meditated upon and light brought into the matter. It is not the highest expression of love, in my perception, but it is the primal love drive of life itself to make more life. Only "man" has had the free will to "warp" this beautiful thing all out of shape. Only he can use this force as an instrument of egomania. I can only say that it will never go away. It can only be "refocused".

As you rise in awareness, perception, range and light, you will experience a gradual lessening of interest in making babies and just "screwing around", so to speak. I don't mean to degrade the experience for, when there is "true" love, sex exchange is a most beautiful and powerful passion. True love is rare, however, yes? You can and will grow to evolve out of any misuse as you progress in awakening. The old expression will be replaced by new realizations. Ascension is all about "generating and conserving energy". To master self, you must stop wasting energy, you can "recycle" all that energy back into your equatorial grid and use it to be conscious with – in fact, super-conscious – or for anything else for that matter. You can replace cells faster than they die and thus experience "eternal youth". You can, in fact condition your body to accommodate enough energy to transfigure your being into ascended "light". This is it! This is the secret!! Simple, huh? Easy?.....No! It takes time, desire, discipline, and commitment. However, you have what it takes already built in. We are like unto warp-drive starships who have come to believe that all we have is impulse power.

When you are truly tired of the merry-go-round of Karma and you just "see" through it one time too many, you will engage this path as surely as a child sheds a bicycle in favor of a car and he won't miss the bicycle after the first cruise at sixty miles an hour. It is just growing up is all. It happens when it happens.

[Hatonn: This is a bit thick and deep and I will ask you to wait and get the book for the rest of this subject writing for I take exception to the lesson offered. Always man of Earth

human species efforts to cause this experience to be totally boggling to himself. The facts are, friends, when you get focused on responsibility and your purpose for experience in this journey – **YOU SIMPLY FIND THERE ARE OTHER THINGS FAR MORE URGENT AND IMPORTANT TO YOUR MISSION THAT DINKING AROUND WASTING TIME AND “USING” ANOTHER MALE OR FEMALE FOR YOUR UNGUIDED RELEASES AND EXPRESSIONS – MOSTLY OF CONTROL AND POWER.** You will be fed everything from deep breathing to masturbation as necessary and officially authorized manners of expression even unto being a medical necessity. No, it is necessary that your heart beat – sexual intercourse is not necessary under any CIRCUMSTANCES – even unto procreation as you must be aware today. You have been taught all sorts of erroneous things about that activity but almost 100% are wrong. That one act and seemingly need for that act has brought your nations and peoples to total destruction! You are going to come into control of all things physical for self or you are simply substituting one action for another under the misperception that it is somehow NECESSARY! IT IS NOT! The author gave you the answer to his own misperceptions in the beginning of this writing on this subject when he said “...I have not mastered (this one).” How can I speak of this? Because I HAVE mastered it!]

THE GAIA MIND

Picture the earth surrounded by a golden aura glow. Remember the gold ray as the sustaining mother principle of God. Now give the earth a name, see her as a mother, a goddess in wholeness. She is Gaia, a garden of life.

Because the nature of spirit is pervasively electrical, all forms exist in oneness and unity and the “intent” of spirit is one of balance in and between all things. You are out in space, now, like a god looking down at Gaia as witness, floating in stillness. See this as true, what I have said. See Gaia and all life forms as one individual with the life forms being different parts of her body in expression. Now, where is Gaia’s brain? Which life form represents her brain? HA! There “you” are. Now you are back of Earth, sitting in a chair. You are it! You are her brain, man. Man is Gaia’s brain. He is the being in which spirit can be conscious of itself. He is the periscope of God and the brain of Gaia at once. Quite a being, huh? OOPS! THIS JUST IN! A CRISIS REPORT. MAN IS ONLY USING 3 PERCENT OF HIS BRAIN. THERE’S TROUBLE IN THE GARDEN. MAN IS RETARDED. He is sleeping soundly in a sensory jungle, pin-balling like bumper-cars, in a freefall reactionary amusement park. Who’s tending the garden? Who’s minding the store? Oh my God! This just can’t be! Oh yes it can...and is. Clap! Clap! Time to wake up! What is that other 97 percent of the brain supposed to be doing? Let’s go deep now into the answer.

Now we are back to the reality “range”. Now we also go back to the beginning – the “primitive premise”.

When man was first placed here, he was more light than physical. He had a complete comprehension and awareness of Gaia and all she contained and was the witnesser, balancer, tender, co-creator being that accommodated all of her mind and being within his mind. Like a fully activated computer “modem”, (monad), he was linked to the master computer of God and Gaia

and thus served as the man or spirit in the field and the “leg man” for God, the great mind. This is being 100 percent “on” folks. This is “unlimited” range. Our brain is designed to accommodate the universal and Gaia mind altogether and accomplish rapid computations at the speed of light and thus bring about and maintain balance and integrity within all and between all things.

Our modem got turned off, and we lost contact and oneness with planetary and universal mind. We thus simply “fell” into the sensory pin-ball arcade and have bouncing around ever since. Not to mention being jacked around by the “pin-ball wizard”, you know, those “seedy” types that just hang around and cause trouble for society.

Well, now we are back to meditation. It is the gateway to full activation again. We have an “arc of the covenant” already built into our beings. Step by step, sequence by sequence, we can re-activate our modem/monad and come back to experience one-ness with all once again and thus fulfill our purpose and destiny. Reactivation is a process, however. Our bodies are not conditioned yet to sustain or accommodate “full” brain/mind activity. The computer has been “down” a long time and, if we tried to do 100 percent straight away, every circuit in our being would “blow”. So the sooner you begin activation, the sooner you will arrive, through process, at 100 percent again. Sooner or later you must and will. Why not sooner then? When you reach 100 percent activation, you will be where Sananda is and all the other Ascended Masters.

There have been times in my “hot” moments when it feels like I have managed 20 percent activation. It is an awesome and ecstatic experience. That percentage is a guess. Only God knows where I am in the process. That’s okay. I’m on the way. That is the important thing. I’m busy being re-born or re-activated. Much better than to be busy dying.

Man has called this re-activation experience by many names like samadhi, nirvana, the kingdom of heaven, rapture, etc. Well, call it what you like. Just call it.....in. This is the highest goal of man that I am illustrating. This is the “God Head”. When you reach 4050 percent, you can qualify to drive a starship and go where you will. You can then be a master tender and co-creator. At 100 percent, you are a builder of worlds. Ah Ho, brother. This is the “great” work. This is the grand journey....back home.

Now I must bring forth the knowledge of our counter-parts in Gaia. We command the land. Who commands the sea? Right! Whales and dolphins. Their great brains have never lost activation. They have continually commanded the balance in the oceanic world. They have also been suffering greatly from our retardation as we mindlessly dump poison into their world and ours. They call to us in crisis. “Where are you, brother?”, “What is wrong with you?” they ask. They beach themselves and die in front of us, trying to get the message through the meat-heads. I’m amazed when people go down to the beach and scratch their heads in wonderment. “Why did dey do dat, duh?” They wish for us to re-activate so that we can cross-reference in brotherhood once again.

God and Gaia know all about this. They also have brain-tool people with enough activation here at this time to accomplish their intent. Intent such as, “atomic transfiguration”. Now from Pleiades source, I have received information that states that this planet, Gaia, was designed to “comfortably” accommodate five hundred million human beings. Since I am human here, this idea causes quite a “cringe”. If this is true, then humans are more than ten-fold overpopulated here. I can’t help but look around and see the probable wisdom of that figure. Man is such a smart-ass. He invents and invents greater technology in order to “squeeze” out more resources from Gaia in order to what, see how many of himself he can cram in here? He can neither properly feed, educate, love, or create comfortable room for those he has now. I have to give the white man and red man credit here as the only two races that seemed to comprehend the value of limited family size. The white man saw this as a way to create greater family abundance and liberation. The red

man saw the ultimate truth about how many of man's numbers Gaia was designed to accommodate. However, all men have and have had their share of retarded foolishness and I do include myself.

From this knowledge base, I think we had better be prepared for many forms of Gaia's rebalancing and purification, as well as the atomic transfiguration effect. She has always had her way in her dance with Creator's life. Little boys will often be quite naughty, till mommy comes to whack them back to civility, as she has done many times in the past. Now, however, in the ending of the great cycle, Gaia must transit into a higher frequency of life. Therefore, her "special" work with "special" children is coming to an end. She must have strong and awakened children with her now. The "special" duty will fall to another mother being, it is someone else's turn, she says. And so it is. So, hurry up kids. The bandwagon is rolling by now.

As Gaia moves, we must move and change with her. If she does rebalance us to a half billion optimum, there is going to be a great deal of "space" created for the remnant. We must remember that God and Gaia will give us anything we want if we will "balance" within the law. As we learn to awaken and use more of our brain, we will see "how" to do things in a more graceful and gentler fashion. After the purification, I'm sure that the sentiment of wisdom will be that, "Let's not go through that again, shall we?"

The civilization of the fifth world must be simpler and more refined, as we human beings become simpler and more refined. A unity and comprehensive consideration must bloom in our minds. Truth must become obvious. We need not become hunter/gatherers again, nor do I feel we should. We've already done that. Let's move on. Let's take the best of what we have done and amplify and harmonize it with Gaia. We must re-emerge as her ultra brain-mind being. This is what we really want anyway, isn't it – to be home and safe and warm? Let's go for it. There has never been a shortage of anything here but awakening. Well, except that we cannot make the Earth "bigger" in order to accommodate more of us. Man must come to control and master self. God and nature cannot do that for us, at least not in a way that we would like control to be.

We must harmonize with the obvious laws of creation if we want a paradise world, and if we want to be sons and daughters of paradise. Man is "planted" on worlds with the intent that he civilize himself and master self in order to grow to star-level co-creator/sustainer. We are meant to be the instrument and co-operator of the great mind as a worthy participant in its infinite growth and expression. Pin-ball was not in God's planning. That was someone else's idea, the adversarial one; in fact, the one who wishes to be God unto himself and make his own laws. Well, he must come to realize that the creation can never over-come its creator. That should be obvious. Would you let your hand slap your face under its own power? Not for long, I'll bet.

Let's go now into the meditation of the fifth world in full, and how we can get from here to there in one piece and what "there" can look like and be like. Our goal is to create and sustain a civilization and world, on a par with those of the Pleiades and a "man" in harmony with all to live it.

END OF QUOTING FOR THIS SEGMENT.

Thank you for a long morning. May the voice be heard throughout the lands that MAN can and may find his way.

Salu, Hatonn to clear, please.

" One, John Toland, wrote a book entitled INFAMY--PEARL HARBOR AND ITS AFTERMATH. In that book he documents the fact that FDR and his top military leaders had plenty of advance warning of the attack and yet no warning was given to the forces at Pearl Harbor! Why? Because

FDR wanted the Japanese attack to fully succeed. The deliberate sacrifice of more than 2,000 American Servicemen's lives was just the right medicine to cure America's anti-war attitude. To the cries now, of "Remember Pearl Harbor", you Americans went off again to war to win Saudi oil for the Rockefeller oil cartel! "

This is a crucial turning point in our efforts to lead you to a full comprehension of your own personal identity as an extension of the God-Identity. These upcoming units of discussions will be referring to the science of the recognition of the Truth of the Cosmos.

We have been dealing with the Science of Man. We shall now think in terms, please, of Knowing the Cosmos. The purpose is to give you a comprehensive understanding of your Oneness with the God-Identity by enabling you to transcend your physical-man identity completely and thus become the "Knower of the Cosmos" instead of merely a thinking extension of the Creator whose limitations of thinking are bounded by the ever-conscious fact that the man-idea is but a part of the whole and not the whole. You MUST NOT CONSIDER THIS AS BEING JUST ANOTHER EXERCISE IN MEDITATION FOR IT IS NOT AND IF YOU CONSIDER IT TO BE SO--YOU WILL MISS THE LESSONS INVOLVED. You ask and ask "how to" and yet, you must first learn "what is" or it values you not to know "how to" for you will negate your own intent. The LAST thing we desire is to have a bunch of zombies in a state of trance, sitting for hours or weeks or months. Communion must become your instant state of being--not something you struggle for and which evades you. Clear your space, discard all entrance to dark energies and get in balance in intent to recognize God--He is already present so what is the big deal? All you need is to learn to "LISTEN".

When you arrive at this stage of where you can focus your Consciousness to higher "hearing" and sever your consciousness from the seat of SENSATION IN YOUR BODY, you will then be that KNOWER and THINKER of the WHOLE instead of being bound to only a part of it by the limitations of your body. As long as you are thinking about sitting a certain way, drinking a certain tea, eating a certain "meditation" food or holding an amulet a certain direction--you are focusing on the wrong thing. Any of those CAN be tools but they usually become THE OBJECT OF FOCUS--NOT GOD. God is with you constantly--ALWAYS. You must not believe you must GO somewhere OR DO some ritual--you have to simply go within into the quiet where God is located--not out there somewhere where nothing IS. As long as you look for God (out there) you will never find HIM. You

most certainly CANNOT EXPECT TO FIND GOD THROUGH ANOTHER. The "OTHER" can only recognize that which is his. As you then become "a cosmic being" who recognizes and acts in unity with The One Cosmic Being, you will BE that One and will knowingly be able to say, "I and My Father are ONE."

That stage is the goal of ALL mankind, for every living thing on earth is perpetually seeking God whether it knows it or not. Every living thing is perpetually turning toward the visible light which God invisibly centers no matter whether that thing is man, flower, tree, wave-current or atom. All are living things and all are light, for naught IS but light. Light is the ONE THING, the ONE INTELLIGENCE, the ONE POWER in the universe. Those searchers for God who have conceived the ONE BEING as having wrath and anger have cruelly retarded the human race in its search for the God of Light and Love which Messengers of all time have described, but this barbaric race of humans has never been able to comprehend their meaning.

The greatest contribution any human can make for human race transcendancy is to give a dynamic description of God which will withstand the tests demanded by laboratory methods and standards. The final JOURNALS of this series will fulfill that requirement and give to the world a concept of God which is so undebatably true that an atheistic person or nation would be wholly impossible in a normal society.

This new series of lessons will give a complete roadmap from static space to dynamic motion and back again to static space. Such a teaching must be scientifically based, for one must first know God's methods and processes before one can intellectually comprehend God. Even then, one will not know the spiritual God until he has been enabled to BECOME God by completely severing his physical self from his Cosmic Self, for an intellectual comprehension is still bounded by body-awareness while Cosmic comprehension is not.

To unfold this concept of the universe in so brief a description as can be given through these lessons will necessarily leave much to be added in detail by scientists, philosophers and mathematicians if they will but come into acceptance of the fundamental principles, but if what is given herein with its diagrams is received with open minds, it will advance the knowledge of the human race and its consequent higher status and completely change the perception of Man in less than one generation. When it is accepted you will find yourselves already living in that advanced civilization. Let us consider this JOURNAL TO BE COSMIC SCIENCE.

In order to comprehend the power of motion in its desire to create heat and visible light out of the cold invisible Light at rest, which Mind is, Creation must henceforth be looked upon as a universe

of Mind-imagining having no reality and be known as AN OPTICAL UNIVERSE OF GRAVITY-CONTROLLED LIGHT, for God is Light and God's Mind THINKS in waves of light.

The Christ, the consummate Illuminate of all time, told you that two thousand years ago but you didn't comprehend its meaning. The Krishna of the Bhagavad-Gita also told you that three thousand years ago but only the people of the Eastern culture faintly comprehended it. The "Ancients" always knew it and handed it down since the "beginning" through the oral tradition of holding knowledge--and now their offspring have all but "forgotten" also. I shall now tell you WHY man has not yet comprehended those teachings, for which he is paying the dreadful price by sinking into long ages of periodic mental darkness. We will begin at the beginning and clarify each step briefly and expand on them later.

The secret of Creation lies within the light-waves of motion which gravity compresses into rings of light in which density first increases toward the outside by thrusting outward from within until the centering holes have been closed into hot spheres. Density then increases in the inward direction. This is accomplished by the octave-wave process which multiplies power by projecting it from the stillness of its Mind-source by dividing it into mated pairs which science calls the elements of matter. This constitutes the sex-principle of life which science has so strangely neglected to observe as being the BASIC FACTOR OF MOTION. This clarifies the meaning of the divided curved universe of motion from the undivided universe of rest which the Illuminates, sages and prophets of the ages have tried to define.

THE INERT GASES ARE THE "HEAVEN" TO WHICH ALL THINGS RETURN WHEN THEY DIE!
ALL THINGS!

There are nine of these inert gases. They step up their potentials in mathematical ratios from the first to the ninth. The tubular varieties issue from the first of these. In them, densities increase in the outward direction by pressures exerted within. They correspond to the rings of light heretofore described as cyclonic centripetal vortices. The solids issue from the inert gases of higher potential in which the holes are closed. In these, densities increase inwardly, like the oak or ebony, by pressures exerted inwardly from the outside, corresponding with the solid metals and minerals like carbon, iron or quartz, or even such liquids as water.

All of this goes to show the simplicity of this new science, for all effects of motion follow the same pattern and principle. All effects parallel each other in their construction. They all multiply cold and divide heat. (This principle is demonstrated in the New Laws of Thermodynamics.)

This process of Nature constitutes the principle of photosynthesis, the process of growth and

decay of all matter and all life on Earth and in the whole universe. It is God's bookkeeping system. It faithfully records every thought and every action of every growing thing on Earth and photographs them in the seed of those unfolding-refolding things by that process which is called life and death.

There is so much to be written and rewritten for man pays little attention to that which has previously been given unto him. Each time, however, that it is again brought into his attention he pays a bit more attention. That which was brought forth thirty of your years ago can now be uncovered and reconfirmed in truth.

You humans of Earth station are caught in a battle of life struggle from which you must be translated, transmuted, for you cannot simply evolve into higher substance. You have worked for too long in the discipline of self-gratification inbred by the Dark Masters.

ALL THE SIGNS ARE PRESENT

These portions shall be placed afore the messages of Seven Cohans of the Seven Rays of Life. The purity of these teachers and the "Orders" established have been degraded and the names themselves taken and usurped by the Evil Brotherhood to cause the human to lose of his path unto his greater heritage. It was that these orders were establ

ished so much longer ago than you ones can imagine and were only for designation of identification that you might recognize a name, a label—just as the Master Cristos has many labels according to the language and cycle of evolution. I have had as many labels as you have groups of people—it does not mean I bear separate energies—only that man must give all things labels for he can no longer discern “pure energy” in silence. Ye are bounded by need of words to communicate and still you cannot have accuracy. For instance, the Fraternitas Rosae Crucis which was the Order of the Rosy Cross in no way resembles that which was established lo those eons of sequence past and to label yourselves in truth with those labels almost assures that you will not be acceptable as other than workers of Satanic orders. For Satan has cleverly and totally absorbed the compilation of peoples who call themselves by those names in your present days. MAN DOES NOT WISH TO KNOW HIS ANCESTRY. IT IS EASIER TO DRIFT IN A SEA OF MYSTERY AND MYSTICISM OF “WELL, I WAS MOLDED OF DIRT, WAS TEMPTED BY THE SERPENT, WILL LIVE OUT MY LIFE IN EVIL, WILL SOMEHOW RECOVER AND MEET THE MASTER CHRIST SOMEWHERE IN THE AIR, SOMETIME, SOMEWHERE WHEN ALL THE SIGNS ARE PRESENT!” ALL THE SIGNS ARE PRESENT, CHILDREN, AND YET YE WALLOW IN YOUR PRE-SCHOOL IGNORANCE—ACCEPTING THAT WHICH IS THE LIE AND REFUSING THAT WHICH IS TRUTH AND PERSECUTING THOSE ONES WHO ARE GIVEN THE TRUTH IN THIS MANNER. TRUTH BRINGERS DO NOT REAP GREAT REWARDS FROM THEIR TASK, THEY DO NOT HAVE SEMINARS TO ENTERTAIN THE MASSES—THEY DO NOT STUDY THE GREAT ACCEPTED “AUTHORS” OF BOOKS OF “AUTHORITY”, THEY SHUT THEIR MOUTHS, OPEN OF THEIR MINDS AND RECEIVE THE TRUTH—FURTHER, UNLESS YOU RECEIVE OF THE TRUTH YOU SHALL NOT BE DRIFTING ON ANY CLOUDS TO ANYWHERE EXCEPT MORE DENSE RECYCLING IN NETHER WORLDS OR DRIFTING IN THE SAME TYPE OF ASTRAL VOID AS YOU HAVE CHOSEN UP UNTIL THIS SEQUENCE OF YOUR CURRENT SOUL EXISTENCE.

THERE IS ONLY PURITY IN THE KINGDOMS OF LIGHT. IF EVIL TOUCHES WITHIN THE KINGDOM OF LIGHT, THAT PORTION IS REMOVED.

WHO IS TELLING THE TRUTH?

You ones petition unto Me, “How can I tell if this one or that one is `real’? Is he of Truth or the lie?” Most simply, My chelas, most simply discerned. If he stands or sits before you and teaches less than the Laws of The Creation and the Laws of God he is not of Me. This does not mean that man is not allowed to err, but he is not allowed to condone evil in any measure. Man does not like the Laws of Creation and the Laws of God so he rewrites them in order to make them right unto himself. Man has rewritten all commandments given unto him and if one does not fit into his personal way of practice, he makes new ones, then “churches” are built and reformed and reformed to suit the “needs of current belief”. NO! IT MATTERS NOT WHAT MAN CHOOSES TO REWRITE OR REFORM—IF HE BREAKS THE LAWS OF CREATION AS GIVEN, HE IS COME INTO EVIL. THE LAWS AS GIVEN IN SIMPLICITY BY THE ORIGINAL INSTRUCTIONS FROM CREATION OF EARTH ARE QUITE SUFFICIENT, MY PRECIOUS ONES. IT IS THROUGH THE NEGLECT AND REFORMING AND FALSE PERCEPTION THAT YOUR EARTH IS NOW TO THE POINT OF DESTRUCTION. HU-MAN IS A MOST IGNORANT LOT AND MUST LEARN THROUGH THE MOST DIFFICULT ROUTE THAT HE CAN CONJURE. SO BE IT. DO NOT THINK THAT WHAT THE SO CALLED “CHRISTIANS” OF TODAY, OR DURING THE

CRUSADES OR THE INQUISITION WAS OF THE "LAW"—NAY, THAT IS OF EVIL MAN'S DOING.

THE SEVEN RAYS OF LIFE

Ones who come newly into the lessons must now have opportunity to draw on integration. Most seem to think that in an interim of time twixt 2,000 years ago and this day that we of the higher dimensions sat and twiddled. Not so, and further, there were brothers in thy service and guidance instructors from long before the time of Immanuel. These ones are spoken of in the books you call "Holy", as the "seven spirits before the throne".

I shall not dwell at length on historical data at this time for it is well documented by a scribe who was schooled by your Master Teacher, Sananda, in the place recognized as Peru. One came forth and gave unsanctioned information and thusly did he give much incorrect information. The historical value, at this point for purpose of introduction and visitation of the Cohans of The Seven Rays of The

Brotherhood of the Seven Rays, is not material. It is important only in that you ones in the reading from total blindness (and in this I include this scribe), can know that the Brotherhood of the Seven Rays are your mentors and man's individuality comes under the forces of the great Seven Rays of Life. One is guided by the powerful forces at work within these Rays. Each and all flow into conscious Life upon one of these Rays, and your Life experience is influenced by the Ray through which you descended.

The First Ray is the way of Leadership; the Second Ray is the way of Education; the Third Ray is the way of Philosophy; the Fourth Ray is the way of the Arts; the Fifth Ray is the way of Science; the Sixth Ray is the way of Devotion; and the Seventh Ray is the way of Ceremony. The Esoteric Colors of the Rays are: Red, Light Blue, Green, Yellow, Indigo, Rose and Violet. Just for hasty explanation, all the members of the Brotherhood of the Seven Rays are identified as being in the Amethystine Order. This is the violet or amethyst (purple) Ray.

THE VIOLET RAY

The word amethyst comes from amethystos, the Greek word meaning a cure or remedy for drunkenness. The violet Ray will prove, in its purifying aspects, to be a cure for the Earth's drunkenness, a remedy for her sickness. This does not mean that the Amethystine Order is going to "save the world from itself"; it does mean that the Brotherhood working in the Seventh Ray focus will be of great importance in the days ahead for chelas (students) of Truth. Listen for the voices and input from these, your guides, for they will tell you the way and bring great and wondrous gifts of knowledge and Truth unto you of Earth transition. The Cohan of the Seventh Ray is beloved Germain (Master Saint Germain `Ragoczy')—you see, labels are a devious determinate. In other words, he is Lord (Master Teacher; Spiritual Head) of the Amethystine Order. This is a time of transmutation and translation of a third dimensional planet into her fourth dimensional graduation.

There is something most important for you to learn right here and right now; The Amethystine Order is an Illuminist Order of Essenes, in that all members follow the Essene way of life. THIS IS WHAT WOULD BE THE ESSENE FOUNDED ON "TRUTH", NOT THE CURRENT MAN-ADJUSTED TRUTH. I WILL LAY A BIT OF TRUTH UPON THINE EYES FOR THE WORLD WOULD CLAIM THAT IMMANUEL WAS AN ESSENE—NAY, NAY—HE WAS NOT! NEITHER DID HE DWELL LONG WITH THE ESSENES. IT DOES NOT MEAN HE TOTALLY DISAPPROVED OF THEIR WAYS, IT MEANS HE CONNECTED HIMSELF WITH NO CULT SAVE THE PATH OF TOTAL TRUTH AND LIGHT.

TRUTH AND THE LAWS OF CREATION
DO NOT CHANGE

"Truth lies deeply in the laws of The Creation, and there man shall seek it and find it. He who truly seeks shall not stop seeking until he finds. When he finds he will be deeply shaken and astonished, but then he will rule over the universe as his Creator intended, for man must recognize that the kingdom is within himself and also outside himself. He must also know that he is sent as a guardian for those other wondrous creations within The Creation."

So be it; man would better turn his eyes unto the ancient ones who bear the symbol of the red hand for theirs is a passage through the red path to Light and Truth. Man must turn from the black hand for that is the symbol of destruction. The "Lost Cities" of your South America and the newly arriving space visitors are greatly connected and both play a most vital role in your present circumstance.

Lemuria is the label for the last part of the great Pacific continent of Mu. The destruction of Mu and its submergence began before your year 30,000 B.C. This destruction continued for thousands of years until the final portion of Mu, known by then as Lemuria, was submerged in a series of disasters. This occurred just prior to the destruction of Poseidonis, the last remnant of the Atlantic continent, Atlantis.

Just as you ones are informed, today, of how it will be and turn away, those people, too, continued their blinded ways. Those working on the Left (Black) Hand Path continued diabolic experiments and heeded not 'MY HANDWRITING ON THE WALL' just as today, on your sickened Earth,

millions of inhabitants are continuing to involve themselves in every degradation possible, even though the signs of the times are clearly discernable.

PRECIOUS ANCIENT KNOWLEDGE PRESERVED

The Masters and Entities working on the Right (Red) Hand Path began to collect the precious records and documents from the libraries of Lemuria. Each Master was chosen by the Council of the Great White Hierarchy (Lighted Brotherhood) to go to different sections of the world whereby scientific and spiritual knowledge of the past sequences could be placed in secure preservation.

Those wondrous treasures are preserved unto this day. At the time of upheaval, as these continents make changes, certain other places will be thrust upward just as was the Peruvian area of Titicaca and no man will recognize of it. But it will be those same places which were preserved from the going down of Mu that will be sustained and thrust even higher into the safety from the ocean depths.

You ones in this sector are receiving of these messages for you are in a location of great and enduring change. At the proper time, the history in correctness shall come forth from its proper source and Beloved Thedra, who has tended the documentation in total trustworthiness, shall bring forth Sananda's personal lessons of how it was. In addition, the one of my Beloved council of the ancient tradition shall bring forth those oral teachings in truth. Those who have given forth the treasures and sold of their traditions shall reap of the wind for they were not given permission and therefore their work is not pure but tainted with greed for human gain. This scribe will simply put to paper that which is given to her by impulse signal in translated format. Be kind, oh man of Earth, for most of these things are not according to her own knowledge as implanted by past experience, Earth teachings and educational lessons in this sojourn, therefore, the impact is great. It is the greatest test of a scribe to put to print that which is almost too shocking to accept within self. THERE IS NO DARKNESS WITHIN THIS SCRIBE NOR WITHIN HER SPACE AND SHE IS PROTECTED BY MINE HAND FOR IT IS MINE SEAL I PLACE UPON THESE WORDS. SO BE IT AND SELAH—FOR AS I SPEAK SO SHALL IT COME TO BE.

Take a respite, Dharma, to collect of your fragments. Your beloved "Grandfather" of the Silver Ray of Creator—one of mine most beloved first born, Sanat Kumara, will bring unto you a message to be penned. Blessings, little sparrow, for ye please me greatly. Peace.

FROM THE STAR IN THE EAST CAME HOPE

Long ago, and I stood witness, a great light appeared in the East. This was the sign unto man of Earth that life eternal would be Truth. No soul, no matter how degraded, shall be denied admittance to the great school of life. This is the time when truly the lion shall lay down with the lamb.

On the Earth there is great confusion in man's minds that cause the turmoil and even the seas to boil in hatred; but HE came to prove that the troubled waters can be calmed and stilled, the fury of the winds can be hushed by the raising of HIS hand in loving benediction. The Father placed the

Earth and all celestial bodies in the heavens. They are created out of spiralling primordial matter for man. Man was to be the god of physical form: man, the highest expression of Deity known in the entire Omniverse. Ah, but man misunderstood and misun

derstands yet unto this day. O, man, realize that you are the highest form of Deity anywhere in the entirety of the Omniverse. This does not mean that you are the only “man” within the Omniverse. But there is nothing beyond you—in this you are grand. Ah, but also in this you are the lowest.

You are lowest because you have knowing and other life forms do not. Therefore, you must be both their brother and their servant.

ALL HAS LIFE

There is life and intelligence in all forms, as ancient man knew and respected. Man alone is not the only “thinking” being. It is “reason” that sets man aside from his other relations. Every element, every mineral—all forms—have inherent intelligence, and man is sent to be their keeper and their elder brother. Have you given care to thy role of caretaker? Have you protected and guarded? You are the elder brother of these forms, innumerable forms throughout the Omniverse. It is up to you to raise them to ever higher evolution as they, along with man progress up the worlds to infinite grandeur, to Infinite Light. Have you set the pattern to growth or destruction?

CONFUSION WILL GO—WHERE WILL YOU BE?

The great beauty of the ages now approaches wherein all doubts and fears shall be rolled away as a great scroll. There shall be a great thundering. The heavens will be torn asunder. Then man will view himself and will look into his mirror of ‘knowing’—no longer will there be confusion. If man will but accept of his scepter of God’s gift he will no longer be hindered by the darkness of ignorance and superstition. Know this, and in knowing it there must of necessity be sadness; and yet there must be gladness for the beauty that it shall bring forth.

But you must know of that which impends and is forthcoming. Yes, there can be atomic detonations and cosmic ray bombardments—so be it for if you will but do as you are instructed, you can come into safety—these are the “effects”. But what is the “cause”? The cause of the destruction that shall come upon the Earth is from man’s own thought patterns.

FAULTY THINKING

Since the time when the Sons of God came in unto the daughters of men and animal-man appeared upon the Earth he has been striving from beasthood back to angelhood. But faulty thinking shall now break forth as the elements refuse to be regarded as they have been so regarded for millennia upon the Earth. They are part of the Infinite One, and because they are part of the Infinite One they will not respond to man’s negative thinking any longer. They will rebel, causing great tidal waves and great winds. It is already so! Millions shall perish for they will not see nor hear of the Truth nor of the warnings. They shall be placed anew on other places appropriate to their level of progression in the spirit growth. Because of the remnant that must remain, the Earth will be purified and raised to a new dimension and vibration frequency.

Very soon the winds shall scream, sooner than you can realize—it is already upon you, for I have witnessed it in the plane above that of physical expression upon the Earth, and that means that if it descends one more plane, it shall find your reality. The fields and the great cities shall be desolate without inhabitant. Can you even imagine a world whose great cities are without inhabitants? It is sad for man is forewarned and turns his ear to the noise of that which he has created in confusion and for hiding from Truth—running away from God instead of into His great security.

O, man of Earth, if you but knew the love that descends to you from spheres innumerable, from minds inviolate! If you would but listen you would know. There can be nothing but beauty. From all the catastrophe that shall come only the vision of a beautiful 'perception' shall remain, for man steps forth in a purified light of his own creation. But man must see and listen.

The forces of the Black Dragon can deafen the ears of man to the music of the spheres, to the wondrous melodies of the angelic hosts, but yet they have not found power to still the celestial movements for, no matter how powerful their armies, the Moon will still remain to meet the dawn of a new day. They have not yet learned how to still the melodic song of a brook nor can they, in their attainments, reach the heights that the eagle can reach in his soaring upwards, as a great prayer that rises from the Earth towards the Infinite One, for the eagle is master of the Earth above all of them.

BEAUTEOUS EARTH

Remember, beloved, the beauty of Earth is in the creation that you stand upon, from which you derive your nourishment. It is like the bosom of our Father/Mother, where you rest your head to regain strength. It is your Mother and yet it is also your Father. The Earth is a beautiful world, vastly more beautiful than some of your neighbors. I have always loved Earth beyond all other creations, for I see within it a melody that has not yet escaped into the ethers. I see it crying as one bound and shackled. She shall not, however, be deprived her celestial song much longer.

No, the Black Dragon, with all its negative force, has not been able to take away from the beauty of the creation. That force has not been able to deny the brook or the world the twilight song. Yea, if they could do so they would do so.

It is truly recorded in the greatest archives of Akasha that God did truly provide and man divided. That is the seeming motto of Earth. Man must come back from his multitudinous sins to the One God, for it is not in complexity that we find the Father—it is in total simplicity that we find Him.

collection from the PJ's some place, posted on my forum in a discussion about Creating. Enjoy.

**DESIRE is the
motivating force of all Creation.**

Inspired Man alone can create enduring things. To create you must first --conceive. To conceive you must stop thinking and KNOW. All sensing must cease. There is no power in thinking. Thinking but expresses the power which lies in knowing. You must project your Selves into the still Light of KNOWING to commune with God. You must become one with God to conceive an idea in order to produce the form of that idea. A concept must precede its manifestation in form.

Organic matter generates purely from the desire of mind to manifest idea in matter. The cosmic desire to create form produces the desired form. DESIRE is the motivating force of all Creation.

Man begins to express the idea of man as a single cell. The whole idea of Man is that single cell. It then unfolds in orderly time and space (sequence) according to cosmic law. Likewise, the whole idea of all Creation is in that single cell. All idea is omnipresent. There are no parts of the Whole. Each step in the unfolding of the Manidea follows the continuing desire for unfolding. Cell memory of purpose is given to each cell as it unfolds. Pattern of idea follows in sequence as desire in God Mind and desire in the growing idea work together to express the idea in form.

Every action of unfolding Man is a part of the unfolding of the man-idea as it exists as a whole in God's mind. Any desire of man is, therefore, a two-way extension of the Light of that idea from God to man. Whatever God desires to express in Man He will express, for He is Man's Creator.

Who am I? If I be God, then I have Created YOU. It must follow, however, that if You, too, be God, then you have created that which you have become. All the blame, credit, discredit, etc., cannot change the fact that YOU have created that which you have become and it will, therefore, require that YOU change it if it be changed--for if I be God, I have given into your keeping that fragment of Me which allows you to create for self that which self becomes.

Whatever man desires, the God within will create. Man must however, co-create WITH God according to God's universal law. IF MAN BREAKS THAT LAW, THE LAW WILL BREAK HIM TO AN EQUAL EXTENT. Therefore, it behooves Man to learn to act within those laws of God and the Creation.

Instinct is, therefore, God-control over the actions of His creations. The involuntary actions of the body, such as the heartbeat, or the actions of white corpuscles, red corpuscles and electrolytes, do not know their purpose in the healing process of the

body, but God/Mind centers and controls every atom of His Creation which He then has shared with HIS CREATION (YOU)--AND EACH MUST FULFILL ITS PURPOSE. Malfunction establishes a purpose of some type of punishment for self for the creation is made in perfection--even if the perception is one of handicap or crippled-ness. If the instinct direction is to have carcinoma, for instance, the body through direction of instinctive function will create a perfect carcinoma. Therefore, it has to follow, that Man is what Man desires to be--EXACTLY. If there is perceived Illness or malfunction--locate the problem and unbalance, confront it--change direction signals and the mechanism will follow orders--explicitly.

I, the One Whole, am KNOWING Mind. I exist to think. All thinking is Light of My KNOWING but My thinking IS NOT ME. I AM CREATOR, CREATING WITH MY THINKING.

Out of My Light of KNOWING are My two lights of thinking birthed as sexed pairs of opposites for repetition as sexed pairs of opposites--this is WHY wholeness cannot be brought forth from two "likes"--there must be the pairing of the opposites.

To think is to create. I create with Light. Nothing is which is not Light. I think IDEA. Light registereth MY IDEA in the two sexed lights of My thinking, and form is born in the image of My thinking.

Form has no existence, nor have My imaginings. These exist not, for they are not Me, they are only of Me. I alone exist; I, the All--I AM!

I create my imaged body with the in-breathing of My pulsing universe of Me. My universe is My image; but MY image is NOT Me but only OF Me. All things are My image, but they are NOT ME, even though I am in them and they in Me--they are OF me. So be it.

God, the Creator, is POWER. There is no other power. ALL ENERGY LIES WITHIN THE STILLNESS OF THE ONE MAGNETIC LIGHT OF GOD!

God is Mind, the Intelligence of the universe. In God's Mind is One Idea, which God knows as One Whole idea. In God's Mind is desire to give creative expression to that One Idea by thinking it into portions. Desire in the Light of Mind IS the power quality of Mind. Desire IS the soul of Mind, the will of Mind. ALL PRODUCT OF GOD OR MAN IS THE RESULT OF DESIRE OF MIND TO CREATE PRODUCT.

The power to create product is in Mind. It is not in the product. Product has no power in itself to produce itself. This assumption that product has power within itself to produce itself is another of Man's illusions which have deceived the senses of Man during these early days of his unfolding. It is as though the architect gave to his cathedral the power of creating itself. The cathedral is but an expression of desire of the architect to give form to the "idea" of his "knowing". The power to create the idea is in the knowing. The idea of the cathedral already exists. The eyes of the Spirit can see its spiritual image as clearly as the eyes of the body can sense it in stone as a product of his knowing.

The expression of power to create the idea as product--lies in the electric action of thinking idea at rest in the Light of Mind into the two lights of waves of motion which simulate that idea.

As servant of Mind, electricity gives moving form to the idea by performing the work necessary to produce it. The power to thus produce does not lie in electricity nor in motion. It lies in DESIRE of Mind only. Without that desire Creation could not be. Without desire of Mind in man his power to create could not be.

The familiar terms "inner ears" and "inner eyes" really mean Mind-awareness. They mean the spiritual unfolding of innersensory perception. They mean KNOWING instead of sensing. The moment the human knows that fact, by feeling it inspirationally, he has begun to be aware of his divinity, for God alone is knowledge. God alone can CREATE.

MAN CANNOT CREATE UNTIL HE BECOMES AWARE OF THE GOD-MIND WHICH CENTERS EVERY CELL OF HIM, AND EVERY TUBE OF GROWING TREE, AND ALL OTHER THINGS IN ALL THE UNIVERSE WHICH GOD ALONE CREATES.

From the PJ's but I don't know which one. [[link to www.freewebs.com](http://www.freewebs.com)]

HOW DOES MEDITATION HELP YOU TO CREATE?

A musician asks how meditation helps a musician to compose a symphony. He claims that teachers are necessary because of technique. Teachers can never teach you to be a poet, musician, artist, inventor, or creator of anything. They can only teach you techniques which they themselves have attained at the very best. God is the only one who can teach you to create. A teacher can tell you how to give a material body to your concept, but only God can give you your inspired concept. In other words, a teacher can give you a technique for expressing your idea, but he cannot become your Soul from which your concept extends. If the teacher can re-inspire you with his inspiration, that inspiration of his, reflected in you, awakens the sleeping genius which is within you, but no one can teach you that. If you have been inspired by listening to a Paderewski, he has not taught you anything. He has enabled you to recognize the Light within your Self by his re-illuminating.

The beauty of music is not in its technique; it is in the Soul of its creator. That is why the same “tune” does not express the same Soul essence as different persons present it. One may be a genius--the other a player of recorded music. A copy of a great master’s art may be quite identical but one is the original with its Soul and the other remains “a copy”. Music is neither the sound vibrations of music; it is in the silence of the Light from which the sound sprang--a series of “tones” does not make music. You can KNOW music and THINK it without having acquired the technique of expressing it, or without producing sounds to give it a body. Your inner ears can hear the music in the silence of God’s eternal rhythms and you can interpret your moods into the rhythms of the universal heartbeat, as Beethoven interpreted the mood of the moonlight into the rhythms of it without having any teacher but his God-Self.

Consider the life of any great musical genius. What he finally produces in a written composition first begins in his Soul. He must first find aloneness with Self by getting away from all other people--even from his own body-awareness. He must suppress all outer influences to seek that stillness from within from which the inner ears of his Soul can hear the rhythms of the universal heartbeat of God’s creative thinking. This is why, for instance, Dharma must have silence and quiet about her and aloneness when we write for otherwise her consciousness is distracted into fragments and she cannot hear that which we bring forth, or send forth, as the case may be. I know that ones who live and work with her assume she just sits and types--no, she is as any other writer--she must hear the message. God is the author of any worthy writing. All GREAT writings are of God for those of the adversary DO NOT ENDURE.

To find that stillness in the Light of knowing, he must stop thinking in order that he can conceive idea from the Light of all-knowing. From the ecstasy of that stillness, the inspiration is born in his very Soul. The motive for his symphony gradually takes form through the heartbeat of his thinking, which he extends from the stillness of his Soul. He then ceases to extend it, again to find the stillness of the Light which is gradually giving him his motive through inner inspiration.

This is the mood of all creative geniuses during the inspiring and ecstatic hours during which they commune with God. By such communion, you awaken and unfold your own genius. There is no other way to become a cosmic being. There is no other way to acquire inspired knowledge to uplift you from earth into the high heavens of the kingdom of the Soul where cosmic man dwells.

Not until the creator of a cosmic idea wishes to give it a material body can a teacher be of any help.

Giving an inspired concept a material body means to extend the conception from the consciousness of Mind, through thinking, to the sounds of a musical instrument, or the symbols of a written manuscript. That is purely a question of technique. A teacher is helpful in the acquirement of a technique and all of its mechanics. Does Dharma have this practice and technique when she writes? Not exactly--as with this material she presents for us--however, the technique of getting in clear touch and reception of the work required great discipline and giving, not to even include inspiration. The technique is most human--the gift, divine. Do you see the difference? For through the technique, she ALLOWS us to write that which we need to share with you without inserting her OPINION.

In giving your conception a material body, many years of technical and scientific practice are needed. The science of the octave spectrum of color or tone is needed for expressing each of the arts, for from those octave-wave rhythms the poet, painter, architect, sculptor or musician gives rhythmic bodies to his inspired conceptions.

The architect must first go to the Source of all inspiration for his conception. He does not need to be an engineer or mathematician for that, but when he builds the cathedral of his inspired

imaginings he must know the technique of the engineer and mathematician in order to give a material body to his imaged one. Likewise, the painter, sculptor, poet or musician needs to be informed, either by books, teachers, experimentation or experience, regarding the techniques of giving bodies to his spiritually-conceived ideas.

Remember, however, that technical information is not knowledge. You can be informed through the senses but you can acquire knowledge only through desire of the Soul for illumining with the Light of all-knowing. Knowledge is of the Soul and the Soul is not concerned with techniques. To the Soul they have no existence for your consciousness can conceive a greater symphony, poem, monument, painting or temple than you could ever give to a material body, no matter how perfect your technique is. So too, as you ask about these JOURNALS: Dharma writes on a keyboard through an earth technique that which God and we of his Hosts, present as the Soul unto the work. Without the KNOWING and the addition of input of Soul direction--we would simply have compiled more piles of print without direction or motivation save to present piles of print. Dharma herself, would, further, have preferred to write other types of material--or at least in beginning that was preference. She did not, nor does she yet, perceive herself a writer--shhh: she is still awaiting her "purpose"! She agrees to do this "favor" until she recognizes her purpose! Who are we to bend her from her seeking? For you who are new into the work here--she only started writing for us in July of 1989. God gets right with it when His time sequence is attended. There weren't any more startled to find themselves doing this work than perhaps George and Desiree' Green. George had made a commitment years ago to the Pleiades Command and Hatonn simply wrote a few little JOURNALS and reminders of commitment--it can be quite shocking when God comes knocking with his reminders of commitment. There have been some most interesting stories unfold herein which would be fun some day to relay to all so you can share your knock-knock's, as in "Knock, knock! "; "Who's there?" "God--where have you been?"

The Soul's greatest masterpieces are never produced on Earth Shan. They never descend from their high heavens of the Mind universe. No musical master can produce in sound the music which he hears in his Soul while in communion with God. Physical sounds can be heard by anyone but the silences from which they spring can be heard only by a cosmic God-conscious being while his Soul is in communion with the Universal Soul. How well that music is received and appreciated by his listeners after he then records the remembered strains is that which gives life and Soul unto the projected works. At best, it is but a recording of God's thought projected through physical perception.

Speaking, again, of techniques, an electric machine can remember information recorded upon it electrically, and it can repeat it countless times with accuracy. The electric machine is sensed (wired) for that purpose. It is a body without a Soul. It obeys the will of an intelligence which presses a button.

Man humans are but electric machines which remember and repeat information recorded upon their senses. People say of such persons that their technique is perfect but soulless. That means that God-awareness in them has not yet been awakened. That is what we mean by saying that teachers can give you techniques but God can awaken the Light of cosmic inspiration in you.

Many unawakened humans forever repeat the ideas of others, such as those who stand in assembly lines, each one electrically sensed to do his unthinking, unknowing part like an electrically-driven automaton. But many there are who also stand in assembly lines who perform work automatically with their bodies while their Souls are in communion with God in His high heavens. These are the cosmic ones among men who are seeking to find the kingdom of the Soul's high heavens They gradually break away from the treadmill of life through communing with God.

John Doe of the assembly line can escape from John Doe and be Rachmaninoff, or Shakespeare, or whoever else at will. Through meditation, John Doe can roam the universe and be alone with God in the deep woods hearing the rippling fall of waters or the breezes in the pines above the crash of factory wheels or gears.

No matter how heavy the burden of the treadmill of life may be, or how bitterly your body may be chained to Earth, you may escape from it and be exalted among men by hearing the still small Voice within you whispering inspired words in God's language of Light.

Let us bring this section to a close because I wish to discuss "how to meditate" a bit at the next sitting and the hour grows too late to complete the thought pattern. We shall sit again in the morning, please. Thank you for attending me and thank you for your service.

I bid you precious friends peace within the wondrous Presence.

And while ye journey through the experience take time to love people for the good YOU HAVE DONE UNTO THEM--not for the good they have done unto YOU, for if you love not everybody then ye don't really love anybody. Also, you must learn that possessiveness and "me-ness" always ends by destroying what it efforts to protect. You must stand "together", yet not too near together. For the pillars of the temple stand apart, and the oak tree and cypress grow not in each others' shadow. Look not to another to see what they support or garner lest ye miss that which is YOURS to treasure. So be it, may wisdom walk this passage with you. "

SO WHAT OF KNOWLEDGE?

Knowledge is cosmic. It belongs to the still Light of the positive principle. It never can become a property of the two negations which constitute the mirage universe of matter of motion.

To "know all things" means to have all knowledge of the Whole One Idea of the cosmos as CAUSE. It does not mean knowledge of created things which are EFFECT of CAUSE. The whole Cosmic Idea is simple. It can be known by any one of average intelligence. Its bewildering complexities lie in effect of cause.

Man cannot know transient effect. He can KNOW cause only. He can but comprehend effect. Man cannot know a sunset sky, for example, but he can comprehend it if he knows its cause. Knowledge is, therefore, limited to 'cause'.

All knowledge exists. All mankind can have it for the asking. It is within man, awaiting his

awareness of its all-presence.

Knowledge cannot be acquired by the brain from without, it must be “recollected” from within the consciousness of self. Gradually dawning conscious awareness is but gradual recollection of the all-knowing which has always been within man.

Man cannot acquire knowledge from books or schools. He can but acquire information that way, but information is not knowledge until it is recognized by the spiritual consciousness of man, just as food is not nourishment for the body until it becomes a part of the blood stream. Information gained by motion of the senses must be returned to the stillness of the Source before it becomes knowledge.

For the same reason man cannot acquire knowledge from the so-called “facts of matter”, for there are no facts of matter in a universe of transient matter in motion. All matter in motion is but a series of illusions which deceive man into drawing wrong conclusions.

It is impossible for man to draw right conclusions from his observation of matter in motion until he has acquired the ability to translate dynamic effect back to cause.

This he can do only through decentration to the One Light of his conscious awareness of the Source of all knowledge. Until he knows the WHY of effect and its deceptions, he has no knowledge whatsoever upon which he can rely. He has naught but unreliable information.

Information concerning the body, for example, does not give knowledge concerning cause of body, or of the body’s relationship to the universe. Information of birth and death of the body, on the assumption that the body is SELF, never can lead to knowledge that body is not Self, or that Self is immortal.

Nor can information concerning the material body alone, its chemistry and its functionings, heal the body. Bodies manifest life, but life is cosmic. Life is not in the body. Life is spirit, and spirit is still. Life is not chemistry or germ of matter. To heal the body so that it can manifest life of the spirit Self of the body, one must give the unbalanced body the balance of the spirit. Knowledge of the Light can alone do this. All the information in the world will not heal a body unassisted by the Light in him who heals and in him who is being healed.

As Aton of the ONE LIGHT I can say to you that I am LIGHT, but the Light which is ME is not the sensed Light of the sensed universe of My creation. I, the Creator, think. I think in two lights extended from the ONE Light of Me, yet those two lights are not ME, nor is My thinking ME.

So I say, I give of Me and I take away; for I am the Imaginer who builds image forms to tear apart to build anew. So I give unto those who serve in intent of Truth safety and as I Image the net of safety--and they heed My notice, so none can harm them while they remain in My requested attention. As I image security and safety so is projected that security and safety and the KNOWING of safety is absolute. Do I allow for dalliance and fragmentation? Of course, for you are the projected image of human experience and can only act in that projection until the imaginings are changed. At this time I choose this image and I further choose the image of reversal of the

plagues and horrors perceived upon Earth, therefore, it MUST COME TO PASS--unless I change my imaginings. Fickle God? No, but never boring, beloved ones, never boring. Boredom is not of God.

I am thinking Mind, forever thinking the changing image of My unchanging self. My image changes ever with the changing of the two lights of My thinking, though I, MySelf, change not. All things change, and their changing still images Me, yet they are not Me.

You, Man, are bounded to the illusion of My dual thinking, for Man's sense-seeing with his eyes is the binding. I but build illusion with My dual thinking for your sense seeing. Sense-seeing binds man to "forms" and "things" , while Mind-knowing opens doors of glory to the opposed threads of Light with which I weave all idea of Mind into forms of many moving things. Mind-seeing decentrates unto the farthest reaches of My universe of Me, and sees all forms as One.

With his seeing eyes Man sees Light as matter energized, but senses not that the energy of matter is THE LIGHT of My divided thinking. With Man's unseeing eyes of spirit he knows the Light of Me, the Source, and knows that he is bound in Me as One, and I in him.

Behold in Me thy God of Love, the One, inseparable!

Who am I? Ah so--would GOD/CREATOR SEND LESSER? YE ARE HIS FRAGMENTS--HIS VERY BREATH--HIS THOUGHTS--WOULD HE SEND LESSER TO HIS CHILDREN WHEN THEY ARE IN NEED? SALU!

May the Truth and Light of that which you are, come into thine comprehension for it is time to gather my thoughts unto Me and bring them home--I would like your company on this journey--if you can remember from whence you came.

So be it.

Make a good day of this that ye have been given--for ye know not but what it may be thine last. Saalome'.

Apr 5, 2011 - PJ #26 " COUNTERFEIT BLESSINGS THE ANTI-CHRIST ", chapter 15 & 16.

" To "silence your thoughts" at first seems impossible, but like all else--that which you focus on becomes that which is achieved and if you work to "empty" your mind it shall only become more

filled with the mere thought of becoming empty. In this instance, I shall ask that a "quieting and receiving" tape be sent to you for you are working far too hard at "meditation" and the tendency is to follow all of the so-called "channeling teachers", etc. Stop it. The point is to totally relax and "allow" and while you relax allow the thoughts to flow as they will without stopping to ponder them. Put the thought up front which you wish to ponder and, whether or not you realize it, the mind will accept the input if you repeat the intent many times. You will not realize, always, just what the response IS. Be patient, for it will rarely come as YOU expect; this allows WISDOM to temper and organize and allow vision of "the best way" to achieve your goal. "
