So many say that they are "God fearing Christians". Question, why are you afraid of God?

A true all knowing and all wise supreme being should not be something to fear.

In truth, this reality is SO much more than most people's silly childish understandings.

God is within you. Not something above you or in control of you...

I wonder if you are aware what double talk your post was. Please, this is not an attack. Just stop and think about how warped and silly your reply was.

You are trying very hard to justify fear by talking gibberish. The word fear means what it means. Reverence does not justify fear.

read some NDEs. Alot of people ask about the bible and which religion is right. And they always get the same answer.

The religion that brings you closer to god and the bible isn't meant to be read literally, but spiritually as with all religious books.

That is why there are 50 different factions of Christians all condemning each other to hell. They want to interpret the bible word for word in a logical sense. Doesn't work that way.

I remember one NDE in which a man asked why there are so many contradictions (yeah I spelled that wrong) in the bible. He was told "there are no contradictions, your trying to read it with a brain and not a heart."

they believe without knowing it, in Lucifer and satanism, that is why they are afraid. Once they come out of that, they won't be.

When this stage in human unfolding (the stage of genius) has been reached by enough of the human race to dominate its transactions, one with another, wars will be impossible. Material values are the basis of all wars. The genius stage of unfolding places no value whatsoever upon material things. Greed and acquisitiveness is not in it. The sense of evil is not in it. It would be impossible and unthinkable for a Beethoven or Sibelius to even think the inharmonies which are necessary to wage war.

*The only way to hold a civilization together is to bring a cosmic harmony into it through transactions based upon love. It is impossible to hold it together as a workable organization in any other way. We have now reached the point in this man-made world where hate, suspicion and greed are sitting at conference tables to bargain with each other. The more they bargain the greater the necessity for increased armament. Lao Russell

(KJV)Psalm 111:10

The fear of the Lord is the beginning of wisdom: a good understanding have all they that do his commandments : his praise endureth for ever.

(KJV)Proverbs 1:7

The fear of the Lord is the beginning of knowledge: but fools despise wisdom and instruction.

(KJV)Proverbs 2:5

Then shalt thou understand the fear of the Lord , and find the knowledge of God.

Fearing God keeps us in line, because He punishes evil. The best way to explain it is this. A child fears doing something wrong and getting punished by their parents. It's this fear, that leads the child to not do anything stupid. It is also because of this, why spankings are now thought to be evil. With my own eyes, I have seen the ill effects of it. Children get everything they want, thus losing respect of the parents and when the parents DO try to assert authority, the child pays them no mind. Note, that fear also includes respect. A LOT of people do not respect the God of Abraham, Isaac and Jacob and thus, we see many hypocrites.

(KJV)Proverbs 13:24

He that spareth his rod hateth his son: but he that loveth him chasteneth him betimes.

(KJV)Hebrews 12:5-17

And ye have forgotten the exhortation which speaketh unto you as unto children, My son, despise not thou the chastening of the Lord, nor faint when thou art rebuked of him:

[6] For whom the Lord loveth he chasteneth, and scourgeth every son whom he receiveth.

[7] If ye endure chastening, God dealeth with you as with sons; for what son is he whom the father chasteneth not?

[8] But if ye be without chastisement, whereof all are partakers, then are ye bastards, and not sons.

[9] Furthermore we have had fathers of our flesh which corrected us , and we gave them reverence: shall we not much rather be in subjection unto the Father of spirits, and live?

[10] For they verily for a few days chastened us after their own pleasure; but he for our profit, that we might be partakers of his holiness.

[11] Now no chastening for the present seemeth to be joyous, but grievous: nevertheless afterward it yieldeth the peaceable fruit of righteousness unto them which are exercised thereby.

[12] Wherefore lift up the hands which hang down, and the feeble knees;

[13] And make straight paths for your feet, lest that which is lame be turned out of the way; but let

it rather be healed.

[14] Follow peace with all men , and holiness, without which no man shall see the Lord:

[15] Looking diligently lest any man fail of the grace of God; lest any root of bitterness springing up trouble you , and thereby many be defiled;

[16] Lest there be any fornicator, or profane person, as Esau, who for one morsel of meat sold his birthright.

[17] For ye know how that afterward, when he would have inherited the blessing, he was rejected: for he found no place of repentance, though he sought it carefully with tears.

What your first line said is what Jesus came here to teach.

Live your life to the fullest and treat others with kindness and you will be blessed. You are born with everything you need to enter the kingdom of heaven. You know what right and wrong is. If you do or say something that makes you and/or others feel good about themselves then you did the right thing. This is getting closer to god.

Killing someone does not bring out good emotions unless your sick in the head. You know you did wrong and you know you wronged the other person. That is moving away from god and thus is sin. It doesn't matter WHY you killed him. God will judge that action accordingly.

Anything you do to bring out negative emotions is sinning.
Anything you do to bring out positive emotions is a blessing.

You don't need religion or even religious books (although they are great moral teachings and can help people who are lost) to go to heaven.

Most Christians don't realize they are with Satan! Jesus saving them by covering them in his blood, is about as satanic as you can get. Jesus did not institute their eucharist either, eating blood and bodies is a satanic ritual. Wearing crosses on a chain around necks with Jesus on it, is satanic, because you are being used to celebrate his being murdered on a cross. Only beloveds, guess what, he didn't die, which your Bible tells you. He was not resurrected, he lived, was in a coma and when to Syria in a craft, which was not an ascension into heaven.

The supposed ascension of his BODY into heaven, is but another satanic belief, which is about you getting to stay on satanic worlds like this one. Animal meat suits do not thrive on the higher worlds, if he kept his meat suit, they are telling you they think they succeeded in keeping him ON this world. Ponder these things, if you are able to ponder at all. Pondering is good, it's godly in fact.

Why was this one word mistranslated? If that is possible, maybe many more passages in the bible are "mistranslated" also.

You people will do anything to make the bible say what you want it to say.

Why was this ONE WORD mistranslated? Silly.

read some NDEs. A lot of people ask about the bible and which religion is right. And they always get the same answer.

The religion that brings you closer to god and the bible isn't meant to be read literally, but spiritually as with all religious books.

That is why there are 50 different factions of Christians all condemning each other to hell. They want to interpret the bible word for word in a logical sense. Doesn't work that way.

I remember one NDE in which a man asked why there are so many contradictions (yeah I spelled that wrong) in the bible. He was told "there are no contradictions, your trying to read it with a brain and not a heart."

Quoting: **Anonymous Coward 9747425**

If that is true, why not look at all life and read it with the heart? There is truth all around us. What I am saying is that the bible is not the only truth available to us in the world if we listen and understand it with our hearts and not through our mind and through fear.

See what I'm saying? If you do this, the truth of our reality can then be found in MANY books and through life all around us...

What your first line said is what Jesus came here to teach.

Live your life to the fullest and treat others with kindness and you will be blessed. You are born with everything you need to enter the kingdom of heaven. You know what right and wrong is. If you do or say something that makes you and/or others feel good about themselves then you did the right thing. This is getting closer to god.

Killing someone does not bring out good emotions unless your sick in the head. You know you did wrong and you know you wronged the other person. That is moving away from god and thus is sin. It doesn't matter WHY you killed him. God will judge that action accordingly.

Anything you do to bring out negative emotions is sinning.

Anything you do to bring out positive emotions is a blessing.

You don't need religion or even religious books (although they are great moral teachings and can help people who are lost) to go to heaven.

Common sense statement. Doesn't God always speak to His people? If you don't hear from God, that should pretty much explain everything;

Baptism

Mark 16:16

16) He that believeth and is baptized shall be saved; but he that believeth not shall be damned. � KJV

John 3:3-8

3) Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.

- 4) Nicodemus saith unto him, How can a man be born when he is old? can he enter the second time into his mother's womb, and be born?
- 5) Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.
- 6) That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.
- 7) Marvel not that I said unto thee, Ye must be born again.
- 8) The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.

John 20:22

22) And when he had said this, he breathed on them, and saith unto them, Receive ye the Holy Ghost:
� KJV

Acts 2:38

38) Then Peter said unto them, Repent, and be baptized every one of you in the name of Jesus Christ for the remission of sins, and ye shall receive the gift of the Holy Ghost.
� KJV

Romans 8:9-14

9) But ye are not in the flesh, but in the Spirit, if so be that the Spirit of God dwell in you. Now if any man have not the Spirit of Christ, he is none of his.

10) And if Christ be in you, the body is dead because of sin; but the Spirit is life because of righteousness.

11) But if the Spirit of him that raised up Jesus from the dead dwell in you, he that raised up Christ from the dead shall also quicken your mortal bodies by his Spirit that dwelleth in you.

12) Therefore, brethren, we are debtors, not to the flesh, to live after the flesh.

13) For if ye live after the flesh, ye shall die: but if ye through the Spirit do mortify the deeds of the body, ye shall live.

14) For as many as are led by the Spirit of God, they are the sons of God.
� KJV

1 John 3:24

24) And he that keepeth his commandments dwelleth in him, and he in him. And hereby we know that he abideth in us, by the Spirit which he hath given us.
� KJV

1 John 5:7-8

7) For there are three that bear record in heaven, the Father, the Word, and the Holy Ghost: and these three are one.

8) And there are three that bear witness in earth, the Spirit, and the water, and the blood: and these three agree in one.

Acts 10

44) While Peter yet spake these words, the Holy Ghost fell on all them which heard the word.

45) And they of the circumcision which believed were astonished, as many as came with Peter, because that on the Gentiles also was poured out the gift of the Holy Ghost.

46) For they heard them speak with tongues, and magnify God. Then answered Peter,

47) Can any man forbid water, that these should not be baptized, which have received the Holy Ghost as well as we?

48) And he commanded them to be baptized in the name of the Lord. Then prayed they him to tarry certain days.

Acts 8:37-40 KJV

38) And he commanded the chariot to stand still: and they went down both into the water, both Philip and the eunuch; and he baptized him.

39) And when they were come up out of the water, the Spirit of the Lord caught away Philip, that the eunuch saw him no more: and he went on his way rejoicing.

30) By stretching forth thine hand to heal; and that signs and wonders may be done by the name of thy holy child Jesus.

10:44 While Peter yet spake these words, the Holy Ghost fell on all them which heard the word.

10:45 And they of the circumcision which believed were astonished, as many as came with Peter, because that on the Gentiles also was poured out the gift of the Holy Ghost.

10:47 Can any man forbid water, that these should not be baptized, which have received the Holy

Ghost as well as we?

10:48 And he commanded them to be baptized in the name of the Lord. Then prayed they him to tarry certain days.

Romans 5:3-11 KJV

- 3) And not only so, but we glory in tribulations also: knowing that tribulation worketh patience;
- 4) And patience, experience; and experience, hope:
- 5) And hope maketh not ashamed; because the love of God is shed abroad in our hearts by the Holy Ghost which is given unto us.
- 6) For when we were yet without strength, in due time Christ died for the ungodly.
- 7) For scarcely for a righteous man will one die: yet peradventure for a good man some would even dare to die.
- 8) But God commendeth his love toward us, in that, while we were yet sinners, Christ died for us.
- 9) Much more then, being now justified by his blood, we shall be saved from wrath through him.
- 10) For if, when we were enemies, we were reconciled to God by the death of his Son, much more, being reconciled, we shall be saved by his life.
- 11) And not only so, but we also joy in God through our Lord Jesus Christ, by whom we have now received the atonement.

(KJV)Proverbs 3:5-7

Trust in the Lord with all thine heart; and lean not unto thine own understanding.

[6] In all thy ways acknowledge him, and he shall direct thy paths.

[7] Be not wise in thine own eyes: fear the Lord , and depart from evil.

(KJV)Isaiah 55:6-9

Seek ye the Lord while he may be found, call ye upon him while he is near:

[7] Let the wicked forsake his way, and the unrighteous man his thoughts: and let him return unto the Lord , and he will have mercy upon him; and to our God, for he will abundantly pardon.

[8] For my thoughts are not your thoughts, neither are your ways my ways, saith the Lord .

[9] For as the heavens are higher than the earth, so are my ways higher than your ways, and my thoughts than your thoughts.

I think we both know that answer. Good day to you all.

35) Thus shall ye say every one to his neighbour, and every one to his brother, What hath the Lord answered? and, What hath the Lord spoken?

36) And the burden of the Lord shall ye mention no more: for every man's word shall be his burden; for ye have perverted the words of the living God, of the Lord of hosts our God.

37) Thus shalt thou say to the prophet, What hath the Lord answered thee? and, What hath the Lord spoken?

38) But since ye say, The burden of the Lord; therefore thus saith the Lord; Because ye say this word, The burden of the Lord, and I have sent unto you, saying, Ye shall not say, The burden of the Lord;

39) Therefore, behold, I, even I, will utterly forget you, and I will forsake you, and the city that I gave you and your fathers, and cast you out of my presence:

God speaks to his people by mind to mind thru meditation. Jesus did not atone for you, he cannot do that. I see that after my nap I need to come back and shred your signature file. The holy ghost within you, is the Father Fragment, not the 3rd person of Trinity as to your Romans quotes. Christ did not die for the ungodly. He did not die. His body lived until he was 115 years old, although it was desire that they thought he was dead, so he could go peacefully away to teach more hungry ears in other other lands without pursuit. Because you copy and paste, does not mean you hear from god or Jesus. The bible is not the word of god, it has too many lies in it to be that.

If you hear from Jesus you hear mentally thru meditation. These people you quoted above, produced memorized hearsay plus much of it was corrupted later by your roman church and continues to be corrupted. The word JEW was not in the bible before the 1800's, as there were

NO JEWS back then, did you know that? Judeans, Hebrews, Semites, but not a single Jew. The Jew word is the creation of the Khazars for themselves in the 1700's and they put it in the bible so they could steal the so called "holy land" and created the Diaspora story which didn't happen either.

It's not a good thing that you need to fear something to respect it. You can be awed by it, but something that instilling fear so that someone would believe what you preach is just so not civilized.

there are two basic emotions
Love.....fear
most people have all kinds of fears
When one realizes that the worst possible thing anyone can do
is offend God,they begin to re order their focus and how they
organize their thinking and relationships.
One's personal responsibility in that relationship is primary, not taking God and His Love for us for
granted.
Is fear merely animal based and self serving....
or through **conscious** choice do we "begin" to engage in
the most important relationship of this experience responsibly.

A true all knowing and all wise supreme being should not be something to fear.

In truth, this reality is SO much more than most people's silly childish understandings.

God is within you. Not something above you or in control of you...

read some NDEs. Alot of people ask about the bible and which religion is right. And they always get the same answer.

The religion that brings you closer to god and the bible isn't meant to be read literally, but spiritually as with all religious books.

That is why there are 50 different factions of Christians all condemning each other to hell. They want to interpret the bible word for word in a logical sense. Doesn't work that way.

I remember one NDE in which a man asked why there are so many condridictions (yeah I spelled that wrong) in the bible. He was told "there are no condridictions, your trying to read it with a brain and not a heart."

Quoting: **Anonymous Coward 9747425**

If that is true, why not look at all life and read it with the heart? There is truth all around us. What I am saying is that the bible is not the only truth available to us in the world if we listen and understand it with our hearts and not through our mind and through fear.

See what I'm saying? If you do this, the truth of our reality can then be found in MANY books and through life all around us...

Quoting: **Anonymous Coward 26211827**

What your first line said is what Jesus came here to teach.

Live your life to the fullest and treat others with kindness and you will be blessed. You are born with everything you need to enter the kingdom of heaven. You know what right and wrong is. If you do or say something that makes you and/or others feel good about themselves then you did the right thing. This is getting closer to god.

Killing someone does not bring out good emotions unless your sick in the head. You know you did wrong and you know you wronged the other person. That is moving away from god and thus is sin. It doesn't matter WHY you killed him. God will judge that action accordingly.

Anything you do to bring out negative emotions is sinning.
Anything you do to bring out positive emotions is a blessing.

You don't need religion or even religious books (although they are great moral teachings and can help people who are lost) to go to heaven.

Quoting: **Anonymous Coward 9747425**

I suggest actually hearing from Jesus, before you speak things that you don't know.

I meant that you are so far from the real truth of who and what we really are, that we cannot find any common ground to discuss this very deep and important topic.

That is not an attack, but the truth.

That is what I meant by you not having a clue.

Secondly, there is the issue of you already having made up your mind and it would not matter what I said anyway.

That is completely ok. This life is about choice.

All I am saying in this whole thread is this. Think for yourself. Understand that you were put on this planet to learn, not to be a controlled, guided and punished like a child or domesticated animal.

We are here to walk our own path and to make our own choices. Not to be controlled or punished by some control freak in the sky.

do you fear the police?

do you fear the courts?

do you fear the judges?

do you fear your teachers?

do you fear your father?

the answer can only be answered if you put 'fear' in perspective.

you don't go around 'running away' from the above because you fear them

but if you are guilty of wrong doing,

you become fearful of their judgements and punishments for your wrong doing.

God is the epitomy of that.

He loves you, but you should fear his wrath.

He loves you because he has made a way to know him and understand him on a human level, by sending Jesus.

He loves you because Jesus whom he sent, took the wrath of God that YOU deserve because you are a sinner, and that wrath will be thwarted on judgement day via Jesus if you believe in whom He says he is, and that you repent and have faith.

God is to be feared for he is a jealous God, (as a husband would be jealous of his wife, a mother would be jealous of her child if they turned away from them and loved another). God hates sin, and he will punish it.

No different then the judge in a court would judge you and penalize you for wrong doing.

It's just the final judgement is forever.

If you don't have faith in Jesus, you should fear that forever thing....

there are two basic emotions

Love.....fear

most people have all kinds of fears

When one realizes that the worst possible thing anyone can do

is offend God, they begin to re order their focus and how they organize their thinking and relationships.

One's personal responsibility in that relationship is primary, not taking God and His Love for us for granted.

Is fear merely animal based and self serving....

or through **conscious** choice do we "begin" to engage in the most important relationship of this experience responsibly.

Quoting: **Anonymous Coward 26663220**

Why would God ever be offended? That is a flawed human emotion. Is he/she not a supreme, all knowing, all aware advanced being? Or is he just a control freak?

Why would you be afraid of offending God? He wants you to become an all knowing and advanced being also...

Quoting: **Anonymous Coward 26211827**

Exactly, however it is a learning process and we are in our childhood. Clearly, God is not vulnerable to us. It is about us making conscious choices and the meaning of them.

There was a passage in the Old Testament book of Isaiah 14:12 which prophesied the overthrow of Babylon's king, stating: 'How are you fallen from heaven, day star, son of the dawn!' As is made clear by the term 'son of the dawn', the Isaiah reference was to the King of Babylon, but astronomically the 'day star' or 'morning star' is Venus, which appears in the sky before sunrise. In Latin, Venus 'the light-bringer' was referred to as the lux-fer, or as it was more commonly written, 'the lucifer'.

Prior to 1667, the term lucifer (lux-fer: 'light-bringer') had never been associated with a male entity - and certainly not with an evil Satan. Even after Milton's death, in 18th century dictionaries, the correct reference is given. For instance, the 1721-94 Nathan Bailey's Etymological Dictionary states: 'Lucifer - The morning or day star; the planet Venus, when it rises before the sun'. But, notwithstanding, following Milton's lead, Freemasons were now not only sun cultists - they were also satanists!

theres your devil.

what kind of BS is this? You too bought the "only son of God" story? Put on your mind. All THINKING beings are Sons of God in various stages of development. You do not understand the Father at all, if you can make such a statement as this. The Father cannot be offended. The Father is the Creative MIND, and although he counts as a person, he is much more than you ones think he is. He is intact thru the Trinity, the entirety of the creation. There are 5.6 TRILLION planets with evolutionary life that has evolved thinking people. And that doesn't include the planets that are seeded with Life but have not yet developed intelligent mind. And it doesn't include those planets that went into light and life, eternity and are then removed from the evolutionary planet counts.

Then there are the billions and billions of "heaven worlds" which are custom built worlds you EARN at some point and on which the angels are created and live who serve the Creation. When the 7 superuniverses are "complete" there will be about 7 trillion evolutionary worlds, and about

500 billion heaven worlds and that is not the END, for in the very outer space WE SEE here now, there are almost uncountable new universes forming. There are now 700,000 universes in development which does not include those in the outer space rings.

Do you ones thus GET HOW BIG THE TRINITY as GOD IS? God did not create one little son, 2nd person Trinity to come to this ignorant planet. OK GET THAT, its big out there. And all of OUT THERE IS PLANNED AND MANAGED. Grow up people, you have the benefit of the Hubble now, and it picks up some of the milky Way, which is but part of one Superuniverse, and a bunch of the new stuff forming in the outer space rings. The CREATION IS MASSIVE and continues to grow more Massive. I would suggest some of you in your ignorance put away which ever stupid dumb holy book you follow, for they all are, and start reading WALTER RUSSELL a great Christ who this past century illumined the world, or tried to, about the nature of God and how God creates. Most of the rules etc are rules by Hierarchy which if followed would cause this planet to finally come into balance. That it is tilted, says it is not in balance, if it were, it would hang straight up and down and there would be no seasons. Man is horrifically unbalanced on this world and he has little time to balanced himself, because of the energy cycles we have moved into, like that photon belt, plus the energies of the Milky Way, plus the Wave from Paradise /b]

"Fear", like many English words has different meanings depending on context. The phrase "God-fearing" does not relate anxiety or worry about a danger, but reverence and respect. Get a dictionary and look it up.

The same is true for the phrase "fearfully and wonderfully made" which is a quote from the Bible. It doesn't mean to be worried about the danger of our creation, but to have awe and respect for how complex we are.

Throughout the patriarchal era, the emergent Hebrews endeavoured to support Adon the Lord but, at every turn, El Shaddai (the storm god Jehovah) retaliated with floods, tempests, famines and general destruction. Even at the time of the Captivity (around 586 BC), the Bible explains that Jerusalem was overthrown at Jehovah's bidding. Tens of thousands of Israelites were then taken hostage into Babylon simply because one of their past kings (a descendant of King David) had erected altars in veneration of Baal the Adon.

It was during the course of this Captivity that the Israelites finally conceded. They decided, after generations of Adon support, to succumb to the opposing god of wrath, developing a new religion out of sheer fear of his retribution. It was, in fact, at this time that the apparent name of Jehovah first appeared - little more than 500 years before the time of Jesus. Subsequently, the Christian Church took Jehovah on board as well, calling him simply God, and all the hitherto social concepts of Adon were totally discarded. The two religions were henceforth both faiths of fear, and even today their followers are classified as 'God fearing'.

Because fear is what their religion is based upon. Fear is also what a dark God would expect. Therefore by default...most of them are worshipping the EXACT OPPOSITE of that which they claim to.

its much like, from what i am understanding of the sumerian texts that have been found and recovered, the modern day equivalent of the word messiah turns out to be military leader.

1700 years ago, or so, when Christianity came into being, the primitive consciousness of the time lived a life that was brief, perilous and either crushingly mundane or violent. The solid earth born self should be afraid of God, It's so far beyond it's understanding. Fear is the natural response of the person attached to personality. Because death (and God) does threaten All That Tower of Babel of ego and personality. Let go totally or admit to (some) fear.

It's not a matter of picking and choosing. The question is what is the truth. What is this reality all about and why are we here.

I am simply amazed that people are asking this question! They talk about politics, TV, sex, sports conspiracies, but not what really matters.

You only have a very short time in each life to figure out these issues and people spend it on EVERYTHING but pursuing the truth...

That is really sad.

Yes it is sad and true. The Father of Jesus, is exactly the same Father of all of you, the Creator of the creation and you are part of him. the Christian God is mostly myth and misunderstanding. A lot of islam was developed by that evil Catholic Whore of Babylon church too. But Mohammed was a Christ and a lovely person whose work was also destroyed and misunderstood. Religion is used to get different races to kill each other, and it sure works, doesn't it.

And politics, sex, sports are all used to divide too. And get followers. Why man will follow these sports on TV is also beyond understanding, as well as political parties, they are all creations of those "devils" that walk on two legs in this world.

If you want TRUTH, written in MODERN times about the nature of God and how God creations, I would suggest delving into Walter Russell. It completely explains how go made them male and female, in his creation, right down to father Hydrogen and MOther Oxygen who unite to form a new child, WATER.

The CREATOR made all things, and he made all thinks male and female but how that works is not understood. Walter makes it understandable and he makes it understandable how MAN becomes a Son of God, when he becomes Cosmic MAN and not too many here are that. I AM. Of course it is a matter of choosing. Some people do not choose to adhere to any of the gods.

Each person looks out at the world and within the limitations of their faculties decides which if any of them is the one they like. People with more intelligence than the tv and sex crowd ask existential questions and use deduction to decide which if any they will choose. If their choice of god is not a free one, if they are coerced or conditioned, it sucks because if they decide they do not like the one they have been forced to adhere to, they have to disentangle themselves from the dogma surrounding it first.

Words are easy to say, but your words only have meaning if they have power. Yours don't.

However, if I say that God is in perfect control over everything and everyone, including you in your disbelief, then that is powerful.

This is not something I expect you to understand, but I felt it was appropriate to warn you of your impending fall, off your "mountain," so that when you fall you may be granted the ability to re-think your stance. That won't be your choice, though.

Yes. Jesus and many others taught us this. Such as the great work called the Tao Te Ching.

Nature can lead us Home.

If we find some time alone, stop the mind's constant noise and sit in nature, we can then begin to understand what this reality is all about.

No one can do this for us. No teacher, guide, guru, priest or master can do this for us. Just follow your heart...

How can one fear Love?

OP is right, God is within, we are all a part of God!

Quoting: **Godiam 27075320**

We are talking about the literal Creator of the Universe, and the one who breathed life into us.

It doesn't matter one bit if you disapprove of the particular word usage. It is a fear born out of ultimate respect and reverence for the Creator.

If you lose that reverence for God, you are going to inevitably turn to darkness and emptiness. Fearing God is the most healthy thing for your body and soul.

Fear of God would be the best thing in the world for you. It is an act of Love to command reverence. Look what happens when you lose respect for your Creator.

You begin ranting about "*god is within us, we are all god*". This is morally relativistic new age garbage. There is no truth in it. You think because you use nice words like "LOVE!!!" more often that it makes it true? That's how a salesman talks.

Nice words are meaningless. The real, rock solid TRUTH is what matters. TRUTH DOES NOT REQUIRE APPROVAL.

Christ is the Way the Truth and the Life, and the only way to salvation with the Creator.

In my humble view, Russell, Fuller, Tesla and Rodin are all telling us what our reality is and how it works. It is about energy, magnetics and vortexes...

The why comes from the Tao Te Ching and Casteneda, especially his book, Journey to Ixtlan.

You are following empty shadows to nowhere.

Energy, magnetics, and vortexes do not create the physical reality nor the very natural laws which those energies are beholden to.

Our reality stems from a supreme Intelligent, Moral Creator God. We learn about this Truth in the intricate specified complexity of biological systems. These were intelligently designed, not the result of swirling energy fields.

You can't escape the Absolute Truth of God.

For the invisible things of him from the creation of the world are clearly seen, being

understood by the things that are made, even his eternal power and Godhead; so that they are without excuse:

That Book is the Word of God.

When you stray from it you begin ranting about utter nonsense, like your previous post about reality being the product of vortexes. Similar to the athiestic delusion of everything being the product of mystical random forces and mutations. DNA alone refutes all of your superstitious mystical beliefs. All of nature points back to an intelligent, purposeful designing Creator.

I haven't seen OP make one lie here yet or conflict of posting. Those that have their own truth KNOW IT deep within. It is a solitary journey into truth, its the responsibility of each soul and it requires experience and thinking about that experience. It cannot be found in religions. One cannot follow to find it. One has to do individual work in each and every life.

Read again what I said and you'll see that while the truth remains, it is subjective perspective that

changes.

Example, you and I are sitting on opposite side of the table, in the middle is a mug. I see and describe the mug as having its handle to the left while see and describe it as being to the right! The mug is a mug - that doesn't change but our perspective can.

Maybe this parable I wrote will help explain who we really are. REMEMBER, this is a parable...

=====

A bright little star within the millions of stars in our galaxy was watching and learning, because that is the purpose of all life. The little star had been watching a strange small planet, in a far away solar system with very unusual forms of life known as humans, living on a planet they called earth. The humans experienced such a wild, vivid and unusual reality! Their reality manifested itself as very dense forms of light matter. In this very dense reality they seemed to play out very vivid and trying experiences for the only purpose of learning from them. The experiences were beautiful and loving at times, but also evil, ugly and hateful also. All types of experiences were played out, because they learned from both good and evil experiences equally well. This strange reality intrigued the little star greatly and he wished that he could experience life this way. It seemed very exciting.

The moon orbiting this planet called earth heard the little stars thoughts and said to him, "I can help you learn what it is like to be a human. As it turns out, I have the ability to insert star beings into a human body so you can feel what it is like. You can then return as your star self with much greater wisdom having learned from being a physical human being in this dense light reality." "How can I do that?", the little star asked. "It's easy!", said the moon being, "I will create a human child body for you to enter. You can then live as a human for one human cycle of life. After one lifetime, you can then return to being a star as before."

This idea intrigued the little star greatly. Watching was useful, but to be able to experience life in a

physical light body seemed like a great way to experience new things.

"But, I would know that I was really a star being.", the little star said, "I would know that I wasn't really a human." "No problem!", said the moon, "I'll make you forget who you really are during your time on earth. That way you will think that this life was all you really are."

"That sounds like fun. So, you will insert me into a human body and at the end of one lifetime, I will return to being a star?", said the little star.

"Yes, unless you wish to play the game again."

"Yes, I agree. I'm ready!"

So, as agreed, the moon inserted the spiritual essence of the little star into a child about to be born. As agreed, the star human slowly forgot who he really was and experienced all aspects of human existence. The star human became a human husband, a father, fought in war, experienced love, hate, pain, jealousy, anger, all of the experiences that humans face during their lives. As with all human life, it was soon time for the game to end. The little star human found himself on his death bed and waited with some fear of what was to come, since he no longer remembered his true star self.

At the time of death, the star human left the human physical form and rose in spiritual human form to meet his fate. The star human was met by what he believed to be God, since he still had no memory of his true self. The little star human said to the being, "Are you God?", and the evil moon being lied and said, "Yes, I am your God!". The confused and afraid little star then asked, "What happens to me now, Lord?"

"Well, let us review your life on earth to see how you have lived your life. Are you ready?", said the crafty moon. And the star human nodded that he was.

They saw in front of them all of the life experiences that the star human had lived. Some experiences were loving, kind and good, while other experiences were filled with death, hate, anger and greed. These negative experiences made the little star human sad and regretful, because he incorrectly thought this human existence was all he was and he felt sorry that he had wasted his life on earth with such ugly experiences.

The scheming moon said to the the helplessly lost star human, "I will give you another chance. Would you like to go back and to live another life on earth to make up for the many mistakes you made? You need to atone for your sins in this lifetime."

"Oh yes please!", said the lost and confused little star, "I need to learn to be a more loving human being."

"Ok.", said the evil moon, "I will erase your memory of this lifetime and reinsert you back into a new life form on earth. Try and do a better job of this life this time."

"I will! Thank you Lord for this chance.", said the confused little star human.

And it was done. This way the evil moon being kept the little star trapped in this endless loop of reincarnation for many, many lifetimes on earth, never to know his true heritage.

Finally, one day the little star's family began to wonder what had become of their brother. Because we are all part of the One, he wasn't too hard to find. What they found troubled them greatly and

they said to the moon, "Why have you trapped our brother in this terrible place for so long?"

The crafty moon replied, "I have not trapped him, he volunteered for this experience. The choice to enter this reality was his and the choice of continuing these cycles of life were also his."

"Yes, but he no longer remembers his true family or what a truly powerful spiritual star being he really is."

"Again", said the evil moon slyly, "That was his decision when the game began."

So, the call went out for volunteers to incarnate on earth and awaken the little star to his true heritage and to break the cycle of incarnations that he had become trapped in for so long. Only the strongest of star beings volunteered for this difficult mission, because it was possible for them to become trapped in this dense reality also. The evil moon being used every trick possible to keep the star humans confused and in fear, so as to keep them from the truth of their real heritage.

But, slowly and with great difficulty the volunteers began to awaken the many little stars that had become trapped in the earth reality game. As the little stars slowly began to remember their true families, they were anxious to return home and to become the powerful spiritual beings that they had always been and to be welcomed with open arms by all of their loved ones.

And so the little stars left earth thankful for the wisdom they had gained during their time on earth as humans and also sad for those that remained. However, many vowed to return as volunteers and to never leave any trapped star humans behind.

grin I am just a simple man. No powers, but my heart. I can't move objects, turn water into wine or walk on water.

But, do I know who I really am? Yes. Am I this physical body? No. This body is my tool to experience this dense physical reality.

For the same reason I LOVED my earthly father and FEARED my earthly father. He was the boss of me when I was a child; an excellent parent who knew what was best for me. Make no mistake, his yoke was easy and the burden light. He never had to spank me because I respected his leadership. Unfortunately, my Heavenly Father has had to spank me more than once. I had to learn the hard way to respect Him and not just enjoy being blessed by Him. :-(

"God-Fearing Christian" is an expression that was brought into English from the Old World, and while it was being adapted for English, lost it's way.

The word/phrase translated as "Fear" was originally a word meant to convey reverence...reverence is close to fear but without a negative connotation. Like respect mixed with Love.

the heavenly father does NOT spank. Maybe your guides did, but not the Father. read my signature file below. Karma will bite you on the but and faster than usual in these ending days. Your Thought Adjuster, which is the heavenly father within you, only guides.

When this stage in human unfolding (the stage of genius) has been reached by enough of the human race to dominate its transactions, one with another, wars will be impossible. Material values are the basis of all wars. The genius stage of unfolding places no value whatsoever upon material things. Greed and acquisitiveness is not in it. The sense of evil is not in it. It would be impossible and unthinkable for a Beethoven or Sibelius to even think the inharmonies which are necessary to wage war.

The only way to hold a civilization together is to bring a cosmic harmony into it through transactions based upon love. It is impossible to hold it together as a workable organization in any other way. We have now reached the point in this man-made world where hate, suspicion and greed are sitting at conference tables to bargain with each other. The more they bargain the greater the necessity for increased armament. Lao Russell

man must in fact over come his fear, and the purpose of the Heavenly father within is to assist with that. The overcoming fear must include being afraid of all the demon shit out there. You have inside of your mind/soul a fragment of God and no "demon" can touch it. Because of that, no demon can possess one who has a Father Fragment . That is one reason that Michael of Nebadon (Jesus) bestowed Father Fragment prematurely on this planet, because of the amount of evil on it. Evil cannot touch the Father Indwelt MIND. YOu can still make stupid decisions, but you cannot be possessed.

Man begins to become limitless, each man, when he becomes a cosmic being. All is known and your soul during meditation can access that ALL. You can find anything you NEED and as you come to LEARN HOW TO WORK WITH GOD, YOUR POWER INCREASES. Everytime you are in alignment with the Father, so goes how you do! Things and projects NOT in alignment do not flow. Please look into reading Walter Russell who just does a bang up job of explaining the Father and the power within. Man limits only himself, the Father does not.

Oh dear AC 3566, where in new age did you read that bullshit? You never cease unless you choose to cease your eternal life. I am from the Highest Heaven, Paradise, the center of the Creation where the Trinity lives. And a lot of other high beings. Many of us have come to put to rest these untruths. When you find you way 'Home' you have arrive on Paradise, you do not cease nor do you ever give up your individuality. Over your long journey upward, you just align yourself

more and more with the Father, meaning you gain wisdom. Even the oldest of the Fathers Sons do not ever know it all, there are surprises along the way.

I am an ascending Son out of the animal evolution. I made it to Paradise and I know of what I speak. I surrendered nothing of myself and gained everything. I am here now in service to the one labeled Jesus. I run the ground crew of the 2nd Coming Organization in fact. the Ones labeled Jesus and I are in partnership to lift up this confused world.

Eternity is forever, but if you want some "times" try trillions of years to digest the idea. I am what is called a Mighty Messenger. I am beyond the finaliters of Paradise and will one day become the creator in partnership with my partner who didn't incarnate with me this time, of one of those universes happening in the outer space rings.

There are NO LIMITS and I KNOW THAT very personally. That is why I came to this planet, to serve it. I have taken the journey of ascension and I know it is real.
