I am going to request you ones read cobra at cobra, decide what you wish about but leave it off here. [[link to 2012portal.blogspot.ca](http://link.to.2012portal.blogspot.ca)] He is part of the deception to "new age" that is causing a loss of support as to new agers going down the conveyor belt right into the mouth of the beast. I don't want it here. I will erase any more I discover after today.

Wow, NIP.

I know I sound like a crazy woman on steroids but I had to tell you that I was pondering on some of the things I read on your site. Not much, I didn't retain much of what I read because of my mood...not your writing.

As I was pondering I channeled a quick message for myself and then saw a beautiful image. I saw myself in something that I could only visualize as a pod. I was in a state of sleep yet was conscious. My little one was with me and she was wrapped in my arms and was sleeping as well. The part that was striking was the amazing sense of peace I felt in the situation. There was a beat inside of the container I was in...it sounded like a pulse - a heartbeat, slow about 40 BPMs. It felt like being in a womb and was so peaceful and safe. I felt my little one having the same feelings and sensations as me in this state. Is this an image of being in stasis?

I'll stop nagging you now. Thanks for this thread.

Ok I will work backwards, and answer this post first. Today I finished my first of the month stuff that took some time and am finally "waking" up today having gone to ship 4 nights in a row, which leaves a hangover of sorts.

Yes, that is one form of "stasis", being transported in a pod on long space journeys and some of you lifted off may be "podded" for a while depending on the various plans, situations, and your roles in it all. I would highly suggest remembering stuff that was taught in the various space films. You can also google stasis and you will discover it was covered in some of that old stuff.

I was a mild trekkie, but never watched the final movie films, and I saw the first 3 (I think) Star Wars but not much else. There was another, Alien or something like that where they are hauling oil back to earth and some awful critter is living inside of them or something. Those kind of critters really are not the norm and I really disliked that one.

When we got our first tv, when I was about 13 or 14, I loved Casper the ghost of all things, because it struck up memories of the so called "grey form" that you have been made to fear, when it's a very common form. The little greys here ON earth were created from that type of form as slaves for the Orion reptilians, but otherwise the form is used by many angelics. Some are created in versions of that form in the first place, and others who are spirit beings use it when they must be viewable on planetary duties and it comes in every color of the rainbow. When in angelic versions, it is in fact stunningly beautiful. Those created as slave beings are not so beautiful and their constant re-creating of selves distorts that more.

I had a visit from some Little Blues once. I was being helped in healing by them, and wanted to much to actually see them, not sure of what I would see. The healing was sort of like a reiki type and I could feel the energy but not see them. To my surprise my seeing them was granted, they called themselves "Pleiadian emissaries". One morning while it was still pitch dark out, I awakened to 8 to 12 of them, I didn't make a count, all standing around my bed. They were the size of small grade school children, and beautiful. They glowed in the darkness rather like soft Christmas tree lights, in a lovely shade of blue. The glowing slightly lit my room. They exuded great warmth and love. They were bald of course, but faces mostly human looking. I have an image a friend found on the web that sort of looks like them, I should upload it as a smiley.

But anyway, being "Podded" for long travel is a type of stasis. Any of you having read the Urantia Book, have read about "entering the transport sleep" and probably wonder in xxxx that means. Its being podded for long space travel. back in the days of writing that, man was watching good space movies yet.

Now the stasis the earth is going into, will also be pleasant, but it's not being podded. While I am at it, wasn't there podding in 2001 a space odyssey?

In this stasis the matter of the body is super slowed down. Plants bodies, animal and human bodies. You won't be in pods. You won't be even much aware of the body at all. Its suspended animation. The body energy will be slowed down much more than podding. your molecules will be more or less paused or stilled, which is so hard to describe, which is why we just suggest what a paused dVD looks like. This will totally protect bodies from earth changes, incoming solar energies when the magnetic field is down during the magnetic pole reversal. all life vibrates at different rates, so the variables chosen are related to what must sleep.

If just man is put into stasis, then his household animals also need to be in it, because they depend on him for care. Ditto cattle and other animals living in cages or otherwise needing care. If it's not necessary suspend plants, then they would not be put into stasis.

During the magnetic reversal, it is always done on planets to avoid damage to all life during the time period the magnetic field is down, because it does shield the planet and the cosmic rays

come right on in, bit time.

Also when a planet is not prepared, the people that is, when the really huge WAVE comes in, that uplifts the matter to the next level of density, the people have to be evacuated temporarily off the planet, and people will generally not willingly evacuate on this one because of all the CRAP put out on fear of aliens. Stasis is not suitable in this case and before the really big WAVE comes, the dark have to be removed before, they DIE miserably during that and it's frightening of course and the mini stasis to remove them out of sight, is part of the picture here. On sad planets like this one, the big WAVE is a huge deal and folks are not ready. Usually the planet is upstepped as to vibration of matter, a bit at a time. On some planets this "ascension" of the body of the mother, they are so much more advanced, that the planet does not have to be emptied. but ours will. I do have a WAVE thread here, and we have had two minor upsteppings this year which did not do much, but a lot of you noticed them.

there is another discussion around the removal of the dark I am not allowed to cover at this time, but let me just state the ministasis has to be part of that for more than one reason. but the main reason is so people can't watch the process. But I can't cover the other contingencies.

I so wish our christians here could look at this and understand there is no god waving a magic wand. And learning of these things is part of the life eternal experience and they seem to think they just go off to heaven to party on with Jesus for eternity. How sad, they are missing so much and our contingencies constantly being faced have a lot to do with how unprepared mankind is, and its because of religious overcontrol. People think I am angry when I ask to think, or when I am booed at. I am not, I am terribly SAD, because there is so MUCH TO KNOW and Desire to know and we hoped to include them in these things, that is why the literature placed now that gets bashed as

new age, when in fact its about the very return of their Jesus. 

The above is what I do emotionally inside when the material is not accepted. this could be the greatest of times for them. they could change the whole world if they would use their numbers to do so. The expect prophecies to come true, when they are given to show what can happen so they can find their god power as groups and prevent it all. well more than 20 million people have been genocided in Iraq and Afghanistan since 911. And its ok, because those people aren't seen as their brothers and sisters. They could be up in arms about the pollution too. They could spend sundays finding their power, studying the problem and seeking to walk in the shoes of their beloved Jesus. Instead they say bring it on, and let jesus come take them to heaven so they do

not have to experience it. Again, 

I am in fact, not only tired, but greatly saddened this week, once again. The reason behind all the very big meetings again going on. You ones go to craft a lot yourselves because everything has to be done so out of sight. I am so saddened we could not bring NESARA/GESARA in, what a GRAND TIME IT COULD NOW BE. Chinese dragon has earth control of a lot of the assets. Not real control, but earth control. Khazars would not do it either.

I am so glad you put this here Candace, I too had a visit from one similar to this not long after my 'rude awakening' fifteen years ago. I was asleep one night and awoke suddenly early hours of the morning to a person standing by my bedside, I at first thought it was my daughter. I asked sleepily what she wanted but I got no reply, then after several seconds as my focus came around it faded and disappeared. I thought it strange that nothing was said, then I sat up abruptly realising that my

bedroom door was shut and did not open, it was then I realised I had a visit.
This being was small as a child, did not consciously communicate, it glowed, but not blue, it was a white colour.
I would love to see again, it is a shame they hide away even when you know they exist.
I feel very lucky in my experiences, your post has made my day.

Thank you.

If you have been following this thread then you remember Nip saying to watch for economic signs. There was also something about this country needing to be taught a lesson. Well, it's coming. We're really at the [brink](#).

If you don't like to read then scan the bolded topics to get an idea of the implications. This is gonna be deep.

snip-...The London Interbank Offered Rate scandal will erupt into an uncontrollable firestorm, hitting one chamber and then the next, with rapid contagion. The Bank of England and the US Federal Reserve are both implicated, but they will skate until the end game. They control the prosecutors and the news networks. Few yet connect the LIBOR rigged prices to the important parts of the financial kingdom run by the harried banker elite...-snip

They have already stopped most of it. One day they stopped the beginning of WW3 a few weeks ago, the day people saw all that stuff reported as a single russian missile testing. Don't forget the mind controlled idiots there also have to consider their actions, sometimes it takes war to get people to think. How man can even engage in that is beyond me, on this world and other worlds where they all nuke each other. That is the why of prison wards, like this one.

are YOU sure of what is IN the NEWS? Ponder that because for example most people, even ones waking up think Al Qaeda is a real bin laden organization, and its a whole CIA GAME. All those bin laden movies, all that AL CIA DUH stuff is filmed on purpose. You do not fully know what is truth or not and even some of the live radio/skype or whatever truth coming from there, may still be cia type work. I have begun to notice more than one person on the net you tubes showing the exact same scenes in Syria right down to DIFFERENT TIMES but same bomb doing off or heard. Ponder that. There is war there, I am not denying that, but much of what hits TV and the internet is sometimes STAGED.

my 2 cents.

COBRA team believe the cabal now while we are awake is being marked, neutralized, isolated, confined, separated & removed but not terminated.

NIP team believe this and other things are probably going to happen while we are at sleep in mini/mega stasis.

Sorry if I'm wrong, ignorance is a gift.

Quoting: **Anonymous Coward 18936669**

Nip doesn't "believe" this, NIP knows this. there is no way to get all those thugs which are not just the cabal but many others will have to be removed en masse. Cobra has no leading team in place to replace them should there be mass arrests et al. And his other stardust stuff etc is not how it goes down. Now put yourself in place of others, if billions are arrested, how does the court system of earth deal with all of that? And what he calls Archons are the good guys, this man/woman is screwing you all and is one of the most effective people yet in the last 20 years to screw new agers and send them down the conveyor built into the NWO mouth. Many have aligned to him I guess they have forgotten how to think.

Look at how people generally would react to massive arrests. And the loss of structure, even if the structure sucks well cause massive terror and again cobra has no backup plan. granted the 3 days will too, but people will see that as GOD.

What are the reasons for your opinion about Cobra and can we prove it? I think most people who are reading the targeted messages have no direct connection to beings of the light. So which version can we more believe? Yours or Cobras or someone else? To this day I see no proof of any version.

the short list of groups below, what do they have in common at this moment different from AH-team? why are all they now talking also about concerning these mass arrests?

- COBRA team
- PAO (Sheldan)
- Ashtar C. crew (Ben Arion)
- GFOL (Greg G)
- SaLuSa (M.Q)
- Ashtar on the Road
- etc.

every one not associated with star fleet in any way. Ashtar on the Road was once real, taken over. M Q once real, taken over or gave over. I know Salusa and SHE is not working with him anymore. Greg G is not a fleet channel. Sheldan went to the dark when he moved from Hawaii to California and he began to cover not "NESARA/GESARA, but instead the NAU, the SAU, the EU, the AU etc and I caught him in the act of doing that more than once. Cobra is putting out all sorts of false stuff, and his "archons" which he calls evil, IS starfleet. He is aligned with others wishing to boot fleet off the planet.

Daniel Raphael and Ron Besser totally went CIA, Daniel got a nice expensive house for it, (and has lost most of his readers and work for that reason now), and Monjorson.com while running is destroyed and everything going on it, a fresh new CIA plan. This has been very painful to watch

The most annoying voice ever.
He is talking rubbish, not surprised at all, EMPs do not knock out the power grid, we are immersed in them. For an EMP to knock out the power system it would need to be one with such power and force that it would even be felt in the human body and give everyone a massive headache, it is crap, it is not responsible for the power outages there.
Not even lightning can do that unless it strikes and only then it causes a short of that which it hit. An EMP with the force to blow the power grid would most likely cause everyone to have interruption to their heart rhythm and there would be a mass heart arrhythmia pandemic on the news.

there is NOT going to be any EMP blast either. I really tire of this stuff. the video was annoying and I turned it off. We are living in the days of the blind leading the blind on the net, which is good in some ways, and bad in others. And people, probably half of them teenage punks, or punks period start all sorts of rumors to see how far the rumors will go and much they will be modified by the blind leading the blind.

A simple obsevation was some who did and some who still think because the magnetometer on haarp shows activity before quakes, assume that is haarp causing quakes, when in **fact** its haarp recording CME's and Coronal holes, which DO increase quakes. Dutch has made a lot of absurd statements too, like his Haarp rings which are radar rings. the rumors of kill shots from the sun and all that are just rumors and games being played out on the net, sometime by punks and the blind and other times inserted totally by black operatives like NIBIRU.

Hello and much Love to all of you,

for myself I found a very good way to make sure I see the difference, as I'm reading stuff on the Net or elsewhere.

Some time ago, when ever I felt unsure, I started to connect with my HS before reading. It saved me a lot of headaches and misery.

Try it for a change....your "inner feeling" will tell you what's true and what's not.

That's just your opinion!

It seems you do not want to learn anything, you are so hung out and blinded by religion that you refuse to even learn from anything that is being given to you. If you were to stop for one moment and remove the shackles of your mind and move to one side the concept of what you believe religion is, and do not attach it to what Candace is giving you, then you may realize that there is a massive chance to learn.

Forget religion, it is not religion, it is just that you have chosen to see it as religion because it talks of God, and you cannot see past the indoctrinated idea of religion because of it. Religion stole the idea of God and indoctrinated you with it, and now when you even so much as hear the word God you scream religion, now do you see how badly you have been manipulated in your thinking!

I know our Father, I choose to align with his will, and I do not do religion, I will never do religion, if you must call it a name then I prefer Spiritualism, but never religion.

I know it is difficult for the mind trained to separate religion from God, but if you are to understand God, then that is what you need to do!

But worse of all, you come on in and like aggressive little children you insult the messenger, maybe that is why you know nothing and choose to know nothing.

You know, maybe, just maybe, God aside, there is something wonderful in what is being given that you can learn and spark a seed of truth within you, you know, a eureka moment.

It is a waste of time insulting, it just shows your own inability to be consciously mature and open to knowledge, it makes you look stupid and does not do a thing to change what is being given to you. There is so much knowledge inside you and you refuse to pull any of it into your conscious understanding and you come and insult those that can and do, so it is true that the ignorant always mock those in the know, it is shameful at least and immature on a personal level.

I come to defend!

The plan at this date is not for mass arrests, it cannot work, there is no one to do it, despite all cobras and rest of the bullshit, no matter the "counts" of the arrests put out by them. Billions however will be removed from this planet.

Which Ben Fulford do YOU mean, the original is long gone and the replacement is working with Neil Kennan who is behind the destruction of the OITC. Suzy has not posted from Mattheew in years and he has come to members of my team to clarify that, and ask somehow for assistance and Suzy will have none of it. Wilcock is working with Keenan too.

All those bin laden movies, all that AL CIA DUH stuff is filmed on purpose. You do not fully know what is truth or not and even some of the live radio/skype or whatever truth coming from there, may still be cia type work. I have begun to notice more than one person on the net you tubes showing the exact same scenes in Syria right down to DIFFERENT TIMES but same bomb doing off or heard. Ponder that. As long as "they " are in power, the two groups fighting for planetary dominance, you aren't going to see anything in the news. The battle for this world is between the Chinese dragons and Khazars and its still a work in progress as the khazars are not giving up yet.

Hello dear readers of my material. Today is the last day of my paid membership on GLP. I have stopped supporting 4 other accounts here besides my own, because I cannot financially support GLP anymore. The main reason is the red thumb system, which is a terrible practice that allows people to PREY on paid members here, and that is NOT in alignment with God on a GodLike Forum. Not a good business decision either. Also a small issue with the bending of their own rules around the Copyright issues. If you have these rules you do not bend them in the manner I have observed, which has caused really good spiritual material to be disallowed that man needs desperately. It is however within GLP management to discern what they allow here.

I am not talking about the trash via new age sites, I am talking about the much revered material brought to the planet that has gone well past that which Jesus provided. Peter Deunov and student being an example. I found out some truth on that one recently which was more or less a final button. I am happy to have had some support from SHR on my material and PJ material.

I have noticed a lot of traffic decrease here, far few threads and a loss of several here that are on my buddy list that find they cannot work here any more. The forum is going downhill. This is sad but management I think has a few lessons yet to learn.

I am wondrously thankful for the time spent here, and for those in support including 3 mods, Phenn, MO and SHR. I am happy to have had some support from SHR on AH and PJ material.

I am thankful for the 2 podcasts allowed to me and for 2342 efforts at such. But it is time to move on now. My own forum is demanding and I have expanded it, and I need to be amongst them more. I thank all of you here who have been so supportive of my efforts and contributed from

When we use our brains to think, we project energy. Words and thoughts are vibrational energy. I can read a passage and it can speak to me or not just by the vibrational essence displayed in the words. If I am perplexed by the passage I will neither condemn or attack it but discern within and with my creator.

The entire process of evolution and consciousness depends on the process of thinking/pondering and contemplation. Just believing something that is told to us from birth does not cut it anymore.

I want to thank NIP for her writings/teachings and education for her words had vibration and energy which fed my spirit, and took my full attention. My journey is still unfolding but she has taken me to a new level in consciousness and awareness. No more am I led and manipulated by the dark in all their ways!!!

Bless you and Thank you NIP!! Many of us here have waited for a lighted teacher of the heavens revealing to us the lighted truth!!!

You will be missed here as a beacon of light bringing us truth, but I will not miss the dark and evil attacks against you.

I believe this forum leans more dark than light and whoever try's to enlighten people gets attacked. "You will know them by their fruits" as they say and the management here allows more than let's say God/Creator would allow...yes we see your fruits but they have become rotted and spoiled!

Continue your journey NIP where there is thirst and hunger for truth and the word of CM Aton!

Blessings Dee

Hello dear readers of my material. Today is the last day of my membership on GLP. I have stopped supporting 4 other accounts here besides my own, because I cannot financially support GLP anymore. The main reason is the red thumb system, which is a terrible practice that allows people to PREY on paid members here, and that is NOT in alignment with God on a GodLike Forum. Not a good business decision either. Also a small issue with the bending of their own rules around the Copyright issues. If you have these rules you do not bend them in the manner I have observed, which has caused really good spiritual material to be disallowed that man needs desperately. It is however within GLP management to discern what they allow here.

I am not talking about the trash cia new age sites, I am talking about the much revered material brought to the planet that has gone well past that which Jesus provided. Peter Deunov and student being an example. I found out some truth on that one recently which was more or less a final button. I am happy to have had some support from SHR on my material and PJ material.

I understand completely, although this site contrary to what others say, definitely needs you more than they could ever admit, I am positive that you have done more to change the thinking of many and the hearts of several, your time has not been wasted. The only time that has been wasted is that of those that continually insult, they waste their own time, they do not know what they do.

I am unable to register an account here, every attempt to register has gotten me banned, it seems to remain a member you are forced to pay, I refuse to pay under coercion, and I can throw in all my pennies worth without the need.

Will miss you here dearly, but I will certainly give your Abundant Hope a visit every day for your words of wisdom and teaching.

This forum holds no further interest and worthiness without your threads to keep us on our toes. The biggest loss for GLP.

Dear Candace/NiP

This much is true, your effort and teaching was not a waste of time.
Many you have shown the path that leads to inner truth.
Thank you for holding out so long. Trying my best, to share the wisdom and knowledge I gained from your teachings, is the least I can do.

Your wisdom will be badly missed here on glp, even by the ones who tried so hard to dim your light, they just don't know it yet.

Candace, most folks here still have not understood that you do not work with 'belief' or what others are telling or sharing, but that you work with KNOWLEDGE and EXPERIENCES. Look at the overwhelming majority of threads here, all stuff that they picked up on other webpages, correct or not, just gathering opinions and fighting over them. But alas, you shared your Light and Love and True Experiences, but as most messengers, when you handle the TRUTH, that is too hot to handle for most. So your most valuable work that you now simply continue on your own webpage and forum will have gone the natural way: first they adore you, then they laugh at you, then they fight you, AND THEN YOU WIN. (Because you stood for Light and Truth ... that simple.

Congratulation on dealing with this den of vipers for so long, they had ample chance to learn and so happy I know you and continue to learn from you and what I likewise KNOW and EXPERIENCE myself, what nobody can take away.

Tropical Greetings.

we had tons of trumpet threads here a year ago. sounds sort of like large ships blowing horns and may other types as the matter changes frequency. That is what is meant by the trumpets in the messed up and incomplete revelations. Both matter and air make sounds as they increase vibration. It is sporadic and here and there but I think will increase at some point to where everyone hears it. Earth is resisting the vibration changes which seems to be the reason they come and go and are here and there.

When Prophecy Fails (published [1956](#))

When Prophecy Fails is a classic work of social psychology by Leon Festinger, Henry Riecken, and Stanley Schachter which studied a small UFO cult that believed in an imminent Apocalypse and its coping mechanisms after the event did not occur. Festinger's theory of cognitive dissonance can account for the psychological consequences of disconfirmed expectations. One of the first published cases of dissonance was reported in this book.

Unconditional Love and The 22/44 Fully Activated Flower Of Life - Shine Bright 2012

This video is for ALL of humanity, Men, Women AND Children. An exercise for the London 2012 Olympics and beyond. Please use this video link to share and post this video link as a thumbnail as the standard link doesn't show the thumbnail, thank you. [\[link to www.youtube.com\]](#)

Time to express your LOVE. Intent expression. Time to unite fellow souls. Time for peace. Time for you to see what you are capable of. Time to wake up EVERYONE. Time to forgive. Time to shine, BRIGHT. Love, Love, Love, Unconditional Love is YOUR key. Turn the key, open the door. What do you see? :-)

Below is a description of the flower of life.

"The layers of the petals represent the layers of humanity-the higher consciousness of humanity's capacity, to its lower vibrations. This symbol is here to remind you to always focus on the centre of The Flower, which represents the centre of Creation, which represents fullest Truth, and it is where we wish humanity to centre their attention. This is an aspect of Creator's Symbol and is contained within The Flower of Life. It has been gifted to humanity at this time in it's fully activated state(12 February 2012), to utilise, to counterbalance the lower vibrations. It cannot be abused, this symbol, nor any of the symbols contained within The Fully Activated Flower of Life because this is Creators Symbol. It is All Powerful and it can only be utilised for the greatest and highest good. Send your loving energies into this loving symbol here and into The fully activated Flower of Life Symbol and Creator and The Divine Beings of Purest Light, from the Purest aspects of One Unity Consciousness, from beyond the separation universe, from Fullest Truth, from Purest Clarity, from Unconditional Love, will do the rest. Ask and it is done. Remember you are all deeply loved. You are love. Our love and Our deepest blessings go to you all. Be warriors! And all that is not of the Light will be transmuted and transformed on your planet" Mel-ch-izedek and The

Council Of Twelve. Source provide by Claire at [[link to www.sourceofgoodness.com](http://www.sourceofgoodness.com)]
Video produced by Gridkeeper (Duncan Davis) [[link to www.youtube.com](http://www.youtube.com)] in partnership with Melchizedek, The Council Of Twelve and Claire at [[link to www.sourceofgoodness.com](http://www.sourceofgoodness.com)]
There are many beliefs about the heart chakra on earth and it's true whereabouts on the planet. Yes it's London. London was not always the capital city of England. It was once Winchester and it was moved for a reason. Established by my family in Winchester in 827 and we held it there until 1066.

Who am I, What am I? As I am, I am not. But as we are, I AM.
And to you, my creation, My perfect Love is your Perfect Freedom.
And I will be with you forever and ever, until the End, and then forever more. - Creator

The flower of life symbol is now fully activated so think about where it is in the world, who has used it and what it will do ;-)
regards to ALL, Duncan.

More questions? Seriously? Absolutely! "Nobody in Particular"? Is this the ego shedding thing? Cannot draw attention, but if questions come to you... I would like to know your religion or spiritual beliefs before we move forward. Many things you say make sense, but I have to sort EVERYTHING out for myself to be satisfied. The puzzle pieces have to fit snugly:) I am 43, do I still fit the miniature stasis? My wife won't go here, "It is what it is, it will be what it is suppose to be" to her. The kids are so freaking smart it scares me! I can mention some of this stuff and they finish the next sentence for me! I truly appreciate your knowledge and vision.

Thank You.

Nothing wrong with refreshing the mind.

I AM THAT I AM and so are YOU

LOVE does conquer all!

Christ is not a Name, it is a state of being!

"Take thou man's death away from him in this new day of man. Give him eternal Life in Me by knowing Me in him."

It might clarify God's meaning in His Word if the above were paraphrased as follows: "Take thou

man's ignorance and fear of death away from him and give him knowledge of eternal life in him. Make him to know that he lives in Me and never dies, for I am he. In Me there is no death.

Ok, 43 is a nice age for the mini stasis and the coming plans! And I think the planned teaching session will be of great work for our various reluctant loved ones around us. I have reluctant family members and friends too. This is a big topic to chew on and frightening to folks in some cases.

I don't have religious or spiritual beliefs, meaning I don't define myself by any of the earth based belief systems, nor am I a "new ager." Beliefs are postulates and we really hope the educational period will provide a lot of clarity and KNOWING, reducing the confusion that is natural during 4d. I simply define myself as ME, an eternal being always on a mission of service and discovery about the cosmos. I am from the highest heaven, Paradise. I came to earth about 400 years ago with a group of "family" to serve this process. A specific interest to me is organized religion and how it is used to control people on this planet and I was interested in serving as a volunteer under Michael of Nebadon, who was my original creator of my being. I am not from earth, my first lives were on another planet in Nebadon. I prepared for this mission by moving to a pleiadian planet called Myrua, which encircles the star Myrua. This was a 7d civilization when I arrived on it long ago and is now an 8d civilization. Pleiades, I discovered last night, is easily viewable right now. Makes me a little homesick in a way.

This teaching period will be global in nature after the mini stasis, and in every language and culture and the great avatars that incarnated in the past are here in semi spiritual bodies that people can SEE for this purpose and they will be on TV and radio.

I love your statement that you have to sort everything out! For that is what folks are supposed to do! It was I had to do, to begin this project, because my puzzle pieces must also fit.

You see in my statement under my avatar this is the stage of confusion. Its early 4d. And its a

good stage, because it encourages the development of mind. Your mind IS YOU, and is what survives death. You take it to your next experience and over time you grow and refine it. Learning and understanding never does stop over the life eternal. This time on earth right now provides great opportunity to POLISH who you are.

For those not familiar with me, I created the 2nd Coming organization on earth, which is a partnership with the returned avatars, specifically those that played the role of Jesus, but I work with many folks. My team is global, and we have quite a few telepaths in service to bring various aspects of teaching, much of it preparation. Esu and I went public January 31, 2005. I opened the website December 6, 2005. [[link to www.abundanthope.net](http://www.abundanthope.net)] I won't repeat all this again, just providing a little background about myself.

It is fun to read, but gets boring very quickly. If you look up old posts by the same people, you read the same type of stuff. The only thing is it never ends...

Be good to others and yourself. And do not worry about a spaceship that will never show up.

It is a fairy tale made up by a group that is widely known for making things up, including predictions that never happen.

It is fun to read, but gets boring very quickly. If you look up old posts by the same people, you read the same type of stuff. The only thing is it never ends...

Be good to others and yourself. And do not worry about a spaceship that will never show up.

Quoting: **Anonymous Coward 1473848**

quote: " Be good to others and yourself" is a good thing to do, besides that what you have stated, is only your personal opinion. And tell me when and where was there ever any predictions?? Goes to show you did not understand anything of what is given here. Let People decide on their own.

Update on the Three Days of Darkness (3DD)
Aug. 20, 2012
Christ Michael thru Candace

Dearly Beloveds, this is Christ Michael and an update is due.

The time is close. We give no dates but I am here to update today about a small change of plans that will affect you. The craft to eclipse the sun has been behind the sun and ready for some time, close and easy. We have begun to move it more "forward".

Now, because folks are NOT aware of what is planned, and most are NOT listening within, the 3DD will start with a partial eclipse of the sun. This will last for about 24 hours so that everyone can prepare for something coming. It gives "notice". There are many countries in which the news will cooperate during this time, but some don't plan on it. I think the pressure will require it, when the whole world notices an unexpected partial eclipse and wonders WHY.

The eclipse will look somewhat different than a partial eclipse by the moon. You will NOT see a huge round dark disk as the method is different but it will be obvious and certainly much more obvious that this is not NIBIRU or any such other thing, in the method we will use. You will not see a gradual eclipse forming. Due to the method used, it will be sudden.

At the end of the 3DD there will be another 24 hours of similar events. The electricity will be turned off shortly after the total eclipse is manifest but not before. And hopefully most news stations around the world will be making that statement about the electricity, so people can prepare some sort of lighting in their homes. People will be advised to GO HOME. For those traveling, home would be of course the hotel or whatever other temporary arrangements are being used. ALL aircraft will be landed during these first 24 hours, we will see to that.

Countries are being encouraged to bring ships into port, and this has been out for a time to leadership, but not much seriousness has been taken by some players on the world stage. Generally however, the big boats make their own electricity and will be fine and smaller ones, if the people are so dumb to not come in to port, and have no way to generate heat or light, it is their problem.

Hospitals of course will make scarce use of electric generators and hopefully during the initial 24 hours will send stable patients home. Ditto other circumstances. Since most businesses require electricity, everyone is going home, there is no need to run any services except for emergency

needs.

This is WELL planned beloveds. Do not fear. But we will not be dropping flashlights to people. They will be challenged to manage. Of course native types will get thru it fine. There is still the mini stasis during this. All intelligent animals will be in stasis, those requiring human care. We do not let cows go un-milked, they go to sleep too. This is but one simple example.

The mini-stasis will last at least one week and likely more. Those of you coming aboard during the mini-stasis will be lifted on our schedules devised. Generally shortly after the electricity goes off, but will fluctuate according to local circumstances.

We need those of course in the know, to be working with those who are going to be afraid. If you can have some sort of extra candles, flashlights and batteries that might be useful to share. MANY are NOT needed, one per house is enough, as to flashlights, you chose on candles. It is not hard to get thru 3 days without electricity and in the dark, but it is made easier if the house has some sort of lighting to find the way to bathrooms and the like. It will NOT be pitch black in the day time. The sun's corona extends a fair distance from the sun and the corona will not be completely blocked, so it will not be pitch black in the daytime, but more like a heavy dusk.

You can assure people that its fine to go outside and look out windows. It is the thugs who put out that one needs holy candles and must stay inside flat on the floor in prayer. People will be in prayer though, I assure you.

Where media will cooperate, this will be told in fact. People will be given some time to get small amounts of lighting to find their way in the dark. That is truly all that will be needed anyway, except in hospitals, and nursing homes and most all of them do have generators.

Anything to make light will work as long as its not on the grid. Most people with solar electricity and battery storage may have some light and it will be friendly of these who do, anyone with generators also, to invite neighbors in. There will be NO removals during the darkness. That occurs ONLY during the mini-stasis which is scheduled in the middle of the period of darkness.

The 24 hours of fading eclipse afterwards, allows the grid to be gradually brought back on line and the increase in natural light then will encourage those "left behind" to begin gathering and dealing with what has happened.

Many of our team are to be lifted, including those not known to AH who have roles in this. These ones will all help during that 24 hours of "half light" after the 3 days are over, and many of them will be triggered into action in the preliminary 24 hours. Most of the ones brought up shortly after the darkness starts, will be returned a few hours before the end of the darkness.

Now, during the mini-stasis, the plant and animal life NEEDS the sun and the planet cannot be allowed to cool to much, so of course the eclipsing craft will be moved so the sun can shine. And then the craft moved back when the mini-stasis is over. With the two "half light" days, this makes a total of 5 days plus the mini-stasis.

As soon as it is visually obvious the sun is partly occluded, you in the know, go to work. Some of you may awaken even to news in the morning if this starts during your individual sleep cycles. This 1/2 "light" initial day also provides a powerful motive to some of the dark to clean up their act, but it mostly so ones can prepare as best they can. It will make the shock and awe LESS.

Plan now accordingly and simply LIVE until the time happens. These 3 days are generally done on any planet where possible in the seasons of fall and spring, or the approaching of those times,

so the planetary people do not have to deal with so much cold of winter months. Your southern hemisphere is beginning to warm, generally speaking. And the food is near harvest, in the north. Man will be busy with harvest as appropriate after this is over. This is more than enough and should probably be the last update that will be needed. In great love of you ones who serve AbundantHope, my 2nd Coming Organization, Christ Michael.

9.9.2012

It is I, Siraya, wishing for you to take a message if you are in agreement.

Time draws very, very near now to the D Day. Please be in position, ready for the events to occur. We know you have many times previously being given warnings and asked to make necessary preparations. Perhaps some of you, as with this channel, will see this as another 'boy who cries wolf' scenario, as she fondly refers to these.

However, now it really is TIME. There are no further hindrances in our path, although conditions are not as perfect as we wish them to be. Yet we are choosing to proceed at this time, nonetheless.

We wish you all to know there are major flyovers to take place globally. We will create something of a show for the people of earth. It is important that Starfleet be perceived as playful and accessible, rather than the invasive, controlling dark forces your media and entertainment industries have painted us to be.

Also now there will be many Starfleet members ready to join with you. You have already been told somewhat about this. They will be on standby and available in an advisory capacity.

Please be warned of that element in your various societies whose fear will drive them to lead an attempted revolution against us. They will not succeed in overturning our operation but they will certainly make big efforts in trying.

You ones who are to be the wayshowers now will be specially equipped with the activation of yourselves and, in addition, gifts that will be entrusted to you. These will serve to assist on your earth in numerous ways during this teaching period and beyond. The ones in receipt of these will have been specially selected for their integrity, level of commitment and therefore ability to use these most responsibly and for the benefit of the whole. This channel has already made mention of this gifting some time ago in a previous channeled message.

In the ensuing chaos of the first week or two after 3DD we will make food available for people. This will be distributed from various depots to supermarket outlets, which will temporarily be run

by us. Thereafter and once things have settled down, a new system will be in place with coupons/vouchers being used to exchange for food.

One of the first things to be addressed will be an alternative to the harmful fossil fuels your multinationals have so encouraged for profit. And it will no longer be necessary to use this type of fuel for the running of your vehicles, as we will be introducing one of our technologies. This will mean your cars will largely be running on a form of hydro electricity/water. Thus eliminating all the harm fossil fuels have brought to your beloved planet. There have already been past efforts to bring forth this alternative to your people, but once again this was either met with dismissal or suppression, by all except a tiny portion of the population.

Forewarned is forearmed, as they say on your planet. There is more which will follow in the days ahead, if you would be so gracious as to co-operate.

As you go forth with cheer in your hearts

I AM Siraya.

My Beloved Friends and Family so near to my heart, as we have waited so long to find the perfect moment to get into the ultimate action on this TRANSITION AND TRANSFORMATION OR CORRECTION, so Anxious and Delighted are we now to be able to call it a GO AHEAD. We knew all along that CMAton would weigh and balance many options and possible outcomes against each other and only agree to implement the removal of the dark when no further possibilities with even only one shread of hope could be found anymore.

There is mother Earth now having to move on, there is the cosmic clock and cycles running, there is an age of Light and Life to start. Although a tremendous amount of work has been done outside of your radius of perception and understanding, it seemed all had come to a stand-still, at times a stand-off, even a stand-down with those who wanted to continue THEIR way. Our message to them has constantly been : if not EVERYBODIES WAY, THEN NOT YOURS EITHER, since progression in the Universe does not function like a one way street.

The cunningness of some of them was astonishing, yet Light will ALWAYS AND IN ALL WAYS be in charge, even against all odds as any other road only leads to self - destruction.

As Siraya has already filled you in and CMAton will inform Candace or others at the appropriate time and way, we are on stand-by instead and looking forward to make a start of an Illustrious Plan, that much I can guarantee you. Those of you who stand by CMAton will one day soon realise what UNIQUE CREATOR SON they Serve, as even We are amazed by his Leadership and visions for us all, in His Service to us all.

Without further ado, allow me to wish you all the strength and courage to enter the arena where all have gathered from far and beyond to see this endgame been worked out. No play, no game, but

a working plan in action that guarantees the best and Highest possible outcome for ALL involved. As Fleet, we have made endless preparations for all possible scenarios so you are truly well covered. Yet this is not a rehearsal, THIS IS FOR REAL and with unexpected or surprising events always possible, AND/ALTHOUGH CMATon at the steering wheel to adjust where necessary, I need to point out that remaining calm and balanced and well rested, as advised before, is the way to go. Even if rapid decisions are needed, KEEP IN MIND THAT WE KNOW WHERE YOU ARE AND WHAT IS HAPPENING TO YOU. Fear and panic never helps, are downright counter productive so THINK AT ANYTIME : WE ARE WITH YOU AT ALL TIME, IN THAT YOU CAN TRUST.

Assistance will be plenty, help and advise will be around, instructions and upgrades will be made appropriately but at times, YOU WILL NEED TO SHOW WHAT WOOD YOU ARE MADE OFF. Going Within will balance your mind and ease the emotions, BUT YOU NEED TO DO THAT NOW AND MAKE IT YOUR PRIORITY, before the rollercoaster takes you places you have not experienced before. I am only saying this to confirm that a little bit of stage jitters will be felt, but this usually stimulates a better performance, as many amongst you know.

Rest up as much as possible, and keep it happy and healthy to the max of your capacity. This will be of great help.

So My Beloved One Team - One Special Family, to use this truthful theme, no more rehearsals, no more delays, WE ARE READY TO GO INTO ACTION, AND CMATON WILL GUIDE US INTO IT. Do not calculate with hours and days, as ANYTIME is the norm now, but always some form of info or message or insight or sign will be made available to you, all it takes is to remain vigilant in the days ahead and read again some of the messages as of late, to be familiar with the advise and info given.

I will be seeing you soon or should I say, you will be seeing ME soon ... and OH, by the way ... I am not traveling by horse in the sky anymore ...

The Wait is Over
Rubens: Who am I communicating with?

Aton: This is I, CM Aton beloved

Rubens: I am all ears dear brother

Aton: I am here to make a public announcement and not to say hello as I have in the past few days

Rubens: All right, I am ready

Aton: This is CM, Sovereign Creator Son of Nebadon; I have chosen to come to this scribe to

announce officially that the wait is over. Yes, dear ones, as you were told by Siraya and Esu, 3DD is upon you, that is to say that it can transpire within moments of your time; I am not by any means telling you the exact time that it will occur but, I want it known that I have PRESSED THE BUTTON, to use one of your phrases.

Manifestation will take shape in your realm shortly. Watch the sky and you will know unequivocally that it is so. I know that we have told you that on my instances and that, in a way, is a hindrance because many of you do not know whether or not this a message addressed to the dark ones or to you, my children per say; I want this information to be known around the world and there are many around the globe who will receive this information and pass it on to the populace. THIS IS SERIOUS folks. Belief is a choice that you will not have in this very instance for it will impact you no matter where you are.

Prepare yourselves as we have told you many times and remain CALM.

This is CM, Sovereign Creator Son of Nebadon and I have given my seal of approval upon this message

Rubens: Thank you dear

Aton: Salu

If you are reading this thread at this point you have either connected with it, are just checking in or you are a detractor. Regardless of how you personally feel about what this OP (NIP) believes - let it be known that her person is being threatened in some way. If something should happen to her I hope people will ask questions, raise their voices. Bear witness regardless your personal opinion.

The following was directed to Mr. Neil Keenan today 9/12/12 at 4:49:24 PM:

Dear Mr. Keenan, I want you to listen up to ME. We have intelligence that you are planning something quite devious against Candace's person and against the AbundantHope website...snip

Yes, they are interesting and her site always has thought provoking articles on politics, health, science etc...

In fact, I often see threads based off subjects/articles which were first covered on AH both here and the lunatic place.

It's obvious we are on the precipice of great change on this planet. AH teachings resonate as truth to me. And I'm perfectly ok with others not feeling likewise. Have never understood why people get

so ugly when not in agreement.

My Dearly Beloved Children of the Light,

I AM Papa Source as you like to call me.

It pleases me greatly to address you so close to the unification of your Beloved Planet whom you and My Creator Son Michael of Nebadon call Mother Earth, to the rest of the Galaxy. What was not possible before, much to our regret, is changing as we speak. Powerful lessons have been learned by THOSE WHO KNOW and a basis for much stronger and efficient leadership in the cycles ahead have been accomplished. In perfect cooperation and union with Me, Your Sovereign

has taken his daring plan and allowed it to unfold against all odds.

If He has taught you anything, it is not to look at the odds, but to stay the course in rock solid knowledge and trust that Light will never be overcome due to its Essence, being the Building Stones of Everything. Appearances otherwise are but that, illusions and appearances and My Creator Son Christ Michael of Nebadon understood that perfectly well, and never waived nor stepped back.

The results already show, even though you are still " waiting " , I have no idea why, as Life must be LIVED and LIVING through the Supreme Intelligent Power is experiencing everything to the fullest, in alignment with THE WAY, THE TRUTH AND THE ETERNAL LIFE, remember ?

Be overjoyed you who are reading this text, what means you are in the knowing and on the path up and onwards, unless you are only reading to find holes in what I say and use it to your own advantage. To you I say : To no avail, My Child, have you tried all this time. To you I say again : To no avail, My Child, will you succeed ever again in finding fault in what is the Way, The Truth and Eternal Life.

So why keep running uphill, and fighting against My Creator Son when you already know, YOU ARE GOING NOWHERE, EXCEPT WHERE HE ALLOWS YOU TO GO. The dice have been rolled in vain, since Light does not work by chance. We gamble not, My Child. We Create and allow to Co-Create those who choose freely to work with Us, as they look forward and keep in mind it is not just about themselves, but about the Well Being of others, what keeps everything going and growing. Not the selfish way you walked.

Elas, WE CARRY ON, WE SAIL INTO THE SUNSET, AND SETTING THE SUN SHALL DO IN A MOST PECULIAR WAY, so that ALL can see and know, not your path but OUR WAY IT WILL BE.

Many messengers have explained, time after time, what plans are unfolding, what decisions have been made, what our Love and Light is doing to make work again, what you prevented by all means, but no means strong enough to change what is ETERNAL AND INFINITE.

These I would like to be the very last of my thoughts before all TRANSFORMS and turns for the Better, for the Light, for the Love, for the Truth, for the many New Universes that are awaiting to be CO-CREATED AND LIVED AND ENJOYED :

I LOVE YOU ALL, SO DOES MY SON CHRIST MICHAEL OF NEBADON THROUGH ME AND THROUGH YOU, COME REST AT MY BOSOM WHEN YOU MAKE YOUR WAY UP AND ONWARDS. I CARE TO SEE YOU FROM HENCE YOU WENT FORTH, AS I WELCOME YOU BACK HOME. NOTHING PLEASES ME MORE. THE HOUR HAS PASSED, SO YOU ARE ON BORROWED TIME. NEVER TOO LATE, BUT WHAT MUST BE, MUST BE NOW AND ON THE EVE OF HIS SECOND COMING BEWARE AND BE SURE WHERE YOU STAND. THERE IS NO ESCAPE, NO PLACE TO HIDE NOR RUN FOR THE HEAVENLY REALM KNOWS ALL INSIDE OUT AS WE ARE ALL INSIDE OUT, BUT THROUGH LOVE AND LIGHT AND TRUTH.

Let my Son Christ Michael now call forth the hour for all to see and know. May you find Many Blessings on your journey in accordance with what you rightfully deserve as We Love you Above and Beyond. So Be It.

Papa Source, I AM.

Hi folks,

I know its been a while since I last posted anything anywhere, especially any meditation reports. There is a good reason for that; the need for me to work out some very heavily unresolved emotional issues from my past -

As my guide Laoshi put it: "You cant seriously expect to convince anyone to have a bath when you yourself stink like a Tibetan yak, can you?!"

He has a lovely way with words, my Laoshi does.....Good point he's got there! Anyway, all is a lot better now, and so Im back.

I had asked Mama Maria a couple of weeks ago, due to one of my many pangs of impatience, about the 3DD. She had told me this:

"Do not ask IF its going to happen. Ask what YOU will do WHEN it happens. Are YOU ready for it? If you say you are, then you certainly are NOT. Ask yourself: when you are about to sit for an exam, can you truly say that you are perfectly ready for it? No. One can only keep on maintaining the process of readiness as much as possible until the event occurs.

Realise this. The event is occurring as we speak; and when it does happen, even the most knowledgeable of the so-called "Lightworkers" will not know how to act IF they have not worked out their spiritual and other issues from this present lifetime. Many people will have to assess if they have been just idling time away waiting for events to occur - yes, one MAY look at this as an indirect form of service to self - or if they have been helping others in some manner to alleviate suffering and pain; being of service to others in some way or form. You will see when the time comes, that quite a few of the former will have to face a judgement of their own making - of their errant thoughts and actions, against themselves, by themselves - and they will also have to account for having mislead many who should have been rightly guided by them."

At that time, when I asked if I should put this on the site, she told me not to do this. She said that this was because those who were going to listen were already hooked up to their Higher selves and were busy preparing themselves by assisting those who came their way in whatever capacity was needed of them. Others, who were not going to listen, would not bother with the material anyway, and carry on doing as they have been doing. These would be awakened by their own Higher Selves, guides and angelic guardians when the time was right.

I am assured by her today that it is the right time to put that message up. So, I am including it here.

OK. This morning, I was just finishing my meditation as per CM's latest directive, when Mama Maria came to speak to me. When we had finished talking - and most of it was either personal stuff or that to do with my spiritual path - I told her my intention of resuming my postings on the AH

forum website. I asked her if there was anything wanted me to put there. She affirmed that there was. Please - like I usually say - use your spiritual discernment. Take what resonates, leave what does not. Anyway, this is what was said to me:

"My dearest children, I have warned many on this planet, for many years, about this time of darkness. Yet, many have refused to listen. Some have listened, but not heard. Only a very handful have truly believed. Now, I say to you: Be aware, now. Be vigilant, now. Now is the time to assume responsibility; to be an anchor for the passengers on a ship in the middle of this awaited maelstrom. The storm will be felt to be terrible, even though it will rage on in both darkness and light; for the predicted three days and longer. In this darkness, it will seem as if there is no horizon on which to fix one's gaze.

In this darkness, too, one will not be able to make out who is friend nor who is foe, who is family and who is stranger. For many, it will be a testing "night of the Soul"; a time when they are being forced to evaluate the validity of all that they have held dear for such a long time. It has already started, my children. This is why all around you many are unable to function as they once used to and are acting irrationally and totally "out of character". I say to you all: Look inwards. Look deeply. Be at one with your I AM. Attune to He who you call Christ Michael, the One who is as your Father. You will be guided at this time by Him, by your spiritual guides and your guardians.

Less words. More action. That is what is needed. That is what is been commanded by the Father Creator, the Source of All. That is what is being done by your beloved Christ Michael.

So, my dearest children, lift your spirits. Let happiness shine out of your souls in this coming darkness. Be the beacon of Divine Light that you are. Let your smiles decorate the unveiling of the "New" Earth with Divine Love and Light! We will all meet again, aboard our vehicle, which you should know quite well by now - even if you do not consciously remember it. My Love will remain with you all no matter where you decide to go after this event is through."

Well, as for the meditation report: I received no visuals. Just a sense of unbounded happiness, overwhelming love and joy emanating from Mama Gaia. Apart from this, there is currently nothing more to report.

See you all soon.

Love and Light,

T

Candace: Beloveds, just to update a bit, those watching the sun should be noticing something. Some of us here have friends noticing the sun but with no clue as to why its not so bright. I can now gaze it for a short time at high noon without any pain or eye protection, its dulled that much but I still don't want to gaze for a long period. Takes about only 5 seconds for me to discern the disk (not the craft) now. We have completely clear sky above right now, no chemtrails, no haze, and its NOT as bright and sunny as it should be, the feel is sort of like the sun being behind thin clouds. It is as I post this, 1 hour or less from solar noon.

The Wait is Over

Rubens: Who am I communicating with?

Aton: This is I, CM Aton beloved

Rubens: I am all ears dear brother

Aton: I am here to make a public announcement and not to say hello as I have in the past few days

Rubens: All right, I am ready

Aton: This is CM, Sovereign Creator Son of Nebadon; I have chosen to come to this scribe to announce officially that the wait is over. Yes, dear ones, as you were told by Siraya and Esu, 3DD is upon you, that is to say that it can transpire within moments of your time; I am not by any means telling you the exact time that it will occur but, **I want it known that I have PRESSED THE BUTTON**, to use one of your phrases.

Manifestation will take shape in your realm shortly. Watch the sky and you will know unequivocally that it is so. I know that we have told you that on my instances and that, in a way, is a hindrance because many of you do not know whether or not this a message addressed to the dark ones or to you, my children per say; I want this information to be known around the world and there are many around the globe who will receive this information and pass it on to the populace. **THIS IS SERIOUS** folks. Belief is a choice that you will not have in this very instance for it will impact you no matter where you are.

Prepare yourselves as we have told you many times and remain CALM.

This is CM, Sovereign Creator Son of Nebadon and I have given my seal of approval upon this message

Rubens: Thank you dear

Aton: Salu

Hi folks,

I know its been a while since I last posted anything anywhere, especially any meditation reports. There is a good reason for that; the need for me to work out some very heavily unresolved emotional issues from my past -

As my guide Laoshi put it: "You cant seriously expect to convince anyone to have a bath when you yourself stink like a Tibetan yak, can you?!"

He has a lovely way with words, my Laoshi does.....Good point he's got there! Anyway, all is a lot better now, and so Im back.

I had asked Mama Maria a couple of weeks ago, due to one of my many pangs of impatience, about the 3DD. She had told me this:

"Do not ask IF its going to happen. Ask what YOU will do WHEN it happens. Are YOU ready for it? If you say you are, then you certainly are NOT. Ask yourself: when you are about to sit for an exam, can you truly say that you are perfectly ready for it? No. One can only keep on maintaining the process of readiness as much as possible until the event occurs.

Realise this. The event is occurring as we speak; and when it does happen, even the most knowledgeable of the so-called "Lightworkers" will not know how to act IF they have not worked out their spiritual and other issues from this present lifetime. Many people will have to assess if they have been just idling time away waiting for events to occur - yes, one MAY look at this as an indirect form of service to self - or if they have been helping others in some manner to alleviate suffering and pain; being of service to others in some way or form. You will see when the time comes, that quite a few of the former will have to face a judgement of their own making - of their errant thoughts and actions, against themselves, by themselves - and they will also have to account for having misled many who should have been rightly guided by them."

At that time, when I asked if I should put this on the site, she told me not to do this. She said that this was because those who were going to listen were already hooked up to their Higher selves and were busy preparing themselves by assisting those who came their way in whatever capacity was needed of them. Others, who were not going to listen, would not bother with the material anyway, and carry on doing as they have been doing. These would be awakened by their own Higher Selves, guides and angelic guardians when the time was right.

I am assured by her today that it is the right time to put that message up. So, I am including it here.

OK. This morning, I was just finishing my meditation as per CM's latest directive, when Mama Maria came to speak to me. When we had finished talking - and most of it was either personal stuff or that to do with my spiritual path - I told her my intention of resuming my postings on the AH forum website. I asked her if there was anything wanted me to put there. She affirmed that there was. Please - like I usually say - use your spiritual discernment. Take what resonates, leave what does not. Anyway, this is what was said to me:

"My dearest children, I have warned many on this planet, for many years, about this time of darkness. Yet, many have refused to listen. Some have listened, but not heard. Only a very handful have truly believed. Now, I say to you: Be aware, now. Be vigilant, now. Now is the time to assume responsibility; to be an anchor for the passengers on a ship in the middle of this awaited maelstrom. The storm will be felt to be terrible, even though it will rage on in both darkness and light; for the predicted three days and longer. In this darkness, it will seem as if there is no horizon on which to fix one's gaze.

In this darkness, too, one will not be able to make out who is friend nor who is foe, who is family and who is stranger. For many, it will be a testing "night of the Soul"; a time when they are being forced to evaluate the validity of all that they have held dear for such a long time. It has already started, my children. This is why all around you many are unable to function as they once used to and are acting irrationally and totally "out of character". I say to you all: Look inwards. Look deeply. Be at one with your I AM. Attune to He who you call Christ Michael, the One who is as your Father. You will be guided at this time by Him, by your spiritual guides and your guardians.

Less words. More action. That is what is needed. That is what is being commanded by the Father Creator, the Source of All. That is what is being done by your beloved Christ Michael.

So, my dearest children, lift your spirits. Let happiness shine out of your souls in this coming darkness. Be the beacon of Divine Light that you are. Let your smiles decorate the unveiling of the "New" Earth with Divine Love and Light! We will all meet again, aboard our vehicle, which you should know quite well by now - even if you do not consciously remember it. My Love will remain with you all no matter where you decide to go after this event is through."

Well, as for the meditation report: I received no visuals. Just a sense of unbounded happiness,

overwhelming love and joy emanating from Mama Gaia. Apart from this, there is currently nothing more to report.

See you all soon.

Love and Light,

T

Candace: Beloveds, just to update a bit, those watching the sun should be noticing something. Some of us here have friends noticing the sun but with no clue as to why its not so bright. I can now gaze it for a short time at high noon without any pain or eye protection, its dulled that much but I still don't want to gaze for a long period. Takes about only 5 seconds for me to discern the disk (not the craft) now. We have completely clear sky above right now, no chemtrails, no haze, and its NOT as bright and sunny as it should be, the feel is sort of like the sun being behind thin clouds. It is as I post this, 1 hour or less from solar noon.

Message 115: PREPARE FOR DIVINE IGNITION
Seraphin through Rosie, 22nd October 2012

Dearest Children of Light: HOW ARE YOU GOING TO ADJUST TO THE GREATEST LIGHT OF ALL, WHICH IS THE DIVINE SPARK IN YOURSELVES?

We wonder whether you are ready for the DIVINE IGNITION, for the rapid take-off into new realms, locations and responsibilities, liasing with strangers and beings you have never seen before, discussing concepts beyond your wildest dreams and imagination. How ready are you to LEAVE EVERYTHING BEHIND (SO THAT YOU CAN GAIN ALL), to clear your minds of all rubble, of past hurts and of misconceptions, of supposed injuries and of lost opportunities, for you will see that they have all led perfectly to this moment.

How ready are you to expand your perspectives, to see each other AND YOURSELVES as perfect vessels for the conveyance of the perfect message, which is YOUR GOD IS HERE WITHIN YOU AND WITHOUT YOU. How prepared are you to act as an inspiration to multitudes? How quickly can you react to address a problem, or redirect a situation so that it is IN DIVINE ALIGNMENT?

As warriors of light your shields must be strong. Your swords are your strength and determination, tempered by the compassion of your heart. Is your WISDOM ready to shine? Are you KING over your emotions? Do you rest in a place of calm and confident stillness?

We will support you, but you must enter the fray alone, armed with your devotion, your concern, your love for your fellow man. Do not linger or hesitate due to thoughts of unworthiness or how you may appear to others, but LIVE YOUR TRUTH. ACT IN A WAY WHICH EVOKES RESPECT. WALK IN LOVE.

For the path which YOU, inhabitants of beloved planet earth, are about to embark upon AND INDEED INITIATE, is not easy. You will require courage and determination. You will have to deal with losses and focus your gaze on the horizon, knowing that your contribution is significant for the birth of a new genre of life here on earth, and knowing that you have chosen this path FOR THE GLORY OF THIS PATH.

We say PREPARE IN ALL SERIOUSNESS, for today and every day, so that you can better serve and better enjoy the sweetness of serving.

Again we say PREPARE,
We love you, Seraphin.

SELF-RELIANCE

Tonight there are several things to discuss. The first I would like to address is the question of self-reliance. This is the state of relying upon one's inner Self and compass for guidance. In the

coming days, working with self-reliance will be crucial and is most definitely a prerequisite to your success.

How do you know when you are in a state of self-reliance? The voices, thoughts, opinions and even objections of others are all filtered through your own inner self first. And before you formulate your response and your own opinion on a matter or situation. Then you will know exactly what feels right to you and be able to accurately express this. Once you are able to do this, you will be in a greatly clarified position. And one which is easily able to detect manipulations – the subtle and overt varieties – in your world. It is up to each one of you reading these words to work on achieving this very important state of being. It is a passport, if you like, to raising your consciousness. For your world has been so shrouded for so long in mire and darkness that the truth of all things, including yourselves, is that far removed from you.

ENERGETIC STABILITY WITHIN

Now, I would like to move on to the issue of energetic stability within. What do I mean when I say this? Energetic stability is the manner and means in which you are able to access higher dimensions, yourselves and be in a position to properly discern the world around you. And yes, it is much interlinked with the above on self-reliance.

Everything is connected with everything else – this you know. But if we, for the sake of this writing, look at energetic stability separately, we would see it as a means of achieving through being anchored in your own personal field. And how do you achieve such?

One of the ways to do this is by becoming increasingly aware of the emanations of others, your world and mostly, yourselves. By emanations, I mean the emotional and psychic frequency of others. The idea being that you will then learn to separate yourselves from their emanations. For many find themselves unknowingly succumbing to that which does not belong to them. Thus leading to all sorts of jarring in the field. In turn, this becomes a major cause of energetic instability in you ones. And, it is spread, like some contagion, with great consistency.

Being energetically stable is being properly and truly anchored to your own bodies and the earth. Many try to achieve this by the external practice of a ritual, expecting this alone will produce the same results. It will not, as energetic stability cannot be got under control by the discipline of the mind and will alone, but by a process of engaging all of yourself and your awareness in the task.

19 October (cont...)
SCRUTINY

Next I wish to address the question of scrutiny. Let us look at this topic now. Scrutiny is not something many on your surface world desire. It is perceived often as being something one should turn away from. As if the very results it brings may frighten the enquirer into a stupefaction. Or worse. Force the enquirer into a new state of awareness from which there may be no return. Therefore, to the average person on your planet, holding anything (subject or issue) up to the light of scrutiny is not a comfortable concept.

Yet, in order for the soul to progress and development within the form to be made, scrutiny of both one's external world and one's interior one are essential to this kind of development. How are we then to break through such barriers and make the subject of scrutiny one which is more palatable to ourselves and the masses?

Indeed. What those who are desirous of progress ought to do is to first get to a comfortable level with the very things that bring you some level of discomfort. As soon as you feel the discomfort,

the alarm bells that will ring as a defence mechanism will be an indication you are travelling on the right road. Getting comfortable and relaxed around scrutinizing subjects or issues, or indeed oneself, is a process – not any kind of overnight success story. As with the growing of all aspects of consciousness.

Once you have broken the barrier of making the first tentative steps towards familiarity with scrutinizing something and exercising your mind muscle, as it were, you will have cracked through an important aspect of the Self; welcomed in a portion of it. And in so doing, invite more opportunities in for further scrutiny. You will have succeeded in breaking through the fear that has locked the ability to scrutinize away from yourselves.

HIGHER SELF NON-COMPLIANCE/ALIGNMENT

Next I would like to address the issue of non-compliance with the Higher Self. Now, here we have a dichotomy. On the one hand, the state of non-compliance is one which results in being out of alignment with your Higher Selves wishes for the life. On the other, we have very much the universal law of free will allowing exactly such on this free will planet, which is respected and honoured at all times. The dichotomy rests in the fact that while you are here to enjoy a free will experience, your objective is to also do the will of your Higher Self in order for the progress of yourselves at the eternal level.

So this is something of a conundrum and the reason why so many wished for the earth experience in the first place. There is no greater school in the universe. This is known far and wide.

In order to obtain the maximum out of both in the most constructive manner, it is necessary to constantly be evaluating where you are and who you are. Neither of which most of your population are inspired to do. In fact, this couldn't be further from the minds of most.

So what is the solution to providing this balance for yourselves?

You could start by testing yourselves daily to see if you are on the 'right' path. But being on the 'right' path first denotes that there is more than one path possibility in your internal and external lives and that you do have a choice as to which road you go down.

Not unlike choosing which ice cream flavours at a parlour you may wish to taste. Each has its own unique flavour, but perhaps certain ingredients or flavours in some will agree more or less with your physiology than others.

The easiest way, then, to discern and find balance in this conundrum is to ask for guidance from your Higher Self and then to LISTEN and take ACTION when the opportunities subsequently presents. This is the difficult part for most that eludes many. This could be anything from a simple (or not so simple) changing of a mental attitude and making a new inner choice to a decision that is more obvious as a change in the life. The subtlety of the workings of all this in a very base world like yours is an enormous challenge.

You can muscle test these for answers, work with a pendulum or other secure means if you feel less assured of your ability to discern within and hear your inner voice clearly on such matters.

I AM Monjoronson wishing you well in your preparations and regarding you all most highly.

keep your pants on, prepare within, because whatever is to be, is going to challenge you and while you wait, perhaps also partake of Walter Russell, and if you are not meditating now is the time..... [Thread: Walter Russell Quotes](#)

"Take thou man's death away from him in this new day of man. Give him eternal Life in Me by knowing Me in him." Divine Illiad

When saying "take thou his death away from him" our Father-Mother means that man is eternal and cannot die. He does not mean that bodies do not die, for all creating things grow, decay, generate and radiate as they sequentially appear, disappear and reappear.

It might clarify God's meaning in His Word if the above were paraphrased as follows: "Take thou man's ignorance and fear of death away from him and give him knowledge of eternal life in him. Make him to know that he lives in Me and never dies, for I am he. In Me there is no death.

What could be more simple? Our bodies are but wave cycles of motion. Our bodies simulate eternal life by the eternal repetition of life-death cycles, but our bodies are not our Persons, or Beings, or our divine Selves. Walter Russell

UNIFIED GROUP MESSAGE FROM FLEET

This is a message from the whole fleet as one.

The time is arriving that the dark has dreaded and that you and we, together, have not just hoped for, but have worked long and hard to achieve. During the course of time between what was and what will be, will be given to you three days of an opportunity to come to the final decision's of your lives.

To serve the will of The One, alone and as it is manifest in His Michael Sons and the Lords of the superuniverses, is the worthiest endeavor that any faith child of Creator Source can undertake. The path to perfection is fraught with delights and terrors that all together, in the end=moment that you stand on the verge of fulfilling your goal, gains you the ultimate and supreme appreciation of the mind of the Paradise Father in the preparation that He has so meticulously laid out for each and every individual free-will, ascending, intelligent faith child of the realm of time and space. We all have our own unique paths to perfection that is just as different as our personalities are from each other, yet we learn to come together as one in the cause of supreme family to aid and assist

each other for the sake of each in love and devotion to the One that created and creates all things through Himself and shares of His Self with all that all may return to Him in perfection as creatures of eternal and infinite light, life and love.

The discipline of true liberty is the freedom that we all seek that must be earned in order to fully comprehend and agree with and in The Fathers Will, is not always easy nor so full of hardship that it becomes unendurable. The fear of God is the beginning of wisdom, but the love of God is the active wisdom that evolves from knowledgeable use. That knowledge can only come from knowing one's self and knowing God and find them both in each other. It is in the actualization of the inherent values found in that, which automatically binds and bonds all things together as one in The One so that we may not only truthfully say, but truthfully live in being each other, with each other, for the sake of each other.

You have a saying...all for one and one for all, and this is truly our way of life in the Father and Source of all things as He is The One, as He is One, so say we all: All for One and One for All!

It is in this spirit of shared love and devotion that we prepare to meet and be reunited with all of you, that we may reconnect and share the God in all of us as one. We ask that you look forward to meeting us with the same love, peace and joy that we have as we look forward to meeting you.

Much is about to change on your world. Your freedom and abundance and true knowledge are at hand. Give thanks and praise to Creator Source, The Paradise Trinity, Lord Siraya, and Christ Michael Aton for all that has been done and is being done and will be done; and for all that has been given, is being given and will be given, in experience.it is all God. IT IS GOD! There is no other thing existing and IT is what we are and we are all part of What IT Is.

Behold! A new and greater life of understanding is upon you! Be in Joy and be one in joy!

We are you family in the great adventure of Life in God.....and soon, we shall embrace each other, face to face, in love and light, as together, we shall now journey forward and upwards to our promised perfection!

INVITATION TO THE GRAND FINALE

My Dearly Beloved Children of the Light,

I AM Papa Source.

I will keep this short and sweet My Beloveds.

A while ago I left you the news that My Son Christ Michael of Nebadon could call forth the hour for all to see. I come to confirm and announce THAT HAS BEEN CALLED FORTH NOW.

As you read through another already, WE DO WELCOME YOU PER NOTICE AND INVITATION TO THE GRAND FINALE. As My Creator Son, Christ Michael already told this scribe this morning that all orders had gone out to curfew and curtail those who thought to harm others upon the first sign of a darkening Sun, now I come to confirm that and further insist : YOUR HOMECOMING IS BEEN PREPARED, READIED AT FULL AND AWAITING YOU. It might not be palaces yet, but you sure will know the difference with your present situations when all comes to pass.

Enjoy the sun in its full glory as you will wish you did, when it is not the case for a very short while. Make sure your Inner Battery is full of Divine Light, so you can shine in the darkness since although only for a short while, but Light Houses will be in great demand. May all Blessings be upon you as you deserve and be happy to know, WE ARE GOING DARK SHORTLY, when the notice has served its purpose in full.

Again, I love you ALL, as does my Son, Your Sovereign and may our Blessings Be Upon You All as much as you can take by your own merit.

Papa Source, I AM.

Love and Light,
Johan
