Hi everyone, I have been posting heavily in religion threads. I am going to archive those posts here, but also this is an active thread and you may post your views in it. It is not in support of organized religion. Organized religion is the creation of the very antichrist folks, you religionist so abhor, and you are USED for the purpose of keeping war for dominance going on this planet. You are made to keep people divided so they cannot effectively do anything against the dark minds of this world.

You go to church, if you are christian each Sunday and what do you do there? YOU give your support over to the antichrist. I will now be archiving some of my posts from other threads. Thankyou. As I said you are free to comment here, but I will also exercise my authority as a paid member to remove trash from the thread. You ones must become Godlike, if you wish to serve the problems in this world and you are here to do exactly that and grown that mind which is YOUR SOUL. Nobody that came to serve God, any of the avatars that have come, have created religions in their name.

Every single one has taught that God is Within YOU, and still you go giving your efforts over to others.

The commentary I would like to see in this thread by others, is that which points out why and how religion is used in a negative manner. the religion of Jesus was his personal relationship with God the UNIVERSAL FATHER, the CREATOR of the entire creation which is HUGE. We are but one tiny little planet. Advancing planets throw away religion and come to know the Father WITHIN THEM.

The supreme being is not God the Father, it is all of YOU together which is not just on this planet, but the whole of the creation.

I would like those who are more aware post what religion could be doing and where it is failing. I have enough of that already all over this place and I will move it here.

Love is the highest motivation which man may utilize in his universe ascent-Urantia Book

Fresh Revelation for this age found in *The Urantia Book*, *The Phoenix Journals*, *The Course in Miracles* (the 365 lessons, NOT the URTEXT which is FULL of BLING and otherwise google Candace Frieze. Also visit [[link to www.wisdomoftherays.com](http://www.wisdomoftherays.com)] , Dolores Cannon, and *Conversations with God*, in which the main God giving the material is Buddha.

We must build a new SANE world, ONE THAT DOES NOT USE MONEY, for the reason money is the root of all evil, is that it Enslaves the SOUL. Be about watching Aaron Russo's *From Freedom to Fascism*.

Seeking Visionaries, who can and will create the many messianic missions needed to heal Earth and her peoples, and bring balance. Seeking those who Know their truth, (as they listen to Their Father Fragment) and will strive earnestly to stand in that truth 100% of the time, making every moment of everyday, a Holy Event. TWO OR MORE IN MY NAME. There is no special Day for God. Forget your Sabbath Days. Every Day is the Lord's Day.

I never said she was not worth salvation.
Maybe one day Jesus WILL save her.
She thinks very strongly that she does NOT NEED to be saved.

So yes in my non-authoritative opinion she is not worth my time, or trying.

Quoting: Anonymous Coward 1xxxxxxx quote from somebody who is judging another, and that other one, I find very full of GOD, but who has after a period of experiencing in the christian religion, found a lot of hypocrisy, and now rightfully does her own thing, has her own knowledge and cooperation with the Higher one within, but is called Evil and of Satan in some thread.

Well if YOU didn't who did, because your user number is on the post! Ok, lets play words, I do see you said Trying to save, meaning yourself. You can't save her, nobody saves anybody which several of us keep trying to teach you. The saving, meaning deciding on eternal life is completely between the person and God. NOBODY ELSE. ITS actually NONE OF YOUR BUSINESS if she is saved or not, and how do you KNOW SHE is NOT!!!! Because she has rejected a religion she

once loved, because of the hypocrisy in it? Your religion is YOUR PERSONAL RELATIONSHIP with GOD. It cannot be a corporate animal, and religion is a corporate money raising scheme, in all cases, made to mind control people. You may help people who are down, you have nothing to do with their salvation. **You are busy trying to save somebody already saved!!!!**

Jesus said go speak the good news about salvation. He did not create this stupid religion, the satanic ones did.

you ones do not understand salvation and because you do not understand salvation, you ones do others and this whole world great harm. SANDI PROBABLY GOT SAVED ABOUT 1 MILLION YEARS AGO FOR ALL I KNOW. SHE IS AN AWFULLY ADVANCED EXPERIENCED SOUL WHO IS GIFTING THIS PLANET AND SHOWING PEOPLE THE WAY BY RISING OUT OF A TREMENDOUSLY DIFFICULT PAST. SHE KNOWS WHAT GOD IS. AND IT'S awfully obvious you didn't either read, or did not understand the rest of my commentary. She has LONG BEEN SAVED! AGAIN. Long before this life.

DO YOU ALL REALIZE I AM A VERY OLD SOUL WHO ALSO GOT "SAVED" A VERY LONG TIME AGO. PROBABLY AT LEAST 1 MILLION EARTH YEARS. MAYBE MORE. I HAVE GRADUATED THE "HIGHEST HEAVEN" CALLED PARADISE. THE ONLY REASON I EVEN MENTION THAT IS FOR TEACHING ABOUT HOW GOD, SALVATION AND HEAVEN WORKS.

CHRISTIANS HAVE SPENT A GREAT DEAL OF TIME CONDEMNING SOME OF GOD'S GREATEST TEACHERS AND HEALERS INCARNATE ON THIS DARK, CONFUSED WORLD. THE FOLKS OF 2000 YEARS AGO, HUNG THEIR CREATOR SON ON A CROSS FOR GOD'S SAKE. THAT SAYS SOMETHING AND HE IS RETURNED AND THEY CONTINUE TO FIGURATIVELY HANG HIM ON THE CROSS STILL AGAIN. AND SOME OF THE ONES DOING THE MOST HANGING PROFESS TO BE CHRISTIANS!

NOW I WILL FIRMLY CONTINUE TO SUGGEST READING THE URANTIA BOOK, IT WAS ACTUALLY GIVEN BY GOD'S HOSTS. GO AND READ HOW HEAVEN WORKS AND WHAT YOUR ETERNAL JOURNEY IS TO BE, SHOULD YOU CHOOSE TO CONTINUE IT. And it is a choice.

Obviously religion is a hinderance to the evolution of society.

Anything that subsitutes logic for faith is not good for humanity.

It can be good for people, but it should stay at a personal level and not extend to our government and laws.

Man is one who houses an aspect of God within him. In the Quran God says He has breathed His spirit into man.

"When thy Lord said unto the angels: lo! I am about to create a mortal out of mire, And when I have fashioned him and breathed into him of My Spirit, then fall down before him prostrate."
(Qur'an. Ch 38- vrs 71&72)

This verse provides essential insights into man's position and nature in this universe. Firstly it says that man is made of a dual nature. He is part earth and part divine spirit. Of the portion that is earth, the Quran calls it a stinking clay. There are two opposing forces within man, one which is totally animal, material, carnal (clay) and the other is the purest essence - the spirit of God.

It is amazing how easy a thread can be derailed just because of ant-Muslim rhetoric.

IMO, it appears that those whom bash a persons faith are uneducated in the teachings of that

faith.

Back to the OP's point. It is not the established religion systems per se that I see as the problem, but always a few radical within them.

The people who scream the most on here that they are devoutly religious seem to be the ones with the largest amount of hatred in their hearts.

One should keep one eye on God, and your other eye on your heart more than looking at others to judge them.

People need to follow two simple commandments: *"Love the Lord your God with all your heart and with all your soul and with all your strength and with all your mind" and "Love your neighbor as yourself."*

A notice of my own to all Liberals, (re)tards, lightworkers, whoever: I may not like you but I will try to. Even if I don't like you, I will love you for the sake of God and for peace. I may not agree with you, but I will try my best to respect your opinion.

I am here for one reason.....truth.

That's what this thread is all about...the truth....and not how do you form your opinion of what the truth is.

Some people understand the truth can be found without any organized religion whatsoever. I believe God gives us religions for those of us who are weak and can't seem to find the truth without structure of some sort. It's really not a reason to belittle each other. If you subject yourself to any one of the organized religions, instead of feeling superior to others perhaps it would be better for you if you have some humility and realize you are just as weak and in need of spiritual structure as the person you are attacking.

A person does not need to like a person to love them.

To love someone is to want the best for them. I want the best for each and every one of you...but that does mean that I will like you.

So called "light workers" are no different than any of the other religious elitist. They think and claim that their "vibrations" are higher than others...and they know this how? Are they God? Can they look into the heart of men? I do not think so.

Regarding God...To quote Shakespeare: *"What's in a name? that which we call a rose, by any other name would smell as sweet"*. I really do not care what you call God. God is God, no matter what name or names you assign to God.

IMO, no two people comprehend God in the same EXACT way. I believe that it is better to build a personal relationship with God and not allow anyone else to join YOUR faith ;)

Quoting: **Nobody in Particular**

Hi Candace,

What could organized religions be doing? The most important thing to do would be their leaders coming out and telling the truth. Confessing that their "holy books" have been censored, falsities have been inserted and explaining that some teachings are the complete opposite of what their "founders", meaning the avatars, had taught while here on Urantia. The next step would be to clarify to all their followers that religion is a personal matter between man/woman and his/her Creator, with zero need for a middle man, a.k.a organized religion. After this, these organizations can disband.

Where are they failing? Hmm...well, other than being massively successful in brainwashing billions of people over thousands of years, I would have to say they have failed their followers in many ways. The lies and the hypocrisy are their two biggest failures.

That being said, there are countless wonderful examples of those who have been inspired by these religions affecting positive changes in this world, through their local churches/mosques/temples, etc. or on their own. Religions have also provided humanity with sets of morals and principles that have benefitted us.

In the end though, organized religions cannot take credit for the good in the world, as there are many non-believers/atheists who contribute positively to it.

I realize this is extreme for most, but it truly is what I believe needs to be done. That, and announcements from you and your team will do nicely.

With love,
C.

thankyou, well said! apes didi not in fact evolve into humans, they branched off at a much earlier time and have stayed apes., in terms of the actual evolution of these bodies on this planet. However that planet has also been colonized with other folks using this form from other planets.

But evolution is of MIIND. And it's not going any too well here on planet earth. It is mind that is not spiritual yet that is forced into these religions by those who evangel for them.

well this one was in this thread. Don't want all that work to go to waste. He /she has pretty well described what goes on in the United States at least in the Christian churches. No all of them mind you, but particularly the fundamentalist evangelical ones. Baptists are getting pretty much that way too. And lots of the mainstream ones are taking notice too.

[\[link to www.godlikeproductions.com\]](http://www.godlikeproductions.com)

Well..according to the NEW AGE ILLUMINATI SPONSORED MEGA CHURCHES AND THE CC MOVEMENT...all you have to do is...

follow these simple steps...

1)First ya have to say a sinners prayer.

2)Then you have to go to church three times a week(At least)..each time giving ten percent of whats in your wallet to the fat dude up the front who drives luxury cars and lives in a mansion.

3)Then you have to learn to hate everyone else thats NOT a fundie seeing them as doomed and not worth your trouble to love or help or feed..as ALL your time and money gets dedicated to the fat greedy pastor up the front..

4)After a while you have to learn to HATE all other fundies or denominations with a PASSION and see THEM as wrong and DOOMED as well..if they so much as disagree with your denominations

view on what day to worship..or what to eat..or the rapture debate..or even if adam had a belly button. (Ive seen churches coime apart over this..seriously)

5)You also must LOOK like the world...dress like the world..act like the world...set your church up to look like a rock concert hall..and fornicate and divorce and sleep around with all the women in the church..all the while condemning others of the world who do this. In short..you have to be as CLOSE as possible to what the world IS..but EXCUSE all your "Sins" with the "Im not perfect..just forgiven CRAP"

After doing all of this..THEN..you just might..according to THEM..be worthy of heaven.

THEN...if you do what THEY do (FORGET what they SAY..if you DO what THEY do)..you will feel offended by simple truths like this....

I remember reading in there somewhere where Jesus was having trouble with the puffed up pharisee fucks..who JUST like todays modern so called "Christians"..were giving him a hard time over bullshit..and he said to them..something like..

The drunkards and the prostitutes and the tax men swindlers will get into the kingdom before you.

From what I can ascertain from it..its the ORDINARY "Sinners" who Jesus was referring to who would be more WORTHY of the kingdom then the pharisitical religious ones of the day.

I suppose its because its better to be an HONEST sinner than a DISHONEST lying saint in the end.

And he said something about not being decieved by smooth words and teachings that sound all comfy cozy..that those who preach easy listening doctrines were decievers.

Well..I could not think of a more evil and insidious doctrine than the pre trib rap get out of trouble FREE doctrine..that and the PROSPERITY "BLESS ME" Doctrine...and its OH so COMFY COSY..promising them a getaway from hurting their little pinkies. Jesus also made it clear that you have to ENDURE to the end..how heck is getting a free ride to heaven while everyone else BURNS....ENDURING??

DOES NOT MAKE SENSE.

I just get SICK to DEATH of the same LIES...YEAR AFTER YEAR...the same pack of easy listening LIES LIES LIES..and their ATTITUDE to everyone else..INCLUDING their own "BROTHERS" who dont believe the NEW AGE illumunati LIES they have been PROGRAMMED with ..the way they treat others with is just PATHETIC.

Its no WONDER people want to vomit at ALL christians these days..JUST because of the FEW..the PRE TRIB RAP AND PROSPERITY drones..giving the REAL christians..the ones who DO have LOVE and COMPASSION and HUMILITY and MOST of all.. COURAGE..a rotten name. AS a result..VERY few want to have anything to DO with it..including ME...cause it makes me SICK.

GoD will save according to whats on the heart..ACCORDING to the bible..JESUS own words..yep..he SAID it..

Something about sheep and goats...one lot GAVE a toss about others...and another lot DID NOT..

It said NOTHING about "Did you say a prayer and accept Jesus into you heart"..THAT rubbish aint even IN the Bible..id LOVE to know where they got the "Sinners prayer" GARBAGE from..cause it just aint IN there.

NO..from what JESUS himself actually SAID...its sheep..or its GOATS..right?..and WHAT was the DIFFERENCE between these sheep and goats??

ON the surface..NO difference..BOTH lots claimed "Salvation"..BOTH KNEW Jesus....or claimed to..and BOTH used his name..and did miracles..and this and that IN Jesus name..

BOTH were "CHRISTIANS"..its CLEAR as a bell..BOTH were CLEARLY CHRISTIANS..so WHY were ONE lot sheep..and the OTHER lot GOATS?????

BECAUSE..ONE lot was UNSELFISH..CARING..VISITED POOR DUDES IN PRISON..CLOTHED THE NAKED...GAVE TO THE POOR AND NEEDY..AND ASKED NOTHING IN RETURN..they were HUMBLE..and POLITE and full of LOVE.

The GOATS..SAID all the "RIGHT" words...they SPOKE the LINGO..but they just DID NOT GIVE a FLYING @&^\$ about ANYONE but themselves. They spent their time debating and arguing and BEING WRONG..YEAR AFTER YEAR..and they did NOT feed anyone..or do any GOOD for anyone..they just DID NOT CARE about ANYone but THEMSELVES...

And if these goats DID do something..cause they all said something like "But Lord..we did many miracles in your name..and cast out demons and stuff..AD NAUSEUM.."They did it FOR SELFISH GAIN..to be NOTICED....or to make LOTS OF MONEY from MOVIES and BOOKS and NEW AGE GARBAGE like the "LEFT BEHIND" series which made MILLIONS..while the poor and the needy STARVED AND DIED!..they have ZERO Love..ZERO humility..and STUFF ALL COURAGE...they IGNORE the POOR..live in multi million dollar MANSIONS.

While SO many are STARVING..NEW AGE WOLVES like COPELAND and HINN and DUPLANTIS and that DOLLAR viper..live like KINGS on the MONEY they BILKED AND CONNED out of the "NEW AGE SHEEP....who followed so BLINDLY that lakeland CRAP which was the EPITOME of UTTER HIPOCRISY...

What does Jesus say to these NEW AGE "BELIEVERS" EH???

DEPART from me ye WORKERS of utter GARBAGE AND LIES....cause I NEVER KNEW YOU...

Gonna be a REAL shock to these VIPERS aint it????

Jesus said something about VOMITING these greedy self serving creatures out of his mouth.

Week after week you turn up..hand over all your money for new seats and screens and better air con..while the poor and the hungry just down the road STARVE!!!

While the fat assed pastor..fat gutted and lazy..preaches about FASTING??...and MORE money..and MORE money..for the never ending BUILDING program that all churches seem to have.

STUFF the poor..WHO CARES about the needy..and TOUGH LUCK for the people of the world..cause they are all gonna BURN right??

ALL YOU have to do is keep turning up with wallet OPEN..and BRAIN disengaged..to feed the never ending circle of NEW AGE EASY LISTENING FLESH PLEASING GARBAGE..GIVE to get...get PISSED on the holy spirit..ALWAYS about FEELING GOOD..SELF SELF SELF..always thinking of your SELF!!!

YOU lot ONLY care about what YOU can get..you dont give a flying *#\$% about the hurting,,the needy...the downtrodden..you FLY IN THE FACE OF EVERYTHING JESUS EVER TAUGHT!!!

IN the name of MONEY!!!

MONEY and FEELINGS is your GOD!!!!

"BUt but..we give money to the poor"....you might say..

WHAT OF IT??

YOU DO it ONLY to win a few more BROWNIE POINTS...you DONT do it cause you really CARE!!!!..you do it ONLY so you have a better chance of being raptured..or getting some reward..or feeling better..or being blessed more..

YOU DONT CARE!!!...and when you DO..its all a NEW AGE FEEL GOOD "BLESS ME BLESS ME" SHOW!!

You have turned the TRUTH into a way to FEEL GOOD..ESCAPE DOOM..and MAKE MONEY..and GET BLESSED!!!

YOU DONT KNOW ANYTHING EXCEPT what you WANT to hear..and you KNOW ONLY WHAT YOU HEARD!!

YOU WILL ignore everything I am saying now FOR THIS REASON!!

You will READ this...and say "THATS NOT ME..I DONT DO THAT!!

Well...every time you walk into a church and open your wallet up..

YOU DO!!

YOU FEED THE MACHINE..the money making machine..IDOLATRY!!!!

WHEN will your new age easy rod zero suffering fat lazy so called christians realise its NOT A GAME!!!

ITS NOT a "BLESS ME FEEL GOOD CLUB"

But thats how its TREATED.

I went to these churches,,all over the world..for the last 40 years..ive seen em all slide into HELL..thinking they are OH so HOLY..and going to heaven.

WHAT JOKE its become...

And you will EXCUSE this with..

"WE ARE NOT PERFECT..JUST FORGIVEN"

WHAT a lot of GARBAGE,,a SELF justifying concience excusing load of UTTER CRAP!!

THEN....if you keep following along the same lines as the modern christian..the following rant will APPLY TO YOU TOO..wont that be great??...(Ill actually use SCRIPTURE to back this up..the words of JESUS HIMSELF...which MOST of them TOTALLY DISREGARD..cause they like to do their OWN thing WAY too much...

MATTHEW 23

13 But woe unto you, scribes and Pharisees, HYPOCRITES! for ye shut up the kingdom of heaven against men: for ye neither go in yourselves, neither suffer ye them that are entering to go in.

Yeah..you lot LOVE to preach a whole lot of HIPOCRITICAL CONDEMING SOUL TEARING MIND NUMBING CRAP which turns people AWAY from the TRUE way...with smooth deceptive words and well worded sermons designed to feed your WALLETS..and make MILLIONS from your LIES of TWISTED SCRIPYURE(The left behind movies and books)....but tell me this you evil stains on the name of jesus...

WHY wont You do what he SAYS..YOU wont enter in YOURSELVES..and by your UTTERLY ABOMINABLE BEHAVIOUR AND EXAMPLE...no one ELSE wants to either because they LOOK at YOU pathetic easy living cowardly liars and think..RIGHTLY SO..that CHRISTIANS are NOTHING BUT A PACK OF ARGUING SELF CENTERED GREEDY ADULTEROUS LYING HYPOCRITES

14 Woe unto you, scribes and Pharisees, HYPOCRITES! for ye devour widows' houses, and for a pretence make long prayer: therefore ye shall receive the greater damnation.

Yeah..ya just LOVE the OH SO HOLY prayers..babbling away in tongues and blaspheming the holy spirit with your UTTER ABOMINATIONS(Getting PISSED on the holy spirit)..THIS according to YOUR BIBLE is what you do..USING something HOLY to make MONEY..is BLASHEMY..and using the holy spirit to promote your MONEY MAKING LIES is BLASPHEMY agist the HOLY SPIRIT...ACCORDING to your OWN BIBLE...you DO feed on widows houses..you rake in offerings year after year..from old widows who are too weak to resist the SNARES you set..SHAME on you you pathetic LIFE destroying VIPERS!!

But wait,,,there is MORE.....

Actually if their ministers would do as you suggest, which is good, they would not need to disband. Instead they could study all the books, and new documentaries, and other material on the web about how the banks operate, and all that related stuff, about the pollution, about God now and then in a proper way, and then come together and create some real missions! I don't want them to go away. I want them to GROW into groups who collect as in two or more in my name, and accomplish something for this world. Become truly knowledgeable and each pick on appropriate areas where they can truly serve. I would thus like them to give up some of those huge buildings they maintain, or divide them into parts that can serve. Those "sanctuaries" could be used more than on Sunday somehow. We will fund such churches after the changes, if they will turn to actually working for god.

Followers of God/Jesus are intolerant of followers of Mohammed. And Followers of Mohammed are intolerant of followers of God/Jesus.. Maybe you two groups should get together and have a party..

And do not say you arent Intolerant.. Because From both groups if you do not beleive you are going to a very bad place.

Thankyou, for in the minds of some of these followers, this is indeed so. They are used to battle each other, and members often cannot discern this, the other guy is always the infidel. Now I have met great people who are in religion and have good minds and are trying to heal within the religion. And it seems mostly unsuccessfully it would seem.

This thread just got a lot shorter. I banned two individuals from posting and in a couple cases, removed posts of people that have responded well, just to get the ignorant or hateful postings of the thread, when the quote feature was used. I will NOT accept "Christian" post against Muslims in this thread. All are brothers and Sisters, All are children of God. I seek for understanding of what has happened with religion that is in part going to cause Mama Gaia, who has her own mind, to cleanse this planet.

I am not anti christian, or anti muslim or anti buddist etc. I am anti the deliberate creation of organizations that are used to cause separation and used to create cannon fodder for war. Right now, I cannot speak for Islam, because I do not live in these countries, but in MY country, Christians are used to promote hate against Islam, so that the Zionists can steal the resources of others, and also to confiscate the religious relics still not yet confiscated, to they can create their new world religion and erase the evidence of the teachings of all the great avatars who have come to earth.

One credit I give to Islam and the Quran, is that it teaches that God sends avatars to different peoples depending on the needs of the times, and this is VERY TRUE. Thus they accept the avatars that god has sent to other civilizations on this planet. Christians, particularly those groups influenced since the late 1800's cannot accept this concept. Yet it is so.

Mohammed came to the arab people. Jesus came to Palestine and went on to teach in the black and caspian sea areas. Confucius came for the orientals. Krishna came to India etc. There was ones that came in the same time frame to the America's, which were fully populated also. And so it goes.

Now in these coming times, these great avatars will once again walk this plane, to clean up the mess that has been created in their names. To properly educate their followers again in the ways of God. To those who bash Mohammed, I have personally met him and he is a marvelous kind

and gentle soul. His mission was corrupted like all them were. One huge purpose he had was to give equal rights to women. That did fail it seems, generally speaking. And it did in christianity too, Paul really screwed that up. I was glad when the roman church which I attended for a time, gave up on making women cover their heads in church. Granted by the time I was going, covering meant a little lace doilie pinned to the top of the head. But I was not accepted into the church unless I had a lace dollie on my head!

The human body in both sexes is holy. And he is greatly saddened at this time, because of the covering up of women still that is growing worse in some areas.

This world is not ready for naked people at the beach, but believe it or not, some day it will be, when people have reached control of themselves.

We will always wear clothing at work and the like. They do on all worlds, but nobody is offended by the body during bathing and swimmming. Nor does anyone take liberty with other naked individuals regardless of sex. They have evolved themselves beyond that.

Many in Islam, or so I ma told, the women must cover up to stop the eyes of men upon them. I don't know how true this is. There are times in my life where wearing the clothing of a nun could be liberating in fact. Mostly I dress in sweats in the winter, and shorts in the summer with t shirts these days, unless I wish to "look nicer" for some reason. My little cartoon of myself is pretty correct.

Man is one who houses an aspect of God within him. In the Quran God says He has breathed His spirit into man.

"When thy Lord said unto the angels: lo! I am about to create a mortal out of mire, And when I have fashioned him and breathed into him of My Spirit, then fall down before him prostrate."
(Qur'an. Ch 38- vrs 71&72)

This verse provides essential insights into man's position and nature in this universe. Firstly it says that man is made of a dual nature. He is part earth and part divine spirit. Of the portion that is

earth, the Quran calls it a stinking clay. There are two opposing forces within man, one which is totally animal, material, carnal (clay) and the other is the purest essence - the spirit of God.

Quoting: **Salaama**

Salaama, if you would like to continue contributing that which is good and correct with Islamic teachings, you are more than welcome here. I have no problems with the religion, as much as I do with the way it has become organized as a tool. As I said above, regards churches, and that would also apply to Mosques etc.,. I would love to see congregations, by whatever name, have the clerics education their congregations and all participate in really helping this world. I only removed some posts to get rid of the quoted material that was negative in the quotes. I sent you a note on that.

After the earth changes, my organization which is partnered with Christ Michael of Nebadon, Esu and likely all the returning avatars, we will provide help and funding to all sorts of projects to rebuild this world into a truly progressive GOD KNOWING civilization. There will be 50 to 100 regions around the world fully staffed with those who can oversee what needs to be done in all areas. Technology, building, science, health, etc. etc. etc. And knowing about GOD. As people become ready spiritually we will start up what used to be called mystery schools to teach such things as levitation and the like use of mind.

NONE. There is no God within them. They will appear to practice in Christianity mostly in this country, so as to appear to be of God. Many of them have been observed practicing satanic rituals at their special place in California, for example, by I think it was tards.

Many of the Catholic cathedrals and Mormon, and other cathedrals in this country have basements and cellar areas connected by tunnels where satanic rituals are practiced. And out in the woods too.

Thanks for the video, I will post it to my website.

Yes I got your message and thanks for welcoming me! I understand if you want to clean up your thread but as for me I am not offended by anything because I like to discuss any and all ideas about THE CREATOR OF THE UNIVERSE. Some people are just such young souls, the poor dears don't have much depth and all they know is anger and hate, a very low vibrational emotion. Ah well, we all progress at our own pace!

I am here to represent what I have learned so far. Islam is NOT an organized religion. There is no priesthood. Each community may or may not have leaders who are not appointed as such but simply out of respect for their dedication to gaining knowledge. In Islam it is your duty, a commandment, to gain knowledge, to question the religion, and to apply logic and reasoning to anything you learn. A leader can only lead the people in prayer. They have no power, they cannot force anyone to do anything. It is customary for the person with the most knowledge in the room to lead the prayer. Women can lead the prayer for women. Again it would be the most learned woman present. You can ask a leader/scholar for advice if they are more knowledgeable than you but you don't have to follow any advice given. You can ask as many scholars as you like in order to gather a good amount of information for making your decisions. Or you can ask no one and rely on your own common sense.

Islam is all about equal rights for women. That's why the vast majority of new converts worldwide is women.

The main reason for covering (mainly it's the hair) is so women can have the freedom of being seen as an intelligent human being, and not merely a sex object to be used and discarded. Men are very prone to visual stimulation and get distracted by the beauty of women. That doesn't give them the right to a lack of self-control, it just means they have a hard time concentrating LOL.

Obviously religion is a hinderance to the evolution of society.

Anything that subsitutes logic for faith is not good for humanity.

It can be good for people, but it should stay at a personal level and not extend to our government and laws.

Quoting: **dereistic**

WOW - I must say this is probably one of the best statements I read in a long time.

I too believe that religion or faith is something private and religion should stay out of politics and laws. I would like to see a world where truly everybody is free to practice and believe what they want and not be forced upon you by a country or society.

Also your personal beliefs should never lead to actions that cause harm to others or society. Tolerance and respect is essential and sadly is hard to find these days.

And your statement about logic is correct, we were given a brain for a reason (by our Creator, God or whatever one wants to call it), so we should use it.

if god or our creator gives us free will, why should we not be able to choose our own path of enlightenment whether that be through "organized religion" or personal spiritual discovery. To each his own and many will misinterpret his/her mission regardless of their path. Many people benefit from "organized religion" with a tight knit community working for their own betterment as human beings. Many people benefit from individual seeking on their own terms. Whose to say one is better than the other, it all depends on the individual and what works for them. I know the historical and modern day abuses of "organized religion" but many secular institutions, especially in modern society have created quite a mess of their own. Why bash such a broad based institution as organized religion simply because it doesnt fit in with your own worldview. One of the greatest reasons for the colonization of our country was to give people choice in their own practices of religion. Would you recommend removing this free choice of association? If you don't like catholicism don't practice it. Furthermore the whole separation of church and state thing has taken on a revisionists history approach whereby we seek to exclude anything related to religion in our policies and laws.

The "Separation of Church and State" metaphor blurs the distinction between a doctrinal religion and a denominational religion. This places the doctrinal religion we have embraced in the same basket as an organized denominational religion with potential to merge with the state. The documentary evidence of the doctrinal Christian religion origin of this nation is voluminous. The Supreme Court thoroughly studied this issue, and in 1892 gave what is known as the Trinity Decision. In that decision the Supreme Court declared, "this is a Christian nation." John Quincy Adams said, "The highest glory of the American Revolution was, it connected in one indissoluble bond, the principles of civil government with the principles of Christianity." The founders were definitely Christian for the most part. At least 90 to 95 percentage of them were practicing, Trinitarian Christians. This and the additional supporting evidence below show conclusively that the concern that motivated the framers to include the establishment clause in the constitution was definitely not fear of the doctrinal religion of Christian Theism. It was understood that Christian Theism was the default state doctrinal religion. As opposed to being something to fear, it was something believed to be vital to the success of our government. Consequently, the framers feared a state denominational religion not a state doctrinal religion! Some additional evidences that indicate Christian Theism was the national doctrinal religion are listed below:

Emblazoned over the Speaker of the House in the US Capitol are the words "In God We Trust."

The Supreme Court building built in the 1930's has carvings of Moses and the Ten Commandments.

God is mentioned in stone all over Washington D.C., on its monuments and buildings.

As a nation, we have celebrated Christmas to commemorate the Savior's birth for centuries.

Oaths in courtrooms have invoked God from the beginning.

The founding fathers often quoted the Bible in their writings.

Every president that has given an inaugural address has mentioned God in that speech.

Prayers have been said at the swearing in of each president.

Each president was sworn in on the Bible, saying the words, "So help me God."

Our national anthem mentions God.

The liberty bell has a Bible verse engraved on it.

- # The original constitution of all 50 states mentions God.
- # Chaplains have been in the public payroll from the very beginning.
- # Our nations birth certificate, the Declaration of Independence, mentions God four times.
- #The capitol rotunda used to hold church services every sunday in the early 1800's
- # The Bible was used as a textbook in the schools.

I am not sure which post I may have removed but because I have long experienced here on glp people that come in and destroy my threads on purpose and before I could do nothing about and neither could others in their thread. I have been removed from some threads now too, and that's ok, if the creator wants to keep it on topic in some way. My forum is for people who are 100% into service of Esu and CM. I closed it to new members because I got a whole bunch of junk missions statements in mid to late december, and then huge attacks started here on GLP against all of this, so I took the hint, because I am not going to have my time wasted on my own forum being a police officer, which I would be reduced to. I have better things to do and I have better things to do here too now, that I can have a measure of control. My work is not going to be destroyed by others and I have a RIGHT to prevent that where possible. Free speech does not extend to destruction.

We are heavily infiltrated right down to my computer, my life, the lives of my teams and I can control at least some of the infiltration into the forums and the like and I will. but I will not have my time taken up by constant babysitting, because you see, explanations themselves have little power, but the delete button does. So be it.
