Ok another addition. Don't let the first few posts turn you off to this thread, it has a wondrous purpose and I think some are coming to see that and will contribute. I hope it flowers. if you do not wish to contribute (in a thoughtful way, because if you put up that flag, out you go and I may well ban you for it), please read and ponder what is in it.

I keep changing the title. See why in the last post. You ones have to LOOK at what you failed to do, you can do it now, or when you face your life later. This world is nearly DEAD, YOUR MOTHER has been neglected. Most of you, christian or otherwise have help that along. At what point are you going to ponder why? I hope you Christians expecting the rapture today, will begin to ask why you even expected a rapture, for it is not so. It's the lie of the satanic ones.

Please list your accomplishments demonstrating your group power in actually SERVING Jesus.

You have not gotten the antichrist out of your governments, you have allowed the NWO, the fake money on which you pay interest, you have allowed the take over of the united states constitution.

You have allowed Israel to exist, believing god has chosen these antichrist Zionists above yourselves. This is perhaps your biggest error of all.

You have bought into the materialism.

You have failed to notice there are several Obama's. You have failed to require Obama to prove he is a natural born citizen.

You have allowed and in fact encouraged the whole sale destruction in the Middle East. You have allowed massive Genocide there.

You allowed 911, it could not have happened had you been on your toes.

In general, you have been useless as to group power, having given you power over the very antchrist folks you supposedly abhor.

Ponder these statements. Add to them what you have allowed in the destruction of fabric of our

society.

Love is the highest motivation which man may utilize in his universe ascent. Love is the desire to do good to others-Urantia Book

Moral acts are those human performances which are characterized by the highest intelligence, directed by selective discrimination in the choice of superior ends as well as in the selection of moral means to attain these ends. Such conduct is virtuous. Supreme virtue, then, is wholeheartedly to choose to do the will of the Father in heaven. UB

I don't know about the other things you've mentioned, but as to your original question, "What have you Christians Done to DESERVE your Rapture"?

NOTHING.

Which is, by the way, the point of it all.

- * Paul agrees: "None is righteous, no, not one..." (Rom 3:10 ESV)
- * David agrees: "...there is none who does good, not even one." (Ps 14:3 ESV)
- * Jesus agrees: "If you then, who are evil..." (Mat 7:11 ESV)

"The saying is trustworthy and deserving of full acceptance, that **Christ Jesus came into the world to save sinners, of whom I am the foremost.**" (1 Tim 1:15 ESV)

They don't have to earn or deserve anything. It's all free, and personal accountability is a bad thing!

The "gift of being saved" is free provided you accept their religion, and they don't have to do good things because when they get possessed by the jesus demon, it does all the "good stuff"... so if they don't do any good stuff, it's not their fault, because it's the jesus spirit's job to do good stuff using their body.

I'm really not sure if that is really a true consensus though, or one that is made to appear that way, great pr and booming voice helps.

I do feel that the Good News did speak about the importance of 'walking in another's shoes' though. Also feel that God does care for us, but does not breath for us.

That the return of the Prodigal Son to the Father, actually takes some walking, and not just sitting around adhering to 'what have you'.

For starters . . .salvation isn't free. This kind of message is Billy Graham illuminati crap.

Salvation is only "free" because our salvation cannot be earned or purchased with money. "Salvation" is a COVENANT, which means life for life. Christ gave us His life, and we give Him ours in return.

Anybody who is a REAL relationship with the almighty has spent a good deal of time in a full scale war, a war that is unseen, but real just the same.

Religion is no more than man's attempt to understand God. Most of the time, it is FLAT OUT wrong, because it is generated by the TPTB.

A covenant with the PRIME CREATOR GOD is an entirely different story. If you WANT to find it, you will. What I have found is most people who debunk and debate the truth of Christ, have NEVER even read the scriptures. If they have, they go at it like it is a loose leaf notebook, taking only what they need to support their foolish dogmatism.

The bottom line is that the PRIME CREATOR GOD loved you enough to come to this wretched planet in human form and DIE a hideous death for you. Why did He do this? Because the law could not be negated . . .nor could we keep it's requirements. So He came to arrange a pardon.

What He has gotten in return is scorn, derision and mockery by the very people He loves.

So . . .go ahead. Find out what a covenant means. Read the book with a fair and objective POV (if

you can). Stay FAR FAR away from the religtards and churchianity . . .I mean, if it is all BS? What do you have to lose but a few hours away from some of the seriously stupid posts on GLP?

As I think about it, I would think no one has a decision in whether they are raptured, ultimately it is up to God for that one. At the same time, it is easy to stereotype everyone in one religion to think that they believe they deserve a rapture, I know, I've stereotyped myself, doesn't mean its right.

The atheist has a 'religion' too as well. Kind of like there is such a thing as "pure science" and biased science.

Same like how Christianity can become a religion as well, where there are differences between spiritual and secular dogma as well.

They do behave the same way to some level, and are mutually excluding and have dominant voices.

If they really weren't so self serving, they would be more like it's own purer expression even, and maybe can come to explain things in a more wholesome way as well.

Thank you for your thoughts. I agree with them. I believe scripture does also.

Many are frustrated. To look around at a world which is sinking deeper and deeper.

The OP points to Christians to consider what they are doing (what works) to prevent this titanic from sinking and to prove themselves worthy of God's mercy against the promised day of wrath when the ship finally and fully sinks.

Jesus Christ was clear... his Kingdom is not of this world.

Scripture shows us that the devil took Jesus up to a high mountain and showed him the Kingdoms of this world and told Jesus he would give him all of it, if he would worship the devil.

Jesus knew who he was speaking to... and he knew that the devil had it in his power to make such an offer. Scripture tells us plainly, the devil is the prince of this world. He is the prince of the power of the air. He is the ruler/god of this age. He possesses the Kingdoms of the world. It is not difficult to see this truth when one looks around.

The OP (and many others) seem to think that Christians are somehow greater than their master and that they should be taking back the Kingdoms of this world. That this is (in some way) their calling or commandments given by The LORD or that such things are demonstrable fruits of worth.

Scripture tells us of a similar exchange where a man, who was being crucified with Christ said to him; If you are God, save yourself, and us! Christ gave this man no reply.

Another said, "LORD, remember me when you enter into your Kingdom". To him, The Christ said; "You will be with me in paradise"

His Kingdom is not of this world.

Scripture is clear... Men are justified by faith, not works - that a man should not boast in the gift of God as if he has done something to deserve such grace and mercy.

One would say, Faith without works is dead. Who can argue? But works that are pleasing to God are through faith in God. Not mans selfish desires... Not mans wisdom (read list in OP). The

wisdom of this world is foolishness to God. The list provided is wisdom from the OP.

Jesus was clear in scripture... The gospel of His Kingdom would be preached throughout the whole world for a witness to all nations and then the end would come.

The end of what? The end of this worlds way of things. The end of this age of corruption and the ruler of this age of corruption.

That end will not come from men. It will not come through the works of men. A man cannot thwart the plan and will of God. All things must be fulfilled.

His Kingdom will come when The Father has delivered up all things unto the Son. When He has put down all powers. In his times and his seasons. He began the work and he will complete the work. We see this has not yet happened (completion).

In the meantime, we do what we are instructed to do;

We share the message of the gospel. That Jesus Christ is the path to peace with The Father. That he is the path to everlasting life.

That he is calling men to repentance and to follow him and his commandments. To set aside their own selfish desires and ways and to follow him on the narrow path.

And we are called to rest in the hope which is given from God through Christ. That he who began the works will complete them.

We are called to bear the fruits of righteousness, which is; love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control.

To patiently wait for the day when Christ will have put all things under him and to be watching and praying for such a day (Our Blessed hope).

That in the latter days, the love of many would grow cold and that we are to endure until the end. To continue on in the things which abide; Faith and hope and love.

I believe this to be true. My Spirit tells me it is. Such things are also spoken of in The Holy Bible.

May we all receive a blessing from God today.

Blessing and peace to you.

To All the World, In ancient times the man creatures intellect was such that his relation to the density of matter was one of reaction and fear,superstition became their coping mechanism. The sacrificing of their babies to appease the angry fire god on the mountain,the "BLOOD SACRIFICE" was their "CULT"! Then as mans intellect ascended and his morality awakened man creature began to see the faint,small light of spirit reality. The man creature Abram ended for a time the sacrifice of the first born man child and transferred the "BLOOD SACRIFICE" to an unblemished lamb,still they are STUCK IN NEGATIVITY in (SIN),the SIN of SUPERSTITION! Still trying to appease the angry unseen god of fire. Then we come to the time of our PARADISE CREATOR SON'S descent down into the realm of the firmament the density of matter. His real mission is one very few know,but you will have to read the "URANTIA BOOK" to find out. His death on the cross has been misunderstood by most the world.The experience of Saul on the Damascus road and his misunderstanding of his experience and subsequent new testament teaching very efficiently managed to propagandize the early "CHRISTIANS" right back into the "BLOOD CULT" of the Elite Pharisee Hebrew "CULT",by making Jesus the "SACRIFICIAL LAMB" ! Jesus was against all this SUPERSTITION and said so many times.To believe that The Father in Heaven the Source of all would require that one of His PARADISE CREATOR SONS ,one of His "MICHAEL SONS" to suffer and die for the forgiveness of the SINS of another is an AFFRONT to our Loving HEAVENLY FATHER! Jesus completed His mission and His allowing Himself to be murdered in such a way was so much more an important and selfless act then most of your beliefs.He was showing "SPIRIT REALITIES" not just to us but to ALL HIS UNIVERSE,He was showing us the true path! He showed us but most missed this that the body neither lives nor dies it merely simulates life,only the SOUL/MIND HUE MAN the BEING of LIGHT LIVES AND IS IMMORTAL!If you so choose. the white rose

Thank you for your thoughts. I agree with them. I believe scripture does also.

Many are frustrated. To look around at a world which is sinking deeper and deeper.

The OP points to Christians to consider what they are doing (what works) to prevent this titanic from sinking and to prove themselves worthy of God's mercy against the promised day of wrath when the ship finally and fully sinks.

Jesus Christ was clear... his Kingdom is not of this world.

Scripture shows us that the devil took Jesus up to a high mountain and showed him the Kingdoms of this world and told Jesus he would give him all of it, if he would worship the devil.

Jesus knew who he was speaking to... and he knew that the devil had it in his power to make such an offer. Scripture tells us plainly, the devil is the prince of this world. He is the prince of the power of the air. He is the ruler/god of this age. He possesses the Kingdoms of the world. It is not difficult to see this truth when one looks around.

The OP (and many others) seem to think that Christians are somehow greater than their master and that they should be taking back the Kingdoms of this world. That this is (in some way) their calling or commandments given by The LORD or that such things are demonstrable fruits of worth.

Scripture tells us of a similar exchange where a man, who was being crucified with Christ said to him; If you are God, save yourself, and us! Christ gave this man no reply.

Another said, "LORD, remember me when you enter into your Kingdom". To him, The Christ said; "You will be with me in paradise"

His Kingdom is not of this world.

Scripture is clear... Men are justified by faith, not works - that a man should not boast in the gift of God as if he has done something to deserve such grace and mercy.

One would say, Faith without works is dead. Who can argue? But works that are pleasing to God are through faith in God. Not mans selfish desires... Not mans wisdom (read list in OP). The wisdom of this world is foolishness to God. The list provided is wisdom from the OP.

Jesus was clear in scripture... The gospel of His Kingdom would be preached throughout the whole world for a witness to all nations and then the end would come.

The end of what? The end of this worlds way of things. The end of this age of corruption and the ruler of this age of corruption.

That end will not come from men. It will not come through the works of men. A man cannot thwart the plan and will of God. All things must be fulfilled.

His Kingdom will come when The Father has delivered up all things unto the Son. When He has put down all powers. In his times and his seasons. He began the work and he will complete the work. We see this has not yet happened (completion).

In the meantime, we do what we are instructed to do;

We share the message of the gospel. That Jesus Christ is the path to peace with The Father. That

he is the path to everlasting life.

That he is calling men to repentance and to follow him and his commandments. To set aside their own selfish desires and ways and to follow him on the narrow path.

And we are called to rest in the hope which is given from God through Christ. That he who began the works will complete them.

We are called to bear the fruits of righteousness, which is; love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control.

To patiently wait for the day when Christ will have put all things under him and to be watching and praying for such a day (Our Blessed hope).

That in the latter days, the love of many would grow cold and that we are to endure until the end. To continue on in the things which abide; Faith and hope and love.

I believe this to be true. My Spirit tells me it is. Such things are also spoken of in The Holy Bible.

May we all receive a blessing from God today.

Blessing and peace to you.

Please list your accomplishments demonstrating your group power in actually SERVING Jesus.

You have not gotten the antichrist out of your governments, you have allowed the NWO, the fake money on which you pay interest, you have allowed the take over of the united states constitution.

You have allowed Israel to exist, believing god has chosen these antichrist Zionists above yourselves. This is perhaps your biggest error of all.

You have bought into the materialism.

You have failed to notice there are several Obama's. You have failed to require Obama to prove he is a natural born citizen.

You have allowed and in fact encouraged the whole sale destruction in the Middle East. You have allowed massive Genocide there.

You allowed 911, it could not have happened had you been on your toes.

In general, you have been useless as to group power, having given you power over the very antchrist folks you supposedly abhor.

Ponder these statements. Add to them what you have allowed in the destruction of fabric of our society.

I'm not a Christian, but this is a really stupid fucking post. You've basically blamed a billion plus people for every single problem in the world. Individuals, mostly powerless, like you and me. Your hatred for Christians is obvious, but what's sad is that you let that hatred completely formulate your world view and it's become so warped that you've fallen into this petty little blame game where, feeling powerless yourself, you feel you have to lash out at a group of people who you consider easy pray. So why not the very people who annoy you so much?

You're a really sick fucking cunt. Your avatar says "no war", and yet you're hell bent on starting one right on this forum. Are you so fucking stupid that you can't see all wars start with words? That the inherent power of words can bring peace or destruction? So you're every bit the hypocrite that you accuse these Christians of being. So go find a hole to live in and fuck yourself, because your stupidity and hypocrisy have no place in a civilized society.

But that's the beauty of their religion.

They don't have to earn or deserve anything. It's all free, and personal accountability is a bad thing!

The "gift of being saved" is free provided you accept their religion, and they don't have to do good things because when they get possessed by the Jesus demon, it does all the "good stuff"... so if they don't do any good stuff, it's not their fault, because it's the Jesus spirit's job to do good stuff using their body.

Nobody, I am sorry for you, but there is still hope for you. Here is the mystery. We love Him, because He first loved us. As we come to know His love for us, in greater and greater experience and revelation, it changes us, and without even trying, without thinking about it, somehow, He accomplishes His will in us and loves others. You will never figure it out, just accept His love for you.

Thanks for your reply. I am glad to hear that you have trust.

We know trust is defined as a firm belief in the reliability, truth, ability, or strength of someone or something.

Some trust in themselves. In their reliability, in their own truth, in their own abilities and strength.

Some trust in God alone. In His reliability, in His truth, in His abilities and strength.

IMHO, A lack of trust or misplaced trust leads to fear and doubt and anger and worry and much sorrow.

Who fears when they know God is in complete control?

Who worries when they know it is God who began this work and that it is God who will complete this work?

Who doubts when they are certain that it is God who is all powerful and all knowing?

Who becomes angered and worried or over sorrowful when they know all things work for the good of them that Love God?

Scripture tells us to place our trust in him alone and to rest in him alone and his promise and power. To not lean upon our own understanding.

We see much doubt and fear and anger and worry these days. We see a lack of trust.

May we all have rest and hope and comfort in his power and promise alone. May we trust him fully.

peace,

the white rose

Thanks for your reply. I am glad to hear that you have trust.

We know trust is defined as a firm belief in the reliability, truth, ability, or strength of someone or something.

Some trust in themselves. In their reliability, in their own truth, in their own abilities and strength.

Some trust in God alone. In His reliability, in His truth, in His abilities and strength.

IMHO, A lack of trust or misplaced trust leads to fear and doubt and anger and worry and much sorrow.

Who fears when they know God is in complete control?

Who worries when they know it is God who began this work and that it is God who will complete this work?

Who doubts when they are certain that it is God who is all powerful and all knowing?

Who becomes angered and worried or over sorrowful when they know all things work for the good of them that Love God?

Scripture tells us to place our trust in him alone and to rest in him alone and his promise and power. To not lean upon our own understanding.

We see much doubt and fear and anger and worry these days. We see a lack of trust.

May we all have rest and hope and comfort in his power and promise alone. May we trust him fully.

peace,

Quoting: **Anonymous Coward 1194370**

Trust is pretty tough in this place, and i mean this on a personal faith level sometimes, even faith in each other as well, which seems to say that we left our humanity on the curb along the way.

Even especially a trust towards the fragment of our Creator buried somewhere within us, and often not looked for even.

All those 'one-eye' sources and voices always tell us to look for this connection outside ourselves.

Just because a person calls themselves a Christian does NOT mean they will be raptured. As well, a person may not necessarily label themselves a Christian, but are a good person.. and would be raptured. SO.. it's not about what we think, but what God thinks.

I have failed in my disobedience to The Father and his instruction.

I often fail to Love God with all my heart and all my mind and all my strength/

I often fail to Love my neighbor as myself.

I often fail to be a blessing to my enemies.
To bless those who curse me and to pray for those use despite me.

These are my continual failings. Though I try and try.

I have a lot of regrets regarding lessons as well and do wish to not make the same mistakes again though.

I also most definitely do not want to become, or express, the very things I have come to resent about our experiences here.

It does feel like there is still a lot of internal 'cleaning house' in order for me though, but feel may be the first step towards something worthwhile, and perhaps even to be able to listen, even to that small still voice.

Working off baggage may infinitely be more helpful than seeing if others are some ideas to share even.

Thank you.

I feel that the Father would understand, but would be very happy to see us walk on our own to get there.

This Real Love thing is pretty tough to understand and realize, and that's just talking about the fluffy conditional love even. Which just doesn't seem to describe that other love from the Father, nor give it any shred of justice, value even.

This other love, and it's built in biases, probably makes it harder for us to love/bless our neighbors, and love them in a way that unmakes enemies, and bring blessing to all.

I feel the unworthiness from the feelings of continually failing too. :(

It's also tough to realize when we bought into the view that "kindness is a weakness" is real.

Please list your accomplishments demonstrating your group power in actually SERVING Jesus.

You have not gotten the antichrist out of your governments, you have allowed the NWO, the fake money on which you pay interest, you have allowed the take over of the united states constitution.

You have allowed Israel to exist, believing god has chosen these antichrist Zionists above yourselves. This is perhaps your biggest error of all.

You have bought into the materialism.

You have failed to notice there are several Obama's. You have failed to require Obama to prove he is a natural born citizen.

You have allowed and in fact encouraged the whole sale destruction in the Middle East. You have allowed massive Genocide there.

You allowed 911, it could not have happened had you been on your toes.

In general, you have been useless as to group power, having given you power over the very antchrist folks you supposedly abhor.

Ponder these statements. Add to them what you have allowed in the destruction of fabric of our society.

I'm not a Christian, but this is a really stupid fucking post. You've basically blamed a billion plus people for every single problem in the world. Individuals, mostly powerless, like you and me. Your hatred for Christians is obvious, but what's sad is that you let that hatred completely formulate your world view and it's become so warped that you've fallen into this petty little blame game where, feeling powerless yourself, you feel you have to lash out at a group of people who you consider easy pray. So why not the very people who annoy you so much?

You're a really sick fucking cunt. Your avatar says "no war", and yet you're hell bent on starting one right on this forum. Are you so fucking stupid that you can't see all wars start with words? That the inherent power of words can bring peace or destruction? So you're every bit the hypocrite that you accuse these Christians of being. So go find a hole to live in and fuck yourself, because your stupidity and hypocrisy have no place in a civilized society.

Kind of like when people say he's on a throne somewhere, or in a book, or in a wand some fancy robed guy is holding even.

They seem silent on the idea of finding God in ourselves, in one another too especially even.

Which is kind of weird because you'd think that God would be everywhere in a Kingdom of God.

The sad irony here is if it really was all around, within us foremost, but we failed to see it, realize it, for oneself and another.

My point about the Christians here, is they have not used their GOD power to serve God, as a general statement. I am not trying to start a war. I am asking people to ponder, even the simple things.

Please post your own errors and how you could have.... or will.

A good place to start could be in the WASTE of this world htat is killing the mother, and the wars that kill also her spirit. Many of you don't even GET that GAIA is YOUR MOTHER. I was booted off a christian forum for making that statement by the way, on Mother's Day.

GAIA IS YOUR LIFE FIRST AND FOREMOST an dyou cannot operate here without recognizing that fact.

So the question perhaps to answer, is where did YOU NOT SERVE and protect your MOTHER. I am going to keep pulling your teeth folks, until you get the JIST of what I am going for.

I will leave this one post, do not any of you make another, of this type, it will go bye bye on this topic. You are saved by Jesus when YOU EARN it. You have been lied too by satanic ones. Every teaching Jesus brought then, and since the 1950's after his return has been trashed by the dark side. there is a list of the promised WORD below in my signature file. That is ONE WORD that was promised, the other is the WAVE, the coming of God Energy from paradise, which is not going to be pleasant for many as it manifests fully. For it is the "Lord" in the bible that will rage upon this world and not any "god" person. It's an energy, and many of these have already arrived. That is why the world is heating up.

Jesus taught that FAITH is FREE, you do not have to pay a pastor. That is why he got after the money changers, who were changing money at a handsome fee making people by special animals for sacrifice. He taught that salvation is earned, by your ACTIVE FAITH within you. Active faith demands action. This is a combination prison world, for the thugs who have resisted God, and a Seed planet to develop new souls. New souls have to be challenged to learn to think and the decision to serve God is made within, and not "belief ON jesus" can create that, You must walk in his holy shoes. Once again, he is a picture taken in 1961 of the returned Jesus. He is "in the clouds" aboard CRAFT people.

And should he come in the CLOUDS, it will be in craft to evacuate the planet when the shit hits the fan, and you must have earned your ride out of here. For your body will not pass thru the levitation

light beams to craft, unless you live in your heart. many of you my whole life and right here on GLP preach and shove hellfire, which does not exist, and you are very hateful and smug when doing so. I have lived with that my whole life and it is not the way of heart or God.

Christians are NOT special, everyone one is dear to God and you are given chance after chance after change to grow. BEcause evolutionary Growth of mind is a slow process. you are never judged to heaven or to death of your being, after a single life. Incarnation is a fact. All life does it, moves up the intelligence scale.

Many of you are the fallen ones, and that was a huge purpose of Jesus coming, to make one more attempt before this time of sorting, to open the door to you. That IS the story of the prodigal son. Now many of you are very young souls. Some are in their first life in this body time. You are not expected to know or understand the workings of this world at this point.

You will be given more chances. Those of you who are the fallen ones, this is your last chance on this planet to accept the grace offered unto you. If you have not done so by the start of the big cleansing, you are moving to other dark worlds. The worst of the leadership including many of those you adore as your leaders will be facing the courts of Nebadon, and if they are still found lacking, the courts of the Super Universe, will interview, as many of these are not facing hellfire, which does not exist, but uncreation of their being. Once you are uncreated, that IS eternal.'

Other ones of you here are having a final chance on this world of your origin, to fuse with your Father Fragment, which is the making of your ascension. This is what will right you into the BOOK of LIFE, for you are not an eternal being until this occurs. You too, who are not yet ready will continue on someplace else. This is mostly the time of SORTING, because GAIA IS making her ascension, with or without you. those that are not ready must be sorted to appropriate schools in God's kingdom. Most people when they are 5 years old cannot do calculus. So you can't start college yet. that is all that is going on here. You will move perhaps to the next grade in class though, First GRADE.

Now this is the end of the lecture. Please ponder where your SERVICE to the LORD could have been better. For that is HOW GROWTH IS MADE.

And as to the poster above, whose post I did not remove, Muslims and all others who fallow any religion are still god's children and your being a Christian has jack shit to do with what is coming, You are judged by your heart and works. Christianity was not a creation of Jesus. It was a creation of Satan. You can come together certainly in groups for the expression of your god power and to assist one another. **But stating you are a christian and by that have some sort of special grace is wrong. ALL HAVE EXACTLY the SAME GRACE RENDERED unto them, whether they have a religion or not.** HEAVEN has a court system dear ones. It is not Jesus that has come to judge you all, the courts of heaven do that. Now look over thy WORKS of HEART or NOT OF HEART and ponder how it will go when you face the JUDGE. Your akashic records hold it all, you cannot hide.

Now this is the end of the lecture. Please ponder where your SERVICE to the LORD could have been better. For that is HOW GROWTH IS MADE.

Now post here if you will, what more you could have done, for example to decrease your own pollution of this world, by that I mean both your angers etc, and your actual pollution thru your automobiles, you waste of resources and the like. I am asking you to THINK.

And I formed an organization in partnership with Michael of Nebadon and Esu Immanuel, the two who were "jesus" together 2000 years ago, which will serve after the stasis for the upliftment and education of this world.

Are some of you gnashing your teeth who live along the Mississippi, Missouri, and Ohio river drainage systems? Are you pondering WHY those levies were built? Did that solve the problems there? Jesus said to not build your houses on sand, or something to that effect. Yet you build them on top of bad earthquake zones, and too near to water, thinking that water can be controlled? Well it's can't. Nature's power is always greater. You must work WITH nature, not against it.

-- AH- Candace GLP #11 -- page. 45

You ones are worried about the radiation from Japan! REALLY now, how about worrying about all that other radiation that has been allowed. The power of your churches could have prevented the testing of bombs, or stopped it, would be a better word. it could have stopped the building of nuclear power plants. The people of Colorado actually got rid of one on our state years ago, we got it shut down. This is the type of stuff I am talking about. All this nuclear waste gets stored in the wrong places and there is no right place to store it!

You pray to God to stop the houses of PORN. I saw this once, people carrying signs asking Jesus to stop the porn places some place once in the mid west. But these ones did nothing to legally stop the houses of porn, you asked Jesus to do it. Well you are supposed to be the ones to do it for Jesus!!!!!!

NIP has worked long and hard to bring forth the truth & has urged us to take action based on this truth. Unfortunately, very few can see through the brainwashing and mind control.

The illuminati (17,400,000 hits on google. There is no shortage of information) has imprisoned us in a matrix of control. This control encompasses all our social structures - religion, business, MSM, education, medicine pharmaceuticals, entertainment, sports, politics etc.

We are enslaved. The information NIP provides would allow us to break free of this matrix.

There are many appropriate quotes from Matrix, the movie.

Here are a few:

Morpheus:Unfortunately, no one can be told what the Matrix is. You have to see it for yourself.

Morpheus:The Matrix is a system, Neo. That system is our enemy. But when you're inside, you look around, what do you see? Businessmen, teachers, lawyers, carpenters. The very minds of the people we are trying to save. But until we do, these people are still a part of that system and that makes them our enemy. You have to understand, most of these people are not ready to be unplugged. And many of them are so inured, so hopelessly dependent on the system, that they will fight to protect it.

Morpheus:The Matrix is everywhere. It is all around us. Even now, in this very room. You can see it when you look out your window or when you turn on your television. You can feel it when you go to work... when you go to church... when you pay your taxes. It is the world that has been pulled over your eyes to blind you from the truth.

Neo: What truth?

Morpheus:That you are a slave, Neo. Like everyone else you were born into bondage. Into a prison that you cannot taste or see or touch. A prison for your mind.

Morpheus:I'm trying to free your mind, Neo. But I can only show you the door. You're the one that has to walk through it.

NIP has taken a lot of flak from people she is trying to help.

I have called you nothing of what you say. If you have served from heart, more power to that.

But have you served the matrix in some way through organized religion, the military, the manufacturing of weapons of mass destruction or other matrix things? People must wake up to this stuff.

This world was going into a major axis shift, moving even possibly out of orbit, after the genocide of WW 2 and that which preceded it. The rulers on the universes (God), sent craft to stabilize the planet and buy some time for the souls of earth to mature and to get star seeds birthed massively into the planet. Perhaps you are one of those.

These ones of earth were given a great deal of time to awaken to the destruction going on this planet. The pollution and the like and despite huge influx of star seeds to draw attention and to also provide the internet, the concern for the Mother Planet has not taken root.

Since a CHILD, I recognised the pollution by the auto mobile and also the pollution of excess materialism. I have been mashed for this my whole life, and a big portion of this has come from Christians who tell me that since God is going to destroy the planet, it does not matter. And others just don't care.

I have always been concerned and unsupportive of these wars for money, control, and destruction. I have been also put down for that. When I was 8 years old, I was listening to war and politics on the radio. It appalled me. The issue then was Israel. I dated that when I reviewed the

-- AH- Candace GLP #11 -- page. 50

history of Israel, when watching a film from the Library once, because I remembered listening to that on the radio.

This is a failed global civilization. Yes there are good folks in the mix. But there is not enough awareness of the fact that the planet is HOME and MOTHER, and must not be harmed. Which includes the people. The planet is not expendable. It is not temporary. It is not disposable. We will not have a wholesome civilization here until that is understood. Religion has been used greatly to corrupt people. They are promised an easy heaven, and that god will destroy the planet. god does not do that, but Michael of Nebadon considered it once, because of the great darkness here.

The MOther is being relieved of her suffering, which has been unusually long and she volunteered to take on being a prison ward some 200,000 years ago for the galactic thugs and fallen ones sent here. She has suffered greatly.

You see, there is still little inner light. It has grown some. Now the planet will be cleansed and people sorted to wherever they should be, because she has served long and well, we are at the end of a great cycle around the Milky Way and again in the renewing energies of such and MOMMA earth has earned her ascension.

Man has failed to realize he is the GOD who has destroyed the earth. GAIA's depression is extreme right now. Depression is buried anger. She is constantly given nurturing by those who are here in our skies and many of us on earth, so that she does not explode.

I continue to ask people to look at what they have participated in, to bring this world to this point, and learn thus about the control of the matrix.

well you have my sympathy, I went thru a very terrible withdrawal once, not from nicotine, but from Klonopin, which I had been put on for restless leg syndrome, which was believed at the time to result from my the Multiple sclerosis and chronic fatigue syndrome. I had no idea i was "addicted" to it, per se, as I never craved it and simply took the same dose at bedtime every night for 4 years. then a very wise doctor I was referred to for allergies, said nearly always this was from mineral problems, usually magnesium on the legs, and so it was, to this day i have to take magnesium every day. So of course I wished to come off the klonopin, (which belongs to the same group of drugs as valium and librium), and did so slowly enough, or so I thought. Well I went thru a nightmare time, had to go back on it to stop the horrid withdrawal and then I withdrew much more slowly. I was on 3 tabs a night, so for a week I took 2 3/4 tabs at bedtime, then the next week 2 1/2 etc, until nearly 3 months later I was off, but I still had some funny symptoms for about 6 months, but at least they were livable with until that stuff was completely out of my system.

The reason I did the above, is because my sister in law had finally kicked the nicotine the very same way. So I thought this was perhaps a way to go on the klonopin. Klonopin was considered useful for the chronic fatigue syndrome too.

She first cut to lighter and lighter cigarettes, and then started a plan where, since she was a 2 pack a day smoker, smoked 39 cigarettes a day for a week, then 38 a day etc, until she was done. She carefully counted them out, so she didn't "miscount". It was several months of course that it took, and in the meantime she exercised when stressed and she never went back on them. I have often advised people to give that method a try. She was one who lost sleep to smoking at night, and every other week, the dropped cigarette was one she craved in particular at certain times. In about weeks she had cut out the 2 to 3 night cigarettes this way.

People, this civilization is FAILED. Please work on the why's of that!!!!!! Christian or otherwise. Do not post religious stuff in here now at this point.

POST WHAT Should have been done, including where you yourself, in terms of service to the planet, could have done things differently. Yes Robert, it's a tough crowd here, but the point is to ponder and learn from the mistakes and yes, there are not many takers. SAD.

People learn thru reincarnation and you ones do face the karmic board at the end of your CURRENT life. Why not face that some now!!!!!! Because doing so IS going to then have an effect at that meeting. A positive effect beloveds.

If the hyjackers who try to rule this world gets destroyed, and there is only enough room for God and Christ and Children to live on earth, for free, without money, and grow food on earth, without trouble. Or without paying money for land. If we and Children of God can really live on earth, we don't need housing and stuff like that, like jobs and that. All we need is food. What we really need is our earth back. It is our earth, not the money's earth.

We don't need money. We can't eat money, neither can we make tea or even drink the money. But we can wipe our arses with money.

You see, we don't need money on this planet. We need to plant and grow food for free, and know that the earth is ours for free and to share as a beloved God Family.

Well there is a lot of gnashing of teeth in the Midwest of this country after the 70 tornadoes yesterday. many have posted, oh it haarp, yada yada. it is not. It is Earth changes. This is the earth cleansing herself. And there is a reason to do that for again, this IS a failed civilization, not just the united states, but globally. The planet is making HER ascension. Who is going with her into making a heaven on this earth. Christians, that is WHAT is Meant about the New Heaven and the New Earth.

Karmaaa, oh yes, plenty. I am not being trite, I am not making fun. You all can believe in the false rapture to be taken away from this, but you are to walk thru it. ONLY if the axis shift or other related events manifest will there be an evacuation of the planet. There was some evacuation in fact in Japan with that quake.

You have images on the net of people rising up in the air. That will only happen if you are going to rise up in the levitation beams of craft.

Many of you here on GLP have made a lot of fun about our star visitors. Well, they ARE here because these are the end times, out of which we will build the new times. We are in the photon belt (since 1992), the energies coming from the center of the Milky Way since Oct 2006, and now again also another lap of the WAVE.

yes there has been weather war, but now with this wave the Haarps have been kept quiet, for the WAVE is more than enough and we don't need the haarps and the errors from that to cause further issues.

Now, if you have not prepared in any way, it is surely time to do so, including getting right with God. Because you can't ride the levitation beams IN BODY if you are not. We have spent in excess of 25 years preparing your bodies, of those that wish to go with the rescuers, for these times. That is why some of you think you were "abducted" . Ponder that one. IF you got abducted, by the good guys you had chosen to take on a brave new frontier, in your present bodies. Should evacuation be needed. People from around the local universe and other universes have come in this time of need and will suffer themselves some losses during an evacuation and some have suffered when shot down by the thugs of this world.

This is the time of the 2nd Coming which is two events. Jesus had intended already to walk this plane long ago, until the murder of John Kennedy who was take to meet Jesus directly. You have allowed your governments, particularly those governments in conjunction with teh US of A and Israels evil dominion of the world plan, to run amoke and done nothing about it.

20 million people have been genocided in Iraq and Afghanistan since 911. the people of the United States have allowed it and in many cases encouraged it.

christians, the Muzzies are also children of God and this is going to be a painful lesson for some of you, and for those of you who are not christians too. The United States has a lot of karma coming. These energies coming in recognize where darkness abounds and removes it. Seems like the bible belt was struck pretty good last night.

I am asking you folks to wake up and smell the coffee.

I said the galactic thugs did this?????? There are NO galactic thugs, you do not fly the friendly skies if a thug. Thugs are kept very close to home.

Our visitors came to help. They worked hard with your governments. YOur governments did not allow them. Your governments only worked to save their own arses. Not yours. However, in the saving of their own arses, they built great underground shelters, which will at some point get used by the people and not the thugs.

Your post is incredibly inaccurate.

Ok I see what you mean. Those thugs of olden times, yes, they were removed, except those still incarnate in the leadership. It is for people of earth to do that. But at some point they will be removed and will go to judgment. The Reptilians were not "galactic", they have lived on the planet for 4 million years and considered it their home in that regard. They were here before man evolved.

Love is the highest motivation which man may utilize in his universe ascent. Love is the desire to do good to others-Urantia Book

Moral acts are those human performances which are characterized by the highest intelligence, directed by selective discrimination in the choice of superior ends as well as in the selection of moral means to attain these ends. Such conduct is virtuous. Supreme virtue, then, is wholeheartedly to choose to do the will of the Father in heaven. UB

WHERE HAVE ALL THE FLOWERS GONE

Pete Seeger- Sanga Music Inc -BMI

Where have all the flowers gone, long time passing?

Where have all the flowers gone, long time ago?

Where have all the flowers gone?

Young girls have picked them everyone.

Oh, when will they ever learn?

Oh, when will they ever learn?

Where have all the young girls gone, long time passing?

Where have all the young girls gone, long time ago?

Where have all the young girls gone?

Gone for husbands everyone.

Oh, when will they ever learn?

Where have all the husbands gone, long time passing?

Where have all the husbands gone, long time ago?

Where have all the husbands gone?

Gone for soldiers everyone

Oh, when will they ever learn?

Oh, when will they ever learn?

Where have all the soldiers gone, long time passing?

Where have all the soldiers gone, long time ago?

Where have all the soldiers gone?

Gone to graveyards, everyone.

Oh, when will they ever learn?

I am asking you folks to wake up and smell the coffee.

im asking you to provide one iota of proof that some star people and "jesus" characters are real.

the same line of questioning was asked from Esu(Jesus) over 2000 years ago. I will follow you and what you preach if God comes and saves you from the cross. Man has always asked to see with their eyes so they can believe and in keeping with that practice man will surely be blinded.

NIP you have a tough nut to crack with these folks but the Hammer of Truth you wield will crack these nuts eventually.

I hold myself accountable for the condition Mother Earth is in because of my nonaction. I for one will take responsibility for my ignorance in not remembering Who I Am. And She knows that I have vowed to do all I can to help Her.

well this just showed up on my forum thru Hazel. READ dearly, dear ones, because the MOTHER, YOUR MOTHER is depressed and she has served well and it is now time to let the cleanse go forth. Ponder AGAIN, what YOU have done to not serve YOUR MOTHER. Those of you who care deeply for your Mother will most likely find yourselves in great service to her in the near future.

Message to Humanity- Gaia

I am she, the spirit who inhabits your earth, the one you fondly call Gaia. I find my placement in the body of the earth just as you find yours in mortal body- the flesh. Our constitution may differ but we function much the same. I am living and breathing as you are and have the ability to feel just as you do. I am alive and I experience emotions much as you do. Your inability to witness my emotions is not indicative of its absence. If you are sensitive and attuned to me you will feel what I feel. For I tell you that I am much a part of you as you are of me.

I choose however to stay connected to my Source and uphold my commitment to Him. It is my loyalty to the Father's will that explains why I have forborne reacting to the cruelty of man thus far. The pressures man has placed on me must inevitably be released. There are no coincidences my wayward little ones. When I quake or spew it not just something that happens or must happen.

There is a greater explanation for these occurrences that goes beyond a geographical or geophysical one. By analogy I want you to think of what any manner of stress does to your physical and mental body? How do you let the steam or pressure off? Ponder on this

Throughout what you call time due to assaults of varying degrees on my body my physical health has deteriorated. Let not the pleasantness of my facade delude you into believing that my body can endure. What you tend to see is on the surface only. My spirit may be eternal as yours is but my body can become weak and poisoned as yours can depending on what it is exposed to.

My body can only withstand so much abuse and unkindness before it collapses and disintegrates; the same as yours. I am here to tell you that my body, my frame, geophysical structure is unravelling. This has already started and the intensity is going to build to a crescendo. Surely you must notice the rapidity of my movements. The atmosphere, the tides are all conspiring now and that which you call disasters are the repercussion of pressures being released. In the wake of the multiple tornados I am being cleansed for they are bringing a heightened energy.

I fear my children that I, the earth is being prepared for transition. There will be breakage of my body in many places as I ease my physical suffering and obtain my release. This has now become inevitable for I have endured enough at the hands of man. You have been my greatest joy yet also caused me the greatest pain. The bindings are being loosened that I may ascend. Through these changes my form will be remoulded as part of my regeneration. The consequences for many will be perceived as dire but I have tried to withstand as much as I could. I am saying this to you so that it comes as no surprise that major structural changes will occur as I move and much destruction will ensue

I am at this time finding my strength to see this through from the assistance I am receiving from the extra terrestrials or celestials as I call them.

My movements cannot be hindered for it is divinely ordained that I ascend and although I have had difficulties due to the density accumulated from aeons, I am more prepared now.

I desire you my children to know how pleased I was to undertake the Father's will of bearing you and giving you a home whilst you continued your education. It was joy at times; yet as time evolved you my children have shown scant regard for my welfare, preferring to take only from me and not replenish. You have drained me and have fished from me that which kept my joints supple. I am bereft of that which my body needs.

I do not bring this message to create fear but to awaken you to my plight that you may reflect on what you have done and continue to do and revisit your actions that you may undertake to correct them. Every experience must be one that tenders a learning or lesson. Unfortunately for many the lesson will come too late and may need to be leant elsewhere.

The pressure is building up and I must have my release. Thus far I have been conservative in my movements out of deference for you my children. The 'Gods' are calling me home.

I am a child created by God also; and the time has come for me to stand in my light and up to my light. This is required of me as it is of you. I am choosing to ascend so that I can experience my light. This means that I must shed the darkness upon me. I will let you draw your own conclusions from that.

For those unaware, I say to you that I have divine backing. I am assisted and being assisted by divine hands unseen. The clock is ticking now and I fear that time is of the essence now. It shall be survival of the spiritually fit.

My strength is depleted and I am worn from the effects of your wars and clandestine dark activities. You harm the very being who gives you habitation. You desecrate my body with your weapons of destruction without thought for your brothers or me. Do you know that I am your sister in spirit? Yet I have mothered you for so long that you may as well call me Mother- and don't you refer to me as Mother Earth? How have you treated your Mother?

I have loved you for eternity, bearing you in my arms and keeping you as safe as I can. I have provided you with a natural and healthy habitat amenable to human energy yet you have through irresponsible and thoughtless behaviour and practices slowly contributed to your down fall as a civilisation and to my suffering. You have not learnt what it is to love. You are harsh with each other in thought and word and deed. You act as strangers with each other not knowing or caring to know the truth. You think that the earth is unaffected. Well dear children you are very wrong. For all that you do I feel and experience. You dishonour life and its sanctity. You mistreat yourselves in so many ways that it is conceivable that you will mistreat others. What is left dear children? Have you not heard the cry from my core, my very womb? I am birthing a new tomorrow- one that I wish you all would share with me. This is not to be however.

I have been promised by my Father redemption and by this I do not mean forgiveness; I mean freedom from darkness. To this I have lovingly agreed.

What of you ones who continue to exercise dominion over man? Now is the time to take the Fathers' hand and move into His court for in a blink of an eye the world is going to be unmasked. Truth or Fiction?- I can already hear you calling this a bluff. **No dear ones – for out of darkness light will prevail, out of lies truth will be redeemed and out of sadness, joy will be reclaimed.**

I your hostess am bidding you to find your love and shine your light for I shall be rising- WITH OR WITHOUT YOU.

My gratitude I extend you my children who with pure hearts have centred me with their energy and love. For my strength I gain from your sacrifice and love. Do not bewail the comings of tomorrow. Let not trepidation cloud your hearts or mind for all the faithful will know freedom is now the bait. Hold on tightly and we shall ride out these final days together before our eyes open to a new dimension. Our hearts will beat with a higher vibration and the frequency of light will have been turned up.

May humanity cleanse their innards that their face may glow once again with the innocence from which they were birthed.

Now again, all of us, have in some way brought harm to GAIA. One of those ways besides WAR, is also the eating of flesh. Many of you have No idea how this affects your bodies, and the earth itself.

Just the massive POOP and PEE produced by the enslaved battered animals creates great pollution. You eat the meat of animals raised and slughtered under great duress. This wears on your body. My body improved immensely when I stopped the meat, the chronic feeling of infection and inflammation went away and my guts got normal. I myself was not aware of HOW these animals are raised, the extremely terrible methods.

You must research this and change of it. Higher Universal Man, does not eat flesh. Did you know the mother pig is held up on her feet by bars while nursing her young, because these thugs want every last ounce of pork out of her? They worry she will roll on one of the babies. Which aren't even seen as babies. So she stands for the entire nursing period. I read that, and then I saw it, after a tornado a few years ago removed the roof off a "nursing" barn. These thngs are harmful the SPIRIT which inhabits all that are alive.

What of the water that is now so polluted we have to allow the cleansing, because it's necessary to man and critter alike? The oceans are seriously dying?

What all did you learn about the big oil "leak" last year? Oh I know, it got blamed on BP, but you ones drive the cars. I did too. But I did not drive big cars and I drove them until they died. What about all the rubber the tires alone use each year? Read the piece above from GAIA, YOUR MOTHER.

NIP, I see the value of your intent of this thread and appreciate that you endeavor to bring truth to people. Like many who have lived most of their life in survival mode during the last 4-6 decades, brought up on the meat and potatoes diet defined in the 50's, fed the lie with hopes of the American dream that is now destroyed, I look back and see that I worked way too hard in my career, I did a lot of sins, but I learned better, I am more aware of what I eat, what man has done to the planet, and I lament some and now seek the truth - and I found a whole bunch of it!

I have read the PJs, the UB and discovered for myself, and now search within to find my spirit. I now also endeavor to educate those who want such answers to help them see our true history, who and what the moving craft at night really are and why they are now here. But many do not TRY on their own, to read, think, reason of the WORD now among us, many fail to even look at the skies long enough to see the craft move and ask the question "if it's not a star, then who/what is it?"

Instead, the party line religionists, the individualistic know-it-all types want PROOF of these truths you espouse. I must confess, that I have always wanted the proof of the truth myself. So I took the time, did a lot of reading, and learned with help, how to meditate to go within, to get out of my mind and into my heart. I discovered an actual physical experience that I could not for a long time, process. I was taught how to gather MY source energy (which I later discovered what it was and where it comes from), center it at the heart center, and then, send that "energy" into the earth to "ground". Then, with intent and asking to then send that energy up through my crown, I felt something never before experienced.

That led me to watch the skies at night as I began to see and can now on any given night, watch the stars (craft) move around. This PROOF, and the physical experience of ground-centering to reach what we call "clear mind" - that state of opened crown chakra feel great! It is more PROOF that I try to share, but only those willing to LEARN these things and invest themselves beyond pulpit BS and doom junky state of mind to find the truth for themselves. Most, like the "show-me" types here on GLP remain doubting Thomas's because and refuse to read, look, see, to find that the truth CAN be found. The best way, is to find out yourself.

I for one send my thanks for the work you do. Knowing what it is like to take the proverbial hail of bullets with conviction, is a quality of character that in itself eventually will lead some horses to the water.

Keep up the good work.

Quoting: <<LOOK`n thru YOU>>

You know, you can't walk a lot of paths. You can only walk your own. And that was part of the lessons taught. Nobody else's path can be your path, but one has to **deliberately** walk a path. Rather than get pulled around by the nose! So many are pulled around, and I remember years ago when everyone was running around trying to find the perfect path, TM, was one, Buddhism got big for a few and on and on and so it goes. There is no path that another creates for you can that be walked by you.

One can enter religions and serve within them, and many do. And I have NO problem with groups forming to make true that very power, that is Called Two or MOre in MY name, or wherever two or more gather IN MY NAME, so there I AM.

But for people to consciously do that is by joining shared portions of interest, sharing a path, is where the power comes from. It means to ACt IN YOUR I AM's, and to many are still walking around walking in their "I follows." And that serves the antichrist. FREE WILL MEANS CHOICE. It means looking at what has just happened and what can come ahead, and what is going on NOW.

It means taking responsibility for actions. It means learning from actions. I means planning on actions based on the learning that came before.

We have too many "following" paths created for them, rather than making their own.

You know, you can't walk a lot of paths. You can only walk your own. And that was part of the lessons taught. Nobody else's path can be your path, but one has to **deliberately** walk a path. Rather than get pulled around by the nose! So many are pulled around, and I remember years ago when everyone was running around trying to find the perfect path, TM, was one, Buddhism got big for a few and on and on and so it goes. There is no path that another creates for you can that be walked by you.

One can enter religions and serve within them, and many do. And I have NO problem with groups forming to make true that very power, that is Called Two or MOre in MY name, or wherever two or more gather IN MY NAME, so there I AM.

Thankyou Lookin thru you, Everyone should learn the fine art of sitting on their thoughts and for that, we could build a wondrous society. If this one lesson was taught, in every religion..... my where we could be.

The reason the title of this thread has kept changing etc, is that is is important to ME, and I have done a pretty good amount of thought sitting on it!

NIP, I see the value of your intent of this thread and appreciate that you endeavor to bring truth to people. Like many who have lived most of their life in survival mode during the last 4-6 decades, brought up on the meat and potatoes diet defined in the 50's, fed the lie with hopes of the American dream that is now destroyed, I look back and see that I worked way too hard in my career, I did a lot of sins, but I learned better, I am more aware of what I eat, what man has done to the planet, and I lament some and now seek the truth - and I found a whole bunch of it!

I have read the PJs, the UB and discovered for myself, and now search within to find my spirit. I now also endeavor to educate those who want such answers to help them see our true history, who and what the moving craft at night really are and why they are now here. But many do not TRY on their own, to read, think, reason of the WORD now among us, many fail to even look at the skies long enough to see the craft move and ask the question "if it's not a star, then who/what is it?"

Instead, the party line religionists, the individualistic know-it-all types want PROOF of these truths you espouse. I must confess, that I have always wanted the proof of the truth myself. So I took the time, did a lot of reading, and learned with help, how to meditate to go within, to get out of my mind and into my heart. I discovered an actual physical experience that I could not for a long time, process. I was taught how to gather MY source energy (which I later discovered what it was and where it comes from), center it at the heart center, and then, send that "energy" into the earth to "ground". Then, with intent and asking to then send that energy up through my crown, I felt something never before experienced.

That led me to watch the skies at night as I began to see and can now on any given night, watch the stars (craft) move around. This PROOF, and the physical experience of ground-centering to reach what we call "clear mind" - that state of opened crown chakra feel great! It is more PROOF that I try to share, but only those willing to LEARN these things and invest themselves beyond pulpit BS and doom junky state of mind to find the truth for themselves. Most, like the "show-me" types here on GLP remain doubting Thomas's because and refuse to read, look, see, to find that the truth CAN be found. The best way, is to find out yourself.

I for one send my thanks for the work you do. Knowing what it is like to take the proverbial hail of bullets with conviction, is a quality of character that in itself eventually will lead some horses to the water.

Keep up the good work.

I for one have to agree. I am beginning to work on meditating. I feel like I am starting to learn how to ride a bike fumbling and falling because I'm out of balance. I have devoted myself from this point on to unite with my spirit and Source. Reading the last post by NIP is tearing my heart. I am so ashamed but I have to let go and learn from this. I want to see Her reach the heights of Glory She so deserves. Many people are so clueless as to what is happening around them. I just want to grab them and shake them to wake up but I know Gaia will do this on her own. People want proof but as I believe even if God were to appear in front of them they would not believe or even notice him. I have so much to say, time to rest and rest I need.

NIP I shall return in the morn to read some more and inject my 2 cents. Just to let you know I hate money, no I hate greed. I also believe we do not need money in order to create.

Ah Andyjax, you have made a profound statement on money around creating. It is useful in younger societies, as a small civilization grows, they often cannot figure out fair trade, and trade becomes important as specialization becomes important. Money will force people to contribute that would not otherwise.

But at some point, when a civilization actually figures out that everyone co creates their civilization, they will discover that money is not necessary to create. This comes when owning more than the joneses no longer matters.

Right now, in the US of A, a lot of "money" goes to war and other deadly things. And we now do

not have enough pieces of paper and digital credits to repair our infrastructure in this country, and of course those digital credits and pieces of paper are controlled by the bankers and there is a terrible banking war going on right now.

it will be said and rather soon, that in my country there is NO money to rebuild what these earth changes are causing. REally, you need digital credits and pieces of paper to rebuild? Will no. But also there must be trade to acquire the necessary products to rebuild houses for example. AND we need to build those houses a lot differently, to resist things like tornadoes. And man has to stop building his home on top of major fault systems.

As an error, man, will the corporations have run GAS and OIL lines all up the Mississippi new madrid fault system..... Talk about error that is going to affect unto the 7th generation.

This is what I am asking you ones to look at here, all this stuff, because it was allowed. People who knew better had no courage to stand up to the companies that employed them, and money has something to do wit that, since we have to have digital credits and pieces of paper, to buy food.

You see at this very special period, these end times, we are wiping away that which does not work. We have hopefully gained some wisdom, or WELL, when we see what has come to bite us on the butt.

We are too many. We need toothpaste, shampoo, et all, and this all pollutes, beyond the ability of the planet to cleanse it. We can develop new technologies that are safe to handle this stuff and can be used to help the planet. We must give back to this planet, our home, as is spoken of by GAIA in the piece above. probably on page 4.

now this world, because it had some very bad celestial management, the Lucifer rebellion issue and others, was Quarantined from the cosmos, so these ones could LEARN by their experience why their ideas did not work. Some haven't gotten that message yet.

Now as to population, did you know if we had space travel, we could just move???? And what an adventure that would be in fact. And even if we did not have adequate space travel to move, that if we are a civilization in good standing with the cosmos, some benevolent folks would off their help????? Because the higher way, is of cooperation. During these earth changes, man will learn, we hope what didn't work, including who he allowed to rule over him, and will choose a better way.

The bible story of sin existing unto the 7th generation, does NOT mean a person's descendants are to be scorned unto the 7th generation, it means that ones actions NOW are going to effect those that follow. Advanced planets plan hundreds of years in advance. They remember their grandchildren and beyond will have to walk in what they created.

Money is used by thugs to save their tutties and give them a nice life, while paying their servants as little as possible, it is enslaving. It is always evil. ALWAYS. It always reduces the ability to create. How many of you, have not been able to obtain your schooling or learning you might desire because their has not be enough money?

MONEY LIMITS. PROSPERITY does not become global until the money goes away. As we move up after the earth changes man will discover ways to extend his life. And as he does that, he can change careers OFTEN. Starting as a youngster in the mail room so to speak and moving up to other interests as he matures. This is a terrible planet for new souls. We will not have much in the way of genuine new souls here until we create a proper cradle for them.

Man is truly now going to be gnashing his teeth for the errors made not just recently but those of the distant past. I am asking you each to consider how you have assisted this. Not as something mean, but so that you can ponder how it might be done better next time. Not as a punishment, but that you can see. Religion as it exists on this planet, does not see. Everyone just wants to get the Jesus ship to heaven, a heaven that does not exist even. LIFE MUST BECOME HEAVEN dear ones. ALL BEINGS both physical and spirit beings LIVE ON WORLDS.

If the new Madrid goes, with all those gas and oil lines running north goes, that is truly going to be some serious hell fire.

Thanks NIP for what you do. Isn't easy.

I have done my share of hurting Gaia, still driving a truck for our farm, have plastic crap and do use it, lots of tote boxes, etc. We use no chemicals or toxins on our farm. Trying to Walk The Talk though isn't easy and a lonely path, sad to say. Amazing the numbers of brains on the planet and it can be so hard to find "like minds".

Kindred spirits are found.

It is very hard to watch the destruction of our planet. I believe we are caregivers of the planet. This assault grieves the soul and makes it very hard to find and maintain joy and peace.

Last year, when the last little hummingbirds migrated south, I said goodbye to them, thinking they could not survive the Gulf of Oil. A lot of them returned and I shed some silent tears. Now, we are all eating, drinking breathing radiation. It is very hard to Walk The Talk.

I know we are spiritual beings in a physical body. After some rest and recharging (sleep and dreaming), I still wake up here. Kind of tired. Been a rough year.

Sending Love and Light to Our Mother, she is so beautiful and I am grateful to have been able to experience her beauty and love. I also have deep sadness.

How could I, or we, have stopped it?

It was a complete surprise. I remember I drove to work that day without the radio on, so I didn't know until I was walking in from the parking lot and a coworker told me that an airplane had flown into the WTC.

The whole day seemed unreal. Especially unreal were details like the US Air Force being grounded, apparently by Presidential order. These are things caused by our fearsome leaders, not by us.

It was planned as a surprise, otherwise anyone normal who could have stopped it would have done so. So I think you're going a bit far blaming that on our avoidable weakness.

Or, maybe I should just learn better techniques -- I'm listening.

First I'm going to touch on a few things ya mentioned above then move to a couple other issues down below...Core beliefs and learned beliefs...The learned beliefs which we are taught through family structure or whoever influenced us while we were young is where a person has to start...There is a time for awakening in every bodies life and it's usually started with self inflicted pain and suffering or some sort of tragedy . A moment in time when you doubt those learned beliefs---by now they have become core beliefs because you have bought into what you've been taught and they are at the very core of your being...as soon as somebody challenges those beliefs the walls go up...hence creating arguments like we see on GLP all the time and also with wars which have caused millions of deaths over the decades.

Getting back to the point of awakening----starting your search for truth(or walking the path like you mention above) is really scary for a lot of people because letting go of those core beliefs is one of the hardest things a person can do...For me I needed to see the truth. I needed to see this was an intelligent Universe. Although I won't get into the depth of my experiences I will say we are not alone....EVER...Once awaken, or you've seen through the veil everything changes...it is both a blessing and a curse and every step you ever took, every breath you ever breathed, every book you ever read, EVERYTHING lead you to this point...no mistakes.....So in conclusion I like to live and let live, but I always tell people who are SEARCHING that you must find the answers within yourself...yes we can turn for help through religions, spiritual leaders ect , but in that case there is always a pupil and always a teacher...sooner or later we must control our own path...all these stepping stones when searching are just a drop in the water...as time goes by we take truths from about everything we experience and apply what makes sense to us...I don't try to influence people's beliefs, but I do plant seeds if I feel they are searching for their truth...

Now to you and me NIP--- I've been hard on you...That is not my normal style at all. That is why I wanted to sleep on this before I replied. As I just stated above I do not step on people's beliefs...BUT I did with you and for that I apologize. I have not walked in your shoes...it doesn't mean I agree with all your beliefs because quite frankly I just can't grasp them and I think a lot of other people feel the same way...when I see you post on a thread I always feel like I walked into a middle of a book---or sat down and watched the last hour of a movie....I can't put the pieces together or the reasoning...I don't know where your experience comes from---self taught, through self experience, through study...any documentation?..You posted a symbol for your organization earlier in this thread..do you have a website? Anyhow I've made a deal with myself and will stick to it. I will not throw any more punches at you...The good inside me won't allow it any more...so from here on out I will read with wonder...and from a point of entertainment..should I pick up

knowledge I can use and apply I will....so best wishes to you NIP...Enjoy your journey.....

Hi Lookin thru you, I haven't attended this thread yet today, will read in a bit. I wanted to post this short commentary from another thread, to demonstrate the gnashing of teeth.

What the hell do you think is going to happen when you live in a tornado zone?

Shouldn't EVERY home be REQUIRED to have a basement/underground shelter? Or a COMMUNITY shelter or a shelter that can house 50 people within a zone where 50 people live? Neighborhood underground bunkers?

Seems completely logical! I'm shocked these people don't ALL have access to underground shelters by law.

And these people should have taken this on themselves, and they did not. We don't have any where I live either, there is the central office and community center which is certainly better than our mobile homes, but would not have done well in a storm similar. Many people here might not even be able to reach it.

Also, mobile homes will do far better in storms if they are over the roof strapped down. There were a bunch of mobiles that survived a bad hurricane a few years ago for that reason. maybe strapping wouldn't be enough in 200 mph winds, but I bet even then, things would go somewhat better. I tried to generate interest in over strapping long ago and it was not received here. It would work best on wood constructed roofs, these awful metal roofs would just bend under the straps with ground movement. I have an awful metal roof. I do get conscious every year of tornadoes and what I would do if I am here. I would attempt if enough notice to go to the community center, but it is often locked and closed up for lunch, showing of homes and the like. Plus it's not open after 5 pm or so at all.

well I like this post from the thread I linked above.

The pale human still does not get it. It was predicted by my ancestors long ago that the pale man would perish under the weight of his own greed in 500 seasons his world would collided with Mother Earth whom he has scorned, raped and abused, as he has all of her children.

This is the beginning of the great return. There is only ONE ocean. It flows through meany streams and tributaries. If is feminine. It is part of the Mother. White men treat the earth as they have treated women for centuries: like a thing to conquered and possessed. You have no respect for life or the law of life. For that you have been judge, you and all those who have aligned themselves with your beliefs. You hold no life dear but your own. Nature cries out for justice and vindication under your iron fisted rule. You have become a parasite draining her of life and energy. The distress call is being answered as of now.

Watch the skies...

Thank you for your thoughts. I agree with them. I believe scripture does also.

Many are frustrated. To look around at a world which is sinking deeper and deeper.

The OP points to Christians to consider what they are doing (what works) to prevent this titanic from sinking and to prove themselves worthy of God's mercy against the promised day of wrath when the ship finally and fully sinks.

Jesus Christ was clear... his Kingdom is not of this world.

Scripture shows us that the devil took Jesus up to a high mountain and showed him the Kingdoms of this world and told Jesus he would give him all of it, if he would worship the devil.

Jesus knew who he was speaking to... and he knew that the devil had it in his power to make such an offer. Scripture tells us plainly, the devil is the prince of this world. He is the prince of the power of the air. He is the ruler/god of this age. He possesses the Kingdoms of the world. It is not difficult to see this truth when one looks around.

The OP (and many others) seem to think that Christians are somehow greater than their master and that they should be taking back the Kingdoms of this world. That this is (in some way) their calling or commandments given by The LORD or that such things are demonstrable fruits of worth.

Scripture tells us of a similar exchange where a man, who was being crucified with Christ said to him; If you are God, save yourself, and us! Christ gave this man no reply.

Another said, "LORD, remember me when you enter into your Kingdom". To him, The Christ said; "You will be with me in paradise"

His Kingdom is not of this world.

Scripture is clear... Men are justified by faith, not works - that a man should not boast in the gift of God as if he has done something to deserve such grace and mercy.

One would say, Faith without works is dead. Who can argue? But works that are pleasing to God are through faith in God. Not mans selfish desires... Not mans wisdom (read list in OP). The wisdom of this world is foolishness to God. The list provided is wisdom from the OP.

Jesus was clear in scripture... The gospel of His Kingdom would be preached throughout the whole world for a witness to all nations and then the end would come.

The end of what? The end of this worlds way of things. The end of this age of corruption and the ruler of this age of corruption.

That end will not come from men. It will not come through the works of men. A man cannot thwart the plan and will of God. All things must be fulfilled.

His Kingdom will come when The Father has delivered up all things unto the Son. When He has put down all powers. In his times and his seasons. He began the work and he will complete the work. We see this has not yet happened (completion).

In the meantime, we do what we are instructed to do;

We share the message of the gospel. That Jesus Christ is the path to peace with The Father. That he is the path to everlasting life.

That he is calling men to repentance and to follow him and his commandments. To set aside their own selfish desires and ways and to follow him on the narrow path.

And we are called to rest in the hope which is given from God through Christ. That he who began the works will complete them.

We are called to bear the fruits of righteousness, which is; love, joy, peace, longsuffering, kindness, goodness, faithfulness, gentleness, self-control.

To patiently wait for the day when Christ will have put all things under him and to be watching and

praying for such a day (Our Blessed hope).

That in the latter days, the love of many would grow cold and that we are to endure until the end. To continue on in the things which abide; Faith and hope and love.

I believe this to be true. My Spirit tells me it is. Such things are also spoken of in The Holy Bible.

May we all receive a blessing from God today.

Blessing and peace to you.

There is no doubt about Esu's(Jesus') love of each one of us humans-He suffered Crucifixion because he tried to bring us truth. He is the greatest spiritual leader to grace this planet since Adam came along. I love Jesus with my whole heart!

The simple truth is Jesus came to show us how to save OURSELVES! The whole Christian belief system is based on the say so of one person, Saul or Paul of Tarsus. And that's the cause of the greatest deception of all time. Paul said Jesus was the son of God, and died on the cross for everybody's sins. The original apostles knew otherwise. But because of their weak faith, and Paul's vision on the way to Damascus being such a life changing event, many of the apostles bought into Paul's story by 50AD. The split in beliefs(Jesus God's son, or son of man) continued until the council of Nicaea in 325AD, where the mistake was legitimized due to the heavy handedness of Constantine. Constantine was a politician who knew his power was going away because there were so many different belief systems about Jesus-so he endorsed the belief that would allow him and the church the greatest control over the people.

And now you have modern day Christianity-a belief system that mocks Jesus' own Quote "as you sow, so shall you reap" better known in the higher realms as the law of returns. How is there ever to be balance in the universe if somebody(Jesus) takes responsibilities for your wrong doing? Where's the responsibility for self? Do you not insult God when you say that a creation of His is so evil that another creation of His has to make it right? What about the billions of life forms that have existed millions of years before Jesus, did Jesus come for them too? You Christians need to pull yourself out of the religious induced stupor Satan has you in, and ask your God within to lead you too real truth. It's always been there. Namaste!

well I haven't posted in this for awhile now, probably missed reading a couple posts. In the meantime there has been more gnashing of teeth. In my country the floods and tornados, others

Anyway, I was reading in one of the JOurnals, spotlighted in another thread and rechecked this, the epilogue by GOD himself. Christ Michael/Aton of Nebadon. Ponder reading it. Phoenix Journal # 7, the Rainbow Masters. Epilogue on about page 140

EPILOG

REC #1 ATON SAT., SEP. 30, 1989 7:30 A.M. YEAR 3, DAY 045

I shall write of the final segment, Dharma. How many will be still and listen? I AM ATON and I see my beloved peoples in pain and confusion. I watch you of my children unprepared and without careful thought unto tomorrow. Tomorrow is upon you. Today, in America, I watch the confusion in your South Carolina as you attempt to set your lives in order after the recent hurricane. What have you learned? Very little! Your "leaders" say you must have billions of dollars to rebuild for long term, when you have not even heat, food and water--and who will tend of those who cannot rebuild? Further, what will happen when the next hurricane comes ashore? Do you believe that the ONE is all there will be? I speak just to the children of the United States on this day--what will you do when the 10--12 point earthquake hits your Pacific coast? It will do so and you know it is coming? Are you prepared? It will make the rubble in South Carolina look like piddling child's games. And what of the time when all shall be falling at once? Who will then tend when the volcano's erupt? Your native brothers tell you truth; the signs are always brought forth for you and then you turn and do such foolish things.

Let us just consider your state of Washington for a minute. Your elder brothers of the ancients told you that the "Little Sister" would weep and speak unto you ones. And then, the "Grandfather" mountain would speak! Mt. St. Helens spoke--your little sister spoke loudly and some heard and most plugged their ears. The grandfather rumbles and that, dear ones, is Mt. Rainier. How many have been lured unto its very regions by the evil teachers who bring destruction and evil shrouded in partial truth? How many will perish in their ignorance and blame the God in heaven for your foolishness? You were given "reason" and you heed it not.

I have told you how it will be many times through many ones and you heed not. So be it for the lands will be swept clean and ultimately only those who turn unto ME and heed the warnings and take preparation shall survive for there is only the ONE WORD GREATER THAN MINE, THAT IS THE FINAL WORD OF THE CREATION FOR ALL THINGS CREATED ARE ONE WITHIN THIS WONDROUS WHOLE. Man was sent forth as caretaker for that wondrous Creation and man has destroyed in his human form and consciousness. The soul of man shall return or move on to suitable placement; but the physical creation shall reap first the winds for you- have sowed the winds upon your wondrous mother.

What is it that you await? The horses to literally move from the clouds? John's vision in his Book of Revelations as projected from the heavens by the Master Teacher to come alive with candlesticks and horsemen? It was said that man would become drunken with evil, greed, lust and heinous acts. The brother shall betray his own brother unto death, it is said; and children shall rise up against their parents.

Just as birthing contractions become harder and more closely following one upon another, so shall it be with the things that shall come. As these signs become all present and the frequency intensifies, then you shall know the time of birthing is upon the Earth.

The time has come when you will not follow sound doctrines. Instead, to suit your own desires,

you gather around you a great number of teachers who say what your itching ears want to hear . You turn your ears from Truth and turn aside to false myths. You sit and chant, or shout, your "belief" and then you go blindly forth blaming God for tending you poorly when you change naught--"only believe HE died for your sins and you are SAVED" --perhaps your soul, it will do nothing for your physical body unless YOU GET PREPARED TO SAVE YOURSELVES. YOU GO ABOUT WITHOUT REASON IN YOUR THINKING MINDS WHICH WAS YOUR ONLY GREAT AND GRAND GIFT TO SET YOU ASIDE FROM OTHER OF CREATURES. YOU CAN PROVIDE FOR YOURSELVES AND YOUR BROTHER CREATURES. YOU HAD BETTER BEGIN TO BE VERY SELECTIVE AS TO WHICH "SPACE" BROTHERS YE ATTEND. FURTHER, MAN'S DOCTRINES WILL NOT GET YOUR TICKET HOME--YOU WILL TURN UNTO MINE LAWS AND THOSE OF THE CREATION OR YOU SHALL NOT BE RETURNED INTO MINE KINGDOM! Nation will rise against nation, and kingdom against kingdom. Is it not so? You have political chaos throughout your world, nations are being torn apart by civil wars and revolutions. The nations of the world are mostly ruled by evil leaders who incite strife among their own people and inflict it across the borders unto another. When one governmental power is overthrown it is replaced by naught better.

And you will hear of wars and rumors of war! You have wars all over your lands and within the seas. To refuse to call it "war" does not make of it less the war. You will have nations completely removed from your maps--It is happening daily; look for yourselves. The wars will erupt and become more and more intense and finally the one fanatic will begin that which will pull you all down if you are unprepared.

You have wars proceeding presently with weapons of which you as a people cannot see nor comprehend and you are falling more heinously than you would were it mere bullets or atomic blast-(if you had your shelter systems of which you, in beloved America, do not have). Neither do you hear and change.

There shall come the financial collapse of your world. You will then be placed under the total control of the evil ones who have carefully planned it to be exactly this way. You are in the downfall this very moment. You will have chaos, depressions and collapse of your systems.

You have famines already and they will worsen for man clears his lands incorrectly for the growing, the governments pay growers not to grow, you function on greed for money and do not share of your foodstuffs to fill your larders for your shelter systems and you do not even notice. Ones go hungry and malnourished in your own dooryards and you will not accept responsibility for your brothers.

You are acquiring a population of addicts. You are bearing children who are addicted into the hell you have created. You live in immorality and seek naught but pleasures of the flesh. You sell your own souls and your very children for a puff of drug. Your own governments claim to help you on the surface while they reap the rewards of the underworld. You claim "freedom"? You have no freedom for you have surrendered it to the evil.

Ye shall have plagues. Oh yes, you already have it! It will kill millions for you have set it up and you continue to nurture it. Facts are kept from you and you go blindly as sheep to the slaughter. Your enemy within the "anti-Christ" and "anti-God" societies have better control of the disease than do you. Oh, God will ultimately take care of you? NO I SHALL NOT; NOT UNTIL YOU TURN FROM YOUR EVIL AND BACK INTO THE LIGHT OF THE PATH OF TRUTH AND ABIDE AGAIN BY MY LAWS AND THE LAWS OF THE CREATION. YOU HAVE BEEN TOLD WHAT TO DO AND STOP DOING TO BRING IT UNDER CONTROL AND YOU DO NEITHER AND THEN BLAME ME FOR YOUR CIRCUMSTANCE--WHY DO YOU NOT BLAME THE GUILTY? WHY DO YOU NOT ACCEPT YOUR OWN RESPONSIBILITY FOR ALLOWING IN THE EVIL INTENT AND NURTURING IT IN THY LUSTFUL WAYS?

You shall have Earth changes. You have Earth changes. You have atmospheric pollution and man pollution which is killing your lakes, your rivers, your lands and your seas. You will have ever increasing "accidents" as your equipment and machinery grows old and in disrepair and more and more people who run these things fall into greed and addiction. Already, you have unworthy products flooding your marketplace. How long until your nuclear plants erupt? You shall have floods in unmerciful measure and droughts in unmerciful measure. You will have sustained winds of greater than a hurricane, a hundred and fifty miles an hour and you will have your power lines blown down and you will be in dire circumstances.

You will have earthquakes of great magnitude and widespread which will crumble the land beneath you and disrupt your financial base, your life resources of heat (gas) and power (electricity) for indefinite duration. Millions will perish. You will have volcanic eruptions which will take entire islands and build others. You will need your shelter system to move to safety from that which will rain from the heavens in lava and ash. You have further contaminated the substance in the fissures of the Earth by nuclear testing and it shall spew forth and shower the lands with radioactive downpour. Your nuclear waste dumps shall open up and spew the ultimate poison upon the lands.

Americans feel safe? The entire world now runs on nuclear power in great measure-- what does France do with her nuclear waste? Better check it out, my children.

There shall be strange events in your skys. YES THERE WILL BE SUCH. YOU HAD BETTER HEAR ME WELL! I SEND YOUR COSMIC BROTHERS TO HELP YOU AND YOU TURN THEM AWAY, INCINERATE THOSE WHO COME IN PEACE, SHOOT YOUR WEAPONS UPON THEM AND CALL THEM EVIL AND OF THE DEVIL, THEY ARE MINE SONS COME TO TEACH AND BRING HOME THOSE WHO WILL COME, WHY DO YOU PERCEIVE THAT WHICH THE DEVIL TELLS YOU RATHER THAN LISTEN TO TRUTH? I SEND MINE ONES TO HELP YOU AND YOU BELIEVE THE "MAN" WHO SAYS THEY ARE OF THE EVIL, SO BE IT FOR TRUTH WILL COME FORTH AND IT SHALL BE TOO LATE FOR MOST OF YOU ONES, WE ARE NOW BRINGING FORTH THE WORD IN TRUTH TO THE MASSES--WILL YOU HEAR AND SEE? LET HE WHO HAS EARS. HEAR: AND THOSE WITH EYES, SEE, THE HOUR GLASS IS EMPTY!

My Celestial Sons are being presented unto you that you might know of them and seek help. The Teachers of the Seven Rays of Life have just been sharing with you in this document. How many of you will toss the book aside because your local "preacher" tells you to do so, while I, GOD, come forth to give you Truth? Further, the Angelic realms stand by and the Archangels of your sectors stand ready to receive of you and help you with the turn around of your species. I care not about your "churches and their doctrines"--I care as to whether or not you turn unto ME AND THE CREATION WHOSE LAWS YE ARE IN THE CONSTANT DEFIANT BREAKING. THROUGH YOUR DISOBEDIENCE UNTO THE LAWS YOU HAVE OVERPOPULATED YOUR WORLD UNTIL IT IS SPIRALING INTO DEVASTATION. YOUR MOTHER SOURCE IS ATTAINING HER HIGHER TRANSITION AND YOU ARE IN IT RIGHT NOW.

NOTHING OF CREATION IS EVER "LOST" FOR IN THE DESTRUCTION IN ONE PLACE, ANOTHER IS NOURISHED. EVEN THE BODIES OF THE DEAD WILL BE RECYCLED BACK INTO THE SOURCE FROM WHICH IT WAS BORN. THE VOLCANOS WILL BUILD NEW LANDS AND BRING FERTILE ASH UNTO OTHER PORTIONS WHICH ARE BARREN. UNFORTUNATELY, MAN IS THE MOST DISPENSABLE COMMODITY UPON THE PLANET. THE PLANET WOULD BE IN BALANCE AND CONTINUE THROUGH THE EONS IN BALANCE IF IT WERE NOT FOR MAN. MAN CAN CREATE OR DESTROY AND YE HAVE CHOSEN TO DESTROY, THEREFORE THAT WHICH GOES OUT ALWAYS RETURNS--THE SPIRAL OF LIFE GOES ON UNENDING.

IT IS YOUR CHOICE WHEREBY YOU CONTINUE TO EXPERIENCE IN THY SPIRIT FORM FOR THE SPIRAL OF LIFE MOVES EVER ONWARD!

I urge you to call upon these Masters of Life Truth for they stand ready to respond and most diligently acting presently and without rest that you shall be able to survive. They petition constantly in your behalf for mercy. It no longer is a matter of mercy, it is now a matter of "justness" --what ye ones have sowed and nurtured so shall ye reap. It is never too late to return to Truth and petition for thy being but YOU shall do of it, for no one--not even the Greatest of the Masters--can do of it for you. YOU MUST DO IT FOR YOURSELF! I AWAIT YOUR CALL! I AM THAT I AM. I AM ATON--YOUR SOURCE

That's the difference between Christianity and all other "religions". We deserve nothing but damnation. Its the mercy of God that overrides what we "deserve".

In god's mercy he will move to you another low grade planet until you learn to walk in his shoes.

No not mini barf. You do not understand the laws of energy. the energy is going to hugely increase in this planet and those who are not there yet cannot exist in it, so they will be moved to planets of a similar level of energy. That is simply how it works. This is the end of a long age of sorting.
