The Truth of Mary Magdalene and Jesus of Nazareth

The greatest lie perpetuated by the fictitious phallus of the Roman Catholic Empire is that Jesus was conceived immaculately and that Mary Magdalene was a whore. An Immaculate Conception is the act of a child being conceived without sexual intercourse. Mary conceived Jesus when she was only 15 years old with His father, Joseph. Such a marriage was common place for Hebrews of the time, and this age gap was the source of Mary's Virtue being slandered by the masses, along with the jealousy that was provoked because the Heaven's proclaimed His birth.

There was a Star shining in the sky when He was born, a star which led The Three Magi to His manger. Mary Magdalene was much like Jesus in this respect, as she too was born under a very special astrological alignment which announced her arrival and set her apart from the other female babies birthed at this time. Upon the two being born and rumors of a King being born spread, King Herod grew weary from fear of losing his throne, Israel's Throne, and Herod issued an order to find them. Jesus was able to escape persecution by relocating to Egypt; however Mary Magdalene was less fortunate and captured by their enemies.

Jesus spent all of His life, until the age of 30, in spiritual and physical training so that He could complete the task which was laid before Him. The first thing He did was recapture His Spotless Bride from the Pharisees and in doing this His fame grew throughout the land and Jesus declared war upon the Sanhedrin at pain of death unless repentance from their sinful ways were declared and instituted.

The fact of the matter is Jesus was Adam reincarnated and Mary Magdalene was Eve reincarnated. Jesus had sex, Jesus really likes sex, God made sex and if He didn't like it, it wouldn't feel so damn good. If Jesus didn't have sex He would of probably started a Church like The Roman Catholic Empire and has a bunch of underground child sex rings orchestrated, much like the Pope Jean Paul the Second does.

And both of them, Adam and Eve, Krishna and Shiva, Mary Magdalene and Jesus of Nazareth, are living once more and walk this Earth. They are soon to be re-united. Jesus has served His 30 years in Hell and is eagerly awaiting to be released upon this Earth once more.

Jesus and Mary M had a child together, born after the crucifixion. Mary M and others were placed on a boat into the mediterranean which was guilded to France and she walked ashore with the child in her arms. Jesus did not die on the cross, he walked out of the grave, visited his buddies

Jesus was a child, hence 'begotten'

a mans son is always his son, but only briefly his child,
so-to-speak

begotten = child

Jesus was the only child....

Quoting: **Sugarelf**

Like you and me, Jesus was 'begotten ONLY of the Father/Mother God' We are ALL equal. Jesus taught us that!

He was not the 'only begotten' son...that's daft!

The greatest lie perpetuated by the fictitious phallus of the Roman Catholic Empire is that Jesus was conceived immaculately and that Mary Magdalene was a whore. An Immaculate Conception is the act of a child being conceived without sexual intercourse. Mary conceived Jesus when she was only 15 years old with His father, Joseph. Such a marriage was common place for Hebrews of the time, and this age gap was the source of Mary's Virtue being slandered by the masses, along with the jealousy that was provoked because the Heaven's proclaimed His birth.

There was a Star shining in the sky when He was born, a star which led The Three Magi to His manger. Mary Magdalene was much like Jesus in this respect, as she too was born under a very special astrological alignment which announced her arrival and set her apart from the other female babies birthed at this time. Upon the two being born and rumors of a King being born spread, King Herod grew weary from fear of losing his throne, Israel's Throne, and Herod issued an order to find them. Jesus was able to escape persecution by relocating to Egypt; however Mary Magdalene was less fortunate and captured by their enemies.

Jesus spent all of His life, until the age of 30, in spiritual and physical training so that He could complete the task which was laid before Him. The first thing He did was recapture His Spotless Bride from the Pharisees and in doing this His fame grew throughout the land and Jesus declared war upon the Sanhedrin at pain of death unless repentance from their sinful ways were declared and instituted.

the star in the sky when he was born was Nibiru. An immaculate conception without intercourse is the placing of an embryo created in a lab which is how that embryo was created. A physical body requires dna. Mother Mary was his genetic mother, the genetic father was Gabriel of Neadon, for you UB readers. TEST TUBE BABY folks, better bodies that those on the earth were needed and masters are almost always test tube kids, even when they are born to married people. You would not believe how many test tube babies walk this planet right now, myself included.

Mary M was a whore but not by choice. She was given by her father to a man who sold her to be a whore. it was not her choice. She was gotten out of that situation. there were 12 women disciples and she was their leader.

He spent most of life taking care of his mother after joseph died and being otherwise the oldest male child. He traveled often also with his uncle Joseph of Arithmethia, sorry I can't spell that today, who was a traveling tin man.

Jesus and Mary M had a child together, born after the crucifixion. Mary M and others were placed on a boat into the mediterranean which was guilded to France and she walked ashore with the child in her arms. Jesus did not die on the cross, he walked out of the grave, visited his buddies

and ascended into one of these  to get him the hell out of that place. He was dropped off near Damascus and met Saul there, blinded him with fireworks and Paul then became his worst enemy teaching all mucked up.

jesus went on to India, settled in Kashmir, married a local women and had 5 kids. That marvelous DNA was thug inserted there and in europe. You can be sure all of the holy family were in fact test tube babies.

Jesus left this plane at about 115 years of age. the body is buried near Srinagar, kashmir. His son Joseph took some scrolls written by Judas back to the old grave first grave. Judas the best friend of Jesus and scribed many of the stories over the years. he was not a betrayer, he was FRAMED, the betrayer had a similar name and did hang himself in shame for what he did.

The bible is a story of love it is a story of redemption. That redemption is from the price paid by the lamb, fully divine fully man, sinless.

If Christ was the product of man and woman he was born with original sin. He wouldn't be sinless and the crucifixion was worthless and all mankind continues unredeemed.

I'm sorry that you have such a terrible grasp on the main story arc of the bible. Man is created, man falls, man is redeemed.

Not. Mary and Joseph had some coffee in Galilee. They got it on. A baby was born.

Sure lots of theories on the identity of Jesus Christ. I liked the one presented in the youtube documentary "The Ring of Power: Empire of the City"

Basically, Jesus was the son of Cleopatra and Julius Caesar, named Caesarian. After the cout on Rome, Caesarian fled to India to learn the teachings of the Buddha and returned years later to turn the Roman empire into the Holy Roman empire.

It's a 5-hour documentary divided into episodes. The third episode introduces this Jesus theory a lot better, but I'll post the beginning of the fourth episode because it was easier for me to find =P. If you have the time, I highly recommend watching all 5-hours.

One went to Japan later for example, thus the story Jesus went there. for example, two of them were hung on the cross, one pierced in the chest and one pierced on the thigh. the thigh guy was JESUS. the others were not. Great souls, all from thiaouba, but only one was Jesus who came in a partnership with Michael of Nebadon. so be it and that is the truth.

Did he punish him, no he sent for him and hid him in the Vatican. Why? Because he was part of the very same sex ring before he was made pope.

i don't -- just pointing out that your definition of what "immaculate conception" means in rc dogma is wrong -- it refers to the conception of mary, not jesus, and doesn't imply she wasn't conceived through intercourse. the whgle jesus thing seems pretty silly to me, but if you're going to argues about it you should at least know what your opponent actually says.

Immaculate Conception is the act of conceiving a child without intercourse, period. Hence the need for the fake vision of Joseph and the Angel telling Him she's not a whore God knocked Her up. But hell just in the past 10 years with all the new translations a great deal of truth has been erased.

OP you are so confused. Let God be true and every man a liar. It does not matter if you believe what happened are not. It will never change the fact. You may not believe now but the day is coming where every knee shall bow and every tongue confess that Jesus is Lord.

those who adhere to the merovingian, illuminati, red cross, rote must have jesus in a relationship and having children otherwise thier entire premise, thier very foundation, falls apart.

for if jesus did not sire children then there is no HOLY bloodline with the birthright on this earth!

it doesn't take much research nor forthought to follow this vein to it's presumed end... thier king whom they shall exalt that they may establish the vision.

it is an old, nay, ancient desire which in times past was denied by the one true god, but which now, in this end is being allowed.

these who say such things as the import of this thread must wax stronger and stronger and the lie must gain truth that all may be fulfilled.

but take heart those who know the truth and pray for more of the spirit that has been given freely to those chosen of him.

The greatest lie perpetuated by the ficticious phallus of the Roman Catholic Empire is that Jesus was conceived immaculately and that Mary Magdalene was a whore. An Immaculate Conception is the act of a child being conceived without sexual intercourse. Mary conceived Jesus when she was only 15 years old with His father, Joseph. Such a marriage was common place for Hebrews of the time, and this age gap was the source of Mary's Virtue being slandered by the masses, along with the jealousy that was provoked because the Heaven's proclaimed His birth.

There was a Star shining in the sky when He was born, a star which led The Three Magi to His manger. Mary Magdalene was much like Jesus in this respect, as she too was born under a very special astrological alignment which announced her arrival and set her apart from the other female babies birthed at this time. Upon the two being born and rumors of a King being born spread, King Herod grew weary from fear of losing his throne, Israel's Throne, and Herod issued an order to find them. Jesus was able to escape persecution by relocating to Egypt; however Mary Magdalene was less fortunate and captured by their enemies.

Jesus spent all of His life, until the age of 30, in spiritual and physical training so that He could complete the task which was laid before Him. The first thing He did was recapture His Spotless Bride from the Pharisees and in doing this His fame grew throughout the land and Jesus declared war upon the Sanhedrin at pain of death unless repentance from their sinful ways were declared and instituted.

Mary and monatomic Gold

The practise of Mary the Prophetess in the Alchymicall Art.

Mary the Prophetess

Aros the Philosopher had a meeting with Mary the Prophetess the Sister of Moyses, and approaching to her, he paid her respect and said unto her. O Prophetess, I have truly heard many say of you that you whiten the Stone in one day.

And Mary said, Yea, Aros, even in a part of one day.

Aros said: O Lady Mary, when will the Work be which you affirm? How shall we whiten and afterwards add blackness?

Mary said; O Aros, oftentimes Nations have dyd about this part. Know you not, O Aros; that there is a water or a thing which whitens Hendragem?

Then Aros answering said to her. O Lady it is so as you say, but in a long time.

Mary answered, Hermes in all his Books has said that the Philosophers whiten the Stone in one hour of the day.

Aros said to her, Oh how excellent is that?

Mary said, it is most excellent to him that is ignorant of it.

Aros said, if men have all the four Elements, he [Hermes] said that their fumes might be compleated, and complexioned, and coagulated, and retained in one day, untill they doe fullfill the consequence (i.e. attain the end).

Mary said, O Aros, by God, if thy senses or understanding were not solid, you should not hear these words from me, untill the Lord should fill my Heart with the grace of his divine Will.

Nevertheless take the Allum of Spain, the white gumm and the red gumm, which is the Kibric of the Philosophers, and their Sol and the greater Tincture, and marry Gumm with Gumm together with a true Matrimony. Mary said, make them like a running Water, and vitrify this water which has been laboured or wrought upon for one day, out of the two Lubechs, upon the fixed body, and liquefy them by the secret of Nature in the Vessel of Philosophy. Did you understand us?

Yes Lady.

Mary said, Keep the fume and take care that none of it fly away. And let your measure be with a gentle fire such as is the Measure of the heat of the Sun in the Month of June or July, and stay by your Vessel and behold it with care how it grows black, grows red, and grows white in less than three hours of the day, and the fume will penetrate the body, and the Spirit will be bound up, and they will be like milk, incerating, and liquefying and penetrating: and that is the secret.

Aros said I do not say that this will be allways.

Mary said unto him: Aros, and this is more wonderfull concerning this, that it was not among the Ancients, nor did it come to him by curing, or by the Medicinall Art and that is take the white, clear and honoured Herb growing on the Hillocks, and pound it fresh as it is in its Hour, and that is the true Body not flying from the Fire.

And Aros said it is the Stone of Truth?

And Mary said yes. But yet men know not this regimen (rule or way of working) with the speediness thereof.

Aros said, and what afterwards.

Mary said, vitrify upon it Kibric or Zibeic and there are the two fumes comprehending the two Lights, and project upon that the complement of the Tinctures of the Spirits, and the weights of Truth, and pound it all, and put it to the Fire, and you shall see wonderfull things from them. The whole goverment consists in the temper of the Fire, O how strange it is, how it will be moved from one colour to another, in less than an hour of the Day, untill it arrive at the mark of redness and whiteness, and cast away the Fire and permit it to cool, and open it and you will find the clear pearly Body to be of the Colour of the Poppy of the Wood mixt with whiteness and that is it which is incerating, liquefying and penetrating, and one golden piece thereof, the weight of a small golden Coin, falleth upon a thousand thousand and two hundred thousand. That is the hidden secret.

Then Aros fell down upon his face.

And Mary said to him, Lift up your head Aros: because I will shorten for you the thing, as that clear body which is thrown upon the Hillocks, and is not obtained by putrefaction or motion. Take and pound it with Gumm Elsaron, and with the two fumes because the Body comprehending or retaining them is Gumm Elsaron and grind it all. Therefore approach because it all melts. If you project its wife upon it, it will be as a distilling Water, and when the Aire shall strike it, it will be congealed and be one body, and make projection of it, and you will behold Wonders: O Aros that is the hidden secret of Scholia; and know that the said two fumes are the Root of this Art, and they are the white Kibric and the humid calx, but the fixed Body is of the Heart of Saturn comprehending the Tincture, and the Fields of Wisdom or of Scholia. And the Philosophers have named it by many and all names, and received or gathered from the Hillocks it is a clear white Body, and these are the medicine of this Art, part is procured and part is found upon the Hillocks; and know Aros that the wise men have not called it the Fields of Wisdom, or of Scholia, unless because Scholia will not be compleated but by it; and in the Scholia there are nothing but wonderfull things. For there also enters into them the four Stones, and its true regimen is as I have said. And that is first Scoyare, Ade, and Zethet; by that make your Allegory as Hermes has done in his Books Scoyas, and the Philosophers have allways made the regimen longer, and have resembled the work to every thing which ought not to make the work, and they make the Magistery to be in one year, and this but onely for hiding it from the ignorant people, untill it be confirmed in their Hearts and their senses (till they believe the Art); because the Art will not be compleated except only in Gold; because it is the great secret of God: and they who hear of our secrets doe not verify them (nor believe them to be true), by reason of their ignorance. Did you understand Aros?

Aros said yes. But tell me about that vessel, without which the Work will not be accomplisht.

Mary said that the Vessel of Hermes which the Stoicks have concealed, and it is not a Necromanticall Vessel, but it is the Measure of your Fire.

Aros said: O Lady you have obeyed (been a scholar) in the Society of Scoyari: O Prophetess, have you found among the Secrets of the Philosophers, which they have set down in their Books, that any one can make the Art out of one Body?

And Mary said: Yes: which Hermes has not taught, because the Root of Scholia is a body which cannot be made smooth or plain and incurable (unconquerable) and it is a poyson mortifying all bodies, and it pulverises them and coagulates Mercury with its odour. And shee said, I swear to you by the eternall God, that that poison when it is dissolved untill it is made a subtile Water, I care not by what dissolution it is done, does coagulate Mercury into Luna with the strength of Truth, and it falls into the Throne of Jupiter, and forms him into Luna. And the Science is in all Bodys, but the Stoicks, by reason of the shortness of their lives, and the Length of the Work, have concealed this; and they found out these tinging Elements, and they increased them, and all the Philosophers teach them, except the Vessel of Hermes, because it is divine, and of the Wisdom of the Lord hidden from Nations: and they who are ignorant of it, know not the Regimen of Truth, because of their Ignorance of the Vessel of Hermes.

Mary briefly soundeth forth
Strange things like Thunder round the Earth.
She with two Gumms makes the Bottome stay
What else would fly away.
Three things if you three hours attend
Are chained together in the End.
Mary the Light of dew, and Art has got
In three hours to tye the Knot.
Pluto's daughter, it is she
Who bindeth Loves confederacy
Joyned with three seeds she does aspire
To be exalted in the Fire.

Yes Lady.

Mary said, Keep the fume and take care that none of it fly away. And let your measure be with a gentle fire such as is the Measure of the heat of the Sun in the Month of June or July, and stay by your Vessel and behold it with care how it grows black, grows red, and grows white in less than three hours of the day, and the fume will penetrate the body, and the Spirit will be bound up, and they will be like milk, incerating, and liquefying and penetrating: and that is the secret.

Aros said I do not say that this will be allways.

Mary said unto him: Aros, and this is more wonderfull concerning this, that it was not among the Ancients, nor did it come to him by curing, or by the Medicinall Art and that is take the white, clear and honoured Herb growing on the Hillocks, and pound it fresh as it is in its Hour, and that is the true Body not flying from the Fire.

And Aros said it is the Stone of Truth?

And Mary said yes. But yet men know not this regimen (rule or way of working) with the speediness thereof.

Aros said, and what afterwards.

Mary said, vitrify upon it Kibric or Zibeic and there are the two fumes comprehending the two Lights, and project upon that the complement of the Tinctures of the Spirits, and the weights of Truth, and pound it all, and put it to the Fire, and you shall see wonderfull things from them. The whole goverment consists in the temper of the Fire, O how strange it is, how it will be moved from one colour to another, in less than an hour of the Day, untill it arrive at the mark of redness and whiteness, and cast away the Fire and permit it to cool, and open it and you will find the clear pearly Body to be of the Colour of the Poppy of the Wood mixt with whiteness and that is it which is incerating, liquefying and penetrating, and one golden piece thereof, the weight of a small golden Coin, falleth upon a thousand thousand and two hundred thousand. That is the hidden secret.

Then Aros fell down upon his face.

And Mary said to him, Lift up your head Aros: because I will shorten for you the thing, as that clear body which is thrown upon the Hillocks, and is not obtained by putrefaction or motion. Take and pound it with Gumm Elsaron, and with the two fumes because the Body comprehending or retaining them is Gumm Elsaron and grind it all. Therefore approach because it all melts. If you project its wife upon it, it will be as a distilling Water, and when the Aire shall strike it, it will be congealed and be one body, and make projection of it, and you will behold Wonders: O Aros that is the hidden secret of Scholia; and know that the said two fumes are the Root of this Art, and they are the white Kibric and the humid calx, but the fixed Body is of the Heart of Saturn comprehending the Tincture, and the Fields of Wisdom or of Scholia. And the Philosophers have named it by many and all names, and received or gathered from the Hillocks it is a clear white Body, and these are the medicine of this Art, part is procured and part is found upon the Hillocks; and know Aros that the wise men have not called it the Fields of Wisdom, or of Scholia, unless because Scholia will not be compleated but by it; and in the Scholia there are nothing but wonderfull things. For there also enters into them the four Stones, and its true regimen is as I have said. And that is first Scoyare, Ade, and Zethet; by that make your Allegory as Hermes has done in his Books Scoyas, and the Philosophers have allways made the regimen longer, and have resembled the work to every thing which ought not to make the work, and they make the Magistry to be in one year, and this but onely for hiding it from the ignorant people, untill it be confirmed in their Hearts and their senses (till they believe the Art),: because the Art will not be compleated except only in Gold; because it is the great secret of God: and they who hear of our secrets doe not verify them (nor believe them to be true), by reason of their ignorance. Did you understand Aros?

Aros said yes. But tell me about that vessel, without which the Work will not be accomplisht.

Mary said that the Vessel of Hermes which the Stoicks have concealed, and it is not a Necromantical Vessel, but it is the Measure of your Fire.

Aros said: O Lady you have obeyed (been a scholar) in the Society of Scoyari: O Prophetess, have you found among the Secrets of the Philosophers, which they have set down in their Books, that any one can make the Art out of one Body?

And Mary said: Yes: which Hermes has not taught, because the Root of Scholia is a body which cannot be made smooth or plain and incurable (unconquerable) and it is a poyson mortifying all bodies, and it pulverises them and coagulates Mercury with its odour. And shee said, I swear to you by the eternall God, that that poison when it is dissolved untill it is made a subtile Water, I care not by what dissolution it is done, does coagulate Mercury into Luna with the strength of Truth, and it falls into the Throne of Jupiter, and forms him into Luna. And the Science is in all Bodys, but the Stoicks, by reason of the shortness of their lives, and the Length of the Work, have concealed this; and they found out these tinging Elements, and they increased them, and all the Philosophers teach them, except the Vessel of Hermes, because it is divine, and of the Wisdom of the Lord hidden from Nations: and they who are ignorant of it, know not the Regimen of Truth, because of their Ignorance of the Vessel of Hermes.

Mary briefly soundeth forth

Strange things like Thunder round the Earth.
She with two Gumms makes the Bottome stay
What else would fly away.
Three things if you three hours attend
Are chained together in the End.
Mary the Light of dew, and Art has got
In three hours to tye the Knot.
Pluto's daughter, it is she
Who bindeth Loves confederacy
Joyned with three seeds she does aspire
To be exalted in the Fire.

God's Will to protect the parties that are involved. The Holy Roman Father of The Roman Catholic Church is Evil and has much Power.

Just remember Roman Catholic Priest claim to be Celebate because their Story of Jesus portrays Him as such. Compare this to the well known fact that many of these Priests are now known to be Pedophiles because they have followed such teachings.

We really know so little about Him and his life. A few sentences (like 100) from the Gospels (I like Thomas and Q) is all we have and from my viewpoint their very good. I suspect most everything else has a high potential for embellishment or even fabrication.

Stick with Gospels and you will hear His words. He was a student of the myteries IMO.

Jesus was born a man, spent many years in india, tibet and other locations studying under various spiritual masters and returned to teach about the way to God, becoming Christ. Pharisees didn't like that therefore he became thorn and you know the rest. How hard is that to understand?

You guys got it all wrong. The story starts thousands of years before when the Anunnaki came to earth after it had been slammed by a huge moon sized spaceship.

The leader of the earth colony was Enki (aka Satan). His mission was to send gold back to his home planet Nibiru.

Enki's younger brother Enlil convinced their father and king of the planet to put him in charge.

Enki acquiesced and Enlil ordered the colonists to dig into the ground to get the gold. The colonists rebelled. Enki came up with the solution, he would genetically engineer smaller humans to do the work and so, created semetic humans.

Enki and his sister Ninhursag tried the forbidden, they cooked up a batch of the new humans only, they used their DNA. This created white caucasians. Enlil was furious and decided that all of these forbidden beings must die.

Enki protected what he could and in the end only 24 of these forbidden humans existed. One of the Means to destroy mass numbers of the forbidden humans was to use nukular weapons on Sodom and Gomorrah. This led to a huge radioactive cloud floating on the westerlies to the Anunnaki colonies in Mesopotamia. The Anunnaki fled except Thoth, Marduk and Isis. Thoth was in charge of the Egyptian colony on the west side of the radiation.

Marduk did a coup and took over the colony. Thoth fled to meso America where he genetically engineered humans there to do his work.

The Anunnaki created beings called the Sheti to do their mundane work as administrators and technicians and the Sheti were very advanced.

Marduk declared himself the One God. The Sheti staged a coup against Marduk and were successful and decided to keep the "one God thing going to control the humans. Jesus was to be the go between the Sheti and us.

Jesus found out and started a revolution against the Sanhedrin who worked for the Sheti. The eldest son of Jesus; Barabbus was captured. Joseph of Aeramathea, Judas and Jesus cooked up the whole easter story thing.

Joseph of Aramathea bribed the Guards to not break Jesus' legs. Doing so would kill him by suffocation. The vinegar on the cloth held up to Jesus was a drug to knock him out.

All was going swell until some Roman soldier stabbed Jesus in the side. When Jesus came to, he was thought to have been resurrected. Jesus died of an infected spear wound in his side. His wife Mary Magdelein, his son Barrabus and the rest of his children were sent to Egypt and then to the South of France by Joseph of Aramathea.

Now you know the real story. The Sheti have controlled us to this very day.

So who is better for us humans, the Anunnaki or the Sheti? Either one has their best interest in

mind and consider us bugs.

I think Jesus had a lesser position of Rabbi (teacher) since he taught in the synagogue.

And Rabbis had to be married

In closer examination of the scripture, he got in trouble with the High Priests and Pharisees because he was outspoken on what was going on at the temple. Exorbitant prices on Sacrificial animals and Prostitutes selling themselves on Temple grounds. There was hypocrisy so to speak, going on and corruption.

"An Immaculate Conception is the act of a child being conceived without sexual intercourse."

You are incorrect in your definition of "Immaculate Conception". Because Mary was deemed by the Catholic Church to be free of original sin, it was necessary to decree that Mary herself was concieved immaculately. Hence, the feast of the "Immaculate Conception" is a memorial of Mary's conception in her mother's womb, not Jesus's conception. When you get such a basic point wrong, it takes away all credibility of your remaining argument. You may want to do a little more research into your basic terms first next time. and why would this be pinned anyway? Its hardly anything new or earth shattering?

Jesus ascended to his ultimate form after he was baptized and fasted 40 days and 40 nights..

Marcus 1

9 And it came to pass in those days, that Jesus came from Nazareth of Galilee, and was baptized of John in Jordan.

10 And straightway coming up out of the water, he saw the heavens opened, and the Spirit like a dove descending upon him: 11 And there came a voice from heaven, saying, Thou art my beloved Son, in whom I am well pleased.

Matthew 17

20 And Jesus said unto them, Because of your unbelief: for verily I say unto you, If ye have faith as a grain of mustard seed, ye shall say unto this mountain, Remove hence to yonder place; and it shall remove; and nothing shall be impossible unto you.

Marcus 6

48 And he saw them toiling in rowing; for the wind was contrary unto them: and about the fourth watch of the night he cometh unto them, walking upon the sea, and would have passed by them. 49 But when they saw him walking upon the sea, they supposed it had been a spirit, and cried out: 50 For they all saw him, and were troubled. And immediately he talked with them, and saith unto them, Be of good cheer: it is I; be not afraid. 51 And he went up unto them into the ship; and the wind ceased: and they were sore amazed in themselves beyond measure, and wondered.

Matthew 4

Jesus Is Tested in the Wilderness

1 Then Jesus was led by the Spirit into the wilderness to be tempted[a] by the devil. 2 After fasting forty days and forty nights, he was hungry. 3 The tempter came to him and said, "If you are the Son of God, tell these stones to become bread."

4 Jesus answered, "It is written: 'Man shall not live on bread alone, but on every word that comes from the mouth of God.'"

5 Then the devil took him to the holy city and had him stand on the highest point of the temple. 6 "If you are the Son of God," he said, "throw yourself down. For it is written:

"He will command his angels concerning you,
and they will lift you up in their hands,
so that you will not strike your foot against a stone."

7 Jesus answered him, "It is also written: 'Do not put the Lord your God to the test.'"

8 Again, the devil took him to a very high mountain and showed him all the kingdoms of the world and their splendor. 9 "All this I will give you," he said, "if you will bow down and worship me."

10 Jesus said to him, "Away from me, Satan! For it is written: 'Worship the Lord your God, and serve him only.'"

11 Then the devil left him, and angels came and attended him.

Total bullshit. This is like saying all of the greek and egyptian gods walked the earth in the way Homer wrote.

In reality, the character of Jesus probably was a real guy at some point in time in history, probably did help some people out, and might have even been killed for his views on this world. What he wasn't was a supernatural being, his father was not "God," and he lived at least 1000 years before the events of the bible are said to have happened. This is fact, verifiable, and provable based on historical evidence.

In other words, your post is bullshit.

The greatest lie perpetuated by the fictitious phallus of the Roman Catholic Empire is that Jesus was conceived immaculately and that Mary Magdalene was a whore. An Immaculate Conception is the act of a child being conceived without sexual intercourse. Mary conceived Jesus when she was only 15 years old with His father, Joseph. Such a marriage was common place for Hebrews of the time, and this age gap was the source of Mary's Virtue being slandered by the masses, along with the jealousy that was provoked because the Heaven's proclaimed His birth.

There was a Star shining in the sky when He was born, a star which led The Three Magi to His manger. Mary Magdalene was much like Jesus in this respect, as she too was born under a very special astrological alignment which announced her arrival and set her apart from the other female babies birthed at this time. Upon the two being born and rumors of a King being born spread, King Herod grew weary from fear of losing his throne, Israel's Throne, and Herod issued an order to find them. Jesus was able to escape persecution by relocating to Egypt; however Mary Magdalene was less fortunate and captured by their enemies.

Jesus spent all of His life, until the age of 30, in spiritual and physical training so that He could complete the task which was laid before Him. The first thing He did was recapture His Spotless Bride from the Pharisees and in doing this His fame grew throughout the land and Jesus declared war upon the Sanhedrin at pain of death unless repentance from their sinful ways were declared and instituted.

HilosPP, you are one of the few people I watched come into my thread time and time again, and act without merit, asking random but useless questions, and trying to be funny.

Now others come into your thread and do the same, and you 'warn' them, for posting contradictory views to yours.

Let me say this - Why is it you have so far failed to provide ANY source of these claims you make in your original post?

Very few intelligent people would be fooled by this thread. I'm NOT saying what you are claiming is incorrect - I'm saying that only a fool makes such contradictory statements to what is known or believed by most, WITHOUT providing some sort of reference.

If they came from your BRAIN - That's FINE - Just say that. If they came from a documentary, or a

text, that's FINE - Just say that.

Don't be embarrassed where you get your information from - and never be quick to believe something without the willingness to keep an open-mind, and alter your beliefs as you learn and grow more.

To make such an extreme claim about the life of Jesus, you should at least be willing to say where you got this information from.

Apollo saying it comes from Royal Bloodlines.....doesn't do much. Anyone could make that claim. Let THEM come on here and make such claims them. Not "I heard from my brother's ex-girlfriend's father, who knows a special man from the Templar Knights, that Jesus and Mary had kids!"

Come on, just don't assume so little about the people that read these boards, that's all I'm saying.

No one here for the most part is calling you a liar or anything, people just need a source when such a contradictory claim is made. Otherwise, these statements hold no merit.

The Pharisees wanted a Messiah that was of signifigance that would destroy the Roman oppressors and when they saw Him He didn't fit their criteria.

Ok, I agree with the part that catholic church distorted the picture of Mary Magdalene, she was not a whore, she was actually born of a good house and her and Jesus were together/married and she was said to have born a daughter in southern France. She fled to France and it's said the family name of St. Croix are the bloodline of Mary Magdalene and Jesus. They were persecuted because their unity was powerful and they had many follower.

Yes there are scriptures that are not included in the bible written by Mary Magdalene and other of the disciples who have mentioned the relationship of the two, as in some of them being jealous when Jesus used to kiss Mary Magdalene on the mouth. Many things were hidden and still are. That's why I take everything with a grain of salt, everything was modified at some point in time for political agendas and to control people. Why else does the Vatican keep the archive closed and secret?

"An Immaculate Conception is the act of a child being conceived without sexual intercourse."

You are incorrect in your definition of "Immaculate Conception". Because Mary was deemed by the Catholic Church to be free of original sin, it was necessary to decree that Mary herself was conceived immaculately. Hence, the feast of the "Immaculate Conception" is a memorial of Mary's conception in her mother's womb, not Jesus's conception. When you get such a basic point wrong, it takes away all credibility of your remaining argument. You may want to do a little more research into your basic terms first next time. and why would this be pinned anyway? Its hardly anything new or earth shattering?

Ok, I agree with the part that catholic church distorted the picture of Mary Magdalene, she was not a whore, she was actually born of a good house and her and Jesus were together/married and she was said to have born a daughter in southern France. She fled to France and it's said the family name of St. Croix are the bloodline of Mary Magdalene and Jesus. They were persecuted because their unity was powerful and they had many follower.

Yes there are scriptures that are not included in the bible written by Mary Magdalene and other of the disciples who have mentioned the relationship of the two, as in some of them being jealous when Jesus used to kiss Mary Magdalene on the mouth. Many things were hidden and still are. That's why I take everything with a grain of salt, everything was modified at some point in time for political agendas and to control people. Jesus was born a man, spent many years in india, tibet and other locations studying under various spiritual masters and returned to teach about the way to God, becoming Christ. Pharisees didn't like that therefore he became thorn and you know the rest. How hard is that to understand?

Adam & Eve reincarnation & test tube baby as mentioned in this thread is irrelevant & nonsense.
Quoting: **Anonymous Coward 1514002**

What utter crap you spew. Jesus taught the Pharisees at an early age from the old Testament the same scriptures they studied for years and never understood he spelled it out for them. Jesus had no need to travel anywhere in Tibet or India to learn from man. The Pharisees wanted a Messiah that was of significance that would destroy the Roman oppressors and when they saw Him He didn't fit their criteria.

Want to know something? I don't think that Jesus (as such) existed. Methinks he is a combination of two humans and many different deities of the past.

However, there is definitely a "Jesus Spirit" or somesuch thing out there--many of them. They are created by humans. You may have created one. Some are group creations and some are individual creations. All are very real and can be experienced. Most exhibit a "Christ Consciousness" type awareness where all that exists of the awareness are the "positive-style" traits which were projected by the creator(s). Of course, I'm also saying that Santa Claus and Big Bird as well as Roscoe P. Coltrane and Annoying Orange are all very real too.

Then, there's "Christ Consciousness" which is a state of consciousness during which the sensory data applied to the subject is deprived of all strong "negative-style" emotions like jealousy, anger, stinginess, resentment, etc. This state is remarkable because since the application of these strong "negative-style" feelings is ceased, the "positive-style" feelings can be more easily felt. Feelings like compassion, unconditional love, charity and forgiveness all come naturally but they are more subtle and can be easily bullied into submission by the "negative-style" feelings.

The Archetypal Jesus of the Catholics illustrates "Christ Consciousness" very well because he was surrounded by negativity and even knew his painful fate but through duty and a strange sense of compassion, he put aside his fears and disgust. Many stories of "martyrs" exemplify "Christ Consciousness".

Jesus spent all of His life, until the age of 30, in spiritual and physical training so that He could complete the task which was laid before Him....

Jesus ascended to his ultimate form after he was baptized and fasted 40 days and 40 nights..

Marcus 1

9 And it came to pass in those days, that Jesus came from Nazareth of Galilee, and was baptized of John in Jordan.

10 And straightway coming up out of the water, he saw the heavens opened, and the Spirit like a dove descending upon him: 11 And there came a voice from heaven, saying, Thou art my beloved Son, in whom I am well pleased.

Well, NIP, what you've typed here is a lot more plausible than the Catholic version.

I'll share you a secret. Most of the Paintings of Jesus passed down to us today is of the Baptist, not Jesus.

Bit of a goose, eh.

Is there a physical resemblance between Jesus and his reincarnation?

...

In fact he married TWICE, he and Mary M were separate and she carried the Holy DNA to France because of that separate, and he carried it to INDIA and married again there. so be it, that is the truth. It was the HOLY DNA a bunch of them carried folks, by method of test tube baby into this

world, and then by method of sex making kids. Jesus had 6 children, 1 with Mary M and 5 with a local woman he married in Kashmir.

Jesus would define the phrase "Until death do us part." And in His Resurrection took it a step farther.

Spot on ! I believe he was monogamous and Mary Magdalene was his one and only.

-40 degrees Celsius = -40 degrees Fahrenheit *exactly*....

Jesus was presented at the Temple in Jerusalem when he was 40 days old as well.... **Luke 2:22-40**

He does have a funny looking nose, some who have seen Him crucified in Vision say His nose was hanging off His face by the end of it.

What are you angry at God about?  Why do you mock Him?

Jesus Christ is God, Second Person of the most holy Trinity.

The "marital act" is His idea, He has no need of it. This is the stupidest thread. Beyond stupid.

Tell everyone their soul is not immortal. Must be your belief since you could care less where you are headed.

Repent now, God respects your free will, your choice to blaspheme Him.

That I did not know, but I always found it hard to believe he was a Blonde Haired - Blue Eyed Hippy like most of the portraits of Him display Him to be.
