Re: The Truth of Mary Magdalene and Jesus of Nazareth

The greatest lie perpetuated by the fictitious phallus of the Roman Catholic Empire is that Jesus was conceived immaculately and that Mary Magdalene was a whore. An Immaculate Conception is the act of a child being conceived without sexual intercourse. Mary conceived Jesus when she was only 15 years old with His father, Joseph. Such a marriage was common place for Hebrews of the time, and this age gap was the source of Mary's Virtue being slandered by the masses, along with the jealousy that was provoked because the Heaven's proclaimed His birth.

There was a Star shining in the sky when He was born, a star which led The Three Magi to His manger. Mary Magdalene was much like Jesus in this respect, as she too was born under a very special astrological alignment which announced her arrival and set her apart from the other female babies birthed at this time. Upon the two being born and rumors of a King being born spread, King Herod grew weary from fear of losing his throne, Israel's Throne, and Herod issued an order to find them. Jesus was able to escape persecution by relocating to Egypt; however Mary Magdalene was less fortunate and captured by their enemies.

Jesus spent all of His life, until the age of 30, in spiritual and physical training so that He could complete the task which was laid before Him. The first thing He did was recapture His Spotless Bride from the Pharisees and in doing this His fame grew throughout the land and Jesus declared war upon the Sanhedrin at pain of death unless repentance from their sinful ways were declared and instituted.

The lies certainly are thick in these religions and I can't help but to see that things are not as they are told to us...it is easy to write stories from what we see as logical...truth be told, I think an

absolute truth will never come and for those of us who have spent years trying to find it must conclude that we will believe what we will and love as much as we can but should be slaves to no man-made religion where people tell you what is truth. A lifetime of seeing truth....and right when you think you found it and have it in your hands, the sand runs out between the cracks of your fingers and again blends into the unmeasurable other grains.

Love. That is what we need to do and stand up for what is right. TPTB have so many people fighting one another over which God is real and which religion will reign it truly saddens me when if we would just love and not be stupid and live as a part of this creation and finally accept that we are all connected to each other and every molecule in the universe and beyond. Each passage of energy and thought affects the next and therefore over a slow moving highway of time and space we are all connected and affect each other.

So love. And be loved. I think the logic here shows that doing the right thing is not killing, not raping, not stealing, etc....and respecting the fact that all of this creation we are apart of is beautiful and magnificent and not an accident but that The One Who Creates ALL created it. I am so over religion and yet still believe in a pure and calm truth. It cannot be said any other way but love.

APOLLO you can believe all you want, He was separate from Mary M with whome he did create a female child, SaRa, and he married again In Kashmir, and that is how it was. I KNOW as I know HIM personally and HE TOLD ME. And some of the marriage in Kashmir is in the PJ #2, go read the thing.

There was No resurrection of his body. And he is an old soul so there was no resurrection of his soul either!!!!!! Please people, wake up. And none of this is that important except for the lies. Howabout actually walking in his shoes instead? expose 911, get the khazar thugs out of office, take back your country and so on and so forth

To know that he was these things should only make you admire him more for what he was able to practice, teach, and achieve.

To mistify him is the true insult and copout from taking responsibility in our own lives.

The fact of the matter is Jesus was Adam reincarnated and Mary Magdalene was Eve reincarnated. Jesus had sex, Jesus really likes sex, God made sex and if He didn't like it, it wouldn't feel so damn good. If Jesus didn't have sex He would of probably started a Church like The Roman Catholic Empire and has a bunch of underground child sex rings orchestrated, much like the Pope Jean Paul the Second does.

Quoting: **HilosPP**

ROFLMAFAO! "The fact of the matter..."

Seriously? So tell me dude, when did you build your first time machine and how did you get past the negative energy problem for stabilizing the "throat" of the Einstein-Rosen bridge?

As a matter of fact, what the fuck is your energy source? I mean we are talking one HELL of a powerful antimatter-matter reactor with at least 90% thermodynamic efficiency, right? It's the only way you would be able to generate the [energy for the] gravitational force necessary to create the spacetime crossover field. And if you got THAT far, tell me how you were able to survive the crushing gravity of the bridge's lip (event horizon) in your passage THROUGH the gap.

There are a couple of other "minor" hurdles you would have to overcome to pull off generating and maintaining this wormhole of yours into the past. But let's assume you did pull it off. Do you have any evidence? Vids? Photographs? Recorded conversations? Actually, hell, you don't even have to physically go back there. You can just open up a wormhole and collect the light streaming through digitally and make a video. Hell, if you have THAT much energy available to you, you can even move that hole around and follow Jesus throughout His life, recording every single moment at all times. That would be far more energy efficient (and safer) than sending matter (such as yourself) through.

However, if you don't have this evidence (which you could have conveniently posted up here or on you tube) then you are just taking a wild flight of speculation. A shot in the dark of your fucking imagination. Guesswork if you prefer. And if so, then your wild speculation is just as likely as what is written in the bible being likely. Hell, given the nature of the evidence presented in the bible (which I won't bother iterating here as you can research it yourself with your OWN time) - I would tend to believe the biblical account more than YOUR theoretical account. And if you are presenting this case from some other historical text you read then I would like to see the

background of the researcher, the manuscripts from which the data was extracted and the archeological condition of the dig site throughout the excavation. I would also like to see more of similar texts (in concordance with one another) found at other dig sites which date back to your original manuscript's time (or before.)

Other than that, your theory is fail. Actually, I KNOW your theory is fail to begin with because the archeological finds that are in concordance with the biblical texts are so very numerous and well detailed in their scientific (archaeological) methods. There are thousands of said writings dating from various periods all the way back to just a handful of years after the death of Jesus (namely, some of the epistles of Paul.) All of the historical texts (parchments) read the same way with very little changes at all (and certainly nothing that is fundamentally scripture breaking.)

So, if I were you, I would go back to the first two paragraphs in this post and read about the roadblocks to making a workable time machine. Then use it to record the past in digital video format and post it up for us. Or, of course, you can also stfu. I prefer the latter since ignorantly moronic tards with an agenda (such as yourself) tend to be the greatest problem in America today.

God who you ones yet to understand, should be walking in his shoes. where have you been? there is not a single person called "God" even. Most of you confuse hierarchy with the Father. Most of you yak about Jesus Father in Heaven, and Jesus came to tell you that his father in Heaven, is also your Father in Heaven, and you haven't figured that out and its' been left out of all

the teachings, yet some of you do manage to call yourselves Children of God which is great truth.

you are all Sons of God if you can reason and plan a bit into the future. You have GOD MIND, if you can and are thus at least faith Sons of God in fact.

I believe it is the reptilians, and Jesus was from the grey who communicate through telepathy, that is why he have heard his father in heaven speaking through him. People know GOD through religion and books, without you would not even know there is some GOD. So it is clearly aimed to deceive from start on the concept of some GOD is brainwash and way how to subdue people to slavery, by some aliens. I believe it is the reptilians, and Jesus was from the greys who communicate through telepathy, that is why he have heard his father in heaven speaking through him. And that is why our government are killing the greys and depicting them as abducting people etc... because Governments are working for the reptilian in exchange for you !

the word Jew is not from the term Judean. It is MISUED from a word in either aramaic or Hebrew, shit, tired, that sounds like our english word YOU. the word means CHILD OF GOD, not a chosen race of God.

This is how the satanic ones LIE. They take a word that sounds like YOU, that means Child of God, and change it to a similar word JEW, and then call themseles the chosen race. Go figure.

At any rate, YOU in English because all who can THINK are children of the Father, means literally I hope you will agree, YOU the child of god. Lovely IMHO.

Of course, we ought to now make every word in every language meaning "You" be translated as a child of god.

Jesus ascended to his ultimate form after he was baptized and fasted 40 days and 40 nights..

Marcus 1

9 And it came to pass in those days, that Jesus came from Nazareth of Galilee, and was baptized of John in Jordan.

10 And straightway coming up out of the water, he saw the heavens opened, and the Spirit like a dove descending upon him: 11 And there came a voice from heaven, saying, Thou art my beloved Son, in whom I am well pleased.

Quoting: **Haile Menelik**

The spirit like the dove was his MONAD. I also Have MY MONAD. the Monad is the part of ones soul that stores the knowledge one has learned.

The voice saying thou art my beloved son was Gabriel of Nebadon from a Craft. Jesus then

ascended into the CRAFT ꝛ ꝛ and left for 40 days of study in preparation for the upcoming ministry.

Jesus was a child, hence 'begotten'

a mans son is always his son, but only briefly his child,
so-to-speak

begotten = child

Jesus was the only child....

Quoting: **Sugarelf**

jesus had 8 brothers and sisters, born of mary and Joseph after him. I have explained who his father was elsewhere in this thread, as to the genetic father.

The word ONLY BEGOTTEN refers to each and every Son of god, as NONE Match. the experience of all varies. begotten does mean created, all of you have been created in some way, and sex does not create a soul in and of itself.

the star in the sky when he was born was Nibiru. An immaculate conception without intercourse is the placing of an embryo created in a lab which is how that embryo was created. A physical body requires dna. Mother Mary was his genetic mother, the genetic father was Gabriel of Nebadon, for you UB readers. TEST TUBE BABY folks, better bodies that those on the earth were needed and masters are almost always test tube kids, even when they are born to married people. You would not believe how many test tube babies walk this planet right now, myself included.

Mary M was a whore but not by choice. She was given by her father to a man who sold her to be a whore. it was not her choice. She was gotten out of that situation. there were 12 women disciples and she was their leader.

He spent most of life taking care of his mother after joseph died and being otherwise the oldest male child. He traveled often also with his uncle Joseph of Arithmethia, sorry I can't spell that today, who was a traveling tin man.

Jesus and Mary M had a child together, born after the crucifixion. Mary M and others were placed on a boat into the mediterranean which was guilded to France and she walked ashore with the child in her arms. Jesus did not die on the cross, he walked out of the grave, visited his buddies

and ascended into one of these  to get him the hell out of that place. He was dropped off near Damascus and met Saul there, blinded him with fireworks and Paul then became his worst enemy teaching all mucked up.

jesus went on to India, settled in Kashmir, married a local women and had 5 kids. That marvelous DNA was thug inserted there and in europe. You can be sure all of the holy family were in fact test tube babies.

Jesus left this plane at about 115 years of age. the body is buried near Srinagar, kashmir. His son Joseph took some scrolls written by Judas back to the old grave first grave. Judas the best friend of Jesus and scribed many of the stories over the years. he was not a betrayer, he was FRAMED, the betrayer had a similar name and did hang himself in shame for what he did.

Around 1961 those scrolls were unearthed and you can read what was left of them, translated from the aramaic by Judas himself to english here.:

[\[link to tweeofmeer.webs.com\]](http://link.to/tweeofmeer.webs.com)

also the scrolls were first translated to German after they were found, and the book translated to english, google "the talmud of Immanuel" or Jmmanuel.

And when that was not going well, the Phoenix Journals written by mostly Michael of Nebadon, pretending as Hatonn were given to wake people up to the current issues facing this world and the thugs interfered with those too. you have spat on god's words and I bet you didn't read any of them before you did that.

2. DO NOT EAT FROM THE TREE OF LIFE - Awaiting Descendants

"An Immaculate Conception is the act of a child being conceived without sexual intercourse."

You are incorrect in your definition of "Immaculate Conception". Because Mary was deemed by the Catholic Church to be free of original sin, it was necessary to decree that Mary herself was conceived immaculately. Hence, the feast of the "Immaculate Conception" is a memorial of Mary's conception in her mother's womb, not Jesus's conception. When you get such a basic point wrong, it takes away all credibility of your remaining argument. You may want to do a little more research into your basic terms first next time. and why would this be pinned anyway? Its hardly anything new or earth shattering?

Quoting: **Anonymous Coward 417970**

The Catholic church also teach Jesus never got married, did you take the time to read the thread title?

Quoting: **HilosPP**

In fact he married TWICE, he and Mary M were separate and she carried the Holy DNA to France because of that separate, and he carried it to INDIA and married again there. so be it, that is the truth. It was the HOLY DNA a bunch of them carried folks, **by method of test tube baby into this world, and then by method of sex making kids. Jesus had 6 children, 1 with Mary M and 5 with a local woman he married in Kashmir.**

Quoting: **Nobody in Particular**

Can you please explain what difference makes to know Jesus had 6 kids? Is there a pure DNA still around in the planet? and the vast majority of the non-pure DNA carriers are what? sinners? cursed? send them to eternal punish?...thanks

Quoting: ***Lo & Li***

it doesn't make any difference in the once sense, but this thread is about mary m and Jesus so I tell the truth since they have shared their story with me personally and it is the role of this 2nd Coming organization that we created together to get the truth out there simply because of man is used to kill each other over stuff like this. The greater importance, is the adam and eve missions to a planet have a huge purpose of upgrading the planetary races with a higher form of DNA and I am not going to tell that story again right now. But it failed. So the divine DNA is being inserted in other ways, and even currently, especially currently using test tube babies. My own embryo was created in that manner which I have stated often.

These races of man have become genetically mucked up and this is a method of correction and some DNA MUCH HIGHER than what the adam and eve's, were gifted to this planet thru these 6 children and others. Man need a better temple for his soul and the dark brothers are always downgrading the DNA to make slaves on this world.

You see the slave DNA, the simple 2 stranded DNA is not even as good as what the common animals like dogs and cats have. animals at least have contact with the etheric and slave people do not. slave people are used as cannon fodder and religion is used to keep them under control with a false story that if they are good little slaves they get to go to heaven with jesus or whoever and party for eternity. It was worked well.

Souls must have bodies they can incarnate into to gather living experience and it's the normal way of avatars to incarnate also as teachers and other reasons. On this sick planet, they must thus arrive by birth having been started as test tube babies, because slave DNA can't be incarnated into by anyone, including the animals. This is a planet to create new souls and the animals are moved up into human bodies at some point, and the thugs keep the bodies so low even the animals can't move up.

Matthew 19

1And it came to pass, that when Jesus had finished these sayings, he departed from Galilee, and came into the coasts of Judaea beyond Jordan;

2And great multitudes followed him; and he healed them there.

3The Pharisees also came unto him, tempting him, and saying unto him, Is it lawful for a man to put away his wife for every cause?

4And he answered and said unto them, Have ye not read, that he which made them at the beginning made them male and female,

5And said, For this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh?

6Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder.

7They say unto him, Why did Moses then command to give a writing of divorcement, and to put her away?

8He saith unto them, Moses because of the hardness of your hearts suffered you to put away your wives: but from the beginning it was not so.

9And I say unto you, Whosoever shall put away his wife, except it be for fornication, and shall marry another, committeth adultery: and whoso marrieth her which is put away doth commit adultery.

10His disciples say unto him, If the case of the man be so with his wife, it is not good to marry.

11But he said unto them, All men cannot receive this saying, save they to whom it is given.

12For there are some eunuchs, which were so born from their mother's womb: and there are some eunuchs, which were made eunuchs of men: and there be eunuchs, which have made themselves eunuchs for the kingdom of heaven's sake. He that is able to receive it, let him receive it.

the incarnation was of TWO. and the UB did hint at that actually, but I don't have the place marked.

They don't have sons on any of the other 6 because those are on worlds where people are not sex folks.

This incarnation was a partnership. The creator son more or less hitched a ride with Esu. Shared the experience in other words but was not actually in charge of the Body. Esu had the kids, not the creator son thusly. It was PLANNED THAT WAY. to bring in better DNA because of the failed adam and eve mission.

It was necessary to protect this method up uplifting of the races so it was NOT covered in the UB. this is also why re incarnation is left out and in fact denied, because of the uplifting of DNA program so star seeds CAN use bodies here.

I am from paradise and I am not IN this body, spirit beings can't be IN bodies, only linked to them, but the linkage can't even happen if the body is of less than animal level DNA. Thugs have kept much of the dna on this planet at the automaton level.

Where is the source of this information regarding Jesus? Provide the sources of this "new" information about Jesus and Mary Magdalene. Don't state the Bible - it will tear your entire presentation to shreds.

You're completely off regarding all aspects in your original post. I'm not even a Roman Catholic and I can tell you you're wrong, even in explaining the concept of "immaculate conception"...

The doctrine of the "Immaculate Conception" states that Mary THE MOTHER OF JESUS was conceived without sin by her parents, so that as a pure vessel she would be able to give birth to the Son of God, Jesus...

This is identified by the Roman Catholics as a special grace provided by God necessary for the birth of Jesus Christ.

Also, tell me OP, which Mary (besides the mother of Jesus) is actually Mary Magdalene. Because there are several mentioned. Which one are you talking about?

The Christians who delivered to us the Bible, which allow you to even the know the name of Jesus Christ, testify and hold to this as faith - that Jesus Christ was born of a virgin, Mary, who was indeed betrothed to Joseph the carpenter. She remained a virgin for the rest of your life.

That Jesus is Adam reincarnated is a stupid lie; answer this OP, who was it that walked with Adam in the Garden of Eden? Did Adam create himself? Because it says in this same Bible that Adam was a created being and that Jesus Christ is God IN THE FLESH. As in, THE ONE WHO CREATED ADAM IN THE FIRST PLACE.

This isn't to try to convert any of you; I am not the person to do so. But I want to clarify the vicious slander coming out of the OP's mouth. Wherever he is getting his information from is not the New Testament, which tells us of Jesus in the first place.

ADAM KADMON

ADAM KADMON, the Birth of Messiah. Compiled by Apollo

In the Sephir Yetizerah. It is said that the birth of Adam took place on Rosh Hashanah, the New year in the year . September , 3761. it is said he was the first true human being with a soul that made him into a spiritual being.

Before Adam it is said that 974 generations lived, or 25,000 years ago. Mankind did live in a physical and mental form(made from the dust. Genesis 2:7) but lacked a soul. It was this soul of Mosiach however that hovered about the waters..

And the spirit of G-d hovered [above the waters]." Our Sages tell us that this is actually referring to the soul of Moshiach. The Hebrew words in the verse "v'ruach Elokim m'rachefet" have the same numerical value as the words "This is the spirit of Melech HaMoshiach" - zeh haya rucho shel Melech HaMashiach.

(from Discover Moshiach)

Adam Kadmon (Primordial Man) or Aveer Qadmon is the Azoth or Primitive Air from the first matter.

Here is a interesting qoute'

Adam will supposedly be reincarnated as the Messiah, the Third Adam "when time will finally cease." (Rev.10:6)

"Each major historical period had its progenitor who took the role of the new Adam." - 66:8
"...in the context of the larger Kabbalistic views...the secret of the name Adam apparently points to a well-known acronym: 'Adam, David, Mashiyah'....mean(ing) that Adam's soul has been reincarnated in the body of David, who will return as the Messiah... The Messiah therefore, will possess the soul that first inhabited Adam [the primordial ideal man] and then David." - 293:189

"And so the first Adam – the Adam Kadmon created before time began – would at long last become the last Adam, the crown of all creation, at whose advent time would finally cease [according to the secret lore of the Pharisees]." - 294:243-244 (watch pair.com)

Jesus is the Alpha and the Omega.

The Beginning and the End.

He was there from the Beginning and he will be there at the End.

Hebrews 1

13 But to which of the angels said he at any time, Sit on my right hand, until I make thine enemies thy footstool?

Jesus confirming he will be coming in the End of Days

Marcus 14

61 But he held his peace, and answered nothing. Again the high priest asked him, and said unto him, Art thou the Christ, the Son of the Blessed?

62 And Jesus said, I am: and ye shall see the Son of man sitting on the right hand of power, and

coming in the clouds of heaven.

Jesus confirming he was from the Beginning and he will be in the End..

Revelation 1

7 Behold, he cometh with clouds; and every eye shall see him, and they also which pierced him: and all kindreds of the earth shall wail because of him. Even so, Amen.

8 I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.

The man was crucified and resurrected Himself from the dead and still people didn't believe. So what exactly are you asking for when you demand proof?

Quoting: **HilosPP**

he helped heal himself and so did his friends while he was in the grave. He was never DEAD. Resurrection is of the soul, not the body. healing and resurrection are not the same thing. he did

NOT die on the cross. And those around that were invisible made sure he was not stabbed in the heart, that is why he was stabbed in the leg. The pooling blood convinced the guards he was dead so he could be taken down and healed before he the body died. It was entirely possible however to resurrect the body, as was also demonstrated with Lazarus who was 4 days in the grave. These bodies are not the soul however, and do not go to heaven. they do not work there, a higher body is needed.

Jesus (esu) then met his various friends, and the so called ascension was his entering a craft to be transported out of there and continue the mission, which was to teach in central asia. which he did.

People assume he went to heaven in his body and they expect their bodies to come out of graves 2000 years old and go to heaven. that is the huge false teaching on this world. Souls that have NO made 3rd circle spirituality wait for special resurrections, and souls who have made 3rd circle, since the days of christ, go to the mansion worlds (beginning level heaven spheres) and awaken in a NEW BODY on the 3rd day.

Jesus already was from the very highest heaven spheres when he came here, just as I am. we need no "resurrection" my own was probably a 1 million years or so ago, depending on how one would measure a year, they vary on every planet. My soul's origin is not this world, it was another Nebadon planet and I was successful in the long journey to Paradise and I have done what many of you well do also some day. I have sat at the right hand of the father, and that was even the teaching of Jesus here, that one day all who take the ascension journey of eternal life will one day arrive on Paradise, at the center of the creation.

Have you considered that Roman Catholic priests are illegitimate priests in the first place? And that either way, their actions ARE IN DIRECT OPPOSITION to the teachings of Christ and the New Testament?

History lesson: the Roman Catholic church was excommunicated by the Christian Church in 1054 AD. They have been completely severed from the Church for over 1000 years.

Using their actions as proof that the Christian doctrine is wrong is like saying people who commit suicide by leaping off of a building are DISPROVING GRAVITY.

No... they are proving gravity to be true and themselves to be utterly moronic.

This is blasphemy.

Where is the source of this information regarding Jesus? Provide the sources of this "new" information about Jesus and Mary Magdalene. Don't state the Bible - it will tear your entire presentation to shreds.

You're completely off regarding all aspects in your original post. I'm not even a Roman Catholic and I can tell you you're wrong, even in explaining the concept of "immaculate conception"...

The doctrine of the "Immaculate Conception" states that Mary THE MOTHER OF JESUS was conceived without sin by her parents, so that as a pure vessel she would be able to give birth to the Son of God, Jesus...

This is identified by the Roman Catholics as a special grace provided by God necessary for the birth of Jesus Christ.

Also, tell me OP, which Mary (besides the mother of Jesus) is actually Mary Magdalene. Because there are several mentioned. Which one are you talking about?

The Christians who delivered to us the Bible, which allow you to even the know the name of Jesus Christ, testify and hold to this as faith - that Jesus Christ was born of a virgin, Mary, who was indeed betrothed to Joseph the carpenter. She remained a virgin for the rest of your life.

That Jesus is Adam reincarnated is a stupid lie; answer this OP, who was it that walked with Adam in the Garden of Eden? Did Adam create himself? Because it says in this same Bible that Adam was a created being and that Jesus Christ is God IN THE FLESH. As in, THE ONE WHO CREATED ADAM IN THE FIRST PLACE.

This isn't to try to convert any of you; I am not the person to do so. But I want to clarify the vicious slander coming out of the OP's mouth. Wherever he is getting his information from is not the New Testament, which tells us of Jesus in the first place.

ADAM KADMON

ADAM KADMON, the Birth of Messiah. Compiled by Apollo

In the Sephir Yetizerah. It is said that the birth of Adam took place on Rosh Hashanah, the New year in the year . September , 3761. it is said he was the first true human being with a soul that made him into a spiritual being.

Before Adam it is siad that 974 generations lived, or 25,000 years ago. Mankind did live in a physical and mental form(made from the dust. Genesis 2:7) but lacked a soul. It was this soul of Mosiach however that hovered about the waters..

And the spirit of G-d hovered [above the waters]." Our Sages tell us that this is actually referring to the soul of Moshiach. The Hebrew words in the verse "v'ruach Elokim m'rachefet" have the same numerical value as the words "This is the spirit of Melech HaMoshiach" - zeh haya rucho shel Melech HaMashiach.

(from Discover Moshiach)

Adam Kadmon (Primordial Man) or Aveer Qadmon is the Azoth or Primitive Air from the first matter.

Here is a interesting qoute'

Adam will supposedly be reincarnated as the Messiah, the Third Adam "when time will finally cease." (Rev.10:6)

"Each major historical period had its progenitor who took the role of the new Adam." - 66:8
"...in the context of the larger Kabbalistic views...the secret of the name Adam apparently points to a well-known acronym: 'Adam, David, Mashiyah'....mean(ing) that Adam's soul has been reincarnated in the body of David, who will return as the Messiah... The Messiah therefore, will possess the soul that first inhabited Adam [the primordial ideal man] and then David." - 293:189

"And so the first Adam – the Adam Kadmon created before time began – would at long last become the last Adam, the crown of all creation, at whose advent time would finally cease [according to the secret lore of the Pharisees]." - 294:243-244 (watch pair.com)

The Catholics have also forgotten that prior to 1054 AD, the Roman church was in communion with the rest of the Christian world, until that time when the Bishop of Rome (Pope) decided to proclaim himself the head of the entire church and demanded universal obedience to him.

Do not mistake the Roman Catholic church for the historical Christian Church. They are schismatics who broke away from the true Church to worship their Pope. It was under HIS role that priests were forced into celibacy and the doctrines were changed to center around him (infallibility anyone?).

This is blasphemy.

Where is the source of this information regarding Jesus? Provide the sources of this "new" information about Jesus and Mary Magdalene. Don't state the Bible - it will tear your entire presentation to shreds.

You're completely off regarding all aspects in your original post. I'm not even a Roman Catholic and I can tell you you're wrong, even in explaining the concept of "immaculate conception"...

The doctrine of the "Immaculate Conception" states that Mary THE MOTHER OF JESUS was conceived without sin by her parents, so that as a pure vessel she would be able to give birth to the Son of God, Jesus...

This is identified by the Roman Catholics as a special grace provided by God necessary for the birth of Jesus Christ.

Also, tell me OP, which Mary (besides the mother of Jesus) is actually Mary Magdalene. Because there are several mentioned. Which one are you talking about?

The Christians who delivered to us the Bible, which allow you to even the know the name of Jesus Christ, testify and hold to this as faith - that Jesus Christ was born of a virgin, Mary, who was indeed betrothed to Joseph the carpenter. She remained a virgin for the rest of your life.

That Jesus is Adam reincarnated is a stupid lie; answer this OP, who was it that walked with Adam in the Garden of Eden? Did Adam create himself? Because it says in this same Bible that Adam was a created being and that Jesus Christ is God IN THE FLESH. As in, THE ONE WHO CREATED ADAM IN THE FIRST PLACE.

This isn't to try to convert any of you; I am not the person to do so. But I want to clarify the vicious

slander coming out of the OP's mouth. Wherever he is getting his information from is not the New Testament, which tells us of Jesus in the first place.

ADAM KADMON

ADAM KADMON, the Birth of Messiah. Compiled by Apollo

In the Sephir Yetizerah. It is said that the birth of Adam took place on Rosh Hashanah, the New year in the year . September , 3761. it is said he was the first true human being with a soul that made him into a spiritual being.

Before Adam it is said that 974 generations lived, or 25,000 years ago. Mankind did live in a physical and mental form(made from the dust. Genesis 2:7) but lacked a soul. It was this soul of Mosiach however that hovered about the waters..

And the spirit of G-d hovered [above the waters]." Our Sages tell us that this is actually referring to the soul of Mosiach. The Hebrew words in the verse "v'ruach Elokim m'rachefet" have the same numerical value as the words "This is the spirit of Melech HaMoshiach" - zeh haya rucho shel Melech HaMashiach.

(from Discover Mosiach)

Adam Kadmon (Primordial Man) or Aveer Qadmon is the Azoth or Primitive Air from the first matter.

Here is a interesting quote'

Adam will supposedly be reincarnated as the Messiah, the Third Adam "when time will finally cease." (Rev.10:6)

"Each major historical period had its progenitor who took the role of the new Adam." - 66:8
"...in the context of the larger Kabbalistic views...the secret of the name Adam apparently points to a well-known acronym: 'Adam, David, Mashiyah'....mean(ing) that Adam's soul has been reincarnated in the body of David, who will return as the Messiah... The Messiah therefore, will possess the soul that first inhabited Adam [the primordial ideal man] and then David." - 293:189

"And so the first Adam – the Adam Kadmon created before time began – would at long last become the last Adam, the crown of all creation, at whose advent time would finally cease [according to the secret lore of the Pharisees]." - 294:243-244 (watch pair.com)

I was just thinking, if Jesus was David, than why did David do such dumb things. Like the story of Bathsheeba and her husband. David saw her bathing naked on her roof and was consumed with Lust. So he sent for her and had her and than called her husband of his post so he could send him to a more dangerous post where he would die and than David could have her rightfully. Such logic is definately of man and not God. And what did her husband do? Did he even lay with his wife that night knowing he was being sent to death? No he laid at the door of the kings castle because his brothers were in battle and he felt guilty for enjoying his life while they were out fighting and dying. Seems to me Bathsheeba's husband was for more Christ like than David.

Not if the faiths are wrong.

And none of them are compatible with Christianity. Christianity does not allow other faiths to be true because it claims them false by a very specific saying:

"Jesus saith unto him, I am the way, the truth, and the life: no man cometh unto the Father, but by me." (John 14:6)

If this is true, if Jesus is true and he is not a liar, and the only way to God (the Father) is through Jesus, than any faith that has not Jesus AS HE ACTUALLY IS is wrong.

You cannot bend this. You can ignore it, you can pretend like it isn't saying what it's saying, but it's very clear.

Coptic Orthodox Church of Alexandria

According to tradition, the church was established by Saint Mark the apostle and evangelist in the middle of the 1st century (approximately AD 42).[2] The head of the church and the See of Alexandria is the Pope of Alexandria and Patriarch of All Africa on the Holy See of Saint Mark, currently Pope Shenouda III.

Adam and EVE were NOT BORN on this planet apollo. they were born on Jesusem, the headquarters world of Satania. (not related to the word satan). they were transported to earth, about 38,000 years ago.

and they had nothing to do with the history of these people in this one small area 2000+ years ago. In fact these Hebrews, the race, were born of one man and two women who survived a crash landing of a craft 14,000 years ago in what is now western russia. it was a tad cold, their craft could not be repaired, everyone else was dead and no help came, so they migrated south to warmer land in what is now called Palestine today. They were far advanced spiritually and of DNA than was man in that region at the time and they knew this and did not marry with the existing races at that time. So they founded a new race of people on this world they were from Hebra.

that is the whole story beloveds of that small group of people. by the time 12,000 Years passed so the story changed over those years and the teachings they gave to their progeny were corrupted over time.

Several ones came to help them over those long years from Pleiades. One of those was Moses. When Moses left with the slaves to help them home, he was guided by a craft and the manna was provided from craft to sustain the people. it took more like 40 months than 40 years.

The sea was parted by a craft. The 10 commandments, there were more but some are lost, were given not by a burning bush but from craft. And people from Pleiades (thiaoouba) fried Sodom and Gomorrah too by the way. These folks on craft survived in stories as the LORD GOD. People, the

fAther, God, whatever is SPIRIT. His SONS DO THE WORK NO HIM. OK.

People from other worlds have been colonizing this planet since the days of the dinosaurs. That is why there are human remains with the dinosaur remains. Humans in various body types travel all over the creation, OK.

The big bossy God, is the hierarchy. the creation IS ruled by method of government folks. There are over 300 billion "heavens" and about 5.6 trillion inhabited evolutionary worlds like earth. we are not special here.

so the story of the old testament is a rendering of this one race started from one man and his two wives. OK. That is their creation story. They apparently forgot the ancestry over 14,000 years and a a great flood and a probably a magnetic pole reversal. their history is not accurate and you ones think a lot of the god stuff in the OT is written by god himself. or at least babysat by a holy spirit dude. NO so. It is a confused history of a confused people and you ones keep up the confusion here! Isn't it becoming obvious after all these years you one work here on glp alone? Your own churches full of shit teachings and falsehoods and then you ones, including OP here, say get it straight or you go to hell!

God doesn't give a fat fuck if you know the history of Jesus and Mary M or not. He give a fat fuck about your works and your heart. Nothing more, nothing less. Jesus cannot save you. and you don't want a god who will send you to hell because you don't understand some piece of minute history of a confused people.

You are here to grow your souls knowledge, to learn to live each day in a holy manner and to take responsibility for all you create. Few of you are having your first life here. You are not made into a god by a single life.

yes I said made into a god, for it is the will of the Father that you become like him, having all knowledge and you most certainly do not obtain all knowledge in a short life time of under 100 years, or any lifetime. Learning will go on in fact for all of eternity for you. there will always be changes and issues.

Michael of Nebadon, the Father of Nebadon, and ruler of 3.8 million planets plus the heaven worlds of Nebadon, doesn't know it all. He is still learning.

Now, get about growing yourself and stop this bullshit of telling people they go to hell if they don't get the story of Mary and Jesus right and like shit. It doesn't matter.

What you ARE matters. What you are becoming matters. Your works matter. Heaven is open to you if you never heard the name Jesus and his name was not Jesus, Paul (Saul) made it up. Please start growing your spirits. for that IS important. there is NO hell fire, but there are more nasty planets you can live on if you remain nasty. Ponder that one. Heaven is PLANETS people. Just getter planets than this one.

this is a prison ward for thugs of all kinds. Michael of Nebadon came to open the prison doors, but you must walk thru them. there are 10 billion galactic thugs and fallen angels on this prison world. he came to offer his hand, to forgive you, to welcome you home. but only YOU can take that journey.

The Catholics have also forgotten that prior to 1054 AD, the Roman church was in communion with the rest of the Christian world, until that time when the Bishop of Rome (Pope) decided to proclaim himself the head of the entire church and demanded universal obedience to him.

Do not mistake the Roman Catholic church for the historical Christian Church. They are schismatics who broke away from the true Church to worship their Pope. It was under HIS role that priests were forced into celibacy and the doctrines were changed to center around him (infallibility anyone?).

Quoting: **Anonymous Coward 1506171**

The Pope is infallible on **faith** and **morals** only. Pope Paul the VI did not cave on contraception when the rest of the world did, including Protestants. It's a shame, look at the fruit of contraception, all bad. Health, not much of a next generation, destruction of the family, etc, etc.

Nobody worships the Pope or Mary, this is immature nonsense.
A justification to remain Protestant.

Marcus 14

61 But he held his peace, and answered nothing. Again the high priest asked him, and said unto him, Art thou the Christ, the Son of the Blessed?

THE SUN IS REALLY THE SON OF GOD BECAUSE THEY ARE SPELT SIMILARLY.

You ever consider that fact that the reason the Sanhedrin hated Jesus claiming to be "The Son of Man" was because He was running around saying I AM THE SUN OF MAN?
Quoting: **HilosPP**

God created the "marital act", you're a fool OP to mock Our Lord. Change. There are "higher" things but since you are a mere human, you try to make God, Jesus Christ only human.

Realize even though you deny it here. Jesus Christ is fully God and fully man.

Make sure to bring me up when you stand before Him and receive your judgement.

The Spirit of God is in fact, much much older than Her, God destroyed and re-created several Universes before He first met Her. He met Her in His 22nd Universe, this being the 37th He has known.
