ADAM KADMON

ADAM KADMON, the Birth of Messiah. Compiled by Apollo

In the Sephir Yetizerah. It is said that the birth of Adam took place on Rosh Hashanah, the New year in the year . September , 3761. it is said he was the first true human being with a soul that made him into a spiritual being.

Before Adam it is said that 974 generations lived, or 25,000 years ago. Mankind did live in a physical and mental form(made from the dust. Genesis 2:7) but lacked a soul. It was this soul of Mosiach however that hovered about the waters..

And the spirit of G-d hovered [above the waters]." Our Sages tell us that this is actually referring to the soul of Moshiach. The Hebrew words in the verse "v'ruach Elokim m'rachefet" have the same numerical value as the words "This is the spirit of Melech HaMoshiach" - zeh haya rucho shel Melech HaMashiach.

(from Discover Moshiach)

Adam Kadmon (Primordial Man) or Aveer Qadmon is the Azoth or Primitive Air from the first matter.

Here is a interesting quote'

Adam will supposedly be reincarnated as the Messiah, the Third Adam "when time will finally cease." (Rev.10:6)

"Each major historical period had its progenitor who took the role of the new Adam." - 66:8
"...in the context of the larger Kabbalistic views...the secret of the name Adam apparently points to a well-known acronym: 'Adam, David, Mashiyah'....mean(ing) that Adam's soul has been reincarnated in the body of David, who will return as the Messiah... The Messiah therefore, will possess the soul that first inhabited Adam [the primordial ideal man] and then David." - 293:189

"And so the first Adam – the Adam Kadmon created before time began – would at long last become the last Adam, the crown of all creation, at whose advent time would finally cease [according to the secret lore of the Pharisees]." - 294:243-244 (watch pair.com)

Adam and EVE were NOT BORN on this planet apollo. they were born on Jesusem, the headquarters world of Satania. (not related to the word satan). they were transported to earth, about 38,000 years ago.

and they had nothing to do with the history of these people in this one small area 2000+ years ago. In fact these Hebrews, the race, were born of one man and two women who survived a crash landing of a craft 14,000 years ago in what is now western russia. it was a tad cold, their craft could not be repaired, everyone else was dead and no help came, so they migrated south to warmer land in what is now called Palestine today. They were far advanced spiritually and of DNA than was man in that region at the time and they knew this and did not marry with the existing races at that time. So they founded a new race of people on this world they were from Hebra.

that is the whole story beloveds of that small group of people. by the time 12,000 Years passed so the story changed over those years and the teachings they gave to their progeny were corrupted over time.

Several ones came to help them over those long years from Pleiades. One of those was Moses. When Moses left with the slaves to help them home, he was guided by a craft and the manna was provided from craft to sustain the people. it took more like 40 months than 40 years.

The sea was parted by a craft. The 10 commandments, there were more but some are lost, were given not by a burning bush but from craft. And people from Pleiades (thiaooouba) fried Sodom and Gomorrah too by the way. These folks on craft survived in stories as the LORD GOD. People, the fAther, God, whatever is SPIRIT. His SONS DO THE WORK NO HIM. OK.

People from other worlds have been colonizing this planet since the days of the dinosaurs. That is why there are human remains with the dinosaur remains. Humans in various body types travel all over the creation, OK.

The big bossy God, is the hierarchy. the creation IS ruled by method of government folks. There are over 300 billion "heavens" and about 5.6 trillion inhabited evolutionary worlds like earth. we are not special here.

so the story of the old testament is a rendering of this one race started from one man and his two wives. OK. That is their creation story. They apparently forgot the ancestry over 14,000 years and a great flood and a probably a magnetic pole reversal. their history is not accurate and you ones think a lot of the god stuff in the OT is written by god himself. or at least babysat by a holy spirit dude. NO so. It is a confused history of a confused people and you ones keep up the confusion here! Isn't it becoming obvious after all these years you one work here on glp alone? Your own churches full of shit teachings and falsehoods and then you ones, including OP here, say get it straight or you go to hell!

God doesn't give a fat fuck if you know the history of Jesus and Mary M or not. He give a fat fuck about your works and your heart. Nothing more, nothing less. Jesus cannot save you. and you don't want a god who will send you to hell because you don't understand some piece of minute history of a confused people.

You are here to grow your souls knowledge, to learn to live each day in a holy manner and to take responsibility for all you create. Few of you are having your first life here. You are not made into a god by a single life.

yes I said made into a god, for it is the will of the Father that you become like him, having all knowledge and you most certainly do not obtain all knowledge in a short life time of under 100 years, or any lifetime. Learning will go on in fact for all of eternity for you. there will always be changes and issues.

Michael of Nebadon, the Father of Nebadon, and ruler of 3.8 million planets plus the heaven worlds of Nebadon, doesn't know it all. He is still learning.

Now, get about growing yourself and stop this bullshit of telling people they go to hell if they don't get the story of Mary and Jesus right and like shit. It doesn't matter.

What you ARE matters. What you are becoming matters. Your works matter. Heaven is open to you if you never heard the name Jesus and his name was not Jesus, Paul (Saul) made it up. Please start growing your spirits. for that IS important. there is NO hell fire, but there are more nasty planets you can live on if you remain nasty. Ponder that one. Heaven is PLANETS people. Just getter planets than this one.

this is a prison ward for thugs of all kinds. Michael of Nebadon came to open the prison doors, but you must walk thru them. there are 10 billion galactic thugs and fallen angels on this prison world. he came to offer his hand, to forgive you, to welcome you home. but only YOU can take that journey.

9 And He made His grave with the wicked, and with the rich in His death, because He had done no violence, neither was any deceit in His mouth.

The greatest lie perpetuated by the fictitious phallus of the Roman Catholic Empire is that Jesus was conceived immaculately and that Mary Magdalene was a whore. An Immaculate Conception is the act of a child being conceived without sexual intercourse. Mary conceived Jesus when she was only 15 years old with His father, Joseph. Such a marriage was common place for Hebrews of the time, and this age gap was the source of Mary's Virtue being slandered by the masses, along with the jealousy that was provoked because the Heaven's proclaimed His birth.

There was a Star shining in the sky when He was born, a star which led The Three Magi to His manger. Mary Magdalene was much like Jesus in this respect, as she too was born under a very special astrological alignment which announced her arrival and set her apart from the other female babies birthed at this time. Upon the two being born and rumors of a King being born spread, King Herod grew weary from fear of losing his throne, Israel's Throne, and Herod issued an order to find them. Jesus was able to escape persecution by relocating to Egypt; however Mary Magdalene was less fortunate and captured by their enemies.

Jesus spent all of His life, until the age of 30, in spiritual and physical training so that He could complete the task which was laid before Him. The first thing He did was recapture His Spotless Bride from the Pharisees and in doing this His fame grew throughout the land and Jesus declared war upon the Sanhedrin at pain of death unless repentance from their sinful ways were declared and instituted.

Quoting: **HilosPP**

the star in the sky when he was born was Nibiru. An immaculate conception without intercourse is the placing of an embryo created in a lab which is how that embryo was created. A physical body requires dna. Mother Mary was his genetic mother, the genetic father was Gabriel of Nebadon, for you UB readers. TEST TUBE BABY folks, better bodies that those on the earth were needed and masters are almost always test tube kids, even when they are born to married people. You would not believe how many test tube babies walk this planet right now, myself included.

Mary M was a whore but not by choice. She was given by her father to a man who sold her to be a whore. it was not her choice. She was gotten out of that situation. there were 12 women disciples and she was their leader.

He spent most of life taking care of his mother after Joseph died and being otherwise the oldest male child. He traveled often also with his uncle Joseph of Arithmethia, sorry I can't spell that today, who was a traveling tin man.

Jesus and Mary M had a child together, born after the crucifixion. Mary M and others were placed on a boat into the mediterranean which was guilded to France and she walked ashore with the child in her arms. Jesus did not die on the cross, he walked out of the grave, visited his buddies

and ascended into one of these ? ? to get him the hell out of that place. He was dropped off near Damascus and met Saul there, blinded him with fireworks and Paul then became his worst enemy teaching all mucked up.

jesus went on to India, settled in Kashmir, married a local women and had 5 kids. That marvelous DNA was thug inserted there and in europe. You can be sure all of the holy family were in fact test tube babies.

Jesus left this plane at about 115 years of age. the body is buried near Srinagar, kashmir. His son Joseph took some scrolls written by Judas back to the old grave first grave. Judas the best friend of Jesus and scribed many of the stories over the years. he was not a betrayer, he was FRAMED, the betrayer had a similar name and did hang himself in shame for what he did.

Around 1961 those scrolls were unearthed and you can read what was left of them, translated from the aramaic by Judas himself to english here.:

[\[link to tweeofmeer.webs.com\]](http://link.to/tweeofmeer.webs.com)

also the scrolls were first translated to German after they were found, and the book translated to english, google "the talmud of Immanuel" or Jmmanuel.

John 3

1There was a man of the Pharisees, named Nicodemus, a ruler of the jewish people:

2The same came to Jesus by night, and said unto him, Rabbi, we know that thou art a teacher come from God: for no man can do these miracles that thou doest, except God be with him.

3Jesus answered and said unto him, Verily, verily, I say unto thee, Except a man be born again, he cannot see the kingdom of God.

4Nicodemus saith unto him, How can a man be born when he is old? can he enter the second time into his mother's womb, and be born?

5Jesus answered, Verily, verily, I say unto thee, Except a man be born of water and of the Spirit, he cannot enter into the kingdom of God.

6That which is born of the flesh is flesh; and that which is born of the Spirit is spirit.

7Marvel not that I said unto thee, Ye must be born again.

8The wind bloweth where it listeth, and thou hearest the sound thereof, but canst not tell whence it cometh, and whither it goeth: so is every one that is born of the Spirit.

9Nicodemus answered and said unto him, How can these things be?

10Jesus answered and said unto him, Art thou a master of Israel, and knowest not these things?

11Verily, verily, I say unto thee, We speak that we do know, and testify that we have seen; and ye receive not our witness.

12If I have told you earthly things, and ye believe not, how shall ye believe, if I tell you of heavenly things?

13And no man hath ascended up to heaven, but he that came down from heaven, even the Son of man which is in heaven.

14And as Moses lifted up the serpent in the wilderness, even so must the Son of man be lifted up:

15That whosoever believeth in him should not perish, but have eternal life.

16For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life.

17For God sent not his Son into the world to condemn the world; but that the world through him might be saved.

18He that believeth on him is not condemned: but he that believeth not is condemned already, because he hath not believed in the name of the only begotten Son of God.

19And this is the condemnation, that light is come into the world, and men loved darkness rather than light, because their deeds were evil.

20For every one that doeth evil hateth the light, neither cometh to the light, lest his deeds should be reproved.

21But he that doeth truth cometh to the light, that his deeds may be made manifest, that they are wrought in God.

The fact of the matter is Jesus was Adam reincarnated and Mary Magdalene was Eve reincarnated. Jesus had sex, Jesus really likes sex, God made sex and if He didn't like it, it wouldn't feel so damn good. If Jesus didn't have sex He would of probably started a Church like The Roman Catholic Empire and has a bunch of underground child sex rings orchestrated, much like the Pope Jean Paul the Second does.

jesus christ nobody, could you just give us all a break, for a few fucking minutes, hey, is that too much to ask, do you wonder why you have so many negative votes?

Jesus got negative votes too,, can you imagine what he would get on glp if he posted here right now? If he was connected and they think in their computers, he could post ten times as much!!!! I am not apologizing by the way, but thanks for the thumbs up. He would have probably MORE red thumbs!!!!!! He is very intense and very disliking of the bullshit in his name. You ones would hang him all over again, ponder that. that is why he doesn't yet walk this planet in the open!!!

Folks the purpose of bringing you the WHAT IS, is for you to stop all this shit and put your time someplace else fixing up this broken world. OK.

Sadly I can find almost no groups working any more much in the denver metro area when I try to search. I have lost some links with the dead computers, 3 last year.

Whether you one like or it not, believe or not, AbundantHope IS the 2nd coming organization, and the two that were Jesus ARE my best friends besides my joint service with them. It changes nothing if you don't care about it. This IS a global organization and it will swing hugely into place after the cleansing of the planet.

could some of you get off your dumb bible stories of ONE confused small group on a fully populated planet 2000 years ago, and get real with TODAY AS IT IS????? This is the grandest time many of you reincarnating folks have ever had a chance to experience, and those that will be the stay behinds really have a grand experience ahead, but those of you moving will have interesting stuff yet too, because a lot of you ARE moving in your current forms for the experience of it.

Lighten up. It makes NO different if Mary M and Jesus were married or not, to the needs of this world at this time.

there was a thread last night of videos done up cartoon style, arguments between christian and buddha bears etc. It would behoove you to watch how silly you have become with this. again, I only bring you the WHAT IS hoping you will reconsider living in the NOW.

[Thread: "you are going to hell" - A Christian and a Buddhist Walk Into a Cartoon - Bears arguing Religion = enlight-hearted fun...](#)

for the thread with the very well done videos and there are more related ones on you tube. Maybe thru little bears you can see yourself.

and then all the propaganda about elenin and Nibiru, there's another one where the thugs keep you all ignorant and out of service to the One by whatever name you prefer for the ALL. For it is ALL, and there are trillions of planets, and not one of them needs to know the history of anyone on them to get into heaven. Period.

sigh. another feeble thread with no purpose other than for everyone to dust off their beliefs and strut them around proudly.

First of all, OP, you have provided no proof, so your thread is a MASSIVE FAIL just for being improperly titled. It should have read "A theory of MARY Magdalene and Jesus of Nazareth". No need to argue that point, it is true.

Secondly - people need to pay closer attention to how they phrase things around here. Not a single one of you has any real proof to back up any of your claims whatsoever. Not saying you are all wrong, but the arrogance in these threads is overwhelming. Now you may have reasons for believing what you do. You may have "witnessed" or been "inspired". But neither of those things are truths. Neither of those things can be used to sway the minds of the more traditional Christians, because we have no way of verifying if what any of you say is true or if you have been influenced by evil to say or think these things.

I believe that we know what we need to know. the greater mysteries will be revealed to us at the right time. It doesnt matter if Jesus was an alien or not. It doesnt matter if He had sex. Neither of those things should have any bearing on what He taught. They should have no bearing on the commandments we have been given to live life. If God had wanted us to know more He would have carved it in stone alongside the commandments.

And james Cameron is just a pop culture sensationalist with no evidence or proof to back up his claim besides wild speculation. Is he wrong? Who knows. Again, point being nthing can be proven, hence FAITH.

God doesn't give a fat fuck if you know the history of Jesus and Mary M or not. He give a fat fuck about your works and your heart. Nothing more, nothing less. Jesus cannot save you. and you don't want a god who will send you to hell because you don't understand some piece of minute history of a confused people.

You are here to grow your souls knowledge, to learn to live each day in a holy manner and to take responsibility for all you create. Few of you are having your first life here. You are not made into a god by a single life.

yes I said made into a god, for it is the will of the Father that you become like him, having all knowledge and you most certainly do not obtain all knowledge in a short life time of under 100 years, or any lifetime. Learning will go on in fact for all of eternity for you. there will always be changes and issues.

Michael of Nebadon, the Father of Nebadon, and ruler of 3.8 million planets plus the heaven worlds of Nebadon, doesn't know it all. He is still learning.

Now, get about growing yourself and stop this bullshit of telling people they go to hell if they don't get the story of Mary and Jesus right and like shit. It doesn't matter.

What you ARE matters. What you are becoming matters. Your works matter. Heaven is open to you if you never heard the name Jesus and his name was not Jesus, Paul (Saul) made it up. Please start growing your spirits. for that IS important. there is NO hell fire, but there are more nasty planets you can live on if you remain nasty. Ponder that one. Heaven is PLANETS people. Just getter planets than this one.

this is a prison ward for thugs of all kinds. Michael of Nebadon came to open the prison doors, but you must walk thru them. there are 10 billion galactic thugs and fallen angels on this prison world.

he came to offer his hand, to forgive you, to welcome you home. but only YOU can take that journey.

Adam and EVE were NOT BORN on this planet apollo. they were born on Jesusem, the headquarters world of Satania. (not related to the word satan). they were transported to earth, about 38,000 years ago.

and they had nothing to do with the history of these people in this one small area 2000+ years ago. In fact these Hebrews, the race, were born of one man and two women who survived a crash landing of a craft 14,000 years ago in what is now western russia. it was a tad cold, their craft could not be repaired, everyone else was dead and no help came, so they migrated south to warmer land in what is now called Palestine today. They were far advanced spiritually and of DNA than was man in that region at the time and they knew this and did not marry with the existing races at that time. So they founded a new race of people on this world they were from Hebra.

that is the whole story beloveds of that small group of people. by the time 12,000 Years passed so the story changed over those years and the teachings they gave to their progeny were corrupted over time.

Several ones came to help them over those long years from Pleiades. One of those was Moses. When Moses left with the slaves to help them home, he was guided by a craft and the manna was provided from craft to sustain the people. it took more like 40 months than 40 years.

The sea was parted by a craft. The 10 commandments, there were more but some are lost, were given not by a burning bush but from craft. And people from Pleiades (thiaooouba) fried Sodom and Gomorrah too by the way. These folks on craft survived in stories as the LORD GOD. People, the fAther, God, whatever is SPIRIT. His SONS DO THE WORK NO HIM. OK.

People from other worlds have been colonizing this planet since the days of the dinosaurs. That is why there are human remains with the dinosaur remains. Humans in various body types travel all over the creation, OK.

The big bossy God, is the hierarchy. the creation IS ruled by method of government folks. There are over 300 billion "heavens" and about 5.6 trillion inhabited evolutionary worlds like earth. we are not special here.

so the story of the old testament is a rendering of this one race started from one man and his two wives. OK. That is their creation story. They apparently forgot the ancestry over 14,000 years and a great flood and a probably a magnetic pole reversal. their history is not accurate and you ones think a lot of the god stuff in the OT is written by god himself. or at least babysat by a holy spirit dude. NO so. It is a confused history of a confused people and you ones keep up the confusion here! Isn't it becoming obvious after all these years you one work here on glp alone? Your own churches full of shit teachings and falsehoods and then you ones, including OP here, say get it straight or you go to hell!

God doesn't give a fat fuck if you know the history of Jesus and Mary M or not. He give a fat fuck about your works and your heart. Nothing more, nothing less. well they should probably in their legends maybe know him better than christians, since he laid

down his roots there to raise his family. Judas went with him and lived with him all those years, except Judas passed before he did. Judas is also buried there.

Also his Mother and his brother Thomas went too. His favorite brother he has told me was James. And there is a short piece by James in the NT and one other brother.

His base name is Esu in english as he spells it now, and Issa is close to that. He calls it E Sue, and once made a joke about he is not the man named Sue, from the song.

there are many born without sin on this planet, meaning they have cleared their karma and perfected their souls. mary was a virgin, she diid not have sex to conceive jesus. but she and joseph did have sex to create their other 8 children. One dies, amos as a child from a fever. The genetic Father of the body of Jesus, is Gabriel of Nebadon, who is NOT Arch angel Gabriel. He is higher than the arch angels, in order of creation. the embryo was specially created for the incarnation. Mary was the genetic father, but not Joseph.

As the world turns further from the truth the further it descends into Chaos. In my life time I have seen people grow cold to one another, to stop believing in God and in return will believe in anything they can find. But yet nothing satisfies, only God can fill the void in your life. Choose Him before it is too late. Time is short and you know it, that is why you come to this place, to see an answer. You look for truth but you deny THE truth. That God so loved the world that He sent His only begotten Son Jesus to come and take on flesh, dwell on earth as a Man, and to surrender His life so that you may live. This is the truth. One day you will stand before the Lord of Lords and the King of Kings, all will be under his power and authority. ALL. He is, was and will be the rightful King for all time. Submission to Him leads to blessing and righteousness. If you do not submit to Him you are in fact submitting yourself to something in His place, it will not result in life or blessing but rather death and destruction.

Narrated Ibn 'Umar:

A jewish and a Jewess were brought to Allah's Apostle on a charge of committing an illegal sexual intercourse. The Prophet asked them. **"What is the legal punishment (for this sin) in your Book (Torah)?" They replied, "Our priests have innovated the punishment of blackening the faces with charcoal and Tajbiya."** 'Abdullah bin Salam said, **"O Allah's Apostle, tell them to bring the Torah."** The Torah was brought, and then one of the jewish people put his hand over the Divine Verse of the Rajam (stoning to death) and started reading what preceded and what followed it. On that, Ibn Salam said to the jewish, "Lift up your hand." Behold! The Divine Verse of the Rajam was under his hand. So Allah's Apostle ordered that the two (sinners) be stoned to death, and so they were stoned. Ibn 'Umar added: So both of them were stoned at the Balat and I saw the jewish sheltering the Jewess.

John 8

1Jesus went unto the mount of Olives.

2And early in the morning he came again into the temple, and all the people came unto him; and he sat down, and taught them.

3And the scribes and Pharisees brought unto him a woman taken in adultery; and when they had set her in the midst,

4They say unto him, Master, this woman was taken in adultery, in the very act.

5Now Moses in the law commanded us, that such should be stoned: but what sayest thou?

6This they said, tempting him, that they might have to accuse him. But Jesus stooped down, and with his finger wrote on the ground, as though he heard them not.

7So when they continued asking him, he lifted up himself, and said unto them, He that is without sin among you, let him first cast a stone at her.

8And again he stooped down, and wrote on the ground.

9And they which heard it, being convicted by their own conscience, went out one by one, beginning at the eldest, even unto the last: and Jesus was left alone, and the woman standing in the midst.

10When Jesus had lifted up himself, and saw none but the woman, he said unto her, Woman, where are those thine accusers? hath no man condemned thee?

11She said, No man, Lord. And Jesus said unto her, Neither do I condemn thee: go, and sin no more.

That's a contrast! lol

The greatest lie perpetuated by the fictitious phallus of the Roman Catholic Empire is that Jesus was conceived immaculately and that Mary Magdalene was a whore. An Immaculate Conception is the act of a child being conceived without sexual intercourse. Mary conceived Jesus when she was only 15 years old with His father, Joseph. Such a marriage was common place for Hebrews of the time, and this age gap was the source of Mary's Virtue being slandered by the masses, along with the jealousy that was provoked because the Heaven's proclaimed His birth.

There was a Star shining in the sky when He was born, a star which led The Three Magi to His manger. Mary Magdalene was much like Jesus in this respect, as she too was born under a very special astrological alignment which announced her arrival and set her apart from the other female babies birthed at this time. Upon the two being born and rumors of a King being born

spread, King Herod grew weary from fear of losing his throne, Israel's Throne, and Herod issued an order to find them. Jesus was able to escape persecution by relocating to Egypt; however Mary Magdalene was less fortunate and captured by their enemies.

Jesus spent all of His life, until the age of 30, in spiritual and physical training so that He could complete the task which was laid before Him. The first thing He did was recapture His Spotless Bride from the Pharisees and in doing this His fame grew throughout the land and Jesus declared war upon the Sanhedrin at pain of death unless repentance from their sinful ways were declared and instituted.

Quoting: **HilosPP**

The Roman Catholic Empire keeps the love story alive in the eucharist. The eucharist enjoins the faithful in the hopes and dreams of the two spatted lovers: the biscuit is his body, and the cup is hers.

The standard diameter for the holy morsel, as deemed by the Vatican, is 40 millimeters for the plebiscite and 90 for the hierarchy. What part of a man is 40 millimeter es in diameter? You can Google that for yourself (search: sexual averages).

The cup is her womb, which makes the wine the blood of...? I'll leave that one there to!

The eucharist is an oral sex pantomime pawned off on the people as the re-enactment of the last supper that Jesus had with his first twelve disciples.

That's why no one can find the lies of the Roman Catholic Church - BECAUSE THEY ARE RIGHT UNDER OUR NOSES!!!

Coptic Orthodox Church of Alexandria

According to tradition, the church was established by Saint Mark the apostle and evangelist in the middle of the 1st century (approximately AD 42).[2] The head of the church and the See of Alexandria is the Pope of Alexandria and Patriarch of All Africa on the Holy See of Saint Mark, currently Pope Shenouda III.

ADAM KADMON

ADAM KADMON, the Birth of Messiah. Compiled by Apollo

In the Sephir Yetizerah. It is said that the birth of Adam took place on Rosh Hashanah, the New year in the year . September , 3761. it is said he was the first true human being with a soul that made him into a spiritual being.

Before Adam it is said that 974 generations lived, or 25,000 years ago. Mankind did live in a physical and mental form(made from the dust. Genesis 2:7) but lacked a soul. It was this soul of Mosiach however that hovered about the waters..

And the spirit of G-d hovered [above the waters]." Our Sages tell us that this is actually referring to the soul of Moshiach. The Hebrew words in the verse "v'ruach Elokim m'rachefet" have the same numerical value as the words "This is the spirit of Melech HaMoshiach" - zeh haya rucho shel Melech HaMashiach.

(from Discover Moshiach)

Adam Kadmon (Primordial Man) or Aveer Qadmon is the Azoth or Primitive Air from the first matter.

Here is a interesting quote'

Adam will supposedly be reincarnated as the Messiah, the Third Adam "when time will finally cease." (Rev.10:6)

"Each major historical period had its progenitor who took the role of the new Adam." - 66:8
"...in the context of the larger Kabbalistic views...the secret of the name Adam apparently points to a well-known acronym: 'Adam, David, Mashiyah'....mean(ing) that Adam's soul has been reincarnated in the body of David, who will return as the Messiah... The Messiah therefore, will possess the soul that first inhabited Adam [the primordial ideal man] and then David." - 293:189

"And so the first Adam – the Adam Kadmon created before time began – would at long last become the last Adam, the crown of all creation, at whose advent time would finally cease [according to the secret lore of the Pharisees]." - 294:243-244 (watch pair.com)

Adam and EVE were NOT BORN on this planet apollo. they were born on Jesusem, the

headquarters world of Satania. (not related to the word satan). they were transported to earth, about 38,000 years ago.

and they had nothing to do with the history of these people in this one small area 2000+ years ago. In fact these Hebrews, the race, were born of one man and two women who survived a crash landing of a craft 14,000 years ago in what is now western russia. it was a tad cold, their craft could not be repaired, everyone else was dead and no help came, so they migrated south to warmer land in what is now called Palestine today. They were far advanced spiritually and of DNA than was man in that region at the time and they knew this and did not marry with the existing races at that time. So they founded a new race of people on this world they were from Hebra.

that is the whole story beloveds of that small group of people. by the time 12,000 Years passed so the story changed over those years and the teachings they gave to their progeny were corrupted over time.

Several ones came to help them over those long years from Pleiades. One of those was Moses. When Moses left with the slaves to help them home, he was guided by a craft and the manna was provided from craft to sustain the people. it took more like 40 months than 40 years.

The sea was parted by a craft. The 10 commandments, there were more but some are lost, were given not by a burning bush but from craft. And people from Pleiades (thiaoouba) fried Sodom and Gomorrah too by the way. These folks on craft survived in stories as the LORD GOD. People, the fAther, God, whatever is SPIRIT. His SONS DO THE WORK NO HIM. OK.

People from other worlds have been colonizing this planet since the days of the dinosaurs. That is why there are human remains with the dinosaur remains. Humans in various body types travel all over the creation, OK.

The big bossy God, is the hierarchy. the creation IS ruled by method of government folks. There are over 300 billion "heavens" and about 5.6 trillion inhabited evolutionary worlds like earth. we are not special here.

so the story of the old testament is a rendering of this one race started from one man and his two wives. OK. That is their creation story. They apparently forgot the ancestry over 14,000 years and a a great flood and a probably a magnetic pole reversal. their history is not accurate and you ones think a lot of the god stuff in the OT is written by god himself. or at least babysat by a holy spirit dude. NO so. It is a confused history of a confused people and you ones keep up the confusion here! Isn't it becoming obvious after all these years you one work here on glp alone? Your own churches full of shit teachings and falsehoods and then you ones, including OP here, say get it straight or you go to hell!

God doesnt' give a fat fuck if you know the history of Jesus and Mary M or not. He give a fat fuck about your works and your heart. Nothing more, nothing less. Jesus cannot save you. and you don't want a god who will send you to hell because you don't understand some piece of minute history of a confused people.

You are here to grow your souls knowledge, to learn to live each day in a holy manner and to take responsibility for all you create. Few of you are having your first life here. You are not made into a god by a single life.

yes I said made into a god, for it is the will of the Father that you become like him, having all knowledge and you most certainly do not obtain all knowledge in a short life time of under 100 years, or any lifetime. Learning will go on in fact for all of eternity for you. there will always be

changes and issues.

Michael of Nebadon, the Father of Nebadon, and ruler of 3.8 million planets plus the heaven worlds of Nebadon, doesn't know it all. He is still learning.

Now, get about growing yourself and stop this bullshit of telling people they go to hell if they don't get the story of Mary and Jesus right and like shit. It doesn't matter.

What you ARE matters. What you are becoming matters. Your works matter. Heaven is open to you if you never heard the name Jesus and his name was not Jesus, Paul (Saul) made it up. Please start growing your spirits. for that IS important. there is NO hell fire, but there are more nasty planets you can live on if you remain nasty. Ponder that one. Heaven is PLANETS people. Just getter planets than this one.

this is a prison ward for thugs of all kinds. Michael of Nebadon came to open the prison doors, but you must walk thru them. there are 10 billion galactic thugs and fallen angels on this prison world. he came to offer his hand, to forgive you, to welcome you home. but only YOU can take that journey.

Quoting: **Nobody in Particular**

You are soooo off that it's sad. Everything you have stated is lies, all lies. Not even as believable as Harry Potter.

Pray for guidance, and if you really think you talk to Jesus on a spaceship, see a doctor. You spread out right lies.

Quoting: **Evan03**

No I do not, and even what I have posted in this thread which is truth, is also ancient history and where are your MODERN WORKS NOW? NONE of this Matters. And the above quoted post, Evan 03, is absolutely true. And the only Hell is the one the people living on this planet HAVE CREATED. YOU ALL JOINTLY CREATED THIS HELL WORLD. WHEN ARE YOU GOING TO OPEN YOUR PRISON DOORS???? In God's realms you EARN YOUR WAY OUT OF PRISON and those that have not are going to other prison worlds as only the almost possible maybe elect get to stay on this world.

It was a direct result of Gossip, those who loved Him spread His fame in and according matter. The Sanhedrin and The Pharisees did likewise as well but with the intention of having Him arrested and eventually crucified when they saw they couldn't stop Him, even if He was incarcerated.

Look Within And Tap The Awesome Power Of ONE

12/29/00 - Ceres Anthonious "Toniose" Soltec

Good afternoon, my scribe. It is I, Ceres Anthonious "Toniose" Soltec, come in the Radiant One Light of Creator Source. Be at peace and be still.

Much is happening all over your world in terms of geological activity. Many of you have noted the recent flair-up in volcanic activity along the eastern edge of the Pacific "Ring of Fire", as well as what seems to be a flurry of sizable earthquake activity that seems to intensify and then quiet down to almost nothing.

Your planet is continuing to cleanse Herself of the negativity that has been allowed to fester and grow as a result of the neglect and destruction caused by the ones who should be the caretakers of the planet. Man has ravaged and plundered this life-giving orb to an ever-increasing level and, for the most part, does NOT realize what the longterm effects of those actions will be.

You cannot, for example, continue to pump crude oil from the ground, at an ever-increasing rate, and expect your planetary orb to sit and do nothing. This would be like you sitting and allowing thousands of mosquitoes to continually feast upon you, and suck fluids from your body, while you sit by and do nothing.

Just as your body automatically fights off infection as a natural course of instinctual survival, so too does your planetary orb have such capabilities of cleansing and renewing.

Many an advocate for your world has spoken up on behalf of your planet. These are ones who are environmental scientists, geologists, and such who, through careful study and rigorous calculations, have seen what the longterm effects will be if you continue to ravage the planet's natural resources. These ones often try to come up with alternative fuels—such as burning the garbage that currently just gets buried in the ground in most areas, or using more solar and wind technologies—and that is fine, as far as it goes.

There ARE magnificent alternative energy sources available to your world. These technologies are continually and rigorously suppressed by your world governments and energy brokers—under instructions from the so-called “elite” controllers of your planet.

The underlying reason for suppression is their perceived need to maintain control over you-the-people. However, greed and lust for material wealth runs a close second. These few are the ones who control OPEC and such. These few care very little about the overall well-being of your planet, and for the most part they simply view Her as a large lifeless rock.

This is so far from the actual truth of the matter that one is left to ponder the sad state of ignorance your world functions within.

Though from your perspective massive earthquakes may be terrifying, from a viewpoint of Mother Earth they often come as a source of great relief. Can you muster within yourself some compassion for your life-giving orb?

Will you be understanding if Her waters, with their healing properties, are shifted to cover the land you now dwell upon so that she might continue longer?

Or, would you rather she experience a slow, painful death, wherein the end result would be a totally uninhabitable planet for human life?

Again: The blood within your body is a “natural resource” of energy for the mosquito. How much would you allow to be sucked out before you decide to do something like swat, scratch, or shake? What about the aftermath of infection commonly present after such attacks (those irritating little red bumps)?

It has ever been our thrust to point out to you ones that ALL IS CONNECTED TO ALL, and that you and ALL of Creation—which includes all planets, stars, galaxies, and universes, and all life within them, including the life at atomic levels and beyond—exist within the creative thinking of God (Creator Source), and therefore are an aspect of God deserving of the utmost respect (Love).

All aspects of Creation serve a purpose, regardless of whether or not you can recognize the unity in the diversity. In your naïve ignorance, as a species, about your understanding of Creator Source, you fail in a basic sequence of reasoning.

For instance, though you may not understand the reasons for oil to be in the ground in the first place, that does NOT mean the oil serves no function or purpose in the overall well-being of your planet.

Just because you cannot see or understand the reasons for electrons to continually spin around the nucleus of an atom, and you do not understand what is the source for this “perpetual energy” motion—let alone what the TRUE source of energy is that keeps your planet spinning in orbit

around your Sun—does NOT mean that it is un-knowable or beyond your influence.

If you alter the structure of an atom enough, it will become unstable and release GREAT amounts of energy into physical space. From where does this energy come?

Likewise, if you alter the state of your planetary orb enough, it will become unstable to a point of self destruction. The oil in the ground of your planet serves several purposes, the main purpose being for orbital stability. Something like in an electrolytic capacitor, the oil acts as an insulating medium, which helps maintain the proper electrostatic functioning which is critical for Her to maintain Her proper rotational speed, and thus ultimately remain in a stable orbit.

Dear ones, there are many sources of energy available to you that would NOT require you to ravage your planet. These energy sources are INFINITE in nature.

There is FREE energy available to you ones, but there are some who live in great fear that their illusion of power and control would crumble overnight if they were to embrace this technology or allow the “common” person to be in possession of same. If knowledge is power, then keeping the masses ignorant keeps the masses weak. This is the premise from which these so-called “elite” controllers operate, and they exercise great effort to squash those who try to educate society with TRUE knowledge—rather than pseudo-science and intellectualism.

These so-called “elite” controllers are small-minded individuals who see no other purpose in life than to impart their self-proclaimed “higher” understanding upon the masses for the so-called “good” of humanity—asthey see that good. And this is accomplished through mechanisms of coercion (mind control) and denial under the assumption that you “children” can’t conduct your own lives without their “expert” supervision.

And yet these ones, quite few in actual numbers, cannot be held totally responsible for the destiny of your world. Why is that? Because YOU have a choice. YOU have a voice. YOU can take action and speak out. And there are a lot more of YOU than them.

Each one of you, the so-called “common” person, has the ability to make a difference in the overall games being played on your planet. Do you sit around and do nothing? Have you educated yourselves about the works of ones such as Nikola Tesla? What have you done to make your neighborhood a better place in which to live? What about your city, state (province), or country?

We bear witness that the masses of your world are, for the most part, held frozen with fear, and hold the belief that they are small and only “one” and cannot be held accountable for the “stupidity of mankind”. Dear ones, for you to sit by and do nothing only speaks of your own ignorance of who YOU really are and the TRUE POWER of ONE!

Most of you who read these messages are greatly compassionate people. You need not feel guilty for past years of inaction or various states of ignorance.

The first step is always to educate yourselves and arm yourselves with KNOWLEDGE. As you gain in knowledge and understanding, you will find it increasingly more difficult to sit by and do nothing. This is called RESPONSIBILITY. From that point of knowing, understanding, and sense of responsibility, you will be Guided from within to recognize in what area you would be best suited to effect a change.

This may very well appear to be a small, localized effort at first, as you begin to apply your knowledge and test your understanding. Perhaps you are inspired to build a better device for

recycling plastics. Perhaps you start in your own kitchen or workshop, and that contribution then spreads to the local community, and then beyond.

With each person to whom you show a better way, you will be multiplying your efforts over and over again.

This is how ONE person causes a change on a massive scale. It begins with a desire that is born out of balanced reasoning and determination to find a better way.

If your ideas do not bear fruit, then the most common reason is lack of complete understanding. This means you need more knowledge. Which means more searching and studying.

What are YOUR areas of expertise? What do you enjoy doing?

If you are an artist, can you not communicate through your artwork a message that will inspire others to look differently upon Mother Earth so that they might recognize a Greater Truth?

If you are an engineer, can you not strive to increase the efficiency of your devices so as to set a new standard by which all future similar devices must strive to attain?

If you are a housewife who raises children, can you not seek out creative uses for recycling common household garbage?

If you are retired and feeling at the end of your life, can you not speak to younger ones and inspire them to do more with their life? Or perhaps you could write letters to editors of small local newspapers and intelligently state your concerns for the well-being of the planet you will be leaving to your grandchildren?

Again I state: For the most part, the general population of your world is in a state of paralysis, thinking that they cannot DO anything about the current state of the world.

Next time you read a story, or watch on your television a story, of an individual who goes out and makes a difference, and as a result gathers national media attention for doing so, I would like for you to remember these words and think to yourself: "THERE IS THE POWER OF ONE!"

Know that you are created with infinite ability to create and to express the power of God. You ARE a co-creator, with infinite energy available to you. YOU can make a difference in this world when your determination to do so has been aroused.

Go forth and be heard!

Never be fearful to speak your truth and understanding to another. If your truth is challenged, then be well armed with knowledge and understanding—so that you can even explain your truth to a child, if need be, with the confidence that the child will understand you.

There is truly no greater gift you can offer to your world than a good, strong EXAMPLE for people to observe.

Walk the walk, but do so in balance and reason, and remember to keep the highest ideal of Creator Source in mind as you do so. Have compassion for the ones who ridicule you for being different. These ones will often be the closest to waking up, and thus are caused to feel embarrassment as you will inevitably be showing them how productive they COULD be—if they got up off the couch and turned off the television long enough to really see what is going on in the

world.

Be persistent and hold your desire firmly in mind and allow the “doors” you knock on to open up for you. Seek and you shall find that which your heart longs to bring forth and express to the world.

I am Ceres Anthonious “Toniose” Soltec, come as a member of the Host of God and the Lighted Brotherhood. May you forever be striving to make your world a better place than when you arrived, and may all your endeavors be uplifting experiences that leave happiness and joy in the hearts of all you touch.

God bless you all.

In Light and Love, Salu.

Light and Darkness, life and death, right and left, are brothers of one another. They are inseparable. Because of this neither are the good good, nor evil evil, nor is life life, nor death death. For this reason each one will dissolve into its earliest origin. But those who are exalted above the world are indissoluble, eternal.

Christ came to ransom some, to save others, to redeem others. He ransomed those who were strangers and made them his own. And he set his own apart, those whom he gave as a pledge according to his plan. It was not only when he appeared that he voluntarily laid down his life, but he voluntarily laid down his life from the very day the world came into being. Then he came first in order to take it, since it had been given as a pledge. It fell into the hands of robbers and was taken captive, but he saved it. He redeemed the good people in the world as well as the evil.

This is all christian goo, not one word is true. I happen to be in partnership with the returned christ, I run the ground portion of the global 2nd coming organization we created together. NONE OF THE ABOVE IS TRUE. He did not die, he simply lived as it occurred. they did not nail people to the cross back then, but they nailed HIM to it.

His own apart is anybody trying to walk IN GOD"S shoes, and it matter NOT the religion. He did NOT start this horrible religion that has been used for such great destruction back then, in the middle ages, and NOW. It has NOT stopped, the use of you ones to serve the dark brothers.

Proof is that you in american churches have not stopped the genocide in the middle east since 911, you have not exposed 911, you allow these thugs who have dual citizenships in Israel run this country, you will not attempt to end the pollution and tons of other issues your churches could be taking part in.

All this ancient stuff does NOT matter. What matters NOW is how you find the world you are living in at this time and how you interact in this world. Any one truly coming from God consciousness has never started a religion on this world or any other world graced by avatars are various appropriate times in their histories.

You ones are kept arguing with the person down the street in another church. I have seen this here and all around where I live. evangelical churches that virtually match, their ministers will say they have a better church than the next evangelical church. They keep you from walking in god's shoes to make this world RIGHT. You ones rarely know right from wrong in this world because of this. I have been threatened with hellfire so often in my life it makes me want to vomit.

ALL HUMAN BEINGS are children of God, and the avatar who visited any particular culture came to them for a reason. Jesus visited the very confused people in that area of the world at that time, for one particularly big reasons, it was the return of Nibiru (your star of bethlehem) and that is where Nibiru folk did business. Nibiru is not here now , nor well it ever be again.

Yes this is the wedding which is spoken of in Revelation and He will have to go into training, as His identity was held from Him, so to was His Sacred Knowledge.

Ok so what kind of training? And what about Mary I know it says in revelations that she has made herself ready so how does she make herself ready by purifying herself? And how

I agree with that. The above quote comes from the gospel of Philip. To me it is referring to those in this world who have 'overcome' and who the apostles call 'the right and the left.' This is duality, duality = the serpent, one must overcome the serpent's power to attain the 'Kingdom.'" Hence, Exalted above the world. God sends no one to hell or heaven, the judgement is universal. It is a perfect universe, once you understand both the "right" and the "left"

But of course, one must choose to follow 'the path' through the 'narrow gate' and it is difficult as the Serpent's power is immense(obviously lol) But overcome, and you will find the kingdom right here and now as speak. It will be made manifest before your eyes.

Then one realizes their really is no 'duality' nor does the Serpent hold any real 'power'. Only power of illusion, that God is infinitely merciful and all things will eventually return to him in the Aeon. After all, if God created all things, this includes the Serpent, and he too has a specific purpose and a hand in all creation. Otherwise why would God create the concept of the Serpent?

An All Knowing creator perceives his plan from beginning to end, who are we to judge? Once you overcome, 'sin' is no more. 'Sin' comes from fornication, therefore...The bridal chamber is reserved for virgins and free men. Check it out:

If the woman had not separated from the man, she should not die with the man. His separation became the beginning of death. Because of this, Christ came to repair the separation, which was from the beginning, and again unite the two, and to give life to those who died as a result of the separation, and unite them. But the woman is united to her husband in the bridal chamber. Indeed, those who have united in the bridal chamber will no longer be separated. Thus Eve separated from Adam because it was not in the bridal chamber that she united with him.

It's not me saying it baby.

Also:

There are two trees growing in Paradise. The one bears animals, the other bears men. Adam ate from the tree which bore animals. He became an animal and he brought forth animals. For this reason the children of Adam worship animals. The tree [...] fruit is [...] increased. [...] ate the [...] fruit of the [...] bears men, [...] man. [...] God created man. [...] men create God. That is the way it is in the world - men make gods and worship their creation. It would be fitting for the gods to worship men!

Indeed, one must utter a mystery. The Father of everything united with the virgin who came down, and a fire shone for him on that day. He appeared in the great bridal chamber. Therefore his body came into being on that very day. It left the bridal chamber as one who came into being from the bridegroom and the bride. So Jesus established everything in it through these. It is fitting for each of the disciples to enter into his rest.

Adam came into being from two virgins, from the Spirit and from the virgin earth. Christ therefore, was born from a virgin to rectify the Fall which occurred in the beginning.

I'm saying God created the Serpent. From Genesis: "Now the Serpent was more subtle than any other creature the LORD God had made."

Now obviously, and I am sure you will agree, God perceives EVERYTHING. There is nothing in the future that is not known.

So he allowed the Serpent to carry out his will, EVEN though he saw through his wicked intentions since before he even created him. I hope this makes sense. He also knew that the Fall would occur, yet allowed it to happen. So now you can see the heavy price of the tree of knowledge, it neither took Adam from evil nor set him in good. So he walks in the 'middle'

This is death. And is the Reason all the children of Adam repeat the same over and over..again and again

But the cycles will soon end, and we will have perfect absolution across the Board because our LORD is INFINITELY merciful. For he holds the perfect understanding of all things.

He sure did'nt, and for good reason, but these are the days when "knowledge will increase" and "signs in the heavens" hehe. All wisdom comes from Father ALL wisdom, this is what deceived the Serpent, his great wisdom. Jealousy inflamed his impassioned spirit, and when he beguiled eve he was punished ON THE SPOT. "You will crawl on the ground and eat dust all the days of your life" "I will put enmity between you and the Woman, and between your seed and her seed, he shall bruise your head, and she shall bruise his heel"

To the Woman. "In pain you shall bring forth children, but your desire will be for your husband, and he shall rule over you."

God is not unjust. The key here is to toss out preconceived notions of God and approach him with humility and as a child.

This is the only way, any who stand before God with a haughty heart will be brought to shame. You can't bring your ego with you to the throne.

Ask yourself, what is knowledge without Love? what is it to gain the whole world but lose your soul in the process?

I understand your disdain for the evil things in the world, I do. But it will sort itself out, and the phoenix will come on the Great and Terrible day of the LORD "burning like an oven".

So do not hate the ones who are wicked. Spread love as you have been, for knowledge will surely increase in the coming days to the point of being overwhelming, thus the error will be known, then

YOU need blessings and forgiveness, what ever for? the god within YOU forgives you, not some God up in the sky. You bless yourself, NOT so god up in the sky. YOU ARE A FRAGMENT OF GOD, a SON OF GOD. God is YOUR FATHER. You need no blessings except those you bestow upon yourself and OTHERS.

Blessings come to you when YOU SERVE. They come to you from the MOTHER PLANET UPON which you live when you bless her and don't use and abuse her. when you give back to HER, both to her body and to your children, and all life on this world are her children, from the planets on up, from the air on up. From the water.

Walking in god's shoes by DOING HIS WORK, feeding the poor, exposing 911, and so on and so forth, exposing taxation, all of that, is what brings blessings and great satisfaction in life. I am in fact refreshed today for doing some volunteer work away from this work.

the evil of this world will never ever sort itself out. It does not do that. Evil uses and abuses, in does not create and it takes good people who do nothing down with it.

Evil allows the overpopulation and abuse of the mother planet, who is as living a being as are you, with a soul and a thinking mind. there is this, do unto others as you would have them do unto you. What does the Mother do for you, and what have you done unto her????

I want every one of you who reads this to go back and read the piece for Soltec I placed in this thread, maybe 2 or 3 pages ago. It's LONG and which OP shit on, if he even read it at all.

Your Holy SPIRIT (called INfinite spirit) the actual 3rd person of Trinity beloved bestows your MIND. It is not what you think it is in the bible. And His daughters are the MOther spirits of the Local Universes. And these Mother Spirits of the Local universe are mothers to the Planetary Mothers, in our case she likes to be called GAIA. What have you done to her? You and I and everyone else. I try hard to keep my footsteps light upon her surface.

God is not going to destroy this planet, MAN is destroying the very planet on which he depends for his very life. ALL beings live on planets. all of them, physical, semiphysical and Spirit beings. heaven is not out in space. You will live on a planet there too.

Most of the posts here are from people who ARE SUPPOSED TO WALK IN GOD'S SHOES. You do it BY YOUR WORKS< NOT YOUR CHURCH. Few churches walk in the shoes of God. I know of only one that does much, as an organization, quakers, who know god IS in them.

When the Great and Terrible Day of the Lord arrives, which is the WAVE, many people are not going to like it. It is not the "Lord God", its an energy system from Paradise and IT IS HERE and it is manifesting some more.

And many will find themselves in terror as it comes in and believing ON JESUS without the works of HEART will not help these ones. And the WAVE comes to ALL, of all religions and there is NO SPECIAL benefit of any religion.

Many who thought they gave their souls to Jesus or any version of the religious god upon this world, will find out painfully they did not after all.

Love in fact is more important than knowledge. Ponder that. Have most of you loved your MOTHER PLANET. I have been based my whole life as a tree hugger, will if you don't preserve the trees, you cannot have life.

Now Vindicator, I have been away from this thread, and I am preparing for my retirement to bed, after a full day. I am not judging you here, because I didn't read your other posts to understand what you wrote to me.

But I do know that every christian in this world also needs to watch the cartoon video's I am pretty sure I put in here too, at least the link to the thread.

Op basically said people that didn't know the truth about Jesus and Mary M could roast in hell. That is not so. It is your heart and your service that will cause you to move up higher in god's school, and get you off this prison world. Not any religion. NOT A ONE for ONLY YOU CAN DO IT. A person who lives in LOVE and SERVICE in goodness doesn't even need religion. Or an special knowledge about God, especially not this false stuff.

I only entered this thread to start with to say that, and to correct the knowledge about Jesus and Mary M as part of the process. It matters NOT ON ANY of THIS concerning your status in heaven. It only matters on your heart.

Then one realizes their really is no 'duality' nor does the Serpent hold any real 'power'. Only power of illusion, that God is infinitely merciful and all things will eventually return to him in the Aeon. After all, if God created all things, this includes the Serpent, and he too has a specific purpose and a hand in all creation. Otherwise why would God create the concept of the Serpent?

Quoting: **Vindicator**

Are you implying God created Evil?

Quoting: **HilosPP**

I'm saying God created the Serpent. From Genesis: "Now the Serpent was more subtle than any other creature the LORD God had made."

Now obviously, and I am sure you will agree, God perceives EVERYTHING. There is nothing in the future that is not known.

So he allowed the Serpent to carry out his will, EVEN though he saw through his wicked intentions since before he even created him. I hope this makes sense. He also knew that the Fall would occur, yet allowed it to happen. So now you can see the heavy price of the tree of knowledge, it neither took Adam from evil nor set him in good. So he walks in the 'middle'

This is death. And is the Reason all the children of Adam repeat the same over and over..again and again

But the cycles will soon end, and we will have perfect absolution across the Board because our LORD is INFINITELY merciful. For he holds the perfect understanding of all things.

"I am the Alpha AND the OMEGA the beginning and the end, What IS, what WAS, what is to come."

You are the GODS people that made everything. all of the people in the whole creation, it matters not the type of PERSON., angel, or man in all the versions he appears is. ONLY MAN CREATES CONSCIOUSLY. STOP PUTTING GOD OUTSIDE YOURSELF. MAN IS CREATOR . And once you understand that one, in enough numbers on this world, everything will change, when you realize YOU CREATE.

God didn't create the serpent, man creates himself as he grows and makes his free will choices and that is angel and man alike. The serpent is actually race of galactic thugs that are imprisoned on this world, and some of what you ones call God is the hierarchy, as all planets are seeded with life when ready, and they governed. Lucifer left the creations governments and went on his own and he failed big time. We have so much reincarnation here, because you see, Lucifer was a

manager and not a creator being and he could NOT ensoul people so everything reincarnates here. Ponder that, but it does anyway to a point because that is how mind is developed. All who have souls of animal origin have been the animals first.

YOUR ARE THE CREATORS and you are HERE to INcREASE YOUR CONSCIOUSNESS OF THE FACT THAT GOD IS YOUR FATHER and YOU ARE HIS SON> YOU will never find true peace, until you understand that and take responsibility.

Think of the all the destructive "creation" happening on this world . And think of all the GOOD creation happening on this world. THOSE WITH INTELLIGENCE TO BE ABLE TO REASON and PLAN AHEAD CREATE JOINTLY EVERYTHING THAT HAS BEEN CREATED and they will CREATE EVERYTHING YET TO BE CREATED.

GOD DOES NOT WAVE MAGIC WANDS. MIND IS PURE ENERGY. EVERY THOUGHT YOU HAVE TRAVELS OUT INTO THE CREATION, it does not "stop" moving. PONDER THAT. WHEN ENOUGH THOUGHTS HAVE COLLECTED OUT THERE, CERTAIN ONES OF GOD DO A BIG BANG OF SORTS and START A NEW NEBULA and CREATION GROWS< because you see, thinking and mind would never ever stop. And so the creation does not stop.

To Candace: You claim that I am deceived in my knowledge, trying to walk in God's shoes so to speak. I only desire to receive the blessing of God and be forgiven, and my only reward is life and rest. knowledge is why the world is the way it is. Ask yourself, what is knowledge without Love? what is it to gain the whole world but lose your soul in the process?

I understand your disdain for the evil things in the world, I do. But it will sort itself out, and the phoenix will come on the Great and Terrible day of the LORD "burning like an oven".

So do not hate the ones who are wicked. Spread love as you have been, for knowledge will surely increase in the coming days to the point of being overwhelming, thus the error will be known, then

we shall have peace. I love you, and I am not ur average "Christian" hehe.

Lol what is that? Did'nt Lillith roll on Adam because he would not treat her equally? I believe he wanted to be on top. 

So...Lillith said screw this I'm outta here and ascended on the first day! That should give an idea the power of Woman. I am male, but I recognize women as NOT being inferior, quite the contrary. When it comes to intuition, grace, spirit, quite frankly THEY.OWN.US.

Thanks for the kind words Candace, it really hit home.   I know how a lot of members feel about you but you continue on. I know I can't change your mind on certain things, but everything you just said I have known for awhile now. I talk with scriptures here, so maybe the ones who call themselves 'christian' will understand my words.

Our Earthly mother only comes to us once you cast off the power of the Serpent. It was'nt so easy for me to say, Begone Satan!   

I am a follower of 'the path.' Meaning this, I'm just gonna say it now;

I am opposed to the power of the Serpent.

I am opposed to the beast, who would build a kingdom of stone. Out of his mouth pours armies and he spreads the fires of destruction.

I am opposed to Babylon.

I am opposed to man even for the sake of our Earthly mother.

Even though, I know she can 'handle herself' I love her and I also tread lightly upon her. My gift is my curse. I feel the love of the Father even as I write this.

I have no agenda, my goal is to enlighten, NOT TO CONVERT! Just to get that clear.

And again no I am not a water nymph lolol. Cheers!

PS none of what I say should be taken to heart, as we all have a different take on things. HilosPP and Candace, you both seem very set in your beliefs.

But know this. 'Beliefs' puts a roadblock up to experience.

And Vanity is one of "the deep things of Satan"

Nice, :) God did create the serpent. We are "all" the hands and feet of God. The Illuminati serve God to create His kingdom, the Elite serve God, We all serve God. The rich and prideful serve our Creator faithfully, but just have sacrificed their own eternal life in paradise. But God bless them. They are tools that are necessary.

The Phoenix will purify ALL.

We all do the will of the Father, even if we think we oppose him, isn't creation wonderful? cheers
