Are you implying God created Evil?

Quoting: **HilosPP**

I'm saying God created the Serpent. From Genesis: "Now the Serpent was more subtle than any other creature the LORD God had made."

Now obviously, and I am sure you will agree, God perceives EVERYTHING. There is nothing in the future that is not known.

So he allowed the Serpent to carry out his will, EVEN though he saw through his wicked intentions since before he even created him. I hope this makes sense. He also knew that the Fall would occur, yet allowed it to happen. So now you can see the heavy price of the tree of knowledge, it neither took Adam from evil nor set him in good. So he walks in the 'middle'

This is death. And is the Reason all the children of Adam repeat the same over and over..again and again

But the cycles will soon end, and we will have perfect absolution across the Board because our LORD is INFINITELY merciful. For he holds the perfect understanding of all things.

"I am the Alpha AND the OMEGA the beginning and the end, What IS, what WAS, what is to come."

Quoting: **Vindicator**

Nice, :) God did create the serpent. We are "all" the hands and feet of God. The Illuminati serve God to create His kingdom, the Elite serve God, We all serve God. The rich and prideful serve our Creator faithfully, but just have sacrificed their own eternal life in paradise. But God bless them. They are tools that are necessary.

Quoting: **Anonymous Coward 1514231**

Yes!!! Necessary tools indeed. 

The Phoenix will purify ALL.

We all do the will of the Father, even if we think we oppose him, isn't creation wonderful? cheers!

I am watching anderson cooper's special tonight on the abuse of children by people who know nothing of God.

Christianity as set up by your very dark ops people is dangerous to the minds of the immature who cannot reason. I have seen so much and the immaturity is getting worse and worse for a variety of reasons. There is NO serpent, there are evil people. A particular group have labeled themselves serpents. There is free will. As to Lucifer, he got a big head, a huge ego and wanted to be a God himself and he and the clowns who bought into his idea, separated themselves from the union. we call it civil war on this planet.

It did not work. All of the creation is governed. That that Hierarchy is foten what you ones label "god." What do you even mean by GOD? It has become a catch all term. YOU ARE GOD. God is not just one person that waved some sort of magic wand. And yet you continue to talk about him as if he is.

The CREATION is not a mere 15 billion or so years old. It is thousands of trillions at least. There is no record of it's beginning, as to the Central Universe of Havona (from which the word heaven comes from.).

As the superuniverses began to form there are records of "time." there are standard times, because all spheres have their own time based on revolutions or orbit or as in the case of earth, both.

You ones seem to have such a small concept of the size of things. Of how big it is, like I run into many who actually think this is the only planet that this magic wand user called God made. Ponder that simple statement, for this is not the only planet god made and populated. this is very simplistic thinking and even cave men do better than this.

I want those of you in this and the other silly religious threads to grow up your minds and imagine a creation of 5.6 trillion populated planets. This one is immature and there are lots of reasons for that. This is one of the slowest most laggard planets ever, and certainly the slowest most laggard planet in this sector of the creation.

One of those reasons is because it's being use as a prison ward, because the problem of evil has been excessive in Orvonton and must be dealt with.

To Candace: You claim that I am deceived in my knowledge, trying to walk in God's shoes so to speak. I only desire to receive the blessing of God and be forgiven, and my only reward is life and rest. knowledge is why the world is the way it is. Ask yourself, what is knowledge without Love? what is it to gain the whole world but lose your soul in the process?

I understand your disdain for the evil things in the world, I do. But it will sort itself out, and the phoenix will come on the Great and Terrible day of the LORD "burning like an oven".

So do not hate the ones who are wicked. Spread love as you have been, for knowledge will surely increase in the coming days to the point of being overwhelming, thus the error will be known, then

we shall have peace. I love you, and I am not ur average "Christian" hehe. 

Quoting: **Vindicator**

You sound like one of Lillith's Nexus Nymphs.

Quoting: **HilosPP**

Lol what is that? Did'nt Lillith roll on Adam because he would not treat her equally? I believe he

wanted to be on top. 

So...Lillith said screw this I'm outta here and ascended on the first day! That should give an idea the power of Woman. I am male, but I recognize women as NOT being inferior, quite the contrary. When it comes to intuition, grace, spirit, quite frankly THEY.OWN.US.

Thanks for the kind words Candace, it really hit home.  I know how a lot of members feel about you but you continue on. I know I can't change your mind on certain things, but everything you just said I have known for awhile now. I talk with scriptures here, so maybe the ones who call themselves 'christian' will understand my words.

Our Earthly mother only comes to us once you cast off the power of the Serpent. It was'nt so easy for me to say, Begone Satan! 

I am a follower of 'the path.' Meaning this, I'm just gonna say it now;

I am opposed to the power of the Serpent.

I am opposed to the beast, who would build a kingdom of stone. Out of his mouth pours armies and he spreads the fires of destruction.

I am opposed to Babylon.

I am opposed to man even for the sake of our Earthly mother.

Even though, I know she can 'handle herself' I love her and I also tread lightly upon her. My gift is my curse. I feel the love of the Father even as I write this.

I have no agenda, my goal is to enlighten, NOT TO CONVERT! Just to get that clear.

And again no I am not a water nymph lolol. Cheers!

PS none of what I say should be taken to heart, as we all have a different take on things. HilosPP and Candace, you both seem very set in your beliefs.

But know this. 'Beliefs' puts a roadblock up to experience.

And Vanity is one of "the deep things of Satan"

Quoting: **Vindicator**

Vindicator, based on a post you made to which I replied, in which you seem to want some peace and blessings, what about this post dignifies the earlier comments?

You are not a follower of "the path." there is NO PATH except the one YOU CREATE and man has to discover that. Nobody lays your path for you. Jesus did not. He showed a righteous way to live. He did not create this religion called christianity, it is the creation of thugs and of people who have little mind to understand anything. COPYING CRAP and following CRAP is a very bad path.

It matters not who write the crap. You are here to grow individually into responsible mature people who are sovereign. This planet has way too much "following".

You here here to learn to become I AM THAT I AM and I should change my own signature file to include that statement.

You are here to become I AM"S, NOT I FOLLOWS. Even cats and dogs don't follow like man does at this time on earth.

Since I have no concrete experience with Islam, I really don't know how much following goes on there but it looks like its just as bad as christianity. jesus did NOT GIVE THIS RELIGION, as I keep saying. HE came to tell you, that you are Sons of GOD, and not babies.

Again, it was promised that in the end of this age, there would be additional teachings, better and more teachings and you ones stick to the silly bible of one little group of confused people as your resource about God. It is not a resource about God. there are small amounts of correct material in it, but it is not a resource. It is not an encyclopedia about God.

Every culture and racial group has received avatars. Jesus was NOT the first, nor was he the last. they continue to come in large numbers because of the tremendous sadness those in "heaven" feel for this terribly confused world.

WE ARE SAD. WE SHED BIG TEARS FOR YOU ONES OF EARTH. WE ARE HERE BECAUSE WE LOVE YOU and WE WANT the BEST FOR YOU. CAN" T YOU CONSIDER GROWING UP INTO SOMETHING MORE? I SHED BIG TEARS EVERY TIME I SEE THREADS LIKE THIS.

I SHED BIG TEARS EVERY TIME I SEE FOLKS DOING NOTHING ABOUT THE GENOCIDE SINCE 911 IN THE MIDDLE EAST. I SEE ONES WHO BELIEVE JESUS IS GOING TO RIDE EITHER ON A WHITE LIGHT OR A WHITE HORSE ACROSS THE PICK THEM UP IN A RAPTURE. HOW CAN THIS HAPPEN? IT IS NOT SO, IT CANNOT HAPPEN, SCIENCE WILL SEE TO IT. BECAUSE YOU SEE THE LAWS OF GOD ARE THE LAWS OF PHYSICS. JESUS CANNOT PICK YOU UP ON A WHITE HORSE.

I EXPLAIN THE POSSIBILITY OF EVACUATION OF THIS PLANET WHEN IT GOES INTO THE AXIS SHIFT. PEOPLE SAY THEY WILL WAIT FOR THE REAL JESUS AND WELL NOT BOARD

CRAFT. WHERE ARE YOUR MINDS?

And you ones go after folks who don't believe as your individual little church does as being evil and will burn in hell for eternity. souls do not burn at all, but nuclear explosions can damage them greatly. bodies do not burn for eternity. and neither can a soul. it can be damaged, and destroyed, but it cannot burn forever.

as a matter of fact, based on some topics in this thread, the relations of Jesus and his mother, or with Mary M, is in fact none of your business. It is no more your business than say my marriage. or anyone elses. I am divorced by the way, and for very good reason. I had to get my children out of a terrible situation because it was RIGHT TO DO.

MAN KNOWS what is right. even with his limited DNA he knows what is right, but choses otherwise. He is born knowing what is right. But the dark thugs put out of lot of trash and cause confusion.

Separate yourselves from the TRASH. The Life of the two that presented together as Jesus, were not trash and there is a trashing soap opera discussion going on here, which I find offensive, being that I know a bunch of the people who incarnated to play those roles 2000 years ago. they incarnated to play story and teach. There was only 2000 years left after all until the end of the age, and the time this planet and solar system would be coming into the end of the 2nd great cycle around the milky way. It is a final SORTING TIME, not a judgement time. There will be some judged yes, of the evil ones, but mostly its a sorting time. Those not ready for the ascension process of GAIA cannot stay. They could not survive and GAIA's body cannot handle this overpopulation and resultant pollution of war and man's mind. She is going to be cleansed.

Religion matters not jack shit about if you are going to be a quality stay behind to grow with her, or an evil one removed, or who moves laterally at this time. the planet cannot support you all and most folks are going to MOVE.

now is a time to really really look at this miserable world and learn what you can see. Discussions about the life of Jesus and Mary do not further learning what is with this world NOW. If his demonstration of a good life lived, had been headed, this would be a better place.

Grace to you and peace from him who is, Who was, who is to come.

To Candace, Hilos, and the rest of the brethren, and to the dogs even, let the forever sun rise in your hearts.

Candace, I agree with you, you speak from the heart. The Serpent is unseen to those who have not seen the horrors of Sheol, MAY YOU NEVER SEE THAT PLACE! -selah

Yet it is apparent how the duality of man has caused him to remain in debt and death.

The great tree of life stands in the midst of the sea of glass, and is hidden in plain site right here on this earth.

In the sea of glass under the throne of the **Almighty** can be seen the reflections of the mountains

the rivers, the trees, the hills, and all seed that bring forth good fruit.

Hear and understand my words, we are not separate from God, you can see him in the trees the blades of grass, the little children's eyes. You can behold his wondrous glory in the firmament. The 'world' is a hologram so to speak, more easily put, it is the 'ground of the univers' and is sacred, and indeed Candace, look what we've done! 

All that evil, all that bloodshed, all that pain and suffering brought against the sons and daughters of light has been stored up for the one day, the GREAT and TERRIBLE day, when it's FURY will be unleashed upon the heavens as well as the Earth.

So do not dismay, do not hate the wicked, their fate is sealed, I tell you it already has happened, we are watching it play out on this realm as we speak.

Some of you are sons of the great light, and a few others are sons of the holy flame, born anew unto the spirit, we are the MIGHT AND STRENGTH, we are the keepers of the sacred vow. To avenge the blood spilled of the holy ones of light, who shine in the darkness, and the dark ones tremble at our site. WE ARE MANY. Out of smoke and ashes we rise, blinding the wicked, bringing them the message of the Holy Fire.

We will purify them, make them whole again.

As to Lucy, don't think too much about him, the masons have their reasons, they Beheld his strength and power and fear him. yet they only one they should fear is the most high if there be any fear at all. But The voice of God is small and still to those that love him and keep his ways.

Blessings multiplied to you.

Indeed. Never would I have thought I would say such things on GLP lol. No attention seeking here. I don't make threads, I am a lurker. Which describes me to A T.

To those of you in the light, remain in the light. The prodigal sons who went astray will indeed be returned to glory, and will carry the flaming vengeance to the dark and despicable, unholy, wretched, vile slug eating swine that they are. Then their rage will be consumed, and find rest once again, for our pain is worse than death, for at least in death we might rest.

And even the swine will be made whole, after their vileness is burnt to a crisp, and they present right offerings to the "Holy one of Israel" "Still small voice" The prodigal sons will find perfect absolution and peace and indeed will be welcomed back home to their father. To long have we roamed the Heavens and Earth in total unrest.

So let us raise are flag, and swords for the final time, and rout out the wretched filth WHO WOULD DARE COMMIT THESE VILE THINGS EVEN IN THE SITE OF THE MOST HIGH.!

We are trying awfully hard to give them opportunity to return to glory. That was the MISSION of Michael of Nebadon to extend his hand, because in reality there is no other way for them to return except by his hand, and it is their choice. Always the individual's choice.

the fallen angel and the fallen human must by the laws of NATURE's God, live on lower worlds like this for their eternity, until they choose to RESTAND themselves

Because of the nature of nature's cycles, this planet being at the end of the 2nd journey around the Milky Way core, and other factors, there is no time left here for the fallen. They have no more chances HERE. They will be moved laterally according to their nature and growth or lack there of.

Many severally abused younger souls will be moved to new younger planets, will have the terrible soul memories erased, and will then have a fair start in a new place. the Hierarchy, which some label God is indeed merciful and full of grace.

Please dear one, if you have such an interest that has kept your thread going, consider reading the ADAM and Eve story in the Urantia Book. Because I know that you have misjudged it for whatever reasons and possibly because you simply have not chosen to READ it. It IS from very advanced HOSTs of the Hierarchy of the creation.

Papers 74 and 75 are about Adam and Eve and the their Default. It will put an end to thousands of years of rumors and misinformation and mistranslation. It will relieve all of you interested from your superstition too, because that is still so prominent on this world regards christianity. Paper 73 begins the story of the Garden of Eden and it's selection of site and building of it.

The only reason adam and eve are even IN the bible is because the garden was at one time at the eastern end of the Mediterranean, and thus stories were handed down there. There was a 2nd garden between the euphrates and tigris rivers and thus the influence there too in the telling of the stories and why Islam recognizes the stories. (plus the roman church influence on "modern" islam which it helped to create by infiltration).

Please dear one, if you have such an interest that has kept your thread going, consider reading the ADAM and Eve story in the Urantia Book. Because I know that you have misjudged it for whatever reasons and possibly because you simply have not chosen to READ it. It IS from very advanced HOSTs of the Hierarchy of the creation.

Papers 74 and 75 are about Adam and Eve and the their Default. It will put an end to thousands of years of rumors and misinformation and mistranslation. It will relieve all of you interested from your superstition too, because that is still so prominent on this world regards christianity. Paper 73 begins the story of the Garden of Eden and it's selection of site and building of it.

The only reason adam and eve are even IN the bible is because the garden was at one time at the eastern end of the Mediterranean, and thus stories were handed down there. There was a 2nd garden between the euphrates and tigris rivers and thus the influence there too in the telling of the stories and why Islam recognizes the stories. (plus the roman church influence on "modern" islam which it helped to create by infiltration).

Re: The Truth of Mary Magdalene and Jesus of Nazareth

why is this idiocy pinned?

As the pins are given by idiots. None of them have the slightest idea what are they talking about. Never studied properly eastern hidden language, never came closer to the "core".

The fact of the matter is Jesus was Adam reincarnated and Mary Magdalene was Eve reincarnated. Jesus had sex, Jesus really likes sex, God made sex and if He didn't like it, it wouldn't feel so damn good. If Jesus didn't have sex He would of probably started a Church like The Roman Catholic Empire and has a bunch of underground child sex rings orchestrated, much like the Pope Jean Paul the Second does.

lol couldn't agree with this statement more if my life depended on it...there is nothing more sacred. Its the defamation of the human body that creates the sinning in the act. Most things in life that feel good, feel good for a reason. We are supposed to enjoy what we have been given by God...weed/shrooms/etc. all are gateways to higher levels of consciousness where you can communicate with your higher self and connect to the source!
